#### CONSTITUTION

#### Article I. - The Name

The name of this body shall be "The Arkansas Baptist State Convention."

#### Article II. - The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

#### Article III. - Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of The Baptist Faith and Message as adopted by the 1963 session of the Southern Baptist Convention, and The Baptist Faith and Message shall not be interpreted as to permit open communion and/or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

#### Article IV. - Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

#### Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the

deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

#### Article VI. - The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Nominating Committee of the Executive Board to hold office until the next meeting of the Convention. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, both state and southwide. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

#### Article VII. - Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis,) 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board

of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

#### Article VIII. - Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

#### Article IX. - Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

#### Article X. - Amendments

Section 1. This Constitution and By-Laws may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

#### Article XI. - Parliamentary Authority

Kerfoot's Parliamentary Law shall be the standard for deciding questions of parliamentary procedure.

#### Article XII. - Districts

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

#### BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

#### 1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

#### 2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

#### 3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and

provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee on nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

#### 4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

#### 5. Committee Members

- 1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.
- 2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.
- 3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.
- 4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

#### 6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

#### **APPENDICES**

1. Doctrinal Guidelines (1970 Annual, page 61)

Report of the Committee of Twenty-Five adopted, including the recommendation that the SBC statement of faith of 1963, *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.

2. Appendices (1967 annual, page 40)

Resolution adopted that a search be made of the minutes of the convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and by laws of the convention as appendices.

3. Church Ordinances (1965 annual, page 31)

Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.

4. Federal Aid (1965 annual, page 43)

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas, many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist State Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.

5. Executive Board Recommendations (1963 annual, page 35)

Voted that all recommendations of the Executive Board shall be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the state convention.

6. Book of Reports (1959 annual, page 28)

Voted that the convention constitution and by-laws be printed each year in the Book of Reports for the convenience of our messengers.

7. Baptist Memorial Hospital Trustees (1959 annual, page 29)

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.

8. Capital Indebtedness (1959 annual, page 30)

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.

 Out-of-state participation by Executive Board staff (1953 annual, page 22)

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Secretary of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.

10. Seating of Messengers (1949 annual, page 92)

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.

# THE BAPTIST FAITH AND MESSAGE

#### I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

Ex. 24:4; Deut. 4:1-2; 17:19; Josh. 8:34; Psalm 19:7-10; 119:11, 89, 105, 140; Isa. 34:16; 40:8; Jer. 15:16; 36; Matt. 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16 ff.; 17:11; Rom. 15:4; 16:25-26; 2 Tim. 3:15-17; Heb. 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21

#### II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

#### A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

#### B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

#### C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

#### III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human

personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

#### IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

#### V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God. according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sancti-

fied by His Spirit, will neverfall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22; Isa. 5:1-7; Jer. 31:31 ff.; Matt. 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2; 15:24-28; Eph. 1:4-23; 2:1-10; 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19; Heb. 11:39-12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 17-9; 2:19; 3:2

#### VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42, 47; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1; Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4; Rev. 2-3; 21:2-3

#### VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5;1 Cor. 10:16, 21;11:23-29; Col. 2:12

#### VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed

in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1 ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

#### IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2; 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8:19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13; Rev. 1:6, 9; 5:10; 11:15; 21-22

#### X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 2:4; 11:9: Matt. 16:27; 18:8-9; 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5; 15:24-28, 35-58; 2 Cor. 5:10; Phil. 3:20-21; Col. 1:5; 3:4; 1 Thess. 4:14-18; 5:1 ff.; 2 Thess. 1:7 ff.; 2; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7 ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11; 20:1 to 22:13

#### XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; Ib:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:

42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11; 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

#### XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1,5,9,14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7 ff.; 119:11; Prov. 3:13 ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:19; Matt. 5:2; 7:24 ff.; 28:19-20; Luke 2:40; I Cor. 1:18-31; Eph. 4:11-16; Pbi1. 4:8; Col. 2:3, 8-9; I Tim. 1:3-7; 2 Tim. 2:15; 3:14-17; Heb. 5:12 to 6:3; James 1:5; 3:17

#### XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proprortionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18; Mal. 3:8-12; Matt. 6:1-4, 19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13, Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Rom. 6:6-22; 12:1-2; 1 Cor. 4:1-2; 6:19-20; 12; 16:1-4; 2 Cor. 8-9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

#### XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17 ff.; Judg. 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Neh. 4; 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1 ff.; Acts 1:13-14; 2:1 ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12; 2 Cor. 8-9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

#### XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12; 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3 ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Rom. 12-14; 1 Cor. 5:9-10; 6:1-7; 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philemon; James 1:27; 2:8

#### XVI. PEACE AND WAR

It is the duty of Christians to seek peace

with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

#### XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and H. has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not con-trary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Gen. 1:27; 2:7; Matt. 6:6-7, 24; 16:26; 22:21; John 8:36; Acts 4:19-20; Rom. 6:1-2; 13:1-7; Gal. 5:1, 13; Phil. 3:20; 1 Tim. 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19

### MEMORIAL MOMENTS

There is no greater time to be alive, alert and on fire for God than now. It is our obligation to be living to our fullest ability. The commands of our Lord and the needs of the hour make it so. It is our privilege to work together in the great fellowship of the Arkansas Baptist State Convention. This rich heritage was not accomplished by our efforts alone. The faith, love, and labor of those who have gone on before us, directed by the mighty hand of God, have also helped to bring us to this day. From strong, firm, aggressive hands they fling the torch to us in this race of life. It is our choice and privilege to pause and pay honor to them and the memories of their lives and labors among us.

The writer of the book of Hebrews said, Hebrews 11:40, "--- God having provided some better thing for us, that they without us should not be made perfect." In the light of their example, and the commands and promises of our precious Lord, may the year before us be the greatest in our history. We now pause to hear God's Words of comfort and encouragement to us concerning their Home-going, and to invoke His blessing upon us for the great tasks that are ahead.

David said in Psalm 17:15, "As for me, I will behold thy face in right-eousness: I shall be satisfied, when I awake, with thy likeness." John said it in John 41:1-3, "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." John said again, Rev. 14:13, "--- Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit that they may rest from their labors; and their works do follow them."

Paul said in 1 Thess. 4:10-18, "But I would not have you ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others who have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him. For this we say unto you by the Word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep... For the Lord himself shall descend from Heaven with a shout, with the voice of the archangel - and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words."

Respectfully submitted, James H. Fitzgerald, Interim Pastor Fisher St. Baptist Church, Jonesboro, Arkansas

Charles H. Ashcraft, Executive Secretary-Treasurer

The Executive Board has been busy since our last convention meeting under the direction of R. Wilbur Herring, president; Cline.Ellis, vice president; assisted by Loyd Hunnicutt, chairman, Operating Committee: James A. Griffin, chairman, Program Committee; Andrew Setliffe, chairman, Finance Committee: and Paul Dodd, chairman, Nominating Committee. Al Sparkman became chairman of the Program Committee after James Griffin moved out of state.

#### Personnel Matters

Roy F. Lewis was named Associate Executive Secretary-Treasurer, having served previously as Assistant to the Executive Secretary. He also serves as coordinator of Business Services and as Secretary of the Stewardship/Cooperative Program Department. Lehman Webb, Foreign Mission Board missionary associate in Singapore, became the "missionary in residence" this year, working with the Stewardship-Cooperative Program Department, He followed Sam Turner who returned to Kenya,

Nancy B. Cooper was recognized by the Board in the December 1974 meeting and commended for her 26 years of devoted service as Arkansas WMU Executive Secretary-Treasurer. The WMU board has elected Julia Ketner to fill this position.

Tom McClain, Fort Worth, Texas was named "traveling associate" for Baptist Student Union to serve at ASU Beebe, Arkansas College and Harding College. He replaces Glen Holm who came to Little Rock to assist in the divided responsibilities. Glenda Fontenot was named associate director as ASU, Jonesboro, BSU.

**Larry Paul Henderson,** Louisville. Ky. was named chaplain at the Boys' Training School, Pine Bluff, to fill the vacancy caused by the death of E.A. Richmond.

**Lawson Hatfield,** Secretary, Sunday School Department, became the first staff member to take advantage of a new policy on continuing education for staff members and enrolled at Southwestern Seminary for October 1975 in a month's work.

**Dewey Hart's** request for early retirement on April 14, 1975 was granted. Mike **Andrews** has assumed the duties of resident manager at Camp Paron.

The adoption of an extensive **employee** annual evaluation plan was the culmination of months of work by the Operating Committee Personnel Advisory Committee and administrative personnel. Included in the work is a chart of position grades, I through XV, and salary scale 1 through 7.

The Executive Board, in compliance with IRS regulations, extended the ordained employees the option to declare \$4,500 per year as an income tax free item for housing allowance. The IRS requires action in this regard. This action does not raise the total paid in salary and housing allowance but increases the amount allowed for this purpose. Any amount declared to the IRS for housing allowance must be justified by the individual ordained employee and documents with the IRS satisfactorily. Ordained employees spending a lesser amount for housing will have the option of declaring a lesser figure.

Arkansas Baptist Newsmagazine's request for guidelines resulted in policies for-

bidding the carrying of ads in the paper for church bond companies, the sale of the mailling list for commercial purposes and endorsement of projects by mail outs on the part of the paper.

A resolution was approved to extend fraternal greetings to the Mid-America Seminary and bid them Godspeed in their move to facilities in Memphis.

The board approved a program of assistance for Vietnamese refugees at Fort Chaffee, for the churches to be informed of the opportunities there in the field of education, however, this was not implemented because of the U. S. State Department assuming this responsibility.

The budget formula used by the Executive Board in budget planning since 1964 was amended to its original form, thus allowing small increases for the Arkansas Baptist Family and Child Care Services and for Arkansas Baptist Foundation.

Effective with the 1976 budget Executive Board members and convention committees will be reimbursed for travel in connection with board and committee responsibilities at the rate of 15 cents per mile. This board action also provided mileage expense only for Executive Board members not covered by church allowances to attend the board meeting during the state convention. This would apply for the most part to laypersons serving on the Executive Board.

The executive secretary was granted permission to assist in hardship cases in the matter of tuition for persons attending the new Boyce Bible School Center, Little Rock. The school is now in its first eight-week term with 43 enrolled.

### Continuing Study

The expansion of the Scholarship Loan Fund was discussed and study will continue on ways to assist those preparing for church staff or other full-time ministry in the denomination.

The updating of a history of Arkansas Baptists is a possibility for the future.

### EXECUTIVE BOARD RECOMMENDATIONS TO CONVENTION

#### 1. Legal Status of Licensed Ministers

The Executive Board recommends that in the future the proper standard recommended by our state convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas shall be ordination.

## 2. Resolution on World Hunger

The Executive Board recommends the following resolution on World Hunger.

In view of the widespread hunger and starvation in many areas of the world, and being convinced that Arkansas Baptists have a moral responsibility to share with others in helping to meet some of these needs, we recommend that each Baptist and each of our churches be encouraged to participate in a special love offering for this purpose.

Further, we recommend that said offerings be channelled through the office of the treasurer of the Arkansas Baptist State Convention, which offerings shall be administered through the personnel of the Foreign Mission Board of the Southern Baptist Convention, who are equipped to administer these funds.

We respectfully suggest a goal of \$100,000. for 1975-76 for the Arkansas Baptist State Convention, and where possible, the offerings be received not later than July 4, 1976.

## 3. Annuity Board, Plan A Certificate

The Executive Board recommends that the Arkansas Baptist State Convention Plan A Certificate with the Annuity Board, SBC, shall be amended to provide spouse benefits, rather than widow benefits.

## 4. Pari-mutuel Betting

The Executive Board recommends the following resolution:

We, the Arkansas Baptist State Convention meeting at Fort Smith, Arkansas, in annual session, respectfully request the Governor of Arkansas, the members of the Legislative Council of the General Assembly of Arkansas, the members of the General Assembly of Arkansas, and the members of the Constitutional Convention of Arkansas, to oppose any further extension of pari-mutuel betting to any community or organization in Arkansas, including the Arkansas Livestock Association in Little Rock.

## 5. 1976 Budget Recommendation

The total budget recommendation for 1976 is \$4,774, \$\circ{1}{9}\$5 and is an increase of 11.17% over the 1975 figure. The operating budget of \$4,182,650 will give 40.32% to world missions and 59.68% for Arkansas Baptist causes.

### ARKANSAS BAPTIST ASSEMBLY

## Lawson Hatfield, Director

Five weekly sessions of the state assembly closed the last week of July, 1975. A new enrolment record was set. The following table reveals interesting information on a weekly basis.

Week	Enrolment	Professions of Faith	Church Related Vocations
1	1078	51	13
2	1003	54	6
3	1183	56	4
4	1232	41	8
5	1150	54	11
	5646	256	42

Compared to last year, the enrolment is up 774.

## CONCRETE BLOCKS AND SOULS

Dramatic growth has been the rule in recent assembly seasons. Six years ago the first new concrete block dormitory was constructed. The four room structure, housing 104 campers, set the pace for new construction in recent years. Today, nine new dorms providing 36 rooms have replaced inadequate and deteriorating wood structures. More new housing units are scheduled to be built.

New construction and increasing the program plan from three to five weeks are important factors providing dramatic results in enrollment gains and professions of faith. In this period, enrollment has increased from 2196 to 5647; professions of faith from 99 to 256.

Two and one half times increase is ample reason to continue planning for future development.

Years ago I heard a message to a church on "Bricks and Souls." The idea was the important and vital role of church buildings to reaching people. At the assembly, the idea could be expressed in "concrete blocks and souls."

### SOME IMPROVEMENTS

Several noticeable improvements at the assembly have helped make a better experience for campers. One outstanding thing about the assembly is the quality and the abundance of food. Well balanced meals are prepared daily and include a hot or cold breakfast. Noon and evening meals now include three choices: the regular menu is available in two steam table lines; ascond choice is a good hamburger plate; and a new line added this summer is a salad bar. "Seconds" are available to all campers after everyone has had "firsts." Service is fast, the first in line to the last in line is about 45 minutes.

Among improvements, the girl's side of the valley has a new six room dormitory, housing 26 campers per room. Additional dormitory space is planned for next year.

Within a year, we experienced a flood and a tornado, but installation of new roads and new electric service following the damage. Fortunately, no one was injured in either of these natural calamities. The assembly includes a delightful, air-conditioned Children's Building for preschoolers and first and second graders. This year 221 children and workers attended the five assemblies.

The Children's Park, with a full program for fourth, fifth and sixth graders, has 1126 in attendance.

Courses of study for campers in the youth-adult assembly included leadership courses, Bible study for youth in These Things We Believe, and the productions of "Good News", a youth folk musical.

Most of the state denominational agencies and departments were well represented in the assemblies with courses, displays and special features. This is a move toward what some consider a full assembly program.

## WHAT ABOUT THE FUTURE?

Attendance of 1000 to 1200 is a capacity crowd. We had an average of about 1130 per week this summer. We must either cut back on growth (what an odd thought) or more up to more weeks.

In the light of the objectives of the assembly, we must continue to grow. Needs always come into the foreground when space gets full. In addition to replacing old dormitories, we must eventually face the need of replacing the dining hall. Too, we need more family units, and in the long range view must also think about replacing the tabernacle.

Additional recreational space needs to be developed, including more ball fields and tennis courts. Our swimming pool has "wall-to-wall" people now.

This report gives the thoughtful Arkansas Baptist food for thought, cause for prayer and reason for rejoicing.

### ARKANSAS BAPTIST NEWSMAGAZINE

1. Everett Sneed, Editor

"Till I come, give attendance to reading, to exhortation, to teaching." (I Tim. 4:13.) In this letter of Paul to Timothy, he placed emphasis on three aspects of truth-information, exhortation, and explanation. Paul was stressing the three legs which give balance to the Christian perspective. Information is essential, but we often must have explanation. Exhortation is required before large numbers of people become involved.

The Arkansas Baptist Newsmagazine provides the best opportunity for information, explanation, and exhortation for Arkansas Baptists. It is dedicated to providing information on our total program of missions, Christian education, and benevolent enterprises. It constantly challenges Arkansas Baptists to involvement in all of our programs.

The Newsmagazine, however, is not limited to information and exhortation. Two writers each week contribute to Bible-based Sunday School lessons. Other devoted materials are provided regularly. Specifically, the purpose of the Arkansas Baptist Newsmagazine is:

1. To provide a free and uncontrolled press so that its constituency may receive information relevant to the Christian faith around the world.

- 2. To aid Baptists in understanding their own doctrines and principles of church and denominational procedures.
- 3. To spread information concerning policies and actions with which Baptists are expected to cooperate and which they are asked to support.
- 4. To provide literature that will challenge Baptists to perform their best Christian service. This will include inspirational articles, feature stories, scholarly treatises on theological questions, and comments on social and moral issues.
- 5. To direct the spotlight of publicity on situations that involve the denial of religious liberty. The Newsmagazine has had an excellent year. As of July 1, there were 67,255 subscribers, which is the largest number in our history. This represents an increase of more than 1,600 since last year. There are, also, currently 845 Every Resident Family plan churches, representing an increase of 22 churches added to the plan since last year.

One of the real problems in operating the Arkansas Baptist Newsmagazine is that of economic inflation. Both newsprint and postage have skyrocketed in cost. In the past three years newsprint alone has increased more than \$16,000. We pledge you to maintain a balanced budget and to make every dollar count for the best of our ability.

Each church is again requested to elect a reporter so that the news may be readily obtained. It is our desire to provide a greater coverage of church news through the feature entitled "News Briefs." This is carried to give recognition to the ordination of deacons, licensing of ministers, groundbreakings, remodeling of property, etc. It is our wish to obtain sufficient material to develop a full page of these brief statements each week.

In order to give more complete understanding to the events which shape the lives of our Baptist churches, the editor has as his continuing goal the visiting of every pastor in Arkansas in the next three years. It is our objective to assist all the churches in their Kingdom's work.

We appeal to pastors and church leaders to assist us in increasing our circulation to an even higher level. We believe that in doing so each church will help itself as well as the entire Kingdom's work. It is essential for every Baptist to receive information, exhortation, and explanation in order to respond properly to the issues confronting us. We believe, particularly with inflation, the Arkansas Baptist Newsmagazine is one of the best bargains available to churches today.

#### BROTHERHOOD

### C. H. Seaton, Director

Missionary education and involvement in mission activities in their broadest sense, is the primary task of the local church.

Assisting churches in carrying out their primary task for men and boys is the task assignment of the Brotherhood Department.

The Brotherhood Department has adequate material available to provide a challenging missionary education program for men and boys in every church in the state, regardless of size.

We are happy to report an increased interest of the churches this year to provide an adequate program of missionary education for men and boys.

This year, the Brotherhood Department has provided free organization material to 142 churches for Baptist Men's units and Royal Ambassador chapters.

The director has had the privilege of speaking to 42 men's groups regarding organizations for their churches. In addition, he has conducted 8 Royal Ambassador training clinics for churches and associations and participated in two world mission conferences.

Since the last report, the Brotherhood Department has sponsored a State Royal Ambassador Fellowship Supper, attended by 350 boys; 8 District Men's Rallies and clinics with attendance of approximately 400. On March 14-15, a state meeting for Baptist men was held. Bad weather kept the attendance to about 100. However, those present were blessed and many indicated that the meeting was one of the most challenging that they had ever attended. They especially were challenged by the conferences on the "Role of the Father in the Christian Home", led by Dr. Ted Dowell.

- Dr. David Haney led conferences on Lay Renewal. Dr. Haney is director of Lay-Renewal for the Brotherhood Commission.
- Dr. Eugene Grubbs led conferences on the laymen and overseas missions. Dr. Grubbs is director of laymen overseas missions, Foreign Mission Board.
- Dr. Robert Fling, pastor, New York, brought three outstanding inspirational messages on missions and the need in the homeland.

The State Baptist Men's Meeting for 1976 is scheduled for March 12-13.

A Royal Ambassador Conference was held on May 2-3, with attendance of about 500. The Congress for 1976 is scheduled for May 7-8.

June is Royal Ambassador Camp Month. The attendance was 305, off somewhat this year because of other meetings that were scheduled throughout the four weeks of camp. However, the Lord blessed in many ways. Visible results were the following: 28 boys saved; 26 re-dedications; 3 for full-time Christian vocations; and 1 definite committal to missionary work. Only eternity can reveal the true and lasting value of camps in the life of each boy attending. Camps for 1976 will begin on June 7 and close on July 2. A week-end camp for 6-8 year old boys and their fathers will be held on June 4-5. All camps will be at Camp Paron.

On September 19-20, 45 men representing 13 associations attended the Brotherhood leadership training clinic at Camp Paron. The 1976 Brotherhood leadership training clinic is scheduled for September 17-18, at Camp Paron.

As this report is being prepared, the department is in the process of conducting 8 District Brotherhood meetings. The meetings include a briefing training period for officers and an inspirational message. The theme of the message is Men, Missions, Money, Management.

The Thirty-Sixth Annual State-wide Royal Ambassador Fellowship Supper will be held on November 3. The supper will be at Immanuel Baptist Church in Little Rock. The missionary speaker will be Dr. Harold Mitchell, dentist from Pine Bluff. Dr. Mitchell served as a missionary associate in Botswana.

The challenge to men and boys in the area of missions is tremendous. The opportunities for service is unlimited. The willingness of men and boys to respond, when the opportunity for mission study and activities is provided, is unparalleled.

The Brotherhood Department is ready to assist every church is providing missionary education for men and boys. Call on us; it will be our privilege to serve.

The director, C. H. Seaton and office secretary, Jeanie Weber, consider it an honor to serve you.

### CAMPPARON

## C. H. Seaton, Manager

Camp Paron has been used rather extensively during the year. Up through November the camp facilities have been in use 153 days. Some late cancellations in September caused the loss of two or three weekends.

Royal Ambassador Camps and G. A. Camps utilized all the time in June and July. G. A., Acteen and Royal Ambassadors have first priority on use of the camp. Other departments in Baptist Building have second priority and made use of the facilities several times during the year.

Many churches across the state use Camp Paron for youth retreats, adult retreats and special outings for Senior Citizen groups. The camp facilities are available for use by churches and associations when time is available, on a first-come, first-served basis.

For rates and dates, contact, C. H. Seaton, Business Manager, at P. O. Box 552, Little Rock or call, (501) 376-4791.

This year to date, (September 30), 2,590 people have used the facilities of Camp Paron. We do not have accurate records of the number of decisions made. However, indications are that approximately 500 people made decisions in the camps and special retreats.

Many words of appreciation have come to us for the fine facilities at the camp and are grateful to Arkansas Baptists for making them possible.

The camp staff seeks to render a real Christian service to all who come to Camp Paron.

Mike Andrews serves as resident manager. Mike is a fine Christian young man. He and Mrs. Andrews are both active members of Martindale Church.

Mrs. Opal Doughty serves as kitchen supervisor and provides excellent meals for camps and retreats. Jeanie Weber also serves as secretary for Camp Paron facilities.

We are grateful for a dedicated staff. Call on us if we may be of service. It will be a pleasure to serve you.

#### CHURCH MUSIC

## Ervin Keathley, Secretary

The purpose of the Arkansas Baptist State Music Department is to assist churches and associations in establishing, maintaining, enlarging and improving music programs and music leadership which will help them minister most effectively to the people they serve. This is done through counseling, training and by providing and interpreting information about the most effective and up-to-date techniques for improving their music program.

Baptist churches in Arkansas continued to show a substantial percentage of growth in participation in their music programs again this year. We showed a gain of 7% over last year, which was about double the average increase over the convention. This 7% represents a gain of 2,471 persons, and brings our total music ministry in the state to 37.850.

We are grateful for this increase and we praise the Lord for such an attractive and appealing tool which He has given us to use to His glory. Pray with us that we will never mis-use this gift, or use it to bring praise to self.

## 1975 STATE MUSIC HIGHLIGHTS

We attempt to accomplish our purpose of training and development through varied events and activities throughout the year. Some of these are described below:

1. Volunteer/Part Time Music Leadership Retreat: This event used to be just for song leaders and directors, but last year we expanded to include instrumentalists and pastors. 104 persons gathered at Camp Paron last February for two days of intensive training and excellent fellowship.

The areas of study will be expanded again this year and every volunteer or parttime music leader would benefit greatly by attending, whether untrained or proficient in music. The date for 1976 will be February 6 and 7.

2. Associational Music Tournaments: This event is promoted to give your young people an opportunity to compete with other youth in their association in song leading, hymn playing or singing. Winners from the associations are invited to compete in the state tournament, held at Ouachita during Youth/Adult Music Conference each year.

Nine associations reported tournaments last year. Participation in the state tournament in June was the largest ever, and here is a list of the winners in each category:

Senior High Vocal - Camille Johnson, Warren, First - Bartholomew Association Junior High Vocal - Leah Fry, Pine Bluff, Southside - Harmony Association Senior High Piano - Denise Robinson, Blytheville, Trinity - Mississippi Co. Assn. Junior High Piano - Julie Edrington, Osceola, First - Mississippi Co., Association Senior High Organ - Denise Robinson, Blytheville, Trinity - Mississippi Co. Assn. Junior High Organ - Patty Bonham, Osceola, First - Mississippi Co. Association

Junior High Songleading - Steve Carney, Newport, First - Black River Association Ensembles - "Children of Light", Springdale, First - Washington-Madison Assn. State winners are awarded a scholarship to music camp the following year, except for the ensemble.

3. Music Schools and Leadership Clinics: Several local church and associational music training events were conducted last year in which our department gave assistance. Interest continues to grow in these events and we look forward to many more next year.

Training in any area of skill is necessary. Music is a skill which can be learned through diligent study. Our department stands ready to assist your association in enlisting leadership for music training. We will also assist you by paying a reasonable travel expense for these workers we enlist.

### 4. Music Festivals:

- (a) Adult Choir Festivals were conducted in several associations last year. Each one reposed to this office seemed to be very successful. This one-night event is growing each year, and we heartily recommend it to each of you for next year. Adults enjoy a special singing event just as do our youth.
- (b) The State Youth Restival was well attended last year in spite of some difficult scheduling problems. 1012 youth converged on Little Rock Immanuel and Second Baptot Churches for this annual event.
- (c) Six Young Musicans Festivals were conducted, and there were 45 choirs with a total of 1 114 fourth, fifth, and sixth graders present.
- (d) Handbell Festival Because of very bad weather, the handbell festival location and discovere changed. However, most of the handbell choirs were able to make this change, and we had an attendance of 118, representing 8 handbell choirs.
- 5. Music Camps- Our music camps on the campus of Ouachita Baptist University and in the facilities of host Baptist Church in Arkadelphia, continue to grow in number and effectivenes. Our Music Men and Singing Women provide the bulk of the leadership for these weeks, and we deeply appreciate their dedicated efforts. Enrollment this year for Adult/Youth camp was 260. We would like to see this number double in the near future. Enrollment for Young Musicians camp was at capacity again. We had to turn away many campers when we reached 600. Our total campers and faculty for the week was 633.
- 6. PraiSing '75 was a south-wide event held in Nashville in March. The Music Men and Singing Women of Arkansas make up part of the throng of 10,000 people who gathered there for four days of continuous sacred music experiences. It climaxed on Thrusday evening with the premiering of the new hymnal, Baptist Hymnal '75 edition. Acceptance of this new hymnal has been phenomenal, and it is truly a congregational song book to sing us into the 21st Century.

## CONCLUSION

This is the 34th annual report of the Arkansas Baptist Music Ministry, the oldest such state organization in the Southern Baptist Convention, established in September, 1941 as the "Arkansas Baptist Musicians."

1975-76 will be another year of emphasis on congregational singing and praise. Our department stands ready to help you in your church and association to make it so. Thank you for the opportunity to serve Him with you. We earnestly request your prayer support for an effective music ministry in our state.

#### CHURCH TRAINING

### Robert Holley, Secretary

## I. Department Tasks

Enlarging and enriching the Church Training Program continues to be a major emphasis of the Church Training Department. The CHURCH: the Sunday Night Place emphasis is helping to strengthen the Church Training Program in many churches where it is being used effectively. This is reflected in an increase experienced in our state during the past year (1973-74). Arkansas experienced an increase in average attendance in Church Training and in the number of churches reporting Church Training.

During the past year 931 of the 1190 churches in our state reported a total Church Training enrolment of 83,327. New Church Training Programs have been started in 13 churches during this year. Plans have been launched for establishing new Church Training Programs in many other churches between now and April 4, 1976. "New Day for Training," a major nation-wide emphasis on establishing new Church Training Programs, will be observed in our state on that date.

The Church Training Department is also assigned responsibility for the programs of Church Administration, Vocational Guidance, Family Ministry, Church Library, and Church Recreation. Projects in these areas are planned and conducted in our state in cooperation with the Church Administration, Church Library, Family Ministry, and Church Recreation Departments of the Baptist Sunday School Board. A number of Special Workers have been enlisted and trained to assist with these programs in our state. A complete report of these projects for the past year and projections for the coming year appear in this report.

### III. Preview of 1975-76

The Church Training Department will begin to focus on growth in Christian discipleship during the coming year. The years 1976-79 will be years of major emphasis on "CHURCH: the Sunday Night Place for Training Disciples." Discipleship Retreats will be planned at the state and associational level as opportunities for personal growth and renewed commitment to Christ and His church.

The Church Training Department will lend support to the Life and Liberty Crusade during the coming year through –

 WITNESS TRAINING FOR YOUTH AND ADULTS. Witness training resources will be made available for youth and adults through special printed materials and through regular Church Training curriculum materials. Pastors and other church leaders will receive information about these materials.

2. NEW MEMBER TRAINING. To help our churches conserve the results of our evangelistic efforts, we will attempt to help every church begin a program of New Member Training. New Member Training Conferences will be conducted in eight areas of the state the week of January 26, 1976. The dates and locations of these conferences are as follows:

Monday, January 26, 7:00-9:00 p.m. – First, Jonesboro and Eastside, Mountain Home

Thursday, January 29, 7:00-9:00 p.m. - First, El Dorado and First, Hope

3. TRAINING FOR GROWTH IN DISCIPLESHIP. As a follow up to the Life and Liberty Crusade, the Church Training Department will assist churches to enlarge and enrich their Church Training Programs to provide meaningful training and growth opportunities. In seeking to fulfill the Great Commission, we must give attention to "Teaching them to observe all things, whatsoever I have commanded you." This is a part of the Great Commission that will not be completely fulfilled in 1976. It is a perannial challenge to the church that seeks to equip itself for witness and newstry. This involves acquiring the knowledge and understanding and developing the attitude and skills that an effective Church Training Program should be regarded as a priority for the church that wants an effective follow up of the Life and Liberty Crusade.

## V. Summary

The Church Training Department's role is primarily that of leadership training. The department is committed to assisting churches and associations in those areas assigned to the department. This is achieved, for the most part, through training projects for pastors, staff members, Church Training leaders, deacons, church officers and committee members and for associational leaders. Our concern is helping churches "... to prepare all God's people for the work of Christian service, to build the body of Christ" (Eph. 4:12 TEV).

## **EVANGELISM**

# Jesse S. Reed, Director

Arkansas Baptists won to the Lord and baptized 14,606 people in 1974. This was 688 more than the year before and the greatest number in twenty years. There were 1,198 churches in the Convention but 186 of those did not baptize anyone.

In 1975, the Evangelism Department majored on "Lifestyle Evangelism". This took the form of Lay Evangelism Schools, W.O.W. Schools, Renewal Evangelism, and Revivals.

Our goal for 1976 is (1) Every lost person in Arkansas have to opportunity to hear the Gospel. (2) Every Baptist in the conventions in the "Life and Liberty Campaign" have a part in sharing the Good News.

To assist in training witnesses, we now have over 328 trained leaders for Lay Evangelism Schools, 107 trained W.O.W. teachers, and several leaders in Renewal Evangelism.

Clarence Shell has majored in revivals and Lay Evangelism Schools. He can accept about one-third of the calls he has for revivals. Many smaller churches could not have the services of an outstanding evangelist if Clarence were not available.

Neal Guthrie has trained many youth and youth leaders to share their faith. The Brotherhood and Evangelism Departments are working together to provide resource material and trained personnel for Lay Renewal weekends in local churches.

There were 1536 in attendance for the Area Evangelism Conferences September 7-11, 1975. We reached 1430 people who do not regularly attend the Statewide Evangelism Conference. This is what the area conferences are designed to do.

Five thousand adults and young people have been reached this year in our three efforts of conferences. We have majored on the condition of lost souls and motivating Christians to share their faith with the unsaved.

Neal and H. D. McCarty are excited about their plans for the Youth Explo in Little Rock, August 5-7, 1976. The Life and Liberty Area Evangelism Conferences in September will feature Dr. Everett Sneed as Bible teacher and Dr. J. Harold Smith as preacher.

## MISSIONS

## R. H. Dorris, Director

The purpose and objective of the Department of Missions is to support the Arkansas Baptist State Convention in its task of bringing men to God through Jesus Christ by developing and promoting, in cooperation with churches and associations, old and new outreach ministries into all changing facets of modern life in response to the Great Commission (Matthew 28: 19-20).

#### Direct Missions

The following developments have occurred since this report was made October 1, 1974.

BUILDING AID GRANTS HAVE BEEN APPROVED FOR 12 churches and missions totaling \$29,500.

The REVOLVING LOAN FUND has provided \$48,250 in loans to 6 churches and missions. Total assets in the fund - \$109,162.83. This amount is still far short of the need, since the waiting period for a loan is in excess of six months.

NEW PROPERTY SITES for establishment of missions and church growth, expended on 5 locations, amounted to \$12,000.

PROGRAM SUPPLEMENTS have assisted 5 associations with missionary salary aid.

CHURCH PASTORAL AID has been paid to 20 churches and missions and, by the end of this budget year, will amount to \$22,000, the total allocated.

STUDENT PREACHING AID has gone to 13 student pastors.

A NEW WORK SEMINAR was conducted in January, 1975, for associational directors of missions and chairmen of missions committees. The purpose was to promote Church Extension. The goal is to establish 50 new church-type missions and churches during 1975-76 as part of the Life and Liberty Campaign. Sixteen have been established the first nine months of 1975 with others in prospect before the year's end. The slogan is "50 for the Future".

A SPANISH CONGREGATION became the first ethnic group to be established in the state as a church-type mission. It is sponsored by the Lakeshore Drive Church, Little Rock, and jointly supported by the State Missions Department, the Home Mission Board, and the Pulaski County Association. Rev. Donosco Escobar serves as fulltime pastor.

VIETNAMESE REFUGEE RESETTLEMENT has become the responsibility of this department in cooperation with the HMB. The program begain to gain some momentum during June and has made further gains within the summer months. Through September 30, a total of 53 units, (one person or a family) of Vietnamese had been sponsored and resettled in Arkansas by our Southern Baptist agency.

# Chaplaincy Ministries

INSTITUTIONAL CHAPLAINS employed by the convention to serve in five state institutions which include the Booneville Unit of the Children's Colony, Pine Bluff Boys' Training School, Girls' Training School at Alexander, Cummins Prison, and Hot Springs Rehabilitation Center.

During the year the chaplaincy lost E.A. Richmond by death. He has been replaced as of 1 August at the Pine Bluff Boys' Training School by Larry B. Henderson, a native Arkansan educated and trained at Southern Seminary, Louisville, Ky.

STUDENT CHAPLAINS from Ouachite University are serving this year at Cummins Prison, the Boy's Training School, Tucker Prison, and Wrightsville Boys' Training School.

PROFESSIONS OF FAITH witnessed by the chaplains has totaled 283 from October 1, 1974 through September 30, 1975.

The INDUSTRIAL CHAPLAINCY has been expanded with the employment of Dean Newberry by Hudson Foods, Inc., Rogers, Arkansas. He is the second fulltime industrial chaplain at work in the state. One associational conference for selected business representatives was held to discuss the chaplaincy. Similar conferences are anticipated in other associations.

VOLUNTEER CHAPLAINS are increasing as more pastors add this new dimension to their ministry. Some are working in county jails, industries, hospitals, motels, planned communities, housing developments, segments of city government, nursing homes, resort areas, etc.

The annual CONFERENCE FOR CHAPLAINS was conducted at Camp Paron in May, attended by more than 30 chaplains and guests.

SEMINARY EXTENSION in Arkansas gained the distinction of faster growth than the programs in other states. The total number of centers increased from five to eleven. Last year 102 individuals enrolled in 150 courses. Ninety-two of these students enrolled in centers while the other 11 studied by correspondence.

## Deaf Ministries

Four churches have established NEW MINISTRIES to the deaf, bringing to 16 the total number of churches with deaf ministries.

Evening BIBLE STUDY CLASSES are conducted once a month at the Hot Springs Rehabilitation Center and at Immanuel Baptist Church, Pine Bluff.

A two-day INTERPRETERS WORKSHOP was attended by 78 interpreters and deaf persons.

Ten SIGN LANGUAGE CLASSES have been taught.

The ARK-LA-MISS BAPTIST DEAF-YOUTH CAMP held its first encampment at Forest Hill, Louisiana, in June. This is the first attempt at a tri-state camp for deaf youth. The camp is to be held in Arkansas in 1976.

The program of Deaf Ministries has resulted in 44 PROFESSIONS OF FAITH during the past year.

Nancy Parrish, wife of the Director of Deaf Ministries, served on a Sunday School Board committee for the development of the first SUNDAY SCHOOL LITERATURE FOR DEAF CHILDREN and wrote the lessons for the first quarter.

# Special Missions Ministries

The MIGRANT MISSION CENTER at Hope has witnessed 25 professions of faith from October 1, 1974, through September 30, 1975.

The Ministries of the HOT SPRINGS MISSION CENTER have resulted in 52 professions of faith since October 1 of last year.

Bob Focht was employed as SPECIAL MISSIONS MINISTRIES DIRECTOR. Pulaski County Baptist Association.

Twenty-four STUDENT SUMMER MISSIONARIES and two SOJOURNERS worked in resort-recreational areas and inner-city ministries for ten weeks during the summer.

An in-depth CONFERENCE ON WITNESSING TO OTHER FAITHS trained 60 resource people to serve across our state.

A SPECIAL MINISTRIES CONFERENCE was held for associational leadership to interpret new disaster relief policies. DISASTER RELIEF AID amounting to approximately \$10,000 was made available to tornado victims in the Little Rock and Warren areas.

## COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Robert U. Ferguson, Director

National and Southern Baptists in Arkansas comprise more than one-fourth of the state population. As such, we are obligated to lead in programs of Christian concern. We seek to relate as brothers and sisters in Christ, and co-workers in the various Christian ministries in order that churches and associations may be strengthened and non-Christians brought to a saving faith in Christ.

Four STUDENT SUMMER MISSIONARIES spent 10 weeks in black churches, youth camps and programs, enrolling 1,261 youth and resulting in 51 professions of faith.

23 college students and four seminary students were assisted with SCHOLARSHIP funds totaling \$5,300.

BAPTIST STUDENT UNION activities at the University of Arkansas at Pine Bluff, Rev. Lacy Solomon, Director, enrolled 200 students in Bible classes, and others were engaged in various BSU-sponsored activities.

Nine EXTENSION CENTERS for in-service training enrolled 234 pastors and laymen in Little Rock, El Dorado, Helena, West Memphis, Lewisville, Fordyce, Augusta, Malvern and Hot Springs.

"HART OF THE HILLS" CAMP at Paron was attended by 254 campers in a two-week program with 23 professions of faith.

Thirty-Eight LEADERSHIP CLINICS and INSTITUTES across the state enrolled 2,114 persons.

JOINT COMMITTEES are now formed in Arkansas Valley, Liberty, Pulaski, North-Pulaski, Calvary, Tri-County, Bartholomew, and Harmony associations, with other associations studying the idea.

The STATE JOINT COMMITTEE has met twice with representatives from all three cooperating conventions in attendance.

The LEADERSHIP CONFERENCE at Little Rock this year attracted 473 registered persons.

Joint Baptist WOMEN'S DAY OF PRAYER programs were held in Camden, Little Rock, Dumas and Pine Bluff, with plans being made to enlarge this activity.

Dwight McKissic, A NATIONAL BAPTIST MINISTERIAL STUDENT from Ouachita Baptist University served as summer ASSISTANT to the CHAPLAIN at Tucker Intermediate Reformatory where young Black first offenders are housed. Seventeen (17) professions of faith and thirty-seven (37) rededications.

The LIFE AND LIBERTY CRUSADE of 1976 is a jointly sponsored program of Arkansas Baptists. It is hoped that each association where National and Southern Baptists reside will use the Association JOINT COMMITTEE as the vehicle for cooperative planning. Evangelism is an area of mutual concern wherein National and Southern Baptists share equal responsibility to Christ.

## STEWARDSHIP-COOPERATIVE PROGRAM

Roy F. Lewis, Secretary

At the time of this report, Cooperative Program receipts were exceeding the previous year's receipts by more than twelve percent. This is particularly significant when it comes at a time of economic hardships for many, and the rate of mission giving exceeds the rate of inflation. This would unquestionably demonstrate an enlarged missionary vision on the part of Arkansas Baptists.

This being the fiftieth anniversary year of the Cooperative Program, many efforts have been made to remind our constituents of this channel of missionary giving and to encourage a recommitment to it. To that end a "Declaration of Cooperation" was signed publicly at the state convention last fall by convention leaders, and similar documents were provided to all churches for individual members to sign. Several hundred of our churches reported having ceremonies in which the document was publicly signed, and undoubtedly others did so that not report.

"Operation One," an emphasis on increasing Cooperative Program giving by at least one percent in each church, is in its third year. This emphasis, coupled with the Cooperative Program fiftieth anniversary events, has been of great aid in keeping Arkansas Baptists mindful of our combined strength in mission giving. Large numbers of churches continue to report an increase in the percentages they give to world missions through the Cooperative Program.

During each of the five program weeks at Siloam Springs Assembly, a presentation on the Cooperative Program was given. The one this year was an informal interview type presentation in which various ones gave testimonies about the effect of the Cooperative Program on their particular area of work. Many of the youth and counselors expressed the view that this was the most effective presentation they had witnessed.

Lehman Webb, associate missionary to Singapore, is serving as missionary-inresidence through the Stewardship-Cooperative Program Department. Mr. Webb is the third such missionary to serve in this relationship and is giving emphasis especially to personal contacts with churches and church leaders, in addition to his many speaking opportunities.

At the request of the Executive Board, the department supervised an effort called "Operation Contact," to personally contact the pastor of every church in the state convention. The contact was to be a public relations call on behalf of the Executive Board and the Cooperative Program. Baptist Building employees, state convention agency employees, and Executive Board members have cooperated in this effort. Nume-

rous testimonies have been volunteered to the effect that these contacts have been the best public relations effort ever undertaken by the state convention.

This has been an unusually successful year in the use of audio-visual aids. A new film entitled "Rope of Sand," produced by the Stewardship Commission for the fiftieth anniversary of the Cooperative Program, was previewed at the last state convention. Subsequently, it has been shown in approximately 120 churches and associations. In addition to that film, a set of slides was produced locally entitled "The Cooperative Program At Work in Arkansas and Around the World." These slides showed Cooperative Program money in use, primarily within the state, and the slides were accompanied by a professionally prepared narration on cassette. These slides have also been unusually popular and have been requested by approximately 74 churches.

The department has continued to offer assistance and leadership to any association desiring to schedule an associational Stewardship Decision Night. The meeting, to be successful, requires a considerable amount of advance promotion and enlistment, but has also been quite successful in raising Cooperative Program and associational mission giving levels in the churches, as well as the churches' own stewardship. During the year several very successful meetings were completed.

A new innovation was tried with the State Stewardship Clinic, annually held in February. This past February the department cooperated with the Arkansas Baptist Foundation in presenting a joint clinic covering the total area of Christian stewardship. A second innovation was attempted by providing four area clinics in different locations, rather than one clinic in Little Rock. When compared with previous years the clinics were quite successful, but having the four area clinics did not produce a sufficient number of added attendants to justify the additional tine and expense. Consequently, the clinic being planned for next year will again be presented jointly with the Arkansas Baptist Foundation, but will be limited to one clinic in a central location.

Another new accomplishment was the enlistment and training of five Stewardship/Foundation Executive Advisors. These are pastors who are especially skilled or trained in stewardship and Foundation work, and who are available to assist the department in a variety of ways, particularly in speaking to or counseling with churches. The department pays their travel and a modest honorarium, thus greatly multiplying the number of trained stewardship personnel available at any one time for use in the churches and associations.

The production and distribution of quality stewardship materials continues to be a major facet of the work of the department secretary. Some of these are produced locally and solely for Arkansas Baptists, and others are done in cooperation with other states and are produced nationally. Many of the materials are provided to the churches without any cost to them other than their Cooperative Program gifts, which provide the budget for the work of this department.

## SUNDAY SCHOOL

Lawson Hatfield, Director

#### OUR OBJECTIVE

The objective of the Sunday School Department is to support the Arkansas Baptist State Convention in its constitutional purpose — "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer cooperation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

#### GROWTH IN 1973-74

Churches in Arkansas led the Southern Baptist Convention in enrolment gain for 1973-74. A net gain of 6,631 in Sunday School enrolment is reflected in the 1973-74 reports from Arkansas Baptist churches. An enrolment of 222,559 was reported by the Sunday Schools of 1,198 churches.

Vacation Bible Schools reported an enrolment of 95,866 in 906 church schools and 19 mission schools. Professions of faith totaled 1,003, and \$21,979 was given to missions throughout our Vacation Bible Schools.

# IV. Church Architecture Consultation

Through personal visits and correspondence, architectural assistance was given to 53 churches.

#### THE 1975-76 PROGRAM

# **ACTION**

ACTION is the new pre-enrolment concept in Southern Baptist Sunday School work.

ACTION is a Sunday School growth campaign that works. ACTION works in small and large churches; in rural, town, and city churches. ACTION works with the laws of Sunday School growth. ACTION is a highly motivational concept which produces immediate and ultimate increase in enrolment attendance. Through ACTION many leaders and members want to become permanently involved in the five recommended outreach actions. ACTION is pastor-led, which is the real key.

#### THE PROGRAM

One week of intensive enrolment is scheduled during which the Sunday School and church members endeavor to enrol friends, family and neighbors in Sunday School.

Five outreach actions enable every person to assist in enroling new members:

- 1. Pastor's class
- 2. House-to-house
- 3. Telephone
- 4. Youth
- 5. Bus

During four weeks of follow-up, the new enrollees are encouraged to become faithful attenders.

#### RESULTS

Within a month the same percentage of new members will attend as compared to the enrolment prior to ACTION. Forty to 50% of members will attend and keep on attending.

The seven churches in Arkansas to participate gained 1,631 new members in their first ACTION ENROLMENT WEEK. This is an average gain per church of 233.

# LIFE AND LIBERTY

Reaching more adults for Bible study will be the main thrust of the Sunday School department's participation in the Life and Liberty campaign. A goal of 200 new Bible classes for adults has been set for 1974-76. As of October 1, 1975, 65 new classes had been organized.

#### YOUNG ADULT-PRESCHOOL EMPHASIS

The Southern Baptist Convention will emphasize reaching and teaching Young Adults and Preschoolers during the 1975-76 church year. Several actions are suggested to help churches reach preschoolers and young adults. Articles and suggestions that relate to this emphasis will appear in Preschool Leadership, Adult Leadership and Outreach magazines during this year.

## WOMAN'S MISSIONARY UNION

Iulia Ketner, Executive Secretary-Treasurer

"God was in Christ, reconciling the world unto himself,... and hath committed unto us the word of reconciliation" has been a compelling watchword for members of Woman's Missionary Union in 1974-75. Truly the responsibility has been great as members carried out their assigned tasks of Teaching Missions, Engaging in Mission Action, and Supporting Missions.

During 1974-75 Woman's Missionary Union launched a two-year emphasis on leader and member training called TIME, Training in Missions Education. Believing that good leader training begins with proper leader enlistment and orientation, new Baptist Women/Baptist Young Women Officer Orientation Kits and Leader Orientation Folders were made available in April. TIME activities for member training, as well as leader training, continue through 1975-76 WMU year.

A second special emphasis during the year was LOVE THY NEIGHBOR which sought to involve more persons in witness and ministry with its emphasis on family and churchwide mission action. Churches were encouraged to sponsor at least one special churchwide mission action project during the year.

Woman's Missionary Union promoted plans for Weeks of Prayer for Foreign and Home Missions and initiated plans for Season of Prayer for State Missions, Program materials on state mission work were developed and plans made for prayer observance in WMU organizations and churchwide with assistance given by staff personnel of the State Missions Department.

The Lottie Moon Christmas Offering for Foreign Missions, Annie Armstrong Easter Offering for Home Missions and Dixie Jackson Offering for State Missions were promoted in connection with the respective seasons for prayer. While WMU set the offering goals, the results were dependent upon support given by pastors and other church leaders. Offerings were administered by the respective mission boards and the State Missions Department.

Gifts of Arkansas Baptists through the special mission offerings as of September 1, 1975, were the largest on record with an increase of more than \$96,000.00. Gifts received by the treasurer of the Arkansas Baptist State Convention, Dr. Charles Ashcraft, were as follows:

Lottie Moon Christmas Offering \$758,109 Annie Armstrong Easter Offering 226,271 Dixie Jackson Offering (1974) 118,924

Leader training is vital to successful WMU work and is a recognized need. In an effort to reach more leaders in Woman's Missionary Union, area leadership conferences were held for local church leaders and associational leaders in lieu of District Meetings. Meetings for local leaders were held at Grand Avenue Baptist Church, Fort Smith; First Church, Fordyce; First Church, Jonesboro; and First Church, Harrison. Attendance totaled 407 with an additional 80 in the nursery. The nursery attendance indicates that more young women are serving in places of WMU leadership, and this is exciting!

Five area leadership conferences were held for associational WMU leaders. Attendance totaled 126, as compared to thirty-five (35) last year at a one day leadership conference.

At the one-day statewide leadership conference on September 11 at Immanuel Baptist, Little Rock, eighteen (18) different conferences were offered with 520 attend-

ing and 76 preschoolers in the nursery-again, we are quite pleased with nursery attendance!

Other leader training activities included assisting in assocation-wide and local church leader training efforts and two one-day Missions Adventures workshops for GA leaders with fifty (50) attending. Also, a chartered bus was promoted to Glorieta for the WMU, SBC Conference, July 19-25. A surplus of reservations made a second bus necessary for the 73 persons attending. Other Arkansans present numbered 27 with 29 attending WMU week at Ridgecrest, August 9-15.

Other statewide activities included the state WMU Annual Meeting held at First Baptist Church, Fayetteville with Mrs. George Tharel reelected as state president. Featured at the meeting were Miss Carolyn Weatherford, executive secretary of WMU, SBC; Dr. and Mrs. George Beasley-Murray, England, and missionaries from Vietnam, Philippines, Korea, and Oklahoma.

Activities for Acteens included ACT II for high school girls held at First Baptist Church, Hot Springs, attended by 200; ACT III for girls in grades 7-9 held at Burns Park, North Little Rock, attended by 300; and Acteens Camp at Paron, attended by 108. These were under the direction of Betty Jo Lacy, state Acteens director.

Activities for Girls in Action members in grades 4-6 included three one-week camps at Paron. Registration was 416 with over 75 decisions made either for salvation, rededication, or special service. Mission Offering given by campers totaled \$720.00. All figures represent a good increase over last year. GA Camp was directed by Julia Ketner, state GA director.

With the establishment of the Nancy Cooper Scholarship Fund in 1974, in recognition of her twenty-six year tenure as executive secretary and treasurer in "the year of her retirement," the first scholarships were granted to five young women attending Ouachita Baptist University. The recipients were: Susan Brumley, Highland Heights Baptist, Benton; Rosetta Brown, Nassau, Bahamas; Nancy Huskey, Midwest City, Okalhoma; Nancy Legried, Park Hill Baptist, No. Little Rock; and Phyllis Mitchael, Haven Heights Baptist, Fort Smith. The scholarship fund is administered through the Arkansas Baptist Foundation. Scholarships are available to volunteers for missions or church-related vocations studying at Ouachita Baptist University or Southern Baptist College. Preference is given to young women applicants.

Scholarships are also available from the Lillian May Scholarship Fund—one a loan for young women desiring to study at a Southern Baptist Seminary, and the other a gift scholarship for native Arkansans, under regular appointment by either the Foreign or Home Mission Board, who desire to study for credit in seminary or college. Gift scholarships were granted to Mrs. Harold Gately, Korea, and Mr. John Floyd, Philippines.

The objective of the program of the state Woman's Missionary Union is to assist churches and associations in establishing, conducting, and improving organizational programs in the churches. Those WMU organizations responsible for missionary education are Baptist Women (30 and above); Baptist Young Women (18-29); Acteens (grades 7-12); Girls in Action (grades 1-6); and Mission Friends (birth to school age). Missionary education was reported in 587 churches and in all but one association with enrollment of 26,296.

We are anxious to help you. We desire more churches to have strong WMU organizations for, in the studying of missions, more girls and women will become personally involved in ministry to others through mission action and direct evangelism, in supporting missions through praying and giving, and a more conducive environment will be created for a response to God's call to mission work as a vocation.

Thank you for the opportunity and privelege of serving you for we are 'labourers together with God.'

#### ANNUITY BOARD

# T.K. Rucker, Field Representative

There is a deepening awareness on the part of ministers, staff members and the membership of our churches that they need an adequate financial protection program. We have all known from the beginning that our basic Plan A Family Benefit section, was not adequate. This is only the first step. Many have stopped there and are realizing their great mistake. When we retire we receive the amount of protection we have paid for. More money must be put up with the Annuity Board than the \$33.45 per month payment. This is 10% on a \$4,000 salary. In our present economy 10% on total salary and all fringe benefits should be put up for adequate protection.

The Annuity Board has the vehicle to provide adequate protection in keeping with the policies of state conventions. We have two supplemental plans – Plan B which is a money purchase plan, guaranteed money. One can put any amount of money in this plan. There is a second supplemental plan, which is Plan C. This plan invests primarily in select common stocks and to a limited extent in land.

We would strongly urge all our personnel and churches to upgrade their protection. If they do not, then everyone will suffer when retirement, disability, or death comes.

We are grateful that we have been able to deliver some sizeable life insurance checks this year to widows, whose husbands had the foresight to participate in our Group Insurance Protection.

Many who have chosen to be participants in our Health Insurance have been grateful for the broad and adequate coverage provided in a time when health care costs are skyrocketing. We have four different health plans from which one can choose the one that best suits their needs and budget.

There has been a tremendous increase in interest in providing adequate protection for which we are deeply grateful.

# ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

Johnny G. Biggs, Executive Director

"An Arm of the Church Reaching Out" is the ministry of the Arkansas Baptist Family and Child Care Services. Many church groups have viewed and responded positively to our new slide presentation bearing this title. It is our desire to share this program with every church in the Convention in an effort to be informative and accountable to Arkansas Baptists for the funds received which make possible our outreach ministry to families and children. This has been a good year in terms of ministry opportunities and evidence of lives being reached and redeemed.

Arkansas Baptist Home for Children. The Children's Home is still the center of our child care ministry and 75 children received care and direction from living at the Children's Home during the year. While some children were with us for a few months, others required long-term care. It is a time for rejoicing when we can return a child to his home when both have gained a better understanding of each other and a healthier acceptance of life as it really is. Reuniting and strengthening family life continues to be a priority of our staff.

Religious Life On Campus. The Christian faith continues to make our child care ministry distinctive. A dedicated staff of Christian people seek to guide youth in spiritual as well as emotional and physical growth. Home Life and Encounter magazines are available for cottage devotionals. The children attend one of the three Baptist churches in Monticello and have Bible study and fellowship during mid-week vespers on campus. Eleven of our youth made professions of faith this year. Siloam Springs is always a bright spot of intensive religious training and fellowship.

Sponsorship. We are grateful for the response of Arkansas Baptists who have responded to the needs of our youth through the sponsorship program. Two hundred and twenty sponsoring groups have been involved during the year in meeting basic and special needs of our young people. Sponsors are VIPs, Very Important People, to our youth and to out total program. Sponsors have proven that "when God's people know the need, they will rise to meet it" by gifts and prayers for and through the sponsorship program. We are grateful.

Graduates. Five of the young people living at the Children's Home graduated from high school this year. Several of our youth made outstanding achievements in their school life and we are proud of each of them. College is the goal for three of our graduating seniors. The other two have enrolled in vocational tech school for additional training.

Area Offices. An increase in referrals and activities characterize the work of our area offices. Many new referrals, representing a variety of personal and family problems, were processed through these offices: Little Rock, 356; Jonesboro, 214; and Fayetteville, 84. Through the Children's Home, an additional 74 new referrals for services were handled for southeast Arkansas, making a total of 728 new referrals. The work of the area office staff has included: conducting intake evaluation for children needing the Children's Home, group home for boys, or foster care. counseling services for families and children; supervision of foster homes in their area and group home for boys; working with families of children under our care; consultation to pastors on family problems; conducting Family Life Enrichment conferences; leading Parent Package groups; and two adoption studies were completed, one for Sellers Adoption Agency and one for a couple desiring to adopt through Livingstone Adoption Agency.

Foster Homes, Group Home. We were privileged to join hands with Baptist families in our state in providing foster care for 27 children this year. These children needed the experience and warmth of a Christian family setting to meet their particular needs. Eight boys received care and direction living at our Group Home for Boys in Jonesboro.

We are grateful for the support and prayers of Arkansas Baptists for our child care ministry. Requests for services continue to increase and the needs of families and children are becoming greater each passing day. Our history reveals that Arkansas Baptists will rise to meet the challenge to keep our ministry strong and relevant to these changing times. We are grateful for this fact and we can depend on it. During a Wednesday evening vespers at the Children's Home, one of our young people prayed, "Thank you, God, for a place that puts you right in our face". Thank you, Arkansas Baptists, for the privilege of ministering in the name of Christ to the needs of children and youth.

#### ARKANSAS BAPTIST FOUNDATION

Harry D. Trulove, Executive Director

The year 1975 contained many firsts for the Foundation.

(1) The 1974 Audit indicated the amount of income generated from investments

exceeded by \$29,689 the amount the Foundation received for its operation from the Cooperative Program.

- (2) On February 28, 1975 the assets managed by the Foundation exceeded one million dollars.
- (3) Since January 1, 1975, over 200 families have received guidance in estate planning. Many of these have followed through with their plans and enjoy the satisfaction of knowing that accumulated possessions will continue to be used in the service of the Lord.

In an effort to provide more efficient service to our institutions and agencies, the board established an Institutional Liaison Committee. This committee will work with the Executive Director in the establishment of guidelines for the management of various investment funds for the agencies.

At the recommendation of the Investment Committee, the board adopted the following guidelines:

- (1) No investment will knowingly be made in the alcoholic beverage, gambling, tobacco, or movie industry.
- (2) In order to obtain the best return with the greatest degree of safety, the percentage of investments will be as follows: high grade bonds, 45% to 55%, common stocks, 25% to 35%, money market type securities, 15% to 25%.

Action was also taken by the board to magnify the service aspect of the Foundation and remove any conflict of interest with other Convention agencies in the solicitation of endowment funds. The Foundation will remain totally supported through the Cooperative Program.

The financial statement dated September 30, 1975 indicated the assets managed by the Foundation for all causes amounted to \$1,288,846.85. On the same date, 1974, the total assets were \$965,324.51.

We are human enough to rejoice in the many victories we have experienced. However, we are never satisfied as we evaluate the past and plan for the future. Improvement is our goal.

The board makes the following recommendation:

We recommend that the income earned from undesignated receipts be paid to the Cooperative Program, Arkansas Baptist State Convention.

# OUACHITA BAPTIST UNIVERSITY Arkadelphia, Arkansas

Daniel R. Grant, President

Arkansas Baptists have a right to be pardonably proud that Ouachita Baptist University has grown stronger in the cause of Christian education during 1974-75. Evidences of greater strength are found in the enrollment and accomplishes of the students, new construction and improvements in campus buildings and facilities, continued progress in the professional training and Christian dedication of the faculty and administrative staff, increased financial support through the Cooperative Program of the Arkansas Baptist State Convention, and the steady payment of old and new pledges to the Ouachita-Southern Advancement Campaign. The support of Arkansas Baptists for Christian higher education has come to be an outstanding example for Southern Baptists in other states.

#### GROWING STRENGTH IN STUDENT ENROLLMENT

Student enrollment during the past five years increased 20 percent from 1,377 to 1,652 against a trend of lower student enrollment in many Arkansas colleges and universities. The percentage of these students living in campus housing has increased to more than 75 percent at Ouachita, which goes against the national trend of "commuter education" and off-campus housing. Non-duplicating enrollment for the past twelve-month period reached a total of 2,237. The students came from 34 states and 18 foreign countries.

Ouachita students preparing for church-related vocations have steadily increased in recent years to a total of 300, including 132 ministerial students, 65 preparing to be church musicians, 27 mission volunteers, 25 preparing for youth ministry, and 37 preparing for religious education. This ranks Ouachita in the top 20 percent of all Baptist colleges in the nation in the number of students preparing for church-related vocations. Although this is a matter of genuine pride for all of us, it must be remembered that Ouachita has an equally strong commitment to preparing dedicated Christian lay persons in such fields as accounting (56), art (36), biology (50), business (138), chemistry (17), drama (10), education (162), history (33), home economics (54), communicationsjournalism (21), library science (9), mathematics (30), physical education (91), political science (33), pre-professional (108), psychology (4), sociology (54), and a dozen other major fields. Ouachita continues to stress a general education for all students, emphasizing knowledge about the entire world in which we live and holding open the door for the call of God in some field the student may not have known when he entered college. Ouachita's faculty believes that a Christian education should emphasize not only learning a trade, but also learning to use our God-given minds.

## COMMITMENT TO CHRISTIAN EXCELLENCE

The Christian dimension at Ouachita involves many things that cannot be measured or listed in an annual report, such as the example of an individual life on the faculty or staff. But many things contribute to visible differences in the Ouachita kind of education: the required weekly Chapel attendance for all students; the six semester hours required for Old and New Testament study; the annual Christian Focus Week; the example and friendship of Christian faculty members; the helpful presence of missionaries-in-residence (Reverend and Mrs. Alex Garner of Panama last year, with Reverend and Mrs. Paul Mosteller of Thailand coming for 1975-76); an outstanding program of religious activities promoted by the Baptist Student Union; the many pastors and laymen from Arkansas churches who spoke in "Noonday," Chapel, informal discussions, and classes last year at Ouachita; the impressive number of outstanding Christians from outside the state who were speakers: for example, Gwen Williams, Dr. William Hendricks, Tommy Starks, Emmanuel McCall, Marge Caldwell, Dr. William Harville, Grady Nutt, Ken Medema, the Covenant Players, Ministry '74, Dr. Stanton Nash, Dr. Peter

McLeod, David Meece, Bill Jenkins, Vernard Johnson, Dan Yeary, and Grant Teaff. An exciting new "Ouachita-in-Japan" program was established which will take three Ouachita students each year to the Baptist University in Fukuoka, Japan (Seinan Gakuin University) for a full year of study and close fellowship with our Southern Baptist missionaries there. Two or three Japanese students will attend Ouachita in exchange.

#### IMPROVEMENT IN BUILDINGS AND GROUNDS

During 1974-75 Ouachita made exciting progress in the improvement of campus buildings and grounds, thanks to increased financial support through the Cooperative Program and the Ouachita-Southern Advancement Campaign. The beautiful new Mabee Fine Arts Center was completed and occupied in the spring of 1975 and is proving to be one of the most useful buildings on the campus. It houses the growing School of Music and the Art Department and is one of the finest anywhere in terms of acoustics, utility, and beauty. The renovation and improvement of the Moses-Provine Science Building is continuing in stages, with installation of central air conditioning and refurnishing of one major chemistry laboratory completed in the summer of 1974. Extensive improvement of ceilings, lighting, and flooring, refurnishing a major biology laboratory, and construction of a much-needed greenhouse were completed in the summer of 1975. Other projects to improve the beauty and usefulness of the campus completed in the summer of 1975 include the extension of the new campus drive along the ravine behind the new fine arts center, the provision of additional parking space by removing Daily Hall and McMillan house, the installation of new air conditioning for O.C. Bailey dormitory, and an extensive program of new planting of trees, shrubs, flowers, and grass. The \$500,000 challenge grant from the Mabee Foundation of Tulsa, Oklahoma, was matched through the "second-mile support" of many churches and individuals before the August 31 deadline. It will finance the new campus drive, a pedestrian bridge across the ravine, and the addition of a new classroom building to the megastructure.

## COMMITMENT TO ACADEMIC EXCELLENCE

Academic excellence continues to be a strong feature of Ouachita's institutional commitment. The graduate program was examined by the North Central Association of Colleges and Schools, and full accreditation was received. Riley Library is increasingly becoming a modern learning resources center, with the installation of campus-wide closed curcuit television nearing completion. Ouachita became a participating member in the computer-based OCLC (Ohio College Library Center) a network of libraries tapping into common cataloging information through individual computer terminals. In cooperation with neighboring Henderson State University, the OBU-HSU Catalog was put into operation, almost doubling the library volumes of each institution. A broader and more modernized approach was made available in the creation of a Communications Department. A new and challenging Honors Program was established to encourage high achievers to plow deeper in their studies. The annual report of the National Merit Scholarship Foundation again revealed that only two schools in Arkansas have more student winners of the National Merit Scholarships than Ouachita. Under new and able direction the Forensics and Debate Program at Ouachita has taken on new life. The Academic Skills Development Program has developed a variety of tutorial and counseling aids for the student in academic difficulty.

Ouachita is working cooperatively with Arkansas Baptist College to provide courses in Little Rock to assist their students in teacher certification and in working toward the master's degree. Support from the Arkansas Baptist State Convention and Mr. Robert Ferguson has been especially helpful in this work. Ouachita's ATAC Center provided consultant and training assistance for more than 3,000 public school teachers and administrators during the 1974-75 year. The Upward Bound and Title II Programs continue to uncover neglected skills and talents, and provide new motivation for achievement for disadvantaged high school and college students. Ouachita has been honored

again in the selection of a musical group by Friendship Ambassadors to make a concert tour in Europe. The Singing Men have been invited to tour Poland in the summer of 1976, and the Ouachitones made a similar tour of Romania in 1974. Another Ouachita singing group, the Chamber Singers, have been selected by the Bicentennial Committee to represent Arkansas in Washington, D.C., on Arkansas Day next May 3, and will sing in the Kennedy Center. More degrees were awarded by Ouachita during the 1974-75 year than in any previous year in history.

## CONTINUING NEEDS FOR CHRISTIAN EDUCATION

To report that some clouds are on the horizon is not in any way to join those strident voices of doom concerning the future of the Christian college. It is only to remind Arkansas Baptists that we have come this far by faith through many difficulties and dangers, and that we will move ahead in strength only if we prepare carefully to do battle with some persistent enemies of Christian education. The growth of ridiculously minute Federal regulations on all colleges, public and private, is just such a danger. Baptists need to be aware of the sharp increase in Federal regulations on all colleges and universities during the past three or four years. Federal laws that were not thought of as threats to religious institutions (e.g., protection of privacy of the individual, or outlawing discrimination on the basis of sex), have turned into bureaucratic quagmires threatening to eliminate some of the time-honored distinctive characteristics of the Christian college. All Christian citizens need to work harder to see that all legislation, at whatever level, provides adequate guarantees for the religious liberty of religious institutions.

Building needs continue, with the more acute ones being adequate auditorium space to seat the entire student body, continued improvement of science facilities, and more adequate facilities to support the fine athletic and physical education program. Another problem is the widening gap between tuition costs at the Christian college and the state college. Future student enrollment will be greatly influenced by this problem. The gap would be even wider were it not for the generous support of the Cooperative Program of the Arkansas Baptist State Convention, and an increasingly strong development program for support through alumni and other friends. This support must be further strengthened if the continuing problems of low faculty salaries and the escalating costs of physical plant operations are to be met. Although most of the churches have stayed up-to-date in payment of their pledges to the Ouachita-Southern Baptist Advancement Campaign, the delay of payments by some churches has caused a delay in payment of construction loans.

On May 19-21, a group of Ouachita faculty, staff, students, trustees, alumni, and State Convention leaders met at Marble Falls to think, plan and pray together about what Ouachita should be by 1986, its centennial year. This launched a year of "Centennial Decade" planning for Ouachita. In 1976 we hope to begin an exciting new era, based solidly on faith and work, to make Ouachita Baptist University an even greater Christian lighthouse in the field of higher education.

#### SOUTHERN BAPTIST COLLEGE

D. Jack Nicholas, President

Every Baptist in Arkansas would have a sense of satisfaction with his investment in Southern Baptist College could he quietly observe the good things happening in the lives of young people on this campus and could he sense the atmosphere of Christian love and purpose which pervades this place. The campus of SBC continues to be a place where young people make significant discoveries about themselves, their world, and their Lord.

#### Christian Commitment

In spite of the continuing trend of the mainstream of contemporary higher education away from Judeo-Christian thought and values, SBC continues with its resolve to be "The Campus of Christian Purpose".

Activities such as required chapel, required Bible courses, a Fall Campus Revival, Pre-school and Mid-Winter BSU Retreats, Spring Religious Focus Week, Annual Student Led Revival, and daily prayer services and devotions remain an integral and significant part of campus life.

A new position established during the past year which enhances the Christian mission of the school is that of Director of In-Service Guidance. The Director of In-Service Guidance was appointed to (1) provide coordination for filling requests of churches for supply preachers, pastors, and revival teams and (2) to provide those students ministering to the churches with feed-back, counseling, and guidance with the aim of improving their service to the churches.

During the past academic year, the college experienced another increase in the number of ministerial students and students committed to other church related vocations. Eighty-one students were enrolled as ministerial students; 5 students indicated that they wanted to be foreign or home missionaries; 4 indicated a career in church education; 7 selected the area of church music as a vocation; 6 indicated various other church related vocations; and 19 minister's wives were enrolled as students. The foregoing produces a total of 122 which represents over 1/3 of the total on-campus student body of Southern Baptist College committed to some church related vocation.

#### Increased Enrollment

Southern Baptist College enjoyed an over-all increase in enrollment of 12% and an on-campus increase of 10% during the past year, this while the national average was 6% to 7% increase, and while many independent colleges were struggling to maintain the enrollmentlevel of the preceding year.

The non-duplicating enrollment during the 1974-75 school year was 826. Of this number, 367 were enrolled on the Walnut Ridge campus, 364 at the Blytheville Air Force Base Resident Center, 60 at the Mountain Home Extension Center, and 35 at the Extension Center at Senath, Missouri. We rejoice in this increase because it represents persons served and lives touched in the name of Arkansas Baptists and the Lord Jesus Christ.

# Academic Improvement

The 1974-75 school year witnessed an all out effort to upgrade the academic program of the college. A comprehensive program of faculty evaluation was instituted involving the completion of a detailed student-opinion questionnaire by each student in each class.

At the beginning of the academic year, the faculty and administration established a goal of preparing course syllabi for at least 50% of the courses being taught and reached that goal before the end of the year. A post-session faculty workshop was conducted for the first time at the close of the school year for assessing the past academic year and for making plans for the coming school year.

Over 2,000 volumes were added to the library holdings, bringing the grand total to over 36,000 volumes. As a result of an expansion of the Media Center, significantly increased utilization of audio-visual materials and the video tape recorder resulted in greater effectiveness in classroom instruction.

Vocational career programs were substantially increased as a result of the establishment of a new degree program, the Associate in Applied Science degree, through a cooperative venture with the Black River Vocational Technical School of Pocahontas, Arkansas.

# Physical Facilities

The campus is taking on a more "cared for" appearance as a result of greater attention being given to the care of lawns and grounds and to the repair of buildings. Ten of the old World War II buildings were demolished during the past year and many others are scheduled for demolition in the future.

The firm of Fletcher, Miller, & Dean Architects has been employed and has begun work on a long range master plan for physical facilities for SBC. The plans already drawn and articulated inspire excitement as the "new face" of Southern Baptist College begins to take form.

Progress continues on the new Fine Arts Building, and we will be able to complete the building for occupancy some time during the Fall semester of 1975.

#### Fiscal Affairs

Southern Baptist College ended the 1974-75 fiscal year in the black, an incredible accomplishment in the light of the galloping inflation rate with which the college is having to deal. This achievement was made possible by the much needed increase in convention support, an increase in tuition from \$25 to \$29 per hour, and the increased enrollment mentioned above.

The OBU/SBC Campaign continues to be a tremendous benefit to Southern Baptist College as it makes possible capital additions and improvements which would otherwise be utterly impossible.

## Development.

The development program of Southern Baptist College is in its infancy but growing vigorously. The Administration and Board of Southern Baptist College feels an obligation to the Arkansas Baptist State Convention to respond to its generous increase of support with intensified efforts in the area of development. The benevolence of Arkansas Baptists are expressed in the Cooperative Program Operating Budget, the Advanced Budget, and the Ouachita/Southern Campaign compels this institution to make a valiant effort to complement that support with college generated development revenues.

The increased emphasis given to the area of devlelopment is seen in the restructuring of that area to include a Director of Development. As a result of this restructuring and subsequent intensified efforts, annual giving has seen a significant increase. The Board of Trustees is leading in this area with "Fifty Thousand Club Program". The alumni and former students are adding their support. Friends of the college are increasing in number, interest and responsiveness.

These are but a few of the efforts now being made to demonstrate our gratitude to the Arkansas Baptist Convention for its generous support. The philosophy and activities of the college continue to be worthy of the investment of this great Convention. We are grateful for the privilege of being a member of the Arkansas Baptist family of Institutions and are resolved to make a contribution worthy of that cherished relationship.

## BAPTIST BOOK STORE

Robert H. Bauman, Manager

The Baptist Book Store is striving, continually to grow with the churches and their members - and has projected a new image and theme . . . PARTNERS IN GROWTH. We are, constantly, seeking out methods of distribution of material to assist people and churches in their growth effort in new experiences and in gaining new insights.

The Baptist Book Store in Little Rock is in its 74th year of service, its earliest beginning dates back to 1901. The purpose of the Baptist Book Store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a Saviour, and to provide adequate help for teaching and training the church, the home and each individual believer's life.

It is now located at 4418 South University, having moved there in May, 1973. The new location has 10,000 square feet of floor space, an additional 3,000 square feet more than the former location. The entire store is on one level which contributes to better working conditions and a more efficient service to our customers. Provided with the new location is 40 parking spaces for our customers and staff.

Due to increased cost in the distribution of a large catalog, our Baptist Book Store Catalog is being replaced by three smaller catalogs mailed to our customers throughout the year. The CHURCH LEADERSHIP CATALOG is sent out in August, the CHRISTMAS CATALOG in October, and the GIFT CATALOG in April, these new specially tailored buying guides represent our new approach to cataloging. Our purpose is to pinpoint areas of need with precise product and service suggestions. Keep these valuable tools accessible at all times and give the opportunity to be more effective PART-NERS IN GROWTH.

Dr. W. O. Thomason, who has been the Book Store Division Director for three years, has been named Executive Vice-President upon Dr. Crowe's retirement in February, 1975. The new director of the Book Store Division is William S. Graham who will give great leadership to all of Baptist Book Store work.

Dedication in service is our goal and is, now expressed is our new slogan . . . PARTNERS IN GROWTH!

### THE CHALLENGE

The world's population reached an estimated total of four billion people in 1974-most of them without ready access to the Word of God. These people constitute the challenge confronting the churches, dedicated to the proclaiming of the Gospel, and the Bible Societies, dedicated to the translation, publication and distribution of God's Word.

The publication of the Word of God requires technical skill, scholarly expertise, and selfless devotion to the communication of the sacred text. The Bible Societies of the world have assumed this task, providing Scriptures in whatever languages, formats and varieties are required. This task is enormous. The number of Bibles, Testaments, Portions and Selections distributed annually throughout the world exceeds 250,000,000.

But the challenge to the Bible Societies is multiplying even faster than the population increase, for new developments in Scripture translation and publication are opening up vast new audiences to God's Word.

How are the Bible Societies - The American Bible Society in particular - responding to this challenge? These are some of the ways;

## GOOD NEWS FOR NEW READERS

The single most ambitious program the Bible Societies have ever undertaken, "Good News for New Readers," was launched in September, 1973, to provide special Scripture Selections to be used by people just learning to read. The selections are being prepared on graded reading levels, and eventually will be available in 200 languages. To date, this program has already reached people in 70 countries. Scripture Literacy Selections on the two most elementary levels have been produced in more than 100 languages. Other Selections in 20 additional languages have been translated and are being printed.

Meeting the demand for additional Scripture Literacy Selections, particularly in Asia and Africa will require more than \$63,000,000 over the next ten years. To meet this need the American Bible Society launched an appeal in 1974 inviting people to join the Fellowship of the Torchbearers for Our Lord, an organization in which members pledge a monthly gift to help finance the worldwide Good News for New Readers program.

# SPECIAL SCRIPTURES FOR THE SOUTHERN BAPTIST CONVENTION

As a primary supplier of Scriptures, the American Bible Society has for years maintained a close and continuing relationship with the Southern Baptists and their state and local organizations. In 1974, the Bible Society continued to fulfill Southern Baptist Scriptural needs with the production of 12 special Scripture editions, totalling over 1,105,000 copies.

#### SCRIPTURE DISTRIBUTION

During 1974, 252,956,174 Scriptures were distributed throughout the world by the United Bibles Societies. Of these, 87,102,185 were distributed in the United States. The subsidy required to make distribution programs possible came from the United Bible Societies' World Service Budget of \$11,000,000. Half of this amount is underwritten by the American Bible Society through contributions from dedicated individuals and churches.

In June, 1974, the American Bible Society announced a special program called "Good News, America!" The program is designed to bring a part of God's Word to every man, woman and child in the U. S. A. during the bicentennial celebration.

"Good News for Modern Man," the American Bible Society's New Testament in Today's English Version reached a total circulation of 47,000,000 copies by the end of 1974. An illustrated edition of "Good News for Modern Man" was published in June with more than 200 full-color photographs of the Holy Land. The complete Bible in Today's English Version is scheduled for publication in 1976.

In 1974, the Bible Societies helped 617 translation and revision projects around the world.

# OTHER PROJECTS

A 13-minute color film was produced in 1974 telling the story of the Good News

for New Readers program. Membership in the Bible-a-month Club continued to climb in 1974 reaching nearly 200,000. Each member pledges \$3 or more monthly to bring the Word of God to some person in the world in need of His saving knowledge.

More than 10,000 persons in the U. S. A. have now enrolled as ABS volunteers. Just two years ago, there were only 1,200! By the end of 1974, there were 1,200 Scripture Courtesy Centers or "Good Newsstands" in all 50 states. Each month ABS volunteers focus on one special project: promotion and distribution of new Scriptures, Biblea-Month Club memberships and more.

## BIBLE WORK ABROAD

In addition to scores of other areas, the American Bible Society maintains a strong and effective line with programs where the Southern Baptist Convention has missionary activity. In Nigeria for instance, Bible Society translation projects showed good promise in 1974 with the new translation of the Old Testament in Hausa 90 per cent completed, and work on Today's Yoruba New Testament now well underway.

Brazil - Total Scripture distribution for the year reached nearly 7,000,000 with increases in the number of Bibles and Testaments shared. A popular special Selection of Luke 15, provided for the 1974 Billy Graham evangelistic crusade, was favorably received by journalists of the news media as well as by the public.

Japan - Further progress was made in translation and publication of the Scriptures with large portions of the New Testament in a new Japanese Version expected to be published in mid-1975. In addition, the Bible Society of Japan printed Scripture Selections for special occasions and illustrated booklets for children.

Indonesia - An important goal was reached when in July 1974, the Bahasa Indonesian Bible was published, after more than two decades of translation work. The first 10,000 copies were given to the government to distribute to government institutions around the country. Scripture distribution of the Bible Society of Indonesia reached 20 million in 1974, a 25.6 per cent increase over 1973.

Eastern Europe - The Bible cause in Eastern Europe embraces all aspects of Bible work: translation, productions and distribution. At the present time there are some twenty translation projects in progress with the printing of Scriptures being carried out in a number of Eastern European countries. Though Scripture distribution is very uneven from country to country, 810,000 Scriptures were distributed last year in all of Eastern Europe, an increase of 17 per cent over 1973.

## FINANCIAL SUPPORT

To meet the growing demand for Scriptures for a world whose people are more than ever in need of the saving power of the Gospel, the American Bible Society requires increased support from the churches. As a result, the 1975 budget of the American Bible Society grew to \$12,950,000, an increase of \$650,000 over 1974. By 1980, it will reach an estimated \$18,000.000.

In a time of declining membership for many denominations its commendable that the Southern Baptist Convention has increased its membership over the past decade. At the same time support for the Bible Society from the Convention has generally increased. The American Bible Society gives special thanks to the Southern Baptists for their close and continuing cooperation with the ABS in supporting the Bible cause.

# WHAT SHOULD THE SOUTHERN BAPTIST CONVENTION DO?

In view of the growing need for Scriptures outlined in the preceding pages, and the growth in the programs of the American Bible Society which serve the church's ministry, the Society asks the Southern Baptist Convention to set as a minimum goal the continued support of the American Bible Society at the 1974 level and above.

Recognizing as well the need for future expension of the Good News for New Readers program, the Bible Society requests that serious consideration be given and action taken to make special, substantial, and additional funds available for this cause.

The challenge of hundreds of millions of people hungry for God's Word confronts the Southern Baptist Convention and the American Bible Society with unprecedented responsibilities and opportunities. Working together, we can be faithful to the high calling to which we are committed.

# CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC. 1007 Donaghey Building - Little Rock, Arkansas 72201

Edward W. Harris, Executive Director

The Educational Program: Some adjustments in the Alcohol-Narcotics Education Program became necessary during the 1974-75 school year due to the resignation of our Educational Assistant, Mr. Alan Tucker, effective April 15, 1975. Public school engagements for the remainder of the school year were cancelled, and the search was begun immediately for a new worker. From September to April 15, Mr. Tucker presented the Alcohol-Narcotics Education Program in 56 schools, and to approximately 25,000 pupils. He also spoke to three P.T.A. meetings, one church, and three Civic groups. He attended the Arkansas Baptist State Convention and the State Teacher's Convention.

Our new Educational Assistant, Mr. Michael S. Gipson, was elected July 17, and began his new duties on August 1. We feel that this fine young Baptist layman brings to our program an unusually rich background of training and experience. Prior to joining our staff, Mr. Gipson was, for the past four years, an instructor in Sociology and Law Enforcement at Westark Community College at Fort Smith. During that time, he served as a Director of the Youth Service Bureau, (Sebastian County).

Mr. Gipson carried the Alcohol-Narcotics Education Program to ten schools in the month of September, and we expect this program to reach over one hundred schools by the end of the spring term of school in 1976. In early September, he attended the Symposium on Alcoholism sponsored by the National Center for Toxicological Research held in Little Rock, and will attend the Symposium on Drug Abuse sponsored by the Arkansas State Department of Education in early October, at the University of Central Arkansas, Conway.

At the suggestion of the new Educational Assistant, we have prepared a brief mimeographed "Evaluation Form", which is to be used by Principals and teachers in returning to us an early evaluation of the effectiveness of each presentation. This should be an important aid in our constant effort to make the Alcohol-Narcotics Education Program the most factual, interesting, and effective program possible.

**LEGISLATIVE ACTIVITY:** The Executive Director attended every session of the 70th General Assembly, from January 13 through March 27, 1975, with the exception of the day of the Annual Meeting of the CCF Board of Directors, March 17. He attended approximately forty hours of Committee meetings, including every meeting

of the House Judiciary Committee, because of the critical items on their agenda. A mong the important legislative proposals we sought to influence were the following:

- (1) Liquor Permit 200 Yards From Church, HB-588, now Act 699, by Mr. "Nap" Murphy, says: "No new permit to engage in the retail liquor business in the State shall hereafter be issued by the Director of Alcoholic Beverage Control for the location of any business situated within two hundred (200) yards of any church or schoolhouse." This replaces a 1939 Act, which the Arkansas SupremeCourt ruled invalid in 1974.
- (2) The DWI, "Drunk Driver" Bill,HB-294, Act No. 931, by Mr. Tommy Mitchum. This is the strongest DWI bill passed to date. It also included a "New driver rehabilitation program," financed by an additional penalty of \$25 on each DWI fine. The loss of the Felony Penalty on the fourth conviction, by amendment, highlighted the lack of treatment facilities for alcoholics and other serious offenders.
- (3) The Lowering of the Majority Age from 21 to 18, Two House Bills, 96 by Wilson and 246 by Arrington, and one Senate Bill 446 by Walmsley, together granted all rights and privileges to 18-year-olds, except the privilege of Alcoholic Beverages. These are now Acts 892, 155, and 231. HB-45, by Mr. Jim Don Mc-Kissack, would have granted all privileges, including alcoholic beverages. We successfully opposed it in the Judiciary Committee, and it failed to clear the Committee. In the future, any legislation that attempts to extend alcoholic privileges to 18 year-olds can be clearly labeled as a "liquor bill", for all other privileges have now been granted. We still anticipate such legislation in the future, and are prepared to oppose it whenever it appears.
- (4) "Symphony, Champagne Wine Bill", HB-243, by Mr. Gayle Windsor, would have authorized temporary permits to sell wine and champagne at the Arkansas State Symphony Concerts. We strongly opposed this bill, feeling that it would affect the entire state of Arkansas. It was soundly defeated. We hope that it will not arise again.
- (5) HB-688, Act 1000, shifted the Drug Abuse Authority to the Social and Rehabilitation Service Department. The purpose of this act is most significant, and states the "goal of combating unlawful use of drugs can be forwarded by close coordination of programs provided under act and those of Office on Alcohol Abuse and Alcoholism and the Mental Health Programs" It is the Governor's plan to unify these services and promote a concerted attack upon these serious problems. If allowed to operate as intended, it should strengthen all programs. (6) The Obscenity Bill, SB-150, by Senator Harold King, passed the Senate but died in the House Judiciary Committee. We were disappointed that this
- but died in the House Judiciary Committee. We were disappointed that this bill did not reach the floor of the House. We still hope for the passage of an Obsencity Bill that would clarify and strengthen the existing Arkansas Obsencity Statutes.

**NOTE:** We deeply regret the loss by death of Rev. Roy Galyean, our former Legislative Assistant, devoted minister, and dear friend.

ABC BOARD, (Alcoholic Beverage Control Board): This important Board has undergone many changes during the past year. Mr. R. E. Brians, fine Baptist layman, and strong Director of the ABC Board, was replaced by Mr. Willis B. Smith, Jr., appointed by Governor David Pryor just before the opening of the 70th General Assembly, in January of 1975. Before leaving his position, Mr. Brians had led the Board in the preparation of a revision of the Regulations governing Alcoholic Beverages, dated October 9, 1974. They withstood very strong attacks by vested interests, and, with a few legislative revisions, still stand. We are hopeful that they may have a chance to work without too much interference from opponents. In the spring of 1975, Mr. Willis B. Smith, Jr., was made Director of the Department of Public Safety. In his place, Governor Pryor appointed a staff member of ABC, Mrs. Karen Jones. She is still the Acting Director, as of this date. We are always happy to assist any church or community that faces any problem that re-

quires them to contact or appear before the ABC Board. All that is needed is a call or letter, requesting our assistance.

LOCAL OPTION ELECTIONS: In 1974, there were four elections, all in dry areas, and initiated by Wets. Columbia County voted 5,269 to 2,422 or more than 2 to 1 to remain dry. Stone County voted 1,996 to 1,294 with a majority of 702 to remain dry, or 3 times the margin of victory in 1972. Hempstead County voted 3,788 to 2,998 with a majority of 790 to remain dry. Tyronza Township, in Crittenden County, voted 517 to 450 to remain dry, by a majority of 67. We furnished counsel, materials and any type of assistance requested of us, but we were careful to avoid getting in the way of local leadership in any way.

Since the Arkansas Local Option Election Laws provide that such elections may be held only at the time of General Elections, the next opportunity for such elections will be November of 1976. Since this will also be a Presidential election, a heavy vote is ordinarily anticipated. Thus far, the only announced effort by Wets is in Scott County. Wets in Waldron have circulated petitions already, more than a year ahead of the election and almost a year ahead of the earliest possible filing date. There are threats of an election in Clark County. There is also a strong possibility of an election in Tyronza Township in Crittenden County.

THE EXECUTIVE DIRECTOR: In addition to the full time Legislative Activity, appearances before the State Alcoholic Beverage Control Board, preaching assignments in local churches, he attended the Symposium of Alcoholism sponsored by the National Center for Toxicological Research, held in Little Rock, and the meeting of the Board of Directors of the American Council on Alcohol Problems, in Oklahoma City, September 9-11. He also gave personal leadership and assistance, when requested, in the local option elections. In addition, he gave administrative leadership and staff direction in the total program for the Christian Civic Foundation. He, like the Educational Assistant, is always available for speaking engagements, when requested by pastors of churches or other civic or community groups.

THE ANNUAL BOARD MEETING: The Annual Meeting of the Board of Directors of the Christian Civic Foundation was held Monday, March 17, 1975 at the Second Baptist Church in Little Rock. The speaker was Dr. R. R. Holton, Baptist Minister, and Executive Director of Texas Alcohol Narcotics Education, Inc. (TANE), in Dallas, Texas. Both the Business session and the program were completed at the luncheon tables, following the noon meal. This was the first time that we have attempted a shortened agenda. It proved so popular and so effective that we plan to continue this type of neeting at the 1976 session, on March 15. This Annual Meeting is open to all supports, ministers and laymen, who will call or write our office and make a reservation for the noon meal.

The Staff of the Foundation would like this opportunity to thank our Baptist brethren over the state for their strong, continued support. Our staff consists of Rev. Edward W. Harris, Executive Director, Mr. Michael S. Gipson, Educational Assistant, and Mrs. Beverly B. Williams, Office Secretary. We also wish to thank our fine Executive Committee and Board of Directors for their support and encouragement, which means so much in this work. The officers and Executive Committee are:

Mr. Dale Ward, President
Mr. Raymond Hillis, First Vice-President
Mr. Harry Brewer, Second Vice-President
Rev. David P. Conyers, Third Vice-President
Rev. W. A. Blount, Secretary
Rev. Don Hook, Treasurer
Rev. Edward W. Harris, Executive Director

Members-at-Large- Dr. Charles H. Ashcraft, Dr. R.E.L. Bearden, Dr. J. Edward Dunlap, Bishop Eugene M. Frank, Rev. J. Albert Gatlin, Judge Edward S. Maddox, Dr. Erwin L. McDonald, Mr. Roland M. Shelton, Mrs. Roy E. Snider, Dr. Horace E. Thompson and Rev. John H. Thompson.

OUR QUARTERLY NEWSLETTER, "The Christian Citizen", began with the Spring issue mailed May 2, and the second issue the first week of September. Copies went to all Baptist and Methodist pastors, pastors of other supporting churches and to our Board members, a total of 1,824 for the first issue, and a printing of 2,500 for the second issue. The total cost of the first issue, including printing and Bulk Mail Permit costs was \$218.15. Total cost of the second issue was \$259.56. The Fall issue will include a printed list of all Senators and Representative by Districts, with addresses and telephone numbers, by way of preparing our supporters for influencing the 71st General Assembly, which will meet in January of 1976. Succeeding issues will carry authoritative quotations in the areas of Alcohol, Narcotics, Gambling and Pornography. We are deeply grateful for the use of the Addressograph facilities at the Baptist and Methodist headquarters. Without them, our staff could not produce the newsletter, and the cost of operation would be prohibitive. We will be happy to supply extra copies to any pastor or church or mail copies of lists of names submitted by any pastor. We want to keep the lines of communication open to all of our friends.

FINANCES: Our fiscal year is the calendar year, the same as that of the Convention, but this report covers the period from October 1, 1974 through September 30, 1975, the date on which we submitted our report for printing in the 1975 Annual of the Arkansas Baptist State Convention. We are encouraged by the fact that our report again shows that receipts exceeded expenditures. With respect to receipts, this was due, in large part, by increased giving by the Arkansas Baptist State Convention and by local Baptist Churches. With respect to Disbursements, the balance shown is larger than usual, due entirely to the fact that we were without an Educational Assistant from April 15 to August 1, allowing an accumulation of funds normally spent in salary and expense for this worker (about \$3,500.) Without this accumulation, our balance would be the same as last year. Because of inflation, we have found it necessary to turn to weekly voucher forms for the use of the Educational Assistant to cover travel, food and lodging, whereby we pay the actual cost of operating the Alcohol-Narcotics Education Program in the public schools. This will rapidly deplete the current balance.

The above figures cover only budget expenditures and receipts. In addition, a Special Gift of \$1,000 was contributed by Dr. Charles H. Ashcraft, Executive Secretary, for a retirement gift to Dr. W. Henry Goodloe, former Executive Director, who retired in June, 1972. Dr. Goodloe has expressed his sincere appreciation to all of his Baptist brethren for this generous love gift.

Words cannot adequately express our appreciation for the regular, dependable, generous giving of the Arkansas Baptists to the Christian Civic Foundation. Without the strong monthly contributions that come to us, we could not maintain an effective program. Other organizations similar to ours, those engaged in the cause of Civic Righteousness, are facing crisis days because of inflation. We believe that our Baptist supporters will continue to keep us strong financially as we seek to serve them and the entire state of Arkansas. # ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION Dallas, Texas

Darold H. Morgan, President

The Baptist state convention helps the churches provide a basic retirement program for all pastors.

In all, the more than 30 Baptist state conventions affiliated with the SBC spend over \$4 million a year from Cooperative Program funds to strengthen the retirement program for pastors. The church contributes \$400 a year, (10 per cent) for its pastor and ministerial staff in Plan A, the basic retirement program offered through the Annuity Board of the Southern Baptist Convention.

State conventions put up half this amount from the churches, or up to \$200 maximum per year individual. Contributions to this plan are based on the first \$4,000 of a participant's total compensation, including salary and allowances.

Since \$4,000 a year will provide only a base for retirement income contributions, state conventions and the Annuity Board have begun urging 10 per cent participation based on the full compensation, and not merely \$4,000 to make retirement income adequate.

Contributions above the \$4,000 level do not include funds from state conventions.

Funds held in trust by the Annuity Board for pastors and others in religious vocations, including churches and denominational agencies, stand at a record \$353,445,743 as of December 31, 1974.

Income from the premiums and dues amounted to a record \$32-1/2 million in 1974. Over the same period, the Board disbursed nearly \$16 million to around 10,000 annuitants.

In addition to plans for pastors and others serving churches, the Annuity Board offers plans for employees of Baptist hospitals, colleges, homes for children or for the aged, and others.

The Annuity Board, located in Dallas, also administers life, health and disability plans for persons serving churches and agencies. The insurance program is underwritten by Aetna Life Insurance Company.

# FOREIGN MISSION BOARD

Southern Baptist Convention Richmond, Virginia

"Standing as we are upon the threshold of the last quarter of this century, we are deeply aware of the escalating demands for a greater Christian witness than has ever yet been given . . . It is important that new plans be made, fresh insights be gained, larger resources be provided, and forward steps be undertaken."

# MISSIONARY SUPPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1974, the Board had an overseas missionary staff of 2606 (including 191 missionary associates, 148 missionary journeymen, and 3 special project medical workers), for the first time going over 2600. The 250 reinforcements for the missionary staff were the second highest ever for a calendar year. The new missionaries included 12 who were reappointed, 26 missionary associates, 77 missionary journeymen and 2 special project medical workers. These bring the total number appointed since 1845 to 5422.

On January 1, 1975, Southern Baptist missionaries were assigned to 82 geographical or political entities.\* These five areas were added during 1974: Panama, Grenada, St. Lucia, Dominica, and Madagascar. In addition, the Board approved assigning missionaries to Nicaragua and El Salvador.

A major board action in 1974 was the division of South America into two administrative areas, effective at the beginning of 1975.

\*Angola, Antigua, Argentina, Austria, Bahamas, Bangladesh, Barbados, Belgium, Bermuda, Botswana, Brazil, Chile, Colombia, Costa Rica, Dahomey, Dominica, Dominican Republic, Ecuador, Ethiopia, France, Gaza, Germany, Ghana, Greece, Grenada, Guadeloupe, Guam, Guatemala, Guyana, Honduras, Hong Kong, India, Indonesia, Iran, Israel, Italy, Ivory Coast, Jamaica, Japan, Jordan, Kenya, Korea, Laos, Lebanon, Liberia, Libya, Macao, Madagascar, Malawi, Malaysia, Mexico, Morocco, Mozambique, Niger Republic, Nigeria, Okinawa, Panama, Paraguay, Peru, Philippines, Portugal, Rhodesia, Senegal, Singapore, South West Africa, Spain, St. Lucia, Surinam, Switzerland (Baptist Center), Taiwan, Tanzania, Thailand, Togo, Trinidad, Turkey, Uganda, Upper Volta, Uruguay, Venezuela, Vietnam, Yemen, and Zambia. (Work in Libya, Greece and Turkey is with an English-language Baptist church in each country.)

## EVANGELISM AND CHURCH DEVELOPMENT

Evangelism and church development are central to the objective of missions: making disciples in the fellowship of local churches, and developing churches into a cooperative effort for a continued outreach. Churches overseas are stimulated by the Foreign Mission Board and its missionaries, but rather than being extensions of, they stand in fraternal relationship with the Southern Baptist Convention. Accomplishments are largely those of national churches, leaders and convention, with the assistance of missionary co-workers and resources from Southern Baptists.

Strategy planning is receiving increased emphasis as the Board moves into the process of developing "bold new plans" for the remainder of the century. Strategy conferences and study are involving not only Board personnel and other Southern Baptist leaders, but also the Missions around the world.

Representative of activities in evangelism and church development during 1974 were work in: radio and television, religious education promotion, lay leadership training, stewardship, camps and conferences, women's work, men's work, youth work, and music. There were special conferences on: religious education in South America; stewardship in Mexico, Jamaica, and Liberia; church architecture in Jamaica; and music in Colombia and Japan. Choirs from Bahamas, Mexico, and Austria performed in the United States. Telephone evangelism was used in Taiwan.

Evangelistic campaigns were conducted in many lands. Work in new dialects, organization of new English-language congregations, and church building programs in several countries were reported. The first baptisms in Surinam took place. New Baptist conventions were organized in Zambia, French West Indies and Barbados. Reports of

expanded home mission programs came from Mexico, Venezuela, Ecuador, Brazil, and Rhodesia. Baptists of Chile reorganized their convention structure and those of Argentina began studies for that purpose. A woman was elected president of the Dominican Baptist Convention.

# SCHOOLS AND STUDENT WORK

Strong indigenous churches must have capable and well trained leadership from among their people. Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. Baptists also sponsor theological schools and Bible institutes to prepare men and women for church and denominational leadership. Theological-study-by-extension begun as a pilot project in East Africa has expanded into many countries with Antigua, Uruguay, Ghana, Nigeria, Rhodesia, Kenya, Jordan, Malaysia, Indonesia and Vietnam reporting new or expanded programs in 1974.

In 1974, the seminary in Mexico began classes in its new setting in Mexico City, adding night classes for the first time. In Brazil, a new seminary was reported at Parana and a master's degree program was instituted at South Brazil Seminary in Rio. New seminary buildings were under construction in Equatorial Brazil and Venezuela. Government approval was given for a new theological college for the Caribbean, to be located in Barbados.

A new Baptist School was opened in Amman, Jordan, in 1974. The small girls' school in Jibla, Yemen, moved to a new location.

Around the world, the student generation is receiving attention from Baptist Missionaries and national conventions. In 1974, new student centers opened in Ghana, Laos, and Korea.

## PUBLICATION WORK

As the literacy rate rises and vigorous churches develop, adequate supplies of Christian literature increase in importance.

Probably the most significant development in publishing work in 1974 was the working out of agreements with Baptist conventions in Nicaragua and El Salvador for placing missionaries in those countries to carry out literature ministries.

Fifteen countries were represented at the quadrennial meeting of the Advisory Committee for the Baptist Spanish Publishing House in El Paso, Texas.

New Bible correspondence courses were developed in Venezuela, Ecuador and Austria. In Mexico there was a new course on the family. The Bible Way course in Rhodesia was produced in a new language.

Other new publications included: a new hymnal edition in Portugal; dialect hymnals in Angola; Sunday School literature for the Caribbean launched by the Caribbean Baptist Fellowship; a Christian education manual in Jamacia, materials in Dutch for Surinam; and Sunday School materials and a Baptist journal in Mozambique.

# HOSPITALS AND MEDICAL CARE

While meeting the physical needs of thousands of people who might otherwise be neglected, Baptist medical work often opens strategic doors for evangelism. In cooperation with national medical personnel, this witness is expressed by Southern Baptists through hospitals, dental clinics, dispensaries and day clinics, nursing schools, and other health care ministries in overseas lands.

Significant developments in medical work in 1974 included: a new intensive care unit and prosthetics shop at the Baptist Hospital in Colombia; a new surgical ward and intensive care unit in Korea; addition of a pharmacy building and staff quarters to Ghana Hospital, remodeling and enlarging portions of Gaza Hospital; new outpatient clinics in several countries, including Mexico and Brazil; and government approval for the nursing schools at Eku Baptist Hospital in Nigeria.

Mobile clinics continue to be effective among rural and village people. Through day clinics held in local churches and staffed chiefly by national Christian medical personnel, much-needed health care is provided and, often, doors are opened to a hearing for the gospel.

#### BENEVOLENT MINISTRIES

Social service ministries, closely related in motivation and results to medical work, include agricultural programs, good will and community centers, orphan homes, and direct relief.

Increasing awareness of the growing world hunger problem and response to the hurricane in Honduras gave a new thrust to Southern Baptist relief efforts overseas. The Convention's Executive Committee was asked to help inform Southern Baptists that the Foreign Mission Board serves as a channel for overseas relief ministries. A special staff work group began developing a "disaster response plan."

Major drought and famine relief efforts were carried out in Upper Volta, Niger Republic and Mozambique. Programs of relief and reconstruction followed the hurricane in Honduras and new flooding in Bangladesh.

In 1974 a new agricultural missions project was begun in Angola and one in Zambia was officially opened. An agricultural loan fund was set up in Mexico and agricultural and community development projects in Ethiopia were expanded. New social service projects were reported in Vietnam, Japan and North Brazil.

#### CONTRIBUTIONS

At the end of 1974, Southern Baptists' contributions for foreign missions totaled \$44,203,185. The 1974 Lottie Moon Christmas Offering goal was \$23 million—an increase over the \$22,232,757 contributed (as of May 1, 1974) through the 1973 offering.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth.

#### HOME MISSION BOARD

#### Southern Baptist Convention Atlanta, Georgia

Arthur B. Rutledge, Executive Secretary

#### EVANGELISM STATUS RAISED

The status of the Home Mission Board's Division of Evangelism received attention in 1974 from several directions. A motion "that a commission on evangelism be established" was made at the annual meeting of the SBC and was tabled for study by the Home Mission Board. Prior to the Convention a Study Committee of Fifteen had reported to the SBC Executive Committee that "some way needs to be found, both in organization and emphasis to give evangelism a bolder profile in Baptist life." The Home Missions Board subsequently voted in March, 1975, to elevate the Evangelism division in staff structure to section status, making the director immediately responsible to the Home Mission Board's executive director-treasurer. The SBC Executive Committee has been requested to consider and recommend to the 1975 Convention that the evangelism development program be augmented by two more programs: the program of personal evangelism and the program of mass evangelism.

#### NEW WORK EXPLORED

The Department of Church Extension reported 38 new churches and 81 new missions begun in 1974. Besides New Work Seminars being held on the campus of each of the six seminaries, the department sponsored 50 seminary students to work in special projects in apartment complexes, blue collar communities and resort areas. Pilot projects were begun in exploring ways to minister to apartment dwellers, mobile court residents and weekend outreach ministries for college students. Forty-three of the churches receiving financial support from the department in 1974 achieved self-support.

#### 96 NEW CONGREGATIONS STARTED

The Department of Language Missions led in the establishment of 96 new language-culture congregations during the year. The department participated in the support of 950 language missionary personnel serving among 30 ethnic groups. Sixty-five congregations receiving financial assistance developed plans to achieve self-support. The department led a conference designed to assist churches in the use of cultural factors in reaching language-culture persons. A language missions strategy was developed with eight state conventions.

#### VOLUNTEERS AUGMENT MISSIONARY FORCE

The employed missionary force was augmented by a volunteer force exceeding thirty thousand involved in assisting home missionaries or in various evangelism and missions projects. This surprising number includes 138 Christian Service Corps workers—adults who serve with missionaries for periods ranging from two weeks to a year—over 7,500 lay evangelism school directors and over 500 renewal associates-resource persons who assist in leadership of renewal evangelism conferences—4,365 assisting in Christian social ministries, over 1,100 students in summer and semester missions, and thousands included in 190 youth mission groups. Doubtless, there are thousands more whose work never finds its way into formal reports.

#### LOANS PROGRAM EXPANDS PORTFOLIO

The Division of Church Loans in the past year increased its portfolio from \$38,647,000 to \$43,600,000 and increased its loans to churches by 10 percent. The

delinquency rate decreased by more than 25 percent. With Convention approval, the division set up the H.M.B. Securities Corp. for the purchase and sale of church bonds. The program provided counsel on church loans to 1,300 congregations during the year and approved 250 loan applications for a total of more than \$12 million. During 1974, \$4,500,000 was borrowed on lines of credit with lending institutions in order to extend loans to churches.

#### ASSOCIATIONAL OFFICERS' TRAINING PLANNED

Through its National Convocation on the Southern Baptist Association held at Ridgecrest, the program of associational administration service enlisted 10 state conventions in providing associational officers' training conferences. Thirty-two study group papers were produced at the Convocation which was attended by 1,400. Nine hundred associational leaders were involved in training for long-range strategy planning. Through the year, this program related to 1,190 associations and 225 Home Mission Board Missionaries.

#### CLARK BECOMES DIRECTOR OF CHAPLAINCY WORK

William L. Clark became director of the Chaplaincy Division after the retirement of James W. Kelly. The program of chaplaincy ministries involved 906 military and civilian chaplains in active service during the year. The division conducted chaplains conferences at each of the six Southern Baptist seminaries, at Ridgecrest and Glorieta Baptist Conference Centers and in Europe. "Operation Denomination", designed to encourage strong relationships between the denomination and its chaplains, is continuing to gain support.

#### WITNESS B.O.O.K. FOR UNDERSTANDING

The Department of Interfaith Witness continues to serve in research and as a resource for understanding of and witnessing to people of other faiths. As part of its work the department distributed 200,000 interfaith witness pamphlets, 19 of which were printed under one cover as B.O.O.K. (acronym for Beliefs of Other Kinds). The department conducted fourteen metropolitan conferences emphasizing lay training in witnessing with more than 400 lay persons participating in the training.

## AAEO RESPONSE OUTSTANDING

The response to the 1974 Annie Armstrong Easter Offering for Home Missions was "outstanding", climbing to \$8,130,142, a gain of 18.1 percent over the record offering the previous year. The goal was \$7.2 million. In addition, the Board received \$6,939,380 through the Cooperative Program during 1974, including \$556,040 from Advance Funds after all budget commitments were met, and the final \$25,000 on a \$1 million Capital Funds allocation for the Board's Church Extension Loan Fund. This is an increase of 11.2 percent over 1973.

#### MISSIONS FOCUS SHARPENS ON U.S.

The Home Mission Board's focus on the United States was sharpened last year with the transfer of responsibilities for mission work in Panama and the Canal Zone to the Foreign Missions Board. With 2,171 persons under Home Mission Board appointment in all 50 states and Puerto Rico at year's end, the total number was only six less than a year earlier. The number of personnel under appointment varies each month as mission churches and special projects are encouraged to move to self-support, limiting the time personnel are considered as home missionaries.

#### CHRISTIAN SOCIAL MINISTRIES PLANS RELIEF

The Department of Christian Social Ministries contributed \$94,365 in 1974 for disaster refief through 14 related state conventions. In addition, the department conferred with state and agency representatives in devising strategy for disaster relief. The department assisted in the support of 400 missionary personnel who serve as state directors, in Baptist centers, in weekday ministries, in youth and family services and with migrants. Besides conducting numerous training sessions, the department assisted fifty-five churches in beginning weekday mission ministries.

#### AID IN DEVELOPMENT OF NATIONAL BAPTIST HOME MISSIONS

The Department of Cooperative Ministries with National Baptists assisted the National Progressive Baptist Convention in the development of its new Home Mission Board. The assistance included consultation on strategy planning and staff planning, assignment of a missionary to aid in mission and stewardhsip education, a contribution of \$15,000 in 1974 and an additional \$10,000 in 1975. Victor Glass, HMB department director, retired at the end of 1974 and was succeeded by Emmanuel McCall, the first black person to direct a program of the Southern Baptist Convention. Edward Wheeler, another black, and B. Carlisle Driggers have been elected associate directors. The program provided scholarships to 173 National Baptist students and four seminary interns and summer mission appointments for 45 National Baptist students. The department participated in 17 teacher training sessions in preparation for the 1975 Home Mission Graded Series study.

#### THE SUNDAY SCHOOL BOARD

#### Southern Baptist Convention Nashville, Tennessee

Grady C. Cothen, President

The 1973-74 fiscal year was one of pre-transition for the Sunday School Board. Dr. Grady C. Cothen was elected president of the Board in February 1974. He began work as president-elect in May, prior to taking office formally on February 4, 1975.

Dr. W. O. Thomason was elected executive vice-president in August 1974. He formally took office on the same date as Dr. Cothen. Both men worked closely with plans concerning activities extending into the new administration.

Dr. James L. Sullivan and Dr. J. M. Crowe made the final report of the administration through the trustees to the Southern Baptist Convention with "heartfelt thanks for opportunities of Christian service given us for more than two decades, for the prayerful support we have experienced throughout the years, and for the blessings of God upon the Sunday School Board as a whole while we have served . . . this agency as it has related to Bible teaching, Christian training, and church administration in the vital ways in which Southern Baptists related to local churches."

The actions and goals of Dr. Cothen and Dr. Thomason during the early days of their administration were reported at the Southern Baptist Convention in Miami, and more recently, at a meeting of the executive committee of the SBC in Nashville in September 1975. Highlights of those reports as presented by Dr. Cothen follow as a report to Baptist state conventions and cooperating associations and churches:

The Church Services and Materials Division has been reorganized in order to give the church program organizations more visibility, better communication, and a more dynamic kind of programming than we have had in the immediate past. Sunday School, Church Training, Church Music and Church Administration secretaries will now report directly to the division director. We have created in response to the needs of Southern Baptists a Family Ministry Department which will attempt to do more than we have ever been able to do related to the needs of the families in the Southern Baptist Convention. We expect to get better and more curriculum materials, better and more conferences.

We have in the process of these reorganizations established at no additional cost to the Board a corporate financial office with a vice president for finance. We have elected E. DeVaughn Woods, former corporation executive as the vice president for finance, and he is already making substantial contribution to the Board.

We also have elected a director of planning for the Board, Morton Rose who is already hard at work in trying to help us get our planning a number of years ahead.

We have some priorities which we are very much concerned about for the immediate future. The first of these is a major new effort at in-depth widespread Bible study. In America, somehow the mind of Jesus Christ must be brought to bear upon our sick society. We will not be content without trying to lead Southern Baptists in a new day of Bible study, trying to legitimize and utilize and correlate the eruption of interest in the last decade in America in which people say, "We want to study the Bible!"

At the Sunday School Board, we want to tie this movement to your church. We'd like to get the reports from it built into the structure in which you are involved. We would like the converts that come out of this to become involved with you in the churches where you work. We would like Bible study to be related to bringing people to faith in Christ and then relating these people to the churches.

Our second priority has to do with equipping the saints. All of us are well aware that the new concerns of the eighties have a good deal to say about the fact there are a good many of us as Christians who have not matured in the likeness of Christ.

We have not grown up as Christians. We are not dedicated to God as we ought to be. We are not giving as we should. We are not witnessing as we should, and many of our problems as expressed in the concerns of the eighties are concerns that have to do with immature expression of the Christian faith.

I have said to the Board's Church Training people and to Dr. Allen B. Comish who supervises the Churches Services and Materials Division, "Let's let our minds run the gamut." Are there new ways we can help the churches? Are there things we can do that we are not doing? Are there new methodologies for helping Christians reach maturity? Can we do something bold and new in developing Christian maturity, in equipping the saints, in building witnesses, in developing givers within the dimensions of our program statements.

A few months ago we held in Nashville the first of the meetings related to these ideas. We shall shortly ask for help from the churches or states, in which we ask the state people involved in these programs to show us a better way. Tell us what the churches are doing in your area. Help us to find new methods. You help us help the churches to do what God wants them to do. But we shall not be content without trying to help equip the saints.

There is concern for the aging, for the needs which they experience, the problems with which they are confronted. We have some responsibility related to program materials in church program organizations, and we shall emphasize these matters in the years to come.

One other - pastors and church staff members have called for help. "Help us to meet the needs in our lives." "Help us to meet the needs in our families." "Help us learn to live with the stresses that we as pastors and staff members know."

"Help us," many people have said, and so through our Church Administration Department, which has been assigned responsibility for trying to offer some help, you can expect us to be attuned to what you want us to do - to your needs and to attempt to do the best we can.

We see our priorities in homes that are fragmenting and dying, in children who are being neglected and know not the meaning of love, in churches that are disturbed by immature Christians, in families that do not know the meaning of peace. I raise to you the vision of a world without Jesus Christ - that's the number one priority. That's what we're about. God help us to give ourselves totally to the mission of Jesus Christ in a troubled world.

## CHRISTIAN LIFE COMMISSION

Southern Baptist Convention Nashville, Tennessee

Foy Valentine, Executive-Secretary

The Christian Life Commission has worked diligently during the past year to develop Christian morality among Southern Baptists. The need was never greater. Family life is on the rocks. Racism is unresolved. Citizenship is characterized by corruption and cowardice. Economics is a ship on the shoals. Christians today live and move in an open Pandora's box of sin and evil, of hunger, injustice, joblessness, pollution, pornography, inflation, violence, four-letter filth, materialism, greed, sexual exploitation, gross moral

irresponsibility in television programming, war, and wickedness in high places. There is a pervasive feeling that nothing matters and that nothing works, that nobody listens and that nobody cares.

The Christian Life Commission exists to help develop Southern Baptists' commitment to the moral integrity which the Bible calls righteousness. The Commission stands for the centrality of Christian family life to the well-being of the churches and the nation, and calls for a new commitment to the biblical ideals for marriage and family. The Commission stands for the Christian way in race relations, believing that the Christian way is mankind's only hope for breaking down the dividing wall of hostility between still alienated races. The Commission stands for Christian citizenship and the responsible use of political power which, for believers, is not optional but required. The Commission stands for the application of God's good news in the world of economics and daily work where most of our lives are lived out in this kind of world. The Commission stands for the Christian morality which is the authentication of true Christian experience and the ground of all effective Christian witness to the world.

Specifically, the Christian Life Commission has emphasized applied Christianity through conferences on "Southern Baptists and the Bicentennial" at Glorieta and Ridgecrest, a national seminar on Integrity, state conferences on Christian family life, the wide distribution of pamphlets and cassettes on Christian social concerns, the sponsorshp of special days like Race Relations Sunday and Christian Citizenship Sunday, the distribution of some 50,000 copies of APPLYING THE GOSPEL: SUGGESTIONS FOR CHRISTIAN SOCIAL ACTION IN A LOCAL CHURCH by William M. Pinson, Jr., the channeling of numerous materials on applied Christianity through Southern Baptist mass media outlets, the writing and publishing of a number of books dealing with important social issues from a Christian perspective, and a wide-ranging preaching ministry emphasizing the practical dimensions of the Christian gospel.

The Christian Life Commission affirms its commitment to help Southern Baptists establish the kind of moral and social climate in which our total witness for Jesus Christ can be most effective. With God's help, the Commission will keep working to help changed people to change the world.

#### THE RADIO AND TELEVISION COMMISSION

#### Southern Baptist Convention Fort Worth, Texas

Paul Morris Stevens, President

The Radio and Television Commission of the Southern Baptist Convention walks a careful line to exist in the secular world of broadcasting and yet remain true to its own mandate of helping to win the world for Christ.

The Radio and Television Commission walks this line because it is in the peoplereaching business. It competes with no church but is, instead, an arm of all churches, designed to extend into the cracks and crevices of humanity where churches are often prohibited.

The programs that Baptists produce through their Radio and Television Commission are designed to reach people who don't know about God, or people who couldn't care less.

"Jesus said for us to be as wise as serpents and harmless as doves," Dr. Paul M. Stevens, president of the Radio and Television Commission, paraphrased.

"So, if someone would turn the dial away from a preaching program, we will condense that same message into five minutes and include it with 25 minutes of something they want to hear. The important thing is to tell them about Christ."

"We don't try to make Baptists out of them," he continued. "We tell listeners that God loves them, that God has a better plan for their lives. After they write us, we encourage them to make a commitment to God and to affiliate with the nearest church of their choice."

The Radio and Television Commission has just one product to "sell" – the Christian faith. "We have not watered down the message, we have just presented it in a different format," Dr. Stevens said.

Radio programs include: "MasterControl"\*, a half-hour program combining popular music and general interviews. "MasterControl"\* is on 611 stations.

"Powerline," a top 40 music program is heard on 773 stations. This program is designed for teenagers who have turned off traditional church and includes the music they want to listen to, coupled with several inspirational thoughts.

Thousands of letters a year pour in from troubled young people who, for one reason or another, feel they can't turn to their own parents or religious leaders. The letters are confidential and counseling is offered by one of the Commission's staff of highly trained counselors.

"Country Crossroads," a program featuring country music and interviews with top country music stars is heard on 528 stations. The country music stars talk about their careers and many of them give strong Christian testimonies.

The Commission's newest radio program, "Soul Searchers," created for black listeners, is just being marketed and is already on 59 stations. It follows the "Powerline" format of specialized music (rhythm and blues) and inspiration.

The Commission's flagship program, "The Baptist Hour," is on 378 stations, and is the only program to bear the Baptist name in its title, and to follow a preaching format. Dr. Herschel H. Hobbs, who retired recently as pastor of the First Baptist Church of Oklahoma City, has been "Baptist Hour" speaker for more than 16 years.

Baptists entered television with "The Answer" and have supplemented that religious series with "The Human Dimension" – a half-hour color series of dramas and documentaries which help to shed light on some of the problems and pressures of today's society.

The Commission also produces a television cartoon – JOT – for children. This four and one half minute animated cartoon teaches children lessons about themselves, others, and God. One mother wrote to say that JOT taught her child, in less than five minutes, things she had been trying for months to instill.

The Commission also produces "Spring Street USA" for the Home Mission Board.

The Commission broadcasts in several languages – including Spanish, Hungarian, Navajo, Filipino, Estonian, Portugese, Chinese – and the total adds up to 39 programs a week. These programs are heard more than 3,500 times weekly on more than 2,500 different radio and television outlets around the country.

This means Radio and Television Commission programs are heard weekly on one out of four radio and television stations in the country.

In addition, Radio and Television Commission produces – in cooperation with ABC, CBS, and NBC – religious dramas and documentaries aired across the network.

Commission programs are so well received than in 1974, the broadcast industry gave more than \$9 million worth of free time to air the programs. (The Commission buys no time). Estimates are that more than 100 million people a week hear at least one of the Commission's programs, or spot announcements.

There are many stories of people whose lives have been changed by listening to Commission programs, or writing for counseling.

One of these, who became a Christian as result of "Country Crossroads" is Doug Stroud of Arlington, Texas, who was a former spiritualist. "I always figures that anybody who was a Christian couldn't make it on his own," Stroud said. "But I listened to a Country Crossroads for more than a year and heard professional people, like me, say they were Christians and were proud of it. It gave me something to think about. Now I am a Christian, and so is my wife and our two little daughters."

Through contributions to the Cooperative Program the Commission enables every Southern Baptist to have a part in this great ministry of Christian outreach.

# GOLDEN GATE BAPTIST THEOLOGICAL SEMINARY Mill Valley, California

Harold K. Graves, President

During the 31st year for Golden Gate Seminary there has been a record enrollment of 405. Of these 35% came from Baptist colleges. Thirty seven states and 15 foreign countries were represented in the student body. Both international and non-Baptist enrollment increased this year. There were 34 foreign students and 53 non-Baptists.

The Los Angeles Center enrolled 98 students in the first two years of its operation. Several individuals earned more than 30 semester hours of credit through this program.

Joining the faculty this year, were Dr. Nobel D. Brown, Director of Admissions, Max D. Lyall in Church Music, and Dr. Robert L. Cate in Old Testament. Dr. G.W. Schweer joins the faculty this summer as Associate Professor of Evangelism.

Visiting professors during the year included H. N. (Ted) Lindwall of Panama and Dr. Joe Davis Heacock of Southwestern Seminary. The missionary in residence for the new year will be Gordon Robinson of Nigeria.

Re-accreditation both by the Western Association of Schools and Colleges and The Association of Theological Schools was reaffirmed during the year. We are grateful for this continued evidence of quality education being offered at Golden Gate.

Resources in students and finance remain critical at Golden Gate as efforts continue in improving the programs. The Cooperative Program is our lifeline. Thank you for this support and for your prayers and encouragement of students.

There were 6 students at Golden Gate this year from Arkansas.

Landrum P. Leavell, President

New Orleans Baptist Theological Seminary observed its 57th year by electing its seventh president, completing renovation and construction projects tagged at \$1.2 million, and erecting a 95-foot spire on its 16-year old chapel.

Named to succeed Grady C. Cothen, now president of the Baptist Sunday School Board, was Landrum P. Leavell, II, pastor of First Baptist Church, Wichita Falls, Tex. Leavell took the reins of the school on Jan. 1, 1975.

On the construction scene, the seminary completed renovation of the Frost Building, which now houses administrative offices, and erected a long-awaited spire on the Roland Q. Leavell Chapel. The 21.000 square foot addition to the library, which will provide space for 193.000 volumes, is expected to be ready for occupancy by fall. 1975.

Joining the faculty this year were three professors: Bradford Curry, director of the doctor of ministry (D. Min.) program and coordinator of continuing education; Carroll Freeman, associate professor of psychology and counseling: and William B. Rogers, assistant professor of religious education.

Academic highlights of the year included curriculum revisions and the conclusion of an experimental D. Min, program in Florida,

Throughout the year, the student body heard addresses by such outstanding speakers as James L. Sullivan and Grady Cothen. BSSB; Elton Trueblood, author; Stan Nelson and Jesse C. Fletcher, Southern Baptist Foreign Mission Board; Ed Seabough, Southern Baptist Home Mission Board, and James Pleitz, pastor.

The cumulative enrollment, as of May, 1975, registered an 8.5 per cent increase.

W. Randall Lolley, President

Olin T. Binkley retired, after eleven years as president, on July 31, 1974. W. Randall Lolley began as president on August 1, 1974. He is the first alumnus of the Seminary to serve as president.

The transition audit revealed a healthy fiscal situation.

The faculty and staff, at the time of transition, demonstrated a rigor and readiness to continue in pursuit of the purpose of the school -- namely, to equip Christian ministers for their work in the churches and in the world.

The cumulative enrollment for the past academic year, including the 1974 summer session, was 774 students as follows: 482 in the M.Div. program; 48 in the M.R.E. program: 95 in the Certificate program; 44 in the Th.M. program; 105 in the D.Min. program.

Enrollment in the fall semester has increased steadily since 1970; 520 in September 1970; 552 in September 1971; 581 in September 1972; 626 in September 1973; 695 in September 1974. Increases in enrollment for the most recent four years

are 32 (1970-71); 29 (1971-72); 45 (1972-73); 69 (1973-74).

On May 11, 1974, 143 students were graduated. It is notable that the first students were enrolled in Southeastern Seminary in the autumn of 1951, the first commencement was in the spring of 1954, and 2,820 graduates have gone from this campus to serve as Christian ministers.

Two night classes were offered in the autumn of 1974, with 194 persons enrolled from 89 churches in the region.

The faculty and administrative staff have been strengthened by the addition of George W. Braswell, Jr. as Associate Professor of Church History and Missions and Richard Spencer as Assistant Professor of New Testament Interpretation.

A plan for the orderly growth of the faculty has been inaugurated, and vacancies have been declared in Church History and Pastoral Care.

Raymond B. Brown resigned as academic dean to pursue his task as Distinguished Professor of New Testament. He was on sabbatical leave for the fall semester of 1974-75. James Leo Green has been designated Distinguished Professor of Old Testament Interpretation. Robert Poerschke is on sabbatical leave this year.

Plans for expansion and renovation of the library building are underway, with bids to be let by early 1975. Six units (twelve apartments) of housing for married students have been approved by the Board of Trustees.

The process has begun for accreditation by the Southern Association of College and Schools. Southeastern Seminary already enjoys accreditation by the Association of Theological Schools.

The Seminary is supported by funds from the Cooperative Program of the Southern Baptist Convention. These funds are supplemented by student fees and gifts from alumni and other friends. The Cooperative Program overage for fiscal year 1973-74 made possible a one-time (Cooperative Performance) check for all personnel amounting to 5 per cent of the 1974-75 salary base.

Duke K. McCall, President

The Southern Baptist Theological Seminary experienced a record-breaking enrollment, recovered from severe tornado damage, witnessed the opening of a new Bible school on its campus, and inaugurated a new program of summer missions for students in 1974, seminary President Duke K. McCall said.

Degrees were awarded to 241 new ministers at spring commencement in June, marking the largest graduation exercise in the seminary's 115-year history, he said. McCall added that two months later the largest entering class arrived on the 106-acre campus, pushing the first semester enrollment past the 1,700 mark, also a record high.

On April 3, 1974, a devasting tornado ripped through the northern perimeter of the campus, causing damage of nearly \$1 million, McCall reported.

Repair work, he explained, has now been completed to all buildings and plans for relandscaping are in the formation stage.

The Boyce Bible School, located on the seminary campus, opened its doors for the first time in September with 48 students enrolled, McCall said. Since then, more than 100 students have studied at the school which provides Biblical training for pastors who lack necessary college requirements for seminary.

The SBC's Foreign Mission Board joined with the seminary, McCall said, to launch a new program of summer sessions manned by and paid for by seminary students.

The seminary continued its cooperation with the local Baptist association as many students served in various association assignments. The field education projects strengthened the bond between the seminary and association.

The tie will continue to grow as F. Russell Bennett, former director of associational administration services for the SBC Home Mission Board, begins his new ministry as director of field education at the seminary.

IMPACT: 2000!

Major emphasis at Southwestern Baptist Theological Seminary during 1974-75 was on Long Range Planning that produced an impressive volume entitled "Impact: 2000!"

The volume will serve as a blueprint for the last quarter of the twentieth century in all areas of seminary life.

1974-75 was another record setting year for Southwestern Seminary. There were 2,858 students enrolled. The total includes 2,345 on the basic curriculum level, 299 in the advanced degree programs, and 214 on the diploma level. The increased enrollment in the diploma program reflects the seminary's continuing attention and emphasis upon the preparation of the non-college man or woman called to ministry.

New faculty members elected during the year included Harold Freeman, associate professor of preaching, and Scott Tatum, professor of preaching.

The retirement of Miss Floreid Wills, catalog librarian, was announced after twenty years of service.

The Doctor of Theology degree in the curriculum has been replaced with a Doctor of Philosophy degree. Also approved in this year were recommendations to the Board of Trustees changing the Doctor of Ministry program to an in-ministry degree as well as an in-sequence degree. This enlarges the scope of that ministry.

J.M. Price Hall has received complete renovation. The removal of the kindergarten from this building to the new Children's Building made possible the addition of academic space, the provision of facilities for additional faculty, and the opportunities for innovative and creative changes in instruction. The inclusion of a learning center is a major feature of this facility.

Renovation of two housing areas is currently in progress. The basement of the women's residence, Barnard Hall, will provide space for an additional twenty-four students. Cooperative Program Capital Needs money is making this possible. Improvements to the original, ninety-six married student housing units in the J. Howard Williams

Memorial Villiage is also in progress. It is anticipated that the cost will be provided out of the operation of the seminary's total housing enterprise.

Other building and renovation plans include a physical fitness center, which will receive \$447,800 out of the Cooperative Program Capital Needs program and the remainder from a five-year alumni campaign. The construction of a new maintenance building has been approved for 1977-78. Other projects outlined incude Memorial Building improvements, perimeter parking, street and site improvements, and additional married student housing.

#### REPORT OF STUDY COMMITTEE ON MINISTRY

(authorized by convention in session, November 21, 1974)

#### Introduction

The 1974 Arkansas Baptist State Convention adopted a resolution calling for a study of stress in the ministry:

- (1) To survey available literature and current efforts being made in the provisions of helps for pastors and persons in other church related vocations, and their families.
  - (2) To consider several approaches to help the above persons.
- (3) To adopt a work schedule so as to provide for a realistic conclusion of the duties of the committee in sufficient time for proper consideration of any recommendation to be made to the 1975 annual Baptist State Convention, through the already established procedures governing such recommendations to the convention.

In response to that convention action, we, your committee, present the following report:

#### I. Approach taken

The required work schedule for implementing the above resolution incuded the following basic format:

- (1) Three general meetings, consuming several hours per meeting, were held for general discussion, consultation, and evaluation. Additionally, sub-committees, appointed by the chairman, met at designated times to study more restricted areas of the total assignment, and brought their findings to the whole committee. This final report is the concensus of the study committee, based on the findings of the sub-committees and prayerful studious conclusions reached through discussion of the issues.
- (2) A survey was taken through a questionnaire sent to every chuch in the state convention. The survey was sub-divided into three areas, representing three perspectives as the major causes of stress in the ministry. One third of the perspectives were sent to the Pastors, one third to Pastor's wives, and one third to Deacons so that no one church received all three. These were sent to three groups of churches those with resident memberships of 1-150, 151-400, and 400-up. Over 50 percent of those with resident membership 401-up responded; 33 percent of all pastors responded; 28 deacons responded; and 38 percent of all pastors' wives responded.
- (3) Additionally, some 14 other conventions were contacted and asked how their respective fellowships dealt with the problems under study. Their responses were also used in reaching the conclusions reflected in this report.

#### II. Basic affirmations

In light of your assignment to us, and as a result of the above-mentioned approaches, meetings, and surveys, we hereby offer for your consideration the following:

Stress is normal. Everyone has some of it, not anyone has learned to conquer all of it. It may have a Divine origin for the specific purposes of discipline, direction, and growth, but, when improperly responded to, will destroy good men — even men of God. It is agreed that "stress in the ministry" is in some ways different from stress in other professions, and at times, it is even more crucial than in most other professions.

#### III. Survey findings

The three perspectives gleaned through the questionnaires revealed the following opinions as to what are the greater causes of stress in the ministry.

#### **Pastors**

Survey findings from the pastors indicate that most ministers experience stress from the following areas of their ministry:

- (1) Their relationship to the Lord Jesus Christ: inadequate prayer time and prayer life, insufficient personal feeding on the Word of God; and feelings of inadequacy in satisfying the demands of his calling.
- (2) Their relationships to the church: Overwork, Administration and staff relations; deacon's meetings; regular church services; and no provisions for continuing education.
- (3) Their relationship to their family: financial problems, domestic situations, and too little time with the family.

#### Pastor's wives

- (1) Loneliness and isolation: no one to talk to in times of stress, and a desire to get to know other minister's wives.
- (2) Her role as a pastor's wife: need for greater unity between her "role" as Pastor's wife as she sees it and as she believes the church family sees it.
- (3) Financial inadequacies: no financial help available to enable the wife to attend conventions, etc., with her husband; retirement, and life insurance,
- (4) Family relationships: marital conflict and lack of time with husband and his time with the family.

#### Deacons

- (1) Most feel that a prominent cause of stress for their pastor is inadequate finances.
- (2) Most of the churches feel that communication between pastor and people is an area of stress.
  - (3) They feel that another area of stress is the competition between churches.
- (4) They feel that the minister has more stress in his life than the average church member.

#### IV. The basic solution

The indwelling Lord Jesus Christ is the solution! Without appropriation of the Christ life, any servant of God becomes the sorry spectacle of a sincere idealist who is constantly thwarted by his own inadequacy. Ministers must become totally dependent upon the Life of Christ within. The degree to which the Minister is dependent on Christ is the same degree to which he solves stress in his situation. Our Lord does not always remove stress; sometimes He chooses just to give victory in it. The indwelling Lord is limited only by the measure of the minister's availability to Him. Jesus who has been

made the subject of one preaching and teaching, must be made the Christ who is our "Life." However, not every person who has been saved (or even called to preach) knows how to appropriate the spiritual resources already on deposit to meet all stress situations.

The statement of basic solution calls for the following recommendations:

#### V. Recommendations

The work of your committee has been primarily that of identifying the major causes of stress in the ministry. In light of your total assignments to us we recommend:

- (1) That the study should be continued and that our new convention president appoint appropriate personnel to continue this study.
- (2) That no new staff person be employed or office be created by our State Convention to deal with this problem.
- (3) That urgent consideration be given by this committee to the development of seminars, institutes, and conferences to assist the ministry of our churches in meeting the challenge of stress. These seminars, institutes, and conferences should give primary attention to: (a.) the prayer life of the minister and his family, (b.) the Biblical approach to stress solutions, and (c.) the minister's family life.
- (4) That adequate funds be provided for the annual Pastor's Wives meeting at the State Convention, which also includes all staff members' wives, so that adequate promotion and personnel can be provided to be of help to them.
- (5) We further recommend that the committee do further study in the following areas of supportive pastoral help: (a.) continuing education, (b.) available resource materials and persons, and (c.) sources of professional help in situations requiring such.

# BAPTIST MEMORIAL HOSPITAL MEMPHIS, TENNESSEE

The year 1974 for Baptist Memorial Hospital was typical in that services and facilities continued to expand to meet the medical needs of the Mid-South population. New and improved facilities during the past year include:

The Medical Record Department was renovated and new modular furniture installed, creating a more efficient and pleasant environment.

The new Medical Plaza - North physicians' office building neared completion. The building will have nine floors of physicians' offices as well as a large public cafeteria and pharmacy.

A second radioisotope laboratory was developed to meet the rising demand for these services.

The clinical laboratory acquired a new atomic absorption spectrophotometer. This device measures amazingly small amounts of essentially all metals and some non-metals in any body tissue or fluid. For instance, the instrument measures magnesium in quantities of less than 0.0001 microgram per milliliter. A microgram is one-millionth of a gram.

The laboratory also acquired a new computer-controlled biochemical analyzer. Baptist Memorial Hospital was one of the first medical centers in the nation to acquire this sophisticated equipment. It is capable of performing 20 tests simultaneously on one small blood serum sample and operates at the rate of 150 samples per hour.

The Emergency Department was expanded by approximately 3,500 square feet. The expansion included eight new treatment rooms, an observation and treatment area for trauma and shock patients, a prayer room, and an expanded waiting room. Construction began on four new cardiovascular operating rooms to accommodate the growing volume of heart surgery performed. During 1974, 375 open heart procedures were performed at the hospital, and over 37,000 surgical procedures were performed. These new facilities bring the total number of operating rooms to 40.

One of the first brain scan machines to be delivered in this country was installed in the Department of Radiology. Developed by EMI, Ltd., a British company, this \$400,000 piece of equipment provides an extremely detailed picture of the brain. The result produces 100 times more information on brain tissue than from conventional X-ray procedures. The examination takes approximately 30 minutes and creates no discomfort or danger to the patient. Baptist Memorial Hospital has one of the largest volumes of patients receiving neuroradiological testing in the nation.

A more advanced radiation therapy device known as a linear accelerator was installed in the Radiation Therapy Department. The linear accelerator produces a high intensity of radiation with a precise beam which permits a short treatment period. The head of the unit rotates 360 degrees, enabling the easy treatment of a malignant tumor located anywhere within the body. Because of the reliability and flexibility available with the linear accelerator, most of the primary treatment of malignancies will be done by this equipment.

Site work began on a new 400-bed satellite hospital to be built in the eastern suburbs of Memphis. Actual construction is scheduled to begin in early 1976 with the completion of the hospital projected for January, 1978. The hospital will replace a number of antiquated beds at the main hospital facility. The satellite concept will enable many efficiencies through common ownership and will make hospital facilities more readily available to a large portion of the population presently being served by Baptist Memorial Hospital.

After an intensive three-day survey, the hospital was informed that it had received full accreditation by the Joint Commission on Accreditation of Hospitals. Accreditation by the JCAH is evidence that the hospital offers each patient an environment conducive to care and services of high quality and staff and personnel well qualified to provide such care. It is also evidence that the hospital observes the rights and dignity of every person it serves.

An energy conservation program was adopted by the hospital to help conserve to the degree possible the natural resources available. Decorative lighting was eliminated, and hall lighting throughout the institution was cut in half. Other measures regarding elevator usage and the heating and cooling of the facility were also undertaken in an effort to conserve energy.

The hospital's Disaster Plan was tested in a citywide drill which used 150 student nurses as mock patients. The hospital's Disaster Plan and facilities were found to measure up very well to this type of need.

were found to measure up very well to this type of need.

A record number of 213 employees representing 2,775 years of service

received service pins in awards ceremonies.

Baptist Memorial Hospital employees increased their contribution to the United Way campaign by 12 percent, pledging a record amount of \$63,500.

Several members of the active medical staff distinguished themselves by

being elected to high offices:

Dr. James Hendrix, Jr. was elected president of the American Society of Plastic and Reconstructive Surgeons.

Dr. Richard DeSaussure was elected president-elect of the American Association of Neurological Surgeons.

Dr. Robert Miles was elected president of the Southeastern Surgical Congress.

Dr. David Dunavant was elected president of the Memphis and Shelby County Medical Society.

Dr. Bland Cannon was appointed Vice Chancellor for Academic Affairs of the University of Tennessee Medical Units.

Employees filling positions of leadership included:

Hugh Hodgson, administrative assistant, who was elected president of the Memphis Hospital Council.

Joseph Powell, vice president, who was elected chairman-elect of the Tennessee Hospital Association.

Edwina Thomas, director of medical records, who was elected president of the Tennessee Medical Record Association.

It is difficult to give a picture of the extent of the services of Baptist Memorial Hospital by statistics and summaries. Each of the over 60,000 patients treated during the year would have a story of his own to tell regarding his stay at the hospital. The following statistics for 1974 are presented in an effort to give some perspective of the scope of Baptist Memorial Hospital's service program:

The Board of Directors Arkansas Baptist Foundation

We have examined the statement of assets, fund balances, and undistributed income of the Arkansas Baptist Foundation as of December 31, 1975, and the related statements of the operations, changes in investment fund, investment income and distributions, and investments for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the assets, fund balances, and undistributed income of the Foundation on a cash basis at December 31, 1975, and the results of cash transactions for the year then ended on a basis consistent with that of the preceding year.

#### BAPTIST MEMORIAL HOSPITAL

#### MEMPHIS, TENNESSEE

#### NOTES TO FINANCIAL STATEMENTS

#### SEPTEMBER 30, 1975

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Baptist Memorial Hospital followed the recommendations of the American Hospital Association by obtaining independent appraisal in 1962 and 1964. The result of these appraisals is reflected in the current year financial statements by showing a net increase in the value of properties appraised in the amount of \$9,224,607.25. The depreciation expense charged against operations is computed on the appraised values.

The Hospital has consistently used a straight-line method of depreciation, except for the Medical Center Plaza Building. For Medicare cost reimbursement accelerated depreciation on historical cost has been used. The cost reimbursement revenue resulting from accelerated depreciation has been deferred in the current year and will be taken into income in future years.

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third party payors. Provisions for estimated retroactive adjustments under these agreements have been made. An estimate of the current year cost reimbursement in the amount of \$1,500,000.00 has been included in Accounts Receivable - Patients.

#### NOTE 2 - PLANT FUND

Of total unrestricted assets of \$114,059,920.60, \$5,642,384.75 has been designated for construction of Medical Center Plaza Building II and Baptist Memorial Nospital East. The accumulated cost of these assets are shown as part of the Plant Fund as they are not expected to be completely expended during the fiscal year ended September 30, 1976.
