IN MEMORIAM

Huber L. Drumwright, Jr.
1924 - 1981

Dr. Huber Drumwright can best be characterized by the following verse of Scripture, “. . . he being dead yet speaketh.” (Heb. 11:4) He speaks through influence for it continues to live. He loved the churches and influenced many to do likewise. He loved Arkansas Baptists. We knew that and responded to his love. He loved the written Word as countless students and co-workers can testify. His love for the living Word, Christ, was demonstrated by his compassion, spirit and deeds. God was good to share him with Arkansas Baptists. Because of him we will not be the same and are climbing to greater heights.

—John Finn

The coronation of Dr. Huber Drumwright came at the end of a Lord's Day that he and Minette had shared with our Church family. Much of that day had been shared with us in happy, relaxed and convivial fellowship. As we reflect upon the noble and inspiring qualities of Huber Drumwright's life we will always remember his tremendous zest for life and living it to the full, his commitment to the task to which he was absolutely certain God had called him, his devotion to his lovely and supportive family (his girls) and his dreams and aspirations for the future of Arkansas Baptists. Truly, it can be said, “that a prince and a great man has fallen this day in Israel.”

—Mr. and Mrs. T. Shad Medlin, lay persons

Huber Drumwright was a roommate, a prayermate, but especially a friend.

He was warm and caring and unafraid of showing emotions. He was intensely loyal to those he loved and to causes to which he had given his life.

We are all weaker because he is gone. We are all stronger because he told us what we could become through Christ.

—Tom Logue

CONSTITUTION

Article I. — the Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II. — The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

Article III. — Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to cooperate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of **The Baptist Faith and Message** as adopted by the 1963 session of the Southern Baptist Convention, and **The Baptist Faith and Message** shall not be interpreted as to permit open communion and/or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. A standing Credentials Committee of five members shall be appointed by the president of the convention. No member of this committee may serve more than two consecutive conventions. The president of the convention shall fill vacancies and shall name the chairman each year.

Article IV. — Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI. — The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office shall be nominated by the Convention Nominating Committee and elected by the Executive Board to fill the unexpired term. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, for both state and Southern Baptist Convention causes. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII. — Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis,) 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15; Arkansas Baptist Newsmagazine, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII. — Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX. — Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X. — Amendments

Section 1. This Constitution and By-Laws may be amended by a two-thirds vote of the members voting and concurring in two successive annual meetings of the convention, except Article IV, which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI. — Parliamentary Authority

Kerfoot's **Parliamentary Law** shall be the standard for deciding questions of parliamentary procedure.

Article XIII. — Districts

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches cooperating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee or nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed.

The president of the convention shall appoint the chairman of the Committee each year. The chairman must be one who has been a member of the Committee for at least one year and may succeed himself until his tenure of eligibility shall expire.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

APPENDICES

1. Enrollment of Messengers (1980 Annual, page 37)

Any challenge to the seating of any church's messengers and the basis of the challenge should be presented in writing to the convention president, and the chairman of the Credentials Committee thirty (30) days prior to the annual meeting of the convention.

The Credentials Committee will meet prior to the opening session of the convention and report their findings and recommendation to the opening session of the convention.

2. Retired ordained minister's compensation (1978 Annual, page 40)

That actual expense for housing, up to forty percent (40%) of the total retirement annuity received through the Annuity Board of the Southern Baptist Convention shall constitute a rental allowance paid as part of the retired ordained minister's compensation for past services, effective January 1, 1979.

3. Performance of wedding ceremonies (1975 Annual, page 37)

The proper standard recommended by our State Convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas (shall) be ordination.

4. Doctrinal Guidelines (1970 Annual, page 61)

Report of the Committee of Twenty-Five adopted, including the recommendation that the SBC statement of faith of 1963. *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.

5. **Appendices** (1967 annual, page 40)

Resolution adopted that a search be made of the minutes of the convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and bylaws of the convention as appendices.

6. **Church Ordinances** (1965 annual, page 31)

Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and,

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.

7. **Federal Aid** (1965 annual, page 43)

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.

8. **Executive Board Recommendations** (1963 annual, page 35)

Voted that all recommendations of the Executive Board shall be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the state convention.

9. **Violations of the Constitution** (1960 Annual, page 29)

Where there are violations of the Constitution on the Boards the Convention Nominating Committee (shall be) requested to make proper corrections.

10. **Book of Reports** (1959 annual, page 28)

Voted that the convention constitution and by-laws be printed each year in the Book of Reports for the convenience of our messengers.

11. **Baptist Memorial Hospital Trustees** (1959 annual, page 29)

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.

12. **Capital Indebtedness** (1959 annual, page 30)

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.

13. **Out-of-state participation by Executive Board staff** (1953 annual, page 22)

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Secretary of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.

14. **Seating of Messengers** (1949 annual, page 92)

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principals by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

Ex. 24:4; Deut. 4:1-2; 17:19; Josh. 8:34; Psalm 19:7-10; 119:11, 89, 105, 140; Isa. 34:16; 40:8; Jer. 15:16; 36; Matt. 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16 ff.; 17:11; Rom. 15:4; 16:25-26; 2 Tim. 3:15-17; Heb. 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe. His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ he was conceived of the Holy Spirit and born of the virgin Mary. Jesus

perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His

creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Gen. 3:15; Ex. 3:14-17; 6:2-8; Matt. 1:21; 4:17; 16:21-26; 27:22 to 28:6; Luke 1:68-69; 2:28-32; John 1:11-14, 29; 3:3-21, 36; 5:24; 10:9, 28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Rom. 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18; 29-39; 10:9-10, 13; 13:11-14; 1 Cor. 1:18, 30; 6:19-20; 15:10; 2 Cor. 5:17-20; Gal. 2:20; 3:13; 5:22-25; 6:15; Eph. 1:7; 2:8-22; 4:11-16; Phil. 2:12-13; Col. 1:9-22; 3:1 ff.;

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22; Isa. 5:1-7; Jer. 31:31 ff.; Matt. 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2; 15:24-28; Eph. 1:4-23; 2:1-10; 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19; Heb. 11:39-12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9, 2:19; 3:2

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42, 47; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14, 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1, Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4; Rev. 2-3; 21:2-3

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a

believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-29; Col. 2:12

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1 ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2; 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8:19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13; Rev. 1:6, 9; 5:10; 11:15; 21-22

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their

resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 2:4; 11:9; Matt. 16:27; 18:8-9; 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5; 15:24-28, 35-58; 2 Cor. 5:10; Phil. 3:20-21; Col. 1:5; 3:4; 1 Thess. 4:14-18; 5:1 ff.; 2 Thess. 1:7 ff.; 2:1; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7 ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11; 20:1 to 22:13

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16; 17:15; 20:21; Acts 1:8; 2:8; 26:40; 10:42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11, 1; 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1, 5, 9, 14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7 ff.; 119:1; Prov. 3:13 ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:19; Matt. 5:2; 7:24 ff.; 28:19-20; Luke 2:40; 1 Cor. 1:18-31; Eph. 4:11-16; Phil. 4:8; Col. 2:3, 8-9; 1 Tim. 1:3-7; 2 Tim. 2:15; 3:14-17; Heb. 5:12 to 6:3; James 1:5; 3:17

XIII. STEWARDSHIP

God is the source of all blessings, temporal and

spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18; Mal. 3:8-12; Matt. 6:1-4, 19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Rom. 6:6-22; 12:1-2; 1 Cor. 4:1-2; 6:19-20; 12:16:1-4; 2 Cor. 8:9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17 ff.; Judg. 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Neh. 4; 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1 ff.; Acts 1:13-14; 2:1 ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12:2 Cor. 8:9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the

sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12; 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3 ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Rom. 12-14; 1 Cor. 5:9-10; 6:1-7; 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philemon; James 1:27; 2:8

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

All funds received over the sum I and II shall be placed in a cooperative program reserve fund. This fund shall be used to supplement cooperative program receipts in the event of shortage in any given month or year.

At the discretion of the Executive Board an amount equal to one percent (1%) of the salary of Executive Board employees can be used for Christmas bonus.

WHEREAS, Hewitt Associates, an independent actuarial firm, has certified that such plans are actuarially sound as of December 31, 1980; and

WHEREAS, such plans are extremely complex, their terms are in multiple documents, and laws have been enacted requiring certain provisions to be included in the documentation of such plans; and

WHEREAS, the Annuity Board of the Southern Baptist Convention and Hewitt Associates, have prepared a restatement of such plans called the Southern Baptist Protection Program Church Annuity Plan (the "Church Annuity Plan") to meet the requirements of applicable law and to document the provisions of all of such plans in one document; and

WHEREAS, the Church Annuity Plan (as restated) changes the early retirement age to age fifty-five to meet the needs of the plan members and to be consistent with similar provisions in the Convention Annuity Plan, but utilizes the same actuarial equivalent reduction that has always been in the plan for early retirement; provides for a deferred vested retirement benefit payable at age fifty-five to meet the standards set by federal regulations and to coordinate with the early retirement benefit age; provides a written claims procedure to meet the standards set by federal law and to be consistent with similar provisions in the Convention Annuity Plan; and contains written provisions required by the Internal Revenue Code of 1954, as amended, and the regulations thereunder.

THEREFORE BE IT RESOLVED THAT this Convention approves and adopts the Southern Baptist Protection Program Church Annuity Plan, a copy of which is to be kept by the secretary with the minutes of this meeting, and the Executive Secretary of this Convention is authorized and instructed to execute the plan document and send it to the Annuity Board of the Southern Baptist Convention.

Seconded. Joe Atchison then spoke to the recommendation. Carried.

(7) Baptist Building Study Committee Report

32. Joe Atchison presented the following report to the convention with no action being taken.

By providing office space for the Baptist Foundation in the Commonwealth Savings Building next door to the Baptist Building and by reassigning the Annuity office to the space thus vacated, we now have the present staff housed with reasonable adequacy.

The limited parking and storage facilities are still an inconvenience. In the light of the prohibitive cost of credit, land, and construction we feel that it is best to maintain the present arrangement for the foreseeable future.

3. Joe Atchison presented the following report to the convention with no action being taken.

The Adult Conference Center Study Committee met several times this year. We engaged an architectural firm and an engineering firm to do the preliminary studies on Camp Paron property. The architectural firm has preliminary drawings and estimates on different phases and layouts of a proposed center. We have used approximately \$23,900 of the money voted by the convention for this study. We hope to have a report to the Program Committee of the Executive Board in the coming months. There is much interest in a place to train Arkansas Baptists to meet the challenge of "Bold Mission Thrust".

Resolution No. 3 Obscenity

WHEREAS, The definition of Obscenity in the historic Supreme Court Ruling in the case of Miller vs. California, June 21st, 1973, placed great emphasis upon the application of local standards in defining Obscenity;

AND WHEREAS, The implementation of this ruling in specific Legislation by the General Assembly of Arkansas has resulted in confusion in the minds of citizens, Judges, and Prosecuting Attorneys in every Statute created since that Ruling;

AND WHEREAS, The State of Arkansas, and especially Central Arkansas, is witnessing the advertising and sale of Obscene Materials, including the most blatant types of pornography, including books, periodicals, films, including cassette tapes, and so-called Adult Movies, with ratings from "X" to "XXX", uncontrolled and unchecked by Legal Restraint of any kind;

THEREFORE, We, the messengers of the Arkansas Baptist State Convention, meeting in regular annual session in First Baptist Church, Fayetteville, Arkansas November 17-19, do call upon Governor Frank White and the members of The General Assembly of the State of Arkansas, meeting in Special Session, November 16-26, to enact a Comprehensive Obscenity Statute that would:

1. Avoid any conflict with the First Amendment to the Constitution of the United States, and the Constitution of the State of Arkansas;
2. Mandate Jury Trials, whether on city, County, or State, or Federal levels, and require the Juries to establish the definition of Obscenity as applied to the local situation;
3. To specifically prohibit a Judge from defining Obscenity before a Jury has an opportunity to consider the materials under consideration;
4. To discourage the "Shopping for Judges" and the "Flight to Federal Courts", which has become common in Arkansas, and, as far as possible, to avoid the wrongful charges to juries by Judges;
5. To specifically charge Prosecuting Attorneys, County Sheriffs, and Police Chiefs with the responsibility to initiate action against merchants of Obscenity and gross pornography and the owners of the Establishment, either in-state or out-of-state.

Resolution No. 4, Alcohol-Drunken Driving Commission

WHEREAS, Members of The United States Senate and of the House of Representatives are presently circulating for signatures a letter to President Reagan requesting that he name a special commission that would develop a "National Master Plan to curtail the tragic suffering caused by the drinking driver epidemic", to be hand delivered to him;

AND WHEREAS, As of November 6th, 42 Senators had signed the letter and 179 Representatives had signed;

AND WHEREAS, The matter of drunken driving has been addressed by many pieces of legislation in each of the states, the epidemic proportion of this problem now makes it likely that legislation by Congress could result from a serious study of this tragic story;

THEREFORE, We, the messengers of the Arkansas Baptist State Convention, meeting in regular annual session in the First Baptist Church, Fayetteville, Arkansas November 17-19, do hereby request that the Arkansas Members of the United States Senate and the United States House of Representatives give their full support to the letter to President Reagan and to the Commission which he is asked to name, and to Legislation that may result from the study of this drunken driving epidemic that is alarming the minds of all serious citizens and especially those bearing the name "Christian" and "Baptist".

AND WHEREAS, There is a bill in the United States Senate No. 1543, whose co-sponsors are Senators Thurmond and Hatch, et al;

AND WHEREAS, There is a bill in the House, No. 2251, whose sponsor is Representative George E. Brown, Jr., of California;

THEREFORE, We, the messengers of the Arkansas Baptist State Convention, meeting in regular annual session in the First Baptist Church, Fayetteville, Arkansas November 17-19, do hereby express our Official Desire that the Arkansas Members of the United State Senate and the United States House of Representatives give their full support to these proposed Statutes and or to the Final Statute that may result from a Conference Committee of both Houses;

AND WHEREAS, If such a Declaratory Judgment is granted and all permits of Private Clubs in Dry Counties are ruled invalid, and said Judgment is appealed and sustained by the Arkansas Supreme Court;

AND WHEREAS, new legislation may be introduced to Amend Act 1 of 1942 (The basic Local Option Law), and to provide for Private Clubs and the legal serving of Mixed Drinks or other Alcoholic Beverages in Dry Counties, either in a regular or special session of The General Assembly of the State of Arkansas;

AND BE IT FURTHER RESOLVED, That we express our unqualified opposition to any Legislation that would impose a Private Club or Mixed Drink Permit upon any of the 43 Counties in Arkansas that have voted against the Legal sale of Alcoholic Beverages;

BE IT FURTHER RESOLVED, That copies of this resolution be sent to Governor Frank White and to each member of the Arkansas Senate and to each member of the Arkansas House of Representatives, and to each of the Constitutional Officers of the State of Arkansas.

Chairman Caldwell moved the adoption of Resolution No. 6. Seconded and carried.

Resolution No. 7, Gambling

WHEREAS, There is a growing sentiment and practice in other states of our Nation to legalize many forms of gambling and to levy taxes for the support of State Programs upon such forms of gambling, especially to legalize lotteries and Casino gambling, in addition to horse and dog racing that is already legalized;

AND WHEREAS, There have been recent Legislative efforts to legalize Charity Bingo Games for Church and Fraternal Organizations in Arkansas;

AND WHEREAS, There has been an effort made to give Dog Racing a place in the Arkansas Constitution, similar to that enjoyed by Horse Racing (by Amendment);

AND WHEREAS, There have been numerous attempts to enact legislation that would legalize Casino Gambling in the State of Arkansas;

AND WHEREAS, There are many forms of Advertising of State Lotteries now seeking the patronage of Arkansas Cities, through the Mass Media, in a State that expressly forbids Lotteries of any sort (in the Constitution of the State of Arkansas);

THEREFORE, We, the Official Messengers, Lay and Clergy, of the Arkansas Baptist State Convention, meeting in regular annual session in the First Baptist Church, Fayetteville, Arkansas, November 17-19, do hereby declare our opposition to all forms of gambling, legal or illegal, and we call upon our Governor

If there should be a decrease in the amount designated for Arkansas Baptist State Convention causes, the decrease in allocation to this category shall be equal to that of the decrease for state causes plus thirty percent (30%) of the percentage decrease.
5. The Executive Board programs shall receive the remainder of the amount designated for Arkansas Baptist State Convention causes after the amounts for 1-4 above have been determined.

All funds received over the sum I and II shall be placed in a cooperative program reserve fund. This fund shall be used to supplement cooperative program receipts in the event of shortage in any given month or year.

At the discretion of the Executive Board an amount equal to one percent (1%) of the salary of Executive Board employees can be used for Christmas bonus.

This formula will be operative beginning in the budget year 1983 through the budget year 1987 at which time a review will be made by the Executive Board.

(3) Statewide Pastors' Conference

It is recommended that the Executive Board move ahead with a Statewide Pastors' Retreat with four, three day retreats conducted during two weeks with the following recommendations.

1. Four separate retreats conducted.
2. Two in one week in the Spring (Monday-Wednesday and Wednesday-Friday) and two in one week in the Fall (Monday-Wednesday and Wednesday-Friday).
3. Camp Paron to be the site.
4. Cost to be \$26 per person or the current rate for Camp Paron.
5. Two speakers each session and the same speakers used for both retreats of that week.
6. \$6,000 be requested for funding to be used for promotion and the expenses involved in enlisting program personalities (travel, honorarium, etc. . .).
7. To be administered by and promoted through the Executive Secretary's office.

The Executive Board also suggests that the following subjects be considered when enlisting speakers.

- | | |
|--------------------|--------------------------------|
| 1. relationships | 5. strategy for ministry |
| 2. personal crisis | 6. specific leadership battles |
| 3. administration | 7. marriage |
| 4. vision | 8. prayer and devotional life |

(4) CONVENTION ANNUITY PLAN (Executive Board Employees)

The Executive Board recommends to the Arkansas Baptist State Convention that we update our employee Southern Baptist Protection Program Convention Annuity Plan to conform with the 1974 ERISA standards and subsequent IRS rulings to be dated January 1, 1981.

That any discrimination according to sex and age in our retirement and insurance programs be adjusted and implemented on January 1, 1982.

Subsequent to December 9, 1980, employees who already have Plan A commitments will be continued in that relationship by the Arkansas Baptist State Convention upon request by the employee.

(5) CHURCH ANNUITY PLAN (Church Employees)

WHEREAS this Convention, in cooperation with other State Baptist Conventions, has adopted certain retirement annuity plans administered through the Annuity Board of the Southern Baptist Convention for the benefit of certain ordained ministers and eligible employees of churches or denominational agencies affiliated with a State Baptist Convention or the Southern Baptist Convention; and

WHEREAS, such plans continue to serve plan members, although many of the plans have been closed to new members and successor plans opened; and

WHEREAS, Hewitt Associates, an independent actuarial firm, has certified that such plans are actuarially sound as of December 31, 1980; and

WHEREAS, such plans are extremely complex, their terms are in multiple documents, and laws have been enacted requiring certain provisions to be included in the documentation of such plans; and

Whereas, the Annuity Board of the Southern Baptist Convention and Hewitt Associates have prepared a restatement of such plans called the Southern Baptist Protection Program Church Annuity Plan (the "Church Annuity Plan") to meet the requirements of applicable law and to document the provisions of all of such plans in one document; and

WHEREAS, the Church Annuity Plan (as restated) changes the early retirement age to age fifty-five to meet the needs of the plan members and to be consistent with similar provisions in the Convention Annuity Plan, but utilizes the same actuarial equivalent reduction that has always been in the plan for early retirement; provides for a deferred vested retirement benefit payable at age fifty-five to meet the standards set by federal regulations and to coordinate with the early retirement benefit age; provides a written claims procedure to meet the standards set by federal law and to be consistent with similar provisions in the Convention Annuity Plan; and contains written provisions required by the Internal Revenue Code of 1954, as amended, and the regulations thereunder.

THEREFORE BE IT RESOLVED THAT: This Convention approves and adopts the Southern Baptist Protection Program Church Annuity Plan, a copy of which is to be kept by the secretary with the minutes of this meeting, and the Executive Secretary of this Convention is authorized and instructed to execute the plan document and send it to the Annuity Board of the Southern Baptist Convention.

(6) SEMINARY SATELLITE IN ARKANSAS

That the Arkansas Baptist State Convention be committed to the seminary satellite project for the Spring and Fall semesters of 1982 and that subsidy be provided up to \$10,000 from contingency funds for both semesters

(7) BAPTIST BUILDING STUDY COMMITTEE REPORT

By providing office space for the Baptist Foundation in the Commonwealth Savings Building next door to the Baptist Building and by reassigning the Annuity office to the space thus vacated, we now have the present staff housed with reasonable adequacy.

The limited parking and storage facilities are still an inconvenience. In the light of the prohibitive cost of credit, land, and construction we feel that it is best to maintain the present arrangement for the foreseeable future.

(Charles Barfield, Chairman, Terrel Gordon, John Maddox, C.A. Johnson, Eddie McCord)

(8) ADULT CONFERENCE CENTER STUDY COMMITTEE REPORT

The Adult Conference Center Study Committee met several times this year. We engaged an architectural firm and an engineering firm to do the preliminary studies on Camp Paron property. The architectural firm has preliminary drawings and estimates on different phases and layouts of a proposed center. We have used approximately \$23,900 of the money voted by the convention for this study. We hope to have a report to the Program Committee of the Executive Board in the coming months. There is much interest in a place to train Arkansas Baptists to meet the challenge of "Bold Mission Thrust."

(Ferrell Morgan, Chairman, Nodell Dennis, Bill Ferren, Terrel Gordon, Bill Milam)

ANNUITY

Nadine Bjorkman, Arkansas Representative

Growth, expansion and refinement of the programs provide an encouraging report on the current state of affairs at the Southern Baptist Annuity Board in Dallas, Texas.

"This significant growth takes place in the midst of some disquieting problems that still plague us. Staggeringly high interest rates, a destructive inflation factor and the uncertainty of the economy are some of the issues which impact our work," stated Darold Morgan, Annuity Board president.

"Joy and exhilaration are with us not only because some real progress has been made, but also because we are aware of the Lord's presence and power in these plans and actions," said Dr. Morgan. He expressed that new directions in the church pension area will command much of the Board's attention for the next two years.

As of June 30, 1981, total assets held in trust by the Annuity Board totaled \$848,955,764. This is an increase of \$137,829,424 over June 30, 1980.

Premiums and dues through the first two quarters of this year reached a record \$34,581,980. A year earlier, the total was \$30,437,746.

As of June 30 this year, the Board paid a record \$11,584,120 in benefits to 16,322 annuitants.

Through June, a total of 22,698 churches and associations were participating in the Southern Baptist Retirement Program with 31,922 employees.

The following Baptist agencies in Arkansas are participating in the retirement program:

Arkansas Baptist State Convention
 (presently includes Arkansas Baptist Foundation and
 Arkansas Baptist Newsmagazine)
 Arkansas Baptist Family and Child Care Services
 Ouachita Baptist University
 Southern Baptist College
 Baptist Medical Center, Little Rock

It has been almost five years since the beginning of my work with Annuity Board programs in Arkansas. In evaluating these five years we feel the record is good, however, I have great concern for the personnel of many of our churches who are not participating in our plans of protection and retirement.

Many of these same churches agreed to be a part of this program in 1939 and the early 1940's but now are not actively participating. Some of them have pastors and other personnel who have chosen another means of protection.

Other large denominations require participation in the retirement plans, our plan is strictly voluntary.

I do wish to express a word of gratitude for the support and help of the leadership of our associations. In our forty-two associations we have thirty-seven directors of missions in the retirement plan, along with several other associational employees. About half of the directors of missions have one or more of our insurance plans.

**ARKANSAS BAPTIST ASSEMBLY
SILOAM SPRINGS, ARKANSAS**

Lawson Hatfield, Director

Six Arkansas Baptist Assemblies were programmed by department personnel. This was the seventy-seventh year for the assemblies and the fifty-eighth year for them to be held at the Siloam Springs Assembly grounds. The total registration for the six assemblies was 5,702, with 269 professions of faith, 59 commitments to church vocations and many rededications.

In contrast to a predicted hot summer, the weather was somewhat mild. Showers came often enough to keep the grass green and growing. The grounds were beautiful. The newly installed evaporative coolers in the dormitories were helpful in keeping campers comfortable. Thanks to Arkansas Baptists for sharing part of last year's budget overage to purchase the coolers. During the sixth week the Tabernacle was wrapped in plastic sheeting to improve an already helpful refrigerated air conditioning system. We anticipate more and permanent improvement to the Tabernacle A/C system.

Hopefully, future improvements will include a new water disposal system at the dining hall, a new shop, and long range planning out to include more and improved family units. There were nine bed babies in the Children's Building during the sixth week. More and more families attend the assembly. Perhaps in the future special retreats for single adults, families, and for senior adults should be planned. For example, a retreat over Memorial Day, Labor Day or Thanksgiving weekends might meet a real need among Arkansas Baptists.

Primarily there are four objectives: 1. Win the lost to Christ; 2. Call out the called to church related vocations; 3. Spiritual renewal; and, 4. Christian fellowship and recreation. The following chart indicates some of the measurable results of each of the six weeks.

Week	Registered	Professions of faith	Church related vocations
1	614	24	6
2	1090	68	18
3	757	63	5
4	960	53	12
5	1049	30	11
6	1232	31	7
	5702	269	59

There are seven weeks of assembly programs planned for 1982. Lawson Hatfield, assembly director.

BAPTIST STUDENT UNION

Tom J. Logue, Director

Third Century Endowment Campaign

- Over \$800,000 in cash had been given to the campaign at the end of August.
- Over 400 churches have been involved in the campaign.

3. Over 400 individuals are contributing to the campaign and have already given over \$133,000.
4. Earnings are already at work.
 - (1) We have 11 workers on the campuses this fall who would not be there were it not for the campaign.
 - a. Five extra full time directors (some Student-to-Student Workers and some Seminary Interns) are working on the campuses this fall in the areas of campus evangelism, Bible study, and dormitory visitation.
 - b. All six of our community colleges have part time BSU Directors at work on their campuses this year.
 - (2) The BSU work in Utah-Idaho has been helped through the Third Century fund, as well as Iowa and Indiana.

Personnel Changes

Raye Nell Dyer, a recent graduate of Southern Baptist Theological Seminary, has been elected the new Associate Director at the University of Arkansas at Fayetteville.

BSU Center Construction and Repairs

1. The BSU Center at Westark Community College in Fort Smith has been completely renovated, doubled in size, and was dedicated last winter.
2. Our center at Tech, badly damaged by a \$80,000 fire, was fully covered by insurance and has been beautifully repaired and reopened.

Missions and Evangelism

1. We have had 42 summer missionaries, appointed and supported by their fellow students, on the field this summer. Perhaps as many as another 40 of our students were appointed by the Home Mission Board.
2. Each year our summer missionaries report several hundred professions of faith.
3. We now have over 1,300 international students studying in Arkansas. Each year all of these are invited to our International Retreat.

Thanks

To Arkansas Baptists for their continuing support of Baptist Student Work on 27 Arkansas campuses. On half of these campuses, Baptist Student Union is the only Christian group at work.

BROTHERHOOD

Neal Guthrie, Director

It has been a great year for Brotherhood ministries. All areas of Brotherhood work, Baptist Men, Royal Ambassador, Renewal, World Mission Conferences, have seen an increase in enrollment, mission awareness and mission action. This has happened because of the tireless work of laymen in the churches and associations. Brotherhood Directors, Royal Ambassador Directors and Counselors, lay leadership of all types make things happen.

We have seen new ministries evolve this year such as work with elderly, world hunger, resort, laymen crusades, disaster relief, direct mission projects, prison, military, apartment dwellers, youth service, and the list goes on.

Royal Ambassadors enjoyed a great Congress in May with over 1000 attending. A great celebration service was held in the Geyer Springs First Baptist Church and then the Congress closed with the State R.A. Track Meet held at North Little Rock Northeast Stadium.

The first two weeks of June saw 2 good R.A. Camps and a weekend of boys and their dads. Camps have as their main task to instill in boys knowledge of their goals in life through mission awareness, campcraft, nature, recreation and wholesome Christian fellowship. All this can be found at beautiful Camp Paron and boys keep coming back each year for more.

In July a group of Pioneer Adventure R.A.'s and Baptist Men worked to help complete a building and fence on Casper Mountain, Wyoming. The group had numerous experiences that will always have a lasting effect on their lives and the churches represented.

Disaster Relief continues to become a big project for Baptist Men. A Disaster Relief Mobile Unit has been built and will be used to help during disasters through cooperation with the American Red Cross and Civil Defense. The unit is based at Little Rock and will serve the State. Trained teams will help man and maintain the unit. Baptist Men of Arkansas are taking this project in stride with their zeal to see a lost and dying world reached for Christ using up-to-date methods. A workshop to help train workers in Disaster Relief is scheduled for August 27. Following the workshop the mobile unit will be used at the Campers on Missions Rally on August 28-29.

Seven area Brotherhood conferences will be held this fall to help leadership in all phases of Brotherhood work do a better job. Training for Baptist Men, Royal Ambassador, Mission Action, Renewal leadership will be offered.

On October 16-17, a state men and boys rally will be held at DeGray Lake State Park. Men and boys will gather to camp overnight and enjoy a time of fellowship and inspiration around the camp fire. On Saturday, a fishing derby will be held on the lake. This should be a great event for those who attend.

The year closes out with National Royal Ambassador Week, November 1-7. An R.A. Fellowship Lunch will be held on November 7 in Little Rock. This is a change from the usual dinner held on Monday night. A special lunch meal, inspirational speeches and great entertainment will fill the day's events. Last year 500 attended this meeting. Get your reservations in early.

Brotherhood ministries seek to accomplish its task of mission awareness and mission action in many ways. It's a learn and do organization—the only organization in the church that is specifically designed to do this for men and boys. Sound interesting? Let us help you begin a total Brotherhood ministry in your church.

BUSINESS SERVICES

L.L. Collins, Jr., Director

The function of the Division of Business Services for the Arkansas Baptist Convention is that of providing support for all of the Executive Board departments of the Arkansas Baptist State Convention. It is also a function of Business Services to play a supportive role for Arkansas Baptists as a whole. The nature of that support is to enable these departments to function more efficiently in ministry and to help them in realizing the maximum use of the financial resources provided by Southern Baptists of Arkansas.

One of the ways by which we are attempting to accomplish this purpose is in the use of computer resources. In the past year our system, an IBM System/32 computer, has been upgraded to provide the maximum memory and disk capacity possible. We are also in the midst of a feasibility study to determine what, if anything, needs to be done in the near future to provide the most meaningful computer resources. We have also added a decollater and burster to the area of computer services to provide more effective and efficient service.

In the area of printing support we have added equipment that produces paper masters much easier and more economically. We have also installed a two color press which enables us to do a higher quality of work as well as involve less time in producing two color pieces.

As is evident to everyone, the cost of utilities, particularly electrical energy, is climbing at an astronomical rate. We have, however, by being able to control the demands at peak load times, been able to realize a substantial savings. This is due to the fact that rates are geared to demand at peak load.

Bins have been constructed in the storage room to make possible storage of items off the floor and utilizing more of the space efficiently.

It is the commitment of the Division of Business Services to continue to supply the necessary support for the operation of Executive Board programs of Arkansas Baptists while at the same time emphasizing the greater stewardship of the total mission task of the Arkansas Baptist State Convention.

CAMP PARON

Robert Ferguson, Business Manager

Camp Paron, located 45 miles west of Little Rock, on state highway 9, consists of 263 acres of beautiful rolling forested hills, and open grassy areas with dormitory type facilities for 210 persons. Situated adjacent to Ouachita National Forest, the setting is ideal for church and convention groups to "come aside from their busy schedules to enjoy the beauty and serenity it affords".

From July 1, 1980 to June 30, 1981, forty-four groups have used the facilities with total attendance of 3,431.

Summer Youth Camp schedule includes two weeks for National Baptists, two weeks for Royal Ambassadors, four weeks for Girls in Action, two weeks for local church camps and eight overnight groups. We have ten weekend reservations for September-December, with openings for others, who may apply.

This year we replaced water heaters in the dining hall, repaired air conditioners in the activities building, painted the snack shack and cabins, and added needed sidewalks between the buildings.

We are planning a worship area with conference rooms for the youth camps and church retreats. We are working with a newly formed "Camps and Assemblies Committee" and will be studying the suggested master plan for land use as submitted by the Architectural Department of our Sunday School Board in Nashville, Tennessee. Any suggestions you may have to improve the service or facilities will be appreciated.

Reverend James Threet is Resident Camp Manager. Information concerning

facilities, rates, and dates available can be secured by calling or writing Robert Ferguson, Post Office Box 552, Little Rock, Arkansas 72203, (501) 376-4791, in the Baptist Building.

CHRISTIAN LIFE COUNCIL

Robert A. Parker, Director

The Christian Life Council of the Arkansas Baptist State Convention is in its third year, having begun July 1, 1979. This is the first year that the Director worked hand in hand with the Christian Civic Foundation in the halls of the State Legislature. Serving as liaison between Arkansas Baptists and the Christian Civic Foundation, many hours were spent monitoring proposed bills in committee. These dealt primarily with alcoholic beverages and other drugs, gambling and pornography. Testimony was also given in legislative committees regarding Sunday closing legislation. There was considerable correspondence during the year with the Arkansas Congressional delegation regarding alcoholic beverage regulations related to civilian and military nuclear components. Our representatives in Washington were also urged to advocate the warning labeling of alcoholic beverages.

A slide presentation was prepared during the year. This dealt with the over-all work of the Christian Life Council. This presentation was given in many of our churches. Churches in the Independence Baptist Association were the first to view these slides. The Director was in that association last spring representing the Arkansas Baptist State Convention in a World Missions Conference.

Active support continues to be given to the Arkansas Baptist committee on World Hunger. Arkansas Baptists doubled contributions to domestic and world hunger over the previous year. There has also been involvement with the Arkansas Interfaith Hunger Task Force and Thanksgiving Ingathering, the Arkansas Council on Brotherhood of the National Conference of Christians and Jews and the Central Arkansas Chapter of Americans United for the Separation of Church and State.

The Director of the Christian Life Council chaired a committee investigating the cost of food in Arkansas while working with the Interfaith Denominational Executive's Roundtable.

Considerable time was spent traveling in state conducting seminars, conferences and services dealing with important contemporary issues. During the summer three visits were made at Siloam Springs where there were alcohol and other drug prevention presentations to the young people gathered from all over the state. In March the Director attended the annual Christian Life Commission Seminar in Dallas. This year's seminar dealt with the problem of power in the church and society. Numerous personal conferences were conducted and many pieces of literature were distributed throughout the state. Full page informational sheets regarding current issues have again this year been printed in the Arkansas Baptist Newsmagazine.

CHURCH MUSIC

Ervin Keathley, Director

Purpose: To assist churches and associations in enlarging and improving their ministry through music by providing training and performance opportunities, by providing and interpreting resource materials, and by personal assistance and counseling.

A 5.2 % increase in music ministry growth was reported on the associational letters this year. That translates into a total of 2,328 more persons involved. We also had seventy-six more churches reporting their music ministry, which is an increase of 9.2%. This year's totals are: 845 churches reporting with a total enrollment of 46,916. We would encourage the other 400 churches to make an effort to report what is happening in their church musically.

Some of the music events our department sponsored to implement our task training and developing musical leadership in our state are listed below.

1980-81 Music Department Highlights

I. Leadership Training

Dr. T.W. Hunt, LeRoy McClard, Neale Bartee and Ben Pilgreen were our major leaders at this camp. We had 170 enrolled. Beside the usual performances by the Junior and Senior High groups and the band, we initiated a string program. We had an ensemble of 9 strings, and their performance was excellent.

V. Instrumental Emphasis

The 1980-81 instrumental program involved a two-day organ and piano workshop held at First Baptist Church Pine Bluff with twenty-eight participants. This year the State Tournament drew the first large instrumental ensemble, consisting of fifteen members from Geyer Springs First Baptist Church. The Youth/Adult Camp instrumental program has expanded to include the strings. Reports continue to be received of an increased involvement of instrumentalists in the worship services.

VI. Special Events and Services

1. Evangelistic leadership supplied

Arkansas churches furnished thirteen song leaders for the Nevada

Simultaneous Crusades in April. There were a total of 100 decisions reported.

Four ministers of music from Arkansas were also involved in evangelistic crusades in Malawi this fall. They were: John Dresbach, Osceola; Danny Austin, Greenwood; Louis Criswell, Baring Cross North Little Rock; and Bob Presley, Dumas.

2. **Hymnal distribution**

Our department continues to receive and distribute copies of **Baptist Hymnal, 1956**. We would be happy to receive hymnals in good condition, and we welcome your requests if you need such hymnals.

3. **Music Men concerts**

In addition to the music they provide at state meetings, the Music Men conduct two concerts each year. This year they were at Mt. Carmel, Cabot and Wynne Baptist Church.

4. **Associational music schools**

We continue to get requests for Associational music schools, and we were able to conduct several of these this year. Our staff is available on a first request basis.

VII. Conclusion

This is the forty-first annual report of the Church Music Department, established in 1941 as a part of the Religious Education Department. Mrs. B. W. Nininger served voluntarily as the "Approved State Music Director" and was later elected as State Music Secretary in 1944. She was recognized at the annual meeting of the Southern Baptist Church Music Conference in Los Angeles this year as the **FIRST** State Music Secretary. We are proud that Arkansas has led the way in this area, as well as others.

CHURCH TRAINING DEPARTMENT

Robert Holley, Director

I. Introduction

The Church Training Department is responsible for five areas of work in Arkansas: (1) Church Training, (2) Church Administration, (3) Family Ministry, (4) Church Library and (5) Church Recreation. The department relates to these five departments of the Baptist Sunday School Board and works closely with them in planning and conducting projects in our state.

In each of these areas the department's primary responsibility lies in the area of leadership development. The department's program and projects are directed primarily to pastors, church staff members, Church Training leaders, church secretaries, deacons, church library workers, church officers and committees, and recreation leaders.

The following report is a summary of the major projects conducted by the department during 1980-81. In addition, the staff of the Church Training Department has been involved in personal consultation with key leaders from many churches in response to their requests for assistance. Also, each member of

the staff has been involved in a leadership role in Southern Baptist Convention sponsored events, such as Ridgecrest and Glorieta. Each member of the staff has also been active in writing for Sunday School Board periodicals during the past year.

II. Review of 1980-81

1. Church Training Program

“Equipping for Personal Growth” has been a major emphasis of the Church Training Program during the past year. This has been reflected in the year-long sequential studies on personal, spiritual growth in the youth and adult curriculum.

The projects conducted by the Arkansas Church Training Department are designed to help churches build the kind of training program that will lead their members to grow. The following report describes the projects and emphases conducted during the past year.

- (1) There are 1,241 churches in the Arkansas Baptist State Convention with a total Church Training enrollment of 80,654. This represents a 4.9% gain in enrollment over the previous year. Our state also experienced a weekly gain in average attendance of 3,437 persons in training. We are grateful for this marked increase in Church Training enrollment and participation and for the renewed commitment to training reflected by this report.
- (2) Our third annual Pastor-Director Retreat was conducted at Camp Paron with 29 pastors and directors attending.
- (3) Arkansas' fifth annual Associational Church Training Leadership Conference was conducted with 91 associational leaders in attendance.

- (6) “M” Night was conducted by 34 associations with a total attendance of 6,447, including 386 pastors and 278 Church Training Directors.
- (7) Area Equipping for Church Growth Conferences were conducted in 15 areas of the state with 275 leaders participating.
- (8) District Bible Drills and Speakers' Tournaments were conducted in each of the eight districts with 310 participants in the Children's Bible Drill, 34 participants in the Youth Bible Drill and 19 participants in the Speakers' Tournament.
- (9) The department assisted five additional associations and fifteen churches in leadership training projects.
- (10) The State Youth Convention was held on April 17 at the Pine Bluff Convention Center with approximately 4,500 youth attending. Carole George of Central Baptist Church, Jonesboro, was selected as

our state's representative in the Southern Baptist Youth Speakers' Tournament at Ridgecrest. Gini Maddux of First Church, West Memphis, was selected to represent our state in the Youth Bible Drill at Ridgecrest.

- (2) Pastoral Leadership Conferences for Bivocational Pastors were conducted in six areas of the state with 52 pastors participating.
- (3) A seminar and retreat for ministers of education was conducted with 13 ministers of education participating.
- (4) A Pastor-Deacon Retreat was conducted with 72 participants.
- (5) Church Vocations Conferences were conducted during each of the six weeks at Siloam Springs with 101 youth participating. Church Vocations' Conferences were conducted at the annual BSU Convention and in two associations with 241 participants.

COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Robert Ferguson, Director

Cooperative Ministries with National Baptists in Arkansas is a joint effort of the Home Mission Board, SBC, and the Arkansas Baptist State Convention. We seek to relate to National Baptists as brothers and sisters in Christ, and co-workers in various

Christian ministries in order that churches and associations may be strengthened and non-christians brought to a saving faith in Christ.

SIX STUDENT SUMMER MISSIONARIES spent 10 weeks in 24 black churches, conducting vacation Bible Schools, camps, and youth programs, enrolling 1525 youth and resulting in 24 professions of faith.

Fifteen college students and six seminary students were assisted with SCHOLARSHIP program funds totaling \$6,370.00.

BAPTIST STUDENT UNION activities at the University of Arkansas at Pine Bluff, Rev. Lacy Solomon, Director, enrolled 250 students in Bible classes, and others were engaged in various Baptist Student Union sponsored activities.

EXTENSION CENTERS for in-service training enrolled 164 pastors and laymen in Bearden, Lewisville, Little Rock Pine Bluff, and West Memphis.

“HART OF THE HILLS” camp at Paron was attended by 366 campers in a two week program with 14 professions of faith.

Forty-six LEADERSHIP CLINICS AND INSTITUTES across the state enrolled 2,386 persons.

JOINT COMMITTEES are organized in Ashley, Liberty, Central, Delta, Harmony, Tri County, Pulaski and Southwest Associations, with other associations studying the idea.

The STATE JOINT COMMITTEE has met twice with representatives from all three cooperating conventions in attendance.

Jointly sponsored AREA FELLOWSHIP MEETINGS were held in El Dorado, Benton, Lake Village, West Memphis, Little Rock, and Texarkana.

Numerous Joint Baptist WOMEN'S DAY OF PRAYER programs were conducted. We encourage our local and associational women groups to look forward to this date, on November 1, 1981.

May 15, 1982 is the date for the JOINT MEETING OF BAPTIST WOMEN at Arkansas Baptist College in Little Rock; Baptist Women from the three cooperating conventions will participate.

Rev. Charles Cooper MINISTERIAL STUDENT from Ouachita Baptist University serves as assistant to the CHAPLAIN at Tucker Intermediate Reformatory where young black first offenders are housed. Fifteen professions of faith and numerous rededications are registered.

The jointly sponsored EVANGELISM CONFERENCE is scheduled for January 25-26, 1981 at Park Hill Baptist Church in North Little Rock. Three Baptist, State Conventions will participate.

EVANGELISM

Clarence Shell, Director

This has been another year of experiencing a dynamic spirit of evangelism in our state. It was a thrill to see an increase of 2800 plus baptisms in our state this past year. We have reports of revivals, crusades, camps and perennial evangelism that give hope of another increase this year.

It is the desire of your Evangelism Department to plan and promote the concept of total evangelism. We are committed to obeying the commission of our Lord in Matthew 28:19-20 to make, mark and mature disciples.

The following events this past year have emphasized this concept of complete evangelism.

The Evangelism Workshop at Paron proved to be a great success. There were 70 leaders present consisting of Directors of Missions, Chairmen of Evangelism, PREP Men and staff personnel. These leaders shared in a refreshing program of preparing for Bold Mission Revivals in '82. The following emphases were made; Planning, Preparing, Participating and Preservation. Many report that this is the best meeting they attend during the year.

We now have 15 specialized leaders trained as PREP Men. These men are available to come to any local church and help the church prepare to do total evangelism.

First Baptist Church, Little Rock, was the setting for the annual State Evangelism Conference. There was a strong emphasis on the theme, "Spiritual Awakening". This was well developed by our speakers through the following concepts: Visualize, Recognize, Organize, Agonize and Evangelize in the Awakening. There was a good response from Arkansas Baptists in honoring Brother Jesse Reed in his retirement.

There is a renewed interest and emphasis in WIN schools. There were 6 schools at Siloam Springs taught under the direction of our department. There were 100 plus people trained in these schools. An alternate teaching plan has been developed for churches that desire a second school. We have trained hundreds in these schools to share their faith in Christ. We are thrilled that several pastors are developing and teaching witnessing schools in their own churches. We have a recently developed program on Continuing Witness Training. This is now in the pilot stages and will soon be presented for statewide use in our local churches.

The evangelism staff has preached several revivals and conducted several WIN schools. Many people have made professions of faith through these efforts. Area and associational crusades are being used greatly of God. The Greene County Crusade is testimony to this with an average of 1100 each night and high attendance of 1400.

Fires of evangelism have burned brightly in our camps and assemblies as many boys and girls have been saved. Siloam Springs illustrates this with 269 professions of faith in regular assemblies. Spring Lake Assembly, one of our area camps, had 290 professions of faith in their total camp programs. Concord Association camp had 64 professions of faith. These mentioned serve to illustrate the experiences of camps and assemblies all across our state.

The following materials are available through the Evangelism Department: **Associational Simultaneous Revival Preparation Manual, Area Crusade Preparation Manual, A Model Evangelism for A Local Church.** These were compiled and written by Clarence Shell. A brochure on WOW Team Strategy has been prepared by Wes Kent.

The revival tent has been used in crusades at Harrisburg, Little Rock Brookwood, Bentonville First Baptist Church, North Arkansas Association, Calico Rock and Texarkana Faith.

Area Evangelism Conferences were conducted in Rogers, Russellville, Newport and Monticello. There were 532 in attendance. Rev. Clifford Palmer, Springdale First, was our preacher and Dr. Huber Drumwright was our Bible teacher.

We are beginning to see serious efforts in the area of student evangelism. The youth workers in Harmony Association are conducting an association-wide WOW (Win Our World) school again this year. Good cooperation is being shown in making sure every youth has the opportunity to become a trained soul winner. We praise the Lord for this type of effort.

We are seeing much increase in training youth in personal evangelism through summer camps. The Clear Creek Association trained over 200 youth in personal evangelism during their association camp. Larry Plummer of Memorial Church, Hot Springs was teacher. This is the largest WOW school we have known about having been conducted in our state.

Four hundred youth were trained in WOW at Siloam Springs during the Arkansas Baptist Assembly in 1981. Full and overflow enrollments were reported each week. Teachers at Siloam were as follows: Sam House of Jacksonville, Wes Kent of ABSC, Roy Cook, Jr. of North Little Rock, Milt Loftis of Pine Bluff, Rich Kincl of Berryville and Hess Hester of Little Rock.

Several of our association camps provided youth witness training in 1981. Besides Clear Creek Association, Mt. Zion, Concord, Little Red River and Conway-Perry Associations provided witness training as a part of their camp curriculum. The evangelistic results of these camps reflected witness training being conducted. Several campers won people to Christ at camp through application of their training received. We have received personal letters from participants in these camps who have gone home to win friends to Christ! Three hundred twenty youth were trained in these association camps.

Wes Kent trained 32 WOW teachers on April 9, 1981 on a WOW Training Day at the Baptist Building. The first Thursday of April will become an annual WOW Training Day for all who can come to Little Rock. Many were trained as WOW teachers individually during 1981. The Evangelism Department will help provide a trained WOW teacher for any church desiring to train youth in personal evangelism. Training is also available for leadership within any local church.

The Youth Evangelism Conference (Joy Explo '81) will be expanded. We will have a full program at both Little Rock and Fort Smith. We are trying to become more available to all regions within our state. Plans are being made to continue with a central location and a second location in extreme geographical locations. The 1982 meetings will be in Little Rock and West Memphis. Eighteen youth found Christ as personal Saviour and Lord at Joy Explo '80. Eighteen made decisions for special service and over 100 rededications were recorded.

We now have 36 qualified TELL teachers in our state. Information concerning TELL is available through the department. The department has two TELL Sets available to loan churches who would like to reserve them. Local associations have been encouraged to purchase TELL Set to make the training available to their churches. The sets are available to local churches with trained TELL teachers.

The Evangelism Workshop will be conducted at Camp Paron December 10-11.

The theme will be "Ye Shall Be Witness". The Directors of Missions, Chairmen of Evangelism, PREP Men and state leaders will be challenged to a dynamic outreach program that will share Jesus with every lost person in Arkansas.

Forty-two associations have reported to our department they plan to participate in the Bold Mission Simultaneous Revivals in 1982. The dates are East, February 28-March 14 and West, March 28-April 11. This is 100% commitment of the associations to share in the crusade. We have printed 30,000 bumper stickers that will be distributed to the associations to publicize the crusade. Our convention will be cooperating with associations in newspaper and radio publicity.

January 10 is Commitment Witnessing Day. Every pastor is challenged to preach on witnessing and call his people to a definite commitment.

January 25-26 is the date for our Joint Evangelism Conference. We will meet with Park Hill Baptist, North Little Rock, Dr. Cary Heard, pastor. This will be a cooperative effort of our convention with Regular and Consolidated Baptist Conventions. The theme for the conference is "Evangelism, Every Christian's Task Through The Church". This will be developed through the following concepts: Sin, The Tragedy of Humanity; Love, The Nature of God; Salvation, Our Only Hope; Witnessing, By All Means Save Some; Evangelism, The Church's Task". Dr. Landrum Leavell, president of New Orleans Seminary will be the Bible teacher. Dr. Clay Evans, National Baptist pastor from Chicago will be a featured speaker. Other out-of-state speakers are Carolyn Weatherford, W.M.U. and Howard Ramsey and Emmanuel McCall of the Home Mission Board.

A new witnessing process that will receive priority in '82 is CWT. We plan to have a National Training Seminar in First Baptist, Fayetteville.

We also are making plans for a Growing An Evangelistic Church Seminar. This probably will be our emphasis in the Pastor's Personal Witnessing Clinic.

We are planning and praying that God will give the increase to break the all time baptist goal in Arkansas. The record of 16,367 was set in 1950. Let us join hands and hearts to share Christ with every lost person in our state.

MINISTRY OF CRISIS SUPPORT

Glen D. McGriff, Director

The "Ministry of Crisis Support" has experienced a very positive response in the first full year of ministry. The privilege of being present and available to those who experience stress is indeed an honour. Persons who serve in church staff positions are discovering the significance of having a friend when they hurt. Out of such an encounter there emerges a new appreciation of their own ministry. Being a friend takes a new meaning when one allows another to be a friend to them.

The director of the "Ministry of Crisis Support" has been privileged to relate in more than four hundred counseling sessions with individuals or groups. More than twenty occasions have occurred for consultations with church staff members on a range of problem situations. The opportunity to be in 26 of our Arkansas Baptist Churches has been a most delightful experience. The director has also shared in eleven conferences and seminar programs.

Another significant factor during this year was the securing of Janet Mowery as office secretary. Janet came to work in March and accepted the position full-time in April. The assistance of Mrs. Brenda Carter and Helen McGriff in the period following Mrs. Halbrooks acceptance of another position is greatly appreciated.

The support of churches through the Cooperative Program, and the prayer support of our dedicated people is acknowledged with thanksgiving. Continued growth both in response and ministry opportunity is anticipated. The privilege of being "laborers together with God" among Arkansas Baptist is an honor for which I am genuinely grateful.

STATE MISSIONS

Conway H. Sawyers, Director

The purpose and objective of the Department of Missions is to support the Arkansas Baptist State Convention in its task of bringing men to God through Jesus Christ by developing and promoting, in cooperation with churches and associations, old and new outreach ministries into all changing facets of modern life in response to the Great Commission.

Direct Missions

CHURCH PASTORAL AID. Many numerically small churches in the state cannot afford to provide competent pastoral leadership on any adequate basis to meet the needs of the community. In 1981 the Missions Department supplemented the pastoral salary of 33 small churches and missions amounting to \$66,360, enabling them to have pastoral leadership.

MISSIONARY SALARY AID. Historically the trend among our 42 associations has been to become self-supporting. To aid these associations as they grow in cooperation and fellowship supplements have been made to the salary of the Director of Missions. Three associations are now receiving this assistance.

IN-SERVICE GUIDANCE is a cooperative ministry of the Home Mission Board, State Missions Department, Ouachita Baptist University and Southern Baptist College. This program offers counseling and on-the-job training for ministerial students.

Chaplaincy Ministries

STUDENT CHAPLAIN INTERN PROGRAM. Many exciting developments in chaplaincy ministries have taken place over the past year. A student chaplain intern program for the Youth Services Center in Pine Bluff was developed with Ouachita Baptist University. This program involves two ministerial students, in Junior or Senior classification, who work at the Boyce Youth Services Center each weekend during the semester under the supervision of Chaplain Benny McCracken. The students follow an academic course of study while getting practical experience. They participate in all religious activities and visit the dorms where the juveniles live and relate to them as good role models. In addition to student preaching aid from the Missions Department, the students receive three semester hours credit from the University in the Special Studies category.

INDUSTRIAL CHAPLAINCY. Rev. Larry Lewis of Bentonville became a half-time chaplain for Wal-Mart Industries March 1, 1981. Chaplain Lewis' work

involves counseling, pastoral visitation and crisis intervention and other chaplaincy responsibilities. This endeavor is sort of a trial period to give the industry an "experience factor" to help them determine the feasibility of a full-time chaplaincy.

ASSOCIATIONAL INVOLVEMENT IN PRISON CHAPLAINCY. The Harmony Association, Freddie Pike, Director of Missions, responded to a need for financial help at the Cummins Unit where there are about 1700 inmates. A donation of \$1,000 was given to enable Chaplain Dewie Williams to hire a retired army chaplain, Melvin Rice, of Pine Bluff, to assist in the ministry at Cummins.

CHAPLAINS EMPLOYED BY THE BAPTIST STATE CONVENTION. Five chaplains continue to be employed by Arkansas Baptists to minister in State Institutions. They are: Dewie Williams, Cummins Prison; Doyle Lumpkin, Youth Services Center, Alexander; Chris Copeland, Booneville Human Development Center (formerly Childrens Colony); Roy Remont, Hot Springs Rehabilitation Center; and Benny McCracken at the Pine Bluff Youth Services Center.

Language Missions

On June 1, 1981 Randy Cash assumed the position of Director of Language Missions. This ministry is defined in terms of four areas of responsibility: 1.) ethnic congregations, 2.) ministry to Deaf, 3.) Hispanic migrants, and 4.) refugee resettlement.

Ethnic congregations have been established among the following groups: Indochinese, Hispanics, and Deaf. Churches with ethnic services include: Grand Avenue and Eastside Baptist Churches in Fort Smith (both Indochinese), First Baptist Church in Little Rock (Deaf), Pulaski Heights, Geyer Springs First, and Calvary Baptist Churches in Little Rock, Lakeshore Drive Baptist Church in Little Rock (Hispanic), West and Calvary Baptist Churches in Batesville (Indochinese), First Baptist Church in West Memphis (Hispanic), and Cash Baptist Church (Hispanic).

Work among Hispanics in the Hughes and Marion area continues. There is a need for indigenous leadership among the Hispanics in that area of Arkansas.

Twenty-one churches are providing ministries to the Deaf. Emphasis is being placed on leadership training among the Deaf. There is a need for new ministries particularly in Districts 6 and 7 where no Southern Baptist witness to deaf persons presently exist.

Hispanic Migrants are being reached for Christ through the cooperative efforts of the Bartholomew Association and the Arkansas State Convention by way of the migrant center in Hermitage. Ariel Hernandez directs the ministry and relates to these people in a very personal way, ministering to both their physical and spiritual needs.

Several Arkansas Baptist Churches have sponsored refugees. These include: Grand Avenue, Ft. Smith; Pulaski Heights, Little Rock; Beech Street First, Texarkana; Second Baptist, Little Rock; Park Hill, North Little Rock; Chapel Hill, DeQueen; Calvary, West Memphis; Dermott Baptist; Lifeline, Little Rock; First, Blytheville; First, Fayetteville; and Geyer Springs, First. Associations include Mt. Zion and Clear Creek. One hundred six refugees have been resettled in the state by Southern Baptists.

Special Missions Ministries

Arkansas' two US-2 Missionaries, Chandra Tagnani and Vivian Fong Spann, finished their terms of service September 1, this year. No US-2 Missionaries are scheduled for Arkansas in 1932.

Orientation was held in June for 36 Student Summer Missionaries. They served for ten weeks in a variety of ministries, including resort missions, migrant missions, International ministries, inter-city, associational missions, etc.

The Migrant Mission Center, under the direction of Rev. Bob Gross, is an effective ministry with 111 professions of faith last year. In addition to worship services, the Center is open for emergency needs, counseling and recreation.

With religious pluralism in Arkansas, Interfaith Witness Conferences were held in Faulkner and Calvary Associations.

Rev. Dean Preuett has been employed as Central Arkansas Christian Social Ministries Consultant, coming from a similar position with Illinois State Convention.

Campers on Missions met August 28-29 at Petit Jean State Park.

Church Extension

The Revolving Loan Fund, by far the most active fund in our department, is in need of a larger financial base. As of August 15, 1981, there have been fifteen loans made, but a waiting list of 22 churches remains.

The Building Aid Grant Fund is a budgeted item and though it is increased each year, the funds are exhausted before mid-year.

New Missions Sites Fund was used to help two churches and associations this past year in the amount of \$17,000.

Portable Chapels continue to be in demand by our newer congregations. One of the oldest of the five chapels was purchased by a congregation and it is being replaced by a new one. This purchase is being made possible largely through the help of the Dixie Jackson Offering.

Some exciting things are taking place in Seminary Extension that have significant implications for Arkansas Baptists. Our six seminaries have established the Seminary External Education Division which includes Seminary Education Department and Seminary Satellite Department. The two delivery systems: Seminary Extension Centers, and Home Study Institute will continue as before in the Seminary Extension Department.

This development opens possibilities of four channels of continuing theological education open to Arkansas Baptists:

1. Boyce Bible School in Little Rock under the direction of Ralph W. Davis. The Little Rock Center has begun its seventh year, and a branch has recently been organized in Blytheville. Boyce is an accredited division of the Southern Baptist Theological Seminary and is designed primarily for ministers and laypersons who have not completed their college work. There are four terms of eight weeks and one "J" term in January each year. Seven or eight courses are offered each term. For the diploma in Christian Ministry a student must complete 62 hours work in 17 areas of study.

2. Seminary Extension Centers. At last report there are eight centers functioning in Arkansas with 204 enrolled.

3. Seminary Extension Home Study Institute with 78 enrolled.

4. A Seminary Satellite Study Committee established and instructed by the Arkansas Baptist State Convention anticipates the establishment of a Seminary Satellite in Arkansas, possibly Little Rock with hopes of master's level classes being offered by spring semester of 1982.

STEWARDSHIP/COOPERATIVE PROGRAM

James A. Walker, Director

STEWARDSHIP

Baptists have long accepted, in their organizational structure, the position and importance of the local church. Looking at Baptists from top or bottom, the local church is the foundation of all our work.

This concept gave birth to the 1981 stewardship theme: *Witness to the World — Through My Church.*

The Stewardship/Cooperative Program Department exists to assist the churches in their witness to the world with their mission support ministries.

Arkansas Baptists have a good record. Per capita gifts through local Arkansas Baptist churches last year averaged \$172.84. This compares favorably with the Southern Baptist Convention average of \$170.15. The \$172.84 figure is up from the \$160.18 given by the average Arkansas Baptist in 1979.

These projects will assist the churches in developing Christian stewards and increasing mission support:

- Bold Mission Encounter '82 is a major project in the Southern Baptist Convention. Lay presenters will be enlisted on the associational level to present biblical stewardship, associational and Cooperative Program ministries in the churches.
- An orientation for missionaries furloughing in Arkansas is scheduled for each September. The missionaries get a look at Arkansas Baptists after four years on the field.
- Area conferences were conducted in September on the problem of non-givers in our churches.
- A stewardship workshop each December helps associational stewardship chairmen sharpen their skills in stewardship promotion.
- Over sixty people attended a tax seminar last January. Another is set for January 27, 1982 at the Levy Baptist Church.
- Missionary Clarence Allison, from South Africa, is serving as missionary-in-residence and is available for service in any church.

The Stewardship Department is committed to the growth of Christian stewards in the churches, and through this development, to an increasing support for missions at home and abroad.

COOPERATIVE PROGRAM

Southern Baptists have supported mission causes through the Cooperative Program for fifty-six years. The importance of this means of working together was demonstrated with a study that representation of messengers to the Southern Baptist Convention be determined by percentages given through the Cooperative Program.

More important than messenger representation at the Convention is our need to represent Christ wherever need may be found. Arkansas Baptists have declared their continued support to Cooperative Program ministries.

- Arkansas Baptist churches give 9.86 percent of the collection plate dollar through the Cooperative Program. This is one percent above the Southern Baptist Convention average.
- In 1980, only sixty-four active Arkansas Baptist churches failed to share in Cooperative Program ministries. Over ninety-four percent of the churches gave during 1980.
- Since 1970, the Arkansas Baptist State Convention has increased gifts to Southern Baptist Convention causes by 4.11 percent of the total budget.
- Compared with 1977, 386 churches gave a larger percentage in 1980. 670 gave the same percentage and 168 gave a lower percentage.

These resources will help create an awareness of world-wide Cooperative Program ministries.

- The missionary-in-residence relates mission support to the Cooperative Program. The missionary is available to any church upon request.
- A new film telling the Cooperative Program story as it relates to missions is set for release in 1982.
- Booklets and tracts for mass distribution are available through the Stewardship Department. Special studies on mission support may also be obtained free of charge.
- Missionaries, the Stewardship Director and with other convention staff members, are available to tell how the Cooperative Program works.

Activities designed to encourage increased giving through the Cooperative Program include:

- A 2—5 by '85 program. A special emphasis starts during 1982 with churches giving a small percentage being encouraged to increase their percentage by five points by 1985. Churches giving larger percentages will be encouraged to increase their percentage by two points.
- Cooperative Program Day, April 18, 1982.
- Cooperative Program Month, October, 1982.
- A mission giving survey that helps a church set goals for associational and Cooperative Program ministries.

Fifteen years ago, Arkansas Baptist churches gave more than eleven percent through the Cooperative Program. With world needs multiplying, and with a bold giving challenge, we can once again attain this high level of sharing.

SUNDAY SCHOOL

Lawson Hatfield, Director

OUR OBJECTIVE

The objective of the Sunday School Department is to support the Arkansas Baptist State Convention in its constitutional purpose - "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closest cooperation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

This report reflects the Sunday School Department's efforts to support churches and associations in fulfilling the overall Sunday School task:

1. Reach persons for Bible study
2. Teach the Biblical revelation
3. Witness to persons for Christ and church membership
4. Lead persons to worship daily
5. Minister to Sunday School members and non-members
6. Provide and interpret information concerning the work of the church and denomination

Arkansas Baptist churches reported a gain of 9,112 in Sunday School enrollment during 1979-80, the best record since the mid 1950's. This increase should provide excellent momentum for 8.5 by '85, a goal to reach a Sunday School enrollment of 8.5 million people in Southern Baptist Convention churches by September 30, 1985. The goal is an integral part of Bold Mission Thrust and has been adopted by the Southern Baptist Convention as one of the suggested church projects through 1985.

Arkansas' Sunday School enrollment now stands at 242,792. If we reach our share of the SBC goals, we will need to have an enrollment of 271,000 in 1985. We must have an annual net gain of 5,642 for each of the next five years. It can be done.

In its continued commitment to help churches strengthen their Sunday Schools through the associational organization, department personnel gave assistance to 21 associations in 36 projects during the year.

Associational Faculty Training Clinic trained 125 team members to teach the new "Basic" books in associational training schools. The state Vacation Bible School Clinic trained 208 team members to lead conferences in associational VBS Clinics. Associational Sunday School directors and directors of missions from 26 associations received orientation in the 1981-82 program during the briefing meetings.

Department personnel assisted six associations in ten VBS clinics.

Assistance was given to 40 churches in 49 local church projects.

The Weekday Early Education Workshop was held in Geyer Springs First Church, Little Rock, in conjunction with the Missions Department. Directors and teachers of kindergarten, day care, and Mother's Day Out program were trained in this workshop.

Approximately 6,000 Sunday School teachers and officers were trained in the state, associational, and local church projects supported and promoted by the Sunday School Department.

The 1980 Sunday School Convention celebrated the 200th birthday of Sunday Schools. It was held in Pine Bluff's First Church and trained 800 teachers and officers.

The 1981 Sunday School Convention will be held in Baring Cross Church, North Little Rock, and will train teachers and officers in the "Basic" book series.

Department personnel and selected conference leaders attended six training and planning projects sponsored by the Baptist Sunday School Board.

Martin Babb and a group from North Pulaski Association participated in the Utah-Idaho Convention One-Day Growth Conferences.

Department personnel presented Sunday School and VBS work to Ouachita Baptist University students in a religious education class.

A church architecture conference trained 65 church leaders and architects. Church building consultations are coordinated for churches and associations. Assistance is available for designing new building floor plans, remodeling, redecorating and landscaping. Plans for associational homes, offices and campground drawings are also available.

Don Cooper, adult consultant resigned, August 1981.

WOMAN'S MISSIONARY UNION

Julia Ketner, Executive Director

The **PURPOSE** of Arkansas Woman's Missionary Union is to assist churches and associations in missions education, primarily with leadership training, beginning new organizations, and providing age-level activities to strengthen the cause of missions.

Woman's Missionary Union's 1980-81 **EMPHASIS** continued to be "Life-Changing Commitments," aimed at helping women and girls find ways to save time and spend less money in order to have more available for prayer and missions involvement. Members were challenged to use their gifts to help accomplish the objectives of Bold Mission Thrust.

Arkansas WMU is participating with all other State WMUs in the **NATIONAL ENLARGEMENT PLAN**, a two-year emphasis designed to reach every church not reporting WMU on annual letters. WMU was reported in 662 Arkansas Baptist churches on 1980 Church Letters. Arkansas WMU had a 4.9% increase in enrollment in 1980 as well as the largest increase since 1974 in the number of churches reporting WMU.

STARTEAM, women selected for the emphasis and given the responsibility of starting new units of WMU, began contacting churches assigned to them June 1. We are grateful for new work already begun as a result of their efforts. **STARTEAM** members are Mrs. J.A. Hogan, Harrison; Mrs. W.J. Wood, Parkin; Mrs. Ervin Keathley, Little Rock; Mrs. Gene Reynolds, Gould; Mrs. Margaret Beyerley, Hope; Mrs. Roy E. Snider, Camden; Mrs. Michael Hollingsworth, Camden; and Mrs. Roy Hilton, El Dorado.

Churchwide participation in prayer and giving was promoted during observance of the **WEEKS OF PRAYER FOR FOREIGN, HOME, AND STATE MISSIONS**. In 1980, 828 churches gave \$435,441.08 to the **ANNIE ARMSTRONG EASTER OFFERING**; 678 churches gave \$245,356.78 to the **DIXIE JACKSON OFFERING**; and 994 churches gave \$1,316,122.56 to the **LOTTIE MOON CHRISTMAS OFFERING**. As of October 9, 1981, gifts of Arkansas Baptists, through the special mission offerings, totaled \$2,071,140.24 divided as follows:

Lottie Moon Christmas Offering	\$1,499,228.83
Annie Armstrong Easter Offering	\$ 471,851.67
Dixie Jackson Offering	\$ 100,059.74

Arkansas WMU has again set **BOLD STATE OFFERING GOALS** for each of the special mission offerings for 1981-82: Dixie Jackson, \$265,000; Lottie Moon, \$1,725,000; and \$610,000 for the 1982 Annie Armstrong Offering for Home Missions.

Arkansas WMU continues to give emphasis to **LEADER TRAINING**. State-wide activities included:

Associational WMU Officers' Retreat, Camp Paron, with 104 attending and 25 associations represented

One-day Statewide Church WMU Training Day, Immanuel Baptist, Little Rock, with 17 conferences offered and 550 attending
 Fourteen Area Church WMU Leadership Conferences held in Brinkley, Crossett, Hope, Jonesboro, Fort Smith, Fayetteville, and Harrison.
 Night meetings were held in cooperation with the State Brotherhood Department. WMU attendance totaled 800.

WMU staff members were in twenty-seven different associations during the year providing leader training, and participating in various associational and church activities. Approximately eighty from Arkansas attended WMU Weeks at Glorieta and Ridgecrest for a time of training and missions inspiration.

A varied program of STATE ACTIVITIES were held for missions inspiration, information, challenge, and fellowship. These included:

State WMU Annual Meeting, First Baptist, West Memphis with approximately 700 in attendance;

Two Baptist Women Retreats, Camp Paron, with 280 attending;

A Young Adult Missions Meeting in cooperation with the State Brotherhood Department, Geyer Springs First Baptist, Little Rock with 74 adults and 35 children in attendance;

An Acteens Encounter, Baring Cross, North Little Rock, with 400 attending, and Acteens Camp at Paron, 43 attending;

Two GA Mother-Daughter Camps for younger GAs with 374 attending and a mission offering of \$366.15 given; four weeks of GA Camp for older GAs with 446 attending and a mission offering of \$969.44.

For many years Arkansas WMU has provided home and foreign missionaries from Arkansas a MAGAZINE of their choice as an expression of love and appreciation. This is possible through love offerings taken during WMU Annual Meeting plus a budgeted amount. Through August of 1981, 94 missionaries had requested and were being sent a magazine.

NANCY COOPER SCHOLARSHIPS for the 1981-82 school year, in the amount of \$400 each, were granted to Barbara Byrd, OBU; and to Margarita Estrada, Virginia Powers, Penny Taffar, students at Southern Baptist College. A LILLIAN MAY SCHOLARSHIP, in the amount of \$500, was granted to Susan Crosby from Little Rock, student at New Orleans Baptist Theological Seminary.

STATE WMU OFFICERS, elected at the Annual Meeting in March, were Mrs. Boyd Margason, Mountain Home, president; Mrs. Buddy Stockton, West Fork, vice-president; and Mrs. George Polos, North Little Rock, recording secretary.

Let us be willing to make those life-changing commitments necessary for the bold support of world missions through praying, giving, and going as we continue to be "laborers together with God" in proclaiming the Gospel around the world.

ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

Johnny G. Biggs, Executive Director

Jesus loves children. Once, while here he called the children to Him. He wanted to touch them, to bless them, to give us a glimpse of His will. "Whoever receives one such child in my name receives me".

Since 1894, when Mrs. Hannah Hyatt Gardner gave her 80-acre farm in Monticello, Arkansas Baptists have ministered to children and families. The gift of this farm became God's seed from which our agency has grown. Arkansas Baptist money,

prayers and love nurtured that seed. The love shown to many families and children by this ministry in the past is tremendous. However, only today's love can heal today's hurt. A labor of love with Baptist churches and associations means we do not have to say "tomorrow" to these needs. This report reveals our response to these needs throughout our state.

ARKANSAS BAPTIST HOME FOR CHILDREN. For 87 years the Arkansas Baptist Home for Children has been caring for children. For this reporting period, we have provided quality care for 84 children at the Children's Home. During this year 35 children were adopted into care on campus and 36 children were released during the same period, most of whom returned to families. Our staff is dedicated to helping children come to grips with their personal and family problems; to help them grow and develop to utilize their full God-given potential; and to build and strengthen family relationships whenever possible. Reuniting and strengthening family continues to be a priority of our staff. The first interest money earned from the Bottoms gift was expended at the Children's Home where we renovated the two senior cottages. These changes provide more privacy and comfort for the children.

RELIGIOUS EDUCATION ON CAMPUS. Religious education is an important part of life on campus at Arkansas Baptist Home for Children. The vespers program on Sunday afternoon and Wednesday night is geared to meet the needs of children and youth. Attending Sunday school and church on Sunday morning is a part of teaching our youth the importance of the local church and each young person is encouraged to be an active participant in the church activities. Seventeen of our youth made professions of faith and were baptized into one of the local churches. Siloam Baptist Assembly was a rich, growing experience for many of our youth during the summer. A Religious Emphasis Week-end brought by Ouachita Baptist University B.S.U. students was a time of Christian fellowship and spiritual enrichment. Two Baptist Student Union summer missionaries made a positive imprint on the lives of our children and pointed them to a closer relationship with God.

GRADUATES. Four of our girls graduated from high school this year. We are proud of these young people and for their response to the opportunities that have been made available. They have worked hard to realize this goal and are to be congratulated for setting even higher goals for themselves. Three of them will enroll in Ouachita Baptist University this fall.

SPONSORSHIP. The Sponsorship Program continues to bless and upgrade the ministry to children through Arkansas Baptist Family and Child Care Services. New clothes, allowances, and special needs are met through this avenue of our ministry. Last year the sponsorship program provided \$41,451.00 to meet these needs with a total involvement of 367 individuals or groups. Thank the Lord for sponsors!

AREA OFFICES. The development of two new areas of ministry was a highlight for the year. In cooperation with the North Arkansas Association, the Harrison Area Office was opened in July. David Perry, M.S.W., transferred from the Jonesboro Office to become Area Director. The Association is providing office space. The Southwest Area Office was officially opened in November. Earlene Clearman, M.S.W., who formerly worked for the agency, was selected to serve as Area Director for that office. The Southwest Office was temporarily located in Mineral Springs until the best permanent location could be determined.

Referrals to the Area Offices continue to increase as is reflected in the 864 new referrals processed through these offices, representing 4,115 people being served. In

addition to conducting intake evaluations for the Children's Home, foster homes, and Group Home for Boys, our area workers provided counseling services to families and children as well as being involved in community and church projects relating to needs of families and children.

FOSTER HOMES - GROUP HOME. Some of the children in our care benefited from the experience of living in a warm Christian foster home as a part of that family. Our foster homes are selected on the basis of careful study and evaluation. Eighteen of our children lived in foster homes under our supervision. The agency provides monthly financial assistance to meet the child's needs. Our Group Home for Boys in Jonesboro provided care for six boys during the year.

EMERGENCY RECEIVING HOMES. August 10 marked the opening of the Sherwood Emergency Receiving Home in cooperation with Park Hill Baptist Church. Rev. and Mrs. Harold Gateley, former missionaries to Korea, responded to the call of God and came as resident managers. With the two Emergency Receiving Homes in central Arkansas, 261 abused, neglected and needy children received love and care provided by Arkansas Baptists. These needs continue to multiply at an alarming rate.

FINANCES. Because we live in a real world where the necessities of life cost money, we are very conscious of the importance of adequate financial support. This becomes even more important in this time when inflation is eating away at our budget. To keep up with inflation requires a considerable increase in income over the previous year. This must be done just to maintain our same level of services. Additional areas of need must be funded beyond the continuing operation.

We continue to receive strong support from the churches. In addition to the Cooperative Program, 1021 of our 1292 churches gave \$290,966.20 in direct gifts in 1980. This was 2.025% above what was given in 1979, which is the smallest annual increase in several years.

The Cooperative Program continues to be a strong, consistent base for all we do. However, because of inflation and increased needs it supplies less of our total budget. Approximately 28% of our 1980 income was derived from the Cooperative Program.

Direct gifts from the churches, which involve Thanksgiving Offering, Mother's Day Offering, church budgets, birthday offerings and sponsorships, provided approximately 34% of our total income for 1980. This means that the churches provided 62% of our total income. The balance of our funds came from endowment interest, individuals and our purchase of care agreement with Arkansas Social Services.

We are indeed grateful to the Baptist people of Arkansas who continue to contribute faithfully to this needy ministry. As needs continue to increase, so does our budget. We trust that the same mission spirit which undergirds all our denominational work will continue to provide adequately for our meeting the pressing needs of children and families.

Arkansas Baptists have a rich heritage of ministry. We trust that you are or will become a part of this ministry of love.

Thank you, Arkansas Baptists, for

87 years of uninterrupted ministry;
87 years of continuous caring;
A solid doctrinal base in God's Word;
Prayerful and financial support.

ARKANSAS BAPTIST FOUNDATION

Harry D. Trulove, President

The year 1981, was a moving year for the Arkansas Baptist Foundation.

In January, the offices of the agency were moved to suite 402, Commonwealth Savings & Loan Building adjacent to the Baptist Building. For the first time, Arkansas Baptists had the facilities needed for the efficient discharge of duties in the area of christian estate planning and the management of trust and endowment funds.

Also, 1981, brought a move upward in the number of individuals who responded to the christian estate planning seminars sponsored by their church and/or association. By the end of the year, one hundred sixteen families had requested and received guidance in christian estate planning.

There was a move upward in utilizing computer programs in order to more quickly secure information about specific accounts. This move was essential for there is no other area of ministry where a high premium is placed on accuracy. The donor or an agency who places funds under trusts is justified in having special concern for the accuracy with which their accounts are handled.

The year also saw a move upward in fund balances. Gifts received by the Foundation range in size from a few dollars to several thousand. Each year, a copy of the annual audit is filed with the office of the Executive Secretary and is published in the Convention Annual. The latest audit appears on pages 330-336 of the 1980 Annual.

At the beginning of the year, your Foundation managed six million dollars in assets. The year ended with assets of seven million for an increase of 315% since 1976.

Income for 1981, will exceed six hundred thousand dollars or an increase of 434% over the same period five years ago. Income is distributed in strict accordance with the governing instrument executed at the time the gift is made. Sometimes a gift is received that is not identified for a specific ministry. Such gifts are classified as undesignated and each year, you the messengers, determine to whom the income will be distributed.

Next year, the income from undesignated funds will be approximately nine hundred dollars. The Foundation directors recommend that for 1982, the income from undesignated funds be distributed through the Cooperative Program.

ARKANSAS BAPTIST HISTORICAL COMMISSION

1607 Utopia Drive, Benton, Arkansas 72105

Bernes K. Selph, Director

An upswing in the interest of our work is evidenced in the church histories and other materials which have been added to our collection this year. Our main thrust this year has been the accession, classification, and shelving of books we already possessed and are located in the Riley Library, Ouachita Baptist University, Arkadelphia. These have been cataloged and files made for easy location of materials. Our next project is to do the same for papers and manuscripts. This work was made possible because our budget through the Convention enabled us to employ help for 10 weeks this summer.

During the past year our materials were moved from cramped quarters in an out of the way room in the library to the main floor in a large room with space for researchers to work. Now our project is a concerted effort at collecting and preserving our history.

ARKANSAS BAPTIST NEWSMAGAZINE

J. Everett Sneed, Editor

The purpose of the ARKANSAS BAPTIST NEWSMAGAZINE is to promote Baptist principles and programs, to interpret events and movements affecting the people of God and the churches of the Arkansas Baptist State Convention.

It is our goal to inform our readers so that they will be more responsive to the cause of Christ. Religious news of local, state and national interest is featured. It is the endeavor of the editor and staff of the Newsmagazine to be faithful stewards of this responsibility.

We are most grateful that we have been able to maintain a circulation of approximately 72,000. Currently, there are approximately 916 churches having the Newsmagazine in their budget to send it to Every Resident Family.

The staff assisting Editor Sneed consists of Betty Kennedy, managing editor; Mary Giberson, secretary to the editor; Ann Taylor, bookkeeper and circulation manager; Millie Gill, staff writer and photo lab technician; and an intern.

This year, Robert Dilday, a third-year Master of Divinity student at Southwestern Baptist Theological Seminary, Ft. Worth, Texas, has served as the intern for the ABN. This program has proven most successful both to the intern and to the Newsmagazine. The Newsmagazine plans to continue this program.

This has been a most historic year in that it is the first year that the Newsmagazine has operated under a separate Board. From the perspective of the editor and staff this plan is proving exceedingly advantageous. The Board, under the leadership of Jon Stubblefield, pastor of Central Baptist Church, Magnolia, has provided invaluable input which is assisting both in the effectiveness of the Newsmagazine and in financial stability.

The greatest problem confronting the Newsmagazine continues to be inflation. Second-class mailing has been hit the hardest. The postage required to mail the Newsmagazine has increased dramatically since 1972, when the cost was less than \$14,000. If the postal subsidy is continued, as it appears that it probably will be at the time of this writing, our second-class postage will be approximately \$120,000. In order to maintain a balanced budget, it will be necessary to increase our subscription costs to our subscribers, but not as dramatically as was first believed.

It was first believed that all postal subsidy would be eliminated as recommended in the Reagan budget. However, it now appears that the postal subsidy will be restored to Level 10. If this is accurate, our subscription prices will be as follows: \$4.32 for the Every Resident Family Plan; \$4.92 for the Club Plan, where 10 or more families pay annually in advance; and \$5.30 for the individual rate. This represents only a 48¢ increase over the previous year.

As an instrument to disseminate news and information to Arkansas Baptists, we appeal to our pastors and church leaders to lead their churches to place the Newsmagazine in the church budget to go to all of their families. We believe that it will be valuable to the churches for their members to be informed on our total Baptist work. We also believe that informed Baptists are more responsive. Let's join hands to promote the entire kingdom's work.

BAPTIST BOOK STORE
4418 South University, Little Rock, Arkansas 72204

Robert C. Barnett, Manager

The Baptist Book Store in Little Rock, in its 80th year of service, is striving continually to grow with the churches and their members—and has projected the image and theme—PARTNERS IN GROWTH. We are, constantly, seeking out methods of distribution of material to assist people and churches in their growth effort in new experiences and in gaining new insights.

The earliest beginning of the Baptist Book Store in Little Rock dates back to 1901. The purpose of the store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a SAVIOUR, and to provide adequate help for teaching and training the church, the home and each individual believer.

Through the distribution of catalogs, we seek to inform our customers of many of the materials we have available for them. The Baptist Book Store Catalog is made available in August of each year. Also, available annually is the Christmas Shopper in October and the Spring Gift Catalog in April. Our purpose is to pinpoint areas of need with precise product and service suggestions. These tools, if kept accessible at all times by our customers, will provide the Baptist Book Store an opportunity to become more effective as PARTNERS IN GROWTH with those we serve.

The budgeted anticipated sales for the year beginning October 1, 1981 through September 30, 1982 is \$1,050,000. All orders received by mail and long distance telephone will be shipped from our Baptist Book Store Mail Order Center, 3359 Winbrook-P.O. Box 161121, Memphis, Tennessee 38116.

It should be noted that a significant percent of the Little Rock Baptist Book Store's earnings and the Sunday School Board's earnings will be invested back into the Arkansas Baptist State Convention by the Sunday School Board.

Dedication in service is our goal and is expressed in our slogan. . . PARTNERS IN GROWTH.

BAPTIST MEMORIAL HOSPITAL
Memphis, Tennessee

Joseph H. Powell, President

This report covers the period May 1980 through April 1981. The statistical portion of the report is for the calendar year 1980.

During 1980 the following noteworthy events occurred at Baptist Memorial Hospital.

In keeping with the goal of the Corporate Services Division to develop a non-profit health care system in this region of the country, Baptist Memorial Hospital developed lease agreements with Lauderdale Hospital, Inc., in Ripley, Tennessee, and with the Corning Community Hospital in Corning, Arkansas. A purchase agreement was entered into with the Tipton County Memorial Hospital of Covington, Tennessee.

In 1959 Baptist Memorial Hospital acquired a former Veterans' Administration Hospital from the United States Government. This facility, situated on approximately nine and one-half acres of land, was conveyed for use as an inpatient medical rehabilitation center. The terms of the sale provided for a 5% purchase

credit for each year of operation with title transferring to Baptist Memorial Hospital in 20 years. To avoid any appearance of conflict in the Hospital's policy regarding the acceptance of governmental financial aid, the Board of Trustees voted to establish an amortization fund reflecting the market value of the property at the time of its acquisition. At the 1980 annual meeting of the Board of Trustees, a resolution was adopted authorizing and directing that these funds be remitted to the U.S. Government on the basis that such payment is in keeping with the philosophy of Baptist Memorial Hospital and the previous action of the Board of Trustees.

Baptist Memorial Hospital unified its residency programs in general surgery and internal medicine with programs offered by the University of Tennessee Center for Health Sciences. Dr. Richard L. DeSaussure was appointed to serve as Director of Graduate Medical Education for Baptist Memorial Hospital.

A cardiac rehabilitation program was established to assist patients recuperating from coronary bypass surgery and heart attacks to return to a "normal life". Larry Bosserman, Ph.D., exercise physiologist, was appointed director of the new program.

A Department of Materials Management was created with Jerry Brantley serving as director of the new service. This new department will be responsible for the coordination, integration and implementation of materials systems.

The hospital pharmacy was moved to new and larger quarters on the ground floor of the Union East unit.

The hospital received the Memphis City Beautiful Commission Award for its "Unlitter BMH" campaign.

The Baptist Memorial Hospital East patient information brochure won first place in competitions conducted by both the Baptist Public Relations Association and the Tennessee Society for Hospital Public Relations.

A hand and upper extremity rehabilitation service was established at the Lamar Rehabilitation Unit. Lee Milford, M.D. orthopedic surgeon, is medical director of the new unit.

Personnel of the hospital as well as members of the medical staff received a number of significant recognitions.

Reverend Leslie M. Riherd, Jr., pastor of First Baptist Church in Newport, Arkansas, was elected Chairman of the hospital's Board of Trustees for 1981.

Joseph H. Powell, president, was re-elected Regent of the American College of Hospital Administrators for Tennessee.

Nathan Salky, M.D., internist-cardiologist and associate director of the hospital's cardiac labs, was elected president of the medical staff. Allen Edmonson, M.D., an orthopedic surgeon, was appointed chief of staff.

Dr. Eric Muirhead, director of laboratories at Baptist Memorial Hospital, was named chairman of the Department of Pathology at the University of Tennessee Center for Health Sciences. With the appointment, Dr. Muirhead assumed the dual role as director of both the BMH and UTCHS departments of pathology.

Dr. William Potter, director of respiratory care services, was elected president of the American Lung Association of Tennessee.

Dr. Al Ingram, former president of the medical staff, was appointed as a member of the Executive Committee of the American Board of Medical Specialties.

Dr. David Dunavant, general surgeon, was appointed by the governor to serve on the Tennessee Health Facilities Commission.

Dr. William T. Satterfield, Jr., medical director of the Lamar Rehabilitation Unit, was elected vice president of the Memphis and Shelby County Medical Society.

Lynne House, pharmacist, was selected as one of the Outstanding Young Women of America for 1980.

The following report is from the Department of Religion, Charles McKnight, Chaplain.

The Department of Religion was relocated across the hall from the centralized first floor intensive care waiting area. This new location is much more accessible to the public and greatly increases the opportunity for ministry.

The hospital's expanded involvement in the holistic approach to patient care offers an exciting opportunity to help people understand their religious resources and factors affecting illness. There are regular staff conferences during which employees can deal with their feelings and frustrations. Another useful tool is the patient group conference, which is led by a team of health care professionals including a hostess and chaplain. Two other types of conferences are the family group and the joint patient/family. All these are available for the oncology, cardiovascular, diabetic, stroke, spinal cord, and nephrology units.

The Hostess Program has also expanded its ministry, particularly in the intensive care and emergency department waiting rooms. These areas are now staffed 24 hours a day. The 22 hostesses working at the medical center and East hospital made 82,601 visits last year and filled 15,612 special requests. All are active in Southern Baptist Churches, are trained to be witnesses for Christ, and are a vital part of the Department of Religion at Baptist Memorial Hospital.

The following statistical report is for calendar year 1980.

THE CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.

1007 Donaghey Building, Little Rock, Arkansas 72201

Edward W. Harris, Executive Director

The following is a report on activities of the Christian Civic Foundation, led by a three-member, full-time staff, covering the twelve-month period from September 1, 1980, to September 1, 1981. Staff members are the Executive Director, Rev. Edward W. Harris, the Educational Assistant, Mr. Ronnie P. Sparks, and the Office Secretary, Mrs. Beverly B. Williams.

ALCOHOL-NARCOTICS EDUCATION PROGRAM - In spite of loss of funds from the North Arkansas Methodist Conference, and the continued inflationary rises in cost of our program, we took the position, in planning the 1980-81 school schedule, that it was wiser to project a full program and hope that revenues would match our needs. We initially wrote to 175 individual schools suggesting dates, and in two large school districts, we wrote to one person, the Supervisor of Elementary Instruction for each District, concerning all the elementary schools in their districts, a total of 29 schools. In addition, we were contacted by principals or teachers from 15 more schools for dates, making a total of 219 schools contacted.

We had a good fall schedule, numbering 55 schools. In late February, when the threat of loss of funding from the Little Rock Methodist Conference arose, we stopped writing to schools for new dates for the remainder of the school year. During March, April and May, the only dates on Mr. Sparks' calendar were those already confirmed prior to February, or those schools in the central part of the state who contacted us, and we filled their requests for programs. Even with the reduced efforts on our part to make new dates for the spring term, we still reached a total of 90 schools during the 1980-81 school year.

During the past twelve months, September 1, 1980, through August 31, 1981, Mr. Sparks also participated in 8 church meetings, including worship, Sunday School classes, youth, special adult training, brotherhood, a family life seminar, and a special study series involving six engagements. He also spoke to a community action group, a National Guard unit, and two PTA groups, as well as attending the Little Rock Methodist Conference session and the Arkansas Baptist State Convention. His summer activities included three meetings at the Baptist Assembly at Siloam Springs, one Methodist youth group at Camp Tanako, and the four-day Pulaski Association Youth Camp at Lonsdale.

Although the Little Rock Conference, in its May session, voted to continue funding for the Christian Civic Foundation for 1982, a serious cash flow problem still exists. Therefore, in planning for the 1981-82 school year, we are offering appointments to begin in January, 1982, and have not planned a schedule for the fall term, eliminating the payment of vouchered travel expenses weekly for the Educational Assistant for the remainder of the calendar year 1981.

DRUG QUIZ - The promotion of much of the Program of the Christian Civic Foundation is "low key" in nature, and our name is rarely identified in the public mind with the services we have rendered, especially in our Alcohol-Narcotics Education Program, in our Legislative Information Program, in our work with the ABC Board, and in the assistance that we give to Local Option elections. The "low profile" approach is most effective in the programs we represent, but it poses a problem in raising funds, because it limits our "name recognition" in the public eye.

We are happy to report that earlier in the year, our counterpart organization in

Missouri made available to us at a cost of \$37.50 per year weekly columns called "DRUG QUIZ", written by Dr. Curt Scarborough, which could be offered to all the daily and weekly newspapers in the state, on which we could overprint our name and address at the top and bottom. Recognizing the value of this service, both as a means of further educating the general public to the problems and dangers of drug use and abuse, and, at the same time, increasing our visibility throughout the state, we subscribed to this service.

On July 13, we mailed copies of the columns for August, along with a letter and a reply card, to one hundred fifty-nine daily and weekly publications in the state, including college and religious papers. On August 10, we sent a second letter to those who had not replied, along with the September columns and a reply card. We also mailed on August 10, a letter to our supporters, Board members, and other friends asking them to contact their newspapers urging them to use the drug quiz columns. With this letter, we enclosed the September columns and two cards, a white one for them to give to the editor to return to us, and a green one for them to report their contact and the results. We also included a space on the card for our friends to help us defray the cost of the Drug Quiz Project, if they wished. Thus far, we have received \$100 in contributions against a total project cost of \$247.98.

As of September 1, we have responses from fifty-three publications. Only fifteen of those replies were negative, and several of those explained that their only reason for not using the columns was one of lack of space. The others either said they planned to use the columns, or expressed a desire to continue receiving the columns, with the option of deciding later if they would use them.

We plan to send a third letter to those that have not replied, along with the October columns. We urge you to watch for these columns in your newspaper, and, if they are used, thank your editor for using the DRUG QUIZ columns. If not, please urge your editor to use them.

We also received requests from three ministers who want to run the Drug Quiz in their church newsletters.

PRIVATE CLUB SUIT - A suit was filed in Pulaski Circuit Court by "Concerned Citizens of Lawrence County" asking for a declaratory judgment that would rule Act 132 of 1969 (the mixed-drink, private club bill) to be unconstitutional. The hearing in Judge Whitmore's Court was set for July 15, and was postponed to October, to give time for preparation of briefs. Mr. Frank Lady, a dedicated Baptist attorney from Jonesboro, is representing the Lawrence County citizens. It is generally conceded that the ruling by Judge Whitmore will be appealed to the Arkansas Supreme Court by the losing side. We are following carefully each step of the legal process, and will report to you all significant developments.

LOCAL OPTION ELECTIONS - 1980 was one of the busiest years on record with respect to plans for Local Option Elections, beginning with January and lasting through November 4, the date of the General Election. The total number of situations which called for meetings, calls, letters, and counseling was fifteen.

A report on the results of the Local Option Elections was printed in detail in the Autumn 1980 issue of The Christian Citizen. Therefore, we will make only a brief report here. Local Option elections were held in nine counties, four initiated by Wets and five by Drys.

Those initiated by Wets:
Boone County - remained Dry.

Cleveland County, Smith Twonship - remained Dry.

Pulaski County, Precinct 143 - remained Dry.

Jefferson County, City of Pine Bluff, voted in favor of mixed drinks.

Those initiated by the Drys:

Drew County, 10 township elections - 9 voted Dry and 1 remained Wet.

Logan County, 3 township elections - 2 voted Dry and 1 remained Wet.

Carroll County, Cabanal Precinct - voted Dry.

Conway County, in a second attempt to vote the county Dry, remained Wet. (The Drys are planning another attempt in 1982.)

Baxter County, which voted wet in 1978, saw 2 township elections. Both remained Wet by small margins.

Except for the election in Conway County, all of the elections initiated by the Drys were called by citizens who felt that they had been treated unfairly by the Alcoholic Beverage Control Board, and that they had no other recourse except to vote the area Dry.

THE CHRISTIAN CITIZEN - Shortage of funds reduced our publication of the newsletter to one in 1980 and one in 1981. The Autumn 1980 issue carried all the names and biographical materials of the Legislators. The Spring 1981 issue was devoted entirely to a report of the work of the General Assembly. This latter issue was printed by Postal Instant Press on legal size paper and stapled together, to save on the cost.

In our opinion, this newsletter is a lifeline that we must strengthen, and it is our hope that in 1982, we will be able to print the newsletter quarterly, as originally planned. We need, also, to aim at a minimum mailing list of 10,000, instead of the 2,700 that we have mailed in the past. This will mean greater costs both in printing and mailing, but we feel that it is vital to the life of the Christian Civic Foundation.

OFFICERS AND EXECUTIVE COMMITTEE - Officers and Executive Committee for 1981 are as follows:

Mr. Roland M. Shelton, First Vice-President

Ex-Officio members: Rev. Edward W. Harris, Executive Directo; Mr. Don Rigg, Chairman, Board of Church and Society, Little Rock Methodist Conference; Rev. Robert A. Parker, Director, Christian Life Council, Arkansas Baptist State Convention.

ARKANSAS GENERAL ASSEMBLY (73RD) - To conserve space, we are presenting only an abbreviated form of the Legislative Bulletin contained in the Spring Edition of The Christian Citizen, confining our report to the four areas of concern outlined in our constitution.

ALCOHOL

Private Club Bill - Senate Bill 582, by Canada, introduced to guarantee protection for Private Clubs in Wet Counties if and when the Courts declare Act 132 of 1969 (the Private Club, Mixed-Drink Act) unconstitutional. This Bill died in the Judiciary Committee of the Senate.

State-Owned Liquor Stores - House Bill 680, by McCoy, died in the House Rules Committee. We opposed this Bill strongly.

Wineries in Dry Counties - Senate Bill 463, by Allen, would have drastically amended Initiated Act 1 of 1942. Withdrawn by Senator Allen, after we presented the dangers involved for all Dry Counties.

Native Wine Bill - Senate Bill 596, by Benham. Would have given a one-family monopoly for manufacture of native wines, and would have amended radically Act 1 of 1942. We opposed this dangerous Bill strongly, and it died in the Rules Committee on the last day of the session.

Alcoholic Beverage Control Board (ABC) - House Bill 188, by Ramsey, now Act 45, transferred the Enforcement Division of the ABC Board to the Department of Finance and Administration, with its Director to be named by the Director of Finance and Administration, who, in turn, is appointed by the Governor. It also made the Enforcement Program subject to review by the members of the ABC Board.

Alcoholic Beverage Control Board (ABC) - Senate Bill 220, by Dwiggin, would have transferred the Enforcement Division to the State Police. This Bill died in the Senate State Agencies Committee.

Alcoholic Beverage Control Board (ABC) - House Bill 85, by Mahoney, provided for fees to be paid for transcripts of ABC hearings for use by parties engaged in appeal hearings, and for a lengthy list of fines for various violations. Now Act 790.

Alcoholic Beverage Control Board (ABC) - House Bill 86, by Mahoney, would have created an Arkansas Alcoholic Beverage Control Commission of 15 members to prepare legislation recodifying Alcoholic Beverage Statutes, to report to the 74th General Assembly. Died in Joint Budget Committee.

Alcoholic Beverage Control Board (ABC) - Senate Bill 459, by Gibson, provided a plan for limiting permits in a wet township in an otherwise Dry county. This Bill passed in the Senate, but was defeated in the House.

Taxes on Alcoholic Beverages - House Bill 205, by Collier, would have provided for additional taxes on Alcoholic Beverages, to be used for the benefit of an Alcoholic Halfway House Fund. Died in House Rules Committee.

DWI (DRIVING UNDER INFLUENCE) - House Bill 952, by Ramsey. In addition to current stiff penalties, this bill provided a \$25 additional cost for support of the Highway Safety Program. Now Act 878.

OTHER DRUGS

Drug Paraphernalia Bill - House Bill 4, by Wood, a bill designed to restrict the operation of "Head" shops. Now Act 78.

Drug Paraphernalia Bill - Senate Bill 18, by Russ, Identical to HB 4. Vetoed by the Governor.

Illegal Paraphernalia Business - House Bill 474, by Fitch, prescribed penalties for conduct of illegal Drug Paraphernalia business. Now Act 946, without the Governor's

GAMBLING

The "Petit Jean Casino" Bill - By Ormond, never filed at the session. We opposed it from the beginning, with all of our resources.

Greyhound Dog Racing Trustees - House Bill 506, by McCuiston, provided that a majority of the Trustees of the Greyhound Dog Racing Track be residents of Arkansas (instead of all, as formerly), opening the way to Syndicate influence as a possibility. Now Act 443.

Charity Bingo Gambling - Senate Bill 540, by Benham and Ingram. Passed Senate and House, despite our all-out opposition. Known as "Speaker's Bill", in the House. We and others urged the Governor to veto this dangerous bill. He vetoed it March 25, 1981.

OBSCENITY

Amendments to the Current Law - Senate Bill 173, by the Judiciary Committee. Sponsored by the Arkansas Prosecuting Attorney's Association, whose President, Mr. Dub Bentley, of the 6th Judicial District, presented it to them for their endorsement. It amends the present law to replace two sections declared unconstitutional by a Federal Court. We supported this legislation on the basis of the Prosecuting Attorney's endorsement. Now Act 887.

Anti-Pornography Bill - House Bill 866, by Osterloh, patterned after the Georgia State Obscenity Law, used effectively in the city of Atlanta. We supported this legislation. Now Act 870.

Sexual Exploitation of Children - Senate Bill 563, by Judiciary Committee, defines abuse as sexual abuse or sexual exploitation, both acts and omissions, and adds definitions for sexual abuse and sexual exploitation, and forbids photography that promotes pornographic exploitation of children. We supported this legislation. Now Act 907.

Increase in Prostitution Penalty - House Bill 381, by Wimberly, increased substantially the penalties for persons engaging in acts of prostitution. We supported this legislation. Now Act 816.

FINANCES - The statement of income and disbursements for the twelve month period from September 1, 1980, to September 1, 1981, reveals a serious cash flow problem for the Christian Civic Foundation, one of the most serious in its history. During that period of time, the Christian Civic Foundation found it necessary to replace \$12,000 in income which they had formerly received from the North Arkansas Methodist Conference. Their financial support ended on May 31, 1980. The figures contained in the abbreviated report below reveal that our total cash resources dropped from \$9,445.51 on September 1, 1980, to \$818.88 on September 1, 1981.

Balance September 1, 1980 \$ 9,445.51

Income: Baptist	\$29,825.32
Methodist	11,699.01
Other Churches	410.00
Individuals	7,715.00
Groups	1,575.97
Memorials	260.00
Miscellaneous Income	<u>1,466.62</u>

Total Income	52,951.92
Total Funds	\$62,397.43
Total Disbursements	61,838.08
Balance September 1, 1981	\$ 559.35
Payroll tax on hand	259.53
	\$ 818.88
Contingency Reserve Fund (Interest bearing account, transferrable to checking account, as needed)	776.77
Checking Account Balance September 1, 1981	\$ 42.11

Unless we receive more income in September than anticipated, our total cash funds will not be sufficient to meet the staff salary needs for the last half of the month of September. In order to deal with this cashflow emergency, which may continue through the fall months, or even through December, the Executive Director has recommended to the Executive Committee the following plans to meet this emergency on a monthly basis, beginning with September, 1981:

- (1) Defer payment on the salary check of the Executive Director at the end of the month of September, October, November, and December, by the amount by which income falls short. Since the salary of the Executive Director is the largest of the three staff salaries, it was the judgment of the Executive Director that any deferment of payment should fall there, and not on the salaries of the Secretary and Educational Assistant. The Executive Director will also continue his monthly gifts of \$100 to the Foundation.
- (2) Make no payments weekly, as in the past, for the vouchered expense account of the Alcohol-Narcotics Education Program in the public schools, until the first of January, 1982. Since this item is a weekly charge on the cash balance, our cash funds will not permit these payments. We are presently writing to public schools offering them appointments for the 1981-82 school year, beginning with January 1, 1982.

Although the deferment of the salary of the Executive Director and the decision to make no public school appointments for the last four months of 1981 may seem to be drastic decisions, we feel that they are absolutely necessary at this time if we are to avoid deficit spending. It is our judgment that we must live within our income, without borrowing money from any source. With the present interest rates in force, we cannot recommend borrowing, even for salary payments. We are hopeful that the income during the last four months of the year will be sufficient to take care of the basic needs, including the payment of any deferred salaries.

We have been greatly encouraged by two actions that will affect our cash position:

- (1) The vote of the Little Rock Methodist Annual Conference in May, 1981, to continue their financial support of the Christian Civic Foundation in 1982 in the amount of \$14,500;
- (2) The action of the Executive Board of the Arkansas Baptist State Convention in December of 1980 authorizing the Editor and the Board of the Arkansas Baptist Newsmagazine to use the pages of the magazine in the promotion of giving to the Christian Civic Foundation. We are deeply grateful to Dr. Drumwright, Dr. John Finn, Brother Don Hook, Dr. J.E. Sneed, Brother Bob Parker, and Dr. Collins for their leadership in projecting and implementing this authorization.

Two parts of this fine program that they have outlined have already been published in the newsmagazine. One is a strong and forthright editorial by Dr. J.E. Sneed. The

second is a full-page ad in the newsmagazine, contributed by the Christian Life Council, under the leadership of Brother Bob Parker. Other features of the program will include a letter from Dr. Huber L. Drumwright to Baptist pastors and churches; another editorial by Dr. J.E. Sneed; and an article by Dr. Drumwright, to be published in the newsmagazine. In addition to these features, Dr. Sneed plans to use art work in making a pictorial presentation of the needs of the Christian Civic Foundation. All of these plans will point toward the month of October, which will be designated as the month in which pastors and churches of the Convention will be asked to engage in a day of prayer, and to take an offering for the support of the Christian Civic Foundation. The cost of projecting such a program, if attempted by the Christian Civic Foundation, would have been prohibitive, in view of our present cash flow problem. We are deeply grateful to all of the Baptist leaders and to all of the groups who have made this program possible and have provided the financial resources to underwrite the costs involved. We are hopeful that the offerings taken during the month of October will make it possible for us to end the 1981 fiscal year in the black.

Since March 1, we have made three types of appeals for new income to meet the loss of funding by the North Arkansas Conference. A strong appeal was made at the Annual Meeting of the Board of Directors on March 9, by Dr. J.E. Sneed, our speaker, and by the Executive Director in his report. Dr. Sneed also wrote a strong editorial in the newsmagazine presenting our urgent financial needs. A third appeal was made in the legislative report, where a brief statement of need and a form to be used was printed at the bottom of the last page.

Between March 1 and June 30, we received approximately \$4,000 in new money. \$915 was received in checks at the Annual Board Meeting. Another gift, a \$200 check, was received through the Baptist Foundation, from a blind lady, Miss Glenn Kirkland of Plummerville, a gift that resulted from Dr. Trulove's efforts. One man from Mountain Home sent us \$100 from his Credit Union funds. The Concerned Citizens of Jefferson County gave \$1,275.97, representing the balance remaining in the Treasury after the Pine Bluff Mixed-Drink Election. (We had also received in November of 1980 \$300 from the Concerned Citizens For A Dry Boone County from the balance remaining in their treasury). Another special gift of \$250 came from a regular giver, and another check for \$500 from a dear Methodist lady who had already given \$1,000 this year, all a part of thirty-seven individuals and groups who gave in response to our appeals. In addition, our fine attorney, Mr. Jim Gannaway, has insisted that we keep the monthly \$50 check which we pay him for legal services. This is in addition to an annual contribution of \$1,000 he and his wife give to us. This new money, along with substantial giving from Baptists and Methodists and others helped us to operate through the lean summer months without exhausting our funds. Although we are facing a real financial crisis, we believe that God will supply our financial needs if we do His work in the area of civic righteousness.

At the meeting of the Executive Committee of the Christian Civic Foundation on June 29, the Executive Director presented the following recommendations for strengthening the financial policy of the Christian Civic Foundation:

1. Continue the present policy established by our founders in relation to the Arkansas Baptist State Convention, local Baptist churches, and the Methodist churches of the Little Rock Annual Conference.
2. Solicit other denominational groups through their official bodies, and through their

- local churches, to give financial support for the Christian Civic Foundation.
3. Authorize a direct, mass mailing effort to solicit funds.
 4. Cooperate with Baptist and Methodist Foundations.
 5. Authorize the preparation of a brochure for general distribution.
 6. Authorize the organization of a Speakers' Bureau to assist pastors and churches in presenting the cause of the Christian Civic Foundation.
 7. Authorize the use of "Drug Quiz" material in weekly newspapers. (Already described in another section of this report).

In presenting these recommendations, the Executive Director called attention to the fact that these recommendations needed to be separated into at least two categories: (1) Those that will meet the cash needed to operate our present program through the last six months of 1981; (2) Those that will promote future giving for long range needs and provide opportunity for the future expansion of the program. In both categories, the plans for raising new money will require the expenditure of funds not presently budgeted, and for which anticipated cash funds are inadequate.

We request the same level of giving for 1982 on the part of the Arkansas Baptist State Convention (\$24,000), and increased giving on the part of local churches, wherever possible.

We are deeply grateful for every gift from every church and individual, and for the support that comes to us through the Cooperative Fund of the Arkansas Baptist State Convention and from the Baptist churches and associations listed below. Especially, are we grateful for the vigorous leadership and support of Dr. Drumwright, in his first year as Executive-Secretary of the Convention, and all members of the Headquarters staff. They have all taken the initiative in seeking to meet our every need, many times proposing on their own initiative solutions for our most pressing problems. We are also grateful for the Officers of the Convention, and especially for the all-out leadership that Dr. John Finn has given to the Christian Civic Foundation. OUACHITA BAPTIST UNIVERSITY
Arkadelphia, Arkansas

Daniel R. Grant, President

Arkansas Baptists, working together through the Cooperative Program in 1980-81, made it possible for Ouachita Baptist University to have its finest year in the cause of Christian education. This record of service and achievement took place in spite of the growing number of pressures and circumstances that make it difficult for a Christian college to survive and grow stronger in Arkansas and the United States. Because of the growing financial pressures on all colleges, whether public or private, we can be grateful for Ouachita's strength, but we must face up to critical needs that Ouachita has in the months and years immediately ahead. The latter part of this report deals with these needs, but the first part is a report on the accomplishments during the 1980-81 year.

OUACHITA'S STUDENT ENROLLMENT REMAINS STRONG

Unusually intensive student recruitment by the state colleges and universities failed to keep Ouachita from reaching a record enrollment of 1686 (except for the years when Ouachita had a nursing school), in the fall of 1981. This was accompanied by an all-time high number of students living in University housing (more than 80% of the total enrollment). There were 505 freshmen, 382 sophomores, 286 juniors, 298 seniors, 133 graduate students, and 82 special and extension students. They were from 31 different states, 20 foreign countries, and 71 of Arkansas' 75 counties. Counties sending the most students to Ouachita were: Pulaski (203), Clark (148), Jefferson (66), Hempstead (64), Garland (56), Saline (52), Union (52), Ouachita (40), Sebastian (38), Hot Spring (37), White (35), and Lonoke (30). The leveling off or decline of enrollment at the state colleges and universities provides a caution signal against thoughtless planning for enrollment increases in future years. With the declining number of high school graduates predicted for the future, and increasing utility costs and other costs of operating a college, the watchword would seem to be careful planning for a stable enrollment, with the possibility of retrenchment.

CHRISTIAN COMMITMENT IN AND OUT OF THE CLASSROOM

Ouachita Baptist University is operated on the assumption that Christian education, training, and growth take place both in and out of the classroom, and that an effective program of religious activities will involve both. Equally important is the assumption that Ouachita's mission relates both to the 300 students preparing for church vocations, and the 1386 students preparing for lay vocations. Dr. Vester Wolber directs an excellent program of In-Service Guidance for 138 ministerial students; Dr. Paul Hammond leads and counsels more than 50 students who feel God's call into careers in church music; Dr. Elmer Goble and the Ouachita missionaries-in-residence provide inspiration and assistance for a large number of full-time mission volunteers and a much larger number of other students who are learning to make missions a natural part of their preparation for a lay vocation; and large numbers of other faculty and staff members provide unique role models for local church leadership and special missions involvement.

The school year saw a remarkable number and variety of guest speakers and performers from off campus—outstanding Christian personalities, to help students in their quest to know and do the will of God. A partial list would include: Chester Swor, Tom Urrey, Roger Copeland, The Cruse Family, Bill Tolar, Cynthia Clawson, Mark Baber, Al Staggs, The After Dinner Players, Landrum Leavell, Phil Lineberger, Glen

Iglehart, John Dresbach, Frances Spain, George Sims, Scot Willis, Polly Nettles, Lanny Allen, Dave Compton, Mark and Sharon Coppenger, Marsha Ellis, Victor Gore, Jeri Graham, Dan McCauley, John and Cathy Moore, J. Alfred Smith, Huber Drumwright, Clyde Fant, W.O. Vaught, John Finn, and Farrell and Farrell. In addition to the many voluntary programs of Christian training and spiritual development, such as Noonday, dormitory Bible study groups, Christian Focus Week with the theme, "Building on the Rock," fall and spring retreats, the Fellowship of Christian Musicians, the Fellowship of Christian Athletes, spring break missions, summer missions, touring Christian music groups, the Ministerial Alliance, the Evangelism Commission, and the Religious Activities Placement Service (to facilitate placing large numbers of students as part-time church staff members or leaders of youth revivals and retreats); there is the requirement of weekly chapel and two semesters of formal study of the Old Testament and New Testament.

Ouachita continues to rank among the top one or two colleges in the nation in producing new missionary appointees by the Foreign Mission Board of the Southern Baptist Convention. This is the natural result of many factors of missions emphasis at Ouachita: faculty, staff, and students who have direct missions experiences and share them in campus life; the presence of 34 sons and daughters of missionaries (MKs) from 15 different countries; the large number of chapel speakers who are career missionaries; the presence of many international students who plan to return to their country as pastors or other church leaders; the growing importance of international exchange programs at Ouachita, such as the Ouachita-Japan exchange program, sending three Ouachita students to Seinan Gakuin (the Baptist university in Fukuoka, Japan) with three of their students coming to Ouachita, and the new exchange program between Ouachita and the Nigerian Baptist Convention, sending two Ouachita students to a work and study program with the Nigerian Baptist Seminary and the Nigerian Baptist Convention, and two Nigerian pastors selected by Dr. Samuel Akande, the general superintendent of the Nigerian Baptist Convention; and, finally the missionary-in-residence program which brought Carl and Gerry Hall to Ouachita on furlough from Kenya during 1980-81, and Jim and Camille Simmons to Ouachita from Japan in 1981-82.

A SUCCESSFUL YEAR IN ACADEMIC ACHIEVEMENT

Ouachita continues to grow in academic excellence as well as in Christian excellence. Following receiving the full ten-year accreditation by the North Central Association on the highest possible basis in 1979-80, Ouachita underwent its regular accreditation examinations in 1981 from the National Council for Accreditation of Teacher Education, and the National Association of Schools of Music. In each case the visiting team commended Ouachita for progress made during the last decade, and recommended full accreditation. NCATE accreditation renewal was made official in June of 1981, and NASM action was scheduled for November, 1981. This specialized accreditation is not achieved easily and requires a high level of financial support and resources. Both visitation teams commented favorably on the level of support Ouachita receives from the Arkansas Baptist State Convention, as an important factor in being accredited. During 1980-81 Ouachita continued its modest beginnings in awarding faculty research grants, a limited number of academic enrichment grants on a competitive basis for faculty members with innovative proposals for student learning experiences, and the first summer sabbatical awards were made to two senior faculty members.

Ouachita continues to rank in the top three or four institutions in the state in the

number of National Merit Scholars enrolled; it had another excellent year for graduating seniors admitted to medical, dental, law, and other graduate schools as well as seminaries; the Honors Program provided a higher level of challenge for students interested in independent study; the Birkett Williams Lecture Series and the Ross Foundation Lecture Series brought more nationally and internationally known personalities to the campus; the Joint Educational Consortium with Henderson State University was strengthened with the employment of distinguished Ouachita graduate Dr. Dolphus Whitten (former president of Oklahoma City University) as executive director, and its cooperative TRIAD program brought such outstanding entertainment as the Norman Luboff Choir; the Maddox Public Affairs Center had another successful Washington Seminar for selected students; such programs as Upward Bound, Student Special Services, and Elderhostel continued to provide outstanding contributions; the student-administered SELF program (Student Entertainment and Lecture Fund) performed its difficult task extremely well in relating extra-curricular activities to the academic and Christian objectives of the University; and the Ouachita Student Foundation, in addition to raising a record number of scholarships for deserving juniors and seniors, provided unique development services bringing students together with alumni in particular vocations through student-alumni dinners and an unusual "shadowing" program, while providing the outstanding Tiger Tunes in the fall and Tiger Traks in the spring.

GROWING STRENGTH IN ADMINISTRATIVE STAFF AND OPERATIONS

During a year when public and private colleges and universities in Arkansas faced serious financial pressures, Ouachita was fortunate to have a strong administrative staff to help fight the battles of inflation, escalating utility costs, cutbacks in student aid programs, and the problems of physical plant breakdowns where modern replacements are long overdue. Ouachita is indebted to the dedication and expertise of Ed Coulter, vice president for administration; Joe Franz, business manager; Bill Harkrider, director of plant maintenance; Walt Kehoe, director of SAGA Food Services; Harold Johnson, director of admissions counseling and student aids; and John Savage, printing department director; they have all performed modern miracles in helping Ouachita stay within its budget and operate in the black for the eleventh consecutive year.

Leadership in the other areas of administration was blessed with stability and strength during the year: Carl Goodson, vice president for academic affairs; Bill Dixon, dean of students; Dewey Chapel, dean of the Graduate School; and Bill Trantham, dean of the School of Music. In November, 1980, Roger Harrod, an attorney and vice president of the Arkansas Baptist Foundation, responded to the call of his alma mater Ouachita to return as vice president for development and director of the Ouachita Centennial Advancement Program.

OUACHITA'S NEEDS AND PLANS TO MEET THEM

Although Ouachita has made remarkable progress in recent years, there is no opportunity to relax in a day of perplexing financial pressures that require almost daily recommitment by Arkansas Baptists to paying the price for having a Baptist University capable of withstanding the forces of pervasive societal secularism and the costly competition from tax-supported colleges. Among the pressing future financial needs for Ouachita are the following:

1. An immediate need to increase the level of operating support for Ouachita by more than \$500,000 per year, to meet the devastating pressures of inflation (especially the escalating cost of utilities), and the "competitive salary gap" in the faculty and staff

salaries at Ouachita in comparison with other Arkansas colleges and universities. In spite of progress in recent years, the gap between Ouachita salaries and those at the University of Arkansas, A. S. U., and U.A.L.R., remains from \$3,000 to \$7,000 per faculty member. Additional funds are needed to assist faculty and staff members to finish doctoral degrees or other training programs necessary for their professional development. Study leaves-of-absence are very expensive and Ouachita has been able to budget only a modest sum for this kind of assistance.

2. Ouachita seriously needs a budgeted operating reserve, which it does not now have. We have been most fortunate in avoiding an annual deficit for eleven years, but some way must be found to build an operating reserve with at least 20 percent of one year's operating budget, to be prepared for financial emergencies.

3. The "tuition gap" between Ouachita and the state colleges has been steadily increasing, and the primary way to avoid further increases in this gap is through increases in Cooperative Program support from Arkansas Baptists. Student enrollment will become an increasingly critical part of the financial picture for all Baptist colleges in the years ahead, and Ouachita is no exception. Ouachita is committed to keeping the tuition within reach of our Arkansas Baptist young people.

4. Several new buildings and additions to buildings are urgently needed, and these needs may be summarized as follows: (a) a new health, physical education, and recreation complex (although Rockefeller Gymnasium was one of the best facilities among colleges in the Arkansas Intercollegiate Conference at the time of its construction, virtually all of the other AIC schools have built much larger and better equipped facilities; Walton Gymnasium is totally inadequate for intramurals and women's athletics, its swimming pool is defective and a public relations embarrassment, and the building is an expensive maintenance liability); (b) a new auditorium (Mitchell Hall cannot seat the entire student body for chapel services, and is inadequate for the more outstanding touring fine arts programs Ouachita needs); (c) expansion of Riley Library to meet the growing need of stack space, reading room, archival and historical collection space, including more adequate provision for Arkansas Baptist history; (d) improved student housing and dining facilities, especially married student housing and such renovation projects as the \$150,000 replacement of the heating and plumbing system for Cone-Bottoms Dormitory (a generous gift of \$32,000 in Convention overage funds was received in January, and is being held in reserve until the remainder of the necessary funds can be found); (e) completion of Phase III in the improvement and expansion of Moses-Provine Science Center; (f) a new humanities building and campus theme center; renovation of Mitchell Hall to serve as a multipurpose academic and administrative building; and (g) other long-term campus improvements outlined in Ouachita's long-range campus plan. A conservative estimate of the cost of these improvements to Ouachita's physical plant would be more than \$15 million.

Ouachita recognizes that not all of these needs can be met through increased Cooperative Program support from the Arkansas Baptist State Convention. Ouachita pledges to be the very best Christian stewards of such annual increases as the Convention can make. We ask continued Convention support for a strong development program at Ouachita designed to encourage Arkansas Baptists and other friends of Ouachita to give generously over and above their tithes and offerings to their churches. We especially ask for support in every possible way for Ouachita's historic Centennial Advancement Program aimed at meeting many of these major University needs by

1986, when Ouachita will celebrate its 100th anniversary. We covet the prayers of all Arkansas Baptists that Ouachita's Centennial effort will provide the strongest vote of confidence in the cause of Christian higher education in 100 years of Arkansas history.

SOUTHERN BAPTIST COLLEGE
Walnut Ridge, Arkansas 72476

D. Jack Nicholas, President

The report from Southern Baptist College for 1980-81 is consistently optimistic and encouraging at every point. Enrollment, academic developments, fiscal operations, student life, resource development, and physical facilities all reflect substantial progress during the past academic year and we of the SBC family are truly grateful for the Lord's leadership and blessings which made possible this progress.

STRENGTH IN ENROLLMENT

Four hundred seventy-five students enrolled at Southern Baptist College during the 1980-81 academic year. That number is a slight increase over the non-duplicating number for the 1979-80 academic year. The Fall FTE, perhaps the most meaningful and critical expression of college enrollment, was the highest since 1971. This encouraging picture is primarily the result of a 11% increase in new students. The 475 students served by Southern Baptist College in 1980-81 came from eleven states and eight foreign countries.

Approximately 70% of the students of Southern Baptist College are residents of college housing. It is going to be difficult to increase the female population and the married student population until we are able to increase and improve the residential facilities for these categories. The need for additional housing for both married students and female students is desperate in order for SBC to continue to grow in enrollment.

Despite these limitations, SBC has shown the strongest enrollment history among the Arkansas private two-year colleges during the decade of the '70's according to a recent report published by the Arkansas Department of Higher Education.

STRENGTH IN ACADEMICS

All full-time faculty members of SBC hold at least a Master's degree and most have post-graduate work well beyond the Masters level. Over one-third of the faculty earned additional academic credit during the past year and approximately 80% attended professional meetings relating to their respective disciplines. One member of the faculty served as president of the Arkansas Mathematical Association for Two-Year Colleges, one served as secretary for the Arkansas Association of Teachers in Two-Year Colleges, and another professor presented a paper at the annual meeting of the Arkansas Academy of Science.

Of equal importance is the fact that all full-time faculty members of Southern Baptist College are active Southern Baptists. For Baptist colleges it is important that Christian values and Christian principles be taught, but it is equally important that they be exemplified by the teachers. Few college faculties surpass the faculty of Southern Baptist College in Christian commitment and example.

The Felix Goodson Library continues to be one of the outstanding junior college libraries in the region. Holdings reached nearly 53,000 volumes in 1980-81.

Southern Baptist College has enjoyed uninterrupted accreditation by the North Central Association since 1963.

STRENGTHS IN RESOURCE DEVELOPMENT

Southern Baptist College acknowledges with great appreciation the support of the Arkansas Baptist State Convention. As generous as that support is, however, it would not be possible to operate Southern Baptist College without individual and corporate gifts. This sector of support for SBC has shown significant growth during recent years. Our unrestricted gifts increased from \$69,284 during 1979 to \$108,700 in 1980. The total number of donors increased during 1979 from 374 to 670 during 1980. First time donors increased from 91 in 1979 to 366 in 1980. These data not only present a broadening basis of support of Southern Baptist College but dramatically show an increasing interest in the work of this institution.

STRENGTH IN FISCAL OPERATIONS

Present economic realities, including the increase in the cost of energy and the effects of inflation, present a very real challenge to the Christian college which is trying to operate with a balanced budget. After ending the 1979-80 academic year with a significant deficit, Southern Baptist College closed the 1980-81 academic year with an equally significant surplus. At the conclusion of the 1981 fiscal year, the ratio of the general fund assets to liabilities was approximately ten to one. This bright fiscal picture is possible because of the support of the Arkansas Baptist State Convention, a vigorous resource development program, a carefully planned and controlled budget, the helpful cooperation by the entire administration, faculty, and staff, and an increase in student costs commensurate with the rate of inflation.

STRENGTH IN STUDENT LIFE

Some studies have indicated that a college student learns as much during his hours spent outside the classroom as he does during the time spent in a classroom. This requires that the Christian college take care that its living environment is enriched by programs and activities which support the Christian philosophy. SBC has devoted substantial resources and energies toward providing those kinds of programs and activities in recent years. Among the new programs implemented are: student leadership seminars, monthly listening sessions in residence halls, monthly pot-luck suppers for married students, periodic brown bag commuter luncheons, peer counseling program, living/learning seminars, and freshman orientation.

STRENGTH IN PHYSICAL FACILITIES

In December, 1980 the college occupied the new Southerland-Mabee Center, a lovely, spacious multi-purpose facility of 33,600 square feet which serves as the setting for such diverse activities as indoor varsity athletic events, dramatic programs, and musical productions. The Center houses classrooms, conference rooms, racquetball courts, physical fitness rooms, and a 1/12 mile elevated indoor track.

With the completion of the Southerland-Mabee Center, SBC added the third major facility in the space of six years. The other two, the Maddox Fine Arts Center (1976) and the Mabee Student Center (1978) continue to serve most effectively the work of the college.

Critical physical needs remain unmet. Mentioned earlier was the need for additional female and married student housing. With the new buildings, the campus is taking on a distinctively attractive appearance but the effect is marred by many old World War II yellow tile buildings which need to be demolished. But alas, that takes money also.

Of the positive and optimistic notes sounded in the foregoing, none is of real

significance unless the college is achieving the purpose for which it was founded - to provide quality education within a distinctly Christian atmosphere. I am pleased to assure Arkansas Baptists that SBC remains committed to that lofty ideal and is touching the lives of young men and women with the redemptive message of the gospel of Christ as they pursue their studies on this campus.

WORLD HUNGER COMMITTEE

H.E. Williams, Chairman

Jesus said, "You have the poor with you always" and "Give ye them to eat." This observation, and direct command, He made while He was on this earth in the flesh ministering to mankind. He also told us one of the observations He will make at the Great Judgement when he said he will say unto the faithful, "I was hungered and you gave me meat." James clearly indicates that the maturity of our Christian faith can be measured by our response to the needs of the starving people of the world.

Arkansas Baptists and our brethren of the Southern Baptist Convention, are becoming aware of this vital ministry which is growing in depth and complexity throughout the world. Two years ago Southern Baptists gave a little over \$1,000,000 for ministering to world hunger and emergencies associated with national calamities around the world. Last year that figure climbed to well over \$5,500,000. Arkansas Baptists gave approximately \$125,000 of that amount, which was about \$40,000 more than we gave the year before.

We might take pride in the amount we gave were it not for the fact that one of our sister conventions, the South Carolina Baptist State Convention, gave well over \$1,000,000 last year.

During the year your committee has been engaged in a "low-key" effort to simply make Arkansas Baptists aware of the call of the hungry world. We have not attempted to initiate another convention-wide special offering. We believe every church and every Baptist should decide how they wish to answer the call of the hungry. Some churches include the hunger ministry in their budgets for a small percentage, while others take special offerings by various means. Some provide for the offering each time they have a meal at the church. Others use small banks which they distribute to the people to be returned.

Only about one-third of the Arkansas Baptist churches gave anything to this cause through the Arkansas Baptist State Convention and the Foreign Mission Board. If every church would participate, even on the "low-key" basis that some use, the offerings would run toward half a million dollars annually. Surely that is not too much to give for suffering humanity where over 10,000,000 are dying annually from hunger and the related ills associated with it.

Arkansas Baptists can be proud of the fact that she has contributed the two leaders among Baptists heading up the hunger and relief ministries of Southern Baptists. Dr. John Cheyne, Consultant on Hunger and Relief Ministries of the Foreign Mission Board is a product of Arkansas, having spent his youth in the state. Dr. Nathan Porter, formerly pastor of the First Baptist Church at Arkadelphia, is the newly appointed consultant in this ministry of the Home Mission Board. Dr. Porter still resides in Arkansas and has worked with the World Hunger Committee this year.

The Committee is also active in the Interfaith Ingathering for Hunger activity in Arkansas. The leadership of most of the denominations has met often this year to promote a united program of awareness and response to the hunger situation. All of these denominations will give well over \$2,000,000 for the suffering during 1981.

In a survey the Committee made last fall, we found that Arkansas Baptists are responding to the call of the local hungry and distressed in a commendable fashion. In that survey we also found that they are apparently giving to other agencies appealing for relief of the hungry around the world. This Committee would not at all chide any Baptist for giving to help feed the hungry in the bowl of any agency, but we would like to impress upon our people that no other agency of which we know, compares with the results to be derived from giving through the Southern Baptist Foreign Mission Board. Every penny given through this agency reaches the hungry and the hurt people of the world. Not even the cost of exchange is taken out. It all goes to the field. Some of the organizations appealing for funds for hunger relief have to take from 20% to as much as 75% for promotion and administration of the funds received.

The World Hunger Committee has been asked by the Convention Administration to present a "statement of purpose and job description" pertaining to its work. We submit the following:

—In keeping with the resolution as adopted by the 124th session of the Arkansas Baptist State Convention which action created the World Hunger Committee, provided that duties of the Committee would include "to instruct the President of this body to appoint a Committee on World Hunger, to help enable us as Arkansas Baptists and as churches to become informed on the conditions and some of the possible solutions to help alleviate this condition among so many of our neighbors in our world." We consider this Committee directly responsible to the Arkansas Baptist State Convention and also amenable to the Executive Secretary, under the umbrella of the Director of the Christian Life Council, to develop an awareness of the problems of world hunger and to assist our constituents by educating them in valid ways they can respond in meeting the needs of mankind in the areas of hunger and catastrophic emergencies.

It is our hope and prayer that Arkansas Baptists will enlarge in their understanding of the hurt of the world. We believe we must never let relief ministries come before sharing the gospel, but that we cannot demonstrate the compassion of the gospel if we ignore the tragedy of hunger.

The World Hunger Committee wishes to commend the growing number of Arkansas Baptists who are participating in this vital ministry. We also thank the leadership the Arkansas Baptist State Convention and particularly Bob Parker, Director of the Christian Life Council for the helpful assistance during the year.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 1981

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Hospital is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Inventories are priced at the lower of cost (first-in, first-out method) or market.

At the advice of the American Hospital Association, the Hospital obtained independent appraisals of its property and equipment in 1962 and 1964. The appraisals are reflected in the accompanying statements by showing a net increase of \$8,843,321.17 in the assets. Depreciation is computed on the appraised values.

The buildings and equipment are depreciated principally under the straight-line method. Accelerated depreciation on historical cost has been used for Medicare purposes. The additional reimbursement resulting from accelerated depreciation has been deferred.

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third-party payors. No provisions for retroactive adjustment have been made.

The Hospital acquired, under a lease agreement, Lauderdale Memorial Hospital, a 64-bed general care hospital, June 30, 1980. Plans are to construct a new facility if the feasibility study being undertaken proves the need therefor and if financing is available and the appropriate and reasonable approvals of the various agencies having jurisdiction are obtained. A lease for Corning Community Hospital, Inc., a 40-bed general care hospital was effective January 1, 1981. On July 1, 1981, the Tipton County Memorial Hospital, a 64-bed general care hospital, was acquired by Baptist Memorial Hospital.

NOTE 2 - INVESTMENTS

The Hospital's interest in its wholly-owned subsidiary, American Industrial Development Corporation (AIDC) is accounted for by the equity method. The Hospital received rent from a wholly-owned subsidiary of AIDC of \$408,913.69 and purchased approximately \$5,000,000 of medical supplies from the subsidiary under normal trade terms.

The Hospital regards its investments as part of a long range investment policy. In accordance with Financial Accounting Standards Board Statement No. 12, marketable securities which are classified as noncurrent assets are carried at the lower of aggregate cost or market. The amount by which the market value is less than cost is accounted for as an allowance for valuation of marketable equity securities. Changes in the allowance are made directly to the fund balance account.

The Hospital leases data processing equipment and some technical equipment which are capitalized under the provisions of Financial Accounting Standards Board Statement No. 13.

The following is a schedule, by years, of future minimum lease payments under capital leases together with the present value of the net minimum lease payments as of September 30, 1981.

NOTE 5 - PENSION PLAN

The Hospital has a pension plan which covers all electing employees who have completed 1,000 hours or more a year. The plan requires employee contributions of five percent of compensation. The Hospital contributes an amount equal to two times employee contributions, but not more than 10% of salary. The fair market value of the plan assets is adequate to cover the actuarially computed vested benefits of the participants. Contributions to the plan aggregated \$3,649,710.30.

NOTE 6 - PROVISION FOR SELF-INSURANCE

The Hospital has a self-insurance trust fund for essentially all of its professional and general liability. Contributions and year end liability levels are actuarially computed.

Gentlemen:

We have examined the Balance Sheet of Southern Baptist College, at June 30, 1981 and the related statements of Revenues, Expenditures, and other changes and Statement of Changes in Financial condition for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying financial statement presents fairly the financial position of Southern Baptist College at June 30, 1981, and the results of its operations and the changes in its financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

On January 27, 1976 Southern Baptist College and Arkansas Baptist Foundation negotiated a contract whereby the Foundation would administer endowment investments for the College. Initially investments with a book value of \$63,923.79 were transferred to the Foundation. According to the Foundation the June 30 market value of these investments was approximately \$36,710.52. The June 30 book value of units owned in the Pooled Investment Group was \$40,099.62.

In addition to these Southern Baptist College is the ultimate beneficiary of investments with a market value totaling approximately \$150,000.00 also held in trust by the Arkansas Baptist Foundation. Since these investments are periodically changing in nature as they mature or are sold and the proceeds reinvested it has not been feasible to pick up the individual investments and record them in the books of Southern Baptist College. The Foundation regularly distributes the income earned on these investments to the College.

SOUTHERN BAPTIST COLLEGE
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
JUNE 30, 1981

Accrual Basis. The financial statement of Southern Baptist College have been prepared on the accrual basis except for depreciation accounting as explained by foot note on Schedule A-2.

Fund Accounting. In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Institution, the accounts of the Institution are basically maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each type fund.

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized. The income earned by the endowment principal is transferred to the restricted fund and is designated there for the purpose originally stipulated in the gift instrument.

All gains and losses arising from sale, collection, or other disposition of investments and other non cash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like is accounted for in the fund owning such assets, except for income derived from investments of endowment or similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in the unrestricted general fund.

Please refer to footnotes and/or notes to the financial statements for any other significant accounting policies.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1981

1. Investments exclusive of physical plant are recorded at cost if purchased. If received by gift it is carried at fair market value at the date of acquisition except certain issues which have declined in value where it was evident such decline was not due to temporary market conditions. See Schedule A-3 for more details and notes pertaining to the investments owned by Southern Baptist College.
2. Physical plant and equipment are stated at cost at date of acquisition or fair market value at date of donation in case of gifts except that an appraisal performed May 31, 1965 by a qualified, independent appraiser resulted in an adjustment being recorded on the books at June 30, 1965. An increase of \$687,865.81 was recorded for fixed assets composed of an increase in land of \$51,840.00; an increase in buildings of \$670,961.49; and an increase in roads and utilities of \$34,935.68. A detail listing of property, plant and equipment as carried in the books and records at June 30, 1981 is shown at Schedule A-2.
3. A detailed listing of notes and mortgages with a split-out of that portion due within one year is shown as Schedule A-4 of this report.

The Board of Directors
Arkansas Baptist Foundation

We have examined the statement of assets, liabilities, and fund balances of the Arkansas Baptist Foundation as of December 31, 1981 and 1980, and the related statements of operations, changes in investment fund balances, and investment income and distributions for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 to the financial statements, the foundation's policy is to prepare its financial statements on the basis of cash receipts and disbursements with certain modifications. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and fund balances of the foundation on a cash basis as described in the preceding paragraph at December 31, 1981 and 1980, and the results of its transactions for the years then ended on a consistent basis.

ARKANSAS BAPTIST FOUNDATION
Notes to Financial Statements
December 31, 1981 and 1980

(1) Summary of Significant Accounting Policies

Except for an accrual to record accounts receivable from the Cooperative Program, the financial statements are presented on the basis of cash receipts and disbursements. Certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Depreciation has been recorded utilizing the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Life</u>
Automobiles	3 years
Office furniture and equipment	3-5 years
Data processing equipment	5 years

Amounts charged to operating expenses for depreciation aggregated \$13,760 and \$12,740 in 1981, and 1980, respectively.

(2) Investments

Investments are carried at cost or the fair market value of the instrument at the date of contribution. The foundation does not adjust the cost of debt securities for amortization of premium and accretion of discount. Any premium or discount is recognized at the date of maturity or the date of sale.

The carrying value and estimated market value of the investments at December 31, 1981 and December 31, 1980 are as follows:

	<u>December 31, 1981</u>		<u>December 31, 1980</u>	
	<u>Carrying Value</u>	<u>Estimated Market Value</u>	<u>Carrying Value</u>	<u>Estimated Market Value</u>
Certificates of deposit and equivalents	\$ 1,527,291	1,527,291	1,578,835	1,578,835

Non-negotiable securities	20,507	N/A	17,520	N/A
	<u>\$ 6,764,199</u>		<u>5,813,691</u>	

Unallocated principal repayments consist of return of principal by GNMA bonds which are owned jointly by several contributors and have not been allocated by specific account.

(3) Pension Plan

The Foundation provides a pension plan covering substantially all employees through the Arkansas Baptist State Convention. The pension expense for the years ended December 31, 1981 and 1980 was \$8,445 and \$9,149, respectively. At year end there were no unfunded liabilities.

(4) Lease Obligations

The Foundation entered a lease agreement in January 1981, to lease its office space for a period of three years. The lease agreement will expire in January 1984, and requires rental payments of \$15,750 per year until expiration.

(5) Income Taxes

Arkansas Baptist Foundation, is exempt from income taxes under section 501 (c)(3) of the Internal Revenue Code.

(6) General Information

The Arkansas Baptist Foundation was incorporated under the laws of the State of Arkansas in 1949. Its purpose is to encourage Baptists in the proper management and final distribution of accumulated possessions. The Foundation is authorized to receive by will or through trust, gifts for the benefit of any institution or agency supported by the Arkansas Baptist State Convention or the Southern Baptist Convention.

The Board of Directors is composed of fifteen persons. Five are nominated each year by the convention's nominating committee and elected at the annual session. The by-laws require that at least two-thirds of these be laymen. Investments are made through a committee after careful evaluation of recommendations from investment counsel.

There are no fees or commissions charged by the Foundation. The operational budget is provided by the Arkansas Baptist State Convention. Thus, gross income generated from investment is distributed to the designated beneficiary.
