Academic and Christian Excellence
Our Tradition—Our Vision

Dear Student:

Congratulations on your decision to participate in rush this spring. I know that it will be a very positive experience for you, and we have three strong clubs for you to consider pledging.

As you go through rush, it might be wise for you to consider the following suggestions:

1. Go into rush with an open mind and make an effort to visit all the different club's parties that you possibly can.
2. Meet as many members of different clubs as possible. Don't let one person influence your decision.
3. Be natural and relaxed.
4. Don't be afraid to ask questions.
5. Don't allow yourself to be pressured into accepting a bid. There is no need for you to make a hasty decision.

Please remember that silence is observed between members and rushees after the conclusion of the last rush party of Thursday night and until bids are accepted Friday. This rule exists to eliminate some of the pressure that you may feel to pledge one club over another.

If you have any additional questions about rush or pledging, please don't hesitate to contact me. I hope that you enjoy the week.

Sincerely,

Scott Bryan
Assistant Director of Student Activities
and Evans Student Center
