

**OUACHITA'S COMMUNITY IS
WHAT MADE THIS YEAR THE
SUCCESS IT WAS. STUDENTS,
FACULTY AND STAFF CAME
TOGETHER TO CREATE ANOTHER
CHAPTER OF THE SCHOOL'S
HISTORY. THE PEOPLE WHO
POURED INTO OUACHITA
AND HELPED TO TELL
THIS STORY WERE**

like no other.

TIGER SERVE Day leadership waits with eagerness for students to come get their assignments and tools. Students were allowed to go back into homes to serve this year.

MISS OBU 2022

Kaelin Clay

Miss Ouachita Baptist University Kaelin Clay, 19, competed for the title of Miss Arkansas 2022 from June 11-18 during the Miss Arkansas Scholarship Competition at Robinson Center in Little Rock.

Clay, a sophomore communications and music industry double major from Idabel, Okla., was crowned Miss OBU during the 54rd Annual Miss Ouachita Baptist University Scholarship Pageant on Saturday, Feb. 12. Reflecting on her win, she said that when she toured Ouachita as a prospective student two years ago, "I instantly knew that by choosing this university I would choose a world of opportunities. I had no idea that this choice would lead to me representing Ouachita on the Miss Arkansas stage."

"From the time I was a little girl," she added, "I knew I wanted to be Miss America. Representing the school that has given me treasured connections and representing the beautiful Natural State is, what I believe, the perfect path to reaching my dreams. I'm so grateful for Ouachita and the community for pouring into this journey. I wouldn't have it any other way!"

Sponsored in the Miss OBU competition by Ouachita Singers, Clay performed a vocal arrangement of the aria "Glitter and Be Gay" from the operetta *Candide*—a presentation she will repeat in the talent portion of the Miss Arkansas competition. Participating at the statewide level will give Clay a larger platform to advocate for her social impact initiative, "The Confidence Blueprint." She developed the four-part approach to building self-esteem based on her own experience enduring bullying as a young teenager.

When asked during the Miss OBU pageant how she could best share encouragement around building self-confidence, Clay replied, "I experienced in eighth grade being the girl who sat alone at lunch, who wanted to go to the bathroom and cry during the day because of how the words of my classmates impacted me. By sharing my story, I can let everyone know we share common ground and that it is okay if you're lacking confidence, because there is a possibility to build up that confidence. That is the most impactful way I can encourage others."

During the Miss OBU competition, in addition to the title, Clay earned the academic, eveningwear and talent awards, as well as the Alpha Eveningwear, Alpha On-Stage Question/SII and Alpha Talent awards. She tied for the photogenic award with third runner-up Kensley Flynn, who was sponsored by Chi Mu women's social club.

Other award-winning Miss OBU contestants included first runner-up Haley Shourd, sponsored by the Concert Choir; second runner-up Jillian Covington, 19, a sophomore communications & media major from Alexandria, La., sponsored by Student Senate; Miss Congeniality and non-finalist talent award winner Cloe Humphry, 21, a 2022 worship arts graduate from Benton, Ark., sponsored by Ouachita Worship; and Kylie Carpenter, 19, a sophomore biology and pre-medicine double major from Benton, Ark., winner of the Miss OBU Dreamer Award. Carpenter was also sponsored by Student Senate.

Sisters Jill Parsons and Juli Parsons, juniors from Celina, Texas, tied for the Spirit of Miss OBU award.

The 113th volume of the Ouachitonian yearbook was published by Jostens Printing Company, 451 International Blvd., Clarksville, Tennessee 37040. Cam Bardwell was the regional manager, Natasha Durham was the sales representative, and Brandy Wathke was the in-plant customer service representative.

Schools interested in obtaining a copy may contact the Ouachitonian by email at ouachitonian@obu.edu.

The majority of the photos were taken by student photographers. Portraits were provided by Alex Blankenship of Little Rock. Some of the sports team photos were taken by Dr. Wesley Kluck.

The cover design was by Gracen Goudy and Anna Roussel, editors-in-chief. The theme spreads and section designs were by Goudy and Roussel. All designs were created on the Macintosh iMac and Adobe InDesign through Jonstens Monarch program. Fonts used were AYT News Goth and AYT Handscript.

The 2022 Ouachitonian yearbook is a member of the Columbia Scholastic Press Association, Associated Collegiate Press, and Arkansas College Media Association.

The 2019 Ouachitonian won a First Class rating from ACP, a Gold Medalist rating and three Gold Circle Awards from CSPA, and numerous individual awards from ACMA. Goudy and Roussel were named Co-Editors of the Year and 2021 editor Ben Swanger was named Designer of the Year.

All students, faculty and staff receive a copy of the yearbook at no additional cost.

OUACHITONIAN EDITORS

Gracen Goudy and Anna Roussel

DR. ROOT - I knew I had signed up for this position senior year of high school when I toured Ouachita and you claimed me for your publications. But what I did not know is that I had also signed up for a friendship with one of the best professors at Ouachita. You have played a massive role in why my time at Ouachita is so special to me. As an adviser, you patiently did my schedule for me when I was a lost freshman who was confused on where to go next. As a professor, you got to know your students personally while teaching them to perform to their fullest and to always refer to their AP Style book. As a Women of EEE sponsor, you reminded me to make decisions and lead in a way that reflects and honors the deep legacy and tradition. As an adviser to the yearbook, you coached, critiqued, and cheered Anna and I on. And as a friend, you listened to Anna and I's complaints, worries, and stresses and offered support, advice, and encouragement. Professors like you make Ouachita "Like No Other", and I am better because of it. Thank you for everything and all your help making this book!

NATASHA - How neat it has been to work with you all through high school and go to college just to get to work with you again! Thank you for answering all of our questions, keeping us on track, and keeping us stocked up with goodies. Anna and I are grateful for you!

TO OUR STAFF - Thank you, thank you, thank you!! This book would not be what it is without all your hard work! Thank you for being so eager to write stories, give us ideas, and always being a helping hand. I will miss Monday's at 3:30 and hanging with our fun all girls staff :) Thank you specifically to our Section Editors, Caroline Johnson, Hanna Williams, Addie Woods, Kathryn Totty, and to Haylee Cannon for being Copy Editor! I hope everyone can see the hard work and time you each put into of your pages. You should be proud!

ABBY AND LEVI - Wow, Anna and I were blessed with the best photographers ever to work with. Everyone will be blown away by your work as they flip through this book! Thank you for being patient and flexible with us unorganized yearbook editors who remembered things last minute at times. I am so excited to continue to gawk in awe at your photos for years to come. You guys are so talented, and I couldn't have pick two better people to make this book with! Thank you!

ANNA - Ohhh, Anna. What a journey it has been. I wish everyone could have seen us fall semester running around the newsroom like chickens with their heads cut off because we had millions of other things going on, but somehow we got it together just in time. I am so thankful I was able to make this book with you as a Co-Editor. You are so talented, a great leader, and such an encouragement to so many around you. I cannot wait to cheer you on as you take on Little Rock! You have been such a great friend to have all four years of college. I will cherish our time together in the newsroom forever! Thank you for being the absolute best!

Gracen

DR. ROOT - I still remember sitting in my high school yearbook room sending an email to say I wanted to join the Ouachitonian staff. Over the past four years, you have patiently walked beside me as my advisor in classes and yearbook, but also in life. Thank you for always having an open door to walk through whether I had exciting news or needed a shoulder to cry on. Your guidance has undoubtedly helped make me the person I am today, and I am so thankful for your friendship and mentorship. I am not sure what I will do without you next year, but I know I will carry the lessons you taught me into every season of my life.

NATASHA - You have supported this scatter-brained editor for eight years now, and for that I am forever grateful! Thank you for supporting my ideas, critiquing when necessary, and for offering your help and support whenever needed. Gracen and I have been so blessed by your encouragement!

ABBY AND LEVI - This book would not be what it is without the two of you. You have captured our sweet Ouachita in the most beautiful way, and it is mine and Gracen's honor to simply display all of your hard work. Thank you for your dedication to making sure our book succeeds and for supporting us always. I cannot express my gratitude enough!

TO OUR STAFF - Talk about girl power! While we may not be experts in sports, I am confident that we accurately and intentionally recorded every piece of Ouachita's history this year. Thank you for your grace and patience as Gracen and I navigated this year. Your stories will be ones I pour over time and time again, long after we leave this campus. You are all so dear to me!

TO MY SWEET FRIENDS - Thank you for supporting me when I was weary of creating spreads or had spent too many hours in front of my computer. Your visits to the newsroom to just say hi made my days brighter, and your excitement to see the book Gracen and I created helped me to push through on the long days. I am so thankful to have captured our Ouachita story!

GRACEN - Where do I begin? Our walks from Francie to sit in meetings with Addy Goodman freshman year turned into creating our own book more quickly than I ever expected. I am so thankful our time at Ouachita has been so closely tied to each other, and I could not dream of editing this book without you. Your kindness, excitement, and talent are unmatched and I cannot wait to cheer you on in this next season of life! You are one of a kind and the best of the best.

TO MY OUACHITA - Thank you for the honor of letting us tell this chapter of your story. There is not enough room to adequately thank every person who made this book possible or express my love for this school, but I hope this work serves as my love letter to you. I owe so much of who I am today to the queen of the college world, and hope each person who opens this book can see why Ouachita is truly "Like No Other."

Anna

PHOTO LAB EDITORS

Abby Blankenship and Levi Dade

DR. JONES - Thank you so much for giving me the opportunity to be on the photo lab's work study staff my freshman and sophomore years and for all your support as co-editor! You've been a big encouragement to me, Abby, and the entire photo lab staff. The photo lab would not be the same without you!

PHOTO LAB WORK STUDY AND PRACTICUM - You all are AMAZING and hard workers. Abby and I could not have done this without each and every one of you. Even when work study had all their hours completed and practicum had their events done, you still decided to keep covering events and helping us when we needed it. Thank you for going above and beyond what we asked so that every event could be covered. We appreciate you!

ANNA AND GRACEN - You two have done an amazing job with putting this yearbook together. I couldn't have asked for two better people to work with to help make this happen! This yearbook will definitely be one of a kind with you two putting it together! I can't wait to see where you both go from here!

ABBY - Thank you so much for being the best co-editor I could have asked for. You helped me in so many ways to adapt to this role, and you encouraged me and were always real with me. When I didn't feel fit for this position at times, your words of encouragement and affirmation always helped me push through that. I seriously couldn't have figured out what all goes into this position without you, so THANK YOU. Because of you, I feel prepared and ready for my senior year as co-editor. Thank you for making photo lab such a fun environment to work in! Above all else, thank you for being the friend and person that you are. Feel free to stop by the photo lab any time you're around!

SARAH - You are an amazing photographer, and I know you'll be an awesome co-editor as well! I can't wait to work alongside you this year and see what all we accomplish together (with the help of the photo lab staff of course)!

Levi

MOM AND DAD - My biggest supporters and encouragers these past two years as an editor. If it wasn't for you two, I wouldn't have a camera in my hand and would not be where I am today. Thank you so much for sending me to Ouachita! I love you dearly!

ALEX - To the best Ouachita editor in the history of editors, the person who I have looked up to ever since I started taking photos in high school, and best brother - I am so thankful for you. I am so grateful for the one year at Ouachita we had together, and one semester spent in the Photo Lab working for you. You are the reason why I wanted to be an editor one day and here we are two years later! I am proud to have followed in your almost exact footsteps while at Ouachita and wouldn't want it any other way. Thank you for being my person to call when I had a computer problem in the Photo Lab and for always being willing to let me borrow a lens. I couldn't have done these past two years without you!

PHOTO LAB WORK STUDY AND PRACTICUM - A huge thank you to the people I could not have done this job without - I appreciate you more than you know. I loved having the opportunity to watch many of you grow to love photography and grow in confidence of shooting events makes me teary eyed. I hope many of you come back to the Photo Lab these next few years and continue to challenge yourself, grow in your abilities, and make friends that will last a lifetime. I am so proud of all of you, and I am always a phone call away if you ever need anything!

SARA, GRACEN, AND ANNA - I am so proud of you three and the work you have accomplished for the Ouachitonian and The Signal. All your hard work and hours spent in the newsroom do not go unnoticed. Each of your publications are something Ouachita holds dear and give the rest of us something to look back on in the years to come. I can't imagine doing this past year without you three and I can't wait to see all the amazing things you are going to do!

LEVI - What a year of documenting Ouachita history it has been! I am so thankful we had to opportunity to be editors together as I learned so much from you! You are going to do a wonderful job next year leading, teaching, and growing even more in photography. I know the Photo Lab staff is in great hands with you and Sarah leading and I couldn't be more proud!

SARAH - I am beyond excited that you are going to be an editor in the Photo Lab! You are a hard worker, always willing to help others, and have grown so much since your first semester. I am proud of you and can't wait to see you lead alongside Levi! You are going to do amazing, and I can't wait to see all the photos you take.

DR. JONES - You have been so kind and encouraging throughout my time at Ouachita and I am so thankful for you! I can't count how many times I have come into your office with tears streaming down my face, a fun story to tell, or just happy news to share - you were always willing to stop and talk. Thank you for investing into me and making my time at Ouachita and as an editor the best it could be!

This year saw the largest total enrollment in 55 years, the construction of multiple new campus buildings, and new degree programs. Students won awards for research and publications, wrote and produced their own plays, and raised scholarship money for their peers to stay on campus. Through every challenge and all uncertainty, Ouachita's student body persevered and showed incredible leadership. This year reminded us that there is truly something remarkable about the community at our school despite initial set backs and the unclear path that was ahead. Living in the Ouachita bubble was **LIKE NO OTHER.**
