# Miss Ouachita Baptist University 2023 HALEY SHOURD

The Miss Ouachita Baptist Scholarship Competition took place Saturday, Feb. 4, in Jones Performing Arts Center, where sophomore communications & media major Haley Shourd was crowned Miss Ouachita Baptist University. Shourd, 20, is a Conway, Ark., native.

Shourd is no stranger to the pageant world and decided to compete because of the role models that served before her.

"Some of my favorite people have served so well in this role, and I prayed for the day I would be able to do the same in the job," Shourd said. "I love Ouachita because of the community and the atmosphere, so I knew I had to try for the title." Shourd will represent Ouachita when she competes in the 2023 Miss Arkansas Scholarship Pageant June 3-10; this will be her second time competing for the title of Miss Arkansas.

"I am honestly over the moon about the opportunity I have been given to go back and compete," Shourd said. "I was able to go last year and make so many connections with the sisterhood while also earning scholarship money along the way."

On her journey to the Miss Arkansas stage and beyond, Shourd chose to

partner with the Ronald McDonald House and promote a social impact initiative titled, "Champions for Childhood Cancer Awareness," based on experiences close to home.

"I had a cousin and a close friend who both had leukemia as a child," Shourd said. "Hearing about their experiences and the need for safer treatment, research, support and funding motivated me to choose childhood cancer awareness as my platform."

Shourd will serve as Miss Ouachita Baptist University in more ways than one, though. She shares that being Miss OBU brings special support and an opportunity to carry on a legacy.

"I hope my personality and love for connection will help me lead here at Ouachita," Shourd said. "I feel like so many things in my life have led me to this point, and I am excited to see where this journey takes me."

She added, "I would love to grow as a person, in my connections with my peers, in my faith and in my ability to lead and mentor others. The job of Miss OBU is so unique because of the number of people that look up to her."

In addition to winning the title, Shourd also received the People's Choice Award, Kristen Glover Belew Talent Award and Kaelin Clay Evening Wear Award.

Abbigail Wood, a freshman biology major from Harrell, Ark., was first runner-up. Sponsored by the Academic Success Center, Wood won the Suzie Gresham Barham Alpha Private Interview Award and the Caroline Derby Academic Award. Cali Rose Mendonca, a freshman kinesiology major from Troup, Texas, was sponsored by the intramural referees and won the Photogenic Award and the Mac Sisson Alpha Talent Award. Spirit of Miss OBU Award winner Savannah Carrigan, a freshman kinesiology major from Centerton, Ark., was sponsored by Student Senate. Wood and Carrigan also tied for the Miss Congeniality Award.

Dr. Beth Anne Rankin '94, who was crowned Miss Ouachita Baptist University 1993 and Miss Arkansas 1994, emceed the event, which featured performances by Miss OBU 2022 Kaelin Clay, a sophomore communications & media/multimedia journalism and political science double major from Idabel, Okla., along with her Diamond State Princesses Addison Glover, Harper Glover and Abigail Jones.

# Honoring the Life and Legacy of CLARK YARBROUGH

Senior Clark Yarbrough, 21, of Rowlett, Texas, died Sept. 4. A business administration/sport management major and starting defensive lineman for the Tiger football team, Yarbrough was the son of Mattie Yarbrough of Rowlett. He is remembered on campus for the example he set as a leader, a scholar-athlete, a friend and a man of faith.

"Clark was an exemplary student – academically, athletically and spiritually," said Dr. Rickey Rogers, vice president for student development at Ouachita. "He held strongly to his Christian faith, and it was evident in the way he lived his life and led his fellow students." Jason Jackson, a senior finance major and Tiger defensive back from DeKalb, Texas, said Yarbrough was "a special kind of guy. He always led me in the right direction, from the day I got here until the last conversation I had with him. He made me feel welcomed, like I had a real brother in Christ at a brand-new university where, at first, I felt like I was all alone. Clark was my first friend when I got here, and I will cherish him forever."

"Clark was someone you wanted on your team," said Quantel Williams, director of residence life at Ouachita. "He always had a great disposition that illuminated the room and was a pleasure to be around each day. Clark loved the Lord, his family and his friends in a big way."

As a third-year resident assistant in Ouachita's Anthony Hall dormitory, Yarbrough "served each resident respectfully and helped many students who needed a voice or a helping hand," said Williams. "Clark lived life to the fullest and will be missed tremendously across campus."

Bryan McKinney, dean of the Hickingbotham School of Business at Ouachita, was a professor of Yarbrough's as well as his academic advisor. McKinney noted that Yarbrough "made an immediate impact on me" in class. "He was always present, always engaged. And he offered so much. He would often ask or answer questions, and he was so thoughtful in how he did this."

McKinney was so impressed with Yarbrough that he reached out to Todd Knight, head Tiger football coach, to learn more about him. Knight's response about Yarbrough read, "He's a good one in all areas of life – faith, academics, football, all solid. I trust and respect him."

"Coach Knight was right," McKinney said. "Clark was so solid in all areas of life, and I admired that very much in him. Obviously his family, teammates and closest friends will grieve this loss most significantly. But

goodness, I will miss him as well. He was one of those students I expected to stay in touch with well beyond his time at Ouachita. I hoped to encourage him in his journey forward, and I knew he would be a blessing to me."

Yarbrough earned a spot in the Tigers' starting lineup in 2021, earning All-Great American Conference honorable mention accolades for his efforts on the field. Although he was a senior academically, he had two years of football eligibility remaining, including the 2022 season. Knight recently had a conversation with Yarbrough about his future with the team since he was on pace to graduate in Spring 2023.

"Clark was that kind of young man, always thinking and preparing for what's next," said Knight. "He wanted to be an athletic director and was already making plans for internships and graduate school."

Knight said Yarbrough was a quiet leader who lived out his favorite Bible verse, James 4:10, which says, "Humble yourselves before the Lord, and He will lift you up."

Tiger defensive lineman Anthony Freeman, a senior kinesiology and leisure studies major from Monroe, La., echoed Knight's comments about Yarbrough's leadership. "He was funny, goofy, kind-hearted and one of the most genuine people I knew," said Freeman. "He knew when to be serious, though, and was always positive in how he led."

Teammate Peyton Stafford, a senior finance,

business administration/marketing and business administration/entrepreneurship triple major and Tiger offensive lineman from Amarillo, Texas, recalled that Yarbrough had a "servant mindset" and was "a delight to be around. He cared about and loved people."

Tiger running back Isaac Edwards, a junior biology and communications & media/multimedia journalism double major from Holly Lake Ranch, Texas, described Yarbrough as "an outgoing, selfless guy. When my uncle passed, Clark's efforts to console me were truly genuine and heartfelt. He was truly set apart. He always seemed to wear a smile or make us laugh when we needed it most."

"Clark always sought to make everyone feel like family," Edwards added, "so I'm sure it would warm his heart to see how we've all come together to remember him."

Yarbrough died Sunday morning, Sept. 4, following a sudden collapse. Ouachita staff provided immediate emergency assistance, and, following additional measures by emergency responders and other medical professionals, he was pronounced dead at Baptist Health Medical Center in Arkadelphia.

Asked how the Tigers will be impacted by the loss of their highly-regarded teammate, Knight said, "We were already playing for a purpose, but now there's an added sense of motivation. It's something we are going to take very seriously."

OUACHITONIAN EDITOR

Like most people who choose to spend time on this campus, Ouachita holds a very special place in my heart. As a third generation Ouachita student I have grown up experiencing all of Ouachita's greatest traditions. My four years as a student were something that I dreamed about since I attended my very first Tiger Tunes show as a little girl. I feel so grateful to have experienced all that Ouachita has to offer. I am even more grateful that I was given the opportunity to create a book that would allow my classmates and me to remember our time at Ouachita long after graduation day.

I knew that I wanted to be the Editor of the Ouachitonian during my junior year while I was working the Gold Tiger Induction with OSF. Watching the inductees pick up their old yearbooks and reminisce on their golden years at Ouachita was so moving. This moment was the inspiration for the theme Etched In Gold. My greatest wish is that when my fellow Ouachitonians pick up this book they will be transported back to our years as Ouachita Students and will be reminded of each golden moment.

Blake- My biggest supporter of them all. Thank you for cheering me on this year; I love you.

Mom and Dad- Thank you for instilling a deep love of Ouachita in me from the very beginning. This story was so sweet to tell because of how special this place is to our family. I am so thankful to call you my parents.

Dr. Root- Thank you for believing in me. As my advisor, professor, mentor and friend you have greatly impacted me. I am so thankful for you and your advice. During a year of many changes for me you were one of my biggest encouragers.

Dr. Carter- Thank you for your encouragement and support this year. From IT support to real life advice you have impacted me more during my time here than you will ever know.

Madi- Thank you for being my go-to-girl! I am so thankful for your help and encouragement along the way.

My Staff- You are all incredibly talented. Thank you for choosing to spend your time helping me create this book. I am eternally grateful for each of you, and I could not have done it without you.

Addie C.- Thank you for making my dreams come to life. With each of my crazy requests you created magic! Your artwork throughout this book is something that I will cherish forever. I cannot wait to see what you and Erin create next year; I know it will be beautiful.

Levi and Sarah- Your dedication is unmatched! Every single page of this book is made better by your phenomenal photography skills. You are each so talented, and this book would not be what it is without you both. Thank you for telling Ouachita's stories through your photos. You both showed me kindness, encouragement and patience throughout the year, and I appreciate you so much.

Julia- It has been an honor to share the news room with you this year. Thank you for being a listening ear on the hard days and a cheerleader on the good days. I cannot wait to see what big things you accomplish!

Izzy, Jenna, Meg and Jentry- My very best friends! Thank you for encouraging me this year.

Ouachita- Thank you for trusting me to tell this story. It has been such an honor.
