Tiger Steel, the OBU Steel Drum Ensemble, specializes in the performance of calypso and soca music from the Caribbean nation of Trinidad and Tobago—the birthplace of steel drums—but also performs a wide variety of styles from jazz, pop, and rock to classical, funk, and Latin.

Founded in 2013, Tiger Steel is made up of undergraduate students from academic departments across campus and countries around the world. In addition to performing steel drum concerts on campus, in public schools, and at private events, members study the social, historical, and cultural context of the steel band, as well as musical aspects such as theory, acoustics, tuning, arranging, and composing.

Tiger Steel is a unique ensemble for its commitment to community involvement. The steel band sponsors the Arkadelphia Steel Band (ASB) for fourth- and fifth-graders from local elementary schools. College mentors rehearse weekly beside their elementary student, as well as perform beside them in the Arkadelphia Christmas Parade each fall and in the annual OBU Panorama Steel Band Festival each spring.

Open auditions for Tiger Steel occur at the first class meeting each semester and involve simple rhythms and melodies—no music reading or steel band experience is necessary.
