

Athletics

COACH FOY HAMMONS

For the past four years, athletics at Ouachita have been under the able direction of Coach Hammons. From the beginning he has been popular with athletes, students, and fans alike. His ability and generalship have made Ouachita a determining factor in all forms of athletics. His teams have won wide recognition not only in Arkansas, but in other states as well.

The men who participate in athletics can best appreciate his greatness. Few men have the honor of being coached by such a man as Coach Hammons. He has made stars out of seemingly obscure men and has made the great greater. His love and loyalty to the school and to the Tigers is the reason for his hard work and consistent striving for Ouachita greatness.

Every man that takes part in athletics at Ouachita, be he scrub or star, would fight until his last ounce of strength was gone for the honor and respect of Coach Hammons.

ASST. COACH WM. BRASHER

Bill's name has been written at the head of the list of Ouachita gridiron heroes for years. It has been truthfully said that "He was the best defensive man that ever wore a Tiger uniform. And his defensive play is typical of his all around play.

He was selected as the most valuable player on the team at the close of his athletic career as a Tiger performer. This great honor was bestowed upon him because he never gave up and fought every minute.

As our Assistant Athletic Director, Bill has shown that same determination and ability displayed in his four seasons as a Tiger. His capable efforts have culminated in the production of many of our varsity athletes from unknown high school boys. We all honor and respect him as a fine coach, a tireless worker, and a truly great man.

CAPTAIN COLLINS R. PERRY
(Left)

Football

Pete proved an able leader and it was his fight and spirit that encouraged the team when the battle was going against us. He has been a great player and a great leader.

CAPTAIN CLYDE R. NANCE
(Right)

Basketball

Dick led one of the best basketball teams that ever played for Ouachita. He was the moving force on the offense, and a strength on defense. His men worked hard for him and the team.

CAPTAIN J. RAYMOND BAINE
(Left)

Track

Jeremiah was leader of the first championship track team Ouachita ever had. His determination was an example to his teammates, and caused them all to work harder.

CAPTAIN BERNICE E. GILL
(Right)

Baseball

Booter headed the baseball team in its most difficult year. Forced to fight for its very existence, his team played on and showed its true mettle by not giving in.

FOOTBALL

The football season of 1929 was not marked by any great degree of success for the Tigers as compared with the former years, but Ouachita was not considered lightly in football circles anywhere. During the early part of the season it seemed that Ouachita had a chance to regain her crown as football champion, but the lack of reserve and an unusual amount of bad luck caused the Tigers to lose some of their games. The entire team is to be complimented for the wonderful fighting spirit and co-operation that they demonstrated on all occasions during the season, and especially at Nashville, Tennessee, against the Vanderbilt Commodores and at Little Rock against Arkansas Tech.

Hendrix-Henderson defeated Ouachita in a football game for the first time in eighteen years. The Warriors should feel justly proud of this victory, for one so well earned and so long worked for is not one to be cast lightly aside.

Ouachita faced one of the greatest teams in the history of Arkansas football on Thanksgiving, and the gentlemen across the ravine deserved to win.

One Tiger made the All-State team, two the second All-State team, and twenty-one their letters. With Coach Hammons as the pilot, Kinard and Jones as leaders, and other prospects appearing extremely bright for the coming season, the state championship should return to the home of the Tigers.

THE RECORD

Magnolia A. and M.	6	O. B. C.	6
Vanderbilt	26	O. B. C.	6
State Teachers	13	O. B. C.	23
Louisiana Tech	13	O. B. C.	0
College of Ozarks	0	O. B. C.	32
Hendrix-Henderson	7	O. B. C.	6
Arkansas Tech	7	O. B. C.	7
Arkansas College	0	O. B. C.	20
Henderson State	46	O. B. C.	0

EARLY KINARD End
Captain-elect
 (All-State 2 Years)
 (Weight 170—3 Years)

"Skeet" is one of the greatest ends that ever played in a Southern gridiron. He is the most outstanding football player in Arkansas. He was unanimously chosen Captain of the Tigers for 1930 by his team mates. Much is expected for him next year, and Kinard does not disappoint.

TEDDY JONES . . . Quarterback
Sub-Captain-elect
 (All-State, Second Team)
 (Weight 155—3 Years)

Teddy is a good passer, clever broken field runner and a great field general. Ouachita is known for its clever quarterbacks, and Teddy is no exception. Next year will be his fourth and last. Everyone is predicting that it will be the greatest season of his career.

ROBERT MOORE Tackle
 (All-State, Second Team)
 (Weight 200—2 Years)

"Big Bob" proved himself a great player this year despite his injuries. He paved the way for gain after gain, and blocked many powerful attacks. Big Bob is always in the middle of the battle. His wonderful defensive work against Tech will not be forgotten soon by Tiger supporters. An even greater season is ahead of "Big Bob."

KRIEDER BUCHANAN . Fullback
 (Weight 200—3 Years)

"Red Buck" is the man that tears his opponents line to shreds. That's what he did for the Vanderbilt Commodores at Nashville, Tenn. A "Charley horse" crippled him part of the season, but next year he should make the All-State team.

COLLINS "PETE" PERRY . . . Half Captain
(Weight 168—4 Years)

For four years Pete has been a back that Coach, teammates, and fans could depend upon to do his part in every game. Although he has not been as spectacular as some players, he has won for himself a name that will long be remembered at Ouachita. Pete is the second Perry to Captain a Tiger football team, and he has proven himself to be a great leader.

VAN ELLIS . . . Guard
(Weight 180—2 Years)

Although "Segeer" is the handsomest man in Ouachita, this distinction does not hamper his ability as a brilliant performer on the gridiron. His offensive work is unsurpassed by few guards in the State. The next two years should find him as an All-State selection.

EVANDER MOSLEY . . . Guard
(Weight 165—2 Years)

"Gander" has fought his way for four years and is known to have that "never die" spirit that is characteristic of the Tigers. By ever playing the role of a gentleman he has won a place of high esteem in the regard of his teammates and opponents. Gander has made Ouachita a valuable man, and will be greatly missed.

JOHN MEADOR . . . Tackle
(Weight 190—2 Years)

"Big John," the man who blocks the punts and breaks up the opponent's interference. With strength and force combined with cleverness he batters all resistance. Sport writers would do well to watch him in action in the next two years of his already successful career.

ARLEN JONES Center
(Weight 177—1 Year)

This is Jones' first year as a Tiger. He was heralded far and wide as the great Freshman center at Ouachita, and this praise was not unduly given. His clever defense against the forward pass of his opponents is outstanding. A bright future is predicted for him.

CLAY BRAZIL Guard
(Weight 179—1 Year)

"Lige" is one of these steady, consistent players whose work, though seldom spectacular, is always of the best. He can play football with the best of them, and not be at all ashamed of his performance. Clay is gaining experience and should be an expert lineman next year.

BILL McMILLAN Quarterback
(Weight 155—1 Year)

Failure and defeat are unknown to Bill. This is proven by the grit and determination that he has shown in his four years of hard fighting for a place on the Tiger team. Few men are blessed with a spirit such as Bill has. He has won the admiration of Coach and teammates alike.

BERNICE GILL Half
(Weight 145—1 Year)

"Booster" has been handicapped by his comparatively small size, but he has made up for that with "fight," determination, and spirit known only to Tiger teams. He is fast, shifty, and a sure tackler. This can be vouched for by a Mr. Johnson of the Commodores.

1920 Ouachitonian 1920

WAYNE SWAIM . . . Fullback
(Weight 180—1 Year)

Another Lonoke boy coached by Jim Abraham who has made good his first year in college football. Red is a powerful line smasher, and demon on defense. The next three years of "Red's" career should be marked with unusual success.

W. I. BELL . . . End
(Weight 160—2 Years)

"Dude" is a fighting little Tiger and has won the admiration and praise from all who have seen him in action. He comes from El Dorado where they really play football, and "Dude" is no exception. He is a Junior.

ARTHUR HICKS . . . Center
(Weight 170—1 Year)

Hicks is a hard fighting, consistent and powerful center. Although handicapped by illness the first part of the season, he proved later to be a valuable man. Hicks is a Sophomore and during the remainder of his athletic career should be a hero for the Tigers.

EDWARD HOPKINS . . . Halfback
(Weight 150—1 Year)

"Hop" has the distinction of being a four-letter man, an honor seldom attained. His swiftness combined with his clever broken field running has marked him as a wonderful back. He has two more years to perform with the Tigers.

TIGERS

DICK NANCE **End**
(Weight 180—3 Years)

Dick is Ouachita's third four-letter man, and one of the greatest all round athletes ever produced in the State. He is fast, a hard tackler, and an expert at catching passes. Next year will be his last, and should be a glorious climax to his brilliant career.

MARK ANTHONY **Tackle**
(Weight 175—1 Year)

Mark is that kind of a tackler that lets his opponents know they have really been hit. His first year on the varsity has proven that he can be depended upon to do his part. The coming years of his career should be successful.

JIMMY OWENS **Halfback**
(Weight 160—1 Year)

Jimmy is another Freshman who made his letter this year. He gained much attention as a wonderful side stepper, besides being a smart and powerful defensive player. Much is expected of Jimmy in his future years as a Tiger.

1920 Ouachitonian 1920

CURTICE RANKIN . . . Halfback
(Weight 170—2 Years)

The romping, stomping "War Hoss" of the Tiger backfield. Curt has shown his class and speed to fans and opponents for the past two years, and it seems utterly impossible to keep him off the All-State teams for the next two years.

HOWARD CLAUNCH . . . End
(Weight 170—2 Years)

Claunch has been handicapped by injuries, but is a great player and one of who fights hard at all times. He is known for his educated toe, and ability to snatch passes from the air.

THE CHEER LEADERS

Front row—Student Manager Hallett, Nowlin, Moore, Nance, Jones, Palmer.
 Back row—Coach Brasher, Matlock, Rankin, Rhodes, Hopkins, Ellis, Coach Hammons.

BASKETBALL

The Basketball season of 1929-30 was one of the most successful in the history of the game at Ouachita. Before the coming of Coach Hammons to Ouachita, basketball was not considered as very important. During the past four years the Tigers have gradually gained wide recognition over the State as basketball players.

This year the Tigers finished second in the race for the State Championship. Teddy Jones was placed on the All-State team and Dick Nance on the second All-State Team. The present outlook for the Tigers seem to point toward the Championship of Arkansas next year, although Moore and Nance will be lost to the team. This loss will be keenly felt, but with new material coming in and several reserves of this year to fall back on, their places should be taken care of next year.

1930 RECORD

Ouachita	37	Colonial Bakery	30
Ouachita	46	Henderson State	24
Ouachita	30	College of Ozarks	26
Ouachita	35	Texarkana Jr. College	32
Ouachita	40	Arkansas College	52
Ouachita	35	Arkansas College	32
Ouachita	37	Henderson State	25
Ouachita	48	Hendrix-Henderson	34
Ouachita	29	Hendrix-Henderson	67
Ouachita	32	State Teachers	46
Ouachita	21	Hendrix-Henderson	39
Ouachita	26	Hendrix-Henderson	23
Ouachita	37	Arkansas College	42
Ouachita	40	Arkansas College	34

DOCK NANCE Center
Captain

(All-State—4 Years)

This was Dick's last year as a Tiger basketball. He almost broke the State record for individual scoring in a single game, scoring 28 points against Hendrix. His ability as a center is not doubted, and he has saved the day for Ouachita more than once.

TEDDY JONES Guard
Captain-elect

(All-State—3 Years)

It is just natural for Teddy to play basketball. He is perfectly at home on a basketball court. His ability as a guard was demonstrated in every game that he played. The Jones-Nance combination is one that can't be stopped. Teddy scored 190 points during the past season and that is more than enough proof that he is the best offensive guard in the State.

CURTICE RANKIN Guard
(1 Year)

"Curt" is the same fighting man on the court that he is on the gridiron. His hard work and fighting spirit was large responsible for the defeat of the "Red Warriors." "Curt" is a Sophomore and in the next season should be an All-State selection.

BOB MOORE Guard
Ex-Captain

(All-State in 1927—4 Years)

"Big Bob" is the best back guard that ever played in Arkansas intercollegiate circles. When "Big Bob" was in the game he could take care of his end of the court. His ability to sense the actions of the opposing players is remarkable. Big Bob will be greatly missed next year.

VAN ELLIS *Forward*
(1 Year)

Van has an eye for the basket and proves his ability in every game. His deception is baffling to the opponents and his cooperation with the other four men makes a clever working combination. Van is expected to do wonders on the court next year.

ED HOPKINS *Forward*
(1 Year)

"Hop" is so fast that no man was able to keep up with him on the court or keep away from him when they had the ball. Mr. Creed of the "Panthers" will vouch for that. His floor work and excellent passing enabled him to hold a regular berth on the Tiger team.

J. R. RHODES *Forward*
(1 Year)

Rhodes is the only Freshman who could qualify as a varsity man. His ability as a forward was soon recognized by Coach Hammons. His excellent goal shooting combined with clever floor work made him a valuable man. In the years to come Rhodes should be one of the State's leading basketeers.

JOHN PALMER *Center*
(2 Years)

"Skipper" worked hard and proved to be a very valuable man. He works well with any combination and his skillfulness under the basket was always noticeable. Against the "Reddies" he branded himself as basketeer extraordinary.

TRACK

The track season of 1930 for Ouachita was the most successful in the history of the college. The Tiger track team was the recognized champion of Arkansas. The trackmen defeated the following schools in dual meets: Texarkana Junior College, University of Arkansas, College of the Ozarks, State Teachers College, and Hendrix-Henderson. At Clarksville the Tigers won the State College meet with $56\frac{1}{2}$ points, to $34\frac{1}{2}$ for their nearest competitors. Led by Captain J. Raymond Baine, the Tigers of 1930 are the first to bring the track championship of Arkansas to Ouachita.

Four new records were set by the Bengals. The most notable were Rankin's record of 9.9 seconds in the 100-yard dash, and Swaim's mark of 198 feet 9 inches in the javelin. The 880-yard relay team cracked its old record in this event, bringing it down to 1 minute 30.7 seconds. The mile medley relay team lowered the old record, held by Hendrix-Henderson, over six seconds, to place a mark of 3 minutes 41.2 seconds.

The Tigers proved that they were by far the best track team in the fastest meet ever held in Arkansas, and they should be even better next year.

J. RAYMOND BAINÉ . . . 2 Years
Captain

Baine is the Captain of the first Ouachita track team to win the State Championship of Arkansas. His is a broad jumper of the first magnitude, jumping to first place in the State meet, and is a member of the record holding mile medley relay team. In several dual meets he ran first in the mile and halfmile, but he did not enter these in the state meet. Baine has been a great leader and will be greatly missed next year.

CURTICE RANKIN . . . 2 Years

Curt is the fastest man ever to run in Arkansas. He broke the 100-yard dash record of 22 years standing to run the distance in 9.9 seconds. Rankin won first in the 220-yard dash in the state meet, and was anchor man on two of the relay teams. In dual meets he handled the discus and shot. He is the most versatile track man in Arkansas.

JOHN PALMER . . . 2 Years
Captain-elect

John is the hurdler you read about. He does the high and low hurdles in exceedingly fast time. He tied for first in the 220 low hurdles at the state meet, and ran a fast race in the highs. Ouachita should win another state championship under the leadership of Captain Palmer.

BOB MOORE . . . 4 Years

Big Bob throws the javelin like a mighty Greek. He won first in every dual meet except one. He was off at the state meet or he and Swaim would probably be holding a joint record. Bob lends great moral support to the boys to spur them on to greater efforts.

1920 Ouachitonian 1925

WAYNE SWAIM 1 Year

Red threw the hammer in high school for a new state record, and now in his first year at college he throws the javelin 198 feet 9 inches for a new mark. This record compares favorably with those of the best of javelin throwers, and will stand only long enough for Red to get another shot at it. The big man from Lonoke is expected to great deeds in the next three years.

STEED ROUNDTREE 1 Year

Roundtree is one of the best runners to appear in Arkansas for a number of years. He ran third in the 440 at Clarksville, breaking the old record himself. He won the 880, and ran the first lap of the mile relay. At the University of Arkansas he was the most spectacular man on the field. Steed is a veteran track man, and will do wonders in his next three years.

ED HOPKINS 2 Years

Ed is one of those dash men who can run anywhere with anybody. He runs the 100, 220, and 440 in the relays. Ed pushed the winner in the 220 at Clarksville, and ran beautiful races in the 880 relay and the mile relay. He has been responsible for a large number of Ouachita scores.

TEDDY JONES 3 Years

Teddy has had three eventful years on the track at Ouachita. This year he ran fourth in the low hurdles, and ran a fast lap in the mile relay. He can be depended on to place in whatever event he enters. Teddy is one of Ouachita's best athletes.

1920 Ouachitonian 1920

JIMMIE HALLETT . . . 2 Years

Jimmie is the lightning 220 man in the relays. He can't stand to have a man close to him or in front of him, so he just pulls right away from all competitors. He has never failed to gain ground, and as a result he is a member of two record holding relay teams.

NOEL ADAMS, JR. . . . 2 Years

Noel is on two record holding relay teams, the 880 and the mile medley. When he runs the 220, everyone is confident, for the baton is in capable hands. He has a stride that eats up the ground. With two more years Poley should help set more records.

ARLE QUEEN 1 Year

Arle was a real track star this year. He has been trying to make the team for four years, and this year well repays him for his efforts. He ran a splendid 440 in the medley relay, bringing a lead which was never lost. He will be greatly missed next year.

HOWARD CLAUNCH . . . 2 Years

Claunch vaults, broad jumps, and throws the discus. He tied for second in the broad jump at the state meet. He won first in the discus and pole vault in several dual meets. Claunch is an all round athlete and should be able to do great things in his next two years.

EARL BAXTER 1 Year

Talking about wonderful finishes and two minutes to play stunts, this Baxter pulled one to perfection. He was injured in the early part of the season, but he ran an 880, his first, in the state meet, as if he had never been hurt. He is also a vaulter, and with more experience he will be a real track star.

BASEBALL

From the beginning of athletics at Ouachita College baseball has been one of the major sports and for a long time was the main attraction to students. This year it seemed impossible for a time to have baseball in any form except intramural games, but the students and followers of the sport were successful in arranging for a Tiger baseball team. With seven letter men to start the season, and some promising material to work with, Coach Hammons built up a comparatively good team, in spite of the handicap.

BERNICE GILL 3 Years
Captain
Pitcher, Outfielder, Third Base

BILL McMILLAN 3 Years
First Base

DICK NANCE 3 Years
Pitcher, Outfielder

BOOTS NOWLIN 2 Years
Second Base

PETTUS KINCANNON 2 Years
Shortstop

BASEBALL

The past few seasons the chief source of trouble has been the lack of an adequate pitching staff. Dick Nance and Booter Gill handled this end satisfactorily, turning in some well pitched games.

The season started with the Tigers playing the famous House of David nine, the Whiskered Gentlemen winning. Ouachita won the only game played with Hendrix-Henderson. The other two series played were lost by small margins. State Teachers took two out of three from the Tigers, and Henderson State won three out of four.

EDWIN BYRD 2 Years
Outfield, Third Base

ED HOPKINS 2 Years
Outfield

JIM BREWER 1 Year
Catcher

HAROLD TILLMAN 1 Year
Utility Man

HURSHELL BAKER 1 Year
Outfield

BILL McMILLAN

JUSTUS MATLOCK

TOMMY VAN DUYN

TENNIS

Tennis at Ouachita is stronger than ever. The men above, together, with Golden, holden match victories over the University of Arkansas, and College of the Ozarks. In the state college tournament, Singles Champion Matlock is already to the finals, and it looks as if he will repeat. The doubles team of Matlock and McMillan is also ready to play the finals.

GOLF

Ouachita golfers only entered one meet this year, the state college tournament. Roy Golden, former champion, although he held the lowest score for a single round, finished second in individual play. Golden and Williams were fourth in team play.
