

Inner Monologue of the Persistent Being

Tyler Lewis

The road to self-discovery is more than one road.
Its hard to figure out which way I am to go.
Love, Passion, Purpose, and Desire
Light the way, but makes the exploration tire.

To find yourself you must be yourself.
How can you be yourself if you don't know who that is?
Mixed in a whirlwind of faces and voices,
That continuously spout out an infinite amount of choices.

They say "Follow your heart and forget all the rest!"
But can others know what is truly best?
Have others figured out life's biggest test?
Did they go through the same trials and sleepless rest?
