## To Dr. E. A. PROVINE . . .

. . . this thirty-third volume of the *Ouachitonian* is respectfully dedicated.

During his fourteen years as chairman of the division of science, Dr. Provine has brought distinction to that division, honor to the college, and has established an enviable reputation for himself as a chemist and teacher. During the past eight years the enrollment of the college has doubled . . . but the enrollment of the chemistry department has climbed to six times its original size, and the estimated valued of chemical apparatus and equipment has increased more than five hundred percent.

President Grant pays tribute to the outstanding services of this man when he says: "The fact that Ouachita's chemistry department is one of the strongest to be found in any Southern college is due almost wholly to the efforts of one man, E. A. Provine."

Sincere and consistent in purpose, admired and respected by the faculty and students alike, Dr. Provine typifies the intellectual ideal of the college.

THE 1941 OUACHITONIAN  
PUBLISHED BY THE STUDENTS OF  
OUACHITA COLLEGE  
ARKADELPHIA, ARKANSAS

Historians tell us that letters reveal the civilization of an age . . . Educators say that letters reveal the education of a civilization. . . . Psychologists claim that letters reveal the intelligence of a people . . . Humorists contend that letters reveal the humor of a nation.

We believe that a letter home reveals the spirit of Ouachita.

Dear Mom,

Tonight I hope to make amends for all the negligence I have ever shown in answering your letters. Often I have wished for time to write you a long, long letter, telling you the things that are in my heart, and how I appreciate your having made it possible for me to call Ouchita my home for four years. And now I am about to graduate; next Monday morning I will wear my cap and gown and receive my diploma.

So tonight, Mom, I intend to write you that letter. I hope I succeed in expressing my feelings. I want to write so ~~vividly~~ vividly that you will forget the words you are reading and instead will actually see them come to life on these pages, just as they flash across my memory now.

How well I remember the trip on the train down here to "go to college". I recall the look you gave me as I left, the way the conductor eyed me, as if to say "You'll never make a college student, sonny!", the start I gave when I saw a Ouchita sticker on someone else's suitcase. At the very next town we began to pick up others who were Arkadelphia bound, too. Some of them I judged to be very "sophisticated" seniors. I met some sophomores that were very eager to impress upon me how much they knew about college and ~~how~~ how awful freshmen initiation was. But really the most congenial group that I found on the train was a pretty good sized bunch of freshmen, who like myself, were scared half to death. We ~~were~~ really were an excited bunch of kids.

But in spite of our excitement the miles rolled by, and we neared Arkadelphia. We could almost feel it in the air, when the porter called

"Arkadelphia"

As we grabbed our baggage I caught a glimpse of the college bus thru the window and several people gathered around, some of whom resembled my "magazine conception" of what college students should look like. I'll never know whether they were smiling at me or that anxious look on my face, but they smiled. A friendly lad got my baggage from the cart, another beckoned me to the college bus, and we were taken to the campus. We entered a concrete gate above which the name "Ouachita College" stood out distinctly against the autumn trees. I was there. I was on Ouachita's soil. . . as a student. I pointed, and they said it was the . . .

I'll never forget my first night in the dorm. I attended my first college bull session - and I've been attending them every since. You don't get any credit for them, and they don't pay any money; you lose plenty of sleep, and flunk plenty of exams -- but Gosh, they're fun.

The next morning my friends and I were handed a mimeographed program for the day. First on the "orientation" schedule was a chapel program in the Little Theatre. When we left that building I felt more like a college student than I had felt all morning. And when, near the close of the day, some S. S. U. leaders entertained us in groups on the campus, teaching us the song "Ouchita" and feeding us punch and cookies, I began to feel oriented.

And then came registration. My, what a job to arrange that first schedule. It was my first real contact with those ~~NUMMMS~~ those people they call professors.

## *The President*

A leader of people, a follower of right, a man who is loved by all who know him—Dr. J. R. Grant is giving the best years of his life to Ouachita College. To enumerate the accomplishments of this well-known educator, at Ouachita, in Arkansas, and throughout the nation, would only be another way of saying that our president has already become a famous man.

Expert in logic, wit, government . . . sought after as a speaker, writer, teacher, administrator . . . yet he maintains a sense of quality and freedom which anyone may feel in his presence.

# Administration

## THE DEAN

A man of ideas, a man of cooperation—Dr. A. M. Witherington is faithfully and successfully filling his post as dean of the college. In every great improvement Ouachita has made within the last seven years, there has been somewhere in the making, the hand of Dean Witherington.

## THE BUSINESS MANAGER

A prominent figure from the business world who turned to college as a worthy place to concentrate his experience in business—Mr. L. M. Price, business manager of the college, is changing the physical Ouachita into a place of beauty. In only two years service, he has already acquired a growing reputation as a "good manager."

## THE REGISTRAR

Careful, considerate, helpful . . . a connecting link between the student and the administration whom we love and admire—Miss Frances Crawford is one of the most efficient registrars to be found. It is very seldom that any student has a scholastic problem which "Miss Frances," as we know her, cannot satisfactorily solve.

*"Their share of the work was plenty."*

Tuesday night the seniors wished to meet the freshmen, and about that time my knees began to weaken again. You should ~~be~~ have seen those seniors, the way they appeared to me then. Those midnight chats we had . . . they were called "freshmen meetings". I won't go into detail to describe the things which took place in those meetings, but there was plenty . . . part of which I didn't quite understand at first. But now, as I look back on those experiences now, I wouldn't take anything for them. I can see now that I was getting something instilled into me that is invaluable.

And at long last, we who were freshmen then are seniors now. When you come down next week I want you to meet these graduates. Especially do I want you to meet . . .

 MARJORIE YOUNG . . . . . Texarkana

*"And you can tell which did which."*

. . . It seemed that freedom of thought applied to everyone except freshmen. We were not permitted by upperclassmen to say "I think such and such" and instead were led to say "I am under the impression that such and such". . . for you see, freshmen can't think.

But think or not, they're some of the nicest kids you ever saw.

One's biggest difficulty here is being just one person when you should be at least triplets. Only when I think of the scores of activities that have crowded our days does it seem like a long time. There are so many clubs to belong to, councils to work on, programs to sponsor . . . Why, I remember one night when I was actually supposed to be at six different places at the same time. As usual I was present at only four of them.

"To promote and foster a better spirit of school loyalty, to encourage a constant improvement in athletics, to recognize scholarship and extra-curricular activities, and to promote the general welfare of all matters pertaining to Ouachita College." This is the purpose of the Red Shirts.

Two formal and informal social functions have been among the most attractive and successful of the year. The Founders' Day banquet, held as near March 6 as possible, is an annual event in which the organization takes great pride.

Each Wednesday, the red shirts and white ties worn by members distinguish them from other members of the student body.

In 1933 the unlucky number of 12 boys organized the S. A. S., which has prospered unusually well, all superstitions notwithstanding. Pledges are voted in three times each school year to serve a four weeks pledgship. The initiation occupies another week, and pledges become full-fledged members at the end of this time.

Organized to promote good fellowship and better living among the student body, the club's social activities began this year with an open house early in September and were successfully brought to a close with an all-day picnic on DeRoche Creek in April.

When a group of attractive girls appear on the campus each fall wearing aviator caps and goggles, everyone knows that W. C. F. bids have been issued. From that time on, when their emblem, an airplane, is seen, or their president, called the "High Flyer," is mentioned, all students know that there's fun in the air for the W. C. F.'s. During the past year they have had banquets, hay-rides and dinners.

The purpose of the organization is to offer an opportunity for a varied social life for its members and to promote a closer feeling of friendship among them.

The club was organized in 1927 and has had 14 successful years of fun and intimate friendships.

Black and white dresses, dotted with white lettered buttons on which are inscribed the words HI HAT, call attention to this group of a dozen girls. Early in September bids are issued to those students whom the members believe are congenial and outstanding in their school activities.

Each Monday night at 9:30 the club has its meeting in the room of a member. This year they have promoted six formal and informal social functions ranging from a sunrise breakfast at the park to the traditional spring formal at the Caddo Hotel late in May.

The Kewpie Club is one of the oldest organizations on the campus, and this year celebrated its twenty-fifth anniversary with a formal dinner. Unusual and entertaining social events sponsored by the group which is striving to promote friendship among the girls, are bright spots on the year's social calendar.

Appropriate insignia of the club is the Kewpie doll; white sweaters with imposing green "K's" on them identify the girls with their organization whenever they are met on the campus or off. Their emblem is the four-leaf clover.

The Phi Delts were organized in 1938. They meet every Monday night at 9:30 to promote friendship and bring about closer fellowship among the members.

To become a member of the club one must be accepted by each old member of the organization. Bids may be issued at the beginning of each semester.

The emblem of the club is the scabbard and blade; colors of brown and gold are carried out in Greek letters worn by the pledges.

Eight girls who strive to be "high-principled, broad-minded, wholesome and trustworthy," as their club aim states it, make up the E. E. E.'s. Worthy objectives for their lives have been exemplified by such outstanding leaders in state religious work as Elona Cobb and Josephine Riley.

On October 18 of this year the group sponsored a lovely banquet at the Caddo Hotel, with favors and decorations carrying out club colors of red and white, and the club emblem, Mickey Mouse. Later in the year they gave another dinner and a picnic.

In 1937, when Dr. E. G. Harrell felt that the mathematics department had expanded sufficiently to warrant it, he organized the Math Honor Society. Requirement for membership is fifteen quality credits in mathematics. Members are admitted at the beginning of each semester. Purpose of the organization is to stimulate interest in math.

Meetings are held once each month in the math lecture room and programs on mathematics and its related fields are presented.

A leader of home economics in the state of Arkansas, Ouachita's home economics department maintains what is perhaps the most efficient, mechanically perfect, and all-around successful club on the campus. These "future home-makers," as the Little Rock papers always call them, meet regularly on the third Tuesday of every month to discuss problems peculiar to the study and practice of home economics. Out-of-town speakers or other special features usually constitute a part of the program. The club's quarterly social functions are among the biggest events of the year.

Members participate in such humanitarian movements as making garments for the Red Cross, attend state meetings of the association, and visit successful homes in Arkadelphia for educational purposes. The club was organized in 1933 by Mrs. Patricia Irby Gunn.

Organized in December, 1935, by a group of interested students, Epsilon Omega Sigma, better known as the English Honor Society, has as its purpose the encouragement of creative writing and the stimulation of a keener interest in literature and higher learning.

Programs are given at each regular monthly meeting which tend to help the members in understanding different phases of literature and its related fields.

Membership in the club is restricted to those who have the higher grades in English. Honorary membership is offered to those who manifest sufficient creative ability to warrant it.

The Cadet Officers Club was organized this year; membership is restricted to the cadet officers in R. O. T. C. Colonel H. J. Farnar and the class cooperated in adoption of a constitution.

Since details of the new organization were not completely worked out until late in the year, the only function sponsored was the banquet and theatre party among the officers.

Plans for next year include securing and equipping a lounge for members. In future years the group should become an indispensable organization.

When students appear wearing a skull and crossbones prominently on their forehead, carrying a scroll, the student body knows that Ouachita Players are off to another year of crowded activity.

This year about fifteen one-act plays were presented, one three-act play was produced and given for the public, and an original one-act play written by the creative writing class was presented at the Arkansas Speech Festival.

A preliminary examination is given each person who applies for membership and only the most talented are allowed to join the group which seeks to promote and maintain high standards in the dramatic art.

One of the most outstanding departmental clubs on the Ouachita campus is the International Relations Club, whose purpose is to study current international developments and to establish a congenial feeling among various members of the department.

During this year I. R. C. has sponsored several round-table discussions and chapel programs on the international question.

Social functions of the year include not only the annual club breakfast and the pork-chop supper, but also a continuation of the four-year policy of never having a single meeting of the club without refreshments.

Ouachita officially took to the air with the installation of a Civil Pilot's Training Program this term. The field, used jointly with the Henderson flying students, is located about one mile east of Arkadelphia.

Thirty-five flight hours are required for completion of the course. After a minimum of eight flight hours with the instructor, students are allowed to solo. Meteorology and navigation, aircraft maintenance, care and use of parachutes, and flight rules and regulations constitute the ground course.

Mr. Howard Franklin was instructor for the ground course during the first semester and Mr. L. M. Price has been teaching the course during the second semester.

Wendell Watkins, junior of Little Rock, has the distinction of being the first Ouachita student to have completed the entire course.

The Delta Iota Chapter of the Alpha Psi Omega was established on Ouachita's campus in 1931. This is an honorary dramatic fraternity whose purpose is to honor those dramatic students whose work is especially commendable and to set a high goal toward which students interested in dramatics may strive.

Several pieces of outstanding work have been done by members of the organization. In recent years state cups for the best actor or actress have gone to members of the organization on four different occasions.

Dr. J. L. Dorroh and a group of photography enthusiasts promoted the organization of one of the newest clubs on the campus early last semester. Known as the Ouachita Camera Club, the group studies most of the important phases of photography, their uses on the college campus, displays the work of its members, and arranges regular socials.

Future plans for the club include the establishing of some vital and mutually beneficial connection with the Ouachitonian, and the building and equipping of a dark room where members may develop, print, and enlarge their own film.

The young photographers profit immeasurably by the wide photographic knowledge and experience of Dr. Dorroh, who gives lectures and practical demonstrations, as well as personal assistance in taking pictures.

This group of "semi-teachers," though they constitute no formal organization, has a definite place in the life of the college, and as individuals they render real service to the school in their various departments of work.

As laboratory assistants these students guide those in laboratories under them and assist as much as is necessary. They become real friends to those whom they help; and professors could get along without them in the same way that boats could get along without bottoms.

Under Usher Abell's direction the Little Symphony has become a major musical group on the campus. Organized to give its members experience in orchestral playing, it is successfully fulfilling its purpose.

Regular practice times are Tuesday and Friday afternoons at four o'clock. "One notable tradition," says the director, "is for everyone to be late, at least five minutes, to rehearsal!"

About 35,000 people have heard the message of the Ouachita Choir this year, as concerts of sacred music have been presented over the state and Southland. About 8,000 miles of travel and more than 100 concerts have taken the choir into seven states and Mexico this season.

A student organization with a faculty advisor, the group has been acclaimed one of the outstanding choirs of the South, and has appeared on the program of numerous assemblies and conventions.

Membership in the choir is based upon character and ability of the student.

The distinctly Christian nature of the work of the choir distinguishes it from the usual college glee club or mixed chorus, and gives the group a definite goal toward which to work. The aim of the choir is to win the lost to Christ, and to draw Christian people closer to their Lord through programs of deeply religious music, rendered in a beautiful way.

USHER ABELL . . . . . Director

The center of every pep meeting, a leader in local concert music, and all-around producer of entertainment, the Ouachita Band, under the direction of Usher Abell, is becoming one of the most prominent musical groups in the state. "First Chair" men from the high schools of Arkansas are finding places in the Ouachita band.

This noisy group probably has more "rip-roarin'" good times than does any organization on the campus. Following the football games at home and "abroad" throughout the season, making special trains become "world fairs" instead of funerals, and periodically changing dull corners of the campus into hilarious jam sessions or classical concerts, the Ouachita Band is an integral part of every student.

One of the most delightful organizations on the campus, and one which is open to any student who wishes to join it, is the Piano Class, which was organized by Professor Mitchell in 1931. This group meets every Wednesday evening at 6:30, at which time a program is given by the various piano students. This gives them a valuable chance to perform in public and provides a very interesting and cultural program.

The annual Bach party sponsored by the organization is one of the outstanding social events of the year. During the evening all the two-part inventions by Bach are played.

Many outstanding people in the state and over the Southland have been members of the Piano Class while in Ouachita. Among them, and known to many of the students, are Mr. and Mrs. John Summers, who are organists at two of the larger churches in Little Rock.

Under direction of Miss Thelma Batson, the Cecilian Club attempts to train girls in group singing, and to acquaint students who intend to teach in the music field with glee club literature.

The group has sung at several college functions during the year and a large number of members participated in presentation of "The Messiah," given in cooperation with several of the local music organizations last December.

To link the Baptist student with the local Baptist church is the primary aim of this group. Religious leadership on the campus is largely left in the hands of these students elected annually by the student body.

In addition to their many other functions this year the members of the council have bettered the social life by promoting the Freshman Talent Parade and helping promote the Saturday "fun-nites" in the gym.

The Young Women's Association is the only organization on the campus which includes in its membership practically every girl. Purpose of the organization is to lead girls to become more missionary-minded, and to promote a Christian atmosphere in Cone-Bottoms Hall.

Mrs. E. M. Blake has been sponsor of the college Y. W. A for many years, and has led the organization in countless worthwhile missionary endeavors. Each year a Home and Foreign Mission Exhibit is held at her home.

The beautiful candlelight officers' installation ceremony at the beginning of the school year is one of the most colorful of the sort on the campus.

Social functions of the past year were a Christmas party, a Valentine tea, and the formal banquet. "Flower Friend Week" was another noteworthy activity.

The oldest religious organization for lay students on the campus, the Life Service Band has performed as much service as has any other group on the campus. The aim of the club is to inform, inspire and train its members in missionary activities and personal Christian living.

This year regular services were held at four mission posts, at the county jail and on the streets of Arkadelphia.

Feeling the need for a better fellowship among the entire student body, the Life Service Band plans to participate in more inter-collegiate activities in the future. This year their basketball team ranked well in the intra-mural matches.

Not devoid of social functions, the members of the group sponsored two large parties which were held this year.

One of the oldest, and at present one of the largest, organizations on the campus is the Ministerial Association, which proposes to establish a spirit of fellowship and increased spirituality among the ministerial students in Ouachita. Only requirement for membership in the organization is that the student be either an ordained or licensed minister.

During the past year various members have assisted in the associational S. S. and B. T. U. work, and filled numerous pulpits throughout the state.

Alumni of the organization are to be found filling places of leadership not only over Arkansas and the Southland, but several are to be found as witnesses of the gospel in other lands. Among these are John Riffey and P. D. Sullivan, both missionaries to Brazil.

The Rifle Club never "misses the mark" when it comes to obtaining members of character and ability. Its primary aim, which is to develop better marksmanship, is supplemented by the desire to promote congenial comradeship among men on the campus. The Ouachita rifle team, ranking highest in the state in the corps area small-bore rifle matches, was composed largely of Rifle Club members.

The Student Association is the organization of all regularly enrolled students in Ouachita. The Senate is the representative body of the Association. Establishment of student self-government this year should prove to be a milestone in campus activities. The Association aspires to achieve closer harmony among students and a more sympathetic understanding between the student body and the faculty. All concerned feel that a firm foundation has been laid for assuming more and more responsibility after a year of successful introductory endeavor. The Senate proposes to help coordinate and make more satisfactory every form of student activity.

Ouachita's literary magazine is almost as old as the institution itself, having first been published in 1889.

Issued quarterly during the school year, this magazine publishes the best of the creative writing done by the student body. Through this medium several students have been encouraged to follow literary careers. A former editor, Walter Neal Gardiner, recently had his first booklength novel published.

Though the magazine has changed its name and its form several times it has always enjoyed a hearty reception by the students.

My dear Mr. Gibbs:

First choice for Most Beautiful

Second choice for Most beautiful  
 Girl is Miss Charlene Quick.

The photographs were all exception-

 girls made the task most difficult.

## Junior Carnival

Fun and frolic reigned on ye ole' campus as the junior class presented the annual Hallowe'en carnival, Oct. 31. Highlight of the evening was the election and coronation of Betty Frame Davidson as Queen of the Carnival.

Cake-walk, kissing booths (candy ones, curse the luck!), darts, penny pitching . . . and other games of amusement . . . were held in the gym. "The Pirate's Den" added to festivity as an improvised night club featuring floor show, music, and refreshments.

This occasion is regarded as one of the outstanding events of the year by the entire student body, with the exception of the juniors, to whom it is usually a thirty-day nightmare.

. . And so in anything  
that is done a few will  
always distinguish them-  
selves as leaders . .

## *Who's Who*

## MOISE SELIGMAN

*Popular—Collegiate*

Moise came to Ouachita from Little Rock four years ago, and immediately took his place as a natural leader. He is ending his college career as president of the senior class, senior cheer leader, and business manager of the Ouachita Signal.

## LAVINIA HANKINS

*Popular—Collegiate*

Popular, and popularly known as the postman for the girls' dormitory, Lavinia, a junior from Pine Bluff, is the typical college co-ed. Sincere, considerate, cooperative individuals like her are tops on any campus.

## JACK McHANEY

*Versatile*

An outstanding student and athlete, Jack, a junior from Smackover, is making a permanent mark on Ouachita's campus. He is business manager of the Ouachitonian, and has been chosen as the 1941 Tiger football captain.

## CARL ALLEN

*Best Athlete*

Brains and brawn worked together to make Carl "Snoz" Allen of Magnolia the "freshman sensation" of the grid-iron and to gain for him the title of Best Athlete for 1941.

## IDA NELLE DAILY

*Versatile—Intellectual*

Ida Nelle, graduating this spring with Cum Laude honors, has spent four packed years, taking part in almost everything open to a girl. Her motto could easily be "Music, Maestro, please!"

## BILLY VESTAL

*Intellectual*

The student body, by its intelligent voting, proved the fallacy of the idea that looks and brains don't go together. Billy, a straight "A" student, was elected president of the Student Association for next year.

## EARL OLMSTEAD

*Life of the Party*

The title very justly went to "Obbie," roly-poly junior famous for his cheer-leading antics in the college band. Wherever there's noise, there's Earl; wherever there's music, there's Earl (esp. hot music).

## CHARLENE QUICK

*Cute*

Settling into the routine of the campus from the very beginning, Charlene, a freshman from Little Rock, clicked with the whole student body. She is a member of the Kewpie Klub and also one of the campus beauties.

# FOOTBALL

## COACH BILL WALTON

Coach Walton became Athletic Director of Ouachita College in 1934, and was soon recognized as a builder of moral and ethical character. During his tenure of office, his untiring effort and willingness to work with "his boys," both on the field and off, has gained him the respect and admiration of those connected with sports throughout the entire Southwest.

His 1940 Tiger eleven was the typical Walton team—smooth, alert, clean, and highly competitive in spirit. Coach Walton is definitely an institution at Ouachita.

## ASSISTANT COACH BRADSHAW

Coach Wesley Bradshaw came to Ouachita at the start of the 1940 season, after closing a brilliant career as coach of Cleburne, Texas High School. While attending Baylor University, "Brad" gained All-American honors in 1921-22—first ever bestowed upon a Southwest Conference player.

In his capacity as assistant coach, he has proved himself invaluable as a scout and as a teacher of football tactics. Much of the success of last fall's team hinged on his unerring judgment of opposing elevens.

Front row, left to right: Morgan, Sheppard, McHaney, Ramsey, Hardin, Harp, Harris.

## ALL-STATE

ANDERSON

ALLEN

LAFITTE

**BERNARD "HUNK" ANDERSON**—"Hunk" is truly a "coach's player;" cool, calm, and consistent. His size—weight 165 and height 5:08—did not handicap him in the least bit. During the season he saw service at all four backfield positions and performed excellently at each. His most memorable feat was scoring three touchdowns against Hendrix on Thanksgiving Day. Hunk is a junior, having transferred from Arkansas Tech. His home is in North Little Rock.

**CARL ALLEN**—In his freshman year of football, Allen was acclaimed the greatest running back Ouachita has seen since Carey Selph. "Snaz" crashed into the sports limelight by dashing 80 yards to score against Louisiana Tech. Arkansas Tech fans will also remember him as the boy who "scooped up" a Wonder Boy punt and returned it 79 yards to reach paydirt. Carl played his high school football at Magnolia. He is 6 feet tall and weighs 168 pounds.

**W. S. LAFITTE**—"Dub" can easily be called "Arkansas' outstanding freshman lineman of 1940." He excels at pass catching, running end-arounds, and general defensive play. Even though he is a lineman, Lafitte led the Tigers in scoring by chalking up five touchdowns and one extra point. He comes from Pine Bluff, stands 6 feet, one inch tall, and weighs 180.

## CAPTAINS

**LOWELL NELSON**—"Red" was the man who was never seen; he was always at the bottom of the pile, playing blocking back and line back. He has an excellent team spirit, and for this was chosen captain by his teammates, and quarterback by Coach Walton. Nelson is a senior from Benton; he is 5:10 inches tall and weighs 160.

**JACK MCHANEY**—Jack is another who has sacrificed the glory of carrying the ball to play blocking back. "Mac" is truly a triple-threat man, but he is also an excellent blocker and a heavy signal caller. Jack stands 6 feet tall and weighs 180. His home is Smackover.

**WALTER RAMSEY**—"Tiggs'" combination of brain and brawn makes him one of the outstanding tackles on the squad. His competitive spirit stamps him as a good leader. He played for Bauxite in high school, weighs 212 pounds, and is 6:02 inches tall.

 HENDERSON NON-LETTERMEN . . . 7

Ouachita's football season got under way in a curtain-raising affair, with Walton's non-lettermen taking a 20-7 decision from Henderson's novices. Sparked by LaFitte, Morrison, and Moore, the Tigers had very little trouble in disposing of the Reddies. Ouachita displayed a brilliant passing attack with Anderson and Allen connecting for touchdowns.

The Tiger lineup was bolstered by five Arkansas Tech transfers.

A pair of freshmen sensations electrified a crowd of 4,000 people at El Dorado, September 26, by striking two quick and decisive blows. In the second quarter, Carl Allen broke through the line and raced 80 yards to cross the Bulldogs' goal line standing up.

The crowd had hardly settled back into their seats before "Dub" LaFitte leaped high into the air to spear Anderson's pass with one hand and race 25 yards to score. The scoring ended with guard Charlie Taylor's 23-yard field goal in the third quarter. The Purple and Gold were superior in every department.

Definitely marked as the underdogs, Ouachita's Tigers dominated every department of play to completely sweep O. B. U.'s Bisons off the field to the tune of 21 to 0. After play-

ing on even terms for the first fifteen minutes the Purple and Gold found their bearings in the second quarter as Baxter, Tiger fullback, crashed over the goal from the two-yard line. LaFitte and Moore registered the other touchdowns, and Charlie Taylor split the uprights with three conversions. Bison power attacks threatened the Tiger goal line on several occasions but in each instance they were thrown back by the valiant Ouachita forward wall.

The Indians capitalized on a blocked punt and a fumble to set up the opportunity for Abraham, L. S. U. fullback, to score a touchdown and a field goal. Ouachita's last-minute passing attack—Morrison to Nichols and Smith—was the only shining light for the Tigers. Ouachita's fifty-yard line was never penetrated by the Indian attack under its own power.

After a week's rest, Ouachita's Tigers bounced back into the win column by taming the East Texas Lions, 13 to 6, in what proved to be the hardest game of the season. Ouachita got away to a lead in the first quarter when Moore scored on a short line plunge. LaFitte added the other Tiger tally on a 23-yard pass from Anderson. Rogers, powerful line smashing fullback, culminated a 65-yard drive to score the lone Texas

touchdown in the third quarter. The Lions registered 17 first downs and constantly threatened the Tiger goal, but the tenacious Tiger line proved superior each time.

 ARKANSAS TECH . . . . . 7

Coach Walton's Tigers got their first taste of state competition November 2 when they decisively defeated Arkansas Tech's Wonder Boys 21 to 7 on A. U. Williams Field. The high-light of the game was Allen's twisting 79-yard return of a Wonder Boy punt in the first quarter. LaFitte added touchdown

number two on a mystifying, end-around play. Arkansas Tech players and fans are still looking for the ball. Just before the half ended, Anderson tossed a short pass to Parker, who dashed 20 yards to score the other Tiger marker. The Wonder Boy touchdown came in the final quarter on a pass from Hamilton to Tull. Five ex-Tech gridders, Anderson, Moore, Taylor, Gault, and Turner, played a big part in Ouachita's victory.

to go down before a hard-fighting Teachers' eleven, 13 to 6. Teachers received the opening kick-off and scored on the ninth successive play. The other Bear touchdown came in the third quarter on a plunge by Hooper. Ouachita's only tally was marked up in the final quarter when Oscar Smith took Anderson's pass over the goal line. Smith's touchdown ended a seventy-yard drive that saw Anderson complete eight of nine passes to McHaney, Moore, and Smith. Ouachita made twelve first downs to Teachers' eleven.

LaFitte put the Tigers in front, 6 to 3, by scoring on an end-round late in the third quarter. Miques scored the final marker on a pass play that netted 56 yards, with ten minutes remaining to play. from Morrison to McHaney. Stockemer and Taylor added two extra points. The Tigers were certainly the superior team both offensively and defensively. Henderson crossed midfield only once during the game. Three seniors, Lowell Nelson, Virgil Benson, and Jake Baxter, brought an end to their college football careers by turning in creditable performances.

# BASKETBALL

For the first time in history of the school, Ouachita College won the coveted State A. A. U. Basketball title by defeating Henderson College in the final game of the tournament, held in the Tiger gymnasium, March 3, 4, 5, and 6. Captain Johnny Furquerson received the trophy from tournament officials, and Coach W. W. Bradshaw presented it to Dr. Grant and the college in a special assembly program. The trophy is gold-plated, mounted on a bakelite pedestal, and is the actual size of a basketball. In addition to winning the A. A. U. championship, Ouachita was also declared Collegiate Champion of Arkansas, based on percentage of games won and lost throughout the season.

Front Row, Left to Right: Roberts, Nichols, Ellis, Furquerson, East, S. Williams, McFarland.  
Back Row, Left to Right: Coach Bradshaw, Kemp, Smalling, A. Williams, Clements, Wheeler, Brown (Manager).

## Coach Wesley Bradshaw

In his first major role as a college coach, Wesley Bradshaw earned the title of "miracle worker." Answering his first call to basketball practice were only three returning lettermen, Furqueron, East, and Ellis. The remainder of the squad was made up of freshmen. "Brad's" Tigers lost three games while going through an experimental process launched by their mentor. Suddenly, they started on a 13-game win streak that skyrocketed them to the State Collegiate Championship. Following the close of the regular playing season, they easily won the State A. A. U. Tournament, completing Ouachita's only sweep of Arkansas basketball in history. The Tigers later attended the National A. A. U. Tourney held in Denver, Colorado, but were eliminated in the opening round by five points. Coach Bradshaw is an ardent student of the game and pursues it with zeal.

## ALL-STATE

### CAPTAIN JOHNNY FURQUERON

Captain Johnny Furqueron was named on the All-Tournament Arkansas A. A. U. team for his all-around brilliant play. Johnny is one of the smoothest players ever to wear a Tiger uniform. He was second among Ouachita players in scoring, totaling 127 points. Johnny played for Fouke High School in his younger days. He is 6 feet tall.

### LOUIS GENE NICHOLS

"Deno's" greatest assets are a two-handed jump-shot, and an unerring aim for the basket. Nichols is one of the few men who have reached All-State rating in their first year of varsity basketball. He led the Tigers in scoring, with a total of 284 points. His home is at Warren, and he is 5 feet 11 inches tall.

# Tigers Defeat Reddies To Take

## First Time in History Ouachita Has Captured Both Arkansas Titles

By RALPH TURNER  
(Signal Sports Editor)

Ouachita College's brilliant array of freshmen turned on the heat in the final ten minutes of the championship game, March 6, to defeat the powerful Henderson Reddies by a score of 36 to 30 and annex the state A. A. U. title. For the first time in the history of the school the Tigers made a clean sweep of Arkansas basketball by winning both the State collegiate title and the coveted A. A. U. trophy. On both occasions Coach Wesley Bradshaw's boys overpowered the Reddie aggregation to clinch the championship. The championship game marked the fifth meeting of the two teams in 1941; the Tigers were victorious four times.

Coach Tom Murphy's men dented the wicker first when Forward Hodge Phillips sank a two-handed jump-shot from out past the free throw line. Deno Nichols hit a pair of long ones for the Tigers, but Doyel registered a two-pointer for the Reddies to even up the count. Byrn, Henderson center, dropped in a pair of free throws and the Reddies moved in front 6 to 4. Ouachita forged ahead when Sterling Williams retaliated with a field goal and a free throw and Nichols bagged his third goal of the night. Henderson again took the lead as Phillips sacked two more goals, and Joe Kearney rang the score board for two points. Nichols connected again, this time on a crisp shot, and Billy Gill East slipped in a free throw for Ouachita to tie the score at twelve-all as the half ended.

The second half got underway with a bang and the lead changed five times. Furqueron dropped in one from the foul line, but Parham erased it with a field goal. Furqueron dropped in a neat jump-shot and Parham again hit a field goal. Jerry McFarland added two points on foul shots and this time Byrn wished the wicker with a field goal. Henderson increased its lead to 34 to 17 as Kearney, Parham, and Byrn scored in rapid succession. Ouscltin failed to score five points when S. Williams made a goal, Nichols a free throw, and Al Williams a field goal. Doyel and Styles scored free throws for the Reddies while Furqueron added a goal for the Tig-

# TRACK

Ouachita's track team chose as its leaders two of the most consistent scorers and the hardest workers on the squad. Furqueron has hung up four victories in two meets this season. He easily won the 880 and mile in a triangular meet held at Conway, April 18th. One week later he repeated, taking both events in a quadrangular meet held at Russellville. East took first place honors for the high hurdles in both meets, but had to be satisfied with second place in each of his low hurdles races. Billy Gill won the high hurdles in the state meet in 1939 and finished second in 1940. He won the low hurdles in 1939 and 1940. In addition to their specialties, both captains run a lap on the mile relay.

BILLY GILL EAST  
Co-Captain

CARL ALLEN, relays.

GLEN BARNARD, 440.

ARVIS BROOKS, 440 and relays.

J. G. COOPER, mile.

BILLY GILL EAST, high and low hurdles and mile relay.

JOHNNY FURQUERON, 880, mile, and mile relay.

JOE D. GAULT, shot and discus.

TOMMY HALSELL, pole vault.

HINSLEY HARP, shot and discus.

MONROE HARRELSON, 220, 440, and relays.

CECIL KEMP, discus and javelin.

JERRY McFARLAND, pole vault.

JACK McHANEY, discus and javelin.

DEAN MORGAN, broad jump.

J. W. MULLINS, javelin and low hurdles.

LOUIS GENE NICHOLS, 100, 220, and relays.

REDGER PARKER, shot, discus, and broad jump.

FRANK REED, javelin.

TRAVIS SMALLING, high jump.

OSCAR SMITH, high jump.

RALPH TURNER, high jump, broad jump, and high hurdles.

BILL WALLACE, 100, 220, and relays.

STERLING WILLIAMS, 880, mile, and mile relay.

JOHN WHEELER, 440 and 880.

# GOLF

Ouachita's golf team, composed of Hogan Roundtree and James Vannoy, won the doubles title last year in the State Tournament held on the Arkadelphia Community Club course. The Tiger linksmen went undefeated in dual meets throughout the entire season of play.

In the state tourney, Roundtree took medalist honors for the first day of play with a total of 154 strokes for 18 holes. However, he failed to defend his singles crown and was defeated 2 and 1 in the finals by Davis of Henderson. Vannoy advanced to the semi-finals but also lost out to Davis at one up in 20 holes.

Ouachita has not been represented in dual meets in 1941, but Lawson Jacks and James Campbell will enter the state tournament to be held on the Fair Park Golf Course in Little Rock, May 9th. Golf is under the supervision of Coach W. I. Walton.

VANNOY—ROUNDTREE

# TENNIS

The 1940 tennis team was one of the most successful ever developed at Ouachita. Tiger racqueteers Johnny Hall, Edwin Smith, Lawson Jacks, Ruday and Gwynne Adkins, and student coach Kyle Lawrence went through the season undefeated in dual match play. Johnny Hall won the singles title in the state tourney, held at Arkadelphia, defeating Terrel of Tech. The doubles team of Ruday and Gwynne was defeated in the finals by Stanford and Terrel of Tech, 0-6, 9-7, 4-6, 6-4, 6-3.

In inter-collegiate matches, the 1941 team of Hall, Smith, Jacks, and Keys has proved equally strong by going undefeated in its first five matches. In doing this, the Tigers have hung up 24 individual victories against six losses. Hall and Smith will represent Ouachita in the state tournament to be held in Little Rock, May 12th and 13th.

Ouachita's number one tennis player, Johnny Hall, won the singles' crown in the state tournament held in Arkadelphia last year by defeating Terrel of Tech 6-2, 3-6, 6-2, 6-2. In six matches this year, Hall has been victorious five times.

*"And...."*

*... a thousand other things have  
made me love Ouachita.*

*It has been a place of action ...  
that will stay with me always."*

ARKADELPHIA, ARKANSAS

Mom, I didn't get thru telling you the things that are in my heart. There are things there that I can't put into words. I can't tell you what my association with four generations of Ouachita College students means to me. I can't tell you what I have learned from my contacts with Ouachita faculty members, nor from my activities on this campus. I can't possibly say anything that would make you feel what I feel when I look up at the tower of the administration building against the clouds, with the flag waving the Ouachita spirit to the four winds. I find myself unable to express my appreciation and admiration of you . . . for having made all this possible. So accept this letter, Mom, as the best I can do to reveal to you what I have done with four years of my life. Hence this is an unfinished letter . . . I hope to finish it with my everyday living . . . to show by my actions from this day on the changes Ouachita College has made in me since I entered its portals.

I'm leaving Ouachita . . . . and the biggest four years of my life.

Lots of Love,

*Bill*

# Dear Diary:

Sept. 9. Fall term opens as scheduled. 200 green freshmen wander around the campus like lost sheep. Frosh learn that "orientation" has nothing to do with China.

Sept. 10. Upperclassmen come rolling in with eyes full of mischief. Beware, Frosh!!!

Sept. 11. Seniors sell Frosh caps for \$1. (99.44% profit to Seniors).

Sept. 12. First day of classes. A great big "look-alike" I've noticed—D. A. Dalby and Claude Clevenland.

Sept. 13. Faculty "hand-shaking" party was held in front of Cone-Bottoms. John William says, "Say, do you ever play postoffice?"

Sept. 14. S. A. S.'s throw party at Vestal's. W. F. C.'s at Tavern. The social whirl begins.

Sept. 15. Freshmen turn out 100% for church (at URGENT request of Seniors??)

Sept. 16. Y. W. A. has official ceremony in front of Cone-Bottoms.

Sept. 17. Constitution for Student Government formally adopted.

Sept. 18. Senior Girls have "reception" for freshmen.

Sept. 19. "Beat Henderson" was today's cry. We'll have Reddie meat tomorrow.

Sept. 20. I told you so—Ouachita non-lettermen beat Henderson, 20-7. Only the Reddie meat looked like hash.

Sept. 21. Senior girls have another "reception" for frosh. Now aren't they getting "hospitable"???????

Sept. 22. Another Sunday. Kodaking and Korting rate first as Sunday afternoon recreations.

Sept. 23. You tell me what happened today. Nothing did to me.

Sept. 24. Overheard . . . "Yes, I like it here. By the way . . . what's her name?"

Sept. 25. Ouachita's getting a new bus. Looks like a big year for the choir.

Sept. 26. Special train to Tech was a Wow! Tigers defeat Tech, 17-0. LaFitte and Allen star.

Sept. 27. Red Shirts go rural with hay-ride.

## *Congratulations to the Class of 1941*

Sept. 28. Today's was censored by my roommate before it got to press.

Sept. 29. The true Ouachita spirit reigns again . . . students start coupling up as usual.

Sept. 30. New way of book transportation used by Frosh today . . . via shoebox.

Oct. 1. Frosh boys show unusual vigor by school hopping to classes donned in mustaches . . . oh, for the life of a Frosh!

Oct. 2. Dr. Grant (walking into a disorderly faculty meeting) "Order! Order!" Dr. Pettigrew . . . "I'll take some peanuts and a coke."

Oct. 3. Excuse me if there's nothing here.

Oct. 4. Tigers star against favored opponents by beating O. B. U., 21-0. There'll be a hot time in the old town tonight.

Oct. 5. Pro. Medlen asked Harp in biology class, "What's the greatest thing ever invented?" Harp wisely answers, "Women."

Oct. 6. Saturday night date night . . . full moon . . . need I say more?

Oct. 7. Sunday. Blakely sez he's agin these Sunday night fasts.

Oct. 8. Royal Adams announced as Ca-

det Major and Moise Seligman as Adjutant—congrats.

Oct. 9. All the signs, baby bonnets, bows, paddles, etc., announce that clubs have begun initiation in earnest.

Oct. 10. Tigers leave for La. after third straight victory.

Oct. 11. Unexpected loss in La. Oh, well case of mind over matter. We don't mind them 'cause they don't matter.

Oct. 12. Freshman picnic. W. C. F. turkey dinner.

Oct. 13. Yes, Freshmen, I know we had chicken last Sunday, the Sunday before, and also today. . . it's sort of a tradition you'll learn.

Oct. 14. Monday morning, Monday afternoon, Monday night. So what?

Oct. 15. Freshman meeting in parlor. You should see Dearing do the "grasshopper hop" at Sr. request . . . and I don't mean dance.

Oct. 16. C. S. wore two pairs winter underwear and woolen socks today. Said he was going to be in the draft. We get holiday, incidentally, due to registration for draft.

# *America Needs A Progressive YOUTH!*

Today—more than ever before—America needs a youth that can think for itself and keep up with the fast-moving pace being set by industry . . .

Modern developments in production and salesmanship demand the best in ability. Industrial expansion in the South and Arkansas present opportunities for young persons who have the qualifications for fighting an up-hill battle.

Energy. Enthusiasm. Intelligence. Ambition. Courage. Integrity. Loyalty. These are the necessary requisites for successful young business men and business women. These are qualities which spell success for an individual—or an industry such as the Lion Oil Refining Company.

Always Lion has followed the policy of offering the motorist of Arkansas the very best in petroleum products. Courage to install new methods of production and sales has kept Lion in the vanguard of competition . . . Loyalty to Arkansas and the South has enabled Lion to enjoy the success made possible by the broad acceptance of motorists.

If southern industry is to continue in its march of progress, it must have skilled and talented men and women behind it . . . Yes, the South needs a progressive youth—today more than ever before.

Feb. 26. Epstein picks State Teachers to win A. A. U. Tourney. That louse!

Feb. 27. Epstein finally gave us a headline but we had to defeat the Reddies, 39-33 for State Championship to get it.

Feb. 28. Teachers, 39, Ouachita, 28. Oh, well, every dog must have his day.

March 1. Guess we know what Margaret Robinson would say if she were waiting for a parlor date with Mallock and heard a knock . . . "I Hear a Rap—Sody."

March 2. How is "Casanova" Baldwin getting around these days?

March 3. A. A. U. Tournament begins. I predict the Tigers will win. Could be I'm partial, of course.

March 4. Calling no names—Girl: You remind me of the ocean. Boy: Wild, romantic, and restless? Girl: No, you make me sick!

March 5. Nichols stars again as we win over Ark. College in tourney.

March 6. We're State A. A. U. Champs. I've got the weather man beat in these predictions!

March 7. Red Shirts have party at Cad-do.

March 8. Kewpies have "Funny Paper" party.

March 9. Sunday. Well, what did happen?

March 10. "Murder by Morning" presented at Little Theater.
