The Ouachitonian

NINETEEN TWENTY-FOUR

PUBLISHED BY THE LITERARY SOCIETIES OF
OUACHITA COLLEGE
ARKADELPHIA, ARK.

RILEY LIBRARY
OUACHITA BAPTIST UNIVERSITY

CLARENCE E. ARNETT

DEDICATION

TO

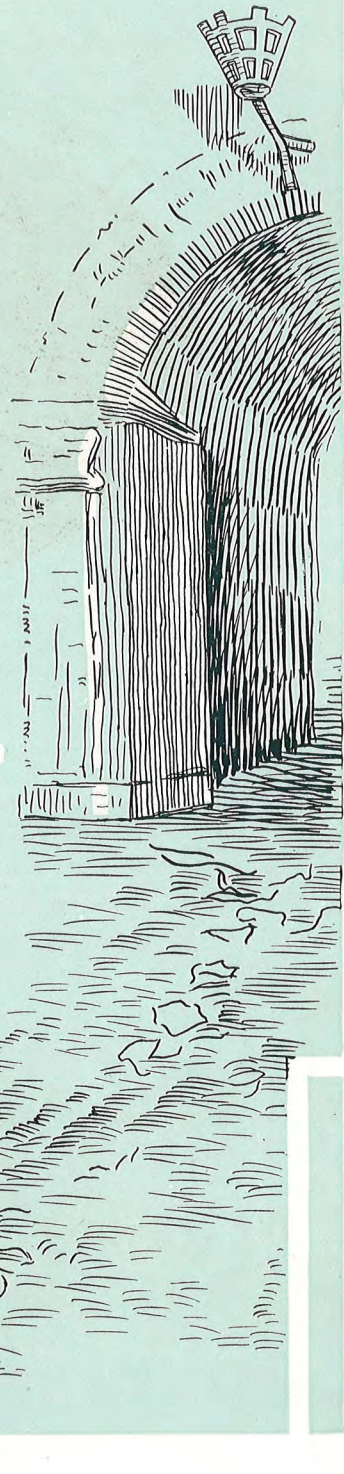

PROF. C. E. ARNETT

It is a great pleasure to dedicate this publication of the Ouachitonian to Professor C. E. Arnett, whose ability in the history department of Ouachita is so universally agreed upon, his natural way of understanding collegians, and of entering into their lives, has gained for him the respect of the Ouachita students. It remains, however, for the members of the Ouachitonian Staff to express their appreciation to him for his excellent co-operation with us in this present publication of the Ouachitonian. It is with extreme pleasure, therefore, that this publication is affectionately dedicated to Professor C. E. Arnett.

FOREWORD

If, when you receive the 1924 Ouachitonian, you may look through its pages and find it a source of pleasure and satisfaction, and an incentive to make the most of what your college days have meant to you; and if, in later life, you can look through it and recall pleasant memories of college days, our efforts in presenting this publication for your approval will have been fully repaid.

FEATURES

American Beauties

The selection of pictures made by Mr. Gibson is printed in following order on succeeding pages:

MISS FAY MATHERS

MISS MUNNIE McRAE

MISS CARMEN COOKSEY

MISS CARRA VEASEY

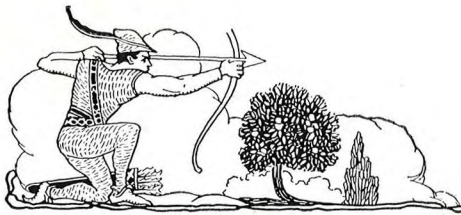

RILEY LIBRARY
OUACHITA BAPTIST UNIVERSITY

Each year there goes forth from the portals of our dear Alma Mater new bands of young men and women, with hearts aglow with love and gratitude for what the Purple and Gold has meant in their lives, and nursing within their breasts bright visions and dreams of the future inspired by her touch. As they go forth from her walls to work out their own ideals and fancies, they declare that the grand old school shall always be an inspiration.

It is said that the wheels of time never turn back. That is true with everything except our fancies, and in fancies alone can we turn them back. The Alumni of the Purple and Gold will ever receive a cordial welcome, as they return each year to renew old friendships, to meet old sweethearts, and dream old dreams once more as college students.

The Freshmen of 1923 are like all Freshmen, green and untaught, but are ever willing and eager to learn. Through these months of school we have had our initiation, and our ups and downs, but have come out on top.

Our calibre is shown in all the activities of college. Three of our men were members of the varsity eleven, two of the Ouachita quintet, and one a member of the debating team. Three of the beauties of Ouachita are among our number.

Indeed, if the Class of '27 keeps up her record of development we shall more than measure up to the standard of our Alma Mater.

The deeds of the Alpha Kappa Literary Society have been written on the pages of history for a period of thirty-eight years, and her influence has been stamped on the character of hundreds of students. The Alpha Kappa Literary Society fosters a spirit which is instilled so deeply in the personality of her membership that it serves all through life, as a guiding hand, leading to a goal worthy of attainment.

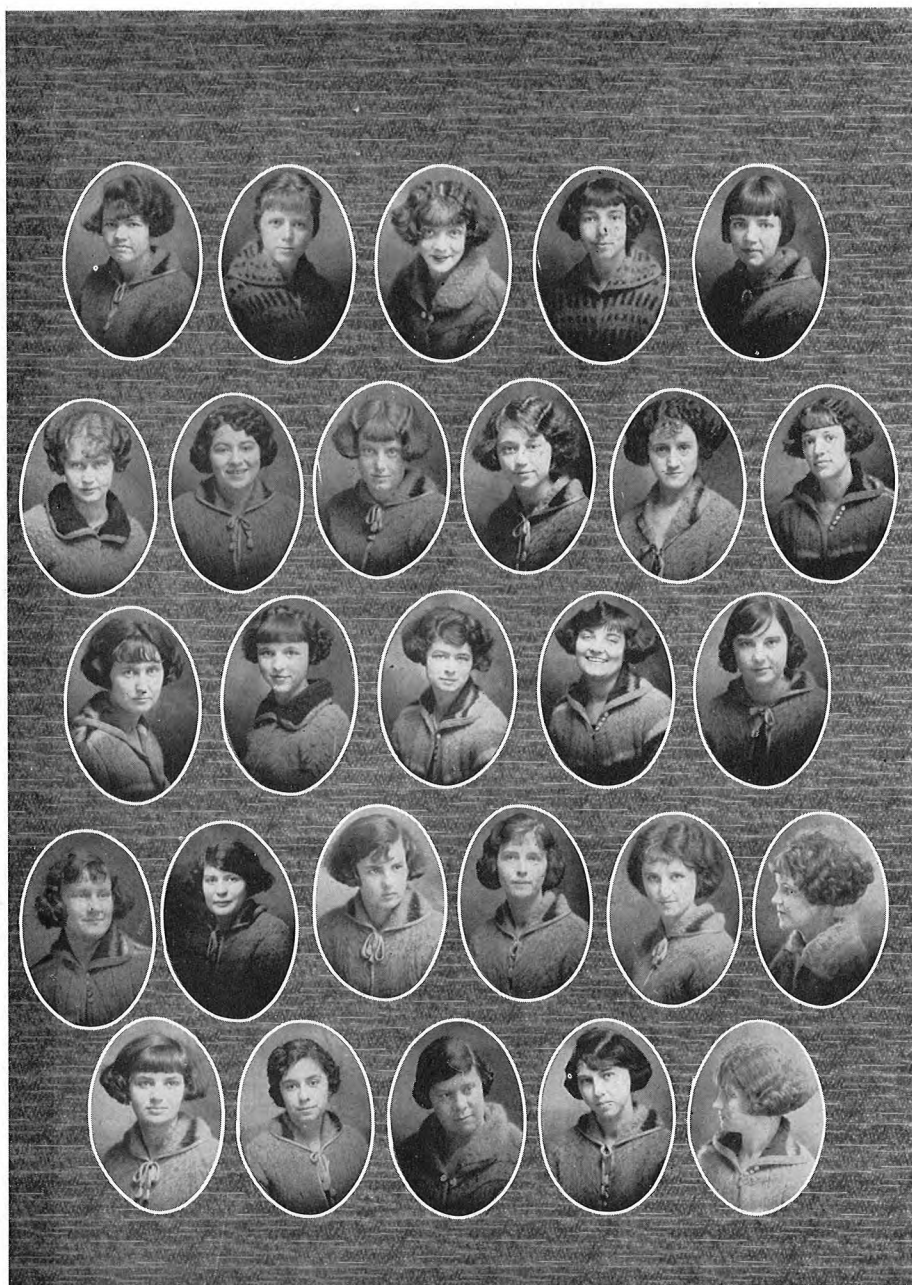

She has always maintained the highest literary standards and developed her individuals along executive lines as well. The work this year has been no exception, and as the school year closes, the Alpha Kappa rejoice over their accomplishments and resolve to enter the new year determined to make it even more fruitful.

During the thirty-four years of her existence the Corinnean Literary Society has ever been the greatest force for the social development and culture of her members. It is her aim to cultivate each girl in the highest ideals of true womanliness, to promote a deeper appreciation of art, to instill in all of her members that priceless spirit of sisterly love which is expressed in her song,

We're Corinneans, we're Corinneans,
We are sisters kind and true.
We will love you,
We will love you,
We will always care for you.

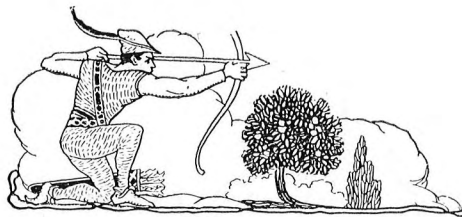

When in trouble, when in trouble,
Come to us and you will see
What is love and what is friendship,
What is a Society.

As the hands of time revolve around the clock of destiny and unfold to us the days of '24, we find the Philomathean Literary Society at the zenith of its glory for the passing of the school year. The Society has witnessed a most successful period of development. This advance movement is attributed to the men who have made themselves living sacrifices upon the altar of "Philomatheanism." The old men have given their loyal support and hearty co-operation. But let us not forget the large number of new men inoculated with the "Love of Knowledge." They, too, have contributed their share to the welfare of the society.

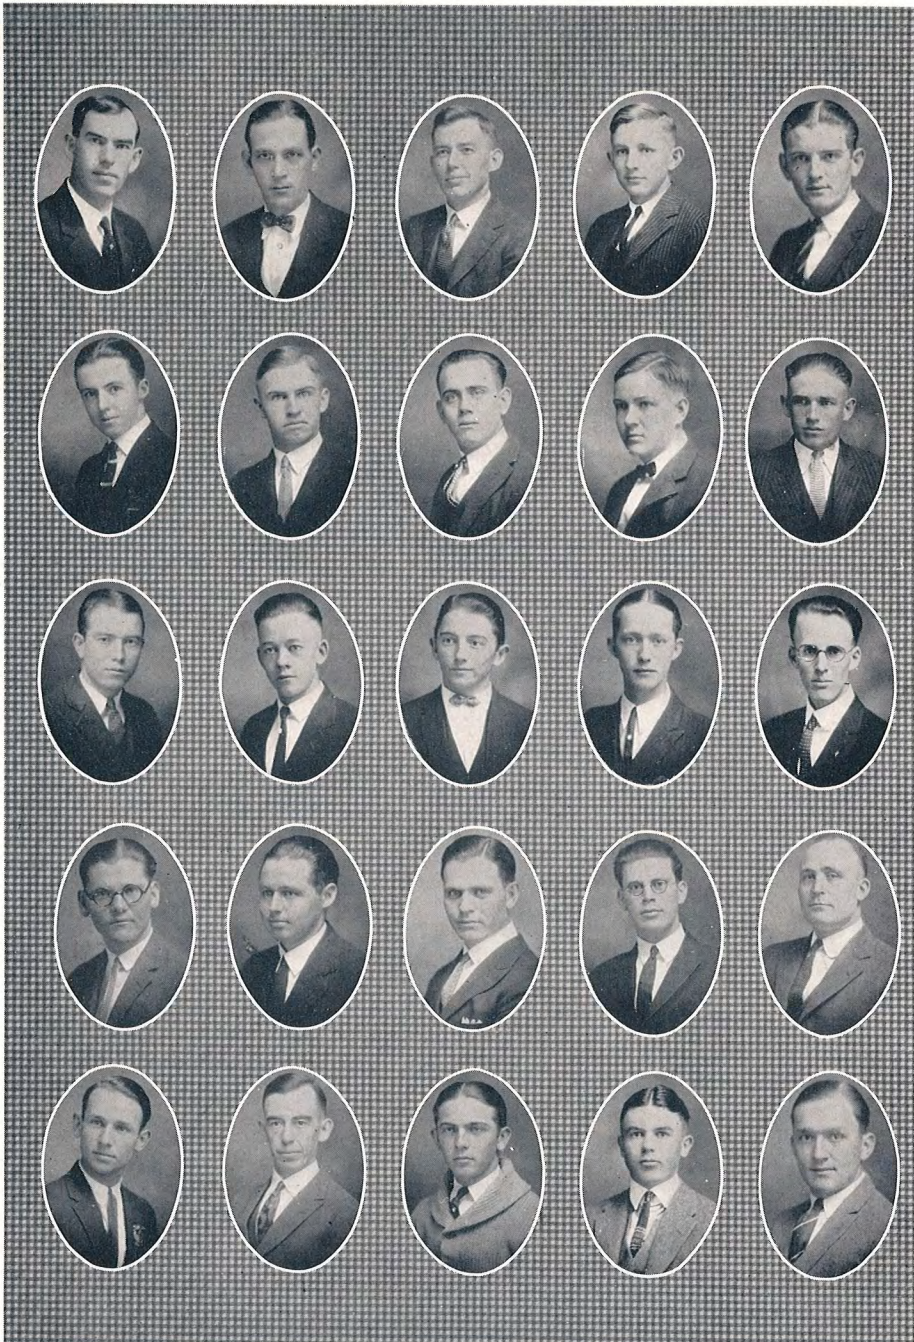

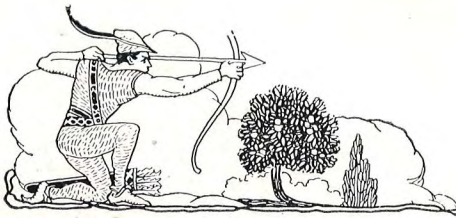

For more than three decades the Philomathean Society has been a source from which has flown a golden stream of victories and accomplishments. Its existence has been a valuable asset to the college. The men, who have been completely saturated with its spirit, have made good in life. We believe that the advancement of high literary ideals will be the means of developing more fully the spirit of "Philomatheanism;" that genuine literary spirit will illuminate the mind with something that is useful, enduring, and eternal. For "unless what we do is useful, our glory is vain."

SULLIVAN ANDERSON
WAYNE MCCAULEY

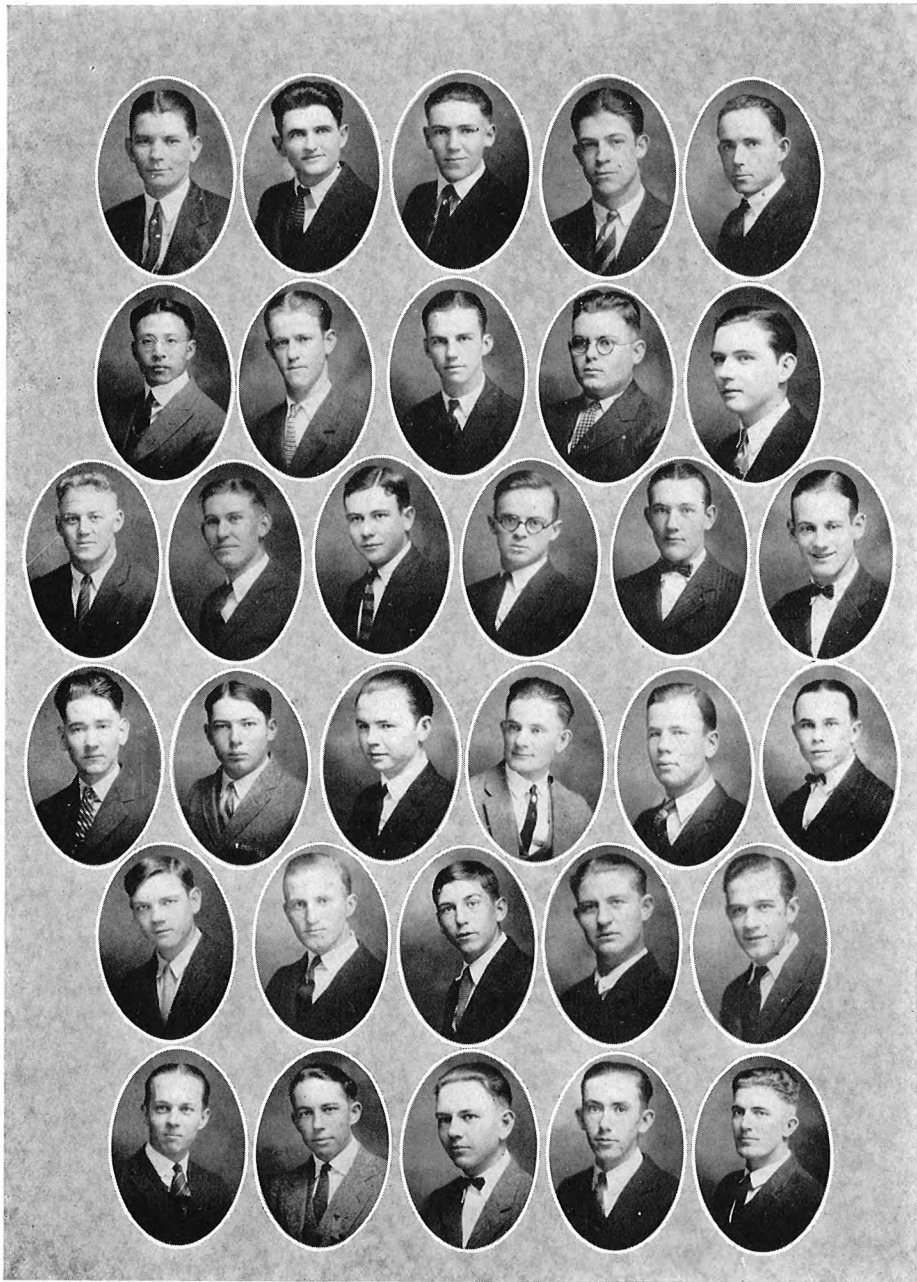

The Hermesian Literary Society is regarded by a majority of its members as the dearest thing in their college life. Next to their Alma Mater, they love their OLD SOCIETY and the memories of their work in it. These memories and the actual good and knowledge derived from the society will help the members in after life. The old "Nil Cadendum" spirit will always uphold and encourage them, no matter where they go, and they will always be grateful to the society for the benefits they have gained from it while there.

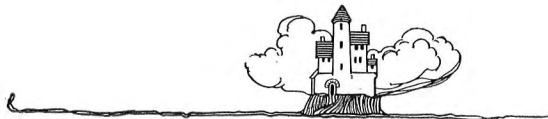

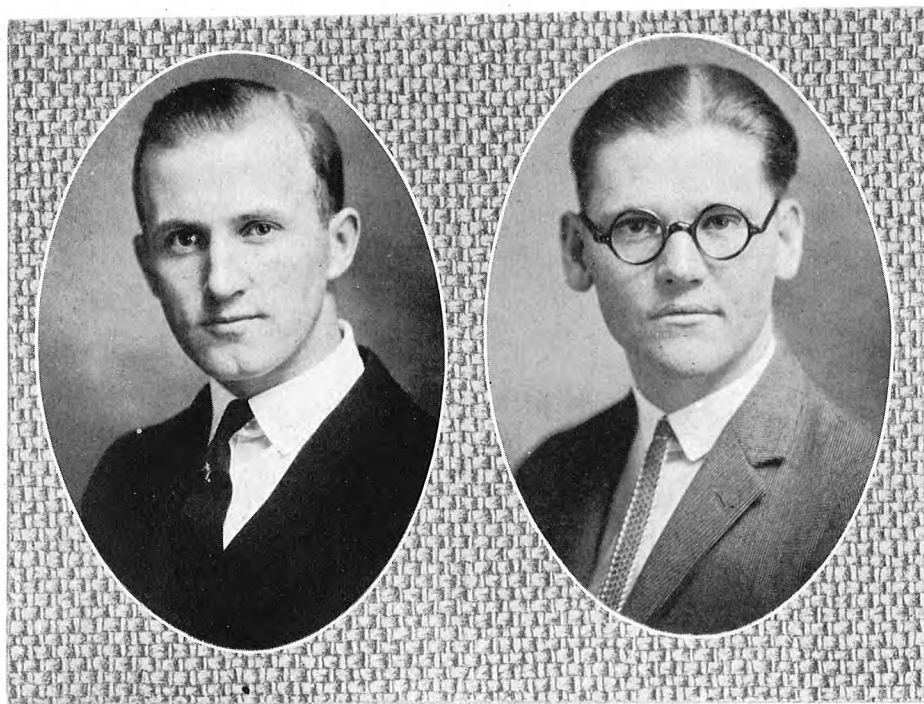

HERMESIAN LITERARY SOCIETY

The Inter-Society Oratorical Contest

For a number of years the Inter-Society Oratorical Contest has been the scene of much interest and enthusiasm on the part of the fans, and emulation on the part of the orators.

We are still looking forward with much interest to the time when the contest will be held this year, for the date has not been determined yet. The ability of the orators, and their friendly rivalry, are such as to make the outlook for the contest very interesting to the scientific observer. It is a significant fact that the orators, Mr. Sikes and Mr. Johnson, were both reared in the same community, and have gone to school together all their lives, and as both affirm, they have always been on opposing sides. Since Mr. Johnson graduates this year, the opposition between the two bids fair to culminate in the annual contest. Both orators rank among the highest in literary standing in the college—another fact which adds to the interest of the contest. All that is safe to conclude in regard to the outcome of the contest is that the orations promise to be a literary feast, and the enthusiasm from the fans will furnish wholesome entertainment.

Intercollegiate Debaters

Only he who has actually had experience in debating knows the thrill that is in the contest. It is here that man opposes man, wit is matched against wit, reason is pitted against reason, and judgment competes with judgment. It is in this circle of forensic activity that all the mental abilities of one man wrestle with the like abilities of his opponents for the one prize—Victory.

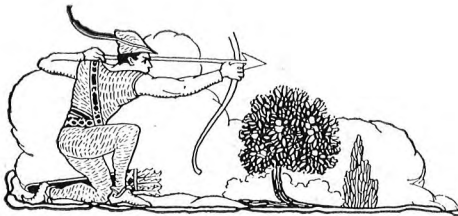

The benefits derived from debating are many. First of all, it teaches one to work, for indeed one must “dig deep and pile high” in order to be a debater. It trains the mind to think logically, it develops the ability to express one’s self orally, it trains the judgment, and because of the subjects which are chosen, it adds to the debaters’ store of knowledge and gives him valuable training in research work.

This year has brought about a great forward movement in the interest of debating in Ouachita. The schedule for 1924 is the heaviest there has ever been in the history of our college. Ouachita debaters have also organized a Pi Kappa Delta debating chapter, which will soon be ratified and established as a permanent chapter. This organization is one of national scope; and by her entry, Ouachita debaters will be known throughout the United States. This added stimulus, coupled with the keen interest that our debaters have all shown, and their abilities in debating, is sure to give the men a greater spirit of determination to win; and again we expect to unfurl the Purple and Gold—dear old Ouachita colors—to let the gentle zephyrs of victory wave them in triumph before the happy faces of her loyal supporters.

The following is the schedule for this year:

- Henderson-Brown College at Arkadelphia—Johnson and Smith.
- State Teachers’ College at Arkadelphia—Sikes and Riffey.
- Louisiana College at Pineville—Garland and Sloan.
- Little Rock College at Little Rock—Westmoreland and James.

Ministerial Association

PRESIDENTS

F. G. DODSON
L. C. TEDFORD

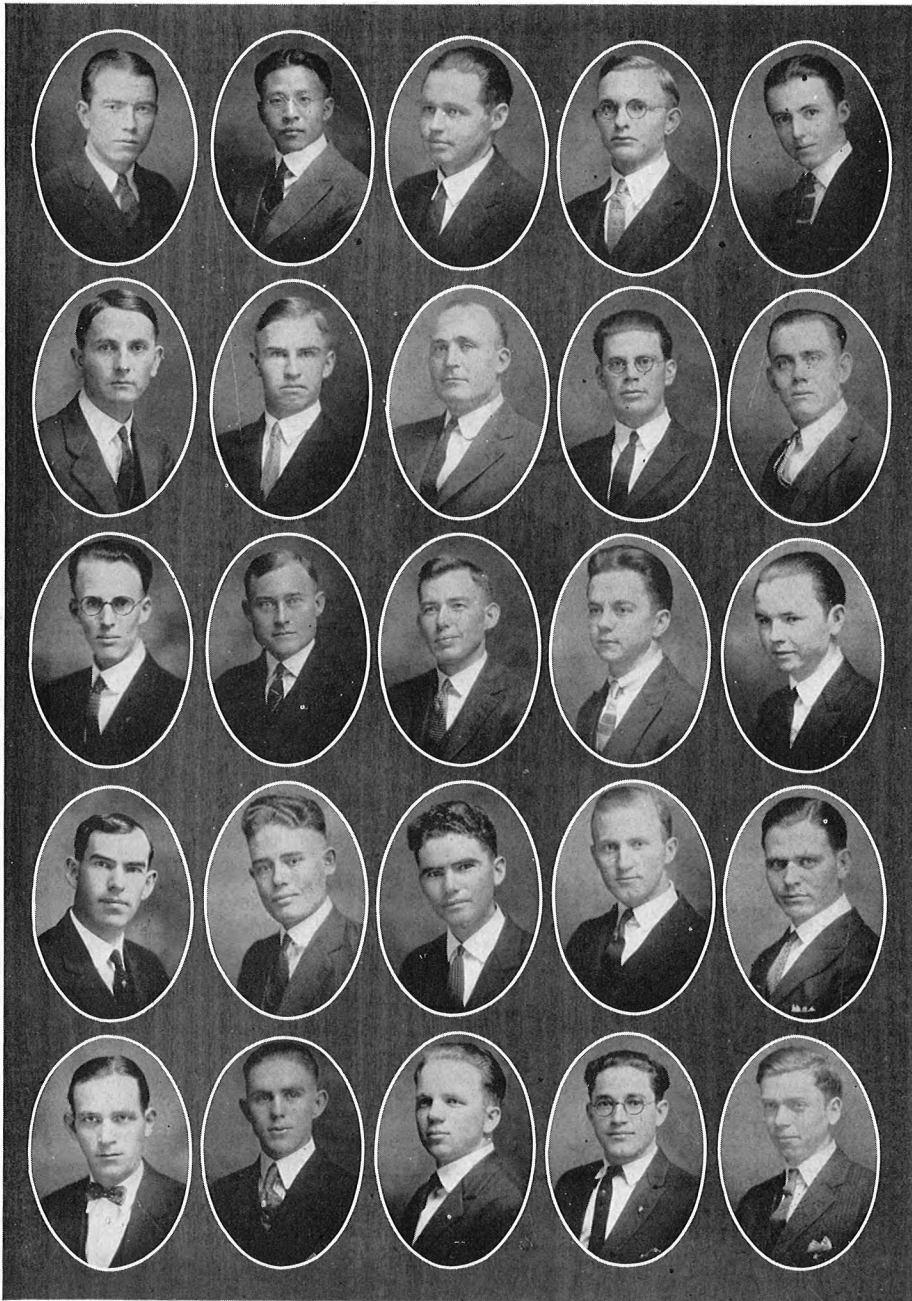

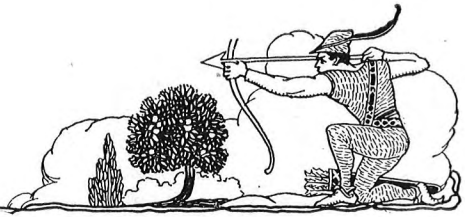

J. E. CALLAWAY
A. M. HERRINGTON

The Ministerial Association is one of the oldest organizations in the college. During its history it has developed a strong organization, high ideals, and an excellent spirit of fellowship, co-operation and helpfulness.

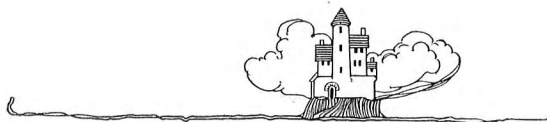

This promises to be one of the most fruitful years in the history of the Association. Our membership has reached high tide this year, numbering thirty-seven. These are all young men full of zeal, determination, courage and loyalty. Nine of our members are Seniors. This relatively high percentage proves that the Ministerial students are realizing more and more the need for the best preparation possible.

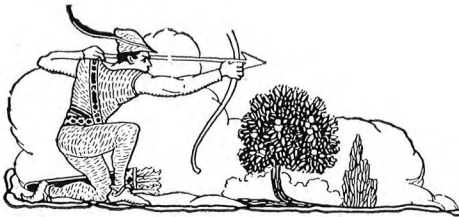

Our task is immense. Its characteristics such that it challenges true manhood. It calls for thorough preparation and faith in God. With the vision of a sin-sick world, we are determined to help give it the only panacea—the Gospel—which is the “power of God unto salvation to every one that believeth.”

Sons and Daughters Association

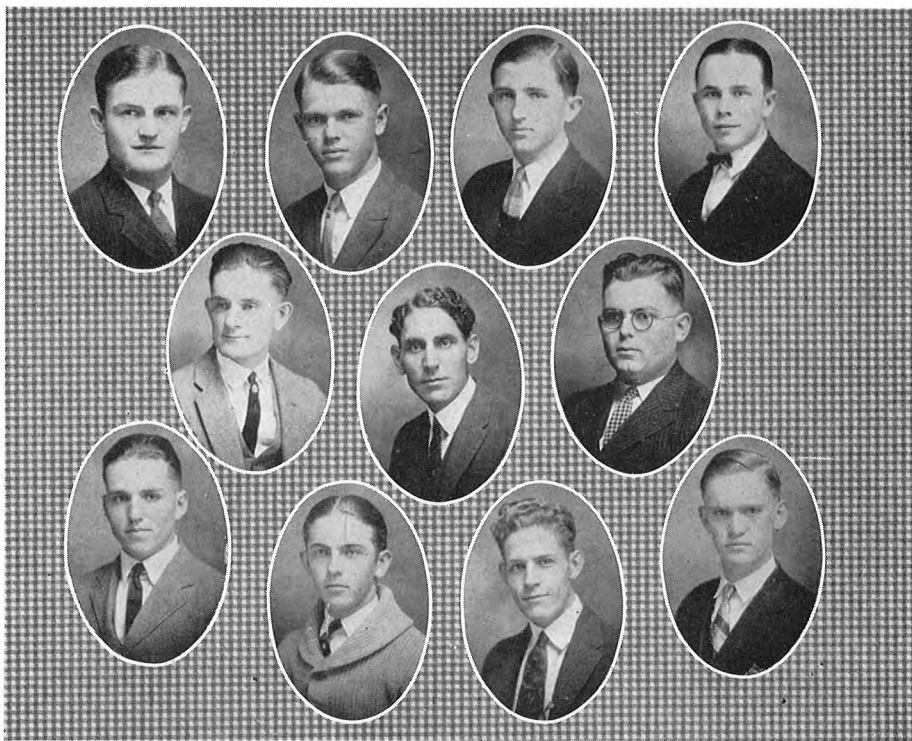

OFFICERS

- MINNIE HAWKINS *President*
- DALE SCOTT *Vice-President*
- ALMA THRASHER *Secretary-Treasurer*

True Ouachita spirit, planted in the home, thrives in the warm sunshine of the Sons and Daughters Club. This club, composed of sons and daughters of former Ouachita students, and sponsored by Mrs. Blake, has for its purpose the attaining of the highest standards of scholarship, and the realization of the dreams of a Greater Ouachita.

Social events are planned each year by the sponsor, who, by her love and loyalty, lends a helping hand to each over the rugged rocks of a college career.

Pre-Medical Students Science Club

OFFICERS

- | | |
|----------------------------|-----------------------|
| MORGAN PHILLIPS | <i>President</i> |
| THOMAS MCDANIELS | <i>Vice-President</i> |
| ENNIS TOONE | <i>Secretary</i> |

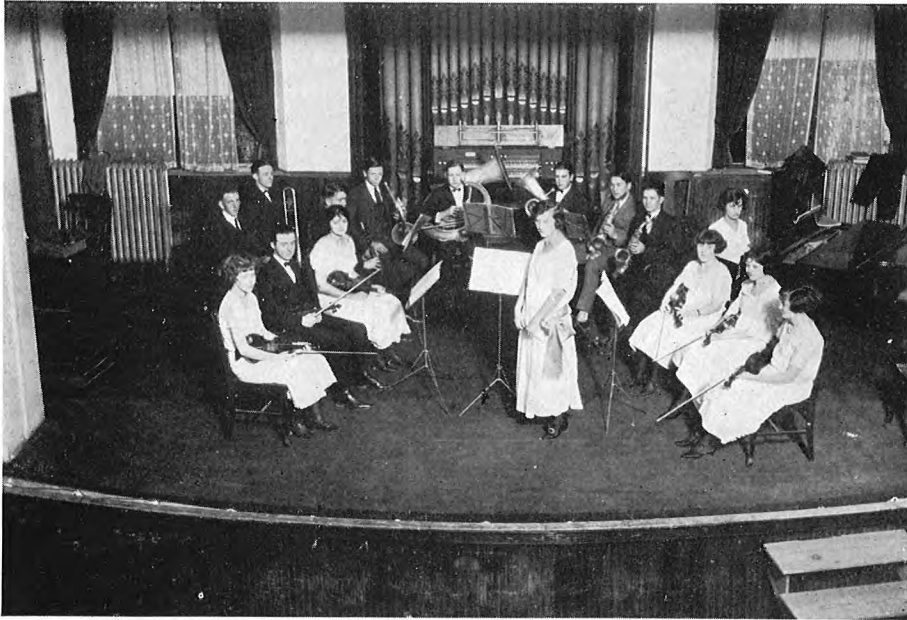

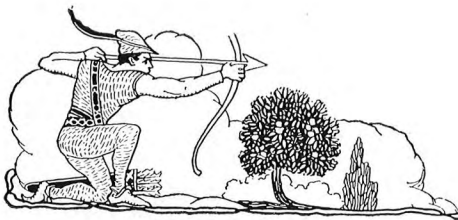

The Pre-Med Club was reorganized this year, combining with it the Science Students Club. Meetings are held each Monday night, at which time medical topics and new scientific discoveries are discussed. The club is very greatly indebted to Prof. Carl G. Davis, who is sponsor of the club, and who has shown a great interest in the work it does.

Anti-Racket Club

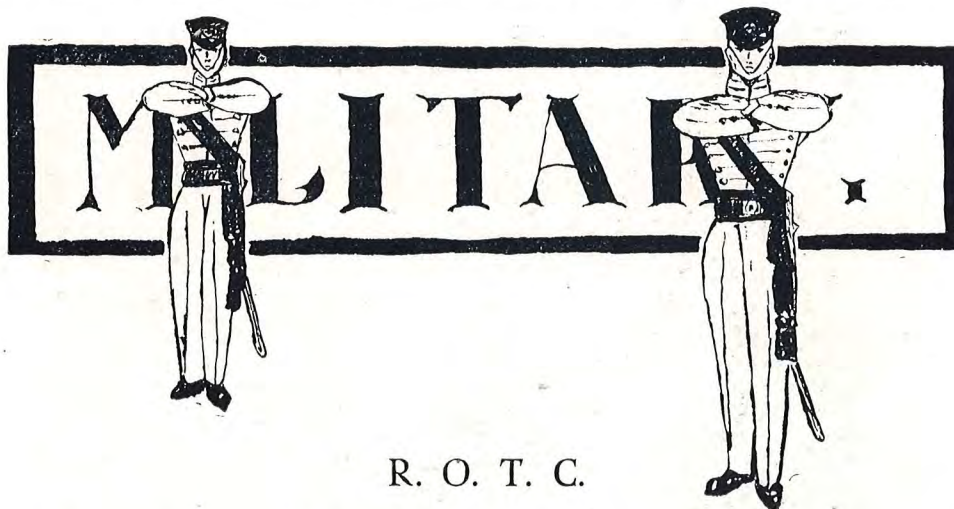

The Ouachita College Orchestra serves a two-fold purpose. To its members it offers musical training and self-expression. To its audiences it offers entertainment and inspiration.

Notwithstanding the many difficulties, the organization was perfected early and directed throughout the year by Miss Miriam Hadley. Loss of talent from last year's orchestra depleted the usual yearly heritage. A paid military band drew much attention from the organization for service gratis. But, characteristic of the true artist, they gathered on each practice night and worked with sterling devotion to an art.

There was not all practice and no performance. That grows tedious even to the most devoted of artists. On the night of March 28th the climax came in its orchestral performance in the rendition of Handel's great Oratorio, the "Messiah," directed by Prof. Hall. None who heard shall forget the soul-touching strains and the harmony of accompaniment to the great solo parts.

A wealth of latent talent in the student body will be developed and added to the orchestra for next year.

R. O. T. C.

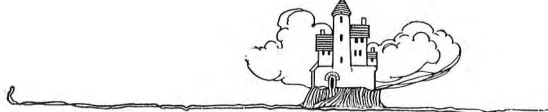

Perhaps the greatest difficulty that Freshmen have when they come to Ouachita is DRILL. But the almost universal agreement among Seniors is that this same drill is one of the greatest assets that Ouachita has. The Senior is in a position to make this assertion for, by the time he has spent four years in Ouachita, drill has helped to develop him into a strong and stately physique; and the mental habits acquired on the drill ground and in the class room are forces behind the strong personalities of Ouachita graduates. Furthermore, broadmindedness is gained by a trip to the Seventh Corps Area Training Camp which, for the past three years, has been held at Fort Snelling, Minnesota. Ouachita College sent more than fifty per cent of her unit enrollment to this camp last summer. This was a greater percentage than any other college represented at the camp. Of the fifty-five men which Ouachita sent, twenty-two will receive reserve commissions or certificates of eligibility this year. We believe the purposes of the R. O. T. C. cannot be excelled when coupled with a liberal education. Its purpose is to furnish trained officers in case of a national emergency, and to train for better citizenship.

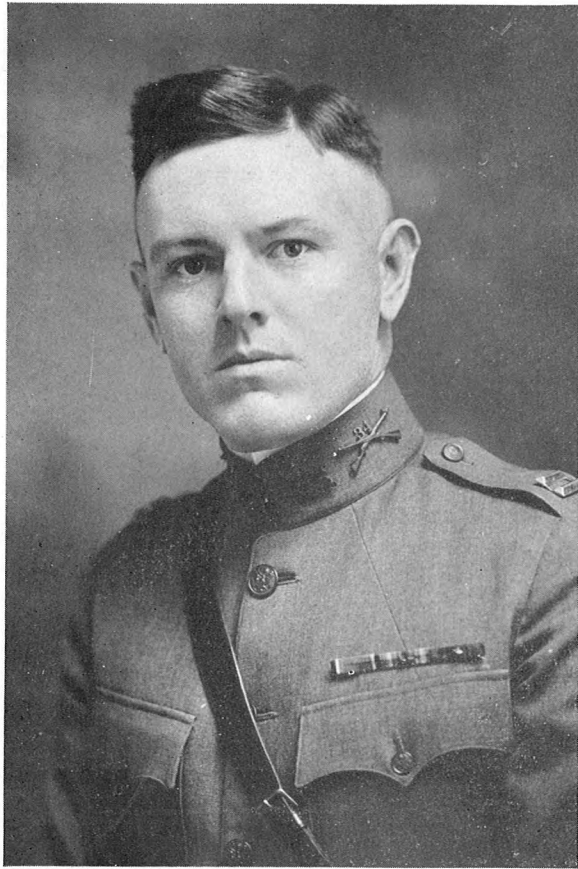

No man has probably done more to make the R. O. T. C. a success in Ouachita College than Captain Ray E. Porter, who has been with us only two years.

A new addition to the teaching force of the R. O. T. C., and who is assistant P. M. S. and T., is to be found this year in Captain I. C. Scudder, who comes to us from the Infantry School at Fort Benning, Georgia.

An experienced soldier is to be found in Sergeant Maurer, who has been with us four years.

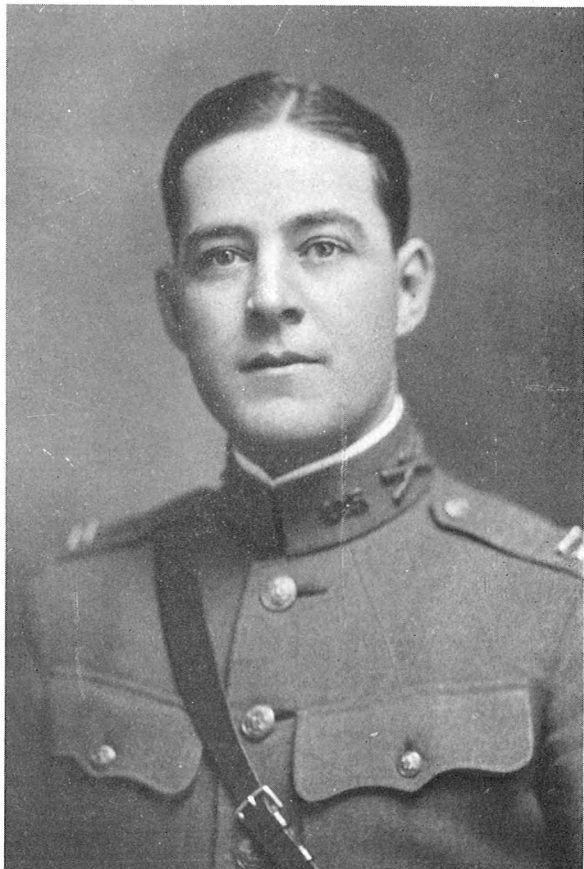

This school year has witnessed the division of the batallion into four companies. Interest has grown as a result of basketball and rifle tournaments between the companies. In both tournaments Company "D" has been the winner. Further interest has been enlivened by the election of batallion and company sponsors.

FOOT-BALL

Review of 1923 Football Season

Gridiron reminiscences are among the most pleasant to all college students. The thrills which come from this all-important phase of college life are unequalled. Unlike many other college activities the "old folks" are as much interested in football as the young, and especially if they have a son who is a gridiron hero. Consequently, future Ouachita families will center many of their fireside talks around this section of the college annual.

The season opened on the home field October 5 with Dallas University, when the Tigers defeated the visitors 3-0. The Tigers far outplayed the visitors, but fumbled often. The Tigers made 12 first downs to Dallas' 3.

The next game, with Mississippi A. and M., was fought with a loss of 6-0. Considering the weight and ability of the great A. and M. team, this was a good fight for the Tigers. The Tigers played a brilliant game with the A. and M. last year, tying them 7-7.

On October 27, Ouachita lost a hard-fought, but brilliant, game with Baylor. The Tigers made 14 first downs against 15, and completed 7 passes. The score was 3-0 in favor of Ouachita at the end of the first half, but at the end of the game Baylor came back with 16 points in her favor and the Tigers still had 3.

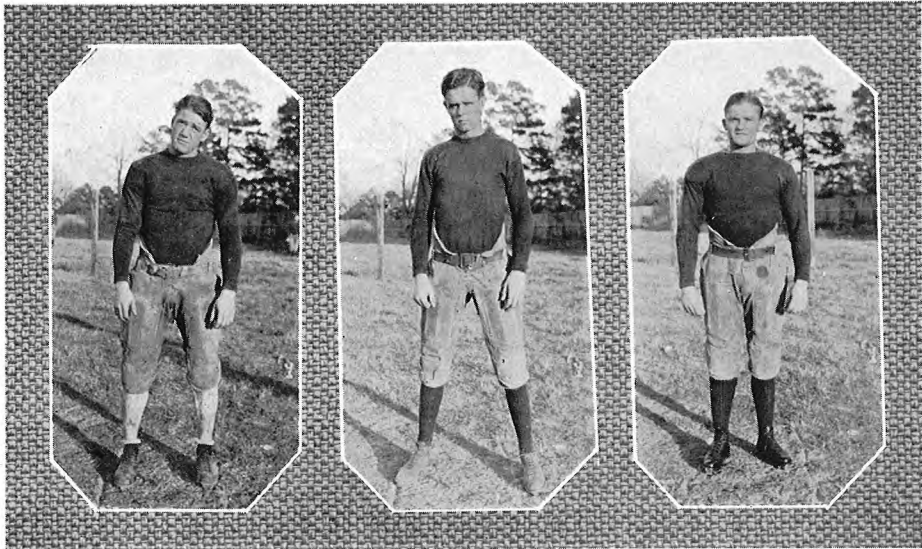

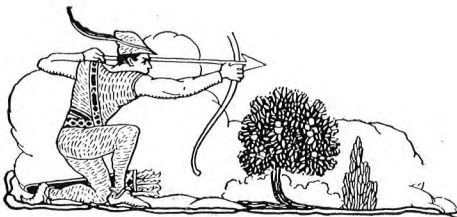

Probably the hardest fought game of the season was with Arkansas University on November 3. The Tigers, hurt by injuries received at Baylor, fought the University to a scoreless tie on a muddy field at Fayetteville.

The Tigers defeated College of the Ozarks, 14-6, on Friday, Nov. 16, on the A. U. Williams Field.

The next game was an overwhelming defeat for Hendrix. The feature of the game was the Tigers' brilliant passing, flanked by long end runs and hard line plunges. The score was 37-7.

Ouachita rooters could hardly believe their eyes when they saw the Tigers go down in defeat on Turkey Day. It was the first time in over a decade. But somebody said that the law of averages holds good in football as well as elsewhere. We have no alibi, but here are the facts: Ouachita made 19 first downs to Henderson's 7, completed 13 passes with a gain of 400 yards, and lost the game on breaks, with a score of 26-6.

FRANK TURBERVILLE *Halfback*

The story of Frank Turberville hardly needs retelling in Arkansas. Hailed as possibly the greatest athlete that Ouachita ever produced, he blazed a brilliant path through state athletics. Four-year letter man in football, three years all-state, captain and outstanding star, a great player most feared and prepared for by opposing teams; tireless, powerful, and always fighting, he was a veritable football machine. He was an ideal captain, knowing the game thoroughly, and always setting the pace. Certainly Ouachita has never produced a greater football player than "Tubby."

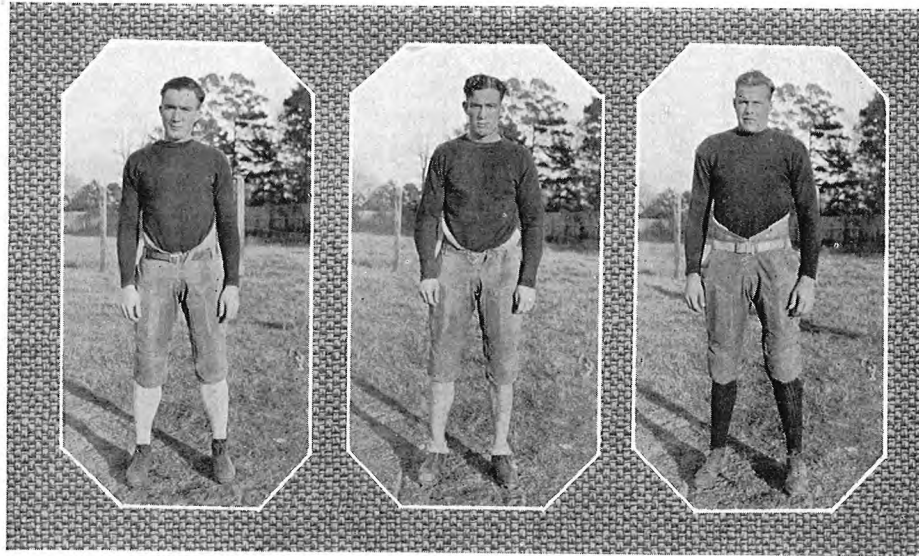

WILLIAM MONTGOMERY, *Captain-elect* *Center*

The next season will be the fourth for "Hos." He will make a great captain, being a heady and great player, and always dependable. He was one of the leading figures in the line, breaking through and nailing a man again and again. His "old pepper" is one of his most valuable assets. The honor of being captain of the '24 Tigers stamps him as a truly great player.

WILLIAM WALTON *Halfback and Fullback*

"Bill" started the season at half, but after the injury to Perry, was shifted to fullback. He is one of the type of men that always work and put out their best. Handicapped the entire season by a bad knee, he yet played brilliantly, carrying the ball well on plunges and end runs, and always being there with the interference. He has made three letters, and graduating this year, will leave a big gap in the Tiger backfield.

SAM DARDNNE *Tackle*

"Sammy" placed last season as an all-state tackle, and made his third letter in football. This is sufficient proof of his qualifications. He was always in the thick of the fight, giving his best. There was no doubt from the time the season opened but that he would land an all-state berth. He has finished at Ouachita and his place will be hard to fill.

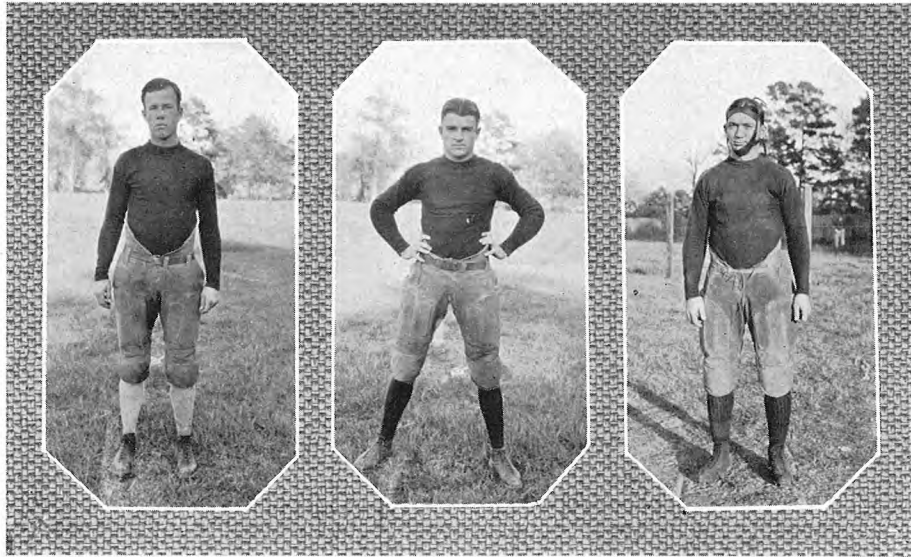

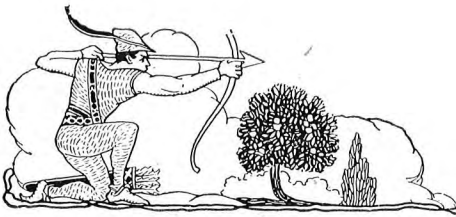

EDGAR DARDNNE *Guard*

Brother of the famous Sam, "Bee" brought home some fame of his own. He and King, as the other guard, time and again drew applause and favorable comment for the aggressive style of their playing. He starred in the Arkansas game, and also made the second all-state team. He has made three letters, and will be one of the mainstays of the line next year.

DALE SCOTT *Tackle*

The "Major" came to Ouachita in the fall of 1920, and played on the Tigerettes for two seasons. He made his letter in '22, and last season was his best. He was one of the regular tackles, playing in every game and always reliable. He finishes by graduation this spring, and it will be hard to fill his place next year.

ALYMER CANNON *Halfback*

"Bang" is one of the most dependable and steady players that ever wore a Tiger uniform. At bucking the line he knows but few equals. His tackles are hard and accurate. In addition to bucking the line, he carried the ball beautifully, running very low and hard. He has played three seasons with the Tigers, besides three in high school, and he knows football from A to Z.

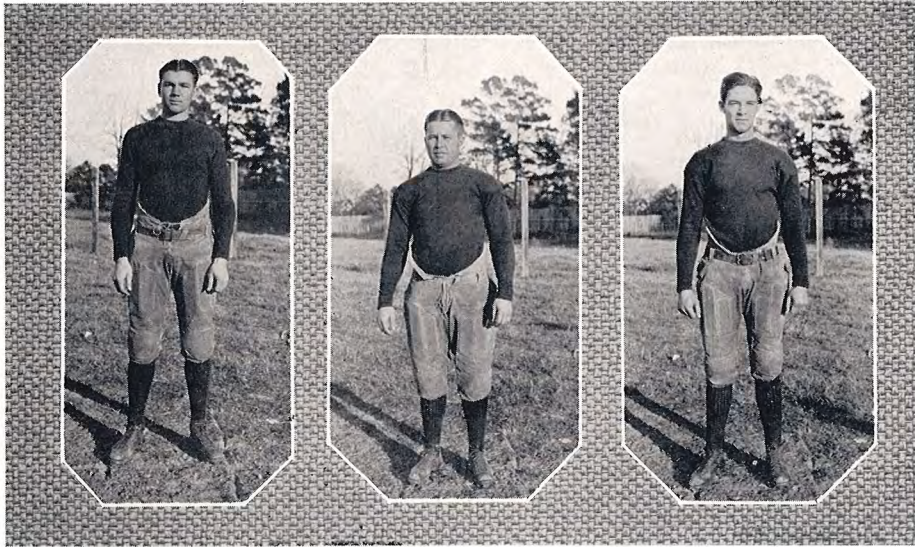

CAREY SELPH *Quarterback*

Selph has made two football letters in as many years at Ouachita, and last season pulled down an all-state position by practically a unanimous vote. He is truly a great quarterback, one of the triple threat men so often heralded in fiction, but so rarely seen in reality. He passes with uncanny accuracy, carries the ball well either through the line, or around the ends and kicks consistently. His two remaining years should be filled with great achievements.

MERVING PERRY *Fullback*

"Peewee" is a peewee in name only, for he boasts 188 pounds of thew and muscle which he can throw with pile-driving force against the line. He is the ideal rock crusher type of fullback. He played brilliantly up to the mid-season when he suffered a dislocated vertebrae in the Little Rock College game, causing his right side to become temporarily paralyzed. He was virtually assured of an all-state position up to that time, but was unable to play but very little afterwards. Time and chiropractic specialists have cured the injury, and his two remaining years should be highly successful.

PALMA HUNTER *End*

Coming to Ouachita in 1921 from the Russelville Aggies, "Lee Fohl" immediately caught on with the Tigers. The season '23 was his third and last in a Ouachita uniform. He was always a steady and heady player, and had a higher average on receiving passes than any other man on the team.

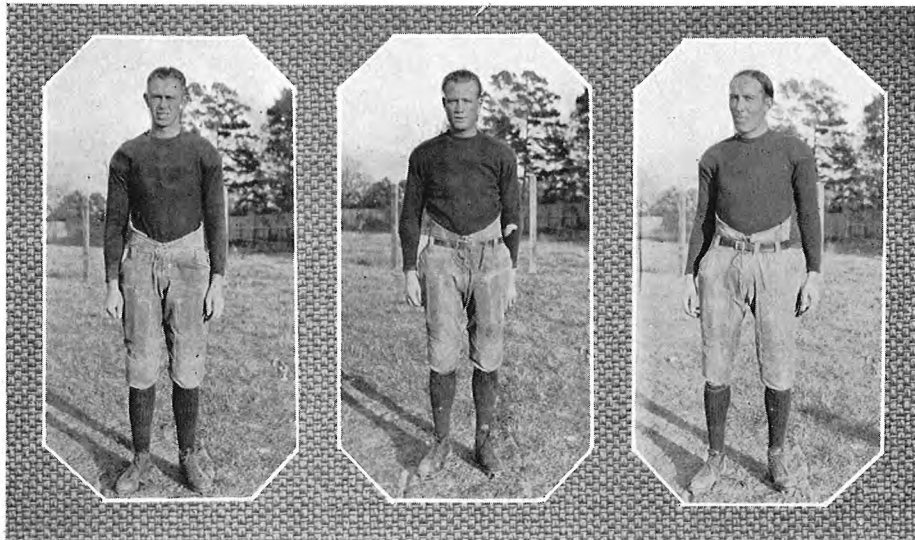

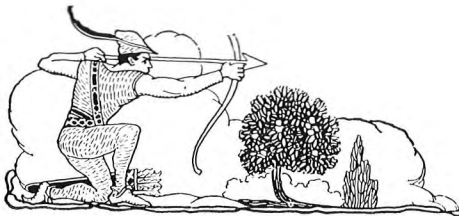

ARTHUR COLE *Quarterback*

"Crip" came back to Ouachita in 1922 after an absence of two years. He was ineligible for the varsity, and played quarter on the Tigerettes. Last season he was eligible, and played as the understudy of Carey Selph at the quarter position. His specialty was skirting the ends and broken field running, and his kicking was always good.

CLEO SHUGART *End*

"Shug's" specialty is pulling down passes. He came to Ouachita last year and played on the Tigerettes in the fall of '22. He was graduated to the varsity last season, and immediately made good. He is rather light, but makes it up in fight and skill. He is the third of the Shugart brothers to star in Ouachita football, and bids fair to uphold the family record in his two remaining years.

EUSTACE BAGGETT *Center, Guard, and Tackle*

This versatile linesman was the leader of the reserve material. He played any position in the line except end, although originally a center, and played them all exceedingly well. When given a chance he always made good. He came to Ouachita in 1920 but did not go out for football his Freshman year. He played two years on the Tigerettes, subbing on the varsity, and last season came into his own. His graduation leaves a hole in the line for next season.

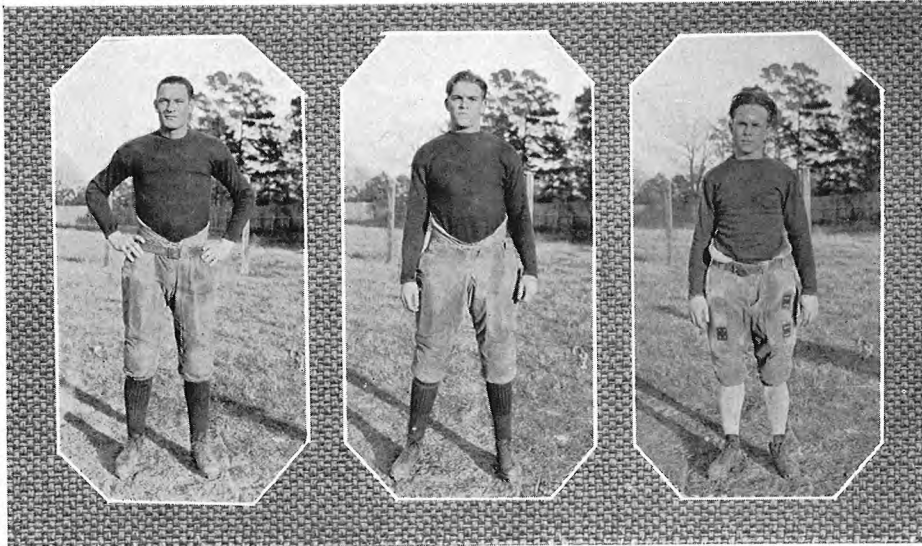

THEODORE KING *Guard*

After three years playing at end on the Tigerettes and subbing on the varsity, "Theo" won the "O" last season. Coach Jennings saw the making of a great guard in him, and he promptly developed him in the new position. He starred in the guard outplays, and rose to his height in the Arkansas game where he repeatedly broke through and threw opposing backs for losses. He made the all-state second team.

GARY DILDY *End*

Dildy came highly touted from Nashville High School, and immediately started in to living up to his reputation. He is a very big man for an end, weighing close to 190. This helped him in breaking up interference, and at the same time did not hold him down when he sprinted for a pass. With his natural ability and Coach Jennings' expert tutelage, he should fill his remaining three years with glorious deeds.

WALTER JACOWAY *Halfback and End*

"Jake" came unheralded to Ouachita last autumn, but when he stepped on the gridiron people began to take notice. A veritable Hercules in build, he threw his 185 pounds against the line with great speed for so big a man. An injured knee sustained early in the season caused a long lay-out that had a bad effect. When finally able to go back in, he was placed at end, where his uncanny ability to pull down passes, made him a highly valuable man. He has three more years that should be very bright.

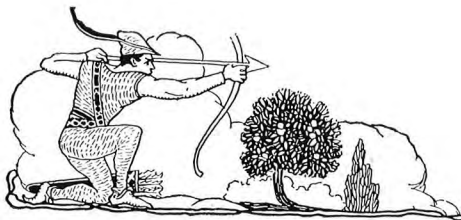

JACK NOWLIN *Tackle*

Jack came from Arkadelphia High School last autumn, where he had played at end. He ran at end for a time on the Tigerettes and on the varsity, and was then shifted to tackle, where he found himself. Always willing to listen to instruction, and full of the old fight, he offers wonderful possibilities during his remaining three years.

THOMAS McDANIEL, *Tigerette Captain* *Quarterback*

"Mac" came to Ouachita in '22. He played on the Tigerettes last year and showed up well, especially in the final game of the season, when the Tigerettes upset the dope bucket and beat the Dragons. "Mac" runs hard and is aggressive, which makes him a good Tigerette captain. We should hear a lot from "Mac" in his remaining two years.

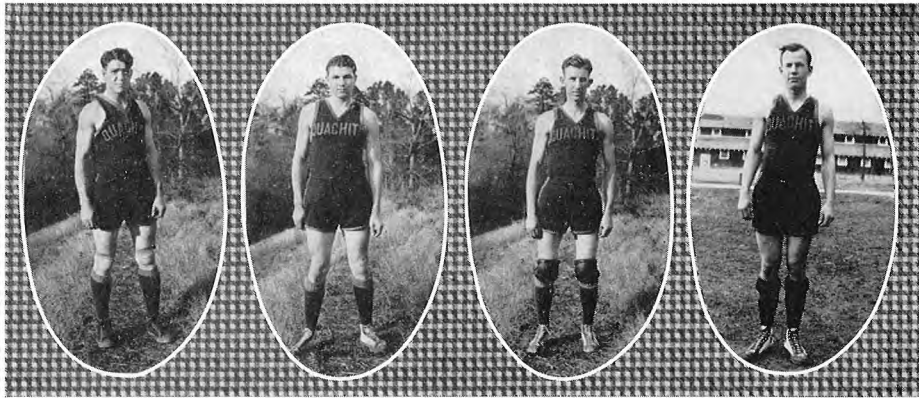

As the Ouachitonian goes to press the "Basketeers" have just begun their prowling in the cage. A series of games has just been finished with the Teachers. The last two games were played on the home court, which ended in divided spoils, but the other game of the series, which was played at Conway, was sacked by the Teachers. Two games with Hendrix, and one with Little Rock College were won from the Tigers.

The basketball schedule has not been completed up to date, but it is known definitely that there will be a series with Henderson Brown, and with Pine Bluff Y. M. C. A., and the completion of the series with Hendrix and L. R. C.

The second team has been doing some good playing this season, having already won from Gurdon High in a series of games played with them.

Four new men are added to the Tigers this year, and they are showing up well on the court. Two of them are former high school stars.

FRANK TURBERVILLE *Guard*

"Tubby" developed a state-wide reputation his first year in college, and has held it throughout his athletic career. His opponents observe him warily on the court, as well as on the gridiron and diamond. We regret that "Tubby" will finish his college athletics this year. He will certainly be missed.

PALMA HUNTER, *Captain* *Center and Forward*

Before coming to Ouachita, Hunter was captain of the Russelville Aggie team. He is playing his third year for Ouachita, and has always been one of its strongest assets. Upon coming to Ouachita, Hunter was shifted from center to forward, and he has been playing both positions well. Hunter is a fast man, his passing is consistent, and he is a good dribbler. The cage will miss Hunter this year by graduation.

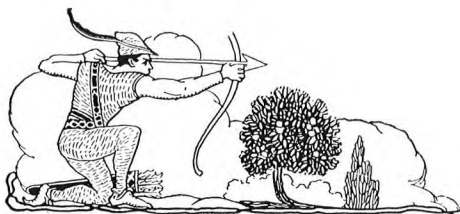

SULLIVAN ANDERSON *Guard*

This is "Sully's" second year on the team. Two years ago he was substitute forward, but since that time it was found that he was a more excellent guard. "Sully" is a whirlwind for speed and is good in breaking up plays. The team will lose "Sully" this year by graduation.

ALYMER "BANG" CANNON *Guard*

"Bang" entered the cage somewhat late this year, taking Chenault's place, who dropped out of school after the holidays. "Bang" became a demon in the cage, guarding his man well. He deserves a great deal of credit for the way in which he played the last games of the season. He mixed it well with the "Reddies." "Bang" has one more year.

CEDRIC GODBEHERE *Forward*

Godbehere comes to us from Hot Springs, where he won honors as a high school star. This is his first year in O. B. C. His accuracy in shooting is unequalled by any member of the team. He bids fair to be a real Tiger by the end of the season.

CYRIL MELTON *Center*

Melton is also a new man. He was formerly star center on the Crosset High School team. He is a classy player and shows all kinds of speed on the court.

WALTER JACOWAY *Guard*

Jacoway, "the college strong man and husky," hails from Ola, Ark. Judging from his makeup as an athlete, and the class of work he is showing in the cage, he should make good his looks in a short time.

ED BLACKMAN *Guard*

Blackman comes to us from Stuttgart. He is showing up some strong qualities as a guard at present, and should develop to high perfection by the end of the season.

BASEBALL

The passing of another year has again witnessed the Tigers as baseball champions of Arkansas. With most of the old team back, and with a number of new men from which to choose the remainder of the team, the prospect for the championship of '24 is indeed bright.

Arthur "Crip" Cole is to captain the team this year. "Crip" was with us last year, but his late entrance in school prevented his playing on the team. He was a letter man in '20. "Crip" is a heady base runner, and his pilfering has helped the Tigers to win many a game.

"Hoss" Montgomery is still a big wheel in the Tiger machine. His receiving is consistent, and he can be depended on as a hitter. His hawk eye and strong arm has enabled him to catch many would-be base stealers.

"Bill" Moorehead came to O. B. C. in '21 as a green rookie, but under the leadership of M. Jennings he developed into the leading moundsman of the state. His twirling was a big factor in determining the championship of '22. He promises to hold his pristine valor for the coming season.

"B" Edgar Dardne made his regular berth on the '22 Tigers, and came through pitching masterly ball. He is expected to be a large factor in the '24 championship club of O. B. C.

"Pewee" Perry is playing his second year around the initial sack. He is a valuable man both on the offense and defense.

Carey "Scotty" Selph came to us from the Arkadelphia High, where he achieved honors as a short stop. Through the coaching of M. Jennings, he has developed into a large cog of the Tiger machine.

"Cracky" "Pint" Parker made his debut in O. B. C. from Cotton Plant, Arkansas, in 1922. He made the team last year and achieved great honors both offensively and defensively. We expect much from him in the outer garden of the future Tigers.

Frank "Tubby" Turberville is playing his fourth and last year as a Tiger, and we only hope his sensational fielding and daring base-running comes up to his records of past years.

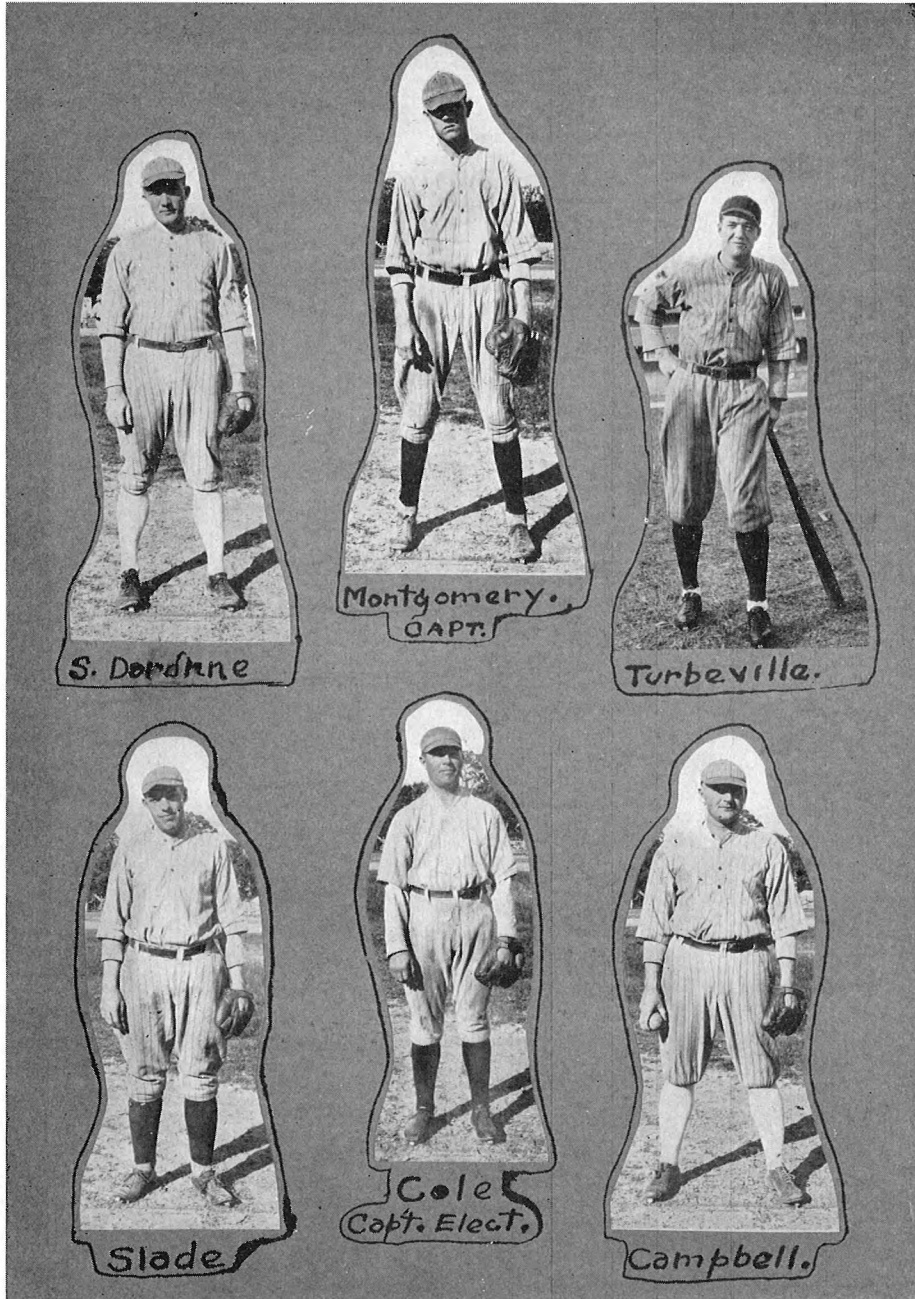

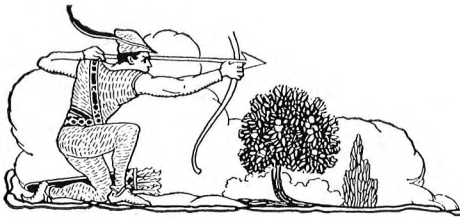

"Bill" Walton is playing his third and last year on the Tiger ball club, and we are expecting much from him in the outer garden of the '24 Tigers.

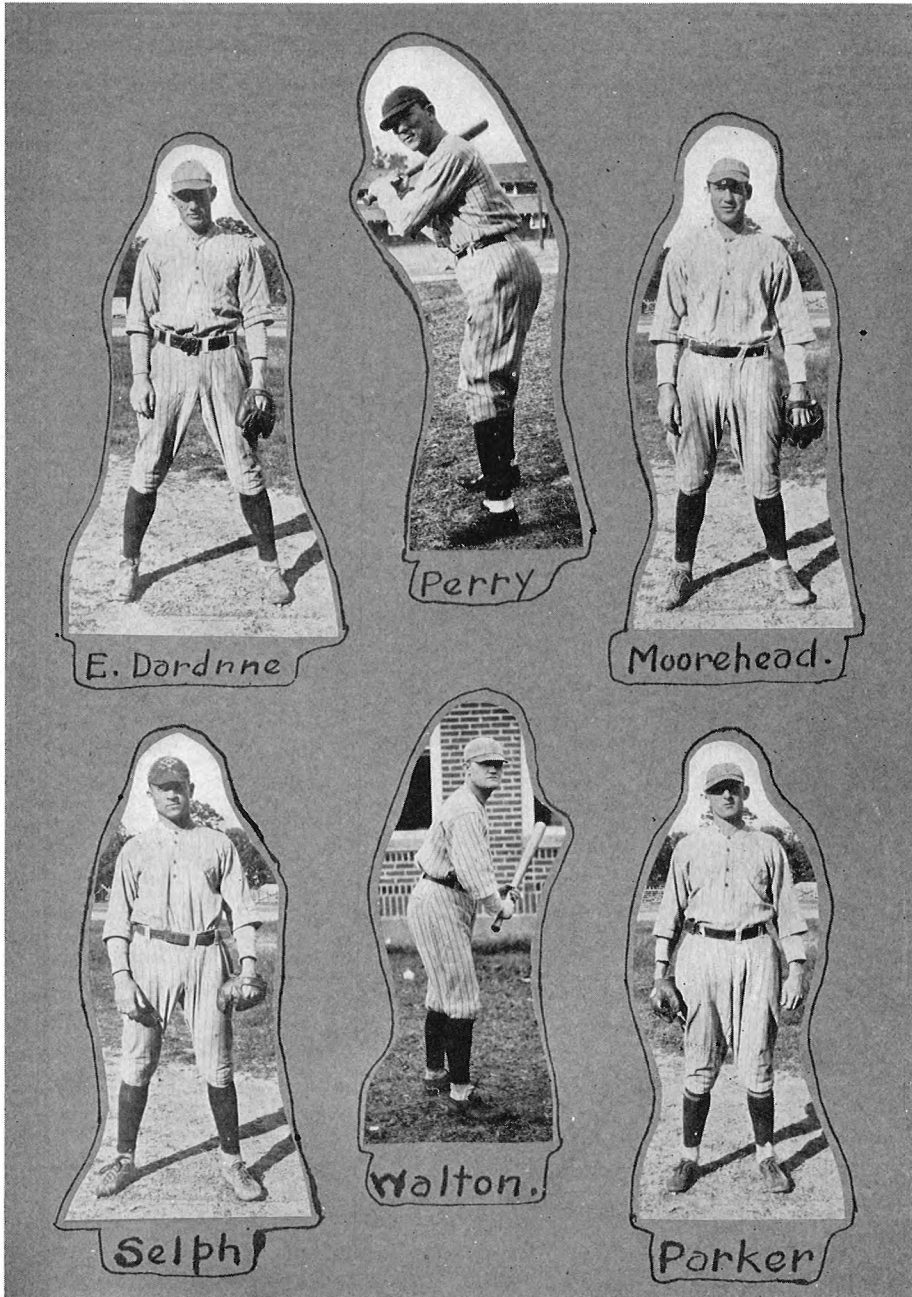

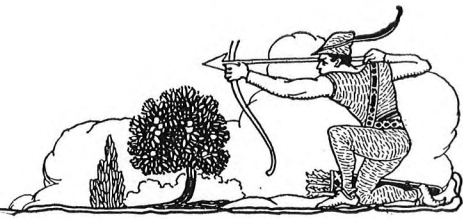

A number of new men are showing up well, among whom are Walter Jacoway, of Ola, Ark., second baseman; Ed Blackman, of Stuttgart, catcher; Jack Nowlin, of Arkadelphia, first baseman; Billie Townsend, of Wabbeseka, second baseman; Ira Selph, of Arkadelphia, utility man, and Noel Tomlinson, of Fordyce.

The results of last season are as follows:

Ouachita 3; Hendrix 1	Ouachita 5; Normal 7
Ouachita 5; Hendrix 2	Ouachita 3; Normal 2
Ouachita 3; Hendrix 7	Ouachita 14; H. B. C. 0
Ouachita 5; Hendrix 4	Ouachita 6; H. B. C. 4
Ouachita 6; Normal 2	Ouachita 8; H. B. C. 2
Ouachita 8; Normal 7	Ouachita 5; H. B. C. 6

E. Dardne

Perry

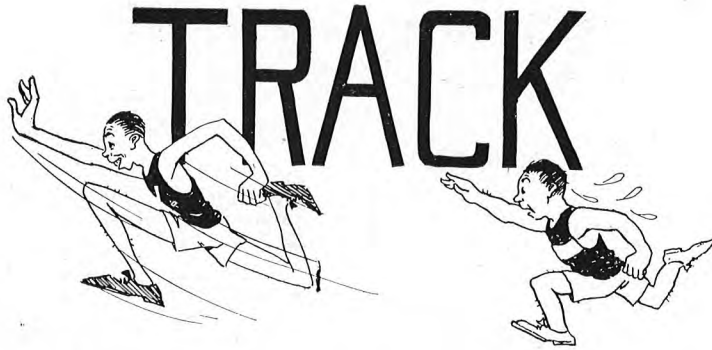

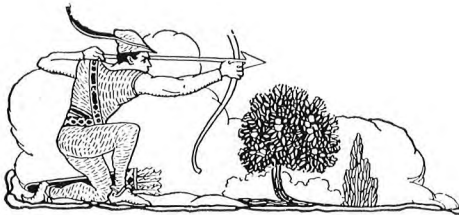

Moorehead.

Selph

Walton.

Parker

The thin-clad proteges of O. B. C. surprised the college world in 1923 by winning 31 points in the intercollegiate track meet held on the Haygood Field. While we only won third place, it showed what an advance Ouachita had made since the previous year.

Many good men failed to place because of the lack of experience. There is no reason why they should not be veterans in our next meet. Following are the names of the men who were awarded the coveted "O," and the name of the event or events which they won:

McCollum, javelin, first; 440-yard dash, second; mile relay. Goodman, 440-yard dash, first; relay. Barney Byers, running broad jump, second; high hurdles, third. Wayne McCauley, 220-yard dash, second; relay. Morgan Phillips, two-mile run, second. "Bang" Cannon, low hurdles, second. Eustice Baggett, discus, third. John Elliot, mile relay. Our relay team took second place.

Ouachita track team made a wonderful showing at Fort Snelling last summer when we won first place in the mile relay, and second place in the half-mile relay. We also won second and third places in the 440-yard dash.

With the old men of last year and the splendid new material which we now have, we feel able to successfully compete with any college in the Arkansas Athletic Association.

TELL IT TO JANE ADAMS

Our Mail Order Shopper, She Is at Your Service

This personal service feature is maintained solely for the benefit of our out-of-town patrons who find it inconvenient and sometimes impossible to make a personal trip to Little Rock.

Jane is an experienced merchandiser with a true sense of economy and she'll handle your orders just as if she were shopping for herself.

Just drop a line to Jane Adams, care of Pfeiffer's Department Store, or Pfeiffer's Jewelry Store, and your wants will be filled quickly, economically and thoroughly satisfactorily.

The Southwestern School of the Prophets

SEMINARY HILL, TEXAS

The Southwestern Seminary has entered upon its sixteenth session with the very finest conditions—a full faculty in all lines, teaching Theology, Religious Education, Missionary Training, Gospel Music, and so on; student enrollment of 652 the third term; great Practical Work Department, with the finest reports from the work of students during the year; an Extension Department with an enrollment of 906; a happy band of professors, and students preparing themselves for the ministry in preaching, teaching, singing and Kingdom work; more than 125 preachers with pastorates; tides of spirituality and evangelism running high; a great brotherhood working together in the spirit of Christ to prepare for the best possible service.

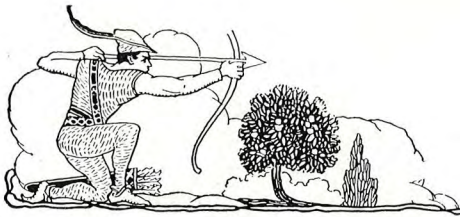

Students can enter at the beginning of each term, every two months from September 17th.

A detailed black and white illustration of the Tennessee State Capitol building, featuring a prominent dome and classical architectural elements. The building is enclosed within a shield-shaped frame with a decorative, arched top. The background of the shield is filled with horizontal lines and scattered diagonal dashes. Below the shield, there is a stylized signature or logo.

A complete organization of college annual experts assuring you Quality Engravings, Prompt Delivery, Helpful Cooperation and Personal Interest in each and every annual produced.
