FROM THE EDITOR:

The best laid plans of mice and men (here referring to the latter) often go haywire, but thanks to the concentrated efforts of a good staff, everything went relatively smoothly in the production of the 1958 OUACHITONIAN. Oh, there were times . . .

For instance,

when the Senate dressed up three times for pictures and somehow either the photographer got his times mixed, or the camera was broken, or . . .

the Junior class officer who kept closing his eyes every time the picture was made (three, to be exact), or

deadline week, when pledging started, and the entire staff either pledged, was in a play, or was busily engrossed in Focus week preparation, or

the Beauty pageant "opener" who decided at the last moment that they had nothing prepared, or

the curtains out of the staff money which somehow never made it up, or

the faculty members who insisted on using the pictures they had made in 1930,

But, thanks to Gene Blagg, who labored every spare moment and more, for months on layouts, Jane Middlebrooks and Carole Pearson (who fussed, but nevertheless finished the difficult club pages), to Nan Spears, Julia Morris, Beanie Henderson (who dropped in to work without being asked), to the photographers (bless their hearts—John Baker, Doyle Daniel, and John Jenkins), to the SIGNAL staff (who kept us entertained), to Mr. Campbell and his staff, to Mr. Jim Long and Mr. Leland Sartin (for the wonderful trip to Dallas),

to all of you—

my sincerest appreciation,

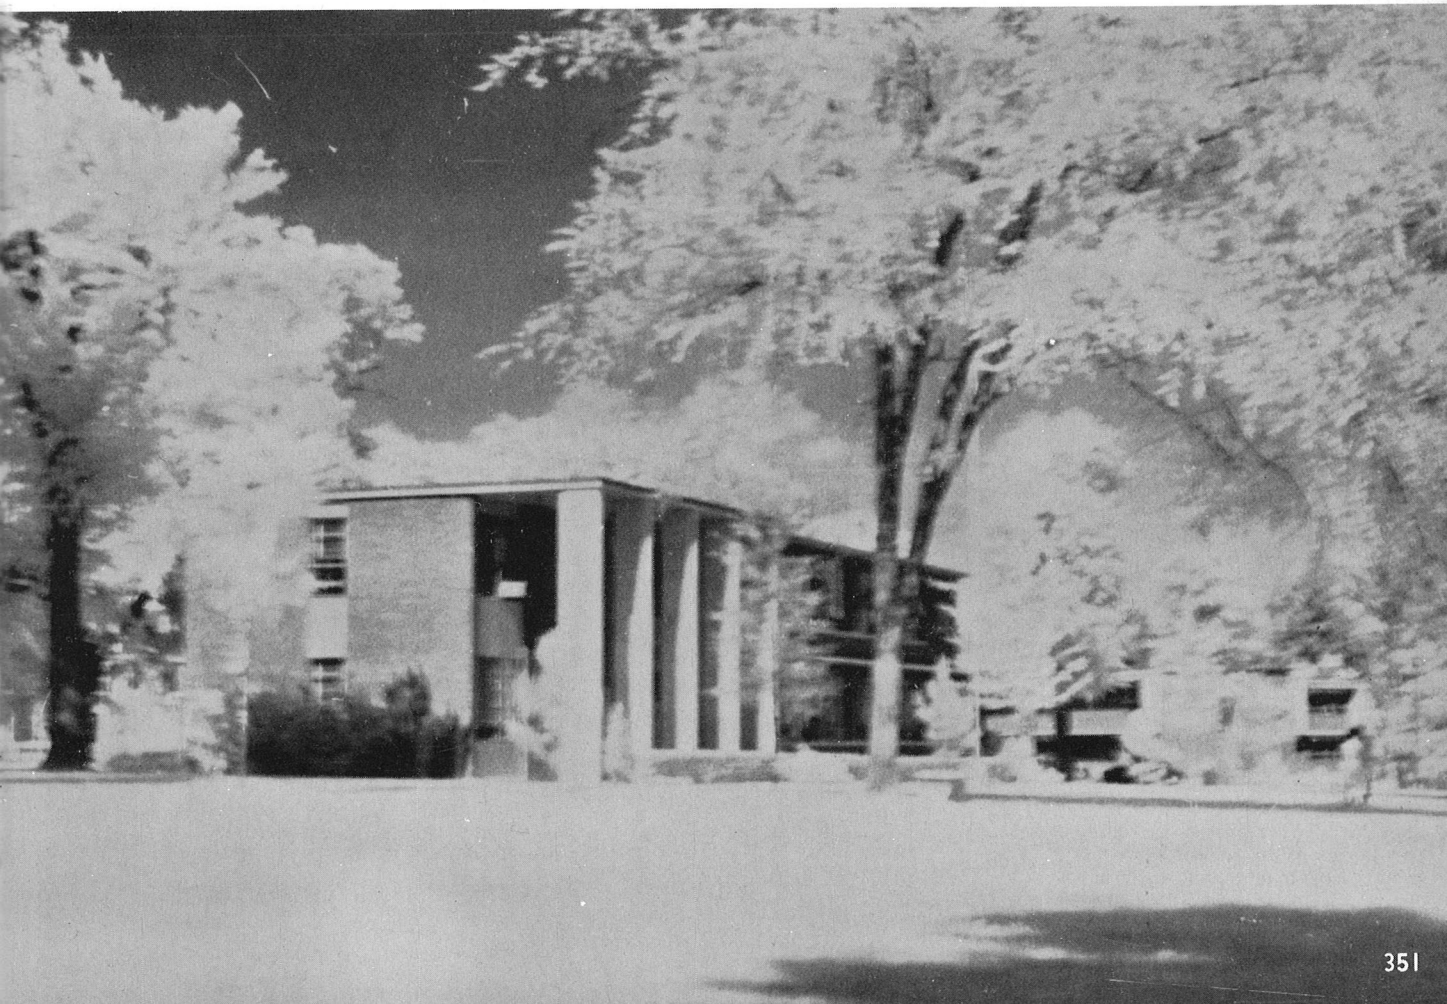

JIM MAXWELL, Editor-in-Chief
