# In Memoriam

**H. Lee Lewis**  
1906 - 1984

Reverend H. Lee Lewis was a preacher, a father of preachers and an inspirer of preachers. From being pastor of small country churches to becoming a vice president of the Arkansas Baptist State Convention, to being a preacher father, counselor, and confidant of a president of the Southern Baptist Convention, was the scope of this great man of God.

Brother Lewis served most of his almost 50 years in the ministry in Pulaski County. He served Pleasant Grove, Holly Springs, Woodson (three times), Zion Hill, Ironton, Nalls Memorial, North Point, and Garden Homes churches all in Pulaski County. He organized North Point, Woodson, and Stanfield churches.

He served with Bailey Smith at First Baptist Church in Warren and later went with Brother Smith to First Baptist Church, Hobbs, New Mexico.

He was the father of five preacher sons. Three of these are directors of missions and two are pastors. There are five other children all active in the work of the Lord.

An example of the dedication of H. Lee Lewis is seen in a testimony of one of his preacher sons, "My Dad taught me and showed me what preaching was all about. His dedication was seen many times as he would walk miles to his preaching missions. I remember one Sunday evening when my Dad came in after having walked miles over a lonely country road through a driving rain storm. Dad's shoes were so water logged that he had to tie them on his feet." H. Lee Lewis was that kind of preacher.

## CONSTITUTION

### Article I. — the Name

The name of this body shall be "The Arkansas Baptist State Convention."

### Article II. — The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

### Article III. — Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to cooperate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of The Baptist Faith and Message as adopted by the 1963 session of the Southern Baptist Convention, and The Baptist Faith and Message shall not be interpreted as to permit open communion and /or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. A standing Credentials Committee of five members shall be appointed by the president of the convention. No member of this committee may serve more than two consecutive conventions. The president of the convention shall fill vacancies and shall name the chairman each year.

### Article IV. — Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

### Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, and Second Vice-President. Each officer of the Convention shall be elected annually. The Executive Director of the Executive Board shall also serve as the Recording Secretary and Treasurer of the convention and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Director to keep a record of the proceedings of the convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

#### Article VI. — The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith: his or her successor in office shall be nominated by the Convention Nominating Committee and elected by the Executive Board to fill the unexpired term. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, for both state and Southern Baptist Convention causes. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all times be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

#### Article VII. — Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis) 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15; Arkansas Baptist Newsmagazine, 9.

Section 2. One-third of the members of the Board of Trustees shall be elected annually to serve for a term of three years. Any member of any Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

#### Article VIII. — Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

**Article IX. — Meetings**

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

**Article X. — Amendments**

Section 1. This Constitution and By-Laws may be amended by a two-thirds vote of the members voting and concurring in two successive annual meetings of the convention, except Article IV, which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

**Article XI. — Parliamentary Authority**

Kerfoot's Parliamentary Law shall be the standard for deciding questions of parliamentary procedure.

**Article XIII. — Districts**

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

**BY-LAWS**

In order to carry out the provisions of the Constitution, the following By-Laws are enacted for the government of the Convention.

**1. Enrollment of Messengers**

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

**2. Officers**

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

All elected officers of this Convention shall be members of churches cooperating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

### 3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgement of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Boards of Trustees or its institutions unless such Board when so commissioned shall decline to act on the orders of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist State Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee or nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

### 4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of aforementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Director of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for re-election until as much as one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other Board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

#### 5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

#### 6. Constitution and By-Laws Committee

A standing Constitution and By-Laws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed. In determining eligibility for re-election, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The president of the convention shall appoint the chairman of the Committee each year. The chairman must be one who has been a member of the Committee for at least one year and may succeed himself until his tenure of eligibility shall expire.

The Constitution and By-Laws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and By-Laws referred to it by the boards and agencies of the convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing, for convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the convention.

### APPENDICES

#### 1. Enrollment of Messengers (1980 Annual, page 37)

Any challenge to the seating of any church's messengers and the basis of the challenge should be presented in writing to the convention president, and the chairman of the Credentials Committee thirty (30) days prior to the annual meeting of the convention.

The Credentials Committee will meet prior to the opening session of the convention and report their findings and recommendation to the opening session of the convention.

#### 2. Performance of wedding ceremonies (1975 Annual, page 37)

The proper standard recommended by our State Convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas (shall) be ordination.

#### 3. Doctrinal Guidelines (1970 Annual, page 61)

Report of the Committee of Twenty-Five adopted, including the recommendation that the SBC statement of faith of 1963. *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.

#### 4. Appendices (1967 annual, page 40)

Resolution adopted that a search be made of the minutes of the convention to discover policies and

interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the constitution and bylaws of the convention as appendices.

5. Church Ordinances (1965 annual, page 31)
 

Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "close baptism" and "close communion", and,

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist State Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to re-examine the New Testament teaching on baptism and the Lord's Supper.
6. Federal Aid (1965 annual, page 43)
 

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas many feel that the acceptance of such funds violates the cherished Baptism position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.
7. Executive Board Recommendations (1963 annual, page 35)
 

Voted that all recommendations of the Executive Board shall be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the state convention.
8. Violations of the Constitution (1960 Annual, page 29)
 

Where there are violations of the Constitution on the Boards the Convention Nominating Committee (shall be) requested to make proper corrections.
9. Book of Reports (1959 annual, page 28)
 

Voted that the convention constitution and by-laws be printed each year in the Book of Reports for the convenience of our messengers.
10. Baptist Memorial Hospital Trustees (1959 annual, page 29)
 

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.
11. Capital Indebtedness (1959 annual, page 30)
 

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.
12. Out-of-state participation by Executive Board staff (1953 annual, page 22)
 

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Director of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.
13. Seating of Messengers (1949 annual, page 92)
 

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.
14. To limit expenditures not previously studied and recommended that might be introduced by Messengers at Convention (1982 annual, page 63).
 

Motions made by messengers dealing with the internal operations or programs of an agency, institution or the Executive Board shall be referred to the elected body of the appropriate body for consideration, and report to the constituency and to the next convention in annual session. Any expenditure of funds up to \$2,500 not already studied by the Executive Board shall be referred to that body for consideration and for a report to the next convention in annual session. Upon a two-thirds vote of the messengers present and voting, items dealing with internal operations, or finances, will be considered at a subsequent session of the same convention as arranged by the Order of Business Committee.

## THE BAPTIST FAITH AND MESSAGE

### I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

### II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

#### A. God the Father

God as Father reigns with providential care over His universe. His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

#### B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and

born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

#### C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgement. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

Gen. 1:2; Judg. 14:6; Job 26:13; Psalm 51:11; 139:7 ff.; Isa. 61:1-3; Joel 2:28-32; Matt. 1:18; 3:16; 4:1; 12:28-32; 28:19; Mark 1:10, 12; Luke 1:35; 4:1, 18-19; 11:13; 12:12; 24:49; John 4:24; 14:16-17, 26; 15:26; 16:7-14; Acts 1:8; 2:1-4, 38; 4:31; 5:3; 6:3; 7:55; 8:17, 39; 10:44; 13:2; 15:28; 16:6; 19:1-6; Rom. 8:9-11, 14-16, 26-27; 1 Cor. 2:10-14; 3:16; 12:3-11; Gal. 4:6; Eph. 1:13-14; 4:30; 5:18; 1 Thess. 5:19; 1 Tim. 3:16; 4:1; 2 Tim. 1:14; 3:16; Heb. 9:8, 14; 2 Peter 1:21; 1 John 4:13; 5:6-7; Rev. 1:10; 22:17

### III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice

man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

Gen. 1:26-30; 2:5, 7, 18-22; 3; 9:6; Psalm 1; 8:3-6; 32:1-5; 51:5; Isa. 6:5; Jer. 17:5; Matt. 16:26; Acts 17:26-31; Rom. 1:19-32; 3:10-18, 23; 5:6, 12, 19; 6:6; 7:14-25; 8:14-18, 29; 1 Cor. 1:21-31; 15:19, 21-22; Eph. 2:1-22; Col. 1:21-22; 3:9-11

## IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Gen. 3:15; Ex. 3:14-17; 6:2-8; Matt. 1:21; 4:17; 16:21-26; 27:22 to 28:6; Luke 1:68-69; 2:28-32; John 1:11-14, 29; 3:3-21, 36; 5:24; 10:9, 28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Rom. 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18, 29-39; 10:9-10, 13; 13:11-14; 1 Cor. 1:18, 30; 6:19-20; 15:10; 2 Cor. 5:17-20; Gal. 2:20; 3:13; 5:22-25; 6:15; Eph. 1:7; 2:8-22; 4:11-16; Phil. 2:12-13; Col. 1:9-22; 3:1 ff.; 1 Thess. 5:23-24; 2 Tim. 1:12; Titus 2:11-14; Heb. 2:1-3; 5:8-9; 9:24-28; 11:1-12:8, 14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6 to 2:11; Rev. 3:20; 21:1 to 22:5

## V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22; Isa. 5:1-7; Jer. 31:31 ff.; Matt. 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2; 15:24-28; Eph. 1:4-23; 2:1-10; 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19; Heb. 11:39-12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9; 2:19; 3:2

## VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42, 47; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14, 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1; Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4; Rev. 2-3; 21:2-3

## VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the

dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-29; Col. 2:12

#### VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1 ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

#### IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2; 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8-19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13; Rev. 1:6, 9; 5:10; 11:15; 21-22

#### X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 24; 11:9; Matt. 16:27; 18:8-9, 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5; 15:24-28, 35-

58; 2 Cor. 5:10; Phil. 3:20-21; Col. 1:5; 3:4; 1 Thess. 4:14-18; 5:1 ff.; 2 Thess. 1:7 ff.; 2; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7 ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11; 20:1 to 22:13

#### XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11; 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

#### XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1, 5, 9, 14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7 ff.; 119:11; Prov. 3:13 ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:19; Matt. 5:2; 7:24 ff.; 28:19-20; Luke 2:40; 1 Cor. 1:18-31; Eph. 4:11-16; Phil. 4:8; Col. 2:3, 8-9; 1 Tim. 1:3-7; 2 Tim. 2:15; 3:14-17; Heb. 5:12 to 6:3; James 1:5; 3:17

#### XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically,

proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18; Mal. 3:8-12; Matt. 6:1-4, 19-21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Rom. 6:6-22; 12:1-2; 1 Cor. 4:1-2; 6:19-20; 12; 16:1-4; 2 Cor. 8-9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

#### XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17 ff.; Judg. 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Neh. 4; 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1 ff.; Acts 1:13-14; 2:1 ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12; 2 Cor. 8-9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

#### XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12; 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3 ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Rom. 12-

14; 1 Cor. 5:9-10; 6:1-7; 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philémon; James 1:27; 2:8

#### XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

#### XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

## (2) Planned Growth In Giving

38. Jerry Wilson presented the recommendations on Planned Growth In Giving. He explained that this was a vote on Arkansas participation in Planned Growth In Giving and a call to commitment by individuals, families, churches, associations, state conventions and the Southern Baptist Convention to a growing commitment. It is a 15 year growth in giving plan to strengthen and mature believers in christian stewardship and to encourage them to adopt bite size goals for increasing their budget gifts annually during the 15 year period from 1985 to 2000. Jerry Wilson moved for the adoption of the following recommendations on Planned Growth In Giving.

Planned Growth In Giving grew out of a Cooperative Program Study Committee report. The committee proposed definite actions to encourage Southern Baptists in achieving their Bold Mission Thrust goals. The Southern Baptist Convention adopted Planned Growth In Giving during sessions of the annual convention meeting in Pittsburg, Pennsylvania in June of 1983.

An Arkansas Planned Growth In Giving Task Force, composed of laypersons, pastors, directors of missions, church staff members and Arkansas Baptist State Convention staff members, has prayerfully studied Planned Growth In Giving. The Executive Board of the Arkansas Baptist State Convention recommends the following goals.

1. That all of our churches be encouraged to participate in Planned Growth In Giving activities to strengthen and mature believers in christian stewardship and to adopt goals for increasing their budget gifts annually during 1985-2000.

That we encourage our people in the churches to grow in christian stewardship and that families and individuals be encouraged to set fifteen-year vision goals for annual growth in giving.

That we encourage our churches to conduct christian money management seminars or similar studies to assist their members in their growth as christian stewards.

2. That our churches be encouraged to adopt a fifteen-year vision goal of increasing annually the percentage of church gifts ministering through associational missions according to suggestions developed by the association.
3. That we encourage our churches to adopt a fifteen-year vision goal of increasing annually the percentage of church gifts ministering through the Cooperative Program.

4. That we, as the Arkansas Baptist State Convention, continue to move toward a 50/50 division of Cooperative Program gifts with 50% remaining in Arkansas and 50% going to world mission causes through the Southern Baptist Convention by A.D. 2000.

We further recommend that:

The Arkansas Baptist State Convention fund in the 1985 budget twelve regional Planned Growth In Giving seminars and that the pastor and a key leader from each church be encouraged to participate in one of the twelve regional seminars. The estimated cost for the Planned Growth In Giving during 1985 is \$62,883.00.

Second. President Stubblefield recognized James Walker, director, state Annuity/Stewardship Department and Ernest D. Standerfer, executive vice president, Stewardship Commission, Nashville, TN, who gave further information on Planned Growth In Giving. Vote was taken and motion carried.

### (3) Church Annuity Plan

39. Jerry Wilson moved that the following recommendation on the Church Annuity Plan be adopted:

This Convention hereby adopts the proposed Southern Baptist Program Church Annuity Plan as amended and restated effective as of January 1, 1988.

Adoption of this resolution means that ministerial staff will be eligible for additional state contributions, if the church and member meet requirements, in 1988. Supportive staff members (secretaries, custodians, etc.) will be eligible in 1993 unless the state conventions vote to make them ineligible.

Motion seconded. **RESOLUTION #1 - PARTICIPATION IN ELECTORAL PROCESS**

Since Arkansas Baptists are often involved in voting on people and issues in every level of government, and since the outcome of elections affect positively or negatively the world in which we live,

**BE IT RESOLVED** that the Arkansas Baptist State Convention go on record commending those who actively involve themselves in the electoral process.

**BE IT FURTHER RESOLVED** that before voting there be prayerful seeking of the facts and consideration of all implications regarding persons and issues voted on.

**BE IT FURTHER RESOLVED** that in the fact of disagreements regarding the electoral process that God grant each the willingness to disagree in the spirit of our Lord Jesus.

**RESOLUTION #2 - SEPARATION OF CHURCH AND STATE**

Consistent with our historic tradition and applying the teaching of Jesus "to render unto Caesar the things that are Caesar's and to God the things that are God's" regarding separation of church and state,

**BE IT RESOLVED** that the 131st session of the Arkansas Baptist State Convention go on record reaffirming belief in the separation of Church and State, and appreciation for contributions made by such as Roger Williams.

**BE IT RESOLVED** that strong disapproval be registered to any U.S. President and Senate, regardless of political affiliation, who insist on having an ambassador to the Vatican or to any other religious group. We are also concerned that this action could pose danger for our foreign missionary representatives who might be considered by some as listening posts for our government rather than ambassadors for Christ.

**BE IT FURTHER RESOLVED** that Arkansas Baptists continue to support the Baptist Joint Committee on Public Affairs and Americans United for Separation of Church and State which gives leadership in this important area of American life.

**RESOLUTION #3 - MALNUTRITION**

In face of current reports of domestic and world hunger which Arkansas Baptists seek to address through the World Hunger committee,

**BE IT RESOLVED** that much more serious consideration be extended those at home and overseas not starving but badly malnourished. Since mental and physical retardation often result and since treatment and consequences related to these incur tremendous public expense,

**BE IT FURTHER RESOLVED** that churches and governmental leaders seek more effective measures for the problem of malnutrition at home and abroad.

**RESOLUTION #4 - CHRISTIAN CIVIC FOUNDATION**

**WHEREAS**, the Arkansas Christian Civic Foundation has been assigned to deal with three specific social problems, drugs, gambling, and obscenity, and

**WHEREAS**, its task is to deal with them legislatively, educationally and rehabilitatively,

**BE IT RESOLVED** that the Arkansas Baptist State Convention, associations, churches, and individuals be encouraged to continue strong financial and prayer support to the Foundation, and

**BE IT FURTHER RESOLVED** that the director, John Finn, and staff be commended for effective combat on all three fronts during the past year.

**RESOLUTION #5 - NUMBER ONE DRUG PROBLEM**

**WHEREAS**, consumption of alcoholic beverages is the number one drug problem in Arkansas, bringing misery to thousands; and

**WHEREAS**, an increasing number of youth are following adults in turning to alcohol; and

**WHEREAS**, the use of alcohol as a crutch is unnecessary in light of the spiritual resources available to all through Jesus Christ;

**THEREFORE, BE IT RESOLVED** that we call on state political leaders and governmental agencies to work more diligently to protect the health and safety of all Arkansans from the adverse effects of alcohol.

**BE IT FURTHER RESOLVED** that we call on national political leaders to join current efforts to eliminate advertising of alcoholic beverages on radio and television as has been done with cigarette advertisements. Finally,

**BE IT RESOLVED** that we call on every Baptist church to minister to those persons and families who have fallen victims to this number one drug problem.

#### **RESOLUTION #6 - HUMAN ABUSE**

Since there is evidence of increased child abuse, spouse abuse, and incest in our society and since serious efforts are being made to correct these devious physical and mental cruelties,

**BE IT RESOLVED** that Arkansas Baptists redouble efforts using all available resources in dealing with these problems of abuse.

#### **RESOLUTION #7 - CONCERNING THE EQUALITY OF MEN AND WOMEN BEFORE GOD**

**BE IT RESOLVED** that we affirm that men and women share equally in bearing the image of God and that both men and women reflect the dignity of God's creative work.

**BE IT RESOLVED** that we affirm that men and women share equally in the tragedy, guilt, and condemnation of human sin.

**BE IT RESOLVED** that we affirm that men and women share equally in being the subjects of God's love, in being persons for whom Christ died, and in being potential recipients of God's gift of salvation through Jesus Christ our Lord.

**BE IT FINALLY RESOLVED** that we affirm that men and women share equally in carrying out the Great Commission of our Lord.

#### **RESOLUTION #8 - ON 1989 MEETING OF THE SOUTHERN BAPTIST CONVENTION IN LAS VEGAS, NEVADA**

Due to conflict and confusion caused among Arkansas Baptists by the Southern Baptist Convention scheduling the 1989 Annual Convention in Las Vegas, Nevada,

**BE IT RESOLVED** that the messengers of the Arkansas Baptist State Convention respectfully request the Executive Committee of the Southern Baptist Convention to reconsider Las Vegas as the site.

#### **RESOLUTION #9 - ON ABORTION**

**WHEREAS**, the Bible teaches that all life is a sacred gift of God,

**BE IT THEREFORE RESOLVED**, that the Arkansas Baptist State Convention call upon our cooperating churches and members to support and work for legislation which will assure the highest regard for life, born or unborn; and in Christlike love to provide alternatives to abortion through counseling, housing, and adoption placement services for unwed mothers with specific intent of bringing them into relationship with Jesus Christ and/or a sense of Christian responsibility; and

**BE IT FURTHER RESOLVED**, that we call upon Arkansas Baptist State Convention agencies to provide aggressive leadership for our cooperating churches and members by providing literature to make clear the issues involved in and the alternatives to abortion.

#### **RESOLUTION #10 - APPRECIATION**

**WHEREAS**, we the messengers recognize the dedicated leadership of our 1984 convention officers; Dr. Jon M. Stubblefield, president; Rev. Jesse Reed, first vice president; Dr. John H. McClanahan, second vice president; Dr. Don Moore, executive secretary; and

**WHEREAS**, the one hundred thirty-first annual session of the Arkansas Baptist State Convention has been enriched by the prayers, fellowship, and facilities of the Grand Avenue Baptist Church of Fort Smith.

**BE IT THEREFORE RESOLVED**, that we express our appreciation to the Program Committee for this excellent work, to the convention officers for the excellent way they have led us, and to the host church, her pastor and staff for their gracious contribution to this convention.

**BE IT FURTHER RESOLVED**, that we express our appreciation to the First Baptist Church, Fort Smith, for graciously providing their facilities for auxiliary meetings, luncheons, and dinners.

*Don Moore, Executive Secretary*

Jerry Wilson, pastor, West Side Baptist Church, El Dorado, has served as Executive Board president this year. Serving with him were Kerry Powell, pastor, First Baptist Church, Forrest City, as chairman of the Operating Committee; Cary Heard, pastor, Park Hill Baptist Church, North Little Rock as chairman of Program Committee; Thomas A. Hinson, pastor, First Baptist Church, West Memphis as chairman of Finance Committee; Eddie McCord, pastor, Highland Heights Baptist Church, Benton as Nominating Committee chairman. Meetings have been held on November 9, 1983, December 15, 1983 and August 23, 1984.

One major action of the Executive Board on December 15, 1983 was to approve guidelines and assistance for involuntarily terminated pastors and full time staff persons of Southern Baptist churches. Fifteen pastors have been helped at this date.

## PERSONNEL MATTERS

Eujeania Kate Breedlove retired September 1, 1984, after 25 years of service as bookkeeper in the Accounting Department.

## OTHER BOARD ACTIONS

In the August 23 meeting the Executive Board approved new guidelines for the Ministerial Scholarship Loan Fund which would give opportunity for churches, school, state convention or associations to participate in this ministry. The only two major

changes in the guidelines would be that wives would receive ½ of the amount that her husband receives and a sponsoring church will participate in the fund. The State Convention will contribute a maximum of \$250 per semester to the student's scholarship program and a sponsoring church contribute \$100 per semester. In the last several years the fund has been declining such as in 1983 the scholarship fund paid out \$133,000 and only received \$97,000. If this trend continues the fund will be depleted by 1985. The Executive Board took this action to be able to continue assisting and encouraging men who are preparing for the preaching and/or pastoral ministry.

The Executive Board approved three changes in the Revolving Loan Fund of the Arkansas Baptist State Convention's Missions Department: (1) that the state convention will establish a line of credit adequate to service the unmet requests for building loans (\$140,000) (2) the fund will make money available to congregations with less than 200 members and not more than \$50,000 income (3) the loans will be interest free for the first year, four percent below prime rate on the unpaid balance for the next five years and two percent below the prime rate for the remainder of ten years. This will raise the fund from \$359,782 to \$500,000. A debt retirement plan has been implemented.

### MINISTRY

We have been involved more than 2,000 times with individual churches and conducted over 100 conferences in trying to improve the effectiveness of the ministry of our churches. We are grateful for the opportunities the associations and churches have given us.

We believe God has given us a new strategy for improving this ministry. "Response Programming" is the effort being made in collaboration with Directors of Missions to develop programs that may prove more helpful and effective with our churches. These will be reflected in the 1986 Calendar of Activities.

We continue to give thanks to our gracious Lord and a dedicated staff for a rewarding and beneficial year in our program ministries.

Recommendation #2  
(Planned Growth in Giving)

**RECOMMENDATIONS ON PLANNED GROWTH IN GIVING**

Planned Growth in Giving grew out of a Cooperative Program Study Committee report. The Committee proposed definite actions to encourage Southern Baptists in achieving their Bold Mission Thrust goals. The Southern Baptist Convention adopted Planned Growth in Giving during sessions of the annual convention meeting in Pittsburg, Pennsylvania in June of 1983.

An Arkansas Planned Growth in Giving Task Force, composed of laypersons, pastors, directors of missions, church staff members and Arkansas Baptist State Convention staff members, has prayerfully studied Planned Growth in Giving. The Executive Board of the Arkansas Baptist State Convention recommends the following goals.

1. That all of our churches be encouraged to participate in Planned Growth in Giving activities to strengthen and mature believers in christian stewardship and to adopt goals for increasing their budget gifts annually during 1985-2000.  
That we encourage our people in the churches to grow in christian stewardship and that families and individuals be encouraged to set fifteen-year vision goals for annual growth in giving.  
That we encourage our churches to conduct christian money management seminars or similar studies to assist their members in their growth as christian stewards.
2. That our churches be encouraged to adopt a fifteen-year vision goal of increasing annually the percentage of church gifts ministering through associational missions according to suggestions developed by the association.
3. That we encourage our churches to adopt a fifteen-year vision goal of increasing annually the percentage of church gifts ministering through the Cooperative Program.
4. That we, as the Arkansas Baptist State Convention, continue to move toward a 50/50 division of Cooperative Program gifts with 50% remaining in Arkansas and 50% going to world mission causes through the Southern Baptist Convention by A.D. 2000.

We further recommend that:

The Arkansas Baptist State Convention fund in the 1985 budget twelve regional Planned Growth in Giving seminars and that the pastor and a key leader from each church be encouraged to participate in one of the twelve regional seminars. The estimated cost for Planned Growth in Giving during 1985 is \$62,883.00.

**Recommendation #3  
(Church Annuity Plan)**

**RESOLVED:**

This Convention hereby adopts the proposed Southern Baptist Protection Program Church Annuity Plan as amended and restated effective as of January 1, 1988.

Adoption of this resolution means that ministerial staff will be eligible for additional state contributions, if the church and member meet requirements, in 1988. Supportive staff members (secretaries, custodians, etc.) will be eligible in 1993 unless the state convention votes to make them ineligible.

**ANNUITY**

*James A. Walker, Arkansas Representative*

The Annuity Board's original purpose, "Serving those who serve the Lord" remains firm. This commitment was expressed by payment of \$31,802,151 in retirement and relief benefits in 1983. During the first six months of 1984 payments reached \$17,665,022.

Arkansas has 414 annuitants who receive benefits from the Annuity Board. Of these, 224 receive \$100 or less per month.

The following statistics represent Arkansas Baptists' participation:

- 708 employers (churches and associations) in Church Retirement Plan
- 1022 participants in church retirement plan
- 394 employers in insurance programs
- 602 members in life insurance programs
- 146 members in disability insurance program
- 423 members in medical insurance
- 4 churches in group insurance
- all state convention agencies participate in Annuity Board programs.

The state Annuity Office participated in nine church conferences, seventeen associational conferences and seven state or SBC conferences. The office received an average of 145 calls a month and mailed an average of 87 letters a month related to Annuity programs.

Efforts in 1985 will concentrate on:

- Enrolling 100 new members in retirement program
- Encouraging churches to enroll supportive staff members in retirement
- Encouraging churches to upgrade contributions. The \$400 annual contribution will not provide adequate retirement benefits. Churches should contribute 10% of salary and housing to the retirement program.
- Informing churches of insurance programs through the Annuity Board
- Introducing the New Church Annuity Plan.

**ARKANSAS BAPTIST ASSEMBLY**

*Freddie Pike, Director*

A new record was set in enrollment during the seven weeks of the Arkansas Baptist Assembly. A total of 6729 persons were registered which is an increase of 455 over the previous record set last year. In the past two years we have had an increase of 1201. We are grateful to the churches for this kind of response.

This year we also recorded a record number of professions of faith with 381. We give God the glory for his blessings on our camp. Below are the week by week results:

Week	Enrollment	Professions of Faith	Church Related Vocations	Rededications
1 - June 11-16	745	48	2	40
2 - June 18-23	1137	40	3	45
3 - June 25-30	1115	64	13	84
4 - July 2- 7	886	53	5	40
5 - July 9-14	1045	64	2	87
6 - July 16-21	944	65	2	56
7 - July 23-28	857	47	2	82
	<u>6729</u>	<u>381</u>	<u>29</u>	<u>434</u>

We did a limited amount of remodeling of facilities, saving most of our funds for the construction of a new and larger swimming pool. The old pool has been demolished and the new pool will be ready for the 1985 camping season.

With our enrollment during the seven weeks of camp added to our rent camps and retreats we ministered to more than 10,000 campers during this past year. We are continuously grateful to Arkansas Baptists for the provision of this kind of facility where hundreds of campers respond to the touch of God upon their life.

One of the problems that seems to surface each year is in regards to the dress code. This year there was marked improvement in compliance to the dress code. Next summer will see even more improvement as a new definition of appropriate clothing will be in effect. The new guideline will state that "no attire that reaches more than six inches above the middle of the knee cap" can be worn at the assembly. We believe that this is a step in the right direction as we try to create a spiritual atmosphere at the camp.

We are anticipating another great experience during the seven weeks of 1985. Please pray for the staff as we plan and prepare for the seven assembly weeks.

## BAPTIST STUDENT UNION

*Tom J. Logue, Director*

### Missions & Evangelism

## Thanks

To Arkansas Baptists for their continuing support of Baptist Student Work on 27 Arkansas campuses. On behalf of these, Baptists are the only Christian group at work.

## BROTHERHOOD

*Neal Guthrie, Director*

The Brotherhood Department seeks to instill mission awareness in men and boys through the local church, association and state. Our central task is to teach what Southern Baptists are doing in the way of missions here at home and around the world, and then to get involved in mission support and service.

This year we have seen more units for Baptist men organize and an increase in R.A. Chapters in the churches. This increase is due largely to tireless efforts of pastors, interested laymen, directors and counselors, making sure that a mission organization for men and boys is available.

The organizing of Baptist Men Fellowship has done as much as anything in recent years to excite and mobilize men to use their gifts, skills and talents. In a initial organizational meeting held at the Riverfront Hilton Inn in North Little Rock, nine different fellowship groups were formed. Agri-Missions, Aviators, Amatuer Radio, Attorneys, Lay Renewal, Pastors, Builders/Construction, Dental/Medical and Disaster Relief. Out of this meeting has sprung fresh awareness of missions and the task of Bold Mission Thrust.

Men involved in Disaster Relief have served over 250 thousand meals and helped in countless ways victims of tornados, floods, hurricanes and the such.

Royal Ambassadors moved to Ouachita Baptist University with their 31st Annual Congress and Track Meet. OBU was a gracious host and the facilities were a tremendous improvement over past years. R.A.'s came from every part of the state to hear mission speakers, athletes' testimonies, great music and enjoy the OBU pool and gym. Hundreds of awards and trophies were given in track and field events the second day.

R.A. Camps were held the first two weeks of June at beautiful Camp Paron. One of the activities held this year at camp was called Reflection, a moment just to be still and let God speak to you. The new Chapel provided the needed atmosphere for a beautiful worship experience. Boys also enjoyed mission study, campcraft, nature, swimming, canoeing, fishing, recreation and great moments of fellowship.

On July 9, Senior High R.A.'s and their sponsors journeyed to Michigan to conduct an R.A. Camp for Missionary Carroll Fowler. The camp, held at Black Lake, was for boys in a new area where there is no R.A. work yet. Following the camp the group enjoyed a little site seeing and a trip into Canada.

Lay Renewal continues to be a positive movement among the layity. Numbers of lay people are finding God's will for them through experiences in Lay Renewal. One pastor says, "it is possibly the most important and life-changing experience our church as had". This highly motivating event is available through the Brotherhood office and involves the total church in the experience.

Royal Ambassadors will close out the year with their annual Fellowship Luncheon. Coming from all over Arkansas boys will gather for a Saturday filled with fun things to do while learning about missions. The day will include a lunch and a special guest speaker. The date is November 10, which concludes National R.A. Week.

One of the first mission projects in Brazil will be men constructing a building in a camp in the state of Maranhao near the city of Sao Luis. While construction will be the project the group will also hold evangelistic services and training for Brotherhood leaders. The date for this project is November 29-December 9, 1984.

It has been a great year for Brotherhood work. Baptist Men, Royal Ambassadors, Renewal, World Mission Conferences, Disaster Relief, Camps, Mission Projects, Conferences and the list goes on, have helped accomplish the tasks of Mission Education and Mission Action. It is a learn and do organization. The only organization in the church that is specifically designed to do this for men and boys. Sound interesting? Let us help you begin a total Brotherhood ministry in your church.

### BUSINESS SERVICES

*L.L. Collins, Jr., Director*

The function of the Division of Business Services for the Arkansas Baptist State Convention is two fold. The first is to provide support for the Executive Board departments of the Arkansas Baptist State Convention. The second is to be supportive in the total work of Arkansas Baptists. The nature of that support is to be an enabler helping the above to function more efficiently in ministry and to realize the maximum use of the financial resources provided by Southern Baptists of Arkansas.

In the past year the parking lot was completed. With the landscaping, it is an attractive addition to the downtown section of Little Rock.

There have been several staff changes in the past year. Betty Tyler, thirty-nine years with the accounting department, began a part-time relationship with us. While we regret her leaving, we are grateful she is still with us part-time. Sherry Nordin, who has been with us three years, assumed responsibility as accounting services supervisor. She is prepared in every way for this important task. Jeannie Breedlove, also in the accounting department, has retired after twenty-five years of service. She was replaced by Renee McClintock.

The area of computer services is continuing to grow. A data base has been completed which offers several advantages in obtaining information. There is still the need for a main frame that will support all our needs. We have continued to add to our system, only that which can be intergrated into the main frame when it is added.

It is the continuing commitment of the Division of Business Services to continue to supply the necessary support for the operation of Executive Board programs of Arkansas Baptists while at the same time emphasizing the greater stewardship of the total mission task of the Arkansas Baptist State Convention.

## COOPERATIVE PROGRAM

*L.L. Collins, Jr.*

It is difficult and sometimes misleading to look at statistics. For instance, in 1959 the average yearly gifts of each resident member through the churches was \$64.02. In 1983, that amount was \$340.01. The per capita amount going to Cooperative Program increased from \$7.66 to \$30.60 in that same period of time.

What makes the above misleading is that in 1959, 11.97% of the undesignated gifts went through the Cooperative Program while in 1983 that percentage was 11.11%.

In the last five years the total receipts to the churches has gone up by 47.78%. In that same period of time the per capita gifts of resident members went up by 28.53%.

The fact is that the average gift per member has not kept pace with inflation and the percentage of the churches undesignated receipts going to the Cooperative Program has declined in the last 25 years from 11.97% to 11.11%. If Arkansas Baptists are to continue moving toward a 50/50 division of Cooperative Program money, churches must make the challenge by increasing their percentage giving.

## CAMP PARON

*Robert Ferguson, Business Manager*

Camp Paron, located 45 miles west of Little Rock, on State Highway 9, consists of 263 acres of beautiful rolling forested hills, and open grassy area with dormitory type facilities for 210 persons. Situated adjacent of Ouachita National Forest, the setting is ideal for church and convention groups to "come aside from their busy schedules to enjoy the beauty and serenity it affords".

From July 1, 1983, to June 30, 1984, forty-one groups have used the facilities with total attendance of 4,028.

Summer youth camp schedules includes two weeks for National Baptists, two weeks for Royal Ambassadors, four weeks for Girls in Action, three for local church and associational camps, and eight overnight groups.

This summer we began to use our new chapel. Dedication date was July 28. The chapel is refreshingly beautiful with exposed structural wooden beams and brilliant glass windows. Many colors stimulate the worship services, and everyone has had praise for the added dimension the chapel gives our camp programs. We invite you to come bring your week-end retreats to Camp Paron. The food is delicious, the facilities are clean and ready for use any season of the year.

Mr. Bobby Bean is Resident Camp Manager. Information concerning facilities, rates and dates available, can be secured by writing or calling Robert Ferguson, 525 West Capitol, Post Office Box 552, Little Rock, Arkansas 72203 - (501) 376-4791 in the Arkansas Baptist Building.

## CHRISTIAN LIFE COUNCIL

*Robert A. Parker, Director*

Now in its sixth year of service, the Christian Life Council exists to encourage Arkansas Baptists to apply Christian principals in every day living. This is in keeping with the teaching of Jesus that his disciples be the salt of the earth and light of the world. Christians must "believe and behave" in order to have the impact on the world God intends them to have.

The director continues to serve as liaison between the Convention and the Christian Civic Foundation of Arkansas. The Foundation under the leadership of John Finn has adopted the Freeway Program, a drug education program to be used in public and private schools beginning in the Fall of 1984. It will be directed by Jeanne Richards, an attorney recently employed by the Christian Civic Foundation. The director of the Christian Life Council has assisted the Foundation this year especially in the Anti-Lottery and Anti-Casino campaigns. Other efforts have been made to curtail the growth of teen drinking and pornography in Arkansas.

The Christian Life Council also serves as a resource agency regarding many other social issues. Pertinent materials are distributed throughout the state. The director has spoken and held conferences in many churches, camps and associations. Many articles have been written for publication by the Arkansas Baptist Newsmagazine. These articles seek to better inform and equip Arkansas Baptists for more effective Christian living.

Further involvement of the Christian Life Council included working with the Arkansas Baptist World Hunger Committee, the Arkansas Interfaith Hunger Task Force, the Arkansas Hunger Study Committee, the Lord's Day Alliance of Central Arkansas, the National Conference of Christians and Jews, and the United Way of Little Rock. This being an election year, responsible Christian Citizenship has especially been promoted by encouraging voter registration and by voting.

The Christian Life Council encourages cooperation and support of the total program of the Arkansas Baptist State Convention in efforts to win the lost to Jesus Christ and to disciple those won.

## CHURCH MUSIC

*Ervin Keathley, Director*

The Church Music Department exists to assist our churches, large or small, and our associations in strengthening their ministry through the music which they use. We provide leadership training at all levels of congregational, choral and instrumental music. We also provide opportunities for music performance through festivals, camps and workshops.

The Church Music Department had a 2.6% increase in enrollment this year. We have experienced a steady growth through the years and our total enrollment now stands at 50,734.

1983-1984 Music Department Highlights

I. Leadership Training

1. Associational Music Directors

Nineteen Associational and District Music Directors attended our Key-Leader Meeting at Baring Cross in April. LeRoy McClard, former State Music Secretary, was our guest. Our goal is to reach all our associational directors for this annual leadership training.

2. Volunteer/Part-Time Music Leader Workshop

We scheduled three workshops again this year and conducted those located at Paron and Southern Baptist College. The workshop planned for Fayetteville did not materialize. Seventy-four enrolled at the workshop at Paron and sixteen were at Southern Baptist College.

We plan to try to expand into another area of the state next year.

3. Children's Choir Leader Workshop

A two-day workshop was conducted at Immanuel Baptist Church in Little Rock. 267 children's music leaders from 51 churches attended. Outstanding conferences were directed by Martha Kirkland, Nashville; Diane Burtrum, Tulsa; and Charlotte McElroy, Tupelo.

4. Convocation on Congregational Singing

Dr. Donald P. Hustad spoke to 86 music directors, pastors and church members on the importance of congregational singing in worship. The Convocation, held at First Baptist, Benton, climaxed with over 400 attending the "Hosanna . . . An Evening of Singing and Praise", led by Dr. Hustad from the organ. Dr. Hustad, former organist for the Billy Graham crusades, is professor of organ, holding the V.V. Cooke Chair of Organ, at Southern Seminary in Louisville, Kentucky.

II. Music Festivals

1. Youth Choir Festival	30 churches	34 choirs	683 singers
2. Children's Festivals	49 churches	49 choirs	1140 singers
3. Handbell Festivals	23 churches	29 choirs	408 ringers
4. Ensemble Jubilee	17 churches	25 ensembles	178 singers

III. Music Tournaments

1. Associational Tournaments

Thirteen associations conducted tournaments in 1984, with a total of 84 participants in six areas of musical competition: vocal solo, song leading hymn playing, band/orchestra instrumental solo, vocal ensemble, and band/orchestra instrumental ensemble.

2. State Music Tournament

There were 54 entries in the state tournament this year, conducted at Baring Cross, North Little Rock.

3. State Vocal Ensemble Jubilee

This event is for small groups, usually made up of youth from the youth choir. Twenty-five ensembles competed in the Jubilee this year at Baring Cross.

#### IV. Music Camps

##### 1. Young Musicians Camp

629 enrolled for camp this year and 611 showed up for the week. Four musicals were memorized and performed on Wednesday night and Thursday. Excellent counselors and faculty continue to make this an excellent musical experience for all of us. Twenty-one professions of faith were recorded in the decision service.

##### 2. Music Arkansas

170 youth and adults attended this week-long music camp, conducted on the campus of Ouachita, July 23-27. Dr. Don Brown, Dr. Neale Bartee and George Townsend provided outstanding leadership in choral and instrumental music.

Mike Curry served as camp pastor. There were two professions of faith and five rededications in the decision service.

#### V. Summer Music Missionaries

Lisa Nevin, First Baptist Church, Cabot, and Retha Kilmer, First Baptist Church, Malvern, served in some of our churches for one week this summer. This was our third year for this program, and we hope to see it continue to grow. These girls, both recent graduates of Ouachita, are excellent music teachers and I know the churches benefitted from their work.

#### VI. Instrumentally Speaking

Keyboard training continues on the associational level with the use of our District Specialists. Eight associations have held Pedalpoint Clinics this year with 100 keyboard participants.

This year's emphasis is on band/orchestral instruments. Camp Kirkland, from First Baptist Church, Jacksonville, Florida, will be conducting our workshop September 25 on the use of instrumental ensembles in worship. At least 45 participants are expected.

Use of instruments in our churches continues to increase every year, evidenced by the presence of full time instrumental directors at First, Springdale and at Windsor Park, Fort Smith. These two directors work in conjunction with the private school at their respective churches.

#### VII. Music Men of Arkansas

We were invited to sing a concert in the opening session of Music Week at Glorieta this year. Fifty men and many of their families are making the trip. Arkansas will have approximately 275 enrolled there. We look forward to a great year with all these freshly trained leaders.

#### VIII. Conclusion

This is the forty-fourth annual report of the Church Music Department, the first music department established in the Southern Baptist Convention. We desire to serve the churches of Arkansas under the leadership of the Lord, Jesus Christ.

## CHURCH TRAINING DEPARTMENT

*Robert Holley, Director*

## I. Introduction

In each of its five program assignments the Church Training Department's primary role is that of equipping church leaders. The projects and events conducted by the department are designed primarily for pastors, church staff, church secretaries, deacons, Church Training leaders, church Media Library workers, church recreation leaders, and church officers and committees. The department is responsible for and relates to five Sunday School Board programs: (1) Church Training, (2) Church Administration, (3) Family Ministry, (4) Media Library and (5) Church Recreation.

The following report is a summary of the major projects conducted by the department for 1983-84. In addition, the staff of the Church Training Department has been involved in personal consultations with a large number of churches, pastors and other church leaders in response to their requests for assistance.

## II. Review of 1983-84

## 1. Church Training

1983-84 was a year of major emphasis on Developing Believers for our denomination. It was another year of growth in Church Training enrollment for Southern Baptist and for our state. Twenty-one of our forty-two associations reported an increase in enrollment, giving our state an increase of 1.4%, bringing our total enrollment to 82,057. Arkansas has 75% of its churches reporting Church Training. Only two state conventions report a higher percentage of Church Training programs.

The projects conducted by the Church Training Department were designed to help churches strengthen their training program. It is our objective to work with associations and churches to help provide the kind of training opportunities that will lead church members to grow toward maturity in Christ.

## COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Cooperative Ministries with National Baptists in Arkansas is a joint effort of the Home Mission Board, SBC and the Arkansas Baptist State Convention. We seek to relate to National Baptists as brothers and sisters in Christ, and co-workers in various Christian ministries in order that churches and associations may be strengthened and non-christians brought to a saving faith in Christ.

Five **STUDENT SUMMER MISSIONARIES** spent 10 weeks in 14 black churches, conducting vacation Bible schools, camps and youth programs, enrolling 1375 youths and resulting in 48 professions of faith. (Summer 1983)

Nineteen college students and 8 seminary students were assisted with **SCHOLARSHIP** program funds totaling 9,750.00 (1983).

**BAPTIST STUDENT UNION** activities at the University of Arkansas at Pine Bluff, Reverend Lacy Solomon, Director, enrolled over 200 students in Bible classes and various Baptist Student Union sponsored activities.

**EXTENSION CENTERS** for in-service training enrolled 187 pastors and laymen in Bearden, Lewisville, Little Rock, Pine Bluff and Eudora.

Reverend Ronnie Nelson **MINISTERIAL STUDENT** from University of Arkansas Pine Bluff serves as assistance to the **CHAPLAIN** at Tucker Intermediate Reformatory where young black first offenders are housed. Twelve professions of faith and numerous rededications are registered.

## EVANGELISM

*Clarence Shell, Director*

We have shared a very interesting year of evangelism in our state. Our churches won and baptized 13,991 in 1983. This was 486 less than 1982. Our reports show that 201 churches in our state did not baptize a person during the year 1983. This was forty more churches than 1982 which had no baptisms. We are committed to accept the challenge in leading our churches to baptize more people in 1984. Our goal is to share

Christ with every lost person in our state. Our annual goal is to break the all time record of baptisms set in 1950 with 16,367. We have received many wonderful reports of people being saved and baptized during this year. God is blessing our churches through perennial evangelism. The fires of evangelism are burning brightly in the churches who have committed themselves to a program of personal evangelism.

God has blessed our department with the addition of Dr. Glendon Grober as an associate. He came to work with us on March 20. Glendon has served for twenty-nine years in missionary service in Brazil. He came to us from the position of Executive Director of Evangelism for the General Board in Brazil. His major emphasis will be in the following areas: Personal Evangelism, Prayer for Spiritual Awakening and Golden Age Evangelism. Glendon is also serving as a coordinator for the Amazon-Arkansas Partnership Mission.

Your Evangelism Department made history this past spring by conducting the first Golden Age Evangelism Conferences. These were conducted with an emphasis on prayer and personal evangelism in Cherokee Village and Bella Vista. They were well received and appreciated by our Golden Age Christians. It is the desire of your Evangelism Department to lead the senior Christians into a ministry of prayer and personal evangelism to reach their peers for Christ. Arkansas is second to Florida in the ratio of our population age 60 and above.

A very successful Growing an Evangelistic Church Seminar was conducted at Camp Paron. A strong attempt was made to train one consultant from each association in our state. Bob Campbell of the Home Mission Board led twenty-eight evangelism leaders in a rich experience of Growing an Evangelistic Church.

The Lay Evangelism School has been revised and updated. We have conducted two update conferences for teachers who were formerly trained to do WIN Schools. The term WIN will no longer be used. It will now be referred to as LES. A number of churches are finding this a very valuable process to train their laity in witnessing.

Three witnessing classes, sponsored by the Evangelism Department, are scheduled for each session of Siloam Springs Assembly. The adults are taught a Lay Evangelism School. The junior and senior high young people are taught in the WOW School.

It is the consistent desire of your State Evangelism Department to plan and promote the concept of Total Evangelism. Our evangelism philosophy is based upon our Lord's Commission in Matthew 28:19-20. We are commissioned by Jesus to make, mark and mature disciples. Your evangelism staff is committed to this type of evangelism.

These coming events are dedicated to help strengthen our churches in fulfilling the Lord's Commission:

1. CWT Seminar - Central Baptist Church, Magnolia, October 29-November 1, 1984.
2. Evangelism Workshop - Camp Paron, December 6-7, 1984. Each Director of Missions and Chairman of Evangelism are strongly encouraged to attend this meeting. Dr. Richard Harris, Director of the Mass Evangelism

Department, HMB, will conduct a Revival Preparation Seminar. This is in the process of planning for the 1986 Good News America - God Loves You Revivals. DOMs and Chairmen of Evangelism will be prepared to go back and help their churches prepare for this great evangelism movement.

3. Witness Commitment Day - January 13, 1985. Each pastor should preach on witnessing and challenge the members to make a commitment to be life-style witnesses.
4. State Evangelism Conference - This conference will meet at Geyer Springs First Baptist Church, Little Rock on January 28-29, 1985. The theme will be "Following the Example of Jesus in Witnessing". The Bible teacher will be Dr. James Eaves, Professor of Evangelism, Southwestern Seminary. The featured speakers will be Dr. William Tanner, President of the Home Mission Board, Leon Kilbreth, the noted Sunday School evangelist and Dr. Dorothy Sample, National President of the WMU.
5. A Total Church Life Conference, Parkway Place Church, Little Rock - February 11-12, 1985.

- (B) WOW - Win Our World - This is for junior and senior high students. There will be 14 WOW classes taught at Siloam Springs in 1984. All churches and associational camps are encouraged to have WOW training available. The goal is to have a youth witnessing team on every junior and senior high school campus in Arkansas.
- (C) TELL - Training Evangelistic Lifestyle Leadership - The Evangelism Department has two TELL machines with cartridges available for churches to schedule and use.
- (D) CWT - Continuing Witness Training - This is fast becoming the greatest God-given process to train lay people who are committed to serious personal witnessing. The pastor and one other staff member or lay person is trained at a National Training Seminar. They, in turn, go back to the local church and select two apprentices who are trained in a 13-week period to share their faith through a memorized Model Presentation. Thirty-eight people were trained at East Side Baptist Church, Fort Smith, September 26-29, 1983 at a National Training seminar. There were sixty-eight people trained this spring, March 12-15, at First Church, Benton in a National Training Seminar. We plan three training seminars in Arkansas in 1985. Interested pastors or staff members may contact the State Evangelism Department to register for one of these seminars.

## MINISTRY OF CRISIS REPORT

*Glen D. McGriff, Director*

This year has been one of widespread recognition of the value of this department. Much attention has been given by Southern Baptist leaders to the growing stress among those who serve in church-related vocations. It is evident that the Arkansas Baptist State Convention moved with concerned foresight in the establishment of this department. The stated purpose of the committee "to provide concerned, confidential and Biblical counseling for any person or family member . . . in church-related vocation . . . going through a period of personal crisis . . ." was indeed perceptive of the need now so widely recognized.

The burdens of those who minister through church-related vocations seem to increase. This department is a specific effort of Arkansas Baptist to follow Biblical admonition and "Bear one another's burdens, and so fulfill the law of Christ." (Gal. 6:2) There are burdens of expectations too great for human effort; there are burdens of frustrations relative to time, family responsibility, and motivation for ministry. There are also burdens created by feelings of isolation, discouragement, and inadequacy. This department seeks to support persons as these burdens wear away their energies. It is the deep desire of executive leadership and the director of this department to avoid such depletion of energies that "burn-out" occur.

As we move toward completion of five years of ministry we can rejoice in the assurance that many who have walked through dark valleys have not found it necessary to walk alone. Answers have not always been found or desired solutions obtained, but there has been a partnership in the search. This in itself is reflective of genuine community, reflective of what Jesus must have perceived in instituting the Church.

Continue to pray that the ideas and goals of Arkansas Baptist in establishing this department may be realized and that those chosen servants of the Lord who sometimes bend beneath their burdens may find support.

### STATE MISSIONS

*Conway H. Sawyers, Director*

Missions opportunities in Arkansas continue to increase with each passing year. The need to evangelize, congregationalize, and minister to people is apparent on every hand.

The Missions Department Staff are dedicated to being both helpers and catalysts in trying to meet the mission challenges across the state. The department's First Associate is Pete Petty.

The following reports written by the department associates reflect only pertinent data of each and are not intended to detail all that any one of them does in fulfilling his program assignment.

### DIRECT MISSIONS

MISSIONARY SALARY AID is now being given to two Associations in the state.

IN-SERVICE GUIDANCE was begun as a cooperative ministry of the Home Mission Board and the State Missions Department. However, the funding of the program is done now entirely by the Missions Department. It involves both Ouachita and Southern Baptist College, providing a faculty member who gives counsel on the job training for students serving as pastors or staff members in Arkansas churches.

ASSOCIATIONAL ADMINISTRATION. This is a new assignment of the Department Director, enabling the Missions Department to work with the Associational Administration Division of the Home Mission Board and other Southern Baptist Convention entities in providing Continuing Educational opportunities and other special conferences for Associational Directors of Missions who serve in Arkansas.

**STUDENT PREACHING AID.** Many ministerial students in Arkansas colleges are interested in gaining preaching experience, and to do so are willing to serve small churches which otherwise would not have a preaching ministry. To encourage both the young preacher and the church the Missions Department supplements what the church is able to pay the student up to \$50.00 per week, plus mileage for one round trip from his school to his church field. This program is growing in popularity with ministerial students in all our colleges.

**INDIANA-ARKANSAS LINKAGE.** The churches of our Convention are continuing to respond to the challenge of helping the State of Indiana start many new churches and missions. Support continues to grow and participation in personal trips and projects also continues to increase.

Many opportunities are available for Arkansas churches to become personally and directly involved in mission projects in that state. Activities such as Backyard Bible Clubs, area surveys, revivals, leadership training, church construction, and renovation continue to be an open challenge. Arkansas churches are encouraged to continue the ministry of "giving themselves away."

#### LANGUAGE MISSIONS, *Randy Cash*

**EXISTING WORK.** Arkansas Southern Baptist Churches are reaching out to eight different culture groups through the establishment of ethnic congregations and ministries. Being reached are: (1) Hispanics, 14 churches; (2) American Indians, 1 church; (3) Deaf, 23 churches; (4) Indochinese, 9 churches; (5) Chinese, 1 church; (6) Filipinos, 1 church; (7) Japanese, 1 church; (8) Koreans, 4 churches.

In addition to those listed, one major ethnic group has been identified in Arkansas, the Asian Indians have yet to be reached by Southern Baptists. Smaller groups include Europeans, Arabs, Samoans, Eskimos, Hawaiians, Guamanians.

As the ethnic population of Arkansas continues to increase, the need for ethnic Southern Baptist congregations (churches, missions and ministries) is also increasing. The two Vietnamese congregations in Fort Smith continue to grow as does the Laotian congregation and Hispanic congregation. Each of these congregations has their own pastor. Lakeshore Drive Baptist Church in Little Rock, as of January 1, 1984, is the sponsoring church for an Hispanic congregation. Ernie Whitten is the pastor of that Spanish congregation. Arkansas Baptists are meeting the challenge of language culture needs and ethnic Arkansans are responding.

**NEW WORK.** As of October, 1983, the following new works have been established: First Baptist Church, Forrest City, Japanese; Lakeshore Drive Baptist Church, Little Rock, Hispanics; Baring Cross Baptist Church, North Little Rock, Deaf; Dermott Baptist Church, Hispanics; Bella Vista Baptist Church, Deaf; and First Baptist Church, Marianna, Chinese. These churches are to be commended for their response to needs of language culture persons in their midst.

**MINISTRIES TO INTERNATIONALS.** Fourteen churches are ministering cooperatively through "Friendship, International", a program of outreach to International women. These ministries are presently in Pine Bluff, Little Rock and Fayetteville. Over 40 nationalities from every continent are represented through these ministries. Internationals include exchange students, military personnel, tourists and business people.

**LANGUAGE MISSIONS CONFERENCES.** As of October 1983, the Language Missions section of the Missions Department has been involved in three language missions conferences. The first annual Deaf Ministries Retreat was held in October at Lake Nixon. Sixteen workers with the Deaf (interpreters and teachers) attended the conference which was designed for dialogue between church workers and denominational leadership. The first Trans-cultural Outreach Seminar was held at Calvary Baptist Church, Little Rock in October. Ten leaders from across the state attended the conference.

The third and most outstanding conference was the Evangelistic Crusade planned and led by the Vietnamese of Grand Avenue and South Side Baptist Churches in Fort Smith. This crusade was held in April of 1984, and over 400 persons from Oklahoma, Arkansas and Texas attended the meetings.

**FUTURE WORK.** Anticipated new missions work will be concentrated on American Indians, particularly in the West Arkansas area. Hispanics are also a high priority group for new work, given their large numbers in our state and their receptivity to the gospel.

#### CHAPLAINCY MINISTRIES, *Leroy Sisk*

**CHAPLAINS EMPLOYED BY THE ARKANSAS BAPTIST STATE CONVENTION.** Five full time chaplains and one part time chaplain continue to be employed by the Missions Department. Rev. W.W. Dishongh continues as part time chaplain in the Pulaski County Jail. These chaplains reported a total of 563 professions of faith during 1983.

**STUDENT CHAPLAIN INTERN PROGRAM.** This program initiated in January, 1981 is a cooperative effort with the two Arkansas Youth Service Centers, Ouachita Baptist University and the Missions Department Chaplaincy Ministries. Five ministerial students in Junior or Senior classification follow an academic course of study under the supervision of Chaplains Benny McCracken, Doyle Lumpkin and Roy Remont, and earn three hours credit, while getting valuable practical experience. The interns are at the Youth Services Centers and the Hot Springs Rehab Center on Saturday and Sundays during the semester. They participate in all religious activities, visit dorms, conduct group bible studies, participate in sports activities with the juveniles and relate to them as good role models. The program has received high acclaim from institutions and participating students.

**CORRECTIONAL CHAPLAIN INTERN.** With financial assistance from the Home Mission Board and the Arkansas Baptist State Convention a one year prison Chaplain Intern program was initiated on June 1, 1983. Rev. James P. (Pat) Allen, a recent graduate of the Southwestern Baptist Theological Seminary is now in training in the Arkansas Department of Correction under the supervision of Chaplain Dewie Williams. Rev. Allen will receive 12 semester hours credit for his training.

**VOLUNTEER CHAPLAINS.** Many pastors, church staff members and dedicated laymen are engaging in various types of chaplaincy across our state. These include military and national guard, hospitals, business and industry, and institutions such as jails, retirement and nursing homes, sheriff and police departments and fire departments. The Director of Chaplaincy has worked with three Directors of Missions during the past year to aid them in establishing volunteer chaplaincy programs in jail,

hospitals, police departments and in industry. Two churches have requested assistance in setting up voluntary chaplaincy programs this year. One church extended its ministry into three nursing homes and the other church ministers to inmates in a county/city jail with a population from 80 to 110 people. Interested pastors and church staff members are encouraged to call upon the Director of Chaplaincy for assistance in beginning volunteer chaplaincy programs.

#### CHURCH EXTENSION, *Floyd Tidsworth, Jr.*

**NEW WORK IN ARKANSAS.** From 1970 through 1982, 128 new congregations were started, ten were reorganized, and 63 were dropped. Arkansas Baptists realized a net gain of 74 or 6% increase of churches over twelve years. In the 1983-1984 church year, 18 new congregations were started.

We have become aware that Arkansas now has more than a million unchurched people. There is an immediate need and potential for over 500 new churches. Your Church Extension Program recommends a state goal of 20 new congregations for 1985 and an average of 30 per year through 2000 A.D.

**REVOLVING LOAN FUND.** Seven churches have been granted building loans in the last 12 months. Eleven churches are now on a waiting list. Church Extension is recommending that the Convention borrow \$140,000 to service these churches immediately.

**BUILDING AID GRANT FUND.** Eleven churches have received assistance from the Grant Fund.

**CHURCH/MISSIONS SITE FUND.** A total of \$68,000.00 has been spent on sites in the past year. Seven sites have been purchased.

**PORTABLE CHAPELS.** The State Convention now has six portable chapels that serve as meeting places for new congregations.

#### MISSIONS MINISTRIES, *Pete Petty*

Christian Social Ministries, Special Mission Ministries and Interfaith Witness are the three areas of Home Mission Board assigned to Missions Ministries.

**CHRISTIAN SOCIAL MINISTRIES.** This area of work seeks to involve churches and associations in Christian ministries through training events, surveys, consultations, etc. There was an Urban Training Cooperative Meeting in Little Rock to help with theological understanding, psycholological insights, sociological awareness and practical and technical skills. Included in the program personnel were J. Don Aderhold, Don Hammer and John Savage.

The Missions Department cooperates with the Brotherhood Department in the area of Disaster Relief. This past year over \$5,000.00 of funds were dispersed in Arkansas and Texas. The radio equipment has been added to improve communications during disasters.

The Migrant Mission Center in Hope, directed by Missionary Bob Gross, reported 127 professions of faith through August of this year. Estela Belloso, assistant to director for the past three years resigned to take a job at the Migrant Education Center.

Bartholomew Migrant Mission Center in Hermitage, directed by Missionary Ariel Hernandez, has reported 123 professions of faith through August of this year. There is also a satellite ministry in Lake Village. In addition to the missionary at the Center, visitation and services are conducted on a number of farms. During the year a mobile unit was added to the facilities in Hermitage. It has provided space for childrens work, houses summer missionaries, as well as space for adult programs.

Central Arkansas CSM Consultant, Dean Preuett, continues to work with churches and associations. Kent Dixon, a seminary intern from Southwestern Baptist Theological Seminary, working in Harmony Association, is under Dr. Preuett's area of work. Several literacy conferences have been conducted this year in Arkansas, and November 19-21, a major workshop will be conducted at Camp Paron.

SPECIAL MISSION MINISTRIES is involved in resort and volunteer missions. Orientation was held for 29 summer missionaries, May 29-June 1, 1984, at Mills Valley Retreat Center. These missionaries served in a variety of ministries in Arkansas with 153 professions of faith reported.

Campers on Mission is an organization for campers to be on mission for Christ. The National COM Rally is scheduled for Arkansas at Wilderness Point near Henderson, Arkansas for 1986. Additional campers in Arkansas are needed to assist with this rally.

INTERAITH WITNESS provides materials and conferences to equip persons to share a Christian witness to persons of other faiths. Several churches and associations took advantage of training events during 1983-84. Major conferences are scheduled for April, 1985.

Requests for personnel to assist churches and associations in Interfaith Witness conferences are welcomed.

#### CONTINUING THEOLOGICAL EDUCATION, *Lehman F. Webb*

One of the broadest spectrums of theological study opportunities on a continuing basis in our entire Convention is available in Arkansas. These are evidenced by Boyce Bible School, Seminary Extension Centers, Seminary Extension Home Study, Seminary Studies Program (formerly Seminary Satellite) and the Doctor of Ministries Program.

In May of 1984 the supervision and direction of these education facilities were combined into the half-time salaried position of Director of Continuing Theological Education.

BOYCE BIBLE SCHOOL continues to meet a growing need in the Central Arkansas area. Classes meet at Central Baptist Hospital in Little Rock on Friday nights and Saturday mornings. Boyce is an extension of Southern Seminary in Louisville, KY. Overnight facilities are available for men who drive in from some distance to take these studies.

SEMINARY EXTENSION CENTERS are located in various areas of the state and offer courses on both non degree and college level. Both curriculums offer wide and well balanced courses of study.

SEMINARY EXTENSION INDEPENDENT STUDY INSTITUTE makes available the same courses as the Centers, but taken through correspondence.

The SEMINARY STUDIES PROGRAM offers three courses on the master's academic level each spring and fall semester. Each two hour credit course is taught by professors who come from our seminaries to Little Rock, where the classes meet on Mondays at Immanuel Baptist Church.

Doctor of Ministry Seminars are offered at Baptist Building in Little Rock by Midwestern Baptist Theological Seminary in Kansas City.

## STEWARDSHIP DEPARTMENT

*James A. Walker, Director*

The Stewardship Department exists to serve the needs of Arkansas Baptist Churches. The best in materials, methods and leadership is provided to the churches as they seek to reach their potential in Christian stewardship.

The Department, in its ministries last year, conducted twenty-seven church conferences. Seventeen conferences were held on the associational level and six were related to state and convention-wide organizations.

The annual Tax Seminar, held at Immanuel, Little Rock, by specialist Manfred Holck, Jr., attracted two hundred people. The 1985 Tax Seminar, with Mr. Holck, is set for January 30, Life Line Baptist Church, Little Rock.

The first Large Church Stewardship Conference was held at the Baptist Building. Area meetings were conducted in September.

A Christian Money Management Seminar was taught three weeks at Siloam Springs Baptist Assembly.

Trained consultants are available to lead the Challenge to Build fund raising campaign in local churches.

Ed Pinkston had a busy year as missionary-in-residence. Doyme Robertson, missionary in Peru, joined the Department on September 1. He is available for church and associational meetings.

The Department provides films, filmstrips, and videos to churches and associations at no cost. Budget promotion packets and stewardship tracts are available upon request. Church staff brochures are provided to pastors, church treasurers and committee members.

In 1985, the Stewardship Department will focus on Planned Growth in Giving. Planned Growth in Giving is a call to commitment in the following areas:

- Individuals are challenged to set 15-year vision goals to increase their giving through local churches.
- Churches are challenged to increase mission support through the Association and the Cooperative Program.
- Planned Growth in Giving calls for a 50-50 goal in division of Cooperative Program gifts between State and SBC.

- Planned Growth in Giving calls for the Foreign Mission Board and the Home Mission Board to receive seventy-five percent of all Cooperative Program Dollars received by the Southern Baptist Convention.

Churches will have an opportunity to learn about Planned Growth in Giving and the church event in twelve seminars set during 1985:

## SUNDAY SCHOOL

*Freddie Pike, Director*

In a department planning retreat the staff of your Sunday School department adopted the following as a re-statement of the purpose of our work:

As a program of the Arkansas Baptist State Convention, the objective of the Sunday School department is to assist Arkansas Baptist churches in discovering, reaching, teaching, winning, and developing persons for Christ and church membership. To achieve this objective we will:

1. Assist associational leaders in establishing and conducting an effective Sunday School program;
2. Encourage churches and associations to establish new Bible Teaching programs and additional teaching units;
3. Provide and promote training experiences and resources for Sunday School workers.

In the area of Church Architecture we will provide consultation to churches preparing to build, renovate, or remodel facilities, serving as a liaison between the church and Church Architecture Department of the Baptist Sunday School Board.

The Sunday School department works toward helping churches reach people for Christ, the church, and Bible study through promoting and following the nine basics for Sunday School growth.

1. Make a commitment to grow
2. Identify and enroll prospects
3. Start new classes and departments
4. Enlist workers

5. Train workers
6. Provide space and equipment
7. Conduct weekly worker's meetings
8. Conduct weekly visitation
9. Teach the Bible to win the lost and develop the saved

A gain of 4,877 in Sunday School enrollment during 1982-83 was reported by Arkansas Baptist churches. This brought the total enrollment to 255,013. If we are to reach our 8.5 by '85 goal we must enroll a net increase of 16,000 between now and September 1985. This would mean a growth rate approximately twice that of the past two years.

The department continues to help churches strengthen their Sunday Schools through the associational Sunday School organization. Department personnel assisted 27 associations in 50 projects, including training schools, Vacation Bible School Clinics, 8.5 by '85 enlargement campaigns, and growth workshops.

Four associational faculty clinics trained more than 100 ASSIST team members to teach the Reaching series of books in their own associations. The State Vacation Bible School Clinic trained 229 associational team members to lead conferences in associational VBS clinics. Twenty three associational Sunday School directors received training at the Key Leader Meeting in how to conduct an effective program in their association. More than fifty special workers were trained in how to lead conferences at the Special Worker Institute. These workers are available to associations as resource persons in training projects.

Department staff members also assisted 82 churches in 111 local church projects. These projects included training schools, age-group clinics, 8.5 by '85 enlargement campaigns, building consultations, and literature interpretation clinics.

State meetings included a State Sunday School Convention at Park Hill Baptist Church in North Little Rock, Growth Clinics in Fort Smith and West Memphis, the Send I You Clinic in Little Rock, Church Building Conference in Little Rock, and a Weekday Early Education Workshop in Little Rock. The WEE Workshop registered 191 daycare, kindergarten and Mother's Day Out workers from 42 churches around the state. Also conducted was a state VBS Clinic.

Freddie Pike and Martin Babb assisted the Baptist Sunday School Board in Metro Area Sunday School Enrollment/Training clinics in Jacksonville, Florida and Seattle, Washington. Mr. Pike also taught a class in religious education at Boyce Bible School for one term. Pat Ratton, Jackie Edwards, and Freddie Pike presented Sunday School work to religious education classes in Ouachita Baptist University.

Freddie Pike was named director of the Sunday School department and the Arkansas Baptist Assembly in December after having served as interim director since May 1983. On March 15, Rev. Ed Hinkson became assistant director of the department with major responsibilities in the areas of Sunday School growth, church architecture, and adult leadership training. In September, Martin Babb resigned to accept a position with Calvary Baptist Church in Little Rock.

During the department planning retreat the department staff set goals for the 1984-85 Sunday School year. These goals reflect a commitment to the nine basics of Sunday School growth.

1. Lead the churches to have a Sunday School enrollment of 271,000 persons by September 30, 1984.

2. Have 75% of the churches setting and reporting an enrollment goal (948 churches).

3. Train at least 35 associational teams in preparation for and conducting of People Search, starting and maintaining prospect files, and conducting weekly visitation programs.

4. Provide training for 1,085 Sunday School workers in the area of Sunday School growth.

5. Promote and encourage the starting and reporting of 385 new teaching units by September 30, 1985.

6. Train 200 general and department officers in how to discover and enlist workers, and involve them in weekly workers' meetings.

7. Promote and encourage the earning of 1,085 Sunday School leadership diplomas between October 1, 1983, and September 30, 1985.

8. Provide training in teaching improvement for 2,585 workers through local, associational, and state events.

9. Provide training for 785 workers in Bible teaching programs other than Sunday School.

Below are listed the events planned for the 1984-85 church year.

## WOMAN'S MISSIONARY UNION

*Julia Ketner, Executive Director*

**PURPOSE:** The purpose of Arkansas Woman's Missionary Union is to assist churches and associations in missions education, primarily in the equipping of leadership and strengthening of existing work; to give promotion to the three special mission emphases on praying and giving; to provide assistance in beginning new WMU organizations; and to provide state activities for the strengthening of missions education.

**EMPHASIS:** During 1983-84 Woman's Missionary Union's emphasis, "Partnership in Prayer and Ministry" helped WMU members to: 1) understand the partnership nature of missions in relation to prayer and ministry; 2) participate in the partnership of prayer by undergirding Bold Mission Thrust through sustained, informed praying; and 3) participate in the partnership of ministry by responding to opportunities for mission action and personal witnessing.

**WEEKS OF PRAYER AND SPECIAL MISSION OFFERINGS:** Church-wide participation in prayer and giving was promoted during observances of state, home, and foreign missions. The 1983 offerings were: 716 churches giving \$336,864.80 to the Dixie Jackson Offering for state missions; 852 churches giving \$607,605.69 to the Annie Armstrong Offering for home missions; and 989 churches giving \$1,786,559.25 to the Lottie Moon Offering for foreign missions. As of September 5, 1984, gifts of Arkansas Baptists through the special mission offerings for this year totaled \$2,546,835.57, divided as follows:

Dixie Jackson Offering	\$ 37,209.48 (just being received)
Annie Armstrong Offering	585,167.34
Lottie Moon Offering	1,924,458.75

**LEADERSHIP TRAINING:** Statewide activities for training church and associational WMU leaders included the following:

- Associational WMU Officers' Retreat, Camp Paron; 97 attended from 27 associations
- Statewide Church WMU Training Day, Immanuel, Little Rock; 17 conferences provided with 470 attending
- Nineteen Area Church WMU Leadership Conferences held in Little Rock, West Helena, Warren, Nashville, Walnut Ridge, Wynne, Russellville, Booneville, Fayetteville, and Mountain Home. Night meetings were held in cooperation with the State Brotherhood Department.

Twenty-eight associations were represented in the WMU Conference for Associational WMU directors at the ABSC Key Leader Meeting in May at Baring Cross Baptist Church, North Little Rock. Assistance was also given to churches and associations as requested.

**ARKANSAS/INDIANA LINKAGE:** A team of nine women went as volunteers to assist Indiana WMU in a statewide leadership training conference, September 17, 1983.

**ORGANIZATIONAL ACTIVITIES:** A variety of state activities were held for missions education, inspiration, and challenge. These included:

- Two Baptist Women Retreats, October 27-28, 28-29, 1983; 272 attending
- GA Missions Spectacular, November 5, 1983; 368 attending
- State WMU Annual Meeting, March 20-21, 1984, First, Benton; approximately 850 attending
- Two Acteens Encounters, March 30-31 and April 27-28, 1984; 372 attending
- Three GA Mother-Daughter Camps, May 18-19, June 22-23, July 13-14, 1984, with 456 attending and four weeks of GA Camps in July with 402.
- One week of Acteens Camp was held jointly with a week of GA Camp. Those attending gave \$1,539.79 for the Cooperative Program.

**GIFT MAGAZINES:** Arkansas WMU provides home and foreign missionaries from Arkansas a magazine of their choice as an expression of love and appreciation. This is made possible through love offerings taken during Annual Meeting in March, gifts from churches, and a budgeted amount. Through August of 1984, 119 missionaries were receiving magazines.

**MK Activities:** During 1983, 32 MKs were recipients of a birthday card and a \$5.00 check from Arkansas WMU. Also provided for MKs in Arkansas was a retreat at the home of the Raymond Andersons of Texarkana, Texas.

**SCHOLARSHIPS:** Nancy Cooper Scholarships for the 1984-85 school year, in the amount of \$400 each, were granted to Vicki Gill, Melissa Van Dyke, students at OBU, and to Sherry Barr, Kurt Gaddy, Cindy Phillips, Neela Nuckolls, Walt Popejoy, students at Southern Baptist College. A Lillian May Scholarship loan of \$500 was granted to Jawanda Kay Barnett for the 1984-85 term at Southern Baptist Theological Seminary.

**CAMPUS BYW:** Campus BYW provides for women on college/university campuses an opportunity to be involved in missions education. Five campuses have elected CBYW representatives to lead BSU members in some missions education experiences and to provide leadership for girls to come together for missions education. The goal is to have five CBYW organizations by May, 1985.

**AMAZON-ARKANSAS PARTNERSHIP MISSION:** The state WMU executive director and Mrs. John McAlister of the WMU Executive Board were members of the ABSC team that went to Brazil in February, 1984, for the joint field planning meeting for the AMAR partnership. State WMU also helped prepare the folder used for the "66 Days of Prayer", July 4 - September 7, 1984, for the AMAR project.

**STATISTICS:** WMU membership increased in each age-level organization, reaching a total of 27,819 (1982-83 Church Letter). An enrollment goal of 40,376 by September 1988 has been adopted as part of VISION 88, an emphasis on enlistment and quality missions education.

**STATE WMU OFFICERS:** Elected at the 1984 Annual Meeting in March were Mrs. John McAlister, El Dorado, president; Mrs. George Polos, North Little Rock, vice-president; and Mrs. Ken Hughes, Benton, recording secretary.

## ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

*Johnny G. Biggs, Executive Director*

"Happy Ninetieth Birthday, Arkansas Baptist Family and Child Care Services!" Since 1894, Arkansas Baptists have been involved in ministering to children in need. From the Baptist Orphans' Home to our present statewide agency, we have been concerned about Christian services to children and their families. Consider this rich heritage: 90 years of continuous caring by Arkansas Baptists; 90 years of uninterrupted ministry; 90 years of sensing the hand of God upon our efforts. Ministry has been performed because of Him and in His name. We have experienced another challenging and satisfying year of ministry and proudly submit this report for your information and prayerful consideration.

**ARKANSAS BAPTIST HOME FOR CHILDREN.** During this past year we provided care and direction for 99 children at the Children's Home. These young people came with needs more complex than in past years. In addition to receiving their basic needs of food, clothes and shelter, our staff gave the most important items - themselves. It is their "labor" of love that matters most. Religious education, recreational activities, counseling, tutorial assistance, church, school and community

involvement are vital components of the quality care provided for our youth. Keeping them in touch with families, either their own or substitute ones, round out our attempt to meet the total needs of troubled children. We continue to provide realistic redemptive help to hurting children and families by combining Christian caring with professional services.

This has been an active year with 49 children being admitted to the Home while discharge planning enabled 56 children to be released from our program. The majority of these children were re-united with their families.

**RELIGIOUS LIFE.** The Christian message of God's love continues to be at the core of our child care ministry. Seventeen youth from the Children's Home accepted Christ as their personal Savior; professions of faith by children served in our other facilities brings the total to 27 youth who found eternal life while in our care this year.

Vespers on Sunday and Wednesday night proves to be a meaningful experience of worship. Our youth are encouraged to participate and be involved in the services by singing, sharing, Bible study and praying. Some young people are confronted with the gospel story for the first time. Siloam Springs in the summer is a part of living at the Baptist Home. Christian friends from throughout the state make this meaningful week possible for our young people.

**SPONSORSHIP.** Faithful sponsors have continued to enrich the lives of our children through their thoughtful support. Approximately 350 sponsors, groups and individuals, have involved themselves in the lives of our children by meeting their special needs through the Sponsorship Program. During our 90th year, we have seen more people involved in this area of our ministry than at any time in our history. We are grateful!

**AREA OFFICES.** Through our area offices located in Little Rock, Jonesboro, Fayetteville, Harrison and Hope, many children and families turn for help with family and individual problems. Helping to resolve parent-child conflicts and marital difficulty deserves our best effort. Our workers responded to 1044 new referrals this year, which is an all-time high for our offices. Referrals came from schools, courts, youth-serving agencies and through our churches.

**FOSTER CARE - GROUP HOME CARE.** Twenty-eight of the children in our care benefited from the experience of living in a Christian foster home as a part of a family. Our foster homes are selected on the basis of careful study. Our agency provides supervision of the home and we provide monthly assistance to meet the children's needs.

Our Group Home for Boys in Jonesboro provided care for six boys during the year. Our only high school graduate this year was a resident of our Group Home for Boys.

**EMERGENCY RECEIVING HOMES.** Sexual abuse, abandonment, physical abuse. This ministry by its nature and purpose serves but a temporary emergency need. Still, for children such as these, what is more important for them than the protection, safety and love we give immediately without regard to merit or favor?

November 1, 1983, marked the opening of the Camden Emergency Receiving Home, which was developed in cooperation with Liberty Baptist Association. Liberty Baptist Association purchased and furnished a beautiful facility in Camden and has continued to help in many ways. This Emergency Receiving Home and our other two located in Little Rock and Sherwood provided love and care to 217 abused, neglected and needy children, ages birth to 12 years of age. We are grateful to be "An Arm of the Church Reaching Out" to receive these children.

**FINANCES.** Financial support from the churches continues to be very strong and healthy. Although inflation continues to eat away at family income, Arkansas Baptists continue to express their love for children through increased giving. This is reflected in the fact that direct gifts from 1060 of our 1266 churches reached an all-time high this past year of \$375,289.15, which is a 9.6% increase over the previous year. We are grateful for the Cooperative Program support that we receive each month which provides a firm financial floor on which we can build to meet the total needs of our child care ministry. We have a purchase of care agreement with Arkansas Social Services in meeting the needs of children under their custody. Children for whom they are legally responsible and who are in need of our services can be helped because of this relationship. After determining that our program is appropriate to meet the child's needs, we can bring the child into care and Arkansas Social Services can purchase these needed services for the child.

Contributions from individuals also showed an increase over the previous year. With careful planning, our agency was able to operate within its budget for the 17th consecutive year. We are grateful for the 90-year support of Arkansas Baptists who have undergirded our ministry with prayerful and financial support to write this 90-year history of caring.

John A. Ross was named by our Board of Trustees to serve as Director of Development for our agency effective January, 1984. Mr. Ross, an active layman of Geyer Springs First Baptist Church in Little Rock and a former member of our Board of Trustees, will communicate our ministry and needs to individuals and churches over our state. We are grateful for his abilities and dedication in sharing the exciting ministry of Family and Child Care.

**NEEDS.** We are currently responding to requests from three areas in our state (three associations) for our agency to expand our direct ministries to their area. Calvary Association in Searcy is in the process of securing resources to build and furnish an Emergency Receiving Home for Children and Families. Our agency will operate and fund the operation. We are looking forward to this cooperative ministry which will begin late in 1984. Along with First Baptist Church, Paragould, Greene County Association has expressed interest in plans for the establishment of an Emergency Receiving Home for Children in Paragould. North Arkansas Association has appointed a committee to secure a facility to be used as an Emergency Receiving Home in their area. Needs assessments have verified the unmet needs. As funds become available, we will work cooperatively with these groups to provide this vital care to children in need of love, protection and emergency care.

How far can "The Arm of the Church" reach out? We believe that Jesus would have us try to reach to "the uttermost parts of the earth." Arkansas Baptists, joining hands together, can continue to extend and expand our reach to hurting children and their families in His name, unto the uttermost parts of Arkansas.

## ARKANSAS BAPTIST FOUNDATION

*Harry D. Trulove, President/Treasurer*

Your Arkansas Baptist Foundation completed its 35th year at record levels in assets managed and income distributed. This was the direct result of the fine support provided this agency by our sister institutions and agencies, as well as the leadership of a capable Board of Directors.

For 1984, the program of the Foundation was promoted under the theme, "Declaring My Growing Commitment Through Estate Stewardship." Churches and individuals responded as the staff assisted 65 churches in sponsoring Wills Conferences and 75 families were provided special guidance in estate planning.

Since the Foundation has no assets of its own, this service is provided by the Convention through an allocation from the Cooperative Program budget. Although a great deal of progress has been made by this agency (Today your Foundation distributes as much income in one quarter as it did during the first 25 years of its existence.), there remains a lot more that needs to be done. For the past several years, it has been necessary to tailor services below projected goals in order to conform to the funds that are available. In the future, we hope to do more for Arkansas Baptists, their institutions and agencies.

A review of the past 35 years revealed that the Foundation has returned to Arkansas Baptist institutions and agencies approximately \$3 for every \$1 the Convention has ever allocated to the Foundation for its operating budget. In addition, your Foundation has generated new dollars in the amount of \$946,833 that have been reinvested for the accounts placed in its care.

During the same 10 year period, there has been \$3,257,189 of income distributed to Baptist causes. Current income distribution falls into the following categories:

Churches and associations	1.25%
Cooperative Program	4.4%
Missions (State, Home, Foreign)	4.5%
Miscellaneous causes (Annuity Board, Newsmagazine, special scholarships, and emergency funds)	7.25%
Deferred gifts (individual annuities)	11.2%
Baptist Student Union	16.6%
Arkansas Baptist Family & Child Care	17.5%
Christian education (colleges, universities and seminaries)	37.3%

What does this mean to Arkansas Baptists? It means that:

- ...the ministries of some local churches have been strengthened.
- ...the arm of the church ministering to students on the campus of our colleges and universities and through the programs of the B.S.U. has been lengthened.

...Association, State Home and Foreign missions have been provided resources enabling them to extend the influence of the local church in the name of our Lord.

...a larger number of Arkansas Baptists have the satisfaction of knowing that assets entrusted to them by the Lord will always be used for the causes they loved and supported during life.

The growth experienced by your Foundation has been possible because of the confidence and support you, our friends and fellow Baptists, provide the agency. We recognize that this agency was brought into being by the Convention for the purpose of helping Arkansas Baptists fulfill their God-given dreams. We belong to you. As we begin our 36th year, the Board and staff reconfirms our commitment to provide:

...the development staffs of our institutions and agencies with quality ideas and firm legal counsel.

...individuals with the best counsel possible in the area of charitable giving.

...our institutions and agencies with wise and prudent management of endowment funds.

We are truly grateful to our Lord for the blessings and the leadership of his Holy Spirit as he enables us to walk in fellowship with him and with each other.

## ARKANSAS BAPTIST HISTORICAL COMMISSION

1607 Utopia Drive, Benton, Arkansas 72105

*Bernes K. Selph, Director*

Growing interest in and usage of Arkansas Baptists' Historical Commission Collections is seen in the following categories:

**Accessions:** Associational Minutes from all 40 Associations, 1968-1979 have been microfilmed, as well as the physical copies of minutes from this same period have been bound. Associational Minutes from 1980-83 have been received and processed.

Church records for Vila Baptist Church, Viola, AR, 1886-1982; Boswell Baptist Church, Calico Rock, AR, 1921-83; and First Baptist Church, Arkadelphia, AR, 1950-83 have been microfilmed.

Eight tapes of varied subjects of preachers and denominational leaders have been received.

Two private collections of deceased Arkansas Baptists were received and processed. These consist of eight boxes from Miss A. Glenn Kirkland, speech teacher from Plummerville, AR, and ten boxes from the Rev. T.L. Harris, long-time pastor of First Baptist Church, Camden, AR.

The addition of a microfilm reader-printer and second card catalog cabinet filled a long-time need.

**Cataloging:** Three hundred and forty-three books were cataloged, plus process and filming records of Central College.

**Use of Resources:** Riley Library reports that 77 visitors worked in the Commission's Archives this year, with 33 additional corresponding about projects. More time is being spent in the archives by patrons who visit.

In addition to the above, your Director has had more inquiries about help for writing church and Associational histories.

Both Riley Library and your Director are grateful for the financial support given by Arkansas Baptists for this work.

## ARKANSAS BAPTIST NEWSMAGAZINE

*J. Everett Sneed, Editor*

In the award winning move, "Gandhi," there was a scene from the early life of the peace lover in which he surveyed his cause and said, "The movement will need a journalist to get the word out."

Gandhi was right. All movements need a journalist to get the word out. Arkansas Baptists are no exception. Since 1920, Arkansas Baptists have had a continuing publication dedicated to providing information, interpretation and inspiration.

Religious news of local, state and national interest is featured in the **Arkansas Baptist Newsmagazine**. It is our goal to inform the Baptists of our state so that they will be more responsive to the cause of Christ.

The **Arkansas Baptist Newsmagazine** is responsible to the State Convention through the Board of Directors elected by the Arkansas Baptist State Convention. After a three-year trial, the board became permanent by a vote of the messengers at the 1983 annual meeting of the State Convention. From the perspective of the editor and staff, this plan has proved exceedingly advantageous. The board, under the leadership of Tommy Robertson, director of missions for Liberty Association, is providing valuable input which is assisting both the effectiveness of the Newsmagazine and its financial stability. The board, which consists of ministers, journalists, attorneys, businessmen and women, provides a unique resource for the Newsmagazine staff.

The staff assisting Editor Sneed consists of Betty Kennedy, managing editor; Mary Giberson, secretary to the editor; Ann Taylor, bookkeeper and circulation manager; Millie Gill, staff writer and photo-lab technician; and Mark Kelly, a former intern, who was recently elected as a permanent staff member.

The Newsmagazine will continue to utilize seminary students as summer interns. The use of students working on a Master's Degree at one of our seminaries has proven advantageous. Although the program will be cut to a ten-week endeavor, it will continue to allow a seminary student to evaluate his interest in Christian journalism on a firsthand basis.

The greatest problem confronting the Newsmagazine continues to be finance, particularly the cost of second-class mailing. The postage required to mail the ABN has increased since 1972, when the cost was less than \$14,000. The estimated cost for postage for 1984 is \$160,000. We have received assurances that second-class postage will not increase before October of 1985.

We have been successful in 1983 and '84 in holding our subscription rates at the present level. We hope that it will not be necessary for us to increase our subscription rates in 1985. If second-class postage remains at its present level, we will be able to maintain our present subscription rates.

Since every Baptist church is totally autonomous, it is essential that we have proper information in order to make the right decisions in serving God together. The best instrument for disseminating news and information to Arkansas Baptists is the **Arkansas Baptist Newsmagazine**.

The Arkansas Baptist Newsmagazine is thankful for the reception it receives. We express our sincere appreciation to all those who encourage churches to place the Newsmagazine in the budget for all resident families. Let's join hands to inform Baptists so that they can respond as God would have them to do.

BAPTIST BOOK STORE  
9101 W. Markham, Little Rock, Arkansas 72205

*Robert C. Barnett, Manager*

The Baptist Book Store in Little Rock, in its 83rd year of service is striving continually to grow with the churches and their members - and has projected the image and theme - PARTNERS IN GROWTH. We are constantly seeking out methods of distribution of materials to assist people and churches in their growth effort in new experiences and in gaining new insights.

The earliest beginning of the Baptist Book Store in Little Rock dates back to 1901 and the most recent significant event is the moving of the store location to 9101 West Markham in order to provide a convenience of driving and shopping for our customers. The new location has over 8,000 square feet of sales floor space and is conveniently located just off I-630 on the corner of John Barrow Road and West Markham near the Baptist Medical Center.

The purpose of the store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a SAVIOR, and to provide adequate help for teaching and training in the church, the home, and each individual believer.

Through the distribution of catalogs, we seek to inform our customers of many of the materials we have available for them. The Baptist Book Store Catalog is made available in August of each year and the Fall/Winter Catalog is available each October as well as some special emphasis catalogs. Our purpose is to pinpoint areas of need with precise product and service suggestions. These tools, if kept accessible at all times by our customers, will provide the Baptist Book Store an opportunity to become more effective as PARTNERS IN GROWTH with those we serve.

The budgeted anticipated sales for the year beginning October 1, 1984, through September 30, 1985, is \$1,290,000. All orders received by mail and long distance telephone will be shipped from our Baptist Book Store Mail Order Center, 3359 Winbrook, P.O. Box 161121, Memphis, Tennessee 38116.

**BAPTIST MEMORIAL HEALTH CARE SYSTEM, INC.**

Memphis, Tennessee

*Joseph H. Powell, President*

This report covers the period May 1983 through April 1984. The statistical portion of the report is for the calendar year 1983.

Baptist Memorial Health Care System, Inc., is the parent body of Baptist Memorial Hospital, Memphis, and eight other affiliate hospitals in Tennessee, Mississippi and Arkansas. It was established with the approval of the Baptist Conventions of Arkansas, Mississippi and Tennessee to provide flexibility needed to give optimum health care in the 1980's and beyond.

The affiliate hospitals are located in Covington, Huntingdon, Ripley and Union City, Tennessee; Corning, Forrest City and Hardy, Arkansas; and Booneville, Mississippi.

The Health Care System has also received conditional approval from the Mississippi Health Care Commission to build a 100-bed hospital in DeSoto County, just south of Memphis.

Affiliates in the Health Care System made advances in these areas:

The new 70-bed Baptist Memorial Hospital-Lauderdale on a 35-acre site overlooking Highway 51 at Ripley attracted about 5,000 persons for dedication ceremonies.

A five-story School of Nursing campus for about 500 students opened at the Baptist Memorial Hospital Medical Center. It has dormitory rooms for 250 students, classroom space for 500, auditorium, library and recreation facilities.

New Construction begun included:

- A three story patient wing at the 136-bed Baptist Memorial Hospital-Booneville.
- A 30-bed addition to Baptist Memorial Hospital-Tipton.
- Renovation of Baptist Memorial Hospital-Eastern Ozarks, Hardy, into a 40-bed acute care facility.
- A second physician's office building and six additional operating rooms and expansion of newborn nursery facilities at Baptist Memorial Hospital East.
- A 58,000 square feet replacement laundry at Baptist Memorial Hospital Medical Center to also serve affiliates in the Health Care System.

At Baptist Memorial Hospital Medical Center a television receiving station and transmitting facilities were installed to receive and broadcast programs as part of a national health care network. The facilities permit the hospital to schedule live satellite teleconferences, provide patients with educational and informational programs and transmit hospital data.

In the area of new equipment, Baptist Memorial Hospital, Memphis, has received approval of the Tennessee Health Facilities Commission to install a Magnetic Resonance Imaging Unit, newest tool for diagnosing diseases early and treating ailments more effectively.

The Neurodiagnostics Laboratory, a division of the Pathology Department at Baptist Memorial Hospital Medical Center, was expanded into a department under the direction of Dr. Helio Lemmi. It encompasses the Sleep Disorder Center, biofeedback, audiology, electroencephalography, electromyography and psychological services.

As a community service, affiliates in the Health Care System helped sponsor the Channel 3 Health Fair, providing free health care screenings to almost 15,000 persons at 43 sites in West Tennessee, North Mississippi, and Eastern Arkansas.

Baptist Memorial Hospital, Memphis, adopted Manassas High School as part of the Adopt-A-School Program of the Memphis City School System to provide opportunities for the 850 students to become more informed about the health care field. One of the first activities was to conduct a health fair at the school for residents of the Manassas community.

To make the Mid-South more aware of advances in health care, Baptist Memorial Hospital, Memphis, began a weekly 5-minute medical feature, "You and Your Health," as part of the noon news on WREG-TV, Channel 3, the CBS affiliate. The program featured hospital and medical staff specialists who described latest developments in their fields.

Baptist Memorial Hospital, Memphis, also instituted a physician referral service designed to match specialists from the 1,060 member medical staff with the needs of persons seeking medical care. It's called D-O-C-T-O-R-S (362-8677).

In relationship to other hospitals in the Mid-South, Baptist Memorial Hospital, Memphis, positioned itself as a leader in world medicine with a televised information series focusing on high technology and highly qualified medical specialists.

In the area of continuing education, Baptist Memorial Hospital, Memphis, offered 41 courses, attracting almost 6,000 persons.

The Department of Religion at Baptist Memorial Hospital, Memphis, focused its support on the ministry concept of healing while expending service opportunities.

A Chaplain became part of a health care team formed at Baptist Memorial Hospital East to assist cystic fibrosis patients and family members.

Kenric Conway, first black chaplain at Baptist Memorial Hospital, helped establish a family support group in the psychiatric unit and provided a ministry through the Fellowship of Christian Athletes, Memphis Showboat professional football team, Mid South Christian Ministries and the hospital's Adopt-A-School Program.

Chaplain Richard McDade, who served eight years in Colombia as a foreign missionary before joining the Department of Religion, also serves as a translator for Spanish-speaking patients.

Chaplain Charles McKnight continued to expand the volunteer chaplain ministry into affiliate hospitals. Programs are active in the hospitals in Forrest City and Corning, Arkansas; Booneville, Mississippi; and Covington, Ripley and Huntington, Tennessee.

Administrative changes included the selection of Robert V. Greene, of Tampa, Florida, as administrator of Baptist Memorial Hospital-Huntingdon.

Robert Gordon, assistant vice president, was promoted to vice president at Baptist Memorial Hospital, Memphis.

Dr. W. Fred Kendall, II, of Nashville, Tennessee, was re-elected as chairman of the Board of Trustees of the Health Care System.

Personnel of the Health Care System were recognized in significant ways:

Joseph H. Powell, president, was elected a delegate at large of the 6,300 member American Hospital Association.

Charles R. Baker, senior vice president of the Baptist Memorial Hospital, Memphis, was named chairman-elect of the 3,000 member Tennessee Hospital Association. He is to begin a one-year term as chairman in October, 1984.

The Baptist Public Relations Association cited Baptist Memorial Hospital, Memphis, for its outstanding public relations program, poster and advertising design and photography.

**CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.**  
**410 Medical Arts Building - 1120 Marshall Street, Little Rock, Arkansas**

The areas of responsibility assigned to the Christian Civic Foundation are: Alcohol/Drug Abuse, Pornography, and Gambling. With limited resources and personnel, we have effective programs in all these areas.

**Alcohol/Narcotics Education - The Freeway Program.** The Foundation, by faith, has employed Miss Jeanne Richards as an associate. She has many responsibilities, but the primary one is to be the Director of the Freeway Drug Program - free from alcohol and drugs. Jeanne is leading in a very effective preventive program. She is a graduate of Southeast Academy High School, Gould; Henderson State University, and University of Arkansas School of Law, Fayetteville.

Freeway of Arkansas, Inc., has experienced tremendous growth since its inception in March of this year. Currently, there are twenty-eight trained drug educators, located throughout the state.

The Freeway philosophy is prevention through education. The major thrust of Freeway is directed toward exploring the psychological reasons why people become involved with drugs and alcohol, as opposed to a strictly pharmaceutical approach. Freeway does not stop here, but continues on by offering an alternative lifestyle...free from the influence of alcohol and other drugs.

Our program has already been invited to numerous school districts across the state. We anticipate a fruitful harvest of Freeway Club members. We target our program for grades K-12. It is presented in a classroom setting, and is geared to the intellectual capacity of the students. We have targeted 5,000 students for Freeway this year.

Freeway has a two-fold approach, one for the public schools and the other for churches. Both use scientific sound information, with the church program incorporating scripture.

**Arkansas Citizenship** articles were mailed on a weekly basis to nineteen Arkansas newspapers. The papers printed these articles on a regular basis, or at intervals. The Executive Director, because of declining interest, made a decision to discontinue the articles at the end of August. There is a possibility the articles may be resumed at a later date.

**The Christian Citizen (newsletter).** In January, we began to mail our newsletter on a monthly basis. Our mailing list totals approximately 3,000. This also is a faith ministry. We, however, believe it is imperative for us to keep our friends, supporters and churches informed.

**Private Club Suit.** The suit is still in the courts. Mr. Frank Lady is the attorney for the Lawrence County citizens group. This group needs our prayers and personal support.

**Pornography.** We are in the thick of the fight attempting to stop the flow of this evil plague in Arkansas. Our objectives are: (1) To inform the public, (2) To insist upon the enforcement of laws and jury trials for offenders.

In our attempts to inform the public, we have joined forces with CCUD (Coalition of Citizens United For Decency). Picketing is in progress in an attempt to focus the attention of the public and the officials on the program. In our opinion, we are making progress.

**Gambling.** Pro-gambling forces have been very active in Arkansas. First, there was an attempt to get the state lottery gambling issue on the ballot. The Christian Civic Foundation gave strong aggressive leadership in opposing this issue. The issue died a natural death. We believe our opposition helped to provide the grave.

While we were busy with the state lottery issue, the proponents of casino gambling were successful in getting the sufficient number of signatures to place it on the ballot as Amendment 66. We were requested to help form a statewide organization to oppose casino gambling. We helped form Citizens United Against Gambling, have been active in the organization, and very supportive of it. On November 6, the citizens will decide the issue. Our confidence is in God and He will give the victory.

We are deeply grateful for the Convention support. We also owe our gratitude to Dr. Don Moore, Dr. L.L. Collins, Dr. Jon Stubblefield, President, Rev. Jerry Wilson, President of the Executive Board, Rev. Bob Parker and Dr. Everett Sneed for their steadfast support of the Foundation.

We are deeply grateful for the gifts from individuals, churches, associations and the Convention. We are pleased to share with you a statement of income, disbursements, and a list of Baptist contributors for the period of January 1, 1984, to September 1, 1984:

**OUACHITA BAPTIST UNIVERSITY**

Arkadelphia, Arkansas  
*Daniel R. Grant, President*

In spite of budgetary pressures — the most difficult in a decade — Ouachita Baptist University had a good year (1983-84) in Christian education and in service to Arkansas Baptists. This good year was made possible by the strong support of churches through the Cooperative Program, and by a dedicated Christian faculty and staff interested in each student as an individual. It was Ouachita's 98th year of service and a time of setting important goals and making exciting plans for Ouachita's Centennial.

**THE DISTINCTIVE QUALITIES OF A CHRISTIAN EDUCATION**

No school can rightly claim to provide Christian education unless there exists at the same time genuine education and a genuine Christian context for that education. This requires educational excellence that most observers judge as going well beyond the minimum standards required by accrediting agencies. It involves such things as faculty members who are professionally trained scholars, most with the doctorate, whom students and peers judge to know their field and teach it well. It involves good buildings, facilities and equipment to support good teaching, and a good library with ready access to what the great thinkers, researchers, and writers have said throughout human history. For centuries it has involved, and must continue to involve, the right to ask questions and express doubts about accepted knowledge, whether concerning the flatness of the world or the existence of new worlds.

The genuine Christian context for education is always in danger of counterfeiting or lip service, but the "real McCoy" measures all truth against the Biblical standard of eternal truth of God in Christ. Described in its simplest form it is a community of Christian scholars, with faculty, staff, and students holding up the ideal of the Christian faith and life, admittedly humanly and imperfectly, but persistently and pervasively. The total educational experience is not value free, but is value pervasive, focusing on the whole person and not merely on the mind.

During the 1983-84 year Ouachita worked hard at its mission of academic and Christian excellence. Having to cut the budget sharply during midyear was a source of severe distraction, to be sure, but the faculty and staff were not side-tracked from the main mission. Of the 1503 students enrolled, 298 were preparing for church-related vocations (including 109 for the pastoral ministry, 48 for religious education, 60 for missions, and 68 for church music). The other 1205 were exposed to a variety of Christian influences and opportunities designed to help them become lay leaders in their churches in the years ahead. Among these were: required bible courses in Old and New Testament; required weekly chapel services; voluntary Noonday devotional services; a strong Baptist Student Union program involving 40 different committees, activities and/or projects; missions emphasis week; the missionary-in-residence program; Christian Focus Week; and the International Festival. The remarkable variety of Christian ministries involving students included programs at Riverwood Nursing Home, the Arkansas Human Development Center in Arkadelphia, Backyard Bible Clubs sponsored by freshmen in after-school ministry to children, the Big Brother program, the Adopt-a-Grandparent program, monthly vespers programs at the Arkansas Baptist Children's Home in Monticello, more than 20 services for four

Arkansas correctional institutions (Alexander Boys' Unit, Cummins Prison, Pine Bluff Women's Unit, and Tucker Prison), an unusual new program — the Missions Awareness Workshop on campus and in churches throughout the state to promote missions education and prayer for missions, monthly Youth Ministry Workshops on campus for students interested in off-campus work with youth, an active Student Evangelism Committee instrumental in 20 student professions of faith and over 50 students receiving intensive training in evangelism, and a strong program of Spring Break Missions and Summer Missions. Over 30 students during spring break went either to Oklahoma City for work with the weekday ministries of the Baptist Mission Center or to Hot Springs for work in a Second Baptist Church evangelistic effort. In addition to large numbers of students in summer church staff positions, approximately 30 were involved in summer missions through the state BSU (8), the Home Mission Board (10), and the OBU "CONTACT!" Teams (9). Few colleges or universities in the nation have a more outstanding program for student experience and involvement in Christian ministries than Ouachita Baptist University, and the appointment of Mark Baber as BSU Director gives strong encouragement for even greater progress in the future.

The list of Christian personalities who spoke or performed on campus during the year includes: J.W.L. Adams, Jr., John Anthony, David Burton, Rick Caldwell, L.L. Collins, John Dresbach, Raye Nell Dyer, Roy Fish, Nick Garland, Clyde Glazener, Glendon Grober, Reilly Hammond, Boo Heflin, Dale Holloway, Jerry Jones, James Masteller, John McClanahan, Eddie McCord, Russell Newport, Diane O'Connell, Frank Pollard, Paul Purifoy, LaVeta Sergeant, Clarence Shell, George Sims, Dave Snyder, Jon Stubblefield, Chester Swor, Doug Taylor, Coy and Debbi Theobalt, Stanley Tiner, Mikel Williams, Jerry Wilson, Lynn Worthen, Andrus, Blackwood & Co., Michael Card, The Cruse Family, Leon Patillo, Tim Sheppard, and Weston & Davis. Missionaries-in-residence during the fall of 1983 were Dr. and Mrs. Jason Lee, on furlough from Bangalore Baptist Hospital in India, and during the spring of 1984 were Dr. and Mrs. John Monroe, on furlough from Kadoma, Zimbabwe. Dr. and Mrs. Bud Fray, on furlough from South Africa are missionaries-in-residence for the 1984-85 year.

### QUALITY EDUCATION FOR LEADERSHIP

Even with the financial belt-tightening during 1983-84, educational quality at Ouachita improved in several specific ways, with Dr. Tom Turner completing his second year as chief academic officer. The new academic major in computer science, under the able direction of Dr. Alton Crawley, has proved to be strong and popular. The unique new facilities of the computer center, constructed on the main floor of Lile Hall, make it possible for the academic and administrative computers to be physically separate, yet efficiently supervised together by Director of Data Processing Bill Allen, to the advantage of both instructional and administrative purposes. Although the quality computer science program is expensive, and there will be added cost down the road, Arkansas Baptists can be justifiably proud of this new "cutting edge program" at Ouachita. The technology of the computer is also changing the nature of college and university libraries. Ouachita's early beginnings as a participant in the national "AMIGOS Network" of the Ohio College Library Center (OCLC) are leading to more

extensive plans for an "information age" library. These are part of the objectives in Ouachita's Centennial Advancement Program. In 1983 Juanita Barnett, Ouachita's outstanding librarian for more than 25 years, retired and the Board of Trustees elected her as librarian emerita. Dr. Ray Grande, associate professor of history, has agreed to serve as acting librarian.

Another striking improvement in the academic program is the establishment of a new advisory program for entering new students, under the direction of Dr. Mike Arrington, assistant dean of the School of Arts and Sciences. Approximately 25 faculty members have been selected and trained as "preceptors" to provide more specialized academic advice for freshmen and transfer students. Although the Ouachita faculty members have always rated high in the individual attention given to students, this new program has proved to be especially popular at registration time. Two new doctorates have been earned by Ouachita faculty members — Roy Buckelew, chairman of the Department of Speech, Drama, and Speech Pathology, and Mike Thomson, assistant professor of political science. Three separate lecture programs, the Birkett Williams Lectures, the J.E. Berry Lectures, and the Ross Foundation Lectures (the latter jointly with Henderson State University), continue to add great strength to Ouachita's academic program. The Joint Educational Consortium (JEC) with Henderson, under the able direction of Dr. Dolphus Whitten, provides an important added dimension of more specialized course choices and an outstanding variety of concerts and other fine arts programs throughout the year, with a quality that is usually available only on the very large university campuses. Ouachita students and faculty are most fortunate to have these advantages of inter-university cooperation, while retaining the distinctive qualities of Ouachita's independent status. Ouachita's Center for Regional Studies has developed a unique relationship with Old Washington, Arkansas' Civil War Capital, for studying and teaching regional history, literature, and culture.

The academic program continues to be strengthened in unusual ways by the student exchange programs with Nigeria and Japan, and a strong and balanced program of intercollegiate and intramural athletics. Health problems led to the early retirement of Carolyn Moffatt, longtime coach of Ouachita's basketball Tigerettes, but she has been succeeded by Tigerette alumna Virginia Honnoll. Ouachita continues to provide excellent programs for able fast learners as well as for able slow learners in the student body. The Honors Program for high achievers reached an even larger number of students during the 1983-84 year. The Academic Skills Development Program, along with the Upward Bound Program and Special Services Programs, assist college and precollege students with special learning and motivational needs. The OBU Singing Men, directed by Dr. Paul Hammond, toured Germany, Austria, and France during May and June, and combined multilingual choral performance with Christian witness in an unusual way. The girls' singing group, the Ouachi-Tones, directed by Mary Shambarger, toured three cities in Mexico during the Christmas holidays, and performed on the television program having the largest viewing audience by Spanish-speaking people in Central and North America.

#### THE GROWING QUALITY OF BUILDINGS AND GROUNDS

Although only minimal funds were available for improvements to the buildings and grounds in 1983-84, one long delayed project was finally completed. This is the provision of a new lighting system for Verser Theater, where the old electrical system

was just about nonfunctional. The first full year of operation in the new Ouachita Physical Education Center (OPEC) confirmed the optimistic predictions for the wide varieties of uses this outstanding facility. Among its uses is widely increased service to local churches and to state denominational departments for conferences, workshops, youth "lock-ins," and retreats. Compliments continue to come in using superlatives to describe the unique combination of beauty and usefulness in this structure. In combination with the four-building megastructure in the central campus, Ouachita's conference facilities have come to be a tremendous denominational asset for Arkansas Baptists. The second successful NAIA National Swimming Championship meet was held in OPEC in March, with more than 600 swimmers and coaches participating from the United States and Canada. Students and local church members took this occasion to provide unusual Christian ministry through a Coffee House in OPEC. Arkansas Girls State again met in this building, and it was announced that their program was selected as the best in the nation. Dr. Ed Coulter, vice president for administration, continues to do an outstanding job in the administration of the physical plant, with the able assistance of Bill Harkrider, director of plant maintenance. Business Manager Joe Franz handled well the thankless task of managing the limited funds.

#### LOOKING AHEAD TO THE CENTENNIAL AND BEYOND

On recommendation of the Ouachita faculty, staff, and Board of Trustees, the Arkansas Baptist State Convention in November of 1976 voted to endorse ten very challenging "Centennial Decade Goals" for Ouachita. After studying the needs, the dollar costs in order to meet these needs, it was decided early in 1981 to divide the Ouachita Centennial Advancement Program into two phases. Phase I (1981-1983) incorporated some of the more pressing needs and objectives. Vice President for Development Roger Harrod has provided excellent leadership for this program, and the remarkable achievements include the following: construction of the \$4,000,000 Physical Education Center; purchase of two apartment buildings with 51 units for married student housing, located within three blocks of the campus; installation of the new computer center in Lile Hall; and construction of Walton-Lamb Circle and a landscaped parking area on the old site of Walton Gym. Less visible accomplishments, but probably more important in the long run, are the significant additions to Ouachita's endowment and increases in annual operating support. Two endowed chairs were funded and three others were pledged, with funding begun and soon to be completed, and several endowed scholarships were established. An encouraging new development is the establishment of endowment funds for the maintenance of two buildings — J.E. Berry Chapel and Bible Building, and O.C. Bailey Hall. Annual operating support from the Arkansas Baptist State Convention increased during the three-year period from \$1,400,000 to \$1,780,000.

In the spring of 1984 the OBU Development Council and Board of Trustees held a joint dinner in Little Rock celebrating these achievements, and launching the final phase of the Centennial Advancement Program. Planning for possible mid-course changes in objectives proved to be a wise decision, in view of the growing financial pressures on the annual operating budget. This was particularly confirmed by the shortfall in Cooperative Program receipts as of May 31, the end of Ouachita's 1984 fiscal year. Coming with very little warning late in the fiscal year, it resulted in a loss of

\$50,000 in budgeted operating funds for Ouachita. This along with the negative impact on student enrollment of the Arkansas decrease in high school graduates each year led to the decision to give greater emphasis to increased annual operating support in the final phase of Ouachita's Centennial Advancement Program. The objectives in summary are as follows: (1) to strengthen Ouachita's leadership role in academic and Christian excellence by increasing the level of annual operating support \$1,000,000 by 1986; and (2) to continue implementation of Ouachita's long-range campus plan, with first construction priority given to an extended and improved library to support a leadership role for Ouachita in the information-age (\$2,000,000), and second priority to a new auditorium (\$4,000,000).

A steering committee to help plan the observance of Ouachita's Centennial year of 1985-86 was appointed, and is already hard at work studying what other colleges and universities have done at such a time. We want this to be a time of rejoicing and celebration for all Arkansas Baptists and other friends of Ouachita. It should be a time of thanksgiving for God's special blessings for an institution dedicated to Christian education for young people for one century, and to rededication for centuries to come.

## SOUTHERN BAPTIST COLLEGE

Walnut Ridge, Arkansas

*D. Jack Nicholas, President*

The past academic year was one of the most significant in the forty-four year history of Southern Baptist College. The year began with several significant steps of progress including an increase in the fall enrollment sufficient to place Southern Baptist College second among Baptist colleges in percentage of enrollment increase. In November, the Convention in session in Pine Bluff approved a plan for Southern Baptist College to begin offering the baccalaureate degree. In February, the Commission of North Central Accrediting Association approved Southern's plan to begin offering the Baccalaureate Degree in Christian Ministries and in March, the Department of Student Financial Aid, U.S. Department of Education, approved student financial aid for juniors and seniors at Southern Baptist College. Plans are falling into place to offer the Baccalaureate Degree in Christian Ministries in 1984-85, in Business in 1987-88, and in Education, 1989-90. These are truly exciting and challenging days in the life of Southern Baptist College.

### **The Students of SBC**

The Baptist churches of Arkansas sent to the campus of SBC this past year one of the finest groups of students it has ever been our privilege to work with. They were, as a group, deeply committed to the Lord and His service. One of that number was elected to the the president of the Arkansas Baptist Student Union for the coming year and 24 were appointed to serve as summer missionaries by the Baptist Student Union and Home Mission Board.

Southern Baptist College has historically served needy and worthy students as well as the more advantaged. This year, 96% of the students of Southern Baptist College had to have some form of financial aid in order to go to school. Eighty-seven percent of the student body qualified for federal student aid and 57% also received private and institutional scholarships.

Having to work, as most of our students do in order to go to college, helps to inculcate the work ethic which has somewhat deteriorated in much of America today.

### The Enrollment

As mentioned earlier, enrollment increased substantially last year. Four hundred and fifty nine students enrolled on the campus for the fall of 1983 as compared to 409 for the fall of 1982. In addition there were 34 new students in summer school and 146 new students in the spring semester for a total of 639 students. That compares with 573 non-duplicated enrollment for the 1982-83 academic year. These figures do not include off-campus offerings.

### Fiscal Operations

The college operated in the black again during 1983-84 and will enjoy a small surplus of approximately \$5,000. Lest the reader be misled, it should be pointed up that the black operation was possible only because of the sacrificial service of the employees of Southern Baptist College. The salaries were held to a 2½% increase last year which did not even approximate the rate of inflation. The average faculty member at Southern Baptist College could have increased his salary by over \$2500 simply by moving to a public school system within 5 miles of the campus. Sacrificial commitment of these faculty members is deeply appreciated but this condition cannot continue to exist.

Vigilant efforts on the part of the Business Office succeeded in reducing the accounts receivable to \$6000 per year, paying all vendors on a 30-day basis, and earning in excess of \$20,000 through investment of surplus cash. The college now has total fixed assets in excess of \$8,144,000 and assets over liabilities ration in current/restricted funds of 13-1. The New Dimension Campaign is significantly increasing the endowment.

### Resource Development

Unrestricted gifts to the college increased slightly during 1983-84 over 1982-83. Our New Dimension Campaign exceeded the half-way point as of May 11 with \$500,440 committed toward the \$1,000,000 and receipts exceeded \$196,000. One hundred and thirty three new donors joined with 426 regular donors to accomplish that level of giving. Of course, the support given by the Arkansas Baptist State Convention is the most substantial and the most crucial of all gifts received.

### Academic Developments

Among several curriculum changes during the 1983-84 academic year, the most significant was the finalization of the program for the Baccalaureate Degree in Christian Ministries.

In refining the content of the baccalaureate in Christian Ministries degree, we examined similar programs offered by several institutions which we believe are doing exceptional work, with emphasis upon the practical as well as the theoretical. We also surveyed a sampling of pastors and directors of missions with a questionnaire aimed at determining what they believed to be their most valuable educational experiences and asking them to identify areas in need of greater emphasis. We combined the findings of the two steps mentioned above with the thinking and expertise of our own Religion faculty to produce what we believe is an exceptional program in Christian Ministries.

### Student Life

Through the hard work of the staff in the Student Development area, Southern Baptist College has developed one of the most comprehensive and most effective student development programs to be found in any institution of similar size. Space will not permit description of all of the activities and programs aimed at meeting the needs of the students in their out-of-classroom experience. But, on no campus is there a greater effort made to respond to the genuine needs of the student.

In the area of athletics, the men Eagles basketball team finished with a 14-15 record and a first-place trophy in Dyersburg Invitational Tournament. The Lady Eagles won both conference and state championships. Four of their players were named to the "All Conference Team", three to the "All Region Team". One player was named "All American" and participated in the national JUCO All-Star game.

We of SBC are most grateful for the support of Arkansas Baptists. We deeply appreciate the opportunity for broader service which the Convention has permitted us to undertake. Our developing baccalaureate program will enable us to serve more young people and to make a far greater contribution to the Convention.

We are constantly mindful of how desperately we need your prayers that the Lord will make the college just what He wants it to be. Please re-double your prayer effort for us that we may clearly know and faithfully follow his will.

### WORLD HUNGER

*H.E. Williams, Chairman*

During 1983 Southern Baptists gave \$6,684,389 for the relief of hunger and emergency ministries through the Foreign and Home Mission Boards. Of this amount \$5,406,036 was channeled through the FMB, primarily for hunger relief and an additional \$687,714 was given for general relief ministries. This represented an increase of \$122,252 over the 1982 receipts. The Home Mission Board received an increase of \$340,675 over their 1982 receipts.

Total receipts for both agencies showed an increase of \$462,927 over the previous record of \$5,530,000 given in 1982.

However, the requests were far greater than the amount available. Unmet requests from over the world totaled \$8,270,000. It is significant that it is likely that many of the people represented in those unmet requests actually died of starvation, simply because we did not receive enough money to meet their needs.

Total expenditures during 1983 through the FMB reached \$7,200,000. It is observed that expenditures exceeded income by \$515,611. This indicates that the previous surplus in this fund is now practically exhausted.

Arkansas Baptists continue to gradually increase their contributions to the relief of hunger and catastrophic emergencies over the world. In 1983 our churches gave a little over \$149,000 through the Little Rock office to the Foreign Mission Board. An annual survey of our churches indicates that well over \$1,200,000 was given to meet local and world-wide appeals for assistance. Many churches have extensive ministries which they carry on in various ways.

During 1983-84, Arkansas Baptist Brotherhood launched a drive to provide blankets and rice for the suffering people of Ghana, in West Africa. Several thousand blankets and 240,000 pounds of Arkansas rice reached Ghana in late 1983 and early 1984, as a result of this worthy effort on the part of Arkansas Baptist men. The collection of rice was co-ordinated by the Agricultural Mission Fellowship, an auxiliary of the World Hunger Committee.

Despite the increased response of Arkansas Baptists, it is with heavy hearts that we still have to report that approximately three out of four of Arkansas Baptist churches gave nothing to the world hunger effort. Some of them minister to local needs, but seem never to realize that the greatest suffering is found in the backward countries of the world where over 10,000,000 die annually of starvation and diseases growing out of malnutrition. Each day, approximately 40,000 die, including over 30,000 helpless children.

We salute Park Hill Baptist Church in North Little Rock for leading Arkansas Baptist churches in giving over \$7,600 through regular channels for world hunger in 1983. We also salute First Baptist Church Geyer Springs for making a one-time gift of \$10,000 to the Foreign Mission Board directly for general relief ministries.

The World Hunger Committee wishes to commend our people who lead their churches to respond to the call of the needy. We urge all Arkansas Baptist churches to observe World Hunger Day each October and to make a sincere effort to participate in ministering to this need, both locally and world-wide.

The Executive Board  
Arkansas Baptist State Convention  
Little Rock, Arkansas

We have examined the accompanying statements of assets, liabilities and fund balances arising from cash transactions of the Executive Board, Arkansas Baptist State Convention at December 31, 1984 and 1983, and the related statements of cash receipts and disbursements, changes in operating fund balances - cash basis and changes in special fund balances - cash basis for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 to the financial statements, the Executive Board's policy is to prepare its financial statements on the basis of cash receipts and disbursements and in accordance with accounting practices followed by non-profit denominational organizations. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements mentioned above present fairly the assets, liabilities and fund balances arising from cash transactions of the Executive Board, Arkansas Baptist State Convention at December 31, 1984 and 1983, and the cash receipts and disbursements and changes in fund balances for the years then ended on the basis of accounting mentioned in the paragraph above, which has been applied on a consistent basis during the period.

Our examinations have been made primarily for the purpose of expressing an opinion on the basic financial statements taken as a whole. The accompanying additional information on pages 9 to 14 inclusive, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such additional information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in our opinion, is fairly stated, on the basis of accounting referred to above, in all material respects in relation to the basic financial statements taken as a whole.

December 31, 1984 and 1983

Note 1: Summary of significant accounting policies

The Executive Board maintains its records on the basis of cash receipts and disbursements; consequently, revenue and related assets are recognized when received rather than when earned, and disbursements are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In accordance with accounting practices followed by non-profit denominational organizations, no provision has been made in the accompanying financial statements for depreciation of properties.

The Executive Board is exempt from income taxes pursuant to Section 501 (c)(3) of the Internal Revenue Code and comparable provisions of state law.

We have examined the accompanying statement of assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1984 and the related statement of revenue collected, expenditures made, capital additions, and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 of the Notes to Financial Statements, the accompanying financial statements are prepared on the cash basis and, accordingly, they are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements mentioned above present fairly the assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1984 and the revenue collected and expenditures made during the year then ended, on the basis of accounting described in Note 1, which basis has been applied in a consistent manner.

## ARKANSAS BAPTIST FOUNDATION

Notes to Financial Statements  
December 31, 1984 and 1983

Note 1: Summary of Significant Accounting Policies

The Arkansas Baptist Foundation was incorporated under the laws of the State of Arkansas in 1949. Its purpose is to encourage Baptists in the proper management and final distribution of accumulated possessions. The Foundation is authorized to receive by will or through trust, gifts for the benefit of any institution or agency supported by the Arkansas Baptist State Convention or the Southern Baptist Convention.

The Board of Directors is composed of fifteen persons. Five are nominated each year by the convention's nominating committee and elected at the annual session. The by-laws require that at least two-thirds of these be laymen. Investments are made through a committee after careful evaluation of recommendations from investment counsel.

There are no fees or commissions charged to the beneficiaries by the Foundation. The operational budget is provided by the Arkansas Baptist State Convention. Thus, gross income generated from investment is distributed to the designated beneficiary.

Except for an accrual to record accounts receivable from the Cooperative Program, the financial statements are presented on the basis of cash receipts and disbursements. Certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Depreciation has been recorded utilizing the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Life</u>
Automobiles	3 years
Office furniture and equipment	3-5 years
Data processing equipment	5 years

Amounts charged to operating expenses for depreciation aggregated \$7,039 and \$11,305 in 1984 and 1983, respectively.

Note 2: Investments

Investments are carried at cost or the fair market value of the instrument at the date of contribution. The Foundation does not adjust the cost of debt securities for amortization of premium and accretion of discount. Any premium or discount is recognized at the date of maturity or the date of sale, and the related gain or loss is then recognized.

Gentlemen:

We have examined the balance sheet of Southern Baptist College as of June 30, 1984 and the related statements of changes in fund balances and current funds revenue, expenditures, and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Southern Baptist College at June 30, 1984 and the changes in fund balances and the current funds revenues, expenditures, and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

SOUTHERN BAPTIST COLLEGE  
Summary of Significant Accounting Policies  
June 30, 1984

The significant accounting policies followed by Southern Baptist College are described below to enhance the usefulness of the financial statements to the reader.

#### Accrual Basis

The financial statements of Southern Baptist College have been prepared on the accrual basis except for depreciation accounting as explained in notes 1 and 2 to the financial statements. The statement of current funds revenues, expenditures, and other changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacement of movable equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest and equipment renewal and replacement; and (3) transfers to a nonmandatory nature for all other cases where applicable.

#### Fund Accounting

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Institution, the accounts of the Institution are maintained in accordance with the principles of "fund accounting". This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Within each group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes by action of the governing board. Externally restricted funds may only be utilized in accordance with the purposes established by the source of such funds and are in contrast with unrestricted funds over which the governing board retains full control to use in achieving any of its institutional purposes.

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized. Term endowment funds are similar to endowment funds except that upon the passage of a stated period of time or the occurrence of a particular event, all or part of the principal may be expended.

## Page 2 - Summary of Significant Accounting Policies - Continued

While quasi-endowment funds have been established by the governing board for the same purposes as endowment funds, any portion of quasi-endowment funds may be expended.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like is accounted for in the fund owning such assets, except for income derived from investments of endowment and similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in unrestricted current funds.

All other unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income, and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

**Other Significant Accounting Policies**

Other significant accounting policies are set forth in the financial statements and the notes thereto.

SOUTHERN BAPTIST COLLEGE  
Notes to Financial Statements  
June 30, 1984

1. Investments exclusive of physical plant are recorded at cost if purchased. If received by gift it is carried at fair market value at the date of acquisition except certain issues which have declined in value where it was evident such decline was not due to temporary market conditions.

On January 27, 1976 Southern Baptist College and Arkansas Baptist Foundation negotiated a contract whereby the Foundation would administer endowment investments for the college. Initially investments with a book value of \$63,923.79 were transferred to the Foundation. According to the Foundation the June 30 market value of these investments was approximately \$42,043.27. The June 30 book value of units owned in the Pooled Investment Group was \$43,736.97. Additional funds were transferred to the Foundation on July 27, 1981. The \$31,709.19 transferred was used to purchase corporate bonds. During the 1983-94 fiscal year distribution of income received on this amounted to \$4,771.61. Other amounts are periodically transferred to the Foundation.

In addition to these Southern Baptist College is the ultimate beneficiary of investments with a market value totaling approximately \$186,140.94 also held in trust by the Arkansas Baptist Foundation. Since these investments are periodically changing in nature as they mature or are sold and the proceeds reinvested it has not been feasible to pick up the individual investments and record them in the books of Southern Baptist College. The Foundation regularly distributes the income earned on these investments to the college. The book value of these as of June 30, 1984 was reported as \$153,049.27.

2. Physical plant and equipment are stated at cost at date of acquisition or fair market value at date of donation in case of gifts except that an appraisal performed May 31, 1965 by a qualified, independent appraiser resulted in an adjustment being recorded on the books at June 30, 1965. An increase of \$687,865.81 was recorded for fixed assets composed of an increase in land of \$51,840.00; an increase in buildings of \$670,961.49; and an increase in roads and utilities of \$34,935.68. During the current year additional books comprising the library were capitalized at their estimated value. This resulted in a net increase in assets and fund balance in the amount of \$459,789.06. Other assets totaling \$65,580.90 were removed from the books as structures which were demolished.

No provision for depreciation has been taken into consideration in the property, plant and equipment as set forth in the Balance Sheet - Exhibit A. The apartments for married students are pledged to Pocahontas Federal Savings and Loan to secure a mortgage on which \$93,759.61 was owed at June 30. The President's home is also pledged to Pocahontas Federal Savings and Loan on a mortgage with a balance of \$49,156.97. A mortgage to Independence Savings and Loan with a balance of \$122,109.92 is secured by the Fine Arts Building. 3. A detailed listing of notes and mortgages with a split-out of that portion due within one year is shown as Schedule A-1 at page 4 of this report.
4. Reserve and excess funds are kept invested in certificates of deposit or money market accounts. Checking accounts are also interest bearing accounts where possible. Total interest earned during the fiscal year on such short term investments amounted to \$18,177.29.
5. Accounts receivable at June 30, 1983 were only \$9,105.35 with a reserve of \$3,519.25 representing those believed to be uncollectible. This apparently reflects good collection results as no time since I became involved with your audit have our receivables been so small an amount. No additional amount was provided this year in reserve for uncollectibles.
6. New Dimension Campaign. At June 30, 1984 Restricted Funds contained \$195,521.11 in New Dimension money. This will be transferred into Endowment to help fund the Four-Year Program at Southern Baptist College. As of June 30, 1984 the college had received in gifts and interest income a total of \$208,434.55. From that amount \$12,913.39 was expended in fiscal year 1983-1984 to move into the third year Ministerial Degree program at Southern.

Southern Baptist College's goal for this campaign is one million dollars (\$1,000,000). As of October, 1984 the college had received approximately six hundred thousand dollars (\$600,000) in gifts and pledges.

We have examined the accompanying consolidated balance sheet of Baptist Memorial Health Care System, Inc. and Subsidiaries as of September 30, 1983, and the related consolidated statements of revenue and expenses, changes in fund balances and changes in financial position for the year then ended. We did not examine the financial statements of the affiliated regional hospitals which statements reflect total assets and revenues constituting 11.8% and 15.7%, respectively, of the related consolidated totals. These statements were examined by other auditors whose reports thereon have been furnished to us and our opinion expressed herein insofar as it relates to the amounts included for the affiliated regional hospitals is based solely upon the report of the other auditors.

In our opinion, based on our examination and the aforementioned report of other independent accountants, the consolidated financial statements referred to above present fairly the financial position of Baptist Memorial Health Care System, Inc. and Subsidiaries as of September 30, 1983, and the results of their operations and changes in financial position for the year then ended.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED  
YEAR ENDED SEPTEMBER 30, 1983

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third-party payors. No provisions for retroactive adjustment have been made.

**NOTE 2 - HOSPITALS ACQUIRED**

A. On July 1, 1981, the System, through Baptist Memorial Hospital - Tipton (BMH-Tipton), purchased the assets and liabilities of Tipton County Memorial Hospital. According to terms of the agreement, Tipton County used the net purchase price to establish an indigent care trust fund totaling approximately \$2,175,000 and a loan escrow fund in the amount of \$880,000. The net book value of assets purchased exceeded the cost by approximately \$110,408. Values assigned to property, plant and equipment have been reduced by that amount to reflect the purchase.

In order to obtain the Hill Burton release effective April, 1984, the deed conveying certain of the real property to BMH-Tipton reserves to the County the right of possession, use and occupancy until April, 1984. In the interim, the county is leasing and granting to BMH-Tipton all its right, use, occupancy and possession of this real property. As a part of the purchase BMH-Tipton has agreed to make capital improvements including installation of a new roof, upgrading the heating and air conditioning system, and construction of a professional office building.

The indigent care trust fund was established to assist qualified indigent individuals in paying for hospital care and ambulance services provided by BMH-Tipton. Requests for payment are submitted to the fund's Board of Trustees who may authorize payment out of the income of the fund.

The loan escrow fund was established to repay two loans due from Tipton County Memorial Hospital to the Farmers Home Administration. The loans, totaling \$1,034,611 at July 1, 1981, are to be repaid by April 30, 1984. The fund is to be invested as directed by BMH-Tipton. Any amount remaining after full payment of the loans is to be immediately repaid to BMH-Tipton.

BMH-Tipton also agreed to provide, at cost, administrative services and supplies and furnish use of existing space to the county-owned ambulance service. Charges for such services totaled \$263,900 and are included in other operating revenue.

B. On July 1, 1980, Baptist Memorial Hospital - Lauderdale leased the property, plant and equipment and assumed the other operating assets and liabilities of Lauderdale County Hospital from Lauderdale County, Tennessee. With an initial term of two years, the lease is renewable at the option of Lauderdale in increments of two years for the effective useful life of the leased property. Annual rental is \$1. Lauderdale is presently constructing its own facility at a projected cost of \$9,000,000.
