FOREWORD

It has not been our purpose to edit a book that is artistically and technically perfect. We have devoted the major part of our time and talents in giving

A TRIBUTE TO THE PAST

Ouachita—steeped in fifty years of faithful service to the state and to the nation—a service that is best exemplified by the achievements of her alumni;

A RECORD OF THE PRESENT . . .

By virtue of her steady progress through the years Ouachita stands today as one of the outstanding colleges of the State—a position which she deservedly occupies;

A PROPHECY OF THE FUTURE . .

Ouachita, with brightened outlook, moves onward to fresh laurels—not content with the achievements of the past but imbued with the desire to follow the path towards the “greater Ouachita.”

DEDICATION

**TO W. I. WALTON**

The Sports world knows him as the leader of a gallant band of athletes, consistently a winner and ever a true sportsman. We of Ouachita admire him for his qualities of leadership as student, alumnus, and coach, respect him as a gentleman, and love him as a friend. There is that genuineness about his character and his concern for the interests of the College that draws us to him and makes us proud of him—proud of "Bill" Walton, a true Ouachita product.

IN MEMORIAM

JOHN W. CONGER

1857-1924

FOUNDER OF OUACHITA COLLEGE

On December 24, 1885, Dr. J. W. Conger, an alumnus of Southwestern Baptist University, was chosen as the first President of Ouachita College by the Board of Trustees. He served in this capacity for twenty-one years. This man gave his heart wholly to the college, and much of the present prestige and power of the institution is due to his untiring efforts.

It is both fitting and proper that we, on the occasion of our Fiftieth Anniversary, pause to pay tribute to the man who meant so much to the college during the first half of its life. His spirit, his work, and his influence will remain a part of Ouachita in future years.

Historical Sketch

Ouachita College developed as a result of the work of Baptist leaders in Arkansas, who for many years had been in most thorough sympathy with the efforts of American Baptists to found and maintain colleges where learning and religion might be developed in symmetrical unity. In the year 1886, when Ouachita College was founded, the Baptists of Arkansas were neither rich nor numerous, but they believed in Christian education, and they had the courage of their convictions.

After the Baptist State Convention had year after year expressed its purpose to establish a Baptist College in Arkansas and had kept an Educational Committee working upon the problem, finally, at the Convention at Hope, November, 1885, the Commission submitted a report which contained the following:

"The Commission recommended to the Convention the propriety of electing at this session of the body fifteen wise and prudent brethren as a Board of Trustees, five of whom shall be a quorum, and this board shall have the power of self-perpetuation, and it shall be a body politic having under its control the absolute management of the school for the Convention. It shall be the duty of this Board of Trustees to report to the Convention at its annual session the material progress, financial conditions and working of the school."

The report was adopted and the following board elected: J. P. Eagles, A. B. Miller, B. R. Womack, A. J. Kincaid, J. B. Searcy, A. W. Fawcett, J. M. Hart, J. Dunnigan, H. K. Brantley, C. D. Wood, W. E. Atkinson, M. F. Locke, V. B. Izard, W. A. Sayle, and A. W. Files.

The Board of Trustees met in Little Rock, December 24, 1885, and considered bids for the location of the college. At the same meeting Arkadelphia was chosen as the location, and Dr. J. W. Conger, an alumnus of Southwestern Baptist University, was chosen president. The college began its first session September 6, 1886, in the old Blind Institute building, which had been refitted and equipped for this purpose. This building was later destroyed by fire. New buildings have been added as the need for them became imperative. There are now twelve buildings on our campus.

Dr. J. W. Conger, the first President of Ouachita College, served in this capacity for twenty-one years. He gave his heart wholly to the college, and much of the present prestige and power of the institution is due to his untiring efforts. He was succeeded by Dr. H. S. Hartzog, who was formerly President of the University of Arkansas, in 1907. In February, 1911, Dr. Hartzog resigned, and in March, 1911, Dr. R. G. Bowers, an alumnus of the college, was chosen as President. After two years of faithful service, he resigned to return to the pastorate. Dr. S. J. Jamison was elected President of Ouachita in June, 1913, and served until January 1, 1916. It was during his administration that indebtedness amounting to over \$65,000.00 was liquidated. Professor H. L. McAlister, Dean of the College, served as chief administrative officer until the close of the school year, June, 1916.

Dr. Charles E. Dicken was elected President of the College, January 20, 1916, and assumed active control of its affairs in June, 1916. On August 4, 1925, Dr. Dicken resigned, his resignation to take effect June 1, 1926. In April, 1926, A. B. Hill, an alumnus of Ouachita, and at the time of his election State Superintendent of Public Instruction, was elected President and served three years. During this time Ouachita was admitted to the North Central Association of Colleges and Secondary Schools. On June 29, 1929, following the resignation of Mr. Hill in April, Dr. Charles D. Johnson, for six years a member of the Baylor University faculty, was elected President. On April 10, 1933, Dr. Johnson resigned the presidency, effective July 1, 1933, and Dr. J. R. Grant, Vice-President, was named to have charge of the administration of affairs for the 1933-34 session. On January 30, 1934, he was elected President of the institution.

Ouachita College now has more than \$500,000.00 endowment. Christian men and women are realizing more than ever that contributions to Christian Education are most effective both in developing civilization and in advancing the build-up of the kingdom of God. In June, 1916, Mrs. Florence Wilson bequeathed to Ouachita \$21,000.00 for permanent endowment. She was the widow of the late J. W. Wilson, who was a Ouachita student and afterwards a very generous member of the Board of Trustees. He himself left \$10,000.00 to his alma mater. In October, 1918, Dr. J. C. Wallis, bequeathed to the college \$30,000.00 for endowment.

The College Dining Hall was completed in 1920, and the Cone-Bottoms Hall, an excellent fireproof dormitory for women, was completed in 1923. At the present time there is a great need of more endowment and a very urgent need for some new buildings. However, Ouachita is unquestionably in a period of great usefulness.

1886 . . . 1936

To the Students of Ouachita College,
Arkadelphia, Arkansas.

Dear friends:

You are in the race for success. All your friends are voting for you but their efforts without yours amount to little. Whether you win or lose in this race, depends on your own vote.

Your parents, the faculty, and the trustees of Ouachita College, are united in their aim and effort to help you

Live a better life for the Master,
Earn a better living for yourselves, and
Make a better world for us all.

We appreciate the good part you have played in building a better Ouachita and increasing the enrollment to 500. As you leave this sacred spot to take your places in a busy world, your opportunities to help will increase. We would not exchange the love, loyalty and support of the alumni for a million dollar endowment.

We are this year celebrating Ouachita's semi-centennial. We rejoice in her past. We are proud of her present. If we continue to put first things first, Ouachita's future is bright. It is my prediction that when you return twenty-five years from now to celebrate your Alma Mater's seventy-fifth anniversary, you will find six new fire-proof buildings, 65 members on the faculty, 1,000 students enrolled, 140 graduating with their Bachelor's degree, fifteen with their Master's degree, some thrilling boat races on Ouachita river, and a two million dollar endowment.

Sincerely yours,

J. R. GRANT, President.

*The creeping ivy clings against gray towers,
The trees are old and wise and very tall;
Their shadows lie, like lace, on every wall.
A mellow clock chimes out the drifting hours,
As if to say, "Time slips, while learning flows—
So many feet have echoed through each hall,
So many years have gone beyond recall,
So many sun-swept days, so many showers."*

*Perhaps these gray stones, robed in ivy, feel
That students strolling past are but a dream.
Perhaps the boys and girls with youth a gleam
Are phantomlike and just a bit unreal
To the tall trees that, standing calmly by,
Draw strength and knowledge from the far-flung sky!*

CLASS OF 1937

When we came to Ouachita in 1933 we picked as our head man and president, Ray Owens, a snappy little blond from Hot Springs. To assist him we selected Charlotte Juchheim as vice-president, Rosemary Reed as secretary, and Newt Woodson as Treasurer. We numbered one hundred and forty-three that year and we considered ourselves a good bunch. From our midst Cecile Edwards (who has found marriage and Leuken more interesting than college) was elected the Cutest Girl in Ouachita, while Faustine Mulkey (now Mrs. J. B. Hill of Nashville), Elsie Mae Epes and Charlotte Juchheim were chosen by R. O. T. C. officers for Battalion sponsors. Four of our number, Woodell, Sewell, Chaney, and Floyd, were football men. The freshman class of 1933-34 was not without its good points.

In 1934 we were classed as Sophomores, having one hundred and sixteen members. Elmo Chaney presided as president, his cabinet including Mary E. Hall, vice-president, Dorothy Dollarhide, secretary, and Ray Woodell, treasurer. This year Virginia Gibson from Bastrop, Louisiana, was chosen the Most Beautiful Girl, Mary E. Hall was voted the Most Popular and Best All Around Girl, Cecile Edwards again reigned as the Cutest. Mary Ellen Lindvall was chosen Football Queen, Mary E. Hall was elected Homecoming Queen, and Bob Utley was voted the Most Handsome Boy. We had nine men on the football team, including: Floyd, Watkins, McClure, Woodell, Chaney, Varnell, Burkett, Albright, and Blackwood. Three of us became Cheer Leaders: Charles Hagins, Mary E. Hall, and Virginia Kincannon. Marguerite Babb was the only R. O. T. C. Sponsor selected from the class this year.

As a Junior class, we have not failed to keep our rating high. Bob Utley still holds the honor of being the Most Handsome Boy, Mary E. Hall is still the Most Popular Girl, and Charles Hagins and Virginia Kincannon are the Most Collegiate. Floyd, Chaney, Strickland, Sewell, Blackwood, Burkett, Chaney, Varnell, are outstanding football men. Dorothy Pittman of Hot Springs is the Editor of the Tom-Tom, Ouachita's literary magazine.

As Seniors of 1937 we expect to be the best Senior class in the history of the college. We have plenty of material, plenty of talent—and just enough determination! Next year we will be the "Tyrannic Sophisticates" as the freshmen have so aptly named the Seniors, and somebody must look up to us.

CLASS OF 1938

Arriving on the campus early in September, 1934, our class was as green as any other freshman class—but our admitting it now surely brands us as sophomores, because we wouldn't have admitted it then. As soon as the dignified seniors began to arrive, the wind was properly removed from our sails and had "Alone" been here then we should certainly have adopted it as our theme song. As a reward for being nice children and carrying luggage, the seniors gave us permission to have our class meeting. Phillip Best was elected president, Ann Tompkins, vice-president, Cherry Winburn, secretary, and Dale Ward, treasurer.

We may have been green in some ways but everyone had to admit we made a mighty big contribution to the gridiron. Arnette, Williamson, Patterson, Steuart, Gorum, Richards, and White, all received letters and made the "O" association.

September, 1935, presented quite a different picture. We entered the front gate and saw familiar faces everywhere. We began to really feel like true Ouachitonians. We were a big class last year and we have kept most of our members. We still have our athletic stars and the musicians in our class have made such progress that we're already anticipating the spring recitals in 1938.

We have other great hopes for our junior and senior years. If we are able to end like we started we'll have a record-breaking senior class as far as numbers are concerned, and numbers is not all we hope to excell in.

CLASS OF 1939

In 1935 we came to Ouachita, feeling as if we had at last become men and women, ready to meet any occasion which might present itself before us. But strangely enough this feeling had only a short existence. Cruelly, unmercifully, we were squelched and crushed one by one by a host of tyrannic sophisticates known as seniors, who continually instilled in our feeble minds the fact that we must look up to them. "And look up to them we did"—outwardly! but inwardly—well, that's still a secret of the freshman class. So you see, it was the same old story for us, just as it was, is, and always will be for freshmen who come to the one and only Ouachita.

Perhaps ours was the same old story and perhaps it was not. What previous freshman class ever had a coiffure (haircut) like unto the one that we received? None! Who will ever forget that morning when the boys appeared, minus their curly locks! It really caused a sensation but we didn't care. Just think of all the weeks that we didn't have to comb our hair!

Things are beginning to change now. It will not be long until we are sophomores, and leave the "greenness" of our first year behind us. Some day, in the not so distant future, we, too, will be seniors and have the joy of leading a freshman class to a better understanding of the old "Tiger Spirit."

ATHLETICS

COACH WALTON

CAPTAIN WINBURN

COACH W. I. "BILL" WALTON

Rounding out his second year as head coach and director of athletics at Ouachita, Coach Walton has proven himself to be one of the most efficient and best loved coaches in the history of the college. He has given both his time and services unsparsingly in his effort to raise Ouachita to the heights in Inter-Collegiate sports which she once attained.

Coming to his Alma Mater in 1934, exactly ten years after his graduation and with an enviable record as a producer of champions in high school circles, Coach Walton gave Ouachita two championships, the football and track titles, in his first year as coach.

This year Coach faced one of the most difficult tasks in his coaching career. Too, the Tigers faced one of the hardest schedules in their history. Yet, Coach put one of the greatest Ouachita teams on the field that she has seen in her fifty years of epoch-making history.

When, because of a ruling passed by an accrediting agency, Ouachita was practically outlawed from competition in Arkansas Inter-Collegiate sports, Coach arranged an independent cage card and promoted inter-class sports in order to keep up the Tiger spirit and to keep Ouachita's name at the top of the sports heap.

His fight has proved to us that as long as Bill Walton is Director of Athletics at Ouachita, her athletics will not die, but will continue to uphold the long-lived traditions—Hats off to Bill Walton!

CAPTAIN SINCLAIR "DOLLY" WINBURN

Thanksgiving ended the football career of another famous Tiger as Dolly Winburn, captain of the 1935 eleven, played his last game for Ouachita. Displaying grit and determination, two of the necessary characteristics of a ranking gridiron performer, Dolly completed his fourth year as an important cog of the Tiger eleven. Known as a great blocker and one of the best defensive backs in the state, this year he also proved himself an able ball carrier. He has placed on the All-State team for the past two years and will be greatly missed next year.

OUACHITA 0—TEXARKANA 7

The first game of the season found the Tiger team in Texarkana with the Bulldogs of the Junior College as their opposition and they proved to be fair opposition as the score indicates. However, the score does not tell all.

After outplaying their Texas opponents for nearly four quarters the Tigers lost the game when a Texarkana back intercepted a Tiger pass on his own 20-yard line and sprinted the remaining 80 yards for the only marker of the game.

The Tigers made 15 first downs to 10 for Texarkana. Most of theirs were made by tricky lateral passes featuring several rabbit backs.

In the Tiger backfield the play of Chaney and Perry was outstanding while Woodell and Richards starred in the forward wall.

OUACHITA 0—NOTRE DAME "B" 25

Being aided by an intercepted pass and a blocked punt that directly resulted in touchdowns and by two other well-earned touchdowns, the "B" team of Notre Dame University defeated the Tiger team by a score of 25-0 in Little Rock before a small crowd. Although the Tigers were on the losing end of the score they played brilliant football. Time after time Perry, Tiger quarterback, hit the line for good gains.

Twice the Tigers crossed the goal line only to be called back because of two forward passes in succession which were intended as a forward and a lateral.

Chaney starred with Perry in the Tiger backfield. Floyd, Beumer, and Richards stood out in the line.

OUACHITA 7—OZARKS 13

On October 19th the gods who rule the outcome of football were very unkind to Ouachita and her many supporters when they allowed Ozarks to win a heart-breaking game in the last few seconds of play.

The Mountaineers began to threaten the Tiger goal early in the game because of a Ouachita fumble, however, the attack was repulsed. The second quarter also was hard fought with Ouachita having a slight advantage because of the thrusts of Varnell, Perry, and Chaney at the Ozarks forward wall. The third quarter was another battle of lines with Varnell giving the only spectacular play when he returned a punt 35 yards. In the final quarter Ozarks completed a pass for a touchdown. At this point Perry opened up a spectacular passing attack with Short and Floyd receiving. Working the ball to the 13-yard line, Perry shot a flat pass to Winburn who lateraled to Strickland for 6 points. Perry's dropkick was perfect. In the next 54 seconds Ozarks scored on a pass to take the heart-breaking encounter.

OUACHITA 21—HENDRIX 0

With three defeats behind them the Tigers went to Conway October 25th, determined to win a football game and to spoil a perfectly good Dad's Day for the Hendrix Warriors. This is exactly what they did.

While the game was hard fought throughout, it was played almost altogether in Hendrix territory with the Tigers the apparent winners from the start. Hendrix only scoring threat came in the second period when Capt. Leo Stotts attempted a field goal from the 35-yard line which fell short.

Ouachita's first marker came in the third quarter by way of a pass, Perry to Winburn. Chaney scored the second touchdown on a sweeping end run to the right. The last marker came when Floyd and Steuart blocked a punt behind the Warrior goal line and Richards recovered. Perry converted after each touchdown with perfect dropkicks. Albright made a number of nice smashes through the line.

OUACHITA 0—L. S. U. (N. E. C.) 6

Before a record crowd of mothers and dads, the Tigers lost a close hard fought game to the L. S. U. Northeast Center Indians from Monroe, Louisiana.

The game was only a few minutes old when Lemak went around end from the Tiger 6-yard line for a touchdown. Bono's attempt for extra point was wide. The remainder of the quarter was evenly fought. The second quarter was all Ouachita's, featuring Albright's 45-yard run through the line. The third quarter was evenly fought with neither team threatening to score. In the fourth quarter the Tigers launched a vicious running attack with Chaney, Albright, and Winburn carrying the ball to the 1-yard line, only to lose it on downs.

Bono's smashes through the line and Mosely's punting was outstanding in the Indian backfield while Williamson was best in the line. For Ouachita, Chaney, and Perry, in the backfield, along with Beumer, Richards, and Woodell in the line, took the honors.

OUACHITA 13—TECH 19

Before a record-breaking Homecoming crowd, the Ouachita team outfought, outplayed, and generally succeeded in throwing a scare into the Wonder Boys of Tech before being defeated 19 to 13.

Tech scored early in the first quarter when Davis, fullback, caught a lateral pass and ran 25 yards to the 9-yard line. He scored on an end run. The second quarter was played in Tech territory with the Tigers having the advantage all the way. In the third quarter the Wonder Boys completed two laterals and a forward pass for a touchdown. Gordon's kick was wide. Ouachita received and on the first play Albright went through the line to the 35 and then lateraled to Winburn who ran the remaining distance unmolested. Kick for extra point was blocked. A few minutes later the Tigers started a passing attack that carried them to the 9-yard line. Winburn plunged over. Perry kicked extra point to tie the score. With only a few minutes left to play Burnett completed a 30-yard pass to Holt, putting the ball on the 8-yard line. Wilson plunged over.

OUACHITA 39—MONTICELLO 0

Using a complete revamped lineup, the Ouachita Tigers invaded Monticello November 22, and trimmed the Bollweevils by a score of 39-0.

Coach Walton was without the services of seven of his lettermen, yet his team, which was made up principally of freshmen and non-lettermen, scored almost at will. The first score came before the game was five minutes old. Two more touchdowns were made before the end of the first period. In the second period the Tigers scored 13 points more to make the score 32-0 at the half. The second half was principally a battle between the Aggies and the Tiger seconds with the Tigers scoring another marker.

Highlights of the game were Chaney's slashes at the line in which he shook off tackler after tackler in one run for 40 yards and a touchdown; Smith's 65-yard run down the sideline which was stopped 5 yards short of the goal line; and several good gains by McMillan.

OUACHITA 19—HENDERSON 0

At last Thanksgiving arrived and with it the big classic of the year—the game with Henderson State Teachers College. The largest crowd of the year turned out to see the Tigers down the Reddies by a score of 19-0.

With the game hardly two minutes old Arnette, Tiger end, broke through to slap down a Reddie lateral pass on the 17-yard line. Albright and Chaney worked the ball to the 3-yard line and Chaney plunged over for the first score. Perry's try for extra point was wide. In the second period Henderson seriously threatened to score on a pass, Scholl to Harrell, who was hauled down from the rear by Blackwood, thus ending the threat. Soon afterward Chaney intercepted a Henderson pass on the 39-yard line. Smith heaved two passes netting 37 yards and then Albright broke loose for 22 yards and a touchdown. In the third quarter smashes by Smith, Chaney, and Albright carried the ball to the 4-yard line. Albright scored and Smith added the extra point.

It would be useless to try to name the stars of this game for every member of the team played good football. The Reddies also played a creditable game, but were simply outclassed by the Tigers.

By glancing at the results of the past season, the uninterested reader would not recognize the truthfulness of the statement that Ouachita had one of the greatest teams in her history; but the fans who witnessed the games realize that there was no greater eleven on the Arkansas College gridirons. The Tigers consistently outplayed their opponents but "old lady luck" seemed to be absent from the Tigers' Lair as they came out on the little end of many heart-breaking scores.

When the sports writers of Arkansas' metropolitan newspapers reviewed the 1935 gridiron campaign at the end of the season, thirteen Tigers were given recognition as being among the great of Arkansas College football. Zebe Perry, the spark plug of the Ouachita team and who was heralded as one of the finest triple-threat men in the state, was unanimous choice as quarterback. It was Perry's vaunted aerial attack that gave Ouachita their touchdown against Ozarks and his educated toe placed a perfect drop-kick between the uprights to take the lead with only fifty-four seconds remaining to be played. His passes and running accounted for many of the gains made by the Tigers against their other opponents.

Following closely on Perry's heels was Elmo Chaney, the charging, fighting Tiger fullback, who was selected to fill his old position on the mythical eleven for the second consecutive year. He was known to Ouachita fans as one of the hardest hitting men on the squad. By playing such an aggressive game in backing up the line, Modie smeared many plays before they had time enough to develop in the opponent's backfield.

Every other member of the starting lineup was given some honor, either being placed on the second or third team, or in the list of those receiving honorable mention.

BASKETBALL

Basketball 1936

GENE SHORT—A man who knows the game and loves to play it. When Gene is right—and he usually is—the Tigers are hard to handle.

JOE ARNETTE—Joe was shifted from center to guard and functioned equally as well. A steadier player is hard to find in these parts. He has two more years.

GUS ALBRIGHT—This is Red's first year on the court for Ouachita, and he was a sensation to all who saw him play. A harder fighter is not to be found.

FRED STRICKLAND—Fred has rounded out three years as a regular on the team and has another to go. Chosen on All-State last year.

ROBERT SMITH—Robert was able to make the starting line-up his first year which speaks well for him. He will be an invaluable man the next three years.

DOLLY WINBURN—Dolly finishes his third and last year with the Ouachita cagers. He has always been a cool-headed and consistent guard.

WAYNE FULCHER—Wayne was unable to make the first string this year but is a good man and will strengthen the Tigers in future games.

Basketball 1936

MAX BRASWELL—Max tried out for the team for the first time this year. He should be in the starting line-up next season.

JAMES BOLICK—This man has been a strong reserve, and will be a contender for a first string position next year.

CLYDE SLATER—Clyde has the stature of a real player but lack of experience held him back this year. We are counting on him in the future.

TOMMY MANN—Tommy has proven to the Ouachita fans that he has the determination to make a good man with a little more experience.

CECIL McMILLAN—"Mac" is another freshman who should make Ouachita a good man in the years to come.

RALPH KELLER—Ralph has the Tiger spirit which means a lot to any player. He has one more year with the Bengals.

J. D. ROSS—If this man could have finished the season there is no doubt but that he would have been a valuable reserve.

BEUMER (left)—Tiny is a freshman but a starter in every game. His one hand push shot is hard to guard so he was good for several points in every game.

NIXON (right)—Rolla came to us from Warren where basketball is played to perfection. He was a member of the team that was runner-up in the National High School Tournament several years ago.

The above scores are for games played before February 10. Several games remained on the schedule but due to the fact that the annual went to press on February 10, we were unable to record scores for these games.

Coach Walton was unable to schedule any Inter-Collegiate basketball games this year due to the ruling of an accrediting association of which most Arkansas Colleges are members. He arranged, however, a schedule of independent teams, most of which consist of former college stars and which have succeeded in giving the Tigers plenty of competition.

During the early part of the present season, the Tigers were handicapped and lost several games due to lack of practice. Hermitage, the first game of the season, was played with less than a week's practice. Then, the interference of semester examinations caused them to lose more practice. The Tigers finally managed to get in good condition and also found the basket as the scores of the latter games indicate. Short has gained much recognition in his ability to make free throws. Out of twenty-seven attempts, twenty-six have been good for one point, twenty-four of them being in succession.

Ouachita's cagers will probably mark up several more victories before the end of the season. They are looking forward with keen anticipation to the A. A. U. Tournament in which they expect to play a major part.

Dear Mr. Hobgood:

I am returning the photographs of your school beauties. I had almost forgotten that Arkansas had such pretty girls. I used to know that quite well, when I was a youngster there, but time had let the fact slip by me.

It was quite a difficult task to make this selection, and I hope my choice pleases your student body. They, knowing the young ladies personally, will surely realize just what I had to go through before I could decide which photograph to mark number one.

Thanks a million for allowing me to do this, and if at any future time I can be of service to you or any member of your student body, please don't hesitate to call or me.

Kindest regards and best wishes.

Sincerely yours,

The Senior Class of 1894

Now folks, honest and truly, isn't that a lovely group of young graduates? Don't let the "cookie dusters" or "soup strainers" or what ever they called them, scare you off. That was the style in those days. Sure 'nuff, these people really d.d graduate from old O. B. C. in 1894. Perhaps you can recognize some of them. The young man at the right rear (not in disguise), is our erstwhile Registrar, B. F. Condray. None other. One young lady might be recognizable. Maybe more. If you can, tell us who they are. The one sitting in front (with hair done up so cute) is related to our own Pen Lile Compere. Aunt Jenny.

Seriously, this was the Senior Class of 1894. We are not printing this derisely, but to show how much we have progressed in the last forty-two years. Eleven graduates appear in this group, whereas we have eighty Seniors in the class of 1936. All honor to those who have gone before and now form our vast circle of alumni.

CAUTION!

Proceed At Your Own Risk !

IF YOU HAVE A WEAK HEART OR WEAK SIDES PLEASE CLOSE THE BOOK NOW.

The ones appearing in this section really rate. If they can't take it, maybe we made a mistake in our rating.

BACK WHEN—

mules were just plain jackasses and men were rough enough to wear caps.

Pro Mitchell is the one with the cap on. Pro, where on earth was this picture taken?

Don't ask us where we got it.

Dec. 3—Perry and Chaney placed on All-State.

Dec. 7—It leaked out today that Billy Lawrence is another one of those guys who wears lace on his drawers.

Dec. 8—Jim Jernigan and Virginia Gibson sit through church holding hands in the choir. Ouachitonian snap-shot editor got a few prize shots of the "social hours."

Dec. 9—Christine wouldn't exchange Elmer for *all* the boys on the campus. (That's a pretty broad statement, Zaz).

Dec. 10—Football banquet at Chamber of Commerce. Chaney made captain and Woodell sub-captain of 1936 team.

Dec. 11—We hear that J. W. Bethea is having a military trial for making way with a pair of pants at camp.

Dec. 12—Christine wouldn't exchange Elmer for his weight in gold (Zaz, that's just too much!)

Dec. 13—Friday the 13th. Beware!

Dec. 14—A certain organization gave Jobe's place a little business tonight. Ask Red Bethea. His date got a six-dollar permanent for *him* and the occasion.

Jan. 17—We play the American Bakers tonight. In the last quarter Max Braswell shoots two sensational goals—got his name in the paper even.
Jan. 18—Snow! Otto and Sterling prance around in the weather in their bathing suits. On this night the bells in Cone Bottoms and the main building rang for 45 minutes.

Jan. 25—Carol Royston and Sonny Faulkner sat by Nelson Eddy in the picture show at Little Rock. I imagine they enjoyed the picture even if it was a shoot-em-up.

Jan. 26—Teeny Lavender's bangs are quite cute.

Jan. 27—Julia Nichols, the little rebel, and Bill Nichols, her brother, are no more in our number. We always hate to lose Nichols.

Jan. 28—Basketball game with Texarkana Junior college. At least, it was part of a game—they walked off the court.

Jan. 29—Doris Bradley gets one call down for "Misrepresentation of Facts." That's a dignified name for it.

Jan. 30—Deepest snow of the season. Adeline Lee had her picture taken in her bathing suit. I betcha she didn't ask for permission.

Jan. 31—Frances Swaim and Dan Webster out-debate the Pittsburg team. We especially compliment Frances on her keen rebuttal.

Feb. 1—Just another cold rainy Saturday—even too cold for most people to take a bath.

Dear Claude:

I just read in the papers that students who don't smoke make much better grades than those who do.

Dad.

Dear Dad:

I have thought about it, but truthfully, I would rather make a "B" and have the enjoyment of smoking; in fact, I would rather smoke and drink and make a "C"; furthermore, I would rather smoke and drink and neck and make a "D."

Claude.

Dear Claude:

I'll break your neck if you flunk anything!

Dad.

If you don't like the jokes we use, you should read some of the ones we had to read to find these.

Round 'n' Round

If Alexander Woollcott had written "The Music
Goes 'Round and Around':"

The melodic combination of purely monosyllabic
words with musical symbols, which we in this what we
like to call enlightened era designate as music, con-
tinues without surcease its circular motion, reaching
its ultimate climax by way of the most obvious of
exits—the one right here.

By way of variety it is possible, yea, highly prob-
able, that pressure on the instrument's initial key,
one of several which normally control the sound
emanating therefrom, will result in nothing more nor
less than a continuance of the revolution of the said
sounds through, over, across and out of the afore-
mentioned instrument.

Still, and all, God wot, it comes out here.
