BOB GRAHAM

Student Body President

Dear Ouachitonians:

Memories can be wonderful, especially when they are filled with the joy and privilege of being a part of Ouachita. Ouachita has offered us what no other school can. All these things cannot be listed individually, but together they compose a challenge, an attitude, a feeling in the heart. Should not we take what we have received here and give back our best in continued interest and service?

Somehow, I think each of us will not fully realize just how much Ouachita has meant to us until we have been away. May our love for "the Queen" not be "away" from us as it spurs us on to accept new responsibilities. It is definitely yours and my responsibility to aid in the progress of the school we love.

Let us look into the future with clearer eyes as we go many different ways because we have shared Ouachita together.

I could never express in words my appreciation for what you have meant to me as fellow students, professors, administrators, Ouachitonians—friends.

May each of us accept the challenge that Ouachita offers "in quest of the best" and prove worthy of Him for whom she stands.

Sincerely,
Bob Graham
