**Official Handbook of
Ouachita Baptist University**

THE "OUACHITA SPIRIT"

The "Ouachita Spirit", also called the "Tiger Spirit", occupies a place deep in the heart of every loyal Ouachitonian. Its ingredients include devotion, pride, loyalty, alertness, character, and the spirit of Christian friendship. This spirit will become a part of you, and you a part of it. As a result of this spirit, you will emerge into the world as a different, stronger person... ready to meet the challenge of tomorrow's world.

The marble tiger is a symbol of this spirit. It has weathered many storms of rain, sleet, snow, and paint, but through it all, its head remains unbowed.

OUACHITA ALMA MATER

Ouachita, we sing thy praises,
Thy beauty, thy power, thy fame,
Each loyal heart upraises
A cheer to thy glorious name.

O U A C H I T A.

(Chorus)

Here's good luck to Ouachita
May all her skies be gay.
Give a cheer for Ouachita
A loud hip-hip-hooray,

O U A C H I T A.

Ouachita, thy sons and daughters
We'll carry thy flag unfurled;
And none shall e'er surpass thee,
The Queen of the college world.

O U A C H I T A.

OUACHITA BAPTIST UNIVERSITY

ARKADELPHIA, ARKANSAS

OFFICE OF PRESIDENT

Dear New Ouachitonian:

Your arrival at Ouachita Baptist University makes this the most exciting time of the year for us, and I hope you share in this genuine sense of excitement. Although the administration, faculty, and returning students have been working hard to prepare for your coming and to make your Ouachita experiences literally life changing, it is still mainly up to you whether this really happens. I want to ask your help in making it so.

Ouachita will be a greater Christian university if you will begin early in developing strong pride in the many good things here, and in being a constructive critic of the things that need improving. Please don't hesitate to come tell me about both! I look forward to meeting you and getting to know you as a friend during your Ouachita years.

Sincerely,

Daniel R. Grant

DEAN OF
STUDENTS

June 24, 1971

Greetings to Our New Students:

It is a pleasure to greet our new students in The Tiger. As I welcome you to the University, I want you to know that OBU exists for its students. Our basic goal is to provide an environment which is both academic and Christian. We want to give each student an opportunity to gain broad insights into knowledge which will enable him to arrive at his own value system.

For this reason, we insist that college is a new adventure, not only the first time you enroll, but each time you enroll. While here, you will formulate new ideals and goals, you will realize aptitude and interests in new areas, you will know the satisfaction of degrees of success, and you will make many major decisions regarding your vocation, and even your marriage. College cannot be taken lightly!

While a student at this University, I hope that you will feel free to call on me whenever I can serve you.

Sincerely,

~~B. Aldon Dixon~~
Dean of Students

Dear Fellow Students:

The Student Senate would like to extend a warm welcome to you as you begin the 1971-72 school year to pursue your college career. These years can be some of your most rewarding if you make them so. Your willingness to set your goals high and to strive in achieving them will greatly determine how meaningful college is for you. Ouachita's purpose is to develop the whole person, and we urge you to grow with Ouachita.

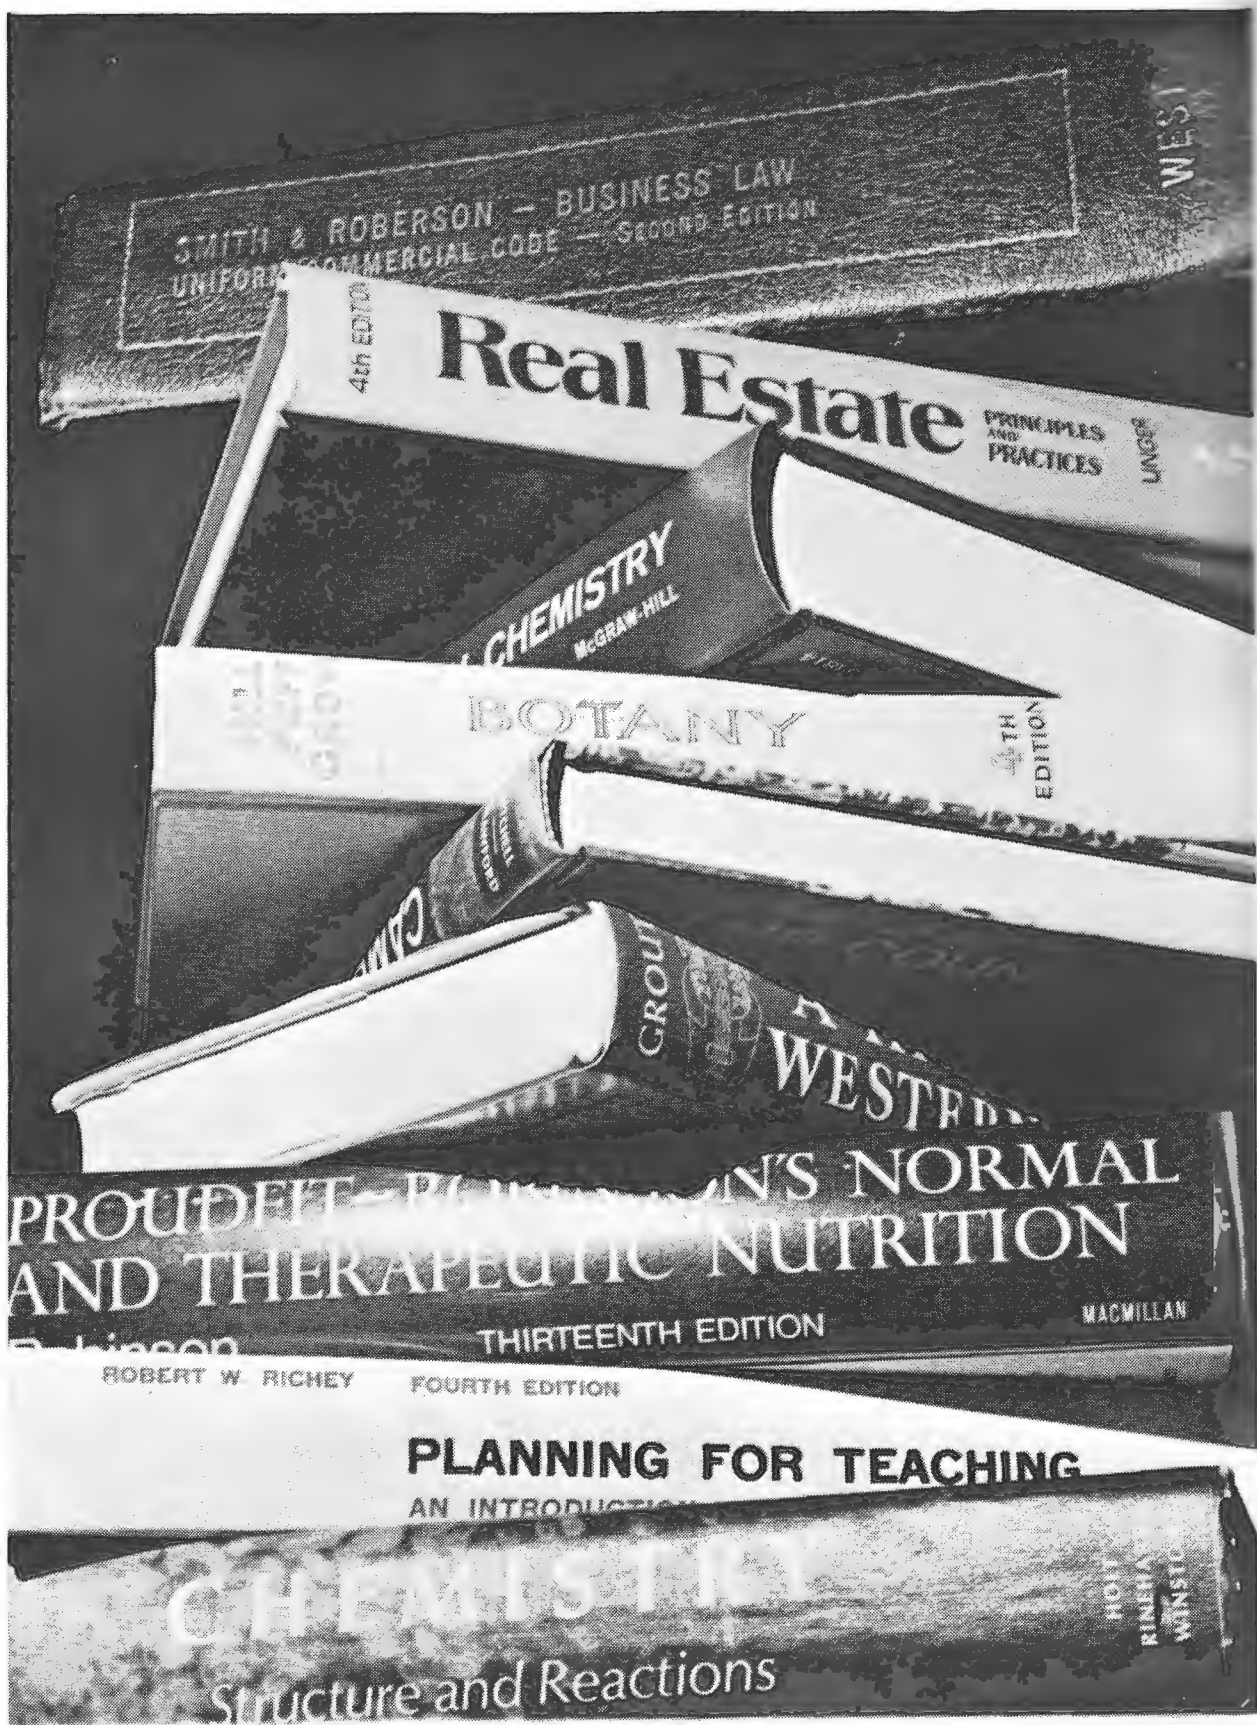

Ouachita can truly be strengthened and improved only by allowing individual students to voice their own ideas and opinions. The students' voice is heard at Ouachita through the Student Government. We of the Student Senate want to dedicate ourselves to the student body as a whole and to the total advancement of Ouachita. If we can ever be of help or service to any student, please do not hesitate to call on us at anytime.

Again, best wishes to you in all of your achievements in the coming year.

Sincerely,

Tim Gayle

OUACHITA BAPTIST UNIVERSITY

Ouachita Baptist University was founded in November, 1885, as Ouachita College by the Arkansas Baptist State Convention. In December of that year the trustees of the University voted to locate the institution in Arkadelphia. Classes began in September, 1886, and the institution has operated without interruption in the same location since that date. On January 14, 1965, the Board of Trustees voted to change the name from College to University.

Twelve presidents have guided Ouachita's development:

Dr. J.W. Conger	1886-1907	Dr. C.D. Johnson	1929-1933
Dr. H.S. Hartzog	1907-1911	Dr. J.R. Grant	1933-1949

RILEY LIBRARY

HOURS:

Riley Library is open Monday through Friday from 8:00 A.M. to 9:30 P.M. On Saturday, hours are from 10:00 A.M. to 4:00 P.M. The library is closed on Sunday. The library closes for school holidays and vacation periods as announced in the college catalogue.

STAFF:

The following librarians are available to assist you in using the library & its resources:

Mrs. Juanita Barnett, Librarian	Ext. 222
Mrs. Jean Raybon, Assistant Librarian & Head of Technical Processes	Ext. 223
Mrs. Katherine Sumerlin, Periodicals Librarian & Inter-library Loans	Ext. 251
Mr. Kim Patterson, Supervisor of Audio-Visuals	Ext. 254

THE LIBRARY:

The first floor of the library houses the main book collection, the card catalogue, the Reference or Main Reading Room, the Library Science Classroom, the Periodicals area, the Microfilm area, and offices of the librarians. The second level of the new wing houses books in the Social Sciences and Documents. The basement level of the new wing is devoted to Audio-Visuals and Graphic Arts.

Departmental libraries are maintained in Mitchell Hall (Music Library) and in Hamilton Moses Science Building (Chemistry Library). A Curriculum Laboratory is available in Johnson Hall for students in education.

The library has a policy of open stacks, which means the student may go directly to the shelves to select the books which he wishes to read. The book is then brought to the Circulation Desk to be charged for use in the library or for use at home. The two major stack areas for the book collection are on first floor, and on second floor of the new wing.

The first floor stackroom (entrance near the Circulation Desk) houses books with call numbers ranging from 000 to 299, 400-799, and 800. Books with call numbers 300, B, and 900 are housed on the second level of the new wing. Charts showing the arrangement of the book collection are posted on bulletin boards throughout the library building. If a book cannot be found on the shelves by call numbers, please inquire at the Circulation Desk. Books are charged for a period of two weeks. One renewal is permitted. There is a fine of 5¢ per day for overdues.

CLOSED RESERVE COLLECTION:

Books which have been selected by faculty members for use in connection with specific courses are located on special shelves at the Reserve Desk. Arrangement of books on the shelves is by call numbers. These may be used in the library for a period of two hours and should be returned to the Reserve Desk. They may be charged for overnight use at 9:00 P.M., Monday through Friday, and are due at 8:00 A.M. the following day. On Saturday, they may be charged for home use at 3:00 P.M. and are due Monday at 8:00 A.M. Fines for overdue reserve books are 10¢ for the first hour, and 5¢ for each additional hour.

REFERENCE COLLECTION:

Books marked with "R" above the call number are reference books such as encyclopedias, dictionaries, atlases, etc., and are shelved in the Main Reading Room. These do not circulate for home use.

PERIODICALS COLLECTION:

The library receives more than 500 periodicals, including major periodical indexes. The latest issue of a periodical title is displayed in alphabetic arrangement, with the current back issues stored on shelving directly underneath. Bound volumes for earlier years are arranged in alphabetic order on shelves nearby. A card catalogue of periodical holdings is available.

U.S. GOVERNMENT DOCUMENTS COLLECTION:

Since 1964, the library has received federal documents as a selective depository. These are available on the second level New Wing. The Monthly Catalog of U.S. Government Documents serves as an index in the use of this collection.

AUDIO-VISUAL AREA:

This area is equipped for group or individual use of multi-media for instructional purposes. A catalog of A-V materials held is available here.

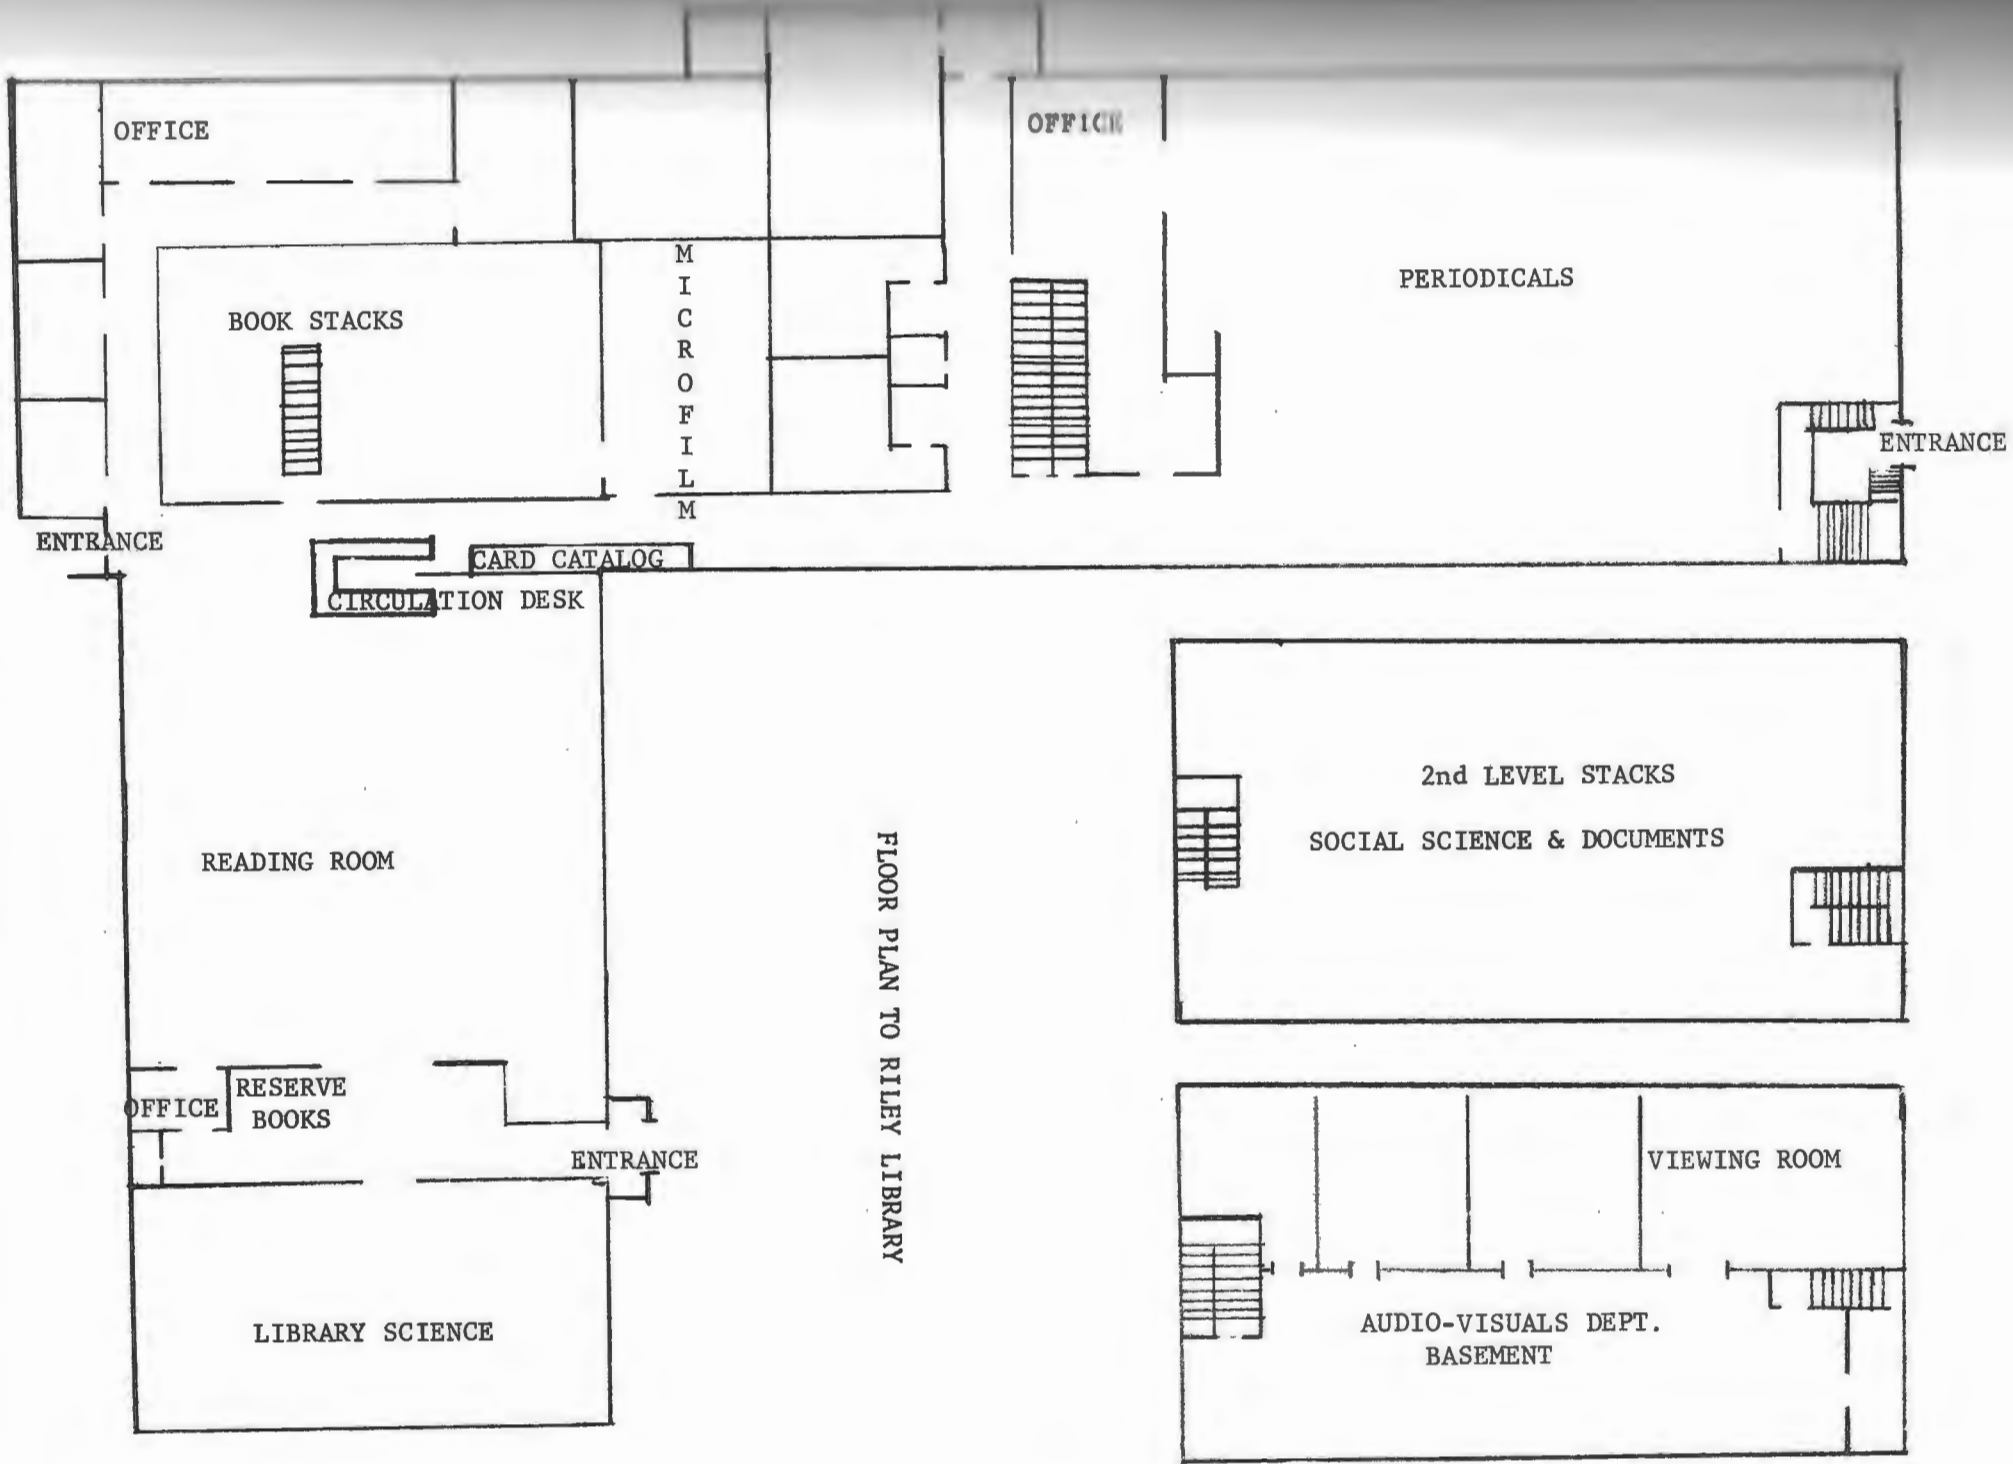

At registration each student will be issued an identification card bearing his photograph and registration number. This card must be presented each time a book is checked out. A student is responsible for all materials charged to his number; therefore, he should not allow any other student to use his card. Fines and cost of lost books will be charged to the person whose number appears last on the book card. Students are requested to borrow not more than five books at a time. No more than two reserve books may be borrowed at a time.

Ouachita students may use the Henderson State College Library provided they show their I.D. card and observe the regulations of that library.

At the end of each semester, a library clearance slip is required before an exam permit will be issued. All books are to be returned and fines paid at both OBU and HSC before a library clearance slip is issued.

Riley Library is here to serve you, to give you information for your college courses, and to open new worlds of interest through books. We welcome your suggestions to help make the library an important part of your education. We need your co-operation to make it the best possible place for study and for the enjoyment of books. Students are requested to maintain an atmosphere conducive to study and to be considerate of others who are studying. We urge you to ask questions of the library staff that we may aid you in using the library effectively.

The college experience is going to class, pop quizzes, getting from one building to another in ten minutes, and cramming for an exam at two in the morning; but college is more! It is learning to live in a dorm with new people who come from other sections of the country, and who are different culturally or racially; it is all types of extra-curricular activities that eventually become a part of the "spirit of OBU."

There are over 60 organizations on campus that range from social clubs, to special interest groups such as those directed toward political and social action, those with religious orientation, and academic honorary fraternities. Each club or organization exists for the primary purpose of enriching your college experience and giving you an opportunity to develop leadership and practical experience in that area of interest.

The activities of the clubs are scheduled through the Dean of Students Office. These activities, once cleared in that office, are placed on the official University calendar and advertised in THE BULLETIN, the official weekly University announcement leaflet.

Since there are so many choices for you to make, we encourage you to select those organizations that will be most profitable, both from a give and take standpoint. We urge you not to simply "join" and forget the club, but we hope that this extra-curricular outlet will be a maturing experience during your years at OBU.

THE STUDENT SENATE

A GUIDE

REGULATIONS CONCERNING ALL STUDENTS

When any group of individuals come together to live in a society, there must be some regulations that are clearly understood by all members. Of paramount importance to all Ouachitians is the GOLDEN RULE. When the members of the university society follow this one basic rule, few others are necessary.

While you are a student at Ouachita, it is the goal of the administration to help you become a more responsible, considerate member of society as well as a more intelligent, skilled individual. These assets can be achieved if every student at Ouachita seeks to create an academic society in a Christian environment.

For the welfare of all members of the university family, the following regulations have been established as administrative policies:

ATTIRE

Modesty, neatness, cleanliness and good taste are required at all times. Students should dress in a manner which befits college students and the activity in which they are involved at the time.

MOTOR VEHICLES & PARKING

The university does not encourage students to bring automobiles or other vehicles to the campus, however, if a student does find it necessary to bring a motor vehicle, he must be aware of the following regulations:

- (1) All cars brought to the campus must be registered in the Dean of Students Office. The decal will indicate the area in which the vehicle may be parked. The cost of the sticker is \$1.00.
- (2) The cars are not to be used for transportation between campus buildings since parking spaces are limited near the classrooms.
- (3) Tickets may be issued for the following violations:
 - (a) Not having the vehicle registered.
 - (b) Speeding (the campus speed limit is 20 MPH or less if conditions demand it).
 - (c) Illegal parking (cars must park only in the areas assigned to their sticker. These zones are indicated by color).
 - (d) Careless or reckless driving.
- (4) Fines are assessed as follows:
\$1.00 for the first offense, \$2.00 for the second offense, \$3.00 for the third offense, etc. Fines during the spring semester are added to those received during the fall semester. With the fourth violation a letter is sent to the parents and the student may have to leave his car at home.
- (5) Cars which are blocking a loading zone or service entrance, a "no parking" zone, a sidewalk or double parked, may be towed away at the owner's expense.

- 10) The student in whose name a permit is issued is responsible for the vehicle at all times regardless of who is operating it. This does not absolve the driver from blame if he is anyone other than the normal driver or owner in whose name the vehicle is registered.
- 11) All automobiles registered must have liability insurance.

Smoking is not permitted in the cafeteria, classrooms, or in the lobbies or dormitory rooms of women's residence halls.

ALCOHOLIC BEVERAGES

The use of any type of alcoholic beverage is not in keeping with the goals of Christian education or the physical and mental welfare of the students, thus drinking or possession of alcoholic beverages in any form is prohibited. Any student violating this standard of conduct will be subject to disciplinary action. Dormitory rooms should not be decorated with beverage bottles, cans, etc.

Any student involved in the manufacture, sale, possession, or use of narcotics, hallucinogens, or any harmful or habit-forming drug and/or chemicals is subject to suspension from the university.

Any student convicted of theft, either on or off campus, will be subject to suspension from the university.

ACTS OF VANDALISM

Acts of vandalism committed against property of the university, or any other college are not evidences of "school spirit" and are not permitted. Penalties for students involved in such acts may range up to and include suspension.

PERSONAL INTEGRITY

The personal integrity of a student is held in highest regard at Ouachita. Any student who, through acts of dishonesty or falsification of information demonstrates that he cannot live up to this ideal will be liable to disciplinary action.

HAZING

Hazing in any form is forbidden at OBU because of the serious mental and physical dangers involved. This applies to all students' initiation rites. Claiming that the hazing was "voluntary" is not justifiable defense.

INITIATIONS

All initiation rites must take place on University property unless other permission is granted in writing and in advance by the Dean of Students. A faculty sponsor must be present during all initiation rites. Failure to respect the regulations governing clubs may result in an organization's suspension.

STUDENT DEMONSTRATIONS OR DISRUPTIONS

Ouachita recognizes the rights of students to express their ideas and causes so long as such expressions are orderly, peaceful and in no way disrupting to the normal academic and/or administrative activities of the university. Students involved in any riot, mob demonstration, or any other unauthorized disorderly or disruptive group spectacle will be subject to disciplinary action up to and including expulsion. Failure to obey orders of civil or university officials during a demonstration may result in immediate suspension from the university. Whether one is an active participant in such an incident or not, remaining at the scene will make one subject to discipline.

CHAPEL AND FRESHMAN ASSEMBLY

The chapel services are conducted each Tuesday, and these required programs serve as a time of spiritual growth and guidance as well as a medium for intra-university communication. In addition to the Tuesday programs, all freshmen will have an assembly on Thursday in which an orientation program will be the major emphasis. These programs will last for six weeks.

One chapel credit will be given to a student who attends at least three-fourths of the regularly scheduled chapel services during a semester. The allowance of 25 per cent absence from chapel is intended to cover all excusable cuts. All students enrolled for 12 hours or more must register for chapel.

Seven chapel credits are required for graduation from Ouachita Baptist University.

Transfer or accelerated students who are unable to accumulate seven chapel credits are required to accumulate as many chapel credits as the number of regular semesters they are in residence for the Ouachita degree.

Make-up chapel credit may be earned by enrolling for a special chapel credit course usually offered on an accelerated schedule at the beginning of the semester after the deficit is recognized. A fee of \$20.00 will be charged for the special chapel credit course.

Only one chapel credit may be earned by this method. Failing to have the required number of chapel credits will delay graduation until the necessary chapel credits are earned.

SPEAKERS

No speaker from off-campus may be invited to speak on campus without prior clearance from the President of the university.

OFF-CAMPUS HOUSING

A student may not live off-campus unless there is no available campus housing or unless he has special permission from the Dean of Students. The special permission is granted only in unusual circumstances.

HEALTH SERVICE

The infirmary is under the direction of the school physician and two registered nurses. The following regulations are posted:

- (1) CLINIC HOURS - The infirmary is open between the hours of 8 A.M. to 11 A.M., and 1 P.M. to 4 P.M. Monday through Friday. The infirmary will be closed on Sundays and at all other times except in cases of emergencies. Illness occurring after these hours must be reported to the Head Resident. He/she will notify the nurse.
- (2) SPECIAL APPOINTMENTS - Student appointments with the school physician are made through the infirmary. The physician is at the infirmary each day, Monday through Friday, at a posted time.
- (3) MEDICAL BLOCK - Students receiving infirmary excuses are not allowed to leave the dormitory that night. Head Residents will be notified of their illness. Anyone not conforming to this rule will have his excuse revoked.
- (4) MEALS - Students confined to the infirmary must present meal tickets to the nurse in charge, otherwise meals must be paid for.

CAFETERIA

To eat in the cafeteria a student must either (1) present his own meal ticket or (2) pay cash for the meal. Cutting line is a violation of the rights of fellow students. All students must be properly attired when they come to the cafeteria. All students living in college dormitories must buy a meal ticket unless they have been excused for medical reasons by the Dean of Students.

LOST AND FOUND

The Dean of Students Office maintains a lost and found department. A student may contact the secretary to inquire about items lost or to bring "found" items.

INSURANCE

OBU makes available to its students a health insurance policy which may be purchased prior to the beginning of school or during registration. This is voluntary, but if the student is not covered by family policies, the administration recommends that this be considered.

IDENTIFICATION CARDS

All students are given an ID card which they are expected to carry at all times. If a card is lost, it should be reported to the Dean of Students immediately. A replacement is made at a cost of \$5.00. The ID is used for library check-out, for meals, for sports events, etc. Upon leaving OBU, the ID card is turned in to the Dean of Students and becomes a part of the student's permanent record.

PUBLICATIONS

Students produce an annual, THE OUACHITONIAN, and a weekly newspaper, THE SIGNAL. In addition, the Dean of Students Office produces a weekly BULLETIN in which announcements, lost & found items, the calendar of events for the following week, etc. are listed. All information for the BULLETIN must be in the Dean of Students Office by noon Wednesday, and the paper is placed in each student's post office box on Friday.

ACADEMIC COUNSELING

Each freshman student is assigned to a faculty adviser. For his first semester, the student is arbitrarily assigned to someone in the department of his interest (taken from the application form). If, after the first semester that the student is enrolled at OBU, he wishes to change his adviser, he may do so by making his request for a new adviser at the Arts and Sciences Office in the Administration Building.

TELEPHONES

The OBU switchboard number is 246-4531, and this number should be familiar to all parents. Each dorm has an extension of this number. Long distance calls cannot be placed from these extensions, and the following pay phones should be used for outgoing calls and for incoming calls after the switchboard closes at 11 P.M.

STUDENT MARRIAGES

Many students find their life-time partners during the span of their college years, however the administration and faculty of OBU believe that hasty and/or secret marriages are contrary to the best interest of all persons concerned. Any student or students who plan to be married should give written notice to the Dean of Students at least two weeks prior to the date of the intended wedding. Also, there must be on file in the Dean of Students Office a letter of permission from the parents of the student unless that student is over 21 years of age.

DORMITORIES

Living in a college dormitory is an experience in social adjustment. The change from the privacy of home to the openness of the dorm can be a problem, but for most it is exciting. In order to live harmoniously one must respect the rights and privileges of others and must use the GOLDEN RULE as a standard of conduct.

Governing bodies have been established to supervise dormitory conduct. The Resident Assistants, the Head Residents, the Men's Judicial Board and the Association of Women Students, the Student-Faculty Disciplinary Board, the Dean of Women, and the Dean of Students are established to assist in matters pertaining to dormitory life and residence regulations.

CHECK-IN & CHECK-OUT

Upon checking into the assigned room in the dormitory, each student will receive a description of the room and the condition of its contents. The student should check this sheet closely so that he recognizes the condition of the room. Before he/she receives the key, the student signs the check-in sheet saying that he/she accepts the room in the noted condition. Each student is held responsible for his room and its furnishings. Charges will be made for loss or damage to the furnishings, walls, ceilings, windows, screens, and the hall door of each dormitory room. Charges for damages to the halls, lounge, etc. of any college residence will be pro rated among the particular residents, if individual responsibilities for such damages cannot be established. This policy includes damages to floors and furniture from cigarette burns.

When one checks out of a room, he will be signed out by a member of the college staff. No room deposits will be returned until the damage report has been processed.

ROOM CHECKS

Good housekeeping is necessary. It is the joint responsibility of room-mates and/or suitemates to keep their rooms clean and orderly. Each room will be checked once or twice weekly as determined by the Head Resident. A report will be given to the student, and a copy will be kept by the Head Resident. Should a student accumulate more than three poor reports during a semester, he/she will be called before the Judi Board or the AWS for disciplinary action.

In order for a room to be in "good" condition, beds should be made, clothing should be in the drawers or closets, ash-trays and trash containers should be empty, floors and furniture should be free from dirt, dust and stains, and books and other articles should be arranged so as to present an orderly appearance.

The Dean of Women and/or the Dean of Students will visit periodically during the room check.

ELECTRICAL APPLIANCES

Refrigerators, toasters, hot plates and other such appliances are not allowed in the dormitory rooms. Popcorn poppers, coffee pots, and hair dryers are allowed.

PETS

No pets other than aquarium fish are allowed in the dorms.

KEYS

Keys are issued when one is checked into the dorm. The deposit fee is \$1.00 which is refundable upon checking out of the dormitory. The student is urged to keep his door locked at all times. This key is the only protection the college can give for safekeeping a student's possessions and the college assumes no financial responsibility for losses.

GUESTS

Guests are permitted to stay in the dormitory only after it has been cleared with the Head Resident. All visitors are to conform to the same standards of conduct as students. A charge of \$1.00 per night is made for those using guest rooms.

SOLICITING

No soliciting or selling of any product or service by any person (student or non-student) is allowed in the dormitories unless he has written approval from the Dean of Students. Violators should be reported to the Dean of Students immediately.

FIREARMS

Firearms such as rifles, shotguns, pistols, weapons, explosives, ~~ammunition~~ firecrackers, air guns, or fireworks are not permitted in any dormitory or residence unit on the campus. If a student wishes to bring hunting equipment to the campus, he may check it with the Head Resident or may leave it locked in his automobile. Any student violating this regulation will be subject to disciplinary action up to and including suspension.

MEETINGS

Attendance at all dormitory meetings is required unless excused by the Head Resident.

STUDY HOURS

Relative quietness should characterize all dorms at all times. The hours after 9:30 P.M. are observed as absolute quiet study hours. The purpose of the quiet period is to create conditions for sleep and study with maximum concentration and comfort. Radios, stereos, and TVs should be tuned to a minimum volume; loud talking, bull sessions, and other noise making activities should be stopped. Residents who violate these Study Hours and prohibit others from studying by their disruptions are subject to disciplinary action.

PRIVATE ROOMS

A limited number of private rooms are available to students who wish to rent one. Any student living alone will be charged for a private room. If a vacancy occurs in a room, i.e. the roommate leaves, etc., and if the remaining student does not wish to have a private room, he should immediately express his desire for a roommate to the Head Resident and he/she will assign him a new roommate.

Private Room Charges Are As Follows:

Daniel & Crawford.....	\$250.00
Flippen-Perrin.....	\$210.00
Conger.....	\$195.00
O.C. Bailey & West.....	\$180.00
Northwest & Cone Bottoms.....	\$175.00

MOVING

No student may move from his assigned room without specific permission from the Head Resident. If one chooses to move from one hall to another, he must obtain the permission of both Head Residents and the Dean of Women or the Dean of Students.

GLOSSARY OF TERMS

I. Terminology Used on Personal Records

Academic Probation is a permanent entry on the student's transcript to indicate a certain level of academic incompetence. (See page 40 of the university catalogue for the details). A student is denied the privilege of representing the university in any co-curricular activity when placed on academic probation.

Academic Suspension is a permanent entry on the transcript to indicate that the student has been dismissed for extremely poor scholarship. He is not permitted to return to the university the following semester, and he will be considered later only after following the procedures prescribed in the current catalogue.

Social Probation is used to indicate that the student has demonstrated a certain level of inadequacy as a campus citizen. Any additional violations of rules will result in more serious disciplinary action.

Disciplinary Probation also indicates that the student has violated a major regulation of the university. One on disciplinary probation must be in his/her room each night, he cannot have visitors, he is not permitted to operate his car nor represent the university in any way, he cannot leave Arkadelphia without special permission from the Dean of Students. The length of time and the degree of the above are determined with each disciplinary decision. Parents are notified that the student has been placed on disciplinary probation, and it becomes a part of his permanent record in the Dean of Students Office.

Disciplinary Suspension is used to indicate that the student's citizenship is such that he is not permitted to continue at the university at the present time. Such suspension becomes a part of his permanent record.

Expulsion is a permanent entry on one's record to indicate that a student has lost his campus citizenship either as a scholar or as a participant in any campus activity. This action is permanent and indicates that he is never eligible to re-enter the university.

II. Terminology Pertaining to Resident Halls

The Resident Assistant, or RA as he is called, is an outstanding upperclass student who is chosen and appointed to the position by a committee and the Dean of Students. It is his duty to coordinate the activities of the hall, check students in and out, assist the Head Resident, and advise whenever necessary. As a freshman, the RA can and will become your most helpful friend.

The Head Resident is a university staff member who lives in the apartment of each dorm. He/she serves as dormitory hostess, as an advisor to the judicial boards, and is responsible for the supervision of the entire dormitory.

The Association of Women Students and the Men's Judicial Board are the governing boards for dormitory life. In addition, these two boards help to plan the activities, changes, etc. for dormitory life.

The Student-Faculty Discipline Board is a broader governing board that deals with the more serious offenses. This board also serves as an appeals board for decisions given by the lower boards.

Appeals must be channeled through the Dean of Students, and the final appeal for any decision is with the President of the University.
