This schedule of classes represents an intention rather than a guarantee of what, where, when, and by whom course sections are to be offered during the semester. Every attempt is made to ensure that the schedule is accurate. However, circumstances such as demand for courses, faculty availability, and financial status may require changes between the time of schedule preparation and the time the semester begins. Any such changes will be circulated as soon as possible. The Academic Affairs Office will have up-to-date information during registration periods.
