To . . .

a teacher, a philosopher, a great preacher, a Greek fiend, a father, and most of all, a friend to everyone, the Ouachitonian staff proudly dedicates the 1957 Ouachitonian. We have chosen this person because of his outstanding ability which has been shown on this campus. Throughout this year, he has taught, preached, pastored a church, entered into campus activities, and counselled and consoled many young people. Even though he does all of this, he has found time to be the perfect father to his children. This person's high Christian character has been a strong influence to many students on our campus. We feel that this poem expresses the feeling and love we have for . . .

. . . DR. JOSEPH T. McCLAIN.

We love you not only for what you are, but for what we are when we are with you. We love you not only for what you have made of yourself, but for what you are making of us. We love you for the part of us you bring out. We love you for putting your hand in our hearts and passing over all the weak things that you cannot help seeing; and drawing out into the light all the beautiful radiant things that no one else has looked quite far enough to find. We love you for ignoring the possibilities of the fool in us and for laying firm hold on the possibilities of the good in us. We love you for closing your ears to the discord in us by worshipful listening; we love you because you are helping us to make of the lumber of our lives not taverns but temples, and the words of our everyday not a reproach but a song. We love you because you have done more than any creed could have done to make us happy. You have done it without a touch, without a word, without a sigh; you have done it by just being yourself. Perhaps that is what being a friend means after all.

ARKADELPHIA, ARKANSAS

OFFICE OF THE PRESIDENT

Dear Ouachitonians,

Seldom does a guest spend more than a few hours on the Ouachita campus without commenting, "You have the finest group of students we have ever seen!" The comment comes so often, so completely unsolicited, and so enthusiastically that there must be some basis for it, particularly since those thus impressed are frequently men and women constantly on other campuses.

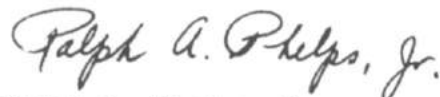

Former students of Ouachita--even those who were able to stay only a term or two--are loud in their praise of this school. Upon even the slightest provocation they will discuss at great length the virtues of the "Queen of the College World," at times making themselves almost as obnoxious to non-Ouachitonians as a Texan does himself to non-Texans.

I firmly believe that neither of these things--the impression made on casual guests and the spirit of former students--is accidental. A spirit which one can detect by walking across a campus is the natural result of a Christian idealism deeply embeded in curriculum, extra-curricular activities, and faculty personnel. "Christian" is more than a catch-phrase to sell this college to her financial supporters it is the best word available to describe Ouachita in her entirety. The spirit of Christ permeates every area of college life, and when one breathes this atmosphere even briefly he knows that the Ouachita spirit is qualitatively different from most that he finds in the rest of the world.

While I sincerely hope that you will always sing the praises of your school, I hope even more fervently that in the days ahead you will live by the principles which have produced the spirit. The ultimate test of an institution's effectiveness is what her students do after they leave the campus, and if I could have one wish it would be that each of you would live your Christian idealism day by day so that those who come in contact with you will know that you, like your college, have something so distinctively different that the most glowing superlatives will not begin to do justice to it.

May God bless each and every one of you to this end.

Sincerely your friend,

Ralph A. Phelps, Jr.  
President

Curtis Merrell and Fletcher Stovall combine to bring down a Ozark back.

Kenneth Brewer is brought down by a group of Austin College players but as usual it took a group.

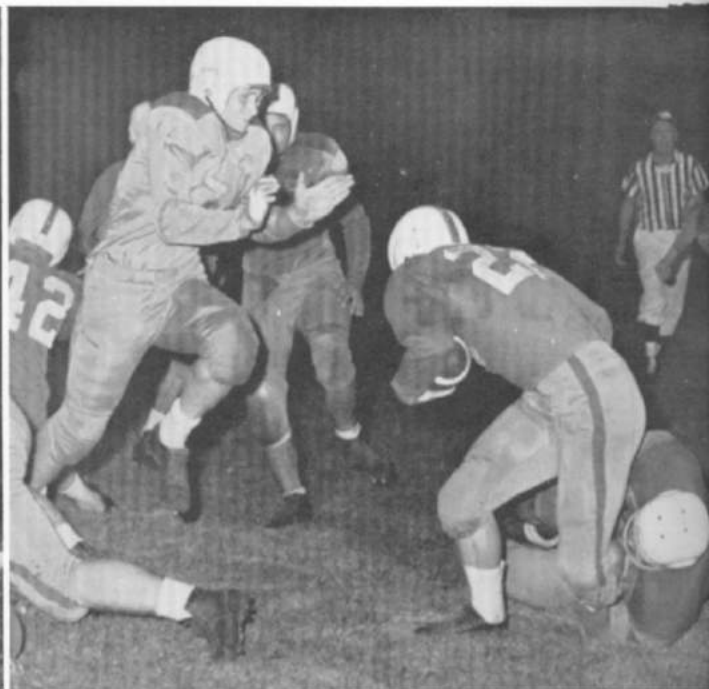

Kenney Brewer is finally brought down by a host of Arkansas State Teachers Bears. The Bears just couldn't hold "Brew" and the other fine "Tiger" backs.

Buzz Brannon ran head on into a "Bear" gathering. It took four of them to bring him down this time. Brannon played a fine ball game and picked up quite a few yards.

Bobby "Killer" Miller flies for another first down against the State Teachers "Bears" during the Homecoming game. It took three of them to upend Killer this time. He lead a very lively Tiger Team to a 27-20 win at A. U. Williams Field.

Dale Dabbs, Curtis Merrell, and Tom Benberg close in to help Big Fletcher Stovall bring down a College of the Ozarks back. The Tigers moved on to a surprise everybody with a 7-7 tie with Ozarks.

Ouachita seeks to provide a well-rounded program of athletics. It is a member of the Arkansas Intercollegiate Conference. It also provides a well-organized program of intramural sports for those who cannot take part in the Ouachita Team Sports. There is for the individual a chance to participate on any one of the nine touch football teams, any one of the 19 basketball teams, any one of the seven track teams, along with the individual sports of tennis, horseshoes, and ping pong. Ouachita is very much in the running for the athletic honors in the state of Arkansas. Many great sports heroes have come from the ranks of the dear old PURPLE and GOLD and each is a symbol of that FIGHTING OUACHITA TEAM SPIRIT.

# ORGANIZATIONS

One rarely discovers the true value and meaning of a situation as he immediately enters into that position. Often it is much later that its worthiness is realized. Although we may never fully appreciate what we have gained here, the effects of this school—its students, faculty and its teachings—will have a lasting effect upon our lives.

Upon nearing graduation I find it difficult to think of anything except those events which I expect to make up my future. Some of these occasions I anxiously await, and others not quite so eagerly.

However, not only seniors, but successively graduating juniors, sophomores, and freshmen may be assured of being prepared to cope with the problems of life because of having studied at this college. Too, we all may be certain that friendships created here will be enduring. We will remember unmistakably the impressions that this school has stamped on our lives.

I shall never during the rest of my life find such a wonderful group of people to work for and with as on this campus; therefore, I feel that, although my office will soon be terminated, my responsibilities and obligations to this school are just beginning.

Sincerely,  
JOHN CLEM, *President*

Dedicated to the three-fold purpose of serving as a link between the student and his college church, developing and conserving Christian leadership, and providing means and opportunities for the student to deepen his personal devotional life, the Baptist Student Union has sought through the past year to fulfill its goals and make long-lasting and enriching contributions to the lives of Ouachita students and to the kingdom of God.

## PURPOSE

The Koinonai Club was organized on December 13, 1956, for the purpose of bringing our ministerial students' wives together.

Our meetings are of informative, social, and cultural nature.

We have banded ourselves together that we might know better how to share as partakers of His divine glory.

Ouachita Baptist College

Dear Editor:

It was a great pleasure to have assisted in judging the beauties and the men of your college.

I think the judges had a very difficult job in choosing the winners of these contests as their photographs, both men and women, revealed all American character, personality, and physical appearance.

I wish to congratulate the individual winners, also your staff and student body for choosing these outstanding personalities.

Yours very truly,

Dear Editor:

Many thanks for the opportunity to help judge your contest. Law ms, I never saw such beautiful girls & Every one was a queen, which was no great surprise because Ouachita has a tradition of lovely women. Don't think we'd have gone wrong putting any one of them at the top of the list.

Oh, yes... there were some fellas in the selections, too. I guess the less said about them, the better.

Seriously, all twenty young people were a fine looking lot, and I wish them the best of luck. For that matter I wish the same to all good Ouachitonians.

Faithfully yours,

***"Come in, Neighbor..."***

***You're welcome at  
the Sign of the Lion!"***

The Sign of the Lion is the Sign of a Good Neighbor . . . your Southern friend. Next time you see this familiar sign, drive in and fill 'er up with Lion Premium or Lion Regular—the only gasolines in the world with Lionite, the additive that actually *supercharges* your motor. And when it's time to add or change motor oil, be sure you get new Advanced-Formula Naturalube H.D.—the motor oil that fights acid wear longer than other oils tested, and boosts gasoline power as much as 4 octane points.

For all your driving needs, stop at the Sign of the Lion. You'll find your Lion Oil Dealer will help keep your car running *better . . . longer.*

# FROM THE EDITORS

This is your Ouachitonian. We have tried to picture for you the memories of this year. In the years to come we hope that you will look back over these pages and recall pleasant memories of this year at Ouachita.

As you know, Christmas vacation brought disaster for the Ouachitonian Staff. Campbell's Studio of Little Rock, our yearbook photographer, burned and more than two-thirds of our pictures were destroyed. The editors and staff were almost ready to give up. However, as the second semester began, pictures were remade in record time.

A special "thank you" goes to Johnny Jenkins, our campus photographer, who had an extra heavy load placed upon him after Campbell's Studio burned. Also a special "thank you" goes to Jim Wallis who did the art work for the division pages and Barbara Holt who did the sketch of Grant Hall that is used on the end sheets.

As you look through this book, you will probably find mistakes such as misspelled names, wrong identifications, and others. However before you pass judgment on this book, please remember that we have done our best to give you a yearbook that you will all like.

In the years to come, if this book will bring back the memories of this year at Ouachita and will cause you to love Ouachita even more, then all of our work will not have been in vain.

In all sincerity, it has been a pleasure to serve you as Co-Editors of the 1957 Ouachitonian. We hope you like it.

Nancy Lenderman — Elma Lee White

Before we close the pages of this book we pay tribute to those who, only a few short months ago, walked beside us as students on our campus.
