# 100th ANNIVERSARY

The Centennial Planning committee has been working for several months now, looking forward to the celebration of Ouachita's 100th birthday in 1986. The celebration will have many parts and will begin in the fall of 1985 and extend until September of 1986 when we will have a final Founder's Day celebration.

The Student Committee would like your input. Kevin Heifner, (P.O. Box 3907) is the chairperson of this committee and would welcome any suggestions that you might have concerning what students would like as a part of this celebration. Request for funds should be made at the time the ideas are submitted to Kevin.

Please take time to think of appropriate ways that students might enjoy to celebrate Ouachita's 100th birthday.
