*AS A TOKEN OF OUR SINCERE
APPRECIATION FOR THE LONG
FAITHFUL SERVICE WHICH HE
HAS SO UNSELFISHLY RENDERED TO
OUACHITA, AND AS A SMALL MARK
OF THE REGARD WE FEEL FOR HIM,
WE AFFECTIONATELY DEDICATE

TONIAN" TO*

SGT. JOHN MAURER

*WHOSE LOVE FOR OUACHITA
IS UNDYING.*

FOREWORD

TO you, fellow students, we present this 1927 Ouachitonian as a picture of the life that we have been living, joyous and irresponsible, yet tinged with seriousness and sincerity.

May it recall the sacred traditions of the past, and remind us of the challenges of the future.

And if, in later years, when memories have been dimmed and remembrances have faded, it helps you to live again the days at dear old Ouachita, the joy of service will have been ours.

History of the Class of '27

N the Fall of 1923 there entered Ouachita College the largest class of her history. As to whether or not it has been the best, you yourself may judge that point. They assumed the attitude of penitent Freshmen and subjected themselves to the traditions and policies of the campus. Over the period of four years many of our number have failed to return; however, new students have entered, and now we have as candidates for A.B. degrees about sixty-three of the south's finest.

Remarkable changes have occurred in this brief four-year period—far too brief in many respects. We have seen the endowment of the college increase several hundred thousand dollars. We entered just after Cone-Bottoms hall had been finished, one of the finest dormitories in the South. We have seen the completion of perhaps the best athletic field in the state, and one of the largest stadiums in this section of the country. We have seen remarkable athletic teams, the football team which has been state champions for the last three years, the baseball team which has been state champions for a period of years, and our basketball and track team which have been runners-up for state honors. In fact, we have been apart of a period of development that portends remarkable progress to the college, a period in which years from now we shall look back upon in great pleasure, realizing that by our works we have been and had a part in this noticeable renaissance, if it can be termed that.

In a literary way our class has been in the forefront all the way through, containing many outstanding men and women along all lines of literary endeavor. As a Senior class we set a standard of which any college might be proud. The class has produced leaders that are not made in a day, and who have yet a role to play.

Thus, the history of our class has been briefly written—far too briefly to encompass all the attainments and honors of its members. That history, however, is but a milestone in a greater history—a history that will not be recorded upon paper, but a history which will be registered in the life of every individual member of the class. Our prophetic statement is that it will be lives so lived that they will reflect honor and glory upon the individual and upon the institution which gave us our start.

Junior Class History

IN 1924 more than a hundred students entered Ouachita as Freshmen, coming from schools all over Arkansas, and some few from outside the state. The members of that class speedily won places of honor and recognition for themselves in every phase of college life. Sixteen of the boys won in their first year the coveted purple "O" in athletics, six as football players, two as basketeers, three on the baseball diamond, and five in track. The other members became active in literary and religious work.

They were called green, as Freshmen are, but green things are growing things, and they grew in favor with faculty and students alike. In 1925 they were Sophomores, cynical and worldly wise, apparently forgetting that they were Freshmen so short time before.

Of the class that entered fewer than half remains. Those who left went into teaching, business, or matrimony according as Fate creed their futures. Students entering from other schools took their places and the class has kept the honors first attained and added others to them. The more talented members will graduate in their Junior year as conservatory Seniors. The majority will round out their four years joyously and usefully, leaving when they shall have gone, traces of an influence and association peculiarly their own.

Sophomore Class History

VISE fools! The world laughs and calls us such. Little do we care. We are proud that we have earned the right to be called Sophomores. To us it means a battle won, an upward step from the lowly plane of "Froshdom" to the higher and more sophisticated estate of upper classmen. Past? Yes, we have a past. A glorious past. Yet, simple and ludicrous.

Our simple history begins on September 15, 1925, when we entered the welcoming portals of the little college on the banks of the Ouchita. We were green, yet "fresh" in our greenness. Naive little lads and lassies, just loose from the apron strings, we had queer ideas of college life. We were not too well educated to be victim of the venders of "chapel tickets" and the "key to the campus."

The remarkable part of our story, however, is that we did, after a long time, begin to learn something. Soon we lost our surplus supply of chlorophyll. From that time on we have been a true part of our dear old Alma Mater.

To every phase of college activity we have contributed our talent. Our classmates hold important positions in the literary societies, in the Y. W. A., in the departmental clubs, in the band, in the glee club, and on the staffs of the various college publications, not to mention the athletic teams on which we are amply represented. We may justly claim part honor in the mighty Tigers, that won the state championship, since we contributed to the squad such men as, Buchanan, Howard, Selph, Woodsmall, Brazil and Wood.

In order to get to work early as an organized class, the following officers were elected shortly after the beginning of the session: Clyde Hart, president; Clarice McDaniels, vice-president; Ruth Donham, secretary; Clark Waters, treasurer. They have contributed much to our progress as a class and we truthfully submit our appreciation. Out of these and other co-operative efforts of our classmates we have formed a tool that serves as a guiding philosophy which will some day, we hope, mold us into a personage that others may say, without stopping to think, that "Moral Discipline is manifested in us."

In closing, let us again impress upon all scoffers that we are proud to be Sophomores, and will forever cherish our remembrances. Our ambitious spirit causes us to quote from Longfellow:

*Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labour and to wait.*

FOOTBALL

The 1926 Tiger football team will go down in history as one of the greatest, and gamest squads ever to carry the Purple and Gold into battle. In the face of all obstacles and the keenest competition in the country the Tigers, striped terrors of the jungle, completed their third consecutive year without defeat. A record equally as brilliant cannot be found in all the history of Southern football. So well did the Tigers defend their goal it was crossed only one time the entire season, and the fifth time in the last three years. This great Tiger team was the outstanding scoring eleven in the state, and ranked high in Southern College football circles. Team after team wavered and went down in defeat before the charging of the royal Tigers. In seven games played the Tigers scored a total of 205 points to their opponents seven.

In comparison with other teams the Tigers were not physical giants; neither were they half grown yelping cubs. They were full grown tigers, eager to do battle with any opposition that faced them. Lighter by pounds than some opponents, the Purple Wave surged relentlessly on and then, when the Wave had subsided, were to be seen the battered teams that felt the fang and claw of the mighty Tiger. They were battered, torn and clawed, and as they turned their backs upon the scenes of battle; after the sound of war drums could be heard no longer, they slowly plodded their weary way homeward, with envy and perhaps a touch of jealousy for the mighty Tigers. But, such was not the same with the majestic striped cats: they, who have never known defeat; they, who have made the greatest record in Dixie; they, to whom belong the spoils of victory for three years; they, who have written the name OUACHITA across the face of all the Southland. They returned, perhaps slightly battered, but majestically and triumphantly to their dens on the cliff of the little Ouachita river, where they are masters of all they survey.

Football Resume

OUACHITA 48; A. T. C. 0

 HE Arkansas State Teachers College faced the Tigers in the opening game of the season. Much anxiety was experienced a short time before this game. The Tigers were performing under a new coach who was new in college football circles. The eyes of the sport world were directed toward Ouachita College. Over all the state this question was being asked: What has Ouachita got this year? Have they another winning team? On October 9, the leading papers announced that Ouachita had a championship team. The Tigers run rough-shod over the teachers to win a 48-0 victory.

OUACHITA 20; OZARK COLLEGE 0

A week later the Tigers journeyed to Pine Bluff with the entire student body, on a special train to engage the Mountaineers from Ozark College. The heat was intense, but everybody reported a good time; the Tigers walloped the hardy challengers 20-0. This was a sweet victory and it informed the sport world the Tigers had a formidable machine, because the year before the Tigers fought this opponent an up-hill battle to win a 3-0 victory.

OUACHITA 40; UNION UNIVERSITY 0

Next on the program were the "Bulldogs" from Union University. In this game the great Tiger offense came into its own. Time and again the Tiger linemen charged the Bulldogs backward, while the backs came thundering through to pile up a one-sided score of 40-0.

OUACHITA 0; HENDRIX 0

On October 29, the Tiger met his arch age enemy, the Hendrix "Bulldog." This was the opening event in Ouachita's new stadium. Five thousand people assembled to see these teams do battle that memorable afternoon. For two hours and a half twenty-two iron clad warriors, Tiger against Bulldog, claw against claw, fang against fang, charged and recharged, striving to gain a victory. And when the game was over five thousand fans came down out of the stands, some disappointed, some with tears in their eyes, some lighthearted and contented, and SOME really happy, because the Bulldog fought the Tiger a scoreless draw as far as scoring is concerned. In the last few minutes of the game the Tigers ripped the Bulldog line to shreds but time prevented a score.

OUACHITA 46; ARKANSAS COLLEGE 0

A week later the Tigers went on a rampage. Smarting from the sting of a tie the week before, the striped cats piled up a 46-0 score on Arkansas College. In this game the Tiger backfield really found itself. They charged over center, they slashed off tackle, they run the ends, and completed pass after pass.

OUACHITA 37; TENNESSEE DOCTORS 0

On that memorable day, November 11, the Tigers gave the Tennessee Doctors the worst licking they had received in a decade. The "Commercial Appeal" hailed the Tigers as the greatest team ever to appear in Memphis. The "Docs" have long been a power in Southern football but they went down in crushing defeat at the hands of Arkansas' many times champion team. Every Tiger covered himself with glory, there were no weak places, no man was waiting for the next play to do what he could. It was a great game.

OUACHITA 14; HENDERSON-BROWN 7

Then came the crowning achievement of a year when, on Thanksgiving Day, before the largest crowd ever to witness a game in Arkadelphia, the royal Tigers defeated the "Reddies," 14-7. Great games may have been played in Arkadelphia before, great games will perhaps be played in the future, but never will there be a greater game than on that Thanksgiving Day, when a purple-jerseyed eleven pitted itself against the Maroon clad warriors of Henderson and came home with the wreath of victory. The Tiger backfield was a veritable battering ram, and again the line earned the title of "The Seven Wonders of the World." NEVER will there be such a game!

To Our Great Leader

COACH FOY HAMMONS

Foy Hammons came to Ouachita in the Fall of 1926, to direct the athletics of the college. He came here as a great man, great as an athletic director, great in character, and great in personality. Coach is a true gentleman; he is more than that, he is a man. He is honored and respected by all on the campus. It is sheer pleasure to be in his presence.

After being with us only one year, he is the biggest man on Ouachita's campus. His superb generalship and clear-sighted ability in guiding our athletics has made Ouachita a determining factor in all forms of athletics. But beneath all his greatness, beneath all outside appearances or influences, you will find the true Hammons. Dig down into the core and you will find the source of such greatness and personality. There you will find high morals, a spotless character, a noble, gentle soul, and a heart of pure gold. Hammons is an idol.

CAREY SELPH, *Assistant Coach*

Carey Selph's name has been written at the head of the list of those who have distinguished themselves in Arkansas' athletic hall of fame. He is the greatest football player ever to perform on an Arkansas gridiron; he is equally as great as a baseball player. But great as he is in athletics he is greater as a man. He is esteemed and honored by all who know him. His name has become a legend and will live forever in the hearts of Ouachitonians.

Carey is our assistant athletic director. Ouachita could not find a better man for the position. "Scotty" has been of great and valuable service as a coach. His presence upon the field was an inspiration. For years "Scotty" has been one of us, working and striving for Ouachita's greatness, but we pay homage to him as a great man and coach.

"MOSE" DILDY, *Guard, Captain*

Weight 177, Four Years, ALL STATE

Mose is one of the most versatile football players that ever donned a Tiger uniform. A good athlete, and a good man. The captaincy of the greatest team in the state is a distinction which hard work, and not in the working of fate, gave to Gary Dildy. No better or more respected leader could be found to march at the head of a victorious Ouachita team.

Hall, to thee, Gary.

Football

WILLIAM C. BRASHER, *End*

Weight 160, Three Years

Bill is the best defensive man that ever wore a Tiger uniform. He can size up a play with lightening-like rapidity, and despite his light weight he is the hardest tackler in Arkansas. By ever playing the role of a gentleman he has won a place of high esteem in the regard of his classmates, fellow students, and his opponents.

"IKE" HOWARD, *Quarterback*

Weight 165, Two Years

"Ike" is the man that took Selph's place. Some people thought it couldn't be done, but even they will admit it was, and it was done well. Kearns is a good passer and a clever broken field runner, and a good field general. Much is expected from him in the future, since he has two more years with us.

"COO" WINBURN, *Halfback*

Weight 165, Three Years

"Coo" is one of the fastest backs in the state, and his weight and speed make him a dangerous man. It was Hardy who broke through the Hendrix "Bulldogs" and fought his way to the eight-yard line, only to be called back. The passing of this star will be greatly missed next year. Hall, to thee, Hardy.

"PAPA" GRAHAM, *End, Captain-Elect*

Weight 185; Three Years, ALL-STATE

"Papa" is the greatest end that ever trod the sod on a Southern gridiron. He is the greatest figure in Arkansas football. He is a six footer, "all man," yet, he is the fastest man in the state. He has made football history by eloping with passes. Graham is an idol!

Football

"RED" MCMANUS, *Center*

Weight 179, Three Years, ALL-STATE

"Redhead" is one of the greatest players the game has known, and the greatest center in Arkansas. No high spots can be picked out in his play; it is always consistent and sensational throughout the season. A man who played his position to perfection. A man and a gentleman on the gridiron and off.

"BIG" MILLER, *Guard*

Weight 175, Three Years

Like many another whose work is done beneath the surface, he paved the way for gain after gain, and blocked many powerful attacks. "Big" had the misfortune to get a broken hand in mid-season, but this did not keep him on the sideline. In spite of his injury he fought on and is recognized as one of the greatest guards in the state.

"ROY" RIGGINS, *Halfback*

Weight 160, Three Years

"Rig" is the midget of the Tiger squad, but what he lacks in size he has in punch. He was the sensation of the backs. When "Rig" hit the line it was first down for Ouachita. He played the game of his life Thanksgiving against the "Reddies." It was his great offensive drive in the second half that spelled defeat for Henderson-Brown.

"HOOKER" REASONER, *Tackle*

Weight 183, Three Years

With strength and force that batters all resistance has been combined as crafty a brain as ever possessed by a football player. "Hooker" is one of the greatest Tiger linemen of all time. He was picked by several sports writers as an all-state tackle. He is a man who knows in what proportion to mix his work and play; a man who played his tackle to perfection.

Football

JACK NOWLIN, *Tackle*

Weight 187, Four Years

The summit of sartorial perfection and the Beau Brummel of the Senior class. A man who believes there should be more to a college education than just the learning absorbed from text books. Jack is a great tackle; a man of action and daring. He has passed on with the alumni. Hall, to thee, Jack.

JOE HENRY NUCKOLS, *Guard*

Weight 185, Two Years

Joe Henry is a pillar of strength in the line; the comedian of the Tiger squad, but like all wise men, Joe knows when to discontinue the comedy and begin the drama. He has the ability and making of a great star.

"BUCK" BUCHANNAN, *Fullback*

Weight 180, Two Years, ALL-STATE

"Buck" is one of the hardest driving backs in the game. He is one of the greatest punters in the Southwest. Another all-state man whose ability is not questioned. Great things are expected of Buck in his two remaining years. A great Tiger and a great man.

IRA SELPH, *Guard*

Weight 167, One Year

Ira has fought like a demon for four years to make the Tiger varsity. This year his efforts were not in vain. The will is there; the ability is there; the man is there; and by his unending efforts he was rewarded in his last year. A sincere friend, a jolly good fellow. We hate to lose him. Hall, to thee, Ira.

Football

"DOC" BILES, *Tackle*

Weight 170, One Year

"Doc" is another hard worker whose efforts were rewarded in his last year as an Ouachitonian. He is outstanding in his faithfulness and is always ready to go with no great priming.

"PETE" PERRY, *Halfback*

Weight 162, One Year

"Pete" is the brother of the former "Ouachita Tank," Mervin E. Perry. "Pete" bids well to follow in the path of his famous kinsman. He is a powerful line smasher.

FRANK STROOPE, *Halfback*

Weight 170, One Year

"Strooper" knows what it is to be a scrub, he fought with them two years, but this year he bade farewell to the scrubs and became a full grown Tiger. He is a good punter and an exceptionally good drop kicker.

"J. C." HARRELL, *Halfback*

Weight 172, One Year

"J. C." came to us from Pine Bluff. He is a dangerous man to face when he has the ball. He has three more years with us and much is expected of him.

Football

"JABBO" DALYRAMPLE, *End*

Weight 160, One Year

"Jabbo" came up from the scrubs this year and made us a valuable man. He is a very aggressive end and is a hard man to go around. Jabbo should be a great fighter next year.

"DESTRUCK" SELPH, *Quarterback*

Weight 161, One Year

Leland is a great quarterback, a good brokenfield runner and a good field general. He is adept in tossing passes and sidestepping. He has two great years before him.

FRANK MCGIBBONY, *Center*

Weight 151, One Year

"Mac" is football smart for a Freshman. Although light for a center, he is a great fighter, and promises to be a coming hero for the Tigers, in his remaining three years as a Tiger.

O. D. WOOD, *Fullback*

Weight 161, One Year

O. D. is the Adonias of the Tiger squad. He has natural ability and when he hits the line—all's over but the shouting for the game is won. This versatile star has three more years to play as a Tiger.

A Tribute to the Scrubs

Behind the scenes in every stage effect that dazzles an audience, some humble electrician or stage hand plays an important part, unseen, unheralded, unsung, unpraised, in making the production a success. The brightness of the stars cast their shadows upon them and the eye of the public cannot distinguish them in the mists. Noble souls and brave hearts are giving themselves away for the sole purpose of making the play a success. The applause and bouquets are for the Prima Donnas.

And so it is in football. Behind the scenes in daily rehearsals the "electricians and stage hands" are transformed into loyal forms of humanity, who have feelings the same as you and I, and who are known from coast to coast as "Scrubs." There was never a scrub team in existence which received the praise and honors rightfully due it. To work and strive with the scrubs for two, three or four years, hoping for a chance, perhaps only for a few minutes in an occasional game, is truly a noble-hearted, loyal, inspirational accomplishment. Yet for some reason it cannot be otherwise. The scrubs are an institution, they are here and are here to stay. And if others do not, let it not be said that our scrubs shall not be honored and praised.

The Ouachita Tiger machine can attribute, and does attribute, its success in no little degree to the painstaking and more often painful scrimmages which the lowly scrubs ran through with them "behind the scenes."

BASKETBALL

The Ouachita basketball team of 1927 was the greatest team ever to represent the institution. By running up a string of victories over the leading colleges of the state, unparalleled in Ouachita history, the Tiger team rose to heights unprecedented, and made for itself a lasting reputation throughout the state. Considering the style of basketball played by the team last year and the years before, this year's team was the wonder team of the state. The Tigers finished second in the association, being barely nosed out by the champions in the final moment of play in the deciding game.

This is the first year Ouachita has endeavored to put a championship team in the field, and in a single year a secondary team was developed into one of the strongest teams in Arkansas. Another year will perhaps see the Ouachita Tigers champions of the state. We have the material, and still more we have the greatest coach in the state. This year's team was composed of a group of the best stars in the state, made up largely of new men, and this is the foundation upon which we base our predictions for a great team for Ouachita in the future.

Two men will be lost from the squad this year by graduation. These are Pullig and Blackman. Pullig is a great center, a hard fighter, and a star of numerous engagements. Blackman, the captain, is a hard worker and a good guard. To him belongs the honor of having captained the greatest team in Ouachita history.

And now, as we draw the curtain upon this year's great team, let us try to appreciate its greatness and the man who made it—Coach Foy Hammons—and let it be remembered that this is only the beginning of Ouachita greatness in the basketball world.

Basketball

KEARNS HOWARD

Forward

"Ike" is a Sophomore, and consequently playing his second year on the squad. He always plays a good game and should prove to be a good man in the years to come. "Ike's" floor work was outstanding and his goal shooting very effective.

DICK GIFFORD

Guard

Dick's great work at running guard was one of the big reasons for Ouachita's rapid improvement. Dick is a great all-round man; he starred in every game and is one of Arkansas' outstanding guards. This is his Freshman year and a great deal more should be heard from him in the future.

CURTIS PULLIG

Center

"Blue," who has won state recognition in other branches of athletics, is truly just as great on the basketball court. This is "Blue's" last year and his ever fighting do or die spirit will be very much missed when the gong sounds next year. His work under the baskets was always noticeable, and he converted many misses into baskets.

CLYDE NANCE

Forward

Clyde, who is playing his first year with Ouachita has already won state-wide recognition. He displayed a nice eye for the basket, sometimes making no less than twenty points. Clyde's floor-work and clever faking was good and we expect him to be one of the shining stars of the 1928 quintet.

CAPT. EDDIE BLACKMAN

Guard

Although Eddie did not play in every game he was a fast hard worker and a crack guard. He will always be remembered as the way he gets around the court in such a pleasing manner. This is Eddie's last year and his leaving is regretted.

Basketball

BILL BRASHER *Guard*

"Bill" played a very hard aggressive brand of basketball. He is always in there breaking up passes and sending the ball back down the court. Bill has one more year in school and then fans have confidence in him and believe he will make good.

CLYDE HART *Forward*

Clyde is a Sophomore and playing his second year on the varsity. He always played a good game of ball while in the game and should prove to be an excellent man in the years to come. Clyde is scheduled to return next year and with his added experience should become a star of first magnitude.

GORDON GILBERT *Forward*

"Shorty" is one of the smallest men ever on a Ouachita College basketball court. He is the type of a man who furnishes thrills for the fans with his flashy playing. He is a good shot and covers a great deal of floor, always worrying an opponent. Next year is "Shorty's" last one and he should prove to be a great man.

JOE NICHOLS *Forward*

A much better game has been played by Joe this year than last. His eye for the basket was good, and he always displayed a fast floor game. In the games in which he took part, however, he showed a cool and smooth style of play. We are hoping that he will be fortunate enough next year to show what he can really do.

ROY NANCE *Guard*

Roy is a fast hardworking man at his position and soon demonstrated that he is a valuable man. He did not get to play much this year but with three years ahead of him should show up well in the future.

ROBERT MOORE *Guard*

Robert's ability as a guard had not been discovered when the pictures for the annual were made so he was left out. Since then he was given a real opportunity and his qualities as a basketball player may be seen in any game, for he is a clean sportsman, a fighter and always consistent in his playing. With three more years to give to Ouachita we may count on one position being well taken care of.

TRACK

Track, along with basketball, has been a minor sport in Ouachita until very recent times. The season of 1925 was the first time the Tiger authorities undertook to become a power in track activities. They were nosed out of a championship in the final event. Several of our track stars departed from the portals of our institution in the Spring of '25, which took away much of the strength of the team.

The Tigers have the best dash team ever brought together in the state. Graham has beaten or equalled every state record from the 100-yard dash to the 440-yard dash. He is the greatest sprinter Arkansas has ever produced. He has four excellent running mates in Captain Elliott, Winburn, and Buchanan. Brasher, Royal, and Jarrett are a trio of long distance runners that rank with the state's greatest. Pullig is the champion pole vaulter of Arkansas; his record being within a few inches of the Southern College record. Pullig and Reasoner handle the weights; Reasoner is also a broadjumper, and Pullig is a high hurdler.

The above array of stars won an easy dual meet from Henderson-Brown, and fell only at the hands of the state champions. A Tiger team never finishes below second place in any form of athletics—such is the greatness of the Tigers.

QUARTERMAN
1927

BASEBALL

1926

The Ouachita Tiger baseball team is even more famous than the football team. From the beginning of the Twentieth Century the Tigers have had practically an uninterrupted championship team, winning championship after championship. The Tigers have not won the championship every year, but every year they have been either champions or the runners-up. The team, other than our Tigers, to win the championship had to beat Ouachita for the title. The team of 1926 was one of the few in the last twenty-six years that did not win a clear title to state honors; this team finished in second place, one game behind the leaders.

The 1926 season was a successful one. The team played through the entire season with the loss of only three games. Only one series was lost, this being to the College of the Ozarks. These were the only games lost in the Association. Hendrix, Henderson-Brown and Arkansas Teachers were unable to win a single game. Two of the best semi-pro teams in the state went down before the brilliant playing of the Tigers. Warren lost a three-game series along with Gurdon.

The pitching of "Red" Carter was outstanding; he lost only one game out of seven starts, and he saw service as relief in a few other games. "Red" pitched two two-hit games; one against Hendrix and the other against Henderson. Hooker Reasoner is the other pitcher whose record stands out, although he did not perform much as a pitcher. He defeated the Warren team in the only extra-inning game of the season, and let the Arkansas Teachers down with only two hits. Hill, L. Selph, and Howard are a trio of brilliant fielders and hitters. They play third base, shortstop, and second base respectively. Dildy is a fine first baseman. Blackman, catcher and captain-elect, is the best catcher in the state, beyond a doubt; nothing more need be said of him. The outfield consisted of such stars as Captain Perry, Stroope, Daniels, Reasoner and Nowlin—as good as can be found in all Dixie. With this above named group of stars is it any wonder the Tigers have a winning team?

Baseball

1926

JACK NOWLIN

Fielder

Jack is a very capable outfielder, but is more valuable as a hitter. He is a great left handed slugger, and is a fast fielder. This is the closing episode of this famous character in Ouachita athletics as a baseball player. We wish him success in the game of life.

"RED" CARTER

Pitcher

"Red" is one of the greatest pitchers in Arkansas College baseball; the ace of the Tiger pitching staff. His great arm and hitting ability make him a great ball player. When the Tigers have a real task in hand, Red is called to the mound. He very seldom ever fails us.

"HOOKER" REASONER

Pitcher, Outfielder

"Hooker's" speed and arm gives him two requirements of a good ball player. He is occasionally called to the box where his work has been good. He ranks with the leading hitters of the team and is a fast fielder.

GARY DILDY

First Base

"Mose" plays first base like a leaguer, and is a good hitter. His all around ability on the diamond makes him a great favorite. Gary knows the game and he uses his head as well as his body.

Baseball

1926

EDDIE BLACKMAN *Catcher, Captain-Elect*

"Ed" has few equals as a catcher in Arkansas. He is the greatest in college baseball. Speed, pep, and ability all combined in one man on a baseball diamond is a great factor. He has them all, which make him a great ball player.

JOHN DANIELS *Fielder*

"J. T." is a great ball player, fielder, hitter and base runner. He is a sure bat in a pinch. Many Tiger scores have resulted from timely blows from his bat and many scores have been prevented by his sensational fielding.

"PEEWEE" PERRY *Fielder, Captain*

"Pee wee" is a typical ball player. A powerful man who can use a bat to great advantage. Mervyn was a great captain of a great team. Birds of a feather flock together. This is the final role of this splendid athlete who has made athletic history in Ouachita. He is liked by all who know him, and as he goes out to play the game of life we wish him all the success in the world. He has been a faithful son to his Alma Mater; we feel that he will be greatly rewarded. Hail, to thee, Pete.

LELAND SELPH *Shortstop*

Leland is one of the best infielders in the game. An exceptionally good fielder, who can throw from any position. He is one of the best hitters on the team, and is a clever base runner.

Baseball

1926

JACK CARTER

Pitcher, Third Base

Jack's pep and chatter, the old Tiger growl, along with his performance made him a true Tiger in spirit and action. He is a good hitter and fielder and saw service on the mound a few times, but by nature is a third baseman.

"IKE" HOWARD

Second Base

"Ike" is the best second baseman the tigers have had in several years. A better man for the keystone birth could not be found. His brilliant fielding makes him outstanding, but he is also a good hitter.

LELAND HILL

Leland is a typical third baseman. The hotter they are the better he likes them. He has the best throwing arm of any third sacker in the state. Leland is famous as a slugger, many of his long drives going for extra base hits.

FRANK STROOPE

Fielder

It is mighty hard to get a hit in the field in which "Strooper" is playing. Hard chances is what he likes, and often he makes hard ones appear easy. He can also use a bat to a great advantage.

Pi Kappa Delta and Debating Teams

 JOHN HARDIN WRIGHT *Reporter*

*"Say first, of God above or man below,
 What can we reason but from what we know?"*

—POPE, "The Essay on Man."

HE Ouachita chapter of the Pi Kappa Delta is one of the two chapters in Arkansas, the other being located at Henderson-Brown. At the National Convention held at Estes Park, Colorado, in March, '26, this province was re-apportioned to include Arkansas, Texas, Louisiana, and Alabama. The provincial meet will be held in Arkadelphia this spring, under the auspices of the Alpha chapter of Henderson-Brown and the Beta chapter of Ouachita. Ouachita was represented at the National Convention by Hermond Westmoreland.

DEBARING TEAMS

Ouachita has this year contracted one of the heaviest schedules ever entered into by the college. This year is marked by the return of the young ladies to the forensic circle and they will engage in debates with Arkansas Teachers College and Henderson-Brown. The trio who will engage in these debates, are Misses Beatrice Rogers, Sylvia Webb, and Prudence Amos. These young ladies are formidable opponents and will assuredly win victories in their forensic tilts.

New men who make the squad this year are Lonnie Meachum, William McMillan, Jimmie Brewer, and Clyde Hart. Two of these young men have been champion debaters in high school and will add much to the calibre of our debating teams. The other two have also had debating experience and should win many victories for the Purple and Gold before they leave us.

Hermond Westmoreland is debating for the last time as a member of a Ouachita team. Melvin Crowe is debating for his third year. John Hardin Wright and Lloyd Sparkman are entering upon their second year of intercollegiate debating. These old men coupled with new men should form winning combinations and much is expected of these battling Sophists in their forensic clashes this Spring.

The schedule follows:

Melvin Crowe and Jimmie Brewer meet Baylor at Waco, and College of Ozarks here.

John Hardin Wright and William McMillan go on the road to meet Arkansas Teachers College and the University of Arkansas in their auditoriums.

Lloyd Sparkman and Clyde Hart, Lonnie Meachum and Hermond Westmoreland will engage teams invading Arkadelphia.

These teams will represent the following: Oklahoma Baptist University, Hendrix College, Harding College, Henderson-Brown.

Almost a score and ten years ago the Ministerial Association of Ouachita College was organized. Every young man in the student body who has accepted the ministry as his life's calling is eligible for membership. Like all other organizations on the campus, the Association is under the supervision of the school. Its work is calculated to be of definite service to every member in giving to each one a better conception of what his ministry may mean and also in furnishing a source of spiritual development while courses of study are pursued.

The influence of this organization is profoundly felt on the campus, as well as in other sections of the state. Everyone is actively interested in some phase of church work, many of the members being pastors of churches. During vacation time dozens of meetings are conducted by these student preachers in which hundreds of people are led to accept Christ.

So far as the members of the Ministerial Association are concerned, they have just one distinguishing characteristic—they have been called of God for a specific service. They strive to so conduct themselves that the stranger will not readily know them to be ministers, but will not be surprised when he learns that they are.

 MRS. E. M. BLAKE, *Counselor*

Ouachita Y. W. A. was organized in 1911, at which time Mrs. Blake was elected counselor. Through this position she has won the esteem and admiration of every girl who has been a member, and we wish by this means to give honor to whom honor is due and express our appreciation of the faithful leadership she has shown.

Everyone in Cone-Bottoms Hall is a member of this organization, and for the past three years Ouachita has been the first Y. W. A. to reach the standard. The programs are inspirational and educational, being based on missions and the state work of Baptists.

Officers are elected only twice a year, dividing the school year into two semesters. The officers form a cabinet, which meets each week, to attend to the business and pray for the advancement of the kingdom work. It is hoped that each girl may remember always her training in the Y. W. A. and the watchword, "And they that be wise shall shine as the brightness of the firmament, and they that turn many to righteousness as the stars for ever and ever."—Daniel 12:3.

"Teamwork is universally acknowledged as essential to success in every practical field of human endeavor." The successful team has an organization of wise leaders to direct its efforts, and capacity with subordination in its ranks.

The Cadet Officers are elected each year for those students showing the greatest proficiency in the art of Military Science and Tactics. They are judged upon their grades in class, their attention and skill upon the drill field, and upon their records at summer camps.

FINALE

And thus the Kampus Kalendar for the year 1926-27 has come to an abrupt end, for at this stage in the game we are sending off the last copy for the 1927 "Ouachitonian." We are indeed sorry that we cannot give you

the record of the happenings for the entire year, but we do not think it would be the proper thing to do, to hold up the annual in order for you to have these memorable happenings.

In case you wish to know what happened hereabout, for the remainder of this school year, we refer you to volume MLXVIII Ouachita Library, that is, if Simpson or Taylor have not stolen it, or if Shelby Whitehead hasn't misplaced it in his maneuvers behind the stacks, or to the latest revision of the Congressional Records. If, however, you only want a general knowledge we can give it to you in a very few words. Every Tuesday, Thursday and Saturday mornings the boys will drill, and the girls will partake in indoor Calisthenics. Every morning at 6:45 reveille will be held in front of the boys' dormitory. The boys are requested to be present and all others are cordially invited. And then during the remaining spare time of the students, they will be meeting their regular literary classes in the places set aside for such activities.

And now in closing, we wish to extend to all the readers of the "Ouachitonian" the Season's Greetings and hope that you have really and truly enjoyed your volume.

THE STAFF.
