A WEEKLY NEWSLETTER TO THE OUACHTA BAPTIST UNIVERSITY FAMILY

Bulletin 13
Dean of Students

Dec. 1st
Fall 1978

PLEASE NOTE THE CHANGE IN ATTENDANCE POLICY WHICH WAS ADOPTED BY THE FACULTY ON MONDAY, NOVEMBER 20, 1978. THE POLICY NOW READS AS FOLLOWS:

"As a matter of policy, students are expected to attend all classes in which they are enrolled. Freshmen and sophomores who are absent from the courses on the 1000 and 2000 level in excess of 25% of the total class meetings will receive a grade of F in those courses. Policies concerning excused or unexcused absences and makeup work or test are at the discretion of the instructor."

All students should note the above change in policy since there seems to have been some confusion on the matter of excused and unexcused absences. Any absent by a student may or may not be excused by the professor whose class is missed, and the placement of a student's name on the excuse list does not necessarily mean that the professor will excuse him/her. The excuse list will now be housed in the Dean of Students office and will be a reference for professors who wish to check on group absences.

As of this date, the Health Service will no longer issue "pink slips". If a student is ill and misses a class, the student should notify the professor as to the reason for his absence. If the professor chooses to check on whether the student visited the Health Service or not, that professor may do so by checking the master list of patients seen by the doctor and/or nurse, which is filed daily in the Dean of Students office.

This new policy will allow students to go directly to their professors without the pink slips and the printed excuse lists from the Dean's office.

gentle
reminder!
