Ouachita Baptist University

# Ouachita Alma Mater

Ouachita, we sing thy praises,  
Thy beauty, thy power, thy fame,  
Each loyal heart upraises  
A cheer to thy glorious name.

O U A C H I T A

(Chorus)  
Here's good-luck to Ouachita  
May all her skies be gay.  
Give a cheer for Ouachita  
A loud hip-hip-hooray,

O U A C H I T A

Ouachita, thy sons and daughters  
We'll carry thy flag unfurled;  
And non shall e'er surpass thee,  
The Queen of the college world.

O U A C H I T A

## 'Ouachita Spirit'

"Ouachita Spirit", also called the "Tiger Spirit", occupies a place deep in the heart of every loyal Ouachitonian. Its ingredients include devotion, pride, loyalty, alertness, character, and the spirit of Christian friendship. This spirit will become a part of you, and you a part of it. As a result of this spirit, you will emerge into the world as a firmer, stronger person. . . ready to meet the challenge of tomorrow's world.

The marble tiger is a symbol of this spirit. It has weathered many storms of rain, sleet, snow, and paint, but through it all, its head remains unbowed.

Dear New Ouachitonian:

Because of your arrival at Ouachita Baptist University this is the most exciting time of the year for us, and I hope you share this feeling. The administration, faculty, and returning students have been working hard to prepare for your coming and to make your Ouachita experiences literally life changing, but it is mainly up to you whether this really happens. Please help us make it so.

Ouachita will be a greater Christian university if you will begin early in developing strong pride in the many good things here, and in being a constructive critic of the things that need improving. Please don't hesitate to come tell me about both! I look forward to meeting you and getting to know you as a friend during your Ouachita years.

Sincerely,

*Daniel R. Grant*

Dear Students:

It is a pleasure to greet our new students in The Tiger. As I welcome you to the University, I want you to know that OBU exists for its students. Our basic goal is to provide an environment which is both academic and Christian. We want to give each student an opportunity to gain broad insights into knowledge which will enable him to arrive at his own value system.

For this reason, we insist that college is a new adventure, not only the first time you enroll, but each time you enroll. While here, you will formulate new ideals and goals, you will realize aptitude and interests in new areas, you will know the satisfaction of degrees of success, and you will make major decisions regarding your vocation, and even your marriage. College cannot be taken lightly!

While a student at this University, I hope that you will feel free to call on me whenever I can serve you.

Sincerely,

B. Aldon Dixon  
Dean of Students

## ORIGIN

Ouachita Baptist University was founded in November, 1885, as Ouachita College by the Arkansas Baptist State Convention. In December of that year the trustees of the University voted to locate the institution in Arkadelphia. Classes began in September, 1886, and the institution has operated without interruption in the same location since that date. On January 14, 1965, the Board of Trustees voted to change the name from College to University.

Twelve presidents have guided Ouachita's development:

## OBJECTIVES

Ouachita Baptist University is a church-related, liberal arts university which seeks to prepare a student to live a responsible and satisfying life while making a living which will enable him to acquire the things his education has taught him to appreciate.

The institution gives specialized attention to every student and tries to help him, regardless of the length of his stay on the campus, to experience growth in Christian ideals and character, to develop his mental and physical abilities, to think critically and creatively, to mature in his understanding of and appreciation for his world, and to accept his obligation to be of service to mankind in a changing and increasingly complex world.

While Ouachita's primary obligation is to her parent body, the Arkansas Baptist State Convention, the University has no restrictions as to belief or geographical location of persons whom it serves. The presence of students from many religions, states, and nations helps instill appreciation for other points of view and enriches the academic community. Ouachita welcomes students of all races.

The University is governed by a Board of Trustees elected by the Arkansas Baptist State Convention. The general program is administered by the President of the University.

CAMPUS TRADITIONS AND ANNUAL EVENTS  
OF THE  
OUACHITA COMMUNITY

FRESHMAN ORIENTATION

Soon after school begins the freshmen meet with the seniors for a week. These fun activities are designed to build class unity, devotion, and ultimately the "Ouachita Spirit". The week is highlighted as "sentences" are decreed upon freshmen during Kangaroo Court on Thursday night.

YOUTH CHOIR DAY

Held at the beginning of the football season, this event brings youth choirs from all over the state to Ouachita's campus. OBU students work to make the visitors feel welcome as they spend the entire day in preparation for a half-time performance at A. U. Williams field. Last year over 2,500 junior and senior high school students came to Ouachita for this unique experience.

NOON DAY

Each class day at 12:00 noon, students may take time-out for a 10-15 minute student-led service in Berry Chapel.

ACADEMIC & ATHLETIC BANQUETS

Each year in the spring semester the Student Senate, through an arrangement with the University and with profits from dormitory concessions, sponsors banquets to honor those who have been outstanding in either academic or athletic areas.

### HOMECOMING

Homecoming is a very special tradition at Ouachita that always brings many alumni back to visit their alma mater and to participate in the many activities of the day. These include a parade downtown, a reunion, a pre-game show to present the homecoming royalty and a spectacular Tiger football game.

### CHRISTIAN FOCUS WEEK

Formerly called Religious Emphasis Week, CFW is a week for one to mature in his Christian experience. In the past, the week has been highlighted by religious drama, encounter groups, musical groups, speakers, and film interpretation. The Baptist Student Union is responsible for the week's activities. The J. E. Berry Lectures are usually a part of the program for the week.

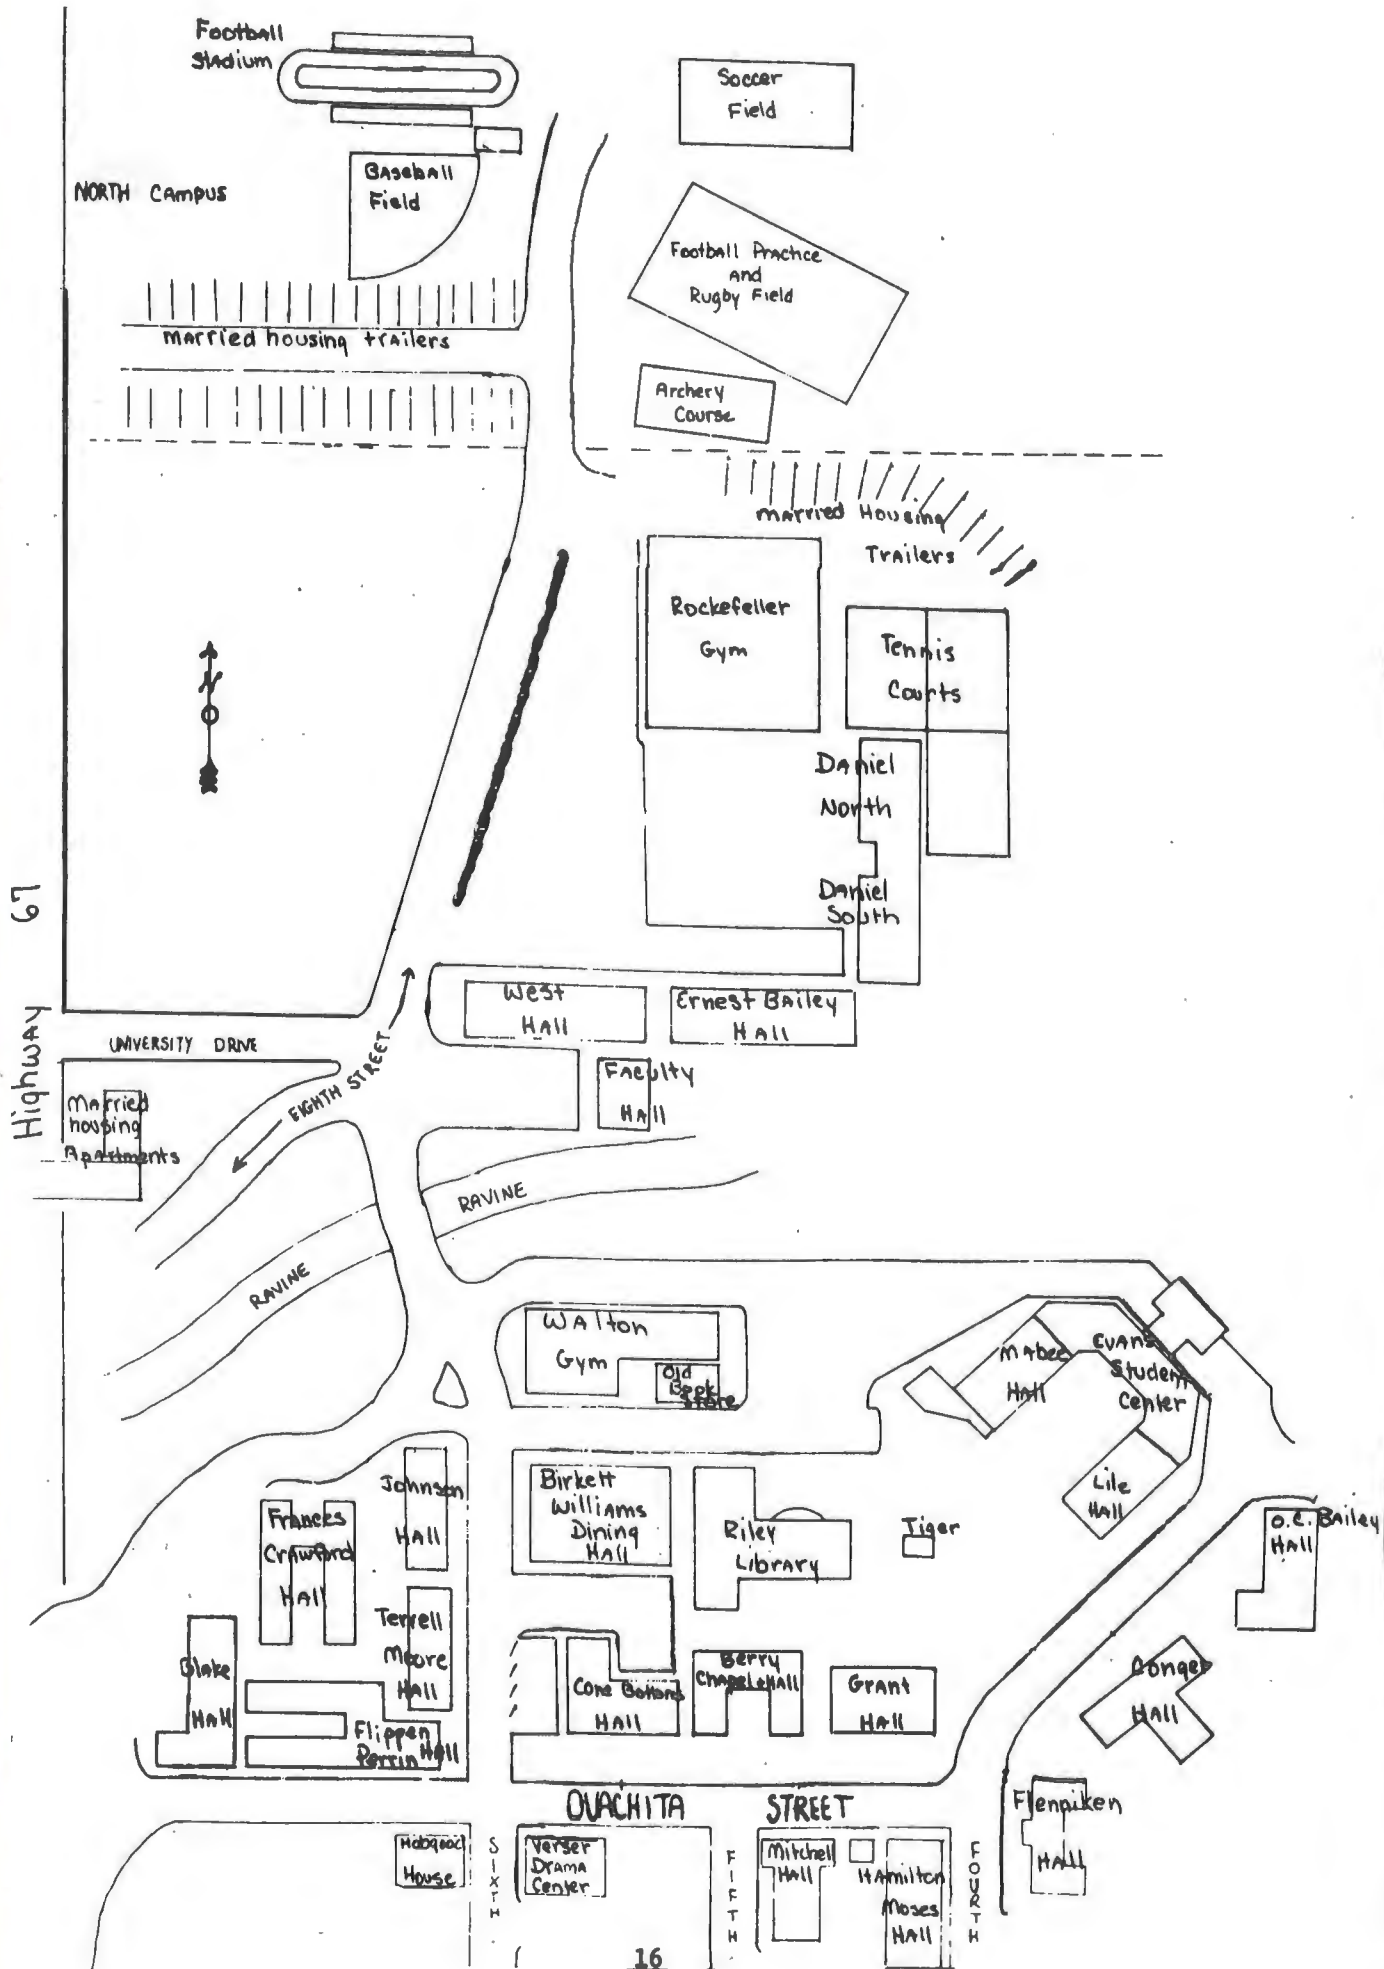

### RUSH & PLEDGING

Eight active social clubs have rush early in the spring semester for all men and women who have a 2.0 gpa or above and who choose to participate. The new members are pledged into the club in the week following.

### TIGER TRACKS WEEKEND

Begun in 1975, it was quickly decided that Tiger Tracks Weekend should become an OBU tradition. The weekend of fun and fellowship is highlighted with bike and tricycle races. All proceeds go into the Student Foundation Scholarships which are awarded to selected upperclassmen during the weekend.

## UNIVERSITY SERVICES

### Academic Skills Development

Academic Skills Development is a program that seeks to combine all forms of academic help into a unified program. A three-phase program has been developed and formally established. First, there is a two-level reading class (GNED 111 and GNED 121) to take students at almost any level of reading ability and help them increase comprehension and speed. Second, tutoring services are available in most of the academic areas. Run by students for fellow students, the Academic Skills Director serves as a go-between, insuring that student and tutor get together. Finally, a communications course, Resources for Learning (GNED 101), is available. Broad-based, the communications course includes aid in learning to listen, study, speak, and write more effectively. The third phase includes a general orientation to college academic life. Students wanting aid in any or all these areas are urged to see the Director, Mike Arrington, at his office (GH 105) or call extension 214.

### Administrative Offices

The administrative offices are open each class day from 8 a.m. to 5 p.m. and on Saturday one office in Grant Administration Building and one office in Terral-Moore will be open until noon.

### Cashing of Checks

Checks in the amount of \$25 or less may be cashed in the Business Office (GH 101) from 8:00 to 4:00, excluding the noon hour. Students must present their ID card. A \$2.00 charge will be made for returned checks.

### Health Insurance

OBU makes available to its students a health insurance policy which may be purchased prior to the beginning of school or during registration. This is voluntary, but if the student is not covered by family policies, the administration recommends that this be considered. Application forms are available at the University Health Service or the Dean of Students office.

### Lost and Found

The Dean of Students office maintains a lost and found department. A student may contact the secretary to inquire about items lost or to bring "found" items.

### Mainstream Mobility

This Title III program is an effort to strengthen the activities program of OBU by helping every student become involved in some extra curricular activity. Contact with the director is made through the Dean of Students office, or by calling extension 205.

### University Food Service

The food service at Ouachita is leased to Saga Foods, Inc. All students must present their meal ticket at each meal in order to be served. Lost meal tickets should be reported immediately to the food service director and the Dean of Students. The person whose name is on the ticket is the only person who can use the ticket. A \$10 fine will be placed on anyone violating this policy.

The cafeteria and the banquet rooms in Evans Student Center are available to groups who wish to have banquets and/or meetings. Arrangements are made through the office of the director of Evans Student Center.

### University Health Service

Housed in Flenniken Hall, this service provides emergency care and treats minor illnesses. A local physician comes to the office daily and a registered nurse is on duty during the day.

Excuses are issued only to students who see the nurse during their illness.

**THE LIBRARY:** The first floor of the library houses the main book collection, the card catalogue, the Reference or Main Reading Room, the Library Science Classroom, the Periodicals area, the Microfilm area, and offices of the librarians. The second level of the new wing houses books in the Social Sciences and Documents. The basement level of the new wing is devoted to Audio-Visuals and Graphic Arts.

Departmental libraries are maintained in Mabee Hall (Music Library) and in Moses-Provine Science Building (Chemistry Library). A Curriculum Laboratory is available in Johnson Hall for students in education.

The library has a policy of open stacks, which means the student may go directly to the shelves to select the books which he wishes to read. The book is then brought to the Circulation Desk to be charged for use in the library or for use at home. The two major stack areas for the book collection are on first floor, and on second floor of the new wing.

The first floor stackroom (entrance near the Circulation Desk) houses books with call numbers ranging from 000 to 299, 400-799, and 800. Books with call numbers 300, B, and 900 are housed on the second level of the new wing. Charts showing the arrangement of the book collection are posted on the bulletin boards throughout the library building. If a book cannot be found on the shelves by call numbers, please inquire at the Circulation Desk. Books are charged for a period of two weeks. One renewal is permitted. There is a fine of 5¢ per day for overdues.

**CLOSED RESERVE COLLECTION:** Books which have been selected by faculty members for use in connection with specific courses are located on special shelves at the Reserve Desk. Arrangements of books on the shelves is by call numbers. These may be used in the library for a period of two hours and should be returned to the Reserve Desk. They may be charged for overnight use at 9 p.m., Monday through Friday, and are due at 8 a.m. Fines for overdue reserve books are 10¢ for the first hour, and 5¢ for each additional hour.

**REFERENCE COLLECTION:** Books marked with "R" above the call number are reference books such as encyclopedias, dictionaries, atlases, etc., and are shelved in the Main Reading Room. These do not circulate for home use.

**PERIODICALS COLLECTION:** The library receives more than 500 periodicals, including major periodical indexes. The latest issue of a periodical title is displayed in alphabetic arrangement, with the current back issues stored on shelving directly underneath. Bound volumes for earlier years are arranged in alphabetic order on shelves nearby. A card catalogue of periodical holdings is available.

**U.S. GOVERNMENT DOCUMENTS COLLECTION:** Since 1964, the library has received federal documents as a selective depository.

These are available on the second level New Wing. The Monthly Catalog of U.S. Government Documents serves as an index in the use of this collection.

**AUDIO-VISUAL AREA:** This area is equipped for group or individual use of multi-media for instructional purposes. A catalog of A-V materials held is available here.

At registration each student will be issued an identification card bearing his photograph and registration number. This card must be presented each time a book is checked out. A student is responsible for all materials charged to his number; therefore, he should not allow any other student to use his card. Fines and cost of lost books will be charged to the person whose number appears last on the book card. Students are requested to borrow not more than five books at a time. No more than two reserve books may be borrowed at a time.

Ouachita students may use the Henderson State University Library provided they show their I.D. card and observe the regulations of that library.

At the end of each semester, a library clearance slip is required before an exam permit will be issued. All books are to be returned and fines paid at both OBU and HSU before a library clearance slip is issued.

Riley Library is here to serve you, to give you information for your college courses, and to open new worlds of interest through books. We welcome your suggestions to help make the library an important part of your education. We need your cooperation to make it the best possible place for study and for the enjoyment of books. Students are requested to maintain an atmosphere conducive to study and to be considerate of others who are studying. We urge you to ask questions of the library staff that we may aid you in using the library effectively.

Dear Fellow Students:

I consider it a distinct honor to welcome new members to the student body of Ouachita Baptist University. On behalf of the Student Senate and all other student-comprised organizations, I congratulate you on your choice to attend Ouachita.

## OBU STUDENT FOUNDATIONS

The Ouachita Student Foundation presented \$500 scholarships to seven upperclass students during the first annual Tiger Traks Weekend at Ouachita last spring. The OSF, in its first year of operation, climaxed a year of work in public relations, fund raising, and student recruiting in Tiger Traks--a weekend of fun, of trike races, bike races, and a variety show where over half of our student body was involved in some part of the weekend. Under the direction of Andrew Greene, its president, and Larry Bone and Lane Strother, administrative sponsors, the 21 students on the OSF did a fantastic job learning about the various aspects of the university and then working with prospective students, donors, and businessmen.

During the year these students visited high schools, college and career nights, and churches telling prospective students about Ouachita. They visited with businessmen in their respective hometowns insisting them to give scholarships or sponsor a bike team in the 30 mile race. They conducted tours for visitors on campus, and they prepared news releases, brochures, and other public relations materials for Tiger Traks.

Thirty nine students have been selected to serve on the OSF with Carol Miller as president for 1975-76. She plans for this year to include visiting 40 high schools and 30 churches raising fifteen \$500 scholarships, and providing an even better Tiger Traks Weekend at Ouachita on April 9 and 10.

## REGULATIONS CONCERNING ALL STUDENTS

When any group of individuals come together to live in a society, there must be some regulations that are clearly understood by all members. Of paramount importance to all Ouachitians is the GOLDEN RULE. When the members of the university society follow this one basic rule, few others are necessary.

While you are a student at Ouachita, it is the goal of the administration to help you become a more responsible, considerate member of society, as well as a more intelligent, skilled individual. These assets can be achieved if every student at Ouachita seeks to create an academic society in a Christian environment.

For the welfare of all members of the university family, the following regulations have been established as administrative policies:

### ATTIRE:

Modesty, neatness, cleanliness and good taste are required at all times. Students should dress in a manner which befits college students and the activity in which they are involved at the time.

### VEHICLES & PARKING

The university does not encourage students to bring automobiles or other vehicles to the campus, however, if a student does find it necessary to bring a motor vehicle, he must be aware of the following regulations:

1. All cars brought to the campus must be registered in the Dean of Students' office. The decal displayed on the right side of the rear window will indicate the zone in which the vehicle may be parked. A map designating parking zones is available in the Dean of Students office. The cost of the sticker is \$3.00 per semester.
2. The cars are not to be used for transportation between campus buildings since parking spaces are limited near the classrooms.
3. Tickets may be issued for the following violations:
  - a. Not having the vehicle registered.
  - b. Speeding (the campus speed limit is 20 MPH or less if conditions demand it).
  - c. Illegal parking (cars must park only in the areas assigned to the sticker. These zones are indicated by color).
  - d. Careless or reckless driving.
  - e. Driving or parking on the lawn, intramural fields, or blocking a fire lane. (A \$20.00 fine is imposed for these offenses).

(4) **Fines are assessed as follows:**

\$1.00 for the first offense, \$2.00 for the second offense, \$3.00 for the third offense, etc. With the fourth violation a letter is sent to the parents and the car may be sent home after repeated violations. Students must bring any violation ticket by the Dean of Students office within two school days if there are any questions. No ticket will be voided after this time period.

(5) Cars which are blocking a loading zone or service entrance, a "no parking" zone or a sidewalk, or is double parked, may be towed away at the owner's expense. Towing charge is approximately \$20.

(6) The student in whose name a permit is issued is responsible for the vehicle at all times regardless of who is operating it. This does not absolve the driver from blame if he is anyone other than the normal driver in whose name the vehicle is registered.

(7) All automobiles registered must have liability insurance.

**SMOKING**

Smoking is not permitted in the cafeteria, classrooms, or in the lobbies or dormitory rooms of women's residence halls.

**ALCOHOLIC BEVERAGES**

The use of any type of alcoholic beverage is not in keeping with the goals of Christian education or the physical and mental welfare of the students, thus drinking or possession of alcoholic beverages in any form is prohibited. Any student violating this standard of conduct will be subject to disciplinary action up to suspension from the university. Dormitory rooms should not be decorated with beverage bottles, cans, etc.

**DRUGS**

Any student involved in the manufacture, sale, possession, or use of narcotics, hallucinogens, or any harmful or habit-forming drug and/or chemicals is subject to suspension from the university.

**THEFT**

Any student involved in and/or convicted of theft, either on or off campus, will be subject to suspension from the university.

**ACTS OF VANDALISM**

Acts of vandalism committed against property of the university, or any other college are not evidences of "school spirit" and are not permitted. Penalties for students involved in such acts may range up to and include suspension.

**PERSONAL INTEGRITY**

The personal integrity of a student is held in highest regard at Ouachita. Any student who, through acts of dishonesty or falsification of information demonstrates that he cannot live up to this ideal will be liable to disciplinary action.

### HAZING

Hazing in any form is forbidden at OBU because of the serious mental and physical dangers involved. This applies to all student initiation rites. Claiming that the hazing was "voluntary" is not justifiable defense.

### INITIATIONS

All initiation rites must take place on university property unless other permission is granted in writing and in advance by the Dean of Students. A faculty sponsor must be present during all initiation rites. Failure to respect the regulations governing clubs may result in an organization's suspension.

### STUDENT DEMONSTRATIONS OR DISRUPTIONS

Ouachita recognizes the rights of students to express their ideas and causes so long as such expressions are orderly, peaceful and in no way disrupting to the normal academic and/or administrative activities of the university. Students involved in any riot, mob demonstration, or any other unauthorized disorderly or disruptive group spectacle will be subject to disciplinary action up to and including expulsion. Failure to obey orders of civil or university officials during a demonstration may result in immediate suspension from the university. Whether one is an active participant in such an incident or not, remaining at the scene will make one subject to discipline.

### CHAPEL AND FRESHMAN ASSEMBLY

The chapel services are conducted each Tuesday, and these required programs serve as a time of spiritual growth and guidance as well as a medium for intra-university communications. In addition to the Tuesday programs, all freshmen will have an assembly on Thursday in which an orientation program will be the major emphasis. These programs will last for six weeks.

One chapel credit will be given to a student who attends at least three-fourths of the regularly scheduled chapel services during a semester. The allowance of 25 per cent absence from chapel is intended to cover all excusable cuts. All students enrolled for 12 hours or more must register for chapel.

Seven chapel credits are required for graduation from Ouachita Baptist University.

Transfer or accelerated students who are unable to accumulate seven chapel credits are required to accumulate as many chapel credits as the number of regular semesters they are in residence for the Ouachita degree.

Make-up chapel credit may be earned by enrolling for a special chapel credit course usually offered on an accelerated schedule at the beginning of the semester after the deficit is recognized. A fee of \$20.00 will be charged for the special chapel credit course.

Only one chapel credit may be earned by this method. Failing to have the required number of chapel credits will delay graduation until the necessary chapel credits are earned.

#### SPEAKERS AND FILMS

No speaker from off-campus may be invited to speak on campus without prior clearance from the President of the university. All films shown to an audience other than a class must be cleared through the Dean of Students office.

#### OFF-CAMPUS HOUSING

A student may not live off-campus unless he has special permission from the Dean of Students. The special permission is granted only in unusual circumstances. Anyone vacating a room during the semester without permission will be subject to disciplinary action.

#### DANCING

Dancing is not permitted on the OBU campus.

#### HEALTH SERVICE

A registered nurse is on duty from 8:30 a.m. to 4:00 p.m. every day Monday through Friday. The university physician is at the Health Services each day Monday through Friday from 1:00 to 2:00 p.m. He is seen only by appointment made through the nurse.

If a student is obviously ill, e., nausea, vomiting, fever, etc. it is best for him to remain in bed in his dorm but call the health service for an appointment with the doctor. This must be before 12:30 p.m.

If a student suffers an injury or acute illness during the day, he should come to the health service to be cared for. If this occurs at night and cannot wait, one may go to the local emergency room at the Clark County Hospital to see the doctor on call.

All professional service charges of the health service are free to the student, but any calls made to other doctors off campus, all prescriptions, all x-rays, tests, and hospital costs must be paid by the student. Health insurance is available for the above through the university health service and the Dean of Students office.

Each student must have a physical health examination record completed before entrance to the university and this is the nucleus of his health record so long as he is in school.

Allergy injections and any other special injections the student is taking are given at the office of the school physician at a nominal fee. Each student makes his own arrangements for this.

Students should report excuses for absences directly to the faculty member, however where an excuse is required, the following policy will apply: The nurse will write excuses only for those cases where the student actually reports to the health service for treatment, diagnosis, etc. She will not be responsible for writing excuses when the student did not consult in person with the Health Service at the time of illness.

### STUDENT MARRIAGES

Many students find their life-time partners during the span of their college years, however the administration and faculty of OBU believe that hasty and/or secret marriages are contrary to the best interest of all persons concerned. Any student or students who plan to be married should give written notice to the Dean of Students at least two weeks prior to the date of the intended wedding. Also, there must be on file in the Dean of Students office a letter of permission from the parents of the student unless that student is over 18 years of age.

### CAFETERIA

To eat in the cafeteria the student must either (1) present his own meal ticket or (2) pay cash for the meal. Cutting line is a violation of the rights of fellow students. All students must be properly attired (including shoes) when they come to the cafeteria. All students living in college dormitories must buy a meal ticket unless they have been excused for medical reasons by the Dean of Students. The meal card is not to be used by anyone other than the individual whose name appears on the card. Violation of this will result in a \$10 fine.

### IDENTIFICATION CARDS

All students are given an ID card which they are expected to carry at all times. If the card is lost, it should be reported to the Dean of Students immediately. A replacement is made at a cost of \$5.00. The ID is used for meals, for sports events, etc. Upon leaving OBU, the ID card is turned in to the Business Office and becomes a part of the student's permanent file.

### TELEPHONES

The OBU switchboard number is 246-4531, and this number should be familiar to all parents. Each dorm has extensions of this number. Long distance calls cannot be placed from these extensions, and the following pay phone should be used for outgoing calls and for incoming calls after the switchboard closes at 11 p.m.

## DORMITORIES

Living in a college dormitory is an experience in social adjustment. The change from the privacy of home to the openness of the dorm can be a problem, but for most it is exciting. In order to live harmoniously one must respect the rights and privileges of others and must use the GOLDEN RULE as a standard of conduct.

Governing bodies have been established to supervise dormitory conduct. The Head Residents, the Resident Assistants, the Association of Women Students, the Student-Faculty Disciplinary Board, the Dean of Women, and the Dean of Students are established to assist in matters pertaining to dormitory life and residence regulations.

## CHECK-IN & CHECK-OUT

Upon checking into the assigned room in the dormitory, each student will receive a description of the room and the condition of its contents. The student should check this contract closely so that he recognizes the condition of the room. Before he/she receives the key, the student signs the check-in sheet saying that he/she accepts the room in the noted condition. Each student is held responsible for his room and its furnishings. Charges will be made for loss or damage to the furnishings, walls, ceilings, windows, screens, and the hall door of each dormitory room. Charges for damages to the halls, lounges, or any common property of any college residence will be pro-rated among the particular residents if individual responsibilities for such damages cannot be established.

When one checks out of a room he will be signed out by a member of the college staff. No room deposits will be returned until the damage report has been processed. Failure to leave the room and hall clean will result in a charge of \$5.00 or more from the deposit.

## STUDY HOURS

Relative quietness should characterize all dorms at all times. The hours after 9:30 p.m. are observed as absolute quiet hours. The purpose of the quiet period is to create conditions for sleep and study with maximum concentration and comfort. Radios, stereos, and TV's should be tuned to a minimum volume; loud talking, bull sessions, and other noisemaking activities should be stopped. Residents who violate these study hours and prohibit others from studying by their disruptions are subject to disciplinary action.

## ROOM CHECK

Good housekeeping is necessary. It is the joint responsibility of roommates and/or suitmates to keep their rooms clean and orderly. Each room will be checked weekly as determined by the Head Resident. A report will be given to the student, and a copy will be kept by the Head Resident. Should a student accumulate more than three poor reports during a semester, he/she will be subject to disciplinary action.

In order for a room to be in "good" condition, beds should be made, clothing should be in the drawers or closets, ash-trays and trash containers should be empty, floors and furniture should be free from dirt, dust and stains, and books and other articles should be arranged so as to present an orderly appearance.

The Dean of Women and/or the Dean of Students may visit periodically during the room check.

#### ELECTRICAL APPLIANCES

Refrigerators, toasters, hot plates, and other such appliances are not allowed in the dormitory room. Popcorn poppers, coffee pots, and hair dryers are allowed.

#### PETS

No pets other than aquarium fish are allowed in the dorms.

#### KEYS

Keys are issued when one is checked into the dorm. The student is urged to keep his door locked at all times. This key is the only protection the college can give for safekeeping a student's possessions and the college assumes no financial responsibility for losses. A \$2.00 fee is charged for the key.

#### GUESTS

Guests are permitted to stay in the dormitory only after it has been cleared with the Head Resident. All visitors are to conform to the same standards of conduct as students. A charge of \$3.50 per night is made for those using guest rooms. Linens are \$1.50 per set.

#### SOLICITING

No soliciting or selling of any product or service by any person (student or non-student) is allowed in the dormitories unless he has written permission from the Dean of Students. Violators should be reported to the Dean of Students immediately.

#### FIREARMS

Firearms such as rifles, shotguns, pistols, weapons, explosives, ammunition, firecrackers, air guns, or fireworks are not permitted in any dormitory or residence unit on the campus. If a student wishes to bring his equipment to the campus, he may check it with the Head Resident or may leave it locked in his automobile. Any student violating this regulation will be subject to disciplinary action up to and including suspension.

#### DORM MEETINGS

Attendance at all dormitory meetings is required unless excused by the Head Resident.

### PRIVATE ROOMS

A limited number of private rooms may be available to students who wish to rent one. Any student living alone will be charged for a private room. If a vacancy occurs in a room, i.e. the roommate leaves, etc., and if the remaining student does not wish to have a private room, he should immediately express his desire for a roommate to the Head Resident and he/she will assign him a new roommate.

### WATERBEDS

No student is allowed to have a waterbed in college housing.

### DOOR CLOSING PERIODS

The doors are closed on school holidays such as Thanksgiving, Christmas and Spring vacation. Any student who lives too far away to go home must make arrangements in advance with the Dean of Students to stay on campus.

### NON-ENROLLED STUDENTS

A student who is no longer enrolled in school may not continue to live in university housing.

### MOVING

No student may move from his assigned room without specific authorization from the Dean of Students or the Dean of Women's office. Unauthorized moves will result in a charge of \$5.00 to pay for bookkeeping.

### DOOR UNLOCKING AND CLOSING HOURS

The doors of the dormitory are unlocked each morning at 6:30 a.m. No student may leave the dormitory before this time without special permission from the Head Resident.

The dormitories will be closed at the hours indicated below (unless the Head Resident notifies the residents of a different hour).

### TV ANTENNAS

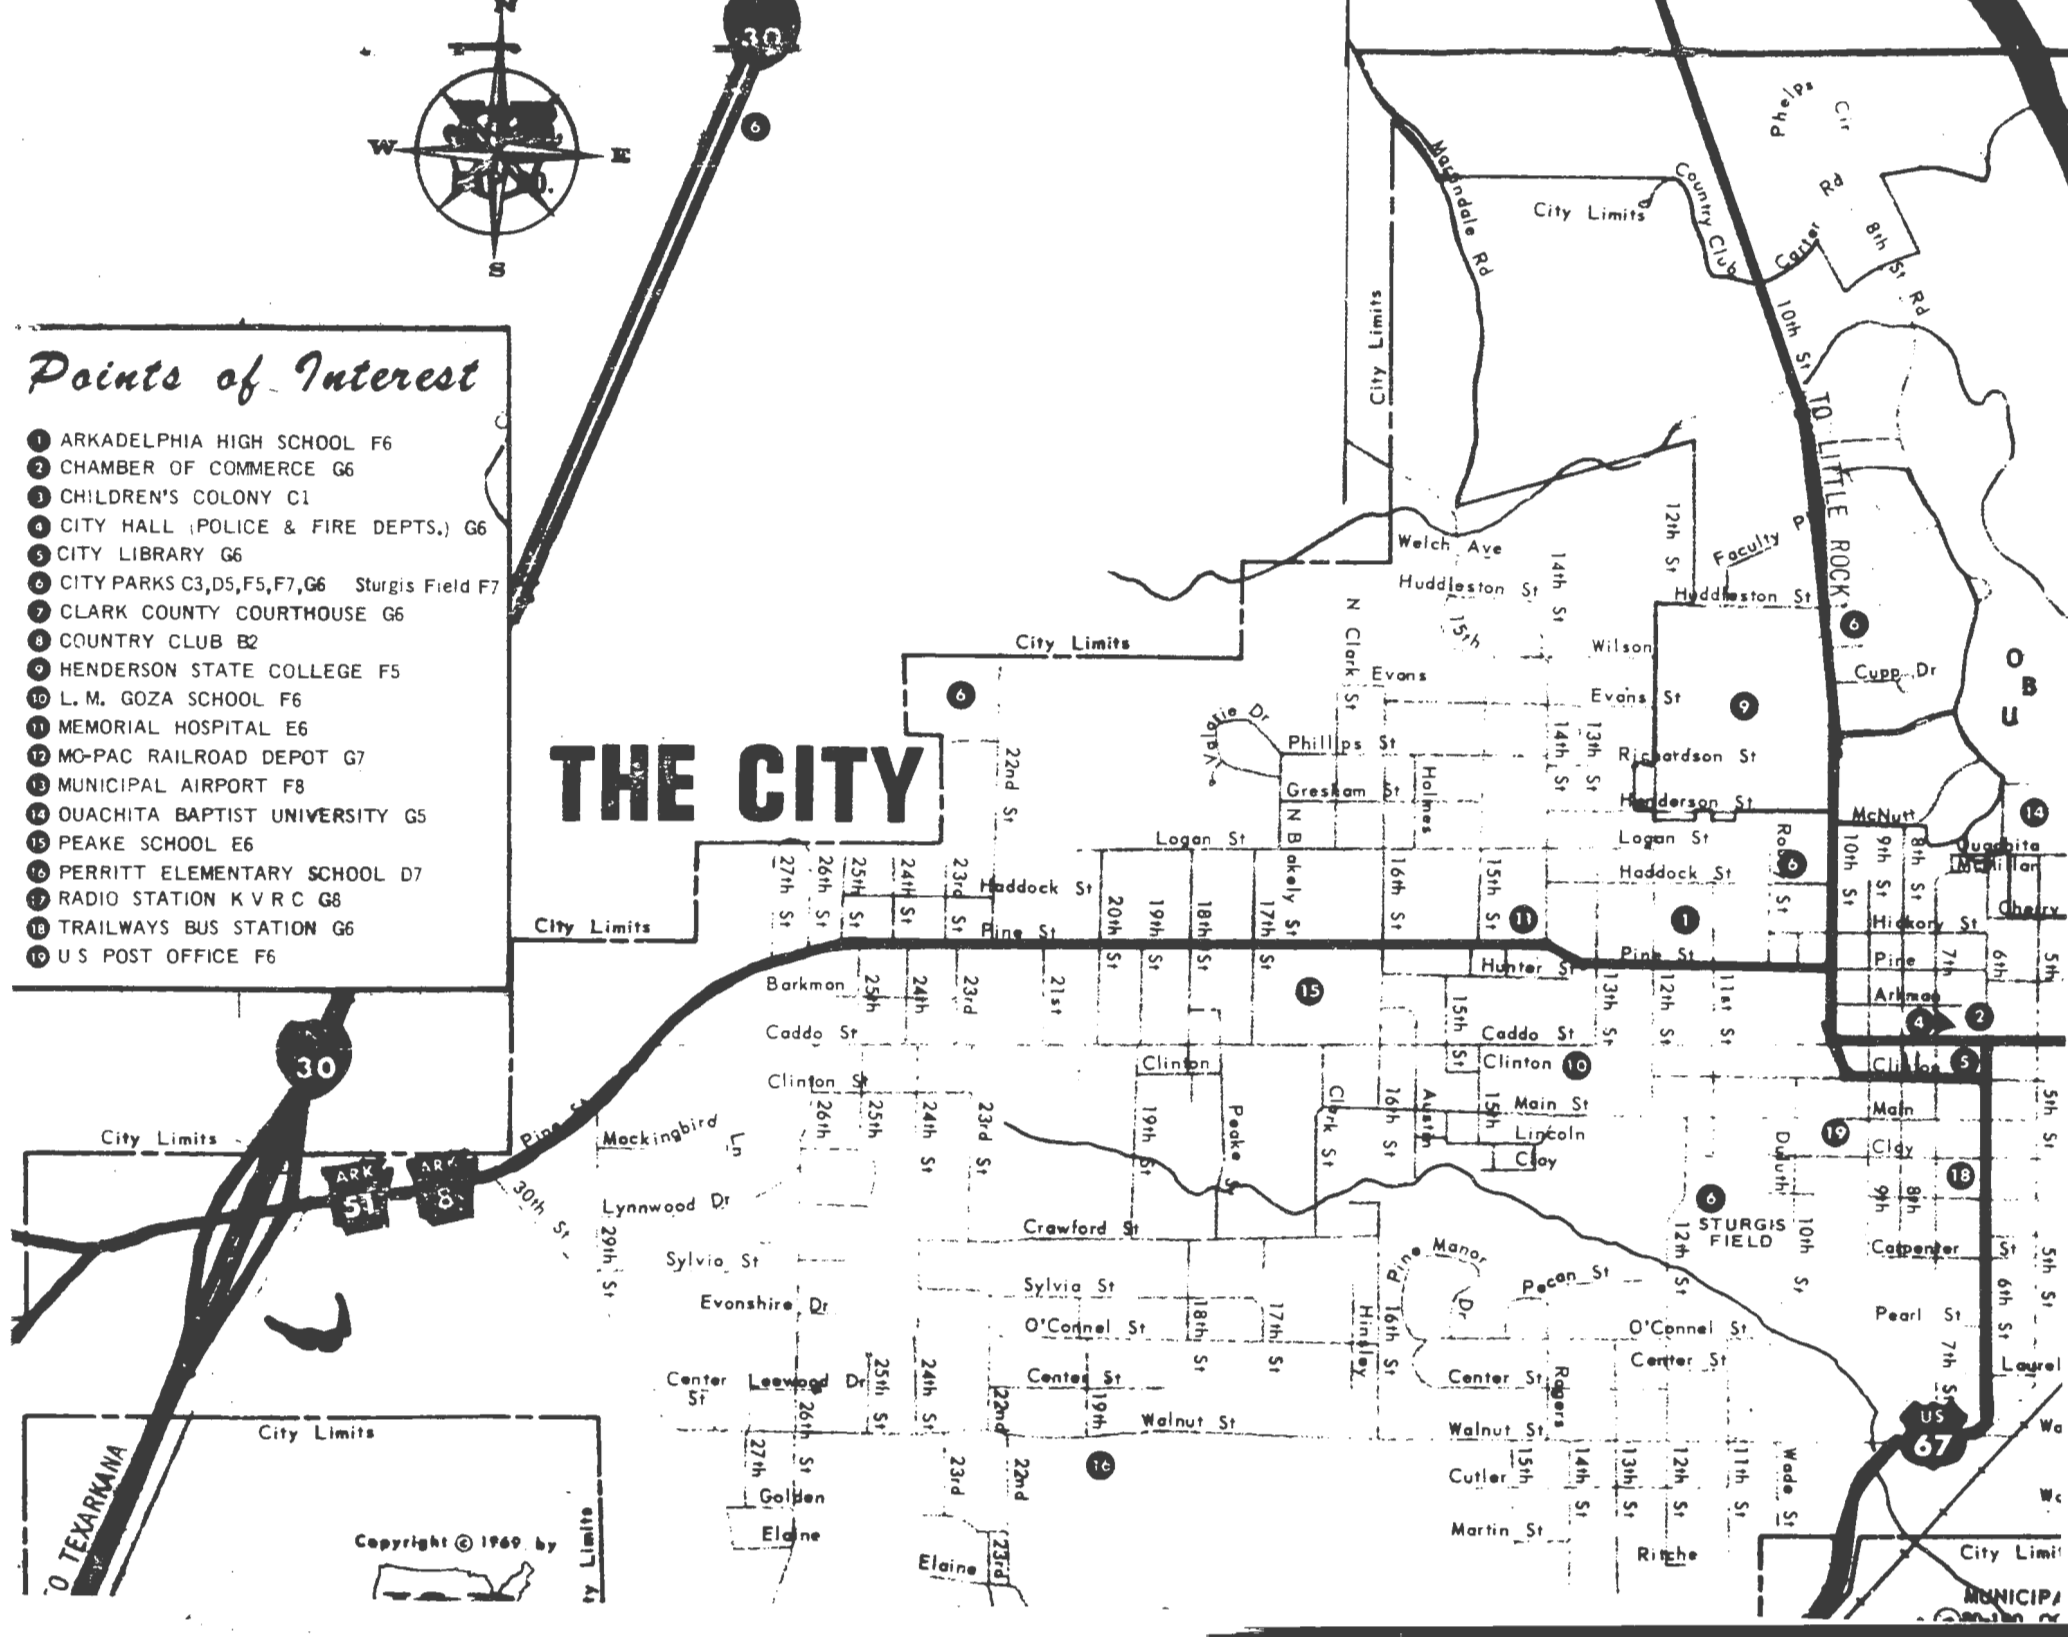

Students having private tv's should not plan to have an outside antennae on the dorm. The inside antennae should prove adequate.
