**Tiger Steel**, the OBU Steel Drum Ensemble, specializes in the performance of calypso and soca music from the Caribbean nations of Trinidad and Tobago—the birthplace of steel drums—but also performs a wide variety of styles from jazz, pop, and rock to classical, funk, and Latin.

Founded in 2013, Tiger Steel is made up of undergraduate students from academic departments across campus and countries around the world. In addition to performing steel drum concerts on campus, in public schools, and at private events, members study the social, historical, and cultural context of the steel band, as well as musical aspects such as theory, acoustics, tuning, arranging, and composing.

Tiger Steel is a unique ensemble for its commitment to community involvement. Each steel band member mentors a middle school student in the Clark County Boys and Girls Club Steel Band at Goza Middle School and performs beside their student mentors as a part of an annual combined steel band concert called *Panorama*.

Open auditions for Tiger Steel occur at the first class meeting each semester and involve simple rhythms and melodies—no music reading or steel band experience is necessary.
