LERROY CARSON TEDFORD

1897 — 1959

“For better than thirty years a quiet man walked with stately stride across the background of Baptist life in Arkansas. After his graduation from the Southern Baptist Theological Seminary in 1927, L. C. Tedford served both the churches where he was pastor and his associations and denomination with credit and dignity. Perhaps no other man has done as much as he to preserve the documents of Baptist life in Arkansas and yet he did so without noise and clamor. A man of intense personal discipline . . . a dedicated student . . . his offices were never many or impressive but his service was.”

At the time of his death Brother Tedford was serving as clerk of the Pulaski County Baptist Association, a member of the Historical Commission of the Southern Baptist Convention, Chairman of the Arkansas Baptist Historical Society, and Recording Secretary of the Arkansas Baptist State Convention. To the blessed memory of this beloved man of God this book is affectionately dedicated.

CONSTITUTION

Article I.—The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II.—The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

Article III.—Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with the other churches through this Convention.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

Article IV.—Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V.—Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary, and Treasurer. Each officer of the Convention shall be elected annually, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI.—The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "The Executive Board of Arkansas Baptist State Convention." "This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided, however, that no association shall be entitled to more than five (5) members." Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Executive Committee of the Executive Board to hold office until the next meeting of the Convention." No member of this Board shall hold any remunerative office under the Convention or any of its Institutions. One-third of this Board shall be elected annually to hold office for three years, and twenty (20) members shall constitute a quorum.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect receive and disburse all the funds of the Baptist Cooperative Program, both State and Southwide. The Office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all times be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII.—Trusteeships

The Convention shall elect trustees to manage and to operate its Colleges, Hospitals, Orphanages and any other Institutions it may possess, as follows:

Section 1. Ouachita College, 24; Arkansas Baptist Hospital, 18; Bottoms Baptist Orphanage, 18; Baptist Memorial Hospital, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years.

Section 3. Each Board of Trustees shall elect from their membership a Chairman and a Recording Secretary and such other officers as seems advisable.

Section 4. All Trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the Institution with which their trusteeship is concerned.

Article VIII.—Operation of Agencies

Section 1. Each Board, Agency, and Institution of this Convention shall submit to the Executive Board at its annual Budget Planning Meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX.—Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X.—Amendments

Section 1. This Constitution may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon

the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a Committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, Second Vice-President, Secretary, and Treasurer shall be elected on the morning of the second day of the Convention, their terms of office to begin with the final session of the Convention; and the President shall appoint and announce a Nominating Committee to report at the next session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary, or any other present, may be directed to cast the ballot of the entire assembly for the single nominee.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also the Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the Institutional Boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interests it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its Institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditure of money by the convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the Boards and Institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the Institution's Report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various Associations of Arkansas, whose churches are affiliated with this Convention, may submit to the Committee on Nominations names of those whom they believe should be considered for membership on the Executive Board as members from that Association.

4. Trusteeships

All Trusteeships of this Convention shall be amendable to the Convention on all matters, through its Executive Board. No Trustee-

ship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one Association.

5. Committee Members

1. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

2. "A member from an Association" upon moving from the bounds of that Association shall retain membership on the Board until the meeting of the next Convention.

3. Any member of the Executive Board or any institutional board who has served on such board or boards the number of years provided in the Constitution, shall not be eligible for re-election to such board or boards until one year has elapsed.

4. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

5. All associational missionaries or mission pastors receiving all or part compensation from the Convention through Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The President of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

WHEREAS, the officers and Convention leaders have conducted the business of the Convention and the program with efficiency and Christian statesmanship,

BE IT, THEREFORE, RESOLVED that we express our gratitude to God for the progress of, the unity of, and the spiritual blessings bestowed upon the Baptists of Arkansas.

BE IT FURTHER RESOLVED that we commend our Convention officers and leaders for the manner in which they planned for and conducted this session.

BE IT FURTHER RESOLVED that we extend our heartfelt thanks to each person who had a part in making this session a memorable and spiritual experience.

Resolution 4.

WHEREAS, Baptists have historically championed the cause of complete separation of Church and state, and

WHEREAS, there are certain evidences that public tax funds are being used to support religious agencies and institutions, which point to a gradual breakdown of the position of a free Church in a free state, and

WHEREAS, there have been numerous news reports that a Roman Catholic may become a candidate for the office of President of the United States,

BE IT, THEREFORE, RESOLVED that we reaffirm our faith and belief in the position of separation of Church and state.

BE IT FURTHER RESOLVED that we state clearly our opposition to the practice of using public tax funds for the support of any religious agency or institution, in whole or in part.

BE IT FURTHER RESOLVED that the Baptists of Arkansas oppose the candidacy of any Roman Catholic for President of the United States, in the interest of religious liberty. This opposition is not directed at the freedoms of the Catholic people but at the allegiance they have to a foreign person who is outside the United States, and above the laws and governing forces of the United States.

Resolution 5.

WHEREAS, the gospel of Jesus Christ deals with the whole of human experience,

WHEREAS, it will redound to the honor and glory of our Lord Jesus Christ for our President to exhibit his faith in all countries in which he visits,

In Memoriam

“O why should the spirit of mortal be proud?
Like swift-flitting meteor, a fast flying cloud,
A flash of the lightning, a break of the wave,
He passeth from life to his rest in the grave”.

But “blessed are the dead that die in the Lord”, because “to me to live is Christ, and to die is gain”. “But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him”. “For the Lord himself shall descend from heaven with a shout, with the voice of the archangel and with the trump of God and the dead in Christ shall rise first”. These Bible verses assure us that our brothers and sisters who have died in the Lord are not forever removed from our fellowship, but will join us again in the resurrection morning, and so shall we ever be with the Lord.

Among those of the Convention’s members who have been called to their heavenly home during the past year were seven ordained preachers called of God, not only to be soul-winners, but were also anointed to preach the unsearchable riches of Christ. We in the churches will greatly miss their fellowship and ministry. 1,600 other Baptist members were summoned to appear before the judgment seat of Christ and their works do follow them.

This great number of our people has slipped away from us so silently that we have scarcely heard the rustle of a wing.

We would not pass up this opportunity and duty to express our tender memories of them and also to express our sympathy and prayers to their loved ones.

The names of our preacher brethren who have passed away are as follows: W. M. Pratt, L. C. Tedford, Al Felts, G. W. Boyd, Espa Donaldson, G. E. Owen, and T. J. D. King.

84. Voted: That the 1959 annual of the Arkansas Baptist State Convention be dedicated to Rev. L. C. Tedford and that his picture be included. Rev. Tedford was serving the convention as recording secretary at the time of his death.

85. Jo Ann Shelton brought another stirring message in song, "I Am Amazed".

86. For the closing message of the convention, Dr. John Edmund Haggai, Louisville, Kentucky, brought a message on "A Productive Perspective" with the text taken from Philipians 3.

87. The convention was adjourned with prayer by W. B. O'Neal, Little Rock.

A total of 929 messengers registered for this Convention.

REPORTS

ARKANSAS BAPTIST HOSPITAL

Little Rock, Arkansas

J. A. Gilbreath, Administrator

This is your Arkansas Baptist Hospital, one of the finest in the nation, dedicated to service to all in need. Here is carried out Christ's commandments to heal, to preach, to teach. This is accomplished through people . . . thoroughly trained . . . using the best and newest instruments known to medical science . . . and working in modern facilities. These elements—people, education, equipment and facilities—assure Arkansas Baptist Hospital patients the very best in care and service available anywhere!

The very heart of service at Arkansas Baptist Hospital lies in the education, skill, devotion and understanding of the many, many people dedicated to the care and to the comfort of each patient. Serving the bedside needs of the patients are the doctors, nurses, the aides and the orderlies. Working alongside them is the chaplain and the members of the Volunteer Corps. These—more than 800 strong—are the men and women who make up a healing team.

Arkansas Baptist Hospital's construction program will be completed on December 1st of 1959. This \$1,500,000.00 structure will house 17 major operating rooms, a modern X-ray department, an 18-bed recovery room, an emergency room suite, a physical therapy department, a medical records department, an admission office, and a food cafeteria, which will be operating in full at this construction completion date. It is

our belief that this building will be one of the best ancillary service units in the United States.

The School of Nursing is an important part of the denomination's religious education effort. Average enrollment in the School for the past year was 182. Fifty-two students were graduated from the School in 1959. The faculty consists of 20 individuals full time and 7 on a part time basis.

Our School is attempting to emphasize missions particularly among our professional students. A mission emphasis week will be held in February for the student body. At the present time we have three of our graduates on the mission field and one who is preparing to serve in Indonesia.

Few pastors have the opportunity of contacting as many persons unaffiliated with any religious group as does our hospital chaplaincy department. Last year 3,000 persons who were treated at Arkansas Baptist Hospital had no church preference. With such figures at hand it becomes evident that our hospitals are active mission fields as well as being institutions of healing.

A Clinical Pastoral Education program is now being offered for a theological student or pastor in order that he may learn pastoral care through inter-personal relations in an appropriate center such as a hospital or other clinical situations where an integrated program of theory and practice is individually supervised by a qualified chaplain with the collaboration of an inter-professional staff.

The program at Arkansas Baptist Hospital is fully accredited and approved by the Southern Baptist Association of Clinical Pastoral Education and meets the standards of the National Conference on Clinical Pastoral Education.

Clinical Pastoral Internes, beginning September, 1958, were:

Walter Joseph for 1 year—September, 1958, to September, 1959.

Hogan Dodd for 2 months—January and February, 1959.

Carl Vaught for 3 months—June to September, 1959.

Jerre Hassell for 3 months—June to September, 1959.

Earl Ashley for 3 months—June to September, 1959.

Beginning in September, 1959:

Charles Thompson for 1 year—September, 1959, to September, 1960.

Dennis Dodson for 6 months—September, 1959, to February, 1960.

Earl Ashley for 6 months—September, 1959, to February, 1960

Total costs for operating Arkansas Baptist Hospital have become so large that expenses by the day seem easier to comprehend. An average day at Arkansas Baptist Hospital reveals the following statistics:

- 345 patients in the hospital each day.
- 53 new patients admitted daily.
- 6 babies born daily.
- 27 operations performed.
- 446 laboratory procedures carried out.
- 30 persons treated in the emergency room.
- 71 X-ray procedures done.
- 1,351 meals served.
- 70 special diets served three times per day.
- 3,700 lbs. of patient linens processed by the laundry.
- 700 prescriptions filled by the pharmacy.
- 274 physicians and surgeons joined with hospital employed personnel and volunteers total over 1,100 skilled people using modern equipment and facilities to carry out the ministry of healing, teaching and preaching.

Our needs for the coming three years include remodeling of the 3rd, 4th and 5th floors of the old hospital, building a new laboratory, a new medical library to meet Accreditation requirements, building of a new nurses' home, building a new laundry, expanding the psychiatric unit, providing for an occupational therapy department, remodeling and expanding the Medical Arts Drug Store and building a new and enlarged central supply department. The pressures of these needs continue to build rapidly and it is obvious that help must be secured from outside sources to meet these requirements.

These needs are a necessity in order to keep abreast of a 400-bed hospital which can be accredited by the Joint Accreditation Commission in the future as it has been in the past.

BAPTIST MEMORIAL HOSPITAL

Memphis, Tennessee

Frank S. Groner, Administrator

"By this shall all men know that you are my disciples—if you have love one to another."

Hospitals, probably more than any other denominationally sponsored institution, demonstrate for the world to see the dedication of Baptists to this commandment of Jesus.

During 1958 Baptist Memorial Hospital in Memphis cared for 38,293 patients. An additional 72,676 were examined and treated in the hospital's busy Out-Patient Department. Another half-million people who visited these patients came in contact with the Baptist spirit of dedication which permeates the hospital.

During the past year Baptist Memorial, as evidence of its Christian compassion, gave free service totaling \$712,335.81. Thousands found spiritual comfort while their physical ills were tended, for the hospital strives always to minister to the needs of the whole patient. In accordance with the philosophy of the institution, the staff is ever mindful and concerned with the patient as a person.

The hospital's formal religious program is directed by the chaplain, who is assisted by a hostess staff of seven personable young ladies, all graduates of Baptist colleges and intent on Christian service. They personify the spirit of dedication and concern for the spiritual needs of the patients and many lives are touched and re-directed as a result.

A planned program of expansion has enabled Baptist Memorial to care for increasing numbers of sick and injured each year. Today it is a 850-bed hospital, the seventh largest in the United States and the largest private, non-university hospital in the nation. Four hundred and fifty physicians are members of its staff and its employees number more than 1,900. With a replacement value of \$26 million the hospital represents the largest single Baptist financial investment in the world.

In following the Great Physician's three-fold command to teach, to preach, and to heal, Baptist Memorial Hospital maintains a 300-student School of Nursing and teaching program in eight other hospital-related professions.

The hospital is owned by the Baptist conventions of Arkansas, Tennessee, and Mississippi. The trustees are appointed by the three conventions—nine from each state.

Baptist Memorial Hospital is cognizant of the pressing needs of various areas of patient care which continue to develop and those which must be provided in the future. One of the greatest sociological needs to present itself in the last several generations is the need and care of the aging population. The care of the aged and chronically ill presents new and previously unsolved problems in prolonged treatment of disease. At present, this treatment is only available in hospitals which are geared to the care of the acutely ill. This imposes physical, social, psychological, therapeutical, as well as economical problems on the older patients.

The hospital is looking forward to the possibility of evolving a program of care for these deserving people as well as continuing to meet the increasing needs of the acute ill through additional facilities. Some of the immediate needs to be accommodated in this respect is an adequate obstetrical and maternity unit, an emergency room capable of caring for the demands now placed on the present facility, and a physical therapy department commensurate with the demands of service of this department.

A LOOK AT OUR BAPTIST BOOK STORE MINISTRY IN ARKANSAS—1959

The BAPTIST BOOK STORE located at 303 West Capitol, Little Rock, Arkansas, serves the churches of Arkansas in their needs for church records, supplies, hymnals, study course books and library books. The needs of the individual are also cared for with books of inspiration, teaching and entertainment.

The Book Store employs eighteen workers dedicated to the service of the churches, associations, denominations and individuals who come our way—into the store or through the mail. These men and women serve actively in the Southern Baptist Convention churches as teachers and officers, also in the financial program of the Lord's work.

The Baptist Book Store is available for counsel and instruction as well as distribution. We have people qualified to give expert advice in establishing a church library, audio-visual program or church music. We can advise you on record systems for church finance, for church membership rolls and many other organizational records. The satisfying of needs of all of you for materials is the only reason for the existence of the Book Store. We will be able to serve in a better way as the program of all departments of the state work is presented to us. As the Manager of the Arkansas Baptist Book Store, may I cordially invite you to come into the store at 303 W. Capitol. We want you to feel free to visit us or write us at any time that we can be of service to you.

We are humble in asking for your prayers and in offering our continuing services to you and to the churches of the State of Arkansas.

Bottoms Baptist Orphanage is the means by which the program of Christ is carried out by Arkansas Baptists through the ministry of child care.

Under the direction of the Board of Trustees, elected by the Arkansas Baptist Convention, and through the leadership of the Superintendent, H. C. Seefeldt, and a dedicated staff, the Home continues to minister to needy children.

The children come from all over the state and are in the Home, generally, because of some tragedy in their home. In some cases it is death and others it is desertion or break down in the home, which is at times much worse than death. No one is taken in until the Superintendent is confident that there is no other place for them to live. Many of them are so distressed that it is difficult to make anything like a normal and happy adjustment. The welfare of the child is the first concern of the Home, in trying to take care of their emotional, spiritual and social, as well as physical needs.

170 children have been cared for during the past year. There are generally between 130 and 135 children in the Home at one time, with around 165 to 170 in the entire family. 41 children have gone out from the Home during the year and 37 new children have come in. 15 of the children have joined the First Baptist Church in Monticello, with 9 coming for baptism and 6 by letter. Two boys and one girl graduated from high school last year. Three boys are in Ouachita College in Arkadelphia, and one girl was given a beautiful wedding ceremony at the Home when she married a fine young man from Little Rock. She was also assisted in a beautician course in Little Rock. Two former girls are being assisted in taking a business course.

During the year two new buildings were added—a home for the Superintendent and one for the Farm Manager. The Superintendent's home was designated as the C. C. Smith Memorial Cottage in memory of Mr. C. C. Smith, who died during the year, and who had served so long and faithfully on the Board.

In addition, repairs have been made in the upstairs apartment of the administration building, for the Assistant Superintendent, and the refrigeration plant had to be overhauled. The boys' two-story building, which was built in 1924, was repaired and new doors, new beds and mattresses were also provided.

Rev. and Mrs. Jim Jones have been added to the staff—Brother Jones as Assistant Superintendent, and Mrs. Jones has charge of the music program. They come from the South Carolina Home, after having been there four years, and both have college and seminary training.

The entire family attends the various organizations at the First Baptist Church in Monticello and the children attend public schools in Monticello. All of the children, junior age and above, attended one of the camps or Lonsdale Assembly this summer, and the entire family of children were privileged to visit, upon invitation, in homes throughout the state, for a two weeks vacation, the first part of August. The staff at the Home is deeply grateful to all who made the camps and vacations possible.

The doctors in Monticello and in Little Rock, as well as the Baptist Hospital, have been most considerate and kind when any of the children needed medical attention. The Home had its first polio case this year when a new family was admitted. The little boy is recovering.

WHAT ABOUT THE THANKSGIVING OFFERING? The Executive Board has voted to include the **THANKSGIVING OFFERING** as a part of the program of cooperation, showing it as No. IV in the Program of Work. The Home will receive part of their support through the Cooperative Program, but the **THANKSGIVING OFFERING** must provide the other part. The goal set for the **THANKSGIVING OFFERING** for this year is \$100,000.00, and the Executive Board feels that if the Home can have a good offering this year and next, that possibly the budget might be able to include the Orphanage for its full support by 1961, if the churches will increase the amount given to the Cooperative Program sufficiently. Posters and envelopes have been provided so that everyone may have a part in the offering.

The fine spirit of the churches, W. M. U's, Sunday School classes, Brotherhood and others who sponsor children in providing their clothing and other personal needs is greatly appreciated. The **HOME HELPER** check coming from the state W. M. U. takes care of many emergencies. **MEMORIAL GIFTS** sent in to the Home, instead of giving flowers, have

been a great blessing in supplying necessary furnishings, etc., and are greatly appreciated. BIRTHDAY OFFERINGS which help provide weekly allowances for the children have kept this fund intact. (Bands for the banks will be provided upon request.)

More of the churches are sending in COUPONS to help the Home furnish dishes, silver and some cash. A coupon chairman usually takes care of this part of the program in the various churches.

Arkansas Baptists are again reminded to remember the Orphanage in their WILLS AND ANNUITIES, which can be made directly to the Orphanage, or through the Baptist Foundation. The Home will be glad to advise with any who need assistance. "GIVE US THIS DAY OUR DAILY BREAD"—Won't you "Help Provide the OTHER HALF" of the THANKSGIVING OFFERING?

Cooperative Program—2-Plus

Our mission is to every man in all of the world. The Cooperative Program has been used mightily of the Lord among Baptists in carrying out the Great Commission. The world ministry of Baptists has been so blessed through the more than thirty years use of the Cooperative Program that we should be loath to let special appeals, over-enthusiasm concerning one phase of our work, or anything else undermine this effective instrument which we believe God has placed in our hands. The Cooperative Program provides us with the opportunity to study carefully and prayerfully our total mission program and to give proportionate support to every cause.

Maintaining the status quo should never be accepted as the Christian point of view. The spirit of conquest should characterize our every effort. Two-Plus for world missions through the Cooperative Program will make possible a stronger local witness and a more effective world reach. The churches adopting a percentage basis of mission giving, and the churches which are increasing that percentage by two percent of their total budget each year, are increasing in number. The Forward Program of Church Finance and 2-Plus are making possible Arkansas

Baptists' greatest year in mission giving. As of October 1, 1959, we are approximately nine percent above our giving of last year for world missions through the Cooperative Program. In August of this year we reached the million dollar mark in cooperative mission giving for the first time this early in the year. Winning men to Christ at home and to the ends of the earth constitutes the first of first things for Arkansas Baptists.

Promotional Meetings

We have been able to get into about three-fourths of our forty-four associations with meetings designed to reach our church leaders with an informal discussion of our total mission program. More than 2,000 pastors, deacons, church treasurers, and representatives from our Woman's Missionary Unions have come together for a night meeting of this kind. The response to this type of promotional meeting has been gratifying. The two-way exchange between the members of the churches and our denominational workers makes for a better understanding of our aims and purposes. This produces a greater spirit of togetherness in kingdom service.

Mission Policy

Changed conditions often dictate a change in policy. This is true in the field of missions. Thus your Executive Board has recently approved a "Proposed Basis of Cooperation Between the Home Mission Board of the Southern Baptist Convention and the Arkansas Baptist State Convention in STATE MISSIONS, CITY MISSIONS, AND RACE RELATIONS." Among other things this agreement looks toward the State Convention assuming a larger share of the financial responsibility in the joint work of the two agencies in Arkansas. "It is proposed that for the year 1960 the State Convention shall provide 60% and the Home Mission Board 40% of the Race Relations Department budget. It is anticipated that insofar as it is possible the state will increase its ratio from year to year. Both agencies desire that the Home Mission Board continue to participate in this work to some degree." This policy will release more funds from the old states for mission work in the newer areas by the Home Mission Board. Since the Department of Race Relations works with a special group the Home Mission Board will continue aid in this field.

In keeping with changing mission needs your Executive Board has likewise urged the associations to assume a larger share of the financial responsibility for their missionary programs in the case where the Board is granting aid. This policy will release more funds for the more needy areas and for greater demands in other areas of our mission work.

Reorganization of Board-Staff

As a result of the work of the Survey Committee during 1958, the Executive Board was organized into six committees beginning with 1959—they are the OPERATING; PROGRAM; FINANCE; NOMINATING; EXECUTIVE and ADVISORY. This new organization gives promise of a much more effective work by your Board.

Likewise, the staff in the Baptist Building has also been reorganized. This called for the consolidating of all the bookkeeping in one department in the Baptist Building. Beginning with January, 1959, the Woman's Missionary Union transferred its bookkeeping responsibility to this department. Then a central work-room was set up in which the printing and mass mailings for all the departments are handled. A central tract room was also put into operation. These changes make for a smoother and more satisfactory service.

Personnel

Beginning with 1959 an office of business manager for the Convention was set up. Melvin Thrash, a native of Arkansas and a graduate of Ouachita College and the University of Arkansas, was named to fill this post. Mr. Thrash holds a master's degree from the University with a major in business administration.

Our Department of Sunday School has likewise undergone major personnel changes this year. As of October 15, 1959, Lawson Hatfield has been serving as superintendent of this department. He is the worthy successor to Dr. Edgar Williamson who served for more than twenty-two years in this capacity. Brother Hatfield is a native of Arkansas and is a graduate of Ouachita College and Southwestern Baptist Theological Seminary, Fort Worth. He came to us from the Baptist Sunday School Board of Nashville, Tennessee.

Dr. T. K. Rucker, former pastor of the First Baptist Church, Forrest City, Arkansas, joined our staff on October 15, 1959, as field representative for our Retirement plans. His training and experience eminently qualify him for the important responsibility of enlisting our pastors and churches in the Southern Baptist Protection Plan.

Job descriptions for the employees of the Executive Board have been written. This will lend to a better understanding on the part of the Board and the employees of the responsibilities and duties involved in each position.

A salary schedule has also been set up for the employees which is based upon tenure of office and merit. The Operating Committee will review the work of each department each year and salary advances will be made in the light of these evaluations.

Other fringe benefits provided the employees by your Board include sick and accident coverage and a graduated vacation policy. Both of these benefits are in line with the practice of most business establishments. The sick benefits provide a monthly income after the first sixty days of one's incapacity. The amount of monthly income is based upon the employee's salary. If the incapacity results from sickness the income is for one year, and if the incapacity is the result of accident the income continues for life.

The vacation policy provides for one week's vacation for those employed between six months and one year; two weeks vacation for those employed from one to five years; and one additional day of vacation for each year's employment not to exceed four weeks.

The Executive Board has approved an all-expense trip for the Executive Secretary to the Baptist World Alliance meeting in Rio de Janeiro, June 26-July 3, 1960.

Baptist Student Union

A student center has been erected at Magnolia, Arkansas, to care for the students of Southern State College, and the construction of a center to care for the students in the University of Arkansas Medical School in Little Rock has been authorized. The cost of each of these centers will be approximately \$30,000.00 to be shared equally by the Magnolia area, the Pulaski County Baptist Association, and the Arkansas Baptist State Convention.

Recommendations:

1. That the Arkansas Baptist Foundation be placed under the direction of the Executive Board.
2. Baptist Memorial Hospital, Memphis, Tennessee.
 - (1) That the members of the Board of Trustees of the Baptist Memorial Hospital not be included in the ruling which would prevent their serving on this Board and one other Convention Board.

"ARKANSAS BAPTIST"

 Miss Shirley Johnson, Assistant to the Editor
 Mrs. E. F. Stokes, Bookkeeper and Circulation Manager
 Mrs. Gary LaRue, Mail Clerk

We Baptists have a wide reputation for our independence, for going our own way as individuals and as local churches. What we call the competence of the individual soul before God, the ability of each one of us to deal directly with God without the necessity of any earthly intermediary, is one of our basic Baptist tenets. We believe, on the authority of God's word, that God has made us to be free moral agents, that each of us has the facility for thinking, for judging right from wrong, for deciding the way we will take. We have sometimes appeared to be more mindful of our right to disagree, to be different, than of the right to agree and to be agreeable. But with our God-given rights are matching responsibilities under God.

It is rather strange that Baptists, who organize themselves into autonomous or self-governing churches, can hold on to their independence as local churches and yet can voluntarily co-operate to establish and operate district, state and world associations or conventions which in turn carry on a world ministry for Christ of teaching, preaching, and healing. The secret of our success as a great, evangelical denomination, from the human standpoint, lies both in our independence and in our co-operative efforts as Baptists. We have learned by experience that our local churches are stronger by following the New Testament pattern of self-government than would be the case if ruled by church or denominational boards or officials, as we have also learned that we can accomplish far more toward winning the world to Christ by voluntarily working together than we ever could going it alone our several ways.

The nature of our co-operative work as Arkansas Baptists who co-operate with ourselves and with Baptists of the Southern Baptist Convention makes it imperative that we have an official organ, a medium or agency of communication. What the nervous system is to the physical body, the Baptist state paper is to the program of the Baptist state convention. From the human standpoint, our Baptist mission program—and everything we are trying to do as a people of God is missions—stands or falls on our success at keeping our people informed and enlisted. “Trust the Lord and tell the people,” for many years the slogan of the Home Mission Board, is neither a facetious nor a pious slogan. It is a terse statement of what we must do without fail if we are to advance all along the line.

In matching us with our times, God has seen fit to permit us to have at our disposal adequate means of communication to reach the world in our generation. Our old, self-centered, easy-going way of life does not meet the challenge of the hour. We have talked a lot about laying our all on the altar for God. Now we must do it. We must become full-time Christians all the time and everywhere and in all our relationships. And that means keeping up with what is going on in the world and in our denomination. Our state Baptist paper, **Arkansas Baptist**, is necessary to our full and intelligent committal as Baptists of our great state. Our local churches, by putting it in their budgets and sending it to all their members, are helping their people to have in hand, from week to week, the materials necessary for keeping themselves informed, inspired, and working together with other Baptists toward the winning of the world to Christ.

At the time this report was prepared (July 20, 1959), 536 of our churches were sending the paper to their members through the Church

Budget Plan, and the total circulation was 50,500. The **Arkansas Baptist** has a standing offer of a three-months free subscription to all families of newly constituted churches, and one month free subscription to all other churches which will consider putting the paper in the budget.

The **Arkansas Baptist**, with a staff of four, headed by Dr. Erwin L. McDonald, editor-business manager, solicits the prayers of the Baptists of Arkansas that it may be the best possible medium of communication and promotion for our total mission program.

BAPTIST STUDENT UNION

Tom J. Logue, State Director

Kaye Canterbury, Office Secretary

Jamie Jones, Jr., BSU Director, University of Arkansas

Neil Jackson, BSU Director, Arkansas Tech

James Smalley, BSU Director, Arkansas State Teachers College

James Boyd, City-wide Director, Little Rock

Juanita Straubie, BSU Director, Arkansas Baptist Hospital

Miss Carol Burns, BSU Director, Arkansas State College

Darrel Coleman, BSU Director, Arkansas A & M College

Jim Caldwell, BSU Director, Southern State College

Miss Linda Day, Part-time BSU Director, Ouachita College
and Henderson State Teachers College

Areas of Advance

1. The Baptist Student Center at Arkansas State Teachers College is now fully furnished. Erected three years ago by the joint effort of the First Baptist Church of Conway and the state convention, the center has not been completely furnished until recently. The First Baptist Church of Conway was most generous in its ministry to students. The church paid one-half of the construction costs of the center.

2. The Baptist Student Center at Southern State College has now been completed and the furnishings are being purchased. Soon this center will be opened for the 400 Baptist students enrolled at the college.

3. An architect has been employed to draw plans for the Baptist Student Center at the University of Arkansas Medical School.

4. Miss Linda Day has been employed by Ouachita College and the state convention as the director for the two colleges in Arkadelphia, Ouachita and Henderson State. This position was formerly a part-time one.

Future Needs

1. Securing full-time directors for Ouachita College and Henderson State Teachers College.
2. Securing property adjacent to Henderson State Teachers College and Little Rock University for future Baptist Student Centers.
3. Beginning a student program for the 1,000 Negro Baptist students in the state.
4. Development of the Bible Chair ministry.
5. Securing an associate to work primarily with: (1) those schools where no local director is employed, and (2) with the 100 or 200 foreign students in the state, and (3) with the 1,000 Negro Baptist students in the state.

Actions of Executive Board

On July 14, 1959, the Executive Board of the Arkansas Baptist State Convention passed the following recommendations:

“(a) That a library in a center be memorialized for \$1,000.00 with the money handled by the Baptist Foundation with the interest each year being spent on purchase of books.

“(b) That a Bible Chair be memorialized for \$5,000.00 with the money handled by the Baptist Foundation with the interest each year being credited to the Student Department budget and designated to help on the salary of the teacher at said center.

“(c) That a Baptist Student Center be memorialized by a gift amounting to one-third of the construction costs of a center. In the event of a center being memorialized, the designation of such gift would be explained in a plaque on the inside of the center and would have no indication of such on the outside of the building. In the event an addition to a center is memorialized, the above procedure would be in effect, with the plaque placed in the addition of the building.”

BROTHERHOOD

Nelson Tull, Secretary
C. H. Seaton, Associate Secretary

The activities of the Brotherhood Department during the past year have been directed toward the realization of the Brotherhood ideals of dedication, stewardship and evangelism in church Brotherhood work,

in the Brotherhood programs of the associations, in the various regional Brotherhood projects, and in the State Brotherhood Convention.

The Brotherhood Department has been engaged both in the promotion of new Brotherhood organizations and in a continuous effort directed at lifting the level of effectiveness of every phase of Brotherhood work throughout the state. "Every church needs a Brotherhood"; and every church Brotherhood needs to build itself to a level of real achievement in helping to strengthen and set forward the whole program of the church and denomination.

The Brotherhood movement comprehends both men, young men, and boys. The great Brotherhood purpose is to enlist God's men (through the Brotherhood) and God's boys (through the Royal Ambassadors) in programs of work designed to help them to grow in grace, in knowledge, in experience, and in effectiveness as Christians; and to lead them to give their best to their Lord through their church and denomination.

 June 22-26 Negro Boys' Camp 89

When the departments of our State Convention could not use our Assembly grounds at Siloam Springs these grounds were rented to other groups for meetings. The rental received from these groups helped in a large way to meet the expense of operating the Assembly. These groups used the Assembly as follows:

June 1-5	Northwest Oklahoma Nazarene Young People
June 14-20	Kiwanis Camp
July 13-17	Nazarene Young People's Council
July 20-24	American Baptist Association

All the Camps and Assemblies were very successful and of great spiritual benefit to all those who attended.

MISSIONS—EVANGELISM

C. W. Caldwell, Superintendent
M. E. Wiles, Rural Evangelist
Jesse Reed, Rural Evangelist
Mrs. Marjorie Sosebee,
Office Secretary

E. A. Richmond, Chaplain,
Boys' Industrial School
Charles Finch, Chaplain,
State Sanatorium

The Department of Missions-Evangelism has had a very successful year in every phase of its work. It is impossible to give a detailed summary of each employee and each phase of service. This report covers 9 months of 1959.

C. W. Caldwell continues as Superintendent of the combined departments. He has promoted Simultaneous Crusade, the 30,000 Movement, Schools of Missions, and Conferences of many kinds. He reports 67 professions of faith and a total of 85 additions in the services he has conducted.

State Missionaries

M. E. Wiles and Jesse Reed have been busy in revivals, schools of missions, church surveys, and in associational meetings.

M. E. Wiles has conducted 11 revivals and witnessed 100 professions of faith with 106 total additions to the churches.

Jesse Reed has conducted 15 revivals and witnessed 182 professions of faith with 204 total additions to the churches.

Supplementary Aid

During the first nine months of this year 41 churches have received supplementary aid on pastors' salaries to the amount of \$12,876.25 and \$19,827.50 has been spent as supplement on missionaries' salaries in 27 associations. Financial help has been given to 9 churches on their

building program. The total amount being \$6,221.70. Two thousand dollars was used in purchasing some property in Pine Bluff for a church site.

Chaplains

Charles Finch completed 10 years of service as our Chaplain in the Tuberculosis Sanatorium, Booneville. During the 10 years he has witnessed 1,800 professions of faith. This year he has reported 119 professions. He has distributed literature as follows: **Home Life**—1,430; **Open Windows**—1,165; **Arkansas Baptist**—1,380; **Testaments**—187; **Bibles**—44. He has conducted public worship services and rendered a bed-side ministry. 25 funerals have been conducted.

E. A. Richmond, our Chaplain at the Boys' Industrial School, saw a dream of his realized this year in the completion of a Chapel where religious services are now conducted. He reports 93 professions of faith among the boys and 29 in outside services. He served in 4 Schools of Missions.

Student Missionaries

Six student mission volunteers served ten weeks with us during the summer. The Home Mission Board paid their salaries and this Department gave direction to their work. Edwin McGee of Georgia and Mary Rosaleen Chitwood of Kentucky served in Harmony Association; Jack Colwell of North Carolina served in Mt. Zion Association; Marilyn Lavender of Mississippi in Dardanelle-Russellville and Stone-Van Buren-Searcy Association; Edith Boyanton of Mississippi in Delta; and Martha Blank of Kentucky in Little Red River Association. These six young people worked in 29 churches and missions, conducted 32 Vacation Bible Schools with a total enrollment of 1,682. There were 32 professions of faith.

Migrant Work

Again this year Spanish speaking preachers were secured to conduct services among the Mexican people who were in our state during the cotton picking season. Four ministers served in Arkansas Valley Association, 6 in Mississippi County, 2 in Trinity, 2 in Mt. Zion, and 1 in Tri-County. These men worked under the direction of the Associational Missionaries. The response in the services was phenomenal. The number of professions of faith goes into the hundreds.

Ministry to the Deaf People

Traveling expenses have been provided for workers to go to the deaf people for special services in the sign language.

Schools of Missions

Schools of Missions, with Foreign, Home and State Missionaries as featured speakers, have been held in the following associations:

Boone, Newton, Delta, Mississippi County, Pulaski, and Tri-County. The majority of churches in these associations had the privilege of having a missionary speaker each night for a week.

Conferences

This department planned and conducted the state-wide Evangelistic Conference last January and has another planned for January 25-27, 1960. A state-wide Rural Church Conference was held at Couchdale in June and another is planned for next June. A conference for the Missionaries is held each year. Also programs for Associational Evangelistic Clinics have been prepared. The personnel of the Department will assist in these clinics.

RACE RELATIONS

Clyde Hart, Director
Mrs. Lou Alice Watson, Office Secretary
Arlis Sims, Chaplain, Negro Sanatorium
M. W. Williams, Teacher-Missionary

In many ways this has been our best year, thanks to the wonderful co-operation of our Executive Secretary, the Executive Board, and the personnel of each department of our Convention. The number of Pastors, Associational Missionaries, denominational leaders, W. M. U. workers and young people assisting in the Extension schools, Clinics, Leadership Conferences, Institutes and Youth Camps is too numerous to list in the limited space given to this report. But to each of you, we say thank you and God bless you.

Extension Classes

We have Extension Class centers, located in different areas of the state, offering from 2 to 4 hours study per week for nine months. All of these teachers, but two, are our pastors or educational directors. These classes are mainly for in-service Negro Baptist pastors. A few laymen and women do attend in some instances. The total enrollment of these classes has increased from 220 last year to 257 this year. We use our Southern Baptist study course books, almost exclusively, as textbooks. The good work of these fine teachers is already being reflected in the work of these Negro pastors and churches.

Leadership Conferences, Clinics, Institutes

We have had nine (9) such meetings running from one to three days in length. These meetings have been held in the following places: Helena, Dermott, Marianna, Blytheville, Menifee, Pine Bluff, Magnolia, Mayflower, and Camden. These Conferences and Clinics cover such subjects as Sunday School, Vacation Bible School, Evangelism, Baptist Doctrine, Training Union, W. M. U., Brotherhood, and Church and Convention Finance. Pastors and workers from 304 churches attended

these meetings. We supplied over 18,000 pieces of free literature and published two tracts, "What Every Baptist Should Know About Our Program of Work With Negro Baptists in Arkansas" and "Suggestions for Inter-racial Ethics".

Negro Baptist Youth Camps

Two successful youth camps for Negro boys and girls were held this year. The boys' camp had an attendance of 89 and the girls' camp attendance was 62. Every lost boy was saved during his stay at camp, ten in number. Miss Nancy Cooper and the State W. M. U. have assisted us, financially and otherwise, in making these camps possible. Some of our churches and people are making it possible for these boys and girls to attend camp; one fine couple in Newport paid the expenses of a Negro boy; the W. M. U. of another church sent one girl.

A few days ago we were told by our Negro Baptist friends that these camps are the only camps for Negro children sponsored by any Christian group in the state.

Unified Budget

One Convention, the Regular Missionary Baptist Convention, Dr. C. B. Knox, President, this year adopted the Unified Budget of Church and Convention Financing and elected an Executive Secretary. This is a great and significant step forward. A major emphasis in our work the coming year will be in helping this Convention promote the Unified Budget Plan throughout their Convention. Eighteen Unified Budget promotional meetings, on an associational-wide basis, have already been planned.

Our White Baptist Churches

Our own churches have been a great source of encouragement for our program. Churches all over the state have opened their hearts and doors to us in either an invitation to present our work and show the film of the work actually being done or by invitation to supply their pulpit. We are grateful most of all for your prayers.

Negro Tubercular Hospital Chaplain

Our department has made possible the services of Rev. Arlis Sims as Chaplain of the Negro Tubercular Hospital at Alexander, Arkansas. This is a 367 bed hospital, always filled to capacity. Rev. Sims' work consists, mainly, in conducting devotional services, bed side ministry, distributor of literature, and promoting a Baptist Sunday School throughout the Institution.

Pulaski County Baptist Association makes a major contribution to this work by providing the Sunday School literature.

Deaf and Blind School

Our most recent co-operative work has been worked out with two of our best Little Rock Negro Baptist Churches. These two churches, the Pulaski Baptist Association (white) and the Race Relations Department transport the Deaf and Blind School children into Sunday School and worship services each Sunday morning.

Teacher-Missionary

Our department supervises the work of Rev. M. W. Williams, a part-time Teacher-Missionary employed by the Home Mission Board. Rev. Williams teaches an Extension Class for preachers, serves as pastor and director of both Negro youth camps, and assists in all other phases of the department work.

STEWARDSHIP AND THE FORWARD PROGRAM OF CHURCH FINANCE

Unprecedented and unparalleled progress has been made by Southern Baptists during the past decade. Arkansas Baptists have kept step with our denomination and have helped make fabulous records in every phase of Baptist life.

Such progress required dedicated personnel and dedicated finance. To meet the challenge before us, Baptists designated 1959 as the opening year of the Baptist Jubilee Advance. The over all theme of the advance is "Because God Loved I Will Give." Stewardship of all life is envisioned in this theme.

The need of the churches and the call of world missions means that Baptists must have additional funds. But, greater than this, there is a need to deepen the spiritual lives of the church members by helping them reach the minimum level of Christian stewardship, which is the tithe. This is true because Christian stewardship is not necessarily a plan to raise money, but God's plan of rearing and blessing his children.

We have many church members who faithfully bring all the tithe into the storehouse, but we also have thousands of Baptists who are nominal givers, which means that Arkansas Baptists give about one-third of the tithe through the church. Therefore, approximately 20% of the church members usually give 80% of the money in the average church.

The Southern Baptist Convention at Miami, in 1955, adopted the Forward Program of Church Finance as a means of helping our Baptist churches meet their needs in the field of stewardship. This program was recommended to the Convention by the Executive Committee in cooperation with the State Executive Secretaries, Associate Executive Secretaries, agency heads, state editors, and others. The Forward

Program of Church Finance is fitted to the needs, facilities, programs, and principles of Southern Baptist churches. It has a professional quality, based upon the fundamental stewardship principles set forth in the Bible.

The Forward Program has been of tremendous help in reaching the fringe church members and guiding them into systematic and planned giving. It is a method of reaching the church members in order that God may bless them. It also puts more money into the Lord's treasury so that the Gospel message can be sent to a lost world.

A little less than 6% of the churches in the Southern Baptist Convention have used the Forward Program of Church Finance. In Arkansas, a little over 5% of our churches have used the Program. Below is a summary of some of the first churches giving a complete report of the results of the Forward Program:

* No Pledges Taken.

** No Record.

We strongly urge each association to elect a Stewardship Chairman. This chairman will work with the denominational leaders in helping the churches use more effectively The Forward Program of Church Finance.

GOALS FOR 1960

1. 100 churches using The Forward Program of Church Finance.

SUNDAY SCHOOL

Lawson Hatfield, Secretary
Edgar Williamson, Associate Secretary

Ernest Adams, Associate Secretary
Mrs. Nancy Summar, Office Secretary

In 1957-58 Arkansas reported 1151 Sunday schools with 208,013 pupils enrolled. In 1937, twenty-two years ago, the enrollment was 91,542 in 683 schools. With some decrease in population during past years, Arkansas Sunday school enrollment has increased. The enrollment for 1958-59 will not be known until all of the annual association reports have been tabulated.

For the past five years your Sunday School Department has centered its promotional activities largely in the associations. Ernest Adams, Associate State Sunday School Secretary, has for the past four years been in charge of this work.

The forty-four associations in the state are divided into eight districts with a district superintendent working with and through the associations to promote a five-point program of work. These are the objectives of this program.

1. Every association fully organized for Sunday school work.
2. Every associational Sunday school officer trained for his task.
3. Every association using the Associational Standard of Excellence as a program of work.
4. Every association each year conducting group or simultaneous training schools.
5. Every association holding a simultaneous enlargement campaign.

tral; Richard Vestal, North East; Dexter Blevins, Central; Dale McCoy, West Central; Harold Bennett, South West; and Hugh Cantrell, South East.

This year, 1959, more than 150,000 pieces of Sunday school literature have been distributed.

During the year individual church and association-wide training clinics and enlargement campaigns were held in addition to the State Vacation Bible School Clinics in February. Pastor-led enlargement campaigns have been held in Concord, Central, Mt. Zion, Clear Creek, and Bartholomew Associations. A number of these campaigns are being scheduled for 1960.

In 1957 eighty-two Vacation Bible Schools were reported. This year, 1959, over 900 school were held.

Honor Church Program

During the past year 325 churches have participated in the Honor Church Program. Each church that mailed to the department a quarterly report received the Honor Church Program Diploma. Five seals were awarded at any time during the year when the requirement for a seal had been met.

The following thirteen churches were **Honor Churches** having earned all five seals for accomplishing the following Training Union work: (1) Youth Week, (2) at least one standard unit, (3) represented in at least one associational tournament, (4) an increase of at least 10% in Training Union enrollment, and (5) study course awards equal to 75% of the enrollment nine years of age and older:

The 1960 Honor Church Program will begin January 1, 1960, and a diploma will be sent to each church which sends to the department a quarterly report for the quarter, October-December, or for any quarter of 1960.

Study Courses

1. 42 associations reported Training Union study course work.
2. 598 churches reported study course work.

3. 27,711 study course awards were earned from October 1, 1958-October 1, 1959.

Beginning October 1, 1959, the Training Union, Sunday School, and Music study courses have been merged into one unified system called the Church Study Course for Teaching and Training.

The Training Union department will be glad to send free of charge to any church the request for Training Union awards that have been earned during the past nine years. This information will be of great help for any church members who have forgotten which courses they have taken and who would like to transfer these credits to the Church Study Course for Teaching and Training that began on October 1, 1959. Forms 153 and 154, which may be ordered from the Sunday School Board, are necessary in transferring the old credits.

Training Union Enrollment

The latest available figures are those taken from the reports from the churches in the fall of 1958. At that time there were 1,151 churches in Arkansas with 960 (83.4%) with Training Unions and 191 without Training Unions. These 960 churches with Training Unions reported an enrollment of 93,334.

"M" Night

"M" Night or "Mobilization" Night was observed again on the first Monday night in December for the purpose of launching the Training Union program for the following year. Forty-three associations observed "M" Night in December, 1958, with an attendance of 17,609, with 783 churches represented and 580 pastors present. The goal this year is 20,000.

First State Training Union Assembly

The first full-fledged state Training Union Assembly was held at Siloam Springs, June 29-July 4, 1959, with a registration of 1,023. Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board, was the inspirational speaker. Mr. Miller Mikell of Fort Worth, chalk talk artist, was the devotional speaker. 404 people responded to the invitations given by Dr. Cauthen.

Conferences

1. Assisted by the district presidents, the state Training Union secretary and associate conducted conferences with the missionary, moderator, and associational Training Union director in 37 associations during the last part of July and the first part of August.
2. There were 43 one-night conferences with Training Union officers (not including the training-planning meetings held by district presidents).
3. There were 41 other conferences held during the year.

Conventions

Eight district Training Union conventions (afternoon and night meetings) were conducted during the week of March 23-27.

The State Youth Convention was held on May 8 at First Baptist Church, Little Rock, with an attendance of 1,114.

Tournaments

First place state sword drill winner for 1959 was Judy Williford, Highway Church, North Little Rock. She won second place at Glorieta. Second place winner was Patsy Taylor, North Maple Baptist Church, Stuttgart, who participated at Ridgecrest.

State winner in the 17-18 speakers' tournament was Charlotte Beard of Malvern. She won second place at Glorieta. State winner in the 19-24 speakers' tournament was Dell Christy, Immanuel, Little Rock. She participated at Ridgecrest.

There were 62 who participated in the Junior memory-sword drills at the district conventions. All were winners except two.

Campaigns and Leadership Schools

Leadership schools were held in the following associations with an enrolment of 2,666, an average attendance of 1,725, and 135 churches represented: Caddo River, Central, Delta, Independence, Little Red River, Red River, Tri-County, Trinity, Washington-Madison.

Enlargement campaigns were held in several churches.

Youth Night and Youth Week

Youth Week was observed in 131 churches in Arkansas during the year. Youth Week is a plan for a church to use its older Intermediates and Young People in all the official positions of the church life for one full week. The set time for Youth Week is the first full week in April. However, a number of the churches observed Youth Week sometime during the summer while the college students were at home.

Youth Night was held in 19 associations with an attendance of 2,078. 216 churches were represented and 139 pastors were present. Youth Night is a night for holding associational youth meetings simultaneously and the meetings are held on the Saturday night during Youth Week.

District Presidents

Eight district presidents who have helped plan the work and who have assisted the Training Union department are: Tommie Hinson, Clifford Palmer, Guy Whitney, Lehman Webb, Rhine McMurry, Norman Sutton, D. Hoyle Haire, and Harrison Johns. Ray Nelson replaced Harrison Johns the first part of September.

These district presidents conducted clinics for associational Training Union officers in 32 associations in September. These were "training-planning meetings," held for Sunday School, Training Union, Music, and Brotherhood officers. They also assisted the Training Union department in its work throughout the year.

Approved Workers

The following approved workers have been of great help in campaigns, leadership schools, conventions, and the assembly: Mrs. Charles Davis, Nursery leader; Mrs. James Coates, Beginner leader; Mrs. Faber Tyler, Primary leader; Mrs. F. F. Hicks, Junior leader; and Mrs. Theo James, Intermediate leader.

FOREIGN MISSION BOARD

"At this stage in advance it is wise for us to remember that the basic requirement for winning the people of the world to our Lord is nothing less than unlimited surrender to the will of Christ. We must press ahead with missionary personnel. It is only as Southern Baptists

see a challenging response of life to the call of world need that our maximum efforts will be put forth."

Baker James Cauthen, Executive Secretary
Foreign Mission Board, SBC

Missionary Personnel: Many Places of Need

Appointments totaling 137 during 1958 and 36 from January to May, 1959, bring the number of foreign missionaries in active service to 1,305. The appointment goal for all of 1959 is 140. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1958, there were 742 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education. "Let not our gratitude for 140 men and women who may be appointed in 1959 blind us to the fact that there will still be 600 unfilled requests for missionaries!"—Elmer S. West, Jr.

Missionaries Serve: 39 Countries

Southern Baptists now have missionaries in 39 countries and separate entities: Argentina, Bahamas, Brazil, Chile, Colombia, Costa Rica, Ecuador, Gaza, Ghana, Guatemala, Hawaii, Hong Kong, Honduras, Indonesia, Israel, Italy, Japan, Jordan, Kenya, Korea, Lebanon, Macao, Malaya, Mexico, Nigeria, Pakistan, Paraguay, Peru, Philippines, Singapore, Southern Rhodesia, Spain, Switzerland, Taiwan (Formosa), Tanganyika, Thailand, Uruguay, Venezuela, and Vietnam.

In April, 1959, the Board authorized appointment of a couple for English-speaking work in Europe and another for service in Portugal. Northern Rhodesia and Nyasaland are to be entered when personnel is available.

World Evangelization: The Ultimate Goal

Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in work of the churches in their stations.

Pastors on mission fields include 122 missionaries and 1,953 nationals. Most of the churches have Sunday schools, and many have other church-affiliated organizations. The 3,229 churches and 6,116 chapels and mission points report 4,384 Sunday schools enrolling 341,151 pupils. There were 29,990 baptisms during 1958, and church membership reached the 416,750 mark. (These figures include 392 churches, 410 chapels and mission points, and 123,000 church members estimated for China.)

Education: Training National Leadership

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 887 Baptist schools, which enrol 129,210 students, are served by 4,995 national and 305 missionary teachers. Among the schools are 28 theological institutions with 1,152 students and 4 women's training schools with 256 students. Other schools range from kindergarten to college.

In Beirut, Lebanon, land was purchased for a seminary to serve the entire Arabic-speaking area; a permanent seminary site was also secured in Malaya. The Taiwan seminary moved to a permanent campus on the outskirts of Taipei. Plans were laid for establishment of a seminary in the Arusha area of Tanganyika.

Medical Work: Unlimited Opportunity for Soul-Winning

This ministry is carried on through personal contacts with patients and their families, devotional services, distribution of literature, and follow-up visitation after patients leave the hospital.

Medical mission institutions include 17 hospitals and 58 clinics and dispensaries with a total of 124 buildings and 854 beds. There are 46 missionary and 54 national physicians, plus 55 missionary and 182 national nurses. They served 231,121 patients during the year, of whom 25,734 were in-patients.

A new hospital was opened in Nalerigu, Ghana, on August 2, 1958. The new 104-bed Baptist tuberculosis hospital in Mbeya, Tanganyika, should be ready for service by midyear, 1959. In Kontagora, Nigeria, land was secured and construction of a new hospital begun. Negotiations were completed for permanent site for proposed Hong Kong Baptist Hospital.

Publications: Reading Around the World

The largest mission publication centers are the El Paso, Texas, plant, which supplies Baptist literature for Spanish-speaking groups in 39 countries, and the Rio de Janeiro, Brazil, plant, which supplies Baptist literature and Bibles in Portuguese. The major plant for Chinese literature is located in Hong Kong. Several other Missions have plants of varying sizes.

Fourteen publishing centers turned out 11,257,320 pieces of literature during 1958, which included periodicals, tracts, and books. Forty-five missionaries and 387 nationals serve on publication staffs.

Receipts: Advance Must Continue

Total contributions of Southern Baptists for foreign missions amounted to \$15,334,738.58 during 1958. Funds from the Lottie Moon Christmas Offering totaled \$6,762,448.63, as of May 1, 1959.

The advance section of the Cooperative Program (75 percent of funds after Convention-wide budget is reached) came to \$1,922,932.10 in 1958.

Home Office

One hundred and one people work at the Foreign Mission Board's home office in Richmond, Virginia. The staff moved to a new, modern office building at 3806 Monument Avenue on January 2, 1959. Formal dedication of the debt-free structure was held April 8, 1959.

The Board's magazine, THE COMMISSION, reported an average circulation of 123,980 last year.

HOME MISSION BOARD

Striking advances in missions and evangelism were made in 1958 by Southern Baptist churches working through the Home Mission Board. Dr. Courts Redford, Executive Secretary-Treasurer, reports that on May 1, 1959, the number of mission personnel reached the all-time high of 1,386. In addition, about 450 student summer missionaries worked for ten weeks under the direction of home missionaries, and 382 Southern Baptist chaplains were on active duty. During 1958 your home missionaries saw 41,859 professions of faith and the chaplains reported 11,203 professions of faith. Home missionaries led in constituting 399 new churches and 564 new missions during the year. Your home missionaries entered 30 new fields in language missions.

A most significant advance was the reorganization of the Board. Five divisions were formed to unify, strengthen, and correlate all the work. The division heads are: Arthur Rutledge, Missions Division; Leonard Sanderson, Evangelism Division; L. O. Griffith, Education and Promotion Division; G. Frank Garrison, Church Loans Division; Alfred Carpenter, Chaplains Division. This reorganization necessitated the election of the following to the Home Mission Board staff: Arthur Rutledge, Glendon McCullough, Secretary, Department of Personnel; J. C. Durham, Jr., Secretary, Department of Promotion; James Peck, Secretary, Institutional and Industrial Chaplains; Fred Moseley, Secretary, Department of City Missions. Earlier in the year, Vernon Yearby joined the Evangelism Division as an associate.

The Home Mission Board is increasing its cooperation with the state boards. A new plan of full cooperation in language missions was adopted by the Home Board and Texas.

Cuba and Panama continue to make progress toward self-support.

The need for mission work in the pioneer areas was recognized by the survey committee in its report to the convention this year. In Chicago, the mission strategy is to enclose the downtown area with a ring of Southern Baptist churches. This makes use of less expensive property and follows the pattern of the people themselves. Six units of this ring are now complete.

In New York, the Manhattan Baptist Church now has a new home and in just a little over a year has three missions. New Southern Baptist work has begun in metropolitan areas. There are now 68 city mission programs throughout the Convention and plans are to add five more during the next few months.

The Church Loan Fund has been increased to push forward the Home Mission Board's participation in the 30,000 Movement. Pastoral aid, extended by the Board, is a key factor in the establishment of new missions and churches.

The Home Mission Board has made unusual progress toward achieving its Jubilee Advance goals. In fact, some of the goals are now being revised upward in order to present a greater challenge. 1958 was a year of prayer, and millions of Southern Baptists signed soul-winning commitment cards. Over 29,000 churches participated in the simultaneous crusades in 1959. Extensive plans are being made to expand the program of conserving the results of evangelism.

Evangelism — personal witnessing — was the theme of the 1959 Home Mission Graded Study series. The books had a circulation of over 335,000. The number of churches conducting schools of missions increased to 2,500.

Two "how-to-do-it" filmstrips were produced on evangelism; one on the 30,000 Movement. Heavy emphasis was given to evangelism in HOME MISSIONS Magazine. A filmstrip, TEAMED FOR MISSIONS, has been produced on associational missions. Four sermons in sound and the sign language were filmed for the deaf.

Southern Baptist Convention Growth is Home Missions progress. Southern Baptists in this year have their greatest opportunity in the influence of their churches through the Home Mission Board to claim our land for Christ.

OUACHITA BAPTIST COLLEGE

Arkadelphia, Arkansas

Ralph A. Phelps, Jr., President

With a total enrolment of 1,069 for the fall semester of 1959, Ouachita Baptist College started the session with the largest student body in her seventy-three year history and also took another epochal step forward with the launching of a graduate program.

Included in the total were 1,026 regular students (i.e. those carrying 12 or more hours of academic work), 26 special students, and 17 graduate students. The enrolment of regular students was exactly 100 more than in the Fall of 1958 and represented a gain of 110 percent over the enrolment in September, 1953. Ouachita thus continues to be one of the fastest-growing senior colleges in the United States.

This tremendous growth, while it is encouraging that so many of our boys and girls are going to their own denominational college, also poses some very real problems; for the physical facilities of the college are rapidly being outgrown, and faculty members must be constantly added to maintain accreditation. To help take care of the building needs, the college built a new dining hall which was completed during the past school year, constructed temporary frame dormitories to take care of 40 more boys and 48 more girls, and remodelled the old dining hall into a classroom building. Applications are pending for loans to construct two permanent dormitories, one each for men and women; and it is hoped that these can be completed in time for the 1960-61 session.

Because Riley Library, built in 1949, was terribly overcrowded as a result of the mushrooming enrolment, an addition to the reading room has been sorely needed. This has recently been made possible by a generous gift from Miss Emma Riley; and construction, now underway, will be completed during the fall semester of 1959.

Because of the high price of land needed adjacent to the campus for a continued expansion program, it has been decided to move A. U. Williams Athletic Field to the college farm so that the present athletic plant can be used for future building sites. Mr. Birkett L. Williams, son of the late Dr. A. U. Williams has agreed to pay for the cost of moving the field. This will furnish approximately twenty additional acres of land immediately adjoining the main campus.

One of the college's greatest needs and oldest dreams seems much nearer reality than it was a year ago. This is the building of a Bible Building to house the Bible Department and afford a small chapel for the use of classes in preaching and pastoral ministry. A close friend of the school has offered to give \$75,000.00 toward this goal provided Ouachita can raise an equal amount to match his gift. The old president's home has been torn down to make way for this new building, which will be located in the heart of the campus as it properly should be, since the Bible's message is the heart of Ouachita.

A major academic development is the addition of a graduate program beginning with the fall term of 1959. The Master of Arts degree will be given, with majors offered the first year in religion and American Civilization. This graduate program will make it possible for

Ouachita to train an increasing number of teachers for colleges as well as public schools.

The faculty of the college is well qualified both academically and spiritually to do the kind of job Arkansas Baptists have a right to expect them to do. One-third of the faculty hold earned doctorates—a percentage above the average for state colleges in Arkansas. All members who have been added to the faculty the past six years are Baptists as the charter of the college specifies, and those who teach at Ouachita recognize that they are employed not just to teach facts, but specifically to instill Christian character in their students.

Ouachita now offers a major course of study in 26 different departments with over 500 courses in the curriculum. The largest number of students major in religion, followed closely by business and education.

Approximately one-fourth of the students enrolled are preparing for some phase of vocational Christian service. This means that nearly 250 of our finest boys and girls are preparing for places of service in the Lord's kingdom. Ouachita considers the training of these to be her first responsibility, for she knows that the work of the future will rest mainly upon the shoulders of those training in our Baptist institutions. To this end she gives scholarships to ministerial students, ministers' wives, and ministers' children.

While the cost of operating an accredited school is always rising, Ouachita tries to help every boy or girl who honestly wants an education here and is willing to work for it. Two-thirds of the students enrolled last year received some sort of scholarship help or worked at student employment on the campus. The sometimes-heard charge that Ouachita caters only to those with money is completely unfounded. The constant goal of the administration is to keep the costs as low as possible consistent with quality education; and Ouachita charges less than any other accredited, private, senior college in the United States.

The financial operation of the college is on a sound basis with the school operating within its income. The size of the financial operation is seen when one realizes that the budget for the current year is slightly over one million dollars. Of this amount, the Cooperative Program will furnish approximately one-fourth.

While Ouachita is deeply grateful for the financial support received through the Cooperative Program and could not exist without it, three things need to be noted about the \$249,120—amount in the 1959 state budget for Ouachita. First, this is less than half the amount state schools of similar size receive in tax money, yet Ouachita must meet the same accrediting standards as the state schools. Second, this is considerably less than the committee of experts employed by the Executive Board of the Arkansas Baptist State Convention in 1957 said the college should have to maintain a quality operation for a student body of the

present size. While the school's enrolment is considerably ahead of the predictions on which that report was based, the convention's allotment to the college is lagging seriously behind their recommendations. Third, the per student contribution of the convention to Ouachita is considerably less today than it was six years ago. The convention gave \$408 per student on the basis of the fall term enrolment in 1953, while it is giving only \$242 per student in the fall of 1959—this in spite of the fact that the cost of everything has risen sharply in this period.

As of the audit on May 31, 1959, assets of the college were \$3,045,-381.10, exclusive of the Endowment Fund, which had a total value of \$852,935.34.

Although Ouachita has received increasing recognition as an outstanding college in recent years, the thing which she considers her greatest asset is her devotion to the Christian values which have made her distinctive through the years. Although other institutions which have been Christian in former days may shift their emphasis and become pagan in fact while being Christian in name, Ouachita does not propose to sacrifice principle for the sake of money, popularity, or anything else. There are many forces, inside and outside the academic world, which would have us soft-pedal Christian teachings and practices in the name of progress; but Ouachita believes that if this is the only way "progress" can be obtained, she would be better off to go out of business immediately. There is absolutely no point in spending the Lord's money to support a program which is no different from that found in tax-supported institutions. While this viewpoint is not always popular even with some of the Baptist youngsters who come to Ouachita, it is going to remain the overriding philosophy of the college because it is right; and those who do not want this type of education should go elsewhere to school. The problems of growth are many, but with the help of the Lord and the continued support of Arkansas Baptists, Ouachita can and will overcome these difficulties and will continue to meet the needs of our people for a school offering the priceless plus of Christian education.

RELIEF AND ANNUITY BOARD

There are approximately 31,400 churches in the Southern Baptist Convention. On September 1, 1959, the Relief and Annuity Board reported only 11,873 of these churches participating in the denomination's protection program for church and pastor.

Early in 1959, the Annuity Board launched a new promotional approach to the protection program in an effort to bring this death, disability and retirement protection to a minimum of 75 per cent of the Convention's churches and pastors by 1960. Only about 37 per cent are protected through the program now.

This new approach asks the church to assume 10 per cent of the cost of the program. Heretofore, the church and pastor each paid five per cent, with the state convention adding another five per cent.

Your state convention leaders are calling on the leadership of the individual churches to help bring this vital protection to a minimum of 75 per cent of the churches and pastors in your state. Statistics below show the number of churches and pastors in Arkansas now enrolled in the program.

Statistical Report for 1958

- Benefits paid out—\$2,414,767.90.
- Number receiving these benefits—Approximately 5,300 retired or disabled ministers and denominational workers and widows.
- New members enrolled in the protection plans—3,113.
- New churches and agencies cooperating in the plans—881.
- Income from investments—\$2½ million.
- Total reserves of all the protection plans—\$63½ million.

Investment Program

To continue on a sound financial basis, the Annuity Board must have an adequate investment program. Income earned from investments is added to the protection plan reserves to strengthen them and assure payments of benefits in future years.

In the Spring of 1959, the Board began operating its largest investment endeavor to date, a 15-story office building in downtown Dallas. Bearing the name of its location, 511 North Akard, the building houses the Annuity Board's headquarters on approximately 2½ floors. The remainder of the space, 123,000 square feet, is being leased, and the income added to the reserves.

SOUTHERN BAPTIST COLLEGE**Walnut Ridge, Arkansas****H. E. Williams, President**

The 1958-59 school year was a fine year in the history of Southern Baptist College—"The Campus of Christian Purpose." The college closed the year with the feeling that it was one of the best years academically, since the college opened in 1941. The cultural and spiritual high lights of the year were noteworthy.

Enrolment for the second semester showed the finest increase since the height of the GI training days. This substantial increase offset the lack of an increase for the first semester, occasioned largely by stricter entrance requirements. A total of 227 different individuals were in training during the year.

The college continues to enjoy wide acceptance and prestige in the family of colleges in our nation. Students transfer to scores of colleges and universities without credit troubles. The college has made substantial progress toward full accreditation by the North Central Association and hopes to be accepted in the not too distant future.

Expenses at Southern are kept within reach of the Baptist boy or girl of farm and salaried people's families. Total expense for a year is only \$572.00 whereas the average cost of a year of college training in America runs better than \$1,350.00. It is significant that Southern has provided Christian college training for a figure which is less than that charged by the state supported colleges.

This is an era in which the Christian college becomes even more important to our denomination and our nation. Christian colleges are not subject to the control of the political life of the country. Such freedom from political domination preserves independence in education. It also makes possible the teaching of Christian principles as Baptists hold. In totalitarian lands such as communist countries, education is state controlled and church schools are forbidden. We must never let any more of our education fall into the hands of the state if we are to preserve the dignity of the free mind in America. Our Baptist colleges are our greatest contribution to the freedom of the American mind in our generation. If we cannot preserve intellectual freedom, we will inevitably lose all other freedom.

WOMAN'S MISSIONARY UNION

Miss Nancy Cooper, Executive-Secretary and Treasurer
Miss Mary Hutson, Youth Director
Mrs. R. E. Hagood, State WMU Assistant
Mrs. Melvin Murphree, Office Secretary
Mrs. Roy Hilton, Office Assistant

The continuing purpose of Woman's Missionary Union is "to promote Christian missions through a program of mission study, prayer, community missions and stewardship." To implement that purpose during the years of Baptist Jubilee Advance, general goals have been adopted with specific ones stressing the annual emphases. These are leading the organization to new heights of service.

The 643 Woman's Missionary Societies in the state report a membership of 23,250 and 18,978 young people enrolled in the 1,720 youth organizations. A keener conception of spiritual values is apparent in the growing number of organizations having full observances of the Weeks of Prayer for Foreign Missions and Home Missions and the Season of Prayer for State Missions. With the increase in number of tithers has come corresponding increase in those contributing regularly to missions through the Cooperative Program and in the increased totals of the three special mission offerings given during the Weeks of Prayer. The three most recent offerings, for which many church-wide appeals were made, totaled \$276,338—\$190,728 for the Lottie Moon Offering for Foreign Missions; \$55,860 for the Annie Armstrong Offering for Home Missions; and \$29,750 for the Dixie Jackson Offering for State Missions. These offerings were promoted by Woman's Missionary Union but were allocated and administered by the respective mission boards.

One of the most fruitful ministries of Woman's Missionary Union is the summer camping program sponsored by the organization. In 1959 there were 873 young women and girls enrolled in the one week-end houseparty for members of Young Woman's Auxiliary, the one camp for members of intermediate Girl's Auxiliary and the four camps for junior aged members of Girls' Auxiliary. These were directed by Miss Johnnie Coleman of Fort Smith and in each there were at least one foreign missionary, one home missionary and a national from the Orient.
