# TIGER TUNES

OCTOBER 2-4, 2014

# A MESSAGE FROM OUR PRESIDENT

## Welcome to Tiger Tunes!

The 36<sup>th</sup> annual edition of Tiger Tunes is here, and we're going to have a wonderful evening.

While we're enjoying the excitement and the creative presentations of tonight's groups, we also can enjoy the satisfying feeling of helping the Ouachita Student Foundation with its mission of "students helping students."

OSF's goal again this year is to raise more than \$100,000 in scholarship support for dozens of juniors and seniors. They plan Tiger Tunes and Tiger Traks in the spring as the premier events for this effort each year. I have no doubt they will reach their goal.

Thank you for supporting Tiger Tunes. Enjoy the show.

# WHAT IS OSF?

The Ouachita Student Foundation is a student-led organization founded in 1974, dedicated to the mission of "students helping students." As ambassadors and advocates for the student body, OSF strives to meet the needs of their peers through scholarship-raising efforts.

OSF sponsors various activities throughout the school year. In the fall, the organization plans Tiger Tunes, a musical event unlike any other in which members of the student body perform themed dances and songs, log many hours of practice and emerge with memories, lifelong friends and the shot at becoming a YouTube legend. In the spring, OSF hosts Tiger Traks, a multi-faceted field-day in which professors and students alike show off their rafting, mud-volleyball and spelling bee talents. OSF is involved with many more events throughout each calendar year, as well – and it is not all in the name of fun and games, though that is an integral part of the process. Through these fundraising efforts, OSF raised more than \$100,000 for student scholarships last year alone and has raised more than \$1 million in the last 40 years.

OSF is organized into four committees: Fundraising and Finance, Special Events, Communications and Student Recruitment. It is our hope to connect you, in a meaningful way, to a genuine picture of what the Ouachita experience is like. Our hearts have been transformed by Ouachita relationally, spiritually and academically. We aspire to see a new generation of students called to serve others and be enriched by Ouachita, just as we have.

Thank you for supporting the Ouachita Student Foundation through Tiger Tunes.

## MORE WAYS TO SUPPORT OUR MISSION

### PEOPLE'S CHOICE

The People's Choice Award is a special way to give to OSF and support our mission of "students helping students." Each club or organization has its own box outside in the lobby where you can donate money as your vote for that club. By voting and supporting a club, you provide money for student scholarships. We thank you for your donation and hope you will continue to donate to OSF, providing many students the opportunity to continue their education at Ouachita.

### SILENT AUCTION

During both Saturday night performances, place your bid in the lobby for our auction items. All proceeds benefit student scholarships through OSF. You can place bids online before the Saturday shows at [www.32auctions.com/OSF2014](http://www.32auctions.com/OSF2014).

# OUACHITA STUDENT FOUNDATION: A TRUE CLASSIC CELEBRATES 40 YEARS

*by Dr. Deborah Root, chair of OBU's Rogers Department of Communications, former OSF staff sponsor & former OSF member*

**O**ur family has listened to numerous hours of classic top 40 and traditional oldies on the radio during our vacation adventures and over two decades of football road trips. While most listeners like to belt out the song lyrics and be the first to name the artist, Jeff and I would hear this sweet voice from the back seat yell, "Tiger Tunes, Kappa Pirates, 1999." For our family, a song didn't achieve classic status by selling a million records. A song was a classic if it had made its way onto the Tiger Tunes stage.

While Tiger Tunes is the premier event of the Ouachita Student Foundation, the organization's motto of "students helping students" is what has made – and continues to make – OSF worthy of being called a "classic." Merriam-Webster defines classic as "serving as a standard of excellence: of recognized value."

Whether it's raising more than \$1 million in student scholarships, making a personal visit to a potential OSF donor, working the phone-a-thon, showing a prospective student around campus, refereeing an oozeball game at Traks or coordinating a show that involves more than 500 students and 5,000 spectators, the hundreds of students who have been members of OSF over its 40-year history have each played a part in the success of the organization and its mission.

Its mission is the reason why Jeff and I both joined OSF as students, why we served as faculty sponsors and why that voice in the back seat, who attended her first Tiger Tunes at five months old and has never missed a show since, is now a member of OSF and is co-directing a show this year.

OSF has gone through some changes in its 40 years. Gone are the orange polos with big blue letters across the back, bike races at the football stadium and celebrity tennis matches. Tunes was added to the mix my junior year with an on-stage band in Mitchell Auditorium. In 1992 we moved to JPAC, and sold-out audiences followed.

While some things change and evolve over time, one thing has remained the same, "students helping students." When the mud is washed off and the pirate, sheep and elf costumes are stuffed in a dorm closet, what remains are not just the memories, but the fact that each person who donned a costume, bought a ticket, played in an oozeball game or made a donation – each of those individuals helped someone else complete a Ouachita education.

That is excellence.  
That is valuable.  
That is classic.
