*THIS, the twenty-first volume of the
Ouachitonian, we dedicate to a
man who through many years has held
the love and esteem of every student in
Ouachita—*

LIVINGSTON H. MITCHELL

F O R E W O R D

In this, the 1931 Ouachitonian, we have tried to present the age-old spirit of love and loyalty, not to the tune of an ancient masterpiece, but to the rhythm of a great symphony made up of our present day youth. Why should we always look to the past for means of expressing ourselves? Let us show ourselves as we are.

We consider our life modern, but let us not forget that in the years that are to come we shall again open this then dusty volume and with a tear, or a smile, re-live the happiest days of our lives, recalling our sturdy friends, longing again to climb those time-worn stairs where the great and less great have climbed to their success. We shall again long to stroll under those spreading oaks under which life-long friendships were begun. To think that then this, our modern life, will be pointed out as "the good old days!"

ATHLETICS

FOY H. HAMMONS

Coach Hammons, who is recognized as an outstanding coach in all branches of athletics, has been director of athletics at Ouachita for five years. His teams are noted for brilliant play and hard fighting. Both student body and athletes are strong for Coach at all times and have utter confidence in him as a coach, gentleman, and leader. It can truly be said that he is a builder of men both in strength and character.

ASSISTANT COACH CURTIS PULLIG

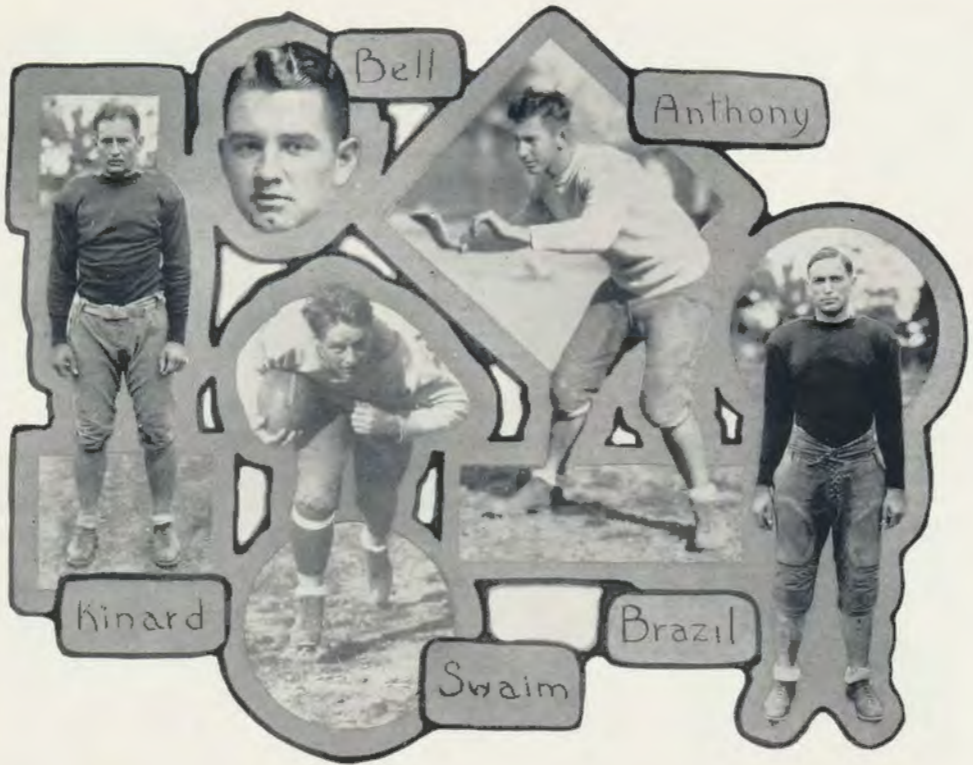

"Blue", as he is affectionately known, was an outstanding performer on the track and court during his school days at Ouachita; now he is Coach Hammons' assistant in directing athletics. He has been connected with the college in other capacities, but due to his ability he has another duty added. He has the confidence of all of those with whom he comes in contact.

FOOTBALL

Although the football season cannot be said to be wholly successful, it cannot be called a bad one when the number of games won and lost is considered. Since the Tigers won three games, lost three, and tie one, they played .500 football. Of this year's squad eighteen men earned their letters, one man was placed on the all-state team, two on the all-state second team, and one on the third.

CAPTAIN EARLY KINARD *End, Four Years, All-State*

"Skeet" rounded out four years of brilliant performance on the gridiron. Recognized as the best end in Arkansas; he was three times chosen on the all-state team. His ability, leadership, and endurance were ever incentives to his team-mates. Kinard's place will be hard to fill.

W. I. BELL *End, Three Years*

As "Dude" finishes, one of the gamest little men the Tigers have had passes into the ranks of ex-gridiron fighters. He is small but hard to deal with and has that never die spirit of the Tigers.

MARK ANTHONY *Tackle, Two Years*

Mark is the type of player who is consistent in every department of the game. When he hits a man, he stays hit and "ole Mark" can be depended upon anytime. He has one more year.

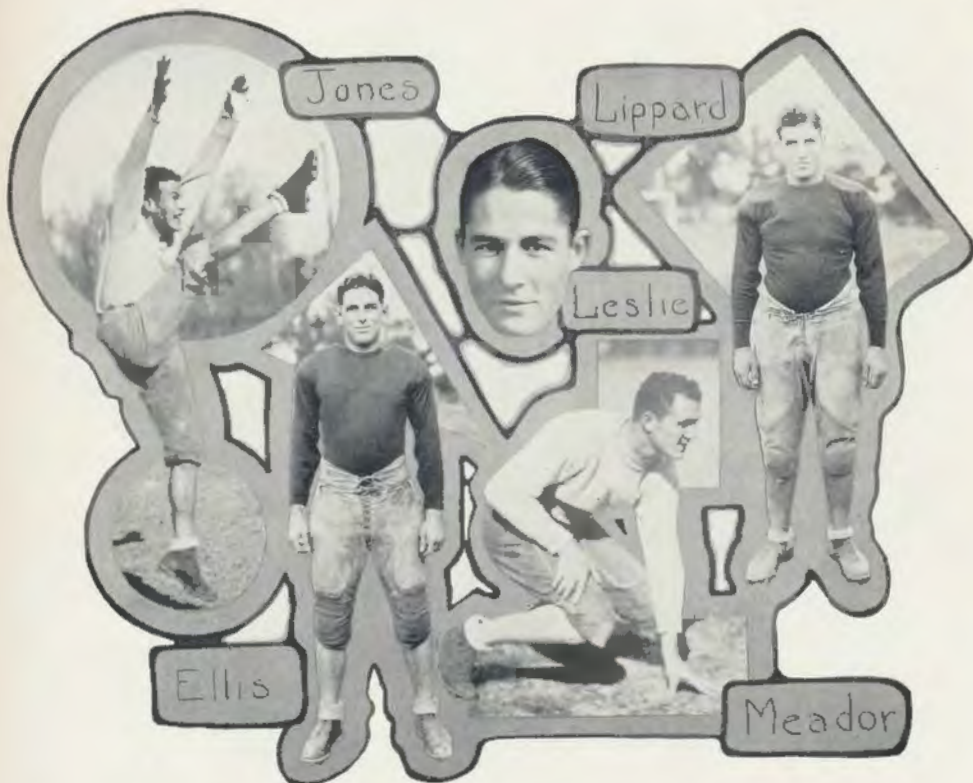

WAYNE SWAIM *Fullback, Two Years*

"Red" is the best line backer in Arkansas, rating a place on the all-state third team; and he can certainly hit the middle of the line and make a gain every time. "Red" is just a sophomore, so watch his smoke the next two years.

CLAY BRAZIL, SUB-CAPTAIN-ELECT *Guard, Two Years*

"Lige" is one of the most consistent of Ouachita's men. He plays hard and aggressively in every game. Next year should climax a very successful career on the gridiron.

SUB-CAPTAIN TEDDY JONES Quarterback, Four Years

The Tigers suffered a great loss when Teddy got his arm broken; but on Thanksgiving he proved that he could perform under adverse circumstances. Teddy has had a brilliant career at Ouachita. His directing ability, passing attack, and ball carrying as well as his personality will be greatly missed by Ouachita.

ROBERT LIPPARD Tackle, One Year

Bob came to us from the "Tar heel" State. He is one of the most aggressive and strongest men Ouachita has had. He plays his position like a veteran and has a very bright future ahead of him.

TOMMY LESLIE Quarterback, One Year

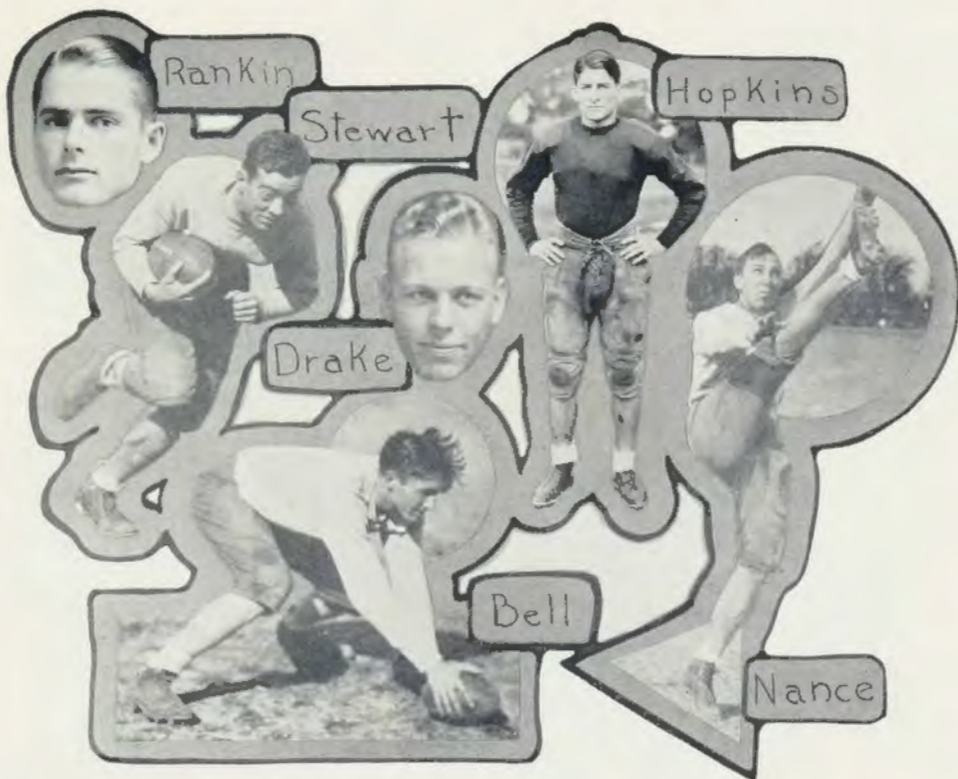

Tommy was the smart understudy to Jones until the latter got hurt. Then he filled the place extraordinarily well. His 50 yard run against Hendrix was sensational, and his line plunging against Tech was brilliant. Tommy has a bright future.

VAN ELLIS Guard, Three Years

"Segeer" is a hard fighting, consistent football player. He has been a regular for three years, due to his extraordinary ability to lead the interference attack and to handle his part in the middle of the line. "Segeer" should have a very successful season next year.

JOHN CARL MEADOR, CAPTAIN ELECT Tackle, Three Years

"Big John" is a natural leader on the football field. His ability to block punts and to break the opponent's interference is outstanding. He is one of the best tackles in the state and no doubt will be the masterful leader of the Tigers next year.

CURTICE RANKIN *Halfback, Three Years*

"Curt" gained undying fame by running 90 yards on the kick-off for a touchdown against Henderson. This is typical of his playing. He is especially good on breaking up passes and is a hard, sure tackler. He has one more year.

LUTHER STEWART *Fullback, One Year*

"Stew" hails from Cotton Plant, where he was a star. He is the same type player at Ouachita. When he hits the line, something is sure to move. With three more years ahead of him, he no doubt will make the all-state selection.

EDWARD HOPKINS *Halfback, Two Years*

"Hop" is one of the "fastest humans" in a uniform; this combined with cleverness, marks him as a dangerous back and a constant threat. He bears watching. Ed is a four letter man and a junior.

BLED SOE DRAKE *Halfback, One Year*

"Duck" is a versatile back, an exceptionally good blocker and punter. He has three more years as a Tiger. Judging the future by the past, he is due to be a real hero for Ouachita.

CLARENCE BELL *Center, One Year*

"Father" Bell was an all-state man in high school and is bidding high for that honor in college. He is the hardest man to move on the squad; the Reddies especially will tell you that. He can kick a football out of the park and pass the ball perfectly.

DICK NANCE *End, Four Years*

Another great end who finishes as a Tiger, after having been selected on the all-state second team. Dick has been a brilliant performer in four major sports during his years at Ouachita. He is a great pass receiver and defensive man. Dick has made the Tigers a valuable man and will be greatly missed.

J. T. STOCKS
Student Manager of Football

Stocks has worked hard and has shouldered the responsibility of his task. Though headlines never proclaim the managers, they are essential and valuable.

ARLIN JONES . Center, Two Years

Again "A Jones" proves his worth as a great center, duplicating his performance of last year. He can stop anybody's passing attack and is a hard tackler. "A" has two more years to "strut his stuff" with the Tigers.

ROBERT S. MOORE Tackle, Three Years

"Big Bob," the hard tackler, the kicker, and the fighting man, has finished his career at Ouachita with a record of having made the all-state second team. Governor Moore has been a wonderful asset to the Tigers and has won a great name for himself. He is a football player extraordinary.

BASKETBALL

The basketball season opened with Ouachita winning the first three games. Prospects looked bright until the breaks went against the Tigers. They were forced to take second place in the Association race and third in the race for the state title. Nine men earned letters, of which number three were new men.

CAPTAIN TEDDY JONES *Guard, Four Years*

Teddy made the all-state team two years and is one of the best basketball players Ouachita has ever had. As captain of the team, he was a constant inspiration to his team-mates. With the ending of the basketball season, Teddy finished a most successful athletic career.

CURTICE RANKIN *Guard, Two Years*

"Curt" is one of the best back guards in the state. He can be depended upon to really guard the goal under any circumstances. "Curt" works hard and fast and should make the all-state team next year.

J. R. RHODES *Forward, Two Years*

Rhodes was a valuable man last year, and again this year he showed his dependability by playing a stellar game. J. R. is a sophomore and has two more years to play with the Tigers.

WESLEY SAWYER *Guard, One Year*

"Tom" is one of the freshmen who made a letter. He fought hard and improved greatly during the season. He, no doubt, will make the Tigers a great player in the next three years.

JOHN PALMER *Center, Three Years*

"Skipper" is a high jumping center and rarely meets anyone who can beat him on the tip-off. He is a veteran at the game and an excellent player. "Skipper" graduates in June.

BASKETBALL

The season was not as successful as the one last year, probably due to the loss of so many veterans. Prospects appear extremely bright for next year. This year's team will have had experience and training and should be able to lead the state in scoring.

VAN ELLIS *Forward, Two Years*

"Segar" plays a consistent game at forward. He was high point man in several games this year because of his deceptive passing and good shooting. He has one more year with the Tigers.

ED HOPKINS *Forward, Two Years*

"Hop" is a fast man on the court, a good passer, and an excellent dribbler. His ability to evade opposing guards is noticeable. Ed has one more year in which to play.

J. D. COBB *Student Manager of Basketball*

"Little Bo" has more than proved his mettle in the excellent work that he has done this year as the student manager of basketball. The members of the team can appreciate his work much better than can the spectators since it is they with whom he comes in actual contact.

"EBBY" ALEXANDER *Forward, One Year*

"Ebby" led the team in good shooting this year; he was one of the best forwards in the State. Ebby is small, but makes up for it in fight, ability, and cleverness.

J. E. ALLMON *Center, One Year*

Allmon proved to be a great ball player his first year. He divided time with the veteran Palmer and is one of two freshmen to make a letter. The future appears extremely bright for him.

Standing: Coach Hammons, Wesley Sawyer, James Draper, Roger Dollarhide, Sidney Eason, Aubrey Halsell, Uiman Bruner, Robert Igleheart, Eugene Pearce, Dan Dull, Assistant Coach Pullig. Seated: Wayne Swaim, Ed Hopkins, Earl Baxter, Steed Rountree, J. R. Rhodes, Howard Claunch, Curtice Rankin, and Captain John Palmer.

TRACK

Last season Coach Hammon's track team won the state championship for the first time in the history of Ouachita. This year it seems almost certain that the Tigers will again win the championship.

Coach Hammons took his men to the Texas and Rice Relays and won second in both medley relays, fourth in the half-mile, and second in the javelin throw. April 9 the Tigers defeated Hendrix 75 to 56 in a duel meet, even though the mile relay team disqualified after it had won the race. Rountree and Rankin showed that they again are the best runners Arkansas has had in many years. Captain Palmer is running the hurdles in extra fast time and should set a record at Clarksville. Swaim heaved the javelin 192 feet, which ranks with the best. Baxter and Leslie will add much to the relay team. Halsell is an excellent vaulter, and Stewart is a good understudy to Captain Palmer. Igleheart made his letter against Hendrix and is going to be a valuable man in coming meets. Ed Hopkins has improved, though he was already one of the fastest men in the state, and this year he no doubt will win many points in the state meet.

Taking everything into consideration, Ouachita has a great track team, one that would win places in any meet. Several new men are still improving, and Ouachita has a good chance of recapturing the state title again.

"O" ASSOCIATION

On May 15, 1929, the athletes who had won their letters in those sports fostered by the college organized the "O" Association.

The purpose of this organization is to encourage a higher standard of sportsmanship and to entertain and look out for visiting athletic teams and to promulgate and perpetuate the Tiger spirit.

Activities have taken on the form of awarding gold footballs to graduating players, providing decorations for athletic contests, selling score cards, and the like.

—I. Timothy, 1:12.

The Ministerial Association is composed of the students who have felt the call to preach the gospel and have entered college to get a good "ready." It is as old and as permanent as the college of which it is a part.

The aim which the association has in view is threefold: to promote a spirit of fraternal fellowship between the ministerial students, to develop in them a deep love for the Master and His cause, and to aid them in preparing for efficient service. In carrying out this aim the membership of the association comes together every Thursday evening.

Seven of the seventeen members are regular pastors, serving pastorates in different parts of the state. The other members do supply work and assist local religious organizations in any way possible.

THE BAND

For many years the Ouachita Military Band has been one of the most outstanding organizations on the campus. The band constitutes the headquarters platoon of the local R. O. T. C. unit and plays at all battalion parades and reviews. It also functions at athletic events both at home and away and other various campus functions. The widespread reputation of the band has been furthered by their participation in the U. C. V. Conventions at Little Rock in 1928 and again in 1930 at Biloxi, Mississippi, where they rated second only to the U. S. Marine Band. Arrangements are now being made for the band to go to Montgomery, Alabama, for the 1931 old soldiers reunion. Much of the band's success is due to the able direction of Colonel Fred D. Martin, who is recognized throughout the South for his ability in handling musical organizations.

One of the oldest student activities on the campus, debate and oratory, has during the past two years received a decidedly new and powerful impetus.

Pi Kappa Delta, a fraternity of which Ouachita holds the Arkansas Beta chapter, is one of the most powerful and largest student organizations in the nation. Pi Kappa Delta has chapters in all but three states in the union.

Membership requirements in Pi Kappa Delta are very strenuous, participation in three losing or two winning varsity debate contests being necessary for eligibility.

Ouachita speakers have been especially successful during the past year, winning third in men's debate at the Province meet of Pi Kappa Delta and second in extempore speaking at the same meet.

Ouachita Players, directed by Miss Essie Graves, have twice sponsored interesting programs from radio broadcasting station KTHS at Hot Springs. They have also presented programs at various organizations and institutions over the state.

The highly amusing comedy, *Dulcy*, was given at the college auditorium on Thanksgiving night and was well received. Probably the most finished production of the year was *Mansions*, a one-act play by Hildegard Flanner, which was presented in the Little Theatre Tournament, held in Little Rock on March 10, 1931.

MOTTO: "Ye shall know the truth, and the truth shall make you free."

The Scholarship Societies of the South were organized in 1922 to give recognition to honor students in southern colleges. The Ouachita chapter, Pi Kappa Tau, was organized in 1929. It is more than an honor society, its monthly programs are highly educational. It aims to increase scholarship and to discover leadership among the junior and senior classes of Ouachita.

PSI SIGMA PHI

The Psi Sigma Phi, organized in the near past, is Ouachita's most exclusive and select fraternity; yea, it is Ouachita's one and only social fraternity.

This august body of college men has regular meetings every day, and the subjects discussed at these meetings are extremely varied and increasing.

The purpose of this organization is to test the members' ability to discuss these "varied and interesting" subjects and also to test their ability to pay dues.

Although its purposes are very meager and simple and its by-laws and traditions are of very small quantity, the Psi Sigma Phi remains forever Ouachita's most outstanding fraternity.

BOARD OF PUBLICATIONS

The policies of Ouachita's publications are determined by a committee composed of students and members of the faculty, called the Board of Publications. This Board meets twice a month and appoints staff members, criticizes the editors and business managers, and gives advice on different problems. This group is responsible for the well-being of the three Ouachita publications.

The Board of Publications has created for 1931 a new office, that of General Manager of Publications. This officer will direct the business policies of all three publications.

We have labored long, spent much time and thought trying to give you a Ouachitonian of which you would be proud. If we have failed, we are sorry. We know it would be impossible to please everyone. If you don't like our book, maybe you are not normal, because we think it's great—maybe we're not normal. We believe in that old saying, "Either praise me or expose me. I cannot stand to be overlooked," and have have tried to do our duty along this line. If we have exposed some of the family secrets, forgive us and forget it. If you like our book, smile; if you don't like it—well, never mind smiling.

In recent years interest in the literary societies, which in times past have played such an important part on the campus, has waned so considerably that the members of both organizations, under the leadership of Mrs. Blake, have come to realize that the societies in their present status fail to accomplish their purposes. Consequently, steps have been taken to merge the Alpha Kappa and Corinnean Literary Societies into one group. The Library Association has as its purpose the study and collection of rare books, and especially books about Arkansas and books written by Arkansas people. One of the important things the organization accomplished during this year was to foster Book Week. Many books were donated to the library, and one of the most valuable books was an autographed copy of Fred Allsopp's *Folklore of Romantic Arkansas*, given to the library by the Library Association.

S. L. V.

S. L. V. is one of the youngest clubs on Ouachita's campus, having been organized in 1930. It has, however, enjoyed a successful year and predictions for its future are very bright.

The club is composed of a selected group of students who get together from time to time for the discussion of current topics of interest.

S. L. V. is a secret organization to which pledges are elected by the members once each school year.
