THE NAME OF OUACHITA

H. L. WINBURN

The college, of course, was named in 1886 for the river upon whose banks it stands.

The river is said by some to be named for a tribe of Indians. I know of no such tribe, at least of sufficient importance as to warrant this assumption.

Based on a number of years study of the river and its Indian neighbors, I have drawn the conclusion that the origin and significance of the name is to be found in the data concerning the Caddo Confederacy. There is no known Ouachita tribe among its members.

The Caddoes carried on a large and important commerce with southern and southeastern tribes mainly in salt, pearls, and novaculite products. Arrowheads, lances, and even tanning stones have been found in Seminole territories that were made of novaculite from Caddo mines. This trade was conducted in the Mobbilian language—tongue of a tribe for which Mobile is named and so small as not to be either an important commercial or military factor in Indian life.

In the Mobbilian tongue "Oua"—pronounced we-ah—meant east, or sunrise, and by accommodation came to connote both sunlight and oriental allusions. "Cita"—pronounced che tau—was the diminutive form or term. For illustration, cuga meant hog; cuga-cita (cooghah chetaw) meant little pig, and was often used as a pet name for babies by their parents.

Applying this data to the name of the river it is more than probable that Oua-cita was given by the Caddoes in very early times to the beautiful little river that bounded their territory on the north and east for more than two hundred miles. In the Mobbilian tongue each syllable was accented alike. Our pronunciation of the name today is almost an exact reproduction of the Caddo Indians.

It is almost certain that some sentiment became fixed in the Caddo mind regarding this river and its name. "Little Sunrise" (Ouacita) was used—though rarely—as a term meaning "moonlight", the moon being, to them, a smaller and a lesser sun. That it also meant "Little eastern boundary of my home" to these settled and home-loving children of the forest, is indicated by their fierce, patriotic defense of this line. No alien tribe was ever known to be allowed to settle south or west of the Ouachita river between it and the Red river which was the border of Mexico until recent times.

Dr. Winburn has written the explanation of the word "Ouachita" after having completed an exhaustive study of the material concerning it. This theory, while in conflict with the most commonly accepted interpretation which would lead the reader to believe that the river was named for a tribe of Indians living along its shores, is, nevertheless, the more plausible of the two and may eventually supplant it. This is the first publication of Dr. Winburn's findings and the staff unites in expressing its appreciation to him.

FOREWORD

We have endeavored to carry out the present Ouachita spirit that exists in the life of every Ouachita student. May it bring renewed joy to your life each time you open its pages. If it does this, then we shall have been repaid for our efforts.

DEDICATION

TO DR. JAMES R. GRANT

Who by the impress of his life upon us daily makes our lives richer and fuller; who by his Christian character molds the lives of the student body; who by his knowledge of human nature leads faculty and students to a higher plane of living; who by his noble and worthy administration of less than one year has accomplished the greatest success in the history of the college, this twenty-third volume of THE OUACHITONIAN is gratefully dedicated.

Ouachita

*Ouachita, we sing thy praises,
Thy beauty, thy power, thy fame;
Each loyal heart upraises
A cheer to thy glorious name.*

*O - U - A - C - H - I - T - A ,
Here's good luck to Ouachita,
May all her skies be gay;
Give a cheer for Ouachita,
A loud hip-hip-hooray!
O - U - A - C - H - I - T - A .*

*Ouachita, thy sons and daughters
Will carry thy flag unfurled,
For none can e'er surpass thee,
The queen of the college world.*

An Old Classmate of Mine

*As one who cons at evening o'er an album
all alone,
And muses on the faces of the friends that
he has known,
So I turn the leaves of Fancy, till, in
shadowy design,
I find the smiling features of an old classmate
of mine.*

*'Tis a fragrant retrospection,—for the loving
thoughts that start
Into being are like perfume from the blossom
of the heart;
And to dream the old dreams over is a luxury
divine—
When my truant fancies wander to that old
classmate of mine.*

IN MEMORIAM

PROFESSOR PETER ZELLARS

Dedicated to the memory of Peter Zellars, for twenty-one years the Grand Old Man on Ouachita Campus. "Uncle Pete"—the man extraordinary who could teach as few can teach; the man who preached with a zeal and earnestness unsurpassed; the man whose pep talks brought tears to the eyes of many a listener and won many a game for Ouachita; the man whose Christian life was such an example to men and women that his influence in the lives of those who knew him will never die.

PROFESSOR PAUL E. WHITEHOUSE

Dedicated to the memory of Paul Emil Whitehouse, the scholar whose thirst for knowledge was never satisfied; the teacher whose preparation was thorough and whose patience with students was almost godlike; the gentleman whose courtesies were ever present; the friend whose unselfish life endeared him to his acquaintances; the human being whose hope and cheer in the face of suffering and death was inspiring; the man whose love for Ouachita was surpassed only by his devotion to God.

The OUACHITONIAN 1934

Hail Ouachita

Hail! Hail! Hail! Oh Alma Mater, Hail to thee!
Pledge I honor, faith, and loyalty.
By the sparkling, rolling quiet flowing Ouachita,
Hail to thee, Oh Alma Mater, Hail.

Hail! Hail! Hail! Oh name triumphant we revere!
Joyful praises! Alma Mater dear,
Voices gaily singing, welkins ringing, Ouachita!
Praying, God defend thee, courage lend thee, Ouachita,
Hail! Hail! Hail! Oh Alma Mater, Hail!

No matter if it is only an owl, it is a proof that he has reached a hunter's estate and is no longer considered among those who have to be protected. As the feathered ash found its home in the breast of an owl a light gleamed in the youthful hunter's eye which translated meant:

"Look out! you deer, Beware! you bear,
Make peace, ye of my own race,
Take care you white man,
I am now of my growth,
The quarrels of my father are now my quarrels,
The friends of my father are now my brothers, too,
I can do harm, I can do good, I am a man!"
—and he goes out to prove it.

Drifting down green rivers; gliding like a wind-blown bit of birch bark into minute heavens along the fern spangled brink of the river where lazy water has crept in to rest in the warm golden sunlight before moving on to the big sea water; saturating his soul with the beauty of a long graceful trout as it hovers in the shadowy depths just under cool, mossy bank; piping a note in harmony with the sobbing of a lost little breeze as it creeps through the somber tangle of pine needles high above. Oh! the sadness of those sweet hours just before the dawn of responsibility.

In the springtime amid a profusion of bursting buds, bubbling brooks, beautiful blossoms, and buzzing bees the youthful progeny of the red man forgot the dull tasks of their primitive existence and allowed that little trouble maker, known to the white man as Dan Cupid, to practice unmolested his cruel art. As the sun marched slowly into the west, keeping time with the haunting cadence of a requiem from the throat of the whip-poor-will they would sit in silence and Oh! maybe they would sigh

When important work was to be done, the Indian mother laced her precious darling firmly into a soft leather "cradle" and hung it on a low limb of a tree. The drifting breezes gently swayed the little "critter" and, he was soothed and comforted. More important still he was kept out of mischief. A movement has been suggested to equip standard colleges with cradles of the Indian design to be furnished to the upperclassmen at the first of the year with proper instructions as to their use and care pointing towards the effectual effacement of the frisky "freshie" problem.

Coaches

COACH OTIS GALLOWAY

The fall of 1932 found Ouachita entering upon an administration of a new coaching staff. Eager eyes turned to Coach Galloway, who came from a successful coaching position at Malvern High School to his Alma Mater, where he graduated in 1922, being recognized at that time as one of the college's best athletes. It required but a few days for the men to find that they had not a relentless builder of a football machine but a coach who mixed the technique of sports with the highest ideals of manhood. He has been with us only two years but during that time he has become a man among men, respected and admired by the entire student body, faculty, and Ouachita supporters.

The personality of Coach Galloway, athletic coach and builder of men is reflected in the teams he coaches. They fight hard and fast and win like gentlemen. Coach Galloway's quiet manners and deliberate action places him in high esteem among those who know him. We wish for a successful and happy coaching career at Ouachita.

ASSISTANT COACH WAYNE SWAIM

Coach Swaim, better known as "Red," was retained by the college upon his graduation last May to be Coach Galloway's assistant. He began his new duties last fall and has shown himself to be entirely capable. "Red" has a way about him that gets the men to work and cooperate.

While Coach Swaim was in school as an undergraduate he was considered one of the best athletes of his college generation. He played hard and consistent football, backfield and line, for four years. He is still a champion in track history, holding the state intercollegiate record in the javelin.

The OUACHITONIAN 1934

FOOTBALL

Sixty-seven men answered football call September 18. This is the largest number of football candidates in the history of Ouachita football. Three weeks of hard practice prefaced the Tiger's 1933 grid schedule. Ouachita went to Monticello for the season's first combat Friday, October 6, a night game. Plowing deep several times into scoring territory but failing to score, the Tigers battled against a strong Weevil defense to a scoreless tie. Adams, punting and running, was the feature of the game.

Arkansas State Teachers' Bears crumbled against a mighty Tiger offense as the Bengals took the lions' share of a 34-0 score. Even the second and third string men made a formidable showing.

The Tigers lost a heart-breaking game on Williams field October 27, to Ozark's Mountaineers. Score: 3-0—a placement kick was made during the last four minutes of play.

Ouachita played Hendrix at Conway on one of the Tigers' off-nights and took the little end of a 12-7 score. Highspot: Nutt recovers fumble in mid-air and scores a tally.

Some rejuvenated Tigers romped out on Williams field November 3, made some long runs, 19 first downs, two touchdowns, and sent the Muleriders back to Magnolia carrying a story of a 14-0 defeat.

Then the Tigers went to Russellville and mussed up Tech's "Home Coming" by handing the "Wonder Boys" a 14-6 defeat. This victory was dedicated to Dr. Grant.

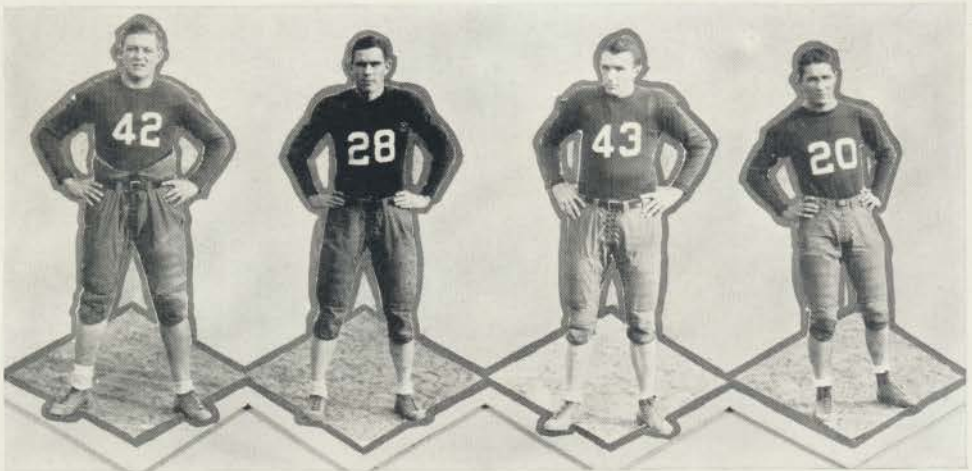

November 17, found the Tigers on Jonesboro for a pow-wow with the Indians. They scalped the Redmen five times and came home with a 34-6 victory. Passes were working exceptionally well.

Then the Tigers tuned-up to meet the Henderson Reddies in the Thanksgiving Day Classic. Ouachita played a highly creditable game. The Reddies were pressed hard to win 20-6. Adams-to-Nutt pass over goal line counted for the Tiger touchdown.

Ouachita placed two on the all-state eleven: John Floyd at tackle and Nutt at end. Bell and Holcomb were placed on the second team. Graduation will claim three men: Bell, Leslie, and Bruner. At the annual football banquet John Floyd was elected Captain to lead the 1934 Tigers.

The QUACHTONIAN 1934

JOHN FLOYD—*Tackle* *Three Years*
 (All-State '31, '32, '33—Captain-Elect)

Big John, the smashing, pile-driving Tiger who has made all-state three years, is captain-elect for next year. He was always in the thick of the fight, giving his best. He will be one of the mainstays in the line next season.

HARRY NUTT—*End* *Two Years*
 (All-State '33)

Harry doesn't wait for them to come to him. He goes down after them. He rarely misses a tackle and if anyone is successful in rounding his end they have done something to be proud of. His specialty is pulling down passes and making that tally.

CLARENCE (SIMP) BELL—*Center* *Four Years*
 (All-State '31, '32—Co-Captain)

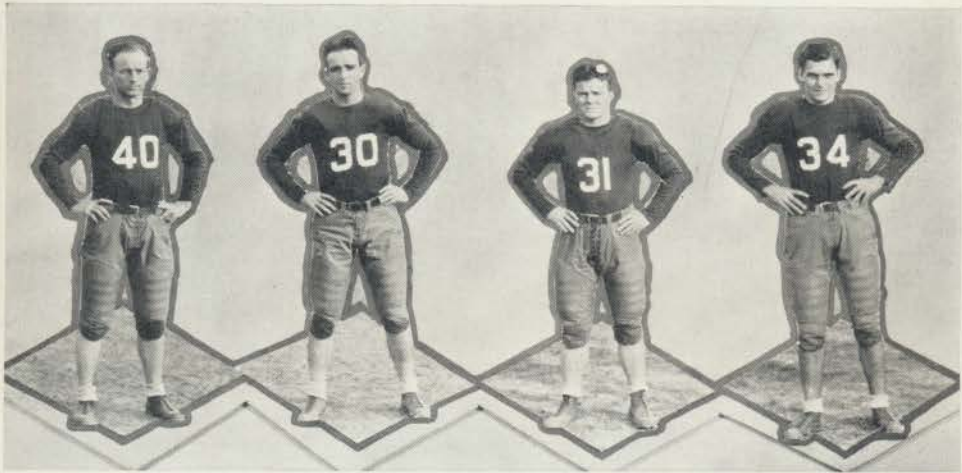

Playing a neat game back in high school, Bell hasn't slackened his pace during his college career. He was in excellent condition this year and was one of the hardest men in the line to move. During the latter part of the season he piloted the team; calling the plays.

TOMMY (FOX) LESLIE—*Halfback* *Four Years*
 (All-State '32—Co-Captain)

Leslie is one of the men who has put four years of hard fight on the Tiger team. He is rather light but makes it up in fight and skill. A brilliant passer and a neat punter, he plays quarter and half equally well and carries a mean wallop when running the ball back.

The QUACHITONIAN 1934

ULMAN (TEXAS) BRUNER—*Guard* *Three Years*

Bruner hails from Texas, and has made no small name for himself on the Tiger team. He knows how to keep the opposition out and especially showed this in the Thanksgiving affray this year.

SINCLAIR (DOLLY) WINBURN—*Halfback* *Two Years*

"Dolly" added greatly to the strength of the team though he was held back part of the season by illness. This lad is a fine punter and a great ball carrier. Watch his smoke the next two years.

EARNEST (SHORTY) ADAMS—*Quarterback* *Two Years*

"Sparky" is one of the fastest and most sure footed men on the team. His short stature makes him a less vulnerable target, and his stocky build makes him a battering ram when he hits his man. He is outstanding as a broken field runner and has gained many a yard for O. B. C.

HARVEY ELLEDGE—*Tackle* *Two Years*

"Deacon" has won his berth on the Tiger team by hard work and determination. When things looked dark to him he gritted his teeth and went to work. He is the only preacher on the team and is always in there fighting and pepping up the team mates.

The OUACHITONIAN 1934

WILL (BUSTER) HOLCOMB—*Guard* *Three Years*

"Buss" hits them hard and blocks them low. He did much this fall to assist the line in establishing a defensive record.

MAURICE (MOUSIE) GROSS—*Center* *Two Years*

"Mousie" plays a good game at center. He did his share of blocking and going through the line to nab the opposition. Gross has two more years to show that old fighting Tiger spirit.

BURNEY WHITFIELD—*Fullback* *Two Years*

Another Lonoke county product that had already gotten his fundamentals for football from an ex-Tiger grid-man—Jim Abraham—and the past two seasons he has combined these with his speed to be a terror on both offense and defense.

NORBERT LUEKIN—*Quarterback* *One Year*

Luekin came to Ouachita fully prepared to play the college brand of football right from the start. For quick gains right through the line this boy is hard to beat. He is bound for more glory as a member of the Tiger team.

The OUACHITONIAN 1934

RALPH MANN—*Halfback* *One Year*

Mann is the lad that we predict will be a mighty valuable man to Ouachita for he has certainly made a fine start. He did some mighty fine backfield work this year—he's got what it takes. THAT OLE NEVER-DIE SPIRIT.

ALBERT (MOSE) MOSELEY—*Guard* *One Year*

Mosley came to us from Ozarks. There he was one of the mainstays of the line. Here he proved to be better. We expect much from "Mose" in his remaining years at Ouachita.

R. E. CHANEY—*Fullback* *One Year*

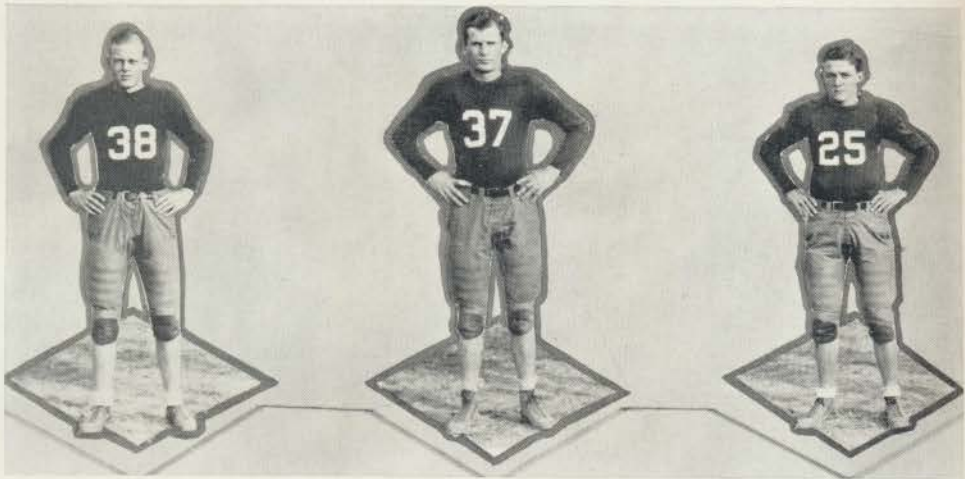

This was Chaney's first year to wear a Tiger uniform. He plays a real game and has what it takes. We predict a very brilliant future for this lad in Ouachita.

RAY (WOODEY) WOODELL—*End* *One Year*

"Woodey" is a hard-hitting, sure tackling wing man. It takes a good man to come his way and expect to get by with it for he is always ready to grab his man. Here's to more players like him.

The OUACHITONIAN 1934

WILLIAM SHUFFIELD—*End* *One Year*

"Shuf" did some mighty swell playing this year and certainly deserves his letter. About the only time he is off his feet is when he goes down with the ball carrier. He plays a safe, sure game always doing his best.

SAMMY SEWELL—*End* *One Year*

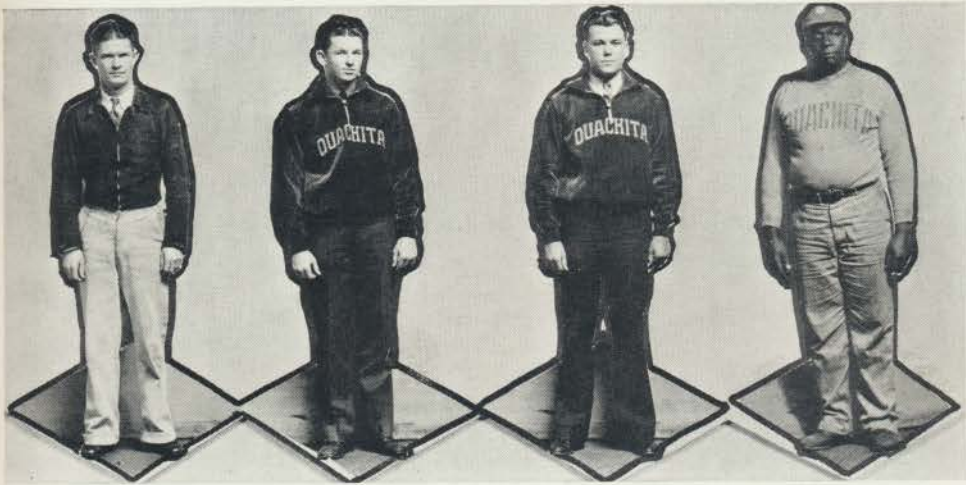

One more good reason why most of our opponents' gains were not made around our ends. Sewell has weight, knowledge and the ability to use both. He is always ready to cross the line after the ball and will be a valuable man to Ouachita next season.

D. S. FLOYD—*Fullback* *One Year*

This is another one of those hard-hitting Nashville boys. D. S. lived up to expectations as a brother of "Big John." He can back up that line like nobody's business. When he hits a man they go down.

BASKETBALL

JOE (JIM SAMUEL) STRICKLAND *Forward Three Years*

Joe was playing his third year as a Tiger this season and seems to get better every year. He and his brother work together like a clock. Joe was awarded a berth on the second all-state team, although the Tigers did not get to compete in the state tournament. Watch his smoke next year.

FRED STRICKLAND *Forward One Year*

Fred, in his first year, has proved to be the same terror on the college court as he was in high school. A menace to guards. Fred led the team in scoring and made a great name for himself.

RALPH MANN *Guard Two Years*

Ralph is the boy that excels not only in scholastic standing but in athletics as well. If this boy continues to develop in the next two years as he has in the past two, he will make Arkansas one of the greatest athletes in her history. This year on the court he proved himself to be, by far, the best floor man in the state.

SINCLAIR (DOLLY) WINBURN *Guard One Year*

Dolly had to withdraw from basketball last season but came back strong this year. He is a valuable guard that caused the opposing forwards plenty of grief.

OTHUR (BRAND) NEW *Center One Year*

"Brand" New proved to be a great ball player his first year. His early season handicap of being too anxious was soon overcome and he became one of the leading scorers of the state.

With only a few regulars as a nucleus, Coach Galloway built a team this year that surprised Arkansas sport circles. A wealth of freshman material developed with remarkable rapidity under Coach's direction. During the latter part of the season the Tigers were giving the conference leaders something to think about.

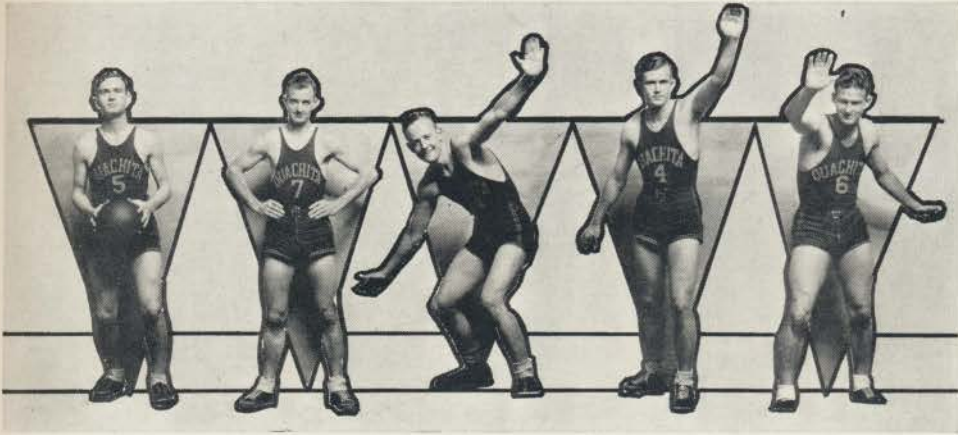

The spirit of the team was typical of Ouachita, and was in keeping with the spirit of the new deal on its campus. Every player was an example of that never-die spirit of the Tigers. The ability to win over heavy odds has gotten to be a Tiger habit. No matter what the odds were against them, the Tigers were fighting until the last whistle in every game, and they were beaten by only the strongest teams in the state.

Joe Strickland made second all-state. Ralph Mann, Othur New, and Fred Strickland received honorable mention. All men return next year and chances are bright for a championship team.

The OUACHITONIAN 1934

BASKETBALL

PAUL (TEXAS) AIKEN *Guard One Year*

Paul was another new comer who hails from Texas. He could do most anything with a basket ball. He was so deceptive that his opponents must have thought him to be twins.

DAVIDSON (HONEY) HUMPHREYS *Guard Two Years*

His name describes him well, for he was a "honey" on the court. He was handicapped last year by a broken leg, but came back strong this year to be a valuable man to the team.

NEWT WOODSON *Guard One Year*

Newt, the pride of White county, came to school this year with the record of having scored 67 points in one high school game. Texarkana Junior College will long remember his four consecutive field goals from mid-court.

TRAVIS (LUX) WITHERINGTON *Forward Two Years*

Lux played his same consistent game of fast-breaking, flashy basketball that made him famous as a basketball player his first year. His shots are usually made from the most difficult positions.

RAY WOODDELL *Center One Year*

"Woody" plays the same hard-charging, sure-blocking brand of basketball as he played on the gridiron. In the pinches against Henderson he shot them all in when needed. He makes "kneeing" a specialty on the defense.

1934 RECORD

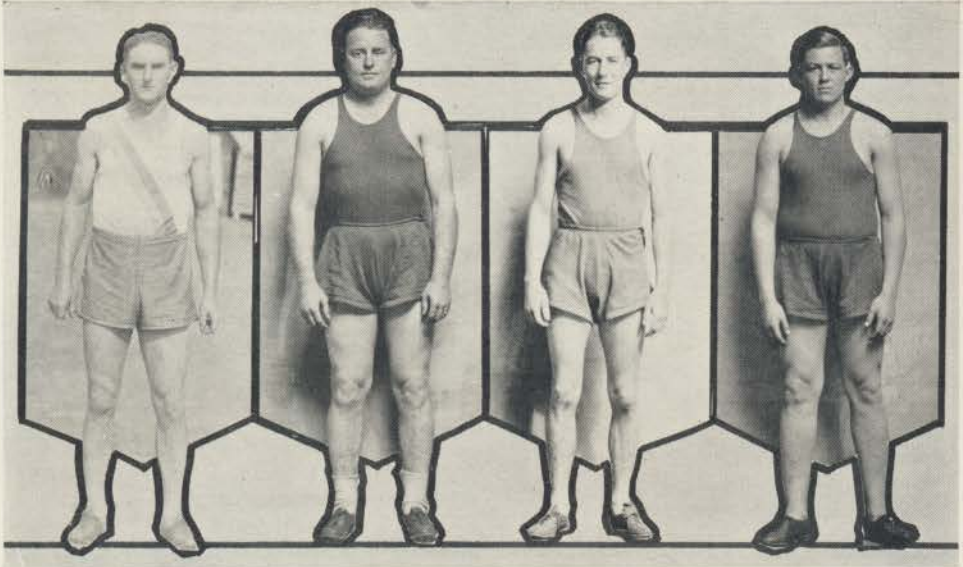

Ouachita won eight out of fourteen games. They won three college games out of eight. They had an average of 52 points per game to 49.28 points for their opponents.

TRACK

STEED ROUNTREE *Four Years*

The most valuable man the team had. Steed was a war horse. He could sprint when others staggered. When he broke the tape, he broke a record. He made the enviable record of having never lost a race in the half-mile event while in college.

WAYNE (RED) SWAIM *Four Years*

Another record breaker! His line was on the field—javelin a specialty. When his muscles went into play something happened. His mark of 198.9 in the javelin is considered among the best in the United States.

TOMMIE LESLIE *Three Years*

"Fox" shone on the 100 and 220. He has afforded the spectators many a thrill when he flashed over the finish for a win.

JOHN FLOYD *Two Years*

We wouldn't be a bit surprised to see Big John break a record or two in the next two years. He tossed the discus consistently over the state record all last season but was handicapped in state meet.

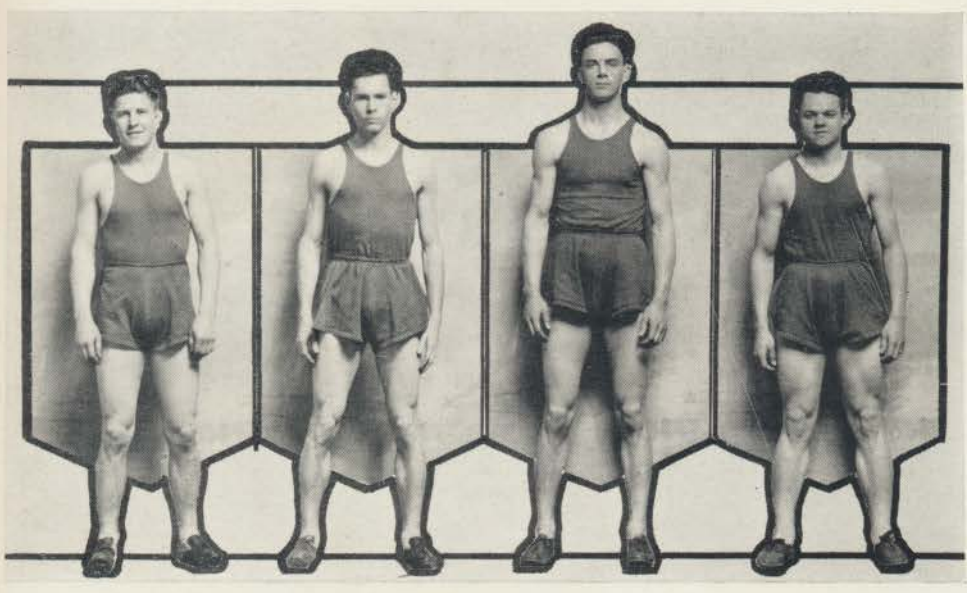

The season was opened with a victory over Monticello 70-57, followed by another the next week 74-53. The last dual meet was won by Ouachita when the Tigers eked out a one-point victory over Arkansas Tech.

Last season the team was only a few points short of the fourth consecutive state championship which was won by Arkansas Tech. Although losing such valuable men as Steed Rountree and Red Swaim, the Tigers are expected to give the future state champions some stiff competition. With 10 letter men to form a nucleus and with the addition of several promising freshmen, Ouachita should have a great team this year.

The QUACHITONIAN 1934

TRACK

BERNEY WHITFIELD *One Year*
 Berney is a good relay man and runs a mean 220 dash. However, besides these duties he is Cuachita's ranking hurdler and a broad jumper of note.

WILFORD HARRIS *One Year*
 Harris was a dark horse on the mile. This lad is smooth running and will bear watching. A determined heart is half of anything and this boy is all set to go another mile for Ouachita.

HUBERT CONE *One Year*
 This tall boy from South Arkansas surprised everyone with his ability to pole vault. With a little more coaching he should be a winner. His natural physique combined with his competitive spirit will make him a 13-foot vaulter this year.

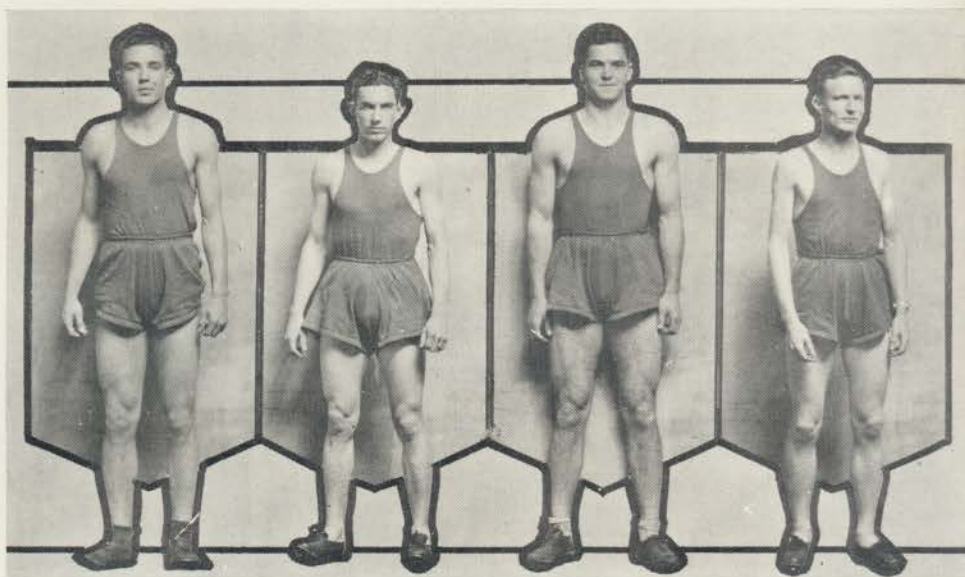

AUBREY HALSELL *Three Years*
 When you want to see good form in vaulting watch this lad. A bad knee held him back some last season, but barring mishaps, he will do some high climbing this year, we say. However, 12.3 isn't bad in perfect condition.

The Tigers will participate in the following meets this season:
 March 31—Texarkana Junior College and Hendrix At Arkadelphia
 April 9—Texarkana Junior College, Marshall Junior College, and Parish College At Texarkana
 April 13—State Teachers College At Arkadelphia
 April 20—Arkansas Tech and College of the Ozarks At Russellville
 May 7, May 8—State Meet At Arkadelphia

The QUACHITONIAN 1934

TRACK

WESLEY (TOM) SAWYER *Three Years*

Now here's a good relay man for you. He shines on the 220, always doing his part on the team to keep the baton ahead. Watch his legs work!

J. R. RHODES *Two Years*

J. R., who finishes this year, will be keenly missed in the hurdle race and broad jump. The kangaroo that leaped for a first place in the state meet in '32.

HARVEY ELLEDGE *One Year*

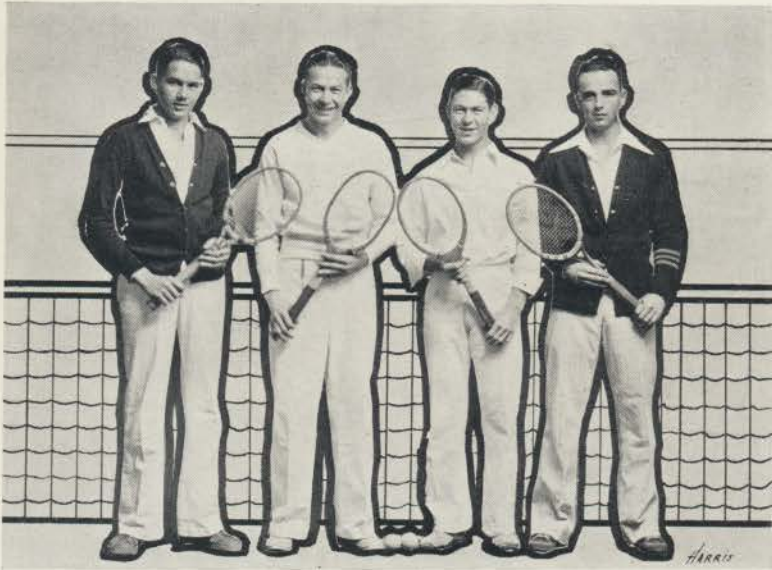

This young preacher, who made good in football is also a good man in the field events. His specialty is the javelin.

NOLAN CRAWFORD *One Year*

Crawford, an Arkadelphia product, runs one of the smoothest 440 races in these parts. He is a valuable relay man. His stride is a joy to watch.

One of the most appealing of all activities to the Indian, as well as to his white brother, was that of fishing. Perhaps it was because of the lack of activity it required, or dearth of personal risk. Maybe a hungry stomach added to its allure.

Of course, there were the more exciting things, such as hunting bear and deer—and always there was the warpath to fall back on as a means of furnishing one with many breath-taking and hair-raising episodes. But who can blame the Indian for preferring to lie on a soft mattress of pungent moss in the cool shade of an old tree by the brink of a murmuring spring branch and cast his bark fish line into the murky pools where "Nahma" browsed along the white sand of the bottom Even if "Nahma" did not feel hungry?

We, the staff, respectfully submit the 1934 *Ouachitonian* for your approval. We sincerely hope you like it and have no reason to doubt that you will. We have labored long and hard under adverse circumstances to give you the best possible annual—one which portrays the life on our campus. If you like it, we are glad; if you do not, we are sorry, but have no apologies to offer. May our efforts speak for themselves.

The college band, like every other organization connected with Ouachita, had an exceptionally successful year during this session of 1933-'34. Under the able directing of Professor W. F. Deusinger, the veteran musicians, supplemented by freshman material, played for the school, and for the state "Susian Melodies" in paramount fashion.

The band made its usual number of trips this year: "special" to Hendrix; motor to Monticello; motor to International Shoe Co. celebration at Malvern; Friendship High School basketball tournament, and broadcast from KTBS. However, the band's activities within the city limits were more extensive; various benefit programs, cooperation in all athletic events, and several parades.

The band, with the cooperation of the student body, bought new uniforms and we wager they are the classiest in the state.

The Indian was never the man to hesitate settling differences of opinion with his fellow by force. The chief occupation of some of the tribes seemed to be that of enforcing their will upon others by means of superior skill or strength. If a chief wished to inform his potential enemy that, as far as he was concerned, an actual state of war existed between them, he would summon a warrior and give him an arrow, painted in a significant manner, with instructions to creep up as close to the enemy camp as possible at night and discharge the shaft into the air so that it would stick upright in the ground near the chief's wigwam. When the rising sun disclosed the ominous message to the encamped tribe, steps would be taken immediately, calculated to cause the aggressor all kinds of annoyance, such as tickling his floating ribs with a stone-pointed wand (aided by a powerful bow, from behind trees, rocks, or hilltops) . . . and the war went merrily on.

Clarence Bell: "Have you heard about the nasty military officer?"

Leslie: "No. What about him?"

Bell: "He was rotten to the corps."

* * * * *

Gross: "I was all set to propose to you last night but I lost my courage."

Marie: "How did that happen?"

Gross: "I think it fell out of my pocket on the way over."

* * * * *

Billie Mankin: "There you go again! Woman, when I married you, I got expressions of sympathy from one-third of the people in town."

Catherine: "Yes, and I got them from the other two-thirds."

* * * * *

Brandon: "This liniment makes my arm smart."

Duncan: "Why not try some on you head?"

* * * * *

Mitchell: "What are you taking for your dyspepsia?"

Joe Bill: "Make me an offer."

Yates: "No."

Price: "Then what on earth is all this cough syrup for?"

Yates: "Mm — Likum on my pancakes."

Bruner: "I'd only been in the hospital a week when complications set in."

Luekin: "For heavens sake! What happened?"

Bruner: "The day nurse caught me kissing the night nurse."

Woodell: "So you think you could make the football team if you could learn to pass?"

F. Strickland: "Yes, if I could learn to pass in History, English, and Economics."

Then your son really liked Ouachita?

Yes, he said they kicked him out much more politely there than at any other school.

Miss Evans: "What instrument would you suggest for my accompaniment?"

Mr. Deusinger: "A steam calliope."

Miss Evans: "But you couldn't hear my singing about a steam calliope."

Mr. Deusinger: "I know it."

* * * * *

Freshie: "A-are you afraid of g-g-ghosts?"

Senior: "I should say not. They're just jokes to me."

Madine: "Yes, honey, how much have you got?"

* * * * *

Professor Deevers is wrestling with his conscience.

Yes, its a featherweight match.

Hubby: "I got a fifty dollar bill this morning."

Wife: "From the butcher or the iceman?"

And there was the girl who was so dumb she thought noodle soup was a kind of hair tonic.

D. Whitten: "Say, what's the idea of making me sleep on the mantelpiece every night?"

H. Whitten: "Just think, if you sleep up there only two more weeks, your picture will be in 'Believe It Or Not'."

Modern Child: "O. K. A dollar and I won't tell pop."

*And the evening sun descending
Set the clouds on fire with redness
Burned the broad sky, like a prairie
Left upon the level water
One long track and trail of splendor
Down whose stream, as down a river
Westward, westward, Hiawatha
Sailed into the firey sunset
Sailed into the purple vapors,
Sailed into the dusk of evening.
And the people from the margin
Watched him floating, rising, sinking
Till the birch canoe seemed lifted
High into that sea of splendor,
Till it sank into the vapors
Like the new moon slowly, slowly
Sinking in the purple distance.*
