SIXTY-FOURTH ANNUAL SESSION
OF THE
CAROLINE BAPTIST ASSOCIATION

HELD WITH
LONOKE BAPTIST CHURCH

Lonoke, Lonoke County, Arkansas

October 9-10-11-1919

- W. K. OLDHAM, Moderator Lonoke
- FRITZ E. GOODBAR, Clerk Lonoke
- W. P. FLETCHER, JR., Treasurer Lonoke

Next Session to be Held at Judsonia Baptist Church, Judsonia, Ark.,
Commencing on Friday before the Second Sunday in
October, 1920, at 10:00 A. M.

We must urge the importance of Pastors, Churches, Clerks, Deacons, Sunday School Superintendents, Missionary organization, and in fact, the entire membership of each church in the Caroline Association to feel that it is a duty devolving upon them to see that the Minutes of this Association are distributed in such a way that every member will have an opportunity to read and know what is being done for the Master's cause, by them and their brethren, for Association, Home and Foreign Missions, and education and benevolence

We earnestly urge that in addition to the working and business side of the Association, as the same appears in the Minutes, that the pastors of the churches, or the deacons where there are no pastors, see that the Constitution and By-laws of the Association are read, and that the Articles of Faith and Church Covenant, as the same appear in the Minutes, be carefully studied in order that we may know what the pledges are that we have made, when joining ourselves to a Baptist Church, and in order that we may be enabled to know what our duties are toward God, our Father, and Jesus Christ, our Brother and to His Church, of which each member is a component part.

I regret exceedingly that conditions are such that I cannot be with you in your deliberations at this meeting, having served you as best I could as your Moderator for the past thirty years. Your brother in this, our common cause,

The report of the Mission Board was read by Bro. O. E. Williams and is as follows, to-wit:

REPORT OF MISSION BOARD OF CAROLINE BAPTIST ASS'N.

The Mission Board submits the following report: The board has met from time to time as occasions demanded during the year, the first meeting of the board was held at Lonoke Baptist Church on Dec. 5, 1918, with the following members of last years board present: Bros. G. L. Boles, W. P. Fletcher, Fritz E. Goodbar, W. P. Fletcher, Jr., and O. E. Williams. The treasurer made his report to the board which showed the association out of debt and \$----- in the treasury. The old board then adjourned and turned over all business to the new board.

The new board which consists of Bros. G. L. Boles, W. P. Fletcher, Fritz E. Goodbar, W. A. Crutchfield, R. C. Walker, Sam Dardnne, W. P. Fletcher, Jr., J. W. Lowman, R. P. Bain, Wm. Cooksey, O. E. Williams, and F. E. Marble, met with the following members present: Bros. G. L. Boles, W. P. Fletcher, Fritz E. Goodbar, R. P. Bain, W. P. Fletcher, Jr., and O. E. Williams. Bro. Walls, our missionary, who was elected by the association at its last meeting, was present and on invitation of the board took part in our deliberations. The board then organized by electing Bro. G. L. Boles, chairman, J. W. Lowman, vice-ch'm., O. E. Williams, sec't. were appointed a committee to plan the work with the Missionary. Motion carried that Bro. Walls visit the stronger churches of the association in order to keep them informed of our needs and get their support as well as to hold meetings and supply for needy churches. Motion carried that secretary of the board send a letter to the churches of the association informing them what we were doing and the letter was sent in due time. Bros. Fletcher, Boles, and Goodbar were appointed to confer with the woman with reference to the woman's work.

In March the board met at the office of W. P. Fletcher & Son with the following members in attendance: Bros. Boles, Fletither, Jr., and Williams. The chairman and secretary were authoriztd to borrow money from time to time as it became necessary to pay the salary of the missionary. Under this authority the board has borrowed \$525.00 from the bank and we owe Bro. Walls \$119.47. For full financial statement we refer you to the report of the treasurer.

The secretary has this year and the past two or three years sent uniform blank associational letters to the churches of the association on which they were requested to make their reports to the association. This letter was prepared by a committee of this association about four years ago and we think it the best for our purpose that we have ever seen and we heartily recommend its use. The secretary sent a letter to the churches of the association about the first of October.

The board was notified on October 6th, that several cases of small pox were reported near Tomberlin and that it would be best not to try to hold the association there Realizing that something must be done to relieve the situation and believing that it would be disastrous to postpone the meeting of the association the board called an emergency meeting and took up the matter of changing the meeting place of the association Upon invitation of the Lonoke Church the board decided to allow Lonoke to entertain the association at this time and an effort has been made to notify all the churches by letters, tele-phones and notice in the public press We hope all messengers received notice and that no one was inconvenienced by the change of meeting place.

Bro. Walls has been on the field since Dec. 1, having been elected by the association at its last annual meeting. His report will show what he has accomplished, as much as a report can show.

Bros. Boles and Cooksey having moved from the bounds of the association their places on the board have become vacant.

We wish again to call the attention of the churches to the fact that our association is smaller than it was a few years ago on account of the organization of the Pulaski County Association and on account of the high cost of everything our expenses are much greater than they were a few years ago, therefore, we call upon the churches to bear this in mind and increase their offerings accordingly. For the past few years the minute fund has not been sufficient for the purpose and we desire to call the attention of the churches to this matter also.

We hope that the work can go forward so that in the near future every church within the bounds of Caroline Association may be fully organized in every department and performing every duty for which it was organized and established, as laid out in the New Testament. We hope and expect that the next year may show a marked improvement and healthy growth of every church in the association.

Fraternally submitted,
O. E. WILLIAMS,
W. P. FLETCHER, JR.,
FRITZ E. GOODBAR,
R. P. BAIN.

Mission Board of Caroline Baptist Association.

The report on Woman's Work was read by Mrs. Fritz E. Goodbar and is as follows:

REPORT ON WOMAN'S WORK

As we come together to account for our past year's work as laborers in the harvest fields of our Master, we feel keenly that we have not been as zealous servants as we might have been. We feel that the great destitution in Caroline Association is still as evident as it has been in years past; that these fields already so white unto harvest, with their thousands of idle laborers, are a crying rebuke to us as we assemble together this year.

At our meeting this afternoon, we made plans to greatly enlarge our work through the efforts of volunteer women and a woman missionary. Pledges were taken for this purpose. Realizing that the time has come to go forth, we, your co-laborers, do pledge you our prayers and our service to help bring about a new day for our beloved association.

We, therefore, recommend that our aim this year shall be for the enlistment of every man, woman and young person in the Baptist churches of Caroline Association and for the winning of thousands of lost souls with its bounds.

That we adopt the plan our women have been working for several years past, that of, the stronger women societies helping the weaker ones and enlarge it, to the stronger churches reaching out to help the weaker churches near them through the united efforts of our pastors, laymen and women.

That your cooperation, your prayers and your financial support

through the Mary Fletcher Memorial Fund, a woman missionary be continued for another year.

And that the morning session of the first day be used for the perfecting of the organization of the Association and the afternoon session be given over to the woman's meeting.

Respectfully submitted,
MRS. FRITZ E. GOODBAR, Pres.
MRS. E. M. HIGH, Sec.

The report on Mary Fletcher Memorial Fund was read by Mrs. E. M. High and is as follows:

REPORT OF COMMITTEE ON MARY FLETCHER FUND

At the meeting of the association last November it was voted to continue the work of the Mary Fletcher Memorial Fund and the pledges amounting to \$209.50 were taken, but being unable to secure a woman to carry on the work nothing was done until spring. At this time finding that Miss May could be secured she was elected field worker at a salary of \$75 and traveling expenses. After working one month she was given leave of absence to work in the Baptist 75 Million Campaign.

Although working only a short while she accomplished much as her report shows and we were sorry not to keep her longer but as our association was included in her territory she has worked a part of the time for us anyway.

Mr. W. P. Fletcher, Jr., will make the financial report of this fund showing the names of those who contributed and expenditures.

Since we couldn't secure a woman for all time we have not collected all the pledges and others have not been called on to contribute to this fund. Realizing the need of a woman worker in the field whose work shall be to enlist and train the women and young people for lives of service, we therefore, recommend, that this work be continued and that Miss May be elected for the ensuing year.

We further beg the prayers and co-operation of our pastors and churches. Well knowing that without their assistance this important work will not be the mighty factor it should be in winning our association to Christ

Respectfully submitted,
MRS. E. M. HIGH, Chairman.

The report on Associational Missions was read by Eld. J. D. Sayers and is as follows:

REPORT ON ASSOCIATION MISSIONS

The value of Associational Mission work cannot be over estimated. Had we no Missionary many churches and destitute fields would go from year to year without preaching or without being enlisted in any line of service, and many would go to everlasting burning that would see the light through the preaching of a Missionary and launch out to serve God. We appreciate the good work done by our present Missionary this year and urgently request that every church heartily cooperate with our Missionary the coming year in everything he undertakes to do for the glory of the Master; for in unity there is power and assurance of victory.

We recommend that our Missionary continue to evangelize, teach the word, strive to enlist every church in giving to the cause of Christ to earth's remotest bounds that is not already enlisted and help to locate pastors on every field where a pastor is needed.

That the Association at this time elect a Missionary for the coming year for all his time and that he be paid a salary of not less than \$1,800 and expenses and that the association also elect Miss Lillian May for Woman Missionary and the salary to be set by the Association.

The report of the Associational Missionary, Eld. W. V. Walls, was read by him and is as follows:

REPORT OF MISSIONARY

To the Caroline Baptist Association,
Dear Brethren:

I beg to submit for your consideration the following report of my stewardship as missionary since Dec. 1, 1918; I have visited about 30 churches and am sorry to report that I found them in bad condition spiritually with but few exceptions. I have spent the greater part of my time in working with the weaker churches but have spent what time I could in visiting the stronger churches and apprising them of our needs.

EL PASO—

At El Paso things are in a bad condition. I had a short meeting there and the Lord blessed his word and prospects there seemed much brighter.

BAUGH'S CHAPEL—

I helped Bro. Kilpatrick in a meeting at this church and found a splendid band of men and women in the church but they are not doing the work they should do.

OLD AUSTIN—

This is one of the oldest churches in the association but it is in bad condition spiritually, notwithstanding it is made up of splendid men and women. I held a short meeting here with Bro. Kilpatrick. I believe there are better things in store for this church another year.

HICKORY PLAINS—

This is a splendid little church but was on the back ground. I held a 6 days meeting at this point. There were 23 conversions and about 12 baptisms. The church was greatly revived.

CENTER HILL—

I undertook a meeting with these brethren but the prospects were so discouraging that I gave it up after two days. This church had left our association but there was some hope that it might return.

WARD—

I had a short meeting at this place with good results. There were several conversions but the church is so badly disorganized and some conditions that could not be dealt with just now that I deemed it best not to give an opportunity for membership during the meeting.

McCRORY—

I could not reach McCrory with a meeting and we invited Bro. Mitchell of Newport to hold them a meeting, which he did in August but I have not heard what the results were. This church is in very bad condition, disorganized and at a low ebb spiritually.

GEORGETOWN—

I held a week's meeting at this place. It looks like the splendid work Bro. Bain did here has gone completely to rack for lack of a pastor to take care of the situation. We had a number of renewals during the meeting—blacksliders reclaimed but this is all we did as far as I know. This point should be looked after by the missionary next year. I believe they can be put on their feet.

WATTENSAW—

I held a seven days meeting with this old run-down church. God gave us a great meeting. This is one of the oldest and best churches of the association but they had gone to sleep. I never saw a finer band of men and women, boys and girls. I do not remember the number converted but there were 12 or 15; 16 baptisms and some by letter. We will hear from this good church. They are going to do things. Bro. Woodward is the pastor and a splendid good man he is. This church will have half time next year.

KENSETT—

I supplied for Kensett during the year. This church had gone to nothing but God blessed our labors together. The church put on new life and there were several additions during the year. The good meeting house built by Bro. Bain is nicely seated, debts are paid and they now have a splendid pastor in the person of Bro. McGee located on the field for half time, and he and his excellent wife are doing a good work. You will hear from this good church in this good and growing town. I had arranged to hold them a meeting and we invited Bro. McGee to assist but owing to sickness in my family I could not reach them yet a good meeting was held and there were several conversions and baptisms, 7 conversions, I think and 7 baptisms.

SUMMARY—

I have traveled 3375 miles; preached 227 sermons; had 61 professions of faith; baptised 28; received by letter 8; received by restoration 32; churches organized 1; churches reorganized 2; prayer meetings organized 11; prayer meetings attended 45; prayer in homes 121; homes visited 269; Sunday Schools organized 11; Sunday Schols addressed 36; Public Schools addressed 11; collected on the field \$299.25; expenses \$103.40.

Dear brethren: Another year has gone into the eternal past and has become history. Whatever we have done in the past year to honor God's matchless name, let's lift up our eyes and look on the fields that are white already for the harvest and undertake more for the Master during the coming year.

Respectfully submitted by your humble missionary,

W. V. WALLS,

The report of Miss Lillian May, Woman's Missionary, was read by her and is as follows:

REPORT OF W. M. U. MISSIONARY**Under The Mary Fletcher Memorial Fund**

I had worked only one month, July, as W. M. U. Field Worker

in Caroline Association when the call came to take up the work as W. M. U. Organizer for Central District, in the 75 million campaign.

But during the one month, I found much to be done, especially the enlistment and developing of our women and young people.

Realizing this great need, let me urge the co-operation of the men and women of this association in keeping a W. M. U. worker on the field all the time.

The report on State Missions read by C. M. Friend and is as follows:

STATE MISSION REPORT

The following facts show something of Arkansas' needs and progress along State mission lines: White population, 1,320,300. Whites above 10 years of age, 920,445. Whites holding church membership in some denomination, 369,297. Whites over 10 years of age out of church relationship, 551,747. Total out of church membership over 10 years of age including negroes, 790,176. Our white Baptists number fully 128,000. Churches in State over 1600. Fully 400 of these have no houses of worship and 1,000 others, according to the values placed on the houses by the churches themselves, have houses with only an average value of \$500. each. There are two county seats without Baptist churches and three without Baptist church buildings.

Two counties have only one Baptist house of worship each. Our membership by counties, ranges from 14 per thousand of the population in Newton county, up to 283 per thousand in Grant. Many communities are without Baptist preaching or church organizations. Perhaps 300 of our weaker churches are without pastors, or Sunday Schools, prayer meetings or other helpful organizations. They think of the thousands of souls to be reached with the gospel as well as the errors that need to be met in nearly every part of the state.

A thoughtful consideration of these things and the realization of the Savior's commission and commands to his churches and recalling of his challenge, "If ye love me, ye will keep my commandments," will certainly give to us a deep consciousness of the truth

endous responsibilities that are ours as his servants and commissioned ambassadors.

More than this the growth of Baptists in Arkansas, in comparison with other denominations, during the past 25 years, shows that the people of the state are open to the gospel as preached by us to no other "name or order." With ears and hearts of the people thus opened to us before this awful war; and the Baptist day of opportunity, so enlarged by the war, our greatest day of opportunity is here. We must seize it.

Last year showed the following work done by our State Board: Association Missionaries helped, 21; Missionaries and other workers employed, 194; sermons and addresses, 15,224; Sunday Schools and Y. P. U.'s organized, 136; churches organized, 16; conversions in state, 2,253; soldiers making confessions, about 10,000; baptisms from Mission work, 2,337; total additions from Mission work, 3,779; raised for State Missions, \$56,626.45. The work this year is laid out on a basis of more than \$90,000 and more than 125 missionaries have been employed during the present year. This includes Association Missionaries, District Missionaries, Enlistment men, Sunday School, B. Y. P. U. and W. M. U. workers. The labors of these workers have been greatly blessed this year.

In the 75 Million Campaign \$140.00 per year is apportioned for State and Associational Missions, all to be raised by Arkansas Baptists themselves. This amount and more is needed. There is not a county in the state, but what needs a strong, religious, hustling and missionary for full time the year round. In caring for these needs there should be the most hearty and considerate co-operation between the Associations and the State Convention, so that the work may be the more thoroughly and economically done.

Your committee would recommend that the churches of this Association support heartily this work and that our Association Executive Board co-operate in all needed ways in order that all Baptist money expended and men employed may count for the most in the service of our Lord. Doing our best for the 75 Million Campaign will help solve the financial problems of this work as of all others. For information about the work write E. P. Aldredge, General Secretary, 405 Donaghey Bldg., Little Rock, Ark.

We would have been glad to have given the work of the General Association if we had known the facts in the case, but failing to find Bro. W. A. Crutchfield or anyone that could give us the information, we therefore had to pass it by, but if anybody can give us data on the work done this year, and their plans for the future, we will gladly incorporate it in this report.

The report on Home Missions read by Eld. B. L. Ayers and is as follows:

REPORT ON HOME MISSIONS

The Home Mission Board, located at Healy Building, Atlanta,

Ga., is the agency through which Southern Baptists as a single body address themselves to the task of winning the host and building up the churches of the South. The work of this board is very important. We are living in perilous times. Post war conditions have brought an urgency and need for the spread of the New Testament truth as never before experienced.

A subtle propoganda of new religious fantastic creeds and Golden Rule dogmas seem to cover the land. Efforts to neutralize and vitiate the power of the Gospel are being made with a reluctant emasculated Christianity echoes of so-called union movements no broad in conception that men are told it doesn't matter much what a man believes, while as Baptists we believe that it matters much what a man believes, the difference between life and death, hell and heaven. All of this is to be combatted by the gospel of the Son of God. The Home Board is in its various departments addressing itself to this task.

Namely: Evangelism, constituting churches, loaning money to Baptist Colleges, building meeting houses, maintaining mountain schools, and a little seminary at New Orleans, work in Cuba and Panama, ministering to southern negroes.

Believing that past performance indicates best what we may expect in the future your committee invites your consideration to a few facts as to what the Home Board did and is doing.

Baptisms 30,982; received by letter and otherwise, 20,567 churches constituted, 213 white; Sunday Schools organized, 634 Bibles and New Testaments distributed, 50,380.

Arkansas: Giving and lending Arkansas Baptists this year \$60,000. Missions and cooperative work \$25,000.

Total receipts last year, \$474,795; Administration \$22,638, 4.7 per cent.

The seminary at New Orleans, work among foreigners, Cuba and Panama, department of evangelism all call for large programs this year and we earnestly pray that this body may with their prayers and substance help in the great work the Home Board is doing by spreading the New Testament message and glorifying our Lord and Master.

The report of Orphans' Home Work was read by Eld. C. C. Pearson and is as follows:

REPORT OF COMMITTEE ON ORPHANS' HOME

Without a doubt the most dependant among us are the fatherless children and we are grateful to Almighty God that our people are aroused as never before with the question of caring for our dependant ones. Many of our Sunday Schools are contributing monthly to their support and other organizations in the church are alive to their responsibility and are making some provision for them. We are aware that we have two orphan Homes, one at Monticello, maintained by the Baptist State Convention. There are between 70 and 90 children in the home. As has been the polloy of the past few years a number of children have been placed in

good homes. This policy should be maintained in the future. The Monticello home is greatly in need of remodeling and we recommend that this association bind every effort to the end that better and more suitable buildings may be provided.

The State Association maintains a home at Texarkana and are doing a great work.

Therefore, we recommend that every church and Sunday School shall make a monthly offering to the orphanage work in addition to the birthday offering.

The report on Foreign Missions read by Eld. G. W. McCarty and is as follows:

REPORT ON FOREIGN MISSIONS

The mission spirit is the Christ spirit as mission commenced with Christ, God offered redemption to a perishing race through Christ and has chosen to send the plan to the uttermost parts of the earth through men who forever settles the question of Missions. Christ selected the disciples for that purpose, Mark 3-14; Mathew 28-19 and 20 Through obedience to the command of Christ a gospel has reached us, the command of Christ is in keeping with the nature of man, he wants to go, we ought to be true to those who gave us the message, to those depending upon us for the message, and to Christ who redeemed us and said "go." Therefore, we would urge every pastor and church in this association to see the great opportunities offered us today to do foreign mission work and prove ourselves worthy of the responsibility and honor our Savior placed upon us by being a missionary in the fullest meaning of the term. The Southern Baptists are doing work in Africa, Argentina, Brazil, China, Italy, Japan and Mexico, and prospects were never so great and the opportunity so many as now.

The report on Colleges and Schools read by Bro. M. E. McBride and is as follows:

REPORT OF COMMITTEE ON COLLEGES AND SCHOOLS

It was a great day for Arkansas when the committee on the 75 Million Campaign incorporated in its program the support and financing of our colleges and schools. The Baptists have sadly neglected this part of our program, hence our colleges and schools have been materially handicapped on account of finances and have not been able to compete with institutions supported by taxation

It needs no argument to convince us that our colleges and schools are necessary to our very life

Let us therefore, urge upon our young people their attendance at our own schools and colleges and let us support them both fi-

nancially and morally

The report on Sunday Schools was read by O. E. Williams and discussed by him, Eld. G. W. McCarty and C. M. Friend, and adopted as follows:

REPORT ON SUNDAY SCHOOLS

There is nothing new to be said about this work. We desire again to call attention to the fact that the Sunday School service being the teaching service of the church that its importance can hardly be estimated.

We recommend that as far as can be done, only Southern Baptist literature be used in our Sunday Schools. Of course, it goes without saying that no Baptist church should use anything but Baptist literature.

We again renew our recommendation that we do our own Baptist Sunday School work in this association.

That we keep in touch with Bro. J. B. Mosley, Sunday School and B. Y. P. U. Secretary and help him and let him help us in the work.

That we organize teacher training classes and hold teachers meetings and workers councils as much as possible.

That we push State Mission Day in the Sunday School and take a collection for State Missions.

We further recommend that one Sunday's collection each month go to the orphans home and that we all allow birthday offerings to go to the orphans home.

The report on Young People's work was read by Eld. B. L. Ayers and adopted as follows:

YOUNG PEOPLE'S WORK

Your committee believes in the winning to Christ and conservation and enlistment of the young life of the church. The B. Y. P. U. is a tremendous effective agency for the consummation of this task. We earnestly urge that the young people of our churches be given more attention. Just now there is a magnificent opportunity for the B. Y. P. U. organizations to prepare programs on the 75 Million Campaign and give these programs on some to adjacent churches. We deem the work of the Royal Ambassadors very important. The boys at this age are full of enthusiasm why not enlist and direct this energy and use it to the Glory of God?

The young people of today are the Baptist leaders of tomorrow. The Campaign Arsenal giving data and plans for the 75 Mil-

tion drive meeting may be obtained from Sec. E. P. Aldredge's office at Little Rock.

We moreover cannot over emphasize the importance of the pastors personally getting into their young people's organizations and rendering heroic service by enlisting, inspiring and otherwise helping them

The report on Literature was read by Eld. L. Tomme and discussed by him and adopted as follows:

REPORT ON LITERATURE

Do we understand the importance of the prayerful study of God's word? We are Baptists because we are illuminated with the spirit of truth. First of all we should freely distribute the Bible and encourage a prayerful study of the same. We have the best literature in the world and we should make use of it. Our publication societies can furnish us with all the literature that we need in the service of the Lord. Let us see to it that we buy all of our supplies from our publication societies. We continue to urge our people to take our denominational papers and send articles to them. That will encourage and help to build up the Lord's work.

REPORT OF COMMITTEE ON TEMPERANCE

We, your committee on Temperance, beg to report that through the long and untiring efforts of our and other denominations the laws are now upon the statute books making the manufacture and sale of intoxicants unlawful but there is yet work to be done in seeing that the laws are enforced and our statesmen supported in stamping out this great hindrance to Christianity.

We recommend that temperance in all things as set out in the scriptures be observed more completely.

CHURCH COVENANT.

Thanking God for the light we have received, and for the revelation of Jesus which we now enjoy, and hoping that God, for Christ's sake, has pardoned our sins, and having been baptized on a profession of our faith in Jesus Christ into the name of the Father, Son, and Holy Ghost, we do this day, before God and the world, and with deep joy and great solemnity, enter into this covenant with one another, as one body in Christ.

We therefore covenant and agree that, by the aid of the Holy Spirit, we will walk together in love and Christian fellowship. We promise to labor for the advancement and final triumph of the church to sustain her worship by attending the house of God and supporting the ministry; guard her ordinances, enforce her discipline and defend her doctrine.

We also pledge ourselves to walk circumspectly in the world; to be honest, just, and faithful in our business relations, and as God may give us help, we promise to live righteous and holy lives.

We further promise to watch over each other in brotherly love; to visit the sick; to pray for each other in the world; to aid the poor and needy, and to perform such other kind offices as may be well pleasing in the sight of God.

The annual report of the associational superintendent, Mrs. F. E. Goodbar was read and adopted. Her report follows:

REPORT OF ASSOCIATIONAL SUPERINTENDENT

"Lift up your eyes and look on the fields for they are white already to harvest," the words of our Savior, is the message I would bring to you today as we look back over our years work and plan for the new. And may we not truly lift up our eyes and look on the over-ripe fields of Caroline Association. What do we see? Thousands of lost souls and thousands of unenlisted Baptist men, women and young people, who have never answered God's call to service. And look at our churches not more than 1-8 have full time pastors; some 1-2 time; many only 1-4 time, while numbers have not had services in months, many do not have the weekly prayer meetings and some do not even have Sunday Schools. There are about 1-3 that have women's societies, with a comparatively few junior organizations. Oh, what a spiritually starved people we are. Yet, year after year, we come together, laborers in these harvest fields, content with the little work done, while the greater portion is going to waste.

God has seen these over-ripe fields not only in our Association but throughout the Southland and through His wonderful mercy, has given us another, the greatest opportunity to go forth to the harvest so we have laid out a great program to be accomplished in five short months—the call of calling out the call—a call for the enlistment of three million Baptists; a call for three million daily petitioners to the throne of God; a call for the saving of millions of lost souls and a call for gifts of 75 million dollars that our work may be enlarged for the task.

A great undertaking and yet so small if every child of His will do his part. Oh, women, much of Caroline Association's victory will depend on us, as wives and mothers in our homes. Our part will be that of prayer, daily communion with the Father and binding ourselves together in united petitions; and that of service, consecrating

ourselves anew and going out to enlist the indifferent, until every man, woman and child in our churches is awake and at work for the Master. Oh, that we might get a vision of the needs until our hearts are burdened for a lost world like unto that of our Savior's. Then and only then can God give us the victory.

Our last year's work was not all we had hoped for. Our missionary, Miss May, was not with us but one month and your superintendent was unable to lead the work forward as it should have been. There have been very few new organizations though I believe there has been a marked increase in spiritual growth in our societies and more intensive Bible and mission study.

And in closing let me urge you not to be content with the training of yourself alone but look well to the training of your young, the things of this world are most pressing and alluring, and they reach out to your weaker sister who has not had the spiritual advantages you have. Hold up the hands of your district superintendent as she strives to enlist the women and young people in the churches around you. And as we lift up our eyes and look on His harvest fields, so white, so over-ripe, and oh, the so few laborers, will we not each day throughout this coming year pray: Lord take me, Lord make me, Lord use me, Lord keep me for Thy Glory.

Report of our field worker, Miss Lillian May, read and adopted. Miss May, in her splendid talk gave us a more definite idea of the great work that needs to be done among the women and young people of our association. Her report is as follows:

REPORT OF WOMAN'S MEETING

Someone has said that woman is the greatest factor in any nation.

Back of every great man or woman you will find a great mother; Back of every movement for moral or social uplift you will find a woman. She is loyal to principal, faithful and patient in her efforts, and to whatever cause she puts her hand, it will succeed. If this be true, why is the woman's work in Caroline Association so poorly developed?

First. Our women are uninformed and unenlisted, they have never gotten a vision of the "fields white unto harvest," nor of their own possibilities for service.

Second. When they do get a vision of the fields and of their own possibilities as "workers together with Him," then we shall see the kingdom work move forward in a mighty way.

In the beautiful New Testament story of the raising of Lazarus, we read that as Jesus came to the home of the sisters, Martha went out to meet him, "but Mary sat still in the house." Then when Jesus inquired for Mary, Martha ran to her and said, "The Master is come and calleth thee," and we find that Mary responded to his call and we find her ever afterwards a devoted eager follower of the Master. So we have all over our association, "many sitting still in the house," and who shall call her into service? The answer

comes back clear and distinct, the women who are already enlisted. The women in the stronger societies who know how to do the W. M. U. Work, must see the needs and the possibilities of the women in the weak churches and go personally and teach her the way of greater service. The work is so great that only in this way will the associational workers succeed in reaching and developing the women and young people. And here let me urge our women to enlist and develop the young people. They are the leaders and workers of tomorrow and what of the state of the kingdom work in the coming year, if we fail to prepare our young people.

The 75 Million Campaign is doing and will do much toward the awakening and enlisting the women and young people, but to reach the goal, every woman must stand in her place, "round about the camp" faithful in prayer and service

I had worked only during the month of July, as your field worker, when the call came to take up the task as W. M. U. Organizer, for the 75 Million Campaign, for Central District.

Below is a statistical report of work done during July
 Respectfully Submitted,
 LILLIAN MAY.
