CONSTITUTION

Article I. – The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II. – The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

Article III. – Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with other churches through this Convention.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

Article IV. – Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V. – Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable

number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI. – The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Nominating Committee of the Executive Board to hold office until the next meeting of the Convention. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, both state and southwide. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII. – Trusteeships

The Convention shall elect trustees to manage and to operate its colleges, hospitals, orphanages and any other institutions it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Home for Children, 18; Baptist Memorial Hospital, 9; Southern Baptist College, 24.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII. – Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX. – Meetings

Section 1. The Convention shall meet annually, “if God permit,” on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X. – Amendments

Section 1. This Constitution and By-Laws may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI. – Parliamentary Authority

Kerfoot’s Parliamentary Law shall be the standard for deciding questions of parliamentary procedure.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be

ected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books

and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee on nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: When an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention, and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

APPENDICES

1. **Appendices** (1967 annual, page 40)

Resolution adopted that a search be made of the minutes of the convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and by laws of the convention as appendices.

2. **Church Ordinances** (1965 annual, page 31)

Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.

3. **Federal Aid** (1965 annual, page 43)

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas, many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist State Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.

4. **Executive Board Recommendations** (1963 annual, page 35)

Voted that all recommendations of the Executive Board shall be published in the **Arkansas Baptist Newsmagazine** one month prior to the meeting of the state convention.

5. **Book of Reports** (1959 annual, page 28)

Voted that the convention constitution and by-laws be printed each year in the **Book of Reports** for the convenience of our messengers.

6. **Baptist Memorial Hospital Trustees** (1959 annual, page 29)

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.

7. **Capital Indebtedness (1959 annual, page 30)**

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.
8. **Out-of-state participation by Executive Board staff (1953 annual, page 22)**

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Secretary of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.
9. **Seating of Messengers (1949 annual, page 92)**

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.

PROCEEDINGS

FIRST DAY – EVENING SESSION

Tuesday, November 18, 1969
 “Exercise of Faith”

*(Convention Enrollment and Organization –
 Committees Appointed)*

1. The One Hundred Sixteenth Annual Session (121st Year) of the Arkansas Baptist State Convention, meeting in the Municipal Auditorium, Fort Smith, was opened with the singing of the Music Men of Arkansas and the Ouachita Singing Men. The convention theme was “Making Faith Live.”

2. Music for the convention was coordinated by Leroy McClard, Staff Consultant, Church Music Department, Baptist Sunday School Board, Nashville, Tennessee. Mrs. Mary Alice Nance, Fort Smith, served as organist and Joseph Santo, El Dorado, served as pianist.

3. Thomas A. Hinson, West Memphis, president, called the meeting to order with a gavel presented to the convention by Rev. Russell Duffer in its last meeting in Fort Smith in 1937.

4. The opening prayer was led by John A. Abernathy, Hot Springs, and the messengers were led in the singing of “All Hail the Power of Jesus Name” and “I Love to Tell the Story.” The president introduced the convention officers and the program committee. Following choral worship by the Music Men, “Here’s One,” the Bible study period was led by J. W. MacGorman, Professor of New Testament, Southwestern Baptist Theological Seminary, Fort Worth, Texas, with scripture from James 1:13-18.

5. Convention Enrollment and Organization

Dillard S. Miller, Mena, Chairman, Credentials Committee, read a Statement of Intent and motion to seat the messengers.

Dillard Miller’s motion to seat the messengers was seconded and carried unanimously.

In respect to the action of the 1968 convention, I move that all messengers duly elected by their churches be seated, with the exception of those from churches whose messengers were denied seats in the 1968 convention.

In light of the fact that only one of these churches in question has conferred with the convention’s Reconciliatory Committee, and this church stated that it would not ask to be seated in this session of the convention, and in the interest of harmony in these sessions,

I further move that the matter of recognizing messengers’ credentials in this convention be arrested at its present stage of development to allow a broad study committee at least one year’s work and that all question relating to this issue be referred to said committee which will report to this convention in the 1970 session.

The following motion by Dillard S. Miller was seconded and carried:
 I move that a study committee of 25 people be appointed by the

The Constitutional Committee proposes the following changes to the Constitution of the Arkansas Baptist State Convention. Article VI, Section One, third sentence which reads: "The state president and the executive secretary of Woman's Missionary Union shall be exofficio members of the Executive Board" be stricken and that the words: "In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board" be added.

Article VI, Section One, fifth sentence, that portion which reads: "And twenty members shall constitute a quorum" be changed to read "One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum."

Should any association fail to present name or names of elected board members 10 days previous to annual convention, the nominating committee of the state executive board shall make necessary nominations.

This shall be in preference to present reading as follows: "The various associations of Arkansas whose churches are affiliated with this convention, may submit to the committee on nominations, names of those whom they believe should be considered for membership on the executive board as members from that association."

Fellow messengers to the 1969 session of the Arkansas Baptist State Convention, we beg leave to report:

1. Be it resolved that the Arkansas Baptist State Convention express its appreciation to First Baptist Church, its pastor, and churches within Concord Association, and citizens of Fort Smith who have hosted our convention in such a hospitable and gracious manner.

2. Be it resolved that we commend our president, Rev. Thomas A. Hinson, other officers of our convention, and the program committee for providing for us a most meaningful and spiritual program, and that we express our gratitude to every news media which has sought to convey the spirit and actions of this convention to the public.

3. Be it resolved that we urge our people to put forth a concerted effort to reclaim the Lord's Day from the commercial clutches of our materialistic society and restore it to its Biblical place as a day of rest and worship; that we urge all responsible Christian citizens to appeal to news stands and proprietors and sellers of all publications to refuse to handle literature of a lewd nature.

Be it further resolved that we as individuals urge the motion picture and television industry to reject its current programming

of violence, immorality and illicit sex in favor of basic moral values.

4. Be it resolved that we express to Dr. James L. Sullivan and the Sunday School Board our deep appreciation for their very excellent work in producing, editing and distributing the finest religious literature to be found in all the world.

Be it further resolved that we commend the use of these materials, and the services of the Sunday School Board, to our churches in their efforts to establish the Biblical revelation in the hearts and minds of our people as we look forward to the extensive changes anticipated in the 1970's.

5. Be it resolved that Arkansas Baptists be alerted to the possibilities of a new day of forward progress in the coming of Dr. Charles Ashcraft as executive secretary of our state convention; and Dr. Daniel Grant as president of Ouachita Baptist University. We believe that it is ours to join hands under the direction of their consecrated leadership and move in unison toward a fuller realization in the Kingdom of God as a personal attainment and denominational entity.

Be it further resolved that the means toward these ends, namely, "making faith live," be the steady application of Bible study, education, prayer, leadership of the Holy Spirit, evangelism, fellowship of brotherly love, and extension of God's will into every segment of religious and social life.

ADMINISTRATION

Charles H. Ashcraft, Executive Secretary

Complete departmental reports will furnish exact data on all the work of our convention but certain events are worthy of mention here. Dr. S. A. Whitlow completed his administration of almost twelve years, having given strong leadership to his fellow Baptists. The Executive Board sought to give adequate expression of their appreciation for his services with special ceremonies on June 3 and a cash gift which was received graciously by Dr. and Mrs. Whitlow, who returned to the pastorate and are serving now at the Anderson Church in Hope Association. During the years he served the convention the membership increased 49,280 and the number of churches rose from 1,152 to 1,189. Cooperative program gifts advanced from \$1,483,191.29 in 1958 to \$2,439,922.72 in 1968. The total budget of the convention advanced from \$1,500,000 in 1958 to \$2,667,207 in 1969.

The new office building at 525 West Capitol was completed and occupied within the year as a fitting tribute to the leadership of Dr. Whitlow. The new building, a very beautiful and useable building, was dedicated on June 3, 1969 and open house was observed on June 22. This building represents a total investment of \$1,330,083.52 as follows:

Property	\$ 471,055.75	
Building Contractor	707,849.04	
Furnishings	108,047.09	
Architects' Fee	<u>43,131.64</u>	\$ 1,330,083.52

Properties near Camp Robinson, on Markham Street and at 401 West Capitol were sold at a net of \$283,400.

Charles H. Ashcraft was elected executive secretary by the Executive Board on June 3 to succeed Dr. Whitlow, assuming his duties on August 15. Dr. Whitlow remained on duty at the request of the Executive Board until September 1 to assist the new executive secretary in the transfer of the convention's business matters.

Cooperative Program receipts for this year through the month of September total \$1,831,103.31, an increase of \$34,073.23 over the same period last year. Baptisms for the year indicate a wholesome increase, the exact increase to be reflected when all church letters are received.

The convention participated in many mission projects this year. For the second year, \$2,500 was given to the Utah-Idaho Southern Baptist Convention to be used in their Bible Fellowships. The amount contributed thus far by Arkansas churches and associations to the Project 500 work in Michigan totals \$22,000 cash, and is estimated to perhaps reach \$50,000 by the end of the year. A few locations are still without Arkansas sponsors. J. T. Eiliff is coordinating this effort.

The Executive Board and its committees had a busy year in the election of a new executive secretary, the revision of the Executive Board bylaws, and adopting a job description and policies for the operation of the convention's Executive Board staff.

ARKANSAS BAPTIST NEWSMAGAZINE

Erwin L. McDonald, Editor

The Arkansas Baptist Newsmagazine is one of 29 state Baptist papers, the most of them, as the Arkansas paper, weeklies.

Through their cooperative efforts, the Baptist papers now have a combined circulation of 1.6 million, giving Southern Baptists the distinction, quite possibly, of being "the best informed denomination of Christians in the world."

In his report this year to the Southern Baptist Convention in New Orleans, Editor R. G. Puckett of *The Maryland Baptist*, currently serving as president of the Southern Baptist Press Association, highlighted the functions of the Baptist paper:

"1. To present the Baptist message without apology. Admittedly, it is difficult to say what most Baptists believe and impossible to say what all Baptists believe, but there are points of agreement that make us distinctive. Not the least of these is our commitment to evangelism and missions.

"2. To present the Baptist program — from the local church to the association to the state convention to the denomination. No other instrument in Baptist life has such an awesome and sweeping role.

"3. To tell the news 'like it is.' Disturbed by the events reported, or failing to grasp the meaning of changes occurring, some Baptists become critical of the Baptist press. They have sometimes equated the message with the media . . .

"But criticism, whether valid or invalid, must not deter the state Baptist paper from its obligation to God and to Baptists to grapple with the issues. The paper must be free to discuss and report the issues. It must have the courage to speak out in the crises that come to Baptist life.

"4. To interpret truth and call for the application of high principles and proper motivation of the people. This may well be the state Baptist paper's most vital role — to become the arena where ideas and objectives, perspectives and convictions, can mesh and clash.

"If Baptists are genuinely concerned about democratic processes in our churches and denomination, we must maintain a free press that presents the facts and becomes a forum that is always open for the careful examination and evaluation of what we are, where we have been, and where we are headed.

"A combination of hard news, provocative editorials, opinion articles and letters to the editor enables the printed page to become the catalyst where our diversities are not lost but blended together that this people called Baptists shall move forward in the fulfillment of their mission from God."

The Arkansas Baptist Newsmagazine, with a circulation now of approximately 59,000, is the line of communication for the more than 340,000 Baptists in the nearly 1200 churches affiliated with the Arkansas Baptist State Convention. Whatever else Arkansas Baptists read, including the Bible, they must read their state Baptist paper if they are going to keep informed on Baptist affairs.

BAPTIST STUDENT UNION

Tom J. Logue, State Director

1. Our campuses reported 85 baptisms among our students this year, the highest number that has been reported.
2. Arkansas had 80 students work in Summer Missions this year. One worked in Panama, one in Canada, 3 in Alaska, and the rest in the continental United States.
3. Our Easter ministry this year not only included Daytona Beach during the Easter holidays, which involved about 45 students, but also included ministry among the churches in the Heber Springs area, a coffeehouse in downtown Hot Springs, and ministry at Trinity Church in Little Rock, a mission of Second Baptist Church. Also in the Little Rock area, the students built a room on a house in College Station where there are four Muscular Dystrophy patients in a Negro family.
4. The Student Department operated a booth at the Arkansas Livestock Show this year. Thousands of scripture pamphlets and brochures on Baptist Student Union were distributed.

Personnel Changes

Jack Cowling, formerly educational director at Central Baptist Church in Magnolia, has become our Baptist Student Director at Southern State College in Magnolia. He succeeds James Smalley, who has moved to Little Rock to direct the Baptist Student work at the University of Arkansas at Little Rock and the U of A Medical School. Mr. Cowling is a graduate of Southern State College and Southwestern Baptist Theological Seminary. He and his wife, Kitty, have two children, Kenan and Barak.

Charles Purtle is our new "roving" Baptist Student Director, working at Arkansas College in Batesville, Arkansas State Junior College in Beebe, College of the Ozarks in Clarksville, and Phillips County Community College in Helena. He attended Southern State College and graduated from Oklahoma State University. Mr. Purtle has attended Southwestern Baptist Theological Seminary and is a mission volunteer.

Mervin Mims is the director for Religious Activities at Ouachita Baptist University. He is a graduate of Carson-Newman and New Orleans Baptist Theological Seminary and has done further graduate work at Louisiana State University. The Student Department and Ouachita University cooperate on his salary. Mervin and his wife, Diana, have one daughter, Angela.

Marilyn Motley is the new secretary in the Student Department. Miss Motley has been active in the Baptist Student program at Little Rock University.

BROTHERHOOD

C. H. Seaton

This year has shown an increased interest in missionary education and involvement in mission actions for men and boys across the state. The

inquiries regarding materials for both Baptist Men and Royal Ambassadors has shown a marked increase during the first nine months of the year. We still face the problem of getting churches to report their organizations and keep our mailing list up-to-date by sending names and addresses of officers.

Since our last report several outstanding and important events have taken place in the area of Brotherhood work.

The State Royal Ambassador Fellowship Supper held on November 4, was a great success. Some 400 boys attended, representing almost every section of the state. Following the meal and fellowship, inspiration was provided by the Youth Choir from Calvary Church in Little Rock and missionary William Gray from Mexico. Following the supper many attended the statewide rally for the Crusade of the Americas at Barton Coliseum.

May 2-3, the twenty-ninth Annual State Royal Ambassador Congress was held in Little Rock. More than 600, representing every section of the state, attended the two-day session. The Congress started with a hot dog supper on Friday afternoon. The program included singing groups, camp information and pictures. Missionaries were present to speak and show slides of work on their fields. Baptist Men met at the same time and heard the mission messages.

Royal Ambassador camps were conducted during June at Camp Paron. Twenty-five associations were represented during the weeks and they represented every section of the state. The visible results include 14 boys saved, 2 surrendering to the ministry, 10 to full-time Christian vocations. Eighty-five made rededications, with an expressed desire to be better witnesses for Christ in their everyday life and activities. A total of 111 made decisions during the camps. The true value of camps and impact in the life of each boy, only eternity will reveal. Pray with us that more boys may become involved in the camp program.

Plans are already being made for an active program of missionary education for men and boys during the year 1969-70. This will involve Baptist Men's organizations and Royal Ambassadors. The activities include State Royal Ambassador Fellowship Supper on November 3, the observance of Royal Ambassador Week November 2-8, a State Congress on May 1-2, and Royal Ambassador Camps in June, and a retreat for Baptist Men the week-end of June 12-13. The 1969-70 plans call for eight district training clinics during the month of October.

We give thanks to God for His blessings this year and pray that He may continue to bless in the area of missionary education and mission action for men and boys.

CHURCH MUSIC

Music in our Southern Baptist churches is experiencing a steady growth. In worship, music involves both old and young in personal praise, adoration and commitment. In witness, music proclaims the message of salvation to all who hear. In education, music imparts sound doctrine and scripture truth. In ministry, music comforts and gladdens hearts, reaches multitudes through radio and T.V., and serves as an arm of love extended by the church to those who need its ministry.

The tasks assigned to the state and local church ministry are: to teach music; to train persons to lead, sing and play music; to provide music in the

church and community; and to provide and interpret information regarding the work of the church and denomination.

In helping to accomplish these tasks and the church's main functions of worship, proclamation, education and ministry, six areas of music needs are developed through state, district and associational channels to provide a balanced local music program. These areas are: congregational, organizational, graded choir, instrumental, special ministries and administrative.

A church has a music ministry, and should so report it on the annual uniform church letter to the association, when it (a) elects or calls a music director (volunteer or paid) and (b) when the music director is charged with the responsibility of developing the church music program.

The District Music Directors have been planning and directing the work of the Church Music Department since last January 31, when our State Music Secretary resigned.

I. STATE ASSISTANCE TO ASSOCIATIONS AND CHURCHES

A. District Music Directors – The state is divided into eight districts with a district director serving as music representative between the state office and local associations and churches. These district directors who have served in 1969 are: District 1 – Northwest, John Gardner; District 2 – North Central, Charles Hughes; District 3 – Northeast, Charles Butler; District 4 – West Central, Don Edmondson; District 5 – Central, Frank Arnall; District 6 – East Central, John Richardson; District 7 – Southwest, Morris Ratley; District 8 – Southeast, Carbon Sims.

B. Festivals – Choir festivals were promoted for three different age groups, and this program continues to be one of the most widely approved and acclaimed programs in our state music ministry. During 1969 we conducted five primary festivals, five junior festivals, and two state youth festivals. Many churches interested in organizing choirs come to observe the festivals, and later organize for service in their local church. Each choir that attends learns a group of songs to sing in the mass chorus and also learns two numbers to sing for adjudication and rating.

C. Summer Music Camps – A comprehensive program of music education and spiritual enrichment makes up the curriculum of our two state music camps – Ouachita Music Conference for youth and adults, and the Junior Music Camp for juniors. Classes are provided for accompanists, song leaders, graded choir leaders, choir members, and volunteer and full-time music directors.

There will be no expense on the part of the church in receiving his services. Special materials and help are provided for this area of work by the Church Training Department of the Sunday School Board.

EVANGELISM

Jesse S. Reed

We pause in humble thanksgiving to our heavenly Father for the people received by letter and the salvation of many souls during the Crusade of the Americas.

Where we sowed bountifully, we reaped gloriously. Time alone will reveal the true results of our Crusade. This is the time to give true evaluation of our resources. We now have more members of churches than ever before, we now have more potential material resources, and we now have more prospects to challenge us to share the gospel.

We have not arrived, but perhaps we are farther along the way to our goal — preaching the gospel to every man (Matt. 28:19-20).

The New Testament gives us two approaches to our goal — mass evangelism and personal evangelism. We must use both methods.

MISSIONS

J. T. Elliff, Secretary

The past year has been one of our best in State Missions. Doors of ministry are opening in several areas of our work which have brought an element of excitement and anticipation to those acquainted with the progress made.

Resort Missions. Most Arkansans are aware of our state's resort facilities and the thousands of people who visit them each year. We are becoming concerned as to our responsibility to maintain our Christian witness in resort areas.

At Cherokee Village, near Hardy, a mission has been established under the sponsorship of Park Hill Church, North Little Rock, and an \$80,000 first unit building has been completed. It will accommodate 200 in Sunday School and 250 in worship. Large crowds of tourists and many of the growing number of residents attend services there. A similar experience is anticipated at such places as Bella Vista and Horseshoe Bend in the immediate future.

Several types of ministries designed especially for resort areas are being carried on in the Hot Springs, Greer's Ferry and Mt. Ida areas. Religious services are conducted in many other Arkansas resort areas.

Special Missions Ministries. Dr. J. Everett Sneed has recently joined the Missions Department staff as Director of Special Missions Ministries. His work includes assisting our churches in setting up and carrying on Weekday Ministries and the direction of our juvenile and adult rehabilitation and migrant and literacy programs.

More and more of our churches are reacting favorably to Weekday Ministry. Without lessening our emphasis on traditional methods of reaching people, we are discovering the exciting possibilities of a ministry between Sundays. Using the church facilities and church people not used much otherwise, this ministry establishes contact with people at some point of their need. Opportunities for spiritual ministry never before realized are often the result. Several Arkansas churches have employed Weekday Ministry directors as staff members.

Mission Aid. Twenty-two churches have received pastoral aid, five received building aid and three new mission sites were purchased during the year. Twenty-one students have served in the Student Preaching Program, pastoring churches in 14 associations. Through this program small, struggling churches and missions can have the services of ministerial students as pastors with a weekly honorarium and travel expense paid by the Missions Department. During the first nine months of the year, 60 were received for baptism and 35 by letter through this ministry.

Deaf Ministry. Progress is being made with the ministry to the deaf in Arkansas. Eleven churches in the state have deaf members, and eight of these have regular services for the deaf. Brother Landon has conducted four classes in sign language during the year. Fifty-eight deaf attended the two-day annual

meeting of the Arkansas Baptist Conference for the Deaf, held at First Baptist Church, Mena.

World Missions Conferences. Brother Landon also directs the work of our World Missions Conferences. Five have been conducted in 1969 and nine are scheduled for 1970.

Chaplaincy. A chaplain is a minister of the gospel who serves in areas where a pastor cannot go. Largely through crisis ministries he can communicate the love of Christ by means of which men are made whole.

R. H. Dorris, Director of Chaplaincy Ministries, assists with the placement of chaplains in strategic areas. He also works with other agencies and institutions to provide programs to equip pastors and lay people for this ministry.

Arkansas Baptists have two full-time chaplains, Rev. E. A. Richmond, with the Arkansas Boys' Training School at Pine Bluff, reports 1300 boys saved and baptized in his 14 years of service. He has been the moving spirit in raising money to erect the chapel and Sunday School annex for the boys.

Chaplain Heard at Arkansas Tuberculosis Sanatorium, Booneville, renders a valuable service with patients there. Some of the conversions there each year provide dramatic evidence of the worth of this work.

Chaplain Dorris is currently assisting a number of hospitals in setting up chaplaincy programs. He has worked with the Baptist Hospital Pastoral Care Department to schedule and conduct eight clinical workshops over the state.

Three state institutions have appealed to us for help with chaplains. The Girls' Training School at Alexander, with an increase in census, is now urging us to provide a full-time chaplain. The Children's Colony at Conway, with approximately 1,000 children, 57% of whom are from Baptist homes, requests that we provide half the salary for a full-time chaplain. The Department of Corrections has invited us to place a full-time chaplain at the Cummins unit of the State Penitentiary System which houses about 900 inmates.

Rev. Guy Wilson is the first Southern Baptist chaplain employed by a business in Arkansas. He is with Griffin-Leggett Funeral Home in Little Rock.

In-Service Guidance. Hugh Cantrell directs the In-Service Guidance program for ministerial students at Ouachita University and Southern Baptist College. He counsels with students, assists them in securing pastorates, and works with associational missionaries in helping students and churches in their relationships with each other.

During a recent five-month period 46 student pastors preached 1,558 sermons and reported 44 professions of faith, 45 additions by baptism and 89 other additions to churches in service conducted by the students.

Race Relations. We are maintaining the established Race Relations programs while seeking a man to direct the work. Several conferences have been held and progress is being made toward meeting the challenge of this vital ministry.

STEWARDSHIP

T. K. Rucker, Secretary, Annuity-Stewardship

We stand on the threshold of a new era. Dr. Charles Ashcraft comes to the helm as Executive Secretary of the Arkansas Baptist Convention. I come to the new assignment of stewardship promotion. We both look to the future, with a great deal of anticipation, to see that all of our people in our churches rededicate themselves to the task of growing to maturity in Christian stewardship.

All advance in every area waits on stewardship. We call upon all our pastors, educational workers, deacons, finance committees, and budget committees — who formulate policy and set out what the church program will be — to plan well the stewardship program and see to it that one of our five Stewardship Programs is used in your church.

We urge our churches to:

1. Give at least 1% increase through the Cooperative Program in 1970.

2. Move up from the giving of a fixed amount of dollars through the Cooperative Program to giving on a percentage basis.
3. Move up to giving through the Cooperative Program every week instead of every month, quarterly or annually.

SUNDAY SCHOOL

Lawson Hatfield, Secretary

The objective of the Sunday School Department is to support the Arkansas Baptist State Convention in its constitutional purpose . . . "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

The Sunday School Department seeks to accomplish its objective through four major programs: Sunday School, Vacation Bible School, Weekday Bible Study and Church Architecture. These programs will help churches establish, conduct, enlarge, and improve their ministries of Bible teaching, leadership training and personal witnessing. The department also programs the state assembly.

The secretary, Lawson Hatfield, relates primarily to local church assistance, Church Architecture, and Adult work.

Don Cooper, associate secretary, relates to associational promotion and Vacation Bible School work and serves as youth division consultant.

Mrs. Mary Emma Humphrey relates to the promotion of Weekday Bible Study and work with the mentally retarded, and serves as children's division consultant.

Miss Pat Ratton edits the Sunday School News, relates to kindergartens and nursery school, and serves as preschool division consultant.

Beyond the Baptist Building the work is promoted by area consultants and forty-three associational Sunday School organizations.

The nine consultants and their assigned associations are as follows:

1. Bob Wright — Benton, Boone-Newton, Carroll, Washington-Madison
2. Harold Elmore — Big Creek, Rocky Bayou, Stone-Van Buren-Searcy, White River
3. Leslie Riherd — Black River, Current River, Gainesville, Greene, Mississippi, Mt. Zion, Trinity
4. Edward Smith — Buckner, Clear Creek, Concord, Dardanelle-Russellville, Ouachita
5. Gerald Taylor — Buckville, Central, Conway-Perry, North Pulaski, Pulaski
6. Billy Kimbrough — Arkansas Valley, Caroline, Centennial, Tri-County
7. Roy Chatham — Caddo River, Hope, Little River, Red River
8. — Ashley, Bartholomew, Carey, Delta, Harmony, Liberty

9. Russell K. Hunt — Calvary, Faulkner, Independence, Little Red River

I. SUNDAY SCHOOL PROMOTION

1. The objective of the program of Sunday School promotion is to assist churches, associations, and the state convention in establishing, conducting, enlarging, and improving the Sunday School program in churches.
2. Tasks of the Sunday School include:
 - (1) Teach the biblical revelation
 - (2) Reach persons for Christ and church membership
 - (3) Perform the functions of the church within its constituency
 - (4) Provide and interpret information concerning the work of the church and the denomination.
3. Following is a summary of the projects the department promoted during the past year:
 - (1) **State**

II. VACATION BIBLE SCHOOL PROMOTION

Following is a summary of the projects the department promoted and assisted:

Four state VBS clinics for associational team members; 40 associations represented with 418 total attendance.

Four associational VBS clinics.

Trained forty-nine college students for BSU and Missions Departments.

Twenty-one associations reported conducted twenty-five VBS clinics with 2,114 present.

III. WEEKDAY BIBLE STUDY PROMOTION

The objective of the Program of Weekday Bible Study Promotion is to assist churches, associations, and the state convention in establishing, conducting, enlarging, and improving Weekday Bible Study in the churches. Weekday Bible Study includes formally scheduled opportunities for concentrated teaching of the Bible and other curriculum areas for pupils of public school ages in Weekday Bible Study classes and other programs of Weekday Bible Study. It also includes special teaching opportunities for children in kindergarten, child care programs, and nursery schools.

The Weekday Bible Study material for Juniors was used all three weeks at Siloam Springs Baptist Assembly in 1969.

There are forty-six churches which provide kindergarten and day care ministries. Churches are showing concern for some special groups as reflected in providing Sunday School teaching in four departments for the mentally retarded and one for the deaf.

IV. CHURCH ARCHITECTURE CONSULTATION

The objective of the program of Church Architecture consultation is to interpret the relationship of property and buildings of a church and to provide information and consultation to churches and denominational organizations concerning all phases and details of planning and securing appropriate property and buildings.

Through personal visits and correspondence 38 churches were referred to the Church Architecture Department of the Baptist Sunday School Board.

70'S SUNDAY SCHOOL

Follow Up

The 70's Sunday School Follow Up is a plan to assure that the pastor and Sunday School superintendent of every church in the Southern Baptist Convention will have an opportunity to receive a direct visit, offering personal assistance in (1) understanding Sunday School improvements, (2) organizing for Bible study and growth, (3) ordering literature and (4) launching the new organization and initiating a growth project. This project is called "Sunday School 70/70 Launch." This overall promotion is a logical follow-up to the Associational Shaping the 70's clinics.

Method: The plan will be carried out in cooperation with Sunday School Department, Nashville, Tennessee; the state Sunday School department and associational superintendents of missions through enlisting, training, and inspiring volunteer workers. Each worker is to make an average of 8 to 10 one-half day church visits over the equivalent of a two-week period during the months of May, June, and July, 1970. These volunteer workers would be made up of the 44 associational Sunday School representatives scheduled to attend the State Convention Shaping the 70's conferences, and

76 other selected workers, mostly ministers of education and pastors, primarily from associations where they will serve.

ARKANSAS BAPTIST STATE ASSEMBLY

The objective of the state assembly is to support the Arkansas Baptist State Convention in its constitutional purpose . . . "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the end of the earth; to cultivate closer cooperation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

The program of the state assembly seeks to reach its objective by:

1. Providing facilities and operating the assembly as a service to the programs of the Convention.
2. Offering training for church leaders, church members and others of all age groups in Bible study, stewardship and missions.
3. Providing worship, witnessing and evangelistic opportunities.
4. Planning fellowship and recreational activities.
5. Cooperating with all boards, agencies and institutions of the Arkansas Baptist State Convention to provide an informal meeting place for denominational leaders, church leaders and members.
6. Cultivating and training young people, our leaders of tomorrow.

A report and evaluation of the three 1969 assemblies follows.

Since the moon walk of our astronauts, superlatives to describe good things are all used up. "Wonderful" is still about the best word to describe the assemblies at Siloam Springs, this summer of 1969.

The total registration of 2,170 is reflected in the following figures which are listed for the three consecutive weeks: 410, 860, and 900. In addition there were many visitors in the services each week. The Tabernacle was filled to overflowing the last two weeks.

The lowest attendance was from the western section of the state, over the 4th of July holiday. The largest attendance was from the eastern and southern sections of the state, the greatest distance. Some churches scheduled their bus trips for all night Sunday night. As an example, the Fordyce group left about 10 p.m. and arrived after breakfast time. A group from El Dorado did the same. Some traveled all day. Most every one said, "It was a ball."

The Assembly program reflects a reasonable degree of variety considering the many needs of people in attendance. The Children's Building was well staffed for good learning experiences for preschool children. In three weeks the building was used by about 100 children and leaders.

A Junior Assembly is conducted in separate areas by a good staff of leaders and ministered to about 450 in this age group.

The Youth-Adult Assembly is the largest in attendance, with about 1600 participating in the three assemblies. Bible Study classes for young people and special studies in Bible (James) and organizational work was offered for adults. Several special studies were provided for some groups. An "On-to-College" class and a large special choir produced "Purpose," a contemporary folk-type musical for Youth. This was produced Friday night for each week.

During the three weeks about one-third of those in attendance made and recorded written decisions. Of the 737 cards, 70 were professions of faith, 159 were surrenders to special service, and 508 were rededications.

The church with the highest attendance was South Side, Pine Bluff, with a total of 84. The pastor, Dr. Tal Bonham, reports that from this group 12 persons joined his church the following Sunday morning on profession of faith.

The business end of the assembly is efficiently directed by Dr. Ralph Douglas, business manager, and his capable secretary, Mrs. Erline Bauer.

The Honor Camper program was started a year ago at the third assembly. It proved to be of value in setting forward the ideals or objectives of the assembly.

The standards include that a camper must attain highest points in participation of the classes and assembly services, highest points in recreation participation, display a good spirit and attitude generally at the assembly and have a good concept and attitude in witnessing opportunities. Two Juniors and two from the Youth area (Intermediates and Young People) were selected each week. The nominees were selected by counselors and interviewed twice by an Honor Camper committee.

What is needed to make the assembly even more meaningful to a greater number of Arkansas Baptists?

If the assembly did not change a thing, if it continued at its present level of ministry, it would continue to be of an outstanding value to our churches and convention. Why? Because it is dealing with a great host of the finest young people our churches have. These young people will be in vital places of leadership in the churches, mission fields, and denomination in a few years. The commitment they make at the assembly makes it worth all the planning and work involved.

But, the assembly does have needs.

As I see it, we need these things in this order:

First, some new dormitories for youth groups and family facilities.

There are other needed improvements in facilities too numerous to be listed here.

Another need, as I see it, is to provide a denomination-wide program at the assembly. This means the state executive board might set a date, say the summer of 1971, as the summer when all department leaders of the Baptist Building would help plan and conduct the assembly. In other words, every department of our work would be involved in teaching a leadership course, or in some way relating to all people in attendance at the assembly.

An example of this kind of involvement took place at the assembly this year. Dr. Tom Gambrell, field service consultant of Ouachita Baptist University, had an attractive display area on the grounds under the walnut trees. In a week he talked to more prospective students on the assembly grounds than would be possible in any other arrangement or plan in the same amount of time.

The assembly could become a meeting place for many more laymen, pastors, and denominational workers. There would be more informal time and opportunity for fellowship and meaningful relationships in a week than in shorter meetings, or meetings with all the time scheduled for business and reports.

With a little imagination and a lot of work, we can have one of the most helpful projects of the year at the assembly. Such an assembly, a full denominational assembly, would give a cohesiveness to our state work that would make it stronger. The assembly could become the greatest unifying force Arkansas Baptists have ever known.

SHAPING THE SEVENTIES

October 1, 1970 Southern Baptists will shift from one grading plan to another, start using new lesson courses, recommend some new methods, and inaugurate other changes.

To help churches prepare for these changes the denomination offers several ways for church leaders to be informed. These leaders will in turn help local church workers and members prepare for the 70's.

Meetings, printed materials and personal consultation will be the three main methods of assisting churches prepare for the changes.

1. **Meetings.** A state Shaping the Seventies meeting will be conducted at Immanuel Baptist Church, Little Rock, January 12-13, 1970. This meeting will be for associational team members, selected by the associations, who will return to conduct associational Shaping the Seventies clinics on a date of their choice in February or March.

Some associations will conduct duplicate or twin clinics in order to help reach all churches.

2. **Printed helps.** In **The Baptist Program** special information is published, titled Info 70. All program magazines such as **The Builder**, have outlines and information almost every month.

3. **Personal consultation.** Trained denominational workers, especially leaders in Sunday School, Church Training, WMU, Brotherhood and Church Music, will help individual church leaders in personal consultation as opportunities arise.

The Sunday School Department will provide a minimum of two trained leaders in each association who will be available to have a personal conference with pastors and Sunday School superintendents, if the pastor wants such a conference, to assist in four areas of Sunday School changes.

These changes include (1) how to change the Sunday School organization from the present seven departments to the future four divisions; (2) how to use the new literature order blank; (3) how to adapt the available space to the new organization and (4) how to have an effective enlargement and evangelism effort in seventy days during September, October and November.

This last phase listed will be called the 70/70 Sunday School Launch.

'70 ONWARD REPORT

A Progress Report on the '70 Onward Emphasis should include background information too voluminous to be included in this report. Interested individuals may get background material by reading the minutes of the Southern Baptist Convention annual for 1964 and the following annuals to date.

A leaflet, The '70 Onward Report to the Southern Baptist Convention, Miami Beach, also contains an abbreviated history of the committee's work.

Each state convention participates in the '70 Onward planning sessions by conducting four meetings between January and October 1969.

The Southern Baptist Convention Inter-Agency Council and the '70 Onward committee correlates the studies through the office of Dr. Albert McClellan, program secretary of the Southern Baptist Convention Executive Committee, Nashville, Tennessee.

The Arkansas committee consists of twenty-five people including laymen and women, associational and state denominational workers, pastors, ministers of education and other church staff members. Also serving on the state committee is a seminary professor and a Brotherhood Commission representative.

The purpose of the study is to discover needs, plan objectives, design projects and methodology needed by the churches for the six year period 1974-1979.

ARKANSAS BAPTIST FOUNDATION

Ed. F. McDonald, Jr., Executive Secretary

This has been an active and profitable year for your Baptist Foundation. There have been three meetings of the Board of Directors and two committee meetings already during the year. Many hours of work have gone into the planning and improvement of our work.

The Bylaws have been carefully studied and a revision of these are to be presented for action. The revised Bylaws will, we hope, give us a closer relationship to the Executive Board, our convention and its Executive Secretary.

During the year our Board has adopted an Investment Policy. This will serve as a guide line for sound and profitable management of trust funds. Every cent of trust money is now invested and is earning interest. In the not too distant future we expect to be paying interest to Baptist causes in excess of our allocation from the Cooperative Program. We are constantly seeking ways to increase both our assets and our investment income. Our audit will appear in the annual, but we show the following balances as of August 31, 1969: Investment Fund, \$252,725.06, Investment Income Fund, \$16,637.59.

Promotion plans have been adopted for 1970. These call for the use of the January bulletin inserts in as many churches as possible. The Foundation

Executive Secretary will try to speak in two churches a Sunday during this month on stewardship. He also expects to be in two World Mission Conferences in 1970. We expect to have four Seminars on Estate Planning in different areas of the state. Two days each week will be spent in personal contact with associational missionaries, pastors and prospects. You are urged to call on your Foundation for assistance in stewardship emphasis.

In keeping with the practice of our convention, we are developing a job description for the Foundation Executive Secretary. A search reveals that very few of the other state Foundations have such. This job description will be developed with the assistance of our state Executive Secretary and will be similar to those for other like positions.

You can help the Foundation by your prayers; by being informed; by sending us names of prospects, and by calling on us to serve.

RECOMMENDATIONS:

1. That the earnings (around \$300.00) from undesignated funds be placed in the Church Building Loan Fund. This fund will be operated in cooperation with our Missions Department to assist needy and deserving churches.

2. That the proposed revision of the Bylaws be adopted to make our work more efficient.

ARKANSAS BAPTIST HISTORY COMMISSION

George T. Blackmon, Executive Secretary

I. ORGANIZATION

The History Commission was set up by a resolution in the 1960 annual session of the convention. It is composed of nine (9) members — one from each of the eight (8) districts and one (1) member-at-large as chairman. The convention elects each member for a three (3) year term; one third rotate off each year. The 1965 annual session elected Dr. George T. Blackmon as Executive Secretary for an indefinite term.

II. FUNCTIONS

The commission is the agency of the convention in the field of history. It is engaged in locating, collecting, preserving, and using documents of Baptists in Arkansas. Its greater achievements have been in locating and obtaining on positive microfilm minutes of local churches and associations in Arkansas. It held one meeting during the past convention year.

III. HOLDINGS

In 1960, the commission received for the old Historical Society forty (40) reels of positive microfilm of three thousand eighty-six (3,086) associational minutes and other Baptist documents. It received also several books by Baptists. Its holdings have now increased to two hundred ninety-two (292) reels, one hundred twenty-six (126) having been added during the 1968-69 convention year. With the help of the commission, Riley Library now holds seventy-eight (78) bound volumes of minutes of Arkansas Associations, a decade or more to the volume; fifty-eight (58) volumes of Southern Baptist Convention annuals (a complete file); twenty-five (25) volumes of minutes of the Arkansas Baptist State Convention (1894 to date); and several volumes of periodicals by local associations and by churches. The commission holds many items of similar materials too incomplete for binding, along with several manuscript or printed histories of churches and associations.

IV. PROJECTS

The commission began the project of having the local association minutes microfilmed by associations. The earlier reels were done by years. This project has been completed. The American Baptist Historical Society, the Southern Baptist Theological Seminary Library, and our state Baptist offices cooperated in this project. Any interested person may obtain positive reels from the Historical Commission of the State of Arkansas, Memorial Building, Little Rock, at twelve cents (12¢) per foot. It embarked upon the task of producing an updated history of Baptists in Arkansas. This project has not succeeded as rapidly as expected; however, the records of seventeen (17) of the seventy (70) existing churches organized before 1870, which still affiliate with the convention, are now on microfilm.

The commission respectfully requests the local churches for assistance in this project and requests the privilege to circulate a questionnaire on historical data during the next year. The associations are requested to mail to the commission copies of their annual sessions as soon as the same are printed. Any person, church, or association is asked to mail duplicate materials to the commission which can use them on exchange with other agencies.

Membership in the Southern Baptist Historical Society is five dollars (\$5.00) per year. Fees and applications should be mailed to Dr. Davis C. Woolley, 127 Ninth Avenue, North, Nashville, Tennessee 37303.

ARKANSAS BAPTIST HOME FOR CHILDREN

Monticello, Arkansas

Maurice Caldwell, Executive Director

The Arkansas Baptist Home for Children, as it reaches out to help people in need, has, in its entire program, continued to place emphasis upon the total family. There have been many changes in the child care field for the Nation as well as the state of Arkansas. In keeping with this trend, the Board of Trustees is continually attempting to upgrade the total program of child care by ministering to children and families. Within the past year a new office has been opened in Jonesboro to serve northeast Arkansas. This office is in cooperation with the Home Mission Board, State Missions Department, and local associations who want to participate in the program. The Board of Trustees authorized the opening of this office for they saw the tremendous response to the work in Little Rock. The work in Little Rock has continued to progress with a full-time social worker and secretary. The office is located in the new Baptist Building. The worker has continued to increase his work by serving approximately 150 children and families. This worker, as well as the worker in Jonesboro, cooperates with the local pastors and other people within the community by helping families and children who are in need of services. Since the beginning of this work in the local community many homes have been reunited where the children have either been removed by the court or voluntarily placed in the Children's Home. The Board and Staff feel that when a child can be reunited with his own family that this is one of the greatest accomplishments that can be made in the field of child care. Another important facet of the child care work has been the establishment of foster homes within the State. Many of these homes are Baptist people who have opened their homes and their hearts to an individual child who cannot live in his own home. They become substitute parents by offering their love and guidance in helping the child learn how to live in society. At the present time there are approximately 30 children receiving this type of care in Arkansas.

The program at the Children's Home in Monticello has continued to make progress in the development of new programs to meet the needs of children. It is well known that programs that were geared to children 50 years ago, or even 25 years ago, will not meet the needs of children today. One need has been for professional guidance in the area of education. The Children's Home has recently employed a full-time director of education who works cooperatively with the public schools, the local community, and the community from which the child came in meeting a child's educational needs. A great deal of planning and consultation is placed on each individual child. Also, this program has secured the services of 10 tutors who work on an individual basis with the children during and after school hours. Many of these tutors come from our local State College and from our local churches. These people are willing to give of their time and efforts to help the underachievers pass their school work. Those children who have emotional and academic problems which preclude the help of the local school are tested and given evaluations by psychologists or other professional people so that the children can receive on an individual basis services that are needed for their particular problems.

The Board of Trustees let bids for two new cottages for boys and girls May 1, 1969. These two cottages are to be completed by January 1970. They are being built to meet the needs of emotionally disturbed children and children who have to live away from their own homes. There will be four

private rooms made available for children with particular problems and the other rooms will have two and three children living in them. The cottages will be self-contained units where the children will have their own cooking and recreational facilities.

On July 1, 1969 bids were let to place central air and heating systems in the senior boys' and senior girls' buildings. This money came from capital improvements money that is provided by the Arkansas Baptist State Convention.

The Arkansas Baptist Home Board of Trustees is proud to be able to make this type of facility available within the State of Arkansas where pastors and others can refer children who can no longer live in their own homes or those families who need professional guidance. Many pastors have taken advantage of this service within our Baptist denomination.

BAPTIST BOOK STORE
408 Spring Street
Little Rock, Arkansas 72201

Robert H. Bauman, Manager

Over a period of four decades Southern Baptists have come to rely on their local Baptist Book Store as the answer to their needs for good books, Bibles, sacred music, church supplies, audio visuals, teaching aids, and materials of a general inspirational nature.

With age has come confidence in knowing that Baptist Book Stores were designed originally to answer the needs of a growing, pulsating denomination, providing for the membership and the physical requirements of the open-country church as well as the large city church. The original idea is still prevalent today, and, although Baptist Book Stores often serve the general public and various other denominational groups, the largest group served continues to be Southern Baptists.

The Baptist Book Store is at your service . . . constantly striving to improve ways of service to you, supplying you with the materials and methods that will help you best, and providing a Christian witness in each locality served.

In order to fulfill this purpose and render this service, there is invested \$57,400 in leasehold improvements and \$29,590 in furniture and fixtures. An average inventory of \$96,000 has been maintained throughout the year.

There are sixteen dedicated employees ready to serve you. They are grateful for the opportunity and for their part in the over-all effort of Southern Baptists as they seek to carry out the Great Commission of our Lord.

The type of service which has always been the aim of Baptist Book Stores is now embodied verbally in the slogan — "Service With A Christian Distinction."

BAPTIST MEMORIAL HOSPITAL

Memphis, Tennessee

Frank S. Groner, Administrator

The year, 1968, for Baptist Memorial Hospital saw progress on many

fronts. The Reverend Lloyd O. Barker, pastor of McLean Baptist Church and Bible instructor for the School of Nursing, was appointed to direct recruitment efforts for the School of Nursing.

Several of our hospital staff were involved in mission work. Miss Maxine Williams, R.N., left for Ghana, Africa as a summer missionary, and Miss Beverly Williams, R.N., served as a summer missionary with the Home Mission Board in Albuquerque, New Mexico. Dr. William F. Andrews, general surgeon on the Baptist Memorial Hospital Staff, left for the Africa Inland Mission in Kijabe to head a 51-bed hospital caring for mission personnel and their children throughout Africa.

Mr. Hays E. Owen, Jr., president of the Board of Trustees, was appointed to the American Hospital Association's Committee on Governing Boards. This committee is composed of 17 hospital trustees from throughout the country and will represent the interest of hospital boards in national health affairs.

The American College of Hospital Administrators bestowed its highest honor, the Gold Medal Award for excellence in hospital administration, on Dr. Frank S. Groner, administrator. Robert F. Scates, assistant administrator, was elected president of the Tennessee Hospital Association.

Mr. Grover Bowles, chief pharmacist, received an honorary doctor of science degree from Philadelphia College of Pharmacy and Science, the oldest college of pharmacy in the United States. Mr. Bowles was doubly honored by being selected by the Agency for International Development to visit South Vietnam to evaluate pharmaceutical education programs and hospital and retail pharmaceutical facilities.

A number of significant programs were established at Baptist Memorial Hospital during 1968. A Speech Therapy Program was developed for patients at the Lamar Unit through an affiliation with Memphis State University. A team known as the Harvey Team was organized to provide planned emergency resuscitation anywhere within the hospital complex. The Medical Staff conducted its first Spring Symposia for physicians in this area and had over 100 physicians in attendance.

A School for Certified Laboratory Assistants was established to help meet a great need for trained laboratory personnel. A high school diploma is a prerequisite for this one-year training program.

The School for Medical Record Librarians developed an affiliation with Little Rock University, and a formal training program for housekeeping personnel was also established.

New scientific equipment is an indication of the progress in medical science and the progressiveness of the hospital. Baptist Memorial Hospital kept pace with new developments in 1968. An IBM 360/30 computer was installed. This is the third generation of computers at Baptist Memorial Hospital. The 360/30 system provided faster processing speed and has the ability to use multiple remote input and output terminals.

The Physical Therapy Department was expanded and remodeled, providing one of the most modern and well-equipped physical therapy centers in the Mid-South. The Admitting Department was relocated to provide room for the expansion of the central kitchen and enlarged to provide an attractive waiting area for 90 persons.

"Toy Town" was established on the pediatric floor to relieve the children's anxiety as they prepare for surgery. The children are able to stop by "Toy Town" on the way to surgery and select a toy of their choice. The toys are provided by the Baptist Memorial Hospital Ladies Auxiliary. At the same time, the entire pediatric department was redecorated in cheerful pastel colors.

New teaching laboratories were developed for student certified laboratory assistants and medical technologists. The facilities are said to rank among the finest in the nation.

The Pharmacy and Business Office were expanded to accommodate the ever increasing patient load. A new 18-bed Intensive Care Unit with enlarged waiting facilities and prayer room was also opened. A second Intensive Care Unit of 24 beds is presently in the construction phase.

Equipment for blood freezing was installed in the Blood Bank. The Baptist Memorial Hospital Blood Bank is one of the first in the nation to have such equipment. It is used for storing many types of blood so that it will be available for use when needed.

A new computerized auto analyzer was installed in the laboratory. It can perform 16 different chemistry readings on a single blood sample in 60 seconds. A comprehensive blood chemistry profile is produced which can assist the attending physician in the early diagnosis of latent disease.

Baptist Memorial Hospital is a dynamic institution, and this point was borne out by many events which occurred during 1968. The 14th and 15th floors of the Union East Unit were opened bringing the main hospital bed capacity to 1279 with an additional 122 beds at the Lamar Unit.

A Board of Visitors was established at the recommendation of the Executive Committee of the Board of Trustees. Its primary purpose is to provide lines of communication with outstanding leaders in the tri-state area.

January saw the birth of Lisa Marie Presley at Baptist Memorial Hospital, and her famous parents caused quite a stir.

A one-day program dedicating the completion of the Union East addition to the hospital was held on February 19. Visitors from 39 states and two foreign countries comprised one of the most significant gatherings of medical and hospital people ever assembled. Approximately 3,000 people participated in the program with 1,500 attending the community banquet that evening. The observance included educational seminars, hospital tours, breakfast programs for members of the press and ministers, a luncheon for the business community and a community banquet.

Dr. Earl Kelly, pastor of Ridgecrest Baptist Church in Jackson, Mississippi, conducted a very successful Religious Emphasis Week. He provided impact with a series of messages devoted mainly to self-examination.

Service awards were presented to 131 employees having a total of 1,750 years of service at Baptist Memorial Hospital.

The hospital's disaster plan was partially implemented to treat 18 seriously injured victims of the tornado which created havoc in the Jonesboro, Arkansas area.

Fifty-two students graduated from the School of Nursing with 40 remaining to work at Baptist Memorial Hospital. Seven R.N.'s on the hospital staff and the School of Nursing Activities Director attended the Baptist World Youth Congress in Berne, Switzerland.

For the fourth consecutive year Baptist Memorial Hospital sponsored a Junior Achievement Company which teaches high school students the principles of free enterprise. The company had 20 students representing five city high schools.

During the strike at City of Memphis Hospitals, Baptist Memorial Hospital treated 2,159 City of Memphis hospital patients in the emergency room, admitted 476 City of Memphis hospital patients, and delivered 388 babies that would have normally been born at City of Memphis Hospitals.

Generous employees contributed a record of over \$30,000 to the 1968 Shelby United Neighbors Campaign.

The Ladies' Auxiliary added Christmas cheer to the charity floor by presenting each patient with a present.

The philosophy of Baptist Memorial Hospital is perhaps best exhibited in its vast social service role. During the fiscal year ending September 30, 1968, indigent and medical indigent residents of the tri-state area received \$2,960,642.72* in free hospital care. Included in this total figure for charity and allowances is:

1. Charity and allowances for residents of Arkansas
2. Discounts and allowances to ministers and other full-time religious workers

*Includes \$1,667,607.20 of which Medicare payments lacked meeting full charges.

Some statistics indicative of the extent of the hospital's services are listed below for the twelve month period ending December 31, 1968:

1.	Number of hospital admissions, excluding newborn	47,739
2.	Number of newborn	4,436
3.	Total patient days, including newborn	437,927
4.	Daily average number of patients, including newborn	1,196.52

The Baptist Conventions of Tennessee, Mississippi and Arkansas are providing a far reaching ministry of healing, teaching and preaching through the excellent facilities of Baptist Memorial Hospital. The hospital stands as a monument to the constructive endeavors of Baptists in the Mid-South in carrying out the social gospel of the denomination.

CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.
301 Waldon Building
Little Rock, Arkansas 72201

W. Henry Goodloe, Executive Director

The passage and legalization of Act No. 132 designating the method by which mixed drinks might be served from open bars was a defeat for the Christian forces of Arkansas cooperating through the Christian Civic Foundation, but the results to date have not been as disappointing as originally feared. While under the local option provision of the Act mixed drinks have been legalized in Pulaski County, Garland County and in Eureka Springs, the wet forces were defeated in their try for open bars in West Memphis, Blytheville, Fort Smith and Texarkana, in the last three by two-to-one margins. Already, the liquor people in Pulaski and Garland Counties are complaining that their sales under the new Act are being cut by the high price for liquor caused by the Fair Trade Law and by regulations on closing hours.

Our Legislative Assistant, Reverend Roy H. Galyean, worked diligently and courageously during the Regular 67th Session of the Legislature, a work made possible budgetwise by the giving to us by the Benton County Drys the \$1,216.25 left over from their successful effort to keep the County dry during the 1968 wet-dry election. This resourceful and highly esteemed helper cannot be retained for the possible Special Session or the 1971 Regular Session of the General Assembly unless additional funds are made available through our constituency. This inability will be a distinct handicap and we hope independent funds can again be discovered to continue this vital work.

Following several years of effort, we are glad to report the passage this year and signing into law an Implied Consent bill, Act 106, giving a more effective means of dealing with driving an automobile while under the influence of liquor.

The public school program and other educational channels are being maintained with increasing financial difficulties. Set up in January of 1968 on a different basis to allow the securing of competent personnel and provide adequate materials, the added financial outlay needed has not been forthcoming. Dwindling reserves have been drawn on but will soon be exhausted. The educational program with our state's young people on alcohol and other narcotics abuse is highly acclaimed by school personnel and by the young people themselves. We hope a revived support, especially on the part of the Women's organizations of the churches and by an increasing number of individual churches and other denominations putting the Foundation directly in their budgets may assure that this significant work is continued and expanded.

During the summer of 1969, the Educational Assistant, Paul R. Ramsey, worked in nine Methodist and Baptist Camps besides being in numerous local churches, Parent-Teacher groups, service clubs, etc., and the new school term registers a heavy schedule in the nine areas of the state set

up to assure an equitable coverage of the total schools of Arkansas, majoring this year on those schools into which we have not been before. This year's schedule will include schools in Fort Smith, Texarkana and Little Rock.

Within the past twelve months, we have had to take out of circulation as beyond repair two of our twelve educational films, one of these being the most popular, "Verdict at 1:32". No means of replacement are evident at this time.

We likewise need to add some excellent new films and to replenish our supply of material on alcohol, narcotics, smoking, gambling and pornography, and special material used by students in doing research for special papers and speeches. The loan Reference Library, widely used, is constantly in need of new volumes.

A new educational approach has been inaugurated this year in cooperation with the American Council On Alcohol Problems, Inc., with the distribution of four different professionally prepared TV spots of outstanding entertainers or sports figures concerning the use of alcohol. Twelve of these have been distributed and are being used by the three statewide TV stations located in Little Rock. We hope to continue the series as funds allow and as new spots are made available, and to expand the coverage to other TV stations in the state.

It is evident from some of the above items that our present budget problem is very real, but the fact that we have been able to maintain the Foundation program throughout the state of Arkansas is due to the following group and individual contributions making up the total income for the twelve month period from October 1, 1968, through September 30, 1969.

Total Normal Income for Expenses	\$29,861.20
From Baptists	\$13,518.03

In addition to the amount received directly from the Arkansas Baptist State Convention, individual Baptist Associations, Churches, et al, included in the amount indicated from Baptists are as follows:

We pray that other churches may follow the worthy example set by these sixty-five churches of the Convention with direct contributions to the Foundation's program. A gift as small as \$5.00 per year from each of those churches not now contributing directly to the Foundation's program would assure continuation at the present level the cooperative enterprises of the Christian forces of the state channeled through the Christian Civic Foundation and directed against the ever present influences from liquor forces, drug abuse, gambling, pornography and other social evils.

OUACHITA BAPTIST UNIVERSITY

Arkadelphia, Arkansas

Donald M. Seward, Interim President

Academic excellence within a framework of Christian truth was again the watchword at Ouachita Baptist University during the eighty-third year of her illustrious history.

Once again the Gorman Report, a study which rates all institutions of higher learning in the United States, ranked Ouachita second in the state, the University of Arkansas with all its resources being the only school rating higher. The ranking is based on both instructional and administrative excellence.

Spiritual Life

At the same time that a quality education was being offered the 1,974 separate students who enrolled during the year, the eternal truths of Christianity were exalted; and spiritual activities were prominent on the campus. Old and New Testament survey courses were prerequisites for all students to graduate. Chapel was required of all enrolled. A revival was held in the Fall and Religious Emphasis Week in the Spring. Daily noon-day devotionals were held five days a week in Berry Chapel for faculty and students who wanted to attend. Many students were active in programs in local churches, both in Arkadelphia and in other communities. A number served as student pastors, part-time ministers of music and education, and youth directors.

A vital part of Ouachita's ministry since her inception has been the training of people for vocational religious service, and through the year her graduates have been outstanding in church and mission service. During the year, there were 165 students training for full-time Christian service. Of these 120 were ministerial students, 13 minister's wives, 12 preparing for work in religious education, 10 studying church music, and 10 preparing for other church-related vocations.

Academic Life

Ouachita graduated 320 students during the year, the largest number in the school's history and almost as many as her total enrollment a few years ago. Of these, 45 received the Master's degree.

Extension centers in Camden and Little Rock provided off-campus continuing education for a number of adults. Ouachita cooperated with Southern Baptist College is providing junior-senior courses at Blytheville Air Force Base. These off-campus centers provide an excellent way of providing Christian education over a larger area.

An extremely valuable adjunct to the academic life was a three-level addition to Riley Library. Built during the year, the new wing will double the library space and make possible use of many books which previously could not be shelved for lack of space. Shelving and carrels were installed for the first level during the fall of 1968. The other two levels of the new annex were not used during the 1968-69 school year because they were unfurnished. Completion of the entire project is now in the final stages. Orders have been placed for the following:

- (1) Third level: Shelving, carrels, and other furniture
- (2) First level: Additional periodical display shelving and furniture for periodicals area; furniture for Library Science classroom; 26 carrels for present Reading Room.
- (3) Basement level: Electronic equipment and furnishings for Audio-Visuals area.
- (4) Carpeting for stairways and 2 traffic lanes.
- (5) Book elevator. (Delivery expected December 1969)

Construction of partitions needed in Basement level and the installation of other equipment (except book elevator) were completed by September 1, 1969.

The Library now houses 98,149 volumes which are divided as follows: books, 62,160; bound periodicals, 12,167; government documents, 15,312; microfilms, 1,564; music scores, 2,078; recording, 1,666; microcards, 494; microfiche, 2,708. The library regularly receives 465 current periodicals, 13 indexes, 9 newspapers, and 40 Baptist papers. Over a 20 year period, holdings in Riley Library have increased from 25,000 in 1948 to 48,739 in 1958 to 98,149 in 1968, an increase of 292 per cent.

During the year, courses were taught leading to majors in 30 separate departments. The German Department was dropped because of the small number of majors and low enrollments. French and Spanish were then combined into one Department.

Finances

The School again operated within her income, although the task was difficult since inflation continued to raise costs at a time when student charges remained unchanged.

In the past year ending May 31, 1969 Ouachita received \$479,126 from the Arkansas Baptist State Convention. Expenses were kept within income, but only by using a grant from the Ford Foundation in the amount of \$188,000 given to O.B.U. in 1958 with the understanding that the principle be kept intact for ten years. The total budget for the year 1968-69 was \$2,870,603. Of this amount, the money from the Cooperative Program was about 17%.

The amount in the endowment fund has dropped from \$2,037,820 to \$1,957,759 due to the transfer to funds mentioned above, but compensated in part by normal increase in value of the securities held in the fund.

A step forward in helping parents plan their children's educational career was taken when trustees voted to guarantee that tuition for a student would not increase during the four years he is enrolled.

In Memoriam

Ouachita suffered an especially severe loss in the tragic and untimely death of Marvin A. Green, a devoted and loyal friend and benefactor of Ouachita Baptist University. Dr. Green served for 20 years as a member of the Ouachita Board of Trustees with two terms as Chairman. He also served diligently and unselfishly at no salary for six months in 1967-68 as Acting President of Ouachita.

In Appreciation

After serving Ouachita Baptist University loyally, unselfishly and brilliantly as president for 16 years, Dr. Ralph A. Phelps, Jr. resigned effective May 31, 1969 to enter the banking business. Ouachita and her friends and benefactors, indeed the entire Arkansas Baptist Convention, owe a great debt of gratitude to Dr. Phelps for leading Ouachita so ably these many years. An almost entirely new complex of buildings and school plant has been constructed, the enrollment has quadrupled, the institution has achieved university status and a quality academic program has been developed. Our heartfelt thanks go to Dr. Phelps.

The trustees, faculty members, and staff who put the institution above self and served "beyond the call of duty" to make Ouachita "queen of the college world" also deserve praise.

New President Elected

When an outstanding leader falls or steps aside there is often a fear that able leadership may not be forthcoming to take up the torch of administrative direction. In the case of a successor to Dr. Phelps, divine providence was evident. In early July Dr. Daniel Grant of Vanderbilt University, son of the late Dr. J. R. Grant who served as president of Ouachita for 15 years, accepted the presidency and is to assume his duties in February, 1970. Dr. Grant will provide wise, dedicated and capable leadership to Ouachita and his coming as chief administrator is most fortunate for Ouachita.

Prognosis

Although rising educational costs plague all church-related schools with fixed incomes, the prospects for Ouachita continue bright. The future is promising if faith is large and if Arkansas Baptists want Ouachita to succeed.

SOUTHERN BAPTIST COLLEGE

Walnut Ridge, Arkansas

H. E. Williams, President

The 1968-69 academic year was a noteworthy one in the service of Southern Baptist College. The grand total enrollment reached 1,222 different individuals. There were 749 on the local campus, 438 at the Blytheville Air Force Base Residence Center and 35 at the Senath, Missouri Extension Center. This is the largest enrollment in the twenty-eight year history of the college.

Southern was admitted to full standing and ownership in the life of the Arkansas Baptist State Convention at the annual meeting in Hot Springs. Since 1949, the college had participated in the Cooperative Program of the convention. On December 6, 1968, a special ceremony was held on the campus (following amendment of the college constitution) at which time transition of control was made to the Board of Trustees appointed by the Arkansas Baptist State Convention. The assets of the college, valued at over \$4,000,000, are now owned by the convention and is operated through her Board of Trustees.

Spiritual tides again ran high on the "Campus of Christian Purpose." Student groups conducted hundreds of services in churches and mission stations of the region. Ministerial students and faculty members serving the churches and mission stations of the area witnessed hundreds of professions of faith and additions to the churches. The Baptist-Student-Union-sponsored "Good News Group" was widely sought to provide programs in church and associational meetings. Several hundred professions and rededications were witnessed by this group during the year.

The budget for the year reached almost \$1,000,000. The Cooperative Program of the State Convention provided about \$85,000 of this amount. The college administration and friends are deeply grateful for this amount even though it is only a small fraction of the total budget. It is the desire of

the college leadership to express sincere thanks to all Arkansas Baptists for the help given. The institution in turn pledges her very best service to the Kingdom of our Lord.

The college participated in three significant programs for developing colleges. She was one of eighty-five colleges selected by the American Association of Junior Colleges to participate in a national program in general areas of improvement. She also participated in a consortium with the University of Illinois in student personnel services. Dr. D. Jack Nicholas, Executive Vice-President and Dean of Students, was selected to participate in a special program in student personnel services with the Michigan State University. All of these programs involved visits to the campus by a large number of consultants who are considered experts in their fields. Some of them are nationally recognized as authorities.

The college is again engaged in a consortium under the American Association of Junior Colleges in the area of faculty improvement. She is participating in the Southeastern Region with twelve Georgia Colleges.

These special programs result in making available the very best consultant service in America to the college in areas where she wants to make outstanding strides forward. The institution feels very fortunate to have been selected as one of the most promising two-year colleges in this section of the nation to participate in a program of outstanding improvement.

The new Community of Science Complex was completed and put into use during the 1968-69 school year. The building has a total floor space of over 16,000 square feet. It is fireproof throughout and modern in every detail. The very best laboratory furnishings were used in all laboratories. Classrooms were furnished with latest-style furnishings for colleges and universities. Latest type gas heating and air-conditioning was used throughout the complex. Faculty offices for people teaching in the science courses were also provided.

During the year, twenty-two of the faculty members were involved in additional study and international travel. The college has the highest standard for faculty training requirements found among two-year colleges in America. No person can now be appointed to the faculty who will not pursue a program to reach at least the specialist degree, or equivalent, beyond the masters. This is required before a person can be appointed on a permanent basis. Every person entering the faculty must have at least the masters degree. This factor should be of major concern to students planning to enter college. Practically all of the courses on freshman and sophomore levels in large universities are taught by people working on masters and higher degrees. Most of them are really beginners and have not had the broad experience of a well-trained-mature faculty such as that provided by Southern.

Southern Baptist College delights to represent the great Arkansas Baptist State Convention life in the northeastern part of the state. Her desire is to truly become "The Campus of Christian Purpose" in spirit and fact. She solicits the opportunity to serve our churches and our people in a greater fashion. All of the people associated with the college also desire the prayers of all of our Baptist people over the state.

ANNUITY BOARD
of the
Southern Baptist Convention
Dallas, Texas

R. Alton Reed, Executive Secretary

The Annuity Board of the Southern Baptist Convention has rendered more than a half century of service to Southern Baptist churches, agencies and institutions. Being one of the denomination's four major boards, it is entirely owned, controlled and operated by the Southern Baptist Convention.

As of June 30, 1969, the Annuity Board had assets in excess of \$220 million. These funds are reserves to help pay accrued pension benefits for more than thirty thousand persons. The Annuity Board does not own these funds, but it is trustee for them. The funds belong to the individuals, conventions, agencies, etc. who have deposited them. The Annuity Board only administers and invests such funds. Investment earnings of \$9 million were added last year.

During its 51 years of service, the Board has paid benefits totaling more than \$66.4 million. Of this amount, \$8.7 million was relief grants and the remaining \$57.7 million paid in various retirement benefits.

In 1968, retirement benefits were paid to 6,461 persons totaling \$6,369,306. An additional \$173,863 was paid to 501 relief recipients from Cooperative Program funds allocated by the Southern Baptist Convention for this purpose.

Approximately \$3.3 million was paid in claims under the Health Benefit Plan, with a total of \$7 million benefits paid to December 31, 1968. Membership in the plan as of December 31, 1968, was 15,521.

Death claims totaling \$544,824 were paid to 47 claimants in the Life Benefit and Group Life Plan, bringing the total insurance benefits paid as of December 31, 1968, to \$1.4 million. More than 14,000 persons have life coverage in these plans.

On October 1, 1969, a new Group Life Insurance Plan will begin. It succeeds the Life Benefit Plan which has been offered since 1964. Members in LBP will have the option of remaining in the older plan or transferring to the new Group Plan.

Two benefit schedules are offered in the new Plan. The first parallels coverage offered by LBP, except it does not decrease until age 65. The second provides benefits from \$5,000 to \$60,000, depending on the participants annual earnings. Both schedules include provisions for accidental death and dismemberment; continuation of some coverage after age 65; Dependent Life Insurance benefits for spouse and all children, ages 14 days to 23 years, except those residing in Texas where insurance laws preclude the offering of such coverage; and Long Term Disability Income Protection, paying 60% of the participants monthly earnings (70% if dependent Social Security is involved) to age 65 with \$1,000 a month maximum.

Any minister or church related employe may join the Group Insurance Plan when it initially opens without a medical examination or other evidence of good health.

Two areas of development and growth are especially important:

1. Churches now participating need to increase their coverage by paying 10% on total compensation. This will provide larger benefits to meet inflated retirement needs.

2. Churches not participating should enroll now. The Southern Baptist Protection Program will be needed in addition to Social Security or other private plans to provide adequately for all life situations.

As of January 1, 1969, 593 churches in Arkansas were participating in the Southern Baptist Protection Program. There are 3 state Baptist agencies in the Program; these are:

FOREIGN MISSION BOARD
of the
Southern Baptist Convention
Richmond, Virginia

Baker J. Cauthen, Executive Secretary

“These reports are but partial . . . We cannot, in any accurate way, put down the measurement of the love, dedication, courage, sacrifice, patience, and stability manifested by God’s servants carrying on this ministry of love.”

— Baker J. Cauthen, executive secretary

On May 1, 1969, Southern Baptist missionaries were at work in 67 geographical or political entities* and were under appointment to 3 more (Dahomey, Egypt, Senegal). During 1968, missionaries went to live in Angola, Botswana, Iran, and South West Africa. The Board no longer has work in Iceland.

*Angola, Argentina, Austria, Bahamas, Belgium, Bermuda, Botswana, Brazil, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, Ethiopia, France, French West Indies, Gaza, Germany, Ghana, Guam, Guatemala, Guyana, Honduras, Hong Kong, India, Indonesia, Iran, Israel, Italy, Ivory Coast, Jamaica, Japan, Jordan, Kenya, Korea, Lebanon, Liberia, Libya, Macao, Malawi, Malaysia, Mexico, Morocco, Nigeria, Okinawa, Pakistan, Paraguay, Peru, Philippines, Portugal, Rhodesia, Singapore, South West Africa, Spain, Switzerland (Baptist Center), Taiwan, Tanzania, Thailand, Togo, Trinidad, Turkey, Uganda, Uruguay, Venezuela, Vietnam, Yemen, and Zambia.

Missionary Support

At the close of 1968 the Southern Baptist Foreign Mission Board had an overseas missionary staff of 2,371. This included 119 missionary associates, 3 special project medical personnel, and 122 missionary journeymen. Appointments during the year totaled 247 (131 career, 38 associates, 69 journeymen, 3 special project people, and 6 career reappointments). Between January and May, 1969, 107 more were added, 76 of them journeymen.

Even with the additional personnel (the largest number in any year thus

far), several hundred calls for missionaries are still unanswered.

Evangelism and Church Development

The ultimate purpose underlying all our missionary endeavors is the leading of people to new life in Jesus Christ and the cultivation of New Testament churches. At the year's end, reports from the Missions (organizations of Southern Baptist missionaries) totaled 5,154 churches (3,672 self-supporting), 6,974 mission points, and 4,413 national pastors. Also reported were 50,003 baptisms, 611,470 church members, and 538,304 enrolled in Sunday School. Mainland China, closed to missionaries since 1951, was last estimated as having 392 churches, with 123,000 members, related to Southern Baptist mission work.

The Foreign Mission Board shared in major evangelistic campaigns in France, Germany, Italy, the Philippines, and Rhodesia. The first converts to result from French-language work in West Africa were baptized in Ivory Coast and Togo.

Baptist radio and television outreach continues to expand. A television workshop in Costa Rica brought together representatives from six countries. European Baptists held a similar conference in England. Radio broadcasts developed in Portugal, Uruguay, Italy, and Taiwan.

Schools and Student Work

The 837 schools (in 43 countries) with which our missionaries are related enrolled 87,597 students and were staffed by 3,497 national and 437 missionary teachers and administrators. Among the schools were 46 theological institutions having 1,894 students, and 9 women's training schools with 832 enrolled.

The seminary in Vietnam was in its first year of operation in 1968. An addition was built for the Bible School at Greenville, Liberia. In Italy a linguistic school began on the Baptist seminary campus. A youth center for national and foreign students opened in Austria.

Publication Work

Literature in the language of the people becomes increasingly important on mission fields. Rising literacy rates give book stores and reading rooms unprecedented opportunity to confront multitudes with the Christian message.

Twenty-seven publication centers overseas and at El Paso, Texas, produced over 24 million pieces: tracts, books, periodicals, Bibles, hymn books. Staffing these centers were 67 missionaries and 578 nationals.

Correspondence courses in Bible and Christian leadership training were having remarkable outreach. Indonesian Baptists held a writers' workshop during the year. New facilities for publication work were opened in the Philippines.

The Commission, foreign missions journal of the Board, reported an average monthly circulation of 84,760 in 1968.

Hospitals and Medical Care

Medical institutions included 21 hospitals and 83 clinics and dis-

pensaries, with a total of 1,582 beds. In 1968, 208 national and 56 missionary physicians served with 424 national and 63 missionary nurses. They treated 47,586 inpatients and cared for 631,977 outpatients. Engaged additionally in the medical ministry were 1,108 nationals and 41 missionaries.

The new Wallace Memorial Hospital building was dedicated in Korea; second-floor facilities were opened at the hospital in Mexico; a clinic was reopened in Jordan. The new hospital in Yemen was dedicated, and a community development program (including health centers) began in Ethiopia.

Benevolent Ministries

To meet urgent needs for relief of human suffering in Nigeria, Vietnam, and other countries, the Foreign Mission Board provided emergency funds totaling \$98,233.82.

Twenty-four good will and community centers in 11 countries reached people in varied ways: literacy classes, homemaking courses, Bible study clubs, and evangelistic services. Staffed by 38 missionaries and 132 nationals, these centers enrolled 10,779 children and adults. Two missionaries assisted 99 national workers in caring for 800 boys and girls in 16 children's homes.

Contributions

Total contributions of Southern Baptists for foreign missions amounted to \$29,745,692 as 1968 closed (an increase of 5.16% over 1967). The 1968 Lottie Moon Christmas offering had reached a total of \$15,159,206.92 by May 1, 1969.

Financial needs continue to be beyond resources made available by Southern Baptists. Land, buildings, and equipment — several million dollars' worth — are urgently needed in mission fields.

HOME MISSION BOARD of the Southern Baptist Convention Atlanta, Georgia

Arthur B. Rutledge, Executive Secretary-Treasurer

“We have come to the point in the life of our nation and of our denomination when our best is needed. There are at least seventy-five million unchurched people in our country, and pressing problems call us to give our Christian witness in every area of human life and experience.”

— Arthur B. Rutledge

To a society convulsed by assassinations, riots, elections, disorders and other crises; to a society gaining a new awareness of its poor, its affluence, and its loss of values, Southern Baptists were led by their Home Mission Board to respond during 1968 primarily through three emphases:

PREPARATION FOR THE CRUSADE OF THE AMERICAS. — Numerous preliminary meetings, such as a thousand associational rallies, were held. Telecasts were prepared for national release, and hundreds of other actions were taken to prepare for the year of witnessing in 1969.

ESTABLISHMENT OF NEW CHURCHES IN PROJECT 500. — More than 150 of the five hundred projections were started (30 percent of the goal within 40 percent of the time). The project was slowed because of inadequate funds, and many of these started were without financial aid.

IMPLEMENTATION OF THE STATEMENT CONCERNING THE CRISIS IN OUR NATION. — Following Convention direction, the Board called meetings of other agency personnel to inventory actions and to project plans. The Board established a special committee which is seeking additional ways of response, and program leaders have directed personnel and funds toward acute needs.

A FORCE OF 2,385 MISSIONARIES. — Serve in all fifty states, plus Panama and Puerto Rico. While 406 were appointed during the year, this represents an increase of but eighty-five. Thirty-five appointees were US-2ers, young college graduates enrolled for two years service. In addition, 897 college students served as student summer personnel for ten weeks. Most of this missionary force are jointly employed with a state convention, association, and/or local congregation. The Christian Service Corps approved seventy-seven for short-term service and twenty-two for long-term service.

A PLAN TO EMPHASIZE GETTING GOD'S WORD TO PEOPLE by listing Scriptures appropriate for every group served by Southern Baptists through the Home Mission Board has brought miraculous response. Forty thousand New Testaments were bought and distributed through mission program leaders. Almost one-half million Scriptures in the Russian language and other Scripture portions in various languages are being distributed in cooperation with the American Bible Society. (For information, contact the Division of Communication.)

CHAPLAINS on active duty in Vietnam number more than one hundred, and there are 680 active in the military, plus an additional 644 in reserve and other programs. There are also 306 chaplains serving in hospitals, institutions, and industry.

CHURCH LOAN assistance went to 306 churches with loans totaling more than \$7½ million. The Division of Church Loans also entered into an agreement to manage the Church Loans Association of the Kansas Convention of Southern Baptists to help provide relief in the face of critical financial problems.

THE ASSOCIATIONAL ADMINISTRATION SERVICE sought ways to change the structuring of the life of the association to relate to changes in society. Progress in understanding was made in developing the associational base, the integrative study on the association, and the proposed field of study on the association.

A MISSIONS PHILOSOPHY has been communicated by pioneer missions that will lay the base for new directions in keeping with the guidelines adopted by the Board. This program reported 114 home fellowships, 108 new churches of church-type missions, and 5,218 additions. By 1970 every city with 75,000 people is expected to have been entered by Southern Baptists.

RESORT/RECREATION AREAS received special attention from the Rural-Urban Missions Department to create awareness of need and to encourage mission response from responsible groups. A broader cooperation to supplement and complement efforts in mountain areas of the eastern part

of the nation was reported. Program leaders called for an effort to remove the stigma from rural churches to adjust to fewer meetings, less organization, and a recognition that pastoral leadership need not always be fulltime.

A METROPOLITAN STRATEGY DESIGN procedure was completed, detailing steps to develop a mission-ministry strategy for each metropolitan area, and thirteen major areas will serve as pilot fields in a three-year effort. Education is needed to acquaint leadership with trends and needed changes to achieve a flexible and meaningful church program. Special attention must be given to the mounting nonwhite population and to the church in suburbia.

CUBA RELEASED SBC MISSIONARIES, the Herbert Caudills and the David Fites, and both families have established residence in Atlanta. About fourteen national pastors remain in prison, but the work in Cuba continues in the face of obstacles.

LANGUAGE WORK ministers to seventeen different language-culture groups, plus forty Indian tribes. Approximately 1150 missionaries serve in this program, and 780 congregations received financial assistance during the year. Special attention was given to work in metropolitan areas and to the leading of congregations to greater support of their pastors and involvement in the crisis needs of the people served.

THE CRISIS IN THE NATION was given special attention. There was a very evident ground swell within the states to minister to minority groups.

CHRISTIAN SOCIAL MINISTRIES reports that "the message is getting through; that such ministries are not contrary to a conservative theology." Consequently, more interest from churches and other groups was shown in this program than at any time previously. More than two hundred churches were assisted with materials to start weekday ministries, and twenty-two centers were started. Literacy materials were produced. Sixty-nine churches and fifteen associations started ministries to migrants. (Note professions of faith in this area on statistical table.)

YOUTH AND FAMILY SERVICES became the new title for work that includes juvenile rehabilitation (the former name). The ministry recognizes the needs of a great number of individuals, such as the alcoholic, the released offender, youth in trouble, and others. The work is carried on by 150 associations.

WORK RELATED TO NONEVANGELICALS has helped Southern Baptists to understand other religious movements and to learn ways of sharing one's faith with people who hold such beliefs. Special attention was given to materials on Christian sects, Catholic life and thought, and other world religions. Jewish-Baptist leadership dialogues were held in four cities, and churches were encouraged to observe Jewish Fellowship Week.

Your Home Mission Board seeks to help churches, associations, and state conventions in determining needs and opportunities and in finding ways to meet these needs. Please call on us for any help which we may be able to offer, and pray for every missionary, as we live, serve, and give to the end that America will become a Christian nation to a degree never yet true. God's Word reminds us "Blessed is the nation whose God is the Lord".

— Arthur B. Rutledge

THE SUNDAY SCHOOL BOARD
of the
Southern Baptist Convention

127 Ninth Avenue, North
Nashville, Tennessee 37203

James L. Sullivan, Executive Secretary-Treasurer

Objective

The Sunday School Board's objective is to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by making available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies and by fostering education and service programs which will help the churches to establish, conduct, enlarge, and improve their ministries of Bible teaching and Christian training.

The Sunday School Board seeks to accomplish its objective through 25 major programs. The net earnings from the six programs of publishing and the Program of Baptist Book Store Operation, over and above the cost of operation, are available for the 17 education and service programs, capital reserves, capital improvements, and working capital. The Board strives to break even on its Program of Assembly Operation.

**Message from the
Executive Secretary-Treasurer**

The pace of change in our world has accelerated from that of shifting sand to that of lunar orbital speed. No individual and no organization is exempt from the effects of this acceleration.

The Southern Baptist Convention has required of the Sunday Board years of analysis and introspection. New dimensions of the teaching and training ministries have demanded years of reorganization and internal adjustment.

We now prepare for a decade of aggressive and dynamic leadership as we strive to point the churches toward the trails they may blaze in performing their tasks: worship, witness, education, ministry, and application.

In reaching for the 70's, we are not letting go of the 60's until the calendar leaf is torn away. In preparing materials and programs for the next decade, we recognize an obligation to the present one. Our efforts are faithful to make provision for today while laying the foundation for tomorrow.

In grasping for the key to unlock the mysteries of changed people in a changed world, we shall never release our grasp on the eternal truths we all live to communicate. The lordship of Christ, the authority of the Bible, and the empowerment of the Holy Spirit have been, are, and will ever be the bedrock upon which all of our efforts are secured.

The commitment of the Sunday School Board is to provide for the present as we prepare for the future.

The achievement of our objectives depends upon God's gift of strength and direction, the diligent labors of dedicated personnel, and the prayers and support of the denomination we serve.

Summary Statement

October 1, 1967, Through September 30, 1968

The Convention has assigned to the Board 25 programs through which it works toward its objective.

The 6 programs of publishing and the book store program make available Bibles, lesson courses and materials, books, films and filmstrips, music and recordings, and church supplies. These materials are sold to churches and individuals. The Program of Assembly Operation provides facilities for use of other programs in training and inspiring church leaders. Last year these 8 programs produced net contributions of \$10,822,000. These contributions were used as follows: education and service programs, \$5,301,000; capital reserves, \$317,000; fixed assets, \$893,000; program administrative cost, \$2,629,000; working capital, \$394,000; and prepaid pension expense, \$1,288,000.

The reports of the 17 education and service programs summarize the efforts of the Board to assist churches in establishing, enlarging, conducting, and improving their programs. The Board provided \$409,837 for the Program of Southern Baptist Convention Support and \$898,236 to Baptist state conventions for their use in promoting Sunday School, Training Union, music, student, and church architecture work.

CHRISTIAN LIFE COMMISSION
of the
Southern Baptist Convention
Nashville, Tennessee

Foy Valentine, Executive Secretary

In 1968 the Southern Baptist Convention made very significant forward progress in Christian social concerns. The year saw a more general acceptance of the Commission's emphasis on applied Christianity among pastors, lay people, youth, local churches, and the Baptist mass media than ever before.

Local churches throughout the Convention projected programs applying Christian principles in their communities, involved themselves in Christian action, conducted Christian Life conferences, performed Christian social ministries, and generally accepted the moral imperatives of the gospel as never before.

Unprecedented quantities of material on applied Christianity were channeled by the Commission through the various Southern Baptist mass media to audiences more sympathetic than any in recent decades, if not in Southern Baptist history.

Twice as many pamphlets on family life, race relations, daily work, Christian citizenship, and specific moral problems were ordered by Southern Baptists as ever before. Ten new titles in the "Issues and Answers" series were released in June, 1969. Ten more are in preparation.

The most influential program of conferences and seminars ever projected by the Christian Life Commission reached a representative cross-section of Southern Baptist leaders. A closely coordinated emphasis on Christian citizenship during the 1968 general election year produced a highly successful seminar in Washington, D.C., two very useful conferences at the Glorieta and Ridgecrest assemblies, a series of nine articles on "The Christian and Politics" carried by most of the state Baptist papers, and an excellent book on the subject published by Broadman Press. The Resource Guide to Current Social Issues, 272-page book, was distributed by the Commission without charge to 55,000 Southern Baptist leaders. A significant conference on "The Church's Mission In the National Crisis" was held in Chicago in 1969. A major emphasis on "Extremism - Right and Left" was made in the 1969 Southern Baptist Convention and in the summer conferences of 1969.

The Commission's staff was strengthened substantially last year with the coming in January of W. L. Howse III, as director of organization and the coming in June of Elmer S. West, Jr., as director of program development. The 1969 election of Harry Hollis as director of special moral concerns brings the staff to a position of greater usefulness to Southern Baptists than ever before.

It is hoped that both associations and churches will be especially alert to new opportunities to apply Christian principles in the area of social concern. The expression of such concern will strongly undergird our total witness for Jesus Christ.

EDUCATION COMMISSION
of the
Southern Baptist Convention
Nashville, Tennessee

Rabun L. Brantley, Executive Secretary-Treasurer

The Baptist Education Study Task in 1966 and 1967 stimulated discussions which are continuing in 1969. The importance and problems of Christian education as related to Baptist schools have been studied by faculties and denominational groups in many places. In 1968 North Carolina Baptists held seven conferences on the campuses of the colleges, attended by pastors, deacons, WMU leaders, and college personnel, to grapple with the issues coming out of BEST. Again in 1969 seven conferences of a similar nature are scheduled. The Education Commission is encouraged over the response to the needs of Baptist schools. Special committees on the problems of the schools have been at work in Texas, Georgia, Mississippi, North Carolina, and Virginia, and the Commission has kept in close touch with these studies and given assistance.

Tentative plans are to sponsor a Convention-wide meeting for trustees in 1970, similar to meetings held in some states. The directors of admission have requested assistance in planning a meeting in 1969 or 1970 to bring more harmony into present policies of admission.

The Commission is promoting the sixteenth annual emphasis in the churches on Christian education and Baptist schools in 1969. The number of churches observing Baptist Seminary, College and School Day on the third Sunday in February is growing. As more students decide to attend college, the necessity for more adequate assistance to them faces the churches. One feature of the 1969 emphasis is to send every pastor a copy of the new **Southern Baptist Campus Directory**.

The Commission is in its fourth year as one of the denominations sponsoring the Cooperative College Registry. Over 9,000 teachers registered in 1968. Finding suitable teachers for Baptist schools is a continuing acute problem. Calls for assistance from the schools testify to the value of this service.

Administration of the Opdyke Scholarships and the Robertson-Sheppard and J. W. Farmer Loan Funds continues to bring much satisfaction. There were 243 Opdyke scholarships and 45 loans awarded in 1968. Graduate students working toward the completion of their doctorates continue to request more loans than the Commission is able to supply. The loan assistance has served about 150 students since it was inaugurated.

The Commission continues to serve the Association of Baptist Professors of Religion in their program of preseminary testing of entering students, by distributing tests, collecting results, and sending out to the seminaries as well as the colleges.

During 1968 the Commission distributed 1,184,417 pieces of literature to individuals and churches over the Convention, not including correspondence and news releases.

The **Southern Baptist Educator** grows in reader interest and is the publication that ties the schools and colleges together through news items and articles of lasting interest in the field of Christian education. Many pastors

have indicated an interest in receiving a subscription.

Southern Baptists now operate 41 senior colleges, 14 junior colleges, 7 academies, 4 Bible schools, 6 seminaries, and the American Baptist Theological Seminary, which Southern Baptists sponsor jointly with the National Baptist Convention, U.S.A., Incorporated.

Institutional Changes. -- Institutional changes for the year were: D. Harley Fite retired as president of Carson-Newman College and was succeeded by John Albert Fincher; Leonard L. Holloway left the presidency of Mary Hardin-Baylor College the first of August to become president of the University of Corpus Christi and served there until January 1969 when he resigned to take another position; Kenneth A. Maroney is acting president at the University of Corpus Christi; William G. Tanner assumed the presidency of Mary Hardin-Baylor September 23; James L. Sells moved from the deanship of Southwest Baptist College to the presidency June 15; H. Guy Moore, president of William Jewell College, resigned August 31 and B. G. Olson is serving as acting president; Guy N. Atkinson retired as president of Norman College and was succeeded by Thomas G. Renfro on July 1. Two new schools opened in the fall: Atlanta Baptist College, Monroe F. Swilley, Jr., president; and Palm Beach Atlantic College, Jess C. Moody, president.

Enrollment and Support. -- The total enrollment for the Baptist schools for the year 1968-69 is 104,850 or a gain of 6,155 from 1967-68.

From September, 1967, to August, 1968 our schools graduated 14,592, or a gain of 1,988 over the previous year.

State conventions and the Southern Baptist Convention gifts to the schools for the year increased \$704,574, or a total of \$20,008,773 compared to \$19,304,199 for 1967-68. For operations \$15,358,794 was given and \$4,649,979 for capital needs.

The schools received \$21,228,499 in other gifts, grants and donations. The total assets of Southern Baptist educational institutions are \$625,381,357, or an increase of \$39,822,304. The endowment increased \$7,961,030 or a total of \$150,581,942.

Church-Related Vocations. -- Reports from our schools show that ministerial students increased from 7,251 to 8,017, for a total gain of 766. For 1968-69 our schools reported 14,028 church-related vocation volunteers against 13,298 in 1967-68, or a gain of 739. Only one group, home and foreign mission volunteers, shows a decline but this loss could be reflected in the gains in others. The total picture is much more encouraging this year. The specific figures for this year follow as well as a comparison of last year:

PROGRAM REPORT

The Program of Christian Education Leadership and Promotion

This program of leadership and promotion encompasses more of the areas of the Commission's work than any of its other programs. Under this program is included most of the channeling of articles for the various Baptist publications, the supplying of statistical and general information for the schools, the sponsoring of annual meetings, the heavy correspondence with parents and students about college planning and choices, the attending of educational meetings, denominational meetings, increasing committee work, assistance to graduate students, and the administration of loans and scholarships. The weekly column Education — What's Happening has grown in popularity with state Baptist papers as a regular feature and supplies interesting and helpful notes on the events in higher education. A new program is rapidly taking shape on studying abroad. Southern Baptist colleges now have an organization for cooperation in the complicated area of foreign study for credit. Programs for spending the junior year abroad and summer programs are now available. The Education Commission has sought to help correlate this study program and promote it.

The Program of School and College Studies and Surveys

At least five states had active committees working on the problems of their schools during 1968. Some of these will continue and it is expected that others will begin work. The staff of the Commission is too small to assume full responsibility for studies in the states, but it is often called on to supply information which is necessary for the study groups. Graduate students writing dissertations are constantly asking for the aid of the Commission in supplying information and even in assisting with sending out questionnaires. By having liaison with graduate schools and graduate students, the Commission benefits from much research that is done which its own staff cannot undertake.

The Program of Teacher Recruitment and Placement

One of the most important and far-reaching services of the Commission is the assistance to the colleges in finding and employing suitable teachers. The Commission is now in its fourth year as a participant with eleven other denominations in the Cooperative Teacher Registry based in Philadelphia. During 1968 some 9,000 registrants were made available to Baptist colleges, even though many of them were unsuitable. The Registry has recently duplicated its files to be placed in the office of the United Board of College Development in Atlanta, which has as its main function the upgrading of the predominantly Negro colleges, 15 of them Baptist schools.

The Commission encourages teachers and graduate students to continue study toward their doctorates through a small loan program, which is repayable through service in a Baptist school.

The Program of Assistance in College Recruitment

The sixteenth annual emphasis in the churches on Christian education and Baptist schools is being sponsored this year by the Commission. For several years the third Sunday in February has been designated Baptist Seminary, College and School Day. The day is considered the kick-off date for emphasis in the churches on Baptist schools and the values of Christian education. Some churches observe the emphasis as late as the summer. With more than half of all high school graduates now entering college, the task of assisting young people has become big business in the churches. The Commission prepares suitable materials each year which the churches order to use in helping their college-age students. All pastors in the Convention were mailed a copy of the **Southern Baptist Campus Directory** in January. Some states also sent the Directory to their ministers of education. Helpful materials on college planning and career choices are distributed each summer at Ridgcrest, Glorieta, and other assemblies.

THE RADIO AND TELEVISION COMMISSION
6350 West Freeway
Fort Worth, Texas

Fred T. Laughon, Jr., President
Paul M. Stevens, Executive Director

The programming list of the Radio and Television Commission continues to increase at the average rate of six stations per week, with 2411 different broadcasts on the air currently. The quality of time provided indicates that these Southern Baptist programs are reaching the largest audience in the agency's history. This is also reflected in increased mail response, one of the keys by which successful programs are gained.

Three programs, "JOT," "Omniscope," and "PowerLine," accounted for a large percentage of the increase in both stations and mail response. "JOT," the animated color cartoon, now being carried by 44 television stations, is doubtless the most popular program ever produced by the Commission. Every mail continues to bring about 500 pieces for "JOT," as the program reaches new audiences across the nation.

"Omniscope," a half-hour variety program developed for campus radio stations, is on 59 college campuses including some of the largest in the nation.

"PowerLine" is on 58 stations, half of which are in the top 100 markets in the nation. A 30-minute music and chatter program, it follows the format of the rock and roll radio stations to reach today's "transistorized teenagers." Through a strong follow-up program, "PowerLine" seeks to lead responding youths to accept Christ as Lord and Saviour.

The Commission now is producing special radio news programs for 13 state Baptist conventions and 407 stations in these states. Soon to be added to the states with news programs are Maryland and New Mexico.

Other highlights of the Radio and Television Commission's year included:

— Establishment of TimeRite, Inc., a Commission time buying advertising agency, devoted to assisting the denomination at all levels. It had as its first project the purchase of time for the Home Mission Board's three television films which launched the Crusade of the Americas. A total of 88 stations were cleared, 38 of them by TimeRite, for a total of 264 television exposures. This was the largest cooperative television venture ever undertaken by the denomination.

— Production for the Home Mission Board of the three films featuring Billy Graham and Paul Harvey.

— Appointment of a third area representative for the Western United States. John Cobb Smith, veteran employee of the Commission, opens the new office in Fresno, California, July 1, 1969.

"The Baptist Hour," flagship program of the Radio and Television Commission, continues to maintain its high level of quality and station count (483), with Dr. Herschel Hobbs now in his eleventh year as a regular preacher. Summer replacements this year have been Dr. Kenneth Chaffin, Billy Graham associate professor of Evangelism at Southern Seminary, and Dr. Gordon Clinard, pastor of the First Baptist Church in San Angelo, Texas.

During the calendar year 1968 the Educational Services Department provided technical and production assistance in both radio and television to some 200 churches, associations, state conventions, and Southern Baptist agencies in 35 states, Northern Ireland, Italy, Philippine Islands and Canada. Two hundred and fifty military and institutional chaplains received aid from the department.

GOLDEN GATE BAPTIST THEOLOGICAL SEMINARY Mill Valley, California

Harold K. Graves, President

Golden Gate Seminary has just completed its twenty-fifth year of operation and its tenth year on its beautiful Marin County campus. This 25th anniversary year has reached near record proportions in many ways.

A 27.7 percent increase in the fall enrolment brought that figure to its highest point since 1960. Accumulative enrolment for the year is the second highest in the Seminary's history. This growth reflects not only the normal improvement but some new exciting programs in continuing education and an expanding urban emphasis. The international student enrolment has also increased this year, until it represents 19 percent of the student body. They come from 20 countries.

The urban church emphasis was advanced this year through the second annual Urban Church Institute held in May and the Missions 103 & 104 night classes during the regular semesters. Clinical experience in hospitals, prisons, and urban centers provide many opportunities for students to relate experience to classroom study.

A significant increase in the support of theological education through the Cooperative Program in 1969 made possible a major upward adjustment in faculty salaries for a second year in a row.

The loss of Professor Derward W. Deere, Old Testament teacher since

1950, by a heart attack in November, left a serious void in the Golden Gate Seminary faculty. Dr. Wayne Peterson of Louisiana College, formerly of Ouachita University, has been added to the faculty to teach Old Testament. J. C. Bradley of Ouachita and Southern Seminary came last September to teach Religious Education. Visiting faculty and instructors for 1969-70 include Loren H. Hildenbrant in Social Work and Dr. Earl Richard Martin of East Africa in Missions. Eugene V. England became business manager in August 1968.

Accumulative enrolment for 1968-69 reached 361. 264 were in theology, 58 in religious education and 8 in music. 28 were special students. At commencement time 66 received degrees or awards.

We're grateful for the support of Golden Gate through your prayers and the Cooperative Program. There were 11 students from Arkansas this year.

MIDWESTERN BAPTIST THEOLOGICAL SEMINARY
5001 North Oak Street Trafficway
Kansas City, Missouri

Norman McCrummen, Birmingham, Alabama
President, Board of Trustees
Millard J. Berquist, President

Midwestern Seminary is ideally situated "at the heart of America for the hearts of the world." Close at hand is a strong Baptist constituency, loyally supporting her, and absorbing her graduates by the hundreds in various forms of church leadership. To the north, in a great arc from California to New England the pioneer mission area calls incessantly for laborers to enter into her harvest. Some of the most enterprising and creative pastors and leaders engaged today in pioneer mission states are Midwestern alumni. Midwestern has tremendous appeal for God-called young people from throughout our Convention who are responding to the challenge of pioneer missions.

For the fourth consecutive year, Midwestern Seminary is happy to report increased enrolment. This is true this year of all of our seminaries, and seems to indicate a reversal upward in total seminary enrollment.

Midwestern draws most heavily from her own and neighboring states. However, increasingly our students are also coming from the most distant areas of our Convention. Seventy-five colleges and universities and twenty-four states are represented in our student body. Students this year come from such distant states as Delaware, Wisconsin, and Florida, and from five foreign countries: Tanzania, Malaysia, India, Nigeria and Korea.

Midwestern's modern and up to date campus is considered by many to be one of the most beautiful and functional to be found anywhere. It is located in an attractive, rapidly developing area of Kansas City, yet just ten minutes from downtown. It is comprised of two-hundred acres of rolling meadow and woodland, beautifully landscaped with trees, shrubbery and flowers, and most conducive to reverent meditation and study.

At the close of the current Capital Needs Program in 1973, Southern Baptists will have invested nearly \$4,000,000 in Midwestern's campus. However, already land and buildings are conservatively evaluated at from six to six and one-half million dollars. During the past seven years, some portions

of the campus have increased in value some 800 percent. Southern Baptists possess exceedingly valuable investments here, materially as well as in other ways.

Construction is now under way of 25 married student apartments, made possible by the Convention's Capital Needs Program 1969-73. These much needed apartments will, we believe, be a decided asset in many ways, and will relieve temporarily the demand for campus housing.

Two new professors have been added to the faculty this year: Dr. Kenneth Wolfe, formerly missionary to Brazil, associate professor of New Testament and Greek, and Dr. B. A. Sizemore, for the past eight years on the faculty at Georgetown College, Kentucky, now associate professor in Old Testament and Hebrew. Rev. Dewey Merritt of Nigeria is serving as Visiting Professor of Missions.

All classes are taught by full-time professors only, and faculty absenteeism from the classroom is kept at an absolute minimum. A strong appeal at Midwestern is the close, intimate relationship existing between students, faculty and administration, and the continuing personal interest that is taken in each student from the time of enrolment until graduation and beyond.

Midwestern is a school with strong missionary, evangelistic, and scholarship emphasis, many of whose graduates are already distinguishing themselves in varied fields and forms of service both at home and abroad. Always there has been an unusually high percentage of her graduates who have been appointed for foreign mission service. We have been in existence only a brief decade, but her sons and daughters are already serving in the following countries: Brazil, Colombia, Costa Rica, East Pakistan, Ghana, Greece, Indonesia, Kenya, Korea, Lebanon, Liberia, Nigeria, Philippines, Taiwan, Tanzania, Thailand, Togo, Uganda, Venezuela, Vietnam.

Seven Midwestern couples, recently graduated, have been appointed this year for foreign service. Many others are serving under the Home Mission Board in pioneer missions, language and center work, in the chaplaincy, and in the inner city.

Our students are greatly encouraged by the Convention's adoption of the statement on "Crisis in our Nation" and are taking a fervent interest in its implementation in the life of this area.

We are grateful for the love, loyalty and support of our beloved constituency.

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY New Orleans, Louisiana

H. Leo Eddleman, President

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY HAS BEGUN ITS SECOND HALF CENTURY: The first classroom work began in October 1918 after the Southern Baptist Convention had voted the school into being in 1917. When the Seminary was founded the city of New Orleans had six Southern Baptist churches. Today the city has 84 churches and missions, many of which were started by Seminary students. More than 4900 alumni now serve churches in 47 states and 50 nations. The Seminary is located on a 75 acre campus valued at more than \$7.5 million.

SOUTHERN BAPTIST CONVENTION IN NEW ORLEANS: The Seminary played a major role in welcoming a record 16,562 messengers to the Southern Baptist Convention at New Orleans in June. Hundreds of visitors toured the campus, and a record 1,135 persons attended the New Orleans Seminary alumni luncheon.

FORTY-FOUR MEMBER FACULTY HAS 144 EARNED DEGREES: The faculty members of the New Orleans Seminary during the past year listed 144 earned degrees including 98 doctoral or professional degrees. They attended 56 colleges and universities, nine seminaries, 14 graduate schools and represent 14 states and three other countries. The academic position of the Seminary has been strengthened through recent faculty changes including Dr. James D. Mosteller as dean of the School of Theology.

SEMINARY OFFERS EIGHT GRADUATE DEGREES: New Orleans Baptist Theological Seminary is accredited by the American Association of Theological Schools, by the National Association of Schools of Music, and in December 1965 was accredited by the Southern Association of Colleges and Schools. The eight degrees being offered by the Seminary's three distinct schools are: in the School of Theology, the Master of Theology, the Master of Theology Honors Program, and the Doctor of Theology; in the School of Religious Education, the Master of Religious Education, the Specialist in Education, and the Doctor of Education; in the School of Church Music, the Master of Church Music, the Specialist in Education, and the Doctor of Education.

ENROLMENT REACHES 937: The total cumulative enrolment for 1968-69 has reached 937 separate persons who have enrolled during the year.

STUDENTS PARTICIPATE IN MISSIONS AND SERVE CHURCHES: Each student completes two years of supervised mission work while attending the Seminary. Soon after enrolling, many students become pastors or members of staffs for churches in three states within commuting distances of the Seminary.

PRAYERS REQUESTED FOR SEMINARY NEEDS: Every Southern Baptist is asked to pray for a solution to the needs at the Seminary for more funds for faculty salaries and student aid. Also needed are more student apartments, a new children's building, and a new library.

SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY Wake Forest, North Carolina

Olin T. Binkley, President

Southeastern Baptist Theological Seminary is deeply rooted in the Christian faith, thorough in scholarship, and vitally related to the churches.

On May 31, 1968, 123 students for Christian ministry were graduated: 92 received the Master of Divinity degree, 10 received the Master of Theology degree, and 21 received the Certificate in Theology.

The curriculum of the Master of Divinity degree, including an Honors Program, has been approved by Faculty and Trustees. A two-year course of study is provided for candidates for the Master of Religious Education degree. Graduate study leading to the Master of Theology degree has been retained and may be expanded. Students with acceptable recommendations who are at

least thirty (30) years of age but do not have academic qualifications for a degree may earn the Certificate in Theology.

Last February the Trustees granted tenure to Dr. Donald Cook, Associate Professor of New Testament and confirmed the election of Dr. Ellis Hollon, Jr., Associate Professor of Philosophy of Religion. Dr. Theodore Adams and Dr. I. N. Patterson have accepted appointment to the Faculty for 1968-1969. Mr. Edwin C. Osburn, Librarian and Professor of Bibliography, retired on July 31, 1967 and was succeeded by Dr. Eugene McLeod. Dr. John Burder Hipps, veteran missionary to China and the first professor of Missions at the Southeastern Baptist Seminary died on December 30, 1967.

The Student Center building was dedicated on May 9, 1968. It houses the Baptist Book Store, the Common Room, the Campus Store, facilities for graduate fellows and graders, offices for student leaders, conference rooms, and a post office.

The construction of the Health Center building has been completed. The new building will be equipped and ready for use at the beginning of the 1968 Fall Semester.

The quality of life in this school is discoverable in its 2,097 graduates throughout the United States and in other lands.

THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY Louisville, Kentucky

Howard Spell, Chairman of Trustees
Duke K. McCall, President

The 1968-69 academic year was one of progress in Southern's program of training men for Christian ministry. For the seventh consecutive year, enrolment at the seminary increased. Specialized education in theology, religious education and church music was provided for 1,365 students.

With a concern for continuing academic excellence, seven faculty members took sabbatical leaves during the year to pursue post-doctoral studies. Two former faculty members, Walter W. Adams and Gaines S. Dobbins, were named emeritus professors of New Testament and religious education respectively.

The year saw the extremely successful completion of the seminary's Billy Graham Chair of Evangelism endowment campaign. With a goal of \$500,000 established for the campaign, a total of \$625,000 was pledged or donated by June, 1969. The fund will pay the salary of a professor of evangelism, and finance numerous projects for research on and training for evangelistic work.

The Southern Association of Colleges and Schools, meeting in Atlanta in December, granted the seminary full accreditation as a special purpose institution. The accreditation recognizes the seminary's competence as a professional school for training church leadership. The seminary joined with seven other higher education institutions in the Louisville area to form the Kentuckiana Metroversity, a cooperative effort to broaden the quality and lower the cost of educational programs.

The master of divinity updating program for seminary graduates

continued this year. More than 170 men who earned bachelor of divinity degrees at Southern prior to 1964 were back on campus in June to do additional work toward the newer master of divinity.

Retirements brought about three administrative shifts during the year. Dr. Allen W. Graves, formerly dean of the School of Religious Education, replaces Dr. Hugh R. Peterson as administrative dean. Professor Ernest J. Loessner is interim dean of religious education. Dr. William E. Hull, professor of New Testament, replaces Dr. C. Penrose St. Amant as dean of the School of Theology. Dr. St. Amant continues as professor of church history. Dr. G. Willis Bennett, associate professor of Christian ethics, replaces Dr. Joseph Stiles as director of field education. Dr. Stiles will stay on a year as professor of church administration, however.

In response to a call from local churches, the seminary initiated a social work training program geared to training in theology.

Among numerous workshops held annually for various groups of laymen and ministers, the seminary this year sponsored its first Summer Youth Program Workshop.

The seminary anticipates continued growth, and looks forward to the ground-breaking in autumn, 1969, for the new building for the School of Church Music.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY Fort Worth, Texas

James E. Coggin, Chairman, Board of Trustees
Robert E. Naylor, President

A major advance in enrolment at Southwestern Baptist Theological Seminary is the highlight of the 1968-69 report according to Seminary President Robert E. Naylor.

Additions to the faculty, a total institutional self-study, continuing theological education projects, the acquisition of additional facilities and long range plans are other major items in the annual report to state conventions of the Southern Baptist Convention.

The 2,036 enrolment for 1968-69 is the largest since 1962-63 and an increase of 110 over the 1967-68 year. The enrolment by schools was: Theology — 1,236; Religious Education — 610; and Church Music — 190, the largest enrolment in church music in history. There were 1,708 men and 328 women. Students enrolling for the first time during the year numbered 672.

Students represented 257 colleges and universities, 26 seminaries and came from 42 states, the District of Columbia and 18 countries.

Four new faculty members were added: David D'Amico, church history; Bert B. Dominy, theology; M. Douglas Ezell, New Testament; and Farrar Patterson, preaching and oral communications.

Several continuing education projects were conducted such as a conference on campus penetration, creative social work in the church, pastors' conference, church music workshop, church architecture, the work of chaplains and others.

The Walsh Medical Center was completed in June, 1969, and will provide medical and dental services for the seminary "family." A children's building, president's home, student housing and other projects are scheduled for early construction.

Dr. Naylor said, "Out of the intensive institutional self-study of this year, we have gained a new focus of attention upon curriculum and upon the individual student."

Total assets for the seminary are reported approaching \$19 million with over \$6 million in endowment funds.

SOUTHERN BAPTIST HOSPITALS, INC.
New Orleans, Louisiana

Hardy M. Harrell, Executive Secretary-Treasurer

NEW ORLEANS — Experienced its first kidney transplant. It was successful — an emergency medical care service in the hospital, full time service by physicians (24 hours a day - seven days a week) — A first in the State.

JACKSONVILLE — Replaced a double artificial heart valve — The first in North Florida. A new technique for treating jaundiced babies, introduced to the Jacksonville area at BMH. Special light incubator constructed by BMH facilities and Maintenance Staff — A committee of Trustees, Administrative Personnel, Physicians and other are working with the specific purpose to develop new improved programs of services in that hospital. This committee does not concern itself with buildings or equipment — only programs of services.

BOTH HOSPITALS — Have a team of heart surgeons and other needed personnel organized and making ready a team for heart transplants in each hospital.

SERVICES RENDERED LAST FISCAL YEAR BY THESE TWO HOSPITALS: Patient days of Service 284,309 to 37,713 in-patients other than new born. There were 6,329 babies born which were rendered 25,825 patient days of service. These hospitals rendered service to 70,936 out-patients.

SOUTHERN BAPTIST HOSPITALS, including these two, present some impressive facts. There are 51 Baptist hospitals located in 15 states with a total of 14,884 beds and 1,755 bassinets. The reports show these institutions are the result of a vast amount of work by many interested people with visions, of great service to the healing ministry of broken bodies and minds.

EMPLOYEES — These 51 hospitals have in their employment registered nurses, licensed practical nurses, radiological technologists, medical and various other technologists, numbering 10,114. Other employees not including students number 23,544.

STUDENTS — Medicine, nursing, technology, pastoral care and counseling service, hospital administration, miscellaneous fields, a total number in the educational programs of 5,242 — total employees and students 38,900 in 51 Baptist Hospitals.

VOLUNTEER auxiliarians number 10,592. There are 10,355 physicians and dentists on the Medical and Dental Staffs.

CHARITY FREE SERVICE — rendered by the hospitals \$7,973,224 - by the doctors \$3,104,705 or a total charity free service by the hospitals and the doctors of \$11,077,929 during the year.

MEDICARE AND OTHER GOVERNMENT AGENCIES — resulted in a net loss to these hospitals during last year in the amount of \$5,776,942.

In commending facilities, programs and personnel, we acknowledge with gratitude, the services of many trustees who have seen an avenue of Christian witness in bringing the best of medical science to man's needs and have paid the price in personal service. Thru the Christian ministry of healing, our hospitals provide a way by which the church can go into the world. As demonstrated by Jesus, God's love is redemptive and embraces man's total nature - spiritual, mental and physical. His compassion and concern are most tenderly expressed for those in the bondage of suffering.

The responsibilities inherent in a Christian way of life involve accepting the challenge to continue to obey our Saviour's commission to heal.

NOTE TO BALANCE SHEET

December 31, 1969

The Arkansas Baptist State Convention in its meeting, November, 1959, approved the borrowing of funds up to \$200,000.00 for a campsite, assembly and camp facilities and for the purchase of a Baptist Building site with the indebtedness to be liquidated from Cooperative Program budget items designated "Capital Needs" for such programs. Instead of borrowing from outside sources, these excess expenditures were borrowed from the surplus and accumulated monies of the various other funds of the Convention. In November, 1967, the Convention approved the borrowing from outside sources of funds up to \$900,000.00 for the above purposes.

OPINION

We have examined the balance sheet of Southern Baptist College as of June 30, 1969, and related statement of current income and expenditures for the year then ended. Our examination was made in accordance with the generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet presents fairly the financial position of Southern Baptist College at June 30, 1969. Since we were unable to verify certain liabilities at the beginning of the year, we are not in a position to express an opinion on the over-all representations made in the statement of current income and expenditures.

Respectfully submitted,

DAY, SPITZMILLER AND SISK
