

Students were not only blessed with the amazing Ouachita community on campus, but they were also blessed with an amazing community outside these walls. The Arkadelphia community was always willing to sponsor events and help Ouachita in every way possible. In the summer, businesses helped the admissions staff with New Student Retreat's Amazing Race, which was a way to get incoming freshmen familiar with the town. The night before the fall semester began, Spotlight on Arkadelphia showcased local businesses on the bridge by The Village. From events such as Tiger Traks to purchasing advertising in student publications, the community showed its willingness to partner with the university and

KAPPA CHI

OUACHITA BAPTIST UNIVERSITY

ABOUT KX!

On November 10, 1981, twenty-three men chartered Kappa Chi in order to fill the need for a new men's social club on Ouachita's campus. Now, thirty years later that group has become one of the most prominent organizations on campus. Kappa Chi is one of four men's social clubs at Ouachita Baptist University. The men of Kappa Chi are united by Christian faith and dedication to working together toward common goals. The core of these goals is maintaining a strong and diverse brotherhood within the club.

Mylisa Speer sings the "donut song" in the tune of Mercy during KXPD Tiger Tunes 2012.
