W. J. "WIMPY" HENDRIX

# Dedication

“Who is that fellow you see everywhere at once?” “What job does he hold?” “Where is his office?” . . . These are questions asked every day about W. J. “Wimpy” Hendrix, whose familiar figure is seen doing many tasks for the greater glory of Ouachita. He is always there — sporting events, concerts, theatrical productions — always supporting and assisting those who are interested in the institution’s progress.

Students get the feeling that Wimpy has always been here and seemingly always will be. He is a part of the campus — like the buildings, like the grounds, but more like the spirit of Ouachita, that ineffable something that claims our loyalty, our efforts, and our future interest.

To the person who has done so much for Ouachita in the only way he could, from whom we can learn what true Tiger spirit means, to the one who spells out in his daily life what it means to give to a greater Ouachita, to you, Wimpy Hendrix, we affectionately dedicate this annual.

## . . . Of A Clown

Since the days of the court jesters, the upturned mouth and downward tilted eyes have been the trademark of every clown. The exaggerated smiles have stood for the lightness and gaiety of the clown's heart; the slightly sad eyes portray the seriousness of his thoughts.

The heart of every student on Ouachita's campus also has a physical trademark — a trademark recognized by anyone who has ever been exposed to the sounds, sights, and feelings that exist in this institution. A pair of bobbysox and loafers . . . a ponytail . . . an OBC sweatshirt . . . the plume on the top of a band hat . . . the jonquil blooming through the unexpected February snow . . . these are only a few of the many figures in the portrait of the Ouachitonian.

The ability to cause laughter is too often stated as the clown's one and only purpose, for the famous clowns of yesterday brought forth not only laughter, but stirred the deep emotions of serious and necessary thought. The echoing quietness of the classroom halls . . . the discreet cough during the chapel program . . . the capacity-filled library . . . the late-burning lights in the lab rooms . . . the ever-growing list in the annals of success of the Ouachita graduate . . . these show our hearts to be those hearts which can laugh when laughter is called for, and yet prove ourselves in the realms of the professions in the world of today and tomorrow.

The heart of our clown is as big as the world in which we live, and in these limited pages, we of the *Ouachitonian* staff shall present to you but a few of the pulse beats, for only the student of this campus can really know all of the heart of this clown. The heart of a clown is the life-giving element that makes the daily show at Ouachita Baptist College the greatest show on earth.

ARKADELPHIA, ARKANSAS

December 1, 1959

OFFICE OF THE  
PRESIDENT

Dear Ouachitonians,

The present school session could be characterized in many ways, but perhaps the best would be that it is a year of "firsts." In the future, when we look back down the corridors of time, we shall remember this as

...the first year the fall-term enrollment topped the 1,000 mark. There were 1,026 regular students and enough others to bring the total to 1,069.

...the first year of the graduate program leading to a Master of Arts degree. Majors were offered in Religion and American Civilization as this giant step in academic progress was taken.

...the year Blake Hall was constructed, the old dining hall was remodelled into a classroom building and named R. C. Daily Hall, and Riley Library was enlarged to help care for a mushrooming student body.

...the year the Music Department was admitted to full membership in the National Association of Schools of Music--the highest recognition possible.

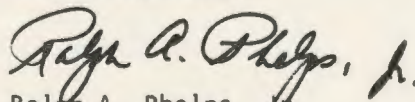

...the year the new A. U. Williams Athletic Field was built to make way for building sites on the old athletic plant's location.

...the year of final planning for a new Bible Building and two new permanent dormitories, one for men and the other for women. It is hoped that ground will be broken for all three by commencement time in May.

...the year that the Ouachita Band was recognized as the best college band in the state.

Amidst these many evidences of academic and material progress, we do not want to forget those values which have brought Ouachita to the greatness of this hour or those faculty members whose noble sacrifice has subsidized the college with their very life's blood. Ouachita is great because she is built on great principles and by great people. My earnest prayer for every student is that you will live by these Christian principles and that your life will be characterized by the same Christian service which has motivated those who have taught you here.

Yours sincerely,

Ralph A. Phelps, Jr.  
President

*Behind every clown, myriads of personalities go into the building of his life. As the clown needs his producers, directors, and writers, so does the Ouachita student. In this case, the members of the faculty, administration, and staff are the foundation for the production entitled "Life of a Ouachitonian."*

*A class lecture, a bit of personal advice, and sometimes a reprimand are those qualities which enrich the blood of knowledge in the clown's heart. For this enrichment, we are forever in debt to those teachers and administration who form an integral part of Ouachita Baptist College.*

"The Ouachita Tigers were a club that always gave the game and fans their 'all'. They made their fans proud of the victories and not ashamed of the defeats. And while they may have been out-shown on the scoreboard several times, they were never out-fought on the field."

## TIGERS FALL TO MAJORS, 26-8

In their first game of the season, the Tigers traveled to Jackson, Mississippi, for a game with the Millsaps Majors. Although the Tigers led in first downs, 21-13, and outrushed the Southern team by 92 yards, they could manage to score only on one occasion when Collier went over after a 71-yard drive by the entire team. His run around left end provided the Tigers with two extra points. Two Ouachita fumbles, a one-yard sneak and a pass set up the four successful scores for the Majors. In the final quarter the Tigers threatened twice but lost the ball on downs on the Millsaps 12 and 5. For a week preceding this game the Tigers got a taste of the enthusiastic backing

they would receive from the band, cheerleaders, faculty, and entire student body for the rest of the season. The freshman class attended their first OBC pep rally sporting "Maul the Majors" signs and lending loud vocal support.

## BEARS OVER TIGERS, 33-12

In the first annual Dad's Day the Tigers put on an all-out effort in the first half only to be outscored in the second half. The Bears scored on the third play with a 47-yard run by Henry Hawk. The kick by Weatherington was good and ASTC led 7-0 with only one minute ten seconds gone in the game. Tiger fans witnessed several outstanding punts and then stood en masse when an OBC quick kick rolled dead on the one-inch line. Fullback Johnny Collier scored the first Tiger TD, but Murphree's kick was wide to the left and the Tigers still trailed 7-6. With six minutes left in the second quarter Frankie Francis, freshman quarterback, went around left end for 16 yards and the second TD. McCuiston's PAT attempt was low but the Tigers left the field at the half leading 12-7. Henry Hawk struck again for the only score in the third quarter, with Weatherington again converting. The Bears took charge in the final quarter with Hawk, Ward, and Graham each adding six points. Herbie Cook passed to Graham for the only successful extra point in the last period and the game ended with a final score of 33-12.

## KANGAROOS JUMP TIGERS, 35-0

The Austin College Kangaroos, from Sherman, Texas, took control of the game from the very first and marched on to shut out the Tigers 35-0. Jackie Baker scored the first TD for the Texans on a seven-yard end run. The Tigers came back momentarily but got no further than the Austin 32. In the second quarter Charles Miller passed to Daon Wall, and Lee Wood added the extra point. A one-yard dive by Wall and another pass from Jerry Hodges to John Gragg added 12 points to the Kangaroo score, and a successful conversion by Kenneth Hern set the score at 26-0 at the half. Tommy Murphree's punt was blocked in the end zone for a safety, and a pass to Jerry Strong marked the last TD of the game. This was definitely the major "off" night for the Tigers, for the statistics were as lopsided as the score.

GANGWAY — Collier, the Tiger bulldozing fullback, is brought down by Austin College Kangaroo Charles Wright as Sparks leads interference and Sivils trails the play.

## A & M BOLL WEEVILS EDGE BENGALS, 14-13

"Dust the Weevils" was the slogan for the game with A & M when the Tigers proved they were a team to be noticed. In pre-game activities several social clubs supported the Tigers by displaying large banners urging victory. A & M started the scoring with five minutes left in the first quarter when end Chat Clark caught a pass and crossed the goal-line. During the second quarter OBC's Gary Malesky ran a punt return for 60 yards to score for the Tigers. Collier's attempted kick was blocked. Several plays later the Weevils scored their second TD with another pass to Clark, and after a successful extra point try they led 14-6 at the half. With ten seconds left in the third quarter, Tommy Murphree scored on a six-yard run around left end. Collier, who had been injured earlier in the game, came back full-strength and ran the extra point. Neither team could score in the final quarter, and the game ended 14-13 when the Weevils intercepted a pass to stop OBC's last-ditch stand.

## TIGERS TAKE LYNX, 20-10

When the Southwestern scout returned to Memphis after scouting the OBC-A&M game, the coach asked him if the Tigers looked tough. "Tough is the understatement of the year," he exclaimed. "Their full-back Collier was on his way out of the stadium in an ambulance when he jumped out and ran back into the game." The Tigers showed Southwestern just how tough they were when they defeated the Lynx, 20-10. OBC's first score came on an eleven-yard Murphree-to-Ward pass. Murphree's extra point put the home team ahead, 7-0. The Lynx wasted no time in tying the score with a pass from Frank Weathersby to Tommy Clinton and an extra

point by Mike Truscott. In the third quarter Truscott put the Lynx ahead on a 34-yard field goal. The Tigers responded with a TD when Gary Malesky intercepted a Southwestern pass and ran 40 yards to score. The try for extra point failed. In the fourth quarter Murphree went around right end for six points and Collier kicked the PAT. A last-minute TD which resulted from a pass to Shelby Ward in the end zone was called back on a penalty. Tommy Murphree wound up with 325 yards to his credit. Coach Lamar Watkins named Tiny York, James Wilkins, and Bobby Fawcett as doing an especially fine job in this game.

## MOUNTAINEERS MANGLED, 13-0 IN OBC'S SECOND STRAIGHT WIN

In a homecoming game on October 31, the Tigers entertained Queen Hing Fong and some 4,000 fans with their second victory of the year. Fresh from a 20-10 win over the Southwestern of Memphis Lynx, the Tigers completed a series of passes involving Murphree, Ward, Collier, and Woody Davis to score. Collier's attempted extra point was successful. Although the Tigers controlled the first half, neither team was able to score and at half-time the score was still 7-0. The Ozarks team came back strong in the second half, but was unable to get further than the Tiger 13-yard line. In the final quarter the Mountaineers tried the Tiger game of passing, only to have Aubrey Emerson intercept and go 65 yards for the score. Richard Pier-sall, Irl Green, Hank Sparks, and Earl Abbot were the standouts for the Mountaineers.

## SOUTHERN STATE HANDS OUACHITA 27-7 LOSS

Tiger fans, encouraged by two straight wins, turned out in great numbers to support their team and to see Charles Murff complete his 75-mile run from Arkadelphia to Magnolia. In the coldest game of the season, the Muleriders got off to a good start on a two-yard dive by Joe Cowling and a conversion by James Pettit. Calvin Neal passed to Floyd McCann for 39 yards and Pettit again added the extra point to put the Riders ahead, 14-0, at the half. Danny Greenfield went over from the one and Pettit converted for the third time to bring the score to 21-0. In the third period Frankie Francis and Shelby Ward were shifted to make tackle Hubert Dungan eligible for a pass from Murphree. The 12-yard pass was successful and that, with Collier's kick, gave the Tigers seven points. Southern State scored the last TD of the game when David Alpe went over left tackle. The kick was wide and the game ended with a score of 27-7.

## WONDER BOYS TRIUMPH, 40-12

Rain, icy winds, and the tough Wonder Boys proved to be more than the Tigers could handle when they traveled to Russellville on November 13. Jim Argo led the attack for the Techsters and scored two touchdowns. Tommy Murphree, leading passer in the AIC, was held to only 35 yards. Bill Curtis and Argo scored the first two touchdowns, with Wayne Parmley converting each time. A Tiger punt was blocked on the 10-yard line and Powell McClellan took the ball over the line. Parmley again

kicked the PAT. After Argo's second score, Monte Boley passed to Frank Smart for 49 yards, then Henry Brummet went over from the one-yard line. In the third period Murphree passed to Frankie Francis, who crossed for the score. Woody Davis capitalized on a fumble by Van Lee and ran 68 yards to up the Tiger score to 12. Carroll Kemp and Tommy Henson teamed to give Tech their final points and the game ended 40-12.

## TIGERS TRIP WARRIORS, 15-0

In the final AIC conference game of the 1959 season, the Tigers traveled to Conway to meet the Hendrix Warriors. Ouachita's first score came when Warrior Jerry Carter attempted a punt, only to have the ball roll out of his hands into the end zone for a Tiger safety and two points. Neither team managed a further score, and the first half ended with the Tigers in the lead. In the second period of play, a fumble by Frankie Francis was picked up by George Nichoalds, who ran 35 yards to score. Collier's

attempted conversion was no good. The last score of the game came when Hubert Dungan blocked a punt and end Richard McCuistion scooped up the loose ball to scamper 20 yards for the TD. The final score of 15-0 was quite a switch from the 0-0 tie of the year before when the two teams met, and this win boosted the season record over that of 1958.

## STATESMEN STALL TIGERS, 21-7

The expected slaughter by the always tough Delta State Statesmen failed to materialize on Thanksgiving day when the Tigers played their best game of the season. After backing the OBC Tigers to their own one-yard line, Delta blocked a Tiger punt out of the end zone for a safety. Gale Davis later went around left end for 42 yards and a Delta State TD. Statesman Johnny Hines went over from the three after team-mate Don Ward returned a punt for 41 yards. At that point, the Tigers took over. A skillful draw play allowed Johnny Collier to skim 63 yards for the score. His kick was good, and the Statesmen lead was cut to 14-7. A freak event set up the final score of the game for Delta when a Murphree-to-Collier handoff was bobbled. The loose ball was kicked and pushed 50 yards and wound up on the Tiger 14. Johnny Hines went over for the score and Willie Stokes completed the only successful Delta extra point. Even though the Tigers came up on the short end of the score, they won something of a moral victory by the way they played. This season-ender was marked by high praise and admiration from Tiger partisans and visitors alike.

## 1959-1960 Basketball

Winston Bryant

Frank Wiggins

Tom Benberg

A hectic basketball season in the AIC ended with the Tigers in fourth place after battling for first and second till the last.

The season record was 20 wins, nine losses, as compared to a 13-12 record for the year before. In a last-minute surge, Jody Jones took individual scoring honors with 390 points, followed closely by Winston Bryant with 372 points.

Ouachita played eleven games with four or fewer points as the difference. State Teachers won by one point, Tech and Arkansas College by two points, and ETBC and A&M by three points. The Tigers won the other six games.

Fans saw the Tigers at their best many times, for they lost only one game played on the home court.

Honors came often to the Tigers. They won two tournaments, the Dixie Invitational and the Harding Invitational. Five players were given recognition on the All-AIC teams. Winston Bryant and Dean Scroggins were placed on the second team, and Marvin Venable, Jody Jones, and Jim Perry received honorable mention.

Post season recognition came to Winston Bryant and Dean Scroggins when they were named to the "Who's Who in Small College Basketball, 1959-60."

Students, fans, faculty, and the *Ouachitanian* staff are proud of the Tigers for their efforts, victories, and their spirit.

OBC 80—MILLSAPS 62

In a preview of things to come, OBC stopped the Millsaps Majors, 80-62, in the first game of the year. Senior Winston Bryant scored 17 points to lead the team. Reserve players finished the game for Coach Bill Vining's Tigers.

OBC 121—  
MISSISSIPPI COLLEGE 117

Mississippi College furnished tough competition for the Tigers before losing, 121-117, after two overtimes. Scores were tied at 97-97 and 107-107. Bryant, Chief Perry, and Marvin Venable each tossed through 26 points.

Venable and Scroggins stretch for the ball while Wiggins stands ready.

OBC 73—SOUTHERN STATE 71

The AIC opener for the Tigers matched Ouachita and the Southern State Muleriders. OBC trailed until the last four minutes, then went ahead to win, 73-71. Chief Perry took honors for the Tigers with 18 points, while ace Frank Dolan scored 23 for the losers.

State Teachers met a fired-up Tiger team when OBC pulled off a 79-73 upset. ASTC trailed by as much as 17 points, but gained in the last few minutes. Winston Bryant hit for 20 for the home team.

OBC 80—A&M 54

Ouachita's fifth consecutive win came in a 80-54 victory over the A&M Boll Weevils. Jody Jones contributed 26 points for the winning team.

Jackie Selman controls the ball as Phil Franz and Tom Benberg stop momentarily.

Co-captain Winston Bryant shoots a long one while Dean Scroggins watches the basket.

OBC 74—HENDRIX 66

The Tigers jumped off to a 17-9 lead over the Hendrix Warriors, then went on to win, 74-66. The second half was evenly matched, but the Warriors were unable to overcome the early lead set up by the second unit. Marvin Venable and Dean Scroggins led the scoring with 18 each.

#### DIXIE INVITATIONAL TOURNAMENT

In their first tournament of the year, the Tigers defeated two teams to win the Dixie tournament in Memphis, Tennessee. The first game was against Union University of Jackson, Tennessee, with the Tigers scoring a 79-76 victory. Southwestern of Memphis, defending champion, fell, 89-86, to give the Tigers first-place honors.

#### HARDING INVITATIONAL TOURNAMENT

The Harding College Invitational, which took place during the Christmas holidays, gave the Tigers their second tournament title of the season. In the first game, the Tigers barely won, 69-68, over Arkansas College. The final game was against Ozarks, with the Tigers coming out on top, 79-65.

Jackie Selman

OBC 88—C of O 77

Marvin Venable and Tom Benberg led the Tigers in an 88-77 victory over the Ozarks Mountaineers as they continued their winning streak. The visitors, delayed in arrival by ice and snow, put up a tough fight before losing to the home team.

OBC 94—HARDING 74

Victory No. 12 came when the "going-strong" Tigers defeated Harding College, 94-74, at Searcy. OBC trailed in the first few minutes, but soon bypassed the Bisons. Marvin Venable led with 17 points for the night.

OBC 96—TECH 98

Lovelady, Vance, Davis, and Tech in general put a halt to Ouachita's undefeated season with a 98-96 win. The Tigers fought back to an almost impossible 96-96 tie after trailing by 12 points. J. P. Lovelady tossed in the winning shot in the last few seconds of the game. Chief Perry, with 22 points, was high man.

OBC 57—ETBC 61

East Texas Baptist College followed the example of Arkansas Tech by defeating the Tigers by a close margin. Jody Jones, Chief Perry, and Marvin Venable led the Tigers in points in the 60-57 loss.

OBC 73—LOUISIANA COLLEGE 91

In the second game of an extensive road trip the Tigers fell to Louisiana College of Pineville, La., 91-73. This was the third straight loss for the Tigers after 12 consecutive wins.

OBC 65—DELTA STATE 80

The Tigers, suffering from a letdown and excessive travel, dropped the fourth straight game at Delta State, 80-65, then returned home to win their next game.

OBC 95—ARKANSAS COLLEGE 93

A four-game losing streak was broken when OBC squeaked by Arkansas College, 95-93. Winston Bryant, 22 points, and Tom Benberg, 21 points, were high men for the team, but it was two free throws by Frank Wiggins that gave the home team the winning points.

OBC 77—SOUTHERN STATE 69

Southern State Muleriders fell victims to the Tigers, 77-69, after holding a six-point lead at halftime. Frank Dolan, top AIC scorer, was held to 12 points by Marvin Venable. Frank Wiggins led the Tigers with 16.

Phil Franz

OBC 67—ASTC 68

Overtime spelled defeat for the Tigers in a game with the ASTC Bears when they lost, 68-67. Two free throws by Keller Noggle in the overtime decided the game in the Bears' favor. Scroggins led Ouachita with 18 points.

OBC 69—A&M 66

The enthusiastic Boll Weevils handed OBC its second straight AIC loss in a week when A&M won a game February 2, 69-66. Scroggins, Jones, and Venable were the top scorers for the Tigers.

OBC 78—HENDRIX 77

The Hendrix Warriors made a strong bid against the Tigers but fell, 78-77, in one of the closer games of the season. Scroggins' 23 points and exceptional rebounding saved the day for the Tigers.

Venable comes down with the rebound as Rosa, Jones, and Benberg get ready for further action.

OBC 86—Ozarks 78

The College of the Ozarks Mountaineers fell to the Tigers for the third time during the season, 86-78. OBC led at halftime, 39-26, but Ozarks closed the gap to four points before the Tigers again pulled away. Marvin Venable led with 17 points, followed by Winston Bryant with 16.

OBC 78—HARDING 73

The Harding Bisons lost to the Tigers, 78-73, in a game, February 12, and put OBC back into a first place tie with ASTC. Tom Benberg with 16 and Winston Bryant with 15 copped high honors for the night.

With eyes shut, Jones plows ahead. Tom Benberg is in the background.

OBC 86—ETBC 77

A second-half surge by Jody Jones and Don Rosa insured Ouachita of an 86-77 victory over East Texas Baptist College. The Tigers were playing without the services of Scroggins and Wiggins, but won with even scoring from the rest of the team.

OBC 53—TECH 83

Ouachita's worst defeat came at the hands of Arkansas Tech in an 83-53 loss at Russellville. The cold Tigers were out-rebounded and out-shot the entire game. High-point men for OBC were Tom Benberg and Winston Bryant with 12 points each.

OBC 89—LOUISIANA COLLEGE 88

Chief Perry's free throw with no time left in the game gave Ouachita an 89-88 double-overtime win over Louisiana College in one of the most exciting games of the season. Scores at the end of the regular period and first overtime were 75-75 and 78-78. A new season high for the year was set when Jody Jones scored 32 points to lead the Tigers.

From left to right, Marvin Venable and Jim "Chief" Perry, honorable mention; Dean Scroggins and Winston Bryant, A.I.C. second team; and Jody Jones, honorable mention.

## KANSAS CITY VIA FOOT

Charles Murff, a senior physical education major from Princeton, Louisiana, left Ouachita Friday, February 19, at 8:00 a.m. on a 502-mile run that took him to Kansas City, Missouri, for the 22nd annual NAIA basketball championships.

Murff arrived at the Kansas City city limits on Saturday, March 5, at 2:20 p.m. after 15 days of running.

He represented Ouachita Baptist College of the Arkansas Intercollegiate Conference, promoting both Ouachita and the AIC. Rho Sigma Social Club backed him in the undertaking in the hope that it would create both state and national interest in the NAIA District 17 basketball tournament in Pine Bluff and the National NAIA tournament in Kansas City.

The "Red Shirts" made arrangements to buy a car for the trip. The traveling companions, Johnny England and "Tiny" York, were with Murff each mile of the journey to see that he stayed in top physical shape.

Charles averaged 33½ miles per day, running from 8-5:30 with approximately an hour and a half out for lunch and rests. He lost 22 pounds during the trip, but otherwise stayed in top shape and quickly regained the weight after the trip.

Murff arrived in K.C. and was greeted by television cameras, radio mikes, reporters, officials, and eight inches of snow.

After the tournament Murff was flown back to school where he resumed his studies.

Delois Twilley,

Coach Barbara Gill's Tigerettes finished an excellent season by winning the Arkansas A.A.U. meet which was held here at Ouachita. This tournament win entitled them to represent the state at the tournament held in St. Joseph, Missouri. The Tigerettes scored an upset the first game when they defeated a team from Milwaukee, 56-32. Their second game was played against the Atlanta Tomboys, and they lost by a score of 61-39 after trailing by one point at halftime. Miss Verna Westerman was entered in the queen's contest in St. Joe, and was honored as first runner-up. Mary Lou Garriss took top scoring honors for the season with a total of 355 points, followed by Mary Lois Hargett with 196. The Tigerettes shot 43 per cent from the field, and 58 per cent from the free-throw line. Total points for the Tigerettes were 1186, with the opposition scoring 955.

## Baseball

Inclement weather forced the annual staff to picture the individual baseball players inside during one of their indoor practices. At press time, the Ouachita nine was out to better its second-place finish in the AIC last year, since Coach Rab Rodgers lost only two boys from his 1958-59 squad. Rodgers shifted sophomore Tommy Murphree from shortstop to replace his catcher. Murphree led the Tigers in hitting last year with .443, followed by Kenneth Davenport, .390; Bill Dawson, .343; Winston Bryant, .333; Jim Perry, .312; Tom Neimeyer, .300; and Joe Young, .289.

# The President In Action

He is a man with a vision, a vision invested in the lives of youth.

"The actions of men are like the index of a book: they point out what is most remarkable in them." His actions show that he is a remarkable man of unusual abilities.

Ouachita has been expanded on the foundation stones which he laid with his drive and initiative. His eyes are on the mountaintop, in order to help Ouachita remain worthy of her past record and to climb to an even brighter future.

By his example, he not only has taught us the "art of seeking knowledge," but also the "art of living well."

He is our president, Dr. Ralph A. Phelps, Jr., administrator, author, educator, minister, orator, and friend.

On this and the two following pages, the annual staff has shown a few pictures of the president in action.

Dr. Phelps is pictured in his office.

Behind every great president are his secretaries. This is no exception. Mrs. Randy Quick and Mrs. Tommy Glover keep care of correspondence, engagements, and all the other odd jobs that come under the heading of a secretary.

In one of the more serious moments of Dr. Phelps' routine, he discusses final arrangements of the 1959 graduation with Mr. Brooks Hays.

One of Dr. Phelps' most pleasant duties was the opening and dedication of the Birkett Williams Dining Hall.

The "routine" has its sadder days, and one of these was the retirement recognition service for Mrs. Cleve Turner and Dr. R. C. Dailey.

Orator, minister, teacher, and president . . . they all fade into the background as Dr. Phelps takes over the machinery in the rush building of Blake dormitory.

Life has its prouder moments as Dr. Phelps and his fishing crony display a fine catch.

On comparatively "normal" days Dr. Phelps devotes much time to correspondence. Here he uses the dicta-phone to speed things up.

# Armstrong Appreciation Day

During one of the regular drill periods this year, the R. O. T. C. Department sponsored an appreciation day for Major Clare H. Armstrong, Jr. The Military Department expressed its gratitude to "Army" Armstrong by presenting him with a trophy marked with the contributions given by him to the community and to Ouachita.

*Above left:* Major Armstrong salutes as the troops Pass In Review. Don Applegarth, Dr. Phelps, Mrs. Armstrong, and Captain Breitenberg look on as the colors pass. *Above right:* Captain Breitenberg, Dr. Phelps, Major Armstrong, Mrs. Armstrong, and Captain Rodgers pause for a pose after the ceremony. The Major is holding the trophy presented to him by the Department.

Major Clare H. Armstrong, Jr.

Don Applegarth, R. O. T. C. Battlegroup Commander, presents a trophy to Major Armstrong. Honorary Cadet Colonel Pat Boldosier is in the background.

Ouachita's "Victory Ship" glided into port on Homecoming night when the Purple and Gold Tigers defeated the College of the Ozarks Mountaineers, 13-0. Clever dorm decorations, an enthusiastic pep rally in the Walton gym, and the return of the "old grads" marked the event and helped make the 1959 Homecoming a success. The parade, held on the afternoon of the game, was said by many to be second only to that held by the University of Arkansas. In pre-game ceremonies, Miss Hing Fong, sophomore from Hughes, was crowned queen by Dr. Ralph A. Phelps, Jr. Miss Verna Ruth Westerman, sophomore from Weiner who was sponsored by the Colhecon Club, was first runner-up. Sigma Alpha Sigma social club was the sponsor of Miss Phyllis Rankin, junior from Eudora, who was the second runner-up. Third runner-up was Miss Rebecca Morgan, freshman from Fordyce, who represented the Beta Beta social club. Miss Sondra Wallis, sophomore from Clinton, Mo., and sponsored by the EEE social club, tied for honors with Miss Gail Harrison, sophomore from Muskogee, Okla., and sponsored by the Pershing Rifles.

# The Creation And Debut Of A 1959 Homecoming Float

The work has just began, and many a paper napkin will be needed to cover the framework of wood and chicken wire. Club members must work every spare minute of their time for two weeks to create the final work of art which will be seen approximately thirty minutes.

Finished at last, the float heads for town and the parade. Some were powered by trucks, some by "captured Mountaineers," one by a tank, and this one by human feet.

The moment of glory arrived at last, and the float moved down the main street. Admiring onlookers, lavish praise, and the promise of possible prizes, made up for the aching backs, cut fingers, and the loss of sleep. The story didn't have a happy ending, though, for after the game came the announcement, "All floats must be dismantled by tomorrow night." The life of the float was over.

## first annual Symphony

FEBRUARY 19, 1960 ~ MITCHELL HALL

*Left* — The off-campus men sing "Girl of My Dreams" by Speath. Charles Wright is directing.

*Right* — Conger Men's dormitory sings "Sweet Violets". Supposedly, Tom Blackmon is directing, but there is some doubt.

This year the recreation committee of the Student Senate endeavored to plan the best in week-end entertainment for those students who stayed on campus. This year, for the first time, they sponsored a "Sing-phony." Eight dorms participated, making the first a success. Miss Lynda Smith from Henderson supplied vocal talent. Music during the intermission, as well as before and after the program, was presented by the Arkadelphia High School Stage Band. We regret we do not have a picture of the first place, Blake Women's Dorm. Linda Evans, their director, did an excellent job in leading the girls in "Melody of Love."

Mom Venable puts last-minute touches on Charles Jackson.

Frankie Francis points to the off-picture action as the group sang "Fantasia." Ron Kelly, director of the Bailey Men's Dormitory group, arranged the music.

Terral-Moore Girls' Dorm presents "Green Cathedral" by Huhm. Sandy Elliff was the director.

The Ouachita Theater gained national recognition in 1958 with a festival production of *Antigone*, adapted and directed by Mr. Holt.

# The Tale Of The Missing Tail

Russian scientists and their successful grafting of a dog's head had nothing on the Tiger when he inherited a new tail, made of different material than that of his body. In 1934 Mr. B. F. Worley carved the statue from a block of marble, and in 1959 he returned to "re-tail" the Tiger with wire and cement. The original tail mysteriously disappeared on October 3 during a conference football game and hasn't been seen since.

Scene of a bob-tailed Tiger on October 4.

The tail splint finally came off and, behold, the faithful Tiger rides again!

# Tiger Cheerleaders In Action

1959-60 Cheerleaders shown during pep rally held in downtown Arkadelphia.

V-I-C-T-O-R-Y . . . Every day this and many others yells were heard coming from the gym where the cheerleaders practiced for the football and basketball games. Starting in September, and continuing through the football season, the cheerleaders practiced for an hour and a half Monday through Friday, then cheered throughout the games on Saturday night. When basketball season came, practices were cut down to three days a week, with actual cheering taking place two nights a week. This year the cheerleaders traveled to Sherman, Texas; Russellville, Conway, and Magnolia to boost the players during out-of-town games. On Thanksgiving Day, the cheerleaders remained on campus for the Delta State game. Traveling in a station wagon, with Barbara Gill, the girls made many of the basketball games held out of town, and were always in full force for home games. Headed by Rose Rogers and Berdell Cahoon, the group was said by many to be the best team of cheerleaders in Ouachita's history. When adviser Barbara Gill was asked to comment on them, she had this to say: "This is the nicest and most co-operative group of girls I've seen. They love to cheer, they love sports, and they work together to cheer teams they admire."

Homecoming found the cheerleaders ready to boost the Tigers to victory.

# The Typical Rush Party

The Rushees rush at the food after the go signal is given. At any rush party, the main center of interest is the table loaded with food and snacks. Once the plates are full, the prospective members eat and . . .

. . . mingle with others. The main part of the rush party is the conversations between the members and the guests. It is at the rush parties that the members become more acquainted with the rushees and vice versa.

After food, drink, and talk, everyone makes for a seat to enjoy the program. In this instance, the Ron Kelly Trio is entertaining. Other favorite numbers often include the Tri-Tones, Eddie Todd, and the Joe Dempsey Special.

*The happiest phase of any clown's life comes when he is confronted with the myriads of grease paint tubes and other forms of make-up. Our clown, quite apparently, loves to do this also. At the beginning of each semester, he dons the garments of "The Pledge" and puts on quite an act every day for at least two weeks.*

*The clown not only dresses a part for his organization, but he also lives the role every day of his life on the Ouachita campus. From the serious organization of Student Government to the light-hearted gaiety of a social club, the heart of our clown is eternally in tune with the organization to which he has pledged heart, mind, and soul.*

"Blessed are they who have the gift of making friends, for it is one of God's best gifts." . . . Dick Norton has been richly endowed with this gift. Dick was elected president of the OBC Student Senate for the 1959-60 school year, but his studies were interrupted this fall due to a very serious illness. Even though Dick is not on our campus, his smile, high ideals, influence, and dreams have remained in the hearts of the students who knew him. Not only has Dick been a campus leader, but he has held state-wide offices in Student Government and the Baptist Student Union . . . "That which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain."

The Student Senate, composed of elected representatives of the student body, deals with matters concerning the student body as a whole. The Senate (group shots pictured below) meets once a week with the express purpose of serving as liaison between the administration, faculty, and students. The Senate not only executes policies of the school, but initiates projects, with the approval of the administration, which are worthwhile.

Claude Sumerlin, director; Linda Tyson, Earl Cloud, and Anita Tucker.

## *News Bureau*

The News Bureau sends news, pictures, and feature releases to local, state, and sometimes national newspapers and publications about activities of the college and individual students. Working with Mr. Claude Sumerlin, New Bureau director, were Earl Cloud, Linda Tyson, Anita Tucker, Charlotte Williams, and Joyce Morgan.

During the month of February alone, this crew sent out 101 separate news stories. Many of these stories were re-typed as many as five times, with leads re-written, in order to provide original copies to different publications. The News Bureau also compiled brochures for the football and basketball teams.

## *Proposed Chapel and Classroom Building Ouachita Baptist College*

The future Bible Building, to be constructed where the Mansion was torn down, will consist of a small chapel seating 250 persons and a classroom wing which will house the Department of Religion and a small radio-television station. The chapel has been officially named the "J. E. Berry Chapel" in honor of Mr. J. E. Berry, Ouachita alumnus of 1914, who has given \$75,000 for the construction of the chapel. Total cost of the Bible Building will be \$200,000. Bruce R. Anderson of Little Rock was employed during December by the Board of Trustees as architect and authorized to proceed with final plans and specifications for the new building.

## *Baptist Student Union*

The Baptist Student Union is our distinctive denominational ministry on Ouachita's campus. Its purpose is to conserve and help train Southern Baptist Students for effective Christian discipleship. It functions to remind each student of his responsibility to Christ, his Church, and his denomination, and of his obligation as a Christian citizen to the world in which he lives. Not only does the Baptist Student remind the student of his responsibilities and objectives in life; it also provides inspiration, information, and fellowship which create the spiritual climate essential for Christian growth while in college. It is the co-ordinating agency for all religious organizations on the campus.

Among the activities which the B.S.U. sponsors are a Pre-school Retreat, Spiritual Emphasis Week, the B.S.U. Convention, Thanksgiving Breakfast for International Students, Foreign Missions Emphasis, the annual Valentine Banquet, Campus Morality Week, and the B.S.U. Spring Retreat.

The Ouachita Baptist College Choir, with a composite enrollment from the fall and spring semesters of 100 voices, draws its membership from the entire student body. While most of the students are majoring in some field of music, many students from other fields are finding a degree of emotional satisfaction in belonging to this group. This year the choir has appeared in many high schools and churches, singing selections ranging from oratorio choruses to light Broadway musical numbers. The highlight of the choir's performing engagements this year was its appearance before the Arkansas Baptist State Convention, at which time it sang before an estimated

audience of 2,000 Baptists. This is one of the first years in the history of the choir that a spring tour was not taken. Instead, several trips were made to high schools and churches throughout the state. Among these were the high schools of Magnet Cove, Malvern, Benton, Bauxite, Warren, Monticello, and Arkadelphia. The choir also appeared in Immanuel Baptist Church in El Dorado, First Baptist Church in Benton, First Baptist in Arkadelphia, and Annual Ladies Night Banquet of the Kiwanis Club of Texarkana, Texas. An outstanding reception was given to the Ouachita Baptist College Choir when it sang before the Arkansas State Woman's Missionary Union Convention held in the First Baptist Church of Arkadelphia. Besides these many engagements off campus, the choir enjoyed four successful performances before the student body of Ouachita: a chapel program consisting of popular and light secular music, the annual performance of Handel's "Messiah," Dubois' "Seven Last Words of Christ," and Handel's "The Creation."

Pictured on the opposite page are the majorettes who did so much to enhance the football spirit this past year. The five girls, all freshmen, devoted much of their time and energy to practicing with the band four days a week plus the individual practice which enabled them to become the fine majorettes which they are.

When the 58-piece Ouachita Baptist College Band presented its first stage performance of the year here Wednesday, December 9, 1959, the feat might not seem so remarkable until one looks back to the 1957-58 school year.

That was the first year at Ouachita for William Francis McBeth, Tiger Band director. McBeth started rebuilding the band here at Ouachita his first year with only nine band members, seven of whom are still under his direction.

Many changes have already been evident in the band this year. Whereas the band presented pageantry drills the first two years of McBeth's direction, it presented precision drills as half-time entertainment at football games this year and played at the Ouachita-Arkansas Tech game in Russellville.

McBeth has arranged some of the music for the band. He wrote the music for the Tiger fight song and composed a number for the choir and brass entitled "And Isaiah Said." This year he received the President's award for creativeness from President Ralph A. Phelps, Jr., for his original composition, "Gloria and Lamentations of David."

# Opera Workshop

The Opera Workshop was organized in the fall of 1958 in order to give those students with an interest in opera and its performance an opportunity to enjoy this experience. Mr. David Scott is director of the Opera Workshop group.

Since its organization, this group has presented several operas. Among these are cuttings from "La Boheme" by Puccini; and "The Impresario" by Mozart; "L'Enfant Prodigue" (The Prodigal Son) by Debussy; and Flotow's "Martha" in their entirety.

Students participating in the Opera Workshop group are Letha Belknap, Theresa Henthorne Brown, James Burlison, Norman Coad, Linda Evans, David Holt, Joe Lacy, Helen Reed, Joy Taylor, and Charles Wright. The accompanists are Polly Nation and Janis Nutt.

The pictures shown are scenes from "L'Enfant Prodigue."

*Left:* Lia and Simeon, mother and father of the Prodigal, are portrayed by Theresa Henthorne Brown and Charles Wright. *Below:* Lia pleads for the life of her prodigal son, Azael, characterized by James Burleson.

## *Captain Breitenberg Selected For Centennial Duty*

Because Captain Breitenberg has done so much for Ouachita during his time of duty here, the annual would like to pay special tribute to him.

Captain E. H. Breitenberg, native of Hot Springs, Arkansas, and Assistant PMS&T at Ouachita Baptist College, Arkadelphia, for the past four years, has been assigned to the unique position of liaison officer between the Department of Defense and the Civil War Centennial Commission under direction of Major General U. S. Grant II.

In his new assignment, Captain Breitenberg will assist in the coordination between the Armed Forces and civilian groups to re-enact major battles and events of the War Between the States. The Centennial has been planned to commemorate the high principles in which valiant men of 100 years ago firmly believed and for which they readily offered themselves and all that they possessed.

Captain Breitenberg, a history major and teacher, was selected last fall by the Fourth U. S. Army to teach new ROTC officers attending the history session of the annual orientation course at Fort Sill, Oklahoma. In a letter to Major Clare H. Armstrong, former PMS&T, upon completion of the course, Lt. Col. Sterling Moore, ROTC Division, Fourth Army, cited Captain Breitenberg for "outstanding contribution to the teaching of American history."

During a recent visit to Washington, Captain Breitenberg was interviewed by a member of the Department of Defense, as well as Mr. Karl Bettes executive director of the Civil War Centennial Commission, and was subsequently notified of his assignment.

He recently attended a meeting of the Manassas Battle Re-enactment Committee held in Manassas, Virginia, site of the first major engagement of the War Between the States.

The son of Mrs. Emily Breitenberg of the Fountainlake Community, Captain Breitenberg is also a candidate for the Master of Science in Education to be received from Henderson State Teachers College in May. This will mark the second degree earned by the Captain while a member of the Army.

Mrs. Breitenberg, Annta and Hal, plan to live in Springfield, Virginia, where the Breitenbergs will reside during the Captain's new tour of duty.

The Ouachita College Girls' Rifle Team was organized in September, 1957, by Sgt. Milton L. Bridges. During the three-year history of the organization, the team traveled twice to Ruston, Louisiana, to fire shoulder-to-shoulder matches with the girls' team there. The Ouachita team was four times hostess to other teams for the shoulder-to-shoulder matches.

Good sportsmanship was encouraged and friendly fellowship was enjoyed by the members of the team.

*Man's dreams and aspirations for the future are symbolized by the universal stress of preparedness. Down through the ages, man has marked this preparedness with a significant document . . . . . the diploma. May we always hold in high esteem this parchment paper, as we become the leaders of tomorrow.*

# IN THE YEARS TO COME

*Remember the BEAUTY and  
USEFULNESS of trees. A great natural resource*

Trees, and the countless products made from their wood, are a source of never-ending pleasure to men and women of intelligence and discrimination. Thinking persons also appreciate the fact that trees comprise one of our nation's greatest natural resources; a mainstay to our national economy. Needless to say, our Company is proud to be a part of Arkansas' great forest industry.

# Tiger Day, 1960

This year, Tiger Day was held on March 25. About 1500 students, teachers, and pastors visited the campus. The day's activities began with registration in the new addition of Riley Library. A twelve-act variety show was presented in Mitchell Hall with a capacity-filled auditorium. Jeanette Hughes, a senior from Bismarck, was crowned "Tiger Day Queen," while Nancy Brooks of Rogers won the journalism contest. She received a \$100 scholarship. In the afternoon, a scene from "Hamlet" was performed. All in all, Tiger Day was a big success, a success only because of the great amount of work on the part of many done in the days preceding Tiger Day.

The "Ron Kelly Trio" performs for Tiger Day. Skipper Wofford is playing the bass fiddle, Hank Dempsey is beating the drums, and Ron Kelly is picking on the piano. BELOW: Many students had to wait in line to register in Riley Library. Later, the registration desk was moved to Mitchell Hall.

ABOVE: Helen Garrott presents flowers to the new Tiger Day Queen, Jeanette Hughes. Miss Hughes' escort was Cadet Lowell Heldebrand. RIGHT: Gary Smith is pictured in one of his more serious moments in the reading "Mary Had a Little Lamb."

Dear Ouachitonians:

The writing of a yearbook is not an easy task, and the compilation of a good yearbook is even more difficult. When you thumb through the pages, I hope you will consider the work that has gone into this publication. New ideas were scarce, staff members were often more scarce, and when a deadline approached, everything seemed to be scarce. Somehow, though, things finally got straightened out and the pages were sent to the publisher in Camden.

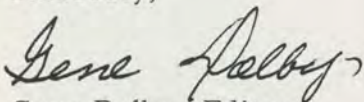

Many groups and individuals are to be thanked for their co-operation this year--the teachers for opening their classrooms to the photographers, the people who were gracious when pictures had to be remade (and times were many), to James Tyson for his excellent work in the darkroom during an emergency, and to so many others who helped in various ways.

I have given special thanks to the following people, for without their help my ship would have been sunk a long time ago. Thanks...

- ...Mr. Edmondson...for your administrative advice, for your suggestions, for your understanding, and for your personal friendship.
- ...Sandra Childers, Ouachitonian secretary...for working under the pressure of deadlines and in the middle of the general confusion which is always characteristic of the annual office.
- ...Captain Breitenberg...for all the extra camera-work you did for the Ouachitonian, and for your helping and co-operative spirit.
- ...Nancy Perry...for your ideas, your willingness to work, and for the many hours you put in on weekends and at night.

There are many others, although they are not named here, I hope they will receive satisfaction from knowing they helped create the 1960 Ouachitonian for you, the student body.

Sincerely,

Gene Dolby, Editor

Dr. Robert Bowers  
1911-1913

Dr. Bowers was the first Ouachita alumnus to return to head the college. After two years of service he resigned and returned to pastoral duties.

During the administration of Dr. Dicken the school's endowment was raised from \$51,000 to \$532,466.00 and the state convention included Ouachita in its budget. Buildings constructed included the original gym (now the Little Theater), the Dining Hall, and Cone-Bottoms.

Professor H. L. McAlister

# of Past Presidents

Mr. Arthur B. Hill  
1926-1929

The state convention cleared the school of debt, making way for a forward step. On March 18, 1927, Ouachita was admitted to North Central Association of Colleges and Secondary Schools. During these years the property value reached \$28,000.

Dr. Charles D. Johnson  
1929-1933

This period included the Great Depression, and Dr. Johnson was faced with keeping the school open despite an enrollment drop and non-existent financial support.

Dr. James R. Grant  
1933-1949

As a result of the Million Dollar Campaign, the Flenniken Student Center, Terral-Moore Hall, Mitchell Hall, Ernest Bailey Hall, and Cannon Infirmary were built. Enrollment rose to 1,123 due to World War II.

Dr. Deaford William Eubanks  
1949-1951

During this time the Co-operative Program furnished \$100,000 for the school. Two permanent buildings were constructed, including Hamilton Moses and Riley Library.

Dr. Ralph Arloe Phelps, Jr.  
1953-

Dr. Phelps' administration has seen the addition of eight permanent buildings, two temporary dorms, the relocation of the athletic fields, a new faculty housing addition and the remodeling of two campus buildings. Now the largest private college in the state, Ouachita has 22 permanent buildings and owns 200 acres of land.

Dr. Harold A. Haswell  
1952-1953

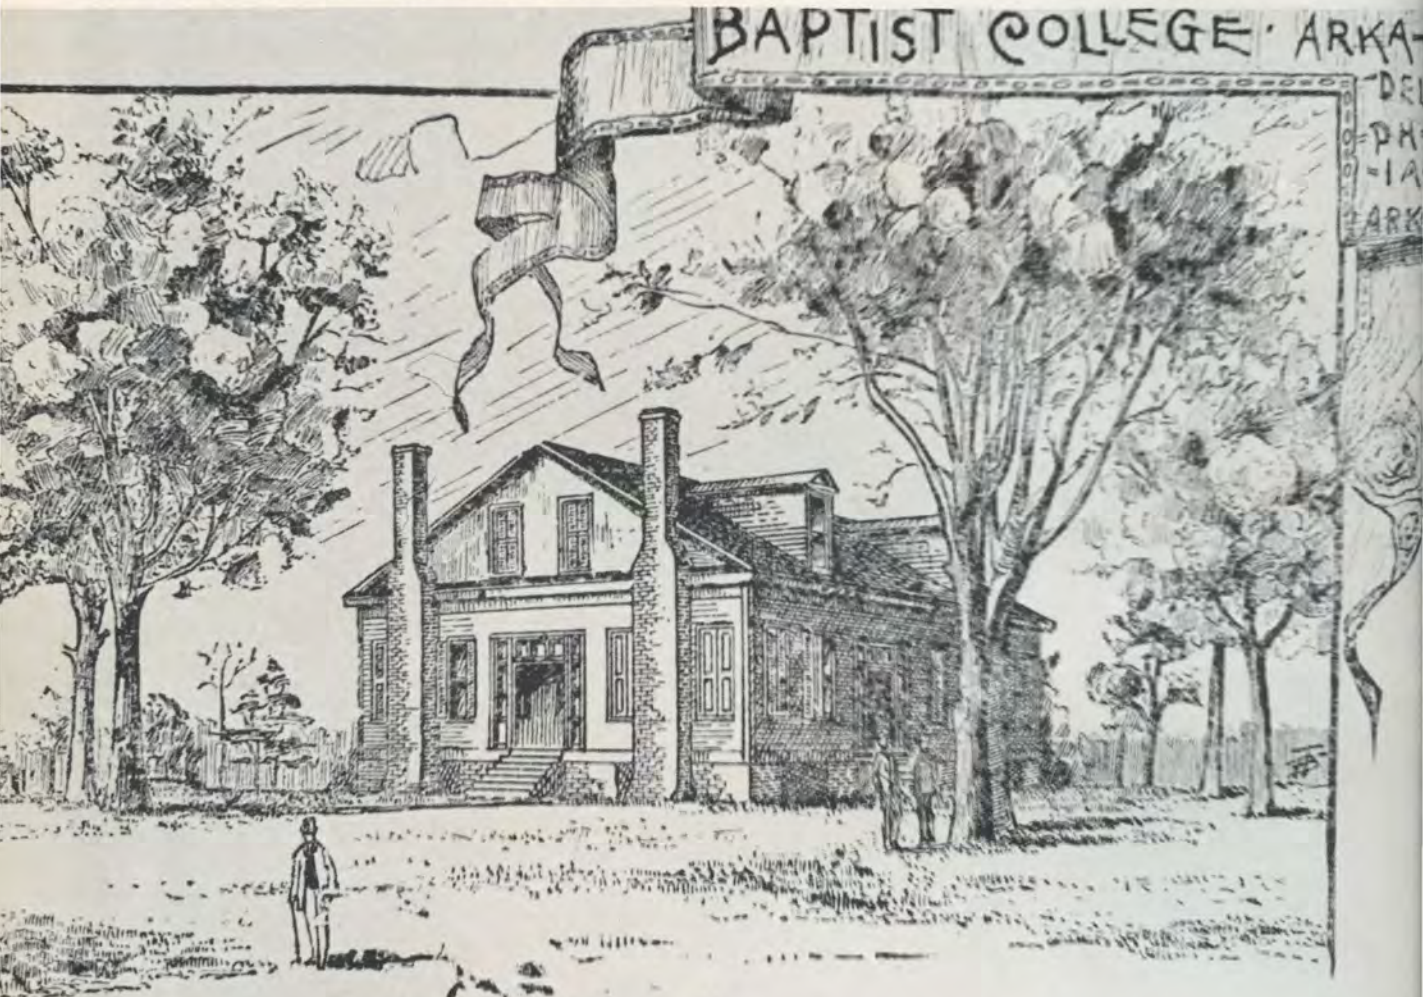

Under Dr. Haswell the curriculum was entirely revamped and the school was re-admitted to North Central. Two new buildings were added to the campus and named for past presidents. They were Conger Men's Dorm and Grant Administration Building.

# OUACHITA'S HISTORICAL BACKGROUND

"No effort will be spared to place large and commodious buildings on the ground, and obtain a liberal endowment for the Institution. Such an Institution, evolved out of the intellectual and moral wants of a people, and endowed and developed by their voluntary, ingenious patronage, will soon crown them with blessings and honor. With this pleasing prospect, full of hope and promise, we invite the hearty sympathy, co-operation and patronage of all true lovers of moral and intellectual culture."

Ouachita Baptist College was founded in 1886 at Arkadelphia, Arkansas, following these principles, which appeared in the second annual Ouachita catalogue. The school opened in September of that year with six faculty members and an enrollment of 100. Dr. J.W. Conger was elected the first president of the institution.

BUILDING NOW OCCUPIED; TO BE CONVERTED INTO FEMALE BOARDING DEPARTMENT AFTER JANUARY 1ST, 1889.

Ouachita College in its entirety, 1886. (Drawing photographed from the second annual catalogue.)

Arkansas Baptists purchased the grounds of the "Old Blind School" in Arkadelphia as the location of their state denominational college. When the college opened, only one building was on the campus. Three years later, in 1889, the Baptists built their first building at a cost of \$45,000.

The school was made up of four departments during its second year of operation. These divisions included primary department, intermediate department, preparatory department, and collegiate department. The college section consisted of seven schools, plus a school of music, a school of elocution, and a school of art.

[ MALE AND FEMALE. ]

Arkadelphia, Arkansas.

1886

Front cover of Ouachita's first catalogue. Only known copy now in existence is in Riley Library.

Cost of these schools varied a small amount. The basic cost of attending the institution was \$22.50 for the 18-week fall semester and \$25 for the spring semester, which lasted 20 weeks. Arrangements were made with some of the best private families in Arkadelphia to furnish board, room, light, fuel, etc. for \$10, \$11, and \$12 per month.

Although Ouachita College was founded as a co-educational institution, there was considerable discussion at that time as to whether the presence of both sexes in a single classroom was conducive to good study habits. In the 1887 Ouachita catalogue is found this assuring message that both male and female students were at the college to learn:

"The central aim of our work will be mental strength, moral force, application and concentration of thought. No gentleman pupil will be allowed to visit young ladies. No lady pupil will be allowed to receive attention from young gentlemen. A faithful, earnest pupil has no time for such diversion."

Even the dress was to provide no diversion from proper study habits. The accepted uniform dress for young women also was to suppress any feeling of pride and rivalry. Female students were asked to wear during the winter months appropriate dress consisting of a black dress trimmed in black; black cloak; black hat, trimmed with black ribbon and white plume; dark woolen goods or calicoes for school; and strong leather shoes.

A bit of helpful information to parents who wished to aid in the education of their children was also included in the 1887 catalogue: "Parents should write cheerful letters to their children. Do not encourage them to visit their homes, as it is a positive disadvantage."

### Origin.

THIS Institution is not inaugurated as a financial speculation, but solely upon an educational basis. It is the outgrowth of a recognized necessity for such an Institution, under the fostering care of the Baptist denomination in Arkansas. At the State Baptist Convention at Fayetteville, in 1883, it received its first impulse. It was then decided that such a College was a necessity, and a Commission was appointed to take charge of and to agitate the question, and to report to the next annual meeting of that body. They reported at the Convention, in 1884, at Pine Bluff, stating that the suggestion met with almost universal favor, but that they did not think the time had arrived to begin to build, and recommended that the Commission continue its work another year. There was a strenuous effort made to prevent further
