RILEY LIBRARY
OUACHITA BAPTIST UNIVERSITY

We have tried to portray student life as accurately and as artistically as we know how, so that in our tomorrows when the memories of our yesterdays grow dim, we may relieve them through these pages.

FOREWORD

To

DR. CHARLES D. JOHNSON
a scholar and a gentleman,
this twenty-fifth volume of
Ouachita's yearbook is affect-

The Deans

"PROF" ARNETT SAYS:

In any situation which is primarily one of human relations much depends upon attitude—spontaneous attitude. Life on a college campus is characterized by this attribute. In the school whose student body is of moderate size we have typical group life. The relations of the Dean with college man will be built upon a foundation on which is determined by the inter-play of two attitudes; the attitude of the Dean and that of the men of the student body. If it were possible for all to assume that the male element of the various classes is composed of men and not boys, life in this social group would be a happy and harmonious one and there would be little need for rules and regulations. By mutual consent a single rule would be sufficient—that all are expected at all times to act reasonably. Once this attitude is accepted by both Dean and men the problems of government of the students and also of college spirit are solved.

DEAN FOSTER SAYS:

Our women students have a dual responsibility in their college life. First, as a member of their own organizations, the Women's Council and the Y. W. A.; as a member of a group of women students working cooperatively with men students in their organization. Second, as individuals taking their places in the academic and social life of the College.

Ouachita College can serve best those who comply with its regulations, cherish its traditions and sincerely become a part of it. It is the purpose of the women's organizations to develop a higher type of womanhood, and to build ideals and character of which our College and State will be proud.

The Coaches

COACH J. H. "BO" ROWLAND

Coach Rowland came to Ouachita from Henderson State Teachers College to take the place of Coach Foy Hammons, who went to Monticello A. and M.

For the past few years, Coach Rowland's teams have maintained undisputed superiority over the realm of football in Arkansas. His coming to Ouachita was hailed with joy by every supporter of the institution.

Early in April, 1932, the announcement of his acceptance of the position as Assistant Coach at Oklahoma University was heard by Ouachita students and fans with surprise and regret. Coach Rowland is truly a remarkable coach and acceptance of the position at Oklahoma marks the passing of one of Arkansas' greatest coaches.

COACH JOHN MAURER

Sargeant Maurer in addition to being one of the best "John" instructors at Ouachita, is one of the best track coaches in the State. "Sarg" has coached some of Ouachita's leading track men, and no doubt will pilot the Tiger "thin clads" to their third consecutive State Championship.

COACH WRIGHT CRAWFORD

Nine years prior to 1925 Judge Crawford was assistant coach of football at Ouachita. He has returned this year in the same capacity. During his years in Ouachita he was too small to play on the varsity, but now he helps to make varsity men. His knowledge of the game, his experience as an official and his loyalty to the Tigers has made him a valuable assistant to Coach Rowland.

Clay Brazil, Curtis Rankin, Edward Hopkins, Ernest Adams, William Bennings, Clarence Bell, John E. Brown, Bledsoe Drake, Van Ellis, Cecil Friend, John Floyd, Roy Golden, Jr., Will Holcomb, Davidson Humphreys, Robert Iglehart, Arlin Jones, Robert Lippard, Lester Lee, Tommy Leslie, Orville Long, John Carl Meador, John Evans Meador, Edwin Nowlin, Harry Nutt, LeRoy Robinson, Steed Rountree, J. R. Rhodes, Wesley Sawyer, Joe Strickland, Wayne Swaim.

"O" Association

The "O" Association was formed on May 16, 1929, for the athletes who had won letters in the sports sponsored by the college. The purpose of this organization is to encourage a higher standard of sportsmanship and to entertain and look out for visiting athletic team and to promulgate and perpetuate the Tiger spirit.

Activities have taken on the form of awarding gold footballs to graduating players, providing decorations for athletic contests, selling score cards, and the like.

Ouachita All Stars

Arlin Jones, who is one of the Captains-elect for the 1932 football team, has been one of Ouachita's best since 1929. "A" is a hard fighting, determined center and was the unanimous choice for "All-State" this year.

Steed Rountree, the "War Horse" sprinter, has been one of the most outstanding track men in the state for three years. Steed is truly a war horse and can always be depended on to win several first places. He was second high point man in the State Meet last year.

William Bennings, the Malvern Cyclone, was an easy choice for All-State halfback this year. He is a consistent ground gainer and a good broken field runner.

Wayne Swaim has been the outstanding field man for Ouachita for three years. Last year he broke the State Record in the javelin, throwing it 198 feet. Swaim is one of the outstanding football men in Arkansas, and is one of the Captains-elect for the 1932 football team.

Curtis Rankin holds the State Record in the 100-yard dash with the time 9.9 and is one of the mainstays of the relay teams. Rankin was high point man in the state meet last year. "Curt" is a three-letter man and was Captain of the basketball team this year.

Edward Hopkins is a four-letter man and is really good in all the main sports. "Ed" is one of the star relay men and runs the 100-yard dash in 10 flat. He is the Captain of the track team this year.

John Floyd is an untiring, determined, hard fighting tackle, who has inherited that Tiger "never die" spirit. "John" was an easy choice for All-State tackle this year.

Clarence Bell is one of the most outstanding football stars in the State. He was very outstanding this year at end and played a nice consistent game. Bell was another unanimous choice for "All-State."

The first week in September Coach Rowland issued a call for all new men to start work. Some thirty-five freshmen and non-letter men reported, and midst the hot September sun began developing into what was to prove the finest bunch of new men the college had seen for many years. The tenth of September all letter-men reported and work started in earnest. Competition was keen and the desire to make the team was shown by every aspirant. The non-letter men overwhelmed Malvern and El Dorado more than sixty points each. Adams, Friend, Holcomb and Long performed exceptionally well.

The first varsity game was with Magnolia A. and M. at Camden. At the kick-off "Swiftly" Drake ran 85 yards for a touchdown. Magnolia stiffened and the game ended 12 to 6 in favor of the Tigers.

The next game was with Coach Hammon's Boll Weevils at Monticello. This was one of the hardest fought games ever played by the Tigers. Both sides got "breaks" that amounted to touchdowns. Drake, Bennings, Captain Meador and Rankin did good work. The Tigers won 14 to 13 due to Long's educated toe.

The Tigers by this time were looking like champions, but Ozarks upset them 6 to 2. A. Jones

blocked a punt which resulted in a safety. The Tigers carried the ball all over A. U. Williams field, but remained in a charitable mood and gave the "Mountaineers" their first victory over Ouachita.

It was too bad for the Arkansas College Panthers when they came to the home of the Tigers, who were smarting over their defeat the previous week. Every Tiger played a nice game and Bennings played exceptionally well carrying the ball 175 yards from the line of scrimmage. The Panthers returned home defeated 25 to 7.

Then came the game for which everyone had been anxiously waiting. Remembering the so-called spirit of 7 to 6 of 1929, and 6 to 0 in 1930, the only games Hendrix had won from Ouachita in twenty years, the Tigers were determined to forever impress the Bulldogs of their power. Before a large homecoming crowd at Conway, the mighty Tigers crushed their ancient rivals 27 to 6. "Seegar" Ellis intercepted a pass and ran 36 yards for a touchdown and soon afterwards Long followed suit. The work of Captain Meador was great, the blocking of Rankin was excellent and the running of Drake and Bennings was spectacular.

Warner A. and M. was next on the schedule. Every football candidate played in this game and the boys from Oklahoma returned to their "Sooner" land defeated 52 to 0.

The Wonder Boys from Arkansas Tech met the Tigers in Little Rock on November 11 in their annual battle. For two consecutive years this game had ended in a tie. This year both teams played as though they were afraid to "break loose." It was a battle between two powerful lines

which gave the fans a chance to see some real line play. Captain Meador, Floyd, Ellis, Swaim and Bell turned in nice games. The backfield of neither team was up to expectations. The game ended in a scoreless tie.

The next two weeks the Tigers worked in preparation for the coming battle with their rivals across the ravine. This game was a special concern to Coach Rowland and the Tigers were anxious to defeat the Reddies for a twofold cause. The Reddies were extremely anxious to show their former tutor that they could defeat his present pupils. In a sea of mud, and in a game where there was not a forward pass thrown by either side, the Tigers defeated the Reddies 12 to 0. Captain Meador and Red Swaim blocked six punts. Leslie, Jones, Hopkins and Adams turned in nice gains; in fact every man did well, and the old tune "Don't Cry Reddies" was very appropriate.

The desire of all the football players to do their part toward helping the unemployed brought about a post season game with the Wonder Boys at Ft. Smith. Tech claimed the championship and desired to further prove their strength although the game had no bearing on the title. Jeffries made two nice runs for touchdowns which won the game for Tech 12 to 0. Jeffries deserved the praise of all who saw, and the Tigers were not disgruntled.

Ouachita placed four men on the All-State team. Arlin Jones was a unanimous choice for center; Clarence Bell was placed at end; Babe Bennings was an easy choice for halfback; and Big

John Floyd was placed in a tackle position. Captain Meador, Swaim, Ellis, and Long were placed on the All-State second team.

Twenty-two men made their letters, seven of which will be lost by graduation. They are: Captain Meador, Rankin, Ellis, Brazil, Hopkins, J. E. Meador, and Iglehart. At a banquet given in honor of the Tigers by Arkadelphia fans, Arlin Jones and Swaim were elected co-captains for the 1932 season.

Ouachita had one of its most successful seasons. Many outstanding stars were in evidence, such as Drake, who did some wonderful punting, and Rankin, who was known as the "king of blockers." Long and Robinson did some hard line smashing, and Bennings was a consistent ball carrier. Jones at center, Ellis and Floyd at guard, played a consistent game in the line. Friend, Bell and Holcomb did well at the end positions and Captain Meador proved to be an excellent leader. Next year Ouachita should be the undisputed champions of Arkansas football.

Curtice Rankin was the most outstanding Ouachita cager. He is one of the most outstanding guards in the state and was Captain of the squad this year.

J. R. Rhodes played his second year of basketball this year and was very outstanding at the forward position. J. R. works the floor in a nice manner and is a very accurate shot.

Wesley Sawyer is a second year man in basketball this year and has played some real basketball. He is a real guard and a true Tiger.

Arlin Jones plays his best game at standing guard. "A" is hard to handle and very few men get past him to shoot for a goal.

William Bennings, the Malvern Cyclone, is a really good prospect for All-State basketball. "Babe" is a good floor man and can shoot goals from any angle.

"Bede" Long is another Freshman who really has great prospects for a good basketeer. Bede didn't get to play this year, but he is due to shine next year.

Clarence Bell was outstanding this year at center. He plays a nice consistent game and covers the court exceptionally well.

LeRoy Robinson is some more of our freshman material which has never had a chance to "turn loose" because of the few games this year.

Cecil Friend is another Freshman Tiger of note. Bede plays a consistent game at guard and covers the court nicely.

Davidson Humphreys was handicapped this year because of a broken wrist. "Davy" has played some good ball despite his handicap and has proved his worth as a guard and a forward to Coach Rowland.

Ernest Adams, the Norphlet flash, played the guard position this year in fine shape. He is also one of the Freshmen who didn't get a good chance to shine.

Joe Strickland was the most outstanding Freshman on the squad this year. Joe played a real game anywhere the Coach put him and played it consistently.

Track

Ouachita has for many years been renowned for its track teams. In the Spring of 1931 Coach Foy Hammons accompanied his track men to the Texas Relays in which they made a commendable showing against national competition. The Tigers won second place in the medley relay and third in the mile. Wayne Swaim placed third in the javelin throw. In the Rice Relays the Tigers broke the world's record in the time of the mile medley, winning second place. They won fourth place in the 880 relay.

Ouachita easily won their first meet which they entered with State Teachers in Conway. In the next meet Ouachita met Hendrix who furnished keen competition but who was not good enough to win from the Tigers. Some time after the Hendrix-Ouachita meet Arkansas Tech defeated the Tigers in a dual meet and felt sure of winning the State Championship.

A lot of enthusiasm was aroused over the State meet which was held for the second time in Clarksville. Arkansas Tech and Ouachita were the leading contenders for the championship.

Curtice Rankin, who holds the State 100-yard dash record with the time 9.9 seconds, was unable to place higher than third. In the 220-yard dash Rankin won second, while Hopkins placed third. Rountree defeated the preceding year's winner of the 440-yard dash, Basham of Ozarks, by a nice margin. The 880-yard dash was a very exciting race, Rountree winning first place and Baxter third place.

In the 880-yard relay the Tigers won first place with the team composed of Brown, Sawyer, Hopkins, and Rankin. The mile medley relay was won by the Ouachita track men, the team being composed of Leslie, Sawyer, Brown, and Rountree. The mile relay was the most thrilling race of the meet. The Tech men were defending their record of a previous year and Coach Hammons was out to set a new record. Ouachita's team was composed of Rankin, Hopkins, Baxter, and Rountree. The Tigers made a new state record in this event; time 3 minutes and 20 seconds.

In the field events, Rankin placed first in the shot-put with Swiam second. Swaim placed first in the javelin and he holds the state record in this event, having set the distance of 197 feet and 9 inches last year.

Ouachita won the State Meet last year by a comfortable margin; Tech won second and Hendrix third place. Rountree was the most spectacular man on the field. He ran four races and in each race Ouachita placed first.

A majority of last year's team is back this year. With Sargeant Maurer as their coach and with the new freshmen who have reported this year's team should carry off the State honors at Conway.

Ouachita's pep and enthusiasm over athletic encounters this year has been due to the fine work of these four well selected yell leaders. Their work has been flawless and they have led the student body as well as the Tiger teams to keep the true Tiger spirit that has always been prevalent at Ouachita.

Jimmie, who has been chief yell leader for four years, has proved himself capable of creating more pep in a student body than anyone else.

Kate served her second year this year and was very successful at the job.

Marguerite and Roy, though new at the post, were fine leaders, always showing a cooperative spirit and ready to give the Tigers and students the best they had.

Ouachita College Military Band

Composed of twenty-nine well selected pieces, the Ouachita College Military Band submits a very satisfactory record for the past year. Directed by Lieutenant Loyce E. Biles, the organization has upheld its previous reputation and has added new laurels to its already overflowing collection of honors. Much credits is due Director Biles, who has been in band work for eleven years and is a new comer to Ouachita as band director.

Outstanding in the year's work is a series of concerts that were presented in all of the nearby cities. These concert tours, carried on for the first time in several years, were delivered to enthusiastic audiences and made many friends for Ouachita all over South Arkansas. The program was divided into two parts; the first of which consisted of band numbers ranging from dignified overtures to blood-stirring marches and vocal and instrumental solos. The second part of the concert was a well directed and entertaining group of popular numbers played by a novelty orchestra composed of band members.

Several other nice trips were enjoyed by the music men which included many football trips, opening of the season in Hot Springs, and others too numerous to mention. At present, plans are being formulated that will send the band to Richmond, Virginia, in June, as the official representative of the Arkansas division of the S. C. V.

"I AM READY"

Wherever civilization spreads and becomes noble and good, a diagnosis will show that a religious influence has been its background. In 1884, Arkansas Baptists instituted Ouachita College primarily for the purpose of having an educated ministry that could spread throughout this broad land of ours as the "salt" and the "light" of the world. Ouachita has sent out in the past such men as Pat Murphy, now Executive Secretary of the college; Otto Whittington, Immanuel Baptist Church of Little Rock; Rupert Raney, Olivet Baptist Church of Oklahoma City; J. E. Gibson of Louisville; Ben L. Bridges, Executive Secretary of the Arkansas Baptist State Convention; and Perry Webb, Pine Bluff. There is every reason to believe that many more are developing into great Christian leaders.

Some of the student ministers at Ouachita are pastors, some are supply men, and all carry on an active work in various religious organizations. They are just a part of the student body and cooperate with the other students in every activity of the college: football, basketball, track, baseball, tennis, golf, and in other activities such as debates, literary societies, and other religious organizations. Every effort is made to bring these students into that frame of mind, attitude of spirit, and type of character that makes of them a Christian personality in favor with both God and man.

The annual concert was very successful and was attended by a large and appreciative audience.

The piano class is an organization consisting of the piano students of Professor L. H. Mitchell and Miss Faye Holiman. Meetings are held on Wednesdays and the students are given opportunities to perform, as well as to listen to good music. It is very beneficial to those who belong, because it gives them a change to develop a certain invaluable poise. Besides piano playing, current events and lives of great composers and musicians are discussed at the meetings. There are a number of especially talented students in the class, thus making an organization of which Ouachita is justly proud.

Standing: Harry Hawkins, Benny Johnson, Herbert Daugherty, Harold Leeton, Charles Welch, Farrin Greene, H. C. Locklar, Charles Figley, Jack Yeager, William F. Deusinger, Director.
Sitting: James Birkhead, Jane Jamison, Marie Patterson, Elva Holland, Josephine Cannon, Elizabeth Reynolds, Ava Fish, Roger Dollarhide.

The Little Symphony

The Ouachita Little Symphony Orchestra was organized at the beginning of this school year by Prof. William F. Deusinger, Instructor in Violin and Theory. Under the able direction of Mr. Deusinger, the Orchestra has made rapid progress and has been one of the most outstanding organizations on the campus.

The orchestra has made favorable showings in its several public appearances and is expected to continue the same high type of work for the remainder of the year. On Founder's Day a thirty minute program was presented by the Symphony from radio station KTHS.

The library of the club, which has been considerably enlarged this year, contains the works of many famous old masters, including compositions by Tschaiikowsky, Greig, Weber, Haydn, etc.

In the constitution of the orchestra, the aim of the organization is stated. It reads as follows: We, the undersigned, do declare ourselves an association whose purpose and aim shall be the creating of cultural musical environment in the school, and the study and performance of orchestral works by the best masters.

Since the organization of the Ouachita Players it has been one of the most outstanding extra-curricular activities on the campus. Try-outs were held twice this year and about ten new members were added to the club. The purpose of the organization is to give to its members and the public the very highest type of dramatic talent.

Successful productions of this season were: "Lady Windemere's Fan," the annual Thanksgiving play, given a second time by request of the public; "Overtones," a dialogue, broadcast over KTHS; and "Skim Milk," a one-act play, entered in the Little Theatre Tournament, Morrilton, Arkansas.

The Pi Kappa Delta is a national forensic organization which has as its purpose the development of its members in "the art of persuasion beautiful and just." It is one of the largest and most powerful student organizations in the United States having over 10,000 members from all but three states in the union.

Ouachita holds the Arkansas Beta chapter and this year was represented at the national convention at Tulsa, Oklahoma, for the first time in the division of debate.

Ouachita speakers have not been so successful this year in getting decisions, but the aim has been to have as many participate as possible. Several out of state teams have been brought to the campus and contestants have taken part in three state tournaments besides the national convention. It is hoped that material has been found and developed that will be able to carry the organization forward to future success.

Major Lewis W. Amis, U. S. A.; Captain Warfield M. Lewis, U. S. A.; Sargeant John Maurer, U. S. A.; Cadet Major Hopkins; Miss Mildred Thompson, Sponsor; Adjutant Millaway.

R. O. T. C.

The R. O. T. C. consists of two courses, the basic and the advanced, each course extending over two years. The work is practical and of much benefit to the students. Ouachita is one of the few colleges which has accomplished the mission for which it was established; namely, a greater number of men in the advanced course.

BATALLION STAFF

The Batallion staff is headed by Edward Hopkins who is the Cadet Major. This is the highest ranking position in Ouachita R. O. T. C. James Millaway holds the position of Adjutant of the Ouachita R. O. T. C., which is the second highest position.

Miss Mildred Thompson was unanimously elected the Batallion Sponsor by the Batallion.

Captain Haynes; Miss Carolyn Bird, Sponsor; Lieutenant Randolph; Lieutenant Nowlin; Lieutenant Coats.

Headquarters Platoon

(THE BAND)

The Band as a part of the Ouachita R. O. T. C. unit, is organized as a separate platoon which is known as the headquarters platoon.

Since there has been a military department in the college a band has been maintained as a part of that department. This year the band is composed of four officers and fifteen men. The director of the organization is First Lieutenant Loyce E. Biles, U. S. A. R.

The band played for all reviews, parades, and special military formations and functions. It is an infantry organization and drills three times a week, with the service rifle, as such. Last year the band was designated as the Honor Platoon of the batallion.

The members of the military band are also in the larger band maintained by the college. The band is one of the most active organizations on the campus.

Captain Dull; Lieutenant Elledge; Lieutenant J. C. Meador; Lieutenant J. E. Meador; Lieutenant R. Hopkins; Lieutenant Cobb; inset, Miss Virginia Robinson, Company Sponsor.

Company A

Under the able leadership of Captain Daniel Dull, Lieutenants Elledge, J. E. Meador, J. C. Meador, Hopkins and Cobb, Company A has progressed nicely and has won many places in the competitions.

Company A has the highest record of attendance; their record nearly twice as good as that of Company B. Company A won first place in the inspection by Major Amis and Captain Lewis of January eighteenth, and the second platoon of this company won first place in the platoon competition of November twentieth.

Miss Virginia Robinson was chosen the sponsor of Company A by the officers of the company.

Captain Rankin; Lieutenant Gillette, Lieutenant Hall, Lieutenant Ellis, Lieutenant Brazil, Lieutenant Wood; inset, Miss Carolyn Simmons, Company Sponsor.

Company B

Company B is known this year as the "Honor Company" of the R. O. T. C. unit, because they won the competition between the companies last year. Captain Curtice Rankin with the aid of Lieutenants Gillette, Hall, Ellis, Brazil and Wood, have very ably directed the maneuvers of the company and have developed from it a real "army."

Company B has won many honors in the inspections this year. In the platoon competition of November twentieth, the second platoon of Company B won second place; in the platoon competition of March seventh, both platoons of Company B placed, the second platoon first place and the first platoon second place. Company B also won two of the three inspections which have been held.

Miss Carolyn Simmons was the unanimous choice of the officers for sponsor.

THE TIGERS' LAIR

Wait!

We've been holding out on you! This is the real Ouachitonian. This is the Mr. Hyde of the book—what the rest of the book would like to be, if it were not for the censorship of the Board of Publications and an eagle eyed administration. If you don't find yourself represented here, you just don't rate. If you do, take it in the spirit it is given (?)

Caution!

THE 1932 OUACHITONIAN

The 1932 All-American

BY GANTLAND SLICE

This year the All-American was very hard to pick with the abundance of material in the Freshman Class. So, the Freshman class was left out entirely and the Sophomores were ignored as unfit. The selections follow:

Coach Amis was chosen because he made the All-American four straight years at the University of Florida, and he certainly has kept up the good work at Ouachita.

From the wealth of material it was hard to pick a captain of the All-American, but Arlin Jones was finally selected for this position over the rest of the contenders. His sterling qualities are remarkable.

Hebrew (2,000 pr. ct.) Hipp gains undying fame as a charger of exorbitant interest. He is a performer of merit in all the things which gain recognition in this group.

Jumbo Meador and Roy (Slug) Hopkins nosed out "Bede" Long and Tete Friend on account of their seniority. Jumbo, the Politician, and Roy, the Gyp, well deserve their positions on the All-American this year.

Ed Hopkins gains his usual place in organizations of this kind at Ouachita. Nuf sed.

Bennie Haynes and "Bo" Cobb, two distinguished residents of Sloan's Manor, Fifth at Ouachita Drive, gain their places by qualities too numerous to mention. Haynes, by his tabloid scandal sheet, The Signal, and his commercialization of the hot liquid. Cobb, a sort of weak ally of Haynes.

Roy Golden gets his place by earlier activity. Supreme self-confidence and egotism.

Ralph Williams, that human ball of sarcasm, was unanimous choice for his position.

Glover, because of his silly nature, nearly kept himself from being a member of this august body.

Gillette, flower among weeds, because of misunderstood financial deals, and because everybody thinks the Editor of the Ouachitonian should be included in this organization.

This is truly a remarkable body, all outstanding in their fields of endeavor. This group might just as well be any other twelve Ouachita hangers-on, picked at random, so don't be proud if your picture doesn't appear on this page.

E. E. E.

Eight Enormous Eaters (or Eight Gluttonous Gluttons) is a fair excuse for a club. Outstanding among the members are: Infant (in brains) Davies, Sample, Murph, and Varnell. They're the cream of the crop, the cream that soured.

It's too bad the local women's organizations have to get greedy and choose their pledges before looking over them.

To see the degeneration that has set in the E. E. E. since it was founded. It hurts!

Socially, the E. E. E.'s are doing very well, leaning mostly toward athletes. As there must be a smart alec in every crowd, so must there be a wall flower in every club—use your own imagination.

These editors and business managers of Ouachitonian of former years make possible the retrospection of campus life of years gone by. Most of them are well-known in their particular fields of endeavor; many of them are at the top in their professions.

K. O. Association

The K. O. Club has had an unusual year. A few women of the college have joined the club, and have done their part toward making this a banner year.

Various reasons are offered for membership instead of the usual ones, drunkenness and poker. Some of the choicest of prospects have seen their way clear, or unclear, to join the club, and with them comes dancing, jumping out of the jail window, exploring the young ladies' quarters, being the man in the case, cheating, and riding at night. A grand "pow wow" is planned at commencement, with President Emeritus Bob Moore, "Sody" Watts, and "Clutts" Shepherd as guests of honor.

Members of the club follow:

	1932	
Clay Brazil	Ben Haynes	Roy Hopkins
	1933	
Edythe Carter		Evalyn Davies
	1934	
Bledsoe Drake		Charles Ed Condray
	1935	
Joe Strickland		Saxon Arnold
Carolyn Bird		Elsie Womack

(BERRY PICKERS)

This group of berry harvesters is indeed a proud gathering. They represent the elite of their profession. In a school which is made up largely of people inclined toward the little practice of berry picking it is hard to single out those who lead the pack, but in this choice selection we think we have the best of the group.

Miss Louise Clayton was chosen as Faculty Sponsor of this organization because of her encouragement of such premier berry pickers as Tommy (the Fox) Leslie and Benjamin Polk Haynes.

Our little friend, Katie Lou Russell, was chosen because of her dexterity in nimbly going over the tree.

Van Ellis and Clarence Bell, the two big mean football players, never lost an opportunity to shake the tree during football season.

Gerald Berry, the Militaristic Moron, for no reason at all.

Inez Kirkpatrick would get a Carnegie Medal for berry picking if one were given.

Otis Varnell is rather crude in her methods but she managed to make the club.

You should have seen A. Jones use the quill on the coaching staff this year.

Millaway in his highly polished manner, picks them from the high moguls, even the Dean of Women, in such a manner that they think berries are not berries.

Vivian Stone, Honorary member of the great elite.

Dan Dull, the Gurdon Flash, because he has to pick berries.

Frances Meador, assistant sponsor of the club, should become a professional.

Hebrew Hipp received an A. B. by his diligence in knocking down luscious berries. His picture represents his inverted nature.

Elizabeth Daniel, Premier of them all.

Phony Phixtures

Steed Rountree, that irrepressible track man, won undying fame during his Sophomore year with his heavy "woo." Responsible for 50 per cent of the lettermen on Ouachita's track team.

Claude Cleveland, hauler of junk and rubbish, trainer, etc (mostly) is a fixture on Ouachita's campus. His black, lazy face may be seen any day where there is shade.

Ha! The Major! Whattaman! That grand old man of the All-American. Eater of peanuts at public gatherings. Self appointed Suppressor of Profanity and Lifter of Morals. Whattaman! The Major! Ha!

Glover, the funny fat boy. Chemically unsound. Imagine his funny frame in 1940.

John Evans, the Meador. "Jumbo." "Diamond" Joe he is now called. Politically inclined. Graft proof. Easy to see.

Coach "Bo." Driver of men. Breaker of traditions. Champion of Freshmen.

Kewpie Club

The K. K. with such a variety of types needs a strong-arm mamma to keep them in line. Mama Biles has done very well, but such hams as Bird, Aubrey, Smith, Scheu, Wheat, and England would be hard for a jailer to handle.

As long as they hang around tramp athletes, what will become of the tramp club. Nobody knows.

The biggest social event of the year was the Annual Initiation Services for Duped Pledges. Oh boy, oh boy, oh boy! Did they have uncouth fun. Well, you should have been there with the keyhole reporter.

With a few more years experience, the Kewpie Klub should come out of the high school class.

W. C. F.

We can Fly, World's Cutest Flappers, (Ha, ha) and so on. A club that has really come up from humble origin. With the exception of a few thorns (7 or 8) would be a nice bouquet.

The W. C. F.'s, like the Japanese, are very good on imitation. They are on par with the other clubs and by careful and diligent imitation of the other two clubs should easily surpass them in seven or eight years.

The W. C. F.'s were in the jumble for pledges at the beginning of the year. They, like the other sewing circles, were not immune from stings and gathered in a few thorns with the harvest of roses.

But this has truly been a Par-W. C. F. year.

"I feel like the great English statesman who stood on the banks of the Mississippi overlooking the Nile and gave utterance to that world famous quotation 'E pluribus unum' which is a Greek phrase translated into Latin meaning 'My God, why hast thou forsaken me?'," cried the great Ben (Capone) Haynes as he pondered over the problem of how to release his gun moll and the moll of his pal, Harry (James) Hardage from the clutches of Detective Foster.

Recent reports from the Literary Digest vote on prohibition shows that Clay Brazil, Van Ellis, and Roy Hopkins have successfully passed the "bar" exam.

Money to loan—on military checks, engagement rings, roses or anything I need. 2000 pr. ct. Hipp the Gyp. Our motto is: "We gyp everybody."

A blind man could see that:

Inez Kirkpatrick wants to know too much.

Mary Sue Carter is the college widow and was left with nothing but a broken heart.

Tommy Leslie is a faculty hound.

The Dramatic Club is a flop.

Miss Evans is after Dean Foster's job.

Major Amis isn't popular.

Mrs. Patterson has got that "Pullig" complex.

Do you still believe in miracles. See Hipp the Gyp in "I Got You." See how the Gyp foils the plans of the villian Gillette and preserves the dignity of the Senior class.

One glance at the census reports will show you that Ben Haynes and Gerald Berry are the only members of the S. L. V. on Ouachita Campus.

P'LL BITE

Is Eulalee Smith in love?

Is J. E. Meador a politician?

Is Lake Hamilton a good place for bridge lovers?

Will Evelyn England ever become a dean?

Does Miss Foster have her pets?

What are the qualifications of the Jones-Ellis Club?

Will Katie Lou Russell ever join the Pullig Detective Agency?

Ain't this "stuff kinda simple?"
