CONSTITUTION

Article I.—The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II.—The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

Article III.—Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with the other churches through this Convention.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

Article IV.—Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V.—Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary, and Treasurer. Each officer of the Convention shall be elected annually, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI.—The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "The Executive Board of Arkansas Baptist State Convention." "This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided, however, that no association shall be entitled to more than five (5) members." Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Nominating Committee of the Executive Board to hold office until the next meeting of the Convention." No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and twenty (20) members shall constitute a quorum.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, both state and southwide. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all times be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII.—Trusteeships

The Convention shall elect trustees to manage and to operate its colleges, hospitals, orphanages and any other institutions it may possess, as follows:

Section 1. Ouachita College, 24; Arkansas Baptist Hospital, 18; Bottoms Baptist Orphanage, 18; Baptist Memorial Hospital, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII.—Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX.—Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X.—Amendments

Section 1. This Constitution may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon

the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, Second Vice-President, Secretary, and Treasurer shall be elected on the morning of the second day of the Convention, their terms of office to begin with the final session of the Convention; and the President shall appoint and announce a Nominating Committee to report at the next session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary, or any other present, may be directed to cast the ballot of the entire assembly for the single nominee.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also the Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interests it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditure of money by the convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas, whose churches are affiliated with this Convention, may submit to the committee on nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trustee-

ship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

2. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

3. All associational missionaries or mission pastors receiving all or part compensation from the Convention through Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The President of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

RESOLUTION ON AN ORGANIZATION FOR WORK IN ARKANSAS BAPTIST HISTORY

Whereas, since 1947, work in Arkansas Baptist History has been officially in the charge of an agency named "Arkansas Baptist Historical Society," the constitution of which is recorded on pages 41 ff. of the Annual of the Arkansas Baptist State Convention of that year.

Whereas, that Constitution provides for membership on a voluntary fee payment basis.

Whereas, no documentary evidence of the existence of such an agency is forthcoming, except a listing of a group of six (6) under the above named agency has appeared from year to year in the "Directory of the Convention" of its agencies, institutions, and boards.

Therefore, be it resolved that the above Constitution is hereby revoked and an agency to be designated as "The Arkansas Baptist History Commission" be constituted as follows:

1. The Arkansas Baptist History Commission shall be composed of eight (8) members, one from each district, and a chairman, as a member at large.
2. The nine (9) members shall be elected for three (3) year terms, one-third to be elected for one (1) year, one-third for two (2) years, and one third for three (3) years until the regular rotation is established. The present members of the Arkansas Baptist Historical Society whose terms do not expire with this session (1960) of the Arkansas Baptist State Convention shall

serve as members at large until the expiration of their present terms; they are eligible, however, to be elected to the New Commission. All by-laws and policies of the Convention pertaining to Convention agencies shall automatically govern the Commission.

3. The Commission shall be amenable to the Convention through the Executive Board of the Convention in the same manner as the other departments of the state work. It shall be the Convention's agency in the promotion of work in the field of history as the Executive Board may direct or endorse. The Commission shall serve without salary until such time as the Executive Board shall deem feasible to employ a full-time chairman.

Voted: To adopt the resolution and instruct the Nominating Committee to make the necessary recommendations.

In Memoriam

"Precious in the sight of the Lord is the death of his saints," Psalm 116:15

It is our custom to pause at some time during the annual session of our convention to offer tribute, respect, and even thanksgiving to God for the large number of our fellow-laborers who have lain down their armour and have gone to be with God.

We give thanks to our Heavenly Father for the blessings that their lives have brought to us, and for the privilege of fellowship in His service with them. While we sense our great loss, we are mindful of their great gain.

Perhaps we could not, if we would, list all the names of those who have "gone to be with the Lord". We can say with John, "And I heard a voice from heaven saying unto me, write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them." (Revelation 14:13.)

To those among us who have experienced the deepest loss, because they were your loved ones, or perhaps your pastor; we would remind you of the comforting words of our Lord and Master, Jesus Christ, who said:

"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." (John 14: 1-3)

According to information received in the Executive Secretary's office the following ministers went home to God since we last met: L. H. Davis, Claude Smith, Kenneth Grant, W. C. Rowe, Harvey C. Barnes, G. A. Keeling, C. P. McGraw, Thom Anderson.

89. George Starke brought special music "The Love of God".

90. Dr. Monroe F. Swilley brought the convention to a close with a message from Ephesians 4:13 on "The Vocation of a Christian".

91. Adjourned in prayer by Dillard Miller, Mena.

A total of 769 messengers registered for this Convention.

**ANNUAL REPORT
OF
ARKANSAS BAPTIST FOUNDATION BOARD
As of October 30, 1960
To the
ARKANSAS BAPTIST STATE CONVENTION**

The Baptist Foundation Committee is not proud of their 1960 report. Very little solicitation work has been done, and therefore, very little results obtained. This was due largely to the inactivity of the Chairman, and the extreme difficulty of securing what was thought to be the proper Director for the Foundation work.

The Foundation Board had a number of meetings during the past year. It was of the unanimous opinion that the work of the Foundation should proceed immediately and vigorously; and, that there is a great field in this State for the concentrated and dedicated promotion of funds for all of the Arkansas Baptist causes. This Foundation work has been dormant too long. The time is now urgent to go afield under a new and revitalized setup, under the leadership of a new Director, and this is the purpose of the present Baptist Foundation Board.

The Board has a special committee of three, working in conjunction with the Chairman and with Ben L. Bridges and S. A. Whitlow, who spent considerable time and effort to locate some person whom the Foundation could recommend to the Convention for this challenging undertaking. Various pastors and some businessmen have been considered, and some approached. None of those approached were willing to undertake this task.

It is our feeling that this Foundation is greatly needed by Arkansas Baptists, more now than ever in its history, and we regret our inability to bring to this Convention a go-forward recommendation—with the person and personality that can bring forth the success for which this organization has so long hoped and prayed. We believe the field is ripe for the right man, with the understanding and support of our Baptist people.

During 1959 and 1960, the Committee had no regularly employed Director. For a part of 1959, Brother Ben L. Bridges devoted his time to this effort—with good success, and with little expense, and our biggest gain in net assets. All assets are good and all financial obligations have been met.

The Foundation fund, as of October 30, 1960, had investments of \$58,920.30. As of said date, there was a balance of \$10,446.00 in the Foundation fund for investments. This gives a total of the investments on hand, plus the funds now ready for investment, of \$69,366.30

This Foundation was set up in the latter part of 1949, with practically no expense and effort during that year. For the three years, 1950 through 1952, there was a total expenditure in getting organized and selling the plan and possibilities to our Baptist folks, of \$12,676.68. with assets secured of only \$724.00 Since 1952, however, every year has shown profitable operation—that is, the Foundation securing more assets than the expenses incurred in connection therewith.

For the years 1953 through 1960, there has been a consistent gain in net assets over expenses for each year, despite the inactivity for the past two years. During this eight year period of 1953 through 1960, the total expenses have been \$39,413.44, and the total assets accumulated during that period are \$68,654.30—or a net gain for that particular period of \$29,240.86.

The Foundation, as of October 30, 1960, has total assets of \$69,366.30. The total cost to this date, including the first four years of getting started, has been \$52,771.78. The net gain for all this period has been \$16,594.52 above all expenses.

It is the recommendation of this Committee:

1. That the Arkansas Baptist Foundation continue in existence, ready for operation—but inactive until the right man can be found.
2. That the Board continue its efforts until they find that man and that personality whom they feel the Baptists of this State will be willing to turn over the direction of this work, and, most of all, give their full and unqualified support.
3. That when and if said man is found—and the Committee now has under consideration such person—that a report and recommendation be made to the State Executive Board, asking for its approval of such man, and the plan to go afield and actively and continuously push the work and purposes of this Foundation. Also, with the approval of the Executive Board and their willingness to support the Foundation work as therein proposed, that this Arkansas Baptist program be vigorously launched as a permanent and statewide, fund-providing movement for all Baptist causes.
4. That after the year 1961, the expense of the Baptist Foundation—if properly pushed and promoted—will cost a minimum of \$15,000.00 per annum. It would be necessary to put this amount in the 1962 budget. There is already appropriated \$10,600.00, which will carry on the work for the coming year of 1961, with no further expense to the denomination, and without any budget item for this year. It is expected that this program can be initiated in earnest and with confidence of success by April 1, 1961.

Unless this present Board is advised to the contrary, we will proceed as above outlined, with the hope that the right man for this most challenging undertaking can be selected and at work by April 1, 1961.

For the information of the Convention, attached hereto is a list of the present members of the Arkansas Baptist Foundation Board. It will be noted that the terms of three members expire in 1960, and that successors must be selected. This Board, of course, has no recommendation to make as to successors to these expiring terms, but, in passing, the Chairman states that we have never had any more active and helpful member of this Board than Edward S. Maddox, of Harrisburg, Arkansas.

May the spirit of our all-wise and ever-loving Heavenly Father hover over our coming State Convention—and, may all the brethren in attendance get the divine blessings this Committee feels they so richly deserve.

ARKANSAS BAPTIST HISTORY COMMISSION

Riley Library, Ouachita Baptist College
Arkadelphia

George T. Blackmon, Chairman

The Arkansas Baptist History Commission proudly and gratefully makes this report that the Convention may know of the work of the Commission and of the results of that work.

Historical Sketch

Before 1944, several individuals from time to time made efforts at collecting, preserving, and writing Baptist history in Arkansas. As early as 1858, men in Mount Vernon Association compiled statistics and lists of Baptists in Arkansas. Dr. J. B. Searcy, Dr. E. J. A. McKinney, and Dr. J. S. Rogers were pioneers in the field of Baptist history on the state level. In 1944, a resolution by the Convention authorized Drs. James S. Rogers, Ben L. Bridges, and Thomas L. Harris to appoint a "Commission on Baptist History." In 1945, a "Committee on Baptist History", composed of Harold B. Tillman, Chairman, E. P. J. Garrott, secretary, W. E. McLeod, W. A. Jackson, V. C. Wright, Dr. O. J. Wade, and Leroy C. Tedford, was charged with the responsibility of forwarding the preparation of a Baptist history by Dr. James S. Rogers. In 1946, the Convention authorized "the organization of Arkansas Baptist Historical Society and that . . . the History Commission act as a Committee to plan this organization and report to the Convention in 1947." In 1947, the Commission recommended a constitution for an Arkansas Baptist Historical Society. The recommendation was accepted and the Society has been the agency for work in Baptist history since 1947. In 1948, the *History of Arkansas Baptists*, by J. S. Rogers was published by the Executive Board of the Arkansas Baptist State Convention.

Results Accomplished

The Executive Board of the Arkansas Baptist State Convention has on deposit in the fire-proof building of Riley Library at Ouachita Baptist College, Arkadelphia, a file of 51 microfilm rolls of minutes of Baptist Associations in Arkansas, of annuals of the Arkansas Baptist State Convention, and of other Baptist pamphlets. The Arkansas Baptist Historical Society holds on deposit in Riley Library in originals 993 minutes of Baptist Associations in Arkansas as well as 320 books by Baptists or their institutions.

A more recent project has been financed by Ouachita Baptist College. The College now holds 44 bound volumes of minutes of Baptist Associations in Arkansas. When a decade of minutes of a given association is completed, the minutes are bound. The college has also had several Baptist periodicals bound in convenient size volumes.

Objectives for 1961

The Commission offers all assistance possible to those who will help accomplish the following objectives:

1. Histories of all forty-four Convention associations, written by local members.
2. Histories of one hundred Baptist churches, written by local members.
3. Biographies of one hundred Baptists leaders, written by kinsmen or other well-informed persons.
4. Completion of files of minutes of forty Baptist associations in Arkansas by gift or by loan for microfilming.
5. Fullest cooperation with the Southern Baptist History Commission. Its program is as follows:

The Historical Commission was created by the Southern Baptist Convention to serve the history interests of Baptists. It functions upon the principle that Baptists must know their history in order to understand and appreciate their heritage and world mission.

The Commission conducts a two-fold program: first, the **procurement** of originals or reproductions of everything ever written by or about Baptists; second, the **utilization** of these materials to meet the history needs of all Baptists and Southern Baptists in particular.

These historical materials with all denominational archives and museum artifacts are preserved in the Dargan-Carver Library in Nashville, which is a research center jointly operated by the Commission and the Sunday School Board. Copies of rare materials are microfilmed and made available to others. Through publications, writer's conferences, research, consultation, and other projects, the Commission helps Baptists to know their history and to use it in achieving their world task.

Allied with the Historical Commission in serving the history interest of Baptists are the State Baptist Historical Commissions or Societies and the Church Administration Department of the Sunday School Board. These organizations offer assistance to the church history committee in its work.

The history committee of a church promotes such projects as observing anniversaries, gathering and preserving the church's records and other materials related to its history, arranging to have them microphotographed for a permanent record, writing the church's history, and keeping the church Book of Remembrance. Helpful materials for the history committee are available from the Book Stores and from the Church Administration Department.

Every church is urged to have a history committee actively at work cooperating with associational and state history projects.

The member of this Commission from Arkansas is Walter L. Yeldell of West Memphis, Arkansas. Its headquarters address is the Historical Commission, Southern Baptist Convention, 127 Ninth Avenue, North, Nashville 3, Tennessee. Dr. Davis C. Woolley is Executive Secretary.

6. Collection of historical documents of other Baptist groups in Arkansas.
7. Preservation of church bulletins and periodicals of two hundred churches.

Plans for Accomplishing These Goals

The Commission recommends the following items of organization and promotion:

1. A historian for each convention association.
2. One program in each convention association on "Advance in Arkansas Baptist History Preservation."
3. One state-wide clinic on the preserving and writing of Arkansas Baptist history.
4. A more comprehensive and correlated style of organization for "advance in Arkansas Baptist History Preservation".

ARKANSAS BAPTIST HOSPITAL

Little Rock, Arkansas

John A. Gilbreath, Administrator

The year 1959 brought to a close the Arkansas Baptist Hospital's thirty-sixth year of operation. And in this period of time the purpose of the hospital has remained constant; that is to provide the highest possible quality care to each patient who comes to the hospital. The religious impetus to participate in healing humanity's hurt in the name of Jesus Christ is still the same.

Some of the accomplishments in the hospital last year were as follows: Perhaps the largest single event in the life of the hospital was the opening of the hospital's ultra-modern \$1,500,000 surgical pavillion — one of the best equipped and efficiently designed such facilities in the United States. Included in this surgical pavillion are the X-ray Department, the Admission Department, the extensively used Emergency Room facilities, the Physical Therapy Department, and a public cafeteria. During the year, 29,400 patients were cared for in the hospital, either as outpatients or as bed patients; 19,564 patients were admitted to the hospital while 9,836 patients were treated on an outpatient basis. The Emergency Room cared for 12,298 cases during the year.

The hospital operated at a cost of approximately \$9,476.10 per day, while the total operating cost for the year was \$3,458,511.37. Of some interest is information regarding how the Arkansas Baptist Hospital dollar was spent. The dollar was divided into three parts: 69.2 per cent was spent for the professional care of patients; 18.9 per cent for household and property; 11.9 per cent for food service.

During the year, \$213,427.82 was spent by the hospital in charity and free service. This is a startling figure inasmuch as the hospital is given \$30,000 for charity and free service by the Arkansas Baptist State Convention.

As recently as July of 1960, it became essential to place bed patients in the hallways and waiting rooms of the hospital. One of the distressing needs for our hospital at the present time is for more beds. For a cost of approximately \$200,000 the hospital could finish remodeling the Pediatric Section of the hospital and convert the old surgical suites into bed-patient area. This is an essential item in the future plans for the Arkansas Baptist Hospital. Of some interest to Arkansas Baptists in subsequent plans for the hospital is the fact that our hospital plans to include a section of the hospital for intensive care of patients. Also, preparation is being made to provide the hospital with facilities for what is now called Open Heart Surgery, including a cardiac laboratory.

The Arkansas Baptist Hospital is always grateful to receive inquiries from Arkansas Baptist people with reference to policy, procedure, and operations of the hospital. We appreciate your coveted prayers, and hope you will feel free to call upon the hospital at any point where we can be of some service to you.

BAPTIST MEMORIAL HOSPITAL

Memphis, Tennessee

Frank S. Groner, Administrator

The teachings of the New Testament are used as the foundation upon which our denomination builds its program. A vital part of the program in the ministry of Baptists is sponsoring and operating institutions. Certainly hospitals represent one of the most important agencies of our denomination in their origin and concept. They are institutions of religion as are churches, schools and orphanages. In reality they are the instruments for the expressions of Christian principles, outlets whereby Christians demonstrate the genuineness of their faith.

From the earliest times, Christian churches have been engaged in care for the unfortunate. Christ, Himself, was the Great Physician. The healing ministry can be attributed to the works of Christ. Twenty-seven of the recorded miracles of Jesus had to do with healing. The center and core of the teachings of our Saviour was predicated upon the principles of unselfishness and man's responsibility for his brother. "Love God and thy brother" was the foundation commandment. So the poor were cared for, lepers cleansed, and the aged comforted. From the society of the early Christian period churches have continued applying these same principles to a more complex and highly organized society, but always with the same purpose in mind.

Our Christian hospitals are the only agencies which Baptists own which carry out all of the phases of the three-fold ministry of Christ, teaching, preaching and healing. It is impossible to record the total influence of our activities which includes Christian education (a student body of over 400); an active ministerial program, headed by a chaplain with ten associates; in addition to a vast program of healing.

The hospital's formal religious program is directed by the chaplain, who is assisted by a staff of nine young ladies, all intent on Christian service. They personify the spirit of dedication and concern for the spiritual needs of the patients and many lives are touched and redirected as a result. The religious staff of twelve includes two young ladies who direct the religious, recreational and social activities of the student nurses.

A planned program of expansion has enabled Baptist Memorial to care for increasing numbers of sick and injured each year. Today it is a 850-bed hospital, the seventh largest in the United States and the largest private, non-university hospital in the nation. Four hundred and fifty physicians are members of its staff and its employees number more than 1,900. With a replacement value of \$29 million the hospital represents the largest single Baptist financial investment in the world.

The portion of our work which is susceptible to tabulation reveals that during the past year we admitted 37,887 patients, rendering them 273,930 days of care. There were 79, 861 treated in the out-patient department. This makes a total of 117,748 patients who received care. The average occupancy of 751 was the highest in our history. The total amount of free service (excluding bad debts) was \$773,417.07. The charity phase is two-fold. First, as a social service for the denomination and secondly, as a missionary endeavor. Those who are won to Christ through this effort are for the most part individuals who have had no religious contact before coming to the hospital as a patient. The 3,348 babies born re-emphasizes the crowded conditions of our obstetrical department and the need for facilities to render better care. The forty mission volunteers and six appointees to the Foreign Mission Field indicate the effectiveness of the department of student activities.

The program of Christ in the ministry of child care is carried out by Arkansas Baptists through the Bottoms Baptist Orphanage.

Under the direction of the Board of Trustees, elected by the Arkansas Baptist State Convention, and through the leadership of the

Superintendent, H. C. Seefeldt, and a dedicated staff, the Home continues to minister to needy children, thanks to Arkansas Baptists and friends for their financial aid.

The children come from all over the state and are in the Home, generally, because of some tragedy in their home. In some cases it is death and others desertion or break down in the home, which, at times, is much worse than death. No one is taken in until the Superintendent is confident that there is no other place for them to live. Many of them are so disturbed that it is difficult to make anything like a normal and happy adjustment. The welfare of the child is the first concern of the Home, in trying to take care of their emotional, spiritual, social and physical needs.

191 children were cared for during the past year, in addition to the 17 children helped outside the Home. There are generally between 125 and 135 children in the Home at one time, with around 165 to 170 in the entire family. 66 children have gone out from the Home this past year and 62 new children have come in. 33 of the children have joined the First Baptist Church in Monticello, with 22 coming for Baptism and 11 by letter. Three girls and one boy graduated from high school last year. Two of these girls entered nurses' training in our Baptist Hospital, and one entered vocational school for nurses' training but has married in the meantime. The boy is working this year to enable him to enter college later. Four of the home girls are taking a beautician's course in Monticello which they will finish next year. One of our former girls was married in Shreveport, Louisiana, in September and Supt. and Mrs. Seefeldt were invited to have a part in the wedding.

We have had several quite serious accidents this past year, including two boys hurt on trucks, one quite seriously, but we are happy to report both are doing nicely, thanks to our Monticello and Little Rock doctors, nurses and hospitals. As a whole, the Home has had very little serious illness.

The majority of the children, 9 years of age and up, attended Siloam Springs Assembly and Camps. Again, during the first two weeks of August, our boys and girls went out into the homes over the state, for their vacations. The children enjoyed the Little Rock Annual Picnic, the Magnolia Annual Christmas Party, and the Waldron Annual Chicken Dinner (on their return trip from Siloam Springs Assembly). They enjoyed and appreciated the use of the Calvary Baptist Church, Fort Smith, cabin at the assembly. Little League baseball came out second this year. We placed first last year and football is in full swing at the time of this writing. Paul W. Steed is the coach.

SOCIAL WORKER. Mrs. Mildred H. Cooper was employed as Social Worker, June 15th, and is fitting into the program nicely.

MUSIC PROGRAM. Under the direction of Mrs. Jim Jones, several piano and choral groups have been presented in the Recreation Building. Several of the children attended the State Music Festival in Hot Springs, and summer camp. Nine became members of the National Fraternity of Student Musicians.

LIVING QUARTERS. The boys' and girls' two-story buildings, erected in 1924, have been refinished, including new beds, chests, chairs and tables in both buildings. New doors were put in the Administration Building where needed, and a beautiful wall picture replaces the cabinet in the dining room.

A NEW BUS was purchased. The 1946 bus was discontinued and sold. We now have three busses.

CLOTHING. A list of clothing needed for each child is sent out in the spring and fall to sponsors over the state who desire to help in this program. Churches, WMUs, Sunday School Classes, Training Unions and Brotherhoods make up this list.

HOME HELPER contributions from WMU headquarters and others, help the Home in taking care of the "extra" things the children need, and **COUPONS** help in replacing silver, dishes, etc.

BIRTHDAY OFFERINGS help in giving allowances to each child each week.

MEMORIAL contributions, instead of sending flowers, are acknowledged with cards to the bereaved families, and go into Memorial purchases. We are indeed grateful to all who have remembered this fund.

VISITORS WELCOME. We are always thrilled to have our friends visit the Home.

HOW TO SEND OFFERINGS. We would like to remind our people again, to make all checks for the Home payable to the Bottoms Baptist Orphanage, designating the fund for which it should be used.

THE THANKSGIVING OFFERING . . . Some had hoped that the Orphanage could be in the Cooperative Program budget for its full support by 1961, but the churches have not increased their amount to the Cooperative Program sufficiently to enable the Executive Board to increase the amount in the Budget to the Orphanage in 1961, so the **THANKSGIVING OFFERING** is still a vital part of our Baptist program supporting child care. In order to raise the \$75,000.00 goal, everyone will need to increase their contributions at least 5% over last year. The Cooperative Program provides part of our support, for which we are most grateful, but we must depend on the **THANKSGIVING OFFERING** and other offerings, for the additional amount necessary. So many children are depending on Arkansas Baptists. May we depend upon you? **REMEMBER** we need to raise \$4,000.00

more this year than we raised last year in order to reach our Goal of \$75,000.00.

We should ever be mindful of the fact that as Christians our first responsibility and obligation is that of worshipping God. To let anything cause us to lose sight of this is to miss the mark completely. The materialism of the age and the pressure of the times will exact a great toll at this point if we do not get our bearing from spiritual worship of the true God.

The winning of men to Christ and teaching them to observe all things He has commanded constitutes the two-pronged offensive for our churches in Kingdom promotion. The Cooperative Program has provided Baptists with the most effective instrument thus far discovered for carrying out this world mission task. As of October 1, 1960, we are slightly ahead of the previous year's record in mission receipts through the Cooperative Program.

While all are agreed that the Cooperative Program constitutes the work-horse of our total mission enterprise, we must not take this fact for granted. We need to devise every method and means to humanize the Cooperative Program to make more effective our purpose of reconciling God to man.

The Forward Program of Church Finance and 2-PLUS are making possible an ever enlarged mission effort. Many of our churches are using these means of deepening the stewardship consciousness of our people. They also emphasize the necessity of greater participation on the part of our churches in world missions from year to year.

Promotional Meetings

We have continued this year with our promotional meetings being held in the various associations. Discussing our Convention plans and programs with our Baptists at the grass-roots begets a better understanding and greater interest and participation.

Your Board has authorized the Operating Committee to move into Step II of the reorganizational plan, adopted by the Board some two years ago, when the committee deems it advisable. This is a Divisional Plan of Organization now in operation by many of our Southern Baptist Convention agencies, and is likewise similar to the organization used by our local churches. There would be a division of Religious Education, Missions, Business Management, and The Arkansas Baptist Newsmagazine. The Board has also authorized the Committee to try a Pilot Plan calling for a promotional man in one of the eight districts. This would be simply an attempt to test the effectiveness of a plan of promoting our total educational work. Your Board wants to maintain an alertness to the best possible way of making our total witness most effective.

Recommendations

1. The Proposed Budget for 1961 (see page 24) of \$1,675,000.00 plus \$75,000.00 for Bottoms Baptist Orphanage to be raised at Thanksgiving.
2. Constitutional Changes:
 - (1) Recommend that Section 4, Trusteeships, under Article VII, be amended as follows:

"All trusteeships of this Convention shall be amendable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expenses or debt be incurred without the approval of the Convention in session except, as follows: When an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board, and the Executive Secretary of the Executive Board, (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session."
 - (2) (a) Recommend that due to conflicts and duplication of other items that items #2 and #3, under Section 5, 'Committee Members' be eliminated from the By-laws, which read as follows:

"2. 'A member from an Association' upon moving from the bounds of that Association shall retain membership on the Board until the meeting of the next Convention.

"3. Any member of the Executive Board or any institutional board who has served on such board or boards the number of years provided in the Constitution, shall not be eligible for re-election to such board or boards until one year has elapsed."
 - (b) Recommend that due to the new organization of the Board the "Nominating Committee" be substituted for the "Executive Committee" in Article VI, Section 1, line 11, "The Executive Board."
3. (a) Recommend that the Arkansas Baptist State Convention pay the students' dues in the Southern Baptist Protection Plan of 5% of his salary, if single, on a salary up to \$150. per month; if married, on a salary up to \$200. per month, as long as he is a student in any college, university or seminary, and who is pastoring a church or churches cooperating with the Arkansas Baptist State Convention.

- (b) That favorable action be taken that full time Ministers of Music may participate in the Southern Baptist Protection Plan.
4. Recommend that the percentage formula for the budget on Christian education as recommended by the Garland Committee report (18% of total budget to Christian education, 86½% of that amount to Ouachita, 11% to Southern Baptist College and 2½% to Pulaski County College Property) be abandoned. This was in compliance with a request from the Trustees of Ouachita College.
 5. That we continue the Orphanage in the budget through 1961, and in view of no increase in the 1961 budget over that of 1960, our churches are requested to give strong support to the Thanksgiving Offering. Our goal for this special offering is \$75,000.
 6. That beginning in 1961 a Sunday be designated as "Cooperative Program Sunday." The purpose is to emphasize the meaning and ministry of the Cooperative Program. The churches behind in their Cooperative Program goals would be encouraged to make this a "catch-up" time and the churches not contributing to missions through the Cooperative Program would be encouraged to participate.
 7. After a careful and prayerful survey of Southern Baptist College, Walnut Ridge, Arkansas, by a special committee of your Board, and then further study by the entire Board, we submit the following recommendation:

"That for the time being the Arkansas Baptist State Convention continue as we have at approximately the same percentage of support as for the past few years, and that we not assume ownership of the school at the present time."
 8. That the approximately \$50,000.00 now being held by the Treasurer of the Convention which was raised by the churches for Arkansas Baptist College, Little Rock, Arkansas, be disposed of as follows:
 - (a) That the following sums be expended for the three projects listed subject to the approval of the churches which gave the money.
 - \$30,000.00 to erect a Baptist Student Center Building and establish a BSU program and Chair of Bible at AM&N College, Pine Bluff.
 - \$ 5,000.00 for a Baptist Center Building at Camden.
 - \$ 5,000.00 for a Baptist Center Building at Blytheville.
 - \$10,000.00 balance, approximately, to be used as a Reserve Fund for these projects.

9. That the Convention commend to our brethren in Scotland the preaching mission to Scotland for April 4 - May 6, 1961, which is being held by Lewis Clarke. That Erwin L. McDonald and Lawson Hatfield be granted a leave-of-absence from their offices to join this mission.

ANNUITY BOARD

T. K. Rucker, Field Representative
Mrs. Lou Alice Watson, Office Secretary

During 1960, the Annuity Board has concentrated its efforts toward reaching a minimum of 75 per cent participation in the Board's protection program by January 1, 1961.

With the cooperation of state leaders and dedicated laymen in all of our states, much has been accomplished. At the beginning of the year, a little over 50 per cent of the churches and pastors over the whole Convention were enrolled in this program. On September 1, this figure had increased to 60 per cent.

Brotherhood Lends A Hand

The Brotherhood Commission and its state Brotherhood secretaries voted in their December, 1959, annual meeting to support and promote the Annuity Board program through its local organizations. Brotherhood leaders realized the vital importance of such a protection program to the denomination, church and pastor, and because of the nature of the program, knew it needed laymen support to succeed. Therefore, they adopted a plan to make the Annuity Board work a supplemental part of their program in 1960 and a full program in 1961.

Southwide Report For First Eight Months of 1960

Benefits paid out—\$1,770,546 (includes relief payments)

Number receiving these benefits—Approximately 5,200 retired or disabled ministers and denominational workers and widows.

New members enrolled in the Protection Plan—1,380.

New churches cooperating in the plans—682.

Name Change

At the Southern Baptist Convention in Miami, Florida, this year, a recommendation was passed calling for a deletion of the words "Relief and" from the Annuity Board's title. Leaders of the Board felt such a change was necessary to give a true picture of the Annuity

Board's work. Since its organization 42 years ago, major emphasis has gradually shifted from relief work to annuities. Relief work will continue as a part of the Annuity Board's ministry, but administration of the annuity plans comprises the greater portion of the work. The new name will not become official until the Board's full board of directors approve it at their annual meeting next March.

“ARKANSAS BAPTIST NEWSMAGAZINE”

Erwin L. McDonald, Editor
 Miss Joan Willis, Managing Editor
 Mrs. E. F. Stokes, Bookkeeper and Circulation Mgr.
 Mrs. Harry Giberson, Office Secretary
 Mrs. Gary LaRue, Mail Clerk

Since our last report, there have been several changes in our Baptist state paper. The word “newsmagazine” has been added to the title to describe the nature of the publication and to help to clear up a confusion that has mixed our mail with that of Arkansas Baptist Hospital.

One of the most conspicuous changes has been that of switching from 8-point to 10-point type for the most of our material. The main object here is to make the paper easier to read and more appealing to the eye.

For several weeks now we have been making use of color plates as an added attraction, we trust, to our readers.

One of the most forward steps, we feel, is changing our deadline for going to press from Friday of the week before to Monday of the week of issue. This makes it possible to carry spot news which happens on the week-end instead of having to hold it over another week, as was previously the case.

The paper now consists of 24 pages per issue on a regular basis instead of 16 pages as formerly, and there has been no increase in the subscription price. This enables us to carry a much fuller coverage of Baptist and religious news—local, state, national and international—than formerly and also makes it possible to have a wider variety of inspirational and devotional materials.

Miss Joan (pronounced Jo-Ann) Willis, of Owensboro, Ky., a graduate of Georgetown College and a newspaperwoman of several years' experience, recently joined our staff as managing editor, filling a vacancy caused by the resignation of Miss Shirley Johnson, who resigned as assistant to the editor to continue her education, at Columbia University.

As this was prepared, July 28, 1960, a total of 582 churches of the state (49.6% of the 1,174 churches affiliated with the State Convention) were sending the state paper to their families through the Church Budget Plan. The circulation total is just a little under 52,000 and, according to memberships reported by the "budget" churches, now reaches 196,017 Baptists of Arkansas each week as compared with the 91,636 Baptists who belong to churches not yet having the paper in their budgets. From these figures it will be seen that we are now reaching more than two-thirds of the Baptists of the state through our state paper.

All of the churches of Centennial Association have the paper in their budgets and Benton County and Washington-Madison are close behind.

The "Arkansas Baptist Newsmagazine" has a standing offer to associations to provide the front page free once a month for associational news and promotion to associations all of whose churches have the paper in their budgets. The editor will be glad to work with associational missionaries and other leaders in the interest of increasing the circulation in their areas. The paper is offered free for a month to churches which do not have it in their budgets. A second month will be given free to such churches voting to budget the paper.

The editor, on behalf of his staff and Dr. Whitlow and heads of the departments of the state Baptist work, expresses deep appreciation for the wonderful support the paper is receiving from the Baptists of the state. May the Lord continue to bless us all as we seek to use the Baptist state paper for His glory and for the extension of His Kingdom.

BROTHERHOOD

Nelson Tull, Secretary

C. H. Seaton, Associate Secretary

Mrs. Darlene Rocco, Office Secretary

The Brotherhood Department is grateful to God for a good year. We believe that much progress has been made on all levels of Brotherhood work and along all lines of Brotherhood endeavor, including the Royal Ambassador program.

Brotherhood now faces a New Plan of organization and work. This New Plan is the result of intense study by the Brotherhood Commission and the State Brotherhood Secretaries. It is a simplified plan, easily adaptable to Brotherhoods of all sizes; and is designed to utilize the powers of Baptist men in four great areas of work: Work with Boys (Royal Ambassadors); work in Evangelism (Christian Wines-

sing); work in Stewardship (Personal); and work in World Missions (including the Cooperative Program). The New Plan went into effect on October 1 of this year. Brotherhood work on all levels (Church, Associational, District, and State), is being organized and re-organized under the New Plan.

Church Brotherhoods in Arkansas number about six hundred. Most of the forty-four associations have associational Brotherhood organizations. The number of Regional Brotherhoods will be reduced (early in 1961) from fifteen to eight, to conform to the plan used by the Sunday School, Training Union, and WMU Departments. These area Brotherhoods will be called District Brotherhoods. The State Brotherhood Convention, of which G. C. Hilton is president, is functioning well. The State Brotherhood sponsors the annual Brotherhood Convention meeting, the annual Brotherhood Night Service and Royal Ambassador Fellowship Supper, and the annual State Brotherhood Encampment.

Royal Ambassador Chapters in Arkansas number about 582. A new plan of Royal Ambassador organization and work will go into effect on October 1, 1961. The new plan will make the Royal Ambassador program more flexible and more comprehensive. Royal Ambassador work in our state is developing on the same four levels as Brotherhood work: Church, Association, District, and State. For several years five Area Royal Ambassador Congresses have been held. This number in 1961 will be expanded to eight, to conform to the District set-up; and the Area Congresses will then be called District Congresses. The Brotherhood Department will continue to sponsor these District Congresses, as well as the State Royal Ambassador Congress.

One of the major perennial responsibilities of the Brotherhood Department is the building of a worthy and comprehensive camping program, and the holding of summer Royal Ambassador camps. The camp project is developing well under circumstances which are indeed challenging to those who really believe in the value of a developed camping program. During the past summer, three camps were held (two Junior and one Intermediate), with a total of 275. At these camps the Lord blessed with 81 decisions; including seventeen conversions, 34 boys surrendering for full time Christian service, and thirty rededications.

The Brotherhood Department participated in the recent One-Night Associational Training-Planning Meetings. Results were very gratifying, and points towards our greatest year in associational Brotherhood work.

As you think upon Brotherhood, know that—

1. The Brotherhood Program of Work is comprehensive.
2. Brotherhood Ideals are precise. They are: Dedication, Stewardship, and Evangelism.

3. Brotherhood Purposes are constant. These purposes are: The Enlistment, the Development, and the Utilization, of Baptist men in all the work of their church and denomination.

4. The Brotherhood Slogan is set: "A Million Men for Christ".

5. The Brotherhood Motto is perennial: "Every Church Needs a Brotherhood."

6. The Brotherhood Scripture Verse is fixed: "Watch ye, stand fast in the faith, quit ye like men, be strong." (I Cor. 16:13)

The Brotherhood Department is looking forward to a great year in every phase of its work. Pray with us to that end!

CAMPS AND ASSEMBLIES

The camp and assembly season for 1960 ended with a total of 364 decisions. These decisions included 41 conversions, 200 rededications and 123 who surrendered to full time service. This is a source of great joy, for these figures indicate that the time, work, and money that go into making these camps and assemblies possible are well spent.

A total of 3,531 people attended the camps and assemblies this year. This is an increase of 718 over 1959. Following is a breakdown of all camps and assemblies sponsored by the various departments of the convention:

Even though much is being done through our camp and assembly program, it is hoped that both the program and facilities can be improved each year. This year at Siloam Springs Deluxe Building III was completed which will care for eight families. A new childrens' building was also constructed which provided space for nursery, beginner, and primary age children.

CHURCH MUSIC

LeRoy McClard, Director

Mrs. Kathie Parker, Office Secretary

The year 1960 is most significant in the Baptist Jubilee Advance. It is the year of teaching and training. Due to the efforts of district music men, state approved workers and associational music officers, we feel the music ministry has made a real contribution to meaningful worship, education, and evangelistic emphasis of the church.

In 1960:

* 32% of churches (376) reported 18,314 (1959 figure) choir members.

* Five state music festivals were conducted with 3,331 registered choristers:

Primary	587
2 Juniors	1110
Youth	1214
Adult	420

* Three state music conferences were conducted with 922 full time campers in attendance:

Ouachita (Youth and Adult)	450
Siloam (All Ages)	162
Ouachita (Juniors)	310

* Over 200 music directors attended three zone graded choir workshops, in addition to the state workshops, several hundred attended graded choir workshops in associations.

* Associational music schools were conducted in 18 associations. In many associations several zone schools were conducted simultaneously. More associational schools were scheduled but later cancelled due to lack of finances.

* Over 100 hymn sings with well over 10,000 persons in attendance.

- * Music awards in Study Course for Teaching and Training is slightly under last year's report due to a changeover in method of recording and reporting awards.
- * Seven standard churches for at least one quarter:

Park Hill, North Little Rock	Maple Avenue, Smackover
First, Benton	Second, Little Rock
Highway, North Little Rock	Central, Magnolia
First, Harrison	
- * Associational officer strength report—67%.

MISSIONS-EVANGELISM

C. W. Caldwell, Superintendent	E. A. Richmond, Chaplain,
Mrs. Marjorie Sosebee, Office Secretary	Boys' Industrial School
M. E. Wiles, Rural Evangelist	Charles Finch, Chaplain,
Jesse Reed, Rural Evangelist	State Sanatorium

State Missions is the fountain-head of all missions. A denominational stream cannot rise higher than its source. State Missions feeds the larger churches with members; discovers and supplies the denominational schools with students; enrolls more people in church organizations, provides new sources of income for all causes, and makes home and foreign missions possible. Shut off the fountain-head and the streams will soon dry up.

What is included in the Department of Missions-Evangelism work in Arkansas? We can only give brief statements of the various types of work.

Associational Missionaries

Twenty-six of the 44 associations have received financial aid from state missions in supplementing their missionaries' salaries. The amount has totaled \$18,795 for the nine months of this year.

State Missionaries

Two state missionaries are employed to work on a state-wide basis, majoring on revival meetings in destitute areas and in the rural churches. They are: M. E. Wiles, Fort Smith, who has conducted 10 revivals during the nine months with 67 professions of faith and 8 other additions; and Jesse Reed, Little Rock, who reports 19 revivals in nine months with 200 professions of faith and 50 other additions.

Pastoral Aid

Forty churches and mission stations have been given aid on pastors' salaries. Without this help some of the churches would have died and some of the missions could not have begun. A total of \$10,842.30 has been disbursed for this type of work from January to

October. Several churches have written: "We are now able to pay our own way. Thank you for the help given in time of need."

Building Aid

Already this year 10 churches and three missions have been given financial help on their buildings. One church lost its building by fire; another had been inactive for several years. Others were just weak and needed help. The mission buildings were in needy areas and are now reaching many people.

New Mission Sites

The Capital Needs section of our state budget carried \$20,000 for new mission sites. Earlier this year we joined with Matthews Memorial Church, Pine Bluff, in securing property in the Watson Chapel community. The first unit of the building program was opened this summer and in a few weeks over 100 were in attendance. A few years ago \$2,000 was given to help secure property in Fort Smith where the new church, Kelly Heights, is now carrying on a program for the Lord. Their gifts to the Cooperative Program for this year have already amounted to \$2,762.42. The Board has approved \$10,000 to help purchase \$40,000 property in Fort Smith where another new church, Oak Cliff, is being established.

Summer Student Missionaries

A number of students, mission volunteers, are secured each year through the Home Mission Board to do mission work during the summer. The Home Board pays their salaries and we direct their work. They do a monumental work in conducting Vacation Bible Schools, mission revivals and making surveys of destitute areas. Many souls were saved this summer through their ministry.

30,000 Movement

The Department of Missions, with the help of associational missionaries and pastors, promotes the 30,000 Movement in an effort to establish 10,000 new churches and 20,000 new missions. We know of 10 new churches and a large number of missions established already this year. Many of the new churches have been mission stations. Property has been secured at Bull Shoals and a mission established; also Cave City. Surveys have been secured in the Morning Star community near Marshall and Ahead-Rupert communities in Van Buren County. Many other projects are under way where new missions will be established.

Chaplain Charles Finch

In July, Charles Finch completed 12 years with the Department of Missions as Chaplain in the State Sanatorium at Booneville. He has witnessed over 2,000 professions of faith through his ministry as he

goes from room to room—witnessing, praying, distributing literature—and also in regular worship services conducted. 89 have been won this year. He retired October 1.

Chaplain E. A. Richmond

The Boys' Industrial School, Pine Bluff, where there is an average of about 150 boys, had never had a chaplain until the Department of Missions elected E. A. Richmond on a full-time basis to give a spiritual ministry to the boys. The results of his services have been phenomenal. From 75 to 100 boys who are sent to the institution each year are won to Christ. This year there were 62 in the nine months.

Ministry to the Deaf

Traveling expenses are provided for workers to go to Lake City, Fort Smith, Mena, and other places over the state to conduct services in the sign language for deaf people.

Migrant Missions

The Department of Missions has a definite program for the 20,000 braceros who come to Arkansas each year. Fifteen Spanish-speaking preachers were employed to conduct services in the labor camps, on the streets, and special services in the churches in the month of October. From 1,000 to 1,500 are won to the Lord through this ministry each year.

Schools of Missions

An important phase of missions is projected through associational Schools of Missions. Six have been conducted this year. Foreign, Home and State missionaries were heard in about 150 churches.

Conferences

Three important and popular conferences have been conducted this year: The state-wide Evangelistic Conference, the state-wide Rural Church Conference, and the Missionaries' Retreat. The secretary has prepared the program, promoted the attendance and presided in the meetings.

City Missions

City Missions comprise new sites, building and pastoral aid, surveys, etc., which have been mentioned above. Lee Dance is superintendent of City Missions in Pulaski County. The superintendent of the Department holds conferences with mission committees and pastors in other sections of Arkansas.

PROMOTION AND CONVENTION

Ralph Douglas, Associate Executive Secretary

Stewardship

In a world of man's great achievements, we take our hats off to the hero and declare that he is the man of the hour. So man goes on worshipping heroes. This may be one reason why God, to so many people, does not really matter.

But in the Bible we find that God is the maker and sustainer of everything and that He always dominates everything.

In the New Testament we see God fulfilling the prophecy of the Old Testament as he works out His purpose in the history of the people.

In the four Gospels we find that Jesus held his life as a trust and lived in continuous dependence upon the will of the Father and finally that obedience and dependence led him as a servant to the Cross. Therefore, He kept reminding His disciples that they were to also live their lives as servants in the great household of God.

Jesus gave some definite teachings on property that may seem strange to our day. The rich young ruler came to Jesus and asked Him what he must do in order to become a disciple and Jesus said: "Sell all that thou hast, and distribute to the poor."

Here Jesus was teaching that nothing, not even wealth, should stand between an individual and his God. Then He had something to say about accumulating treasures on earth, which can control the heart strings. This teaching is different from most view points that we have on Stewardship in 1960. But we must remember that God is the possessor and man is responsible to Him. Man does not own anything. He is entrusted with the Master's estate and must give an account of the management of it.

The Cooperative Program

This year, the messengers to the Southern Baptist Convention adopted the following resolution: "It is our conviction that the Cooperative Program of Southern Baptists is the fundamental, effective, and indispensable channel of providing for the needs of all our work; and that we urge all Baptists to join in giving the Cooperative Program their loyal and undivided support."

This was done because Southern Baptists know that more Gospel has been preached and more benevolent work has been done through this plan than through any other method used by Baptists. Since the adoption of the Cooperative Program in 1925, Southern

Baptists have contributed approximately \$483,354,000 through this channel.

Since World War Two, Arkansas Baptist churches have contributed \$14,866,579 through the Cooperative Program. This money has been allocated and used throughout all the world to preach, teach and heal.

The Cooperative Program gifts for the first nine months of this year total \$1,182,442.48 or a 1.1% increase over the same period last year. This is \$55,057.52 short of our budget goal, but if every church will give a little extra during November and December, we can reach our budget goal. When we speak of reaching a budget goal, we really mean fulfilling our world mission. This is true because the Executive Board members have studied the needs and have agreed that it would take \$1,650,000 to do the work that Arkansas Baptists ought to do in 1960.

The Cooperative Program budget goal for 1961 is \$1,675,000. If each church will study carefully the needs and explore the possibility of the **Two Plus Plan** and then vote to follow this plan, we can reach our goal.

It has been proved that the best plan of giving through the Cooperative Program is on the percentage basis. More and more of the churches are giving a definite percentage of the total budget receipts through the Cooperative Program.

The Forward Program Of Church Finance

This program is designed primarily for help in subscribing the annual church budget which can be adopted to the building program.

The churches with the smallest membership can use the Forward Program.

Here are the facts:

Size of Membership	% gain in persons making pledges	% gain in tithers	% gain in dollars pledged	% gain in Cooperative Program Giving*
1- 99	73	21	28	62
100-199	77	52	50	47
200-299	52	33	29	56
750-999	28	23	18	20

*Refers to percentage gains in dollars only. This does not mean gain in percentage of total budget through the Cooperative Program.

Many churches have adopted the Forward Program as the annual procedure in subscribing their budgets. Here are some interesting facts:

Churches that have used the Forward Program for three years—

Budget Increase	Increase in amt. pledged	Tithers Increase	Increase in Pledgers
7%	19%	6%	19%

Churches that have used the Forward Program for two years—

7%	9%	3%	6%
----	----	----	----

Churches that have used the Forward Program for one year—

76%	98%	116%	96%
-----	-----	------	-----

FOR 1961

1961 is to be a year of Stewardship and enlistment in the Southern Baptist Convention. Here are some Forward Program goals for Arkansas:

1. 200 churches using the Forward Program in 1961 to promote their 1962 budgets.
2. 100,000 Baptists making definite commitments in 1961 to the 1962 budgets.
3. 54,000 Baptists pledging to tithe.
4. 900 Churches adopting and adhering to budgets.
5. 30,000 or approximately 10% of our people earning an award in a study of Stewardship in 1961.

RACE RELATIONS

Clyde Hart, Director
 Mrs. Lou Alice Watson, Office Secretary
 Arlis Sims, Chaplain, Negro Sanatorium
 S. M. Taylor, Teacher-Missionary
 M. W. Williams, Teacher-Missionary

The work of the Race Relations Department is jointly sponsored by the Arkansas Baptist State Convention and the Home Mission Board of the Southern Baptist Convention. The State Convention pays 60% of the cost and the Home Mission Board, 40%.

The purpose of the department is to help the Negro Baptists of Arkansas help themselves in developing better churches. This is being done by sharing with them materials and techniques in Sunday

School, Training Union, WMS, and Brotherhood organizations and promotion.

Workshops and clinics are held on "How to Plan and Promote a Unified Church Budget", Stewardship and Missions, Vacation Bible School work, Evangelism, and Literacy.

Night Extension School classes for in-service preachers are held in six communities in the state.

A part-time chaplain serves the Negro Tuberculosis Hospital.

Your Race Relations Department conducts a camp for Negro Baptist boys and a camp for Negro Baptist girls each summer. These two camps are the only ones conducted for Negro children and young people by any Christian group in the state. This year 132 boys and girls attended these camps and 17 teen-aged boys surrendered to God's call to full-time service as preachers or missionaries. This is very significant in view of the fact that perhaps the number one problem facing Negro Baptists of America today is that so very few Negro youth of high school and college age are entering the ministry.

In the near future we hope to make a real contribution on the college level through a Baptist Student Union and a Chair of Bible program.

We held a two-day Literacy Workshop, March 11-12, in Little Rock, sponsored by the Race Relations Department. Seventy-eight attended from twenty communities. A number of those who have taken this training have been able to put it to a practical use.

A Literacy Workshop was conducted at Fort Roots VA Hospital by Mrs. S. A. Whitlow and Mrs. Melvin Thrash. Fourteen members of the hospital personnel received the training. We plan a similar workshop at the McRae Tuberculosis Hospital in the near future.

We sincerely try to conduct our entire program in the spirit of Christ. Our work is encouraged and strengthened by the prayers and assistance of our pastors, associational missionaries, local churches, and denominational workers. The wonderful cooperation of our Negro Baptist friends in this program of work is producing better churches, and making a real contribution to inter-racial goodwill and understanding.

SUNDAY SCHOOL

Lawson Hatfield, Secretary

Mrs. Ron Mallow, Office Secretary

The 1960 program of the Sunday School Department of the Arkansas Baptist State Convention is summarized in the four words—Reach, Teach, Win and Develop. The churches in Arkansas experience

that as often as the Sunday School gives continuous and effective emphasis in the direction of these four areas—progress is the result. What great works have our churches experienced in Reaching, Teaching, Winning and Developing the pupil through the Sunday School this past year?

According to the latest available reports Lawson Hatfield, secretary of the Sunday School Department, reports increased enrollment in the Sunday School over the state, and reasonable strides being made in Vacation Bible School, Training and Associational work.

The growth of Sunday School work in Arkansas is revealed in the 1960 issue of the **Southern Baptist Handbook**. It reveals a net gain of 2,023 bringing the total Sunday School enrollment to 210,036.

The kickoff for Vacation Bible School work in 1960 was the February Vacation Bible School Clinic in Little Rock. From every corner of the state associational Vacation Bible School workers attended, shared ideas, studied the new materials and returned to conduct Vacation Bible School Clinics in the churches.

This summer our churches enjoyed a "greater works than these" in Vacation Bible School work with 712 reported schools with 70,616 total enrollment. There were 1,534 conversions and \$7,636.38 given to the Cooperative Program.

Another emphasis on the "Outreach for the Unreached" is the Sunday School Department's ready cooperation in the 30,000 Movement. A program to help establish new Sunday Schools is available through the department called a "10 for 10" program which means—start a 10% increase in new Missions and Sunday Schools in a 10 weeks period.

Winning souls to Christ is a major aim of the Sunday School. Most churches experience that 8 or 9 out of 10 baptisms come through being first enlisted for Bible Study in the Sunday School. Records further reveal that 1 out of 3 lost persons enrolled in a Sunday School are won to Christ in a year. Only 1 out of 241 lost persons not enrolled in Sunday School are won to Christ. The major objective of a Sunday School should be to enroll more people in Sunday School for Bible study and go afield to witness to the unenrolled multitudes also.

The Church Study Course for Teaching and Training has experienced its first full year of operation. While all transfers and records are not up to date, the record is an impressive one. Book awards earned in Arkansas in Category 17, the Category of Sunday School Principles and Methods, totals 11,412. Total awards for all Categories is 50,787.

The Department has participated in seven church and associational Sunday School training schools and clinics this year.

Seven states participated in an associational Sunday School officers training clinic held in Arkadelphia this summer and 100 registered from Arkansas.

The First Annual Sunday School Assembly was conducted in August at Siloam Springs where over 100 registered for the week of training.

The 1960-61 Sunday School theme is "Outreach for the Unreached."

The program of the Department to go on to greater works in 1961 is:

REACH,
TEACH,
WIN,
DEVELOP.

TRAINING UNION

Enrollment

The latest available figures are those taken from the reports from the churches in the fall of 1959. At that time there were 1,155 churches in Arkansas with 989 (85.6%) with Training Unions and 166 (14.4%) without Training Unions. According to the Arkansas Baptist Annual for 1959, these 989 churches reported a Training Union enrollment of 93,656; but according to the report from the Survey and Statistics Department of the Sunday School Board, the enrollment was 95,872.

Two Training Union Assemblies

Two Training Union assemblies were held at Siloam Springs, July 4-9 and July 11-16, with an attendance of 665 the first week and 630 the second week, or a total of 1,295, with 37 associations represented. Dr. C. E. Autrey, Dallas, and Dr. Nolan P. Howington of Louisville, Kentucky, were the inspirational speakers, and Dr. Stanley Wilkes of Memphis was the Bible hour teacher. During the assemblies there were 36 young people who surrendered for church related vocations. There were 15 conversions and 109 other decisions.

Second Annual Honor Church Program

For the second year the Honor Church Program was promoted throughout the state. This is a means of promoting in a definite

way six areas of Training Union work: (1) quarterly reports, (2) Youth Week, (3) standard units, (4) tournaments and drills, (5) increase in enrollment, and (6) study course work. During the past year 447 churches have participated in the Honor Church Program. The honor church diploma was sent to each of these churches when they mailed a quarterly report to the office. A seal was awarded at any time during the year when the requirement for a seal had been met, such as Youth Week, etc.

The following 13 churches were Honor Churches, having earned all five seals:

Church	Association	Pastor	Training Union Director
Park Place, Hot Springs	Central	Dexter Blevins	E. L. Boone

"M" Night

"M" Night or "Mobilization" Night was observed on Monday night, December 7, 1959, in 43 associations of Arkansas, with an attendance of 16,939. 810 churches were represented, and 648 pastors were present. At this associational Training Union meeting each year, the program of work for the following year is launched.

Conferences

1. During the last part of July and the first part of August, the state Training Union secretary and associate, accompanied by the district presidents, visited the missionary, moderator, and associational Training Union director in 28 associations of the state.

2. One-night training-planning meetings were held in September, 1960, in 33 associations by the district presidents.

3. On September 2, 1960, the eight district presidents and the district approved workers met in Little Rock for a training meeting under the direction of the department workers, state approved workers and one worker from the Sunday School Board. These district approved workers were trained so that they could go back to their districts and train the associational Training Union officers of their districts.

4. There were 103 other conferences held during the year.

Conventions and Workshops

1. In March, 1960, there were eight district Training Union conventions held with an attendance of 1,487.

2. On April 15, 1960, 1,227 attended the State Youth Convention held at Immanuel Baptist Church, Little Rock. 33 associations were represented.

3. On September 27, the state Training Union leadership workshop was held at Second Church, Little Rock. 90 churches and 26 associations were represented, with a total attendance of 421. This number included 32 Nursery leaders, 52 Beginner leaders, 77 Primary leaders, 94 Junior leaders, 103 Intermediate leaders, and 62 others, including a large number of pastors and educational directors. Each workshop was directed by a leader from the Sunday School Board, with Dr. Philip Harris bringing the message at noon.

Tournaments

147 Juniors participated in the Junior memory-sword drills which were conducted at the district conventions in March.

Jack McKay, Gosnell Church, Blytheville, won first place in the Intermediate sword drill and represented Arkansas at Ridgecrest. Harold Womack, Dallas Avenue Church, Mena, won second place in the sword drill but was unable to attend the Glorieta assembly.

Claudette Owen, South Side Church, Pine Bluff, won first place in the 17-18 year speakers' tournament and represented Arkansas at Ridgecrest. George Amos, Immanuel Church, Fayetteville, won first place in the 19-24 year speakers' tournament, but could not go to Glorieta. Margaret Bray, Ouachita Baptist College, won second place and represented Arkansas at Glorieta.

Campaign and Leadership Schools

Leadership schools were held in five associations: Benton County, Ashley, Faulkner, Stone-Van Buren-Searcy, and Gainesville. Enlargement campaigns were conducted in eight churches.

Youth Night and Youth Week

Youth Week was observed in 151 churches of Arkansas compared to 131 the year before. Youth Week is a plan for a church to use its older Intermediates and Young People in all the official positions of the church life for one full week.

Youth Night, an associational meeting conducted by and for young people, was held in 21 associations, with an attendance of 1,986. There were 185 churches represented and 108 pastors present.

District Presidents and Approved Workers

Eight district presidents who have helped plan the work and who have assisted the Training Union Department are: Clifford Palmer, N. W. District; Tommie Hinson, W. C. District; D. Hoyle Haire, E. C. district; Ray Nelson, N. C. district; Norman Sutton, Central district; Lehman Webb, S. E. district; Rhine McMurry, S. W. district; Guy Whitney, N. E. district. Each of these presidents, with the assistance of the associate in the Training Union department, have selected a group of district approved workers.

The state approved workers who have been of great help in campaigns and leadership schools are: Mrs. Charles Davis, Nursery leader; Jack Cowling, Beginner leader; Mrs. Faber Tyler, Primary leader; and Mrs. F. F. Hicks, Junior leader. For several years Mrs. Theo James served as Intermediate leader.

Summer Field Work

One team of Summer Field Workers, Joanne Haley and Ruth Ann Nicks, were enlisted by the Student Department and trained by the Training Union Department. They conducted Training Union enlargement campaigns in the following seven churches of Woodruff Association during the seven weeks, June 25-August 13, 1960: Patterson, Morton, Pleasant Grove, Cotton Plant, Gregory, Good Hope, and Hunter. They taught 198 Training Union workers, enlisted 82 daily Bible readers, and organized four new unions of the Training Union.

BAPTIST BOOK STORE

Little Rock, Arkansas

T. Bradley Bolin, Manager

The BAPTIST BOOK STORE, presently located at 303 West Capitol, future location after January 1, 1961, 408 Spring, Little Rock, Arkansas, serves the churches of Arkansas in their needs for church records, supplies, hymnals, study course books, library books, and audio-visual aids. The needs of the individual are also cared for with books of inspiration, teaching and entertainment.

The Book Store employs seventeen workers dedicated to the service of the churches, associations, denominations and individuals who come our way—into the store or through the mail. These men and women serve actively in the Southern Baptist Convention churches as teachers and officers, also in the financial program of the Lord's work.

The Baptist Book Store is available for counsel and instruction as well as distribution. We have people qualified to give expert advice in establishing a church library, audio-visual program or church music. We can advise you on record systems for church finance, for church membership rolls and many other organizational records. The satisfying of needs of all of you for materials is the only reason for the existence of the Book Store. We will be able to serve in a better way as the program of all departments of the state work is presented to us.

As the Manager of the Arkansas Baptist Book Store, may I cordially invite you to come into the store at 303 West Capitol. We want you to feel free to visit us or write us at any time that we can be of service to you. We are humble in asking for your prayers and in offering our continuing services to you and to the churches of the State of Arkansas.

CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.

William E. Brown, Executive Director

The Christian Civic Foundation of Arkansas has been in operation since June 1, 1959. The Foundation represents approximately 2,200 evangelical churches throughout the state. It has some one hundred outstanding preachers, laymen and laywomen on its Board of Directors. Its purpose is to work in the field of social concerns.

During the first year we have given attention to the education of our youth in the fields of alcohol-narcotics. Also we have given serious attention to gambling and salacious literature. During the school year, 1959-60, approximately 60,000 Junior and Senior High School students have been taught our objective, scientific text on the

subject of alcohol-narcotics. In the present school year we hope to reach all high school students of all races with this course.

We have helped churches, schools, civic clubs and the Parent-Teacher Associations with education aids through films, charts and printed matter.

We have County Christian Civic Foundations organized in many of our counties and will continue this program until all counties in the state are organized.

In our Legislative Department we have sent questionnaires to all candidates for office and have distributed their answers through our Christian Citizen Newsletter. We are planning a legislative program for the session of 1961. Your director has rendered aid to counties and sub-divisions where local option elections were held.

Your director has met with some four hundred groups and congregations over the state and has held some twenty-three workshops.

We look forward to strengthening the laws that control the sale of liquor and to the outlawing of gambling and the distribution of salacious literature. We pray for the day when the State of Arkansas will be a dry state.

As our financial support increases we will be able to extend our influence.

OUACHITA BAPTIST COLLEGE
Arkadelphia, Arkansas

Ralph A. Phelps, Jr., President

In many ways the 1959-60 school year was the greatest in the history of Ouachita Baptist College. The school enjoyed the largest enrollment in her history, there being 1,026 regular students enrolled and a total enrollment of 1,069 for the fall semester. This represented an increase of approximately 14% over the year before and an increase of 109.8% since 1953 when the school regained accreditation. The total non-duplicating enrollment for the regular terms and the summer session was 1,191. The total enrollment for the fall term of 1960 is 1,210.

Of the total number of students enrolled, 98% were Baptists, and 87.9% were from Arkansas. Of the 12.1% not from Arkansas, many were from states without Southern Baptist colleges (Illinois, Wisconsin, Ohio, Michigan, etc.) and from our mission fields. Ouachita's major ministry is to the Baptist young people of Arkansas.

Ouachita is in the budget of the Arkansas Baptist State Convention for \$256,905 for 1960. This amount represents about one-fourth of the school's annual budget, and Ouachita is deeply indebted to the Cooperative Program since the school could not operate with-

out support from this source. However, the extremely rapid growth of the student body during the past several years has far outstripped Convention support of the College. While the enrollment since 1953 has increased 109.8%, Ouachita's allocation from the Convention has increased only 28.4%. Whereas Ouachita received 18.66% of the state budget in 1953, she will receive only 15.57% in 1960 although she has more than doubled in size during this period.

While Ouachita is receiving more money than she did a few years ago, the amount given by the Convention is small compared to what state schools of similar size are receiving. A state college near by is scheduled to receive \$629,572 during 1960 although it actually has fewer students in residence on the campus than Ouachita has and is only slightly larger in total enrollment. In spite of this great differential in spendable income, Ouachita must meet the same accreditation standards as the state school. Even when the tuition differences are taken into account, the state school has approximately \$100 per student more money to spend per year. The only way that Ouachita has been able to maintain the standing she has under these circumstances is because of the dedicated faculty members who continue to teach at salaries far below the national norms.

The steady growth of the College is reflected in the fall term enrollment of regular students (i.e., those carrying 12 or more hours of work) since 1953: 1953, 489; 1954, 622; 1955, 675; 1956, 748; 1957, 875; 1958, 926; 1959, 1,026. Indications are that the 1960 enrollment will be even larger.

The school is operating considerably above its normal capacity for boarding students. It has been possible to accommodate those wanting to come to Ouachita only by putting an extra bed in each dormitory room. This overcrowding is not educationally sound.

II. Building Progress

During the past fiscal year ending May 31, 1960, several important additions were made to the college's physical plant and were paid for completely. These included a new wing on Riley Library, erected at a cost of \$40,693.45 and increasing the reading room area by 50 per cent; Blake Hall, a frame dormitory housing 48 girls and built at a cost of \$32,189.48; R. C. Daily Hall remodeling, the transformation of the old dining hall into a classroom building with seven classes and six offices added, at a cost of \$11,564.13; the addition of a wing to Lakeside Dormitory, which will accommodate 40 men, at a cost of \$15,232.39; and the addition of an annex to Fleniken Memorial Student Center at a cost of \$2,789.73.

This means that buildings costing \$102,469.18 were paid for completely during the year. Since all of the work was done by the col-

lege's own crew, no profit was paid to a contractor; and the actual value added to the college's property was in excess of \$125,000.

A generous gift of \$35,000 by Miss Emma Riley of El Dorado helped make possible the badly needed expansion of Riley Library. Miss Riley, a member of the Ouachita Board of Trustees, has given extensively to the College through the years; and Arkansas Baptists are indebted to her for these investments in Christian education.

Under construction at the present time are four major projects. The first of these is the Bible Building, long hoped and prayed for. While the building is being built by faith as the money comes in and work is progressing slowly, the first floor has been poured, and the structural steel is soon to be delivered. The prospect that we may in the foreseeable future have a decent building to house the Bible Department and to provide a small chapel for use in teaching preaching is enough to cause us to shout "Hallelujah!"

A sizeable portion of the cost of the Bible Building is being borne by Mr. J. E. Berry of El Dorado, long-time Ouachita trustee and generous benefactor. Mr. Berry has agreed to give \$75,000 on the chapel part of the building, it being understood that the former students and other friends of the school will provide the classroom and office wing. The building is located on the site of the old President's Home.

A second major project is the building of a new athletic field on the college farm. A new baseball field, football field and stadium, and track will be completed in time for the football season this year. The work is being done with a gift of \$56,000 from Mr. Birkett L. Williams, Ouachita alumnus from Cleveland, Ohio. This brings to more than \$100,000 the money Mr. Williams has given Ouachita in recent years. The new athletic plant is being built in order to provide building sites adjacent to the campus at a much lower cost than property near the school can be bought. Any new buildings which may be built in the next few years will be built on the site of the old athletic field.

The two additional major projects under construction are permanent dormitories. The one to house 100 men is being built where the football bleachers formerly stood. The women's dormitory, to house 72 women, will be built south and west of Terral-Moore Hall. The two will cost a total of \$625,000 and are being built on 100% loans from the Housing and Home Finance Agency. Borrowing this money was unanimously authorized by the Arkansas Baptist State Convention in session. The dormitories are to be ready for occupancy in January of 1961.

III. Financial Affairs

Because the student body has grown far more rapidly than the financial support of the College has increased, Ouachita has had

increasing difficulty in meeting accreditation standards and salary competition of other schools for faculty members. A student who pays cash for his entire school bill lacks approximately \$260.00 per year paying the total cost of his schooling at the present time. Since a number of scholarships are given to ministerial students and others and since about one-third of the students work at student employment to defray a part of their expenses, the actual deficit per student is greater than this. In order to operate, the school must make up this deficit from gifts and the operation of auxiliary enterprises.

The difficulties that the school is encountering with a larger student body can be partially explained in the per capita allocation when the Arkansas Baptist State Convention's contributions to Ouachita for 1953 and 1959 are compared. In 1953, the amount figured \$408 per student for each regular student enrolled for the fall semester. In 1959, this averaged \$242 per student. No amount of financial legerdemain will make \$242 do what \$408 did when prices were lower than they are today.

The College paid all her bills for the year and did not default on even one penny's debt obligation, but she did this by having a smaller faculty than is necessary under accreditation standards, by paying salaries below the norm in the North Central Association, and by cutting down on educational expenditures. While this can be done temporarily without ruining the institution's accreditation, it cannot become the method of operation without direct consequences.

Total assets at the end of the fiscal year were \$4,777,086.01, including \$4,375,564.60 in properties. The Endowment Fund totalled \$714,524.73 and yielded revenue in the amount of \$125,235.38.

IV. Academic Progress

Two developments of special note in the academic realm occurred during the year. The first was the full accreditation of the school's Department of Music by the National Association of Schools of Music. This means that the work in music at Ouachita is recognized as being on a par with that offered anywhere in the country.

The second is the addition of graduate work leading to the degree Master of Arts. Begun in September of 1959, after more than a year of careful planning in conjunction with the accrediting association, the program offers majors in religion and American civilization to start with. Other areas of study will be added as circumstances warrant.

Other significant academic steps were the addition of a Department of German and the division of the Music Department into four separate departments; Church Music, Music Education, Applied Music, and Theory and Composition.

V. Spiritual Progress

The college considers it a tragedy if any student completes a year at Ouachita without being or becoming a Christian. Every effort is made to win the lost to Christ and to deepen the spiritual lives of those who have already been born again.

While many schools have dropped chapel services, Ouachita has required chapel for every member of the student body and faculty. On the Ouachita campus Christianity is the main business, not just a sideline. Daily vespers, the Baptist Student Union, the Mission Band, and the Volunteer Band are other formal means of spiritual growth and development. But the strongest factor conducive to spirituality is, as it always has been, a faculty dedicated to Jesus Christ and His kingdom's expansion the world around.

Again the College had 199 students preparing for some phase of full-time Christian service. There were enrolled 139 ministerial students, 14 ministers of religious education, 15 ministers of church music, 24 mission volunteers, and 7 others preparing for additional types of Christian work.

VI. Forecast

Recently a man asked, "Just where is Ouachita headed, anyway? What is the school up to?" Thus far the school has been waging a desperate battle to provide classrooms, library space, dormitory and eating facilities for the great group of Baptist boys and girls who have crowded her halls each year. Just keeping pace with the growth of the student body has been a monumental job. The college hopes that it can continue to provide additional facilities rapidly enough to meet the needs produced by future growth, for it would be a tragedy to say to Baptist boys and girls who wanted a Christian education, "Sorry, there is no place for you at Ouachita. Go to a state school."

While near-miracles of construction have managed to provide needed space thus far, there is the distinct possibility that enrollment will have to be limited within a year or two. Unless further financial support is forthcoming, the school has no choice but to cut back her enrollment in order to maintain accreditation. The student-teacher ratio has been much too large, and additional teachers must be provided or the school will lose her accreditation.

The real answer as to what the future holds lies with the Arkansas Baptist State Convention. If Baptists of this state will make available more money to Ouachita through the Cooperative Program, then the College will continue to educate those who knock at her doors. If the money is not provided, then the doors will have to be closed to some. The decision is yours to make.

SOUTHERN BAPTIST COLLEGE

Walnut Ridge, Arkansas

H. E. Williams, President

The 1959-60 academic year of Southern Baptist College was one of the best in her history of nineteen years. The quality of work done in the college and ministerial training departments of the institution met with the highest standards. The faculty and administration felt that the year was marked with many academic advances of note.

Students from Southern continue to make good in other colleges and universities over the nation. Their credits are accepted without reduction and many of them take top honors in the senior institutions. Often reports from these colleges indicate that students from Southern are the best transfer students they receive.

The faculty was engaged in an intensive self-study in connection with application to North Central Association of Colleges and Secondary Schools for regional accreditation. The survey revealed several improvements over the one submitted in 1958. Such a self-survey is calculated to do two major things: (1) provide the college with information about its program by which it can determine changes and improvements; (2) provide a survey team with data about the college by which it can determine whether or not to make a survey for possible accreditation. In view of the data submitted on July 1, it is hoped that negotiations may be entered into with North Central Association officials for examination and possible accreditation.

Total income for the college was \$162,263.53 according to the report of the auditor. The Arkansas Baptist State Convention contributed \$32,010.00 and the remaining \$130,253.53 came from other sources. The college is indeed grateful for the aid received from the State Convention and attempts to make every dollar serve the Lord in the finest possible fashion for the advancement of the Kingdom of the Lord.

The net gain in the enrollment for the regular session was slightly above that of the previous year. Prospects for the coming session are much better with more reservations paid than in any previous year for several years.

The college is now completing her third dormitory which will be occupied this fall. It is a large brick dormitory for men. The arrangements are the very latest with a bath between each two rooms and plenty of recreational facilities. It is a two-story construction of latest modernistic architectural design. The front is trimmed with cut-stone of a very nice peach blend. A nice apartment is provided for the matron.

Southern Baptist College remains the only Baptist institution within easy reach of a population of over 2,000,000 people. Her immediate parish is her area but her service area is the world.

**ANNUITY BOARD, S. B. C.
Dallas, Texas**

R. Alton Reed, Executive Secretary

Benefits Paid

Over \$31½ million has been paid out by the Relief and Annuity Board during its 42 years of operation. Benefits paid through the various retirement plans alone totaled more than \$24½ million, while the remainder was paid to beneficiaries on the relief rolls. In 1959, benefits amounting to \$2,267,455.85 was paid to more than 5300 retired and disabled ministers and denominational workers or widows.

New Members

A 10 per cent increase in new members in all the retirement plans, 3,026, was recorded for 1959 over the previous years. At the end of the year, 20,741 ministers and denominational workers were participating in the plans, with more than 12,000 churches and agencies co-operating. The Southern Baptist Protection Plan, the Annuity Board's basic plan for ministers, enrolled 1,627 new members last year, the largest increase for a single plan.

Churches Urged To Pay 10 Per Cent

Last year marked the beginning of a concentrated effort by the Annuity Board which encouraged churches to assume the full cost of the Protection Plan for their pastors. The cost is 10 per cent of the pastor's salary up to a maximum of \$4,000. Annuity Board records indicate that approximately 20 per cent of the churches now enlisted in the program are paying the 10 per cent dues.

As a part of the concentrated promotion effort, every state convention has pledged its support to the Annuity Board in trying to reach its goal of a minimum of 75 per cent of Southern Baptist churches and pastors enlisted in the protection program by January 1, 1961. A few states have already reached the 75 per cent and are pushing toward 100 percent participation.

The Annuity Board's program is set up so that each state has its individual retirement plans, and the administration of these is handled apart from other states. The strength or weakness of a state's retirement program depends wholly on the participation by churches and pastors in that state.

Churches In Protection Plan—According To Size

There are 23,085 churches in the Southern Baptist Convention reporting memberships under 300. Out of this group, the Annuity Board reports only 5,110 participating in their program. The majority of churches in the Board's retirement plan, 6,008, come from the remaining 8,821 churches. The smaller churches reporting the least number participating are the ones needing the protection most. A salary survey shows pastors of these churches make on the average, only \$2,480 a year.

FOREIGN MISSION BOARD

Southern Baptist Convention

Richmond, Virginia

Baker J. Cauthen, Executive Secretary

"Southern Baptists must measure our mission undertaking by our potential—not by what we or others have done. When we put what we are doing alongside the reality of human need and the reality of open doors in the world, we recognize that we have hardly begun. We must measure what we are doing by the crisis of our day. This is the day of destiny."

MISSIONARY PERSONNEL: Many Places of Need

Appointments totaling 144 during 1959 and 31 from January to May, 1960, bring the number of foreign missionaries in active service to 1,407. The appointment goal for all of 1960 is 150. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1959, there were 675 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church developments, theological education, nursing, student work, and religious education. "Although God has blessed remarkably in new missionaries appointed, we have hardly scratched the surface of critical need in the countries where our missionaries serve—not to mention the vast unentered ones!"

—Elmer S. West, Jr.

MISSIONARIES SERVE: 44 Countries

Southern Baptists now have missionaries in 44 countries and separate entities: Argentina, Bahamas, Brazil, Chile, Colombia, Costa Rica, Ecuador, France, Gaza, Ghana, Guatemala, Guinea, Hawaii, Honduras, Hong Kong, Indonesia, Israel, Italy, Japan, Jordan, Kenya, Korea, Lebanon, Macao, Malaya, Mexico, Nigeria, Northern Rhodesia, Nyasaland, Okinawa, Pakistan, Paraguay, Peru, Philippines, Singapore, Southern Rhodesia, Spain, Switzerland (international seminary), Taiwan, Tanganyika, Thailand, Uruguay, Venezuela, and Vietnam.

Southern Baptist foreign missions reached out to six additional countries in 1959.

WORLD EVANGELIZATION: The Ultimate Goal

Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, good will centers. But all are interactive and the goal of each is evangelization. Whatever their institutional duties, all missionaries participate in work of the churches in their stations.

National pastors number 2,193. Most of the churches have Sunday schools, and many have other church-affiliated organizations. The 3,269 churches and 6,332 chapels and mission points reported a Sunday school enrolment of 340,346. There were 28,228 baptisms during 1959, and church membership reached the 427,204 mark. (These figures include 392 churches, 410 chapels and mission points, and 123,000 church members estimated for China).

EDUCATION: Training National Leadership

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,002 Baptist schools, which enrol 151,276 students, are served by 4,781 national and 304 missionary teachers. Among the schools are 32 theological institutions with 1,359 students and 4 women's training schools with 256 students. Other schools range from kindergarten to college.

Expansion plans call for beginning construction of buildings for a small seminary in Arusha, Tanganyika, in the fall of 1960. The seminary in Beirut, Lebanon, will open in temporary quarters in September, 1960, and move to new buildings in 1961.

MEDICAL WORK: Unlimited Opportunity for Soul-Winning

This ministry is carried on through personal contacts with patients and their families, devotional services, distribution of literature, and follow-up visitation after patients leave the hospital.

Medical mission institutions include 17 hospitals and 80 clinics and dispensaries with a total of 1,060 beds. There are 49 missionary and 74 national physicians, plus 61 missionary and 226 national nurses. They served 263,379 patients during the year, of whom 29,396 were in-patients.

Dedication services were held for the Baptist Tuberculosis Hospital in Mbeya, Tanganyika, on August 11, 1959, and for the hospital in Kontagora, Nigeria, in February, 1960. Green Memorial Nursing School opened its new quarters at Eku, Nigeria, in January, 1960. A hospital is under construction in Hong Kong. The first medical doctor for Thailand was appointed in December, 1959.

PUBLICATIONS: The Printed Word

The largest mission publication centers are the El Paso, Texas, plant, which supplies Baptist literature for Spanish-speaking groups in 41 countries, and the Rio de Janeiro, Brazil, plant, which supplies Baptist literature and Bibles in Portuguese. The major plant for Chinese literature is located in Hong Kong. Several other Missions have plants of varying sizes.

Fourteen publishing centers turned out 14,125,799 pieces of literature during 1959. These included periodicals, tracts, and books. Fifty-four missionaries and 360 nationals serve on publication staffs.

RECEIPTS: Advance Must Continue

Total contributions of Southern Baptists for foreign missions amounted to \$15,985,116.39 during 1959. Funds from the 1959 Lottie Moon Christmas Offering totaled \$7,706,847.29.

The advance section of the Cooperative Program (75 per cent of funds after Convention-wide budget is reached) came to \$1,575,912.51 in 1959.

HOME OFFICE

One hundred and fifteen people work at the Foreign Mission Board's home office, located at 3806 Monument Avenue, Richmond, Virginia.

The Board's magazine, *The Commission*, reported an average circulation of 107,024 last year.

(A survey based on 1959 statistics by the Department of Missionary Education and Promotion, Foreign Mission Board, SBC, Richmond 30, Virginia).

HOME MISSION BOARD Southern Baptist Convention Atlanta, Georgia

Courts Redford, Executive Secretary-Treasurer

2,000 Missionaries Reported

Southern Baptists support a missionary force of more than 2,000 on home mission fields according to Courts Redford, Atlanta, executive secretary of the Home Mission Board. In addition there were 470 student summer missionaries. These missionaries reported 44,649 professions of faith in 1959.

Co-operation Brings Gain

Redford attributed the gain of 344 in personnel over the previous year to 16 co-operative agreements between state conventions and the

Home Mission Board. The agreements combine financial and personnel resources for a unified, evangelistic, and missionary program within the states.

Budget Support

The Annie Armstrong Offering and the Cooperative Program provided \$4,151,389.58 for home mission work during 1959.

Seven Programs Emphasized

A major emphasis of home mission work, which is active in all states, has been seven programs outlined by Redford as: evangelism, church loans, chaplaincy, pioneer and associational missions, city missions, National Baptists, and language group missions.

Missionary Requirements Adopted

A milestone was reached in missionary personnel appointment in the adoption of minimum requirements by the Board. Conferences with students at Southern Baptists' six seminaries indicated God's leadership to pioneer areas.

Loans Made to Pioneers

Pioneer missions received about \$1,312,000.00 The Church Loans Division has majored on pioneer areas. Loans amounting to almost \$2 million and totaling 155 were made during 1959. The Southern Baptist Convention has made \$4 million available to the Board for loans for the next five-year period.

"Big Cities" Includes Seattle

At the end of 1959, 74 city mission programs were in operation. Seattle, Wash., became the fourth major city to be included in Southern Baptists' "Big Cities" program with the appropriation of \$100,000.00 for church sites. A major emphasis of the City Missions Department has been on its juvenile rehabilitation programs, Jewish work, and 45 mission center programs.

10,000 Toward 30,000

The 30,000 Movement is progressing toward the 1964 goal. More than 10,000 new churches and missions had been started by May, 1960. The Board's Department of Survey and Special Studies plans surveys of communities, cities, and entire states to pinpoint mission needs and get information on families.

430,000 Baptized In '59

Southern Baptists joined six other North American Baptist bodies in making 1959 a year of evangelism. Southern Baptists alone bap-

tized 430,000 and reported 1½ million church members signing soul-winning commitment cards and a record-breaking number taking soul-winning study courses. The Division of Evangelism will give increased emphasis on personal soul-winning and Christian growth.

Missionaries In Language Work

More than half the home missionaries work with language groups, deaf, and migrants in the United States, Cuba, Panama, the Canal Zone, and San Blas Islands. Missionaries in Cuba report that this is their greatest opportunity to win Cuba for Christ.

Chaplaincy Grows

Growth in the hospital, institutional, and industrial chaplaincy was reported by the Division of Chaplaincy. The Chaplains Commission endorsed 171 military chaplains during the year. There are 419 Southern Baptist chaplains on active duty in the Armed Forces and 660 in reserve. Thirteen thousand one-hundred and ninety-three baptisms were reported as a result of this ministry.

HMB Makes News

The Home Mission Board became a part of Southern Baptists' advance communication system through a teletype network which connects 25 Baptist offices in 19 cities. A Baptist Press regional office was established in Atlanta. Four filmstrips, slide presentations, and promotional literature were produced and distributed, and exhibits were planned for conventions, assemblies, and camps. More than 2,500 churches conducted Schools of Missions in 152 associational programs.

National Baptist Report Released

The extent of Southern Baptist work with National Baptists was revealed in a comprehensive report released during the year, in which the Department of National Baptist Work participated. There are 71 workers employed by the Home Board, who work primarily in education and mission institutions for Negroes.

New Personnel Added

The expanding work of home missions depends on personnel, and during the year these workers joined the staff: C. E. Autrey, director of the Evangelism Division; Jack Stanton, associate in the Evangelism Division; Lewis Newman, associate in the Department of Associational Missions; Gerald Palmer, associate in the Department of Language Missions; L. D. Wood, superintendent of Panamanian Missions; Walker L. Knight, secretary of the Department of Editorial Services, and Thomas Haynes, escrow officer in the Church Loans Division.

**THE CHRISTIAN LIFE COMMISSION OF THE
SOUTHERN BAPTIST CONVENTION**

Nashville, Tennessee

Foy Valentine, Executive Secretary

The purpose of the Christian Life Commission is to help Southern Baptists to carry into every area of life the whole gospel of Jesus Christ. Specifically, the Commission strives to create a keener awareness among Southern Baptists of their Christian responsibility in the areas of family life, race relations, the economic order, Christian citizenship, and Christian morality as it relates to such matters as beverage alcohol, gambling, salacious literature, juvenile delinquency, and world peace.

As in the beginning, when God made man his brothers' keeper, every Christian today is charged with a world of social responsibility. The bearing of this cross of practical, human, social responsibility, is not optional. It is as obligatory as the blood of Christ can make it. The Christian Life Commission, committed to this concept, has sought during the past year to help Southern Baptists to understand the practical aspects of our Christian faith, and to be doers of the Word and not hearers only. This has been undertaken through the continued distribution of tracts and pamphlets on applied Christianity, the joint sponsorship with the Carver School of Missions and Social Work of a special conference on aging, the presentation at Glorieta and Ridgecrest of timely Conferences on Christianity and Political Action, preparation of numerous articles for Baptist publications on subjects relating Christianity to current practical needs, and the providing of speakers for Baptist programs requiring specialization in the field of Christian ethics.

The Commission's services, through its offices at 161 Eighth Ave., North, Nashville 3, Tennessee, are available to churches, departmental organizations within the churches, associations of churches, and interested individuals. There are several ways to use the services of the Christian Life Commission:

1. Write for free sample copies of courageously conceived, carefully worded, and attractively prepared pamphlets designed to help Southern Baptists to relate Christianity to everyday life. These tracts may then be used as source materials for sermons, as supplementary aids for special emphasis in programs of the Sunday School, Training Union, W. M. S., and Brotherhood, as bulletin inserts, as fillers for tract racks, and as counselling aids.
2. Contact the Christian Life Commission for help in planning a Christian Life Conference for your church. This Conference combines the values of both a study course and a revival and is designed especially for those churches which are genuinely

concerned about helping their members to relate Christianity to the problems, challenges, and needs of daily life. The five or six day Christian Life Conference, adaptable to any size church, features five simultaneous study groups on the application of Christian principles to family life, race relations, daily work, moral issues, and Christian citizenship and a sermon each night during the week on each of these vital subjects.

3. Include a definite emphasis on Christian ethics in annual encampment programs, securing from the Christian Life Commission office suggestions concerning proven programs.
4. Make definite plans to attend one of the Christian Life Conferences on applied Christianity at Glorieta or Ridgecrest next summer during Bible Week.
5. Plan and promote at least one Associational Worker's Conference during the year to emphasize applied Christianity, using sample programs provided by the Christian Life Commission as a starter for building a program to fit your particular need.
6. Set up a Christian Life Committee as a standing committee of the association charged specifically with leading out in the solution of moral problems, in the discharge of duty in the realm of Christian citizenship, and in the general application of Christian convictions and insights to everyday life.
7. Call on the Christian Life Commission for specialized information and assistance with community or church problems within the scope of the Commission's work and responsibility.

The Christian Life Commission is gladly dedicated to the task of helping Southern Baptists to match Christian belief with Christian behavior and welcomes every opportunity of service to brethren in Christ throughout the Convention.

THE EDUCATION COMMISSION

Southern Baptist Convention

Nashville, Tennessee

Rabun L. Brantley, Executive Secretary

When the Board of Christian Education became the Education Commission in 1921, the work of the Commission was described as being "both eyes and mouth for Southern Baptists in all matters pertaining to education." This is the job the Commission undertakes to do, which includes furnishing educational aids and information to the churches, colleges, teachers and to young people as they choose colleges and vocations.

New Secretaries

Rabun L. Brantley became executive secretary of the Commission on September 1, 1959. R. Orin Cornett resigned February 1, 1959 and

the work of the Commission was carried on for seven months by Ralph A. Phelps, Jr., president of Ouachita College and chairman of the Commission, with the capable help of Marjorie Howard, office manager and other members of the Commission staff. Dr. Brantley came from the vice-presidency of Mercer University and had previously served for eleven years as president of Virginia Interment College. He had formerly taught and held administrative posts at Tift College, Mary Hardin-Baylor College and the University of Georgia in Atlanta.

The work of the Commission continued to grow even during the seven months when there was no executive secretary.

John A. Barry, Jr. came to the Commission on December 1, 1959 as associate secretary in charge of the placement services. He studied at Furman University, Southwestern Theological Seminary and at Yale. Dr. Barry taught at Southwestern, Furman, and was president of Coker College for four years.

With the coming of Dr. Barry it is expected that the placement services will enrol more registrants, especially in such critical areas as mathematics, chemistry, biology, and physics.

Enrolment and Support Increase

Southern Baptists operate seventy-one seminaries, colleges, and schools. Enrolments of regular students have reached a record high for 1959-60 of 61,194 students compared to 61,086 in 1958-59. In addition there are 8,221 special and extension students, making a total of 69,415.

Graduates from the seventy-one schools from September 1958 to August 1959 totaled 10,006 compared with 10,218 the preceding year.

State Conventions and the Southern Baptist Convention increased gifts to the schools from \$14,169,831 to \$14,729,621. Gifts from the conventions for operations amounted to \$9,280,117 and for capital projects \$5,449,504.

In addition, the schools received \$8,232,505 in gifts, grants, and donations.

The total assets of Southern Baptist educational institutions continue to grow. Property value is listed at \$231,655,841 and endowments at \$79,686,028, or a total of \$311,341,869.

Christian Service Volunteers

This year there are 13,471 students who have volunteered for some church-related vocation as compared to 14,344 in the preceding year.

Ministerial students number 8,233 compared to 9,063 in 1958-59; mission volunteers 2,070 compared to 2,011; educational directors 2,009

compared to 2,173; and church music volunteers 1,159 compared to 1,097.

Institutional Changes

Presidential changes included Herbert C. Gabhart succeeding R. Kelly White as president of Belmont College; Robert L. Mills replacing acting president Henson Harris at Georgetown College; E. N. Patterson replaced acting president Glenn Eason at Grand Canyon College; and Rufus C. Harris replaced interim president Spright Dowell at Mercer University.

Colleges accredited by the Southern Association of Colleges and Secondary Schools in December are: Belmont College, Anderson College, and Decatur Baptist College.

Problems of the Schools

Increasing numbers of students are seeking admission to colleges. Baptist colleges now enrol only one out of five Baptist students who attend college in the area of the Convention. If all Baptist students sought enrolment in Baptist colleges the schools would be hopelessly swamped. There is no prospect that Baptist colleges will ever have enough resources to offer a place to every Baptist student. Therefore, the colleges must try to decide what their maximum registration will be and then make every effort to enrol the best possible students who apply.

Though denominational support is increasing the institutions are still in great need of new buildings, renovations, salary increases, and larger endowments. In order to try to meet these needs the schools report special campaigns under way amounting to \$90,063,752.

The faculty is the real heart of a college. Baptist colleges are having to compete with business and industry and the defense effort in recruiting good teachers. The colleges must make every effort to recruit and hold effective and dedicated teachers. Without them the education program of Southern Baptists will be ineffective and cause the entire program of the denomination to suffer.

In spite of needs, Southern Baptist colleges are 88.2 per cent accredited, compared to the national average for all colleges of 77.2 per cent.

The work of the Commission is grouped in four areas, as follows:

1. A Program of Christian Education Promotion and Information.
 - a. A central source of information on educational matters.
 - b. The Commission is invited each year to prepare news stories and articles about its work for Baptist publications. The circulation of these articles runs into hundreds of thousands.

- c. Publication of *Southern Baptist Educator* nine times a year, the *Southern Baptist Campus Directory* and tracts for February emphasis on Christian Higher Education and Baptist Schools.
 - d. Clearing house for exchange of ideas and interpretation of trends and techniques.
 - e. Cooperation with the Southern Association of Baptist Colleges and Schools in holding annual conferences, meetings and workshops.
 - f. Annual report to the Southern Baptist Convention.
2. A Program of School and College Studies and Surveys.
 - a. Studies and surveys in existing institutions.
 - b. Surveys for proposed institutions. The Commission has been called on by states, cities and colleges twenty-one times in recent years to make studies and surveys having to do with future plans for and promotion of colleges in their areas. The Commission is in correspondence with two states relative to plans for colleges in the future.
 - c. Surveys and consultations on specific problems
 - d. Advisory services on regional standards
3. A Program of Teacher Recruitment and Placement
 - a. Recruitment of teachers through interviews and otherwise from the leading graduate schools. Baptist colleges need 500 or more new teachers or replacements each year and qualified teachers are in short supply. December 1, Dr. Barry began his work of visiting graduate schools and recruiting teachers.
 - b. More requests for teachers are coming from the college presidents than at any time in the history of the placement service. In February one president asked for help in finding fifteen teachers with the Ph.D. degree.
4. A Program of Guidance in Vocational and College Choices
 - a. Editing and publishing *Career News* which is issued ten times a year. The publication gives vocational guidance and job information to juniors and seniors in high school and freshmen in college, stressing Christian motivations.
 - b. Annual February emphasis on Christian higher education and Baptist colleges in the churches. During the year about 1,500,000 pieces of vocational materials were mailed.
 - c. Suggested helps to churches for church-centered guidance programs.

- d. Publishing, promoting and mailing the **Southern Baptist Campus Directory** of seventy-one seminaries, colleges and schools. 4,000 prepublication orders for this handy reference book were received on the current issue.

**THE HISTORICAL COMMISSION,
SOUTHERN BAPTIST CONVENTION**

Nashville, Tennessee

Davis C. Woolley, Executive Secretary

The Historical Commission was created by the Southern Baptist Convention to serve the history interests of Baptists. It functions upon the principle that Baptists must know their history in order to understand and appreciate their heritage and world mission.

The Commission conducts a two-fold program: first, the **Procurement** of originals or reproductions of everything ever written by or about Baptists; second, the **Utilization** of these materials to meet the history needs of all Baptists and Southern Baptists in particular.

These historical materials with all denominational archives and museum artifacts are preserved in the Dargan-Carver Library in Nashville, which is a research center jointly operated by the Commission and the Sunday School Board. Copies of rare materials are microfilmed and made available to others. Through publications, writer's conferences, research, consultation, and other projects, the Commission helps Baptists to know their history and to use it in achieving their world task.

Allied with the Historical Commission in serving the history interest of Baptists are the State Baptist Historical Commissions or Societies and the Church Administration Department of the Sunday School Board. These organizations offer assistance to the church history committee in its work.

The history committee of a church promotes such projects as observing anniversaries, gathering and preserving the church's records and other materials related to its history, arranging to have them microphotographed for a permanent record, writing the church's history, and keeping the Church Book of Remembrance. Helpful materials for the history committee are available from the Book Stores and from the Church Administration Department.

Every church is urged to have a history committee actively at work cooperating with associational and state history projects.

**RADIO-TELEVISION COMMISSION,
SOUTHERN BAPTIST CONVENTION**

Fort Worth, Texas

Paul M. Stevens, Director

Worldwide radio and television are now realities. In the light of present day tensions and world conditions, mission work by way of radio and television may be the only means of witnessing to large areas of our world which are now, or soon may be, closed to our present mission methods.

Early in October a 15-minute evangelistic preaching program will be transmitted in Russian by short wave into Moscow from Monte Carlo. A quarter-hour version of the "Master Control" program will be beamed weekly from the same transmitter into Great Britain beginning in November. Other language broadcasts are planned for the immediate future.

The Radio and Television Commission preaches the Good News of Christ almost daily somewhere, reaching individuals who might otherwise never hear the message of Life. God is blessing Southern Baptists' efforts to use radio and television as evangelistic tools. There are three main facets to the work of your Radio-Television Commission: 1) preaching the gospel on radio and television; 2) building an audience for the programs; 3) providing counsel and filling requests which come in response to the programs.

The Commission is currently producing seven programs for radio, including the two new ones mentioned above. Others distributed weekly are "The Baptist Hour," "Master Control," "La Hora Bautista," "International Sunday School Lesson," and "The Chapel Upstairs." A children's program, a music program and a program designed to teach literacy are now in the planning stages.

Preparation of "The Answer" series for television continues to be a highly successful method of reaching the unchurched and frequently uninterested viewer. At the same time, "Televangelism" as a project through which to relate church visitation and evangelism to the television program continues to be used effectively—this year by more than 6000 churches and participated in by over 75,000 individuals. A new series of 13 films for use in 1961 has been produced, bringing to 52 the films available to television stations. Other types of programs are being planned to serve and represent Southern Baptists on television.

Requests for prayer come daily in the mail and are taken up by the staff at a morning devotional period. Spiritual and moral counsel are given to hundreds by mail, as each writer is urged to contact his local pastor.

Southern Baptist pastors can now obtain **The Beam**, monthly 68-page magazine of the Commission, upon request without cost, and a budget plan of 50c a year is available to churches which have 25 or more subscribers. The periodical doubled in size with the October issue.

You are urged to hear and view the programs which are on radio and television in your area. And above all, pray for us as we attempt to use wisely these divine opportunities to spread the Good News.

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY

New Orleans, Louisiana

H. Leo Eddleman, President

New Orleans Baptist Theological Seminary today finds faculty, alumni, and trustees uniting to make her stronger in loyalty to the ideals which inspired the founding fathers to establish her in 1917. To meet the needs of an everexpanding population around the world, she is committed to the seminary's original hallmark of "providence and prayer." One out of every nine full degree graduates has served or is now serving under some foreign mission board.

Three In One

The School of Theology, awards the B. D., Th. M. and Th. D. degrees. Three-fourths of the student body are enrolled in this school. It is fully accredited, with 21 faculty members, one contract teacher, and a number of special tutors. It majors on the pastoral and preaching ministry to meet the needs of the people and the churches.

The School of Religious Education, has 8 faculty members, one contract teacher, and several tutors. The degrees (B.R.E., M.R.E., and D.R.E.) are fully accredited by the American Association of Schools of Religious Education. Besides educational directors there is specialized training for youth workers, counselors, recreation leaders, student work, etc.

The School of Sacred Music, has 8 faculty members and several tutors. It has never abandoned the concept of music "of the people, by the people, and for the people" that the joy of the Christian faith may be augmented for all through singing.

Outstanding Features

Faculty—able, consecrated, scholarly, 39 in all with numerous tutors and two contract teachers.

Enrollment—1959-60 stands at over 900 not including summer school.

Student Expenses—include only small fees charged by all Southern Baptist seminaries. No tuition. Other costs like books, food and rent are moderate.

Church Work—Over 426 students hold such positions. The number increases annually. Greater New Orleans offers unlimited opportunities for remunerative employment.

Housing—includes 273 apartments for married students, 84 units for single girls, 260 for single men, with more housing for married students about to be constructed.

Summer School—lasts two months, classrooms air conditioned, embodies a semester's work in two courses of regular curriculum.

Extension classes and correspondence courses—available by writing Dr. Lee Gallman, Box 1154, Jackson, Mississippi.

Field Mission Work—required of all students. It is part of the academic program. One-half hour credit per semester is given. Last session students reported 2226 additions by baptism, 3263 by letter and 594 professions of faith during other assignments for 32 weeks. This is an average of 190 decisions per week, or enough to start two or three churches each week if they were all in the same area.

MIDWESTERN BAPTIST THEOLOGICAL SEMINARY

Kansas City, Missouri

Millard J. Berquist, President

During its first year of existence Midwestern Baptist Theological Seminary enrolled 150 students. Our second year's enrollment totalled 296, coming from 68 colleges and universities, and 33 states. An enrollment of approximately 425 is anticipated for the 1960-61 session.

By the opening of school in September, 1959, we had enlarged our teaching faculty from the first four to ten, adding the following well-trained and experienced men:

- Dr. Roy L. Honeycutt, Old Testament Interpretation
- Dr. George Thomason, New Testament Interpretation
- Dr. Clifford Ingle, Religious Education and Church Administration
- Dr. C. DeWitt Matthews, Preaching
- Dr. Hugh Wamble, Church History
- Dr. Morris Ashcraft, Theology

On September 6, 1960, we will commence our third session. Additional courses will be added leading to a B.D. degree. The following new professors have been added to the faculty for the coming session:

Rev. Pierce Matheney, Assistant Professor, Old Testament Interpretation

Dr. William B. Coble, Associate Professor, New Testament Interpretation

Dr. John Howell, Professor, Christian Ethics

Our first commencement exercises will be held in the spring of 1961.

We have been occupying our new campus since September 15, 1959, having the use of four new buildings—administration, auditorium, library, classroom. An additional classroom and Student Center building is now in process of construction. We hope that next year sufficient funds will be available so that we can commence our much-needed student housing, dormitory, cafeteria, infirmary, and child care center projects.

Featured guest missionary day speakers have been Dr. Frank K. Means, Dr. Conrad Willard, and Miss Valda Long on furlough from Nigeria.

The Dr. and Mrs. H. I. Hester Lectureship on Preaching was inaugurated the week of March 15. Dr. Theodore Adams, president of the Baptist World Alliance, of Richmond, Virginia, was the featured speaker this year.

We are grateful to Southern Baptists for their widespread interest in Midwestern and for their prayerful support. We shall seek to do our utmost to warrant your faith and trust. We have a splendid group of mature students who come from every direction of our Convention. The challenge of new frontiers appeals to them. Here they find abundant work opportunities to enable them to make their way financially as they study. Seventy-five per cent of our students have pastoral work and all who wish and need it have no difficulty securing secular work. Many of the wives of students teach in the public school systems and others work in offices and stores.

We make every effort to be of every assistance possible in enabling these fine young people to become happily situated, and all of them are very grateful for the opportunities presented them here to prepare themselves for their high and holy calling as good ministers of Jesus Christ.

SOUTHERN BAPTIST THEOLOGICAL SEMINARY

Louisville, Kentucky

Duke K. McCall, President

The Southern Baptist Theological Seminary has celebrated its Centennial and begun its second century of service to our Lord through the training of leaders in service for Baptist churches.

During the past year the Seminary completed, occupied and dedicated the \$1,750,000 James P. Boyce Centennial Library; inaugurated its first Dean of the School of Theology, Dr. C. Penrose St. Amant; increased the size of the faculty to the largest in history; began preparation for the construction of a new building for the School of Church Music and made many other administrative and academic improvements.

In the words of President Duke K. McCall the year's activities may be summed up as: "A return to normalcy is perhaps the best phase for summarizing the current school year. It has been a happy and effective year in which spiritual and educational values have occupied the spotlight."

If any one event could be considered the highlight of the year of the Seminary, it would probably be the dedication of the new Library. This new building of 76,000 square feet serves as the hub of the campus. It has a seating space for 650 students and shelf space for 225,000 volumes. This includes the Carver School Library which is now housed in this building, making it a joint library for these two Southern Baptist institutions. The Nicol Museum of Biblical Archaeology has been established in the Library and the Billy Graham Room, housing the full collection of papers and other materials of the famous evangelist, was dedicated on May 9, 1960.

The first allocation of Cooperative Program funds for current operations has been made to the Seminary on the formula developed by the Seminary presidents in consultation with three independent educators. This formula effectively channels available funds into the primary purpose of an educational institution, administration and faculty.

The accrediting commission of the American Association of Theological Schools voted, after a report from a team of inspectors, to continue the accredited status of Southern Seminary.

The 1959-60 Seminary enrollment was 1288 students. The School of Theology has an enrollment of 762 with 25 faculty members, 7 instructors, 29 fellows and teaching assistants. Dr. Dale Moody has been appointed director of graduate studies and the requirements for both Th.M. and Th.D. degrees have been strengthened.

The School of Church Music, with Dr. Forrest H. Heeren as Dean, has 74 enrolled with 7 faculty members, 12 instructors, 2 fellows and teaching assistants. The new \$500,000 Church Music School building will be under construction within a year and should be ready for occupancy in September of 1962.

The School of Religious Education, Dr. Allen W. Graves, Dean, has 147 enrolled, with 7 faculty members, 5 instructors, 7 fellows and teaching assistants.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY**Fort Worth, Texas****Robert E. Naylor, President**

Southwestern Baptist Theological Seminary entered its fifty-second year with an enrollment of 2,394—1,427 in the School of Theology, 810 in the School of Religious Education and 157 in the School of Church Music.

Students came to Southwestern from 38 states including Alaska and Hawaii, the District of Columbia, and fifteen foreign countries. More than 200 universities and colleges are represented in the student body, with 1,925 men and 469 women.

A spiritual emphasis week was conducted by Dr. Leonard Sanderson and LeRoy Till. Dr. T. B. Maston, professor of Christian Ethics, participated in the Protestant Chaplain's Retreat and toured the far east.

The Southwestern Singers toured the state of Texas in the Fall and sang at the Baptist General Convention of Texas and toured from Texas to Miami, Florida, in the spring singing at the Southern Baptist Convention. The traditional Handel's "Messiah" was presented on December 1, 1959.

The students of Southwestern Seminary participated sacrificially in the Lottie Moon Christmas offering for foreign missions giving \$21,763.72.

Something new in the way of an experimental center for marriage and family counseling was established jointly by the Seminary and the Home Education Department of the Sunday School Board to serve both students and residents of Fort Worth. Faculty members are directing the center.

On February 1, 1960, John Earl Seelig became Assistant to the President in the areas of Public Relations, Alumni Activities and Church Contacts.

A conference on counseling and guidance was sponsored by the School of Religious Education in February.

The annual Missions Conference held March 11-13 drew almost a thousand college students and scores of missionaries who shared deeper and more complete commitment to missions.

The first Nation-wide Southern Baptist Sunday School Convention met in Fort Worth and part of the conferences were conducted at the Seminary. A seminary alumni homecoming dinner was held on March 30.

Dr. Floy Barnard, Dean of Women, retired at the close of this year after 27 years of service on Seminary Hill.

Dr. Theodore F. Adams, President of the Baptist World Alliance, was the May 13 Commencement speaker.

Faculty members added during the year included Gene Lacoste Munn in New Testament, Harold Dill in Youth Education, and William Greenlee, Research Librarian.

More than 400 students at Southwestern are volunteers for missions service and almost half of those appointed by the Foreign Mission Board during the current year were Southwestern men or women.

Cowden Hall, the School of Church Music building, is being totally renovated and refurbished at a cost of \$500,000 and will be ready in the Fall of 1960.

Dr. L. B. Reavis, Director of Development, announced construction on forty additional apartments in the J. Howard Williams Memorial Student Village to begin in the Fall. Ninety-six housing units for married students are already completed in this project which calls for a total of 500 apartments. Other immediate building needs include a Student Activities Building and a Children's Building for pre-school children of married students.

**REPORT OF THE
BAPTIST JOINT COMMITTEE ON PUBLIC AFFAIRS
to the
SOUTHERN BAPTIST CONVENTION
Miami, Florida
May 17-20, 1960**

The Baptist movements have their major distinctives and coherence in that understanding of the Gospel of Christ which calls men to voluntary spiritual responsiveness. Baptists distinguish Christian experience from conformity and from uniformity. Accordingly, Baptists everywhere have stood for freedom of conscience, freedom of the churches, and for separation of church and state.

The practice of these fundamental Christian principles has become peculiarly difficult and involved in modern times. The extension of the services undertaken through government agencies, the extension of the institutions of the churches in education and welfare, and the peculiar tensions between groups and movements in our times call for concerted thought and for a careful stewardship of influence. The Baptist Joint Committee on Public Affairs is maintained for the sake of this Baptist witness to our American nation and to the world.

The maintenance of a proper separation of church and state in the midst of the necessary coexistence of these institutions demands definition of terms and positions. The Committee's concept of a min-

imum separation includes six criteria, as reported to and commended by the Southern Baptist Convention in 1959 (see Annual, page 421).

In carrying forward its work the Baptist Joint Committee on Public Affairs is currently advancing four programs.

The Information Program

The "Information Program" in its present form has been developed during the last several years and has already paid off in large amounts of current material reaching pastors and people of the Southern Baptist Convention. In 1959 this office served as the source for 116 stories and feature articles which appeared in 691 printings in Baptist state papers. With dozens of special articles, program plans, etc., being developed each year, and a growing circulation of **Report From The Capital**, we have made a good beginning toward an informed constituency. As currently projected the Information program involves several activities:

- (1) screening religious periodicals, e.g., Roman Catholic papers, etc.;
- (2) covering Washington front, government activities and releases;
- (3) keeping files on relevant materials;
- (4) publishing **Report From The Capital**;
- (5) contributing articles, as requested by denominational organs or agency publications;
- (6) publishing pamphlet materials;
- (7) supplying materials for editors, e.g., Baptist Press;
- (8) developing instructional aids for the field, visual and audio.

The Study Program

The "Study Program" also reached a new level of significance in the Religious Liberty Conference of 1959. At this conference 94 Baptist leaders from six different fellowships spent two days in consultation regarding church-state relations in the field of education. The launching of a coordinated research effort among the seminaries and the colleges is held in abeyance pending resources in personnel and funds. The current demand is for assistance in arranging state or regional studies and consultations. Here also several activities are involved:

- (1) sponsoring conferences on meaning of Baptist insights and policies;
- (2) visiting seminaries and colleges to sharpen interest;
- (3) encouraging and aiding graduate students and faculty in research projects;
- (4) distributing key papers and articles;
- (5) working with committees assigned to special topics;
- (6) maintaining a clearinghouse contact regarding study projects.

The Public Relations Program

The potential of the "Public Relations Program," designed to share the Baptist insights with non-Baptist leaders, is portrayed in the Director's invitation to work with the Commission on Religious Liberty of the World Council of Churches, with several departments of the National Council of Churches all involving church-state relations, and in a continuous staff participation with agencies of kindred interest on the Washington scene, and in the publication of Baptist articles in non-Baptist publications, including the public press. This effort toward more adequate communications involves:

- (1) maintaining a source of information for government agencies in need of Baptist data and contacts;
- (2) communicating actions by Conventions and agencies to proper government channels;
- (3) participating in inter-denominational and other non-governmental organizations and other conferences, e.g., POAU, Protestant Consultations, NCCC Committee on Religion and Public Education, Department of Religious Liberty, et al., WCC Commission on Religious Liberty, government briefings and conferences;
- (4) affording the public press and other media a Baptist Washington contact for information and interviews;
- (5) developing materials, e.g., books and articles, which state the Baptist viewpoint.

The Coordination Program

A more effective stewardship of the Baptist influence seems to await some coordination of the influence held at state convention levels. Approximately 38 state conventions and city mission organizations now have committees carrying some responsibilities in these

matters. While the plans for 1961 are designed to give more strength to all four programs, the major effort is aimed at "coordination." The outlines of this program are now on the drawing board and include:

- (1) encouraging state organization and joint interests at state level;
- (2) consulting with and assisting agencies or state committees desiring assistance;
- (3) working out concerted emphases and/or clearinghouse facilities;
- (4) issuing guides and manuals as needed;
- (5) preparing substantive materials needed for concerted emphases;
- (6) participating in Baptist religious liberty conferences sponsored by other groups.
