IN MEMORIAM

Thurman K. Rucker
1911 - 1981

I write these memorial words of appreciation, as a friend of Thurman, dating back to student days in Southwestern Baptist Theological Seminary. I moved to Benton and was glad to find this transplanted Texan as a neighboring pastor, and to see him taking such an active part in Arkansas Baptist work. It was a privilege to serve with him on various committees and boards in the ensuing years. I followed him as president of our state convention and worked with him in his new duties as secretary of Relief and Annuity. He saw this position as a tremendous opportunity to serve his brethren whom he loved. In his death we lost a strong advocate of our work.

—Bernes K. Selph

T.K. Rucker was a man of God, and blessed with many spiritual gifts. The First Baptist Church of Forrest City, still rejoices that we had the privilege of serving with him during the last years of his church pastoral ministry.

The leadership he rendered, the confidence he inspired, the love he displayed, the wisdom he shared, and the gospel he preached, still continues to influence untold numbers of lives.

The example he set before his people is still an inspiration to all of us who knew him. And truly to know him was to love him. A great soldier of the cross is gone from us, but his footprint is still with us, and his memory lingers on in our hearts.

—The people of First Baptist Church
Forrest City, Arkansas
(T.K. Rucker's last pastorate)

In many ways, Dr. T.K. Rucker was a preacher's preacher and a pastor's pastor. In addition, Rucker, as he was known to friends, was a builder. He was a builder of stewardship principles. He was a builder of buildings, but primarily he was a builder of people. Rucker was an artist in building spirit, both in a church and in the denomination. As president of the state convention and as convention preacher, his sermon on state missions was published and widely circulated much to the strengthening of the Arkansas Baptist State Convention. Today, in memory of Dr. T.K. Rucker, we rise up and call him blessed.

—Lawson Hatfield

CONSTITUTION

Article I. — the Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II. — The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

Article III. — Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to co-operate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of **The Baptist Faith and Message** as adopted by the 1963 session of the Southern Baptist Convention, and **The Baptist Faith and Message** shall not be interpreted as to permit open communion and/or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. A standing Credentials Committee of five members shall be appointed by the president of the convention. No member of this committee may serve more than two consecutive conventions. The president of the convention shall fill vacancies and shall name the chairman each year.

Article IV. — Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Secretary of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Secretary to keep a record of the proceedings of the convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI. — The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office shall be nominated by the Convention Nominating Committee and elected by the Executive Board to fill the unexpired term. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, for both state and Southern Baptist Convention causes. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all time be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII. — Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis,) 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15; **Arkansas Baptist Newsmagazine, 9.**

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII. — Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX. — Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X. — Amendments

Section 1. This Constitution and By-Laws may be amended by a two-thirds vote of the members voting and concurring in two successive annual meetings of the convention, except Article IV, which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI. — Parliamentary Authority

Kerfoot's **Parliamentary Law** shall be the standard for deciding questions of parliamentary procedure.

Article XIII. — Districts

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

BY-LAWS

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

The Treasurer of the Executive Board shall be also Treasurer of the Convention.

All elected officers of this Convention shall be members of churches cooperating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee or nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Secretary of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The president of the convention shall appoint the chairman of the Committee each year. The chairman must be one who has been a member of the Committee for at least one year and may succeed himself until his tenure of eligibility shall expire.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

APPENDICES

1. Enrollment of Messengers (1980 Annual, page 37)

Any challenge to the seating of any church's messengers and the basis of the challenge should be presented in writing to the convention president, and the chairman of the Credentials Committee thirty (30) days prior to the annual meeting of the convention.

The Credentials Committee will meet prior to the opening session of the convention and report their findings and recommendation to the opening session of the convention.

2. Performance of wedding ceremonies (1975 Annual, page 37)

The proper standard recommended by our State Convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas (shall) be ordination.

3. **Doctrinal Guidelines** (1970 Annual, page 61)
 Report of the Committee of Twnty-Five adopted, including the recommendation that the SBC statement of faith of 1963. *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.
4. **Appendices** (1967 annual, page 40)
 Resolution adopted that a search be made of the minutes of the convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and bylaws of the convention as appendices.
5. **Church Ordinances** (1965 annual, page 31)
 Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and.
 Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,
 Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion. and
 Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.
6. **Federal Aid** (1965 annual, page 43)
 Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.
7. **Executive Board Recommendations** (1963 annual, page 35)
 Voted that all recommendations of the Executive Board shall be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the state convention.
8. **Violations of the Constitution** (1960 Annual, page 29)
 Where there are violations of the Constitution on the Boards the Convention Nominating Committee (shall be) requested to make proper corrections.
9. **Book of Reports** (1959 annual, page 28)
 Voted that the convention constitution and by-laws be printed each year in the Book of Reports for the convenience of our messengers.
10. **Baptist Memorial Hospital Trustees** (1959 annual, page 29)
 Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.
11. **Capital Indebtedness** (1959 annual, page 30)
 Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.
12. **Out-of-state participation by Executive Board staff** (1953 annual, page 22)
 Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Secretary of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.
13. **Seating of Messengers** (1949 annual, page 92)
 Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches: or any other organization similar to or growing out of such.

14. **To limit expenditures not previously studied and recommended that might be introduced by Messengers at Convention** (1982 annual, page 53).

Motions made by messengers dealing with the internal operations or programs of an agency, institution or the Executive Board shall be referred to the elected board of the appropriate body for consideration, and report to the constituency and to the next convention in annual session. Any expenditure of funds up to \$2,500 not already studied by the Executive Board shall be referred to that body for consideration and for a report to the next convention in annual session. Upon a two thirds vote of the messengers present and voting, items dealing with internal operations, or finances, will be considered at a subsequent session of the same convention as arranged by the Order of Business Committee.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principals by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

Ex. 24:4; Deut. 4:1-2; 17:19; Josh. 8:34; Psalm 19:7-10; 119:11, 89, 105, 140; Isa. 34:16; 40:8; Jer. 15:16; 36; Matt. 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16 ff.; 17:11; Rom. 15:4; 16:25-26; 2 Tim. 3:15-17; Heb. 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ he was conceived of the Holy Spirit and born of the virgin Mary. Jesus

perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His

creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Gen. 3:15; Ex. 3:14-17; 6:2-8; Matt. 1:21; 4:17; 16:21-26; 27:22 to 28:6; Luke 1:68-69; 2:28-32; John 1:11-14, 29; 3:3-21, 36; 5:24; 10:9, 28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Rom. 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18; 29-39; 10:9-10, 13; 13:11-14; 1 Cor. 1:18, 30; 6:19-20; 15:10; 2 Cor. 5:17-20; Gal. 2:20; 3:13; 5:22-25; 6:15; Eph. 1:7; 2:8-22; 4:11-16; Phil. 2:12-13; Col. 1:9-22; 3:1 ff.;

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22; Isa. 5:1-7; Jer. 31:31 ff.; Matt. 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2, 15:24-28; Eph. 1:4-23; 2:1-10; 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19; Heb. 11:39; 12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9, 2:19, 3:2

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42; 4:7; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14, 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1; Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4; Rev. 2-3; 21:2-3

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a

believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-29; Col. 2:12

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1 ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3; 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2; 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8:19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13; Rev. 1:6, 9; 5:10; 11:15; 21-22

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their

resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 2:4; 11:9; Matt. 16:27; 18:8-9; 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5; 15:24-28, 35-58; 2 Cor. 5:10; Phil. 3:20-21; Col. 1:5; 3:4; 1 Thess. 4:14-18; 5:1 ff.; 2 Thess. 1:7 ff.; 2; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7 ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11; 20:1 to 22:13

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; 10:5-15; 13:18-30; 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11; 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1, 5, 9, 14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7 ff.; 119:11; Prov. 3:13 ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:19; Matt. 5:2; 7:24 ff.; 28:19-20; Luke 2:40; 1 Cor. 1:18-31; Eph. 4:11-16; Phil. 4:8; Col. 2:3, 8-9; 1 Tim. 1:3-7; 2 Tim. 2:15; 3:14-17; Heb. 5:12 to 6:3; James 1:5; 3:17

XIII. STEWARDSHIP

God is the source of all blessings, temporal and

spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18, Mal. 3:8-12; Matt. 6:1-4, 19:21; 19:21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Rom. 6:6-22; 12:1-2; 1 Cor. 4:1-2, 6:19-20; 12:16:1-4; 2 Cor. 8:9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17 ff.; Judg. 7:21; Ezra 1:3-4, 2:68-69; 5:14-15; Neh. 4: 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1 ff.; Acts 1:13-14; 2:1 ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12:2 Cor. 8:9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christians should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the

sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12; 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3 ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 1:5:12; 17:15; Rom. 12:14; 1 Cor. 5:9-10; 6:1-7; 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philemon; James 1:27; 2:8

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

RESOLUTION #3 - ALCOHOLIC BEVERAGES

WHEREAS, alcoholic beverage interests continue to have a multi-million dollar strangle hold on our society;

BE IT RESOLVED, that local, state, and national governmental leaders and legislative bodies be encouraged to act promptly in enacting and enforcing laws to prohibit those interests from using the media in effectively equating success in sports, family life and business with consumption of alcoholic beverages. This type publicity is harmful particularly for children, youth and young adults; and

BE IT FURTHER RESOLVED, that Governor Frank White be strongly commended for the formation of a special task force against drunk driving and that the 1983 Arkansas Legislature sessions give serious consideration to its recommendations and any others that would help correct the tragic problem of drunk driving in Arkansas.

James McDaniel moved the adoption of Resolution No. 3. Seconded and carried.

RESOLUTION #4 - SEPARATION OF CHURCH AND STATE

WHEREAS, Historically, Baptists have supported and defended provisions for full religious liberty and the separation of church and state, as provided in the Constitution of the United States; and

WHEREAS, other denominations, as well as individuals, have shared our concern for religious freedom; and

WHEREAS, the emphasis of our Baptist witness regarding the gospel of Jesus Christ is in the home and through daily witness of the local congregation. Baptist must not depend on the state to expedite the Great Commission;

THEREFORE, BE IT RESOLVED That Arkansas Baptists reaffirm their strong commitment to the historic principles of religious liberty and the separation of church and state; and

BE IT FURTHER RESOLVED, that we reassert our long standing belief that public money be used exclusively for public purposes, rather than for sectarian purposes; and

BE IT FINALLY RESOLVED, that Baptists be called upon to exercise Christian citizenship in opposing any legislation or action by government agencies which would hinder or promote government entanglement in religion or would otherwise erode the principle of separation of church and state.

Jimmy Sheffield moved the adoption of Resolution No. 4. Seconded and carried.

RESOLUTION #5 - ANTI-SEMITISM

WHEREAS, Christians are profoundly indebted to the ancient Hebrew nation because of its contribution to our faith; and

WHEREAS, Baptist and Jews share a common heritage of persecution and suffering for conscience sake; and

WHEREAS, Prejudice against any person on the basis of race, religion, or nationality is contrary to the spirit of Christ; and

WHEREAS, Anti-Semitism occasionally emerges in our state; and

WHEREAS, Christians believe that God loves all the people of the world;

BE IT THEREFORE RESOLVED, That we commend our Arkansas Baptist State Convention leaders as sincere friendship and meaningful dialogue is sought with our Jewish neighbors.

Jere Mitchell moved the adoption of Resolution No. 5. Seconded and carried.

RESOLUTION #6 - WORLD HUNGER

WHEREAS, rice, poultry, livestock and other food products in Arkansas are already effectively helping to alleviate domestic and world hunger;

BE IT RESOLVED, that Arkansas Baptists and churches continue to pray for and encourage these food producers in efforts to grow, market wisely and share these God given blessings for the positive benefit of mankind; and

BE IT FURTHER RESOLVED, that Arkansas Baptists continue to give prayerful support to the Arkansas Baptist World Hunger Committee, the Arkansas Interfaith Hunger Task Force and to agencies such as The Agri Mission Fellowship, Heifer Project International and the recently established Arkansas Rice Depot.

James McDaniel moved the adoption of Resolution No.6. Seconded and carried.

RESOLUTION #7 - CHRISTIAN CIVIC FOUNDATION

WHEREAS, The Arkansas Christian Civic Foundation continues to exert a positive influence for civic righteousness in our state; and

WHEREAS, the great need for such an organization continues to exist;

BE IT RESOLVED, That the Arkansas Baptist State Convention, its churches and associations, continue to give prayerful and regular financial support;

BE IT FURTHER RESOLVED, That the outgoing Executive Director, Edward W. Harris, be highly commended for the excellent leadership he has given.

Jimmy Sheffield moved the adoption of Resolution No. 7. Seconded and carried.

RESOLUTION #8 - PEACE

WHEREAS, Baptists are initially concerned both about requirements for an adequate national defense and about promoting peace with justice; and

WHEREAS, Arkansas Baptists desire clear biblical guidance and information, particularly regarding nuclear arms;

BE IT RESOLVED, that we reaffirm our faith in the Prince of Peace and recommit ourselves to work for peace with justice.

Jere Mitchell moved the adoption of Resolution No. 8. Seconded and carried.

RESOLUTION #9 - TUITION TAX CREDIT

WHEREAS, there is continued pressure to support passage of parochial school aid legislation in the form of tuition tax credits; and

WHEREAS, such credits have already been declared unconstitutional; and

WHEREAS, these tax credits offer financial aid to those who need it least; and

WHEREAS, such would be destructive of the public school system in this nation; and

WHEREAS, the financial burden to the nation would be inordinately high in a time of cut backs in federal aid to public education; and

WHEREAS, tuition tax credits would encourage government intrusion into religious affairs which follows in the wake of federal subsidies;

BE IT RESOLVED, that the Arkansas Baptist State Convention reaffirm its opposition to the tuition tax credits.

Clyde Glazener moved the adoption of Resolution No. 9. Seconded. Following discussion, motion carried.

(2) SOUTHERN BAPTIST COLLEGE

The Executive Board recommends to the Arkansas Baptist State Convention that Southern Baptist College be permitted to offer the baccalaureate degree in accordance with their request made on July 16, 1981.

ANNUITY

Mrs. Nadine Bjorkman, Arkansas Representative

Solid growth and expanding achievements characterize the current state of affairs of the Annuity Board of the Southern Baptist Convention in Dallas, Texas.

"Despite the unusual challenges of 1981, we are reporting record numbers in assets, benefits paid and member accounts. The decline in the stock market and the uncertainty over the future of the economy make our work difficult. However, it is the desire of the Annuity Board staff as we work harder 'to strive to contribute something' to the churches and agencies of the Southern Baptist Convention," said Darold H. Morgan, president of the Annuity Board.

As of June 30, 1982, the total assets held in trust by the Annuity Board totaled \$939,199,196. This is an increase of \$90,243,432 over June 30, 1981.

Premiums and dues through the first two quarters of this year reached a record \$44,090,415. A year earlier, the total was \$34,581,980.

As of June 30 this year, the Board paid a record \$19,159,248 in benefits to 18,866 annuitants, more than 360 of whom live in Arkansas.

Through June 30, 1982 a total of 22,536 churches and associations were participating in the Southern Baptist Retirement Program with 32,598 employees.

The number of new retirement applications received in Arkansas to this date (9-10-82) is 58. More than 200 have upgraded retirement participation and four new

churches have entered the program. At least six churches have come back into the plan from inactive status.

The Church Insurance Program in Arkansas has shown a marked increase with 341 employers, 311 members have health insurance, 472 have life insurance and 132 with disability income protection.

The following Baptist agencies participate in the retirement program in Arkansas:

Arkansas Baptist State Convention
 Arkansas Baptist Family and Child Care Services
 Arkansas Baptist Foundation
 Arkansas Baptist Newsmagazine
 Baptist Medical Center, Little Rock (chaplains)
 Ouachita Baptist University
 Southern Baptist College

Thank you for the privilege of serving in Arkansas. Please call me or the Annuity Board when we can be helpful, 207 Baptist Building, Little Rock (501) 376-4791 or the toll free Dallas office: 1-800-527-9003/9010.

ARKANSAS BAPTIST ASSEMBLY

Lawson Hatfield, Director

Thank you for making the assembly at Siloam Springs the good season it was. During the six weeks a total of 5528 full time campers were enrolled. Of this number 263 made professions of faith and 47 signed commitment cards indicating an interest in full time church related vocations. There were 331 rededications. The table below gives week by week information.

Week	Campers	Professions Of Faith	Church Related Vocations	Rededications
1	945	32	7	35
2	937	32	11	41
3	788	39	3	48
4	956	41	6	36
5	1077	85	10	115
6	825	34	10	56
	5528	263	47	331

Of the totals there were 1125 4th, 5th, and 6th graders enrolled at the Children's Park with 94 faculty members, or a total of 1219. There were 114 professions of faith and 89 rededications.

At the Children's Building, preschoolers through the 3rd grade, there were 243 enrolled.

Most campers were impressed with the improvement at the tabernacle with white insulated ceiling, and new grey walls both inside and outside. The most effective improvement was the installation and use of overhead doors on the two open walls. Some folks actually complained of getting too cold. Another great improvement was the new shop for our resident manager. What many campers did not see was a vast underground waste water disposal system for the dining hall. Our thanks to Mr. Gene

Devor, his crew, and to Arkansas Baptists for financial support for these improvements.

Improvements planned for next year include enlarging and improving the dining hall. This enlargement will provide fifty percent more table space, and the dining area will be cooler. Other improvements which we hope we can make, depending on time and budget, include enclosing the Adult Bible teaching pavilion, enlarging the children's tabernacle, improvements at the Business Office and at the snack shack. Other improvements on the agenda include upgrading the sound systems in both tabernacles.

There are seven weeks of assembly planned for 1982. In addition the facilities are rented to four other summer camping groups and several winter-time retreats are administered.

BAPTIST STUDENT UNION

Tom J. Logue, Director

3. We now have over 1,500 international students studying in Arkansas. Each year all of these are invited to our International Retreat.

Thanks

To Arkansas Baptists for their continuing support of Baptist student work on 27 Arkansas campuses. On half of these campuses, Baptist Student Union is the only Christian group at work.

BROTHERHOOD

Neal Guthrie, Director

It has been a great year for Brotherhood ministries. All areas of Brotherhood work, Baptist Men, Royal Ambassador, Renewal, World Mission Conferences, have seen an increase in enrollment, mission awareness and mission action. This has happened because of the tireless work of laymen in the churches and associations. Brotherhood Directors, Royal Ambassador Directors and Counselors, lay leadership of all types make things happen.

We have seen new ministries evolve this year such as work with elderly, world hunger, resort, laymen crusades, disaster relief, direct mission projects, prison, military, apartment dwellers, youth service, and the list goes on.

Royal Ambassadors enjoyed a great Congress in May with over 1200 attending. A great celebration service was held in the Levy Baptist Church and then the Congress closed with the State R.A. Track Meet held at North Little Rock Northeast Stadium.

The first two weeks of June saw two good R.A. Camps and a weekend of boys and their dads. Camps have as their main task to instill in boys knowledge of their goals in life through mission awareness, campcraft, nature, recreation and wholesome Christian fellowship. All this can be found at beautiful Camp Paron and boys keep coming back each year for more.

In July a group of Pioneer Adventure R.A.'s (Sr. High), worked on a mission project in Roanoke, Virginia. As an added benefit, the group spent three days in Washington, D.C. as guest of our Congressmen. The group had numerous experiences that will always have a lasting effect on their lives and the churches represented.

Disaster Relief continues to become a big project for Baptist Men. The Disaster Relief Mobile Unit was used on the first mission following a tornado in Marion, Illinois. All systems worked as over a 1000 meals were served in the three days the unit was on the job. The unit is based at Little Rock and serves the State as well as out of state needs. Baptist Men of Arkansas are taking this project in stride with their zeal to see a lost and dying world reached for Christ using up-to-date methods. A workshop to help train workers in Disaster Relief is scheduled for August 27-28.

Seven area Brotherhood conferences will be held this fall to help leadership in all

phases of Brotherhood work do a better job. Training for Baptist Men, Royal Ambassador, Mission Action, Renewal leadership will be offered.

On October 15-16, a Baptist Men Retreat will be held at Camp Paron. Men will gather to camp overnight and enjoy a time of fellowship and inspiration around the camp fire. On Saturday, inspirational speakers, music, and fellowship will be enjoyed. This should be a great event for those who attend.

During the Thanksgiving holidays a group of Baptist Men will travel to Florida to help on a mission project in Big Cypress Camp. The men will be part of a laymen crusade and will be doing leader training in Brotherhood work as well as some construction projects. This project is in cooperation with the Baptist Association for Seminole Indians in Florida.

Baptist Men of Arkansas are constructing a new Chapel at Camp Paron. This much needed facility will be used by campers and church for many years to come.

Royal Ambassadors of Arkansas are constructing a Braille Trail (nature trail for the blind) in Burns Park in North Little Rock. This will be the third trail of its kind in the nation. Already this project has created a lot of interest as boys from as far away as Virginia are planning to help on the construction. The trail should be open by Spring of 1983.

The year closes out with National Royal Ambassador Week, November 7-13. An R.A. Fellowship Lunch will be held on November 13 in Little Rock. This is a change from the usual dinner held on Monday night. A special lunch meal, inspirational speeches and great entertainment will fill the day's events. Last year 500 attended this meeting. Get your reservations in early. We will be kicking off our 75th anniversary with this event with festivities of all kinds.

Brotherhood ministries seek to accomplish its task of mission awareness and mission action in many ways. It's a learn and do organization—the only organization in the church that is specifically designed to do this for men and boys. Sound interesting? Let us help you begin a total Brotherhood ministry in your church.

BUSINESS SERVICES

L.L. Collins, Jr., Director

The function of the Division of Business Services for the Arkansas Baptist Convention is that of providing support for all of the Executive Board departments of the Arkansas Baptist State Convention. It is also a function of Business Services to play a supportive role for Arkansas Baptists as a whole. The nature of that support is to enable these departments to function more efficiently in ministry and to help them in realizing the maximum use of the financial resources provided by Southern Baptist of Arkansas.

The utilization of computer resources continues at a level limited by the equipment and there is still a real need to expand these resources. Specific plans will be delayed until a new executive secretary has been selected.

In order to facilitate the work and provide for specific needs a new department called "Communications" has been established. This department includes the PBX, tract room and library.

The building purchased at the called Convention in January is still under lease. If

the present occupants remain until the lease expires, we should have occupancy on July 1, 1983. The occupants do, however, have a sixty day extension option.

At the writing of this report we have on trial lease a Xerox "9500". This facilitates printing to a high degree.

It is the commitment of the Division of Business Services to continue to supply the necessary support of the operation of Executive Board programs of Arkansas Baptists while at the same time emphasizing the greater stewardship of the total mission task of the Arkansas Baptist State Convention.

CAMP PARON

Robert Ferguson, Business Manager

Camp Paron, located 45 miles west of Little Rock, on State Highway 9, consists of 263 acres of beautiful rolling forested hills, and open grassy areas with dormitory type facilities for 210 persons. Situated adjacent to Ouachita National Forest, the setting is ideal for church and convention groups to "come aside from their busy schedules to enjoy the beauty and serenity it affords."

From July 1, 1981 to June 30, 1982, thirty-five groups have used the facilities with total attendance of 3,167.

Summer youth camp schedules include two weeks for National Baptists, two weeks for Royal Ambassadors, four weeks for Girls in Action, two weeks for local church camps, and eight overnight groups.

October 4-8 will be the Statewide Pastors' Conference. We also have six weekend reservations from October to December with open dates for others who may apply.

Chapel construction plans are progressing. The footings were poured August 5th. Neal Guthrie, State Brotherhood Director, is interested in contacting volunteers for all phases of the chapel building program. Please call or write him if your laymen would help. We are working with the "Camps and Assemblies" committee of our State Executive Board. Bill Milam is chairman and will be studying the suggested master plan for land use as submitted by the Architectural Department of our Sunday School in Nashville, Tennessee. Any suggestions you may have to improve the service or facilities will be appreciated.

Reverend James Threet is Resident Camp Manager. Information concerning facilities, rates, and dates available, can be secured by writing or calling Robert Ferguson, 525 W. Capitol, Post Office Box 552, Little Rock, Arkansas 72203 - (501) 376-4791 in the Baptist Building.

CHRISTIAN LIFE COUNCIL

Robert A. Parker, Director

The Christian Life Council is in its fourth year, having started July 1, 1979. It continues to work directly with and for the Arkansas Baptist State Convention and its agencies. Relating to the Christian Life Commission of the Southern Baptist Convention, the Christian Life Council continues to encourage churches and individuals to be aware of the ethical implications of the gospel in such aspects of daily living as family life, human relations, moral issues, economic life, citizenship and public affairs.

The director serves as liaison between the Arkansas State Convention and the Christian Civic Foundation of Arkansas. On occasion, he worked with that agency dealing with moral issues specifically related to alcohol and other dangerous drugs, pornography and gambling.

Much time has been spent dealing with the wide-spread problem of domestic and world hunger. Working with the Arkansas Baptist World Hunger Committee, the director is also co-chairman of the Arkansas Interfaith Hunger Task Force. This year he is chairman of the Task Force's Ingathering held annually at the Arkansas State Fairgrounds the weekend before Thanksgiving. He also serves on the advisory committees of the Central Arkansas Food Bank, the Rice Bank and the Heifer Project International, headquartered in Little Rock.

Definitive work has also been done while relating to the National Conference of Christians and Jews, the Baptist Joint Committee on Public Affairs, Americans United for Separation of Church and State, the Fellowship of Christian Athletes and the recently organized Lord's Day Alliance of Central Arkansas. Many letters have been sent and phone calls made to Arkansas State and National Legislators with regards to matters affecting the lives of all Arkansans.

The Christian Life Council continues to serve as a resource agency regarding many social concerns. The director has again this year spoken to church, associational meetings and to camp and assembly groups. Thousands of pertinent brochures have been distributed and many articles written for publication by the Arkansas Baptist Newsmagazine.

CHURCH MUSIC

Ervin Keathley, Director

Purpose: To assist churches and associations in establishing, improving and enlarging their ministry through music by providing training and performance opportunities, by providing and interpreting resource materials, and by personal assistance and counseling.

Statistical Review: For the seventeenth consecutive year the Church Music Department has shown a gain in enrollment. The Convention recorded a 4.2% increase, while our gain in Arkansas was only 1.6%. This brings our total music ministry enrollment up to 47,661, a numerical gain of 745 over last year.

The largest percentage of growth convention-wide came in the instrumental area, with an increase in handbell ringers of 11.8%. The largest numerical increase was in the area of children's choirs. They registered an enrollment gain of 27,214.

1981-82 Music Department Highlights

I. Leadership Training

1. Associational Music Director Training

Thirteen associations were represented in our annual day of training in January. We reached ten other associations for individual training.

2. Children's Music Leader Conferences

The State Children's Choir Leader Workshop was conducted at Second Baptist Church of Little Rock. A total of 250 persons received training in preschool, younger children and older children's choir leadership.

Our own children's choir specialists continue to be used extensively over the state for training conferences. Their quarterly mail-out to children's choir workers is a very popular and valued resource piece.

3. Volunteer/Part-Time Music Leader Workshop - Camp Paron

Our Volunteer/Part-Time Leader training was expanded to two locations this year for the first time. 115 music leaders and pastors attended the workshop at Camp Paron in February and 68 attended the first workshop conducted on the campus of Southern Baptist College at Walnut Ridge. This event is designed to help music directors and accompanists from our smaller churches, and to provide an in-depth Bible study time for those pastors who attend. Approximately 75 churches were involved this year.

Our plans are to expand to a third area next year in order to make this event more accessible to the music leaders of our smaller churches.

II. Music Tournaments

1. Associational Tournaments

Tournaments were conducted in eleven associations this year. There were approximately 210 participants in the six areas of musical competition. Winners were eligible to compete at the state level.

IV. Music Camps

1982 Young Musicians Camp was a tremendous success. We had a total registration of 631, and we had to turn away a few groups this year. There were twenty-three decisions at the closing worship service on Wednesday, led by Mr. Pete Butler and Reverend Clyde Spurgin.

The four major choral works and their directors were: "It Was For Me", Ken Stogsdill; "Sing A Song of Christmas", Gregg Greenway; "Great Men of God", Joy Baker; and "What the Star Saw", Jo Ann Butler.

Music Arkansas for Adults and Youth was conducted the last week of July with an enrollment of 221. Dr. Charles Wright and Mr. Morris Ratley were our choral directors.

A highlight this year was the preparation and presentation of "Choices", a choral work written especially for the junior high age group by Lew King, Minister of Music at East Side Baptist Church in Fort Smith and Mrs. LaNell Thornton of Arlington, Texas. Mrs. Thornton was present to direct the drama and Lew was present for the presentation.

V. Instrumental Emphasis

Keyboard, band, orchestra and handbells are all being used increasingly in the programs of our churches.

Handbells was the 1981-82 instrumental emphasis in Arkansas. The Handbell Workshop at First Baptist Church, Little Rock, was well attended and special techniques in solo and quartet ringing were featured.

Thirty-one choirs from nineteen churches were present at the Handbell Festival in Russellville with a total of 354 ringers.

1982 was the second year for our string program at music camp. It continues to grow in number and quality.

The 1982-83 emphasis will be on keyboard instruments. Our goal is to have a keyboard workshop in every association, led by trained specialists enlisted by the Church Music Department.

VI. New Programs This Year

1. Orientation for New Music Directors

For the first time, we invited approximately twenty music directors who are new to our state to come to the Baptist Building. Our purpose was two-fold: (1) to get acquainted with them and learn what skills they bring to our state, and (2) to acquaint them with the program and personnel of our department and convention.

2. Summer Music Missionary

We have re-activated an old program to assist churches with a special week of music emphasis. Miss Tracey Drake served nine weeks for us this summer.

Seven weeks were spent in local churches where she conducted twenty-classes, covering twelve different musical emphases. She also gave private and class voice and piano lessons when requested. The other two weeks were spent serving on the faculty for our two music camps.

VII. Conclusion

This is the forty-second annual report of the Church Music Department, established in 1941 as a part of the Religious Education Department and later becoming the first State Music Department in the Southern Baptist Convention in 1944.

COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Robert Ferguson, Director

Cooperative Ministries with National Baptists in Arkansas is a joint effort of the Home Mission Board, SBC, and the Arkansas Baptist State Convention. We seek to relate to National Baptists as brothers and sisters in Christ, and co-workers in various Christian ministries in order that churches and associations may be strengthened and non-christians brought to a saving faith in Christ.

SIX STUDENT SUMMER MISSIONARIES spent 10 weeks in 24 black churches, conducting vacation Bible schools, camps, and youth programs, enrolling 1,525 youth resulting in 24 professions of faith. (summer 1981)

Fifteen college students and 11 seminary students were assisted with **SCHOLARSHIP** program funds totaling \$8,250.00.

BAPTIST STUDENT UNION activities at the University of Arkansas at Pine Bluff, Reverend Lacy Solomon, Director, enrolled over 500 students in Bible classes and various Baptist Student Union sponsored activities.

EXTENSION CENTERS for in-service training enrolled 161 pastors and laymen in Bearden, Lewisville, Little Rock, Pine Bluff, and West Memphis.

"**HART OF THE HILLS**" camp at Paron was attended by 381 campers in a two week program with 42 professions of faith.

Forty-four **LEADERSHIP CLINICS AND INSTITUTES** across the state enrolled 2,987 persons.

JOINT COMMITTEES are organized in Ashely, Liberty, Central, Delta,

Harmony, Tri-County, Pulaski, North Pulaski and Southwest Associations, with other associations studying the idea.

The STATE JOINT COMMITTEE has met twice with representatives from all three cooperating conventions in attendance.

Jointly sponsored AREA FELLOWSHIP MEETINGS were held in Camden, Hot Springs, West Memphis, Little Rock, Hope, Hamburg, and Clinton with a combined attendance of 1,105.

Numerous Joint Baptist WOMEN'S DAY OF PRAYER programs were conducted. We encourage our local and associational women groups to look forward to this date on November 2, 1982.

The first statewide JOINT MEETING OF BAPTIST WOMEN met May 15 at Arkansas Baptist College in Little Rock; Baptist Women from three state conventions participated.

Reverend Harvey Goodman MINISTERIAL STUDENT from Ouachita Baptist University serves as assistant to the CHAPLAIN at Tucker Intermediate Reformatory where young black first offenders are housed. Twelve professions of faith and numerous rededications are registered.

The jointly sponsored STATE EVANGELISM CONFERENCE met January 25-26, 1982 at Park Hill Baptist Church in North Little Rock. Three Baptist State Conventions participated. Attendance was in excess of 2,000.

EVANGELISM

Clarence Shell, Director

This has been another wonderful year of victory in evangelism for our state. The number one goal of evangelism in Arkansas is to share Christ with every lost person. A goal closely related to this is to break the all time baptismal record of our state. This record was set in 1950 with 16,367 people being baptized. Another worthy goal this year was that every church would have a Bold Mission Revival. We have many reports of revivals, crusades, camps and perennial evangelism that give hope of breaking the baptismal record this year.

It is the continual desire of your Evangelism Department to plan and promote the concept of total evangelism. We are committed to obeying the Commission of our Lord found in Matthew 28:19-20 to make, mark and mature disciples. We believe and practice complete New Testament Evangelism.

The following events and programs have emphasized this concept of complete evangelism.

The Evangelism Workshop at Paron proved to be another great success. There were sixty-five leaders present consisting of Directors of Missions, Chairmen of Evangelism, PREP Men and Baptist Building staff personnel. These leaders shared in a refreshing program on personal witnessing. The following emphases were made: Hearing, Sharing, Understanding and Going with the Gospel. Our speakers explored the many different areas of sharing Christ. There was a special emphasis by Howard Ramsey of the Home Mission Board on the new witnessing process, CWT.

Park Hill Baptist Church, North Little Rock was the setting for the Joint

Evangelism Conference. This was a cooperative effort of the Regular Baptist Convention, the Consolidated Baptist Convention and the Arkansas Baptist State Convention. The overall theme of the conference was "Evangelism, Every Christian's Task Through The Church". This was developed under the themes, "Sin, the Tragedy of Humanity", "Love, the Nature of God", "Salvation, Our Only Hope", "Witnessing, By All Means Save Some", and "Evangelism, the Church's Task". The National Baptist speakers and the Southern Baptist speakers complemented each other in a great cooperative effort. The following special conferences helped to equip those attending to do evangelism: "Preparing the Local Church for Revival", "Training Laity in Personal Witnessing", "Women in Witnessing", "The Family in Evangelism", "The Retirees Role in Evangelism", "Youth in Evangelism", "Sunday School Evangelism", "Evangelistic Music", and "Conserving the Results of Evangelism".

Our State Evangelism Conference became a historical event. For the first time in the history of Arkansas Baptists, there was a called convention at this time. The spirit of the Evangelism Conference made a tremendous contribution to the success of the convention.

There is a renewed interest and emphasis in personal witnessing. We had our first National Training Seminar at First, Fayetteville for CWT (Continuing Witness Training). There were forty people trained to go back to the local churches and start a CWT process. We still have a strong emphasis on WIN schools. There were six schools taught this year at Siloam Springs under the direction of our department. The following were teachers in these schools: Clarence Shell, J. Everett Sneed, Bill Howard, Oscar Golden, Billy Hines, and Paul McClung. The WIN school plans are being revised and simplified by the Home Mission Board. This will prove to be a real asset for future training in our churches. We have trained hundreds of our people in these schools to share their faith in Christ.

The evangelism staff has preached several revivals and conducted numerous WIN and WOW schools. Many people have made professions of faith through these efforts. Our department has operated one man short for the past year. We are very hopeful that we can select and elect God's man in the near future.

Fires of evangelism have burned brightly in our camps and assemblies as many boys and girls have been saved. Siloam Springs illustrates this with 263 professions of faith in regular assemblies. Spring Lake Assembly, one of our area camps, had 310 professions of faith in the total camp program. Dardanelle-Russellville Association camp had 78 professions of faith. These mentioned simply serve to illustrate the experiences of camps and assemblies all across our state.

The following materials are available through the Evangelism Department: **Associational Simultaneous Revival Preparation Manual, Area Crusade Preparation Manual**, "A Model Evangelism Plan for a Local Church". These were compiled and written by Clarence Shell. A brochure on WOW Team Strategy and Child Evangelism has been prepared by Wes Kent. We have numerous other materials through our department that are prepared by the Home Mission Board staff.

The revival tent has been used in crusades at Hoxie; Oak Bowery; South Fork, Gurdon; Faith, Texarkana; Spring Lake, Williford; Sulphur Springs, Pine Bluff; and Calico Rock. The tent has been used these past five years and has deteriorated to the point that it is necessary to purchase a new tent. This will be a cooperative effort

between our department and the Mass Evangelism Department of the Home Mission Board. The new tent should be ready for use this next year.

Area Evangelism Conferences were conducted in Central, Jonesboro; Eagle Heights, Harrison; Oak Grove, Van Buren; First Cullendale, Camden. There were 458 in attendance. Special seminars were led by Clarence Shell, Wes Kent, Ervin Keathley and Gerald Taylor. Dr. Leonard Sanderson, former Director of Evangelism for the Home Mission Board and Louisiana Convention, was our featured speaker.

The Bold Mission Simultaneous Revivals in our state were a great success. Reports from associations show that many victories were experienced. Forty-one of our associations in the state had an organized effort in simultaneous revivals. Our state convention dispensed to the associations \$10,000.00 for publicity in these revival efforts. The associational leadership is to be commended for their cooperative effort in this great movement.

The Evangelism Workshop will be conducted at Camp Paron December 9-10. The theme of the workshop is "Let's Go Fishing". This will be developed under the emphasis of the Call, the Concern, Commitment and Courage to do personal evangelism. The Directors of Missions, Chairmen of Evangelism, PREP Men and Baptist Building leaders will be challenged to a dynamic outreach program that will share Jesus with every lost person in Arkansas.

January 9 is Commitment Witnessing Day. Every pastor is challenged to preach on witnessing and call his people to a definite commitment.

January 24-25 is the date for our State Evangelism Conference. We will meet with Geyer Springs First Baptist Church, Little Rock, Reverend Paul Sanders, pastor. The overall theme of the conference is "Developing Believers in Lifestyle Witnessing". This will be developed under the following emphases: "Conversion", "Characteristics", "Channels", "Commitment", and "Continuing" in a witnessing lifestyle. D.L. Lowrie, pastor of First Baptist Church, Lubbock, Texas will be the Bible teacher. Adrian Rogers, pastor of Bellvue Baptist Church, Memphis, will be one of the featured speakers. One of the new features of the Evangelism Conference is a former president of the Arkansas Convention will be speaking in each session. These are the following: Dr. Wilbur Herring, Don Hook, Tommy Hinson, Don Moore, and Dr. B.K. Selph.

We will have two National Training Seminars for the CWT in 1983. The first will be at South Side Baptist Church, Pine Bluff, March 14-17. The fall seminar will be at Mount Olive Baptist Church, Crossett, September 26-29. Many of our pastors have expressed a desire to attend one of these seminars and start the process in their church.

There will be a Growing An Evangelistic Church Seminar at Camp Paron, March 2-4. We will make an attempt to have at least one person from each association attend this seminar. Dr. Frank Crumpler from the Home Mission Board will be here to direct and teach.

We are continuing to see serious efforts in the area of student evangelism. We are seeing serious efforts and increases in the number of young people who are receiving witness training across our state. We praise the Lord for this type of effort.

Much of the training that is being done in student evangelism is done during our summer camps. Training is offered each week at the Arkansas Baptist State Assembly

at Siloam Springs. 235 campers were trained at Siloam in 1982. The teachers at the assembly were Wes Kent of the Arkansas Baptist State Convention, Doug Cotter of Little Rock, Milt Loftis of Alma, Tom Stover of Perryville, and Ed Simpson of Lonoke.

We are encouraging all association operated camps to offer youth witness training as a part of their curriculum material each year. The WOW (Win Our World) materials are used for these camp situations. WOW is a witness training method designed especially for young people. We received reports of 556 youth trained in association camps in 1982. Those reporting WOW training in their camps were Liberty, Black River, Little Red River, Conway-Perry, Garland, and Concord Associations. Black River Association reported the largest number of youth being trained in personal evangelism with 162 receiving instruction. Garland Association trained 144 young people. There will be many young people sharing their faith in Christ as a result of the witness training received during 1982. We are already receiving reports in our office from the youth themselves who have led friends to Christ and need more witnessing materials from our office!

There were 27 new WOW teachers certified during this past year making a total of 96 available WOW teachers in Arkansas at this date. We will be doubling the WOW training that is given at the Arkansas Baptist State Assembly during the summer of 1983. There will be two sessions of WOW offered each week of the assembly in 1983.

The TELL (Training for Evangelistic Lifestyle and Leadership) materials are being well received across our state. The Home Mission Board of the Southern Baptist Convention granted special funding to the TELL work to enable associations to buy a TELL set for their association at a cost of only \$250.00. The regular cost of a TELL set is \$894.00. Every association in Arkansas was written by the Home Mission Board and the Evangelism Department of the Arkansas Baptist State Convention and encouraged to purchase the TELL set as they were made available. Funding for this special purchase was quickly depleted as many associations across our country took advantage of this opportunity. The Evangelism Department maintains two TELL sets that can be reserved by any church or association on a first-come, first-served basis.

The theme for the Youth Evangelism Conference for 1982 is "Rejoice in Thy Youth" based upon Eccl. 11:19. This meeting will take place December 27-28 at Second Baptist Church, Little Rock and December 28-29 at First Baptist Church, West Memphis. We are continuing the two locations of the Youth Evangelism Conference since it was well received in 1981. 2300 young people attended the Youth Evangelism Conferences held in Little Rock and Fort Smith this past year. Thirty-four professions of faith, sixteen decisions for full time Christian service, and sixty-two rededications were recorded on the first days of the meetings. Many other rededications were made on the second days of the meetings that were not recorded.

It is the hope of our department that every pastor in Arkansas will give priority to evangelism. Our prayer is that our people will continue in the New Testament concept found in Acts 8:4, "They that were scattered abroad went every where preaching the word." Let us join hands and hearts to share Christ with every lost person in our state.

MINISTRY OF CRISIS SUPPORT

Glen D. McGriff, Director

The Ministry of Crisis Support has experienced a year of tremendous growth. Knowledge of availability of this ministry has been shared across the state. There has

been a positive affirmation of the need for ministry during times of stress. This has been evident as increased numbers of Baptist Staff personnel have responded. Along with increase in personal counseling, opportunities for preaching, speaking and sharing in conferences and seminars has increased. It is evident that an overall growth by more than twenty percent has been experienced.

We are deeply grateful to the Directors of Missions for their genuine desire to communicate to their area churches and pastors our availability. Much of our growth this year has been a direct result of their communication with churches and pastors. Invitations to share in conferences and group meetings have been extended to us by our Missions Directors.

It is with much joy and great anticipation that I look forward to another year. I am grateful for the privilege of walking with my co-labourers in the ministry as their friend. God has affirmed in so many ways that His hand is upon this ministry. The needs today are indeed numerous and my desire is to be found a faithful friend and helper.

Our office is located at 9601 Lile Drive, Suite 660 in the Medical Towers Building continues to serve the ministry well. We are able to provide a high degree of privacy to all who feel a need for assistance.

STATE MISSIONS

Conway H. Sawyers, Director

The purpose and objective of the Missions Department is to support the Arkansas Baptist State Convention in its task of bringing men to God through Jesus Christ by developing and promoting, in cooperation with churches and associations, old and new outreach ministries into all changing facets of modern life in response to the Great Commission (Matthew 28:19-20).

DIRECT MISSIONS

CHURCH PASTORAL AID. Many numerically small churches in the state cannot afford to provide competent pastoral leadership on any adequate basis to meet the needs of the community. In 1982 the Missions Department supplemented the pastoral salary of 32 small churches and missions amounting to approximately \$60,000, enabling them to have pastoral leadership.

MISSIONARY SALARY AID. Historically the trend among our 42 associations has been to become self-supporting. To aid these associations as they grow in cooperation and fellowship, supplements have been made to the salary of the Director of Missions. Three associations are now receiving this assistance.

IN-SERVICE GUIDANCE is a cooperative ministry of the Home Mission Board, State Missions Department, Ouachita Baptist University and Southern Baptist College. This program offers counseling and on-the-job-training for ministerial students.

BOYCE BIBLE SCHOOL, LITTLE ROCK CENTER, under the direction of Ralph Davis, continues to meet a growing need in the Central Arkansas area. Classes meet at Central Baptist Hospital in Little Rock on Friday nights and Saturday mornings. Boyce is an extension of Southern Baptist Seminary in Louisville, KY.

THE ARKANSAS-INDIANA LINKAGE is going very well in 1982. At least 50 groups made trips to Indiana this summer to offer various kinds of help to the

churches of that mission frontier. Churches and associations in Arkansas are giving pastoral salary aid, conducting Vacation Bible Schools, surveys, music evangelism and revivals, exchanging pastors for revivals, sending work crews to help in building projects and more. All the events and activities happening in Indiana are part of the long range goal to establish 275 new churches and missions by January 1, 1990.

CHAPLAINCY MINISTRIES

CHAPLAINS EMPLOYED BY THE ARKANSAS BAPTIST STATE CONVENTION. The five chaplains employed in the Missions Department reported a fruitful year in the Lord's work. Chaplain Williams reported a mighty outpouring of the Holy Spirit during a revival at the Cummins Unit of the Department of Correction in November, 1981. The revival, conducted by Dr. Eddie Wheeler of the Home Mission Board, resulted in 62 professions of faith and many rededications. A total of 229 professions of faith was reported by our five chaplains.

NEW CHAPLAINCY PROJECT. Financial assistance from the Home Mission Board and from the Arkansas Baptist State Convention made it possible to establish a part time chaplaincy with the Pulaski County Jail and Sheriff's Department. In January, 1982 Rev. Ray Branscum began the work, giving about 20 hours each week. The jail houses up to 200 inmates.

STUDENT CHAPLAIN INTERN PROGRAM. Three Ouachita Baptist University students in Junior or Senior classification follow an academic course of study under supervision of Chaplains Benny McCracken and Doyle Lumpkin and earn three semester hours credit.

CHAPLAINCY CONFERENCES IN 1982. A Conference for volunteer industrial chaplaincy was held in Camden in January. Attending were nine local pastors and representatives from four local industries.

The Annual Chaplaincy Awareness Conference in May was attended by 29 chaplains. The conference leader, Dr. Cecil Sherman, presented five lectures on Biblical Ethics.

Quarterly conferences are held by the Director of Chaplaincy for the five chaplains employed by the Convention.

MISSIONS MINISTRIES

Missions Ministries is a change in name for this area of work previously called Special Missions Ministries. The three areas of work are all in the Missions Ministries section of the Home Mission Board.

CHRISTIAN SOCIAL MINISTRIES seeks to involve churches and associations in ministries. Workshops, surveys, consultations, etc., are available by request to churches and associations.

Rev. Dean Preuett, Central Arkansas CSM Consultant, continues to relate to associations in Central Arkansas and has been very involved in several local churches.

Rev. Ariel Hernandez, is director of the Bartholomew Migrant Center, located at Hermitage. He also visits on farms where migrants work in Southeast Arkansas. January 1-September 1 there have been 234 professions of faith.

Rev. Bob Gross is director of the Migrant Mission Center in Hope, Southwest Baptist Association. Estela Belloso, a National of El Salvadore, Central America, has

become assistant to the director. January 1-September 1 there have been 36 professions of faith.

SPECIAL MISSION MINISTRIES has a concern to develop a volunteer and resort strategy. Orientation was given to 32 summer missionaries that served in local churches, associations, resort ministries, and National Baptists. There were more than 50 professions of faith reported.

Two Campers on Mission rallies were held at Southern Baptist College and Camp Paron. Ten people attended the National Rally in Knoxville, Tennessee.

INTERFAITH WITNESS provides material and conferences to equip Arkansas Baptists to share a positive Christian witness to persons of other faiths.

LANGUAGE MISSIONS

ETHNIC CONGREGATIONS. Arkansas Southern Baptist Churches are reaching out to eight different language-culture groups through the establishment of ethnic congregations. Being reached are: Deaf, 23 churches; Hispanics, 6 churches; Vietnamese, 8 churches; Laotians, 8 churches; Cambodians, 2 churches; Korean, 2 churches; Filipinos, 1 church; and Romanian, 1 church.

There are two approaches that churches are taking in ministering to ethnics, Transcultural Outreach and Ethnic Church Growth. Most churches are using the former, i.e., "mainstreaming" language-culture persons into the existing church program. Other churches have opted for the later, i.e., the establishment of ethnic mission congregations.

MINISTRIES TO INTERNATIONALS. Four churches have ministries to Internationals. Internationals are persons living in the United States on a temporary basis. These include exchange students, military people, tourists and business people.

LANGUAGE MISSIONS CONFERENCES. In 1982 the ten area conferences relating to language missions held included: Coordinators of Deaf Ministries; Language Missions Leadership, and Deaf Ministry Leadership.

Two State-wide Deaf meetings have been held: Arkansas Baptist Deaf Leadership Conferences, and the Arkansas Baptist Conference of the Deaf.

FUTURE WORK. Future work strategy entails: new mission points; new workers; and new programs.

CHURCH EXTENSION

May 22, 1983 has been designated as Pentecost Sunday, when we are encouraging 3,000 of our churches throughout the Convention to commit themselves to starting a new work during the 1983-84 Convention year. Help us have 120 churches in Arkansas to make such a commitment on Pentecost Sunday.

PORTABLE CHAPELS. The response to the Dixie Jackson Offering for State Missions in 1981 enabled us to purchase a new portable chapel, bringing our total to six. These chapels will accommodate three to five classes and up to 50 people in worship. They are meeting a real need in starting new churches.

CONTINUING THEOLOGICAL EDUCATION. Seminary Extension Centers are located in various associations in the state and offer a basic or non-degree curriculum and a college level curriculum. Both curriculums offer wide and well balanced courses of study.

Seminary Extension Home Study Institute makes available the same courses as the Centers, but are taken through correspondence.

The Satellite Program offers master's level work and is for college graduates.

THE REVOLVING LOAN FUND. During the 12 month period ending May 31, 1982, \$143,000 was loaned to 13 churches, and there are 29 churches on the waiting list as of September 1, 1982.

BUILDING AID GRANT FUND. Twelve churches have benefited from the Building Aid Grant Fund in the amount of \$30,000.

CHURCH/MISSIONS SITE FUND. \$10,000 has been spent from this fund in 1982.

STEWARDSHIP/COOPERATIVE PROGRAM

James A. Walker, Director

Stewardship

How can you describe stewardship so fourth and fifth graders will understand what it means? The question brought this response. Stewardship is saying yes to God's ownership and sharing the resources He gives for world ministries through the local church.

The Stewardship/Cooperative Program Department exists to serve the churches as they seek to develop Christian stewards and ministers in Jesus' name.

Arkansas Baptist churches and associations provided these open doors for ministries through the Stewardship/Cooperative Program Department.

- * **Missionary-in-residence.** Clarence Allison served as Missionary-in-residence from August 1981-July 1982. Glendon Grober, missionary to Brazil, will join the department in November. Ed Pinkston, Ivory Coast, will come in July 1983.
- * **Staff Salary Conferences.** Six Associations have conducted pastor/church staff salary conferences.
- * **The Department worked with the Foreign Mission Board in enlisting seven Arkansans for a stewardship mission in Zambia, Africa. The mission resulted in 1341 commitments to tithing and 331 professions of faith.**
- * **Twenty-two foreign missionaries attended an orientation for missionaries furloughing in Arkansas.**
- * **Numerous churches asked the Director to introduce Together We Build and/or Building for Today's Challenge programs to their building/finance committees.**
- * **A tax seminar in January provided information for pastors and staff members on federal and state income taxes. The Department distributed 24 tapes of the seminar.**
- * **The Department provides a monthly update on Cooperative Program giving and stewardship promotion through the Stewardship newsletter.**
- * **Over 125,000 pieces of stewardship literature were distributed through the stewardship office.**

- * Bold Mission Encounter '82. Approximately half of the associations conducted lay presenter training sponsored by the Stewardship Department. Two hundred laymen were trained to present their stewardship testimonies and encourage mission support. The laymen will speak in approximately 400 churches.
- * During the average week the Stewardship/Cooperative Program Department responds to fourteen requests for literature and 13 requests for information.
- * Money Management Seminars are conducted in churches by personnel from the Stewardship Department.
- * 1983 activities include:
 - * A tax seminar set for January 26
 - * Bold Mission Encounter lay presenter training in associations
 - * Prove the Tithe Day, November 6.

Cooperative Program

Arkansas Baptist Churches affirmed "the work" and the Baptist way of cooperation in 1982. During the year, 94.29 percent of the churches gave through the Cooperative Program. This is considerably above the Southern Baptist Convention average.

The churches gave 9.77 percent of their tithes and offerings for world missions through the Cooperative Program. This again, is above what the average church in the SBC gives.

Arkansas Baptists also share one percent more than the average state convention to SBC causes. Beginning in 1983, the state convention will increase its percentage $\frac{3}{4}$ of one percent each year to the Southern Baptist Convention ministries.

Mission support through the Cooperative Program is encouraged by:

- * Observance of Cooperative Program Day, April 17, 1983 and Cooperative Program Month, October. Promotional materials and information is provided by the Department to the churches.
- * Missions Night Out. Some associations schedule a missions night out and invite church leadership to hear about associational missions and Cooperative Program ministries. The Department sponsors missions night out in cooperation with the associations.
- * Cooperative Program Breakfast. Pastors and key church leaders are invited to the Cooperative Program Breakfast conducted on a Wednesday morning of the State Convention.
- * Two new Cooperative Program films, *More than Money* and *Cooperative Program, Love in Action* are provided by the Department for use in churches and associations.
- * 2-5 by '85 emphasis. As a part of Bold Mission Thrust, churches are encouraged to increase their Cooperative Program giving by 2 - 5 percent by 1985. Churches giving smaller percentages are encouraged to increase their presentage giving to at least ten percent.

- * Vinyl placecards provided by the Department to all churches, encourages churches to set goals for associational missions and Cooperative Program 1983-1985.

Two goals are within reach for Arkansas Baptists during 1983. It is possible for the churches to average ten percent of their tithes and offerings through Cooperative Program ministries. It is also possible to have 100 percent of our churches giving through the Cooperative Program.

SUNDAY SCHOOL

Lawson Hatfield, Director

This report reflects the Sunday School Department's efforts to support churches and associations in fulfilling the overall Sunday School task:

1. Reach persons for Bible study
2. Teach the Biblical revelation
3. Witness to persons for Christ and church membership
4. Lead persons to worship daily
5. Minister to Sunday School members and non-members
6. Provide and interpret information concerning the work of the church and denomination

The objective of the Sunday School Department is to support the Arkansas Baptist State Convention in its constitutional purpose - "to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closest cooperation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God."

Arkansas Baptist churches reported a gain of 3,490 in Sunday School enrollment during 1980-81. This increase provides excellent momentum for 8.5 by 85, a campaign aimed at reaching a Sunday School enrollment of 8.5 million by September 30, 1985 throughout the Southern Baptist Convention. This campaign is an integral part of Bold Mission Thrust.

The 1981 Annual of the Arkansas Baptist State Convention reflects a total Sunday School enrollment of 246,282 in our churches. If we reach our share of the SBC goal, we will need to have an enrollment of 270,975 in 1985. An annual net gain of 6,173 will be necessary if we are to meet our goal.

The Arkansas proportion of the national growth goal is our ratio of Sunday School members to that of the rest of the Convention. A simple formula can be applied to help a church know what its proportionate part of the total goal is. The key number in the formula is 43. What this really means is that a church needs to have a net gain of one new member for each 43 presently enrolled. A church can divide its enrollment by 43 and calculate its necessary annual net gain for each year through 1985. This figure represents the annual church 8.5 by 85 goal.

In its continued commitment to help churches strengthen their Sunday Schools through the associational organization, department personnel gave assistance to 22 associations in 28 projects during the year.

Forty associational Sunday School directors and 8.5 by 85 representatives were

briefed on 8.5 by 85 and the 1982-83 Sunday School program in the Church Growth Thrust meeting held in Park Hill Church, North Little Rock.

The state Vacation Bible School Clinic trained 202 team members to lead conferences in associational VBS clinics. Thirty-one associations were represented at the clinic. Department personnel assisted four associations in 5 VBS Clinics.

Assistance was given to 36 churches in 41 local church projects. Approximately 6,000 Sunday School teachers and officers were trained in the associational, state and local church projects supported and promoted in the Sunday School Department.

The Weekday Early Education Workshop was held in Markham Street Baptist Church in Little Rock in conjunction with the Missions Department. Directors and teachers of kindergarten, day care, and Mother's Day Out programs were trained in this workshop.

The 1981 Sunday School Convention was held in Baring Cross Church, North Little Rock. Teachers and officers were trained in the "Basic" series of books.

The 1982 Sunday School Convention will be held September 20-21, 1982 in the Geyer Springs First Baptist Church, Little Rock. 8.5 by 85 will be highlighted with age group conferences and major addresses by Harry Piland and Leon Kilbreth.

Department personnel and selected conference leaders attended eight training and planning projects sponsored by the Baptist Sunday School Board.

Department personnel presented Sunday School work to Ouachita Baptist University and Southern Baptist College students in religious education classes.

A Church Architecture Conference trained 75 church leaders and architects, and architectural consultations were held for nine churches following the conference. Consultations were held with seventy five churches and associations during the year. Assistance is available for designing new building floor plans, remodeling, redecorating, and landscaping. Plans for associational homes and offices and campground drawings are also available.

Six Arkansas Baptist Assemblies were programmed by department personnel. This was the 77th year for the assemblies and the 59th year for them to be held at the Siloam Springs grounds. The total registration for the six assemblies was 5377, with 263 professions of faith, 47 commitments to church vocations, and 331 rededications.

The new Sunday School book, **Growing and Winning Through the Sunday School** was taught each of the six weeks with a total of 120 enrolled from 38 churches.

WOMAN'S MISSIONARY UNION

Julia Ketner, Executive Director

PURPOSE: The purpose of Arkansas Woman's Missionary Union is to assist churches and associations in missions education, primarily with leadership training, beginning new organizations, promotion of the three special mission emphases on praying and giving, and to provide age-level activities to strengthen the cause of missions.

EMPHASIS: In 1981-82 Woman's Missionary Union concluded a three-year emphasis on life-changing commitments, and emphasis that undergirded Bold Mission Thrust. The over-arching aim of the emphasis was to lead church members to make life-changing commitments for the support of missions.

WEEKS OF PRAYER AND SPECIAL MISSION OFFERINGS: Church-wide participation in prayer and giving was promoted during observances of foreign, home, and state missions. For the first time, Arkansas Baptists give over two million dollars to missions through the three special mission offerings. The 1981 offerings were: 830 churches giving \$500,844.92 to the Annie Armstrong Offering; 705 churches giving \$283,387.90 to the Dixie Jackson Offering; and 1,000 churches giving

\$1,504,389.79 to the Lottie Moon Offering. As of October 5 gifts of Arkansas Baptists through the special mission offerings for this year totaled \$2,225,794.77 divided as follows:

Lottie Moon Offering	\$1,676,982.33
Annie Armstrong Offering	471,123.04
Dixie Jackson Offering	77,689.40 (just being received)

GIFT MAGAZINES: Arkansas WMU provides home and foreign missionaries from Arkansas a magazine of their choice as an expression of love and appreciation. This is possible through love offerings taken during WMU Annual Meeting in March of each year plus a small budgeted amount. Through August of 1982, one hundred missionaries had requested and were receiving magazines.

LEADER TRAINING: Training for church and associational WMU leaders continues to be a priority. Statewide activities included:

- Associational WMU Officers' Retreat, Camp Paron, with 113 attending and 29 associations represented;
- Statewide Church WMU Training Day, Immanuel Baptist, Little Rock, with 18 conferences offered and 542 attending;
- Fifteen Area Church WMU Leadership Conferences held in Texarkana, Monticello, Forrest City, Blytheville, Fort Smith, Rogers, Mountain Home, and North Little Rock. Night meetings were held in cooperation with the State Brotherhood Department. WMU attendance totaled 785.
- A Spring Training Workshop for Mission Friends and GA leaders and the first Associational Acteens Officers' Retreat were also held.

ORGANIZATIONAL ACTIVITIES: A varied program of state activities were held for missions inspiration, information, challenge, and fellowship. These included:

- State WMU Annual Meeting, Baring Cross, North Little Rock, with approximately 900 attending;
- Two Baptist Women Retreats, Camp Paron, with 271 attending;
- The first joint National/Southern Baptist Women's Fellowship Meeting at Arkansas Baptist College with approximately 300 in attendance;
- A Young Adult Missions Meeting and Young Adult Mission Trip in cooperation with the State Brotherhood Department;
- Acteens Encounter, First Baptist, North Little Rock, with 400 attending, and Acteens Camp at Paron;
- Three GA Mother-Daughter Camps for younger GAs with 352 attending; four weeks of GA Camp for older GAs with 412 attending; and the first GA Missions Spectacular for older GAs and leaders with 360 in attendance.

MK ACTIVITIES: During 1981 thirty-nine MKs were recipients of a birthday card and a \$5.00 check as an expression of love from Arkansas WMU. Also provided for MKs in Arkansas was a retreat at the home of the John McAlisters in El Dorado.

SCHOLARSHIPS: Nancy Cooper Scholarships for the 1982-83 school year, in the amount of \$400 each, were granted to Gina Godfrey, Lori Webb, Nancy Holland, students at Ouachita Baptist University, and to Teddy Reynolds, Jim Derrington, and Paul King, students at Southern Baptist College.

STARTEAM: Eight women selected to serve for a two-year term continue to

contact churches without WMU. Through July, 34 of the 59 churches contacted had begun WMU. Thirty-three other churches assigned to STARTEAM members have also begun WMUs, giving a total of 67 new WMUs. We must continue to see missions education as necessary and vital for a church fulfilling its mission.

STATE WMU STAFF: In 1981, Willene Pierce, BW/BYW director was elected Executive Director of Maryland Woman's Missionary Union and Debbie Moore, GA/MF director, was appointed as a foreign missionary to Liberia to do Women's Work. To fill these vacancies, Carolyn Porterfield, graduate of Southwestern Baptist Theological Seminary, was elected BW/BYW director and Pat Glascock, graduate of New Orleans Baptist Theological Seminary, was elected GA/MF director. Both have served as Journeymen in Japan and Tanzania.

STATE WMU OFFICERS: Elected at the Annual Meeting in March were Mrs. Boyd Margason, Mountain Home, president; Mrs. Buddy Stockton, west Fork, vice-president; and Mrs. George Polos, North Little Rock, recording secretary.

ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

Johnny G. Biggs, Executive Director

Strengthening families is our business. The family has been attacked, analyzed, separated and criticized. In many instances, it has been broken apart and put back together. To find all of the missing pieces and put them back in working order was sometimes difficult and always painful. However, the family has survived and will continue to survive because the family is God's idea. In a recent publication, Harry Hollis, Jr., stated "the family is God's institution for this enrichment and ordering of human life. Families will be strengthened as we come to see that the church is the best friend families have in our society". We are grateful that Arkansas Baptist Family and Child Care Services is an arm of the church reaching out to help heal the hurts of families and children in His name. As a Board and staff, we heartily endorse the Southern Baptist Convention Bold Mission Thrust emphasis in devoting three years to the issue of strengthening family life in our country.

Our years of caring for children have taught us that the best way we can help a child is to help his family. Because of the support and interest of Arkansas Baptists, we have experienced a challenging and satisfying year of ministry and are happy to submit this report for your information and prayerful consideration.

ARKANSAS BAPTIST HOME FOR CHILDREN. The Arkansas Baptist Home for Children, a strong and caring Home for children for 88 years, served 97 children during the year. Children coming out of conflict and confusion were met with concern and compassion by our staff. In an atmosphere of Christian acceptance and understanding the young people are given help to correct unacceptable behavior patterns, self-defeating attitudes and encouraged to build their life on reality and Christian values. During the year, 48 children were admitted and 64 were released during the same period. Working to resolve family conflicts and build positive family relationships continues to be a priority of our staff.

GRADUATES. Graduation from high school was a joyous occasion for nine of the young people in our care; four of these young people lived at Arkansas Baptist Home for Children and the other five lived in our approved foster homes. These young people are to be commended for reaching this milestone in their lives and we believe they will be contributing Christian citizens in our society.

RELIGIOUS LIFE ON CAMPUS. Teaching children that Jesus Christ is the Way, the Truth, and the Life is very much a part of the way of living at Arkansas Baptist Home. We strive to do this through faithful attendance at local Southern Baptist churches as well as carefully planned vespers programs on campus. Ouachita Baptist University students have been a part of the vespers program each month this past year, as well as being on campus for a religious emphasis week-end. The on-campus retreat resulted in five professions of faith and many rededications. Many children and youth are confronted with the Good News of Christ for the first time. We had nine young people make professions of faith this year. Siloam is always a very good experience for our youth. The three summer missionaries on campus each summer add to our staff to help teach our children the life of Christ.

SPONSORSHIP. The sponsorship program continues to be a double blessing as it provides people a chance to share in our child care ministry, as well as providing many, many good things for Arkansas Baptist Home children and youth. This year we have approximately 335 groups and individuals who have provided allowances, clothing, camp fees and special needs funds for those in our care. It is good to be able to combine physical care with loving concern and Christian teaching. Thank you, sponsors, for a very good year.

AREA OFFICES. Our area offices located in Little Rock, Jonesboro, Fayetteville, Harrison and Hope have been active in ministering to people all across our state. An all-time high of 888 new referrals were handled by these offices, representing a variety of personal and family problems. Helping to resolve parent-child conflicts and marital problems deserve our best effort. A major responsibility of these offices is to respond to the needs of children who need care in one of our residential programs. Referrals come from schools, courts, social agencies, individuals and through our churches.

FOSTER CARE - GROUP HOME CARE. Baptist families in our state joined hands with our agency in providing foster care for 24 children during the year. Many children need the experience of living as a part of a caring family. The agency provides monthly financial assistance to meet the child's needs. We need additional foster homes. Five boys received care and Christian direction for their lives by living in our Group Home for Boys in Jonesboro.

EMERGENCY RECEIVING HOMES. Our two emergency receiving homes for children in central Arkansas cared for 331 children during the year. Three hundred thirty-one children who needed our ministry because of neglect, abuse, abandonment is an alarming statistic to us, but not just another story of numbers to God the Father. For He knows each of these 331 by name and need and does He not grieve and long for His love (and purpose and plan) to be known by them? And, there are many others.

FINANCES. Because Arkansas Baptists have a deep love for our Lord and a concern for hurting children and families they have responded generously in their financial support. In addition to the Cooperative Program, 1054 of our 1286 churches gave \$334,433.78 in direct gifts in 1981. That is 14.94% above what was given the previous year.

We appreciate the strong support the Cooperative Program continues to provide. However, the multiplying needs and inflation make it imperative that we have increased support beyond the Cooperative Program.

Direct gifts from the churches include Thanksgiving Offering, Mother's Day

Offering, church budgets, birthday offerings and sponsorships. Each church decides which of these and to what degree it will participate.

NEEDS. We are currently responding to requests from three areas in our state (two associations) for our agency to expand our ministries to their area. We have completed needs assessments in Calvary and Liberty Associations which confirm the need for an Emergency Receiving Home in these locations. Resources are being sought to develop these needed ministries. In response to a request from the Lee County Ministerial Alliance, a study of the needs in six eastern Arkansas counties will be completed this summer. We are prayerfully considering these needs and our response to these needs and would ask your prayers for us as we seek the will of God in these matters.

As we think about a new year and additional needs, we look to our heritage for an image of our future. Our agency was founded on a strong religious conviction that God is best served as we humbly serve our fellowman. The Master himself in reaching out to those in need, pointed the way with a message that has endured across the centuries: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me".

All of these ministries are possible because of a committed dedicated staff. Christian child care is not a job; it is a call to ministry. Our staff has dedicated themselves to the task. We thank God for leading us and leading you in His ministry "unto the least of these". You undergird all that we do and we are grateful.

ARKANSAS BAPTIST FOUNDATION

Harry D. Trulove, President/Treasurer

"My growing commitment. . . a witness to the world through estate stewardship" was the theme chosen by the Foundation Board to promote its ministry for 1982.

Arkansas responded to the challenge and the assets managed by your Foundaiton increased by 14.29%. The income realized from the investments exceeded by three and one-half times the amount allocated to the agency through the Cooperative Program. (A complete audit appears on pages 295-302 of the 1981 Annual.)

More important than the dollars earned are the things these dollars made possible. Foundation dollars joined hands with other Baptist dollars to help approximately 1,250 children from broken homes discover the meaning of love through the ministry of Family and Child Care. On the college campus, Student-to-Student workers supported by the Third Century Endowment saw over 200 of their peers make a decision for Christ. In Bangalore, India, 600 patients experienced spiritual healing as they came to know "the Great Physician." At Ouachita Baptist University, Southern Baptist College, William Jewell University, Union University and our six Southern Baptist Seminaries, over 150 students had the opportunity to study in a Christian environment because of the financial assistance made possible from scholarship funds.

Your Foundation serves as the Convention's Trust Agency and offers its services to any institution or agency related directly or indirectly to the Arkansas Baptist State Convention. Because the Convention has provided investment expertise through the Board of Directors, the agency is able to free the Administrators and Boards of other agencies from this responsibility. This enables them to give their time and talents toward fulfilling the opportunities that are peculiar to their ministry.

A five-year study of the Pooled Investment Fund revealed that the earnings realized by a dollar in the fund in 1976 was 53% more for 1981. The goal of the Investment Committee is to increase this percentage each year by at least the rate of inflation.

BOARD RECOMMENDATIONS

Most of the funds placed with the Foundation are designated by the donor. However, the Foundation charter provides that, "In the absence of specific directions by the donor, grantor or testator, gifts, bequests, and donations shall be known as "Undesignated Funds" and a distribution of the principal or income of such funds or property shall only be made upon approval of The Arkansas Baptist State Convention. . ."

The Foundation Board recommends that: *"Beginning with 1983, and continuing until such time as the Convention shall recommend otherwise, the income from undesignated gifts placed with the Foundation will be channeled through the Cooperative Program."*

Such action will:

1. Channel the funds through a budget plan that covers all areas of ministry in the state and the national conventions.
2. Remove any sign of favoritism in selecting the recipient.
3. Provide a way for the Convention to make a change in the event of an emergency.

To facilitate the handling of business transactions and to include more than one person in these transactions, the Directors recommend that the By-Laws be changed as follows:

“With the consent of the Board of Directors, the Chairman of the Board and the Secretary shall have the authority to execute necessary instruments to accomplish the foregoing transactions.”

Proposed Change

“With the consent of the Board of Directors, the President, Vice President and the Treasurer of the corporation, or any one of such officers, shall have authority and empowerment to transfer, endorse, sell, assign, set over, and deliver any and all shares of stock, bonds, debentures, notes, evidence of indebtedness, or other securities now or hereafter standing in the name of or owned by this corporation, and to make, execute and deliver any and all written instruments necessary or proper to effectuate the authority hereby conferred. Any such transaction will require a separate resolution signed by the Secretary of the corporation.”

IV.

The corporation shall not have the right to mortgage, hypothecate or otherwise pledge either the real, personal or mixed property under the ownership or control of the corporation, except that it may refinance or renew any indebtedness that may exist at the time that the ownership or management of the said properties passed to the Foundation, provided that in any such refinancing the property securing such loan shall be the sole security thereof.

V.

The place where the business of the corporation is to be transacted is within the State of Arkansas, at such time and place as may be determined by the Directors. The principal office and place of business shall be located in the City of Little Rock, County of Pulaski, Arkansas. The Directors shall have authority to adopt such By-Laws as they may deem advisable and not inconsistent with the provisions of this Charter or policies of The Arkansas Baptist State Convention.

VI.

The period of duration of this incorporation shall be perpetual.

VII.

The number of Directors shall be a minimum of fifteen (15) and they shall be elected by The Arkansas Baptist State Convention at its annual meeting. One-third ($\frac{1}{3}$) shall be elected by the State Convention at each annual session. In the event there should be a vacancy on the Board of Directors by reason of death, resignation or otherwise, the remaining Directors shall fill such vacancy until the annual meeting of the Arkansas Baptist State Convention.

The corporation is without capital stock and no shares of stock are issued. The members thereof shall be the accredited messengers of The Arkansas Baptist State Convention, and shall at all times include the Directors of the corporation, each of whom shall be a faithful member of a Baptist church which is in active cooperation with The Arkansas Baptist State Convention. **ARKANSAS BAPTIST HISTORICAL COMMISSION
1607 Utopia Drive, Benton, Arkansas 72105**

Bernes K. Selph, Director

Your Director and Chairman of your Historical Commission, Don Hook, spent some time last March with Mrs. Juanita Barnett, Librarian, Riley Library, OBU, reviewing our state collection there, studying property needs, and discussing the future of the Commission's needs. Mrs. Barnett and her staff are rendering valuable help in assembling, cataloging and preserving our history.

Her office reports that they spent much of this year in preparing the list of minutes needed for microfilming. These are being processed by the Arkansas History Commission. This will give us a complete file of Arkansas Southern Baptist Association minutes from 1900 to 1979. Besides this, two churches. . . DeGray Baptist Church, Clark County, and Pleasant Hill Baptist Church, Rogers, have allowed their records to be microfilmed.

In addition to the above named, sixty-seven rolls of microfilm ranging from associational and church minutes through the Compere Papers, have been read and cards typed for the card catalogue. The card catalogue has been updated and revised making the material more accessible to researchers. The staff has assisted research for fifteen people in locating information for specific Arkansas Baptist churches and/or ministers. Too, the Central Baptist College Student records have been filed and made available for researchers.

There is a growing interest among our people in their history, indicated in the use of our archival materials and in inquiries made to your director. Make it personal by preserving your family history and that of your church.

ARKANSAS BAPTIST NEWSMAGAZINE

J. Everett Sneed, Editor

Joseph Pulitzer said, concerning writing as a means of communication, "Put it before them briefly so they will read it; clearly so they will appreciate it; precisely so they will remember it, and above all, accurately so they will be guided by its light."

Habakkuk 2:2 says, "And the Lord answered me, and said, write the vision, and make it plain upon tables, that he may run that readeth it."

With a biblical injunction to communicate and a challenge to do it with journalistic excellence, the Arkansas Baptist Newsmagazine seeks to fulfill its role to Arkansas Baptists.

The purpose of the Arkansas Baptist Newsmagazine is to promote Baptist principles and programs, to interpret the events and movements affecting the people of God and the churches of the Arkansas Baptist State Convention.

Religious news of local, state and national interest is featured. It is our goal to inform the Baptists of our state so that they will be more responsive to the cause of Christ.

The Arkansas Baptist Newsmagazine is responsible to the Convention through the directors elected by the Arkansas Baptist State Convention. This is the second year in which the Newsmagazine has operated under a separate board. From the perspective of the editor and staff this plan is proving exceedingly advantageous. The Board, under the leadership of Jon Stubblefield, pastor of Central Church, Magnolia, has provided invaluable input which is assisting both the effectiveness of the Newsmagazine and its financial stability. The Board, which consists of ministers, journalists, attorneys, businessmen and women, provides a unique resource for the Newsmagazine staff.

The Newsmagazine currently has approximately 67,000 subscribers. There are 880 churches who have the magazine in their budget to send to Every Resident Family.

The staff assisting Editor Sneed consists of Betty Kennedy, managing editor; Mary Giberson, secretary to the editor; Ann Taylor, bookkeeper and circulation

manager; Millie Gill, staff writer and photo-lab technician; and an intern.

This was the second year for utilization of a seminary student as an intern. Bob Allen, a Master of Religious Education student at Southern Baptist Theological Seminary, Louisville, Kentucky, is serving as the intern for the ABN. This program has proven most successful both to the intern and to the Newsmagazine.

The greatest problem confronting the Newsmagazine continues to be inflation, particularly, second-class mailing. The postage required to mail the Newsmagazine has increased since 1972, when the cost was less than \$14,000. The Newsmagazine estimates that postage will be \$202,000 for 1982. In order to maintain a balanced budget, it has been necessary for us to increase our subscription costs. We are hoping that it will not be necessary to increase subscription rates in 1983, due to another rise in second-class postage.

Our readers will be notified through the pages of the Arkansas Baptist Newsmagazine if any increase occurs in subscription costs. We will make every effort to keep our readers informed as to the action of Congress concerning the postal subsidy.

The Newsmagazine desires to help guide the general welfare of Arkansas Baptists for the glory of God, while striving for the journalistic excellence admonished by Pulitzer.

Since every Baptist church is totally autonomous, it is essential that we have proper information in order to properly serve God together. The best instrument to disseminate news and information to Arkansas Baptists is the Arkansas Baptist Newsmagazine. We appeal to pastors and church leaders to encourage their churches to place the Newsmagazine in their budget for all of their families. We believe that it will be valuable to the churches for their members to be informed on our total Baptist work. We, also, believe that informed Baptists are more responsive. Let us join hands to promote the entire kingdom's work.

BAPTIST BOOK STORE

4418 South University, Little Rock, Arkansas 72204

Robert C. Barnett, Manager

The Baptist Book Store in Little Rock, in its 89th year of service, is striving continually to grow with the churches and their members—and has projected the image and theme—**PARTNERS IN GROWTH**. We are, constantly, seeking out methods of distribution of material to assist people and churches in their growth effort in new experiences and in gaining new insights.

The earliest beginning of the Baptist Book Store in Little Rock dates back to 1901. The purpose of the store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a **SAVIOUR**, and to provide adequate help for teaching and training the church, the home and each individual believer.

Through the distribution of catalogs, we seek to inform our customers of many of the materials we have available for them. The Baptist Book Store Catalog is made available in August of each year and the Christmas Shopper is available each October. Our purpose is to pinpoint areas of need with precise product and service suggestions. These tools, if kept accessible at all times by our customers, will provide the Baptist Book Store an opportunity to become more effective as **PARTNERS IN GROWTH**

with those we serve.

The budgeted anticipated sales for the year beginning October 1, 1982 through September 30, 1983 is \$1,115,000. All orders received by mail and long distance telephone will be shipped from our Baptist Book Store Mail Order Center, 3359 Winbrook-P.O. Box 161121, Memphis, Tennessee 38116.

It should be noted that a significant percent of the Little Rock Baptist Book Store's earning and the Sunday School Board's earnings will be invested back into the Arkansas Baptist State Convention by the Sunday School Board.

Dedication in service is our goal and is expressed in our slogan...PARTNERS IN GROWTH.

BAPTIST MEMORIAL HEALTH CARE SYSTEM, INC.

Memphis, Tennessee

Joseph H. Powell, President

This report covers the period May 1981 through April 1982. The statistical portion of the report is for the calendar year 1981.

During the period covered by this report Baptist Memorial Hospital made progress in the following areas:

Baptist Memorial Health Care System, Inc., parent body of Baptist Memorial Hospital, affiliate hospitals and other corporate entities, was established to provide the flexibility to give optimum health care in the 1980's and beyond. The structure was approved by the Baptist Conventions of Arkansas, Mississippi and Tennessee.

In support of the continuing goal of the Corporate Services Division to develop a non-profit health care system in the Mid-South, Baptist Memorial Hospital developed lease agreements with the 136-bed Northeast Mississippi Hospital at Booneville and entered into purchase agreements for the 40-bed Eastern Ozarks Community Hospital in Cherokee Village, Arkansas, and the Obion County General Hospital in Union City with 173 hospital beds and 86 nursing home beds. Addition of the three hospitals has increased the number of affiliates in the Baptist Health Care System to six.

At the same time Baptist Memorial Hospital East opened 24 more beds to increase its capacity to 383 beds. The unit has a license for 417 beds.

Baptist Memorial Hospital's Regional Rehabilitation Center began offering services to crippled children from Mississippi and Tennessee. The youngsters formerly received treatment at the Crippled Children's Hospital in Memphis until it closed.

In the area of equipment Baptist Memorial Hospital Medical Center and Baptist Memorial Hospital East each received a new Computerized Axial Tomography (CT) Scanner. The units take computerized pictures of cross sections of a patient's head and body. The two new scanners bring the Baptist Memorial Hospital inventory to four with three located in the Medical Center.

The Board of Trustees of Baptist Memorial Hospital also approved a building program for a new campus for the School of Nursing. Completion is expected in January 1984. The multi-level building will include dormitory space for 250 students, a 20-bed teaching laboratory, library, audio-visual room, classrooms and a wide range of recreational facilities.

A new 81-bed psychiatric unit was opened on the 19th floor of Baptist Memorial Hospital. The unit has full medical facilities and diagnostic equipment for treating a broad range of psychiatric illnesses for adolescent, adult and geriatric patients.

Baptist Memorial Hospital instituted new programs in the areas of research services and communications.

Harold Dickson, Ph.D., health economist and statistician, was named Director of the program to maximize published research of the medical staff and fulfill other research needs of the institution.

Harold R. Jennings, former director of communications at the Southern Baptist Brotherhood Commission, accepted a similar position at Baptist Memorial Hospital to oversee publications, news service, special materials, advertising, printing, marketing and ancillary services.

In the area of continuing medical education, Baptist Memorial Hospital offered 15 regional seminars and 3 national conferences on topics ranging from sports medicine to Crohn's Disease. Almost 3,500 persons attended.

The educational programs also included 14 continuing conferences held weekly, every two weeks and monthly.

Regional seminars relating to problems of the deaf and concerning suicide, planned with the assistance of the Department of Religion, attracted large groups of church leaders.

The Department of Religion also met many other needs through pastoral care, worship services, conferences, education and ministries opportunities.

Through pastoral care the chaplains helped patients, family members, staff, personnel and students recognize, develop and use their spiritual resources.

The chaplains led worship services weekly at the three units of Baptist Memorial Hospital, offered encouragement through prayer and devotionals six mornings weekly for family members and staff in critical care units, conducted support conferences for family members of patients in intensive care units, and took part in ongoing conferences for patients and their families in nephrology-urology, oncology, neurology, neonatal, cardiovascular, diabetic, stroke and spinal cord units.

A vast area of opportunity for ministry unfolded in three hospitals affiliating with Baptist Memorial Health Care System with more than 60 ministers engaging in volunteer chaplaincy programs.

Chaplains also worked closely with visiting hostesses who made 76,997 visits and filled 24,350 requests.

Al King and Hugh Hodgson, Assistant Vice Presidents of Baptist Memorial Hospital, were promoted to Vice Presidents; and Robert Gordon, Administrative Assistant, was promoted to Assistant Vice President.

Materials about Baptist Memorial Hospital won major honors at the annual meeting of the Baptist Public Relations Association. The directory of services took first place in its category and the cardiac rehabilitation emphasis was named the best public relations project in the competition.

Hospital personnel and members of the medical staff were recognized in significant ways.

William A. Crabill, a Marks, Mississippi planter and businessman, was elected Chairman of the Board of Trustees of Baptist Memorial Hospital; and Dr. W. Fred Kendall, II, Pastor of First Baptist Church, Union City, Tennessee, Chairman of the Board's Executive Committee.

Dr. Frank Groner, President Emeritus of Baptist Memorial Hospital, received the prestigious Award of Merit of the American Protestant Hospital Association and the Distinguished Service Award of the Southeastern Hospital Conference.

Joseph H. Powell, President of Baptist Memorial Hospital, received the Distinguished Service Award from the Tennessee Hospital Association.

Robert F. Scates, Senior Vice President of Baptist Memorial Hospital, was chosen to receive the 1982 L.M. Graves Memorial Health Award for outstanding leadership in the Mid-South health field.

Maurice Elliott, Senior Vice President Memorial Hospital, was among 40 chosen from 400 nominations to take part in the 1981-82 Leadership of Memphis class for preparing future community leaders.

Robert Tooms, M.D., orthopedic surgeon, was elected President of the medical staff for 1982 and David Holloway, M.D., internist was appointed Chief of Staff.

THE CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.
1007 Donaghey Building, Little Rock, Arkansas 72201

Edward W. Harris, Executive Director

The following is a report on activities of the Christian Civic Foundation, covering the twelve-month period from September 1, 1981, to September 1, 1982.

ALCOHOL-NARCOTICS EDUCATION PROGRAM - Because of a serious cash-flow problem existing in the fall of 1981, we did not plan a schedule for the fall 1981 school term. We did make appointments for schools beginning in January, 1982. We cancelled the dates that had been made for January and February when our Educational Assistant, Mr. Ronnie Sparks, left our program to accept a position with a pharmaceutical company on November 15, 1981. Because of the cash-flow problem,

we did not attempt to replace Mr. Sparks at that time. This means that we had no Alcohol-Narcotics Education Program for the school year 1981-82, and will not have a program for 1982-83.

The vote of the Little Rock Methodist Conference, in May 1982, ending traditional apportionments and authorizing only solicitation in local churches, makes it vital that additional income be found, in order to continue the support of a full-time Executive Director and a full-time Educational Assistant.

DRUG QUIZ - We continue to send the Drug Quiz columns each month, free of charge, to fifty-seven newspapers throughout the state, who have expressed an interest in receiving them. If your paper is using the columns, we would appreciate your doing two things: (1) Report this to our office, so that we can know which papers are actually running the columns: (2) call or write to your editor thanking him for running the columns. We feel that this is a vital part of our program, because it not only supplies important information to the public about alcohol and other drugs, it also keeps the name of the Christian Civic Foundation before the public.

LOCAL OPTION ELECTIONS - According to the Arkansas statutes, Local Option elections can only be held at General Election time. Therefore, at the 1982 General Election, there will be several Local Option elections. Thus far, we are participating in only one election this year. A group of citizens in Greene County have filed petitions calling for an election to vote the county dry. We have provided our Local Option Handbook, suggested materials, and advice to the leaders of the group, and our Director is scheduled to speak to their "workers" meeting on September 13, in Paragould.

We have received word that there are several township elections to be held in Conway County. We have not been contacted concerning any of these elections. We have correspondence with leaders in Logan County about a potential township election.

THE CHRISTIAN CITIZEN - Shortage of funds has prevented the publication of our newsletter, The Christian Citizen, thus far, during 1982. We will have to confine our publication to only one issue, in the late fall, covering the upcoming 1983 General Assembly, and carrying a complete list of the members of both houses, with their addresses, telephone numbers and church preference.

PRIVATE CLUB SUIT - In the suit challenging the constitutionality of Act 132 of 1969 (the private club-mixed drink law), Judge Perry V. Whitmore, on Wednesday, December 2, 1981, ruled that Act 132 of 1969 did not expressly or implicitly amend or repeal Initiated Act 1 of 1942, and that the intent of the Legislature was to establish a more precise system for regulating the serving of alcoholic beverages by private clubs in dry counties. The court entered judgment dismissing the complaint. The Lawrence County group, who filed the suit, has appealed this decision to the Supreme Court, where it is now pending.

THE ALCOHOLIC BEVERAGE CONTROL BOARD - In February, 1982, the Alcoholic Beverage Control Board came under severe attack in letters from Governor White, from the Retail Liquor Dealers, and from a Consumer Group. We did not join in this attack, because we had written a letter to Governor White in late November of 1980, shortly after his election. In it, we outlined in great detail what we considered to be a serious problem in his forthcoming administration, namely, the loss of credibility

with Church people and the public in general by the Alcoholic Beverage Control Board. The letters and the severe criticism offered in February simply emphasize what we shared with the Governor in November of 1980. In expressing our opinion concerning the Alcoholic Beverage Control Board, we waited until after the 1980 November election, in order to avoid even a hint of involvement with candidates or parties.

ARKANSAS GENERAL ASSEMBLY - The 74th General Assembly of Arkansas will convene in mid-January, 1983. Among matters that we may expect at this session will be pressure to amend Initiated Act 1 of 1942, the Local Option law, especially, if the Supreme Court reverses the lower court ruling and declares Act 132 of 1969 to be unconstitutional. A proposal by Mr. Wood, of Sherwood, for a State Lottery may also be considered in January. Massive opposition will be needed to block a new Private Club bill and a State Lottery bill.

OFFICERS AND EXECUTIVE COMMITTEE - Officers and Executive Committee members for 1982 are as follows:

Dr. Erwin L. McDonald, President

Dr. Earl Hughes, First Vice-President

Mr. Roland M. Shelton, Second Vice-President

Rev. John Thompson, Third Vice-President

Mrs. Roy E. Snider, Secretary

Rev. Don Hook, Treasurer

Members-At-Large: Mr. Harry Brewer, Rev. W.A. Blount, Dr. Earl Carter, Dr. L.L. Collins, Dr. Cary Heard, Bishop Kenneth W. Hicks, Mr. Raymond Hillis, Judge Edward S. Maddox, Dr. J.E. Sneed, Rev. George Tanner, Dr. Horace E. Thompson, and Mr. Dale Ward.

MEMORIALS - Since our last report, we have lost four of our strongest supporters by death. The sudden death of **Dr. Huber L. Drumwright**, Executive Secretary-Treasurer of the Arkansas Baptist State Convention, on November 2, just prior to the Convention's annual meeting, was a great loss not only to the Baptists of Arkansas, but to the entire state. His programs for the support of the Christian Civic Foundation were so well planned, and so fully shared with his co-workers that these plans continued without interruption after his death.

Rev. Roy Clark Maddox, a strong supporter, not only through the Convention, but also in his personal gifts to the Foundation, died July 11. His support and encouragement meant much to all of us.

Mr. Clyde C. Coulter, who served nineteen years as Superintendent of the Temperance League of Arkansas (predecessor to the Christian Civic Foundation of Arkansas), died July 12. He was an ardent supporter of civic righteousness in all forms, a zealous supporter of preventive education, legislative information, and personal rehabilitation of victims of the "No. 1 drug problem", alcohol, and a constant, neverfailing source of encouragement to the staff members of the Foundation, and the Executive Committee. He was truly "Mr. Temperance" of Arkansas.

Dr. Horace E. Thompson, a member of our Board of Directors for nineteen years, and sixteen years on the Executive Committee, died August 11. He also served as president in 1967 and 1968. He was always ready to encourage us at every turn.

All of these servants of the Lord had very special places in our hearts and lives, and we shall miss them greatly.

FINANCES - The following is a statement of income and disbursements for the twelve-month period from September 1, 1981, to September 1, 1982:

Balance September 1, 1981	\$ 559.35
Income: Baptist	\$33,376.51
Methodist	11,566.88
Other Churches	1,460.00
Individuals	4,295.00
Groups	593.68
Memorials.....	500.00
Miscellaneous Income	<u>1,160.25</u>
Total Income	<u>52,952.32</u>
Total Funds	\$53,511.67
Total Disbursements.....	<u>33,940.86</u>
Balance September 1, 1982	\$19,570.81
Payroll tax on hand	<u>69.15</u>
	\$19,501.66
Contingency Reserve Fund (Interest bearing account, transferrable to checking account as needed).....	<u>14,630.97</u>
Checking Account Balance September 1, 1982	\$ 4,870.69

These figures indicate an increase in total cash resources from \$559.35 September 1, 1981, to \$19,570.81 on September 1, 1982. This is misleading, however, because this fairly large balance on September 1, 1982 is due to two factors: (1) The reduced salary for the Executive Director (¼ of 1981 figure) for 1982, (Social Security maximum of \$6,000), and (2) There was no salary or expense paid for the Educational Assistant for most of that twelve-month period (from November 15, 1981, to present). This also means that there was no school program for the 1981-82 school year, nor will there be one for the current 1982-83 school year. If the Executive Director's salary had been paid on the basis of 1981 budget figures, and if the Educational Assistant's salary and expense had been paid during this period, instead of cash resources of \$19,570, we would have been in the "red" by more than \$5,000.

Further complicating our financial picture, at its meeting in May, 1982, the Little Rock Methodist Conference voted not to apportion an amount for the support of the Christian Civic Foundation for 1983. Instead, as a part of this action, they authorized the Foundation to solicit the churches in the Conference directly for support.

In our last report to the Convention, we outlined the very generous program that the late Dr. Huber L. Drumwright had designed for the support of the Christian Civic Foundation. These plans included (1) A strong and forthright editorial by Dr. J.E. Sneed; (2) A full-page ad in the newsmagazine from the Christian Life Council; (3) A letter from Dr. Drumwright to Baptist pastors and churches; (4) Another editorial by Dr. Sneed; (5) An article in the newsmagazine by Dr. Drumwright, and (6) Art work in the newsmagazine giving a pictorial presentation of the needs of the Christian Civic Foundation. These plans were so well laid that they went forward, following Dr. Drumwright's death, without interruption.

In addition to this very generous plan for our support, at the annual meeting of the

Directors of Missions in the Baptist Associations, at the time of the Baptist State Convention meeting in Fayetteville, Dr. Sneed, a former Director of Missions, proposed to the Directors that they invite the Executive Director of the Christian Civic Foundation to meet with their Executive Boards to share with them the story of the Foundation's programs and needs. They approved this plan wholeheartedly. Dr. Sneed volunteered to be the liaison between the Executive Director and the Directors of Missions, writing letters, and assisting in every way possible to arrange the dates. By the time this report is published, Brother Harris will have met with eight Association groups. They are:

Liberty Association - October 20, 1981, at Strong Baptist Church;
 Arkansas Valley Association - March 1, 1982, at Barton Baptist Church;
 Greene County Association - March 23, 1982, at Immanuel Church in Paragould;
 Caroline Association - April 12, 1982, at the Association headquarters in Lonoke;
 Current-Gaines Association - May 7, 1982, at Shannon Church, Pocahontas;
 Calvary Association - May 17, 1982, at Temple Church in Searcy;
 Trinity Association - May 20, 1982, at Pleasant Valley Church in Trumann;
 Ouachita Association - September 27, 1982, at Board Camp Church near Mena.

In all of these meetings, the reception was gracious, warm, friendly, and indicated a genuine interest in our work and needs. We are deeply grateful to Dr. Sneed for this opportunity.

Dr. Sneed and Brother Parker were also instrumental in arranging a meeting for Dr. Harris to meet with the State Superintendent of the Assemblies of God, Rev. Merle Harris, to discuss the Foundation's program and needs. He showed a genuine interest in our work and pledged their support of the program. We have received a check for \$1,000 from the Assembly Headquarters, with the assurance that they will also encourage the churches to support our program.

We are deeply grateful to the late Dr. Drumwright for initiating the plan of support from the Baptists, and to Brother Bob Parker, Dr. L.L. Collins, Dr. John Finn (who was President of the Convention at the time the plan was initiated), to Brother Don Hook, and to Dr. Sneed for their part in the over-all plans for our support, and for their unwavering interest and support of the Foundation at all times.

All of these programs by individuals and groups make clear to us where the answers to our financial needs lie - with friends who believe in us and what we are trying to do. We believe that the Christian Civic Foundation can have its best and most effective days in the future, if those who believe in the program of civic righteousness which we promote in their name decide to make it so. It is a matter of where the Christian Civic Foundation is placed in the list of priorities. Of the 70,000 non-profit organization in the United States, we are told that 10,000 of them will cease operations this year or next. We trust that those who believe in what we are doing will not let this happen to the Christian Civic Foundation this year, next year, or in any year.

We are deeply grateful for every gift from every church and individual, and for the support that comes to us through the Cooperative Fund of the Arkansas Baptist State Convention and from the Baptist churches and associations listed below:

RETIREMENT OF EXECUTIVE DIRECTOR - December 31, 1982, will mark the official retirement of Dr. Edward W. Harris, Executive Director of the Christian Civic Foundation for the past ten and one-half years. His request for Retirement, dated February 28, was granted "with sincere regret" and appreciation for his leadership at the Annual Meeting of the Board of Directors, March 8, 1982. Brother Harris said: "I am deeply grateful to the leaders of the Arkansas Baptist State Convention, each member of the Headquarters staff, each Pastor, Layman, Church, Association, Director of Missions, Presidents and Faculties of Ouachita Baptist University, and Southern Baptist College, every Baptist representative on the Executive Committee and Board of Directors of the Christian Civic Foundation, who have supported the work which I have sought to lead for the past ten and one-half years. I will be even more grateful for doors that are opened and for support that is given to the new Executive Director."

The Personnel Committee, headed by Rev. W. A. Blount, is now in the process of reviewing resumes of applicants for the position of Executive Director. Announcement of the name of the new Executive Director will be made at the earliest possible time. Brother Harris will assist the new Director in every way possible to make the transition in administration as smooth and as effective as possible.

OUACHITA BAPTIST UNIVERSITY
Arkadelphia, Arkansas

Daniel R. Grant, President

As Ouachita Baptist University moves closer to her centennial year of 1986, it is a good time for this annual report to focus on some simple questions that Arkansas Baptists have a right to ask. Among the many that might be asked, three questions are probably more important than all others: (1) Why, really, do Baptists support Christian colleges and universities? (2) What is the return on Arkansas Baptists' investments in Ouachita Baptist University? and (3) What is the future of Arkansas Baptists' investments in Ouachita? With emphasis on the 1981-82 year at Ouachita, these three questions provide the basis for Ouachita's annual report.

I. WHY DO BAPTISTS SUPPORT CHRISTIAN COLLEGES AND UNIVERSITIES?

The reasons Baptists all over the United States have supported and continue to support Christian colleges and universities, are both negative and positive. For the committed and concerned Christian both kinds of reasons are well known and appreciated. Overpowering negative forces of secularism in American society have found their way into every nook and cranny of college life on all too many campuses: the glib assumption that alcoholic beverages "belong" in college life today; coed dormitories and inter-visitation privileges that put unofficial stamp of approval on extra-marital sex; the ever-present drug culture; college policies that exclude moral and religious purposes from their stated institutional mission while permitting all kinds of anti-religious and x-rated programs and influences; classroom teaching that not only excludes Christian values, but leans heavily toward ridicule of conservative Christianity; and a mainstream of campus life-styles that tend to reject and ridicule the long-standing traditions and values of Southern Baptists. Baptists through the years have provided strong support for Christian colleges and universities to free their own young people from the overpowering pressures and influences of these secular forces as they seek to attain a college education.

As important as this kind of negative concern is, there are even more positive reasons for having Christian colleges and universities. To put it another way, Christian colleges are valuable not only for their efforts to free the student from certain evil forces; they are valuable because they bring together an impressive array of positive forces and influences on behalf of the Christian faith and life: a teaching faculty and staff recruited not only for their professional competence but for their genuine Christian commitment (a kind of recruitment that is not constitutionally permissible at state institutions); a strong but natural emphasis on college education as Christian stewardship of one's God-given talents, in preparation for life as well as making a living, all within the context of seeking God's will for one's life; a student activities program intricately interwoven with strong Christian elements such as missions experiences, prayer and Bible study experiences, special training and internship opportunities for students preparing for church vocations, and exposure to outstanding Christian personalities from around the world; and a balance between compulsory elements (required Chapel and required Bible courses), and religious experience by free choice (Noonday prayer services, dormitory Bible study groups, and special mission projects).

Never in the history of the United States has the need been greater for Christian colleges and universities. The same Devil is at work in the world today as before, but the

Devil has more powerful instruments of communication, transportation, and temptation for the masses of young people, reaching into every dormitory and classroom. Some of the most repugnant forms of sin that were hidden in dark corners of our society in previous eras are now present in every city and town of our Bible Belt Southland, and are broadcast loudly and unashamedly by all of our mass communications media. Christian education for our young people is absolutely essential in 1982 and the years ahead.

II. WHAT IS THE RETURN ON ARKANSAS BAPTISTS' INVESTMENTS IN OUACHITA BAPTIST UNIVERSITY?

How is Ouachita Baptist University fulfilling its responsibility to Arkansas Baptists? What kind of return on Arkansas Baptists' investments in Ouachita is being provided? With proper acknowledgment of the imperfection of all human beings involved, the answer is still simple and clear: Ouachita Baptist University is providing the opportunity for a college education in an atmosphere of academic excellence and Christian excellence. In terms of the evidence of the 1981-82 year, 1,686 students received an education that emphasized not only preparation for making a living, but commitment to a life in Christ. Admittedly it was not a perfect Christian education, but it contained some remarkable elements that made the year an outstanding one:

1. The student religious activities program was clearly one of the best in Ouachita's history. More freshmen were involved in the BSU program, providing hope for strong leadership in the years ahead. Off-campus ministries seem to grow stronger each year, with students involved in a tremendous variety of projects such as the Children's Home, Jail Ministry, World Hunger, Weatherization, Meals on Wheels, Big Brothers and Sisters, Children's Colony, Nursing Home, Adopt-a-Grandparent, Backyard Bible Clubs, Spring Break Missions, and Summer Missions. More than fifty Ouachita students spent their spring break in an inner-city ministry in Houston, and Ouachita continues to have one of the largest numbers of students involved in Summer Missions of any college in the United States. A Christian musical drama, "Joy Comes in the Morning," directed by Bill Ballard and Camille Simmons, was very well received by the students. Noonday prayer service continues to be a vital part of the campus community, and was the strongest in many years. Close to three hundred students at Ouachita were preparing for church vocations, including more than one hundred thirty ministerial students last year. Among the Christian personalities speaking or performing on campus during the year were Bill Tolar, Roger Copeland, Dan McBride, Stan Nelson, W.O. Vaught, Tina English, Larry Maddox, Chester Swor, Lyn Worthen, Vernard Johnson, Tommy Brisco, Joe Hamilton, John Walsh, Frank Pollard, John Dresbach, Minette Drumwright, Jon Appleton, Ricky Armstrong, Byron Cutrer, Ruth Glaze, Bradley Pope, Shawn Shannon, Tommy Hinson, George Sims, Ron Wells, and Frank Wilkins. Several contemporary music groups performed on the Ouachita campus, including the Cruse Family; Cynthia Clawson; Chris Christian; Truth; Russ Taff and His Band; Andrus, Blackwood, and Company; Degarmo and Key Band; and Farrell and Farrell. Missionaries-in-residence this year were Jim and Camille Simmons, on furlough from Japan.

It is a tribute to the quality of Ouachita's leadership in student religious activities that Dr. Elmer Goble, Ouachita's BSU director, has been chosen by the Home Mission Board and the Baptist associations in the Los Angeles area, to coordinate the Southern Baptist ministry to the World Olympics in Los Angeles in 1984. Dr. Goble has been granted a two-year leave of absence by the Ouachita Board of Trustees while he

provides leadership in this strategic Baptist ministry.

2. Ouachita continues to grow stronger in academic excellence, with the percentage of faculty members holding the doctorate approaching the fifty percent mark for the first time in history. It continues to rank in the top three or four institutions of higher education in the state in number of National Merit Scholars enrolled; an impressive number of graduating seniors were admitted to medical, dental, law, and other graduate schools as well as seminaries, with outstanding scholarships won by many of them; the Honors Program continues to provide a higher level of challenge for students interested in pursuing independent study; the Birkett Williams Lecture Series and the Ross Foundation Lecture Series made possible nationally and internationally known personalities coming to the campus for one or two days each; the Joint Educational Consortium with Henderson State University brought an outstanding series of programs in the arts to both campuses to an extent that would have been impossible for each institution separately; the Maddox Public Affairs Center had its most successful Washington Seminar for fifteen students who studied the operations of our government firsthand; an unusually large number of faculty members were involved in summer research and travel projects that enriched their teaching during the year that followed; the faculty and students of the School of Music had an impressive record of achievements in a variety of fields, with three music faculty members serving as presidents of the three major music teachers' organizations in Arkansas this year, the Concert Band performing impressively at the Arkansas All-State Band Festival (the first private college band to be invited in many years), the Ouachi-Tones taking a winter concert tour in the churches and schools of Hawaii, the Singing Men touring the California West Coast in mid-March from Los Angeles to San Francisco, and the Ouachita Singers taking a May concert trip to Florida following spring examinations. The **Ouachitonian** was honored as one of the three outstanding college yearbooks in the nation, receiving the Gold Crown Award from Columbia University.

Dr. Carl Goodson retired after twelve years of distinguished service as Vice President for Academic Affairs, but will continue to teach part time. His successor is Dr. Tom Turner, an outstanding physicist and Christian scholar, coming from Stetson University where he was Provost and Chief Academic Officer. Dr. Bill Trantham has returned to full-time teaching after providing outstanding leadership for 14 years as Dean of Ouachita's School of Music. His successor is Dr. Charles Wright, Director of the Ouachita Singers and the University Choir, as well as Chairman of the Department of Music Education.

3. Ouachita's athletic program continues to contribute in a strong but balanced way to the institutional objectives of the University. For the fourth time in the past five years Ouachita won the Arkansas Intercollegiate Conference All-Sports Trophy, awarded on the basis of best overall record in eight AIC sports. It is a tribute to the dedication, ability, and work above and beyond the normal call of duty, of Ouachita's coaches who also teach in the physical educational program in addition to their coaching responsibilities. Construction began in February on the much-needed new health, physical education, recreation, and athletics complex that will bring Ouachita's facilities up to par with the nine other colleges and universities in the AIC. Its cost will be \$4,000,000 and it will be paid for out of funds raised in Phase I of the Ouachita Centennial Advancement Program. The building will also provide excellent support for Ouachita's outstanding intramural sports program.

III. WHAT IS THE FUTURE OF ARKANSAS BAPTISTS' INVESTMENTS IN OUACHITA BAPTIST UNIVERSITY?

Much has been written in the national and regional press, and much has been said on television and radio, about the crisis faced by colleges and universities in the United States in the immediate years ahead. The warning flags are out and Arkansas Baptists need to be aware of them. There are two major parts of this financial crisis as it affects Ouachita:

1. Student enrollment prospects in the immediate years ahead clearly indicate a decreasing student population in colleges and universities in the United States, including Arkansas. This is primarily the result of two facts: First, fewer students are coming out of the high schools now than in previous years, making it inevitable that fewer students will enter college. While it is possible that Ouachita may avoid some of this decrease by vigorously recruiting a larger share of the high school graduates, it is dangerous to budget on this assumption. Second, budget cuts in student aid programs already made by the national government, and even sharper cuts proposed for the following years, will not only cut down on the number of students able to go to college, but will probably cause students to shift from the higher tuition private colleges to the state colleges. Although Ouachita has been able to replace some of the cuts in student aid funds from its own financial resources, the widespread scare caused by media treatment of the problem has caused many young people and their parents to **think** they cannot attend a private college. Ouachita's student enrollment has been increasing over the past few years, but it would be unwise fiscal planning to assume that the enrollment decrease will not reach Ouachita. A decrease of one percent in full-time equivalent (FTE) will mean a loss of more than \$50,000 in annual operating income for Ouachita. A ten percent decrease in FTE would result in a loss of more than \$500,000 in annual income for Ouachita. Arkansas Baptists need to be aware of the potential severity of the problem, and of the need to use their own scarce resources as wisely as possible, while supporting the cause of Christian higher education as effectively as possible.

2. Just as Ouachita's income is under pressure, so are the annual costs of operation. Although inflation costs have abated somewhat, the ever-increasing energy cost continues to be the number one problem. In spite of the effect of Ouachita's new computerized energy management system in reducing energy consumption sharply, the dollar cost of utilities exceeded \$600,000 in 1981-82 for the first time in history, more than \$100,000 over the budget. Such expenses as transportation, postage, and telephone costs have increased at well above the inflation rate. All of this is simply to say that Ouachita is doing its very best to engage in wise and conservative financial planning, but it also speaks to the importance of the most generous possible appropriations by the Arkansas Baptist State Convention for Ouachita in the years ahead.

Taking a longer look into Ouachita's future needs, they may be summarized as follows:

1. **Absence of an Operating Reserve.** Although Ouachita has been fortunate in operating without annual deficits for twelve consecutive years, it has no operating reserve, such as good business practice would require. Some way needs to be found to build an operating reserve for Ouachita of at least twenty percent of one year's operating budget.

2. **Faculty Salary Gap.** Although some progress has been made in recent years,

the competitive salary gap in the faculty and staff salaries at Ouachita and the other Arkansas colleges and universities continues to be a serious problem in recruiting new faculty and staff. It is most damaging at the point of recruiting new faculty members to fill vacancies. On the whole, Ouachita has a very stable faculty, thanks to their loyalty and dedication, but we need to pay them comparable salaries to others in the region.

3. **Student Tuition Gap.** Even though Ouachita's tuition is lower than virtually every other four-year private college in the state, the tuition gap between Ouachita and the state colleges has been steadily increasing. If Ouachita is to maintain its strong enrollment picture, and to avoid being priced out of the market for our Baptist young people, there is a desperate need to maintain and even increase the rate of annual increase coming to Ouachita through the Cooperative Program.

4. **Backlog of Deferred Maintenance.** In spite of significant improvements in Ouachita's physical plant maintenance program during the past twelve years, there remains a backlog of deferred maintenance that amounts to more than \$500,000. Each year an effort is made to work the more serious of these projects into the next year's maintenance budget, but the cost of "catching up" runs into conflict with the cost of "keeping up."

5. **Building Needs.** Ouachita's needs for new building construction and campus improvement are outlined in more detail in the various reports related to the Ouachita Centennial Advancement Program, launched in the spring of 1981, but these needs may be summarized as follows: Ouachita must soon meet the need for a new auditorium (Mitchell Hall cannot seat the entire student body for Chapel services, and is inadequate for the more outstanding touring fine arts programs that Ouachita needs); expansion of Riley Library is necessary to meet the growing need for stack space, reading room, archival and historical collection space, including more adequate provision for Arkansas Baptist History; improved student housing (especially married student housing) and dining facilities; completion of Phase 3 in the improvement and expansion of Moses-Provine Science Center; a new humanities building; a new health, physical education and athletics complex (now under construction); and extensive beautification of the ravine and river front as a part of the campus. A conservative estimate of the cost of these improvements to Ouachita's physical plant is more than \$15,000,000.

Recognizing that not all of these needs can be met through the annual increases in Cooperative Program support from the Arkansas Baptist State Convention, Ouachita began planning several years ago the Ouachita Centennial Advancement Program for achieving these goals by the centennial year of 1986. Phase I of this program was officially launched in 1981, with two objectives: (1) raising \$8,000,000 for the construction of two new buildings—a health, physical education and recreation complex, and a new auditorium; and (2) increasing by \$500,000 the level of annual operating support. Fund raising in Phase I involves five "home base" campaigns among Ouachita's Trustees and former Trustees, faculty and staff, the University Development Council, the Arkadelphia area, and alumni and former students. Area campaigns in Little Rock and El Dorado are scheduled to begin in the fall of 1982 and the spring of 1983, respectively. Early campaign successes indicate that the objectives of Phase I will be met by the target date of the end of 1983. It is our prayer and confidence that the 1,200 churches in the Arkansas Baptist State Convention will respond to the challenge of these home base campaigns and, during 1984-86, join hands

in a common effort to strengthen Ouachita in achieving its centennial goals in the cause of Christian higher education. This will require Convention approval for a campaign involving the churches, beginning in 1984. This investment in the future of our young people is well worth the cost and sacrifice.

SOUTHERN BAPTIST COLLEGE
Walnut Ridge, Arkansas 72476

D. Jack Nicholas, President

Southern Baptist College has occasion to rejoice again because of the providential care of the Lord, the generous support of the Arkansas Baptist State Convention, the sacrificial contributions of our faithful friends and supporters, our committed Board of Trustees, and a faculty and staff committed to providing the kind of educational experience which touches the lives of young men and women with the gospel of Jesus Christ. The college experienced a good, productive and successful year in 1981-82.

Enrollment

All of the above is true despite the fact that the enrollment at SBC decreased by 30 from 384 students in the fall of 1980 to 354 in the fall of 1981. Careful analysis indicates that the decrease is not principally attributable to the diminishing college age population or the cuts in student financial aids, but to a problem in the admissions program which was not corrected as soon as it should have been. Applications at the date of this writing are running well ahead of last year this time and the 1982 fall enrollment should exceed 375.

Academics

The 1981-82 academic year has been one during which the faculty and academic administration have been involved not only in the routine responsibilities but also preparation for the periodic examination by the North Central Association and planning for the baccalaureate programs proposed. This writer continues to be grateful for and amazed by the impressive quality and caliber of personnel which SBC has attracted despite the substantially lower than average salaries paid.

The college has enjoyed uninterrupted accreditation by the North Central Association since 1963 and anticipates that that affirmation of quality will continue after the visit of the North Central team in 1983.

Resource Development

Mentioned earlier was the crucial role played by the Arkansas Baptist State Convention and individual donors in the life of Southern Baptist College. The Arkansas Baptist State Convention has continued to increase its support of the college as it is able and the private donors to Southern Baptist College continued to grow in number from 670 in 1980 to 722 in 1981. The college received in excess of \$208,000 from those faithful individuals in 1981 for capital and unrestricted purposes.

Fiscal Operations

Southern Baptist College operated in the black again in 1981-82 as a result of conservative budgeting, prudent spending, alert investment of surplus cash-flow, vigilant budget control, and above all else, the benevolent providential care of the Heavenly Father is whose providence we believe the work of Southern Baptist College is going to increase and flourish.

Future Aspirations for Greater Service

The 1981-82 college year was a significant year for Southern Baptist College. For early in that year, the college, after two years of long-range planning and a thorough feasibility study, proposed to the Arkansas Baptist State Convention that the college be permitted to offer the baccalaureate degree.

Desiring to increase enrollment in order to increase cost-effectiveness, the college during those two years of planning investigated various associate level programs which might produce the additional students needed. Of those investigated, only computer science was selected because other programs considered either: 1) were inordinately expensive to get established or 2) would divert college from its central purpose and philosophy.

The baccalaureate programs proposed - Christian Ministries, Business, Education - will more properly meet the existing market among the SBC students and will further facilitate the purpose of the institution and enlarge the ministry of Southern Baptist College to Arkansas Baptists.

Obviously, SBC's offering the baccalaureate degree would greatly enhance both its ability to attract financial support and students. Most foundations, as a matter of policy, do not contribute to two-year schools and individual philanthropists are not as apt to give to two-year schools as to four-year schools.

Many students who would attend SBC if were a senior college do not give serious consideration because of the necessity to transferring after two years. That factor is highly significant as higher education faces a decreasing population of college age students.

As a four-year college, SBC would enlarge its ministry to Arkansas Baptists and northeast Arkansas. Historically SBC has been an institution vitally interested in the education of those entering church-related vocations and that function would be immeasurably enhanced by the students' being able to complete his baccalaureate at SBC.

The college hopes to immediately initiate degrees in Christian Ministry, Business, and Education with the junior year for those areas starting in 1983 and the senior year starting in 1984. Insofar as secondary education is concerned, it will be necessary to move slowly and cautiously into the various discipline areas as markets and resources can be assured.

Southern Baptist College continues to be deeply grateful for the generous support of the Arkansas Baptist State Convention and endeavors to justify that support by faithful devotion to the purposes of the Arkansas Baptist State Convention.

WORLD HUNGER COMMITTEE

H.E. Williams, Chairman

Arkansas Baptists are becoming increasingly aware of the growing hunger problem in our world. Local concern for the needs of the poor was evidenced by the multiple responses our churches gave to the growing number of needy people under the shadow of our church spires. Also our people responded to the needs of the masses suffering all over the world.

During the past year Southern Baptists gave about \$4,700,000 for hunger/relief

ministries through the Foreign Mission Board of the Southern Baptist Convention. Of this amount approximately \$140,000 came from Arkansas Baptist churches. Though the southwide total was less than the previous year, Arkansas Baptists increased their level of support for this ministry.

The total given by Arkansas Baptists for local, national and worldwide hunger/relief ministries, approximated \$1,250,000, according to projections made from reports filed with the World Hunger Committee by the church treasurers. This includes the estimated value of meals served the needy, help for the distressed, clothing given, special drives for disaster relief, aid for Arkansas Baptist Child Care Center and many other ministries on the local and regional level. Such a large response indicates that local churches are responding to the call of the needy in their communities.

The survey made by the World Hunger Committee indicated that less money was sent through non-Baptist agencies for hunger and disaster relief, at least by Arkansas Baptist churches. Such a change may indicate that our people are becoming better acquainted with the Southern Baptist effort to minister to the needy all over the world. It may also point out a growing feeling among our people that since every penny given through Baptist channels reaches the people in need, we can best be served by our own Baptist agencies. Some non-Baptist agencies take a large percentage of the funds received to administer them.

Last year an agreement between the Foreign Mission Board and the Home Mission Board was reached, providing that all funds received nationally for hunger/relief will be divided 80% for overseas and 20% to spent in the homeland. During the year over \$7,000 was spent in Arkansas by the Home Mission Board for hunger.

As of the summer of 1982 the Foreign Mission Board had increased expenditures 164% over 1981 expenditures for hunger/relief ministries. Income increased only 62% over the previous year, indicating that the calls are much greater than the gifts of our people. It is the policy of both mission boards to wisely place the funds available. Our people can feel certain every penny will eventually reach a needy situation and relieve suffering in the name of the Lord Jesus Christ.

ARTHUR YOUNG

The Executive Board
Arkansas Baptist State Convention
Little Rock, Arkansas

We have examined the accompanying statements of assets, liabilities and fund balances arising from cash transactions of the Executive Board, Arkansas Baptist State Convention at December 31, 1982 and 1981, and the related statements of cash receipts and disbursements, changes in operating fund balances and changes in special fund balances for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 to the financial statements, the Executive Board's policy is to prepare its financial statements on the basis of cash receipts and disbursements and in accordance with accounting practices followed by non-profit denominational organizations. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements mentioned above present fairly the assets, liabilities and fund balances arising from cash transactions of the Executive Board, Arkansas Baptist State Convention at December 31, 1982 and 1981, and the results of cash operations of the funds for the years then ended on the basis of accounting mentioned in the paragraph above, which has been applied on a consistent basis during the period.

EXECUTIVE BOARD

ARKANSAS BAPTIST STATE CONVENTION

NOTES TO FINANCIAL STATEMENTS

December 31, 1982 and 1981

Note 1: Summary of significant accounting policies

The Executive Board maintains its records on the basis of cash receipts and disbursements; consequently, revenue and related assets are recognized when received rather than when earned, and disbursements are recognized when paid rather than when the obligation is incurred.

In accordance with accounting practices followed by non-profit denominational organizations, no provision has been made in the accompanying financial statements for depreciation of properties.

Note 2: Investments

Purchased investments are recorded at cost; investments received by gift are recorded at market value at the date of acquisition. At December 31, 1982 and 1981 investments were as follows:

Woman's Missionary Union investments consisted of the following at December 31:

	1982		1981	
	Book value	Approximate market value	Book value	Approximate market value

	<u>\$106,457</u>	<u>\$108,039</u>	<u>\$103,145</u>	<u>\$102,211</u>

Note 3: Acquisition of office building and real estate

On December 29, 1981, the Executive Committee of the Arkansas Baptist State Convention entered into an agreement to purchase an office building and at December 31, 1981, \$365,000 had been placed in escrow pending approval of the purchase by the Arkansas Baptist State Convention. The Convention approved the purchase of this building and adjoining real estate on January 29, 1982. Total cost of the properties acquired was \$473,031.

Both acquisitions were financed internally using the reserve portion of various operating fund balances. This indebtedness will be repaid from the Cooperative Program budget.

Note 4: Funds held in escrow - Lottie Moon offerings

The Executive Board's policy is to hold all offerings for Lottie Moon Foreign Missions which are received subsequent to October in escrow until the following year. Funds held in escrow amounted to \$709,937 and \$180,070 at December 31, 1982 and 1981, respectively.

Note 5: Employee benefit plan

The Convention has a non-qualified, voluntary contributory employee retirement benefit plan administered by the Annuity Board, Southern Baptist Convention, for all full time, permanent employees.

EXECUTIVE BOARD

ARKANSAS BAPTIST STATE CONVENTION

NOTES TO FINANCIAL STATEMENTS

December 31, 1982 and 1981

Note 5: Employee benefit plan (continued)

Total retirement expenses were \$157,123 and \$134,360 for 1982 and 1981, respectively, which represents 10% of the participating employees' compensation. Generally, under the terms of the plan the contributions from employer and voluntary contributions from employees, up to 15% of their compensation, are placed in the employee's account and upon retirement, these funds plus investment earnings are used to purchase an annuity for the employee.

Note 6: Reclassification

Certain 1981 amounts have been reclassified to conform to 1982 presentation.

The Executive Board
Arkansas Baptist State Convention
Little Rock, Arkansas

We have examined the accompanying statement of assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1982 and the related statement of revenue collected, expenditures made, capital additions, and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in note 1 of the notes to financial statements, the accompanying financial statements are prepared on the cash basis and, accordingly, they are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements mentioned above present fairly the assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1982 and the revenue collected and expenditures made during the year then ended, on the basis of accounting described in note 1, which basis has been applied in a manner consistent with that of the preceding year.

ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

NOTES TO FINANCIAL STATEMENTS

December 31, 1982 and 1981

Note 1: Summary of significant accounting policies

The financial statements are presented on a fund accounting basis utilizing the cash transactions method. Revenue and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Plant assets

Expenditures by the general fund for plant acquisitions are accounted for as transfers to the plant fund. In accordance with accounting policies of non-profit denominational organizations, no provision is made for depreciation of properties.

Other Matters

Income from investments and all gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund owning the assets.

Note 2: Investments

Investments are recorded at cost; investments received by gift are recorded at market value of the date of acquisition. At December 31, 1982 and 1981 investments were as follows:

	1982		1981	
	<u>Cost</u>	<u>Approximate market value</u>	<u>Cost</u>	<u>Approximate market value</u>

Note 3: Employee benefit plan

The Agency has a non-qualified voluntary, contributory employee retirement benefit plan administered by the Annuity Board, Southern Baptist Convention, for all full-time employees who have completed one year of service. Total pension expenses were \$48,055 and \$38,386 for 1982 and 1981, respectively, which represents 10% of the participating employees' compensation. Generally, under the terms of the plan the contributions from employer and voluntary contributions from employees up to 15% of their compensation, are placed in the employee's account and on retirement, these funds plus investment earnings are used to purchase an annuity for the employee.

Arkansas Baptist State Convention
Little Rock, Arkansas

We have examined the balance sheet of Ouachita Baptist University at May 31, 1982, and the related statements of changes in fund balances and current funds revenues, expenditures and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements mentioned above present fairly the financial position of Ouachita Baptist University at May 31, 1982 and the changes in fund balances and the current funds revenues, expenditures and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Baptist Memorial Hospital is a not for profit Corporation providing acute medical care and rehabilitation services. Its sole member is Baptist Memorial Health Care System which is owned by the State Baptist Conventions of Arkansas, Mississippi, and Tennessee.

The Hospital is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Inventories are priced at the lower of cost (first-in, first-out method) or market.

At the advice of the American Hospital Association, the Hospital obtained independent appraisals of its property and equipment in 1962 and 1964. The appraisals are reflected in the accompanying statements by showing an increase of \$8,843,321.17 in the assets for 1982. Depreciation is computed on the appraised values.

The buildings and equipment are depreciated principally under the straight-line method. Certain assets have been depreciated by accelerated methods for Medicare purposes. The additional reimbursement resulting from accelerated depreciation has been deferred.

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third-party payors. No provisions for retroactive adjustment have been made.

In previous periods, purchase and lease of other hospitals by Baptist Memorial Hospital was disclosed. No equity in the earnings of these organizations was recorded. The Hospitals are owned or leased by Baptist Memorial Health Care System and all amounts due from them are included in Due from Affiliates.

The Hospital regards its investments as part of a long range investment policy. The cost of these investments is approximately equal to market value.

Gentlemen:

We have examined the balance sheet of Southern Baptist College as of June 30, 1982 and the related statements of changes in fund balances and current funds revenues, expenditures, and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Southern Baptist College at June 30, 1982 and the changes in fund balances and the current funds revenues, expenditures, and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

SOUTHERN BAPTIST COLLEGE
Summary of Significant Accounting Policies
June 30, 1982

The significant accounting policies followed by Southern Baptist College are described below to enhance the usefulness of the financial statements to the reader.

Accrual Basis

The financial statements of Southern Baptist College have been prepared on the accrual basis except for depreciation accounting as explained in notes 1 and 2 to the financial statements. The statement of current funds revenues, expenditures, and other changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacement of movable equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest and equipment renewal and replacement; and (3) transfers of a nonmandatory nature for all other cases.

Fund Accounting

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Institution, the accounts of the Institution are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Within each fund group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes by action of the governing board. Externally restricted funds may only be utilized in accordance with the purposes established by the source of such funds and are in contrast with unrestricted funds over which the governing board retains full control to use in achieving any of its institutional purposes.

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized.

JAMES H. RAMAGE
CERTIFIED PUBLIC ACCOUNTANT

Page 2 - Summary of Significant Accounting Policies - Continued

Term endowment funds are similar to endowment funds except that upon the passage of a stated period of time or the occurrence of a particular event, all or part of the principal may be expended. While quasi-endowment funds have been established by the governing board for the same purposes as endowment funds, any portion of quasi-endowment funds may be expended.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like is accounted for in the fund owning such assets, except for income derived from investments of endowment and similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in unrestricted current funds.

All other unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income, and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

Other Significant Accounting Policies

Other significant accounting policies are set forth in the financial statements and the notes thereto.

SOUTHERN BAPTIST COLLEGE
Notes to Financial Statements
June 30, 1982

1. Investments exclusive of physical plant are recorded at cost if purchased. If received by gift it is carried at fair market value at the date of acquisition except certain issues which have declined in value where it was evident such decline was not due to temporary market conditions. See Schedule A-1 for more detail listing of investments owned by Southern Baptist College.

On January 27, 1976 Southern Baptist College and Arkansas Baptist Foundation negotiated a contract whereby the Foundation would administer endowment investments for the college. Initially investments with a book value of \$63,923.79 were transferred to the Foundation. According to the Foundation the June 30 market value of these investments was approximately \$36,473.24. The June 30 book value of units owned in the Pooled Investment Group was \$40,099.62. Additional funds were transferred to the Foundation on July 27, 1981. The \$31,709.19 transferred was used to purchase corporate bonds. During 1982 distribution of income received on this amounted to \$2,228.37.

In addition to these Southern Baptist College is the ultimate beneficiary of investments with a market value totaling approximately \$150,000.00 also held in trust by the Arkansas Baptist Foundation. Since these investments are periodically changing in nature as they mature or are sold and the proceeds reinvested it has not been feasible to pick up the individual investments and record them in the books of Southern Baptist College. The Foundation regularly distributes the income earned on these investments to the college.

2. Physical plant and equipment are stated at cost at date of acquisition or fair market value at date of donation in case of gifts except that an appraisal performed May 31, 1965 by a qualified, independent appraiser resulted in an adjustment being recorded on the books at June 30, 1965. An increase of \$687,865.81 was recorded for fixed assets composed of an increase in land of \$51,840.00; an increase in buildings of \$670,961.49; and an increase in roads and utilities of \$34,935.68. During the current year the books comprising the library were capitalized at their estimated value. This resulted in a net increase in assets and fund balance in the amount of \$1,217,940.00.

No provision for depreciation has been taken into consideration in the property, plant and equipment as set forth in the Balance Sheet - Exhibit A. The Southland Mabee Center is pledged to Pocahontas Federal Savings and Loan on a mortgage with a balance of \$309,505.82 at June 30, 1982. The apartments for married students are pledged to Pocahontas Federal Savings and Loan to secure a mortgage on which \$97,573.21 was owed at June 30. The President's home is also pledged to Pocahontas Federal Savings and Loan on a mortgage with a balance of \$50,054.33. A mortgage to Independence Savings and Loan with a balance of \$135,078.02 is secured by the Fine Arts Building. Other assets pledged to secure notes are the air conditioning systems in the girls' dormitory to Arkansas Louisiana Gas. The computer and telephone equipment to Planters and Stockmen Bank and the bus also to Planters and Stockmen Bank.

3. A detailed listing of notes and mortgages with a split-out of that portion due within one year is shown as Schedule A-2 at page 5 of this report.
4. A Statement of Changes in Fund Balances is not shown in the report for the current year. The various funds were divided and restructured during the current year to convert to true "fund" accounting and to bring our records and accounting into compliance with guidelines and requirements published by the American Institute of Certified Public Accountants. It was not feasible to reclassify revenues and expenditures between the various funds to enable us to present the above statement accurately. Such information will be available for the year 1983-84 and such a statement can be rendered in the report to show the change from current year balances.

The Board of Directors
Arkansas Baptist Foundation

We have examined the statement of assets, liabilities, and fund balances of the Arkansas Baptist Foundation as of December 31, 1982 and 1981, and the related statements of operations, changes in investment fund balances, and investment income and distributions for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in note 1 to the financial statements, the foundation's policy is to prepare its financial statements on the basis of cash receipts and disbursements with certain modifications. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets and fund balances of the foundation on a cash basis as described in the preceding paragraph at December 31, 1982 and 1981, and the results of its transactions for the years then ended on a consistent basis.

ARKANSAS BAPTIST FOUNDATION
Notes to Financial Statements
December 31, 1982 and 1981

(1) Summary of Significant Accounting Policies

Except for an accrual to record accounts receivable from the Cooperative Program, the financial statements are presented on the basis of cash receipts and disbursements. Certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Depreciation has been recorded utilizing the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Life</u>
Automobiles	3 years
Office furniture and equipment	3-5 years
Data processing equipment	5 years

Amounts charged to operating expenses for depreciation aggregated \$13,783 and \$13,760 in 1982 and 1981, respectively.

(2) Investments

Investments are carried at cost or the fair market value of the instrument at the date of contribution. The foundation does not adjust the cost of debt securities for amortization of premium and accretion of discount. Any premium or discount is recognized at the date of maturity or the date of sale.

The carrying value and estimated market value of the investments at December 31, 1982 and December 31, 1981 are as follows:

	<u>December 31, 1982</u>		<u>December 31, 1981</u>	
	<u>Carrying Value</u>	<u>Estimated Market Value</u>	<u>Carrying Value</u>	<u>Estimated Market Value</u>

	<u>\$ 7,011,048</u>		<u>6,764,199</u>	

(3) Pension Plan

The Foundation provides a pension plan covering substantially all employees through the Arkansas Baptist State Convention. The pension expense for the years ended December 31, 1982 and 1981 was \$11,911 and \$8,445, respectively. At year end there were no unfunded liabilities.

(4) Lease Obligations

The Foundation entered a lease agreement in January 1981, to lease its office space for a period of three years. The lease agreement will expire in January 1984, and requires rental payments of \$15,750 per year until expiration.

(5) Income Taxes

Arkansas Baptist Foundation, is exempt from income taxes under section 501 (c) (3) of the Internal Revenue Code.

(6) General Information

The Arkansas Baptist Foundation was incorporated under the laws of the State of Arkansas in 1949. Its purpose is to encourage Baptists in the proper management and final distribution of accumulated possessions. The Foundation is authorized to receive by will or through trust, gifts for the benefit of any institution or agency supported by the Arkansas Baptist State Convention or the Southern Baptist Convention.

The Board of Directors is composed of fifteen persons. Five are nominated each year by the convention's nominating committee and elected at the annual session. The by-laws require that at least two-thirds of these be laymen. Investments are made through a committee after careful evaluation of recommendations from investment counsel.

There are no fees or commissions charged by the Foundation. The operational budget is provided by the Arkansas Baptist State Convention. Thus, gross income generated from investment is distributed to the designated beneficiary.
