The Committee on Ministerial Education reported as follows:

When we consider the different phases of infidelity and the vast work errorists are doing in the name of religion, the importance of an educated ministry must be apparent to all. And

Whereas, we have several young men, viz: Elds. J. N. Lawless, Neeley Merideth, J. S. Rogers and E. D. Cooper, who have already entered the ministry and are doing all in their power to educate and prepare themselves for the arduous duty of ministers of the gospel. We recommend that the churches and pastors give the best aid possible for this great work, and that the body appoint an agent in each church to solicit funds and send the same to the general agent; that the funds be applied to aid them in this work, and we recommend Ouachita and Monntain Home Baptist colleges.

J. D. J. FAULKNER, Chairman.

Discussed by Elds S. L. Pine J. D. J. Faulkner, G. Lively, J. S. Rogers, J. S. Haden, W. R. Cantrell, J. N. Lawless and E. D. Cooper, and adopted.

The Committee on Home Missions reported as follows:

The Home Mission field comprises all the territory of Southern Baptist Convention, New Mexico, Indian Territory, Oklahoma and Cuba. We do not know the number of missionaries on the field, as they are helping many. The Home Board pays Arkansas one dollar for every dollar we raise for State Missions Therefore we recommend our association to co-operate with the Home Mission Board, as every dollar we pay to State Missions is worth two.

E. J. TEAGUE, Chairman.

Discussed by Elds. J. D. J. Faulkner and J. H. Peay, and was adopted.

The Committee on Foreign Missions reported as follows:

As the great head of the church has commanded his church to preach the gospel to every creature, believing that this applies to Baptists, we recommend that the pastors of the churches of this association keep the interest of Foreign Missions before their churches. Believing that the Gospel of Christ is the power of God unto salvation to everyone that believeth. How shall they hear and believe without a preacher, and how shall they preach unles they be sent?

W. R. CANTRELL, Chairman.

Pending discussion a collection of \$6.25 was taken for Foreign Missions. Adopted.

The Committee on State and Associational Missions presented a majority and minority report, and referred back to committee with Bros. E. D. Cooper and J. J. Burton added to committee to again be taken up after preaching tonight.

The report of the Committee on Sunday-schools was adopted as follows:

Realizing the great importance of Sunday-schools and the necessity of every single church in Gainesville Association maintaining one because of the grand, noble and Christ-like work that can and is being done through the influence of Sunday-schools. We most earnestly, sincerely and hopefully advise each church in the association that has none to organize and maintain an ever-green Sunday-school. We admonish all churches that now have or may have Sunday-schools, to be exceedingly careful in the selection of teachers and to choose such godly Baptist men and women as teachers as will prayerfully try to lead each unsaved pupil of his or her class to the foot of the cross, and that will faithfully and gladly teach true Baptist doctrine. We further advise each Sunday-school to purchase black-boards, maps and Bible picture lessons, which may be obtained from the Sunday-School Board at Nashville, Tenn. We further hope that all of the churches will feel, realize and know that they will not and can not do all the work God has enjoined on them without a year-around Sunday-school. J. S. ROGERS, Chm'n.

On motion adjourned for preaching at 7 o'clock by Eld. J. R. Holcomb. At that hour he preached, taking as a text, Acts 16: 30: "And brought them out and said, sirs, what must I do to be saved." After which the association was called to order and resumed business.

The report of Committee on State and Associational Missions as amended was again taken up and discussed at length by Elds. G. Lively, T. L. B. Thorn, W. R. Cantrell, A. G. Cagle, E. D. Cooper, J. S. Rogers and Bro. G. W. Gullian, and on motion adopted as follows:

As to State Missions, we would recommend that we, as the Gaines ville Association, co-operate with the State Board and that the pastors of the respective churches in our bounds bring the subject of State Missions before their respective congregations and take a collection for same and forward the amount to the secretary of the State Board. Viewing the destitution in the bounds of the Gainesville Association and being taught of God that the gospel is the power of God unto salvation, and in obedience to the command of our Lord and Master to preach the gospel to every creature. We would urge that we place Eld. J. D. J. Faulkner in the fields of destitution for at least half of his time and more if prudent. We would further recommend that the members composing the present body, select from its members five brethren to constitute an associational mission board, whose duty it shall be to investigate the destitution in our bounds and point out the fields to be labored in by the missionary. Also fix the salary of the missionary and keep an itemized statement of all contributions for Associational Missions received and disbursed by them and make a report of same at the next association. It shall be the duty of the missionary to labor in the destitute points under the direction of the board and keep a true record of all his work and compensation for same and report it to the next session of this body. We further recommend that the messengers representing the respective churches, urge upon the members of their churches the necessity of contributing to the associational mission interest and forwarding same to the mission board. We further recommend that the pastors of the churches help in the work in tions in the bounds of their work, and that the churches hold up ar hands and report the result of their labors to the board; and such work be recognized by the board, and report same in their report to the next association. T. L. B. THORN, Chm'n.

The country is now suffering from the effects of the enormous liquor traffic, and many of young people are being ruined, and once beautiful and happy homes are now hovels of poverty and distress. We recommend our people to abstain from everything of the kind. Let us pray God to assist us in the work of prohibition, and ever work and vote as we pray, that our country may soon be free from its blighting effects. We also recommend that our ministers faithfully warn the members of the immense evils of the whisky traffic, and that the churches be strict in discipline with their members who are guilty of drunkenness or voting for whisky license.

We believe, however, that every Baptist in our association ought to read some Baptist paper, and we would recommend the Arkansas Baptist, our state paper; also, the Texas Baptist, the American Baptist and the Baptist Review. Would also recommend the literature published by American Baptist Publication Society and the Southern Baptist Convention for Sunday-schools.

On motion we change our time of meeting from Saturday before the fourth Sunday in September, to Saturday before the fourth Sunday in October in each year.

On motion the body went into an election for the place of holding the next session of the association, which resulted in the election of New Light church, Clay county, Ark., and Eld. J. S. Haden was elected to preach the introductory sermon with Eld. J. N. Lawless, alternate.

On motion that we correspond with Mt. Zion Association, and Bros. J. J. Burton, J. S. Haden and E. D. Cooper were appointed as corresponding messengers.

On motion the clerk superintend the printing and distribution of minutes, and have it done at the office of the Arkansas Bapti if reasonable, and that he be allowed \$8 for his trouble.

Query: What is it that constitutes Christian baptism? J. R. Holcomb answered four things. First, A believer in the Lord Jesus Christ as his Savior. Second, Immersion in water. Third, In the name of the Triune God. Fourth, By a legal administrator.

The special committee appointed, submitted the following resolution:

Whereas, Dr. W. H. Whitsitt, President of the Southern Baptist Theological Seminary, Louisville, Kentucky, has written contrary to the Bible and to historical facts, the Baptists prior to 1641 sprinkled for baptism, and that a wife should leave the Baptist church to follow her husband into any other church, claiming the family to be a superior institution to the church of the

Lord Jesus Christ, which things are deeply humiliating to us as Baptists; and will, we think, be extremely injurious to the Baptist cause in general.

Resolved, That we as an association, ask Dr. Whitsitt to resign his position as president of the seminary, and that we give no aid to sa'd institution or any of its students while Dr. Whitsitt is in the position named. That a copy of these resolutions be sent to Dr. Whitsitt and one to the president of the Board of Trustees; also one to the Arkansas Baptist for publication.

J. D. J. FAULKNER, Chm'n.

Be it resolved, That we extend our thanks to the brothers and sisters and the good people of Blooming Grove church and vicinity for their hospitality and kindness shown to us during our stay among them.

Thus closed the twenty-eighth annual session of the Gainesville Missionary Baptist Association to meet with New Light church, nine miles north of Rector, Clay county, Ark., on Saturday before the fourth Sunday in October, 1898, at 11 a. m., and during song service the parting hand was extended to the ELD. J. T. EDWARDS, MODERATOR. brethren.

HENRY HOLCOMB, CLERK.
