CONSTITUTION

Article I.—The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II.—The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

Article III.—Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with other churches through this Convention.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

Article IV.—Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V.—Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall

otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI.—The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. The state President and the Executive Secretary of Woman's Missionary Union shall be ex-officio members of the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Nominating Committee of the Executive Board to hold office until the next meeting of the Convention. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and twenty (20) members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, both state and southwide. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII.—Trusteeships

The Convention shall elect trustees to manage and to operate its colleges, hospitals, orphanages and any other institutions it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Home for Children, 18; Baptist Memorial Hospital, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII.—Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX.—Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X.—Amendments

Section 1. This Constitution and By-Laws may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI.—Parliamentary Authority

Kerfoot's Parliamentary Law shall be the standard for deciding questions of parliamentary procedure.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention; and the President shall appoint and announce a Nominating Committee to report at the next session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interests it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee on nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: When an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

2. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

3. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

Memorial Moments

It is very appropriate and to our good that we set aside a few moments in memorial service for those of our fellowship who have departed this earthly life since the last meeting of our Convention. No doubt, every church affiliated with our Convention has sustained the loss of one or more of its members.

Among the number were dedicated laymen, devoted women, devout young people, beloved pastors and denominational servants. Those of us assembled in this Convention owe much to the lives they lived, the service they rendered and the sacrifices they made. Many of the victories we bask in today are due to their efforts in the past. Many churches have been saved, many disturbing problems have been solved, many pastors have been blessed, by conscientious, courageous and consecrated laymen who, during the past year, laid down the sword of Christian warfare.

Much of our success in mission enterprises is due to the large number of mission-minded women who have kept the mission flame burning in their churches and now are no longer with us. They did what they could.

Death is no respecter of age. Some, like Abraham lived to a "good old age." Some were in the very prime of life. Still others departed while the sparkle of youth was still on their faces. We miss them in our churches, our associational meetings and our Convention session.

Not only have churches lost some faithful members, but many have suffered the loss of their Under-Shepherd—the pastor. And death has called some of those who have served as employees in our denominational circles. Their voices have been stilled, but their works do follow them.

Let us today thank God for all of those who have served among us and have gone to that "house not made with hands." Let us resolve to build upon the foundation they have laid and do our best till the Lord shall call us home.

Among the ordained ministers who passed away last year were:

Judson L. Albritton	W. O. Flanagan	L. W. Rhoads
Horace R. Boyd	Charles F. Gwinup	J. W. Rector
Riley A. Brickey	Roy L. Geoo	Fennie Robinson
John Caylor	Tom Garey	J. E. Thornton
Roy A. Cragg	Joe Henry Hankins	Dale Townsend
Finley M. Chu	W. J. Hinsley	W. R. Underwood
Sam D. Davis	Theo T. James	Edward Weber
Doyle Farrell	W. O. McMillan	Arthur R. White

In addition we would add the name of Dr. I. L. Yearby, former Secretary of Evangelism, who died in Oklahoma and Dr. T. D. Brown, former Executive Secretary.

Last but not least, we record the name of Miss Ruth Dewoody, who formerly served as bookkeeper in the Baptist Building for 31 years.

—C. W. Caldwell

Orville McGuire, Minister of Education, First, Blytheville
R. C. Meadows, Music & Education Director, Oak Cliff, Fort Smith
William Piercy, Pastor, First, McCrory

ARKANSAS BAPTIST MEDICAL CENTER

1700 West Thirteenth — Little Rock, Arkansas 72201 — 501 FR 4-3351

18 October 1967

Reverend Don Hook, President
Arkansas Baptist State Convention
Little Rock, Arkansas

Dear President Hook:

Because of the years of intimate relationship between the Arkansas Baptist State Convention and the Arkansas Baptist Medical Center, dating from 1920, the Medical Center Administration and Board of Trustees extends fraternal greetings to the Arkansas Baptist State Convention, meeting in the 1967 Annual Session. "We give thanks to God and the Father of our Lord Jesus Christ, praying for you always." Col. 1:3.

Pursuant to the Convention's action in the 1966 Convention Annual Session, with reference to the Medical Center, the first meeting of the members of the Arkansas Baptist Medical Center Corporation was held on March 7, 1967. The Arkansas Baptist State Convention's action was reviewed, with the specification noted that "Arkansas Baptist Medical Center shall be forever under the control of a Board of Trustees composed wholly and entirely of Convention Baptists." (1966 Annual of the Arkansas Baptist State Convention, Page 83.) This specification was duly met; and upon examination of the individual persons, the Board of Trustees was constituted. A list of the Corporation members and the Board of Trustees is attached to this letter.

The purpose and intent of the Arkansas Baptist Medical Center is to provide comprehensive health services to the Arkansas community. Statistical data pertaining to these services and other matters

are to be found in the Center's Annual Report. This Report is available to any person upon request.

Fraternally,

ARKANSAS BAPTIST MEDICAL CENTER
J. A. Gilbreath, Administrator
A. James Linder, President of the Board

Voted: To send fraternal greetings to sister conventions in annual session: California, Hawaii, Kentucky and Ohio.

17. ELECTION OF OFFICERS

Kendall Berry called for nominations for president. Those nominated were: Thomas A. Hinson, West Memphis; Burton Miley, Springdale; Tom F. Digby, North Little Rock, and C. W. Caldwell, Little Rock. The messengers were instructed to use ballot No. 1 in the **Book of Reports** for voting and some reported they did not bring their **Book of Reports** to the meeting. There was a motion and second that the messengers be allowed to use other pieces of paper for voting. Hugh Cantrell moved to amend the motion that other pieces of paper could be used if the messengers would sign the ballot. Amendment was carried. The motion to use other pieces of paper for voting was carried as amended. A run-off vote between Thomas A. Hinson and Tom Digby was decided by ballot and Thomas A. Hinson was elected president.

18. Ray McClung, Little Rock, sang "Somebody" and Don Hook brought the President's Address, "Three-way Traffic on One-way Street", using a text from Hebrews 9:27 and Matthew 25:31-46.

(c) Inter-Convention Committee Recommendation concerning Baptist Memorial Hospital, Memphis.

L. H. Coleman, Pine Bluff, read the following recommendations from the Inter-Convention Committee, approved by the Executive Board for presentation to the convention:

"Last year Dr. Frank Groner, administrator of Memorial Hospital, Memphis, and our sister conventions in Tennessee and Mississippi requested that the Executive Board of the Arkansas convention elect three men to serve on an Inter-convention Committee to study Baptist Memorial Hospital and its relation to the three conventions which jointly own the hospital.

"Our Executive Board named Don Hook, L. H. Coleman, Alvin Huffman, Jr., and S. A. Whitlow as Arkansas members of the committee.

"The following report and recommendations are made to the Executive Board of the Arkansas Baptist State Convention for recommendation to the convention:

"1. Recognizing the splendid results of the collaborative efforts of the Arkansas Baptist Convention, the Mississippi Baptist Convention and the Tennessee Baptist Convention in the ownership and operation of Baptist Memorial Hospital since 1912, and believing in the capability of this institution to continue a Christian ministry of healing of broadest dimensions to its community under contemporary conditions, the Inter-Convention Committee recommends that the ownership of Baptist Memorial Hospital continue as presently constituted.

"2. As the result of an awareness of a trend to change the ownership between a Baptist Convention and a Baptist institu-

tion, and the likelihood that such a trend may well continue, the Inter-Convention Committee recommends that before any final decision is made by any one of the three conventions presently owning Baptist Memorial Hospital to alter its ownership relationship to that hospital, that a special committee representing the three conventions be appointed to study the proposed alteration in order that a coordinated recommendation be accomplished.

"3. In light of the growing extension of Federal programs into the health field and the fact that the nature and scope of these programs are certain to change year by year, thus precluding the ability of any body to foresee ultimate developments from the above trends, the Committee recommends that the three conventions owning the hospital place responsibility upon the hospital's Board of Trustees to make decisions regarding the relations of the hospital to the various government programs as such decisions become necessary to make. The Committee urges that such decisions, when made, be made on a basis of compatibility with:

"a. Baptist ownership of the hospital by the state conventions of Arkansas, Mississippi, and Tennessee.

"b. The purpose of the conventions in projecting a hospital ministry.

"c. The principle of separation of church and state.

"d. The effective fulfillment of the ministry of Baptist Memorial Hospital."

“Rev. Don Hook
Arkansas Baptist Convention
Immanuel Baptist Church
Little Rock

“Dr. Ralph Phelps has authorized me to release the following statement to you:

"In response to the published report in the *Arkansas Gazette* this morning, the statement I made in the **Book of Reports** had no relatedness to Mr. Hook's address, but was adopted by the Board of Trustees in its August meeting with the recommendation that it be included in the **Book of Reports**. The juxtaposition and shortening of the report gave it a meaning it was never intended to convey. I emphasize that my full statement was not intended in any way to endorse situation ethics, but was intended to say to adults that they had better know the philosophies and thought process to which their own sons and daughters were being exposed through the media these days. Not only do I agree with the Rev. Hook's appraisal of situation ethics, but within the past six months I have delivered several messages in Arkansas Baptist churches deploring situation ethics and reaffirming my own belief in traditional Christian morality.

(Signed) Claude Sumerline, OBU News Bureau Director"

ADMINISTRATION

Cooperative Program

Total receipts through the Cooperative Program for the first ten months of 1967 are \$1,687,072.49 as over against \$1,592,026.38 for the comparable period of 1966.

The Executive Board authorized the use of \$19,811.04 from the unallocated funds to the Arkansas Baptist Medical Center for November and December, 1966, and also authorized the advance of Capital Needs funds for the Camp up to \$25,000.00 for urgent camp needs such as a teaching pavilion, air-conditioning the activities building, outdoor meeting place, flag pole, etc. This advance money is to be replaced by Capital Needs funds in the 1967 budget for the Camp.

The Board granted authority to use an unallocated item for the Arkansas Baptist Medical Center to liquidate the remaining indebtedness of \$26,563.96 on the BSU Center at Henderson State College, Arkadelphia.

Brotherhood

The Executive Board requested C. H. Seaton to continue as associate in the Brotherhood Department with special emphasis on the R A program, and the Program Committee of the Executive Board was requested to make a full study of the future of men's work in Arkansas and report the findings to the Board.

New Baptist Building

The Coca Cola Company property at 525 West Capitol, Little Rock, a two-story building on three (3) lots and the four (4) lots on Sixth and Arch Streets has been purchased at a cost of \$471,000.

Worthen Bank and Trust Company, Little Rock, has agreed to lend the Convention \$700,000 for a period of fifteen (15) years at 6% interest.

The Convention has sold a 170 acre tract of real estate located near old Camp Robinson for \$46,000. In addition, the Convention owns five (5) acres of property on West Markham, Little Rock, and its present office building at Fifth and Spring Streets. This property will be sold and the proceeds will be used on the construction of the new building and its furnishings.

Construction will probably begin the latter part of 1967 and it will require the better part of a year for completion.

Court Suit

The suit against the Convention to prevent the transfer of the title of property of the Arkansas Baptist Medical Center to a Board of Trustees is now pending action of the Arkansas Supreme Court. Written briefs are on file and it has been placed on the docket of the Supreme Court. The Court will likely hand down its decision before the end of 1967.

REPORT OF THE COMMITTEE CONCERNING
SOUTHERN BAPTIST COLLEGE 1965 REQUEST

The Standing Committee appointed to study the inclusion of Southern Baptist College in the family of Arkansas Baptist institutions, which has been instructed to report to the Convention no later than 1967, wishes it could bring a final report. At first glance, it would seem that ample time has been allowed to give a "yes" or "no" answer to the gracious offer of this school to deed its properties to the Convention and to honor her request for inclusion in the family of Arkansas Baptist institutions. In spite of this recognition, it is the concensus of the Committee that we can do no better at this point than make several observations which may serve to move us closer to a final decision as this or a new committee continues this study for another year.

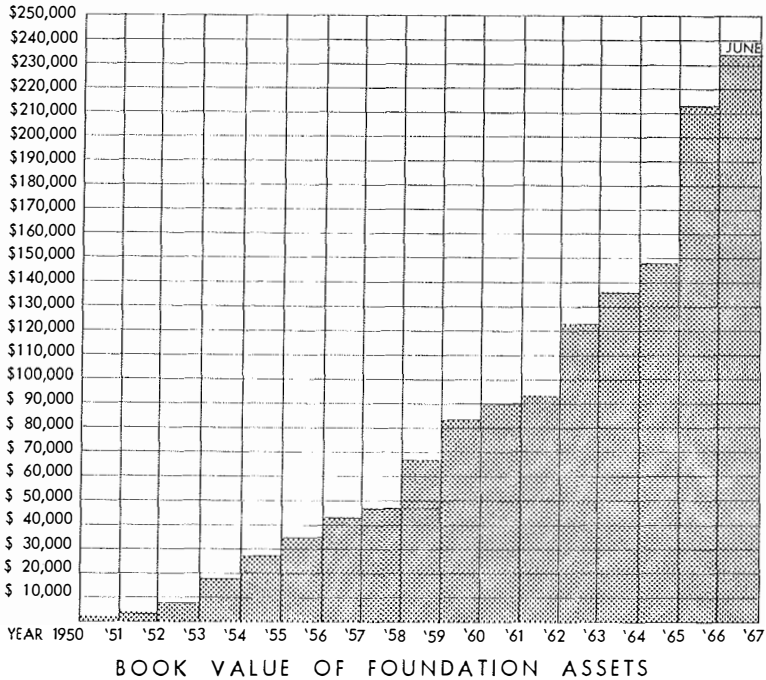

As to acceptance of the school, we feel that Southern Baptist College will be a real asset to the Convention. Her strategic location, academic excellence and present and potential ministry are well recognized. It seems, then, that our question is not "will" or "will we not" accept the school but "how" and "when".

As to the "how", four administrative structures were suggested in the 1965 report. Of these suggestions it is felt that the interest of Arkansas Baptists and the cause of Christian Education would best be served if both institutions were under one board of trustees elected by the Convention. This would give us a unified approach to our total program of Christian Education.

We feel that the acceptance of Southern Baptist College should be deferred until a more careful study of the BEST report can be made. The conclusions reached in this study will be invaluable in helping Arkansas Baptists develop a policy on Christian Education. Such a policy seems imperative. It is further recognized that the crisis we face in financing our institutions makes it necessary that we carefully assess our resources that we might assure any new member of our family of institutions that she would be adequately cared for.

ARKANSAS BAPTIST FOUNDATION

The above pictures the growth of the Arkansas Baptist Foundation assets through the years. While it is not as large as we would like, it does reflect a steady growth. In addition to the above, we know of at least 179 people who have provided for the Foundation to receive a portion of their estate when they have been called to be with the Heavenly Father. In so doing, their Christian witness will continue until the Master comes again.

Future plans for the Foundation are designed to give greater publicity to our work. Recognition placards are being distributed to churches where it is known that some member is remembering the Foundation in their estate planning. Bulletin inserts will be mailed to churches requesting them for "Make Your Will Month" in January. Reports and mailings will be sent through the year to prospects.

Pastors can be a great help to us by sending the names and addresses of prospects to our office. Many times we can help a church while we are helping other Baptist causes.

We again recommend that the income from our undesignated funds be transferred to the Cooperative Program.

ARKANSAS BAPTIST NEWSMAGAZINE

Due to substantial increases in the cost of printing and postage, which become effective with our budget for 1968, plus the necessity of replacing several pieces of office equipment, we have asked and received approval of the following budget increases effective Jan. 1, 1968:

1. Increasing of the amount the newsmagazine receives from the Cooperative Program budget from \$15,000 to \$17,500 per year;
2. Increasing the church budget subscription from 14 cents per month per subscriber to 16 cents per month (\$1.92 per year); increasing the club subscription rate from \$2.25 to \$2.75 per year.

The increase in our printing contract alone will amount to \$8,000 for the coming year. This reflects increases in cost of paper and printer's expenses.

This will be our first increase in subscriptions since 1957 and the first increase in funds from the Cooperative Program since 1954.

Along with the subscription increase we are increasing special-edition prices January 1 from \$15 to churches to \$17.50 and from \$17.50 to associations to \$20. This is made necessary by increased cost of printing, mailing, and zip code sorting. This will be the first advance in prices since this service was inaugurated more than ten years ago.

Total circulation as of September 28, 1967 is 59,228. All the families of 781 churches receive the paper paid through the church budget.

It is our continuing goal to make the **Arkansas Baptist News-Magazine** the best possible medium of communication and promotion for all our Baptist programs.

MISSIONS — EVANGELISM

Missions

Twelve months have recorded some achievements in State Mission endeavor for which we are most grateful. They have also marked a new understanding of mission needs and opportunities for the future in Arkansas.

Much is to be desired when the human interest stories are left out of mission work, but even so, some idea of our stewardship of mission funds can be seen from the following report.

Chaplaincies

Uncertainty as to the role the state will allow denominations to play in institutional ministry has kept us from starting new work in this area. As it stands now, the state will eventually furnish non-denominational chaplaincies for all state institutions. Some of these will be Baptist but not of our selection nor budget.

We do have three chaplains, full time at Booneville and the Boys' Training School, and one part time at the Girls' Training School. During the past 12 months, 189 professions of faith were recorded through these three ministries.

The field of Industrial Chaplaincy is a new and promising one. The Home Mission Board may assist Arkansas in being the first state to have a full-time Chaplain Director in 1969. Such a person would assist associations in setting up industrial chaplaincies and in ministry to the families of the military near military bases.

Rural Church Ministry

73.6% of Arkansas churches have 300 or less members. A great part of our State Mission program is directed toward the needs of these churches. Here are the ways Cooperative Program money is used to minister in this mission area:

We help pay the salary of 17 ASSOCIATIONAL MISSIONARIES who, in a large measure, are "pastor" to the smaller congregations. Our last year's allocation was \$20,000.00 and is given only where the size of the association or the financial ability of the churches is not sufficient to sustain a missionary. Two associations, Independence and Bartholomew, became entirely self-supporting during the year. Others will follow, but some will never be able to exist without financial aid.

We give PASTORAL SALARY AID to 25 churches. Some of this, principally in the mountain section, will continue indefinitely because of the fact that the per capita income with some sections is so low. However, other churches have been able, through state aid, to get aggressive leaders who can lead them to a self-sustaining ministry. Our total budget for salary supplement was \$18,000.00 for 1967.

BUILDING AID was given to seven churches, through October 1, for a total of \$14,500.00. Requests for Building Aid must be accompanied by information regarding future growth possibilities and are weighed against other similar requests.

A RURAL MISSIONARY is provided for the northern section of Arkansas. Brother Dale Barnett conducts revivals and helps with the Church Development ministry in rural churches on a first come, first served basis.

Our STUDENT PREACHING PROGRAM served 28 churches in 1967. The average attendance in the churches served increased one-third through this ministry, mainly due to the enthusiasm and visitation of the young ministers. Many reports of progress in preaching ability have been received from the churches served. There were 61 baptized the past 12 months.

The RURAL-TOWN CHURCH CONFERENCE reached 115 men. This will be expanded so that many more will be served in future years.

New Mission Sites

Five new mission sites were purchased through October 1, 1967, thus enabling Arkansas Baptists to be on the ground floor in developing communities where a Baptist witness is needed. An illustration is Greenland Mission which opened with 65 people present for Sunday School the first Sunday on a piece of property purchased through this fund in 1966.

Deaf Ministry

We are still working on a project with a neighboring state to have a half-time employee for our silent friends. At present, some of our congregations are being served by laymen whose travel expense is borne by the Missions Department.

Student Summer Missionaries and Schools of Missions

The State Missions Department serves as the clearing house for these two worthwhile associational ministries. We used six summer missionaries who spent ten weeks in three associations in 1967. We have had three Schools of Missions in the past 12 months. There are four scheduled for 1968.

Future Ministries

Our 1968 budget, if approved, will make possible the advance of Arkansas Baptists into three new fields of mission endeavor. In cooperation with the Home Mission Board, we have the task assignment for Juvenile Rehabilitation, Inner City and Resort Ministries. Statewide programs in these areas will enable us to offer assistance to associations and churches interested in Mission Actions on the local church and associational level.

EVANGELISM

Our annual State-Wide Evangelism Conference was held at Second Baptist Church, Hot Springs, January 23-25. Because of the location, hundreds of people were present who do not ordinarily attend an evangelism conference. The associations in and around Hot Springs brought many young people to the Tuesday night service.

This year we held six Area-Wide Evangelism Conferences from Sunday afternoon, September 10, through Friday night, September 15. There were 920 in attendance with 130 pastors, 10 missionaries, and 16 ministers of music-education present. The purpose of the conferences was to reach many people who do not attend a state-wide conference and to help our pastors to involve their members in personal witnessing.

The 1968 Area-Wide Evangelism Conferences will be held September 15-20 in Monticello, Hope, Paragould, Mena, Springdale, and Mountain Home.

The Pastor's Personal Witnessing Retreat is also a newly added feature to our work. Forty-three pastors — one from each association — were invited to participate in a one-day retreat at Camp Paron. We wanted men who are not afraid of new ideas and will promote them in their own church and association. The entire program was built around helping our pastors to get their members involved in personal witnessing. Rev. John Bisagno, pastor, First Southern Baptist Church, Del City, Oklahoma, was our guest speaker. He did a superb job. In 1968 the retreat will be open to 43 pastors with their expenses paid. Then it will be open to the first 150 who send in \$5.00 registration fee. Dr. Homer G. Lindsey, Jr., pastor, Northwest Baptist Church, Miami, Florida, will be our guest speaker. The program will be built around "personal witnessing."

Most of 1968 will be spent in preparation for the 1969 Crusade of the Americas. We shall have a nation-wide emphasis on prayer with two days of prayer on January 14, 1968, and January 12, 1969.

PACT, a program of prayer partners with individuals, groups, and churches of the other Americas, will be initiated in July and August, 1968.

Watchnight prayer services, December 31, 1968.

Nation-wide search for prospects, July-August, 1968.

Nation-wide visitation and witnessing, September-November, 1968.

Nation-wide Crusade of the Americas revivals, March 16-30, 1969, for the eastern half of the state; April 6-20, 1969, for the western half.

Twenty-five of our 43 associations have voted to participate in the Crusade in 1969, as of October 4, 1967. Every association should get in it. Many churches have already voted to participate. You need to get your evangelist and help soon. Let's begin praying now for a revival in North, South, and Central America.

A state-wide Crusade of the Americas rally will be held at Immanuel Baptist Church, Little Rock, September 3, 1968. Our Convention, the Sunday School Board, and the Division of Evangelism of the Home Mission Board will promote the program.

BROTHERHOOD

The year 1966-67 has been one of changes in the Brotherhood Department, both in personnel and program. Mr. Nelson Tull retired January 1, 1967, after serving as Brotherhood secretary for 21 years.

The associate secretary has had the responsibility of the work of both Baptist Men and Royal Ambassadors, devoting most of his time to Royal Ambassador work. There has also been the transition from the old to the new concept of Brotherhood terminology and work. This change was necessary to carry out the Brotherhood task assignment of missionary education and involvement in mission actions of Baptist men, Baptist young men, and Baptist boys. In the past the term "Brotherhood" has been applied to a group of men in a Baptist church. Under the new concept the term "Brotherhood" involves all the male membership of the church nine years of age and up. Three unit organizations are included under the term "Brotherhood" and are designed to meet the needs of missionary education and involvement in mission actions of special age groups. Baptist Men is the unit organization for men 25 years of age and up. Baptist Young Men is the unit for young men 18 through 24 years, and Royal Ambassadors is the unit for boys 9 through 17 years of age.

New materials to implement the new concept and task assignment of Brotherhood were introduced for use during the year. Major emphasis of the department this year has been on providing assistance to churches in understanding the use of the new material and in interpreting the new role of Brotherhood as a channel organization for missionary education.

At the beginning of the new year the Brotherhood Department started a new records system, listing on our records only those churches registered as having a Brotherhood director, Baptist Men's president, and Royal Ambassador workers. As a result, the records do not reveal, we feel sure, all the active units of Brotherhood work. However, the department files reveal that 36 associations have elected directors, 336 churches have Baptist Men's units, 11 Baptist Young Men's units, and 327 churches have one more active Royal Ambassador chapters. Some 40 of the men's units and about 60 of the Royal Ambassador chapters have been organized since January 1. This, we believe, is a good record for the first year of operation of the new Brotherhood program.

The Royal Ambassador camping program for this year was the best we have had in several years. The attendance for four weeks totaled 338, representing churches from 32 associations. Out of 14 lost boys registered for the camps 8 were saved. In addition, there were other decisions totaling 120, including 5 surrendering to the ministry, 5 to be missionaries, 1 to music and youth work, and 16 to other full time Christian vocations. We praise God for His blessings on the camping program.

The Royal Ambassador Congress in May was one of the best in recent years. The attendance was over 500. The program personnel did a superb job. In addition to the Royal Ambassadors attending the Congress, Baptist men meeting the same time brought the attendance at joint sessions to about 550.

It is gratifying to know that increasing numbers of churches are recognizing the importance of missionary education and involvement in mission actions for men and boys and are realizing that as a channel organization, Brotherhood, through the three units, is the churches organization to provide for them. May their tribe increase be our prayer.

— C. H. Seaton, associate secretary.

CHURCH MUSIC

The tasks assigned to the state and local church music ministry are to provide music and musicians for the congregational services and the organizations of the church; lead persons to participate in hymn singing; teach music and hymnody; train persons to lead, sing, and play music; provide organization and leadership for special projects of the church; and provide and interpret information regarding the work of the church and the denomination.

In helping to accomplish these tasks and the church's main functions of worship, proclamation, education, and ministry, six areas of music needs are developed through state, district and associational channels to provide a balanced local music program. These areas are congregational, organizational, graded choir, instrumental, special ministries, and administrative.

A church has a music ministry, and should so report it on the Annual Uniform Church Letter to the Association, when it (a) Elects or calls a music director (volunteer or paid); and (b) When the music director is charged with the responsibility of developing the church music program.

The Church Music Department personnel includes Hoyt A. Mulkey, secretary since November, 1963, Miss Eleanor Anne Harwell, associate since June, 1965, and a part-time office secretary.

I. STATE ASSISTANCE TO ASSOCIATIONS AND CHURCHES

A. District Music Directors — The state is divided into eight districts with a district director serving as music representative between the state office and local associations.

B. State Approved Music Workers — These workers are used to assist in graded choir training, festival planning, and consultation in any church or association in the development of the music ministry for their specific areas.

C. Summer Approved Music Workers — Upon request from a church or association, summer workers are sent from the department to hold one- or two-week music schools, music camps, or other types of music training. The two 1967 summer workers interviewed and employed by the department were Miss Janice Sheffield, a student at Southwestern Baptist Theological Seminary, and Miss Patricia Higgs, music department faculty member at Southern Baptist College, Walnut Ridge.

D. Festivals — Choir festivals were promoted for three different age groups, and this program continues to be one of the most widely approved and acclaimed programs in our state music ministry. During 1966-67, we conducted five primary festivals, five junior festivals, four beginning youth festivals, and one advanced youth festival. Many churches interested in organizing choirs come to observe the festivals, later organizing for service in the local church.

E. Summer Music Camps — A comprehensive program of music education and spiritual enrichment makes up the curriculum of our two state music camps, Ouachita Music Conference for youth and

adults, and Junior Music Camp for juniors. Classes are provided for accompanists, song leaders, graded choir leaders, choir members, and volunteer and full-time music directors.

II. ACCOMPLISHMENTS

A. State Totals

1. Music Ministry Planning Meetings — Fifty-five music leaders met in Hot Springs January 23, prior to the Evangelism Conference, to evaluate and plan the state music ministry program. In addition, the state music committees which were formed the previous year have contributed immeasurably to each activity of the department. Twenty-seven of these committee members met all day at Paron, September 1, to plan the 1968 festivals, camps, and tournaments.

2. Choral Reading Session and Music-Education Retreat — Fifty-eight music directors, educational staff workers, and other interested persons from throughout the state spent two days at Camp Paron in February. Sessions of interest to staff members were conducted, and several hours were spent by the music personnel in reviewing new music. Music for the session was provided by twelve different music publishers and the Baptist Book Store.

10. Hymn Playing/Song Leading Clinics — A new development in music training has been very successful this year. Three two-night clinics were held in associations for song leaders and instrumentalists in churches and departmental organizations. These are designed to especially reach the needs of leaders rather than choir members in a concentrated study. Seventeen different churches were represented in these three clinics.

11. Special Project — A set of 25 handbells was presented in May to Mr. and Mrs. Fred Spann, native Arkansans and music missionaries to Recife, Brazil. 2. Extensive use of district directors, approved workers, state committees, and associational officers.
3. Goal of 100 churches applying for recognition under the new "Church Music Ministry Achievement Guide".
4. Conduct at least 5 associational graded choir clinics and song leading and hymn playing clinics to train music leadership.
5. Emphasize worship in all aspects at Ouachita Music Conference, majoring on hymnology and hymn singing.
6. Plan assistance for the music needs of the smaller churches, particularly through the summer worker program.
7. Re-emphasize the initiating, as well as supporting, role which the music ministry MUST play in missions, evangelism, churchwide goals, and the 1967-68 denominational emphasis, "The Church Fulfilling Its Mission Through Ministry".
8. Communicate changes in plans and rules for festivals, tournaments and camps.
9. Include experiences for adult choir members in 4 regional Adult Choral Clinics.
10. Cooperate with Nashville Church Music Department in offering two Music Methods and Materials Clinics aimed at leadership orientation and training, one in April at North Little Rock and one in October at West Memphis.

IV. CONCLUSION

This is the 26th report of the Arkansas Baptist music ministry, the oldest such state music organization in the Southern Baptist Convention, begun in September, 1941 as the "Arkansas Baptist Church Musicians". We hope this department is still striving for the first objective set out by the 286 delegates at that initial meeting. "To glorify Christ in all church music". The department personnel earnestly requests your continued prayer support for the effectiveness of their service and of the music program's tasks and ministries.

—Hoyt A. Mulkey, Secretary

SUNDAY SCHOOL

The objective of the Sunday School Department is to support the Arkansas Baptist State Convention in its constitutional purpose . . . "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

The Sunday School Department seeks to accomplish its objective through four major programs; Sunday School, Vacation Bible School, Weekday Bible Teaching and Church Architecture which will help churches establish, conduct, enlarge and improve their ministries of Bible teachings, leadership training and personal witnessing.

The secretary, Lawson Hatfield, relates primarily to local church assistance, Church Architecture, associational promotion, Achievement Guide and specializes in Adult work.

Mrs. Mary Emma Humphrey, Consultant, Children's Work, relates primarily to the promotion of Vacation Bible School and Weekday Bible Study and specializes in Nursery, Beginner, Primary and Junior work.

Miss Pat Ratton, Consultant, Youth Work—joined the department in October 1967, relates primarily to editing Department Newsletter, training school files and will specialize in Intermediate, Young People, Cradle Roll and Extension Departments of work.

Mrs. Bert Haley is office secretary.

Beyond the Baptist Building the work is promoted by 11 Area Sunday School Consultants and by the 43 Associational Sunday School organizations.

The 11 Area Consultants and their assigned associations are as follows:

Homer Wilmoth — Benton, Carroll, Boone-Newton, Washington-Madison Associations

Harold Elmore — White River, Big Creek, Rocky Bayou, Stone-Van Buren-Searcy Associations

THE PROGRAM OF SUNDAY SCHOOL PROMOTION

Objective. — The objective of the Program of Sunday School Promotion is to assist churches, associations, and the state convention in establishing, conducting, enlarging, and improving the Sunday School program in the churches.

Tasks of the Sunday School include: Teach the Biblical revelation in reaching all prospects for the church; lead all church members to worship, witness, learn, and minister daily; provide organization and leadership for special projects of the church; and provide and interpret information regarding the work of the church and denomination.

The slow-down in growth in Sunday School enrollment, training awards and standard applications has caused great concern in the department. It is hoped that cooperation among the churches in setting goals, planning how to reach goals (strategy planning) and realistic action will soon reverse the trend.

Some churches are adopting and using the Great Commission Citation project, an Arkansas application of the church Growth Plan, which was designed by the department to help churches increase their leadership training, visitation and witnessing. At the heart of the Citation project are three seals for Thirty Great Commission Actions. The Thirty Great Commission Actions are conveniently divided into 10 Home Surveys, 10 Prospect Visits and 10 Witnessing Opportunities. Over 20 months an individual would average about one visit per week. While this is not many visits for a few church members, it represents a great increase in visitation for most members.

Following is a summary of the projects the department promoted and assisted:

State

Pastor & Superintendent's Retreat	50	attended
Elementary Workshop	283	attended
Youth Leadership Workshop	60	attended
Arkansas Assembly-Siloam Springs	840	attended
Bible Teaching Conference	201	attended

Associational

17 training opportunities	1707	attended
---------------------------------	------	----------

Church

14 training opportunities	1105	attended
---------------------------------	------	----------

Department personnel participated in 4 Convention-Wide planning meetings.

THE PROGRAM OF VACATION BIBLE SCHOOL PROMOTION

Objective. — The objective of the Program of Vacation Bible School Promotion is to assist churches, associations, and the state convention in establishing, conducting, enlarging, and improving Vacation Bible Schools in the churches.

Following is a summary of the projects the department promoted and assisted:

9 Associational VBS Clinics

3 Local church VBS Clinics
Trained college students for BSU and Missions Departments

23 Associations reported conducting 27 VBS Clinics with 2551 present.

THE PROGRAM OF WEEKDAY BIBLE STUDY PROMOTION

Objective. — The objective of the Program of Weekday Bible Study Promotion is to assist churches, associations, and the state convention in establishing, conducting, enlarging, and improving Weekday Bible Study in the churches. NOTE: Weekday Bible Study includes formally scheduled opportunities for concentrated teaching of the Bible and other curriculum areas for pupils of public school ages in Weekday Bible Study classes and other programs of weekday Bible study. It includes also special teaching opportunities for children in kindergarten, child care programs, and nursery schools.

The Weekday Bible Study material for Juniors and for Intermediates was used all three weeks at Siloam Springs Baptist Assembly in 1967.

35 kindergartens and day nurseries in the churches.

THE PROGRAM OF CHURCH ARCHITECTURE CONSULTATION

Objective. — The objective of the program of Church Architecture Consultation is to interpret the relationship of property and buildings of a church and to provide information and consultation to churches and denominational organizations concerning all phases and details of planning and securing appropriate property and buildings.

By personal visits and through correspondence we referred 30 churches to the Church Architecture Department of the Baptist Sunday School Board.

The department workers request the prayers of Arkansas Baptist messengers as we continue to plan, conduct and evaluate these four assigned programs of work.

Lawson Hatfield, Secretary

TRAINING UNION

Personnel

The Arkansas Baptist Training Union Department has as its secretary, Ralph W. Davis. On October 1, 1967, James A. Griffin began his fifth year as associate in the department. Mrs. Pat Elder is office secretary and Mrs. Evelyn Eubank is part time secretary.

Enrollment

The latest available figures are those taken from the report of the churches in the fall of 1966. At that time there were 1190 churches in Arkansas with 970 having Training Union and 220 not having Training Union. These 970 churches report a Training Union enrollment of 91,781.

Three Divisions

More of our churches during the past year have caught the vision of three different divisions of Training Union - member, new church member, and leader. More of our churches are electing not only a Training Union Director but a Director of New Church Member Orientation and a Director of Leader Training.

Campaigns and Leadership Schools

During the first nine months of 1967, associational leadership schools have been held in the following associations: Little Red River, Caddo River, Faulkner, Ashley, Trinity, Calvary, Black River, Greene County and Arkansas Valley.

Church enlargement campaigns were conducted in the following churches: Nettleton Church, Jonesboro, Vimy Ridge Church.

In these schools and campaigns the following leaders were trained: general officers 155, adults 495, young people 95, intermediate 160, junior 175, primary 65, beginner 40, nursery 35.

During October one leadership school will be conducted in Liberty association and two in Pulaski County. An enlargement campaign will be conducted during October in First Church, Springdale.

Director's Kit Conferences

During 1967 the Training Union Director's Kit was made available in the Baptist Book Store for \$1.95. During July and August, 11 pastor-director conferences were held for the purpose of explaining the use of the Director's Kit. In these conferences 112 churches were represented with 85 pastors and 81 Training Union directors present. In almost every conference as many kits were sold as there were churches represented.

Other Conferences

There were 60 other conferences conducted during the year for individual churches or groups of churches.

Convention

The State Youth Convention was conducted on March 24, 1967, at Second Baptist Church, Little Rock, with over 2,300 in attendance.

D. C. Applegate was the main speaker. Bill Glass also took part on the program. The next convention will be held in Robinson Auditorium, Little Rock, on April 12, 1968.

Tournaments

Junior Memory Sword drill, Intermediate Sword drill and Speakers' Tournaments were held in the eight districts March 6-20. District winners in the sword drill and speakers tournaments participated in the state drills and tournaments. In the Intermediate Sword drill, Roberta Miller, East Side Church, Mountain Home, placed first and represented Arkansas at Ridgecrest. Janet Beckham, Hickory Street Church, Texarkana, placed second and represented Arkansas at Glorieta.

In the 17-18 year Speakers' Tournament, Deborah Dyer of Clarendon won first place and represented Arkansas at Ridgecrest. Dorothy Benefield of Ouachita University won first place in the 19-24 year group and represented Arkansas at Glorieta.

Elementary Workshops

1. The Training Union department participated in four combined regional elementary workshops with a total attendance of 283.

2. Associational elementary workshops were conducted in Mt. Zion, Mississippi County, Tri-County and Caroline Associations with 22 churches represented and the following leaders trained: Nursery, 84; Beginner, 84; Primary, 112 and 25 others, making a total attendance of 287.

"M" Night

These men met with the department workers in Little Rock on May 15-16 to assist in the planning of all work of the department for the following year.

One assignment for James A. Griffin, department associate, is to keep all eight districts completely organized. There are eight age group workers in each district, a total of 64 workers. These receive training each year and assist in clinics, leadership schools, assemblies, conventions and other conferences. They also assist in training associational workers.

State Approved Workers are: Nursery, Mrs. J. W. King; Beginner, Mrs. James A. Griffin; Primary, Mrs. Faber Tyler and Mrs. Robert Tucker; Junior, Mrs. F. F. Hicks and Mrs. Murl Walker and Intermediate, Mrs. James Dean and Mrs. Ruth Tolleson.

RACE RELATIONS

The Race Relations Department is a joint project of the Home Mission Board of the Southern Baptist Convention and the Arkansas Baptist State Convention. Financial support is obtained through the Cooperative Program, Home Mission Board, W.M.U. Dixie Jackson offering and designated gifts.

The purpose of the Race Relations Department is to help our Negro Baptist friends to help themselves in developing better churches and through a program of sharing in Christian love, to build up a better spirit of Christian goodwill and understanding.

We have had four extension classes taught in the first five months of 1967. Extension teachers are: Rev. Jim Gerren in Lewisville; Rev. W. R. Rogers, Men's Class in Camden and Mrs. W. R. Rogers, Women's Class in Camden; J. N. Harrison in Hot Springs. The average enrollment was 117, with an average attendance of 241, for many attended classes without enrolling.

Our Hart of The Hills camp for Negro children, located near Ferndale, has four weeks of camp each year. One week for each age group — junior boys, junior girls, intermediate boys and intermediate girls. We had an enrollment of 266 this year, 103 boys and 163 girls, with 11 professions of faith.

In addition to the camp for the Negro boys and girls, we had several college groups use our campgrounds for a retreat. Also three different Negro churches from Conway used the campsite for a two day conference. A total of over 600 persons were in attendance for these occasions.

Our summer mission work is always a joy to our hearts as we have college students volunteering for summer mission work. We had 12 students to be appointed by the Home Mission Board and to meet their qualifications that were from AM&N College, Pine Bluff. Six of these students served in Arkansas and six out of state. The six serving in Arkansas served in 18 churches, with an enrollment of 875, 40 professions of faith and 88 dedications. In the years 1960-1967 we have had 97 students serving as summer missionaries in 187 churches, 985 professions of faith, 578 dedications with a total enrollment of 13,095. In the summer of 1967 30 students were assigned by the Home Mission Board for summer mission work. Out of this total Arkansas had 12 of this number to serve.

We are assisting two Negro boys with our Scholarship Fund this year, one in college and the other one in seminary.

We are very grateful and thankful for the many W.M.U.'s, churches and individuals that have been responsible for sending many of our Negro boys and girls to camp each year. Spiritual blessing will surely be theirs.

One of our major emphases of our work is the Baptist Student Center program at AM&N College, Pine Bluff. Here we have a very beautiful building adequately equipped, under the direction of Rev. Lacy Solomon. We not only have a very active BSU but Rev. Solomon teaches four classes in religion each semester, for which students can receive full credit toward their degree.

Our long range program includes the Hart of The Hills as a place for Pastor's Retreat, Sunday School, Training Union, Brotherhood and W.M.U. meetings, as well as our camp for Negro children. The highest purpose being to the task of "helping our Negro people help themselves in developing better churches".

STEWARDSHIP

Baptists have been blessed of God out of proportion to our number or worth during recent years. We are many and much. No doubt this is because Baptists have been striving to emphasize the old things of the Bible in a better way. This is especially true in the matter of stewardship.

There are now four main plans of presenting stewardship by Southern Baptists: the Forward Program of Christian Stewardship;

the Growth in Christian Stewardship; the Tithers Enrollment Week; and A Christian Family Witnessing to its Faith.

There is a plan of Stewardship Development for Baptist Associations and there is another plan called "Tithers Enrollment Day." This is an associational plan and is the basic unit in enlisting the churches to participate.

Since Arkansas Baptists started using the Forward Program of Church Finance, they have increased their gifts to the churches from \$11,195,188 in 1955 to \$18,906,315 in 1966. This is a 69% increase.

Baptists should remember that more money is being given to churches and the denomination, but the gifts have not kept up with the needs. Therefore, there is controversy over taking money from the U. S. Government and other sources. This controversy will continue unless church members give more money to their churches and those churches share a larger percentage of their receipts with the denomination.

Baptists have the people, the money, the plans, and the know-how to meet every obligation and fund every undertaking.

Let us highly resolve to pray more, care more, give more, and serve more during the year 1968.

COOPERATIVE PROGRAM

Every Baptist church knows what it means to have a group of deacons and other leaders who cooperate in every phase of the work. Every Baptist pastor knows what it means to have cooperation from the church leaders in taking the gospel to the community. Denominational leaders know what it means to have leaders on the convention boards, committees, and other groups who cooperate in taking the gospel of Christ to the world.

We all give God the praise for the fine spirit of cooperation which has helped Arkansas Baptists achieve many desired goals. Our Cooperative Program receipts have shown a steady increase. The first nine months of this year (1967) the Cooperative Program increase was 5.97% over 1966.

The Cooperative Program is the great channel through which tithes and offerings flow to the whole world. The Cooperative Program is a symbol of denominational unity, and this unity rejoices the heart of God more than the unity in a church rejoices the heart of the pastor.

WHAT THE COOPERATIVE PROGRAM DOES

For the denomination, (a) helps us to see all the causes of the world; (b) provides an economical collecting and distributing method; (c) tends to control over-spending; (d) enables our 1,190 churches in Arkansas to present a common front to the world.

For the local church, (a) makes the church a part of the world field; (b) helps a church to witness to the unity that we have as Baptists; (c) draws the entire church into a closer walk with God through mission efforts.

For the individual, (a) helps me to go into all the world as a missionary, Matthew 28:19-20; (b) helps me to stand in the classroom and teach; (c) helps me minister to the sick; (d) helps me to feed the orphan; and (e) to provide for the needs of the helpless. It makes my dollar go into all the world.

WHAT I CAN DO FOR THE COOPERATIVE PROGRAM

(a) I can always think of the Cooperative Program as the mighty arm of God reaching out to a needy world.

(b) I can help our church increase the percentage of its budget to the Cooperative Program.

(c) I can remember that whatever my gift, when God's blessing and grace are added to it much can be done.

(d) I can help observe Cooperative Program Day on April 21, 1968.

(e) I can help observe Cooperative Program Month in October 1968.

(f) I can make the Cooperative Program an object of prayer.

WOMAN'S MISSIONARY UNION

Under the 1966-67 theme "A Church Fulfilling Its Mission Through Education," Woman's Missionary Union focused on its task of teaching missions. This task was interpreted in the book, "The Woman's Missionary Union Program of a Church," which was recommended for study during the third quarter of the year. Another new educational effort was participation of all age - level groups in the correlated church curriculum — i.e. the Life and Work Curriculum — through regular month-by-month programs. Two or more missions books were studied by 84% of the organizations.

Two state-wide leadership training conferences were held at Pulaski Heights Baptist Church, Little Rock — on August 17 for associational WMU leadership with attendance totaling 150, and on August 18 for local church leadership when conferences were offered in 19 areas of organizational work. Attendance at the latter was more than 800.

State WMU organizational directors participated in twelve association-wide leadership conferences, and assisted numbers of local church groups with organizational structure and plans.

Chartered buses were provided for groups totaling 69 to attend the WMU and YWA Conferences at Glorieta.

In cooperation with the Sunday School, Training Union and Music Departments, special training was offered workers with elementary aged children in a one day, state-wide Workshop held at Immanuel Baptist Church, Little Rock, on April 25. Registration totaled 283 persons representing 63 churches.

The 1966 state-wide Annual Meeting of Woman's Missionary Union was held at Immanuel Baptist Church, Little Rock, April 10-12.

The annual series (8) of District Meetings was attended by 1,763, and the day's program featured two messages by the guest missionary, W. Trueman Moore of East Pakistan, plus organizational and denominational emphases.

A "first" was the Young Woman's Auxiliary Convention held February 17-18 at Second Baptist Church, Little Rock. This commemorated the 60th Anniversary of the organization. Participants in all activities numbered 302 with an equal number attending part-time. Attendance indicated by preregistration was reduced by the winter's worst snow and sleet.

Five Girls' Auxiliary Camps featuring missionary education and Bible Study for girls 9 through 15 were held at Paron with a total enrollment of 904.

Woman's Missionary Union promotes weeks of prayer with special offerings for foreign and home missions and a season of prayer for state missions. Increasingly, other church organizations and pastors are joining in the observances and particularly in promotion of the special offerings. Gifts through the Lottie Moon Offering for Foreign Missions totaled \$366,928. and through the Annie Armstrong Offering for Home Missions \$95,412. An ambitious goal was adopted for the 1967 Dixie Jackson Offering for State Missions totaling \$55,000 for state causes PLUS \$10,000 for the Greater Denver Evangelistic Crusade in 1968. No accurate report on response is yet available. The 1966 state mission offering totaled \$52,975.

By-laws adopted at the Annual Meeting called for an executive board composed of four officers; five promotional directors; eight district representatives and eight members-at-large. In addition to these there are now eight life-members.

ANNUITY BOARD

T. K. Rucker, Field Representative

The new Southern Baptist Protection Program officially goes into effect on January 1, 1968, although the benefits under it are being given currently. The new Program, made up of three plans, Plan "A," Plan "B," and Plan "C," provides substantial increases in benefits formerly offered as well as new benefits. The increased benefits in Plan "A" include:

1. **Disability** — is the same amount the member would have received at age 65, with no maximum. Previously, disability provided a maximum of \$900 a year.

2. **Widow** — benefit may be 40 per cent of the amount a member would get at age 65. Widow benefits previously were on a step-up basis taking six years to reach maximum coverage.

3. **Retirement** — Additional retirement benefits may be obtained by participating in Plan "B" (formerly Age Security Plan) and/or Plan "C" (Variable Benefit Plan).

New Benefits Added to Plan "A"

1. **Child Benefit** — Each unmarried, dependent child (up to four) under age 18 will get this benefit as follows:

a. If a member dies or becomes disabled, or retires at age 65 or after, each child will get 15 per cent of the amount the member would have received at age 65, or is receiving.

b. Under early retirement before age 65, each child will get 15 per cent of all retirement credits the member earned before reduction for early retirement was made.

2. **Educational Benefit** — A maximum of \$2,400 is payable to each unmarried, dependent child for the initial four years of full-time study immediately beyond high school as follows:

a. If the member dies or becomes disabled, or retires at age 65 or after, each child will get 40 per cent of the amount the member would have received at age 65, with a \$600 a year maximum.

b. Under early retirement before age 65, each child will get 40 per cent of all retirement credits the member earned before reduction for early retirement was made, up to a maximum of \$600 a year.

3. **Dependent Parent Benefit** — If no wife survives you, a qualified, dependent parent will receive the widow benefit.

Beginning on January 1, all churches will be billed for the total dues of the Program. For an adequate retirement program, the Annuity Board and the state conventions recommend 10 per cent of total salary of the member be put into the Program. If a church pays its pastor less than \$4,000 a year, and desires to do so, it may pay 10 per cent dues on a \$4,000 salary basis to build greater benefits. There is no change in the cost. In fact, the Program eliminates the step-up in dues at age 60 which was required in the former plan.

SPECIAL NOTICE . . .

The Annuity Board offered the benefits of the new Protection Program more than a year before it was scheduled to go into effect so every minister could have the new benefits immediately. Anyone joining the Program. (after January 1, 1968) will have full benefits after one year of continuous participation. The provisions on delayed participation in the new Program states that to be eligible for full benefits one must join the Program:

- a. During the first year from the date of inauguration (1-1-68); or
- b. One year from the date he first became eligible; or
- c. One year from the date of his 25th birthday, whichever is the latest date.

If he fails to join under one of the above, the amount of benefits for all except retirement shall be reduced proportionally by the number of years he delays in joining.

ARKANSAS BAPTIST HISTORY COMMISSION

George T. Blackmon, Executive Secretary

I. ORGANIZATION

The Arkansas Baptist History Commission was set up by a resolution in the 1960 annual session of the convention. It is composed of nine (9) members—one from each of the eight (8) districts and a member-at-large as the chairman. The Convention elects each member to a three year term; one third rotate off each year. The 1965 session of the Convention elected Dr. George T. Blackmon as Executive Secretary of the Commission for an indefinite term.

The Commission is, therefore, the agency of the Convention in the field of Baptist history with duties including the locating, collecting, preserving, and using of documents of Baptists in Arkansas. Its greatest achievements have been in the areas of locating and their preserving on microfilm, minutes of local associations in Arkansas.

II. HOLDINGS

The original microfilm file turned over to the commission in 1960 by the Historical Society contained forty (40) reels of three thousand and eighty-six (3086) minutes along with other Baptist documents. The file now has one hundred and twenty (120) reels, only one (1) reel having been added this year. This file now has minutes of two hundred and thirty (230) local, state, and national Baptist organizations represented in Arkansas. The Commission also holds a library of three hundred and twenty (320) books by Baptists or about Baptists.

Riley Library holds seventy-eight (78) bound volumes of minutes of forty (40) associations in Arkansas, bound ten (10) or more years to the volume; forty-eight (48) volumes of the **Southern Baptist Convention Annuals**, (a complete file); nineteen (19) volumes of the

Arkansas Baptist State Convention Annuals; fourteen (14) volumes of the **American Baptist Yearbook**, 1850 to date; one (1) volume each of periodicals by Independence, Harmony, and Liberty Associations; two (2) volumes each of church bulletins of First Baptist, Fort Smith and of Immanuel, Little Rock; three (3) each of First Baptist, Arkadelphia, of First Baptist, McGehee, of Grace Baptist, North Little Rock, and of Jennie; one (1) each of Pike Avenue and Second Baptist, Little Rock; and six (6) volumes of First Baptist, Russellville. These periodicals have been collected by the Commission and bound and accessioned by the University to insure better preservation and availability of the materials.

The Commission holds many items of similar materials in two incomplete files for binding. It holds printed or manuscript copies of histories or historical brochures of one hundred and two (102) local churches and sixty-four (64) associations as well as two hundred (200) biographical sketches of Baptists of Arkansas.

III. PROJECTS

The Commission pledges a continuing search for historical materials of Baptists in Arkansas. There are at least eleven (11) national Baptist groups represented in Arkansas. The Commission has had most gratifying cooperation with these bodies in obtaining microfilm files of their materials involving their constituents in Arkansas.

The Commission is proposing during the next year to re-microfilm its holdings by associations instead of by years. It has the promise of full cooperation in this project by the librarians of Southern Baptist Theological Seminary and of Southwestern Baptist Theological Seminary, by the Southern Baptist Historical Commission, by the American Baptist Historical Commission, and by the Baptist Headquarters at Little Rock. It now solicits the full cooperation of every Baptist church and association in Arkansas in completing this project. When an association's file is complete on one (1) or more reels, any interested person, church, or association may purchase it at ten cents (10¢) per foot. The Historical Commission of the State of Arkansas has gladly agreed to do the microfilming without cost with only the privilege of a negative file and of selling positive files.

IV. RELATION TO THE HISTORICAL COMMISSION, SBC

This Commission was chartered in 1951 to succeed the Southern Baptist Historical Society as the agency for history for the Southern Baptist Convention. The Executive Secretary of the Commission is Dr. Davis C. Wooley, 127 Ninth Avenue North, Nashville, Tennessee 37203.

The Commission publishes the **Newsletter** quarterly and the **Baptist History & Heritage** in July and October; both of these periodicals are sent free to members of the Historical Society. The Commission provides historical materials for the first two quarters for a Sunday School publication, **Quarterly Review** which two (2) issues are also free to members of the Historical Society. Any materials pertaining to Baptists in Arkansas that the Commission may hold are available to the Arkansas Baptist History Commission. Membership in the Southern Baptist Historical Society is open to anyone; the fee is \$5.00 per year.

THE ARKANSAS BAPTIST HOME FOR CHILDREN

Monticello, Arkansas 71655

Maurice Caldwell, Executive Director

Services to Children

The child care program of the Arkansas Baptist Home for Children is producing gratifying results.

The governing factor is always what is believed to be best for the child. The information necessary to adequately determine the child's need is obtained through intensive study of each referral.

In many instances we have been successful in providing guidance which resulted in keeping the family together. In like manner, we have been able to provide needed short-term care, thus enabling the home situation to become stabilized.

At the same time, we have cared for ninety-six children in the Arkansas Baptist Home for Children during the year.

Of these ninety-six children, fifty-six of them remain in the Home, four have been placed in foster homes, twenty-one have been placed with their own families or close relatives, five are full-time students at Ouachita Baptist University, and ten were discharged upon graduation from high school or placed with another agency which is better able to meet the needs of the individual child.

Except for those discharged, the other children remain under our care and supervision.

Expanding Program

For many years we have seen the need for an office in central Arkansas with a staff to aid in the over-all child care program of Arkansas Baptists.

We have obtained such an office through the courtesy of the Pulaski County Association. We are presently in the process of securing qualified personnel for this office.

The financial support for this expansion is made possible through the co-operation of the Pulaski County Association, North Pulaski Association, and the Arkansas Baptist State Missions Department.

This extension of our program will be a great asset to our effectiveness in that over eighty per cent of our referrals are from the central Arkansas area.

Financial Needs

The financial position of the Arkansas Baptist Home for Children is on a sound basis. However, in order to meet the growing demands of the rising cost of living plus an absolute minimum of expansion of facilities, we believe that a goal of not less than \$100,000 should be obtained through the Thanksgiving Offering.

BAPTIST MEMORIAL HOSPITAL

Memphis, Tennessee

Frank S. Groner, Administrator

The Christian influence of Baptist ownership is exhibited daily in the service to patients at Baptist Memorial Hospital. This influence gives the 2,500 employees of the hospital the unique opportunity of combining their vocational pursuits with their Christian beliefs and attitudes. The many educational programs at Baptist Memorial Hospital combine scientific and technical training with Christian compassion to produce a health worker that has true compassion and feeling for the patients he deals with. This most important product of the hospital is one that cannot be illustrated through the use of statistics.

However, some indications of the dynamic growth and quality of the institution, as well as its far reaching effects on the lives of people in the mid-south, can be indicated by facts and figures. This past year has been a most significant one at Baptist Memorial Hospital.

A new sixteen bed coronary intensive care unit was opened in January, 1966. This is one of the nation's most modern and complete facilities for care of patients with acute coronary illness. Each of the beds is equipped with electronic monitoring and metering devices which "watch over" patients and in some instances will administer to the patient's needs automatically.

The department of X-Ray Therapy completed a major physical expansion enabling patients requiring this service to receive the most complete range and highest quality service of this nature available in the country. Among the several pieces of new equipment installed was a Betatron machine that produces x-ray and beta rays of up to 18,000,000 volts. Because of the deeper penetration patients will require fewer and briefer treatments with the Betatron. Other new equipment include a Gamatron 3 cobalt machine, a Caesium Gamatron machine, and a Tumor Localizer.

Other significant projects included the expansion of the physical therapy department and the addition of bathrooms to many of the patient rooms at the Lamar Unit that did not previously have this facility.

The largest physical expansion in the hospital's history made progress during 1966. The addition of eighteen stories to the Union East Unit and six floors on top of the Madison East Unit will provide an eventual gross addition of 1050 beds plus expanded operating room, x-ray, laboratory, central supply, pharmacy, and dietary facilities. Six of these floors, containing 500 beds, will be shelled for completion in the future as they are needed. It is anticipated that approximately 250 beds in the oldest section of the hospital will be closed and this space converted to other uses. These beds do not have plumbing facilities and are not adequate to provide modern standards of good patient care. The need for this addition is indicated by the fact that prior to its beginning approximately 600 patients a month were declined admission due to a shortage of beds.

The Department of Religion had another active year, continuing to minister to the spiritual needs of patients, their families, em-

ployees, students and medical staff. Rev. Ralph McIntyre, pastor of Brainerd Baptist Church in Chattanooga, conducted a most successful Religious Emphasis Week during April using the theme "Gate-way to Growth".

Baptist Memorial Hospital's administrator, Dr. Frank S. Groner, received the American Hospital Association's Distinguished Service Award. This award is the American Hospital Association's highest award for outstanding leadership in the field of hospital care.

During 1966, Baptist Memorial Hospital was surveyed by the Joint Commission on Accreditation of Hospitals. The result of this survey was full approval for another three years. Approval of this body certifies to the community that certain basic standards have been met by the hospital.

Presently the hospital is operating 1251 beds and 68 bassinets. Special areas, in addition to medical and surgical, include obstetrics, pediatrics, psychiatry and the Lamar Unit rehabilitation service. The estimated replacement value of the hospital is \$45,000,000. Some 613 physicians are members of the hospital's Medical Staff representing specialists in every area of medicine.

Approximately 400 students are enrolled in the following hospital operated education programs:

- (1) School of Nursing.
- (2) Intern-Resident Program.
- (3) School of Medical Technology.
- (4) School of Medical Record Librarians.
- (5) School of X-Ray Technicians.
- (6) Freceptorship for University Program in Hospital Administration.
- (7) Affiliation with Memphis Vocational School for the training of practical nurses.
- (8) Training program for surgical technicians.
- (9) An affiliation with the University of Tennessee College of Medicine for surgical and medical clerkship for the eleventh and twelfth quarter medical students of this school.

Social service plays a significant role in the program of Baptist Memorial Hospital. This concept of service is one that recognizes that the indigent and medical indigent, like any other patients, need and deserve consideration and help.

The extent of the ministry to the needy of the tri-state area is reflected in the following figure:

Total charity and allowance for period of October 1, 1965 through September 30, 1966 \$1,432,399.77

(Included in this figure are allowances granted ministers and other full time religious workers amounting to \$65,061.25).

Some statistics indicative of the extent of the hospital's service are listed below for the twelve month period, ending with September 30, 1966:

(1) Number of hospital admissions excluding newborn....	40,100
(2) Number of Newborn.	3,256
(3) Total patient days including newborn.	354,529
(4) Daily Average Number of Patients including newborn	971.31
(5) Average length of stay including newborn	8.05
(6) Percentage of occupancy exclusive of bassinets	85.72
(7) Total number of Surgical procedures.	25,969
(8) Total number of Laboratory procedures.	699,293
(9) Total number of X-ray procedures.	100,316
(10) Outpatients Visits.	151,472

These figures represent just one segment of over a half-century of service. The total number of lives touched by the hospital's service during its fifty-five year history is unknown. Nevertheless, Baptist Memorial Hospital is proud of the role it has played in making hospital care available in the name of Christ.

OUACHITA BAPTIST UNIVERSITY

Arkadelphia, Arkansas

Ralph A. Phelps, Jr., President

The period of September 1, 1966, to August 31, 1967, saw significant progress and one major setback at Ouachita Baptist University, the senior educational institution of the Arkansas Baptist State Convention. As the school, founded in 1886, faces the future, prospects are such that the best thinking and highest dedication of Arkansas Baptists are needed.

Achievements

Enrollment. A noteworthy accomplishment was the record number of young people enrolled in this Christian school. The total non-duplicating enrollment for the year was 2331, an alltime high. Despite this growth, however, Ouachita slipped from the position of largest church-related school in the state to second place, Harding College, a Church of Christ school, becoming first.

Graduates. A total of 262 bachelor's degrees and 11 Master's degrees were conferred at the May and August commencements. Three honorary Doctor of Divinity awards were made to Ouachita graduates who are serving as executive secretaries of Baptist state conventions in the west.

Buildings. Three new buildings were completed, the dining hall enlarged, and a fourth major construction project begun during the year. In May, dedication services were held for the Verser Speech and Drama Center, built with contributions of Earl Verser, Jr. and other alumni and friends. Although permanent seats have not yet been bought, the building was paid for as construction progressed. Like several other major buildings put up during the past 14 years, this one was built by student labor and the school's regular maintenance crew. This method, while slow and tedious, helps a number of worthy men work their way through school.

Two dormitories, one housing 304 women and the other 304 men, were built by Northwestern Mutual Life Insurance Company and leased to the school for 25 years. Thus, capital improvements worth two million dollars were added without any increase in the capital indebtedness of the University. Both buildings, completely furnished by the builder, are air-conditioned and carpeted. They give Ouachita a total of 1,078 beds in permanent, fireproof buildings completed since 1953.

An addition to Birkett Williams Dining Hall, completed and opened with the beginning of the Fall semester, provided a third cafeteria serving line and 346 additional seats in the eating area. The project was built by the campus crew.

With the help of a generous gift by Miss Emma Riley, trustee and long-time benefactor of the school, work was started in the Spring on a three-story addition to Riley Library. Since the library had no more room for shelf space and was short on seating for students using the facility this project was an absolute "must" if the school were to remain accredited. The job, which will require about a year to complete, will be financed through gifts and through the bond sale authorized by the 1966 Arkansas Baptist State Convention. Construction is by the school's own crew.

Finances. Although it becomes more difficult each year to do so, Ouachita again operated within her income, as she has every year during the present administration. Running an institution of higher learning in a day of spiralling prices is expensive, as is evident from the fact that the budget adopted for the fiscal year beginning June 1, 1967, totals \$2,762,991.00. The largest single item is faculty salaries, which totaled more than the total given by Arkansas Baptist for the school's operation—this despite the fact that the school's salary scale has been criticized by the North Central Association as low.

Ministerial students. One of the most encouraging notes of the entire year was the upturn in the number of ministerial students enrolled. For several years Southern Baptists have seen in their schools, including seminaries, a decline in the number of young men preparing for the gospel ministry. Until this year, the same pattern had obtained at Ouachita. However, with the increase there were 255 ministerial students enrolled for the year. There were, in addition, 166 preparing for other church-related vocations. Since a major function of Ouachita is the training of Christian workers, it is hoped that this marks the beginning of an upward trend in enrollees in this area.

Graduate accreditation. In August of 1967, the North Central Association of Colleges and Secondary Schools approved the addition of graduate work in elementary and secondary education. Previously, Master's work had been limited to the fields of religion, American civilization, and music. The Master of Science in Education program should strengthen the entire graduate field, since teachers represent the majority of those wanting to study beyond the baccalaureate level. Dr. Howard Kinlaw, who has had considerable experience on the graduate level, became graduate dean in April and is already proving a valuable asset of the graduate programs.

Athletics. Ouachita won conference titles in football, baseball and tennis. The girls' basketball team won the state title and re-

presented Arkansas in the national A.A.U. tournament, where Myrna DeBerry was named first-team all-American.

Setback

A major setback was the decision which the Trustees were forced by finances to make in regard to the School of Nursing. In order to adopt a balanced budget, which Ouachita by Convention regulations is required to do, some major expenditure had to be cut out. After studying a three-year budget projection which showed anticipated annual Nursing School deficits of \$76,000, \$94,000, and \$114,000, the Trustees decided that to keep the financial head of Ouachita above water it was necessary to get out of the professional nursing field.

An important factor was the high cost of nursing faculty. Because there is a severe shortage of nursing instructors qualified to teach on the collegiate level, it was necessary to pay teachers with only a Master's degree and no college teaching experience more than was being paid some holders of doctorates with long experience on the Arkadelphia campus.

It was a source of great disappointment to everyone associated with Ouachita that the Nursing School could not be continued. The decision to close it was like that of a doctor who decides to amputate a patient's limb in order to save his life.

Fortunately, State College of Arkansas was able to take over the nurse education program at Arkansas Baptist Medical Center so that Ouachita's students could continue under the same teachers and dean who had been a part of the Ouachita faculty. Since nurses are desperately needed, this largest nursing school in the state has a vital role to play in the life of the state; and it is hoped that the state school with large tax appropriations available to it can continue the program indefinitely. It is also a crying shame that the school could not be continued as a part of Christian education.

Ouachita will continue to offer the first two years of pre-nursing work, after which a student can transfer to a professional school.

Problems

As Ouachita faces the future, three problems loom large on the immediate horizon. They are:

Finances. Since enrollment has increased much more rapidly than have Baptist gifts through the Cooperative Program, Ouachita received from the Convention this past year approximately \$240 per student compared with \$400 per student a few years ago. During this same period, however, the pay scale for teachers has more than doubled, and inflation has upped the price of everything the school buys. State schools, which are the major competitors, have received vastly increased appropriations from the General Assembly and have provided educational equipment and buildings in almost unlimited amounts. With salary scales considerably higher than Ouachita's, they are constantly attempting to woo away key personnel and are occasionally successful.

To have enough money to operate a quality school, Ouachita has had to increase her charges to students again. While her costs are still quite low compared to private universities the country over, they are high enough to pose a real problem to low-income Arkansas families who would prefer to send their children to a church school but are forced by financial necessity to send them to state institutions. High charges are self-defeating; they reduce enrollment and decrease income. Yet what is the alternative? One must be found.

Federal aid. When the Arkansas Baptist State Convention in November of 1966 adopted a resolution setting forth the convention's position in regard to schools and Federal aid, that settled the question for officials of Ouachita. The school's obligation is to work within the guide-lines laid down by the parent body, and this she intends to do. Nor does Ouachita propose to launch any crusade to change the Convention's position; respectful of Convention beliefs once these have been stated, she will do the best job she can as long as she can.

It should be pointed out, however, that there apparently is in the offing something that will make the task of survival without Federal assistance even more difficult. Heretofore, Federal aid has been limited to buildings, student help, and research projects. Now there is a proposal that the government also assist with operating expenses—salaries and other direct educational costs. If this passes, the gap between Baptist and tax-supported schools is going to grow even greater. This prospect should not drive the constituency into a blind rage but should cause them to do some calm, hard thinking on how to cope with the problem. Burying heads in the sand will not bury the problem.

"Generation gap." A continuing problem of any school is the gap that exists between the thinking of the parent and student generations on many subjects, but this situation is even more acute in church-related colleges. The ideas of the parent body, generally very conservative, are quite different from those of a student generation greatly influenced by existentialism, situation ethics, the new morality, personalism, and various freedom movements. Strange as it may seem to adults, what happens on campuses like the University of California has an impact on campuses in Arkansas. Unless there is a serious attempt on the part of adults to understand the influences that are at work on their own children, the communications gap is going to grow even wider and the chances of losing these permanently from Baptist life is going to increase. Maybe the right approach is "Let them go!" as someone shouted from the floor of last year's state convention when a speaker warned of this danger. But it might also be wise to consider the statement of Jesus Christ, the Master of men, who said that the sick need a physician. If we are not to lose our young people, we must do more than adopt resolutions condemning them and their practices. We must offer them a better, more attractive way of life.

God's grace has been manifest in the history of Ouachita for a long time, and there should be continual thanksgiving for his providential care which has helped provide a first-rate school in spite of many problems. His guidance for the future should also be constantly sought. The problems are great, but so is the challenge which the future holds out.

SOUTHERN BAPTIST COLLEGE**Walnut Ridge, Arkansas****H. E. Williams, President**

The 1966-67 session of Southern Baptist College was marked by her growth in both numbers and spiritual attributes. The enrollment reached an all-time high of 1,137 different individuals; 801 on the campus, 306 at the Blytheville Air Force Base Resident Center and 30 at the Piggott extension.

The college also experienced several periods of high spiritual moments resulting in well over 100 decisions during the year. Great and lasting experiences touched many lives in the larger student body.

The college utilized for the first time a beautiful new dormitory for women. The building is fully air-conditioned and features private bath facilities for each room. It is the first of four units to be built as a complex providing facilities for 384 young ladies.

The Expansion and Endowment Campaign continues to make slow progress now having reached about the \$600,000 mark in gifts, pledges and bequests. The second phase of the effort was initiated during the year in which the college is attempting to find 25,000 Arkansas Baptists who will give \$1.00 per month over and above their regular church gifts, for a period of three years. While many have pledged to this effort, not nearly enough have pledged to reach this goal. Won't you be one of the needed 25,000 by joining the "25,000 CLUB" for Expansion and Endowment of Southern Baptist College? Also may we ask that you insist that a serious effort be made in your church to find a large number of members for this worthy effort? **NO APPEAL HAS EVER BEEN MADE TO ARKANSAS BAPTISTS WITH MORE POTENTIAL FOR KINGDOM ADVANCEMENT. PLEASE HELP IN EVERY POSSIBLE WAY. GOD WILL BLESS YOU FOR THE KINDNESS.**

Southern Baptist College continues to grow in the esteem of the educational world now that she is fully accredited by the North Central Association of Colleges and Secondary Schools. Many of her faculty members are recognized as outstanding people in their fields. Every effort is being made at all times to upgrade the quality of the institution in every manner possible. Progress is being made on the new Community of Science Complex being built on the campus. Half of the complex will be occupied this fall. It is hoped that the Expansion and Endowment Campaign will provide enough to build the other half.

The college is in great need of an auditorium and fine arts building. No suitable place for general meetings is now available large enough to take care of the growing student body. The splendid music department is in need of larger and better facilities. Plans for a large and beautiful auditorium and fine arts building have been made but must await adequate funds to begin construction.

The college is grateful to Arkansas Baptists and her many friends for the help received each year. We pray the richest blessings of God upon our Baptist people in their program of world missions. When you give through the Co-operative Program you are helping the whole world come closer to God. Southern Baptist is a part of the world service of Baptists.

BAPTIST BOOK STORE
408 Spring Street
Little Rock, Arkansas 72201
Robert H. Bauman, Manager

Over a period of four decades Southern Baptists have come to rely on their local Baptist Book Store as the answer to their needs for good books, Bibles, sacred music, church supplies, audio visuals, teaching aids and devices of all types, and materials of a general inspirational nature.

With age has come confidence in knowing that Baptist Book Stores were designed originally to answer the needs of a growing, pulsating denomination, providing for the membership and the physical requirements of the open-country church as well as the large city church. The original idea is still prevalent today, and, although Baptist Book Stores often serve the general public and various other denominational groups, the largest group served continues to be Southern Baptists.

Your Baptist Book Store is at your service. . . . constantly striving to improve ways of service to you, supplying you with the materials and methods that will help you best, and providing a Christian witness in each locality served.

In order to fulfill this purpose and render this service, there is invested \$57,400 in leasehold improvements and \$29,590 in furniture and fixtures. An average inventory of \$90,000 has been maintained throughout the year.

There are sixteen dedicated employees ready to serve you. They are grateful for the opportunity and for their part in the over-all effort of Southern Baptists as they seek to carry out the Great Commission of our Lord.

The type of service which has always been the aim of Baptist Book Stores is now embodied verbally in the slogan—"Service With A Christian Distinction."

CHRISTIAN CIVIC FOUNDATION
OF ARKANSAS, INC.
301 Waldon Building
Little Rock, Arkansas 72201

The past year has revealed new friends in many places for the causes represented in the Christian Civic Foundation all the way from the Federal Government to state and local law enforcement agencies. This is evidenced in:

1. The ten-volume Task Force Reports of the President's Crime Commission, particularly those on Drunkenness, Narcotics and Drug Abuse, Juvenile Delinquency, and Organized Crime.
2. Two bills introduced in the United States Senate — one banning alcoholic beverage advertising between 3:00 and 10:00 p.m. — one requiring labeling of alcoholic beverages as health hazards.

3. Appointment of a National Advisory Committee on Alcoholism and the establishment of a National Center for the Prevention and Control of Alcoholism.
4. An attack on obscene literature in the Congressional campaign of Shirley Temple Black.
5. An aroused public sentiment displayed concerning the mixed-drink and casino gambling bills during the 1967 Arkansas General Assembly, which was a determining factor in the ultimate defeat of these bills. This public awareness further serves to aid the Alcoholic Beverage Control Board in performing its duties.
6. Direct action by the state and local police, grand juries and other law enforcement agencies against gambling and illicit sale of alcoholic beverages.
7. The decisive defeat of the mixed - drink measure in Memphis, a key city.
8. Added support to the National Safety Council's campaign against drinking drivers in nationwide advertising by industrial firms such as Mobil Oil.
9. Indication by a recent Gallup Poll of mounting sentiment against drinking drivers.
10. Passage by the Arkansas General Assembly of five important bills concerning alcoholic beverages, three of which dealt with raising the age limit.

Our Alcohol-Narcotics Education Program continues to receive high praise from school people and students over the state, both for the effectiveness of the program and the outstanding character of our representative. During the 1966-67 school year, the program was presented in 125 schools in 27 countries. In addition to the work in the schools, the Assistant spoke to numerous church youth groups on weekends, and during the summer, worked with five Methodist and Baptist youth camps.

Jerry McBride, our Educational Assistant for the past two years, has set a high standard of excellence in this vitally significant work with our young people. It is with reluctance, therefore, that we announce his resignation, effective September 15, to enter a professional school. This is a very specialized work, and a Scouting and Screening Committee, composed of Dr. Horace E. Thompson, Dr. S. A. Whitlow, and Dr. Alfred A. Knox, is working with the Executive Director in an effort to locate the right young man to fill the vacancy.

Contributions toward our \$35,670 budget were received from Assembly of God, Presbyterian and community churches and groups in the amount of \$1,313.77, but our major support still comes from the Baptist and Methodist churches. During the period from October 1, 1966, through September 30, 1967, the total amount received from

Baptists was \$12,937.34, and from Methodists \$16,929.19. Baptists churches contributing regularly through their local budgets are:

The Christian Civic Foundation maintains a library of films, which are in constant circulation, and are available to schools and church groups free of charge. In addition, literature dealing with the various subjects of concern to us, also available from the Foundation Office without cost, is widely distributed over the state.

Looking ahead toward Local Option contests shaping up for the General Election in 1968, we have prepared a Local Option Kit which contains information, suggestions and special materials to aid our friends at the county and local level who will be involved in Local Option Elections. We are always available to help in any way and at any time we can.

We are hopeful that an implied consent law, similar to those in many states, will be enacted in our next Regular General Assembly, since certain Federal highway funds to the states are contingent upon the existence of such laws.

We will be in constant contact, through our Legislative Information Assistant, with the activities of both the Special Session and the 1969 Regular Session of the Arkansas General Assembly, and in turn will keep our friends informed regarding developments.

FOREIGN MISSION BOARD
Southern Baptist Convention
Richmond, Virginia

A Survey Based on 1966 Statistics

“With the upsurge in world population, we must take advantage of the media of mass communication. We must move with vision and courage along the avenues of sharing the Gospel of Christ massively in the world of our day.”

—Baker J. Cauthen, Executive Secretary

Southern Baptist missionaries were under appointment to 65 countries or political entities on May 1, 1967.* During 1966 a couple took up residence in Ivory Coast, and a couple was appointed for Morocco. Missionaries, appointed in early 1967, are awaiting permission to enter Ethiopia and Botswana.

*Argentina, Austria, Bahamas, Bermuda, Botswana, Brazil, Chile, Columbia, Costa Rica, Dominican Republic, Ecuador, Ethiopia, Fran-

ce, French West Indies, Gaza, Germany, Ghana, Guam, Guatemala, Guyana, Honduras, Hong Kong, Iceland, India, Indonesia, Israel, Italy, Ivory Coast, Jamaica, Japan, Jordan, Kenya, Korea, Lebanon, Liberia, Libya, Luxembourg, Macao, Malawi, Malaysia, Mexico, Morocco, Nigeria, Okinawa, Pakistan, Paraguay, Peru, Philippines, Portugal, Rhodesia, Singapore, Spain, Switzerland (Baptist Center), Taiwan, Tanzania, Thailand, Togo, Trinidad, Turkey, Uganda, Uruguay, Venezuela, Vietnam, Yemen, and Zambia.

Missionary Support

At the close of 1966 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,208. This included 65 missionary associates, 7 special project nurses, and 92 missionary journeymen. Appointments during the year totaled 207 (131 career, 20 associates, 48 journeymen, 3 special project medical persons, and 5 reappointed). Between January and May, 1967, 45 more were added.

Even with the additional appointments, many missionary personnel needs are still unmet. Preachers and medical people continue to be most urgent requested. Also, there are calls for those trained in teaching (seminary), business, agriculture, radio and TV, journalism, and student work.

Evangelism and Church Development

The leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavors. Years of foreign mission labor have taught us that the cultivation of New Testament churches is the wisest investment of missionary resources. At the year's end there were 4,707 churches (3,076 self-supporting), 6,542 mission points, and 3,904 national pastors related to our Southern Baptist work. These reported 51,680 baptisms, 528,958 church members, and 604,487 enrolled in Sunday School. China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members related to our mission work.

Evangelistic campaigns were held in 10 Latin-American countries and in Ghana and Japan. Conferences on evangelism were conducted in Kenya and Liberia with attendance coming from 10 African nations. Eight Orient countries participated in the Asia Sunday School Crusade.

Baptist radio and television efforts were strengthened in all areas and particularly in the Orient. Missionary Associate E. Wesley Miller was named the Foreign Mission Board's radio and television representative in Europe and the Middle East.

Schools and Student Work

The 1,181 schools related to our Missions in 41 countries had an enrollment of 185,050 students with a staff of 6,256 national and 387 missionary teachers and administrators. Among the schools are 43 theological institutions with 1,559 students and 6 women's training schools with 603 enrolled.

New buildings were dedicated in Jos, Nigeria; Monrovia, Liberia; Mombasa and Nyeri, Kenya; and Hong Kong. Small Bible schools

were begun in Tukuyu, Tanzania, and in Greenville, Liberia. Venezuela had its first national Baptist camp for university students, and the new Baptist Student Center in Bangkok, Thailand, was dedicated.

Publication Work

Book stores and reading rooms on our mission fields are confronting hundreds with the Christian message. Literature in the language of the people has become increasingly important for evangelism, leadership training, and Christian education.

Our 23 publication centers overseas and at El Paso, Texas, (Spanish) produced over 21 million pieces: tracts, books, periodicals, Bibles, hymn books. Staffing these centers were 68 missionaries and 530 nationals.

A significant event in 1966 was the opening in Barcelona of the first Baptist book store ever to operate in Spain. In Zambia, the Baptist Press moved to new quarters in Lusaka. Newspaper evangelism was tried by Lebanese Baptists with gratifying response. On the occasion of its 60th anniversary, the Baptist Spanish Publishing House printed over 100,000 copies of an inexpensive New Testament for use in personal witnessing. Missionary Associate Theo E. Sommerkamp, Jr., became full-time director of European Baptist Press Service (Ruschlikon, Switzerland), an agency of The European Baptist Federation.

The Commission, foreign missions journal of the Board reported an average circulation of 95,182 in 1966.

Hospitals and Medical Care

Medical mission institutions include 20 hospitals and 56 clinics and dispensaries, with a total of 1,391 beds. In 1966 there were 102 national and 62 missionary physicians serving with 312 national and 60 missionary nurses. They treated 589,055 patients. Engaged additionally in the medical ministry were 870 nationals and 40 missionaries.

An obstetrical wing was added to the Baptist Hospital in Gaza; construction began on the new Wallace Memorial Hospital building in Pusan, Korea; and the Japan Baptist Hospital dedicated its new school of nursing building. Clinics opened in El Porvenir, Ecuador, and also in Jibla, Yemen.

Benevolent Ministries

To meet special relief needs, the Foreign Missions Board provided funds for the assistance of victims of earthquakes, typhoons, floods, and famines. Some of the urgent needs of refugees in several countries were met with the aid of these funds.

Nineteen good will and community centers in 11 countries reach people in varied ways: literacy classes, homemaking courses, Bible study clubs, and evangelistic services. Staffed by 25 missionaries and 104 nationals, these centers enrolled 7,959 children and adults. In 13 children's homes, 4 missionaries and 99 national workers cared for 793 boys and girls.

Contributions

Total contributions of Southern Baptists for foreign missions amounted to \$27,047,200 as 1966 closed (an increase of \$2,063,276 over 1965). The 1966 Lottie Moon Christmas offering had reached a total of \$13,760,146.80 by May 1, 1967.

Still, needs continue to be far beyond financial resources. Unfilled requests from the Missions for urgently needed land, equipment, and buildings amounted to several million dollars.

HOME MISSION BOARD Southern Baptist Convention Atlanta, Georgia

The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel worldwide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to Christianize the United States takes on global dimensions. At this point in human history home missions must be a major concern of Southern Baptists.

Arthur B. Rutledge
Executive Secretary-Treasurer
Home Mission Board

A MISSIONARY FORCE of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career status. However, the total number reported represents a decrease that is strictly on paper from the previous year, as a careful recheck of personnel lists eliminated names that should have been removed earlier.

TO COPE WITH THE CHANGES the agency has continued to experiment with and to search for relevant methods in missions, such as those to be used in resort communities, industrial situations, juvenile delinquency, and high-rise apartments. Studies continued in transitional areas, with downtown churches and with ministries to ex-prisoners.

RECORD SUPPORT came during the year through the Cooperative Program (\$4.7 million) and the Annie Armstrong Offering (\$4 million). The goal for the Annie Armstrong Offering was reached for the first time since 1961.

SOME PRESSING NEEDS remain unmet in missionary appointments: 70 Spanish missionaries, 8 Italian, 18 Slavic, 14 Indian, 25 US-2, 25 other language groups, 9 couples and 11 single women for Baptist centers and weekday ministries, and 1 couple for migrant missions.

FUNDS FOR DISASTER RELIEF, which started with \$50,000 in 1966, will reach \$235,000 during 1967 with increased funds coming through the Advance Section of the Cooperative Program.

METROPOLITAN AND ACADEMIC EVANGELISM ministries received intensive study to plan Southern Baptist approaches in both areas. Metropolitan crusades in Denver and Phoenix are planned for 1968, and the Dayton (Ohio) crusade was planned for 1967.

VIET NAM MILITARY FORCES were served by one hundred of the 849 Southern Baptist military chaplains serving on active duty. Strengthened efforts have also been made for ministries by chaplains with hospitals, institutions, and in industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

FINANCIAL ASSISTANCE went to 270 churches for loans totaling more than \$4.5 million. The funds of the Church Loans Division now total more than \$17.5 million, and the agency seeks new methods of guaranteed loans that will multiply these funds.

THE NORTHEAST CRUSADE, a concerted emphasis on missions for the ten-state northeastern area through 1970, was launched in 1966 with most of the agencies of the SBC participating, under the leadership of the Home Mission Board's Department of Pioneer Missions and the state conventions of Ohio and Maryland. This department also reported marked advance in work in all of the twenty-four states it serves.

RURAL-URBAN MISSIONS PROJECTS are under way in Indiana to establish new churches in small cities, and two other projects are planned for Ohio and Michigan. Resort mission techniques were studied in desert, mountain, inland lake, and seashore pilot projects.

METROPOLITAN MISSIONS is implementing a significant and comprehensive pilot program for the Miami Beach area, and the department also is cooperating in an urban studies seminar in Washington, D.C. with Southeastern Seminary and the District of Columbia Convention.

A STUDY OF EVERY LANGUAGE FIELD where the Board provides assistance is under way by the Department of Language Missions to secure the most effective use of resources.

AILING CUBA MISSIONARY, Herbert Caudill, was reported recovering in a satisfactory manner from an eye operation performed by Dr. William Hagler of Atlanta, who flew into Cuba to help save the sight in Caudill's one good eye. The veteran missionary is confined to his home in Havana, and is now doing some light reading. The Clifton Fites of Waynesboro, Georgia, parents of David Fite who is still a prisoner, returned April 25 from a fifty-one day visit to Cuba encouraged by the health of their son. They met with high Cuban officials seeking David's release and returned to say, "We believe that the government will deal kindly with the matter of his release."

CHANGES IN ATTITUDE among Southern Baptists toward the race problem and cooperation with National Baptists are slowly be-

gining to emerge — more open discussion, more involvement, and a seeking after better relationships are reported by the Department of Work with National Baptists.

IN CHRISTIAN SOCIAL MINISTRIES there has come a new awareness among Southern Baptists of the necessity to minister to all the needs of man; especially has this been noticed in the interest in weekday ministries. A research project is being conducted to discover how the church can make its message and ministry relevant to young people who are considered pre-delinquents or delinquents.

BECAUSE OF INCREASED DIALOGUE between Southern Baptists and members of Christian sects, non-Christian world religions, and Roman Catholics, the Department of Work Related to Non-Evangelicals has sought to provide guidance and principles for such encounters.

THE VOLUNTEERS for special supporting missionary work swelled in number as 670 students from 212 colleges and four seminaries participated as student summer missionaries; twenty-four short-term volunteers were appointed for the Christian Service Corps; five were placed in pioneer areas as long-term volunteers, and a force of nearly fifty US-2 volunteers continue to serve, with approximately twenty-five being appointed each year for a two-year term.

Southern Baptist Convention

James L. Sullivan, Executive Secretary-Treasurer

Through 25 ministries the Sunday School Board seeks to meet its objective: to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ. This is accomplished by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

Eight of the Board's 25 programs of work produced earnings for the fiscal year, October 1, 1965, through September 30, 1966. The six programs of publishing, the book store program and the program of assembly operation produced net earnings of \$8,118,000, an increase of \$268,000 over the preceding year and \$378,000 less than budget.

These net earnings were used as follows: education and service programs, \$5,862,000; capital reserves, \$1,258,000; and fixed assets, \$1,410,000. An additional \$412,000 from the preceding year's earnings was used for fixed assets.

Gross sales and other income increased \$1,564,000 over the preceding year.

Reports of the 17 education and service programs summarize the efforts of the Board to assist churches in establishing, enlarging, conducting, and improving their work.

The board provided \$373,000 for the program of Southern Baptist Convention support and \$933,962 to Baptist state conventions for their use in promoting Sunday School, Training Union, music, student and church architecture work.

Programs of Publishing

Church literature production included 2 weeklies, 9 monthlies, 44 quarterlies, 39 graded publications, 22 special items, 18 supplementary materials, with totals amounting to 109,712,417 plus 80,437,000 bulletin items.

The new Life and Work Curriculum materials (which included 11 quarterlies) produced for use beginning October 1, 1966, accounted for approximately 65 percent of the circulation of the Sunday School literature for Young People and Adults and about 63 percent of the circulation of Training Union literature for the two groups for the fall quarter, 1966. Released by Broadman Press were 54 new books with a printing of 459,290 copies and 109 other books reprinted totaling 481,739 copies.

Broadman films produced two motion pictures and 18 filmstrips. There were 2,369 churches enrolled in the Church Audiovisual Education Plan at the end of the fiscal year. This plan (distributing audiovisuals direct from producer to churches) allows churches a 47 percent discount.

Broadman music publishing included 119 new items with 371,596 copies and 218 reprints with 564,296 copies manufactured by 11 suppliers.

The Program of Broadman Supplies Production reported the production of 49 new items of church supplies, equipment and educational aids, with a total of 5,764,291 copies. Backlist items manufactured totaled 207,632,304 copies.

Convention Press produced 36 new titles with 1,538,510 copies and 100 reprints totaling 2,279,421 copies.

Book Store Program

The 49 Baptist Book Stores reported sales of \$14,766,967 for the year, an increase of \$879,164 over the previous year. Net earnings for the year were \$713,694, an increase of \$55,324.

All 16 mm films were taken from other Baptist Book Stores and placed in 10 stores to establish Baptist Film Centers effective January 1, 1966. Some \$50,000 was spent on the new prints to make available an adequate number of films in the centers.

Program of Assembly Operation

Attendance registration at the 38 regular denominational conferences was 36,309 at Ridgecrest Baptist Assembly and 24,538 at Glorieta Baptist Assembly. Grand totals of registered persons at both assemblies (including staffers and other groups) were 65,309 in 1966 and 58,948 in 1965.

Camp Ridgecrest for Boys had 309 campers and 65 staff members in attendance. At Camp Crestridge for Girls, there were 293 campers, 60 staff members and 32 junior counselors.

Regular employees of the Sunday School Board numbered 1,397—Nashville, 819; Baptist Book Stores, 547; Ridgecrest Assembly, 22; Glorieta Assembly, 19.

Persons in 16,764 churches and missions in 1,190 associations earned 886,397 book awards in the Church Study Course. This is a decrease of 137,276 book awards issued from the preceding year.

CHRISTIAN LIFE COMMISSION

Southern Baptist Convention

Nashville, Tennessee

Foy Valentine, Executive Secretary

During the past year, the Christian Life Commission significantly increased its applied Christianity ministries to Southern Baptists. This encouraging progress was made possible by increased Convention support for the Commission's program of Christian morality development. It is now clear that rank-and-file Southern Baptists are increasingly aware of the need to apply the Christian gospel to the world in which we live. Especially pressing is the need for God's good news in Christ in the midst of the moral revolution now taking place throughout the nation.

Tangible evidence of Southern Baptists' response to its Christian Life Commission's ministries is impressive. For one thing, the Commission's written materials reached a new high in total circulation — 71,290,000, or an increase over the previous year of 17,453,977. In addition to these materials which were channeled through Southern Baptist publications of all kinds, more than a quarter of a million pamphlets were distributed upon the request of individual Southern Baptists or the churches. Work was completed on a new series of pamphlets entitled "Issues and Answers," providing basic information and a plan of action for Christians on alcohol, honesty, race relations, juvenile delinquency, pornography, the mass media, communism, poverty, peace and gambling.

There was a gratifying response during the past year to the conferences planned by the Christian Life Commission. Especially noteworthy were the lectures by Dr. David R. Mace, a foremost au-

thority on family life, at Glorieta and Ridgecrest on the theme, "Toward A Christian Interpretation of Sex." Attendance was the largest in the history of these conferences, averaging about 400. The Commission staff also participated in specialized meetings at almost every level of Southern Baptist life, using every opportunity to emphasize Christian moral responsibility in local churches, associations, state Baptist conventions, and with the rising generation on college and seminary campuses. More new books, articles, and study materials were published last year than ever before in any twelve month period to help Southern Baptists with the application of Christian principles in daily life. Four books, numerous articles, and many kinds of training materials were included among these publications.

Although the past year has seen substantial progress in Christian Life Commission services, there is an undeniable need for broader and more effective ministries in the year ahead. The Commission staff earnestly solicits the prayerful support of Southern Baptists and offers to them its full resources for the development of Christian morality.

EDUCATION COMMISSION

Southern Baptist Convention

Nashville, Tennessee

Rabun L. Brantley, Executive Secretary-Treasurer

The two-year Baptist Education Study Task (BEST) is far along in its second year. The 24 regional seminars have met for six study sessions over the two years, involving about 500 persons. During this spring many adult study groups, involving hundreds of people, have joined the seminars in discussing the issues, causes, and solutions of problems facing Baptists in higher education. The Second National Study Conference on June 12-15, 1967, will end all group discussions except the meetings of the Findings Committee. The final report should be ready by late October, 1967.

The study could not have been made without the continuing financial and moral support of the Executive Committee of the Southern Baptist Convention. Though the study should reveal much and bring new understanding in the area of college-denominational relationships, it is not expected to be an overnight solution for all difficulties. More time and work will be required.

Eleven states are participating in the fourteenth annual emphasis in the churches ("Design for Your Tomorrow") on Christian education and Baptist schools. Orders of materials prepared by the Education Commission indicate an increasing interest in the churches in providing all possible help to their young people in making proper decisions about college and career problems.

The Commission continues to work with the Association of Baptist Professors of Religion as a central office for preparing and dispensing advance standing test materials and results. The Commission sends the results to the seminaries and colleges involved.

The Commission is in its second year as a participant in the Cooperative College Registry for teachers in church-related colleges.

There are ten other denominations who hold membership. Experience up to date shows that Baptist colleges have available at least 2,000 additional prospects to fill vacancies on their faculties, but since many of these are unsuitable for employment there is a continuing shortage of dedicated Christian teachers. Every one of the 54 colleges requested assistance from the placement service last year.

Not only does the Commission operate the year around trying to find teachers, but there is a constant demand for assistance from the school for administrators, such as presidents, deans, and business managers. Qualified people in these areas are scarcer than teachers. Five colleges are now searching for presidents and as many more need deans and business officers. When asked to do so, the Commission suggests names of persons to investigate and when inquiries come about specific persons the Commission seeks to secure information about these persons.

W. Howard Bramlette joined the Commission staff September 16, 1966 as director of placement and promotion. He succeeds Travis M. Adams who resigned to take a position with Arkansas Tech.

A tentative opening date of September 1968, has been set by Maryland Baptist College and the Atlanta Baptist College. West Palm Beach, Florida, and St. Louis have new colleges in the planning stages.

College and Career continues to serve a useful purpose in assisting teen-agers, counselors, and parents in answering some of the baffling questions incident to college and career selection.

Seventeen states are now providing subscriptions of the paper to the high school libraries wishing to receive it. Some colleges have found the paper useful as a recruitment piece which is sent to prospective students. It is sent in bulk to summer assemblies, retreats, and conferences.

Requests for loans continue to exceed the available money from the Robertson-Sheppard and J.W. Farmer Loan-Scholarship program. Several requests are in for 1968. Four recent doctoral graduates are teaching in Baptist schools. A total of 57 students have been aided since the program began and many more sought loans.

The Opdyke fund which provides scholarships for mountain students continues to be in demand. During the year 1966-67, 238 scholarships were awarded in 42 schools.

The Southern Baptist Educator circulates largely to administrators, faculty and trustees of the schools. Because of the news and information carried in the magazine, much of which appears nowhere else, the circulation should be more extensive.

Southern Baptists now operate 39 senior colleges, 15 junior colleges, 7 academies, 4 Bible schools, 6 seminaries and the American Baptist Theological Seminary, which is supported jointly with National Baptist Convention, U.S.A., Incorporated.

Enrollment and support.—Baptist schools have enrolled a record number of students, totaling 102,250 for 1966-67 compared to 96,670 in 1965-66.

Graduates from the 72 schools from September 1965, to August 1966, totaled 12,604 compared to 12,205 the year before.

State conventions and the Southern Baptist Convention gifts to the schools for the year increased \$1,347,633 or \$19,159,762 compared to \$17,812,129 in 1965-66. Of this amount \$13,347,325 went into operations and \$5,311,437 into capital projects.

In addition, the schools received \$17,768,288 in other gifts, grants, and donations, or a decrease of \$2,736,843 over the preceding year. The total assets of Southern Baptist educational institutions are \$539,143,236 of which \$137,501,114 is for endowment. The total assets increased \$37,494,358 over the preceding year and endowments increased \$7,930,751. The endowment figure is the book value and would have a much higher market value.

Church-related vocations.—Reports from the seminaries, colleges, and schools show that ministerial students declined 235 for the year. There was a loss of 130 in the report of home and foreign mission volunteers, a loss of 101 in ministers of education, and a gain of 32 in church music, or a loss of 434 in the three areas. One thousand one hundred and eight were reported as considering a church-related vocation. Because of some change in the method of reporting this year it is possible that the figure of 1,108 listed as considering a church-related vocation includes some of the losses in the specific vocations listed. Following are the figures:

1965-66

	Ministerial Students	Home and Foreign Mission Volunteers	Church Education Volunteers	Church Music Volunteers
Seminaries	3,268	677	1,015	322
Senior Colleges	3,303	1,070	755	765
Junior Colleges	539	106	94	89
Academies	35	15	7	4
Bible Schools	365	6	88	22
Totals	7,510	1,874	1,959	1,202

1966-67

Seminaries	3,104	701	1,020	303
Senior Colleges	3,230	880	660	785
Junior Colleges	436	88	115	119
Academies	29	15	3	5
Bible Schools	476	60	60	22
Totals	7,275	1,744	1,858	1,234

Institutional Changes.—Institutional changes for the year were: Grady C. Cothen, elected president of Oklahoma Baptist University; Conwell A. Anderson assumed the presidency of Averett College; Arthur K. Tyson elected president of Grand Canyon College; Fred Blake Bentley, elected president of Mars Hill College, replacing Hoyt Blackwell who retired; Leonard L. Holloway succeeded Arthur K. Tyson at Mary Hardin-Baylor College; Carlyle Campbell retired as president of Meredith College and E. Bruce Heilman succeeded him; F. E. Wright resigned as president of Union University and R. H. Ward was elected acting president; Charles P. Pitts assumed the presidency of Dallas Baptist College; Joseph C. Hough, Oak Hill Academy, retired and Robert Isner replaced him.

PROGRAM REPORT

The Program of Christian Education Leadership and Coordination

The outstanding work incident to the Baptist Education Study Task (BEST), which is continuing into its second year, has occupied much of the Commission's time and energies under this program. The Commission has continued to promote the interests of the schools in all areas during the year. Much assistance has been given parents, students, colleges, trustees, and state conventions, as well as materials and personal help to state study committees. Some seven state committees have been active during the year, looking at long-range plans for their schools. The Commission has provided statistical information on the schools for general distribution, as well as information on loans, scholarships, federal aid, and study abroad programs. Administration of Robertson-Sheppard, Farmer and Opdyke funds shows increasing calls for assistance.

The Program of School and College Studies and Surveys

The Baptist Education Study Task is by far the most extensive study sponsored by the Commission in recent years. It is expected that the study will continue to have carry-over work which will continue as a part of the work of the Commission. The study has shown a real scarcity of and need for much statistical information not heretofore included in the overtaxed work load of the Commission's small staff. Though Baptist schools have used federal funds only in limited ways, there are constant calls for information on the more than 300 programs in which Baptist schools could participate. The Commission is becoming more and more valuable to the Convention as a clearinghouse for facts of many kinds.

The Program of Teacher Recruitment and Placement

The Commission continues in its second year of participation in the Cooperative College Registry with ten other denominations. Even though the registry involves more travel to university campuses and board meetings, the large increase in the number of teacher prospects makes membership worthwhile. There is no prospect for the teacher shortage improving over the next few years. Baptist schools continue to lose some of their best teachers to higher salaries, paid by others. The office sends out frequent bulletins to administrators, listing current teacher prospects.

The Program of Assistance in College Recruitment

The Commission is now sponsoring its fourteenth annual emphasis in the churches on Christian education and Baptist schools. Churches are becoming more accustomed to looking to the Commission for materials to assist with their emphases. The desire for information from increasing numbers of college-age and college-conscious young people has made churches more active in helping them. Baptist schools will have to continue to be somewhat selective in their enrollments since only a small percentage of the total Baptist students can be accommodated by the schools. **College and Career** has proved to be a good recruitment piece for some schools. Displays of tracts have regularly been set up at summer assemblies, youth meetings, and the conventions.

RADIO AND TELEVISION COMMISSION
Southern Baptist Convention
Fort Worth, Texas
Paul M. Stevens, Executive Director

Opportunities for taking the gospel of Christ to the far corners of the earth by radio and television continued to loom large in the first half of 1967. The tempo of the Commission's total ministry increased with the move into the International Communications Center in the summer of 1965 and continues today. Twenty-six years of moderate growth now appears to have only set the agency and its potential for spreading the gospel on the threshold of divine opportunity.

The Commission's ministry reaches into the cracks and crevices of the secular cities of America and the world. It infiltrates the programming of 4600 stations during the year, reaching individuals whom studies show sit before a radio or tv set for five hours a day. Southern Baptists have thus spoken some portion of the gospel of Christ to more than 100 million of them.

Program Report

A Program of Preaching On Radio and Television

A solid and productive relationship with the three major broadcasting networks of America continues to improve with each program prepared for them. Three half hour films were produced with the American Broadcasting Company this spring, two with the National Broadcasting Company, and plans laid with Columbia Broadcasting System to produce films on location in other countries. All of these are slated for network use in 1968.

The third one hour color special produced by the Commission in cooperation with the National Broadcasting Company was telecast in March this year. Entitled "The Vine," it was a life of Christ in contemporary terms. More than 9000 letters and cards were received in response to this program, many of them indicating a spiritual decision made. "The Inheritance," archaeological history of the Bible and Christianity, was shown twice last year with excellent response. It was awarded The Gabriel, top award of the Catholic Broadcasters Association.

Twenty-three radio programs and two filmed series for television are currently being produced and distributed to 2273 broadcast outlets. The complete list of programs and the number of stations broadcasting each follows:

For TV—The Answer, 115; Adams' religious "spot commercials," 44.

For radio—The Baptist Hour, 524; "Master Control"★, 497; Patterns, 175; Music To Remember, 138; International Sunday School Lesson, 111; Manna In the Morning, 41; State Baptist News Programs—Arkansas, 25; Georgia, 31; Kentucky, 23; North Carolina, 71; Tennessee, 21; Oklahoma, 25; Mississippi 17; Louisiana, 17. Programs in Spanish—La Hora Bautista, 73; Music Para Recordar, 90; Control Central, 107; Momentos De

Meditacion, 98. Other language programs—Voice of Peace, Russian, 4; Voice of Hope, Chinese, 12; Living Water, Navajo, 9; Escola Biblica Do Ar, Portuguese, 3; Good News, Polish, 2.

A Program of Audience Building For Radio-TV Preaching

The Commission is singularly dependent on denominational and secular publications and on direct mail in its quest for audiences both within and beyond the Southern Baptist Convention. Individuals who write in response to the Commission's programs comprise the mailing list for the latter effort.

BEAM International, monthly magazine of religious radio and television, has established excellent rapport with the communications industry and the agency. At the same time, BEAM International continues to provide both information and inspiration to thousands of pastors and laymen throughout the denomination.

Baptist Radio-TV Sunday, the third Sunday in May each year, this year emphasized the mission aspect of the Commission and its programming, and sought to have churches observe a Day of Prayer for Radio-TV Missions. Many free materials—printed, taped and filmed—have been developed for this observance, which can take place any time during the year that is most convenient for the church's schedule.

A Program of Inquiry and Counseling

Wide distribution of the scriptures and encouragement of Bible study continues to receive greater emphasis through the Commission radio-tv programs. Response to three of the agency's major programs increased steadily in 1966 and continues. Requests for sermons preached on "The Baptist Hour" totaled 3300; for "Master-Control"★ devotional vignettes, 3022; and for Christian booklets offered on "The Answer" television series, 7020.

A Program of Technical Assistance

More than 200 chaplains were served by the Radio and Television Commission during 1966. This ministry shows signs of increasing in 1967. Military chaplains at home and abroad accounted for 131 of the total. Other chaplains receiving tapes, films and records served hospitals and penal institutions. More than a third of the tape recorded programs and music went to 28 chaplains serving in Viet Nam. During the year, the Commission provided these chaplains with 1,768 tapes of music, "The Baptist Hour" and other programs for radio, 843 films and 301 record albums of music.

Technical assistance in the use of radio and television to pastors, associations, state conventions and Southern Baptist agencies is a great and growing ministry of the Commission.

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY

H. Leo Eddleman, President

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY TO CELEBRATE ITS 50TH ANNIVERSARY THIS FALL: The Southern Baptist Convention will meet in New Orleans next year and will

conclude with the 50th Anniversary year celebration of the Seminary. The Seminary was founded in 1917 when the city of New Orleans had six Southern Baptist churches. Today the city has 84 churches and missions; many were started by Seminary students. More than 4,800 alumni now serve churches in 47 states and 50 nations. The Seminary is located on 75 acres and is valued at more than \$7.5 million.

SEMINARY OFFERS FIVE NEW GRADUATE DEGREES: Accredited by the American Association of Theological Schools and the National Association of Schools of Music, the New Orleans Baptist Theological Seminary is the only Southern Baptist seminary to be accredited by the Southern Association of Colleges and Schools. The new degrees to be offered this fall by the Seminary's three distinct schools are: in the School of Theology, the Master of Theology and Master of Theology Honors Program; and in the Schools of Religious Education and Church Music, Specialist in Education, and the Doctor of Education. Eight degrees can be earned in the three schools. Students spend from two to six years on the Seminary campus studying for degrees after completing college. Students past 30 years of age can earn diplomas in the schools when they do not have college degrees.

FORTY-FOUR MEMBER FACULTY HAS 144 EARNED DEGREES: The faculty of the New Orleans Seminary has 144 earned degrees including 98 doctoral or professional degrees. They attended 56 colleges and universities, 9 seminaries, 14 graduate schools and represented 14 states and three other countries.

SEMINARY'S BOARD OF DEVELOPMENT SPONSORS LAYMEN'S WORKSHOP: The first annual Laymen's Workshop, whose purpose is to give laymen better ideas as to how they can best serve their home churches, was held on the campus of the Seminary during March. Outstanding laymen and their wives heard lectures by professors and toured the campus and missions points in order to get a first hand look at theological education and the work being done.

STUDENTS PARTICIPATE IN MISSIONS AND SERVE CHURCHES: Each student completes two years of supervised mission work while attending the Seminary. Soon after enrolling, many students become pastors or members of staffs for churches in three states within commuting distance of the Seminary.

THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY

Louisville, Kentucky

Joseph E. Stopher, Chairman of Trustees

Duke K. McCall, President

The past academic year was one of continuing progress in theological education on our campus. Enrollment increased for the fifth consecutive year, an unmatched trend among denominational seminaries in the United States. Although the number of ministerial students in Baptist colleges and universities declined steadily over the past five years, Southern Seminary experienced a steady increase in enrollment. We provided specialized education in theology, religious education and church music for 1,191 students in 1966-67. This year

will see another increase if preliminary figures are an accurate forecast.

Our curriculum continues to undergo extensive study, and during 1966-67 we began a new course in Biblical studies for first-year students which is taught by three professors at the same time. One is a specialist in New Testament, one in Old Testament and the third in Biblical Archaeology. Thus, the student is given a well-rounded introduction to the Bible in his first year which prepares him to choose more detailed studies the next two years. In 1967-68 there will be three of these courses taught by teams of professors. They will be in church history (involving Christian ethics, evangelism, missions and world religions) and the ministry of the church (including preaching, speech, counseling, music, education and church administration), as well as the pilot course in Biblical studies.

These new courses are a platform for the new master of divinity degree, which has replaced the bachelor of divinity as our basic professional degree. The changeover involves a restructuring of the curriculum to allow students to select what is called a "functional major." An expanded field education program is also part of the new degree requirements. More than 350 students are now pastors of Louisville-area churches, many in the "pioneer" convention of Southern Baptists in Indiana. Some 200 others are associate pastors, music directors and educational workers while in school.

The master of theology degree will continue as a fully-accredited graduate degree only. The master of divinity is the only master's degree approved by the American Association of Theological Schools for accreditation as a basic professional degree, replacing the bachelor of divinity.

The board of trustees named retired chaplain Robert B. Herndon of Atlanta, Georgia, as a special counselor to Negro college students interested in the ministry. Statistics indicate that only 325 Negro young people are studying in accredited seminaries, whereas Negro Baptist churches need up to 15,000 trained workers immediately. Col. Herndon is working without pay until funds can be found to support his work, which includes vocational counseling and helping Negro pre-ministerial students find scholarship aid.

Some 23 workshops for Baptist laymen and ministers are conducted each year by the seminary to offer additional learning opportunities to the denomination's Christian workers, including associational missionaries and church secretaries. Continuing Theological Education Conferences are offered to pastors on eight different dates in 1967, and 300 laymen are involved in the Christian Layman's Forum series in which the faculty meets with church leaders for discussion.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY

Fort Worth, Texas

William H. Shamburger, Chairman Board of Trustees

Robert E. Naylor, President

The Southwestern Baptist Theological Seminary reported during the Southern Baptist Convention the renovation of historic Fort

Worth Hall, the addition of an experimental teaching center and acquisition of the Carroll Park Apartments complex including 184 units.

President Robert E. Naylor said, "Fort Worth Hall, the residence hall for men was completely renovated during the summer of 1966. It included an air-conditioning program, a strengthening of the structure and totally new furniture throughout the building." It accommodates 225 men.

An experimental teaching center has been constructed for academic use on the ground floor of the Memorial Building. The area was not completed in the original construction and has been used until recently by the student store and book store. It now includes a language laboratory, research center, archaeological and missions museum and three classrooms.

"With the addition of the Carroll Park Apartments," reported Naylor, "we now have a total of 580 living units."

He cited the need for further expansion in housing to accommodate the 1,000 families involved in student enrollment.

President Naylor also reported the addition of four new faculty members. They are Clyde Fant, from First Baptist Church, Ruston, Louisiana, to associate professor of preaching; Scotty Gray, a teaching fellow in the school of church music to instructor of music theory; LeRoy Ford, from the Baptist Sunday School Board, Nashville, Tennessee, to professor of programmed instruction; and Keith Wills from Midwestern Seminary, Kansas City, Missouri, to director of libraries.

Continuing Theological Study was a major emphasis during the year. Weeks of study were held in Chicago and New York with various Southwestern professors serving on the faculty.

"In each of the areas the response of the pastors and workers was excellent," said Naylor.

President Naylor cited a children's building, health center and physical fitness facility as immediate needs in the current seminary expansion program.

Total enrollment during the 1966-67 academic year reached 1,859 — 1,159 in the school of theology, 549 in religious education and 151 in church music. There were 1,546 men and 313 women. There were 612 new students as compared to 576 the preceding year.

"There is a constant study of the curriculum with a present emphasis devoted to nomenclature and the programs involved in such degrees," said Naylor.

Trustees recently approved the master of divinity as the basic theological degree to be offered by the institution, Naylor pointed out. He said he also anticipates a continued expansion of the faculty to reduce the student-faculty ratio.

MIDWESTERN BAPTIST THEOLOGICAL SEMINARY

5001 North Oak Street Trafficway

Kansas City, Missouri 64118

Earl Harding, President, Board of Trustees

Millard J. Berquist, President

Midwestern Seminary, in this her ninth session, is greatly encouraged at every phase of her activity. A substantial increase of 22% in enrollment was experienced bringing her accumulative enrollment up to 229 with an additional 118 in the Evening School. These students come from 24 different states and three foreign countries and represent 63 colleges and universities. Applications for the summer and fall sessions of 1967 are already 75% higher than they were a year ago, and we are confident of an even greater increase in enrollment for the 1967-68 school session.

The services of an unusually high percentage of our student body are being utilized by the churches of the Midwestern area, and our graduates are readily being absorbed into challenging opportunities of labor. We are informed that Midwestern again this year ranks first in percentage of Foreign Mission Board appointees in relation to student population.

Her 48 new beautiful and commodious apartments for married students stay fully occupied, and her greatest immediate physical need is for at least that many more. In addition the library is rapidly becoming fully utilized, and the need is becoming urgent for additional library space. Original architectural plans called for expansion of library through conversion of temporary auditorium which adjoins present library. This can only be done after a new chapel has been provided. Other physical needs are new classroom building, child care building, gymnasium, infirmary, additional road outlets.

Among the highlights of this school session are the following outstanding features:

1. Fall Week of Preaching, by Dr. Warren Hultgren, Pastor, First Baptist Church, Tulsa, Oklahoma.
2. Student Missions Conference, with Dr. Charles E. Boddie, President, American Baptist Theological Seminary, Nashville, Tennessee; Rev. Louis R. Cobbs, Associate Secretary, Department for Missionary Personnel, Southern Baptist Foreign Mission Board; Rev. Cecil Duane Etheredge, Associate Secretary, Department of Missionary Personnel, Home Mission Board; Dr. Eva Marie Kennard, International Student Worker, University of California, Berkeley; Rev. Glendon McCullough, Secretary, Department of Missionary Personnel, Home Mission Board; Dr. I. N. Patterson, Emeritus Southern Baptist Missionary to Nigeria, Visiting Professor of Missions, Southeastern Baptist Theological Seminary, Wake Forest, North Carolina; and Dr. G. William Schweer, Southern Baptist Missionary to Indonesia.

5. New Testament Lectures, with Dr. Eduard Schweizer, University of Zurich, Zurich, Switzerland.

Midwestern Seminary has a well developed program of sabbatical leaves for her faculty. This year Dr. Roy L. Honeycutt is studying at New College, Edinburgh, Scotland, Dr. George Thomason at Harvard University, and Dr. C. DeWitt Matthews will be spending the second semester at Chicago. Dr. Everett Reneer is on leave of absence, having received a grant for studies in family relationships at the University of Minnesota.

In addition to the B.D., M.R.E. degrees and the Diploma in Theology, Midwestern is initiating this year a Th.M. degree program. In keeping with recommendations of the American Association of Theological Schools commencing with our 1967-68 catalog the Bachelor of Divinity (B.D.) degree will no longer be offered, but will be replaced as a three year program of theological education by the Master of Divinity (M.Div.) degree. It is recommended by the accrediting agency that more stringent requirements of work be introduced for this degree, and it is anticipated that all seminaries will comply.

We are pleased to announce the appointment of a new Librarian, Dr. K. David Weekes; a new Associate Professor of Philosophy and Theology, Dr. Doran McCarty; a new Business Manager, Mr. Kenneth Kerr; visiting professor for the year, Dr. Glenn Morris, Missionary to Thailand (his second such engagement with us); and Dr. Kenneth Wolfe, Missionary to Brazil. For the 1967-68 session we will have Dr. James Giles of Columbia, South America, and Dr. George Wilson of Japan.

Midwest Seminary is experiencing renewed vigor, a healthy growth, and a warm reception from Southern Baptist constituents near at hand and far away. She covets the increasing material, moral and spiritual support of Southern Baptists everywhere.

SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY

Wake Forest, North Carolina

Olin T. Binkley, President

At their annual meeting in February, 1967, the Board of Trustees reviewed the achievements and plans of the school, approved plans for the construction of a Student Center Building and an infirmary, confirmed the election of Dr. Robert E. Poerschke as Associate Professor of Religious Education and the election of Dr. H. Eugene McLeod as Librarian and Assistant Professor of Bibliography and elected Dr. Archie L. Nations Associate Professor of New Testament.

In the exploration of ways to achieve the purpose and aims of the school in a rapidly changing world, the faculty is rethinking the curriculum for the education of students who will be deeply involved in Christian ministries across this nation and in other lands. This concern for a distinguished and faithful contribution to theological education in the Southern Baptist Convention is clearly reflected in the student body which includes 371 candidates for the B.D. degree, 48 candidates for the Th.M. degree, 65 candidates for the Certificate in Theology, 6 auditors, and 73 enrollees in special classes.

In its relatively brief history the Southeastern Baptist Seminary has conferred 1,738 Bachelor of Divinity degrees, 147 Master of Theology degrees, and 231 Certificates in Theology. The graduates of the school are thoughtful and committed men and women equipped for creative leadership in the life and work of the churches. It is hoped that they will be good ministers of Jesus Christ.

It is the intention of the Southeastern Baptist Seminary to help meet the needs of the churches for competent and dedicated ministers. In pursuit of this objective the trustees, upon the recommendation of the faculty, have decided to provide a two-year sequence of courses leading to the Master of Religious Education degree and to offer the Master of Divinity as the basic theological degree. This is being done without expanding the current curriculum of the school.

The intellectual and spiritual foundations of this school are tested and sound. The purpose and aims are clear. The task of securing more adequate endowment and funds for capital needs and operating expenses is formidable. The opportunity to participate in the advancement of the gospel through the education of Christian ministers is exacting in its demands and rewarding in its satisfactions.

GOLDEN GATE BAPTIST THEOLOGICAL SEMINARY
Mill Valley, California
Harold K. Graves, President

Golden Gate Seminary has now awarded 950 degrees in its 19 commencement exercises since that first group in 1949. They serve the world over with a major concentration of them in the far western part of the United States.

The 292 who enrolled this year came from 35 states and 16 foreign countries. Fifty percent of the college graduates come from Baptist colleges. Two hundred and twenty are ministerial students. Eighty percent of the enrollment represent married men and women.

The development program, "Projection 74", under the leadership of Mr. Stanton Nash, assistant to the president, has moved ahead with some remarkable signs of progress. The establishment of a Chair of Missions and Evangelism as the first endowment goal sets in proper form a major concern of the Seminary. Response to this program has been phenomenal. Professor Francis DuBose is leading in this emphasis.

The Library improvement program continues to be a central task and the more than 65,000 items of materials attest to the success in this area.

The Cooperative Program has provided Golden Gate with a campus development worth well over \$10,000,000 on today's market. Twenty-four new apartments have been added during the past 2 years bringing the total to 110. Near 85% of the operating budget came from Cooperative Program funds.

Secular work remains plentiful and mission opportunities remain overwhelming. A new emphasis on the urban task has made all who work and study in this area conscious of this responsibility.

Dr. J. Edward Humphrey, for 18 years professor in the Nigerian Seminary, has taught at Golden Gate this year and has now been added permanently in Theology and to be the Reference Librarian. In the June 1 Trustee Meeting, Dr. J. Roger Skelton was added to the faculty to fill the vacancy made when Prof. Gray resigned to go to the Sunday School Board. Also, Dr. Richard B. Cunningham was added as Asst. Prof. of Theology and Philosophy of Religion.

Golden Gate is centered in one of the largest mission fields in North America. More than two thirds of the population claim no god nor church relation. Manpower needs are great and progress waits upon dedicated youth and mature leaders to extend the frontiers of faith.

Fifteen percent of the student body come from foreign countries. During the past year enrollees were listed from Malaysia, Jamaica, Formosa, India, Puerto Rico, Mexico, the Philippines, Japan, Canada, Korea, Hong Kong, Thailand, New South Wales, Guatemala, Argentina, and Brazil.

There were twelve students from the state of Arkansas at Golden Gate this year.

FINAL REPORT OF STUDY COMMITTEE

The Study Committee was appointed by the president of the Arkansas Baptist State Convention as authorized by the Convention at its 1965 annual session — to report back in 1967.

The purpose and duties of this committee were interpreted by the Committee in consultation with the Executive Secretary, President of the Convention, and President of the Executive Board, "to make a detailed study of the needs, and suggest some general guidelines for the operation of the institutions and departments regarding finances."

In order to determine the needs, the administrators of the various institutions and the Executive Secretary were requested to make a study of their respective institution or department on a ten-year projection and to furnish the Committee with copies of their reports.

A brief summary of their reports stating objectives, estimated costs, and sources of income, is as follows:

SUMMARY OF REPORTS

Arkansas Baptist Home for Children

Operating on the idea that the Home will continue as a home of institutional care, we anticipate an increase of 25% from the Cooperative Program by 1976. The annual increase in money will be equivalent to 5% per year on a total from the Cooperative Program for operation of the Home by 1976 of \$125,000. This will include a projection of the present plans which have been projected by the Board of Foster Home program to begin within this ten year period of time.

Ouachita Baptist University

Ouachita is projected to have 2,123 students in 1977. This will be an increase of some 338 students. The University is facing enlargement which is necessary for the expanding student body. There are \$1,825,000 in immediate needs. These include:

Addition to Hamilton Moses Science Hall.....	\$350,000
Dormitory for 300 men.....	975,000
Major class room building.....	400,000
Renovation of Cone-Bottoms Dormitory.....	100,000

There are of course long range needs which could come up quickly should enrollments take an unexpected jump. This includes:

Apartments for 75 married students.....	\$ 375,000
Student Center Enlarged.....	200,000
Dormitory for 300 women.....	975,000
New Auditorium.....	500,000
Renovation of Mitchell Hall.....	100,000
Total	\$2,150,000

It must be remembered these are only approximate amounts. For instance, the Verser Speech and Drama Center was begun with an estimated cost of \$125,000. But \$165,000 now looks like the approximate figure.

Ouachita University draws its funds from several sources:

- Student fees
- Endowment income
- Gifts
- Grants
- Auxiliary enterprises
- Cooperative Program

The Cooperative Program contributes 14% of the operating budget. In order to care for anticipated needs there is a projection that the operating cost will need to be increased 20% per year—10% coming from the Cooperative Program and 10% coming from a combination of all other sources. This means that by 1977 Ouachita will be expecting \$535,000 from Cooperative Program money.

Southern Baptist College

I. The Aims of the Institution—Objectives Over Ten Year Period

Science Building with all equipment.....	\$225,000
Fine Arts Building and Auditorium.....	250,000
Administration Building.....	150,000
Additional Dormitory for Men.....	200,000
Additional Dormitory for Women.....	250,000
Additional Class Room Buildings.....	200,000
Additional Faculty Housing.....	100,000
Endowment Fund.....	500,000

Faculty Salary Increases:

from \$25,000 to \$50,000 increase per year
striving for a base salary of \$7,500 to \$8,000.

No possibility of attaining or requiring four year status is foreseen. It is the thought of the administration that the school serves a unique purpose in the field of Junior College.

The projected enrollment for the school is a little over a thousand students. The present enrollment is in the neighborhood of nine hundred. There is no thought of increasing much beyond one thousand. The administration is giving careful thought to a method of limiting the enrollment to this figure. Possible methods are now under study and will be revealed shortly. Thus, the school's enrollment is now very near ceiling for the indefinite future.

II. Sources of Income

The dormitories will be self-liquidating projects and funds are anticipated from private sources to take care of these needs.

The Science Complex, Fine Arts Building and Auditorium are to be paid for in the current campaign. Sources for payment for the Administration Building, class room building, faculty housing, endowment, etc. will come from sources yet unknown.

The increase for faculty salaries will come from increased fees and contributions from the Arkansas Baptist State Convention, Arkansas Foundation of Associated Colleges and other groups.

III. Expected Income from the Cooperative Program

Southern Baptist College now has an operating budget of \$831,000 and receives \$80,000 from the Arkansas Baptist State Convention. By 1976 the anticipated budget will be \$1,350,000. At that time it is expected that the school will receive \$134,000 from the Arkansas Baptist State Convention. At the present time approximately ten percent of the school's operating budget is furnished by the Convention. The ten-year projection calls for an increase in the operating budget of some \$500,000. At the same time, it is expected that the Convention's assistance to the school will increase by \$50,000; thus the percentage of approximately ten percent now being supplied will be consistent through this next ten year period. The school anticipates

no more than a total of ten percent of the present operating budget to be furnished by the Arkansas Baptist State Convention. The average support received from such sources by other members of the A.F.A.C. is fourteen percent of the operating budget. At the same time, students' fees are less than the average.

Executive Board Programs

Objective: The Executive Board of the Arkansas Baptist State Convention has as its objective for the next ten years an expanding of its programs in every field of its endeavor. The programs of the Executive Board are: Arkansas Baptist Newsmagazine, Baptist Student Union, Baptist Brotherhood, Church Music, Baptist Foundation, Missions-Evangelism, Race Relations, Stewardship-Promotion, Sunday School, Training Union, and Woman's Missionary Union. In addition to the above, the Administration of the Executive Board will also expand in both personnel and expenditure.

Added personnel over the next ten years are anticipated as follows: Baptist Foundation and Stewardship-Promotion will add one (1) new worker each. The Administration, Arkansas Baptist Newsmagazine, Brotherhood, Church Music, Race Relations, Training Union, and WMU Departments will add two (2) new workers each.

The Sunday School Department will increase by five (5) new workers. The Missions-Evangelism Department, and the Baptist Student Union expect an increase of seven (7) each in their personnel requirements.

This makes a total of 35 additional personnel expected to be needed ten years hence, i.e. 1976.

In actual dollars and cents, not including our Southern Baptist Convention causes, the Executive Board Programs will increase from \$661,149 in 1967 to \$1,419,318 in 1976. Capital Needs will increase from \$128,751 to \$199,733 during this same period of time.

Cost of Objectives: The percentage of yearly increase in financial requirements to meet this expanding program, is set at 5%, plus \$35,000 each year to pay for the 35 needed new personnel. This indicates that it will require an average of \$10,143 for each new worker.

Anticipated Income: The Executive Secretary estimates that Cooperative Program receipts will increase at a yearly rate of 5%. He also estimates that an additional \$35,500 annual increase will be available to secure the proposed 35 additional personnel. This estimate of rate of increase appears to be realistic inasmuch as the rate of increase in Cooperative Program receipts for the last nine (9) years has been 5.10% annually, including the first seven (7) months of 1966.

In actual dollars and cents, our entire Cooperative Program receipts are estimated to increase from the proposed budget of 1967 of \$2,366,110 to \$4,069,476 in 1976.

Source of Income: The source of the income for all of these programs will be derived from the Cooperative Program and the

special offerings that may be taken from time to time. (Conclusion, Summary of Reports)

In times of such rapid change it is difficult to make projections with much certainty regarding cost of operation and capital needs 10 years hence. These projections are based upon the objectives, estimated cost, and that part of the total estimated cost which would be expected from the Cooperative Program, as found in the reports of the ten-year study of the institutions. The estimated Cooperative Program receipts are based upon a study of the rate of increase during the past 10 years.

The ten-year projection anticipates the following for the year 1976:

1. Cooperative Program Receipts	\$4,069,000
2. Operating Needs expected from the Cooperative Program:	
Arkansas Baptist Home for Children.....	\$ 125,000
Ouachita Baptist University.....	535,000
Southern Baptist College.....	134,000
Executive Board Programs.....	1,419,000
Southern Baptist Convention.....	1,505,000
Total	<u>\$3,718,000</u>
Excess of income over expenditures.....	\$ 351,000

3. Capital Needs expected from the Cooperative Program:

In order to arrive at a ten-year projected figure for capital needs, your committee began with the capital needs item in the 1967 budget, which is \$287,215. To this amount we added a 5% increase annually through the year 1976.

This item in the 1968 proposed budget reflects a 6% increase. But with only a 5% increase annually for 10 years, the capital needs item in the 1976 budget would be \$445,565.

Now, on this basis let us take a look at the summary of our financial structure as projected for the year 1976:

Anticipated Cooperative Program Receipts.....	\$4,069,000
Anticipated Operating Needs.....	<u>3,718,000</u>
Balance, available for Capital Needs.....	\$ 351,000
Anticipated Capital Needs.....	\$ 445,565
Available for Capital Needs from	
Anticipated Cooperative Program Receipts.....	<u>351,000</u>
Projected Deficit	\$ 94,565

In the light of the fact that the studies of this Committee reveal that the projected receipts of the Cooperative Program are not sufficient to meet the projected operating and capital needs, we recommend:

1. That the Executive Board study carefully all requests for allocations to the Convention's Board, Agencies, and Institutions.

2. That each Board, Agency, and Institution comply with Article VIII of the Constitution, which deals with Operation of Agencies, and reads as follows:

"Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operation for the ensuing year."

3. That agencies of the Executive Board move with caution in the securing of new personnel and that each department shall provide the Operating Committee of the Executive Board with a statement of justification for the need of added personnel, along with a complete and detailed job description before such person is employed.

4. Believing that the financial needs of our Agencies, Boards, and Institutions could best be met through a better appeal to the churches as based upon more clearly defined purposes and philosophies of each Agency, Board and Institution, your committee recommends that such a study be made.

NOTE TO BALANCE SHEET
December 31, 1967

*The Arkansas Baptist State Convention in its meeting, November, 1959, approved the borrowing of funds up to \$200,000.00 for a campsite, assembly and camp facilities and for the purchase of a Baptist Building site; this indebtedness to be liquidated from Cooperative Program budget items designated "Capital Needs" for such programs. Instead of borrowing from outside sources, these excess expenditures were borrowed from the surplus and accumulated monies of the various other funds of the Convention. In November, 1967, the Convention approved the borrowing of funds up to \$900,000.00 for the above purposes.
