MONDAY.

Association met pursuant to adjournment. Prayer by B. J. Matthews.

The reports of committees were called for, and the Committee on Publication submitted its report which, on motion, was adopted, as follows:

We, your Committee on Religious Literature beg leave to report: We recommend a more thorough study of the Bible and religious books.

We recommend the Sunday School literature of the American Baptist Publication Society, Philadelphia, Penn. We also commend the Convention series.

We recommend the Arkansas Baptist, our State paper, and urge every Baptist in Arkansas to take it and read it.

We commend its policy and management. Our people should be a reading people. If we do not put good literature into the hands of our young people they will be sure to read bad literature.

We see no good reason for a Baptist to take a political paper when he is not taking a religious paper.

We recommend that preachers try to secure new subscribers for Baptist papers, and as far as possible circulate good books.

The Committee on Sunday Schools submitted its report which, on motion, was adopted, as follows:

We regret that the interest is not taken in Sunday Schools that their importance requires. We believe that this institution affords many opportunities for the proper instruction of the youth in Bible knowledge and Gospel truths, and is effective in leading souls to Christ by regeneration. Knowledge is necessary to repentance and
faith, and the earlier the child is impressed with this knowledge of the Gospel, the sooner will repentance and faith follow. A large majority of conversions are among the young people.

We believe this is due to early instruction, and no place is better calculated to impart this instruction than the Sunday School. Therefore, we recommend the organization and operation of Sunday Schools throughout the Pine Bluff Association, and we further suggest ministerial influence in more effectually carrying out these recommendations.

R. R. ADAMS, Chairman.

The Committee on Ministerial Education submitted its report which, on motion, was adopted, as follows:

We are glad that this Association has many times expressed itself in favor of Ministerial Education, and your Committee can see no reason why it should not so express itself at this time. We believe in an educated ministry; that ministers should thoroughly equip themselves with an education, that they may be able the more efficiently to meet the various issues of the day.

We also emphasize the importance of studying the Scriptures and reading denominational papers—papers that are sound in doctrine. We recommend that our uneducated young ministers attend Baptist schools—schools that are sound in Baptist principles—principles which pertain to the origin, doctrine, history and practice of our churches. JOSIAH HALBERT, Chairman.

The Committee on Temperance submitted its report which, on motion, was adopted, as follows:

We believe that the list of intoxicating liquors as a beverage is contrary to the teaching of the Scriptures and that intemperance is a great curse, and has, in many instances, created much sorrow, grief and death among the ungodly. Therefore, we recommend a total abstinence as a beverage from the abominable stuff.

E. D. TAYLOR, Chairman.

The Committee on Destitution submitted its report which, on motion, was adopted, as follows:

We find that the destitution is so great that we think that it would take one man his whole time, but owing to the hardships of the winter, we would recommend that two good men be employed to commence work about the 15th day of April, 1902, and continue said work until the next meeting of this Association.

We further recommend that the churches in the bounds of this Association contribute funds liberally for the support of said men. J. W. AVERY, Chairman.

The Committee on Schools and Colleges submitted its report, which, on motion, was adopted, as follows:

We believe that Ouachita College at Arkadelphia, Central College at Conway, Mountain Home College at Mountain Home, and the Judson High School at Holly Springs are institutions of learning worthy of our patronage, and we recommend them to our people. J. L. HERNDON, Chairman.

The Committee on Documents submitted its report, which, on motion, was adopted, as follows:

We find that five churches have asked for the next session of this body, to-wit: Arion, Fairview, New Friendship, Mount Harmony and Spring Hill. We recom-
mend that the next session of this body be held with Mount Harmony church. We find the number received by baptism, 177; by letter, 107; by restoration, 25; by relation, 7. Dismissed by letter, 99; excluded, 50; died, 36; Total membership, 2,641 (included in the letters)

The Committee on State Missions submitted its report, which, on motion, was adopted, as follows:

We recommend the following resolution:

Resolved, That this Association is opposed to creating high salaried offices of distinction among Baptists and therefore opposed to the present office of corresponding secretary. We favor the election of an evangelist who shall labor on the mission fields, meeting with and giving the board all necessary information concerning the demands of the field, and otherwise assisting them in the work. That we favor paying that evangelist not more than One Thousand Dollars per annum, and necessary traveling expenses, postage, printing and stationery. That we authorize our representatives in the State Convention to vote for these sentiments.

J. A. HALBERT, Chairman.

The Committee on Finance submitted its report, which, on motion, was adopted, as follows:

We find sent up by the several churches as follows:

Whereas, It has pleased our Heavenly Father to remove from our midst several worthy brethren and sisters who were members of churches belonging to this Association; therefore, be it

Resolved, That in the death of these brethren and sisters this Association and the different churches to which they belonged have sustained a great loss, but while we mourn on account of their death, it is well with them. That we believe that they are now enjoying the bliss of the Paradise of God, and that when the blessed Savior returns to this earth to gather His jewels they will be numbered with the resurrection of the righteous dead.

Article 1. We believe that there is only one true and living God,
revealed to us under the personal and relative distinction of the
Father, Son, and Holy Spirit.

Art. 2. We believe that the Scriptures comprising the Old and
New Testaments are the Word of God, and the only correct rule of
faith and practice.

Art. 3. We believe in the doctrine of election, as founded in the
foreknowledge of God through the sanctification of the Spirit unto
obedience and belief of the truth.

Art. 4. We believe that man was created upright, but by volun-
tary transgression fell from the holy state, consequently he and all
his posterity became dead in trespasses and sin.

only by the imputed righteousness of Jesus Christ through faith in his
name.

the wicked will be eternal.

the ordinances of the Gospel unless he has been regularly baptised,
called and come under the imposition of the hands of the Presbytery.

sion alone is baptism.

Art. 11. We believe that regular baptised believers only have a
right to commune at the Lord's Supper.

Art. 12. We believe that the Lord's Day should be a day of rest
and religious devotion.
