a letter from our president

Dear Friends,

Tiger Tunes is thirty years old! Who can figure the hundreds and thousands of students who have performed during these years and the multiplied thousands of dollars this event has raised for student scholarships? Tiger Tunes is the signature event on our campus.

Some of you are here for the first time. Others of you attended or performed in the very first Tiger Tunes. Becky and I anticipate seeing friends and enjoying our students as they entertain. Each year I think that it can't get any better. It doesn't...until the next year!

Significant anniversaries are to be celebrated. We will. Most important are the students who are forever impacted by the Ouachita experience. Ouachita will soon celebrate 125 years. Our university was begun with young men and women in mind. This continues.

Welcome to Tiger Tunes. Get ready for a high energy evening. You will laugh, cheer and be amazed by the finest students to be found anywhere! Your ticket will enable others to study here. What a deal! What a university! What a night!

Enjoy Tunes!

Rex M. Horne, Jr.
President

the ouachita student foundation

The Ouachita Student Foundation began in 1974 with the vision of a student organization that would embody the spirit of Ouachita by raising money for scholarships for fellow students. Five years after its inception, OSF produced its first Tiger Tunes show as a way to involve various clubs and organizations in this goal.

We, as the current membership of the Ouachita Student Foundation, are proud to be part of an organization whose purpose is to serve others. We believe that this not only represents the heart of the Ouachita community but also the heart of our Savior.

We are also excited to celebrate the 30th anniversary production of this enduring legacy with you. Thank you for joining us. Your contributions not only support students from all across campus who are involved with producing and performing Tiger Tunes, but also benefit deserving students, who without your generosity would not be able to continue their Ouachita experience.

With this in mind, sit back and enjoy the show!
