CONSTITUTION

Article I. — The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II. — The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

Article III. — Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of **The Baptist Faith and Message** as adopted by the 1963 session of the Southern Baptist Convention, and **The Baptist Faith and Message** shall not be interpreted as to permit open communion and/or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. The Convention may appoint a committee on credentials at each session which shall make recommendations to the Convention with reference to seating messengers from any church not hitherto affiliated with the Convention.

Article IV. — Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the Convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI. — The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office may be named by the Nominating Committee of the Executive Board to hold office until the next meeting of the Convention. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, both state and southwide. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII. — Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis,) 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15; Arkansas Baptist Newsmagazine, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII. — Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX. — Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X. — Amendments

Section 1. This Constitution and By-Laws may be amended at any regular meeting of this Convention, two-thirds of the members voting concurring in the measure, except Article IV which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI. — Parliamentary Authority

Kerfoot's Parliamentary Law shall be the standard for deciding questions of parliamentary procedure.

Article XII. — Districts

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches co-operating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee on nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed.

The president of the convention shall appoint the chairman of the Committee each year. The chairman must be one who has been a member of the Committee for at least one year and may succeed himself until his tenure of eligibility shall expire.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

APPENDICES

1. **Retired ordained minister's compensation** (1978 Annual, page 40)
That actual expense for housing, up to forty percent (40%) of the total retirement annuity received through the Annuity Board of the Southern Baptist Convention shall constitute a rental allowance paid as part of the retired ordained minister's compensation for past services, effective January 1, 1979.
2. **Performance of wedding ceremonies** (1975 Annual, page 37)
The proper standard recommended by our State Convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas (shall) be ordination.
3. **Doctrinal Guidelines** (1970 Annual, page 61)
Report of the Committee of Twenty-Five adopted, including the recommendation that the SBC statement of faith of 1963, *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.
4. **Appendices** (1967 annual, page 40)
Resolution adopted that a search be made of the minutes of the convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and by laws of the convention as appendices.
5. **Church Ordinances** (1965 annual, page 31)
Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.

6. **Federal Aid** (1965 annual, page 43)

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas, many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.

7. **Executive Board Recommendations** (1963 annual, page 35)

Voted that all recommendations of the Executive Board shall be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the state convention.

8. **Violations of the Constitution** (1960 Annual, page 29)

Where there are violations of the Constitution on the Boards the Convention Nominating Committee (shall be) requested to make proper corrections.

9. **Book of Reports** (1959 annual, page 28)

Voted that the convention constitution and by-laws be printed each year in the Book of Reports for the convenience of our messengers.

10. **Baptist Memorial Hospital Trustees** (1959 annual, page 29)

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.

11. **Capital Indebtedness** (1959 annual, page 30)

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.

12. **Out-of-state participation by Executive Board staff** (1953 annual, page 22)

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Secretary of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.

13. **Seating of Messengers** (1949 annual, page 92)

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

Ex. 24:4; Deut. 4:1-2; 17:19; Josh. 8:34; Psalm 19:7-10; 119:11, 89, 105, 140; Isa. 34:16; 40:8; Jer. 15:16; 36; Matt. 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16 ff.; 17:11; Rom. 15:4; 16:25-26; 2 Tim. 3:15-17; Heb. 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

Gen. 1:1; 2:7; Ex. 3:14; 6:2-3; 15:11 ff.; 20:1 ff.; Lev. 22:2; Deut. 6:4; 32:6; 1 Chron. 29:10; Psalm 19:1-3; Isa. 43:3, 15; 64:8; Jer. 10:10; 17:13; Matt. 6:9 ff.; 7:11; 23:9; 28:19; Mark 1:9-11; John 4:24; 5:26; 14:6-13; 17:1-8; Acts 1:7; Rom. 8:14-15; 1 Cor. 8:6; Gal. 4:6; Eph. 4:6; Col. 1:15; 1 Tim. 1:17; Heb. 11:6; 12:9; 1 Peter 1:17; 1 John 5:7

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made

provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human

personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

Gen. 1:26-30; 2:5, 7, 18-22; 3: 9-6; Psalm 1; 83:6; 32:1-5; 51:5; Isa. 6:5; Jer. 17:5; Matt. 16:26; Acts 17:26-31; Rom. 1:19-32, 3:10-18, 23; 5:6, 12, 19; 6:6; 7:14-25; 8:14-18, 29; 1 Cor. 1:21-31; 15:19, 21-22; Eph. 2:1-22; Col. 1:21-22; 3:9-11

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Gen. 3:15; Ex. 3:14-17; 6:2-8, Matt. 1:21; 4:17; 16:21-26, 27:22 to 28:6; Luke 1:68-69; 2:28-32; John 1:11-14, 29; 3:3-21, 36; 5:24; 16:9, 28-29; 15:1-16; 17:17, Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Rom. 1:16-18; 2:4; 3:23-25; 4:3 ff.; 5:8-10; 6:1-23; 8:1-18; 29:39; 10:9-10, 13; 13:11-14, 1 Cor. 1:18, 30; 6:19-20; 15:10; 2 Cor. 5:17-20; Gal. 2:20; 3:13; 5:22-25; 6:15, Eph. 1:7; 2:8-22; 4:11-16; Phil. 2:12-13; Col. 1:9-22; 3:1 ff. 1 Thess. 5:23-24; 2 Tim. 1:12; Titus 2:11-14; Heb. 2:1-3, 5:8-9; 9:24-28; 11:1-12:8, 14, James 2:14-26; 1 Peter 1:2-23; 1 John 1:6 to 2:11, Rev. 3:20; 21:1 to 22:5.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sancti-

fied by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22, Isa. 5:1-7; Jer. 31:31 ff.; Matt. 16:18-19, 21:28-45, 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44, 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2; 15:24-28; Eph. 1:4-23, 2:1-10, 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19, Heb. 11:39-12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9; 2:19; 3:2

VI. THE CHURCH

A. New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42, 47, 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1; Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4, Rev. 2-3; 21:2-3

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17, 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23, Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-29; Col. 2:12

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed

in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1 ff.; Mark 2:27-28; 16:1-7, Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2, 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1, Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3, 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8:19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13, Rev. 1:6, 9; 5:10; 11:15; 21:22

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 2:4; 11:9; Matt. 16:27; 18:8-9; 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5; 15:24-28, 35-58; 2 Cor. 5:10; Phil. 3:20-21, Col. 1:5; 3:4; 1 Thess. 4:14-18; 5:1 ff.; 2 Thess. 1:7 ff.; 2; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7 ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11, 20:1 to 22:13

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; 10:5-15, 13 18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16, 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:

42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11, 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1, 5, 9, 14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7 ff.; 119:11; Prov. 3:13 ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:19; Matt. 5:2; 7:24 ff.; 28:19-20; Luke 2:40; 1 Cor. 1:18-31; Eph. 4:11-16; Phil. 4:8; Col. 2:3, 8-9; 1 Tim. 1:3-7; 2 Tim. 2:15; 3:14-17, Heb. 5:12 to 6:3, James 1:5; 3:17

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18; Mal. 3:8-12; Matt. 6:1-4, 19-21, 19:21, 23:23, 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47, 5:1-11; 17:24-25, 20:35; Rom. 6:6-22; 12:1-2, 1 Cor. 4:1-2; 6:19-20, 12, 16:1-4, 2 Cor. 8-9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such co-

operation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17 ff.; Judg. 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Neh. 4; 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1 ff.; Acts 1:13-14; 2:1 ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12; 2 Cor. 8-9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12, 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48, 22:36-40; 25:35; Mark 1:29-34; 2:3 ff.; 10:21; Luke 4:18-21, 10:27-37; 20:25; John 15:12; 17:15; Rom. 12:14; 1 Cor. 5:9-10; 6:1-7, 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philemon; James 1:27; 2:8

XVI. PEACE AND WAR

It is the duty of Christians to seek peace

with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Voted: To Adopt Credentials Committee Report

17. Chairman D.C. McAtee reported that the Credentials Committee of the Arkansas Baptist State Convention of 1979 recommends to the convention that:

- (1) No action be taken concerning First Baptist Church, Siloam Springs, since they have not submitted a request for their messengers to be seated.

- (2) That the messengers from Vanderbilt Baptist Church in West Memphis be seated this year since they have not received members as yet by alien immersion. However, they have been cautioned that if they do, they will be challenged again next year.
- (3) That the messengers from First Baptist Church, Hot Springs, be seated and be cautioned concerning accepting people by statement or letters from groups who differ from us on basic doctrines such as the security of the believers.
- (4) That the First Baptist Church of Russellville messengers be seated and given another year to get their house in order if they expect to be seated next year.
- (5) We further recommend that the constitution and bylaws committee be requested to make a study of and give a better definition of open communion and alien immersion.

Motion seconded. George Fink, Vanndale, moved that the recommendation be amended not to seat the messengers of Vanderbilt Baptist Church, West Memphis. Motion to amend seconded. Ray Edmondson, Blytheville; Harrison Johns, Conway; Shelby Bittle, Wynne; and D.C. McAtee, Forrest City, spoke to the amendment. Parliamentarian Carl Overton pointed out to the messengers that the Arkansas Baptist State Convention did not have to do what the Southern Baptist Convention or associations did. Dillard Miller, Mena, called for question. The amendment was voted on and defeated by a majority.

Discussion on the original recommendation followed. Larry Thomas, Plainview, moved that the recommendation be amended not to seat the messengers from First Baptist Church, Russellville. Those speaking to the amendment were Larry Thomas, Plainview; Harrison Johns, Conway; Leroy Rogers, Van Buren; and Norman Lewis, Crossett. Previous question was called for. The motion to amend was defeated by a majority.

Selph, Benton, nominated Dillard Miller of Mena. Jon Stubblefield, Magnolia, nominated John Finn of Harrison. Lendoll Jackson, Powhattan, nominated Clifford Palmer of Springdale. Voted: To Send Letter of Apology

19. Ray Crews, Heber Springs, moved that a letter of apology be sent to the young lady standing at the front of the auditorium Tuesday night during Richard Jackson's message.

Seconded by Larry Maddox, Little Rock. Brother Maddox then read the following transcript lifted from Second Baptist Church's tapes of the message.

“Have you got an emergency ma'am, you need to talk about?”

Well, you can wait until I get through because God put me in charge right here, okay. So I'm in authority right here and you just sit down and when I get through if they want to listen to you they can, but that will be their choice. They invited me, they didn't invite you. Anybody that don't like what I am saying you have the privilege of leaving, but not interrupting me.”

President Jackson informed the convention that he had spoke to the young lady and her mother and she is ill. The motion was voted on and carried with some opposition.

Larry Maddox then requested that a copy of the letter be sent to Richard Jackson. Ernie Perkins, Fort Smith, requested convention action on the request. Larry Maddox changed his request to a motion. Motion seconded and carried with some opposition.

Voted: To Adopt Baptist Building Study Committee Report

20. C.A. Johnson, Little Rock, Chairman of the Baptist Building Study Committee, read the following report and recommendation as out-lined in the 1979 Book of Reports and moved its adoption.

BAPTIST BUILDING STUDY COMMITTEE REPORT

MOTION ADOPTED: The Arkansas Baptist State Convention adopted the following motion November, 1978:

“that a committee be appointed by the President of the Convention to study the space needs of our Baptist Building and report back to our Convention in session next year.”

COMMITTEE APPOINTED: President Johnny Jackson appointed the following committee: C.A. Johnson (chairman), Jack Bledsoe, Wilbur Herring, James Hill, Don Moore, Ferrell Morgan, and Leslie Riherd.

MEETINGS: The committee has met on five different occasions during the past year. Executive Secretary Charles Ashcraft and President Johnny Jackson met with the committee on each occasion.

METHOD OF STUDY:

1. The names and addresses of the committee members were published in the **ARKANSAS BAPTIST NEWSMAGAZINE** and Arkansas Baptists were invited to express their views to committee members.
2. The committee involved the Baptist Building personnel in conducting a survey of the Baptist Building needs. The survey included (1) present utilization of facilities, (2) projected space and personnel needs for the next twenty years, (3) parking lot spaces, (4) use of conference rooms and chapel.

3. The committee chairman consulted with Bob Lowery of the Church Architecture Department of the Sunday School Board and with a representative of the Book Store Division of the Sunday School Board.
4. The committee employed the services of Tegethoff Associates, an architectural firm of Little Rock, to assist in the study.

FINDINGS: Our study reveals that space needs do exist. Therefore, on the basis of our findings we recommend that our Baptist Building space be enlarged to the **equivalent** of a third floor on the present Baptist Building and that we double the amount of parking space now available.

ALTERNATIVES: (To meet the above recommendation)

1. Construction of office facilities and parking deck on adjacent property.
2. Addition of a floor to the existing building and construction of a parking deck on adjacent property.
3. New facilities at a new site.

PROCEDURE:

1. That this project be turned over to the Executive Board and that they report back to the 1980 Convention with detailed plans for convention approval or disapproval.
2. That the Executive Board be instructed to use convention reserve funds to prepare proposed plans.

Motion seconded. T.K. Rucker, Little Rock, moved that the recommendation be amended to list a fourth alternative, "4. Or any other alternative that is feasible and can be financed." Motion to amend seconded and carried.

The charter and bylaws of the Foundation provides that if a donor does not select an income beneficiary, the gift shall be classified as undesignated, and the Convention each year is to select the income recipient. Currently, the income from undesignated receipts is approximately \$800. In the August Board Meeting, the Foundation Board voted to recommend "that in view of the establishment of emergency receiving homes and the expanding ministry of the Family and Child Care Service, that for 1980 the income from undesignated gifts be distributed to Arkansas Baptist Family and Child Care Services."

Motion seconded and carried. Brother Trulove then brought the Foundation report (see page 105). Reporting that the funds managed by the Foundation are 38% above last year and are rapidly approaching four million dollars. The income generated from investments is up 54% and it is reasonable to believe that a quarter of a million dollars will be distributed to those cause or causes selected by the donor.

Brother Trulove further reported that the Cooperative Program was born at the Southern Baptist Convention meeting in Memphis, Tennessee, in 1925. In those days the messenger was furnished a pin or a printed ribbon to identify them as a official messenger. Through the courtesy of Miss Glenn Kirkland the Foundation has come into possession of one of the ribbons from the 1925 Convention. WORLD HUNGER COMMITTEE REPORT

James A. Smalley, Chairman

The 1977 Arkansas Baptist State Convention authorized a World Hunger Committee. President Johnny Jackson named that committee on March the 24th, 1978, and the first meeting was held on May the 16th. Dr. H.E. Williams has served as Vice Chairman and Margaret Kolb was elected as secretary.

The group commended to the churches the programs of the Mission boards and encouraged their support. We encouraged the observance of the first World Hunger Day on August 2, 1978. The group recommended the committee be reappointed for 1978-79 and that a permanent Hunger Committee be elected at the 1979 convention.

During 1977 and '78, a new group, the "Agricultural Missions Fellowship of Arkansas" developed. Mr. John Cheyne was helpful with this group, which was a spin-off of the World Hunger Committee. They were organized at a luncheon meeting at the convention in 1978. Mr. Lehman Fowler is president of the group. Two of their members have gone on special assignments for the Foreign Mission Board overseas, and they have researched many projects and problems for our agricultural missionaries around the world.

Our committee also sponsored the World Hunger Conference of the Arkansas Baptist State Convention on March the 23rd, 1979, in Little Rock. Letters and posters were sent to the pastor, promoting the second World Hunger Day, on August the first, of 1979.

Also, the Committee in conjunction with Arkansas Interfaith Hunger Taskforce is sponsoring an "Arkansas Interfaith Ingathering" on November the 17th at the Hall of Industry at the fairgrounds in Little Rock. At that time seven denominations in Arkansas will have a time of Ingathering, celebration and worship as they are challenged and respond to a hungry world. A pamphlet with details has gone out to the pastors and mission leadership in our churches.

The committee appreciates the opportunity to serve and to be able to start this organized work related to hunger for the Arkansas Baptist State Convention. We also pledge our support to the new committee and to the Christian Life Council Director, Rev. Robert A. Parker, as they move on from here to meet the needs of people and to proclaim Jesus Christ through this ministry.

2. The Executive Board recommends to the 1979 Arkansas Baptist State Convention that it is our intention to carry out the spirit and intent of the Wood convention motion. However, more time is needed for study. We respectfully request that additional time be extended for the study.
3. The Executive Board recommends to the 1979 Arkansas Baptist State Convention that we proceed with the plans for an adult leadership conference center suitably placed on the Camp Paron property of 263 acres.
We further recommend that the necessary funds be made available for the feasibility study of the conference center not to exceed \$35,000 and that the then existing Camps and Assemblies Committee supervise the feasibility study and the expenditure of the funds.
4. The Executive Board recommends to the 1979 Arkansas Baptist State Convention
 - (1) That the Convention take note of the growing numbers of retired and senior citizens across the state and the need for providing facilities for and ministry to the aging.
 - (2) That the Convention establish a ministry to the aging, including help to our churches and associations, to meet the needs of the increasing number of people.
 - (3) That the Convention employ a Director of Development for Ministry to the Aging at an associate staff level. His primary responsibilities will be to: (1) help establish an Arkansas Baptist Retirement Village, collecting data, evaluating site proposals, recommending methods of ac-

- quiring funds; (2) and assist associations and churches as requested in establishing a ministry to the aging.
- (4) That the inclusion in the 1980 budget of an amount of \$50,000 for the administration of this program.
 - (5) That at the 1981 Arkansas Baptist State Convention this Executive Board program be transferred to the status of an agency of our convention, with a board of 18 trustees with staggered three year terms recommended by the Nominating Committee of the State Convention.
5. The Executive Board recommend to the 1979 Arkansas Baptist State Convention that:

We recommend that a three-year trial be set up for the **Arkansas Baptist Newsmagazine** to function under a separate board effective November 1980, the final decision to be made by the messengers in the 1983 annual convention. The provisions of the special trial would be as follows:

- (1) A nine-member board be elected with one member coming from each of eight districts and one elected at-large. The board is to be nominated through the state Nominating Committee as are all other boards of the convention. The Nominating Committee is to look with favor on having a minimum of one pastor, one journalist, one attorney, one woman, and one businessman. Ex-officio members of this board are to be the president of the Arkansas Baptist State Convention, the editor of the **Arkansas Baptist Newsmagazine**, and the president of the Executive Board.
- (2) All assets, reserves, and personnel matters are to be placed under the trusteeship and direction of the **Arkansas Baptist Newsmagazine**.
- (3) The board is to use the present job description as the primary basis for the personnel's working relationship.
- (4) A committee of five is to be appointed from the Program Committee of the Executive Board to prepare the articles of incorporation to be ready by the 1980 state convention.
- (5) A recommendation is to be made to the 1983 annual convention by a committee composed of three members from the Program Committee of the Executive Board, as appointed by the chairman of the Program Committee, and three members from the board of the Newsmagazine, as appointed by the president of the Newsmagazine board. Ex-officio members of this committee are to be the president of the Arkansas Baptist State Convention, the executive secretary of the Arkansas Baptist State Convention, the editor of the **Arkansas Baptist Newsmagazine**, and the president of the Executive Board.

ANNUITY

Nadine B. Bjorkman, Arkansas Representative

The response in Arkansas concerning upgrading of retirement plans has been record smashing with 174 upgrades since the first of the year. Some of the increased participation perhaps is due to the tax shelter advantage offered by our plan.

Federal law allows ministers and other church employees to tax shelter as much as twenty per cent of compensation through the Annuity Board pro-

gram. The amount deferred by a salary reduction agreement is not reported for income tax purposes, nor are the earnings, until benefits are drawn at retirement. It should be noted, however, that social security must be paid on tax deferred salary.

New members in the retirement plan so far this year total 50 with seven new churches participating.

June 1977	656 employers; 867 total members
June 1978	681 employers; 935 total members
June 1979	706 employers; 951 total members

It is our purpose to encourage churches who have previously felt they could not afford to enter the plan to reconsider the plan now. We do recommend "Route 10" or ten per cent of compensation into the plan to build adequate benefits. This is not a requirement, however, as there is no minimum or maximum that a church can pay into the plan.

Overall participation in Annuity Board plans continues to grow, but, sad to say, many of our churches are providing no protection at all, or still participate on the basis of an earlier program, resulting in inadequate benefits at retirement in our inflated economy.

The Designed Insurance Program is a good program and is available to all Southern Baptist pastors and church personnel, with life, medical and long term disability plans offered. We have available a new brochure describing our insurance program.

ARKANSAS BAPTIST ASSEMBLY SILOAM SPRINGS, ARKANSAS

Lawson Hatfield, Director

The seventy-fifth anniversary of the assembly was conducted in six weekly sessions with near record attendance. The total of 5585 campers was 374 more than last year and just 61 less than the all time high enrollment of 5646 set in 1975.

Three all time records were set: the highest attendance for one week, 1415; the largest number of professions of faith in one week, 155; and the largest total professions of faith for the state assembly in a summer, 309.

Total measurable results for the six week period are reflected in the following table.

Week	Enrolled	Profession of faith decisions	Church-related vocation decisions
1	708	11	17
2	884	33	8
3	458	32	14
4	1362	33	14
5	1415	155	4
6	758	45	28
Totals	5585	309	85

Other records were set with 277 enrolled in the children's building, including preschoolers through grade three. A record number of 4th, 5th, and 6th graders attended with 1009 enrolled.

Physical improvements enjoyed by campers were not all visible this year as in years past when new dorms were being built. Campers benefited however, from several improvements including a new hot water furnace in the kitchen, a new tabernacle roof, a new filter system at the swimming pool, and a new floor in the children's building.

Some more visible improvements include remodeled faculty rooms, three new pianos, air conditioning in the children's park tabernacle, a new adult craft shack and a new platform in the youth tabernacle.

Campers not only made significant life-changing decisions but also enjoyed a wide variety of recreational and sports activities. Awards for the youngest campers included eight, five and three-month old campers, and a super-young award to the 10-week-old Kevin, son of Mr. and Mrs. Bill Falkner. Kevin liked the assembly so well he stayed two weeks. Bill Falkner is a consultant in the Church Training Department of the Arkansas Baptist State Convention.

Two associations sponsored camps for youth and adults from their area in conjunction with the regular Convention weeks. North Arkansas Association director of missions, John Finn, reported 399 campers from his association. Calvary Association Bill Burnett, director of missions, had 250 in attendance.

Improvements for next year will include new teaching pavilions in the youth area and a new ball field.

ARKANSAS BAPTIST NEWSMAGAZINE

J. Everett Sneed, Editor

The purpose of the ARKANSAS BAPTIST NEWSMAGAZINE is to undergird and to strengthen the churches of the Arkansas Baptist State Convention. Religious news of local, state and national interest is featured. It is our goal to inform the Baptists of our state so that they may be more responsive to the cause of Christ.

Except at the very beginning of the Convention and during the war, Arkansas Baptists have provided a paper without interruption. It is the endeavor of the editor and staff of the ARKANSAS BAPTIST NEWSMAGAZINE to be faithful stewards of our responsibility.

The Newsmagazine has had a good year. We are grateful that we have had a small gain both in our circulation and the number of churches that receive the ARKANSAS BAPTIST NEWSMAGAZINE having reached the largest number in the Newsmagazine's history. As of July 1, our circulation was 72,433, representing an increase of 227 since this same time last year. There are currently 923 Ever Resident Family churches, representing an increase of 11 churches since last year.

A current survey indicates that we have had an excellent response to our coverage of church news. It is our continuing desire to provide even greater coverage of the events that transpire in our churches. We are grateful that in 1979 we have been able to increase the number of small features spotlighting people in Baptist life in Arkansas.

The staff assisting Editor Sneed consists of Betty Kennedy, managing editor; Mary Giberson, secretary to the editor; Ann Taylor, bookkeeper; Millie Gill, staff writer and lab technician; and Danna Sample, staff writer. During the past year Mrs. Kennedy received five state awards and one national award for her excellence in layout and design. Other members of the Newsmagazine staff will be competing for awards next year. Each member of the Newsmagazine staff maintains the same high quality of professional excellence.

The major problem confronting the Newsmagazine is inflation. The area in which inflation has hit our budget the hardest is the second-class postage. The postage required to mail the Newsmagazine has increased dramatically as is shown by the fact that in 1972 our postage cost was less than \$14,000. In 1979, we budgeted a little over \$60,000 but it will require about \$74,000 to mail the Newsmagazine. We believe that we have a good estimate for the cost of mailing the Newsmagazine in 1980, \$92,000. In order to maintain a balanced budget it has become necessary for the Newsmagazine to increase its subscription cost five cents per subscriber per month in 1980.

The projected cost of the ABN in 1980 will be \$3.12 for the Ever Resident Family plan; the Club plan, where ten or more families pay annually in advance, will be only \$3.72; and the individual rate will be \$4.10. Where the Ever Resident Family plan is used, the Newsmagazine will have increased only \$1.12 since 1904 in 1980.

We believe that, even with increased prices due to inflation, the ARKANSAS BAPTIST NEWSMAGAZINE is one of the best bargains available to our churches today. The Newsmagazine informs our churches as to the activity of their sister churches, the ministry of the State Convention, and the work of the Southern Baptist mission efforts around the world. We appeal to our pastors and church leaders to assist us in increasing our circulation to an even higher level. We believe that in so doing each church will be helping themselves as well as the entire kingdom's work. We believe that good Baptists are informed Baptists. Let us join hands so that all of our people may have proper information.

BAPTIST STUDENT UNION

Tom J. Logue, Director

Third Century Campaign

1. The only state wide campaign for Baptist Student Union in our Convention's 130 year history.
2. Adopted unanimously by the 1976 Arkansas Baptist State Convnetion.
3. Over 600 churches and individuals are contributing to the campaign.
4. Over \$375,000 has been given at the time of this writing, and it seems certain that well over \$400,000 will have been given by the end of the year.
5. Jamie Jones still gives direction to the campaign but has returned to Fayetteville to direct the Baptist Student Union at the University of Arkansas.
6. The campaign has provided six new workers this school year – three Student to Student workers and three part time associates. These serve on the campuses of six of our large universities.
7. The campaign is largely responsible for the fact that there are part time BSU Directors this fall at 5 of Arkansas' six community colleges.

International Students

1. Several years ago there were 400 foreign students studying in the state. Today, there are over 1,000.
2. Our State BSU President, Norman Cheung of the University of Arkansas, is the first international to serve in this position. Norman became a Christian as an undergraduate student at the University of Central Arkansas.
3. An International Retreat is held each year, in cooperation with WMU, as a time of fellowship and sharing of Christian faith with Internationals.
4. A ministry to wives of international students, Friendship International, is operated in Little Rock and Fayetteville in cooperation with local church groups.

Campus Evangelism

1. Many of our Baptist Student Unions continue to have Share Seminars and WIN Conferences to offer students the training they need to more effectively share their faith in Jesus Christ as Savior.
2. Our Student to Student workers who will be leading out in the areas of dorm visitation, Bible study, and campus evangelism this year are: Joe Northcut at Arkansas State University, Don Finley at Ouachita Baptist University, and Danny Hickey at Arkansas Tech.

Missions

1. Arkansas was second in the nation this year in the total number of Journey-men appointed by the Foreign Mission Board. Texas had 23, Arkansas 11, and Tennessee was third with 10. Considering the total number of Baptist students in the state, Arkansas was easily number one in percentage of appointments.
2. There were over 60 Arkansas students who served as summer missionaries last summer.

3. Our Summer Missionaries reported great experiences with many professions of faith again this year. (Final tabulation of reports is not complete at this time, but each year several hundred conversions are reported by our summer missionaries.)

Personnel Changes

1. Arliss Dickerson has moved from Henderson State University to Arkansas State University.
2. Gary Glisson is our new director at Henderson State University. He was formerly State BSU Director for Nevada.
3. Part time workers:
 - Bob James, Arkansas College
 - Dennis Coop, North Arkansas Community College
 - Delbert McAtee, Eastern Arkansas Community College, Mississippi County Community College and Phillips County Community College
 - Lee Beard, University of Arkansas at Little Rock
 - Karen Allred, University of Arkansas at Fayetteville

BROTHERHOOD

Neal Guthrie, Director

In order for the church to carry out the task of mission education and mission action, the Brotherhood Department assists in many ways.

Brotherhood materials are designed to involve men and boys in a variety of mission education and action activities. A strategy of mission involvement in Arkansas has been implemented with goals being set for reaching more men and boys in the state for Christ.

Again, as last year, we see an increase in men and boys involvement in our state. Many new men's groups and Royal Ambassador chapters have been instituted this year.

A fellowship supper for Royal Ambassadors was attended by 375. This annual event was held at Immanuel, Little Rock, and honored C.H. Seaton, outgoing director, with a surprise recognition service.

A number of Arkansas men attended the regional training institutes held by the Brotherhood Commission. The men received training in all phases of Brotherhood work and are helping to implement the work in their local areas.

The first State Renewal Evangelism Workshop was held in March at DeGray Lodge near Arkadelphia. National leadership was present to train our state leaders. It was a valuable and well attended event.

The Brotherhood Department and W.M.U. teamed up to host a young adult mission conference in April. This meeting zeroed in on mission involvement the adult can do in all phases of daily life. Disaster Relief, camping, and mission tours were a few of the topics discussed by those attending.

The State Royal Ambassador Congress was held at First, Hot Springs. Winners in the speaker's contest were awarded trips to camp this summer and a National panel selected four boys from our state to attend the National R.A. Congress, all expenses paid. As usual, missions was emphasized. This year's mission speakers were Dr. Dean Dickens of the Philippines and Mr. Darrel Garner of Malawi. The event closed with a funfilled afternoon at Magic Springs.

R.A. Camp and Lad and Dad Camp were well attended with enrollment doubling over last year. We believe the camping experience a boy receives at

Camp Paron is one to be remembered for a long time. We pray that those who found Christ as Saviour will find God's will in their lives in full commitment. Many boys surrendered to special service to follow God's will in their lives.

Every five years Royal Ambassadors from all over our nation meet together in a national gathering. This year marks the Sixth National Congress and was held in Nashville, Tennessee, at Grand Ole Opryland. Three action packed days with congress sessions, exhibits, tours, Opryland and just good ole fun was enjoyed by boys attending. This event was held on July 10-12. Over 80 boys from Arkansas registered and attended this big event.

The area conferences this year will be used for organizing Disaster Relief Teams. These important meetings should prove to be informative and inspirational. New materials will be discussed and opportunities for mission involvement through Laymen's Crusades, Revivals, and Renewal will be presented.

The final statewide meeting will be the Royal Ambassador Fellowship Super calendared for November 5, at Immanuel Baptist Church, in Little Rock.

Three major goals that I would like to see Arkansas Brotherhood accomplish in the next few years.

1. Disaster Relief Teams
2. Laymen's Crusades – Revivals
3. Men and boys mission tours

It's a great day for the laity and the Brotherhood Department stands ready to help the church in this great state develop a strategy that is Bold and will glorify God in all ways. Let us serve you.

BUSINESS SERVICES

The Division of Business Services seeks to undergird all of the work of the Arkansas Baptist State Convention by providing specialized services to Arkansas Baptists in general and Baptist Building departments in particular.

The computer in the Accounting Services office continues to perform our bookkeeping details satisfactorily, and the computer labeling service has been expanded.

Our Dimension telephone system has continued to give good service. The system has reached capacity, but, as reported last year, it is expandable.

We have improved the procedure for use of the parking lot by daily placing of portable visitor parking signs, in order to utilize the lot fully, but parking space is still limited.

By complying with the President's request for energy saving in public buildings, we have been able to control utility costs somewhat.

In spite of inflation in the costs of utilities, building repairs, property insurance, etc., this has been a good year for the personnel of the Division of Business Services.

CAMP PARON

Robert Ferguson, Business Manager

Camp Paron, located 45 miles west of Little Rock, on state highway 9, consists of 263 acres of beautiful rolling forested hills, and open grassy areas with dormitory type facilities for 210 persons. Situated adjacent to Ouachita National Forest, the setting is ideal for church and convention groups to "come aside from their busy schedules to enjoy the beauty and serenity it affords."

From January 1, to September 1, 1979 thirty one groups have used the facilities with a total attendance of 2,077.

Summer youth camp schedule includes two weeks for National Baptists, one week for Royal Ambassadors, four weeks for Girls in Action, two weeks for local church camps and seven overnight groups. We have seven weekend reservations for September - December, with openings for others who may apply.

The following improvement projects have been completed this year:

1. Blacktop asphalt road through the camp
2. Patio area development around the Snack Shack
3. Enlargement of flag display for RA and GA use
4. Lighting and repairs to teaching pavilions
5. Relocation of blowers (air & heat in dining hall to reduce noise level)
6. Installation of signs on new roadway
7. Installation of new identification sign on state highway
8. Installation of water coolers for summer youth camps
9. Repair softball back stop
10. Fill in rough areas along walkways near dining hall
11. Repair existing sidewalks
12. Installation of new screen doors on cabins
13. Salad bar with meals

Other improvements that have been suggested are:

1. Installation of fence at rear of cabins
2. Improved lighting of camp grounds
3. New outdoor basketball court
4. Partitions for conferences in dining hall and activities building
5. Complete fourth unit of cabins
6. Construct camp chapel

Rev. Horace Pruitt is resident camp manager and Mrs. Opal Doughty serves as kitchen supervisor. Information concerning facilities, rates, and dates available can be secured by calling or writing Robert Ferguson, P.O. Box 552, Little Rock, 72203 (376-4791), in the Baptist Building.

CHRISTIAN LIFE COUNCIL

Robert A. Parker, Director

The newest department of the Arkansas Baptist State Convention is the Christian Life Council. Bob Parker, a native Arkansan and former pastor in the state, was elected in May, 1979 to serve as its first director. He came from Florida where for almost four years he had directed United Christian Action, that state's counterpart to the Arkansas Christian Civic Foundation.

The basic objective of the Christian Life Council is to assist Arkansas Baptists in the propagation of the gospel by:

A. Helping Arkansas Baptists to become more aware of the ethical implications of the Christian gospel with regard to such aspects of daily living as family life, human relations, moral issues, economic life and daily work, citizenship, public affairs and related fields; and by

B. Helping them create, with God's leadership and by His grace the kind of moral and social climate in which the Arkansas Baptist witness for Christ will be most effective. This emphasis in the field of applied Christianity is to be pursued with the full awareness that the chief concern of the Christian Life Council is in the area of Christian social ethics which is understood to mean the application of Christian principles in everyday living. Its primary program assignment is in the area of Christian morality development among Arkansas Baptists.

Correspondence has been sent to all Arkansas state and national senators and representatives informing them of this new, vital ministry. Many other elected officials over the state have also been so notified. Articles in the Arkansas Baptist Newsmagazine have given emphasis to the clear duty of every Christian citizen to act responsibly. Registering to vote and then voting are important practical steps in fulfilling such citizenship requirements.

Next Spring, at a date later to be announced, a conference featuring messages on specific moral problems such as pornography, gambling and drugs will be held on the campus of Southern Baptist College. The latest trends, consequences and preventative measures regarding these problems will be presented in a biblical perspective. It is hoped that other areas will have similar type conferences for pastors and other church leaders.

Working with the Arkansas Baptist Department, a tour has been arranged to college and university campuses all over the state. The work of the Christian Life Council will be shared with students at the Baptist Student Unions. They will be challenged to effectively confront moral issues.

Associational Christian Life committees are in the process of being formed all over Arkansas. These committees will be extremely useful in helping provide an organizational network over the state. Arkansas will be a better state morally and spiritually as a result of willing, concerted action by concerned Arkansas Baptists.

The first months and years of any organization are especially important. Continue to pray for the Christian Life Council and its Director as leadership is extended in the name of Christ for greater and more effective application of the Judeo-Christian ethic.

CHURCH MUSIC

Ervin Keathley, Secretary

The music ministries of Arkansas Baptist Churches continue to show an increase in enrollment year after year. The reports you sent in last year revealed an increase of 1,056 persons, bringing the total enrollment to 41,991. This is a growth of 2.6 percent. We also had an increase of 9% in the number of churches reporting. This is encouraging to us.

Our department exists for the purpose of assisting individuals, churches and associations in enlarging and enhancing their ministry through music. We attempt to do this through counselling, through interpretation of resource materials, and by providing training and performance opportunities such as those listed below in our program highlights.

1978-1979 State Music Highlights

These events are sponsored to implement our purpose of training and developing the musical membership and leadership of Arkansas Baptists.

I. Leader Training

1. **Associational Music Directors' Workshop:** This event is designed to give help to the person in your association charged with the responsibility of promoting music among your churches. We pay the expenses of this person to attend this workshop. Less than half of our associational music directors attended this year.
2. **Volunteer/Part-Time Music Leader Workshop:** Song Leaders, pianists or organists, and pastors are invited to this workshop each year. 1979 was one of our best. A.L. Butler, First Baptist Church, Ada, Oklahoma, led us in a most helpful way. The 1980 Workshop is scheduled for February 8-9. Your church can benefit only if your music leaders attend. Excellent training to meet the special needs of small churches is offered annually.

Arkansas has another music first, also. Don and Vi Orr, music missionaries to Columbia, were the first music missionaries ever appointed . . . and they're from Arkansas.

Our purpose is to serve. May we help you?

COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Robert U. Ferguson, Director

Cooperative Ministries with National Baptists in Arkansas is a joint effort of the Home Mission Board, SBC, and the Arkansas Baptist State Convention. We seek to relate to National Baptists as brothers and sisters in Christ, and co-workers in various christian ministries in order that churches and associations may be strengthened and non-christians brought to a saving faith in Christ.

STUDENT SUMMER MISSIONARIES spent 10 weeks in 16 black churches conducting VBS's camps, and youth programs, enrolling 1,276 youths and resulting in 20 professions of faith.

Twenty-six college students and 3 seminary students were assisted with SCHOLARSHIP program funds totaling \$6,200.00.

BAPTIST STUDENT UNION activities at the University of Arkansas at Pine Bluff, Rev. Lacy Solomon, Director, enrolled 275 students in Bible classes, and others were engaged in various BSU-sponsored activities.

EXTENSION CENTERS for in-service training enrolled 240 pastors and laymen in El Dorado, Bearden, Lewisville, Little Rock, (2) Malvern, Pine Bluff, and West Memphis. Twenty-four extension center graduates participated in Arkansas Baptist College Commencement, May 16, 1979.

"CAMP HART OF THE HILLS" at Paron was attended by 222 campers in a two week program with 7 professions of faith.

FIFTY ONE LEADERSHIP CLINICS AND INSTITUTES across the state enrolled 2,255 persons.

JOINT COMMITTEES are working in Ashley, Bartholomew, Liberty, Central, Delta, Harmony, Little River, Pulaski and Southwest associations, with other associations studying the idea.

The STATE JOINT COMMITTEE has met twice with representatives from all three cooperating conventions in attendance.

Jointly sponsored AREA FELLOWSHIP MEETINGS were held in El Dorado, Hot Springs, Dermott, Quitman, Little Rock, and Texarkana.

Numerous Joint Baptist WOMEN'S DAY OF PRAYER programs were conducted. We encourage our local and associational women groups to look forward to this date, on November 5, 1979.

Rev. Ricky Armstrong MINISTERIAL STUDENT from Ouachita Baptist University serves as assistant to the CHAPLAIN at Tucker Intermediate Reformatory where young black first offenders are housed. Seventeen professions of faith and numerous rededications are registered.

The jointly sponsored STATE EVANGELISM CONFERENCE in January was well attended by both National and Southern Baptists. We appreciate our Convention Evangelism Director, Rev. Jesse Reed for his cooperative spirit.

COOPERATIVE PROGRAM

James A. Walker, Stewardship Secretary

After a long ten-year decline in the percentage of the collection plate dollar going for mission support through the Cooperative Program, Baptists have reason to hope the trend will swing upward. Figures released this year show Southern Baptist Churches increasing the Cooperative Program percentage by .0023 over the previous year. The average Southern Baptist church gives 8.8188 to Cooperative Program.

Arkansas Baptists continue to top the average with 9.55 percent of the collection plate dollar being given for mission support through the Cooperative Program. The Arkansas Baptist State Convention continues to rank high among the states with 41.57 percent voted for SBC. For eight consecutive years Arkansas Baptists have increased the percentage going for SBC causes.

In spite of a disastrous February, Cooperative Program gifts for the first seven months of 1979 are 8.53 percent above last year.

A missionary-in-residence program in Arkansas is aimed at increasing mission support. Gilbert Nichols completed his second term in June and is now serving in Paraguay. James Swedenburg joined the Stewardship Department in August and will serve for one year.

The Program Committee of the Executive Board authorized a study of Cooperative Program giving focusing on causes for a ten year decline in percentage giving and suggestions for increasing Cooperative Program gifts.

Associational mission support and the Cooperative Program join hands with the local church in mission causes. All are engaged in the mission of proclaiming Christ. It is through local church support that waiting missionaries are enabled to respond to a waiting world.

The Bold Mission Thrust calls for increased mission support. Churches are encouraged to increase their Cooperative Program dollars by 15 percent each year and to double their mission support gifts, for world and associational missions, by 1982. These goals are attainable through larger percentages approved by the churches for mission support.

EVANGELISM

Jesse S. Reed, Director

This has been a year of experiencing a dynamic spirit of evangelism in our state. It was a thrill to see an increase of 300 plus baptisms in our state this past year. We have reports of revivals, camps and perennial evangelism that indicate another increase this year.

It is the desire of your Evangelism Department to plan and promote the concept of total evangelism. We are committed to obeying the commission of our Lord in Matthew 28:19-20 to make, mark and mature disciples.

The following events this past year have emphasized this concept of complete evangelism.

The Evangelism Workshop at Paron proved to be a great success. There were 60 leaders present consisting of Directors of Missions, Chairmen of Evangelism, PREP Men and staff personnel. These leaders shared in the Revival Preparation Seminar co-sponsored by our department and the Home Mission Board.

We now have 15 specialized leaders trained as PREP Men. These men are available to come to any local church and help the church prepare to do total evangelism.

The State Evangelism Conference was the scene for a cooperative effort between Arkansas Baptists and National Baptists. The Consolidated Missionary Baptist State Convention and the Regular Arkansas Baptist Convention Incorporated shared with Arkansas Baptist State Convention in that experience.

National Baptist shared with Arkansas Baptist leaders in 10 special conference to inspire more effective evangelism. This conference contributed to a better understanding and greater unity between these groups as we seek to reach Arkansas for Christ.

The "Building and Evangelistic Church" Seminar was conducted in East Side Church, Fort Smith. Dr. Frank Crumpler from the Home Mission Board directed this seminar in cooperation with the Evangelism Department.

There is a renewed interest and emphasis in WIN schools. There were 5 schools at Siloam Springs and 3 at Spring Lake Assembly taught under the direction of our department. An alternate teaching plan has been developed for churches that desire a second school. We have trained 300 plus in these schools to share their faith in Christ.

Clarence Shell and Jesse Reed have preached 24 revivals and conducted several WIN schools. 262 people have made professions of faith through these efforts.

Fires of evangelism have burned brightly in our camps and assemblies as many boys and girls have been saved. Siloam Springs illustrates this with 309 professions of faith in the regular assemblies.

Wes Kent brings a new dimension of evangelism to our department. Wes began his service April 1 and is trained to lead in youth evangelism, child evangelism and bus evangelism. Wes will be preaching revivals and helping churches prepare for total evangelism. Under his leadership, 268 have been trained in WOW schools at Siloam Springs and individual churches.

The following materials are available through the Evangelism Department: **Associational Simultaneous Revival Preparation Manual**, **Area Crusade Preparation Manual**, **A Model Evangelism Plan for A Local Church**. These were compiled and written by Clarence Shell.

The revival tent has been used in crusades at Norfork, Rogers, Gentry, Dermott, Crossett, Quitman, Searcy and Monticello.

Area Evangelism Conferences were conducted in Crossett, Hope, Trumann and Heber Springs. There were 702 people in attendance. 598 of these do not attend the State Evangelism Conference.

Joy Explo '79 will be December 27-28, at First Baptist Church, Little Rock. Dr. Oscar Thompson, Evangelism Professor at Southwestern Baptist Theological Seminary will be the Bible teacher. Ruffin Show, Minister of Evangelism at Eastwood Baptist Church, Tulsa, Oklahoma, will be the preacher. Gary Lanier, Music Evangelist of Weatherford, Texas will bring a concert and Kim Wickes will be bringing concerts on both days. Other singers will be Tony Weston and Billy Davis, Gwyn Monk, Teresa Trull. George Thomas, ventriloquist from Texas will be bringing J.P. Crackerbarrel. The theme for 1979 is "Let No Man Despise Thy Youth" based on I Tim. 4:12. Ensembles from Geyer Springs FBC and Beech Street Texarkana will be singing on the program also.

TELL Witness Training – An audio-visual, small group approach to help “Train Evangelistic Lay Witnesses” is in the pilot stage in Arkansas and will be introduced on a full-scale stage in 1980 throughout Arkansas through our associations and State Evangelism Office.

Evangelistic Youth Rallies will be held in 1980 in Paragould First Baptist Church, June 2, 1980, Batesville First Baptist Church, June 3, 1980, Booneville First Baptist Church, June 5, 1980 and Russellville Second Baptist, June 6, 1980 with separate conferences for youth leadership.

The Evangelism Workshop will be conducted at Camp Paron November 29-30. The theme will be “Ye Shall Be My Witnesses.” The Directors of Missions, Chairmen of Evangelism, PREP Men and state leaders will be challenged to an all-out witnessing campaign in our state.

Twelve associations have reported to our department they plan to participate in the Bold Mission Simultaneous Revivals in 1982. The dates are East February 28 - March 14 – West March 28 - April 11.

January 13 is Commitment Witnessing Day. Every pastor is challenged to preach on witnessing and call his people to a definite commitment.

January 21-22 is the date for our Statewide Evangelism Conference. We will meet with Second Baptist, Hot Springs, Dr. Sidney Sample, pastor. The theme for the conference is “Christ Seeking the Lost.” This will be developed through the following concepts; Foundations, Essentials, Instruments, Motives and Commitment. Dr. Wayne Ward, Professor at Southern Seminary will be our Bible teacher. Rev. Bailey Smith, pastor First Southern Baptist Church, Dell City, Oklahoma will be a main speaker. Dr. Frank Crumpler will represent the Home Mission Board. Monday night will be laymen’s night with Odis Chapman and Dr. Charles Ashcraft preaching.

STATE MISSIONS

Conway Sawyers, Director

The purpose and objective of the Department of Missions is to support the Arkansas Baptist State Convention in its task of bringing men to God through Jesus Christ by developing and promoting, in cooperation with churches and associations, old and new outreach ministries into all changing facets of modern life in response to the Great Commission.

Direct Missions

CHURCH PASTORAL AID, from September 1, 1978 to August 31, 1979, provided salary supplement for pastors of 42 small churches and missions, totaling \$53,990. The purpose of this assistance is to enable the congregation to have a full-time pastor and move toward becoming self-supporting within three to five years.

STUDENT PREACHING AID is provided to several churches whose pastors are undergraduate students in Arkansas colleges.

ASSOCIATIONAL PROGRAM AID is provided two associations to assist them in employing a full-time director of missions. The trend has consistently been toward self-support with a gradual phase-down of assistance.

LINKAGE WITH THE INDIANA CONVENTION began with a simultaneous evangelism crusade in April, involving 110 pastors and preachers from Arkansas and resulting in more than 1,000 professions of faith. A number of Arkansas churches are joining with Indiana churches in co-sponsorship of new work with a goal of 25 new congregations in Indiana by October 7, 1979.

MISSION SERVICE CORPS volunteers are being enlisted through the Missions Department for 1 or 2 years service at home or abroad, as Southern Baptists seek to place 5,000 volunteer missionaries in service by 1982.

IN-SERVICE GUIDANCE is a cooperative effort between the Missions Department and the Home Mission Board to provide counseling and "on-the-job" training for ministerial students. The program, which has been in operation at Ouachita Baptist University for several years, has been expanded to include Southern Baptist College.

CONTINUING EDUCATION includes conferences and seminars for pastors and other church staff members in addition to the Seminary Extension program and the Little Rock Center of Boyce Bible School. The latter has had a record enrollment this year and graduated six students at the end of the spring term.

Chaplaincy Ministries

NEW DIRECTOR. Leroy A. Sisk, recently retired from the Army chaplaincy with the rank of Lt. Colonel, became Director of Chaplaincy Ministries April 15, 1979. He directs the work of the five institutional chaplains employed by the department and is available for counseling prospective chaplains and to assist churches and associations in this ministry.

Two chaplaincy vacancies created by the resignations of Joe Rubert and Larry Henderson were filled during the year. Roy Remont was employed as chaplain at the Hot Springs Rehabilitation Center, January 1, 1979, and Benny McCracken has been serving as chaplain of the Youth Services Center at Pine Bluff since April. Dewie Williams, Doyle Lumpkin, and Chris Copeland continue their ministry at the Cummins Unit, Department of Corrections; Youth Services Center, Alexander; and the Booneville Unit of the Children's Colony, respectively.

STUDENT CHAPLAINS. Two OBU students serve on week ends as interns under the supervision of the senior chaplains at Cummins and Tucker units of the Department of Corrections.

PROFESSIONS OF FAITH resulting from the ministry of these chaplains numbered 373 during the period covered by this report.

VOLUNTEER CHAPLAINS. Many pastors throughout the state have added this dimension to their ministry, serving in a variety of local situations where the need for a chaplaincy ministry exists.

Church Extension

REVOLVING LOAN FUND provided \$116,000 in loans to 13 churches between September 1, 1978 and August 31, 1979. Nine applications are on the waiting list.

BUILDING AID GRANTS amounting to \$13,000 went to 6 churches during the same period.

SEMINARY EXTENSION has 9 centers currently operating in the state, and 52 individuals are enrolled in Home Study courses.

Language Missions

MINISTRIES TO THE DEAF are provided by 19 churches. The State Interpreters Workshop was held at First Baptist Church, Little Rock. The Arkansas Baptist Conference of the Deaf met on the campus of Ouachita Baptist University, June 22-24. Robert Parrish taught three classes in American Sign Language at Ouachita University. Several 14-week sign language classes and five week-end mini-sign language classes were taught in 1979.

WORK WITH HISPANICS. El Grupo Cristiano Latinoamericano, Hispanic congregation in Little Rock, continues to grow under the leadership of Donoso Escobar. Felipe Soto and Elias Pantoia are teaching Bible study in the Hughes, Marion, and West Memphis areas, and a Hispanic Vacation Bible School was conducted in Hughes June 11-15. Fred Ball, a student at OBU, has been engaged in visitation, Bible study, and worship services among Hispanics in Bartholomew Association in a program sponsored by the association with financial assistance from the Missions Department. He was employed full time during the summer.

INDOCHINESE MINISTRY. The Laotian and Vietnamese Christian Fellowship, Grand Avenue Church, Ft. Smith, under the leadership of its pastor Jim Files, is growing and providing sponsorship for Indochinese refugees. There is a need for more churches to sponsor refugees. Baring Cross Church, North Little Rock, held Laotian evangelistic services in April with Joshua Vang, Laotian pastor from Des Moines, Iowa. An Indochinese refugee meeting was held in Mt. Zion Association in May with very good response.

PROFESSIONS OF FAITH among language congregations number 210.

Special Missions Ministries

CHRISTIAN SOCIAL MINISTRIES seeks to enable local churches and associations to discover the various needs in the community and to equip their people to meet these needs. Three associations have organized work in this area, and many churches are engaged in one or more ministries. Liberty and Ashley associations were involved in the distribution of disaster relief funds. Robert Gross directs the Migrant Mission Center in Hope where 77 professions of faith were registered during the past year.

SPECIAL MISSION MINISTRIES. Forty student missionaries were trained during the orientation in June to serve ten weeks in a variety of ministries including resort, migrant missions, Bible Schools, backyard Bible clubs, revivals, etc. The spring Campers on Mission rally was well attended at Buffalo River in spite of rain. A resort conference was held at Paron April 12-13.

INTERFAITH WITNESS Awareness Conferences were held in Current-Gains and Tri-County associations in April with 200 in attendance. Several other associations had Interfaith Witness emphases during the year.

US-2. Three US-2 missionaries are currently serving in Arkansas. Vivian Fong works with internationals as a ministry of Pulaski Heights Church, Little Rock. Chandra Sue Tagnani is assisting Bob Gross at the Migrant Center at Hope, and Tina Fogle is working in resort ministries at Hot Springs.

STEWARDSHIP

James A. Walker, Secretary

Southern Baptists ranked 38th in per capita giving among 45 denominations listed in Church Financial Statistics and Related Data, 1978. The average Southern Baptist gave \$137.33 in 1978.

Arkansas Baptists were above average with \$145.01 per capita gifts through their churches. Based on total membership, the average Arkansas Baptist gave 2.35 percent of his income through the local church. The percentage increases to 3.42 when resident members only are considered.

These figures show a need for continued emphasis on total stewardship. Bold Mission Thrust calls for increased giving.

To assist the churches in developing Christian stewards, the Stewardship Department has focused this year on the work of the local church stewardship committee.

Conferences on the work of the stewardship committee were conducted in a majority of the associations. Pastors attending the conferences received a stewardship packet with information and promotional materials on the work of the stewardship committee.

Committed to Ministries is a new stewardship promotion program produced by the Stewardship Commission. Four area conferences, conducted in conjunction with the Evangelism Department, were held in September.

The Stewardship Department continued to supply thousands of informational leaflets and tracts requested by the churches. Churches were also served through committee conferences, pulpit emphasis, visuals and data related to giving.

Consultants are available through the Stewardship Department to conduct "Building for Today's Challenge" fund raising campaigns.

Continuing goals for the Stewardship Department include:

- An increased awareness of the biblical principles of stewardship.
- An increase in the level of giving by local church members.
- An increasing number of churches using budget development and promotion programs.

The Sunday School has as its objective to support the constitutional purpose of the Arkansas Baptist State Convention – “to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closest cooperation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.”

Assistance was given to 40 churches in 49 local church projects with 1,773 people enrolled.

Other statewide training projects included two Weekday Early Education Workshops held in conjunction with the Missions department; two Reach/Teach Clinics; and the State Sunday School Convention, held in Olivet Church, Little Rock.

WOMAN'S MISSIONARY UNION

Julia Ketner, Executive Director

PURPOSE

The purpose of Arkansas Woman's Missionary Union is to assist churches and associations in establishing, conducting, and improving missionary education. In keeping with Bold Mission Thrust, Arkansas WMU has as a priority the beginning of a missions education program in every church. There will be little response to Bold Missions if people are not informed of the needs and opportunities that call for personal involvement.

EMPHASES

Woman's Missionary Union's special emphases for 1978-79 were "Teach Missions: to live, to give" and "Baptist Women Year in the Church." Among activities promoted to reinforce these emphases were: churchwide pastor-promoted studies of the Foreign and Home Mission Graded Series books, Missions Night Out, Churchwide Bold Mission Prayer Retreat and prayer partner project, study of **The Dynamic Woman I Am: Decision-Making With God**, Round Table Book Club, and regular age-level meetings.

WEEKS OF PRAYER AND SPECIAL MISSION OFFERINGS

Churchwide participation in prayer and giving was promoted during the Weeks of Prayer for Foreign and Home Missions and the Season of Prayer for State Missions. In July, the Bold Mission state goal of \$1,125,000 for the Lottie Moon Christmas Offering was surpassed. Gifts of Arkansas Baptists through the special mission offerings as of October 1, 1979 totaled \$1,727,173.94 divided as follows:

Dixie Jackson Offering	\$ 214,323.46
Lottie Moon Christmas Offering	\$1,138,444.17
Annie Armstrong Easter Offering	\$ 374,406.31

Arkansas WMU has again set BOLD state offering goals for each of the special mission offerings for 1979-80: Dixie Jackson, \$225,000; Lottie Moon, \$1,300,000; and Annie Armstrong, \$460,000. We encourage each church to also set BOLD GOALS for each of these offerings.

LEADER TRAINING

Leader training opportunities were programmed to strengthen the Teach Missions emphasis. These included:

Associational WMU Officers' Retreat at Camp Paron with 92 attending and 25 associations represented.

One day Statewide Church WMU Leadership Conference, Immanuel Baptist, Little Rock with 19 conferences offered and 615 attending.

Eight area Church WMU leadership conferences held in Texarkana, Warren, West Helena, Osceola, Booneville, Fayetteville, Harrison, and Pocahontas. Attendance totaled 495.

Six workshops with emphasis on mission action and Missions Adventures were held for GA leaders.

Leader training was also provided in associations and churches upon request. Approximately 100 from Arkansas attended WMU Week at Glorieta and Ridgecrest for a time of training and missions inspiration.

ORGANIZATIONAL ACTIVITIES

Special organizational activities included:

WMU Annual Meeting at First Baptist, Hope, with approximately 800 attending.

Baptist Women Retreat at Camp Paron with 215 attending.

Young Adult Missions Meeting for young adults and their families with 94 in attendance.

Three Acteens Encounters for girls in grades 7-12 with approximately 200 attending.

Two GA Mother-Daughter Camps for younger GAs with 250 attending and four weeks of camp for older GAs at Camp Paron with 292 attending. Mission offering given by the 292 campers was \$534.64.

SCHOLARSHIPS

Nancy Cooper Scholarships for the 1979-80 school year were granted to Larna Jean Acklin, Terri Edmonson, Donna McCoy, Susie Robinson, Elaine Skaggs, and Alica Kirkpatrick, students at Ouachita Baptist University.

STAFF AND STATE WMU OFFICERS

In May Miss Debbie Moore of Hope, Arkansas, a graduate of Ouachita Baptist University and Southwestern Seminary, was elected GA/Mission Friends director of Arkansas WMU. At the Annual Meeting, Mrs. Boyd Margason of Mountain Home was elected president of Arkansas WMU; Mrs. Richard Lisk, England, vice-president; and Mrs. George Polos, North Little Rock, recording secretary.

Let us continue to be "labourers together with God" as we boldly reach out to win our world for Christ.

ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

Johnny G. Biggs, Executive Director

Under the impact of the life, teaching and ministry of Jesus Christ and under the leadership of the Holy Spirit, Southern Baptists, during the last half of the 19th century awakened to the need of providing care for needy children. The first home for children in our Convention was established in 1864. The need was underscored by the large numbers of children left fatherless and the families left destitute as a result of the War Between the States. With this same spirit, the Arkansas Baptist Home was established in 1894.

Probably no ministry of the church has developed and changed so radically in the past 20 years as the church-related program of child care. Shocking accounts of child abuse, neglect, emotional disturbance, youth suicides, mental illness, juvenile delinquency, crime and violence are stark reminders that our nation's children are in need. Modern Christian child care is concerned about contemporary family life. Divorce, separation, desertion, illegitimacy, drug addiction, poor housing, unemployment, illness and family mobility create many of the problems of families and children.

Eleven years ago, our agency consisted of only the Arkansas Baptist Home for Children where we provided custodial care for children. In addition to the Children's Home, we now have three area offices, a group home for boys, an Emergency Receiving Home and another to open in July, 1979. These developments represent a Board and agency working to keep our ministry relevant to the needs of both children and families.

ARKANSAS BAPTIST HOME FOR CHILDREN. Eighty-three children received care and Christian direction by living at the Arkansas Baptist Home for Children during the year. In addition to receiving the basic needs of food, clothes and shelter, our staff provides a full range of opportunities and services for the children. Recreational activities, counseling, tutorial assistance, church, school and community involvement are vital components of the quality care provided to the youth under our care. Keeping our children in touch with families, either their own or substitute, round out an attempt to meet the total needs of troubled children in need of our services. We continue to provide realistic redemptive help to hurting children and families by combining Christian caring with professional services and bring about healing.

During the course of the year 32 children were admitted to the Home while discharge planning enabled 31 children to be released from the program. The majority of these children were reunited with their families.

The Christian message of God's love continues to be at the core of our child care ministry. Seven of our children were baptized in local Baptist churches. Wednesday evening vespers, weekly church attendance, Siloam Springs Assembly, and a trip to Glorieta by five of our girls provide opportunities for spiritual education and development.

AREA OFFICES. From Little Rock to Jonesboro to Fayetteville, our agency was able to minister to families who turned for help with family and marriage problems. These offices processed 352 new referrals for services and averaged 80 case interviews per month per office. In addition to direct services, these workers are involved with church and community groups in developing needed services to families and children.

FOSTER CARE — GROUP CARE. Fifteen youth were cared for in our approved foster homes. It was gratifying to see church families respond to these needs. Five boys received care and direction by living in our Group Home for Boys in Jonesboro.

EMERGENCY RECEIVING HOME. Through our Emergency Receiving Home in Little Rock we were able to minister to 174 children, ages birth to 12 years of age. This Home provides emergency care for abused, neglected, abandoned children. Christian houseparents can provide a safe, loving environment for these children until a permanent plan can be developed for each of them. The agency accepted the offer of Mr. and Mrs. Howard Funkhouser, Danville, to use their home for an Emergency Receiving Home to provide emergency care for children in a ten-county area in that section of the state. The Home will be dedicated July, 1979.

FINANCES. The churches of our Convention continue to give strong financial support to our child care ministry. In 1978, they gave \$244,264.37 in direct gifts. This reflects a 22% increase over 1977. Direct gifts are in addition to the Cooperative Program. They include the Thanksgiving Offering, Mother's Day Offering, Birthday Offerings, Sponsorship Programs, and Memorials. One thousand six churches made direct contributions in comparison to 969 in 1977. Fifty-three churches broke a pattern of not giving and made a contribution in 1978. In 32 of the associations, direct gifts exceeded the previous year.

Direct gifts plus money received from the Cooperative Program provided 70% of our total expenditures in 1978. The remainder of our operating fund came from gifts from individuals, investments, family and child care support from families, and purchase of care agreements with Arkansas Social Services.

During this year, which has been designated as The International Year of the Child, all agencies serving children are called upon to review their programs for the well-being of children and youth. Hopefully, out of this focus will develop an increased awareness of the needs of children and improved relevant programs to meet these needs. Our agency will renew its efforts to:

- * Express our belief in the value and rights of each child;
- * Express, in practice, our belief in our Christian responsibility to be sensitive to the unmet needs of children who turn to us for help;
- * Keep our ministry relevant to the needs of today's children;
- * Provide a caring ministry to the families of the children in our care to encourage reuniting the family;
- * View our residential services as a family support system rather than a substitute family system;
- * Provide realistic redemptive help to hurting children and families by combining our Christian caring with professional services to bring about healing;
- * Challenge Baptists in Arkansas to join with us in a greater way in this **MINISTRY OF LOVE.**

ARKANSAS BAPTIST FOUNDATION

Harry D. Trulove, President/Treasurer

Thank you, Arkansas Baptists, for providing a way for Christian stewards to be a part of Bold Mission Support . . . today and tomorrow!

The Foundation is the trust agency for the convention. It is the channel through which individuals may provide support beyond their life time for Christian education; child care and mission projects ranging from association missions to the home and foreign fields. For thirty years the Foundation has been this channel. It will continue to be as you support the Cooperative Program.

During 1979 your Foundation celebrated its Thirtieth Anniversary. Dr. Harold Bennett, the newly elected Executive Secretary of the Southern Baptist Convention, was the keynote speaker at a banquet attended by over 200 persons representing various sections of the business and professional communities of Arkansas. Governor Bill Clinton brought greetings from the State and representatives from state and southwide agencies participated in the program. Former directors were recognized and plans for the future unveiled.

By May 25th, the date of the Charter, the assets managed by the Foundation had exceeded \$3,000,000. This was a million dollar increase over the previous year and marked another milestone for Foundation investments.

Investment income for 1979 will be in excess of a quarter of a million dollars. This is ten times the amount earned by the agency in 1974.

Over \$40,000 was paid to individuals under one of three deferred gift agreements offered by the Foundation. For a detailed report of the financial statement, you may wish to refer to the convention annual. For 1978, the report appears on pages 313-318. A copy of the annual audit is filed with the Convention office each year.

In addition to the management of funds, the Foundation also sponsors technical seminars for the development staff of our institutions and agencies. Staying abreast of tax laws, and the required wording for deferred gift agreements, is a must and we are committed to providing this opportunity to our people.

With the Portfolio exceeding \$3,000,000, more time was required in investment management while requests from individuals continued to grow. A way had to be found to provide Arkansas Baptists with the service they deserved.

By mid-year, the Lord met this need. Mr. Roger Harrod, an attorney from Arkadelphia came on the staff as Vice President.

Mr. Harrod's primary responsibility will be to assist individuals in estate planning, work with the donor's advisors in the technical area of charitable giving provide technical assistance to the development staff of our institutions and lead in estate planning conferences for churches and/or associations.

During 1979, churches and associations increased their emphasis in estate stewardship. By the end of the year, the Foundation had averaged leading an estate planning conference every other week. This is over twice the number of conferences for any previous year.

Investments were made that not only produced quality income for individuals and institutions but also stimulated our local economy. Executives of financial institutions indicated the money channeled through them made possible loans to farmers, individuals and churches.

The victories experienced by the Foundation during this year are your victories. They were possible because of the quality leadership provided by the Nominating Committee and the Convention in the selection of our Board: because of the willingness of a dedicated staff to provide quality services: because of the moral support received from our sister institutions: . . . but most of all, because of the hand of our risen, reigning Lord. For all of this we are deeply grateful.

The charter and by laws of the Foundation provides that if a donor does not select an income beneficiary, the gift shall be classified as undesignated, and the Convention each year is to select the income recipient. Currently, the income from undesignated receipts is approximately \$800. In the August Board Meeting, the Foundation Board voted to recommend "that in view of the establishment of emergency receiving homes and the expanding ministry of the Family and Child Care Service, that for 1980 the income from undesignated gifts be distributed to Arkansas Baptist Family and Child Care Service."

ARKANSAS BAPTIST HISTORICAL COMMISSION

1607 Utopia Drive, Benton, Arkansas 72105

Bernes K. Selph, Director

Our report of the Historical Commission is brief but pertinent.

We conducted an oral history workshop on Ouachita Baptist University Campus in November of 1978. Several books and pamphlets have been added to the Commission's library located in Riley Library at Ouachita Baptist University. Some needed equipment has also been added which will assist those doing research. The commission is deeply grateful to the State Convention for publishing the new history of Arkansas Baptists by Dr. Glen Hinson of Southern Baptist Theological Seminary.

BAPTIST BOOK STORE

4418 South University, Little Rock, Arkansas 72204

Robert C. Barnett, Manager

The Baptist Book Store in Little Rock, in its 78th year of service, is striving continually to grow with the churches and their members — and has projected the image and theme — PARTNERS IN GROWTH. We are, constantly, seeking out methods of distribution of material to assist people and churches in their growth effort in new experiences and in gaining new insights.

The earliest beginning of the Baptist Book Store in Little Rock dates back to 1901. The purpose of the store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a Saviour, and to provide adequate help for teaching and training the church, the home and each individual believer.

Through the distribution of four catalogs, we seek to inform our customers of many of the materials we have available for them. The Baptist Book Store Catalog and the Baptist Book Store Church Furnishings Catalog are made available in August of each year. Also available annually is the Christmas Shopper in October and the Spring Gift Catalog in April. Our purpose is to pinpoint areas of need with precise product and service suggestions. These tools, if kept accessible at all times by our customers, will provide the Baptist

Book Store an opportunity to become more effective as PARTNERS IN GROWTH with those we serve.

The budgeted anticipated sales for the year beginning October 1, 1979 through September 30, 1980 is \$793,000. All orders received by mail and long distance telephone will be shipped from our Baptist Book Store Mail Order Center at Memphis, Tennessee 38116, 3349 Winbrook.

A major change in quantity music sales policy went in effect June 1, 1979. A 20 percent discount will be provided on 10 or more copies (per title) of all **printed music** — choral and instrumental — except items such as hymnals which have established quantity prices. Our customers will be able to purchase all music at the new discount schedule from us from vendors who provide at least a trade discount.

Dedication in service is our goal and is expressed in our slogan . . . PARTNERS IN GROWTH.

BAPTIST MEMORIAL HOSPITAL Memphis, Tennessee

Frank S. Groner, President

In an effort to present the most current information, this Associational Report covers the period from June 1978 through May 1979. The statistical portion of the report is for the calendar year 1978.

In a continuing effort to meet the needs of the community served, the following services were instituted during the reporting period.

To provide a more personalized response to the needs of patients and their families, a visiting hostess was assigned to the waiting rooms in the Emergency Department and Intensive Care Unit. The Visiting Hostess Program is a part of the Department of Religion and the hostess activities are closely coordinated by the chaplain.

As a further recognition of concern for the patient, a formal Patient Concern Program was initiated. The main aspects of this program are:

- A. Each member of the administrative staff is assigned to two patient floors. These individuals visit personnel and patients on these floors throughout the week and talk with any patients who have complaints.
- B. A patient concern committee of hospital employees was established to review ways of encouraging good relations between patients and employees.
- C. A program of inservice training on the subject of patient concern is being developed for all employees.
- D. A telephone extension called "Action Line" was established to encourage patients to call if they had any type of problem or question that could not be handled by nursing personnel on their floor. This line is answered in the Visiting Hostess Office.

A Pulmonary Rehabilitation Center was established with the purpose of restoring patients with chronic obstructive pulmonary disease to their fullest potential.

A hyperalimentation/nutritional support service was developed to provide aggressive nutritional support to patients suffering from protein-calorie malnutrition and other nutritional related problems.

A Urodynamics Laboratory was established to provide diagnostic tests on all functions of the bladder.

A diabetic teaching nurse was employed to serve as an educational resource to patients who have diabetes and their families and to serve as a resource to the nursing staff.

Several cases of Legionnaires Disease were treated at the hospital. What might have been a situation with serious far-reaching consequences resulted in the hospital receiving a great deal of recognition for its infection control program and the ability of its laboratory personnel. Through the efforts of laboratory personnel, the Legionnaires Disease bacterium was isolated in the reservoir of a stand-by cooling tower and promptly eliminated. This was the first time a laboratory other than those at the Center for Disease Control (Atlanta) had been able to isolate the bacterium and also the first time this had been done during an outbreak of the disease. It was only the second time that the bacterium had been identified outside a laboratory setting. The work of the hospital staff was very helpful to scientists studying this disease.

Baptist Memorial Hospital East, a 400 bed satellite hospital, was opened to the public on March 25, 1979. The hospital is being opened one floor at a time and it is anticipated that the entire facility will be open by the end of the year. In connection with the opening, the obstetrical program will be transferred to the new hospital, all inpatient facilities will be closed in the older Madison West section of the medical center hospital and eventually reduce the capacity of this facility by 400 beds.

Personnel of the hospital as well as members of the medical staff received numerous recognitions. Among the more significant were the following:

Robert F. Scates, Senior Vice President, was elected President of the Mid-South Medical Center Council, the health systems planning agency for this region.

Grover Bowles, Director of Pharmacy, received the American Pharmaceutical Association's Hugo H. Schaefer Award recognizing outstanding individual service to the society as well as the profession of pharmacy.

Joseph H. Powell, Executive Vice President, was elected to serve as the American College of Hospital Administrators' Regent for the state of Tennessee.

Allen S. Edmonson, M.D., Orthopedic Surgeon, was elected President of the Memphis and Shelby County Medical Society.

Robert C. Reeder, M.D., Plastic Surgeon, received the National Civil Defense Award for outstanding service in the field of civil defense and emergency medical care.

J.D. Upshaw, M.D., Internist and Hematologist, was elected President of the hospital's medical staff. Lee Milford, Orthopedic Surgeon, was appointed Chief of Staff.

Charles R. Baker, Vice President, was elected moderator of the Shelby Baptist Association. Mr. Baker is the first non-minister elected to this position since 1933.

The Department of Religion had a very fulfilling year.

Patient visitation reached an all-time high during this 12-month period with intensified coverage of the Coronary Care Units, Intensive Care Units, and Emergency Department. Routine visits by the visiting hostesses totaled

83,992, with an additional 14,065 special requests being filled. The chaplains made approximately 9,850 special pastoral visits in the hospital, conducted 55 in-service classes and five continuing education seminars, and held 110 worship services. There were also 63 preaching and teaching engagements outside the hospital. Both in-town and out-of-town churches were contacted either by a phone call or card from the Chaplain's Office regarding their members who were hospitalized.

An area of particular concentration is the Oncology (Cancer) Unit. The Department of Religion has been actively involved in its various phases of development, including family conferences held twice a week.

The Ladies Auxiliary, made up of representatives of local Baptist churches, continued to assist with our service patients and their families, particularly those on the pediatric ward. The Auxiliary furnished white Testaments for new mothers, and those Bibles were distributed by the hostesses.

William C. Day joined the staff as chaplain at BMH-East and Charles M. Covington (who went to Little Rock, Arkansas after the completion of his residency here) has returned as a staff chaplain at our medical center hospital. There are now nineteen visiting hostesses, their director, three full-time chaplains, two students, and two secretaries.

The following statistics for 1978 give some idea of the hospital service ministry:

THE CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.
1007 Donaghey Building – Little Rock, Arkansas 72201

Edward W. Harris, Executive Director

In order to provide the latest information on the activities of the Christian Civic Foundation for the Convention Yearbook, this report covers the twelve-month period from September 1, 1978, to September 1, 1979, instead of the fiscal year of the Christian Civic Foundation, which coincides with the calendar year. The program of the Foundation is led by a three-member fulltime staff, composed of the Executive Director, Rev. Edward W. Harris, the Educational Assistant, Mr. Ronnie P. Sparks, and the Office Secretary, Mrs. Beverly B. Williams.

THE ALCOHOL-NARCOTICS EDUCATION PROGRAM: This fall, the Alcohol-Narcotics Education Program of preventive education will begin its eighteenth year in the public schools of Arkansas. During the 1978-79 school year, contacts were made with 170 schools, resulting in appointments in 92 schools. In addition to the 92 engagements completed, 9 others were scheduled but were cancelled because of the ice and snow, and we were unable to re-schedule them before the end of the school term. These have been rescheduled for the new school year.

Of the 170 contacts, only 30 (18%) declined, and 29 (17%) did not respond before the suggested date for an appointment. Of the 92 schools reached during the year, 62 were for classes and 30 were assemblies. Sixty of these schools were elementary schools (65%), and 32 (35%) were junior or senior high schools. All correspondence dealing with the school scheduling was done by individually typed letters, involving at least two letters, and sometimes three or four, per school.

For the new school year, 1979-80, we have used a somewhat different approach. The first letter is a printed letter, run by Postal Instant Press, on which the name and address was filled in with the typewriter. This letter was simply seeking their interest in having the program in their school, with no definite date involved. Those responding to this letter will be written individual letters offering specific dates. Those not responding to the first letter, will be sent a second letter, also printed by PIP, on which a specific date will be offered in a statement typed onto the bottom of the letter. Approximately 250 schools are being contacted in this manner. This has cut down considerably the time consumed in initial contacts, and we hope it will enable us to reach more schools during the year.

Our Educational Assistant, Mr. Ronnie P. Sparks, has found that the students in the fifth and sixth grade levels have a longer attention span in an assembly type setting. We are, therefore, suggesting in our correspondence that assemblies be scheduled for these grades, and we are suggesting classes for grades seven through twelve. Mr. Sparks is doing an excellent job in the school program, and a number of schools are contacting us to have him return to their schools again this year.

In spite of the constantly increasing inflationary costs, we have no plans to alter our policy of providing this program without cost to the schools. As long as our supporting churches and other friends continue to give liberally to the support of our budget, we hope to be able to continue this policy.

In addition to the school program, other activities of the Educational Assistant included: 12 church meetings – worship services, children, and youth meetings – including a special study series that involved five meetings; 2 civic

clubs; 3 community meetings. During the summer, he presented programs at two National Baptist Youth Camps at Camp Paron, and five camps at Siloam Assembly. In his spare time during the summer, he also coached a girls softball team at his church.

THE ALCOHOLIC BEVERAGE CONTROL BOARD: As in past years, we assisted every individual or church group who requested our aid in appearing before the Alcoholic Beverage Control Board in 1978. The current ABC Board has been under attack in the state newspapers for their laxity in granting permits and for their failure to enforce the rules and regulations relating to permits of all kinds. During this same time, we have received many complaints from church groups over the treatment they received at the hands of the ABC Board in public hearings at which they opposed the granting of permits. We have recommended to those who felt they had been mistreated that they register their complaint with Governor Bill Clinton, who appoints the Chairman of the ABC Board, as well as its members. He also names the Director. The Director of the Enforcement Division was replaced. The present Director of the ABC Board is Mr. Mac Carder.

In the month of April, 1979, the Christian Civic Foundation office did a complete analysis of the permits issued by the ABC Board, covering 4,250 permits of all kinds that were in force April 16, 1979. Since that time, additional permits raised this total to approximately 4,300, including 34 to Baxter County, which voted wet in 1978. We are including in this report an analysis of these permits for your information.

Types of permits	Number Issued
Liquor: Private Club	287
On-Premise, Maximum (seat over 100)	73
On-Premise, Minimum (less than 100)	40
Retail Liquor	637
Wholesale Liquor	7 (all in Little Rock)
	1,044
Beer: Retail Beer (includes on- and off-premise)	2,789
Wholesale Beer	61
	2,850
Wine: Retail Wine	159
Cafe Wine	150
Wholesale Wine	20
Wine Manufacture – for sale	10
Wine Manufacture – for home use	33
	372
Total number of permits	4,259

Population ratio – 1 permit for each 451 people.

Fourteen counties have no permits at all: Clay, Crawford, Fulton, Grant, Howard, Lafayette, Lincoln, Lonoke, Madison, Montgomery, Pike, Scott, Searcy, and Stone.

Eight counties have only one permit each (7 private clubs and 1 home use wine): Johnson, Little River, Newton, Perry (home wine), Polk, Saline, Sevier, and Yell.

Nine counties have only two permits (all private club): Ashley, Bradley, Clark, Columbia, Lawrence, Marion, Nevada, Randolph, Van Buren.

Note: On the list of Retail Liquor Permits, there are five permits that have rural addresses in dry counties, 4 in Cabot in Lonoke County, and 1 in Bigelow in Perry County. Since liquor permits cannot be issued in dry counties, we are assuming that these liquor stores are all located inside Pualski County, with mailing addresses in the dry counties. We have added these five to the Pulaski County totals.

The following counties have a population ratio of less than 500 people per permit:

Cross	421	Sebastian	300	Crittenden	239
Washington	399	Mississippi	298	Desha	226
Woodruff	385	Poinsett	295	Monroe	224
Franklin	342	St. Francis	288	Carroll	212

THE GENERAL ASSEMBLY: During the 72nd General Assembly, which met from January 13 to April 20, the Rev. Don Hook represented the Christian Civic Foundation as the registered lobbyist and Legislative Information Assistant. He gave effective leadership, in the absence of the Executive Director, Rev. Edward W. Harris, who underwent spinal surgery in the Baptist Medical Center in January of 1979.

CONSTITUTIONAL CONVENTION: The Constitutional Convention, which opened on May 14, ended on Monday, July 16. The delegates will return to Little Rock June 16, 1980, for a two-weeks session to put the entire document on fourth reading for amendment or approval, before it is submitted to the voters in the 1980 General Election.

The Christian Civic Foundation, in its Summer Edition of *The Christian Citizen*, the quarterly newsletter, published a complete list of officers of the Convention, the Convention staff, and the names, districts, addresses, ages, telephone numbers, church preferences, fields of work or employment of all the delegates. In addition, there was printed a complete list of Committees, with Chairmen and members. Also included was the information describing the manner in which the constitution will be written. This was mailed to every Baptist minister, using the names and addresses furnished by the Baptist State Headquarters.

Rev. Edward W. Harris, Executive Director of the Christian Civic Foundation, attended most of the daily sessions of the Constitutional Convention. Of the four areas of concern to the Foundation and its supporters, alcohol, narcotics, gambling, and pornography, the subject of gambling was the chief concern of the Convention. Article 11, Section 9 reads: "No lottery shall be authorized by this state, nor shall the sale of lottery tickets be allowed." This is the same as the wording of the present constitution. Section 10, of Article 11, reads: "Horse racing and pari-mutuel wagering thereon shall be lawful in Hot Springs, Garland County, Arkansas, and shall be regulated by the General Assembly." This is the same wording as found in the present constitution, placed there by an amendment passed in 1935. An attempt to include greyhound racing, at West Memphis, failed due to the opposition of West Memphis

citizens, who feared their loss of control over greyhound racing, if it was given a place in the state constitution.

A proposal to outlaw all games of chance failed, because of the inability of the Committee to agree upon any provision concerning bingo games for charity. Generally speaking, we found the delegates to be sensitive to the minds of the majority of Arkansas citizens not to grant any further extension of gambling provisions to any group.

Thus far, we have found no significant changes in the sections of Article 10, that refer to initiative and referendum matters, which would affect the operation of Local Option Elections. We urge both ministers and laymen to obtain copies of the proposed constitution and to study each article and each section carefully. The Arkansas Democrat of Sunday, August 26, carried a complete magazine issue on the subject. If any minister or layman discovers any issue that would affect the laws of our state in the four areas for which we are responsible, we would be happy to discuss it with them and to represent them in the 1980 session.

We were assisted financially with a substantial gift by Dr. Charles Ashcraft, Executive Director of the Baptist Convention, to help us in meeting the unbudgeted items related to a subscription for the Legislative Digest for the Constitutional Convention, the publication of the quarterly newsletter and other expenses relating to the Constitutional Convention. Without this generous assistance, we could not have served our supporters as we should in this important convention. We are deeply grateful for this assistance.

LOCAL OPTION ELECTIONS: Since the Local Option Elections of 1978 took place on the opening day of the Arkansas Baptist State Convention, November 7, we are including the results in this report.

- (1) Counties in which unsuccessful attempts were made by the wets to hold elections: Boone, Hempstead, Jefferson (a mixed-drink election for the city of Pine Bluff), Marion and Sharp.
- (2) Unsuccessful attempts were made by the dries to hold elections in the following: Precinct 203, in Pulaski County (presently wet). A third attempt will be made in 1980.
- (3) County elections won by the wets: Conway, a wet county, voted to remain wet; Phillips County, in the city of Helena, the wets won a mixed-drink election; in Baxter County, the wets won by 184 votes, making Baxter County the first dry county to vote wet since 1942.
- (4) Elections initiated by the wets and won by the dries: Pulaski County, Precinct 158 (one of five dry precincts in a wet county); Van Buren County, the wets challenged the dries again, and lost by a margin of 1,022 votes; Craighead County, the wets lost in an effort to change the dry status, by a margin of almost 3 to 1, 5,538 for legal sale, and 13,212 against.

We anticipate a number of Local Option Elections at the November General Election in 1980. We urge both ministers and laymen to watch carefully the developments in their counties, especially in the dry counties. Please report to the Christian Civic Foundation any efforts on the part of wets to circulate petitions to call an election. Also, please report any plans on the part of the dry forces to vote a wet area dry. We will be happy to give every assistance possible to the dry forces, especially in the early days of organization and planning.

OUR TWENTIETH BIRTHDAY: At the Annual Meeting on March 19, 1979, the Christian Civic Foundation celebrated its Twentieth Birthday. Our speaker for the occasion was Rev. Robert A. Parker, at that time the Director of United Christian Action, in the state of Florida. He has since been named the Director of the Arkansas Baptist State Convention's Christian Life Council. We are indeed happy over this selection, and we anticipate close cooperation with Brother Bob Parker at all times.

In his speech on March 19, Brother Bob stressed the need for a strong Christian Civic Foundation and the program which it promotes. In spite of the difficult days in which we are living, every speaker at the Annual meeting struck a positive and an optimistic note as we look to the future. We are deeply grateful for the important part that the Baptists of Arkansas have in providing leadership and support for the cause of civic righteousness which we promote in their name.

During the 1978-79 period covered by this report, the rate of inflation has increased, as we all know. This rise in the rate of inflation is reflected in almost every item of our budget, but especially in the operation of the Alcohol-Narcotics Education Program in the public schools. The increase in the cost of gasoline will necessitate an increase in the mileage rate which we allow our Educational Assistant in his travel expense fund. We will exceed the allotted amount for the current budget year by several hundred dollars. In spite of the increased cost of travel, food, lodging, for our Educational Assistant, we still believe that we ought not to charge for our services in the public schools. At the same time, we believe that we ought to follow our policy of

living within our income. This is becoming increasingly difficult to do. However, we believe that our supporters in the Baptist churches and the other churches in the state will be aware of this great need and will continue to increase their giving to match these difficult days. We are deeply grateful for every gift from every church and individual, and for the total support that comes to us through the Cooperative Fund of the Arkansas Baptist State Convention. We want especially to express our gratitude to the Convention and to the following Baptist churches and associations, who contributed directly to the support of the Foundation during the period of September 1, 1978 to September 1, 1979:

OUACHITA BAPTIST UNIVERSITY

Arkadelphia, Arkansas 71923

Daniel R. Grant, President

In a time of Convention-wide emphasis on Bold Missions, the evidence is strong that Ouachita Baptist University is a tremendous resource for Arkansas Baptists in all aspects of mission outreach. During 1978-79, Ouachita faculty, staff, and students worked as servants, partners, and leaders with the members of the twelve hundred churches in the Arkansas Baptist State Convention in finding bold ways to share the Christian gospel with the entire world by the year 2000.

Often it is more impressive to hear of Ouachita's contributions to Bold Mission Thrust from a source outside of the campus. It was encouraging to hear the report of the Foreign Mission Board of the Southern Baptist Convention that Ouachita Baptist University ranked number one among all colleges and universities in the United States in producing new missionaries during 1978, when the record number of 350 were appointed. Arkansas Baptists have a right to be proud of this accomplishment and of their support that contributed to this remarkable record. Missions and Ouachita are words that go hand in hand around the world. Many things have combined to help make this true:

1. Ouachita's faculty and staff are permeated with people who are deeply mission-minded. For example: Kenneth and Lou Ann Locke, members of the psychology and sociology faculties, were formerly missionaries to Hong Kong; Dean of Students B. Aldon Dixon served once as summer BSU missionary to New Zealand; LTC Kenneth Hestand, professor of Military Science, was a lay leader in a Southern Baptist Church in the Panama Canal Zone; Cecil Sutley, professor of Religion, has traveled in seventy-seven countries of the world and visited Southern Baptist mission work in most of these; Agnes Coppenger, administrative secretary of the Ouachita Former Students Association, receives regular communications from Ouachita graduates who are missionaries literally all around the world; and President and Mrs. Dan Grant lived with their three children in Bangkok, Thailand, for a year and served as lay workers with Southern Baptist missionaries there.

2. The Ouachita student body consistently includes one of the largest numbers of sons and daughters of missionaries (MKs) of any college or university in the United States — usually more than thirty — and this provides invaluable resources and support for the appeal and challenge of world missions within the Ouachita community. The contributions of MKs are valuable and varied at Ouachita, all the way from the soccer field to the classroom and dormitory discussions of international issues. No one can measure how many times God has used them as instruments for the Macedonian call to future missionaries.

3. The missions emphasis program of the Baptist Student Union at Ouachita, directed by Elmer Goble, is one of the strongest and most pervasive throughout campus life, of any college anywhere. In addition to the regular Christian Focus Week, there is a Missions Emphasis Week each year bringing outstanding missionaries and mission leaders onto the campus and into the classrooms and dormitories. They demonstrate graphically to students the wide variety of vocations required for modern missions, the different personalities and backgrounds of missionaries themselves, and the vast expanse of geographic and national diversity of the mission fields where Southern Baptists are serving. In the summer of 1979 a record number of Ouachita students (17) served as

Southern Baptist Home Mission Board summer missionaries across the United States. In addition many others served as summer BSU missionaries, and six others served on the two Ouachita CONTACT teams in Arkansas churches. The powerful impact of all of these students returning to the campus in the fall and sharing their experiences, is immeasurable and unending. In recent years groups of Ouachita students have devoted their spring break to mission projects in Ohio, New Orleans, and Oklahoma City for survey work, inner-city work, organizing new BSU work, and general construction.

4. Required Chapel at Ouachita has a heavy emphasis on home and foreign missions, and supplements the program of missions emphasis by bringing outstanding Christian personalities to the campus. The list for last year includes: Jimmy Allen, Wayne Ward, Randy and Gay Hongo, Carolyn Weatherford, Bob Gross, Bill and Evelyn Bullington, Sam Taylor, Johnny Jackson, Phil Strickland, Dan McBride, D.L. Lowery, Robbie Hunt, John Hill Westbrook, Tom Nettles, John Lockhart, Roger Copeland, John Anthony, Ray Eitelman, Rex Holt, Glenn Hickey, Pete Petty, Porter Routh, Bob Focht, Paul W. Brand, Bill Thorn, "Inter-mission," Brian and Margaret Humphries, Moise B. Seligman, Bill Elder, Jerry Autrey, Stephen Davis, John Gilbert, Lynn Sehested, Bill Bowen, Tom Logue, Julie Warren, Robert Willingham, Joe Burnett, Imperials, Andre' Crouch, and the Cruce Family.

5. The missionary-in-residence program at Ouachita provides an effective unifying thread throughout the year for the many other elements in missions emphasis. During the past year Bill and Evelyn Bullington, missionaries to West Africa (he is the area representative of the Foreign Mission Board in Accra, Ghana) lived on the Ouachita campus and ministered in a remarkable way to all students, but especially to MKs and international students. Missionaries-in-residence for the 1979-80 year will be Dr. and Mrs. James Crawford from Venezuela.

6. The international content in Ouachita's strong academic program provides far more than just "secular knowledge" about the world. In the teaching and living of dedicated Christian teachers, knowledge about the world becomes a real challenge for Christian ministry to a world in need. Ouachita provides eight scholarships to international students, giving preference to students recommended by our foreign missionaries and to those who are preparing for church-related vocations and committed to returning for service in their native country. While these students are being served by Ouachita, they in turn serve the Ouachita students and faculty, as well as Arkansas Baptist churches, by providing firsthand and personal information on life and needs in other parts of the world. Ouachita's student exchange program with Seinan Gakuin University, founded by Southern Baptists in Fukuoka, Japan, has completed its fourth successful year of operation. One thrilling result of this program was the appointment in 1979 as a missionary journeyman to Fukuoka, Japan, of Jeff Pounders, one of the original three Ouachita students in this exchange program. Ouachita hopes to complete an agreement soon for an exchange program involving mission work and study in Ogbomosho, Nigeria.

Previous annual reports from Ouachita to Arkansas Baptists have not usually devoted so much attention to the missions aspect of Ouachita's total program of Christian education. However, in a time when Southern Baptists are emphasizing Bold Mission Thrust, Arkansas Baptists need to rejoice in the confidence that their Cooperative Program dollars, their prayers, and their conversational support for Christian education at Ouachita, all work together as a remarkable and far-reaching ministry in world missions.

ENROLLMENT CONTINUES STRONG

Enrollment of dormitory students reached an all-time high this fall with more than three-fourths of Ouachita's 1600 students living in the dormitories and eating in the dining hall. This contributes significantly to a sense of community, to school spirit and to the education of the whole person. Although the national trend is for declining enrollments during the next two decades, Ouachita's freshman enrollment increased by 5.4 percent this fall. The non-duplicating enrollment for the twelve months' period was 1950. They came from 37 different states, 22 foreign countries, and from 70 of Arkansas' 75 counties. Almost one-fifth of all Ouachita students (303) are preparing for church-related vocations, including 96 ministerial students, 76 church music students, 61 in religious education, 28 mission volunteers, 29 for ministry of youth and recreation, and 13 others.

SPECIAL SERVICES TO ARKANSAS BAPTISTS

While performing its basic mission of Christian higher education, Ouachita Baptist University in recent years has come to provide unusual and valuable services to the denomination. Ouachita is proud to serve as virtually a year-round conference center for denominational meetings at the state, association, and local church level. Among the summer conferences housed on the Ouachita campus are the Adult and Youth Music Camp, the Arkansas Baptist Conference for the Deaf, and the Junior Music Camp. The unique ministry of Bob Parrish of the State Missions Department staff provides courses for Ouachita students in sign language, and this continues to be an exceedingly popular program. Ouachita's annual recognition banquet for directors of association missions has come to be one of the high points of the school year. The number of students serving in churches throughout the year in part-time capacity, as well as Christian music groups and revival teams, seems to have grown in quantity and quality with each passing year. The Statewide Pastors' Bible Conference under the direction of Professor Gene Petty has already become a popular annual occasion after just two years of experience. The 1979 conference featured Dr. Wayne Ward as Bible teacher and Dr. Jimmy Allen as conference preacher during April 30 - May 2. The 1980 conference is scheduled for April 28-30.

ACADEMIC STRENGTH AND IMPROVED CAMPUS

The quality and reputation of the academic program at Ouachita continue to grow, under the leadership of Dr. Carl Goodson, with the faculty being at its greatest level of strength in history. A recent study of opinions by Ouachita graduates in the classes of 1973 and 1978 revealed their highest ratings of Ouachita were for "Individual attention by faculty members." It is encouraging to know that faculty concern for the individual is maintained while academic excellence grows. Special attention is given for individual student needs through the Honors Program and the Academic Skills Development Program. The gift of an electronic physiograph will provide enriched learning experiences in the sciences. A greatly strengthened program of lectures, concerts, and other significant visitors is provided through the Ross Foundation, the Birkett Williams Fund, and the Student Entertainment and Lecture Fund. Academic excellence continues to be balanced by athletic excellence at Ouachita, with the Tigers winning the Arkansas Intercollegiate Conference All-Sports Trophy for the second consecutive year. This is a tribute to a fine staff of coaches in the nine A.I.C. sports, and especially to Athletic Director Bill Vining. Coach Vining, a dedicated Baptist layman and deacon, was elected to the N.A.I.A. National Coaches Hall of Fame in his 25th year of coaching at Ouachita.

The administrative leadership of Dr. Ed Coulter, along with the Director of Plant Maintenance Bill Harkrider, has brought about improvements in both the efficiency and the beauty of the Ouachita campus. An energy conservation program has helped to alleviate at least part of the spiraling utility costs. The dilapidated wooden bleachers of A.U. Williams Stadium were replaced with aluminum, along with the addition of 1,000 new seats, a modern press box, and a new concession stand. New shrubbery, flowers and trees have been added, within the limits of the budget, to enhance the natural beauty of the campus.

NEEDS FOR THE FUTURE

Rejoicing in Ouachita's progress and growing strength should not cause us to ignore the needs and challenges of the present and the future. In summary, Ouachita's most urgent physical plant needs are: (1) an auditorium large enough to seat the entire student body and faculty; (2) a health, physical education and recreation complex comparable to those of the other A.I.C. colleges and universities; (3) expanded facilities in Riley Library to alleviate the problem of crowded stacks, inadequate study space, and inadequate provision for archives and the Arkansas Baptist history collection; (4) further modernization and expansion of the facilities in Moses-Provine Science Center; (5) extensive improvements in student housing and dining facilities; and (6) the acquisition of land adjacent to the campus, related to future building needs.

In addition, the operating budget for 1979-80 was the most difficult to balance of any since 1970. The pressures of inflation, the reduction in income from the Ouachita-Southern Campaign, the higher interest cost on the remaining construction loan, and the effects of higher wages and salaries, have all contributed to the problem. Ouachita was making progress in closing the gap between our faculty salaries and those of the state colleges and universities, but 1979 legislative appropriations for raises have now widened the gap again.

These needs and other important goals in combination support the case for the launching in 1980 of the most ambitious program of institutional development in Ouachita's history. Planning is nearing completion for the Ouachita Centennial Advancement Program, aimed at accomplishing ten major goals by our 100th anniversary in 1986. Ouachita is deeply grateful for the strong support Arkansas Baptists provide through the Cooperative Program, through prayer, through sending such fine young people as students and through constructive criticism. Ouachita's faculty and staff are dedicated to the kind of effort that deserves and earns even greater support in the days ahead.

SOUTHERN BAPTIST COLLEGE
Walnut Ridge, Arkansas 72476

D. Jack Nicholas, President

Never in the history of America has the Christian college been more desperately needed than today. In a society which has sustained a tragic loss of moral and ethical standards and at a time when most of the institutions of higher education reflect that loss in terms of their posture on moral issues and their requirements of student behavior, the Christian College which cherishes its relationship with its denomination and which conscientiously enriches its program with the redemptive purpose and the moral values of Christianity is a breath of fresh air. Southern Baptist College aspires to be that kind of institution as it continues its tradition of providing a sound two-year liberal arts program in a distinctively Christian environment.

**THE BOLD ADVANCEMENT PLAN IS OFF
TO A SUCCESSFUL BEGINNING**

In the fall of 1978, Southern Baptist College launched the Bold Advancement Plan — a campaign to raise \$5,600,000 during the decade, 1979-1989. One million dollars will be raised for operations, \$2,600,000 for endowment, and \$2,000,000 for capital provisions.

The first phase of the Capital Campaign was completed on June 30, 1979, with gifts and commitments in the amount of \$1,000,000. During the fall of 1979, the second phase of the Capital Campaign will be executed with the aim of raising another \$1,000,000 for capital provisions.

Although great attention has not yet been given to the operations and endowment phase of the Bold Advancement Plan, over \$460,000 have already been given or committed to these purposes. Upon completion of the Capital Campaign, focus will then shift to fund-raising for the operations and endowment needs.

This ambitious plan will not only provide the needed facilities and programs but will help to minimize the ravages of inflation which is presently so great a problem.

GROWTH IN ENROLLMENT CONTINUES

Southern Baptist College experienced an approximately 7% increase in on-campus enrollment in the fall of 1978 over the fall of 1977. On-campus enrollment in the fall of 1977 was 373. It increased in the fall of 1978 to 401. The spring semester enrollment was likewise up. The on-campus enrollment for the spring of 1978 was 344 and for the spring 1979, it was 356.

The students of Southern Baptist College in 1978-79 came from 15 states and 4 foreign countries. At a time when the watchword for contemporary higher education is "retrenchment" and when many colleges have faced declining enrollments, we are pleased and grateful for this evidence of vitality at SBC.

PROGRESS CONTINUES IN PHYSICAL PLANT

In 1973, upon the retirement of Dr. H.E. Williams, founder and president of Southern Baptist College for 33 years, the Board of Trustees gave him and Mrs. Williams the use of the president's home for as long as either shall need it, and voted to build a new president's home. Construction of the new home was delayed until 1978 but was completed and occupied in the spring of 1979. It is a lovely Williamsburg style home with almost 3,000 square feet. It is

beautifully designed for both comfortable family living and receptions and entertaining. Financing for the home was arranged in such a way that no funds from the Arkansas Baptist State Convention or from tuition sources will be required to pay for it.

Three new tennis courts were completed during the summer of 1979 to serve the needs of physical education instruction in tennis, of intramurals, and of recreation.

Also improving the appearance of the campus was the demolition of the old Women's Dormitory which had for some time been unuseable and unsightly. Part of the land on which the old dormitory was located is being made into a parking lot and the balance will become landscaped lawn.

On August 24, 1979 a contract was awarded for the construction of the Athletic/Convocation Center and construction began on August 27.

"THE CAMPUS OF CHRISTIAN PURPOSE"

The above motto has for many years served as a demanding and challenging goal for SBC. It is a bit frightening to presume and to declare that a college endeavors to conform to such a description. But it is the commitment of the Board, Administration, Faculty, and Staff of Southern Baptist College to truly be "The Campus of Christian Purpose."

It is our intent to provide an atmosphere so saturated with Christian purpose and values that the lives of young people will be touched and transformed. In addition to the required Bible courses, the required chapel attendance, the weeks of Religious Emphasis Week, revivals, etc., it is hoped that the essence of Christianity will be caught by the students from the administrators, the faculty members, and staff members as they exhibit Christ in their daily living. To this end we commit ourselves.

AMERICAN BIBLE SOCIETY
1865 Broadway, New York, New York 10023
Edmund F. Wagner, President

The years had taken their toll. Her face was quite wrinkled now — possibly from years of working in the sun, because she was obviously not wealthy.

But every Sunday morning she passed his newsstand, stopped and handed him a Scripture Selection. As she did so she always said the same words to him: "Take and read the message. It will be of help to you in your life."

The newsdealer politely accepted the Selections each week and put them on a shelf beside him.

As time went by the pile grew steadily. He had never bothered to read even one of them.

But as his stack of Scriptures grew so did his problems. His wife left him and he had to care for all the children. The newsstand demanded long hours. How could he keep the only business he knew and still attend to his responsibilities at home? He became sad, frustrated and desperate.

It was then that he recalled the words of the old lady. What had she said? "Read the message. It will be of help to you in your life." Well, he might as well look at the papers she had given him.

He started reading — first one, then another, then another. He began to discover that indeed the Selections did contain a message for him. It was a message of hope, a new way of looking at life and living. He anxiously waited for the old lady to come by again the next Sunday morning so that he could ask her more about the Scriptures he had read.

At his request she brought him a New Testament which he studied with a sense of urgency. The more he read the more he wanted to know about God.

Then came the Sunday morning when he closed his newsstand and joined the elderly lady as she went to church. There he found the peace and security for which he had been looking. He also found he was able to see his problems from a new perspective and to start living a new life. Sometime later he was baptized and began a new job directing a mission post of the church in Lima, Peru.

Now you know why we are excited when we report that over 500 million Scriptures were distributed in 1978. The seed is being sown and it falls on good soil over and over again.

Increases in Scripture distribution were dramatic in many areas of the world. For example, there was a 35 percent increase in Scripture distribution achieved throughout the Middle East nations of Iran, Iraq, Jordan and Lebanon. Percentage wise the second largest distribution increase in the world occurred in Iraq — a 254.5 percent increase from 122,819 Scriptures in 1977 to 435,350 in 1978. This tremendous progress was achieved in a nation which is 97 percent Moslem and was due in part to a great demand for Selections in the new Today's Arabic Version translation. These Selections also helped to achieve a 157 percent Scripture distribution increase in Jordan.

However, it should also be noted that in all four of these countries there were many more requests than in previous years for New Testaments as well as complete Bibles. In Lebanon, distribution of New Testaments doubled from 13,698 to 27,234 while the distribution of Portions increased almost sixfold from a little over 19,000 in 1977 to more than 132,000 in 1978.

THE UNITED STATES

Once again distribution of Scriptures throughout the United States was larger than in any other nation of the world. The 127,414,817 Bibles, Testaments, Portions and Selections distributed throughout the United States during 1978 represented slightly more than one-quarter of the entire world distribution. For the past 20 years the American Bible Society has been focusing its efforts in the United States toward sharing God's Word as widely as possible through the use of Scripture Selections. Their low production costs permit the ABS to reach widely into hospitals, prisons, migrant labor camps and wherever people are in need of comfort and guidance of God's Word. These Selections are also used extensively by churches, organizations and individuals in Scripture evangelism.

For example, a total of 1,210,000 ABS Scripture Selections was provided to the Union Vision Evangelistic Association of Newark, New Jersey to be used in their ministry with Hispanic communities. And the Union Rescue Mission of Los Angeles, California, probably the largest Rescue Mission in the world, received 130,000 various ABS Scripture Selections for use both within the Mission and in its community outreach programs.

NEW READER PROGRAMS

A significant portion of the distribution reported above was to people who have previously been denied access to the Scriptures simply because they were unable to read. Burgeoning literacy programs around the world assisted by the Bible Societies' New Reader programs, have enabled these people to discover for themselves through their own eyes the wonderful words of God.

More than 13 million New Reader Scriptures were shared with new readers in Indonesia, many of whom were school children with few other materials available at their reading levels.

Over 3,380,000 New Reader Scriptures brought God's Word to readers in Peru and 2,200,000 of these Scriptures were provided readers in Brazil.

Close to 200,000 New Reader Scriptures were distributed throughout Ghana and almost 300,000 in Malawi.

TRANSLATIONS

In addition to bringing God's Word in a form that can be easily understood, the Bible Societies' New Reader program helps the new reader attain the literacy level he needs in order to easily comprehend a complete New Testament in his own language. Since few of these new readers would be acquainted with terminology used 100 or even 50 years ago, it is essential that they be provided with translations in the language they commonly speak today.

During 1978 new common language translations appeared in 22 languages including the book of James in Today's Arabic Version and the complete New Testament in the form of Portuguese in current usage.

The complete Bible appeared for the first time in common language Frisian, spoken in the Netherlands.

The entire New Testament was made available in 12 of these common language translations – including three in India alone.

As of December 31, 1978 at least one complete book of the Bible had been published in 1,659 languages compared to a total of 1,631 reported at the end of 1977.

ABS VOLUNTEERS

During 1978 more than 33,400 American Bible Society Volunteers shared Scriptures with people in churches, hospitals, nursing homes, business establishments, prisons, etc.

More than 13,300 of these Volunteers served in local churches as American Bible Society representatives.

And they operated more than 2,640 Scripture Courtesy Centers throughout the 50 states of the Union.

FINANCIAL SUPPORT

The accomplishments highlighted in this brief report are made possible because of gifts received from individuals and churches. Gifts from churches, denominations and agencies totaled \$1,668,148 for 1978 of which \$309,204 came from the Southern Baptist Convention. Since 1967, contributions from the churches and agencies of the Southern Baptist Convention have been as follows:

1967	\$218,509	1971	\$240,250	1975	\$238,554

Gifts from the Southern Baptist Convention averaged \$0.024 per member in 1978. If the per capita income were increased to just \$0.04 per member per year, income from the Southern Baptist Convention would reach \$517,000. This is imperative if the ABS is going to be able to keep up with the demand for Scriptures worldwide.

The ABS requests the continued prayers and financial support of the Southern Baptist Convention. Working together we can bring the message of hope found in the Scriptures to those who need it so desperately.

ANNUITY

511 North Akard Building, Dallas, Texas 75201

Darold H. Morgan, President

Financial progress against a backdrop of immense challenge serves as an accurate description of the current state of affairs at the Southern Baptist Annuity Board in Dallas, Texas.

“The year 1978 and the first six months of 1979 have been times of significant growth for our ministry. Records reflect marked progress by the Board in providing retirement and insurance programs for our denomination’s ministers, church employees and agency personnel,” said Dr. Darold H. Morgan, Board president.

Greater developments for the Dallas-based institution seem certain in the remainder of 1979, but the period also promises to present continuing challenges of a varying stock market, rising costs and the impact of government regulations.

As of June 30, 1979, total assets held in trust at the Annuity Board climbed to \$618,188,415. The figure has grown by \$48,453,944 since December 31, 1978.

Premiums and dues through the first two quarters of this year reached a record \$31,856,216.

As of June 30 this year, the Board paid a record \$8,974,322 in benefits to 14,380 annuitants.

Arkansas has: 706 churches and associations; 951 employees participating.

Through June, a total of 22,304 churches and associations were participating in the Southern Baptist Retirement Program with 30,276 employees. The number of new employees enrolled in the program in your convention during the first six months was 34. The following Baptist agencies participate in the retirement program.

BAPTIST JOINT COMMITTEE ON PUBLIC AFFAIRS
200 Maryland Avenue, N.E., Washington, D.C. 20002

James E. Wood, Jr., Executive Director

The Baptist Joint Committee on Public Affairs seeks to make visible the historic emphasis of Baptists on religious liberty and all other human rights. In the framework of American democracy, much of this Baptist agency's work and witness involves protection of the Constitution's guarantee of a free church in a free state. The Baptist Joint Committee is charged by nine supporting denominational bodies, including the Southern Baptist Convention, with making known in the public arena the position of Baptists on any given public issue and to communicate such endeavors to its Baptist constituency.

In seeking to meet that dual objective, the Baptist Joint Committee maintains four ongoing service programs:

(1) **The program of government relations** makes known positions on public issues adopted by the full Baptist Joint Committee on Public Affairs or by one or more of the cooperating bodies who have in turn asked the staff to voice their positions. Baptists should understand that their Washington staff never presumes to speak for all Baptists or any individual Baptist; staff members present testimony before congressional committees and agencies of the government only when one of the conditions described above has been met.

(2) **The program of denomination services** is the vehicle used by the Washington staff to offer the agency's resources to its constituency. The primary means of communicating to the denomination is through the pages of the monthly publication **Report from the Capital**. Baptists have no other similar source of information out of Washington. This program also provides numerous printed materials for use in the churches and their agencies and institutions. In addition, it is responsible for promoting Religious Liberty Day the first Sunday each June.

(3) **The program of research services** may be described as the "brain trust" of the Baptist Joint Committee. This program provides in-depth study of pressing church-state issues. Along with the executive director, research staff members prepare testimony, write staff reports, and respond to a wide variety of requests from Baptists and others for reliable, up-to-date information in the vitally important field of church-state relations.

(4) **The program of information services** maintains regular contact with all three branches of the federal government and files news stories and analysis pieces of interest to Baptist readers. The program produces a weekly news service, Baptist Public Affairs, which is mailed to all denominational editors and to religion editors in secular news organizations. It also serves as the Washington bureau for the influential Baptist Press. News releases prepared by BJCPA information staff members can be read regularly in state Baptist newspapers.

During 1978 the BJCPA adopted several new positions in the public affairs field. Meeting in March, elected members of the agency voted to protest an Israeli law restricting Christian missionaries and making conversion to another faith more difficult; submitted a friend-of-the-court brief to the U.S. Supreme Court supporting Roman Catholic bishops of Chicago and Fort Wayne-South Bend, Ind. in their refusal to allow lay teachers in their parochial school systems to unionize; reaffirmed opposition to tuition tax credit and lobby disclosure legislation; and took steps to support the religious rights in employment of practicing Sabbatarians.

In its October meeting the BJCPA commended President Carter for his peace initiatives which later resulted in a historic treaty between Egypt and Israel; authorized its staff to monitor religious liberty threats in Israel, Turkey, Egypt and the Soviet Union; appointed a task force to examine the effects on churches of the new law on mandatory retirement; announced opposition to amendments proposed to the Federal Communications Act of 1934 which do not provide for the concept of "public interest" in broadcasting; authorized the staff to oppose actively a ruling by the Internal Revenue Service which threatens nonprofit groups with loss of tax exemption for publishing the voting records of political candidates; opposed the Department of Labor's ruling requiring parochial schools to pay state unemployment insurance taxes; directed the staff to support legislation forbidding the exploitation of children in interstate and foreign commerce; and condemned government funding of solar energy demonstration projects in churches and church-related schools.

Because of the accelerated pace of government intrusion into the life of the churches and their institutions, the need for the Baptist Joint Committee on Public Affairs was never more evident than now. Without the Cooperative Program, the increasingly urgent witness of the Baptist Joint Committee in the public arena would be impossible.

BROTHERHOOD COMMISSION
1548 Poplar Avenue, Memphis, Tennessee 38104

James H. Smith, Executive Director

Missions efforts of Southern Baptists through the Brotherhood Commission were marked last year by success and tragedy.

Responding to the Bold Mission Thrust concern of Southern Baptists, the agency led in preparing 325 Brotherhood training specialists to help state and associational leaders start new Brotherhood units and orient church leaders in involving men and boys in missions.

Brotherhood materials were prepared in Spanish, Korean, and Chinese and leaders were trained to interpret Brotherhood work in these Southern Baptist language churches.

Advances also were recorded in disaster relief, lay renewal, and World Missions Conferences.

On the national scene, the Commission arranged for President Jimmy Carter, a Southern Baptist layman, to challenge 8,000 at a Bold Mission Rally in Atlanta.

During the summer at Glorieta (N.M.) Baptist Conference Center, the Commission joined with Woman's Missionary Union to offer a Bold Mission Leadership Conference which attracted 2,047 Southern Baptists.

While preparing to plan Brotherhood advances in the 1980's, Glendon McCullough, executive director of the Commission, was killed in an automobile accident.

Trustees asked a staff cabinet, organized earlier by the executive director, to operate the agency until they elect a new chief administrative officer. Making up the cabinet are four section directors: Bob Banks, program; Norman Godfrey, ministries; Lynette Oliver, business; and Roy Jennings, communications. Godfrey serves as convener.

During the next fiscal year the Commission plans to train 850 training specialists at 14 regional training institutes to interpret Brotherhood program improvements scheduled to reach Southern Baptist churches in September, 1979.

Other plans include 10 statewide mission prayer retreats for Baptist men, Cooperative Program prayer breakfasts in 400 Baptist associations, involvement of 500 churches in the Bold New Laity program, and the staging of a three-day National Royal Ambassador Congress for 4,000 Baptist youth, ages 12-17.

CHRISTIAN LIFE COMMISSION**460 James Robertson Parkway
Nashville, Tennessee 37219***Foy Valentine, Executive Secretary*

(Note to Associational Officers: This material may be used as it is; or, when considered appropriate, it may be adapted and incorporated as a part of the report being made by an associational Christian Life Committee or its counterpart so that there may be one unified report on applied Christianity in the associational book of reports.)

The past twelve months have brought little relief from the endless assault of immorality on our society. Ten million people have died of hunger in spite of important new anti-hunger initiatives. Alcoholism has repeated its annual destruction of countless lives. The senseless arms race has continued to escalate as nations have embraced ever more heinous ways of annihilating one another. Insatiable human greed has produced another round of skyrocketing inflation and another chapter in the energy crunch. Television has continued to beam its often dehumanizing and trivial view of life right into our homes. In recognition of the clear teaching of the Bible that Christians are to be on guard against the forces of evil, Southern Baptists have assigned the Christian Life Commission the vitally important task of helping the churches to resist this assault. The Christian Life Commission has sought to fulfill this task effectively this year in a variety of ways.

A piece entitled "A Dozen Actions You Can Take to Help Improve the Moral Quality of Television" was mailed to all Southern Baptist pastors to help them deal with the problem of television morality. A conference on television morality was held in Nashville and featured Bob Keeshan, better known as "Captain Kangaroo," and Tipper Gore, wife of a Tennessee congressman. In addition, twice during the year the Commission presented testimony to congressional committees dealing with the rewrite of the Federal Communications Act.

In cooperation with other Southern Baptist Convention agencies, the Christian Life Commission again this year gave leadership to the planning and promotion of World Hunger Day. For the first time ever, World Hunger Day posters have been distributed free throughout the Convention. The Commission also worked with other SBC agencies to plan and conduct a convention-wide Convocation on World Hunger at Ridgecrest Baptist Assembly last fall. During the year, a Commission representative also testified before the Presidential Commission on World Hunger.

Christian citizenship has received renewed emphasis among Southern Baptists this year with the coming of a new director of Christian Citizenship Development to the Christian Life Commission staff. Through his efforts a Southern Baptist Christian Citizenship Corps is now being organized to encourage and inform Baptists as they seek to be responsible Christian citizens. Active Christian citizenship was also encouraged through the promotion of the 1979 Christian Citizenship Sunday observance.

Through a number of ongoing programs, the Commission has made other efforts in the area of Christian morality development. A national seminar on "Help for Families" was held in Orlando and was attended by some 750 persons. A number of small, regional conferences were held at various places in the nation, and summer conferences on "The Bible and Christian Ethics" were held at Ridgecrest and Glorieta. Literature dealing with moral issues was

distributed to churches and individuals in record quantities. Race Relations Sunday was vigorously promoted across the Convention. A variety of organizational involvements were undertaken in order to deal with the problem of alcohol. And the Commission staff wrote a large number of articles, preached many sermons, led conferences, and gave speeches in order to foster righteousness among our people.

The Christian Life Commission and its staff are especially grateful to God for these important opportunities to serve Him. With His continued help and Southern Baptists' continued support, we will strengthen our efforts in the year ahead to serve our Lord Jesus Christ.

EDUCATION COMMISSION
460 James Robertson Parkway
Nashville, Tennessee 37219

Arthur L. Walker, Jr., Executive Director-Treasurer

Continued witness through higher education requires a commitment to stated Christian purposes, the willingness of the institutions of higher education to serve the denomination and its intents, and the willingness (even to limiting enrollments and expansion of facilities) to strive constantly for academic excellence. Baptist schools have demonstrated this commitment.

The Commission assists Baptist colleges in their task of giving to the denomination and its people strong moral leadership in an age of moral decline. These colleges are applauded because they have refused to bow to the popular dictum that a college has no responsibility for student conduct or for the incultation of values.

It is the contention of the Commission that church-related colleges are the only option for postsecondary education in a Christian atmosphere. Church-related colleges continue to make a vital contribution in both the training of church-related vocational workers and lay leadership. Yet all Southern Baptists must recognize that Christian standards are never more perfectly achieved on the campus than they are in the local church.

Support. — The state conventions and the Southern Baptist Convention increased their 1978 support to the schools by \$5,077,950 for a total of \$45,377,231. This included \$873,977 which was given as addition to endowment funds. Donations, gifts, and grants totaled \$47,990,859 for an increase of \$4,629,990. Endowment funds amounted to \$410,502,787; property was valued at \$803,192,620, making assets a total of \$1,213,695,407. This was an increase of \$57,255,087 over the previous year.

Church Vocation Volunteers. — Church vocation volunteers increased to 21,774 for 1978-79.

The Program of Christian Higher Education Leadership

The Education Commission and the Association of Southern Baptist Colleges and Schools continued in the past year to work with the Foreign Mission Board, the Home Mission Board, the Brotherhood Commission, and the Woman's Missionary Union as missionary education agencies. Much time has been spent planning for the National Conference on Bold Christian Education and Bold Missions held in June, 1979. Baptist colleges and schools are giving enthusiastic backing to the Bold Mission emphasis. Special programs of training and service have been conducted on numerous campuses.

More calls for assistance in trustee orientation were received during the past year than the Commission was able to answer. A growing interest in trustee responsibility emphasizes that additional help is needed in assisting trustees to understand their accountability, legal responsibilities, and the full scope of their task.

The Commission staff has also assisted Baptist colleges and schools in maintaining their accreditation by offering special helps prior to and following self-studies required by regional accrediting agencies. By administering the Opdyke and the Farmer-Robertson Scholarship/Loan programs, the Commission has assisted both students and faculty and staff in continuing educational experiences.

A registry service is maintained for those who are well trained and dedicated to serving in Baptist schools. A major thrust of the registry service is to secure dedicated Baptist faculty for all institutions.

As a part of the student recruitment emphasis, the seventh annual Admissions Workshop was held in Nashville during last summer. Newly employed admissions counselors were included in invitations to this program.

Other recruiting activities included assisting schools in securing names of church-related vocational volunteers, publishing materials pertaining to admissions in *The Southern Baptist Educator*, improving channeling of news and information about Christian higher education through the Baptist state papers and SBC periodicals, developing materials about Baptist colleges and schools for display in the media centers at Ridgecrest and Glorieta, and distributing materials about Baptist schools to associational missionaries requesting such emphasis.

Baptist Seminary, College, and School Day was planned and promoted on February 18, 1979. Participation in this program reached an all time high this year.

The Commission has worked through its Denominational Relations Committee by giving special emphasis on better communications with pastors and denominational leaders. The staff has prepared statistical summaries for the annual report to the Convention including enrollment, the number of church-related volunteers in preparation, endowment, property value, and the amounts received from the various state conventions.

Liaison with the U.S. Office of Education, other denominational boards of higher education, and national educational organizations is an important factor in the Commission's work. Leaders of higher education by joint effort were able to influence congressional legislation which greatly affected denominational educational efforts.

By coordinated efforts, representatives of the major denominations have made strides in bringing attention to the cause of Christian higher education. A national congress was conducted by these organizations in June, 1979, which focused on common purposes and problems.

Every effort is given to carrying out a definite Bold Mission Thrust into the academic arena of our society.

FOREIGN MISSION BOARD

P.O. Box 6597

Richmond, Virginia 23230

*Baker J. Cauthen, Executive Director***MISSIONARY SUPPORT**

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. Total board appointments reached a new high in 1978 for the third straight year. Appointments in all categories totaled 350, a 25 percent increase over 1977. The 181 new career missionaries exceeded career appointments for the highest previous year (1963) by 5 percent. There were 36 missionary associates, 95 journeymen, and 8 special project medical workers appointed.

Net missionary personnel gain for 1978 was 130, the largest gain since 1966. At the end of the year, the missionary staff totaled 2,906, including 224 missionary associates, 183 journeymen, and 12 special project medical workers. The Bold Mission Thrust objective to increase the missionary staff to more than 5,000 by A.D. 2000 remains a challenge.

In addition to the missionaries sent out under full Foreign Mission Board responsibility, the board arranged for 2,866 persons to participate in volunteer involvement projects overseas in 1978. Thirty-one volunteers were in Mission Service Corps, which moved from the development stage to become a reality this year. This is in line with the Bold Mission Thrust objective calling for increase in lay involvement.

Southern Baptist foreign missionaries were at work in 94 countries by the end of 1978. The 4 new fields added this year are Bolivia, Haiti, Mauritius in the Indian Ocean, and St. Martin in the Caribbean.

EVANGELISM AND CHURCH DEVELOPMENT

Evangelism and church development are central to the objectives of missions. Missions is concerned with making disciples, maturing disciples in the fellowship of local churches, and developing churches into a cooperative effort for a continued outreach. Churches overseas are stimulated by the Foreign Mission Board and its missionaries, but rather than being *extensions of our churches*, they stand in fraternal relationship with the Southern Baptist Convention. Work and accomplishments are largely those of national churches, leaders, and conventions, with the assistance of missionary co-workers and resources from Southern Baptists.

In 1978 workers on mission fields reported growth from 8,533 churches and 1,071,922 members to 10,440 churches and 1,214,699 members. Field reports indicated a total of 94,543 baptisms. The Bold Mission Thrust objective of a tenfold increase in churches calls for still larger efforts since the achievement of this goal is not yet on schedule.

The program of evangelism and church development includes a wide variety of emphases including radio and television, religious education promotion, lay leadership training, stewardship, camps and conferences, women's work, men's work, youth work, music, etc.

Major city evangelistic campaigns were completed in Hong Kong and Brazil this year, with 59,000 attending the Hong Kong Crusade, and 132,000 attending in Niteroi, Brazil. Campaigns are in the early stages in Mexico and Argentina. Urban strategy planning conferences were held for East and Southeast Asia. Comprehensive strategy approaches that have been worked out in Singapore, Bangkok, and Davao City (Philippines) are now well under way. These expanded efforts in urban evangelism are called for by Bold Mission Thrust.

Advancements in broadcasting work include a new communications and recording center in Uruguay, a mass media workshop in the Leeward Islands, and the broadcasting of new programs in Portuguese over Trans World Radio in Swaziland to Angola and Mozambique. Fourteen Baptist churches are now broadcasting in Italy and Baptists have started their own small station, with plans for enlargement.

In Argentina, filmed information about Baptist ministries was shown in a circuit of 500 movie houses to an estimated total audience of 5,000,000 people.

By the end of the year, more than 30 missionaries had broadcasting work as a major assignment, and latest available reports show a total of 9,933 radio broadcasts and 951 television broadcasts in 42 different countries.

Bible correspondence courses and similar Bible study materials continued to be used widely and with growing enrollments. A special cassette ministry, to supplement Bible study materials, was introduced in Bangladesh. There were international conferences on urban evangelism, stewardship, literature and leadership in Kenya; a seminar on audiovisual aids in Israel; a music conference in Peru; family life conferences and a youth camp in the French West Indies; and arts festivals in Grenada and Mexico.

The growing cooperation between national Baptist bodies and mission organizations is significant. In Tanzania, the convention and mission approved a joint plan for the projecting of 25 urban churches in the next five years. Harmonious relationships were restored between convention and mission in Indonesia. The Baptist convention in Japan set goals of 1,000 churches and 100,000 members within 30 years, with a first-stage goal of 250 churches and an equal number of mission points by 1987.

SCHOOLS AND STUDENT WORK

Strong indigenous churches must have capable and well-trained leadership from among their people. Educational institutions under Baptist auspices in various lands may include all levels from kindergarten through university. Baptists also sponsor theological schools and Bible institutes to prepare men and women for church and denominational leadership.

Record or greatly increased enrollments in seminaries were reported from several countries in 1978 including Portugal, Hong Kong, Brazil, and Mexico. A new theological institute was opened in Argentina.

Theological Education by Extension continued to expand in many places. TEE programs were expanded to a number of new centers in Venezuela, Chile, Uruguay, and Tanzania. The TEE department in Taiwan launched its first classes late in the year.

Continued progress was reported in student ministries in 1978. The student program in Bangkok was especially strong, with contact being made, by a brief TV presentation, with 100,000 new freshman students. At the major university, Christian students also distributed 50,000 copies of a student-published Christian newspaper.

PUBLICATION WORK

Adequate supplies of all kinds of Christian literature are needed for the developing of vigorous churches; therefore, publication ministries are an integral part of Southern Baptist overseas missions. In 1978 there were 21 formal publishing centers in 21 lands and informal literature production programs in a number of other lands.

For 1978, the Baptist Spanish Publishing House reported sales up 45 percent. The first study guide in French was published, and also, the most complete one-volume evangelical Bible commentary in Spanish. Thirty-five thousand copies of *The Baptist Hymnal* went on sale in July and all were sold by the middle of August.

Other developments included translation of the Gospel of John into the language of the largest Muslim group in Togo; production of a special set of children's books in Jordan; the beginning of a church musician's magazine in Japan; and the first Arabic-Greek concordance produced in Lebanon.

New bookstores were reported from Nigeria, the Dominican Republic, Chile, and Peru. Record sales were reported from Mexico, Venezuela, and Indonesia.

HOSPITALS AND MEDICAL CARE

Baptist medical work serves the physical needs of thousands of people who would otherwise be neglected and often opens strategic doors for evangelism. Health care ministries in 21 hospitals constitute an important segment of Southern Baptist overseas mission work.

Advancements in 1978 included transfer of responsibility for the Mexico hospital to the national convention; assignment of seven missionaries to work in government medical facilities in Bophuthatswana; election of the first national administrator of the Korea hospital; development of plans for a medical ministry in Macao; opening of Baptist dental clinics in Grenada and the Ivory Coast; and the beginning of work by the first Baptist missionary dentist in Tanzania.

Medical ministries were expanded and strengthened in various ways, such as additional mobile clinic outreach in India and in Paraguay; in-service training for the hospital staff in Jordan; and strengthened evangelism programs in the hospitals in Jordan, Thailand, Indonesia, and Japan.

Projects involving volunteers from America were conducted again in a number of countries, particularly in the Caribbean. A mobile dental unit for use in such projects was contributed and sent to Barbados.

BENEVOLENT MINISTRIES

Social service ministries are closely related in motivation and results to medical work. Such ministries include agricultural programs, good will and community centers, orphan homes, and direct relief funds.

Among major developments in 1978 were a large scale program of grain distribution in Upper Volta; extensive ministries to Vietnamese and Cambodian refugees in Thailand; a disaster response conference in the Caribbean; a variety of new agricultural projects in Bangladesh, the Leeward Islands, and many countries of Africa; literacy projects in Zambia, Bangladesh, and Indonesia; a new prison ministry in St. Vincent; and assistance in a Christian counseling center in India.

Southern Baptists gave a total of \$1,748,000.00 for world hunger and disaster relief in 1978. A total of \$1,035,677.49 was disbursed during 1978. Funds were utilized in 31 countries for a wide variety of needs. Plans for relief ministries were affected by several developments. There was a continuing decline in funds available for the meeting of general relief needs, and such funds were almost depleted by the end of the year — probably because no major disaster close to the United States had stimulated special concern. The Foreign Mission Board's overseas director said, "The depth of Southern Baptist commitment to the meeting of emergency relief needs is at the testing point."

CONTRIBUTIONS

In 1978, Southern Baptists' contributions for foreign missions totalled \$64,995,017. For the calendar year Lottie Moon Christmas Offering gifts amounted to \$31,970,126. The 1978 Lottie Moon Christmas Offering topped off as of May 31, 1979, at \$35,919,605.40. The 1979 offering goal is \$40,500,000.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. Still urgently needed on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth. As the overall missionary personnel picture begins to express new boldness, the financing for world missions must also show a bold new thrust.

HISTORICAL COMMISSION

127 Ninth Avenue North
Nashville, Tennessee 37234

Lynn E. May, Jr., Executive Director-Treasurer

In 1977-78 the Historical Commission experienced a productive year in helping Baptists understand and utilize their heritage as a resource for Bold Mission Thrust. Through publications, workshops, library resources, conferences, and program services, this agency has shared with Southern Baptists information and inspiration from the history of Baptists to encourage and strengthen them in their witness for Christ today. Some highlights of the Commission's accomplishments are given below.

The Commission produced and widely distributed a thematic issue of its quarterly journal *Baptist History and Heritage* on "The Role of Laymen in Baptist History" as a resource on lay involvement in missions and mission support. The January, 1979, issue on "Bold Mission Thrusts in Baptist History" was planned as a special resource to help Baptists learn from their past how they can be more effective in Bold Mission today. Recognizing that new converts won through Bold Mission Thrust need instruction in the faith and heritage of Baptists so that they may become productive, well established, and growing Baptists, the Commission launched a special project to develop a Baptist Heritage Series of pamphlets designed to provide resources to help meet that need and the need of current membership for similar instruction.

Many pastors, professors, students, Baptist editors, and others participated in the joint annual meeting of the Commission and Southern Baptist Historical Society held on the Southwestern Baptist Theological Seminary campus in April, 1978. Papers presented at the meeting on various aspects of the heritage of Baptist doctrines were published in the July, 1978, issue of *Baptist History and Heritage* to provide a resource to help Baptists understand their faith in historical perspective.

Through history workshops conducted in five states the staff trained hundreds of church and associational leaders in preserving, writing, and sharing their Baptist heritage. These field engagements have enabled the staff to meet basic history needs of Southern Baptists at the grass roots level. To communicate the importance of Baptist heritage and make the churches more aware of its services and materials, the Commission developed for broad circulation a slide-tape presentation entitled "Worth Remembering."

Two staff changes have been made: Mrs. Carolyn Patton was employed as administrative assistant elect and will succeed Mrs. Melba Ray on her retirement in 1979. In the interim, Mrs. Patton is filling the post of microfilm secretary vacated when Kathy Grenga terminated to enter graduate school.

PROGRAM REPORT

The Program of Recording, Procurement, Preservation, and Utilization of Baptist Historical Materials

1. Produced two thematic issues of the Commission's quarterly journal *Baptist History and Heritage* on "The Role of Laymen in Baptist History" and "The Heritage of Baptist Thought" as resources dealing with matters of current concern among Southern Baptists; published 23 articles in four issues of *Baptist History and Heritage*, increasing annual circulation to 9,200; distributed 1,050 back issues of this journal; published 10 articles in three

issues of *The Quarterly Review* with a combined circulation exceeding 39,000 in order to help Baptists and others to understand and appreciate the heritage of Baptists; wrote and channeled through other Baptist publications eight articles on writing history, techniques for preserving historical materials, the work of the history committee in the local church, and various aspects of Baptist heritage; assisted in the development of a resource issue of *Media* entitled "Preserve and Share Your Church's History"; published and distributed the *Southern Baptist Periodical Index - 1977* (author and subject index to 48 Southern Baptist periodicals) to assist researchers in locating information by and about Baptists; distributed 2,500 copies of *Baptists*, a sixteen-page resume of Baptist history; implemented plans for the publication of a "Baptist Heritage Series" of ten pamphlets; distributed to the libraries of institutions, church libraries, pastors, deacon chairmen, mission committees, Woman's Missionary Union directors, and other church and denominational leaders 92,000 copies of brochures designed to inform them of available resources on the history life, and work of Baptists including the January, 1979, issue of *Baptist History and Heritage* on "Bold Mission Thrusts in Baptist History."

2. HOME MISSION BOARD
1350 Spring Street, NW
Atlanta, Georgia 30309

William G. Tanner, Executive Director-Treasurer

BOLD MISSION THRUST

The events and program accomplishments of 1978 hinged on the Home Mission Board's involvement in Bold Mission Thrust. Key cities relationships have been established with 21 major metropolitan areas in the U.S. Consultants report success in helping associational and state leaders develop plans to reach the cities' populations.

During the past two years, the Home Mission Board (HMB) and other Southern Baptist Convention (SBC) groups have begun work in 156 counties without a Southern Baptist witness, reducing the number of unentered counties to 574.

The 34th state Baptist convention was formed in October, with the assistance of HMB personnel. The Nevada convention, organized just 30 years after the first SBC church began there, boasts 75 congregations and 14,000 members.

ACCOMPLISHMENTS

During the year, the 14 program areas and the support sections accomplished a number of tasks. Most of the programs assisted churches, associations and state conventions within their areas of expertise. These program areas and other program assignments are highlighted in this leaflet.

MISSION SERVICE CORPS

Mission Service Corps (MSC), conceived at the 1976 SBC annual meeting in Kansas City, has been taken seriously at the HMB. Response by volunteers and supporting sponsors, though not overwhelming, consistently keeps workers busy with orientation and assignments.

By year's end, more than 90 MSC volunteers were assigned to 29 states in six program areas. Many more await funding before being assigned.

FINANCIAL SUPPORT

The year marked significant increases in operating funds, although the 1978 Annie Armstrong Easter Offering goal of \$13 million was not reached. Total gifts of \$25,279,805 were 17½ percent above the 1977 figure, with \$11,489,194 from the Cooperative Program and \$12,282,227 from the Annie Armstrong Easter Offering.

PERSONNEL

Two staff positions were added this year as the Research Division was formed, totaling 275 employees at the HMB office in Atlanta. The missionary force numbered 2,830, with 159 persons appointed in 1978. About 145 mission pastors received financial assistance to provide for them until their churches can become self-supporting.

SPECIAL MISSION MINISTRIES

Special Mission Ministries, though not an official program of work, sees to the effective use of volunteers and oversees resort missions.

In 1978, more than 21,600 volunteers participated in home missions work. Many were young people volunteering for one or two weeks as part of a mission youth group.

Almost 500 adults volunteered through the short-term Christian Service Corps, working in church extension, language missions and interfaith witness.

Thirteen college professors worked directly in missions. More than 1,400 college students volunteered for 10 summer weeks and 550 college students spent spring holidays or other short vacations serving in missions.

Special Mission Ministries oversees 15 missionaries and 22 US-2ers.

EVANGELISM DEVELOPMENT

Evangelism personnel began working with three task forces of state secretaries of evangelism, planning personal evangelism, seminars on growing evangelistic churches and resources for equipping laypersons.

The first "Growing an Evangelistic Church" seminar for metropolitan pastors and church leaders was held, offering 26 hours of intensive training in church evangelism strategy.

The first national evangelism consultant with women was appointed. She helps women learn to share Christ from their unique viewpoints. The Correspondence Bible Course provided evangelistic Bible study to 6,258 persons.

PERSONAL EVANGELISM

Convention-wide planning has led the Evangelism Section to train four volunteers from each state to train and equip others. These persons, serving many churches, will become consultants in personal evangelism techniques.

In unprecedented cooperation, the HMB and Church Training Department of the Sunday School Board will offer personal evangelism training programs. Renewal evangelism, a joint effort of HMB and Brotherhood Commission, gained emphasis in 1978 with particular attention to recruitment and use of volunteers in lay renewal.

MASS EVANGELISM

For the first time in several years, new resources in mass evangelism were offered, including media messages for local churches to use. One state convention was helped in a pilot-project, state-wide media campaign.

The department assisted in placing 500 full-time evangelists for revivals in churches which could not afford revival teams without outside financial aid.

ASSOCIATIONAL ADMINISTRATION SERVICES

The department emphasized leadership training for directors of associational missions throughout the SBC; 76 directors – most in their first year of service – participated in a five-day seminar.

Numerous brochures and booklets were published, including 10 issues of "Associational Administration Bulletin."

Associational Emphasis Week was promoted at a directors training conference at each Baptist conference center; 549 associational directors attended.

METROPOLITAN MISSIONS

During 1978, metropolitan missions concentrated on meeting needs of Baptists in heavily populated areas. In one project, PACT (Project Assistance for Churches in Transition), agencies of the Convention directed associations and churches as they developed techniques to recognize and meet specific needs of transitional neighborhoods.

At fifteen conferences of the Urban Training Cooperative, a coalition of HMB staff, seminary professors and state convention leaders shared theological understanding, psychological insight, social awareness and ministry skills needed in urban environments.

Three regional metropolitan conferences drew 100 associational directors of missions. One hundred forty-six appointed missionaries served through this department.

RURAL-URBAN MISSIONS

Department staff helped develop awareness of needs and opportunities for cooperative work with state conventions in the western energy corridor.

At least 134 communities in the area will receive massive population influx from energy industry development because the area contains 60 percent of the nation's known reserves. Many of these communities have no Southern Baptist work, so strategists hope to start missions before newcomers converge on the area.

Staff aided urban-fringe residents to confront change as an opportunity for growth rather than as a threat. Consultations with such churches helped them plan for the future.

Bi-vocational pastors received continued emphasis. J. T. Burdine became a national consultant, responsible for developing ministries to bi-vocational pastors. In a pilot project, seminary graduates without pastorates were given orientation to needs of small churches, then moved to the mission field in clusters where they could help and support each other.

The department has 176 appointed missionaries.

PIONEER MISSIONS

Although Southern Baptists are represented in all 50 states, many communities still have no Southern Baptist congregations. Those states entered by Southern Baptists after 1940 are considered pioneer areas. Through Bold Mission Thrust, these areas are receiving increased attention, but efforts are administered through other departments of the HMB.

CHAPLAINCY

Attention to chaplaincy ministries increased in 1978 with the first commissioning service held for HMB-endorsed chaplains. The ceremony emphasized the important role of chaplains in missions. The division, which endorsed 123 full-time chaplains and 176 part-time chaplains in 1978, also provided conferences for chaplains and their families on the field.

More than 1,300 chaplains are endorsed by the HMB, including 868 military and 465 civilian chaplains.

Chaplaincy: Love on the Line, a book in the HMB's "Human Touch in Missions" series, told of seven chaplains who "go where others cannot, taking God's love with them." The book was well received; most copies sold soon after release.

CHURCH LOANS

During 1978, the Church Loans Division continued to respond to requests from churches unable to find local financing.

Through action of the directors, the division closed and committed 256 loans to churches in 25 state conventions. These loans represented \$18,114,904 loaned for new buildings, expansion or land purchases.

In addition, the staff counseled with another 1500 churches.

CHURCH EXTENSION

Starting churches in newer Convention areas received major focus. More than 1,000 persons work in church extension, including 160 missionaries and pastors receiving salary supplements.

New Bible study fellowships numbered 897. Workers began 152 church-type missions and 198 churches were constituted.

In addition, HMB staff members trained more than 225 pastors in church and mission development and more than 170 pastors and missionaries in the techniques of planting churches. Seminary students were appointed to 70 places to start new missions; 40 were started.

CHRISTIAN SOCIAL MINISTRIES

New ministries to the blind began with the first national conference on work with the sightless.

A second edition of the *Handbook for Literacy Missions* for volunteers was released, and a literacy missions consultant for western states was appointed.

Program personnel assisted 10 states hurt by disaster, distributing \$55,000 in relief funds.

The Watts community of Los Angeles received attention, with 37 CSM-led Vacation Bible Schools, resulting in 750 professions of faith.

Several conferences emphasized concerns of juvenile delinquency rehabilitation, criminal justice, migratory workers, hunger and alcohol and drug abuse. CSM has 347 appointed missionaries.

COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Leadership training was stressed; the department improved relations with state conventions, black Southern Baptist churches and other black church leaders.

Church Development Guidebook for Black Churches had two printings.

More than 4,900 black church leaders participated in training conferences and 1,370 black college students participated in the missions weekend held at a National Baptist Student Union retreat.

Staff members conducted three conferences with leaders from National and Southern Baptists. They held strategy sessions to reflect their program's changing relationship with black Southern Baptist churches and other black Baptist conventions in the U.S.

The department has 62 missionaries under appointment.

LANGUAGE MISSIONS

Beginning a Baptist witness to five more ethnic groups led accomplishments. Denver's Laser Church Growth Penetration established 12 new units of work among 10 language-culture groups, increasing language missions in Colorado by 150 percent.

In all, 150 new language-culture ministries were established, many using volunteers.

The department has over 1,000 missionaries.

In late 1978, language missions director Oscar Romo and Missions Section director Gerald Palmer visited Cuba, reestablishing contact with missions personnel once connected to the HMB. The visit was the first direct contact HMB leaders have had within Cuba in 17 years.

Ministries to illegal aliens were begun after staff met with U.S. Commissioner of Immigration and Naturalization, Leonel Castillo.

Two churches for the deaf were organized.

More than 300 churches and associations were led in ministry to Indo-Chinese refugees.

Personnel advised and assisted the Sunday School Board in publishing the first Spanish materials for use in the U.S.

INTERFAITH WITNESS

Enormous demand surfaced throughout the Southern Baptist Convention for information about religious sects, particularly the Unification Church of Sun Myung Moon. An interfaith witness consultant, Chris Elkins, once a member of the Unification Church hierarchy, spoke to thousands of Baptist youth and adults. A cassette tape of his testimony sold 3,800 copies.

The department printed materials on all faith groups and distributed more than 440,000 pieces – an increase of 94 percent.

Staff members conducted the first round of a national Roman Catholic-Baptist scholars' dialogue and held four local Baptist-Catholic dialogues.

PLANNING SECTION

With continued emphasis on long-range planning, this section coordinated a detailed study of the social, economic and ethnic environment the HMB will face during the remainder of the 20th century.

The Board of Directors added a Research Division to assist in coordinating research and planning.

Other projects included an in-depth study of the U.S. Trust Territories, major guidance to Nevada as it moved to convention status, completion of four major planning studies with state conventions, a research project on baptism and church growth and completion of a survey of female denominational employees for the Consultation on Women in Church-related Vocations.

SERVICES SECTION

Services Section provided logistical, financial and personnel support to all 14 programs. Its services varied from simple purchases of office supplies to complex data processing, from proofreading to multimedia production, from processing employee time sheets to screening missionary personnel.

Communication Division assisted with promotion of all the programs, as well as Bold Mission Thrust and Mission Service Corps (MSC). *An Act of Love*, a film about MSC, and "Bold Mission Update," a film on Bold Mission Thrust ministries, were produced and distributed. Videotape capability was expanded and an experimental video-cassette for 1979 Home Mission Graded Series was produced.

More than 400 printed pieces were produced and 25 displays designed and exhibited, including an award-winning display for the Southern Baptist Convention in Atlanta. The HMB hosted over 3,000 visitors that week.

An 18-month study of HMB conferences was completed, developing a data base for planning conferences.

The first Home Missions Experience — a week-long emphasis on home missions on a college campus — was held at East Texas Baptist College.

Personnel Division recruited and evaluated hundreds of missionary candidates, doing in-depth testing and evaluation on each.

Business Services provided electronic data processing with an increased number of HMB offices having direct access to computer services. The division, in cooperation with the Annuity Board, designed a life and health insurance program for Mission Service Corps volunteers, funded by the volunteers or their sponsors.

SUNDAY SCHOOL BOARD**127 Ninth Avenue, North
Nashville, Tennessee 37234***Grady C. Cothen, President*

The Sunday School Board is people and programs committed to serving the individuals, churches, associations and states which make up the Southern Baptist Convention. Last year the mission of the Board was directed toward the accomplishment of four priorities:

Bible Teaching for the Masses

Supporting and Enriching Family Life

Aiding and Encouraging Pastors and Church Staff Members

Equipping the Saints

Last year 1,740 new Sunday Schools were started, surpassing a goal of 1,300. As part of an overall emphasis on growth, 1,865 churches and associations conducted ACTION enrollment campaigns. Twenty Adult Start-a-Class clinics were held as part of a plan to start 100,000 new adult classes. Support of Bold Mission Thrust and efforts to improve Bible teaching in churches also were emphasized. The ongoing Sunday School program includes development of materials and training events to support Sunday morning Bible study, Vacation Bible School, weekday Bible study and other special Bible teaching projects. Home Bible Study — a radio and television program and home Bible correspondence course — was launched in October of 1978. "At Home with the Bible," now airing weekly to more than 1,500 communities, is a production of the Sunday School Board in cooperation with the Radio and Television Commission. The monthly HOME BIBLE STUDY GUIDE is mailed free to people who request it.

With the assignment of providing materials and services to church, associations and state conventions in ministering to families, single adults and senior adults, the Family Ministry Department reached 28,976 through conferences and field service events. HOME LIFE continues to be the most widely circulated monthly publication of the Sunday School Board. Two newer magazines, MATURE LIVING and LIVING WITH CHILDREN, are showing rapid circulation gains. A monthly magazine for single adults, CHRISTIAN SINGLE, is to be introduced in April of 1979.

More than 15,000 pastors participated in Bible Preaching Weeks, career assessment, Personal and Professional Growth Courses and other training events. The Church Administration Department has primary responsibility for supporting the Board's priority of aiding and encouraging pastors and church staff members. Deacon ministry, weekday education, youth ministry coordination, church secretary enrichment and aid for ministers of education are other areas of work directed by the department. The Church Program Training Center completed its most successful year to date with 96 events and 2,394 participants.

A total of 528 new church training programs were started across the Southern Baptist Convention through the New Day for Training growth emphasis. Pilot tests were completed and plans finalized to launch in 1979 an addition to the church training program, Equipping Centers, which will provide short-term training for adults. Promotion efforts were increased for the annual Baptist Doctrine Study. The 1978 topic was THE DOCTRINE OF MAN.

Church literature sales related to nine programs of work of the Sunday School Board totaled \$35.1 million, up 7.4 percent from the previous year. The Board is charged by the denomination to provide materials and training to strengthen Sunday School, Church Training, Church Music, Church Administration, Church Architecture, Church Library, Church Recreation, Student work and Family Ministry. Church literature orders were processed for 158.6 million pieces weighing 13.4 million pounds.

More than 89,000 persons registered at Glorieta and Ridgecrest Baptist Conference Centers for leadership training conferences and other denominational programs, a 4.3 percent increase in guests.

Sales of books, music and supplies sold through Baptist Book Stores and Mail Order Centers and Lifeway Book Stores showed a 3.8 percent increase over last year. Almost three million sales were transacted amounting to \$33,341,383.

Sales of Broadman products reached an all-time high last year of \$8,898,067, a 12 percent increase over the previous year. In 1977-78, 541 new products were launched under the Broadman imprint. Broadman products are of general Christian content and sold through Baptist Book Stores as well as other stores.

The number of Southern Baptists enrolled in the music programs of their churches increased .5 percent to 1,382,104. Those figures also showed that two-thirds of Southern Baptist churches now have a church music program.

Baptist student ministries now involve students on 1,112 campuses with 686 others earmarked for new work in the near future. Through those ministries, 134,220 students were reached with 5,928 conversions reported, and 13,779 students preparing for church vocations. The number of students involved in missions projects of Baptist Student Unions was 4,295.

Church architecture consultants met with persons from 3,514 churches and denominational organizations. Services also were provided to 87 churches in 17 foreign countries. In addition to help in designing and remodeling buildings, consultation was offered in landscape and interior design.

The number of Southern Baptist churches registering their media center with the Board's Church Library Department has reached 24,153, with 1,006 associations maintaining a church media center program.

In a continuing effort to strengthen local church recreation programs, consultants in the Board's Church Recreation Department trained more than 14,000 leaders from 8,400 churches. Plans were finalized for the department's direction of Centrifuge beginning in the summer of 1979 at Glorieta and Ridgecrest. Centrifuge is a week-long, 14 hour per day youth camping program.

In the Program of Cooperative Education and Promotion Work with State Conventions, the Sunday School Board contributed \$1,637,250 to state Baptist conventions to assist in the promotion of Sunday School, Church Training, Church Music, Student Work, Church Administration, Church Architecture, Church Library and Church Recreation.

In addition, the Board contributed \$597,058 as its share of the operating expenses of the Southern Baptist Convention. Of that total, \$200,000 was to be used to increase the endowment of two seminaries.

The Sunday School Board ended the year in a satisfactory financial condition and received an unqualified certification in its annual audit. The total receipts for the year exceeded \$75 million.

RADIO AND TELEVISION COMMISSION
6350 West Freeway
Fort Worth, Texas 76150

Harold E. Martin, Executive Vice President

The Radio and Television Commission of the Southern Baptist Convention will continue using the electronic media to "preach the gospel effectively to a variety of audiences" in 1979 and 1980 as it participates in and contributes to Bold Mission Thrust. Our continuing commitment is to quality production but our new watchword is effective proclamation.

Frederick W. Isaacs, president of the Commission's Board of Trustees, spelled it out. "The Radio and Television Commission is committed to use and embellish the best of what we have found to be effective in the electronic media. What we have done, we want to do more thoroughly. We want to ask God to provide the leadership for us to attack the future boldly.

"Often the denomination says to us, 'Why does some other organization have prime time on television and Baptists don't? If they can do it, we should do it.' I agree. If we let the Lord lead us we then understand that the power behind us is stronger than the task ahead of us.

"We can have prime time on television but not within the present budget which exists. How better can Baptists augment Bold Mission Thrust than by harnessing the untapped potential of the electronic media for the spreading of the word of his kingdom."

The resignation and retirement of Paul M. Stevens as president of the Radio and Television Commission brings to a close 26 years of leadership in this important capacity. And, as one era in the history of the Radio and Television Commission ends we recognize that the past is a success story that gives evidence of the grace of God.

From the earliest beginnings of the Radio and Television Commission — in 1938 when Dr. Samuel Lowe proposed that the Southern Baptist Convention study the possibility of using radio to preach the gospel — the Commission has grown and developed stride for stride with the electronic media. Under Dr. Stevens' leadership the Commission has built a solid foundation from which Baptists can confidently move into the future.

Now, as we enter a new era under another leader, the Radio and Television Commission has well-established radio and television programs. The physical studio facilities and electronic equipment are the finest available. We are well-prepared and totally committed to use all these assets to preach the gospel as effectively as possible to a variety of audiences.

Commission radio programs are marketed across the country with a variety of formats that reach highly-specialized audiences. "The Baptist Hour" is undergoing some changes that will tie it more closely to the local church. Frank Pollard, the host, soon will be inviting listeners to attend prayer meeting at a nearby Baptist church.

On television the Commission is reaching out both to those who openly reject and to those who reluctantly listen to the Gospel. One program in our "Human Dimension" television series was just given the prestigious Peabody Award for excellence. The "Listen" programs which openly proclaim the gospel and apply it to daily life and "The Athletes," which share Christian experiences of noted sports personalities, are now being marketed in half-hour versions more acceptable to broadcasters.

Not only is the Radio and Television Commission proclaiming the gospel and looking at new possibilities in proclamation but we are helping the churches, associations, state conventions and agencies of our denomination utilize the media effectively.

The Radio and Television Commission offers media counseling and training to the denomination. We are beginning to initiate intern programs with our seminaries so the next generation of Southern Baptist preachers, teachers and leaders will know how to use radio and television effectively. We are broadening our relationship with boards and agencies to assist them.

Such ongoing projects as the Sunday School Board's series, "At Home With The Bible," are being booked into our studios. Individual projects and program series such as "Circulo Tres" for the Latin American countries are being produced in cooperation with the Foreign Mission Board and the Home Mission Board.

But equally exciting, and perhaps more important, is the enabling assistance the Radio and Television Commission is providing individual churches, for this is where Bold Mission Thrust truly begins. The Radio and Television Commission's commitment to the local church is already expanding. Whether our assistance to churches is in the form of suggestions on the telecast of worship services, selection of broadcasting equipment, consultation on lighting or sound, or the production of spot announcements for radio and television, churches can be assured of our sincere desire to help.

It is clear to us that all kinds of magnificent opportunities lie before us in using the media for evangelism and missions. We are committed to be open, and responsive, and candid, and creative. We want to be a channel of the eternal gospel, to do our part to enable every person in the world to hear and respond to the gospel of Christ by the year 2000.

The search committee, appointed to find and recommend Dr. Stevens' successor, is actively seeking a president. Denominational input is vital. The committee is seeking the man God would find suitable for this important position in his kingdom.

GOLDEN GATE BAPTIST THEOLOGICAL SEMINARY
Mill Valley, California 94941

William M. Pinson, Jr., President

The 1978-79 year at Golden Gate Baptist Theological Seminary was highlighted by growth in the faculty and students ranks, an increase in programs geared toward missions, family enrichment and church growth, and the dedication of a new Chair of Evangelism.

A new record was set in 1978-79 as enrollment climbed to 602 students compared to 537 who had registered during the same time a year ago. That represents a 2.55 percent increase. Of these, 446 were enrolled in theology, 129 in religious education, and 27 in church music.

New students enrolled for the spring semester were 60 percent above the number of new students entering last spring. With new student applications running 38.6 percent ahead of last year, Seminary officials are confident enrollment at Golden Gate will reach another new record high in 1979-80.

Trustees of the Seminary approved a record budget in April in excess of \$2 million.

Phase I of an \$18.6 million capital fund and enrollment program was approved by the Trustees. Phase I, valued at \$10.3 million, will include a new library, student housing villages, a recreation center, the Chapel/World Mission Center, a child care center, and the endowment for the Baker James Cauthen Chair of World Missions.

Baker James Cauthen was elected as the Seminary's first Baker James Cauthen Professor of Missions. Cauthen, who will retire as executive director of the Southern Baptist Foreign Mission Board in December, will join the faculty in the fall of 1980.

The E. Hermond Westmoreland Chair of Evangelism was dedicated in October 1978 with Dr. G. William Schweer named as the first E. Hermond Westmoreland Professor of Evangelism. The chair was named in honor of the late Dr. Westmoreland, long-time pastor of South Main Baptist Church, Houston, Texas, and former Golden Gate trustee.

Two faculty members were added, bringing the total number of full-time faculty to 26. They are Dr. William L. Hendricks, professor of systematic theology and philosophy of religion, and Dr. S. Alfred Washburn, associate professor of church music.

Other events during the school year included the first annual campus revival in October in which Dr. Roy Fish, professor of evangelism at Southwestern Baptist Theological Seminary, preached. Dr. Morris Ashcraft, professor of Christian theology at Midwestern Baptist Theological Seminary, presented the 1978 Derward W. Deere Lectures also in October.

The Golden Gate Mission Conference and World Mission Week observance in February was highlighted by Southern Baptist Convention President Dr. Jimmy Allen; Dr. Baker James Cauthen; Dr. James Dunn, director of the Christian Life Commission of the Baptist General Convention of Texas; Henry T. Blackaby, pastor of Faith Baptist Church, Saskatoon, Saskatchewan; and Dr. William L. Hendricks. Golden Gate reported the highest attendance of all the seminaries for mission conferences in 1979.

The Seminary plans to offer classes in Salt Lake City this fall and open a new branch in the Northwest Baptist Convention in 1980. The Seminary operates existing branches in Phoenix and Garden Grove in the Los Angeles area.

Dr. George E. Sweazey, the Francis Landey Patton Professor Emeritus of Homiletics at Princeton Theological Seminary, delivered the 1979 H.I. Hester Lectures in April. The Seminary graduated 66 students in June.

There were 15 students enrolled at Golden Gate from Arkansas.

Midwestern Seminary began its 21st year with confidence and gratitude!

The seminary's 20th anniversary year, 1977-78, resulted in significant gains in (1) student enrollment, (2) financial progress, (3) faculty and staff additions, and (4) program development.

The 572 students enrolled in regular seminary work during 1977-78 marked the sixth consecutive year in which enrollment has reached a record high. During the period 1970-78, the enrollment has more than doubled, moving from 257 to 572, an increase of 122.5 percent.

The seminary for the fifth year in a row completed its financial year, 1977-78, solidly "in the black." All long-term operating indebtedness has been eliminated and a program of minimal operating reserves has been initiated. During the last five years faculty and staff salaries have been increased by an average of 45 percent and personnel benefits by 256 percent, including the establishment of a comprehensive retirement funding program.

Four new faculty positions were filled. Delos Miles, Director of Evangelism and Church Services Division for South Carolina Baptists, was elected as Associate Professor of Evangelism, beginning his work January 1, 1978. Doran McCarty, who had served as Professor of Philosophy of Religion and Theology since 1967 was named Professor of Supervisory Studies, providing academic training in this vital area. William Ratliff, Director of Admissions at Southern Baptist Theological Seminary, was named Assistant Professor of Philosophy and Theology, assuming teaching responsibilities relinquished by McCarty, effective August 1, 1978. N. Larry Baker, pastor of First Baptist Church, Fayetteville, Arkansas, was elected as Associate Professor of Christian Ethics. He will provide instruction in the area of basic biblical ethics, assuming responsibilities formerly held by John C. Howell, recently named Academic Dean.

Three new programs were established: Institutional Development, Continuing Education, and Denominational Services. C. W. Scudder, Administrator of Internal Affairs since 1975 was named Vice President for Business and Development. Doran McCarty, Professor of Supervisory Studies and Director of Supervised Ministries was named Director of Continuing Education. Paul M. Lambert, Director of Missions, Kansas City Baptist Association, was named Director of Denominational Services. Robert Desbien was named Director of Public Relations. Alta Morrow, Director of Program Coordination and Alumni Affairs, was assigned added responsibility in the area of Institutional Development.

The program of restoration, modification and renovation of all seminary buildings (excluding married student housing), initiated in 1976, proceeds on schedule. Phase I, the restoration and modification and renovation of the classrooms/student center/faculty office buildings is complete. Phase II, the restoration of the residence hall is scheduled for completion in the fall of 1978. Phase III, restoration and modification and renovation of the library is scheduled to begin in 1979-80. In addition, the construction of a new facility, child development/family life center is scheduled for 1979-80.

A program of long range institutional planning has been initiated. Midwestern Seminary faculty, alumni, administration, trustees and friends, in the planning process will be asking significant questions about the purpose, objectives, and total development and growth of the seminary.

Some basic questions under consideration are: "How large should Midwestern Seminary be in as far as student enrollment is concerned?" "Is an enrollment of 500-750 students a maximum range within which effective training and equipping of leaders for the churches can be maintained, or should enrollment objectives of 1000-1250 be set?" "What are the immediate needs and desires of Southern Baptist churches within a 300 mile radius of the campus which Midwestern can and should meet?" "What is Midwestern's unique and/or specific contribution within the family of Southern Baptists, especially in relation to Bold Mission Thrust?" "What kinds of emphases and programs are needed to prepare men and women for effective Christian witnessing during this period of radical change and transition at the end of the 20th century?" "What is the appropriate relationship between facilities (bricks and mortar), and programs of training and equipping students both on and off campus?" "What resources can be expected and adjustments will be required to keep pace with energy demands, transportation restrictions, and inflation pressures?"

It is apparent that leadership and service in an institution as young and energetic as Midwestern Seminary poses an exciting challenge. Midwestern trustees, administration, faculty, alumni and students enter the 21st year of the seminary's history with appreciation for the past and enthusiasm for the future. We joyfully accept the responsibility of being good stewards of the mission with which we are charged by Southern Baptists.

NEW ORLEANS BAPTIST THEOLOGICAL SEMINARY

3939 Gentilly Boulevard
New Orleans, Louisiana 70123

Landrum P. Leavell, II, President

NEW ORLEANS — Progress at the New Orleans Baptist Theological Seminary continued during the past year, Seminary officials have announced. A sustained growth pattern has continued for more than four years, marked in the 1978-79 academic year by such highlights as expansion of housing, record numbers in enrollment and graduates, and the beginning of a five-year campaign for \$2 million.

Enrollment for the 1978-79 academic year reached 1514, according to Mr. Bart Neal, Seminary registrar. This marked a 3.9 percent increase in enrollment over the 1977-78 year, when 1457 students were enrolled at the Seminary. In addition, more than 320 persons received degrees and awards during the year, the largest number of graduates in one year to come from the school in its 62-year history.

The Seminary also began its \$2 million Capital and Endowment Funds campaign. By the close of the academic year — less than six months after the campaign began — more than half of the funds have been pledged by trustees, faculty, staff, alumni and New Orleans business and professional leaders. Money generated from the campaign will be used to complete funding for the \$3.225 million student center complex, and to add to endowment funds for programs at the Seminary.

The student center complex will help ease space problems at the Seminary, which resulted from the sharp growth experienced over the past four years. When the new center is opened, which will include a new cafeteria, post office and student store, the building in which those facilities are now located will be renovated for classroom and faculty office space.

The purchase of a 64-unit apartment complex last winter helped provide much-needed housing for seminary families. The complex is located about four miles from the East New Orleans campus, and will be completely vacated by non-seminary tenants by the end of January, 1980. Almost half of the complex now is occupied by Seminary students. Faculty housing and office space still remains a significant problem, Seminary officials say.

Faculty and staff additions for the year included: Dr. Waylon Bailey, assistant professor of Old Testament and Hebrew; Dr. Luther Dorr, instructor in the School of Christian Training; Dr. C. Ferris Jordan, associate professor of adult education; Dr. James L. Minton, assistant professor of youth education; Dr. Donald Minton, promoted to academic counselor.

A cooperative program with the First Baptist Church of New Orleans and the Seminary was begun for construction of the J. D. and Lillian Grey Missionary Home and Library on the Seminary campus. The home will house two foreign missionary families on furlough each year, and will contain most of Dr. Grey's personal library and memorabilia. Although the building will be located on the campus, the entire construction cost is being underwritten by the church.

With the close of the 1978-79 academic year came the retirement of Dr. Wilbur Swartz, chairman of the division of pastoral ministries and professor of speech. Dr. Swartz will continue some teaching responsibilities at the Seminary on a contract basis.

The Seminary also closed out the year without exceeding the largest operating budget in the school's history. The budget for the year amounted to \$3,386,892, of which \$2,080,829, or 61.43% came from Cooperative Program funds. Strongly committed to operating within the limits of funds available to the Seminary, Dr. Leavell promised that the Seminary "will continue to exercise good stewardship of what the Lord has provided us through Southern Baptists."

SOUTHEASTERN SEMINARY
Wake Forest, North Carolina 27587

W. Randall Lolley, President

WAKE FOREST, N.C.—During the 1978-79 academic year, Southeastern Seminary here added five full-time faculty members, elected three more for the 1979-80 year, and began the construction of 100 townhouse apartments for students.

Teaching at Southeastern for the first time during the current year have been Bruce Powers, Associate Professor of Religious Education; Tom Halbrooks, Assistant Professor of Church History; James Good, Professor of Church Music; Luke Smith, Professor of Supervised Theology. Their addition brought the seminary's full-time teaching staff to 30.

During the year, the seminary suffered the loss of Philosophy of Religion Professor Ellis Hollon, who died in an accident on April 8. Also, James E. Tull, Professor of Theology, announced his retirement at the end of the current year.

Joining the Southeastern faculty for the 1979-80 year will be Robert H. Culpepper as Professor of Theology; Malcolm Tolbert, Professor of New Testament; William Clemmons, Associate Professor of Christian Education; and Ben Philbeck, Professor of Old Testament.

Enrollment at Southeastern was more than 1,300 during the year; more than 1,000 of these were full-time students. There were 148 women enrolled, 196 colleges and universities were represented and students came from 32 states and 9 overseas countries.

Degrees were presented to 240 at exercises in May, 1979, including the first degree in Southeastern's Master of Divinity with Church Music program. The new graduates brought to 3,829 the total alumni of the 28-year old school. A feature of this year's commencement was the 25th anniversary reunion of the seminary's first graduating class in 1954.

During the year, Southeastern Seminary received approval for full accreditation by the Southern Association of Colleges and Schools. From its inception, Southeastern has been accredited by the national Association of Theological Schools.

Also during the current year, Southeastern Seminary inaugurated a new Formation in Ministry program, designed to eventually provide each student with one year of practice in ministry under professional supervision. A staff of five administrators and professors lead the program.

To relieve a severe housing shortage, construction began during the year on a new 100-townhouse student apartment village. Built on already available seminary land, the \$2,740,000 project will be one-half completed in time for the fall opening of classes. Cost of the project will be funded 20% by Cooperative Program capital funds, the remainder from gifts and loans.

Under authorization from the SBC Executive Committee, Southeastern has launched a 3-year \$3.5 million capital and endowment funds campaign. Gifts to the campaign will be used to strengthen the seminary's financial base and to assist in the "re-cycling" of the 145-year old campus, formerly the home of Wake Forest College.

In their spring meeting, the Board of Trustees adopted a budget of \$3,143,884 for the 1979-80 year. Cooperative Program gifts will provide 72.5% of the budget, with the remainder coming from student fees, rents, gifts and endowment income.

Bold Mission is the theme for Southern Seminary in these closing months of the 1970's, and the seminary is strategically located to make the very most of the Bold Mission Challenge!

Within a day's drive of the Louisville campus are 60 percent of the American people — including the cities of Cincinnati, Memphis, Indianapolis, Nashville, Pittsburgh, St. Louis, Atlanta, Chicago, Birmingham and Detroit — more than 100 million people in need of Christ's love.

And Southern Seminary has an abundance of young men and women who are ready to meet the challenge! More than 2,800 of them were enrolled during the past school year, preparing to preach, teach and serve in a variety of missionary activities when they graduate.

Many students are already involved in Bold Mission even before they finish their seminary training. Southern Seminary's location permits several groups of students to travel in Bold Mission Thrust "vans" to Michigan, Illinois and Indiana — providing weekend church planting in communities where there is no evangelical witness.

More than 400 students serve "pioneer" churches in Ohio, Indiana, West Virginia, Michigan and Illinois, growing new congregations as part of their required field experience while in seminary.

Southern Seminary's emphasis on evangelism finds hundreds of students preaching youth revivals, leading witnessing clinics, going personally on home visitation, working in prisons, making surveys of changing neighborhoods, leading cottage prayer meetings — helping plant new churches and confronting men and women with the claims of Christ every week.

To God be the Glory for the powerful witness of Southern Seminary, its faculty and students! The Bible is the center of the curriculum, the authority for all the seminary teaches. Seminary professors are committed to strong, conservative beliefs rooted in the 1858 Abstract of Principles, the oldest testimony of faith adopted by Southern Baptists. You can be proud that God is using Southern Seminary in an unprecedented way, to train a new Army . . . Soldiers of the Cross who will be true to God's Word, committed to Southern Baptist ideals, openly and warmly evangelistic.

Pray daily for Southern Seminary. Remember faculty, staff and students in your devotions. Ask God to guide and protect them as they serve the churches of your Convention. **Southern Seminary is Out to Change the World, through the redeeming power of Jesus Christ.**

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY**P.O. Box 22000****Fort Worth, Texas 76122***Russell H. Dilday, Jr., President*

Continuity of service and transition of leadership characterized the 1978-79 academic year at Southwestern Baptist Theological Seminary, according to this annual report to the Southern Baptist Convention.

Highlight of the year was the inauguration of Russell H. Dilday, Jr. as sixth president of the Fort Worth institution. The week long celebration surrounding the October inaugural ceremonies provided an opportunity to express the academic stature, evangelical heritage, and world mission purpose of Southwestern, according to the report.

Other additions to the administrative structure of the seminary were Lloyd Elder, executive vice president; Grady Lowery, director of the Recreation/Aerobics Center; John P. Newport, vice president for academic affairs and provost (effective Aug. 1, 1979); and Wallace Shamburger, physician and director of Walsh Medical Center.

Four additional faculty members were elected to accommodate record enrollments and to fill existing vacancies.

The cumulative enrollment reached an all time high of 4,154 during the year, of which were 1,256 were first year students. The seminary also awarded 780 degrees.

Southwestern continues to operate off campus centers in Houston, San Antonio, and Shawnee, Okla. Enrollment was 251 in these centers during the 1978-79 academic year. The San Antonio center completed its second year of operation, the Shawnee campus its third, and the Houston campus its fourth year.

The centers provide seminary training for pastors and other church staff members who serve local churches without benefit of seminary education.

Southwestern currently is participating in a study with the other five Southern Baptist seminaries to explore the needs and means for establishing additional off campus centers, the report said.

The seminary's Eight by Eighty fund raising campaign received unprecedented support in 1979 with the largest single gift in the school's history.

Mr. and Mrs. J. Roy Slover of Liberty, Texas, gave property valued at \$1 million to the campaign, which is an effort to raise \$8 million by 1980 for capital improvements and endowment.

The seminary continued to enlarge and renovate campus facilities to meet the growing demands of high enrollments.

The new Recreation/Aerobics Center was opened in January. The facility contains nearly 40,000 square feet of indoor space for basketball, swimming, exercise equipment, racquetball/handball, jogging, classrooms, and locker facilities.

Also included in the six and one-half acre complex are outdoor areas for running, softball, football, soccer, and tennis.

An average of 6,000 persons per week have used the center since its opening. It is one of only three such aerobics facilities in the United States, according to seminary officials.

Also completed during the year was renovation of Fort Worth Hall, dormitory for single men.

Current construction projects include 44 family units in the student housing village and preliminary planning for a new learning resources and research center.

Construction on the new center is scheduled to begin during the 1979-80 academic year and will include facilities for library, media, reference and research, conference, and study centers.

More than \$1 million in Cooperative Program funds from the Southern Baptist Convention will be designated for the center.

In concluding his first report to the convention, Dilday said, "Southwestern pledges to continue its effort to contribute trained ministers for the leadership needs of the Home and Foreign Mission Boards, other agencies and associations, the 35,000 Southern Baptist Convention churches, and the new work and ministries demanded by Bold Mission Thrust."

THE EXECUTIVE BOARD
ARKANSAS BAPTIST STATE CONVENTION
LITTLE ROCK, ARKANSAS

WE HAVE EXAMINED THE STATEMENTS OF ASSETS AND LIABILITIES ARISING FROM CASH TRANSACTIONS OF THE EXECUTIVE BOARD, ARKANSAS BAPTIST STATE CONVENTION AS OF DECEMBER 31, 1979 AND 1978, AND THE RELATED STATEMENTS OF CASH RECEIPTS AND DISBURSEMENTS, CHANGES IN OPERATING FUND BALANCES AND CHANGES IN SPECIAL FUND BALANCES FOR THE YEARS THEN ENDED. OUR EXAMINATIONS WERE MADE IN ACCORDANCE WITH GENERALLY ACCEPTED AUDITING STANDARDS AND, ACCORDINGLY, INCLUDED SUCH TESTS OF THE ACCOUNTING RECORDS AND SUCH OTHER AUDITING PROCEDURES AS WE CONSIDERED NECESSARY IN THE CIRCUMSTANCES.

AS DESCRIBED IN NOTE 1 TO THE FINANCIAL STATEMENTS, THE EXECUTIVE BOARD'S POLICY IS TO PREPARE ITS FINANCIAL STATEMENTS ON THE BASIS OF CASH RECEIPTS AND DISBURSEMENTS AND IN ACCORDANCE WITH ACCOUNTING PRACTICES FOLLOWED BY NON-PROFIT DENOMINATIONAL ORGANIZATIONS. ACCORDINGLY, THE ACCOMPANYING FINANCIAL STATEMENTS ARE NOT INTENDED TO PRESENT FINANCIAL POSITION AND RESULTS OF OPERATIONS IN CONFORMITY WITH GENERALLY ACCEPTED ACCOUNTING PRINCIPLES.

IN OUR OPINION, THE AFOREMENTIONED FINANCIAL STATEMENTS PRESENT FAIRLY THE ASSETS AND LIABILITIES ARISING FROM CASH TRANSACTIONS OF THE EXECUTIVE BOARD, ARKANSAS BAPTIST STATE CONVENTION AS OF DECEMBER 31, 1979 AND 1978, AND THE RESULTS OF CASH OPERATIONS OF THE FUNDS DURING THE YEARS THEN ENDED ON THE BASIS OF ACCOUNTING MENTIONED IN THE PARAGRAPH ABOVE, WHICH BASIS HAS BEEN APPLIED IN A CONSISTENT MANNER.

THE FINANCIAL STATEMENTS REFERRED TO IN THE FOREGOING OPINION ARE SET FORTH ON PAGES 3 TO 8, INCLUSIVE, OF THIS REPORT. OUR EXAMINATIONS WERE MADE PRIMARILY FOR THE PURPOSE OF RENDERING AN OPINION ON THESE BASIC FINANCIAL STATEMENTS, TAKEN AS A WHOLE. THE OTHER DATA INCLUDED IN THIS REPORT ON PAGES 9 TO 55, INCLUSIVE, ALTHOUGH NOT CONSIDERED NECESSARY FOR A FAIR PRESENTATION OF ASSETS AND LIABILITIES ARISING FROM CASH TRANSACTIONS, CASH RECEIPTS AND DISBURSEMENTS AND CHANGES IN FUND BALANCES, ARE PRESENTED PRIMARILY FOR SUPPLEMENTAL ANALYSIS PURPOSES. THIS ADDITIONAL INFORMATION HAS BEEN SUBJECTED TO THE AUDIT PROCEDURES APPLIED IN THE EXAMINATION OF THE BASIC FINANCIAL STATEMENTS AND, IN OUR OPINION, IS FAIRLY STATED IN ALL MATERIAL RESPECTS IN RELATION TO THE BASIC FINANCIAL STATEMENTS TAKEN AS A WHOLE.

ARKANSAS BAPTIST STATE CONVENTION

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1979 AND 1978

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

THE EXECUTIVE BOARD MAINTAINS ITS RECORDS ON THE BASIS OF CASH RECEIPTS AND DISBURSEMENTS; CONSEQUENTLY, CERTAIN REVENUE AND RELATED ASSETS ARE RECOGNIZED WHEN RECEIVED RATHER THAN WHEN EARNED, AND CERTAIN DISBURSEMENTS ARE RECOGNIZED WHEN PAID RATHER THAN WHEN THE OBLIGATION IS INCURRED.

IN ACCORDANCE WITH ACCOUNTING PRACTICES FOLLOWED BY NON-PROFIT DENOMINATIONAL ORGANIZATION, NO PROVISION HAS BEEN MADE IN THE ACCOMPANYING FINANCIAL STATEMENTS FOR DEPRECIATION OF PROPERTIES.

NOTE 2: FUND OVERDRAFTS

THE ARKANSAS BAPTIST STATE CONVENTION IN ITS NOVEMBER, 1967 MEETING, APPROVED THE BORROWING FROM OUTSIDE SOURCES OF UP TO \$900,000 FOR THE PURCHASE OF BAPTIST BUILDING SITE WITH THE INDEBTEDNESS TO BE LIQUIDATED FROM THE COOPERATIVE PROGRAM BUDGET. FUND OVERDRAFTS RESULTING FROM THESE BORROWINGS WERE \$206,140 AND \$262,331 AT DECEMBER 31 1979 AND 1978, RESPECTIVELY.

THE EXECUTIVE BOARD, ARKANSAS BAPTIST STATE CONVENTION, IN ITS AUGUST, 1976 ANNUAL MEETING, APPROVED THE OPERATIONS OF THE THIRD CENTURY ENDOWMENT CAMPAIGN WITH FUNDING TO BE OBTAINED FROM FUTURE CONTRIBUTIONS. AT DECEMBER 31, 1978, THE FUND OVERDRAFT RESULTING FROM OPERATIONS WAS \$33,908.

NOTE 3: FUNDS HELD IN ESCROW

THE EXECUTIVE BOARD'S POLICY IS TO HOLD ALL OFFERINGS FOR LOTTIE MOON FOREIGN MISSIONS WHICH ARE RECEIVED SUBSEQUENT TO OCTOBER IN ESCROW UNTIL THE FOLLOWING YEAR. FUNDS HELD IN ESCROW AMOUNTED TO \$40,545 AND \$33,784 AT DECEMBER 31, 1979 AND 1978, RESPECTIVELY.

OUR EXAMINATIONS WERE MADE IN ACCORDANCE WITH GENERALLY ACCEPTED AUDITING STANDARDS, AND ACCORDINGLY INCLUDED SUCH TESTS OF THE ACCOUNTING RECORDS AND SUCH OTHER AUDITING PROCEDURES AS WE CONSIDERED NECESSARY IN THE CIRCUMSTANCES.

AS DESCRIBED IN NOTE 1 OF THE NOTES TO THE FINANCIAL STATEMENTS, THE ACCOMPANYING FINANCIAL STATEMENTS ARE PREPARED ON THE CASH BASIS AND, ACCORDINGLY, THEY ARE NOT INTENDED TO PRESENT FINANCIAL POSITION AND RESULTS OF OPERATIONS IN CONFORMITY WITH GENERALLY ACCEPTED ACCOUNTING PRINCIPLES.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1979 AND 1978

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

THE FINANCIAL STATEMENTS ARE PRESENTED ON THE BASIS OF CASH RECEIPTS AND DISBURSEMENTS. CERTAIN REVENUE AND THE RELATED ASSETS ARE RECOGNIZED WHEN RECEIVED RATHER THAN WHEN EARNED, AND CERTAIN EXPENSES ARE RECOGNIZED WHEN PAID RATHER THAN WHEN THE OBLIGATION IS INCURRED. ACCORDINGLY, THE FINANCIAL STATEMENTS ARE NOT INTENDED TO PRESENT FINANCIAL POSITION AND RESULTS OF OPERATIONS IN CONFORMITY WITH GENERALLY ACCEPTED ACCOUNTING PRINCIPLES.

IN ACCORDANCE WITH ACCOUNTING POLICIES OF NON-PROFIT DENOMINATIONAL ORGANIZATIONS, NO PROVISION HAS BEEN MADE FOR DEPRECIATION OF PROPERTIES.

NOTE 2: CHANGE IN ACCOUNTING METHOD

AS DESCRIBED IN NOTE 1, THE FINANCIAL STATEMENTS ARE PRESENTED ON THE BASIS OF CASH RECEIPTS AND DISBURSEMENTS. PRIOR TO 1978, THE ACCRUAL METHOD OF ACCOUNTING WAS USED. THE CASH METHOD OF RECOGNIZING RECEIPTS AS REVENUE WHEN RECEIVED AND DISBURSEMENTS AS EXPENSES WHEN PAID IS PREFERABLE BECAUSE OF THE ORGANIZATIONS REPORTING OBJECTIVE AND ACCOUNTABILITY FOR FUNDS TO THE EXECUTIVE BOARD OF THE ARKANSAS BAPTIST STATE CONVENTION. THE UNRESTRICTED FUNDS BALANCE AT JANUARY 1, 1978 HAS BEEN INCREASED BY \$6,494, THE CUMULATIVE EFFECT OF THE CHANGE WHICH REPRESENTS EXPENSES INCURRED AND RECORDED IN 1977 BUT PAID IN 1978.

OUACHITA BAPTIST UNIVERSITY
NOTES TO THE FINANCIAL STATEMENTS

MAY 31, 1979

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

THE FINANCIAL STATEMENTS OF OUACHITA BAPTIST UNIVERSITY HAVE BEEN PREPARED GENERALLY ON THE ACCRUAL BASIS EXCEPT FOR DEPRECIATION ACCOUNTING AS EXPLAINED IN NOTE 3 TO THE FINANCIAL STATEMENTS.

THE STATEMENT OF CURRENT FUNDS REVENUES, EXPENDITURES, AND OTHER CHANGES IS A STATEMENT OF FINANCIAL ACTIVITIES OF CURRENT FUNDS RELATED TO THE CURRENT REPORTING PERIOD. IT DOES NOT PURPORT TO PRESENT THE RESULTS OF OPERATIONS OR THE NET INCOME OR LOSS FOR THE PERIOD.

TO THE EXTENT THAT CURRENT FUNDS ARE USED TO FINANCE PLANT ASSETS, THE AMOUNTS SO PROVIDED ARE ACCOUNTED FOR AS (1) EXPENDITURES IN THE CASE OF AMOUNTS INCLUDED IN DEPARTMENTAL BUDGETS; (2) MANDATORY TRANSFERS, IN THE CASE OF REQUIRED PROVISIONS FOR DEBT AMORTIZATION AND INTEREST AND EQUIPMENT RENEWAL AND REPLACEMENT; AND (3) TRANSFERS OF A NON-MANDATORY NATURE FOR ALL OTHER CASES.

IN ORDER TO INSURE OBSERVANCE OF LIMITATIONS AND RESTRICTIONS PLACED ON THE USE OF THE RESOURCES AVAILABLE TO THE INSTITUTION, THE ACCOUNTS OF THE INSTITUTION ARE MAINTAINED IN ACCORDANCE WITH THE PRINCIPLES OF "FUND ACCOUNTING". THIS IS THE PROCEDURE BY WHICH RESOURCES FOR VARIOUS PURPOSES ARE CLASSIFIED FOR ACCOUNTING AND REPORTING PURPOSES INTO FUNDS THAT ARE IN ACCORDANCE WITH ACTIVITIES OR OBJECTIVES SPECIFIED. SEPARATE ACCOUNTS ARE MAINTAINED FOR EACH FUND; HOWEVER, IN THE ACCOMPANYING FINANCIAL STATEMENTS, FUNDS THAT HAVE SIMILAR CHARACTERISTICS HAVE BEEN COMBINED INTO FUND GROUPS.

WITHIN EACH FUND GROUP, FUND BALANCES RESTRICTED BY OUTSIDE SOURCES ARE SO INDICATED AND ARE DISTINGUISHED FROM UNRESTRICTED FUNDS ALLOCATED TO SPECIFIC PURPOSES BY THE GOVERNING BOARD. EXTERNALLY RESTRICTED FUNDS MAY ONLY BE UTILIZED IN ACCORDANCE WITH THE PURPOSES ESTABLISHED BY THE SOURCE OF SUCH FUNDS AND ARE IN CONTRAST WITH UNRESTRICTED FUNDS OVER WHICH THE GOVERNING BOARD RETAINS FULL CONTROL TO USE IN ACHIEVING ANY OF ITS INSTITUTIONAL PURPOSES.

ENDOWMENT FUNDS ARE SUBJECT TO THE RESTRICTIONS OF GIFT INSTRUMENTS REQUIRING IN PERPETUITY THAT THE PRINCIPAL BE INVESTED AND THE INCOME ONLY BE UTILIZED. QUASI-ENDOWMENT FUNDS HAVE BEEN ESTABLISHED BY THE GOVERNING BOARD FOR THE SAME PURPOSES AS ENDOWMENT FUNDS, ANY PORTION OF QUASI-ENDOWMENT FUNDS MAY BE EXPENDED.

ALL GAINS AND LOSSES ARISING FROM THE SALE, COLLECTION OR OTHER DISPOSITION OF INVESTMENTS AND OTHER NON-CASH ASSETS ARE ACCOUNTED FOR IN THE FUND WHICH OWNED SUCH ASSETS. ORDINARY INCOME DERIVED FROM INVESTMENTS, RECEIVABLES, AND THE LIKE IS ACCOUNTED FOR IN THE FUND OWNING SUCH ASSETS, EXCEPT FOR INCOME DERIVED FROM INVESTMENTS OF ENDOWMENT AND SIMILAR FUNDS, WHICH INCOME IS ACCOUNTED FOR IN THE FUND TO WHICH IT IS RESTRICTED OR, IF UNRESTRICTED, AS REVENUES IN UNRESTRICTED CURRENT FUNDS.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

ALL OTHER UNRESTRICTED REVENUE IS ACCOUNTED FOR IN THE UNRESTRICTED CURRENT FUND. RESTRICTED GIFTS, GRANTS, ENDOWMENT INCOME, AND OTHER RESTRICTED SOURCES ARE ACCOUNTED FOR IN THE APPROPRIATE RESTRICTED FUNDS. THE UNIVERSITY HAS ELECTED AN EARLY APPLICATION OF FINANCIAL ACCOUNTING STANDARD NO. 13, "ACCOUNTING FOR LEASES" AND HAS RECORDED AS CAPITAL LEASES IN THE ACCOMPANYING BALANCE SHEET ALL LEASES MEETING THE APPROPRIATE CRITERIA.

OTHER SIGNIFICANT ACCOUNTING POLICIES ARE SET FORTH IN THE FINANCIAL STATEMENTS AND NOTES 2 THROUGH 9 TO THE FINANCIAL STATEMENTS.

NOTE 2: INVESTMENTS

NOTE 3: PROPERTIES

PHYSICAL PLANT AND EQUIPMENT ARE STATED AT COST AT DATE OF ACQUISITION OR FAIR VALUE AT DATE OF DONATION IN THE CASE OF GIFTS, EXCEPT PROPERTIES ACQUIRED PRIOR TO MAY 31, 1960, WHICH ARE RECORDED AT THEIR APPRAISED VALUE AT THAT DATE. DEPRECIATION ON PHYSICAL PLANT AND EQUIPMENT IS NOT RECORDED.

NOTE 4: CAPITAL LEASES

THE UNIVERSITY LEASES TWO DORMITORY FACILITIES UNDER CAPITAL LEASES WHICH EXPIRE IN 1991 AND 1992. GENERALLY, THESE LEASES CALL FOR THE UNIVERSITY TO PAY ALL TAXES, INSURANCE AND MAINTENANCE COSTS ON THE FACILITIES. AT THE CONCLUSION OF THE INITIAL LEASE PERIOD, TITLE TO THE DORMITORIES PASSES TO THE UNIVERSITY. THE FOLLOWING IS A SCHEDULE BY YEAR OF FUTURE NET MINIMUM LEASE PAYMENTS UNDER THESE CAPITAL LEASES WITH THE PRESENT VALUE OF THE NET MINIMUM LEASE PAYMENTS AS OF MAY 31, 1979:

THEY ARE COLLATERALIZED BY A TRUST INDENTURE COVERING CERTAIN BUILDINGS WITH A CARRYING VALUE OF \$1,754,124.16, PLEDGED NET REVENUES FROM THE OPERATION OF THESE BUILDINGS AND A PLEDGE OF \$42,000.00 ANNUALLY OF CERTAIN OTHER REVENUES. THE UNIVERSITY IS REQUIRED TO DEPOSIT APPROXIMATELY \$86,000.00 DURING THE NEXT YEAR INTO THE BOND AND INTEREST SINKING FUND.

NOTE 7: INTERFUND BORROWINGS

INTERFUND BORROWINGS HAVE BEEN MADE FROM UNRESTRICTED FUNDS OR EXTERNALLY RESTRICTED FUNDS AWAITING USE FOR THEIR SPECIFIED PURPOSE. GENERALLY, ALL INTERFUND BORROWINGS ARE PAYABLE CURRENTLY WITHOUT INTEREST.

NOTE 8: PLEDGES

AT MAY 31, 1979, THE UNIVERSITY HAD OUTSTANDING PLEDGES OF \$553,710.14 WHICH ARE NOT INCLUDED IN THE ACCOMPANYING BALANCE SHEET. OF THESE, \$310,453.17 ARE RESTRICTED FOR PLANT FUND USES AND \$263,734.18 OF THOSE SO RESTRICTED ARE PLEDGED TO SECURE NOTES PAYABLE. IT IS NOT PRACTICABLE TO ESTIMATE THE NET REALIZABLE VALUE OF SUCH PLEDGES.

NOTE 9: CHANGES IN REPORTING ENTITY

INCLUDED IN THE ACCOMPANYING FINANCIAL STATEMENTS ARE ENDOWMENT FUNDS ADMINISTERED BY OTHERS AND THE OUACHITA BAPTIST UNIVERSITY STUDENT LOAN FUNDS WHICH PREVIOUSLY HAVE NOT BEEN INCLUDED. THE INCLUSION OF THESE FUNDS HAD THE EFFECT OF INCREASING THE BEGINNING FUND BALANCES OF THE ENDOWMENT AND SIMILAR FUNDS AND STUDENT LOAN FUNDS BY \$2,061,494.38 AND \$121,411.06, RESPECTIVELY. SINCE ALL ORDINARY INCOME OF THESE ENDOWMENT FUNDS HAS BEEN INCLUDED EACH YEAR AS INCOME OF THE UNRESTRICTED CURRENT FUND AND THE REVENUES ARE RESTRICTED AS TO THEIR USE, THIS CHANGE DOES NOT AFFECT THE CURRENT FUNDS.

OUR EXAMINATION WAS MADE IN ACCORDANCE WITH GENERALLY ACCEPTED AUDITING STANDARDS AND, ACCORDINGLY, INCLUDED SUCH TESTS OF THE ACCOUNTING RECORDS AND SUCH OTHER AUDITING PROCEDURES AS WE CONSIDERED NECESSARY IN THE CIRCUMSTANCES.

AS DESCRIBED IN NOTE 1, THE FUND'S POLICY IS TO PREPARE ITS FINANCIAL STATEMENTS ON THE BASIS OF CASH RECEIPTS AND DISBURSEMENTS; CONSEQUENTLY, CERTAIN REVENUE AND THE RELATED ASSETS ARE RECOGNIZED WHEN RECEIVED RATHER THAN WHEN EARNED, AND CERTAIN EXPENSES ARE RECOGNIZED WHEN PAID RATHER THAN WHEN THE OBLIGATION IS INCURRED. The Board of Directors
Arkansas Baptist Foundation

We have examined the statement of assets and fund balances of the Arkansas Baptist Foundation as of December 31, 1979 and 1978, and the related statements of operations, changes in investment fund balances, and investment income and distributions for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 to the financial statements, the Foundation's policy is to prepare its financial statements on the basis of cash receipts and disbursements with certain modifications. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements examined by us present fairly the assets and fund balances of the Foundation on a cash basis as described in the preceding paragraph at December 31, 1979 and 1978, and the results of its transactions for the years then ended on a basis consistent with that of the preceding year.

ARKANSAS BAPTIST FOUNDATION
Notes to Financial Statements
December 31, 1979

(1) Summary of Significant Accounting Policies

Except for an accrual to record accounts receivable from the Cooperative Program, the financial statements are presented on the basis of cash receipts and disbursements. Certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Depreciation has been recorded utilizing the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Life</u>
Automobiles	3 years
Office furniture and equipment	3-5 years
Data processing equipment	5 years

(2) General Information

The Arkansas Baptist Foundation was incorporated under the laws of the State of Arkansas in 1949. Its purpose is to encourage Baptists in the proper management and final distribution of accumulated possessions. The Foundation is authorized to receive by will or through trust, gifts for the benefit of any institution or agency supported by the Arkansas Baptist State Convention or the Southern Baptist Convention.

The Board of Directors is composed of fifteen persons. Five are nominated each year by the convention's nominating committee and elected at the annual session. The by-laws require that at least two-thirds of these be laymen. Investments are made through a committee after careful evaluation of recommendations from investment counsel.

There are no fees or commissions charged by the Foundation. The operational budget is provided by the Arkansas Baptist State Convention. Thus, gross income generated from investment is distributed to the designated beneficiary.

BAPTIST MEMORIAL HOSPITAL
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 1979

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Hospital is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code.

Inventories are priced at the lower of cost (first-in, first-out method) or market.

At the advice of the American Hospital Association, the Hospital obtained independent appraisals of its property and equipment in 1962 and 1964. The appraisals are reflected in the accompanying statements by showing a net increase of \$9,224,607.25 in the assets. Depreciation is computed on the appraised values.

The buildings and equipment are depreciated principally under the straight-line method. Accelerated depreciation on historical cost has been used for Medicare purposes. The additional reimbursement resulting from accelerated depreciation has been deferred.

Interest cost related to specific projects is capitalized during the period of construction.

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third-party payors. No provisions for retroactive adjustment have been made. An estimate of cost reimbursement for the current years is included in accounts receivable.

Baptist Memorial Hospital-East was opened to patients March 25, 1979. Depreciation expense, interest expense and interest income related to this unit are shown from that date. This 400-bed capacity unit is being opened in stages with a corresponding decrease in beds at the main Hospital.

 NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE 2 - INVESTMENTS - ENDOWMENT FUND

The Hospital's interest in its wholly-owned subsidiary, American Industrial Development Corporation (AIDC) is accounted for by the equity method. The Hospital received rent from a wholly-owned subsidiary of AIDC of \$413,838.25 during 1979, and purchased approximately \$3,000,000 of medical supplies from the subsidiary under normal trade terms.

The Hospital regards its investments as part of a long range investment policy. In accordance with Financial Accounting Standards Board Statement No. 12, marketable securities which are classified as noncurrent assets are carried at the lower of aggregate cost or market. The amount by which the market value is less than cost is accounted for as an allowance for valuation of marketable equity securities. Changes in the allowance are made directly to the fund balance account.

The following is a schedule, by years, of future minimum lease payments under capital leases together with the present value of the net minimum lease payments as of September 30, 1979.

<u>Year Ending September 30,</u>

NOTE 5 - PENSION PLAN

The Hospital has a pension plan which covers all electing employees who have completed one year of service. The plan requires employee contributions of five percent of compensation. During the first twenty years of service the Hospital matches the employee contribution. At the end of twenty years the Hospital contributes an amount sufficient to bring its total payments to the participants' accounts to ten percent per year. After twenty-five years, the participant is guaranteed an amount based on his last seven years average compensation. The fair market value of the plan assets is adequate to cover the actuarially computed vested benefits of the participants. Contributions to the plan aggregated \$1,845,553.01 for 1979. The Deposit-Annuity Board shown in Current Assets is unrestricted and is available to fund any unexpected deficiency in the plan assets.

We have examined the balance sheets of Southern Baptist College as of June 30, 1979 and 1978, and the related statements of revenues, expenditures, and other changes and statement of changes in financial condition for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying financial statements present fairly the financial position of Southern Baptist College at June 30, 1979 and 1978, and the results of its operations and changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.
