Editor's Notes...

The only thing I can think to say right now is "Thank God it's over." Hours and hours of work has finally come to an end. As expected, things during the school year didn't go as planned. A host of problems plagued the staffs working on the publication and, once again, it has taken all summer to produce.

As I've told many people before, it was always a goal of mine to be able to edit the Ouachitonia yearbook. One thing that I haven't told many people is that a second goal was to win a Gold Crown. Of course I realize that most people don't even know what that is. A Gold Crown is the highest award a yearbook can receive in the United States and I wanted to edit a book worthy of that title. The first OBU book I edited, the 1988 Ouachitonia (the one with all of the paint stuff on it), was a Crown winner. A Gold one!

Anytime goals are met, there are people who need to be thanked. An editor usually gets the credit (or the blame) but it's *never* a one man show.

Once again, we had a very talented staff. Jeff Noble, Lisa Murphy, Mark Christie, Lisa Lynch, Kim Hare and Suzy Ray are a big reason this book is what it is. A special note of thanks to Lisa M. and Suzy for going the extra mile with your work and for having patience with me. You don't know how much I appreciate you. Lisa, you'll make a great editor.

I must thank God for giving me the strength to make it through. I must also give a big thanks to my family for your never-ending support; to Robin Felts for your help, encouragement and love; and to Dr. Bill Downs for your motivation, trust, belief in me. Dr. Downs, I have the utmost respect and admiration for you. Thank you for giving me the chance to reach two of my goals.

Also a note of appreciation to Col. C.E. "Chuck" Savedge for your support, words of wisdom and friendship. There will never be another you and for that I also thank God. (Ha, ha! Just kidding!) Honestly, you are a great friend and one of my favorite people.

I won't be editor for a third year and for that I *do* thank God. One person can only take so much. But, I have been blessed with a tremendous "reign" and have been assisted by so many talented people. Thank you all so much for your love, encouragement and support when the nights were long and the days were short. I love you all.

Mitch Bettis

Nothing less than

Younique

As you can see, we were something special. It was indeed the people who set us apart from other universities. Other schools could have had an all-campus sing, TWIRP Week, nationally ranked athletic teams or blood drives. But no other school had you--and that's what made us Younique.
