"Students Helping Students"

Director: Carol Roper
President: Debbie Rowe
Tiger Tunes Chairman: Todd Lee
Members:

You are presently participating in one of the events in which "students helping students" has keyed its success. No other activity allows such opportunities for Ouachita students to work and perform competitively, yet together as one body, with their final outcome being a terrific evening of entertainment for all to enjoy.

This is the tenth year in which the OSF has been committed to being just that "students helping other students." Evaluating the needs of OBU students, whether it be through its various efforts of providing opportunities for disciplined students to gain invaluable advice and expertise from Ouachita graduates; or assisting the Admissions Counselors in their efforts of recruiting outstanding high school seniors for OBU; or providing \$500 scholarships for other students; or planning and promoting big events such as tonight in TIGER TUNES and later in TIGER TRAKS....

Ouachita students are committed to it, all of these events demonstrate it, and because of you, "students helping students" and the OSF will continue to be a vital part of Ouachita Baptist University.
