As the artist looks about for inspiration he goes into the classes and there he finds the faces of those who make his picture vital . . . the students of Ouachita College.

STUDENT SENATE

BEN ELROD, *President*

This year's student senate was responsible for the construction of the bulletin board outside the dining hall. Realizing the need for an improvement in pre-game relationships with Henderson, the senate sponsored the Joint Pep Rally with H.S.T.C. during Thanksgiving week. Another valuable accomplishment of the senate was its aid in working with the faculty, board, and student body on the decision of subsidization of football. The Ouachita Senate was elected secretary of the newly organized Federation of State Student Governments.
