"IT WAS A PLEASURE"

a yearbook is born...

Countless hours of precious time have gone into the assembling of materials, the make-up and editing of this yearbook.

Quality printing is only one of many things that can compensate for the long hours devoted to its production. But it is certainly a necessary attribute of a successful book.

Outstanding yearbooks require quality printing and

THE HURLEY COMPANY, INC.
CAMDEN, ARKANSAS

has the personnel and equipment necessary in producing the finest kind of printing — including an organization which has had 20 years experience in producing really fine books.

Centrally located, and easily accessible by every means of transportation. Conservative in theology, standing steadfastly for Baptist doctrine and history, without apology and without reservation. Constructive in methods and curriculum, seeking to train men and women for the greatest usefulness in the service of Christ. Our students and graduates come from, and are serving in, churches in every section of our country, and in other countries as well.

Dew kissed

A glass brimming with the juice of plump, sun-ripened and dew-kissed tomatoes adds the final touch of the thoughtful host. All Sexton juices are fashioned to the same pattern. We gently press the fruit to hoard every precious vitamin in the juice—and retain the rich flavor of the tree-ripened fruit.

THE STUFF THAT MAKES CHAMPIONS

Physical stamina, long hours of training, ability to cooperate, and a fighting spirit are things which contribute to the making of champions on the field of sports.

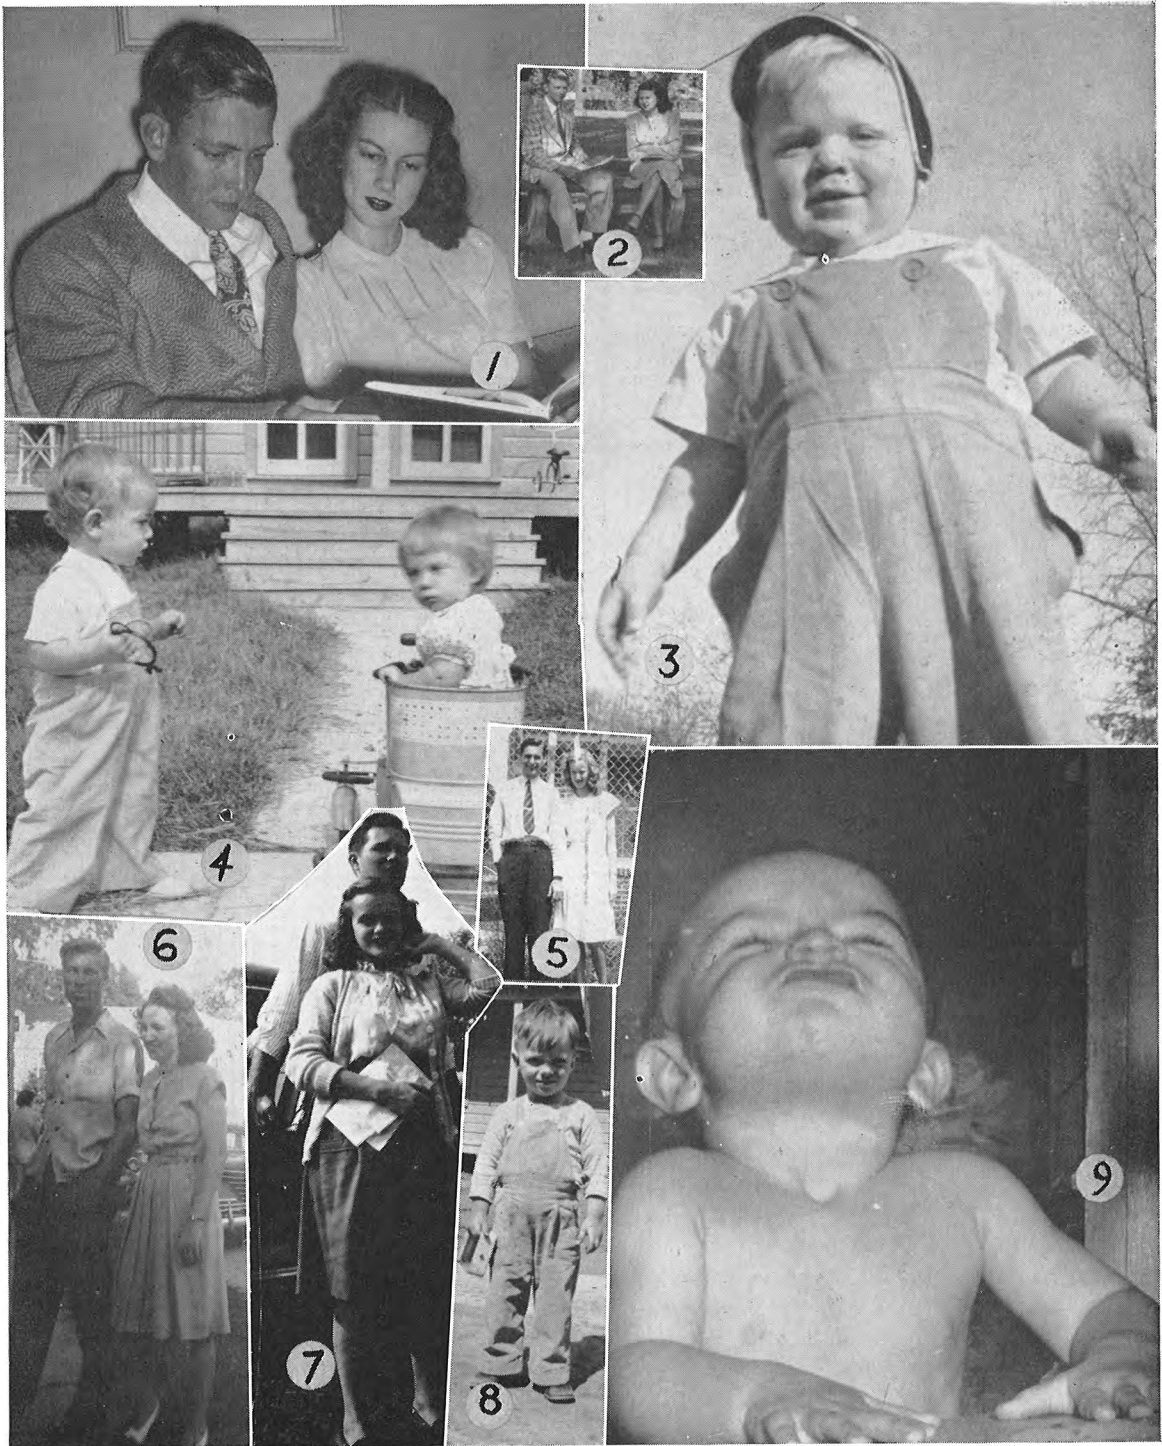

Lion Oil Products come from superior basic crudes which, through Lion research and special refining processes, become champions in the petroleum field.
