FOREWORD

Endeavoring to please everyone and no one and sincerely hoping that this book will be received with the same reverent spirit in which it was compiled, we dedicate this foreword to the student body of Ouachita College whose heroic efforts and undying spirit have enabled the College to move unflinchingly onward.

May the rich heritage of the past and the glorious promise of her future be ever a challenge and an inspiration to the future students of Ouachita to carry on this tradition, striving always toward a "greater Ouachita."

DEDICATION

MAJOR LEWIS W. AMIS

To Major Lewis W. Amis, who, because of his rock-like Christian character, his fine example of clean living, and his never erring leadership, is loved and respected by every Ouachita student; we dedicate this volume of the Ouachitonian. It is an education to know him.

HISTORICAL SKETCH

Ouachita College developed as a result of the work of Baptist leaders in Arkansas, who for many years had been in most thorough sympathy with the efforts of American Baptists to found and maintain colleges where learning and religion might be developed in symmetrical unity. In the year 1886, when Ouachita College was founded, the Baptists of Arkansas were neither rich nor numerous, but they believed in Christian education, and they had the courage of their convictions.

After the Baptist State Convention had year after year expressed its purpose to establish a Baptist College in Arkansas and had kept an Educational Commission working upon the problem, finally, at the Convention at Hope, November, 1885, the Commission submitted a report which contained the following:

"The Commission recommended to the Convention the propriety of electing at this session of the body fifteen wise and prudent brethren as a Board of Trustees, five of whom shall be a quorum, and this board shall have the power of self-perpetuation, and it shall be a body politic having under its control the absolute management of the school for the Convention. It shall be the duty of this Board of Trustees to report to the Convention at its annual session the material progress, financial conditions and workings of the school."

The report was adopted and the following board elected: J. P. Eagle, A. B. Millar, B. R. Wcmack, A. J. Kincaid, J. B. Searcy, A. W. Fawcett, J. M. Hart, J. Dunnigan, H. K. Brantley, C. D. Wood, W. E. Atkinson, M. F. Locke, V. B. Izard, W. A. Sayle and A. W. Files.

The Board of Trustees met in Little Rock, December 24, 1885, and considered bids for the location of the college. At the same meeting Arkadelphia was chosen as the location, and Dr. J. W. Conger, an alumnus of Southwestern Baptist University, was chosen president. The college began its first session September 6, 1886, in the old Blind Institute building, which had been refitted and equipped for this purpose. This building was later destroyed by fire. New buildings have been added as the need for them became imperative. There are now twelve buildings on our campus.

Dr. J. W. Conger, the first President of Ouachita College, served in this capacity for twenty-one years. He gave his heart wholly to the college, and much of the present prestige and power of the institution is due to his untiring efforts. In 1907 he resigned to accept the presidency of Southwestern Baptist University. He was succeeded by Dr. H. S. Hartzog, who was formerly President of the University of Arkansas. The faithful labors of Dr. Hartzog left their stamp upon Ouachita College. In February, 1911, Dr. Hartzog resigned, and in March, 1911, Dr. R. G. Bowers, an alumnus of the college, was chosen as President. His labors in this capacity began in June, 1911. After two years of faithful service, he resigned in the spring of 1913 in order to return to the pastorate. Dr. S. J. Jamison was elected President of Ouachita in June, 1913, and served until January 1, 1916. A notable and praiseworthy achievement of his administration was the liquidation of all the mortgage indebtedness of the institution, amounting to something over \$65,000.00. Professor H. L. McAlister, for several years Professor of Mathematics and Dean of the College, was elected chairman of the Faculty and was chief administrative officer until the close of the school year, June, 1916. Dr. Charles E. Dickson was elected President of the College, January 20, 1916, and assumed active control of its affairs in June, 1916. On August 4, 1925, Dr. Dickson resigned, his resignation to take effect June 1, 1926. In April, 1926, A. B. Hill, an alumnus of Ouachita, and at the time of his election State Superintendent of Public Instruction for Arkansas, was elected President and served three years. During this time Ouachita was admitted to the North Central Association of Colleges and Secondary Schools. On June 29, 1929, following the resignation of Mr. Hill in April, Dr. Charles D. Johnson, for six years a member of the Baylor University faculty, was elected President. On April 10, 1933, Dr. Johnson resigned the presidency, effective July 1, 1933, and Dr. J. R. Grant, Vice-President, was named to have charge of the administration of affairs for the 1933-34 session. On January 30, 1934, he was elected president of the institution.

If a college is to be adjudged by the usefulness of the men and women whom it sends out into the world, the impartial historian will give Ouachita College a very high and honorable place. The financial struggles have been many; but the institution has now passed the experimental stage and has undoubtedly entered upon a period of enlarged growth and usefulness.

Christian men and women are realizing more than ever that contributions to Christian education are most effective both in developing civilization and in advancing the building up of the kingdom of God. In June, 1916, Mrs. Florence Wilson bequeathed to Ouachita \$21,000.00 for permanent endowment. She was the widow of the late J. W. Wilson, who was a very generous member of the Board of Trustees. He himself left \$10,000.00 to his alma mater. In October, 1918, Dr. J. C. Wallis bequeathed to the college \$30,000.00 for endowment. Since the founding of the college Dr. Wallis had been one of the wisest and most generous supporters.

The College Dining Hall was completed in 1920, and the Cone-Bottoms Hall, an excellent fireproof dormitory for women was completed in 1923.

The college now has more than \$500,000.00 endowment, and although there is a great need of more endowment and very urgent need for some new buildings, Ouachita is unquestionably in a period of great usefulness.

FRIENDS OLD AND NEW

*Make new friends, but keep the old;
Those are silver, these are gold;
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test—
Time and change—are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay,*

*For 'mid old friends, tried and true
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply.
Cherish friendship in your breast;
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.*

When we came to Ouachita in 1934, Philip Best was elected president of our class. Anne Tompkins served as vice-president, Dale Ward as treasurer, and Cherry Winburn as secretary. We numbered 151 that year. From this class Marion Blount (now Mrs. Hallie Matlock) and Aileen Stevenson (now Mrs. Raymond Powell) were chosen as R. O. T. C. sponsors. We had four men on the football team: Joe Arnett, Herbert Gorum, Raymond Richards, and Elmer Stewart. John Durham was elected as one of the yell leaders.

In 1935 we called ourselves Sophomores, having enrolled 128 students. The class officers included: Aley Holland, president; Virginia Preddy, vice-president; Marjorie Hudson, secretary; Joe Arnett, treasurer.

Arnett, Chinn, Stewart, Gorum, Richards and DeShong, all received letters and made the "O" Association. Ruth Lawrence and Cherry Winburn were chosen as campus beauties, Claude Durrett as best dressed boy, and Lois Reagan as an R. O. T. C. sponsor.

As a Junior class we have not failed to keep our rating high. Maxine Gary and Frances Morton were chosen as beauties, Philip Best as most versatile boy, Geneva Adams as best dressed girl, and Claude Durrett as best dressed boy and cheer leader. The boys making letters again this year were Joe Arnett, Willard Bratton, Herbert Gorum, Raymond Richards, W. E. DeShong and Tom Chinn. Our officers this year are: W. E. DeShong, president; Jerine Mathews, vice-president; Fern Garner, secretary; and Tom Digby, treasurer.

OUR THANKS

*Our gratitude is such a little thing
We shrink to give it—yet we'd have you know
That here we found the lilting songs we sing;
That here a spark was fanned into a low
Warm blaze; that here a youth became a man;
That here the eager search for truth began;
That here we found the strength and will to see
That all we've learned is just a golden key.*

As the 50th Anniversary freshman class, we started out on Ouachita's next 50 years bravely, with Huree Hutson as our president. Aiding him were Grace Nell Lyle, vice-president; Marjorie Meador, secretary; and Gene Carroll, treasurer. Although only freshmen, we gained our share of recognition—even by Dick Powell, who selected Emmarene Toler and Grace Nell Lyle as two of the four Ouachita beauties. Grace Nell Lyle represented the freshman class in the annual "Who's Who" being elected cutest girl. Five of our boys, Clarence Beumer, Robert Smith, "Sodie" Matlock, Tommy Mann, and Cecil McMillan, helped lead the Tiger team to victory and lettered in football. The only incident marring the delight of our school year was the untimely death of Cecil McMillan.

Back again now as sophomore class we have kept in the limelight (spotlight we might say) having Grace Nell Lyle elected to help lead our cheers and in "Who's Who" she still holds the honor of being the cutest girl, and also most collegiate girl. Mildred Freeman, a newcomer to our ranks, this year, and Modine Whittington were selected as R. O. T. C. sponsors. At our homecoming game Hope Riner acted as one of the football maids.

With outstanding football and basketball men and an all-round good class there's no way to stop the potential senior of 1939 from "going places."

COACH W. I. (BILL) WALTON

Completing his third year as head coach and director of athletics at Ouachita, Coach Walton has proved his efficiency as director of the athletic department of the college by turning out some of the best teams in the history of the college. He has proved by his consistent efforts and his "never say die" spirit that he is a man to be loved and trusted. Coach Walton came to Ouachita in 1934 after producing many excellent high school teams at El Dorado. At Ouachita he has continued to produce excellent teams. The athletic situation looked almost hopeless at the beginning of the year, due to inability to get in the North Central Association, but undaunted, Coach Walton went beyond the boundaries of a mere state and procured better games. The outcome was that he produced one of the greatest cards that the fans have ever witnessed. His actions in this and other situations have proved to us that as long as we have Coach Walton backing our Tiger teams we have nothing to fear.

OUACHITA 14 OKLA. BAPTIST U. 14

Playing the only tie game of the season, and a starter at that the Tigers fought a hard battle to keep ahead of the Oklahoma Bisons. The game was well played with the Tiger men showing that they had something that the public did not know about. At the onset of the game it looked as though the Tigers were going to emerge the winners as they drove up the field rapidly to make the first counter of the game. Scoring for Tigers were Chaney, Smith. The Tigers made 13 first downs to 5 for the Bisons.

OUACHITA 31 LOUISIANA COLLEGE 0

Louisiana College's defense collapsed in the first half of the game with the Tigers as the Tigers ran up a 31 to 0 score on the Wildcats in the first two quarters of play. The Tiger team rushed two touchdowns across the goal in the first quarter and two more in the second. Scoring touchdowns: Chaney 3, Rankin, Arnett. Point after the touchdown, Smith, placement.

OUACHITA 0 MURRAY, KENTUCKY 20

After a two-day trip to the heart of the Southland the Tigers fought and lost a hard battle with the Murray Teachers group. The team of Murray had been defeated but once and that by the Mississippi Indians whom the Tigers defeated later on in the season. The weather was misty and sloppy, just beginning to turn cold, and the opposition outweighed the Tigers. No outstanding plays were used but the superior push of the Murray group could not be stopped by the Tigers. The Tigers returned home defeated in score only, and prepared themselves for forthcoming games.

OUACHITA RESERVES _____ 32 EL DORADO JR. COLLEGE__ 6

Playing the easiest game of the season the second team defeated the El Dorado Junior College team at Arkadelphia on Armistice Day. The secondaries proved that they could click as well as the big timers by their defeat of the Wolverines. The game was not a fast one but furnished many thrills in the way of humorous incidents. Lueken, Bratton, and Widener starred.

OUACHITA _____ 7 WESLEYAN UNIVERSITY__ 0

The Tigers completed on Thanksgiving Day one of their most successful seasons by winning from the Wesleyan team 7 to 0. The touchdown came on a well executed forward pass from Smith to Arnett in the third quarter. The first half was bitterly contested with no score. A spectacular 75-yard run to the goal by Chaney was ruled "out" by officials of the game as it came as the result of a forward pass instead of the intended lateral. Fine coaching was evident throughout the game as the Tigers played heads-up football and seldom missed a cue. Touchdowns: Arnett, convertment by Smith, placement.

CHANEY AND GORUM ON ALL-STATE

Again two gridders gain entrance to the mythical All-State Team. They are Elmo (Modie) Chaney and Herbert Gorum. Gorum fills the place of guard, being a consistent good worker in smearing enemy advances. This is Modie's third year to receive such acknowledgement. During each season Chaney has repeatedly made many gains by his hard hitting line plunges. These men were threats to the Tiger opposition in every game in which they participated.

BASKETBALL

JOE ARNETT *Forward*

This is Joe's third year as a basketeer and he chalked up an enviable score. Next year should be even better.

FRED STRICKLAND *Forward*

"Strick" has played in every game for four years. He has been high point man of many games.

ROBERT SMITH *Guard*

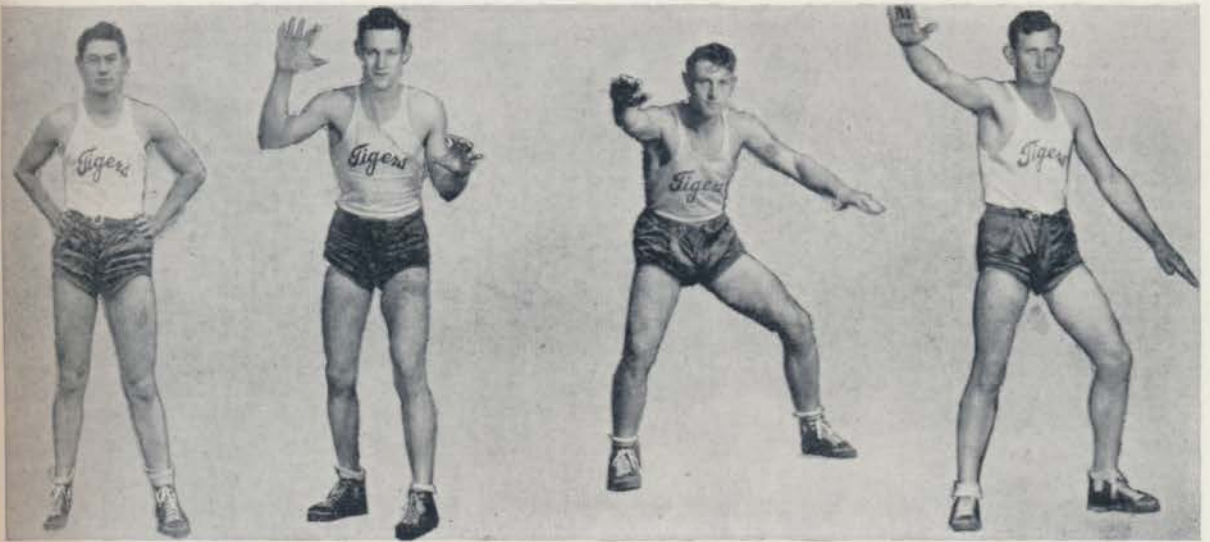

"Smitty" didn't see much action during the first part of the season but ended by playing on the first string.

JAMES VANNOY *Forward*

A red headed freshman and a cyclone on the court. His shots became more accurate every game.

 Sammy proved what a sub can really do when he is most needed; and served as a very reliable reserve.

JOE REITANO *Guard*
 Joe was a transfer from Jonesboro College; earned his letter there and is well on his way toward one here.

RALPH THOMAS *Guard*
 Ralph was a regular during the season, being out only a few times on account of illness.

WILLARD GOODWIN *Center*

A freshman and a regular who proved to be one of the best centers Ouachita has seen in a long time. He was high point man many times.

HERMAN BARKER *Forward*

Herman did not make the team but was an able substitute.

JOHN LEUKEN *Forward*

John is a small man with speed and accuracy. A good prospect for next year.

J. T. BERRY *Guard*

Very little has been said about J. T. but he ranked as a regular and assisted the Tigers in their winning ability.

On March 1 the Tigers entered the A. A. U. basketball tournament held at Conway. On March 3 they entered the finals against Arkansas State Teachers College, having won every game thus far. Although the Tigers played an excellent game, the breaks went the other way and Ouachita lost to State Teachers by a score of 33 to 51; thus placing Ouachita second in the state.

WHITE TIGER

*White Tiger, as you stand and stare
With eyes of glaring stone,
What can you see that others can't,
Within our college zone?
Do we uphold the standards you've
Adopted as your own?*

*White Tiger, why are you so proud?
So staunch and still you stand,
Is it because we please you well,
That you can look so grand?
Or, are you just a trifle vexed
With your unruly band?*

*Have patience, O thou mighty beast,
And listen to our plea,
Forgive us our shortcomings as
We kneel in awe of thee.
White Tiger, may you ever rule
A king of majesty.*

Nov. 21—George Raft doesn't have a double any more. Gorum's nose is broken.
Nov. 22—K. T. H. S. broadcast. Couldn't recognize more than six voices in the boys' quartet.
Nov. 23—Meador didn't have her lessons up today. "O well," says Marjorie, "it was worth it."
Nov. 24—Alas! We were afraid the strain would tell on those poor office girls sooner or later. Many Morris had a nightmare and all because of that terrifying local. Pro. Stewart sorta led with his chin when he asked Lerline where her horse was.
Nov. 25—"Twas the day before Thanksgiving" and such hurrying to go home. If Turkey Day proves too much and we don't get back Friday morning, who minds a little thing like 4 cuts for one?
Nov. 26—Sammy said he was going to eat turkey until he gobbled.
Nov. 27—We showed those Yankees how its done in the South. It was a rough afternoon. We won another football game.
Nov. 28—S. A. S. president's picture found with Red Shirt Pictures. How ironical!
Nov. 29—All the Turkey is gone. So are the holidays almost.

Dec. 4—Will the king marry Mrs. Simpson? Whether he does or not makes no difference to our 40 couples sweet on each other.

Dec. 5—The staff typist halted the work on the Ouachitonian by shouting Lohengrin's opera at the top of her voice. When she lowered her voice to a roar the work continued.

Dec. 6—Hisotry repeats itself. The main building this time. Our spirit did a good job of carrying books and furniture, cleaning windows, rebuilding, and school goes on tomorrow. Ugh!

Dec. 7—School goes on, after a fashion. When you are tired of working in lab just look up and view the blue sky or the black attic.

Dec. 8—No chapel, no dramatic club, nothing! but a few classes and plenty of repair work. Hope the water dripping from the roof doesn't take the curl out of Prof. Ar-hibald's hair.

Dec. 9—Debaters and library workers *only* rate today. One got out of class to repair damages of a fire the other to prepare damages to fire.

Dec. 10—Last day to pay the Ouachitonian. "Gimme-gimme" boys. No chapel cause we're all wet.

Dec. 11—Brrrr—its cold and am I sleepy? Oh, shucks, whatsa use in going to an old debate tournament anyway? Five o'clock is too early to go anywhere except to bed. The very idea of getting up in the middle of the night this way!

Dec. 13—De-baters come home bring a fat slab of bacon.

- Feb. 10—Red Shirts' day. How'd you like Sody's red shirt and orange pants?
- Feb. 11—Chaos in the Ouachitonia office. The band and the typing class threaten to descend.
- Feb. 12—The Ouachitonia office is lifted bodily out of the cellar into Deusinger house. Well, at least we got rid of some rubbish in the exchange.
- Feb. 13—Weekly Saturday night horse opera down at the village picture show. Blunder and thunder west of the border.
- Feb. 14—Valentine Day. (The loving couples Webster-Pattishall, May-Matthews take a vacation from the Baptist church). Love is everywhere, the atmosphere is sticky and cluttered with red hearts and chocolate candy.
- Feb. 15—Night studying in the library is getting to be quite the fad.
- Feb. 16—New Home Economics floors resemble glass—not the broken kind.
- Feb. 17—New table for card catalog in library. Joe Arnett wonders what that thing is anyway.

Feb. 18—Last minute work on debates. "Maximum labor and minimum hours" or vice-versa. Mostly versa.

Feb. 19—Ouachita debaters go to finals in debate tourney at Conway.

Feb. 20—Ouachita's cutest girl marries Billy Patterson, former student. Dear me, this is so sudden.

Feb. 21—The moon is al-most full. Who cares about hurrying home from church to get a parlor.

Feb. 22—Student Revival begins.

Feb. 23—Ouachitonian goes to press. Boy whatta' relief!

Major Amis: "What is the first thing to do when cleaning a rifle?"

Vannoy: "Look at the number."

Major: "And what has that to do with it?"

Vannoy: "To make sure I'm cleaning my own gun."

Dr. Pettigrew (entering noisy room just before classes begin): "Has Hades been turned loose in here?"

Dorothy D: "No; Paradise Lost."

Maxim for wives: "You never know what you can do till you cry."

Maxim for motorists: "Pedestrians should be seen and not hurt."

He: "I love you; I love you. Won't you be my wife?"

She: "You must see mamma first."

He: "I have seen her several times but I love you just the same."

Prof. Jones: "What do they call the instrument

Dorothy Wright: "The Gillette, I think."

Vesta: "Isn't moonlight bad for one?"
Chinn: "I don't know, but it's perfect for two."

At a Am. Lit. examination Dr. Pettigrew asked:
"Does the question embarrass you?"
"Not at all, sir," replied Faunt Smith, "not at all.
It is quite clear. It is the answer that bothers me!"

New Maid (who had been told to address the
guests correctly, ushering in admiral):
"This way, your flagship."—*Exchange*.

Hugh Cantrell was walking down town when he
noticed a weighing machine with the notice: "I
speak your weight."

He put a penny in the slot and stood on the
platform. A voice answered: "One at a time,
please!"—*Clipped*.

During a recent examination in history one of the
questions set was the following:

"If King Alfred were alive today, what would be
his views on (a) Conscription, (b) Universal Suf-
frage, (c) the Press, (d) Polo?"

Bob Utley: "If King Alfred were alive today he
would be too old to take any interest in any of these
things."

Sign in dormitory: "If we're studying when you enter, please wake us up."

She is not my best girl—just necks best.

When you see Marsh and Modine coming down the street the one who is two or three steps ahead is the one that's mad.

Scene: An Airplane.

People: A man and a maid.

Action: They kiss.

Climax: They fall out.

Pat Walton had been taken to the zoo to see the animals.

She stood before the spotted leopard's cage for a few minutes, staring intently. Then turning to her mother, she asked:

"Say, mother, is that the Dotted Lion that everybody wants Dad to sign on?"

Stewart: "Johnny, can you tell me what a hypocrite is?"

Johnny: "Yes, sir. It's a boy who comes to school with a smile on his face."

Mrs. Brewster: "Your car is at the door."

Mr. Brewster: "I know. I heard it knocking."

The teacher was testing the knowledge of the kindergarten class. Slapping a half dollar on the desk, she said sharply, "What is that?"

Instantly a voice from the back row said, "Tails."
