Dedication

DR. GEORGE T. BLACKMON

Dr. Blackmon, who has spent much of his life collecting Arkansas Baptist history, has taught at Ouachita since 1946. He is a little man who rushes from one place to another, who struggles to keep the few remaining strands of hair straight on top of his head, who likes to give interesting outside material to his classes, who wears colorful ties and chalkdust-smearred suit coats, and who holds a place of affection and esteem in the hearts of Ouachitonians and others alike.

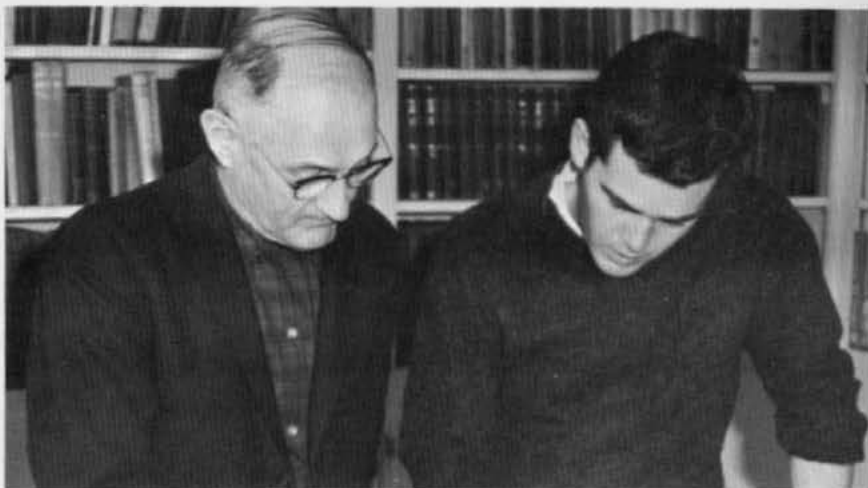

Besides teaching a full load in the religion department, he devotes himself to the collection and compiling of history. He has completed a history of athletics at Ouachita Baptist College and is currently engaged in completing a file of all Associational minutes of Arkansas Baptists, a history of Ouachita, and a history of all Baptist educational insti-

tutions in Arkansas.

He has served as chairman of the Historical Society of the Arkansas Baptist Convention, served on numerous committees at the College, and now serves as pastor of the Third Street Baptist Church in Arkadelphia. With these many professional activities, he still has time for relaxation and his family at home.

A graduate of Ouachita in 1930, Dr. Blackmon is a true representative of what Ouachita means. Few people know more about Ouachita, love her more, and give themselves more whole-heartedly for her than does Dr. Blackmon.

It is with a great deal of pride that the 1962 Ouachitonian staff dedicates this volume to Dr. George T. Blackmon.

James Tyson, who compiled the history section of the 1961 Ouachitonian, discusses the history of Ouachita with Dr. Blackmon.

Last year Ouachita celebrated her seventy-fifth year in Arkadelphia. At that time she was able to boast of many accomplishments. This was fine for in the last seventy-five years she has weathered many a storm and still has emerged "Queen of the College World."

As the future is considered it is easy to rest on these past glories. However, it is easy to see, as one views the progress of this new year that OBC is ready for new challenges. Only the future itself can say what the results will be, but for now Ouachita is meeting these new challenges in an effort to do greater things for education, for her country, and for God.

The School . . .

Ouachita is more than a college supported by the Arkansas Baptist Convention. To the administration and faculty she represents a great task of educating and preparing young people to meet the responsibilities they will face tomorrow. To the student she is a place of seeking — seeking to learn that which is contained in the books and the minds of the professors, seeking to learn how to work with those around, and seeking to enjoy life both now and after graduation.

Members of the Board of Trustees shown above are (from left to right, seated) Rev. William J. Sewell, Mr. Earnest L. Bailey, Mrs. J. L. Bodie, Mr. W. S. Fox, Rev. Rheubin L. South, Mrs. Clarence Anthony, Mr. Tom Digby, Mr. Earl M. Jones, Rev. Robert Parker, (Standing) Mr. John Plumlee, Mr. William C. Hargis, Jr., Dr. John McClanahan, Mr. Charles A. Gordon, Jr., Dr. Ben Elrod, Mr. W. P. Jones, Jr., Mr. Marvin Green, Rev. Wilson C. Deese, Mr. James S. Colvert, Dr. Ralph A. Phelps, Jr., Rev. South served as chairman the past year. The new officers include Mr. Green as chairman, Mr. Fox as vice chairman, and Mr. Walton as secretary.

Mr. Marvin Green and Miss Emma Riley are seen here at a luncheon at which they served as host for the trustees and members of the faculty.

Mrs. Anthony helped in the Princess Program by giving tips to the girls of OBC. Here the editor is pressed into service to hold the blackboard before the program.

Trustees Provide School Policy

The part the Board of Trustees plays in the affairs of Ouachita is important and far-reaching. The decisions of this group mean much to the future of the institution. Although all may not understand some of the things the Board does, all can see that they work and sacrifice with the welfare of Ouachita at heart.

Two trustees gave a luncheon for the other trustees and faculty members.

Dr. Ralph A. Phelps, Jr.

Dear Fellow Ouachitonian,

Anyone who spends even a brief time on the Ouachita campus feels that intangible but very real thing called the Ouachita spirit. It is something that gets into your blood, goes with you to the far corners of the earth, pulls you back to the campus again and again—or, as in my case, will not let you leave, no matter how great the inducements elsewhere.

What is this strange yet wonderful spirit? One example is worth a thousand words, and we never witnessed a more perfect example than we did this night in Bill Walton Gymnasium. Playing league-leading and undefeated State Teachers, the Tigers trailed by eight points with slightly more than four minutes remaining. In the game for Ouachita were four freshmen and one upper-classman, and any objective spectator would have said that we did not have a chance to win. And what happened? In the remaining time Ouachita scored 16 points while holding Teachers scoreless and won, 68-60. It was the most exciting climax to a game I ever saw, as the Tigers never quit, fought every inch of the way, demonstrated perfect teamwork, forgot themselves completely for the sake of the cause they represented. That's the spirit of Ouachita in action.

My wish for you is that you will play the game of life the same way.

Sincerely your friend,

Ralph A. Phelps, Jr.
President

Dr. Phelps is seen as he teaches his contemporary affairs class, the first class to meet in the new Chapel Building.

A president of an institution of higher learning must be many things. Our own Dr. Phelps is many things for Ouachita. This year saw him resign to accept the presidency of a yet-to-be-established Baptist school in Texas. He was honored by a student rally which asked for his return, as did many letters, telegrams, and phone calls. After much prayer and thought, he asked the Board of Trustees to rescind the action taken on his resignation. This was quickly done and Ouachita had her president again.

A family man, Dr. Phelps poses with his pretty wife.

Dr. Phelps supports the Tigers from the familiar desk by the court. "Little Doc" stands nearby.

Clyde Farnsworth

Included in the Division of Business are the departments of Accounting, Business Administration, Economics, and Secretarial Science.

Two new members of the faculty were added in this division this year. Dr. Clyde Farnsworth was given the responsibility of division chairman. Robert C. Tabor was added as an assistant professor.

After some curriculum changes, it is now possible for one to concentrate in any of the seven areas: accounting, business administration, economics, finance, management, marketing, and secretarial science.

Jim Mathis types away as he listens to the dictaphone.

The library is a busy place at night as students try to keep up with homework assignments.

The Division of Business and Economics is concerned not only with practical business education but also with the total objectives of Ouachita Baptist College as a liberal arts institution. In accordance with these objectives, the specific objectives of this division may be stated as follows: to teach those skills and develop those attitudes which will make the students competent for immediate employment, to train business teachers for secondary schools, to prepare students for graduate study, and to promote and encourage Christian ideals in a business relationship.

Humanities Division

Four departments comprise the Division of Humanities. They are the Department of English, Department of Journalism, Department of Modern Languages, and Department of Speech and Drama.

Additions to the faculty in this division include Miss Carolyn Farnsworth, an assistant professor of English, and Carl Marder, an assistant professor of speech.

Humanities

Primarily concerned with the ideas of Western Civilization as exposed in the languages and literatures of the West, the Division of Humanities endeavors to integrate such ideas with the whole of life and to develop in the student that which is best stated in the terms of the Renaissance concept of the complete man.

Division of Education

The Division of Education includes the Departments of Elementary Education, Secondary Education, Physical Education, Psychology, and Library Science.

A drastic change in the teacher education program was made this year. Ouachita is seeking accreditation by the National Council of Accreditation for Teacher Education. Recognition by this group would make it possible for OBC graduates to qualify automatically to teach in any one of 25 states.

New personnel include Dr. A. B. Wetherington, chairman; Mrs. Edna Farnsworth, associate professor; Buddy Bob Benson, instructor; Miss Aileen Kemp, instructor; and Mr. Kenneth Moxey, assistant professor.

Bill Hicks (left) of Baylor University talks to Nick Carter (center) and Dr. Phelps after the Athletic Banquet.

Harriet High (left) and **Marilyn Croft** (center) watch **Mr. Sandifer** carry out an experiment in their General Education Life Science Course.

The primary purpose of the Teacher Education Program is the development of specialized scholarship in subject matter areas, vocational preparation through professional education courses, and the development of competence in the teaching-learning process through responsible student teaching. The ultimate goal is to provide well-qualified teachers for the schools of the nation.

Each department in this division strives to give to the student a thorough understanding of methods and techniques of teaching in all areas from the elementary through the high school.

Fine Arts Division

Those departments which make up the Fine Arts Division are Applied Music, Art, Church Music, Music Education, and Theory-Composition. These departments have the dual purpose of training students for careers in one of the arts and of providing arts experience for students seeking a liberal education.

Education in art develops appreciation for the beautiful and harmonious in life. Courses in art are open to students wishing to develop artistical and creative abilities and to students desiring professional art training.

The music departments seek to prepare students for careers in the fields of musical performance, music education, theory-composition, and church music. They also provide courses for persons desiring nontechnical knowledge of music as a part of their liberal education.

Fine Arts

Added to the music faculty this year were Charles Wesley, an associate professor, and three teaching fellows: Janis Nutt, Don Boyer, and Charles Wright.

Few changes were made in the curriculum of this division, but a graduate program leading to the degree of Master of Music Educa-

tion was initiated. Students under this program include Janis Nutt, Don Boyer, Charles Wright, Ray Fleet, minister of music, Beech Street Baptist Church in Texarkana; and Earl Bailey, minister of education, Central Baptist Church in Magnolia.

Lt. Col. Jack King
Capt. Thomas Fowler

Capt. John Crosby
Capt. Ernest Kitchens

The purpose of the department is to train college students for positions of leadership in the Armed Forces in time of national emergency and in the civilian community in time of peace, as well as to provide junior officers in the Active Army. In addition, the program of instruction attempts to instill a sense of duty in the student and aid in the development of character, integrity, loyalty, and self-discipline.

The unit at Ouachita is one of five in the state. The training received is divided into two phases. The basic course is required for all male students their first two years. The advanced course is open only to those students who meet the entrance requirements and wish to continue their military career.

In an effort to make the corps more attractive and improve the attitude toward learning, the drill period on Friday was cut to an hour and a half. The organization of the corps was strengthened as well as renamed. The brigade remained the same but the battle groups became battalions.

Another important part of the ROTC program is the summer camp for the MS III's. It is conducted for six weeks to give the student a practical application of classroom theories. This summer it will be located at Fort Sill, Okla.

Natural Science Division

Mrs. Frances Elledge
Miss Kathryn Jones

Dr. Wayne Everett
Dr. J. R. Mundie

The Natural Science Division provides cultural values for all students as well as specialized training prerequisite to several vocations. The facts and relationships of the universe, as well as the scientific method of thinking, should be known by all. Scientific knowledge is basic to careers in medicine, pharmacy, chemical research, engineering, and other fields.

Although the curriculum has remained much the same as it has been in the past, there was a change in the personnel. Mr. Kenneth Sandifer was added to the Biology Department.

Loyd Clery studies an experiment in chemistry lab.

An often-forgotten department of the division is the Home Economics Department. The department tries to fulfill these objectives: to prepare young women to meet social, artistic, economic, and other demands upon better homemakers; to prepare them for commercial, home service, or other careers related to home-making; to provide certain cultural courses that may become part of a liberal education; to train students for vocational teaching.

This department is for all students who want to increase their understanding of the Bible and for all students who want to prepare for careers in the ministry and church-related vocations.

The curriculum remained the same this year with wide-sweeping innovations planned in the new catalog. New this year, however, is Dr. Carl Goodson in the Religion Department.

Dr. Phelps teaches his contemporary affairs class.

Mr. Peterson explains Bible leaders to his Hebrew Heritage class.

Mr. Peterson and Philosophy

This division is divided into the departments of religion and philosophy. The Department of New Testament Greek was combined with the Religion Department this year.

While mainly directed toward the ministerial student, this division also makes provision for those who want to learn more about the Bible, the church, and their denomination.

In Greek the student is not only prepared for future courses in language, but is given practical work for immediate use.

Philosophy is offered so that the student, both ministerial and lay, might be familiar with some of the great and major fields of thought.

The social sciences seek to provide an enlightenment to fit the times for majors in this area. The division includes the departments of history, political science, and sociology. It strives to disseminate and advance knowledge in these fields of learning through imaginative instruction and encouragement of research.

New personnel in the division include Mr. Slavens, Mr. Nelson, and Dr. Forbes in the History Department; Mrs. Sandford in the Sociology Department; and Mrs. Farnsworth in geography.

Social Science

There has been a complete curriculum revision in the division for the purpose of eliminating obsolete courses and attainment of a balance of curriculum offering. The courses in History of Latin America, Russia, and England were added to accomplish this pur-

pose. In sociology, a course on Dating and Courtship was added to facilitate student adjustment. The personnel and curriculum of the Division of Social Science is much stronger on the point of balance this year than perhaps ever before.

The Spotlight

The spotlight here is on the 12 semi-finalists for the Ouachita Beauties as they appeared in chapel.

Ouachita Beauties

Varsity Girl and Boy

Who's Who in American Colleges

Contents

There are activities and honors on the campus world of Ouachita which can best be seen under the glamor and enchantment of the spotlight. As much a part of campus life as eating and classes, these wondrous events are remembered by succumbing to the temptation to daydream.

Through the daydream these events and honors take on new glory. The memories of this part of Ouachita, the Spotlight, help to round out the complete picture of OBC life.

Hing Fong

Varsity Girl

It is small wonder that Hing Fong was selected as 1962 Varsity Girl. Outstanding is an apt description of her. In chemistry she consistently makes high grades and does quality work. In 1959 she was selected as Homecoming Queen and reigned with winning grace. In 1960 she was in charge of the committee for the Homecoming Queen and then in 1961 she was asked to head all of the Homecoming activities. Once again she served with distinction.

Her senior year she was selected for Who's Who in American Colleges and Universities. A four-year member of the Gamma Phi Social Club, a member of the Chemistry Club, recipient of the Freshman Chemistry Award, a member of the Student Senate, Ouachitonian Beauty, and a member of the Ouachita Repertory Theater, Hing has truly become a part of Ouachita. It is with pride that the Ouachitonian Staff joins the student body in saluting the 1962 Varsity Girl.

Hubert Dungan

Varsity Boy

Hubert Dungan, or as he is called "Hub," is well-known by all OBC students. He is liked for his happy smile, cheery greeting, and springy walk. "Hub" has been a member of the Beta Beta Social Club for four years. He plays his ukelele and sings for many of the social gatherings of the year. His sophomore year he was named by the student body as most versatile.

For three years "Hub" has been a mainstay

in the Tiger line. His aggressiveness and general good play on the gridiron has been hard to match. Counted on to provide the needed experience at the tackle position this year, he had to sit out because of a late summer operation.

Ouachita spirit is seldom better shown than in the ever-willing-to-help "Hub." For these reasons Hubert Dungan is the 1962 Varsity Boy.

Special Organizations

Contents

Organizations play an important part in the life in this separate world of Ouachita. For through organized activities, much is accomplished on the campus. The social clubs fill the need of fellowship, while at the same time they help furnish spirit and purpose. Service clubs give the student body much needed services such as publications; leadership in Homecoming, Dad's Day, and Tiger Day; and spiritual opportunities through the BSU. Academic clubs help the student develop in his area of study, while the special organizations contribute to the Ouachita Tiger spirit.

Staff members Lena Nelson (left), Tommy Elder (seated) Mary Smith, and Ann Routon select pictures for the book.

A large percentage of the annual's staff time is spent in the Ouachitonian office in Daily Hall. There, amid orderly confusion, they work all year to present to the school the best yearbook ever.

Compiling a yearbook is not an easy task, yet it is one of the most rewarding experiences one can have. The thrill of creating a worthwhile picture of the school year for the student body is abundant compensation for the headaches and exasperations the annual staff has throughout the year. Drawing layouts, picking pictures from proofsheets, writing cutlines, heads, and copy, and meeting deadlines are problems that become part of the staff's life.

Staff members form lasting friendships while learning to work together, to accept responsibility, and to aid each other through constructive criticism.

Ouachitonian sponsor is Claude Sumerlin, head of the Journalism Department.

Sectional Editors Earlece Humphries (left) and Ann Ellis check copy with Mr. Sumerlin, annual sponsor.

The Ouachitonian, A Picture Of School Life

Editor Loyd Percy writes heads for a new edition of the *Signal*.

Making pictures for school publications, both the *Signal* and the *Ouachitanian*, were Gerald Congleton and James Baker.

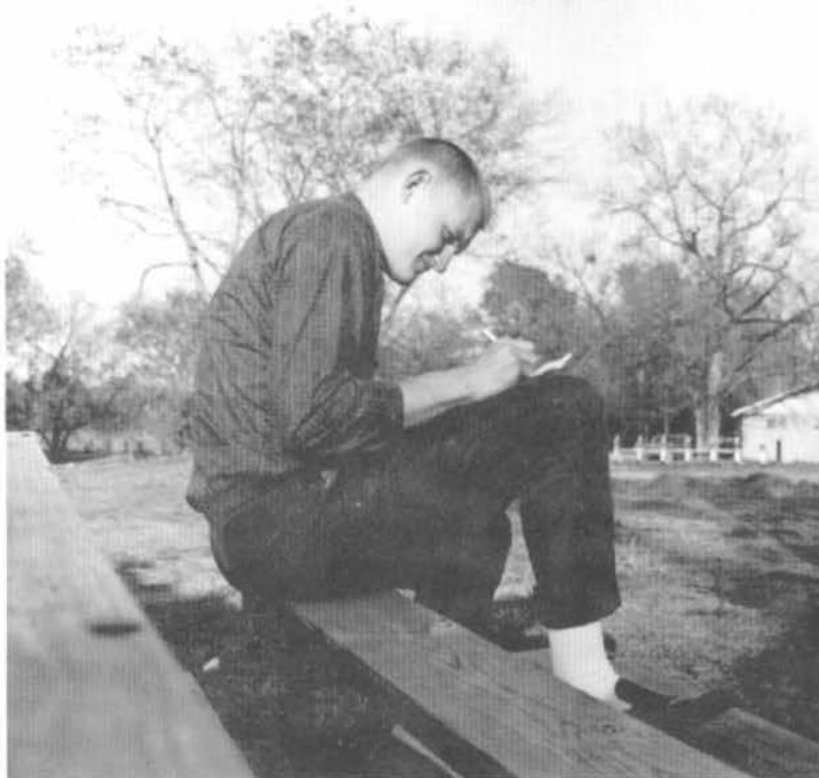

Handling the advertising for the *Signal* is the job of Linda Tyson, business manager.

Getting firsthand journalistic experience, the *Signal* staff, led by Editor Loyd Percy, puts out 16 editions of the college newspapers each year.

The staff of editors and reporters work together to produce a paper that will interest, inform, entertain, and challenge the student body. This year's main goal has been to put out an improved, more readable *Signal*.

Claude Sumerlin, head of the journalism department, is faculty adviser.

Wayne Hardin, sports editor, takes notes at a Tiger baseball game.

On Friday at 3 p.m. each week all freshmen and sophomore boys join 50 juniors and seniors in military uniform for drill. Practicing everything from simple facing movements to complicated company mass movements, each Friday is spent learning the practical side of military service. Occasionally, on the weekend there is a problem for either the II's or III's. A small scale war is carried on to practice principles of battle absorbed in the classroom.

A part of the ROTC program each year is the selection of the Distinguished Military Students by the professor of military science, with approval by the president of Ouachita. The students must be at the top of their class both militarily and academically. This is the top honor accorded a military student. Another pleasant part of the program is brigade and company sponsors. Each company elects a girl to represent them during Tiger Day, Federal Inspection, and Field Day.

In a school which tries constantly to improve, the athletic program must necessarily do the same. These improvements are visible at OBC in the changes in personnel, equipment, and policies. Football, basketball, track, and baseball receive their share of attention and praise but they must share the over-all program with the minor sports and the physical education and intramural programs. The athletic program at Ouachita is a well-balanced one, providing for the recreation and physical well-being of the entire student body.

Posting a .500 season mark, the Tigers proved that they had made advancement this year in the quality of their play. After winning four and losing three, they fought Arkansas Tech to a 6-6 standoff, stopping the ninth-ranked small college team in the nation. This was a great moral victory for the Tigers, who were serving under a new head coach.

Coach Rab Rogers has served as head coach before and for the past several years as athletic director for the school. This was his first year

in his new term as head coach.

Also added to the coaching staff this year were Wayne Williams and Buddy Bob Benson.

Williams serves as both bookstore manager and assistant football and track coach. He graduated from Ouachita, where he starred in both football and track.

Benson is a graduate of the University of Arkansas, where he received honorable mention to the Arkansas All-Academic team. He has been in business until this year.

Murphree, No. 23, and Dooley, No. 25, move quickly to the right to cut off Harding's No. 25, Jerry Mote.

Tigers Open Season In Oklahoma

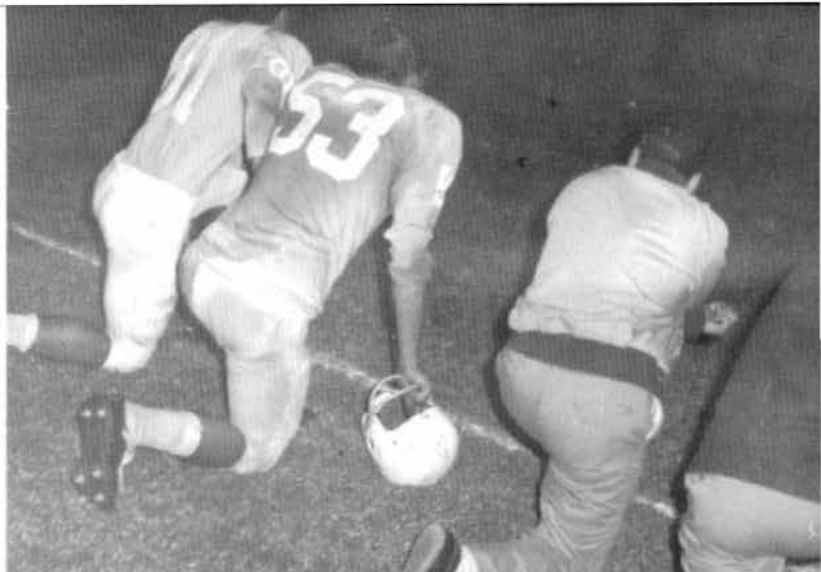

Winning their first opener since 1954, the Tigers overcame Southeast Oklahoma, 20-14. Murphree, Dooley, and McGlothlin each scored a touchdown. Murphree proved to be the outstanding offensive player of the game as he also intercepted a sure touchdown pass to ice the game.

Leading 14-7 at the half, the Tigers scored again early in the third quarter and then held the Oklahomans to one more touchdown.

Outstanding in the line was Don Puckett, a transfer from Pine Bluff, and Roy Rowe, the junior center from Hope.

Jerry Bailey (81) of Southeast Oklahoma throws a body block into McGlothlin to bring him down as two other Oklahomans move in to lend assistance.

OBC Loses To ASTC and Rain

Drenching downpours and bruising Arkansas State Teachers College power dampened Ouachita's Tigers, 13-0, in the first conference encounter of the season for both teams. State Teachers, undefeated in two previous contests and touted as the likely AIC champion, pushed across touchdowns in each of the first two quarters, then held on against

the conservative Tigers, who played for the breaks that never came.

Bud Dooley punted nine times for an average of 33.5 yards. James Wilkins and Charles Nix were outstanding in the line play. Although fairly equal in rushing, the Tigers gained only four first downs to Teachers' 11.

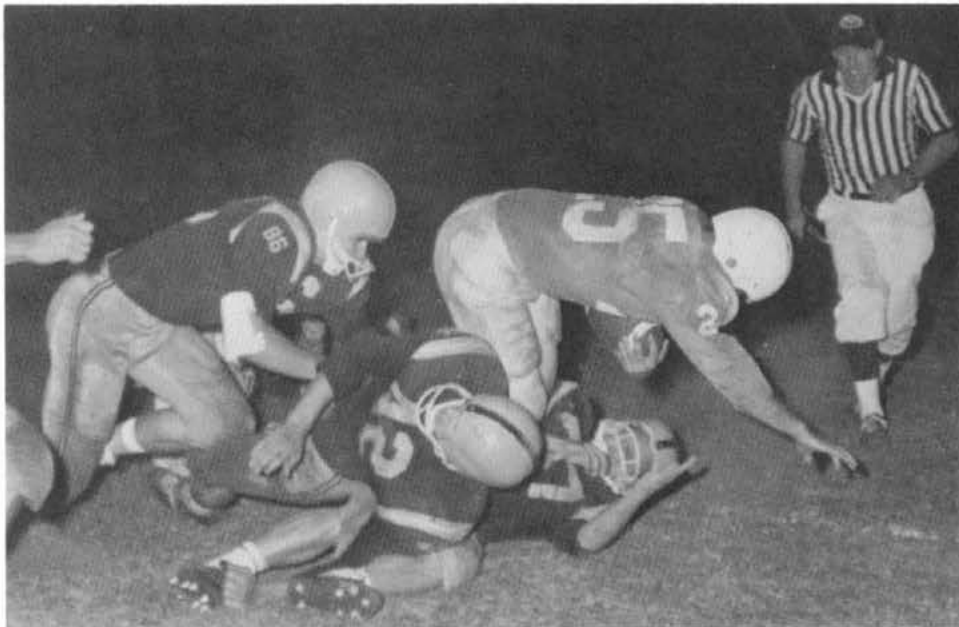

George Dykes wrestles down Harding's Jerry Mote as Don Puckett (72), and John Kitchens (74), move up to help.

Leading 14-7 at the half, the Tigers gave up a safety in the third quarter which proved to be the winning margin for the Harding Bisons. Robert McGlothlin scored one touchdown and Bill Jordan scored the other one on a pass play. McGlothlin led the OBC ball carriers with 67 yards while Tommy Murphree snagged four stray Harding passes. Murphree also ran over 50 yards average in punt and kick-off returns.

Safety Downs Tigers

Bud Dooley lunges forward for more yardage as the Bisons hang on, throwing him behind the goal line for a safety that later spelled a 15-14 defeat.

Robert McGlothlin (31) is met at the sideline by three of the Harding defense as he tries to turn the corner late in the first period of play.

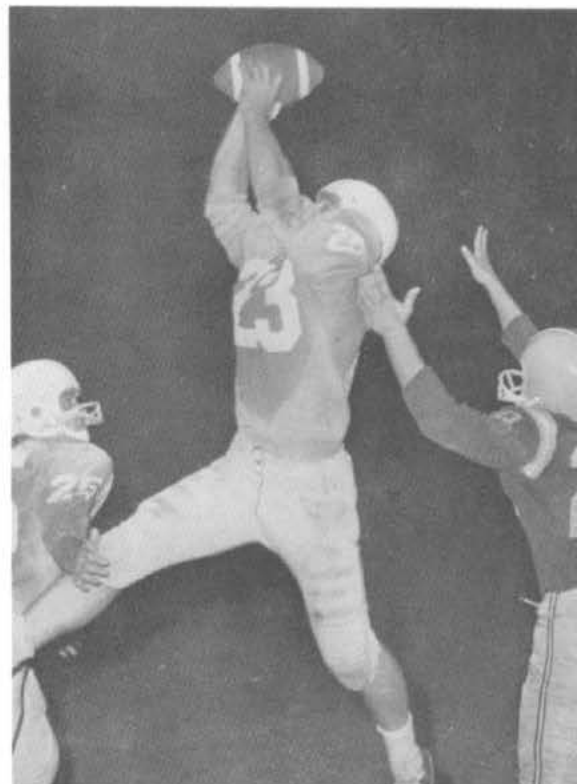

Murphree Goes 85 Yards for Score

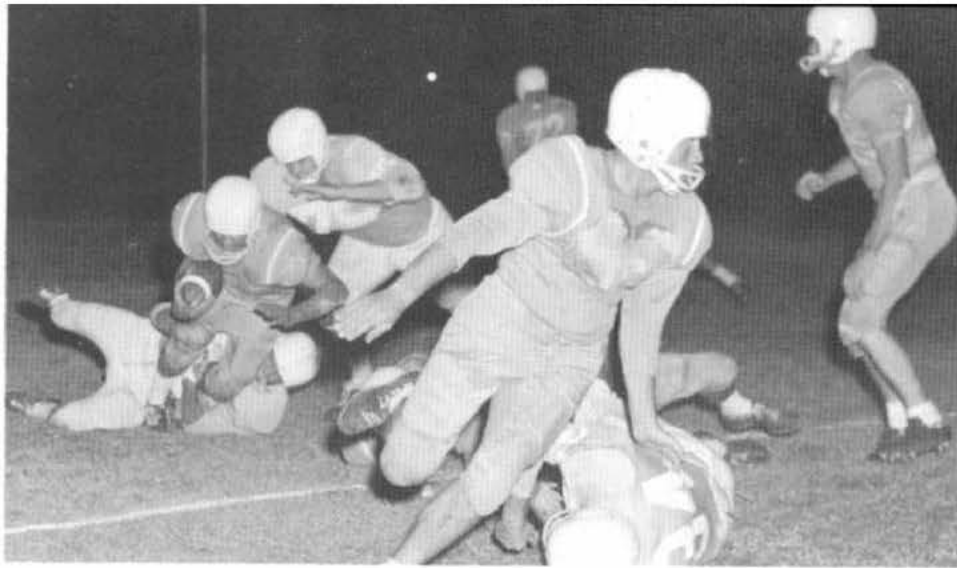

Sprung loose on his own fifteen yard line by a block by Bud Dooley, Tommy Murphree took a punt and raced 85 yards for pay dirt. This touchdown gave the Ouachitonians their Homecoming win over Arkansas A&M.

A tense and exciting game all the way, the Weevils threatened four times scoring only once. McGlothlin scored the 'Tigers' first touchdown in the game.

Outstanding for the Tigers on defense were Charles Jackson, Roy Rowe, and John Kitchens. Robert McGlothlin and Tommy Murphree gave the offense the needed punch.

Bud Dooley watches as Tommy Murphree leaps high in the air to grab one of his four interceptions of the night. The pass was intended for Joel Mize (23).

An unidentified Navy runner has his legs entangled by Roy Rowe as the boom is about to be lowered in the person of Bill Baldrige.

OBC Wins Easily Over Navy

Scoring 22 points, Robert McGlothlin led the OBC Tigers to a 28-7 victory over the Memphis Navy Hellcats.

Ouachita scored early in the first quarter, only to have the Hellcats retaliate in like kind. But from then on OBC dominated the game

as they outran, outpassed, and otherwise outplayed the Navy men.

Doyne Davis scored one touchdown on an intercepted pass and Robert McGlothlin scored the other three, adding four conversions.

And Ozarks

Robert McGlothlin, showing the type play which earned him the AIC scoring lead, paced the Tigers over Ozarks with two touchdowns and four conversions. This first touchdown was a 78-yard jaunt and his second was on a three-yard plunge.

Roy Rowe proved to be the defensive counterpart for McGlothlin as he roamed the field making tackles.

The frenzied Ouachitonians yelled themselves hoarse as they viewed the runaway—a rare delicacy.

First down for the Tigers! This is one of the many for the Tigers in the 41-0 win over Ozarks.

With star end Shelby Ward out with an injured neck, interceptions played an important part in the Southern State win. This loss snapped the three-game winning streak—OBC's longest since 1953.

The Tigers scored first in the game after having two drives stopped short of pay-dirt. Tommy Murphree crashed in from the two but Robert McGlothlin's conversion was blocked. Just before the half Southern State scored to take the lead. Two plays later a Southern State end intercepted a Tiger pass and scampered 45 yards for another tally. It was 13-6 at halftime.

In the third period Southern State scored again after an interception set up the play. The Tigers retaliated with a score of their own but another interception gave Southern State its final score.

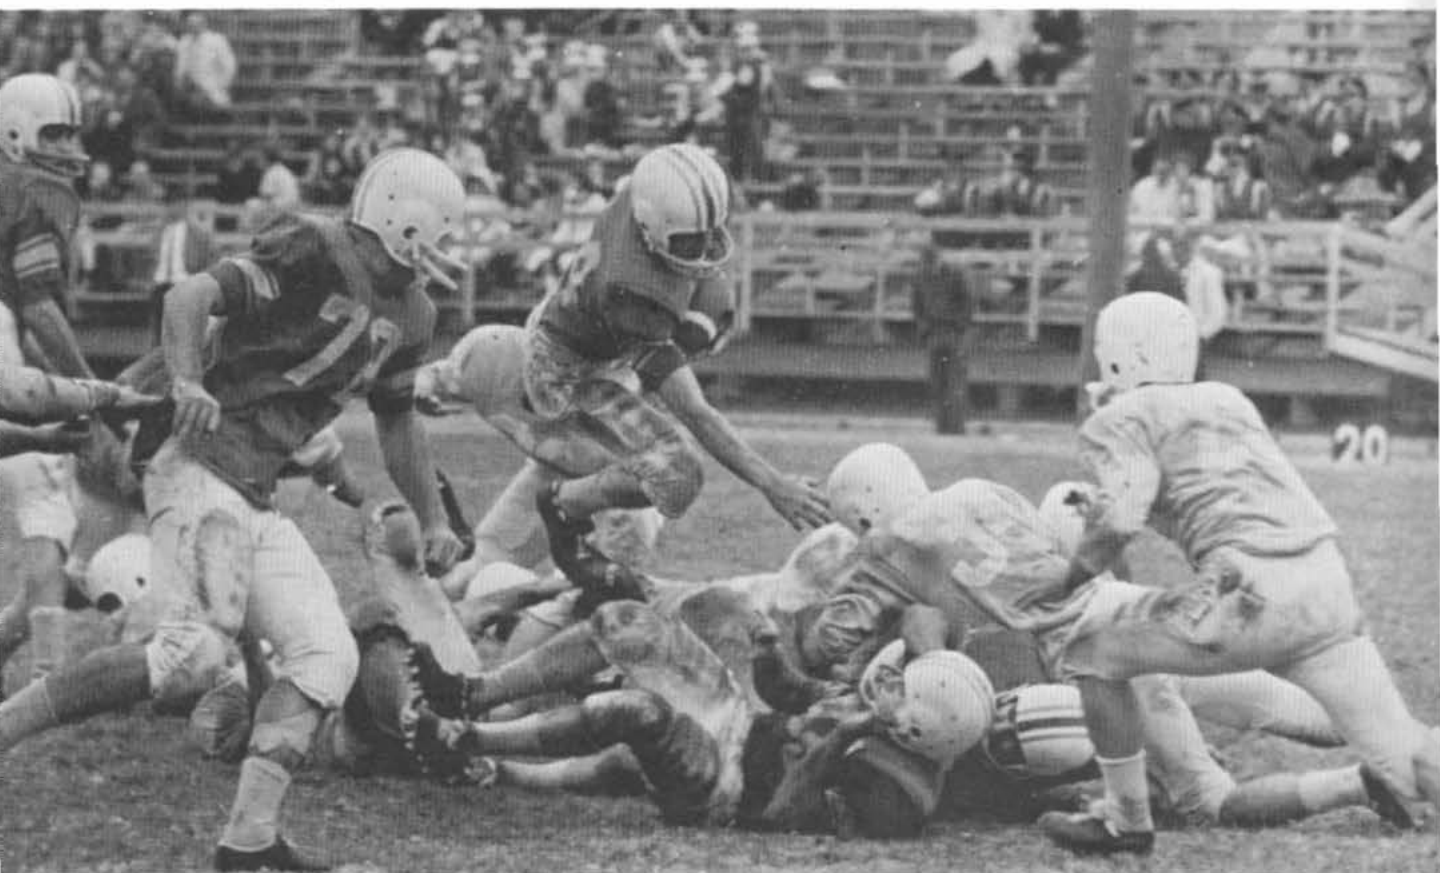

A Navy end manages to snag the pass even though Bud Dooley has him around the waist but he still has to deal with Roy Rowe (53), and Charles Jackson (34).

Southern State Wins On Interceptions

Roy Rowe (53) knifes in to take the short pass away from the Navy receiver covered by Dooley.

OBC Ties Tech 6-6

Tech **halfback**, Bill Curtis, plunges over from the one-yard line to give the Wonder Boys their only mark on the scoreboard.

Providing the major topic of sports conversation for the year, the Ouachita Tigers fought tenaciously to stave off the supposedly inevitable defeat by the Arkansas Tech Wonder Boys. The win provided the Ouachitonians with an exuberation while giving Tech only disappointment.

The Tigers played the majority of the game within their own territory. A scoreless game until late in the third quarter, Tech scored their touchdown only to have end Jimmy Jackson block the attempt for the extra point.

With only a few minutes left in the game, quarterback Bill Richardson lifted a pass to Bud Dooley on Tech's 20 yard line and he raced to the score. The extra point was blocked.

The Tigers felt it was a moral victory. The Tech Homecoming crowd of some three thousand fans watched as OBC held the Wonder Boys three times inside the 10-yard line and twice more inside the 20. Going into the game Tech was ranked ninth by the national NAIA ratings.

Shown here are OBC's Shelby Ward, 81, Robert McGlothlin, 31, and Don Puckett, 72 as they rest momentarily during the Ozarks game.

OBC Falls to Delta State

Ouachita lost the final game of the season to end the year with a .550 mark. The Thanksgiving Day game turned out to be a scoring duel with Delta State coming out on top.

The Statesmen scored first on a 20-yard run but failed on the conversion attempt. Then in the second quarter the Statesmen capitalized on a fumbled snap from center and scored again. They were successful with a

55-yard pass from Bill Richardson to Frankie Frances for a score. Robert McGlothlin added the conversion.

The Statesmen scored again in the third quarter. OBC again scored when freshman fullback Tommy Taylor raced 54 yards for the tally. Frances gained 46 of the 62 yards in the final scoring drive to set up the touchdown by McGlothlin.

Bill Curtis, Tech halfback, is brought to a jarring halt by Tiger defenders, Tommy Murphree and Larry Green on the Ouachita 10 yard line.

Robert McGlothlin

Fullback

AIC leader is an apt title for this 5'11", 195 pounder from Shreveport, Louisiana. He led the AIC in scoring with 68 points for the season. Of these 14 were extra points.

In a two-week period, the hard-charging fullback gathered 38 points. He picked up three touchdowns and four extra points against Memphis Navy, including a 53-yard run. McGlothlin didn't slow his pace in the Ozarks game. Playing mostly in the first half, he scored on a 78-yard scamper, a 3-yard plunge, and kicked four conversions. He picked up 142 yards rushing.

Coach Rab Rodgers was quick to label him the key to the new offense since he provided the much needed power up the middle.

The crowning reward for the year came when McGlothlin, a junior, was named to the official All-AIC team.

Tigers Honored

With rebuilding in mind and a new coach to do it, the Tigers were not considered as strong contenders this year. To the surprise of many they won as many as they lost. There are several reasons for this but one big one is the outstanding performance of the team as a whole and a few in particular. Three of these

few were James Wilkins, Robert McGlothlin, and Roy Rowe. Wilkins was named to the Arkansas Gazette All-AIC team. McGlothlin was named to the official All-AIC team, while Rowe was entered in both.

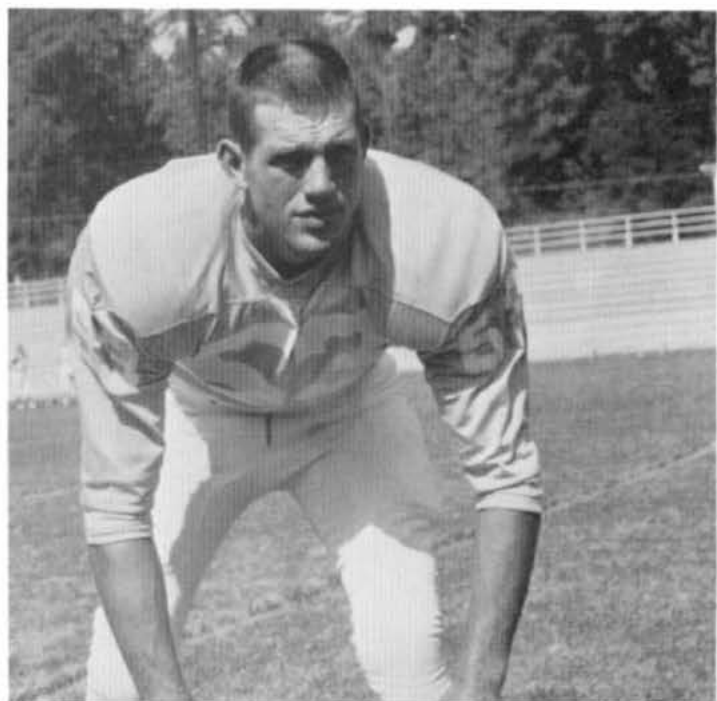

Ouachita can be proud, and justly so, when performers such as these receive recognition.

Roy Rowe

Center

Rowe, besides being placed on the All-AIC team and the Gazette AIC team, was given honorable mention on Williamson's Little All-American team. A three-year letterman, this year as a junior Rowe had to play defense and replaced the graduated John Brownlee at offensive center.

On defense this year he averaged eight tackles and three assists per game. He was a steady performer throughout the year.

The 1962 Tigers are (from left to right) first row: David Kossover, Bruce Cash, Wendell Bryant, Dick Red, Wayne Davenport, Jerry Cash. Second row: Danny Burleson, Ollie Knoles, Bill Heaton, Bill Neal, Joe Franz, Lonnie Wagner. Third row: Grady McHaney, James Carney, Doyle Barks, Leon Clements, Mike Scifres, Phil Franz.

OBC Basketball Has Ups And Downs

The Ouachita Tigers opened the season with four straight AIC wins and the league lead. From there the road became rocky and tedious. Playing hot, unstoppable ball at times, they accomplished the impossible. But as the season progressed they found it harder to come up with the big one.

The Tigers had good balance this year. Doyle Barks and Leon Clements, the two 6'6" freshmen, provided height for the backboards. Wayne Davenport, Jerry Cash, Wendell Bryant, and David Kossover added the outside depth. Davenport led the team in scoring.

Head coach Bill Vining, left, returned to guide the Tigers this year. He was assisted by George Johnson.

OBC 56-Louisiana College 57

Highly-rated Louisiana College barely won when a shot by Leon Clements, with four seconds remaining, rolled in and then out of the basket. The game was tied 11 times, with the lead changing nine of those times. Davenport collected 13 points, Clements 12, and Phil Franz 11. Clements also grabbed 11 rebounds.

Take Top Spot

OBC 74-Ark. College 72

The Tigers overcame a first half 36-29 deficit to top the Arkansas College Scots. After a cold first half, even the 31-point performance of Scot LaVaughn Robertson couldn't stop the Tigers. Davenport collected 20 points to 18 for Clements and 10 each for Barks and Kossover.

OBC 49-ETBC 58

After tying the score, 24-24, shortly after the half, the Tigers watched while East Texas Baptist College pulled away to win easily. Davenport scored 16 points and Barks grabbed 11 rebounds.

OBC 77-Tech 80

Missing their free throws, the Tigers dropped an overtime decision to Tech. Tied 74-74 at the end of the game, the Wonder Boys scored six before OBC could tally. Ouachita held Saylor to 26. Davenport scored 21, Clements 17, and Phil Franz 17 for the Tigers.

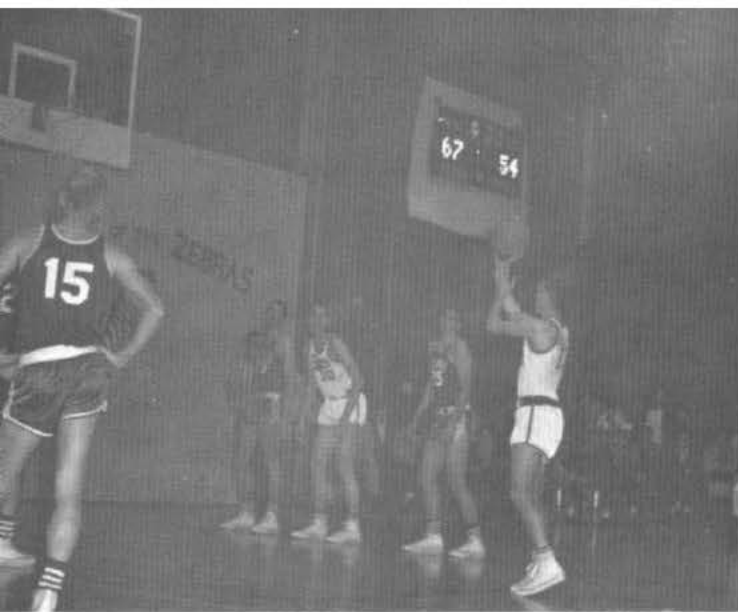

OBC 55-Hendrix 48

Ouachita led the Warriors 28-22 at half-time. Hendrix closed the gap to two points with eleven minutes to go but could come no closer. Wes Crawford of Hendrix scored 27 to top both teams, while Davenport netted 19 to lead the Tigers.

Tigers Top Century

OBC 81-Delta State 94

Taking revenge for an earlier loss, the Statesmen won going away. At one time they led by 25 points. At halftime it was 54-38. Kossover was the top OBC point maker with 15. He was followed closely by Jerry Cash with 14, Davenport with 13, and Clements made 12.

OBC 77-Louisiana College 84

Louisiana College took their second win from the Tigers in another close battle. Clements led the Tigers with 19 points. Davenport put in 14, Joe Franz 10, and Barks 10.

Tigers Fall to Third

OBC 59-ETBC 73

East Texas Baptist College polished off Ouachita for the second time in one season. The Texans led only 34-30 at halftime but steadily pulled farther ahead the second stanza. Davenport tallied 16 while Clements chipped in 13.

OBC 55-ASTC 74

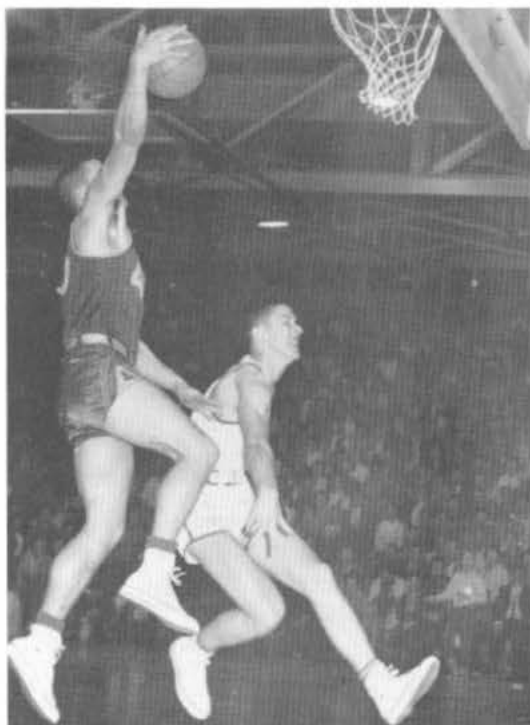

The Tigers lost a chance to take first place again by losing to State Teachers. After leading 25-24 just after the half, they steadily lost ground. Davenport, Cash, and Joe Franz each had 10 points for Ouachita.

Led by LaVaughn Robertson, the Scots commanded the game all the way. Bill Neal had his best night of the year as he scored 15 points. Davenport contributed 10, while Heaton and Clements put in 9 each.

The scoreboard is recorded with one second left in the OBC-Tech game at Pine Bluff. It shows the final score of 110-88.

OBC 85-Tech 91

Arkansas Tech took a squeaker from the Tigers. After a cold first half, the Tigers stormed back to within three points before Tech won. Kossover led the OBC attack, scoring 17 points. Joe Franz and Clements scored 13 each.

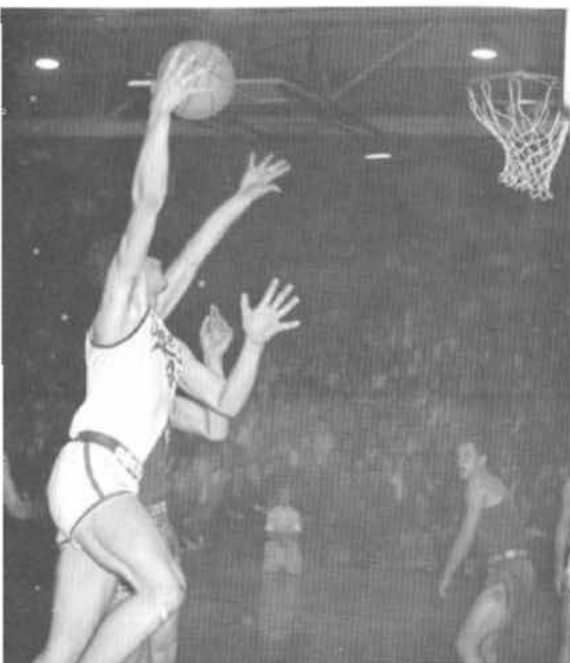

Tigers End Season With Win

OBC 47-Hendrix 45

The Tigers took a slow and low-scoring contest from the Hendrix Warriors to end the regular season with a win. Davenport led the Tiger point makers with 19. Heaton's 20-foot jumper with three seconds left won for Ouachita.

OBC 92-Henderson 76

Resuming play after a 10-year lapse, the Ouachita Tigers overcame the Henderson Reddies at Pine Bluff. Scoring first, the Tigers led all the way. It was 51-44 at halftime. Davenport led OBC scoring with 26, while Phil Franz scored 23, Clements 14, and Kossover 12.

Ouachita-Henderson Rivalry Resumed With Tiger Win

For nine years the two colleges of Arkadelphia have refrained from athletic relations. This year the AIC voted to make a complete round robin schedule a must in basketball in 1962-63 and in football in 1963-64. By a quirk of fate, Ouachita and Henderson were matched a year earlier at the District 17 NAIA tournament at Pine Bluff. Ouachita finished fourth in the AIC standings, with Henderson fifth.

As the tournament opener for both, the game was a hotly contested one. The Tigers jumped to an early lead and led all the way. The Reddies refused to admit defeat, and it was not until their two big guns took the bench after fouling out that the outcome could be viewed with certainty.

The game was marked by outstanding sportsmanship on both sides—a tribute to both Ouachita and Henderson.

OBC 76-ASTC 62

Ouachita and State Teachers exchanged leads throughout the first half leaving the score at half time 35-34 for ASTC. A three point drive by Davenport put the Tigers ahead to stay. Kossover drew foul after foul and hit freethrow after freethrow. He led all scoring with 29 points. Davenport hit 18 and Clements 11, while Teacher's Lamb could manage only 13.

Ouachita Demolishes Tech

OBC 110-Tech 88

A surprise to everyone, even the Tigers, OBC registered their third mark over the century to wallop the Tech Wonder Boys 110-88. Davenport, who led all tourney scorers, tallied 38, while Clements gained 26, and Kossover marked 23. Tech's Saylor scored 33 points, most of them coming after the outcome was certain.

OBC 70-Morris Harvey 95

The Morris Harvey Golden Eagles made Ouachita's stay in Kansas City a short one. After several ties leading to 25-25, the Eagles pulled away, never be headed again. Kossover led OBC's scoring with 22 points while Clements picked up 17.

Pre-tourney predictions gave the Tigers only a chance to participate in a match with Henderson. After the Tigers swept the tournament in convincing fashion, few people could believe, even then, the events of the Cinderella story.

Finishing fourth in the league, the Tigers appeared to have little chance. The policy of playing freshmen throughout the year, however, proved to be the key to the championship. OBC won in no uncertain terms and the word balance was the most apt description of the Tigers. Davenport, Clements, and Kossover were the heroes, but even without these three, on occasions, the Tigers proceeded as if nothing were missing.

The three teams beaten in the tourney were the three top rivals of the Ouachitonians. The complete rout of Arkansas Tech proved to be the frosting for a wonderful three games.

Wayne Davenport was named to the official All-AIC second team. The team was selected by vote of the players of the schools, with no player allowed to vote for a teammate. Wayne was the sixth man of the top 10 chosen. He was, however, named to the Gazette All-AIC first team. This team was picked by Gazette sports writer Jim Bailey. Wayne has demonstrated his ability throughout the year and is expected to go on to even greater accomplishments next year.

Tigerettes Compete in National Loop

The Ouachita Tigerettes, winners of the Arkansas AAU girl's basketball championship this year and for the past two years, competed this year in the National Girls Basketball League. Other members of the loop included Wayland Baptist College of Plainview, Tex., national champions with three All-Amer-

icans; Nashville Business College, ex-national champions with three All-Americans; Pepsi Cola of St. Joseph, Mo., with five All-Americans; C. E. School of Commerce of Omaha, Nebraska; Iowa Wesleyan College of Mt. Pleasant, Iowa, with one All-American; and Look Magazine of Des Moines, Iowa.

Tigerettes Take First Conference Win

After a slow start, the Tigerettes managed to top the Look Magazine Readerettes at Van Buren. They then took on Arkansas Tech's Wonder Girls, beating them handily.

The Tigerettes then went on a disappointing four-game losing road trip. Although they did poorly on the trip, Goach Gill felt that it was good for them to face the rugged competition.

Although the girls lost the first game of the National tournament, they did well as far as individual honors. Mary Ann Otwell led the team in scoring with 229 points, Mary Lou Garris made 173, Eva Harrell 145, and Kay Matthews 139. Those girls who made All State include Eva Harrell, Mary Ann Otwell, Mary Lou Garris, and Kay Matthews. Mary Ann made All Star for the National League while Eva received honorable mention in that department.

Tigerettes Even Season's Record

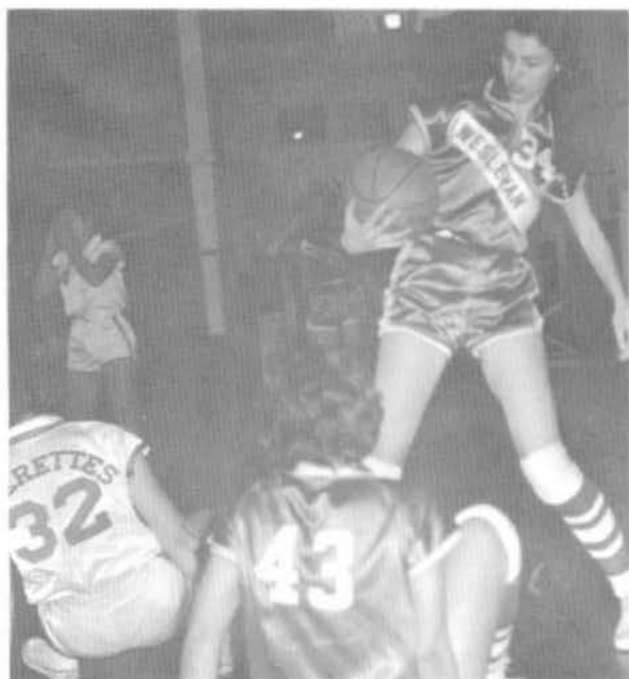

The Wayland Baptist College Flying Queens dropped the Tigerettes twice in two days. Each time there was a close first half before the Tigerettes succumbed to superior strength in the second half.

The girls did, however, score wins over

Great Southern Insurance Company, who had a 13-1 record entering the game, and the Stuttgart Independents, whom they defeated easily. They defeated the Independents the second time in a 72-26 romp. Kay Matthews scored 28 while Barbara Batchelor put in 26.

Tigerettes Go to National Tourney

Although playing a very rugged schedule in the national loop this year, the OBC girls did well due to two things. They had three returning All-Staters and one second team All-Stater. The All-Staters were Mary Ann Otwell of Waldo, Mary Lou Garris of Junction City, and Eva Harrell of North Little Rock. Polly Rogers was on the second team. Also returning were several outstanding squadsmen, including Celia Conwell of Azle, Texas, Barbara Batchelor of Van Buren, Della Kay Mason of West Helena, and Yvonne Solesbee of Greenwood.

Tigers Start Second to ASTC

At press time the track team had been involved in one major track meet, a meet involving all but Tech of the AIC teams. ASTC took first with 94 points. The Tigers came in second with 36. In order to give an idea of what the team has this year, we have included pictures of that meet. In their first track meet the Tigers came in ahead of Southern State, but second to Arkansas A&M in a triangular meet at Stamps. Wayne Haver and David Booth paced the Tigers to victory over Hendrix and Southern State at Conway, then the Tigers took first in 14 events and tied for first in another in defeating Ozarks in a dual meet here. The Tigers swept first in all but three events in swamping Ozarks and Southern State in a triangular meet at Haynesville, La. Leading the Tigers this season are David Booth, who has recorded a 9.9 in the 100, a 22.1 in the 220, and a 49.6 in the 440; Wayne Haver, best in both hurdles events; Bert Creasey, who has leaped 13-0 in the pole vault; Bob McClung, 22-2 in the broad jump; Lowell Heldebrand, 2:03 in the 880; Calvin Stackhouse, 9.9 in the 100; and Bill Baldridge, 129-5 in the discus.

Coach Rab Rodgers, Bob Harris, Kenny Gates, James Cash, Van Barrett, Jim Porter, Larry Pugh, Denny Kennedy, Tom Niemeyer, Bill Neal, and Wayne Davenport.

At press time the Tigers appeared to be in the thick of the fight for the conference championship which they have captured or shared the past two years. R. D. "Rab" Rodgers returned as coach after a one-year lapse when Bobby Gill resigned to go to the University of Houston. The Tigers shellacked Austin College in a doubleheader in Sherman, Tex., 21-3 and 15-3. In their conference opener against Arkansas A&M here, they were victorious, 7-1 and 16-1. With Ken Davenport coaching at Conway during the illness of Coach Rodgers, the Tigers dropped a doubleheader to ASTC, 8-7 and 14-7. They bounced back to blast Southern State here, 13-3 and 3-0, but split a doubleheader with Arkansas Tech at Russellville, taking the first game, 7-4, but losing the second, 9-5. As the yearbook went to press, Freshman Third Baseman Larry Green from Atlanta, Ga., was the leading hitter, while Ken Davenport led the pitchers with four victories against no defeats.

Speed, Power, Balance Key For Tigers

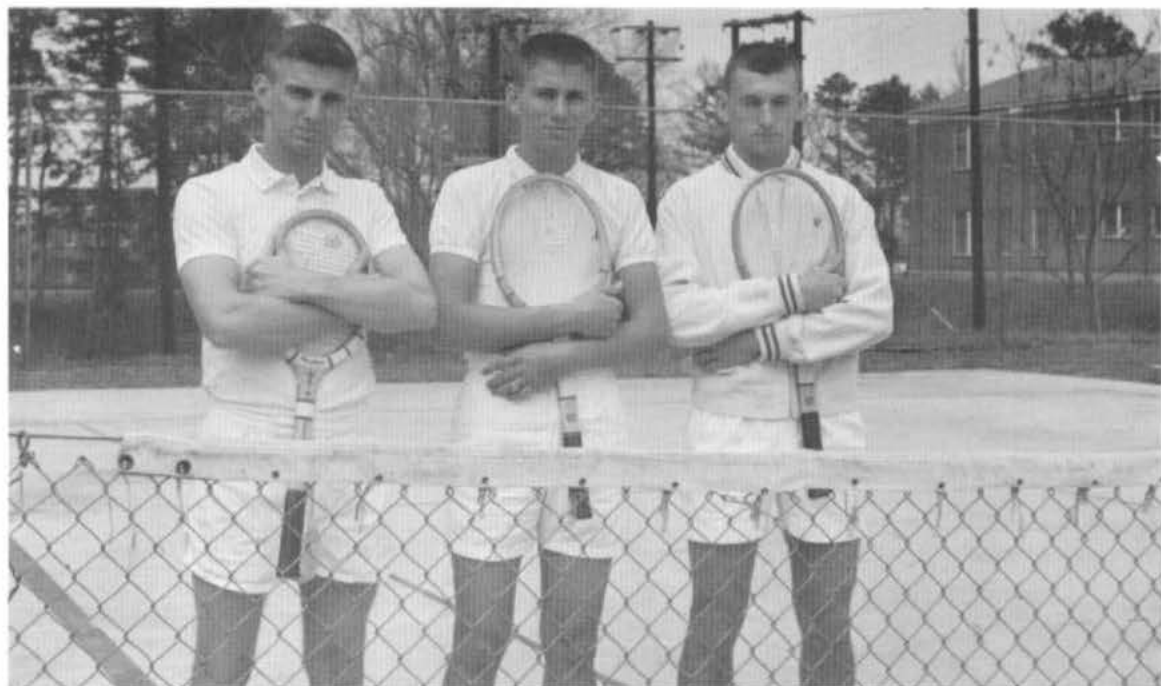

Ouachita finished the season as co-champions with Arkansas State Teachers after gaining one forfeit to three for ASTC. Ouachita was selected to represent the district in the Area III playoffs in Emporia, Kan., after refusing to flip for the right to enter. ASTC refused to enter a playoff with Ouachita for the right to enter the regional tournament. Unanimous All-AIC choices were Ken Davenport, pitcher; Tommy Murphree, catcher; and Jimmy Perry, centerfielder. Rightfielder Wendell Bryant, the team's leading hitter at .431, also made the first team. Selected to the second team were Wayne Davenport, short-stop; Don Rosa, pitcher; Bud Dooley, left-fielder; and Tom Niemeyer, first baseman.

For the fourth straight year, Ouachita's rifle team has taken the Arkansas Rifle League Championship. This year they had to overcome Arkansas A&M, who furnished stiff competition. There are many parts of Ouachita that can't be told by showing class pictures, listing names, or describing athletics. There is much about OBC that can only be understood by looking backstage during a play, attending a variety show in Mitchell, or talking in a dorm room. These activities are the lifestream of this world of Ouachita. It is necessary, therefore, to look at this stream of activities to know better and be a part of this separate world.

Blood Flows In Project

Last year the entire student body was blood typed by the Arkansas Heart Association for the open Heart Club. This year they had the opportunity to give blood for open heart surgery. Each time there were enough people to provide the 14 pints necessary for the operation.

The Heart Association sent a bus for the group. They boarded the bus early in the morning and went merrily on the way. They went to the Med Center where they gave the blood and ate afterward. It was fun as well as worthwhile for the entire group of volunteers.

Beauties Vie For Top Honors

All eyes are fastened on a blackboard diagram as Brian Nelson explains the procedure for the pageant.

On December 4, 1961, a RIOT of Christmas Colors was held in Mitchell Hall, with 28 beauties competing for the top 12 places. On January 4, 1962, the 12 appeared in Chapel for the selection of the top eight. These eight were photographed in Little Rock and their pictures sent to Screen Star Troy Donahue, who picked the top four.

Pausing during her time on stage, Carolyn Findley appears in chapel. Royce Jones plays the piano.

Best regards are extended to Ouachita students by Screen Star Troy Donahue, who selected the four beauties.

Contestant Joetta Boyce glances at the audience as she walks across the front of the stage during the pageant. Henry Hill at bass, Royce Jones at the piano, and Hank Dempsey on drums furnished the mood music.

Religious Emphasis Week Termed A Success

Gayle Bone hams it up at the informal party for the REW workers.

"Exploration of the Absolute" was the theme of Religious Emphasis Week this year. Charles Petty and Justyn Matlock directed the planning and execution of a successful week. Speakers were selected who helped develop the theme to the utmost.

A highlight of each night's service was the florescent chalk drawing accompanied by a narration. A picture of the drawing appears on page 274.

Interested students furnished the choir for the Religious Emphasis Week services.

Rev. Rue strums his guitar and sings "old folk songs" designed to keep people laughing.

Gayle Bone announces the next song during one of the Chapel services. Seated behind him are (left to right) Danny Light, Dr. Miller, Rev. Rue, Dr. Ballentine, and Dr. Barry.

Six of the team members are seen here, from left to right, Gayle Bone, Rev. C. N. Rue, Dr. George Ballentine, Marion Fray, Ross Coggins, and Dr. J. A. Barry.

Beverly Allen looks on as Marolyn Croft returns change to Brian Nelson. "M.F." Warmath is his date.

EEE's Open Fumes Club

Strolling among the customers as she sings, Sonja Dalrymple particularly entertains Ken Carpenter.

Cool, suave, and masterful could almost be used to describe Robert Pierce, the master of ceremonies.

Sonja toys with her earring and watches Hank Dempsey as she sings.

Protesting his innocence, George Stevenson submits to a search by local police during the raid on the club. Jamie Brewer looks on.

Dr. and Mrs. Phelps seem to be enjoying the entertainment.

Friday Is

Cadet Sergeant Barry Goss executes right shoulder arms as a part of his drill test. At left Captain Kitchens grades him while George Nichoalds gives the commands.

Squad Leader Tommy Holloway instructs his squad on the practice work.

ROTC Drill Day

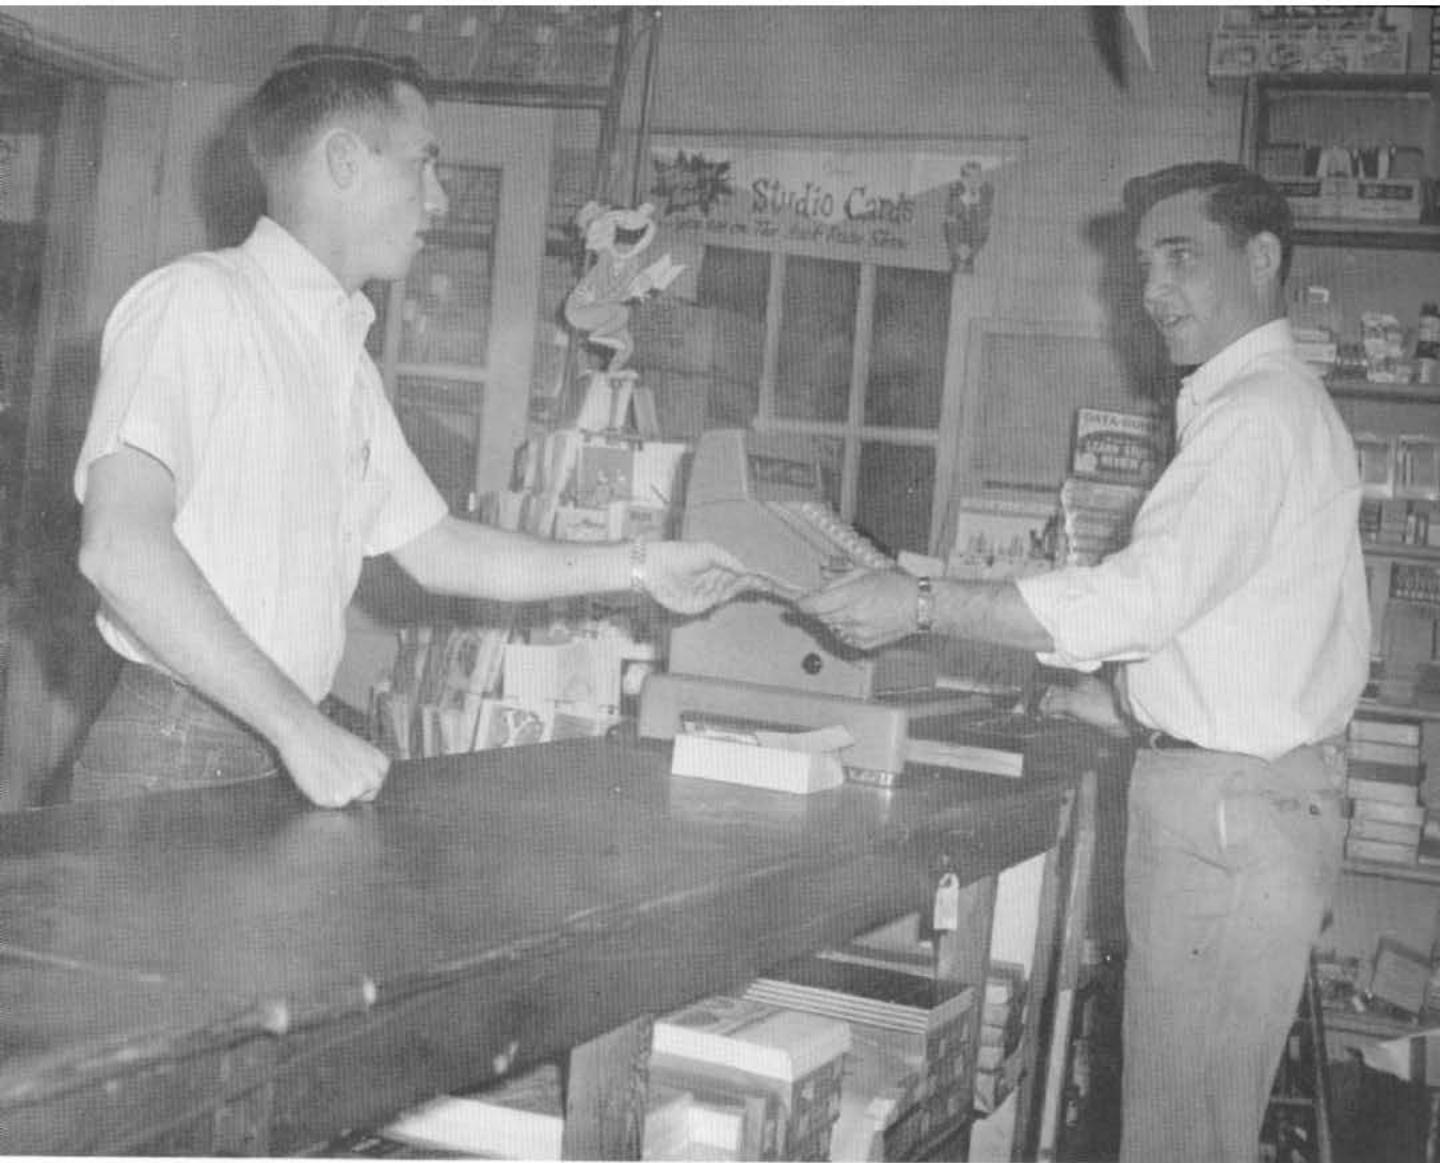

On **Thursday** night Ken Carpenter shines his shoes to get them ready for Friday.

Paul Johnson instructs his platoon on the execution of a column movement.

Darrell MacMoran gives his platoon practice in marching while Winston Hile watches to make corrections.

Wayne Sims receives service with a smile from **Dee Webb**.

Students Labor In Student Center

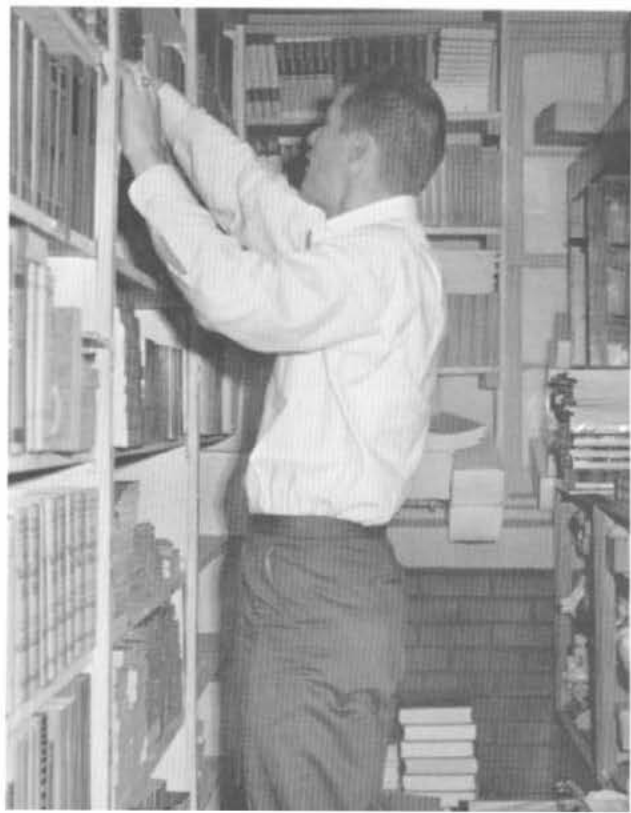

The Student Center houses a variety of activities. Many hours of work, much of which is supplied by students who work part time, furnish the services available.

Janie Daggett keeps the file system up to date.

One of hundreds of letters goes into a box as Buddy Worthington sorts the mail.

Bob McClung reaches for a book in the bookstore proper.

It is necessary to clean up the place, too. Here Leann Viala sweeps up after the EEE party, while Peggy Braden counts money.

Professors

Dr. Wolber carries out a box of papers while Dr. Goodson waits to get an armful.

Mary Lee Smith encounters a problem as she tries to find a paper in the mass of piled material.

Dr. Goodson straightens the table in the truck as Dr. Wolber brings another boxful.

Move Into Chapel

Once the Bible Building was completed, those whose offices were to be located there were anxious to move in. Problems arose, however. First, there were no shelves for books. Construction on these was begun but held up because many of the campus crew attended the Evangelistic Conference in Little Rock. Finally, all was ready and the big move began. The religion and math departments were located in the new building. Soon the offices were neatly arranged and office work went on as usual.

The last things packed are those from the desk drawers as Dr. Coppenger and Margaret Bray prepare to move.

Hubert Dungan pauses to rest and Margaret looks over her shoulder as they unload Dr. Coppenger's station wagon at the chapel.

Mr. McGuire goes over an assignment with Mr. Makosholo.

The Makosholos are seen in Training Union. Seated from left to right are Mrs. Mae Handy, Bible quiz leader; Mrs. Makosholo; Wayne Peterson, president. Standing: Mr. Makosholo; Kenneth Moxey, group captain; Claude Sumerlin, vice president.

Makosholos Join OBC Student Body

Dr. Phelps goes over some of the information in the college catalog with the Makosholos.

Coming from Southern Rhodesia in Africa, the Makosholos have taught in the mission school there for the past several years. The decision of the Board of Trustees last year opened Ouachita to them. After much preliminary correspondence, they enrolled at Ouachita for the second semester. In order to keep expenses at a minimum, they have left their four children in Africa during their career at OBC.

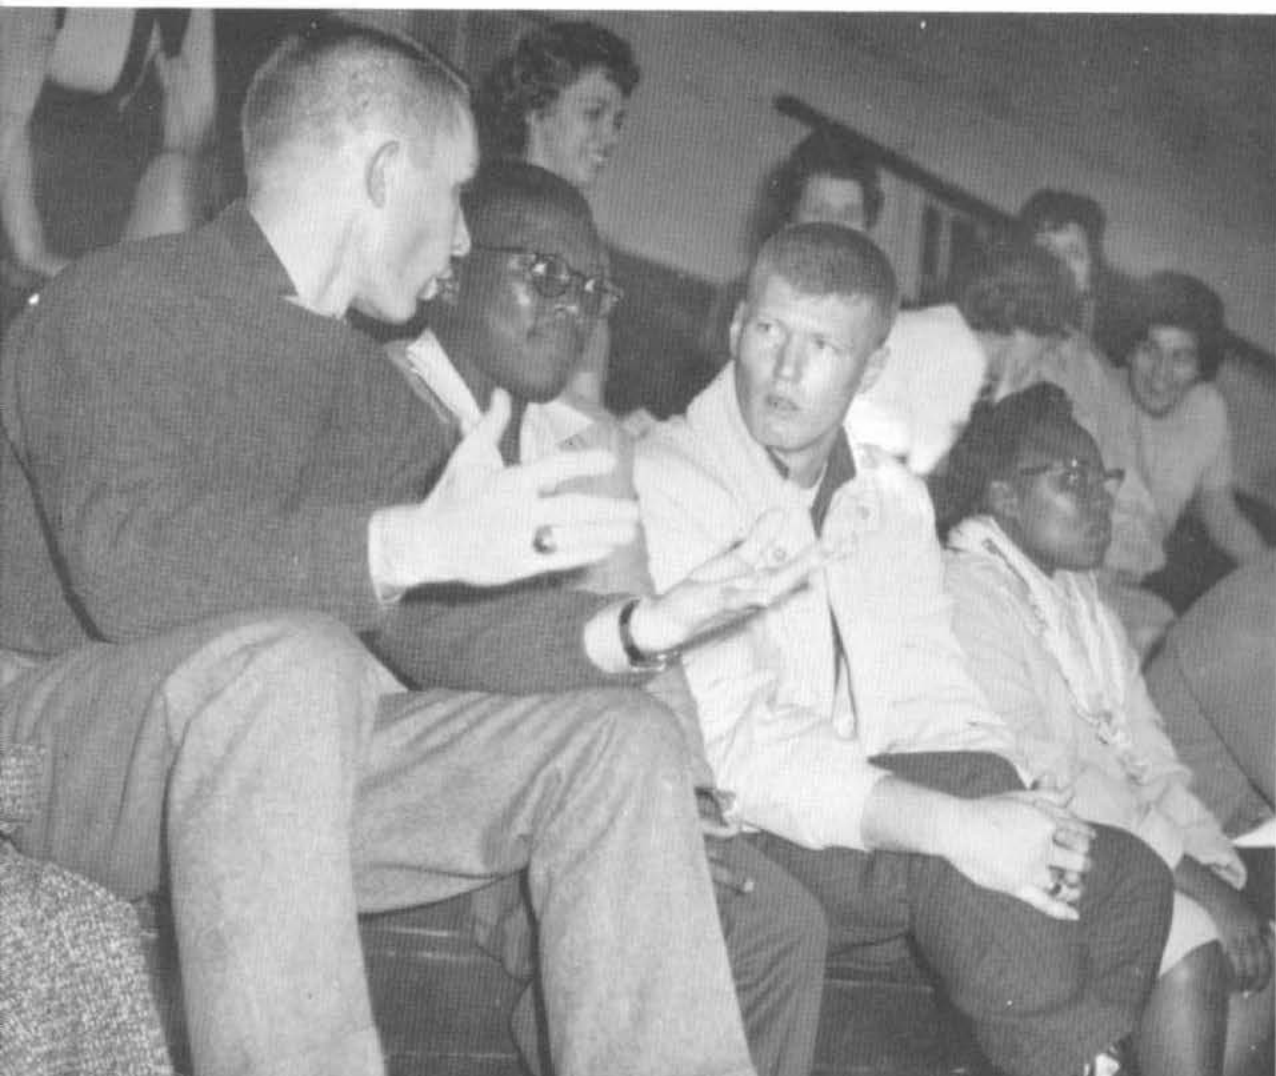

Dr. Blackmon helps Mrs. Makosholo plan some of her courses in Religion.

The Makosholos do the dishes in their apartment in Meador Manor.

Johnny Jackson (left), president of the OBC student body, and **David Kuhl** (center), president of Blue Key, a service organization which helped raise money for the Makosholos, explain the finer points of basketball to the Makosholos at a Ouachita-Arkansas Tech game.

Dr. Chester Swor talks to Dr. Phelps after chapel.

Hing Fong appears on stage as one of the semi-finalist of the Ouachitonian Beauty Contest during chapel.

It could only happen in chapel. On Tuesday a preacher brings his message and on Thursday a political speaker presents his theory on government. The band and choir present programs. Visiting groups appear before the student body and even a Henderson group is allowed to appear. There are educational, entertaining, and spiritual programs.

Dean Cady (left) smiles as Coach Vining formally announces in Chapel the Tigers' victories at Pine Bluff. The day's scheduled speaker is (right) Dr. S. A. Whitlow, executive secretary of the Arkansas Baptist State Convention.

Chapel Programs Offer Variety

Winthrop Rockefeller talks about the Republican Party in Arkansas.

Mike and Gail Wed

Since the chapel was first begun Mike Huckabay and Gail Harrison planned to have their wedding there. It was scheduled for December 16. But as that time neared, it seemed that they would have to forget it because the chapel was not finished. Mrs. J. E. Berry stepped in and remedied this. With more money for the work, they were able to work night and day. The chapel was completed just in time for the service.

Gail Harrison poses with her father just before the ceremony.

Mike and Gail start to turn and leave after the ceremony is completed.

Followed by bridesmaids, Mike and Gail leave the chapel.

Mary Wiley gets a hug from Gail as Mike looks on.

In Berry Chapel

Mike and Gail join hands in cutting the wedding cake.

Busily checking papers is Janis Huddleston, Dean Hurley's new secretary.

It Happened On Campus

Royce Jones practices on one of the pianos in Mitchell Hall.

Shown on these pages are some events which occurred during this school year. Repairs and building were constantly going on. Dean Hurley lost his secretary at semester when her husband graduated. The seniors measured for caps and gowns and sold 1961 freshman beanies to 1962 Tiger Day high school seniors. And, of course, practice went on in Mitchell Hall.

Charles Petty (left) and **David Kelly** (with tape) check the head size of, from left to right, **Suhel Srouji**, **Emo Sebastian**, **Cullen Gannaway**, and **Ralph Bond**.

While Danny Light stands smilingly by, **Bailey Smith** helps a high school senior try on a beanie.

Workmen repair the roof on the Home Management Building.

Bowling

Marion Hanna puts up her shoes after class.

Marion watches as the names are put on the score-sheet before she puts on her shoes.

Some students relax behind the lines while waiting for their turn.

In P. E. Class

Last year the school started offering bowling classes as an activity in P.E. The classes filled before any of the others. This year bowling is again the most popular P.E. class.

Speck Scott (left), Jerry Ferguson, and Ralph Cloar eat breakfast before they bowl.

Bowling classes are held at the local Ten Pin Alley.

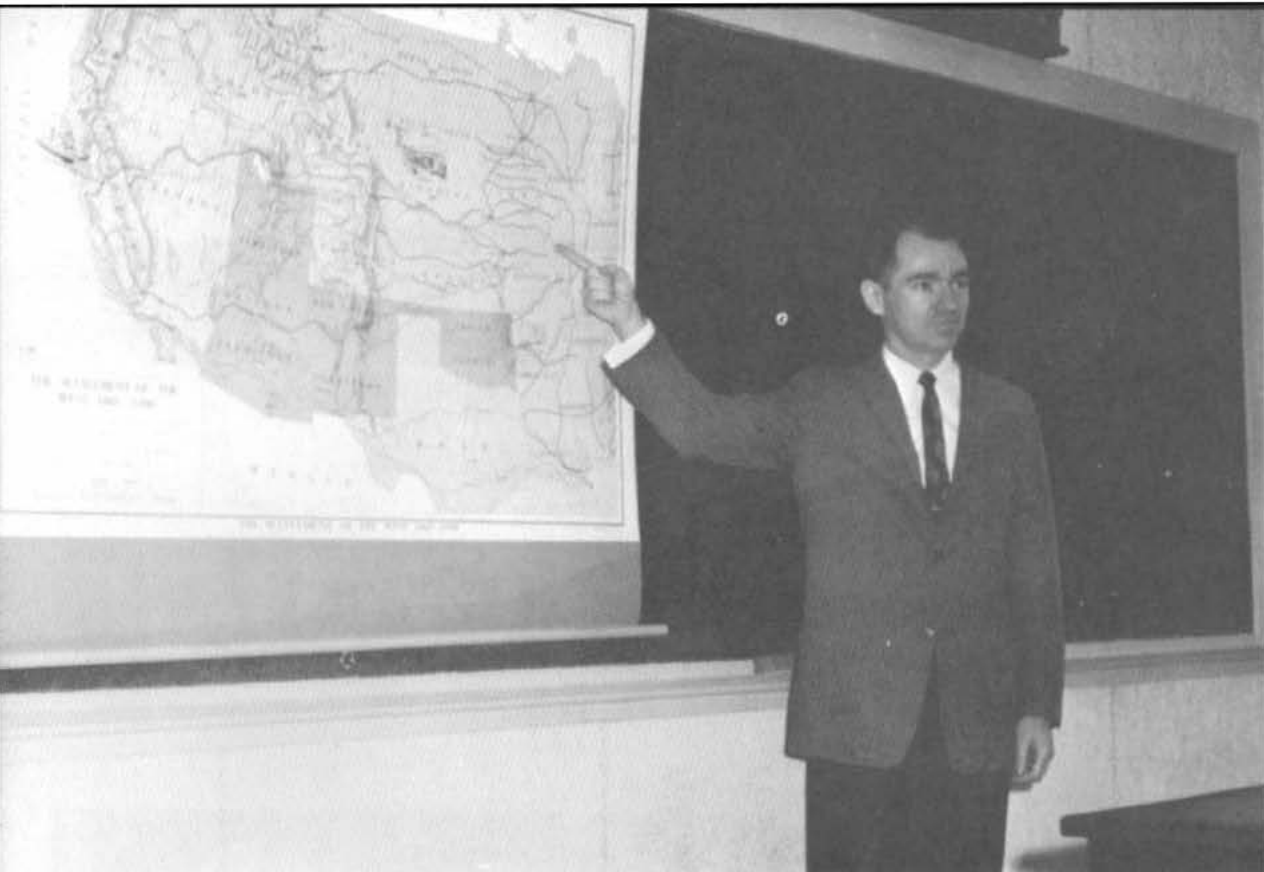

Mr. Slavens types his notes so that he can have them read to him later.

Even though it is raining, he still moves across the campus easily.

Dialing the combination carefully, Mr. Slavens opens his mailbox.

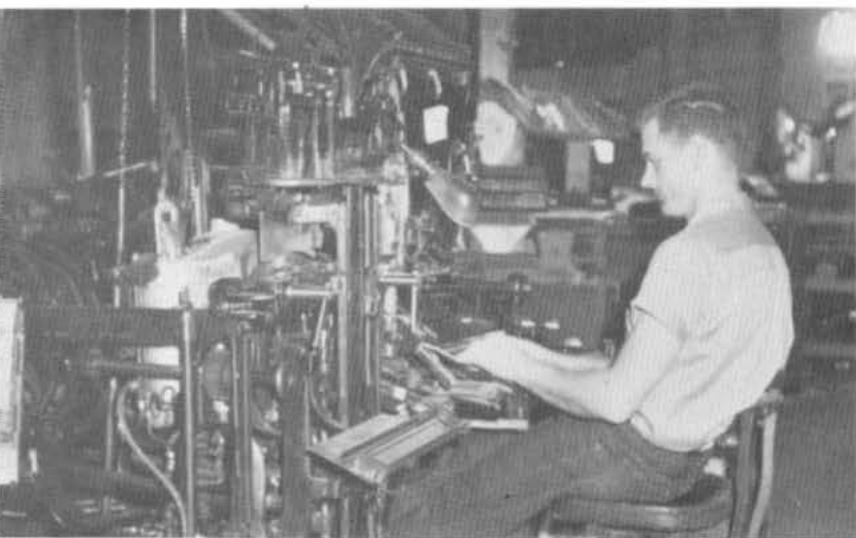

Here he points out the territories of the early United States.

Sightless Professor Amazes All

No one on campus who has seen or met Mr. Slavens can quite believe that he can't see. He goes up and down stairs, walks across campus, -checks his mail, types, and many other things as well or better than those who can see. He teaches a full load and does so without notes. He enjoys plays and movies and is an inspiration to those who watch him.

Mr. Slavens unlocks the door of his office upstairs in Daily Hall.

A Southern Standard worker, Charles Prince, cuts the print for the Signal on the linotype machine.

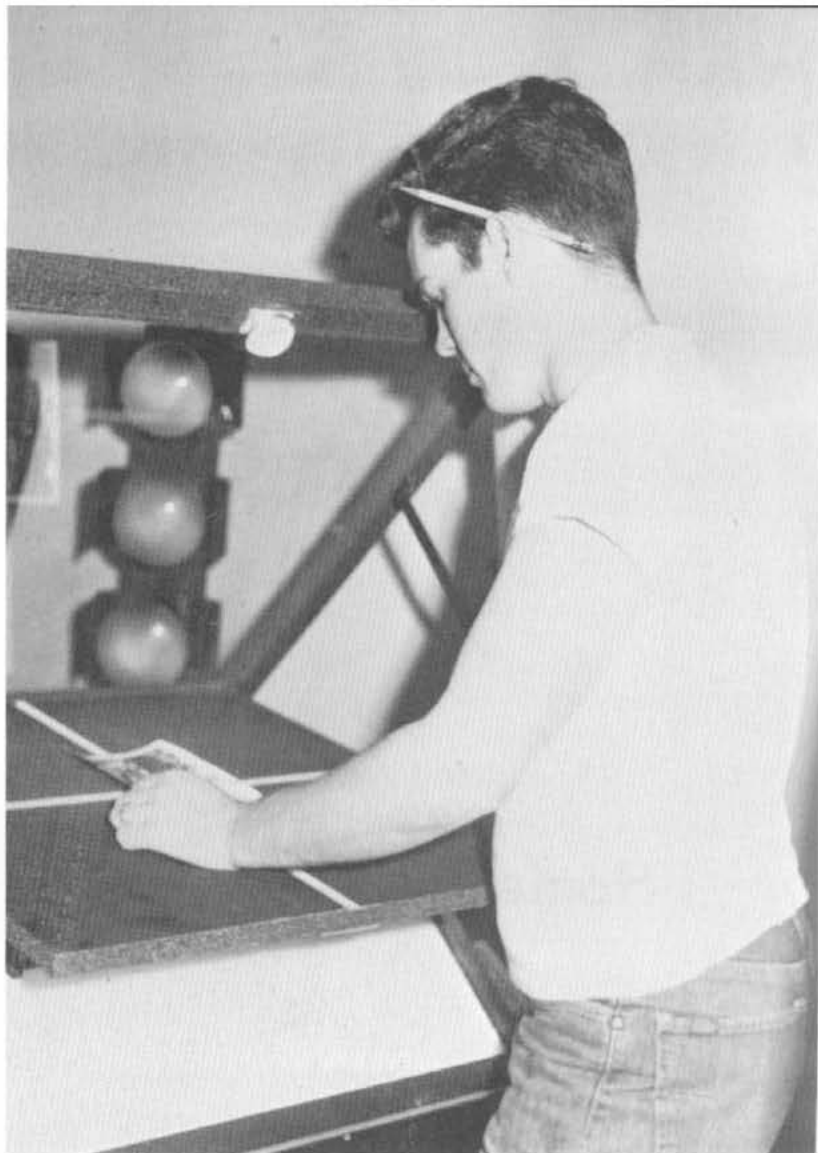

Signal Editor, Loyd Percy checks the type to make sure that it is correct.

Signal Secretary Nancy Brooks types the stories before they go to press.

Signal

James Tyson prepares a picture to make the engraving so it can be printed.

From Staff to Student

Long, hard hours go into the compilation of the bi-weekly school paper, the Signal. The stories have to be scouted out. They have to be put together and pictures made. It must all be typed for the printer who sets the type and prints the paper. It is then delivered to the school so that the student gets his copy from the student center.

Valery Willis (left) picks up a Signal while Shelby Ward sits back and reads.

Bonita Liles (left) makes a suggestion to Verna Westerman and Jean Moore about the menu for the coming week.

Home Ec Majors Practice Together

Martha Keith picks up some flour on her buying expedition for the house.

At night they relax and watch TV. They are, from left to right, Frances Horne, Mary Woods, Mrs. Jones, and Sandy Pierce.

After each meal the girls have to wash the dishes. Pictured from left to right are Martha Keith, Jean Moore, and Verna Westerman.

Each spring the senior Home Economics majors live in the Home Management Building. They take turns cooking and buying the food. During the nine weeks they are there they practice all that they have learned about taking care of a home.

Bonita Liles adjusts a picture while she is cleaning and straightening up.

Boys from Lakeside Dorm furnished entertainment for the Tiger Day visitors.

Tiger Day Termed Huge Success

Dr. Phelps crowns Carol Waltz of Ferguson, Mo., Queen of Tiger Day. James Carney is her escort. Twenty-eight coeds competed.

Tiger Tours are conducted from here by several guides.

The **aggressor** force maneuvers down the slope during the MS III's firepower demonstration in the ravine.

The **Brothers Jake** sing for the students in the variety show. They are (left to right) Mike Huckabay, Carl Kell, Danny Light, Hubert Dungan, and Denny Tune.

Lunch was served in the dining hall and eaten out on the patio. Here Ouachita students enjoy eating out during Tiger Day.

Linda Evans

Due to a mix-up in listings, Linda was omitted from the Who's Who in American Colleges and Universities section. For that reason, she is especially recognized now. She has been a member of the Gamma Phi Social Club for four years, Ouachita Choir four years, Ouachita Singers four years, MENC three years, and Musician's Guild three years. She was in the Opera Workshop two years and the Choralettes one year. Linda is a music education major from Batesville.

Late Honors

Joe Downs and Nancy Tyson practice their routine for the Tiger Day Program when they designated themselves **ALMOST MOST TALENTED.**

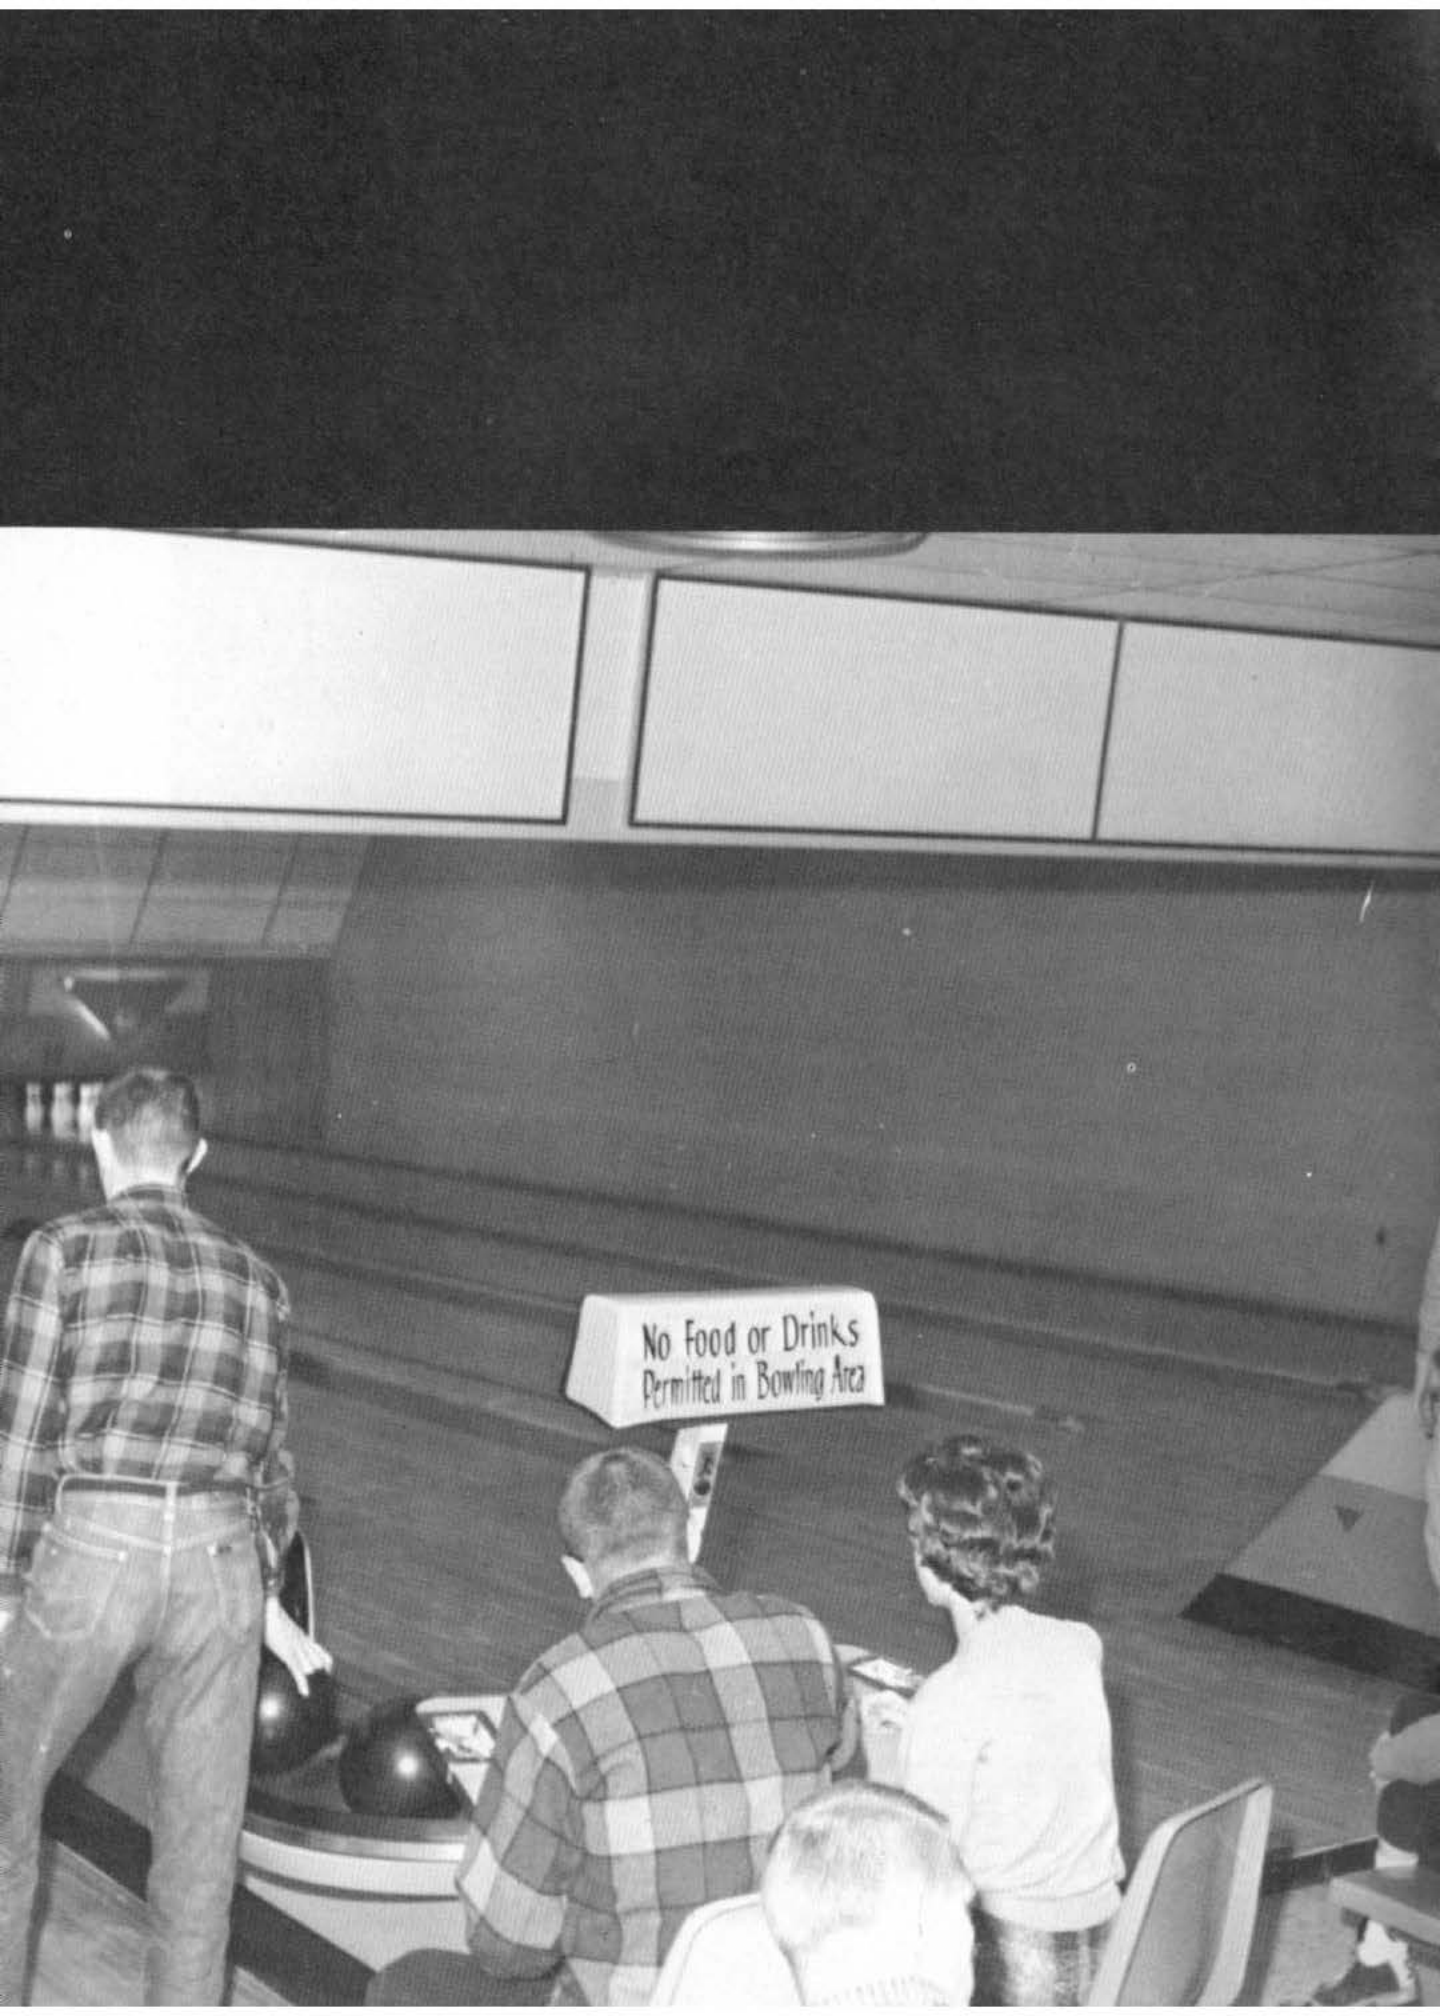

Charles Bonner

In Memoriam

Ouachita's student body was saddened when it was learned that Charles Bonner had died of a cerebral hemorrhage at his home April 2, 1962. It is very seldom that the college has to hear the loss of a student in this way.

Charles was a senior accounting major from Camden. He was a member of the SNEA, Young Democrats, Delta Sigma Business Fraternity, and the New Men's Dorm Council.

Dear Fellow Ouachitonians,

Your 1962 yearbook is here and you have looked at it, remembering all the events described here. We hope that this book is all that you expected and will always be a pleasant reminder of this past year. There are good points and bad in it. It is, however, a year of work by the staff. We hope that you will enjoy it half as much as we enjoyed producing it.

I would like particularly to thank four people who contributed more than their share in making this book what it is. Ann Ellis doubled as division editor and my faithful secretary. How she got it all done I do not know, Earlece Humphries was a loyal and competent division editor. Nancy Perry helped get the whole thing started. Gerald Congleton supplied the photography by accomplishing miracles.

Sincerely yours,

Brian Nelson
