Ouachita Baptist University

REGULATIONS CONCERNING ALL STUDENTS

When any group of individuals come together to live in a society, there must be some regulations that are clearly understood by all members. Of paramount importance to all Ouachitonians is the GOLDEN RULE. When the members of the university society follow this one basic rule, few others are necessary. It is the goal of the administration that while one is a student at Ouachita, he or she will become a more responsible, considerate member of society, as well as a more intelligent, skilled individual. These assets can be achieved if every student at Ouachita seeks to create an academic society in a Christian environment. For the welfare of all members of the university family, the following regulations have been established as administrative policies.
GENERAL POLICIES

ATTIRE
Decency, neatness, cleanliness and good taste are required at all times. Students should dress in a manner which befits college students and the activity in which they are involved at the time.

VEHICLES & PARKING
The university does not encourage students to bring automobiles or other vehicles to the campus, even if a student does find it necessary to bring a motor vehicle, he must be aware of the following regulations:

All cars brought to the campus must be registered in the Dean of Students office. The decal displayed on the right side of the rear window will indicate the zone in which the vehicle may be parked.

A map designating parking zones is available in the Dean of Students office. The cost of the sticker is $3 per semester and $1 for the summer term. Should a different vehicle be brought to the campus, it must be registered immediately.

Registered autos on campus are issued through the Ark. Dept. of Finance & Administration and a fee of $3 is charged to the owner of the vehicle for this service.

The cars are not to be used for transportation between campus buildings since the parking spaces are limited near the classrooms.

Tickets may be issued for the following violations:

Not having the vehicle properly registered.

Speeding—the campus speed limit is 15 MPH or less if conditions warrant.

c. Illegal parking — Cars must park only in the color zones assigned to them.

d. Careless or reckless driving.

e. Driving or parking on the lawn, sidewalks, intramural fields or blocking any fire lane. (a $20 fine is imposed for these offenses.)

4. Fines are assessed as follows: $1 for the first offense, $2 for the second offense, $3 for the third offense, etc. With the fourth violation a letter may be sent to the parents and the car may be sent home after repeated violations. Students must bring any violation ticket by the Dean of Students office within two school days if there are any questions. No ticket will be voided after this time period.

5. Cars which are blocking a loading zone or service entrance, a "no parking" zone or a sidewalk, or is double parked, may be towed away at the owner's expense. Towing charge is approximately $20.

6. The student in whose name a permit is issued is responsible for the vehicle at all times regardless of who is operating it. This does not absolve the driver from blame if he is anyone other than the normal driver in whose name the vehicle is registered.

7. All automobiles operated on campus must have liability insurance.

BOATS ON CAMPUS
Boats are to be parked in the green area in the Daniel parking lot and not in paved parking areas.
spaces. All boats are to be registered in the Dean of Students office.

SMOKING
Because smoking is injurious to one’s health and is often a violation of the rights of non-smokers, it is out of place and officially discouraged at Ouachita. It is prohibited in all public areas of campus buildings.

ALCOHOLIC BEVERAGES
The use of any type of alcoholic beverage is not in keeping with the goals of Christian education or the physical and mental welfare of the students, thus drinking or possession of alcoholic beverages in any form is prohibited. Any student violating this standard of conduct will be subject to disciplinary action up to and including suspension from the university. Dormitory rooms should not be decorated with beverage bottles, cans, etc.

DRUGS
Any student involved in the manufacture, sale, possession, or use of narcotics, hallucinogens, or any harmful or habit-forming drug and or chemicals is subject to suspension from the university.

THEFT
The student involved in and or convicted of theft, either on or off campus, will be subject to suspension from the university.

ACTS OF VANDALISM
Acts of vandalism committed against property of the university, or any other college are not evidences of “school spirit” and are not permitted. Students involved in such acts will be subject to disciplinary action up to and including suspension.

PERSONAL INTEGRITY
The personal integrity of a student is held in highest regard at Ouachita. Any student who through acts of dishonesty, cheating or falsification of information demonstrates that he/she cannot live up to this ideal will be liable to disciplinary action.

DECORUM ON CAMPUS
It is assumed that students come to Ouachita with a commitment, standards of behavior consist with the Christian faith and life. This should manifest itself in such areas of student life as respect for speakers and other visitors on campus, courtesy, good sportsmanship, and school spirit.

Profanity, irresponsible conduct, inappropriate public display of affection, and similar kinds of behavior reflect not only on the individuals involved, but are considerate of the feelings of others and reflect negatively on Ouachita. When a student gives evidence that he or she does not respect Ouachita’s Christian purposes, that student forfeits the right to remain a part of the Ouachita community.

HAZING
Hazing with or without the consent of a student is prohibited by Ouachita Baptist University and violation of that prohibition incurs both the person inflicting the hazing and the person submitting to the hazing subject to disciplinary action. Hazing is defined as follows:

“Any action taken or situation created intentionally by any student alone, or acting with other
Purpose of producing, or may reasonably be expected to produce, excessive mental or physical discomfort, embarrassment, revulsion, harassment, or offense. In case of doubt it shall be the responsibility of the Pledge Committe to determine in each case the meaning of excessive mental or physical discomfort, embarrassment, revulsion, harassment, or offense.

Policies

Policies governing initiation of all clubs, particularly social clubs, are printed in the Student Office and are available to any student upon request.

Demonstrations

The university recognizes the rights of students to express their ideas and so long as such expressions are orderly, peaceful and in no way disrupting to the normal academic and administrative activities of the university. Students involved in any riot, mob construction, or any other unauthorized disorderly or disruptive spectacle will be subject to disciplinary action up to and including expulsion. Failure to obey orders of civil or university officials during a demonstration may result in immediate suspension from the university.

One is an active participant in such an incident or not, remaining at the scene will make the student subject to discipline.

Discipline

Routine disciplinary matters involving resident students may be handled by the head resident or social board. Major offenses of student will be handled by the Dean of Students office. Discipline is always viewed in terms of what is best for the student, the student body and the university as a whole.

A student may be placed on disciplinary probation for serious violation of university policies. The terms and length of probation will be determined by the nature of the case, but levels of disciplinary action include a verbal warning, a letter of official reprimand, a letter to parents, social probation with certain restrictions, appearance before the Student Faculty Discipline Board, recommended withdrawal from the university, suspension and expulsion.

In any decision made by the staff of the Dean of Students office, an appeal may be made to the Student Faculty Discipline Board. The President of the University has final authority in disciplinary matters and may act without reference to any foregoing bodies.

Chapel and Freshman Assembly

Chapel services are conducted each Tuesday, and these required programs serve as a time of spiritual growth and guidance as well as a medium for intra-university communication. In addition to the Tuesday programs, all freshmen have an assembly for six weeks on Thursday in which orientation and adjustment are the major emphases. One chapel credit will be given to a student who attends at least three-fourths of the regularly scheduled chapel services during a semester. The allowance of 25 percent absence from chapel is intended to cover absences for all reasons.
All students enrolled for 12 hours or more must register for chapel. Seven chapel credits are required for graduation from Ouachita Baptist University. Transfer or accelerated students who are unable to accumulate seven chapel credits are required to accumulate as many chapel credits as the number of regular semesters they are in residence for the Ouachita degree.

Make-up chapel credit may be earned by enrolling for a special chapel credit course usually offered on an accelerated schedule at the beginning of the semester after the deficit is recognized. A fee of $20 will be charged for the special chapel credit course. Only one chapel credit may be earned by this method. Failing to have the required number of chapel credits will delay graduation until the necessary chapel credits are earned.

SPEAKERS AND FILMS
No speaker from off-campus may be invited to speak on campus without prior clearance from the President of the university. All films shown to an audience other than a class must be cleared through the Dean of Students office.

HOUSING POLICY
All students enrolled at Ouachita must live in a dormitory unless he/she is living with a member of his/her immediate family. Only married students or graduate students may live in university trailers or apartments. Married students may place their unit in "summer storage" if there is not a demand for the use of the residence. If the unit is placed in storage, the occupant must turn all keys into the Dean of Students office, discontinue all utilities and sign a waiver that university officials may enter the unit to make repairs and/or maintenance work during the period of storage.

DANCING
Dancing is not permitted on the OBU campus.

STUDENT MARRIAGES:
Any student who marries during the academic year should report this in advance to the Dean of Students office so that all records may be appropriately changed.

CAFETERIA
All students living in college dormitories must buy a meal ticket unless they have been excused for medical reasons by the Dean of Students. To eat in the cafeteria the student must either (1) present his own meal ticket or (2) pay cash for the meal. Cutting in line is a violation of the rights of fellow students. All students must be properly attired (including shoes) when they come to the cafeteria. The meal card is not to be used by anyone other than the individual whose name appears on the card. Illegal use of the card will result in a $10 fine.

IDENTIFICATION CARDS
All students are given an ID card which they are expected to carry at all times and to show upon request from a university official. If the card is lost, it should be reported to the Dean of Students immediately. A replacement made at a cost of $5. The ID card is used for meals, for sports events etc. Upon leaving OBU, the card is turned in to the Dean of Students office and becomes part of the student's permanent file.
OBU switchboard number is 3-4531, and this number should be familiar to all parents. Each has extensions of this number. Long distance calls cannot be placed from these extensions, and all pay phones should be used for outgoing calls and for incoming calls after the switchboard closes at 11 p.m.

**Campus Organizations**

Students may choose from a variety of campus organizations, including social, departmental, service and religious groups.

A new organization may be given a charter and granted recognition by the university upon recommendation of (1) the Student Senate, (2) the Student Activities Committee and (3) the University faculty. A petition setting forth the purposes of the proposed organization and a proposed constitution for the organization must have been submitted to each governing body and approved in the above order.

In order to maintain the recognition of the organization, it must abide by the rules and regulations of the university and the administrative action of the Student Senate and other appropriate college officials. The current copy of the constitution and by-laws of the organization must be on file with the Dean of Students and the Director of Student Activities. All changes in officers should be reported to the above officials.

Social club pledging rules and regulations are given in a document available in the Dean of Students office. All pledging activities are to be approved and monitored by the Pledging Committee of the university.

No club shall function without a faculty sponsor.

TITLE IX
In complying with Title IX legislation applicable to Ouachita Baptist University, the university assuming full and sympathetic interpretation of the exemption provided in the legislation for religious institutions, with nothing having the effect of violating the religious tenets in Southern Baptist faith and tradition. With this understanding, Ouachita Baptist University hereby indicates its intent to comply with Title IX of the Education Amendments of 1972, which states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal assistance..."
Procedure for grievances may be obtained from the Office of the Vice President for Administration.

OUACHITA RIVER
Due to the extreme danger involved because of the underwater currents, swimming and water activities are prohibited in Ouachita River.

DORM POLICIES
DORMITORIES
Living in a college dormitory can be an exciting experience in social adjustment. The change from the privacy of the home to the openness of the dorm can be a problem, but for most it is exciting. In order to live harmoniously one must respect the rights and privileges of others and use the GOLDEN RULE as a standard of conduct.
Governing bodies have been established to supervise dorm conduct. The Head Residents, Resident Assistants, the Association of Women Students, Student-Faculty Disciplinary Board, the Dean of Women, and the Dean of Students are established to assist in matters pertaining to dormitory life and residence regulations.

DORM POLICY STATEMENT
Policies for men's and women's dormitory hours and related matters, published elsewhere, are determined in response to the expressed preference of participants in periodic institutional survey. To the extent that they differ between men and women students, they fall within the Title IX statutory exemption for religious institutions because the principle of in loco parentis (substitute parent role) is inseparable from Ouachita church relationship and religious purposes.
CHECK-IN & CHECK-OUT

Checking into the assigned room in the dormitory, each student will receive a description of the room and the condition of its contents. The student should check this document closely so he/she recognizes the condition of the room. Before he or she receives the key, the student signs the check-in sheet saying he or she accepts the room in noted condition. Each student is responsible for his or her furnishings. Charges are made for loss or damage to furnishings, walls, ceilings, floors, screens, and the halls of each dormitory room.

Charges for damages to the halls, doors, or any common property of the college residence will be divided among the particular students if individual responsibilities for such damages cannot be established.

One checks out of a room he or she will be signed out by a member of the college staff. No deposits will be returned unless the damage report has been processed. Failure to leave the room and hall clean will result in a charge of at least $5.

To check out of a room properly will result in a $20 charge to our account.

QUIET HOURS

Active quietness should characterize all dorms at all times. The hours after 9:30 p.m. are observed as absolute quiet hours. The purpose of the quiet period is to create conditions for sleep and study with maximum concentration and comfort. Radios, stereos, TV’s should be turned to a minimum volume; loud talking, bull sessions, and other noise-making activities should be stopped. Residents who violate these study hours and prohibit others from studying are subject to disciplinary action.

ROOM CHECK

Good housekeeping is necessary. It is the joint responsibility of roommates and or suitemates to keep their rooms clean and orderly. Each room will be checked weekly as determined by the Head Resident. A report will be given to the student, and a copy will be kept by the Head Resident. Should a student accumulate more than three poor reports during a semester, he or she will be subject to disciplinary action.

In order for a room to be in “good” condition, beds should be made, clothing should be in the drawers or closets, trash containers should be empty, floor and furniture should be free from dirt, dust and stains, and books and other articles should be arranged so as to present an orderly appearance.

The Dean of Women and/or the Dean of Students may visit periodically during the room check.

ELECTRICAL APPLIANCES

Electrical appliances other than popcorn poppers, coffee pots, and hair dryers are not allowed. Refrigerators are allowed, but must be rented through the Student Senate rental service or be no larger than 3 cubic ft. capacity. All refrigerators, both rental and private, must be registered with the head resident of the dorm by the end of the first full week of classes of each semester. Failure
to register the refrigerator will result in the loss of the use of the refrigerator. Should one get a refrigerator after the first full week of classes, it must be registered when it is brought into the dorm. At the time of registration, each student who owns or rents a refrigerator must sign a statement giving the appropriate university authority the right to inspect the refrigerator upon just cause.

All dormitories are equipped with cable-TV connections. Arrangements must be made directly with the Arkadelphia Cable-TV Co. if this service is desired.

Students having TV's may not have an outside antennae.

PRIVATE PHONES
Private phones in individual dorm rooms are available. The contract for this phone service is made directly with Southwestern Bell Telephone Company during registration or whenever the student desires the service. The university assumes no responsibility in this service unless there is vandalism, destruction of property, or phone misuse. Any incident of this nature should be reported immediately to the Dean of Students and to the Southwestern Bell Telephone business office.

The phone company requires that the phone be listed in one name (i.e. one person in the room must be directly responsible for the phone and the calls made from it.) Should roommates wish to share a phone, it may be listed under one name (who will be responsible for it) and a second name may be added for the second number for a small monthly fee.

PETS
No pets other than aquarium fish are allowed in the dorms.

KEYS
A key is issued when one is checked into the dorm. The student is urged to keep his/her door locked at all times. This key is for protection the college give for safekeeping a student's possessions and the university assumes no financial responsibility for losses.

A fee is charged for the key. This fee is used by the dorm and is not refundable. A lost key may be replaced by reporting the missing key to the Head Resident and paying a $5 replacement fee. If keys are not returned at the end of the semester, the lock will be changed and the cost of the lock and labor (approximately $75) will be charged to the student's account.

GUESTS
Guests are permitted to stay in the dormitory only after it has been cleared with the Head Resident. All visitors are to conform to the same standards of conduct as students. A charge of $3.50 per night is made for those using guest rooms.

SOLICITING
No soliciting or selling of any product or service by any person (student or non-student) is allowed in the dormitories unless he or she has written permission from the Dean of Students. Violators should be reported to the Dean of Students immediately.
