Read the Baptist Advance in Order to Be an Intelligent Baptist

DR. J. S. ROGERS SAYS THE COMPLETION OF THE

OUACHITA ENDOWMENT

was the greatest single achievement of Arkansas Baptists. But where

THE BAPTIST ADVANCE

did not circulate the campaign for endowment was never put on, for it could not be put on among people who do not have the information that comes from reading the paper. The \$400,000 of additional endowment would never have been given to the college without the help of the Baptist Advance.

PROMOTE THE CIRCULATION OF THE BAPTIST ADVANCE

and you promote Ouachita College and every other Baptist interest. For this reason the Baptist State Convention has authorized the

SPECIAL LOW RATE OF \$1.00 PER YEAR

when nearly all other Baptist state papers are charging twice that price.
