Bernes K. Selph

To know Bernes K. Selph is to know a loveable, congenial man. He is a scholar, a writer, a historian and an authority on the New Testament. He is a spiritually gifted and Biblically endowed pastor. He is a blessing to all who have served with him, who have sat under his ministry and who have been privileged to have fellowship with him and his gracious wife, Tommie.

Basic to any man's ministry and life is a good home. Bernes was born in the Brown Springs community near Donaldson. His family moved to Louisiana, finally settling in Cotton Valley. He grew up in Cotton Valley and Sparkman, Arkansas. He married Verna Tommie Green in 1938. She has been a dedicated wife, mother, companion and homemaker. Two daughters were born to the Selphs. Janet Nicewander has four children and lives in Norman, Oklahoma. Linda Moffitt has two children and lives in Wichita, Kansas. Bernes' mother, Mrs. R. K. Selph, lives in Cotton Valley.

Dr. Selph's ministry has spanned over 50 years. He was converted in Cotton Valley and one week later surrendered to preach. He enrolled in Ouachita Baptist College, graduating in 1937. He moved immediately to Ft. Worth and enrolled in Southwestern Seminary. Upon graduation he was called as pastor of the First Baptist Church, Smackover. Later he was called to return to Ft. Worth to pastor the Grambrill Street Baptist Church. During his pastorate he met the requirements for the Doctor of Theology degree and was awarded that degree in 1948. In 1950 he was called to be pastor of the First Baptist Church, Benton, from which pastorate he retired in 1976.

Bernes advised young pastors, "Always take time to attend your denomination's meetings." He practiced that. He served as President of the Executive Board of the ABSC, as president of the Convention and on the boards of Ouachita and the Historical Commission. He is presently director of the Historical Commission.

He served the larger body, the SBC, on the boards of Southern Baptist Theological Seminary, the Golden Gate Seminary and the SBC Historical Commission. He is Arkansas's representative on this commission at the present.

Bernes K. Selph is a man whom we love and respect as a dedicated man of God, a servant loyal to his Lord, his family, his home and his church. He is so recognized in the dedication of this Annual.

In Memoriam

James Arter Overton
1901-1985

James Arter Overton was born in Wayne County, Tennessee, near the town of Clifton, August 25, 1901. He died at Crossett, Arkansas, July 29, 1985. He was the oldest son of Zechariah R. and Nancy Paralee Boyd Overton.

James, or "Jim" as some of his friends called him, was converted in 1913 in a revival that resulted in the organization of the Haynes Springs Baptist Church. He was baptized by his father in Beech Creek in the spring of 1914. He surrendered to the ministry under the ministry of C. G. Davis, at Cotton Plant, Arkansas, in 1927.

The active ministry of Bro. Overton covered 40 years. He retired in 1967 from the pastorate of the First Baptist Church, Marked Tree, Arkansas.

Bro. Overton was a graduate of the Cotton Plant High School, and Union University of Jackson, Tennessee, where he attended Business College. He was graduated from Ouachita Baptist College, Arkadelphia, Arkansas, in 1935 with a B.A. degree. The Southern Baptist Theological Seminary, Louisville, Kentucky, awarded him the Th.M. degree in 1937.

Prior to entering the ministry, he was a farmer, taught public school, and served as a stenographer for a veneer mill. After his surrender to the ministry, he served as pastor of 24 churches — fourth-time, half-time, and full-time. For two years he was missionary for the Arkansas Baptist State Convention, serving in the southwest quarter of the state. The major thrust of his ministry as missionary was conducting stewardship revivals in the churches.

During his ministry he preached in 14 states, conducted 167 revivals, witnessed 2,000 conversions and baptized 693 people. He built two pastor's homes, five new church buildings, and after retirement, served 12 interim pastorates. He was a church builder, using the Sunday School as the major thrust of his emphasis in developing the church. Along with his building the church in attendance, he was able to lead several churches out of financial difficulties and put them on a sound financial basis.

A strong doctrinal preacher, he used as his subject for the Annual Sermon at the State Convention in 1949, the subject, "The Supreme Importance of Salvation." At the request of Dr. Ben L. Bridges, the Convention printed the sermon in tract form and wide distribution was made of it over the state. He was a strong denominational man and served the state on the Ouachita College Board and on other committees of the Convention.

CONSTITUTION

Article I. — The Name

The name of this body shall be "The Arkansas Baptist State Convention."

Article II. — The Purpose

The purpose of this Convention shall be to awaken and stimulate among the churches the greatest possible activity in evangelism, Christian education, and benevolent work throughout its bounds and to the ends of the earth; to cultivate closer co-operation among the churches and to promote concert of action in advancing all the interests of the Kingdom of God.

The Baptist Faith and Message as adopted by the Southern Baptist Convention on May 9, 1963, shall be the doctrinal guideline for this Convention.

Article III. — Membership

Section 1. The Convention shall be composed of messengers from regular Baptist churches which are in sympathy with the principles and purposes of this Convention, and which desire to cooperate with other churches through this Convention.

Regular Baptist churches are those Baptist churches which in doctrine and in practice adhere to the principles and the spirit of **The Baptist Faith and Message** as adopted by the 1963 session of the Southern Baptist Convention, and **The Baptist Faith and Message** shall not be interpreted as to permit open communion and/or alien immersion.

Section 2. Each co-operating church shall be entitled to three messengers, with one additional messenger for each additional one hundred members, or major fraction thereof above one hundred, provided however, that no church shall be entitled to a total of more than ten messengers.

Section 3. A standing Credentials Committee of five members shall be appointed by the president of the convention. No member of this committee may serve more than two consecutive conventions. The president of the convention shall fill vacancies and shall name the chairman each year.

Article IV. — Authority

Section 1. While independent and sovereign in its own sphere, this Convention shall never exercise any authority whatever over any church, nor shall it in any way interfere with the constitution of any church, or with the exercise of its functions as the only ecclesiastical body, but will cheerfully recognize and uphold the absolute independence of the churches.

Article V. — Officers

Section 1. The officers of this Convention shall be: President, First Vice-President, Second Vice-President, Recording Secretary and Treasurer. Each officer of the Convention shall be elected annually, except the Recording Secretary and Treasurer who shall be the same as the Executive Director of the Executive Board, and shall continue in office until his successor in office shall have been elected and qualified.

Section 2. It shall be the duty of the President to preside over the deliberations of the Convention and to discharge such other duties as may devolve upon the presiding officer of a deliberative body. He shall appoint all committees unless the Convention shall otherwise determine. In the absence of the President, one of the Vice-Presidents shall preside in his stead.

Section 3. It shall be the duty of the Director to keep a record of the proceedings of the convention, to edit and arrange publication of a suitable number of the minutes for distribution among the churches, as the Convention may direct, as soon as reasonably possible after the close of the session. He shall file and keep in order all papers deemed important to the work of the Convention.

Article VI. — The Executive Board

Section 1. This Convention shall elect a Board of Trustees as provided for in the Convention's charter. This Board shall be known as the "Executive Board of Arkansas Baptist State Convention." This Board shall be composed of one member from the bounds of each co-operating association with a membership up to 5,000, and one additional member for each additional 5,000 constituency, or major fraction thereof, provided however, that no association shall be entitled to more than five (5) members. In addition, the convention shall elect one lady from the bounds of each of the eight districts in the state to serve on the Executive Board. Upon the removal of any Executive Board member from the bounds of his or her association, his or her membership on the Executive Board ceases therewith; his or her successor in office shall be nominated by the Convention Nominating Committee and elected by the Executive Board to fill the unexpired term. No member of this board shall hold any remunerative office under the Convention or any of its institutions. One-third of this board shall be elected annually to hold office for three years, and a majority of the board members shall constitute a quorum. Any member of the Executive Board who misses all the Executive Board meetings and the Executive Board committee meetings for one year shall be automatically dropped from membership on the Board.

Section 2. The Executive Board shall be constituted and empowered by the Convention as its business and legal agent to administer all business committed to it by the Convention, and to employ such paid agents as it may deem necessary in carrying out the missionary, educational, benevolent and financial enterprises of the Convention. The Executive Board shall raise, collect, receive and disburse all the funds of the Baptist Cooperative Program, for both state and Southern Baptist Convention causes. The office of the Executive Board shall be a clearing house for administering the business affairs of the Convention, and a headquarters for Baptist information. Its books, records and files shall at all times be open for the reference and inspection of any co-operating church which may desire to examine them.

Section 3. The Executive Board shall render to the Convention annually a complete and detailed statement of all its business for the year.

Article VII. — Trusteeships

The Convention shall elect trustees to manage and to operate institutions and agencies it may possess, as follows:

Section 1. Ouachita Baptist University, 24; Arkansas Baptist Family and Child Care Services, 18; Baptist Memorial Hospital (Memphis), 9; Southern Baptist College, 24; Arkansas Baptist Foundation, 15; **Arkansas Baptist Newsmagazine**, 9.

Section 2. One-third of the members of the Boards of Trustees shall be elected annually to serve for a term of three years. Any member of the Board of Trustees who misses all the meetings of that Board for one year shall be automatically dropped from membership on that Board.

Section 3. Each Board of Trustees shall elect from their membership a chairman and a recording secretary and such other officers as seems advisable.

Section 4. All trusteeships shall render to the Convention at each annual session complete and detailed reports of all transactions and business and any other activities for the year, and shall be subject to the direction of the Convention in all matters pertaining to administering the affairs of the institution with which their trusteeship is concerned.

Article VIII. — Operation of Agencies

Section 1. Each board, agency, and institution of this Convention shall submit to the Executive Board at its annual budget planning meeting, which is to be held prior to the annual meeting of the Convention, a detailed statement of its sources of income, and a budget of proposed expenditures for the ensuing year. When received and adopted by the Convention, these budgets shall become the basis for the operations for the ensuing year.

Article IX. — Meetings

Section 1. The Convention shall meet annually, "if God permit," on a date to be fixed by the Convention. The Executive Board is empowered in emergencies to call special sessions of the Convention and to change either the time or place of meeting or both should the occasion demand.

Article X. — Amendments

Section 1. This Constitution and Bylaws may be amended by a two-thirds vote of the members voting and concurring in two successive annual meetings of the convention, except Article IV, which shall remain forever unalterable in substance.

Section 2. Any proposed amendment to this Constitution shall be presented to the Convention in writing, for its consideration, upon the first day of the annual session, and may be voted on, on any subsequent day during the session, provided adequate publicity has been given in previous announcement.

Article XI. — Parliamentary Authority

Kerfoot's **Parliamentary Law** shall be the standard for deciding questions of parliamentary procedure.

Article XIII. — Districts

The Convention shall establish such geographic districts as it may deem wise to facilitate its promotion, administration, and organization of its objectives, provided, it will never violate in any way the boundaries of any association within the area of the convention. The boundaries of such districts shall be drawn so as to provide equitable geographical and numerical voice and representation on all convention committees, commissions, boards, except the Executive Board, all trusteeships. Each tenth year hereafter, the whole matter of districts shall be readjusted to take in consideration the flow of membership in our Baptist churches.

BYLAWS

In order to carry out the provisions of the Constitution, the following Bylaws are enacted for the government of the Convention.

1. Enrollment of Messengers

The Secretary of the Convention shall enroll, upon arrival, messengers who present proper credentials from the churches. These messengers, together with others who may be enrolled upon presentation of approved credentials during the session, shall constitute the Convention. Any contention concerning seating messengers shall be presented to a committee appointed by the President for recommendation to the Convention for its action.

2. Officers

The President, First Vice-President, and Second Vice-President shall be elected on the second day of the Convention, their terms of office to begin with the final session of the Convention.

The election of all officers shall be by ballot; provided, however, there is only one nomination for the office, then the Secretary or any other present may be directed to cast the ballot of the entire assembly for the single nominee.

The first vice president shall be nominated and voted upon and elected after balloting for the president has been completed and the winner announced, and the second vice president shall be nominated and voted upon and elected after the balloting for the first vice president has been completed and the winner announced.

Each officer of the Convention shall be elected by a majority of all votes cast.

In case of removal from office, by death or otherwise, of the President, the Vice-Presidents shall automatically succeed to the office of President in the order of their election. The President may not be elected for more than two consecutive terms.

All elected officers of this Convention shall be members of churches cooperating with this Convention. This must also apply to members of the Executive Board and the institutional boards of this Convention.

3. The Executive Board

The Executive Board, being the legal trustee of the Convention, shall be empowered by the Convention to administer all business committed to it by the Convention.

The Executive Board is empowered to act for the Convention between sessions of the Convention, provided that it shall never exercise any authority contrary to the expressed will of the Convention.

When any unforeseen emergency occurs in any of the affairs of the Convention, or in any of the interest it controls, that in the judgment of the Executive Board requires action before the next session of the Convention, the Executive Board shall have full authority to take such action as may seem necessary, and all interests concerned shall be governed by such action, provided the Executive Board shall make full report of all matters pertaining thereunto to the next session of the Convention for its approval, and provided further, that nothing in this article shall be construed as giving the Executive Board authority to execute any matter already committed by the Convention to any of its Board of Trustees or its institutions unless such Board when so commissioned shall decline to act on the order of the Convention.

All proposals requiring the expenditures of money by the Convention, or the Executive Board of the Convention, from the annual budget, shall be considered by the Executive Board, before being presented to the Convention.

This Board shall be charged with the responsibility to have the books and financial affairs of each and all of the boards and institutions of the Arkansas Baptist Convention audited annually by an accredited firm of auditors, all audits to be accessible to the Executive Board at its budget planning session, and to be included in the institution's report to the Convention.

Members of the Executive Board, having served two full terms of three years each shall not be eligible for reelection until as much as one year has elapsed. In determining eligibility for reelection, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The various associations of Arkansas whose churches are affiliated with this Convention, may submit to the committee or nominations names of those whom they believe should be considered for membership on the Executive Board as members from that association.

4. Trusteeships

All trusteeships of this Convention shall be amenable to the Convention on all matters, through its Executive Board. No trusteeship shall conduct extra movements to raise money outside its regular revenue-producing sources, nor shall a deficit in running expense or debt be incurred without the approval of the Convention in session or of the Executive Board in case of a forementioned emergencies, except, as follows: when an emergency arises concerning the opportunity to purchase needed property for expansion, the president of the Convention, the president of the Executive Board and the Executive Director of the Executive Board (all three concurring) believing such an emergency exists and deeming it wise to incur indebtedness, may give the Trustees of an institution such permission, and make a full report to the Executive Board and to the next Convention in session.

Members of Boards of Trustees having served two full terms of three years each shall not be eligible for reelection until as much as one year has elapsed. In determining eligibility for reelection, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

Not more than two (2) members of a Board of Trustees shall at the same time be members of the same local church, nor shall more than six (6) members reside in any one association.

A member of a Board of Trustees of one institution of the Convention may not at the same time be a member of any other board of Trustees of another institution of the Convention.

No member of a Board of Trustees of any institution of this Convention may at the same time be a member of the Executive Board of the Convention.

5. Committee Members

1. A nine-member rotating Nominating Committee, comprised of at least three laymen, will place in nomination at each annual convention names of persons to fill vacancies on all convention boards. At each annual convention, the president will appoint one-third of this committee to three-year terms to replace the one-third rotating off, plus filling any vacancies that may exist on the committee at that time. Nominations for all boards from this Nominating Committee must be as equitably divided as possible between the eight existing districts of our state convention. The president shall also name the chairman, who shall come from a one-year term member.

2. A member filling an unexpired term not having served the full term of years as provided by the Constitution, shall be, at the discretion of the Nominating Committee, eligible for election to a full term.

3. No member of a commission or committee delegated to study or make recommendations concerning our institutions shall be a member of any Board of Trustees of such institutions.

4. All associational missionaries or mission pastors receiving all or part compensation from the Convention through the Executive Board shall be considered employees of the Convention and shall not be members of any Convention or institutional board. The president of the Convention by virtue of his office shall be a member of the Executive Board for the duration of his term of office.

6. Constitution and Bylaws Committee

A standing Constitution and Bylaws Committee shall be composed of six (6) members to be nominated by the Nominating Committee. One-third of the membership (2) shall be elected annually to serve for a term of three (3) years. No member shall be eligible to serve more than two terms until one year has elapsed. In determining eligibility for reelection, any individual filling a vacancy, shall be deemed to have served a full term if that individual shall have served two-thirds or more of a full term.

The president of the Convention shall appoint the chairman of the Committee each year. The chairman must be one who has been a member of the Committee for at least one year and may succeed himself until his tenure of eligibility shall expire.

The Constitution and Bylaws Committee shall be charged with the responsibility of advising the presiding officer concerning constitutional matters during the annual session of the Convention with reference to matters which may arise from the floor or from other committees. The committee will act ad interim in all matters concerning the Constitution and Bylaws referred to it by the boards and agencies of the Convention. The committee will receive all proposed constitutional changes before the convention and will be responsible for presenting them in writing for Convention consideration, upon the first day of the annual session, after adequate publicity has been given. The duties of the committee in no way preclude amendments to the constitution by messengers to the Convention.

APPENDICES

1. Enrollment of Messengers (1980 Annual, page 37)

Any challenge to the seating of any church's messengers and the basis of the challenge should be presented in writing to the Convention president, and the chairman of the Credentials Committee thirty (30) days prior to the annual meeting of the convention.

The Credentials Committee will meet prior to the opening session of the convention and report their findings and recommendation to the opening session of the convention and report their findings and recommendation to the opening session of the convention.

2. Performance of wedding ceremonies (1975 Annual, page 37)

The proper standard recommended by our State Convention for Southern Baptist ministers to perform wedding ceremonies in Arkansas (shall) be ordination.

3. Doctrinal Guidelines (1970 Annual, page 61)

Report of the Committee of Twenty-Five adopted, including the recommendation that the SBC statement of faith of 1963. *The Baptist Faith and Message*, be adopted as doctrinal guidelines for our convention.

4. **Appendices** (1967 Annual, page 40)

Resolution adopted that a search be made of the minutes of the Convention to discover policies and interpretations which have been adopted in past years, and these interpretations and policies be added at the end of the Constitution and Bylaws of the Convention as appendices.

5. **Churches Ordinances** (1965 Annual, page 31)

Resolution adopted, Whereas, in the past, the most general interpretation of the New Testament, and the most general interpretation of the Word 'principles' as it is used in Article 3, Section 1, of our constitution, and the most prevalent practice of Baptist churches in Arkansas with reference to the church ordinances, has been what is commonly called "closed baptism" and "closed communion," and,

Whereas, it is recorded on page 57 of the minutes of the Arkansas Baptist State Convention meeting in Fort Smith in 1937 that the Convention officially objected to the teaching of alien immersion and open communion in one of our seminaries, thereby establishing a precedence for future conventions, therefore,

Be it resolved that the Arkansas Baptist Convention, meeting in its 112th annual session, go on record as objecting to the reception of alien immersion and the practice of open communion, and

Be it further resolved that we urge churches everywhere to reexamine the New Testament teaching on baptism and the Lord's Supper.

6. **Federal Aid** (1965 Annual, page 43)

Resolution adopted, Whereas, Arkansas Baptists have been faced with the issue of Federal aid to private institutions, and, whereas many feel that the acceptance of such funds violates the cherished Baptist position of the separation of church and state, therefore, be it resolved that the Arkansas Baptist State Convention go on record as reaffirming our traditional Baptist position on the separation of church and state, and that we urge all of our Baptist institutions and programs to respect this principle.

7. **Executive Board Recommendations** (1963 Annual, page 35)

Voted that all recommendations of the Executive Board will be published in the *Arkansas Baptist Newsmagazine* one month prior to the meeting of the State Convention.

8. **Violations of the Constitution** (1960 Annual, page 29)

Where there are violations of the Constitution on the Boards the Convention Nominating Committee (shall be) requested to make proper corrections.

9. **Book of Reports** (1959 Annual, page 28)

Voted that the Convention Constitution and Bylaws be printed each year in the Book of Reports for the convenience of our messengers.

10. **Baptist Memorial Hospital Trustees** (1959 Annual, page 29)

Voted that the members of the Board of Trustees of the Baptist Memorial Hospital, Memphis, not be included in the ruling which would prevent their serving on this board and one other convention board.

11. **Capital Indebtedness** (1959 Annual, page 30)

Voted that all requests for capital indebtedness by any convention institution or agency must be submitted to the Executive Board at least 90 days in advance of the July meeting of the Executive Board.

12. **Out-of-state participation by Executive Board staff** (1953 Annual, page 22)

Voted that we recommend the Cooperative Program as the best method of giving financial support to the Baptist work at home and abroad. We discourage any of the departments of our Arkansas Baptist work in accepting invitations to participate in the work of missions outside of our regular work within our state territory, at the expense of the Arkansas Baptist State Convention Departments involved. Further, we request our Executive Director of the Arkansas Baptist State Convention and the President of the Executive Board confer with the heads of all Southern Baptist agencies expressing our concern about the practices of asking State Convention departments to give employees to such efforts outside our state, unless expenses and salaries are provided for by the agencies that use such workers.

13. **Seating of Messengers** (1949 Annual, page 92)

Resolution adopted that this convention refuse to seat any messengers from any church that accepts alien immersion; practices open communion; or affiliates with any branch of the Federal Council of Churches, World Council of Churches; or any other organization similar to or growing out of such.

14. **To limit expenditures not previously studied and recommended that might be introduced by Messengers at Convention** (1982 annual, page 63).

Motions made by messengers dealing with the internal operations or programs of an agency, institution or the Executive Board shall be referred to the elected board of the appropriate body for consideration, and report to the constituency and to the next convention in annual session. THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

Ex. 24:4; Deut. 4:1-2; 17:19; Josh. 8:34; Psalm 19:7-10; 119:11, 89, 105, 140; Isa. 34:16; 40:8; Jer. 15:16; 36; Matt. 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Rom. 15:4; 16:25-26; 2 Tim. 3:15-17; Heb. 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ he was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His

death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the Person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fulness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

Gen. 1:2; Judg. 14:6; Job 26:13; Psalm 51:11; 139:7ff.; Isa. 61:1-3; Joel 2:28-32; Matt. 1:18; 3:16; 4:1; 12:28-32; 28:19; Mark 1:10, 12; Luke 1:35; 4:1, 18-19; 11:13; 12:12; 24:49; John 4:24; 14:16-17, 26; 15:26; 16:7-14; Acts 1:8, 2:1-4, 38; 4:31; 5:3; 6:3; 7:55; 8:17, 39; 10:44; 13:2; 15:28; 16:6; 19:1-6; Rom. 8:9-11; 14-16, 26-27; 1 Cor. 2:10-14; 3:16; 12:3-11; Gal. 4:6; Eph. 1:13-14; 4:30; 5:18; 1 Thess. 5:19; 1 Tim. 3:16; 4:1; 2 Tim. 1:14; 3:16; Heb. 9:8, 14; 2 Peter 1-21; 1 John 4:13; 5:6-7; Rev. 1:10; 22:17

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race.

Through the temptation of Satan man transgressed the command of God and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

Gen. 1:26-30; 2:5, 7, 18-22; 3; 9:6; Psalm 1; 8:3-6; 32:1-5; 51:5; Isa. 6:5; Jer. 17:5; Matt. 16:26; Acts 17:26-31; Rom. 1:19-32, 3:10-18, 23; 5:6, 12, 19; 6:6; 7:14-25; 8:14-18, 29; 1 Cor. 1:21-31; 15:19, 21-22; Eph. 2:1-22; Col. 1:21-22; 3:9-11

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Gen. 3:15; Ex. 3:14-17; 6:2-8; Matt. 1:21; 4:17; 16:21-26; 27:22 to 28:6; Luke 1:68-69; 2:28-32; John 1:11-14, 29; 3:3-21, 36; 5:24; 10:9, 28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Rom. 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18, 29-39; 10:9-10, 13; 13:11-14; 1 Cor. 1:18, 30; 6:19-20; 15:10; 2 Cor. 5:17-20; Gal. 2:20; 3:13; 5:22-25; 6:15; Eph. 1:7; 2:8-22; 4:11-16; Phil. 2:12-13; Col. 1:9-22; 3:1ff.; 1 Thess. 5:23-24; 2 Tim. 1:12;

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

Gen. 12:1-3; Ex. 19:5-8; 1 Sam. 8:4-7, 19-22; Isa. 5:1-7; Jer. 31:31 ff., Matt. 16:18-19; 21:28-45; 24:22, 31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45, 65; 10:27-29; 15:16; 17:6, 12, 17-18; Acts 20:32; Rom. 5:9-10; 8:28-39; 10:12-15; 11:5-7, 26-36; 1 Cor. 1:1-2; 15:24-28; Eph. 1:4-23; 2:1-10; 3:1-11; Col. 1:12-14; 2 Thess. 2:13-14; 2 Tim. 1:12; 2:10, 19; Heb. 11:39-12:2; 1 Peter 1:2-5, 13; 2:4-10; 1 John 1:7-9, 2:19; 3:2

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all ages.

Matt. 16:15-19; 18:15-20; Acts 2:41-42, 47; 5:11-14; 6:3-6; 13:1-3; 14:23, 27; 15:1-30; 16:5; 20:28; Rom. 1:7; 1 Cor. 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Eph. 1:22-23; 2:19-22; 3:8-11, 21; 5:22-32; Phil. 1:1; Col. 1:18; 1 Tim. 3:1-15; 4:14; 1 Peter 5:1-4; Rev. 2-3; 21:2-3

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son,

and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matt. 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; Acts 20:7; Rom. 6:3-5; 1 Cor. 10:16, 21; 11:23-39; Col. 2:12

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

Ex. 20:8-11; Matt. 12:1-12; 28:1ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3, 33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; 1 Cor. 16:1-2; Col. 2:16; 3:16; Rev. 1:10

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Gen. 1:1; Isa. 9:6-7; Jer. 23:5-6; Matt. 3:2; 4:8-10, 23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Rom. 5:17; 8:19; 1 Cor. 15:24-28; Col. 1:13; Heb. 11:10, 16; 12:28; 1 Peter 2:4-10; 4:13; Rev. 1:6, 9; 5:10; 11:15; 21:22

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified

bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isa. 2:4; 11:9; Matt. 16:27; 18:8-9; 19:28; 24:27, 30, 36, 44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40, 48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Rom. 14:10; 1 Cor. 4:5, 15:24-28, 35-58; 2 Cor. 5:10; Phil. 3:20-21; Col. 1:5; 3:4; 1 Thess. 4:14-18, 5:1ff.; 2 Thess. 1:7ff.; 2; 1 Tim. 6:14; 2 Tim. 4:1, 8; Titus 2:13; Heb. 9:27-28; James 5:8; 2 Peter 3:7ff.; 1 John 2:28; 3:2; Jude 14; Rev. 1:18; 3:11; 20:1 to 22:13

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

Gen. 12:1-3; Ex. 19:5-6; Isa. 6:1-8; Matt. 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8, 16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Rom. 10:13-15; Eph. 3:1-11; 1 Thess. 1:8; 2 Tim. 4:5; Heb. 2:1-3; 11:39 to 12:2; 1 Peter 2:4-10; Rev. 22:17

XII. EDUCATION

The cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deut. 4:1, 5, 9, 14; 6:1-10; 31:12-13; Neh. 8:1-8; Job 28:28; Psalm 19:7ff.; 119:11; Prov. 3:13ff.; 4:1-10; 8:1-7, 11; 15:14; Eccl. 7:9; Matt. 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Cor. 1:18-31; Eph. 4:11-16; Phil. 4:8; Col. 2:3, 8-9; 1 Tim. 1:3-7; 2 Tim. 2:15; 3:14-17; Heb. 5:12 to 6:3; James 1:5; 3:17

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to

Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Gen. 14:20; Lev. 27:30-32; Deut. 8:18; Mal. 3:8-12; Matt. 6:1-4, 19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21, 42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Rom. 6:6-22; 12:1-2; 1 Cor. 4:1-2; 6:19-20; 12; 16:1-4; 2 Cor. 8-9; 12:15; Phil. 4:10-19; 1 Peter 1:18-19

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Ex. 17:12; 18:17ff.; Judg. 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Neh. 4; 8:1-5; Matt. 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-37; 13:2-3; 15:1-35; 1 Cor. 1:10-17; 3:5-15; 12; 2 Cor. 8-9; Gal. 1:6-10; Eph. 4:1-16; Phil. 1:15-18

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to

provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Ex. 20:3-17; Lev. 6:2-5; Deut. 10:12, 27:17; Psalm 101:5; Mic. 6:8; Zech. 8:16; Matt. 5:13-16, 43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Rom. 12-14; 1 Cor. 5:9-10; 6:1-7; 7:20-24; 10:23 to 11:1; Gal. 3:26-28; Eph. 6:5-9; Col. 3:12-17; 1 Thess. 3:12; Philemon; James 1:27; 2:8

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

Isa. 2:4; Matt. 5:9, 38-48; 6:33; 26:52; Luke 22:36, 38; Rom. 12:18-19; 13:1-7; 14:19; Heb. 12:14; James 4:1-2

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or domination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

**RECOMMENDATION 1:
1986 ARKANSAS BAPTIST STATE CONVENTION BUDGET**

Ferrell Morgan, president, Executive Board of the Arkansas Baptist State Convention moved the adoption of the 1986 Budget as recommended (see page 68).

I. State Programs	\$ 7,269,150
II. Southern Baptist Convention	<u>4,980,850</u>
	\$12,250,000

Motion passed.

RECOMMENDATION 2: "TUITION EQUALIZATION SCHOLARSHIPS"

One of the most important things the 1,269 churches of the Arkansas Baptist State Convention could do for Ouachita Baptist University and Southern Baptist College would be to adopt a program of "Tuition Equalization Scholarships" to give their high school seniors a genuine free choice in attending Ouachita Baptist University or Southern Baptist College on an equal basis with one of the state colleges in Arkansas.

This would demonstrate the commitment of Arkansas Baptists to Christian higher education in one of the most effective ways possible.

The Executive Board of the Arkansas Baptist State Convention, in view of the growing importance of local church support in special ways for our Baptist colleges, propose the following recommendation to the Arkansas Baptist State Convention.

In the Centennial Year of Arkansas Baptists' commitment to Christian higher education through Ouachita Baptist University, and in the 45th year for Southern Baptist College, we urge our churches and their individual members to reaffirm their support for the following goal adopted by the Arkansas Baptist State Convention in 1976:

1. Increase Cooperative Program giving to all Arkansas Baptist causes, including Christian higher education, with a resulting continuation and improvement of the annual rate of increase (10%) experienced in recent years.
2. Encourage churches and individuals to continue and improve the level of "over and above" gifts to special causes within Christian higher education, such as church scholarships for worthy young people from their congregations.

We especially recommend that churches establish annual scholarships to make possible for their young people to attend Ouachita Baptist University and Southern Baptist College, and that these two institutions assist the churches in determining appropriate ways to establish and administer such scholarships.

Ferrell Morgan moved for the adoption of Recommendation 2. Motion passed.

RECOMMENDATION 3: ANNUITY AMENDMENT — TRANSFER OF ACCUMULATIONS

BE IT RESOLVED that the Arkansas Baptist State Convention hereby authorizes the adoption of the Transfer of Accumulations Amendment to the Church Annuity Plan, effective July 1, 1985, to permit members to transfer once each month certain accumulations invested in the Fixed, Balanced, Short-Term or Variable Fund to any other of these four funds.

Ferrell Morgan moved for the adoption of Recommendation 3. Motion passed.

RECOMMENDATION 4: ANNUITY AMENDMENT — LUMP SUM PAYMENT OF BENEFITS

BE IT RESOLVED that the Arkansas Baptist State Convention hereby authorizes the adoption of the following amendment to the Southern Baptist Protection Program Church Annuity Plan, effective January 1, 1985 as presented at this meeting:

Notwithstanding any provision hereof to the contrary, if the vested amount credited to a Member's Participant Church Contributions Account at termination of service resulting from contributions made on a member's behalf by the participant church is less than \$3,500, the board may, in its absolute discretion, require the amount so credited to be paid to the member in a lump-sum. If the amount so credited is \$3,500 or more, payment of such amount in a lump-sum shall only be made at the discretion of the board and with the written consent of the member.

Ferrell Morgan moved for the adoption of Recommendation 4. Motion passed.

RECOMMENDATION 5: DAY OF PRAYER — PRISON CHAPELS

The Executive Board recommends that the Arkansas Baptist State Convention churches set aside a Day of Prayer in 1986 for Prison Chapels.

OTHER BOARD ACTIONS

In the August 27 meeting, the Executive Board approved a readjustment in the Ministerial Scholarship Fund guidelines. Beginning with the fall semester, \$30 will be paid per semester hour. A student carrying 11 hours would receive \$330 and students carrying 12 hours and up would receive \$350 maximum. Previously \$24 had been paid per semester hour for less than a full load and the schools consider 12 hours a full load.

The guidelines for the Involuntary Terminated Pastors/Full Time Staff assistance was adjusted by the Executive Board. The convention would no longer need to apprise the terminating church of intentions to provide assistance for the terminated pastor or full-time staff member.

MINISTRY

During the first eight months of 1985, the Executive Board staff visited in individual churches 1121 times. The 27 of them conducted 669 conferences and 6,819 of our churches were represented. To do this, they traveled 303,168 miles. You can readily see the vast involvement the Executive Board staff has with our churches.

We are deeply grateful for the confidence expressed both personally and professionally by these invitations to assist the churches. We are furthermore indebted to our Directors of Missions who prepare the way for so many opportunities.

May God be praised for His gracious provisions for us to be "Laborers TOGETHER with Him." (1 Cor. 3:9)

Recommendation No. 2
“TUITION EQUALIZATION SCHOLARSHIPS”

One of the most important things the 1269 churches of the Arkansas Baptist State Convention could do for Ouachita Baptist University and Southern Baptist College would be to adopt a program of “Tuition Equalization Scholarships” to give their high school seniors a genuine free choice in attending Ouachita Baptist University or Southern Baptist College on an equal basis with one of the state colleges in Arkansas. This would demonstrate the commitment of Arkansas Baptists to Christian higher education in one of the most effective ways possible.

The Executive Board of the Arkansas Baptist State Convention, in view of the growing importance of local church support in special ways for our Baptist colleges, propose the following recommendation to the Arkansas Baptist State Convention:

In the Centennial Year of Arkansas Baptists’ commitment to Christian higher education through Ouachita Baptist University, and in the 45th year for Southern Baptist College, we urge our churches and their individual members to reaffirm their support for the following goal adopted by the Arkansas Baptist State Convention in 1976:

- (1) Increase Cooperative Program giving to all Arkansas Baptist causes, including Christian higher education, with a resulting continuation and improvement of the annual rate of increase (10%) experienced in recent years.
- (2) Encourage churches and individuals to continue and improve the level of “over and above” gifts to special causes within Christian higher education, such as church scholarships for worthy young people from their congregations.

We especially recommend that churches establish annual scholarships to make possible for their young people to attend Ouachita Baptist University and Southern Baptist College, and that these two institutions assist the churches in determining appropriate ways to establish and administer such scholarships.

Recommendation No. 3
ANNUITY AMENDMENT — TRANSFER OF ACCUMULATIONS

BE IT RESOLVED that the Arkansas Baptist State Convention hereby authorizes the adoption of the Transfer of Accumulations Amendment to the Church Annuity Plan, effective July 1, 1985, to permit members to transfer once each month certain accumulations invested in the Fixed, Balanced, Short-Term or Variable Fund to any other of these four funds.

Recommendation No. 4
ANNUITY AMENDMENT — LUMP SUM PAYMENT OF BENEFITS

BE IT RESOLVED that the Arkansas Baptist State Convention hereby authorizes the adoption of the following amendment to the Southern Baptist Protection Program Church Annuity Plan, effective January 1, 1985 as presented at this meeting:

Notwithstanding any provision hereof to the contrary, if the vested amount credited to a Member’s Participant Church Contributions Account at termination of service resulting from contributions made on a member’s behalf by the participant church is less than \$3,500, the board may, in its absolute discretion, require the amount so credited to be paid to the member in a lump-sum. If the amount so credited is \$3,500 or more, payment of such amount in a lump-sum shall only be made at the discretion of the board and with the written consent of the member.

Recommendation No. 5**DAY OF PRAYER — PRISON CHAPELS**

The Executive Board recommends that the Arkansas Baptist State Convention churches set aside a Day of Prayer in 1986 for Prison Chapels.

ANNUITY

James A. Walker, Arkansas Representative

The Annuity Board continues to serve those who serve the Lord. As of June 1, 1985, the Annuity Board administered \$1,562,021,356 in total assets. In 1984 a total of \$36,212,973 was paid in retirement benefits to 14,011 annuitants. Arkansas is home for 422 annuitants.

Arkansas Baptist Churches continue to respond to the retirement and insurance needs of their employees.

- 653 employers provide retirement contributions for 977 employees.
- 429 churches and associations provide medical, life or disability coverage for 729 staff members.
- An increasing number of churches are providing retirement and medical/life benefits for all employees.

During the past 12 months your Annuity Department responded to the needs of our churches with:

- Twenty conferences in associations and churches
- 1906 phone calls
- 1275 letters, not including bulk mail-outs
- 157 office and 184 field consultations on Annuity Board programs

Goals for the next year include:

- 100 new members in the Church Annuity Plan
- Conferences in associations on the new Expanded Church Annuity Plan
- Nine area conferences

At its annual convention in 1984 the Arkansas Baptist State Convention adopted the Expanded Church Annuity Plan. This plan features:

- Increased participation by the church as the members are encouraged to contribute to their retirement programs.
- An annual contribution of \$210 in 1988 for retirement benefits by the state convention to ministerial staff members when churches/members meet certain conditions.
- State Convention contributions for supportive staff members in 1933 when conditions are met by churches and members.
- Increased retirement benefits.

Churches are encouraged to adopt the Expanded Church Annuity Plan in 1986 or 1987 and to increase retirement contributions to qualify for the Convention matching retirement contribution for ministerial staff members beginning in 1988.

ARKANSAS BAPTIST ASSEMBLY

Freddie Pike, Director

The enrollment for the seven weeks of the Arkansas Baptist Assembly was 5,801. Decisions included 308 professions of faith 412 rededications, and 34 commitments to church related vocations. Below are the week by week results:

Week	Enrollment	Professions of Church Related		
		Faith	Vocations	Rededications
1 - June 17-21	780	50	6	64
2 - June 24-28	963	14	0	14
3 - July 1-5	681	65	12	66
4 - July 8-12	830	50	2	66
5 - July 15-19	1070	66	0	93
6 - July 22-26	865	46	12	82
7 - July 29-Aug. 2	612	17	2	27
Totals	5801	308	34	412

This was the 82nd year for the assemblies and the 63rd year for them to be held at the Siloam Springs location.

Our improvements in the physical plant included the construction of a new swimming pool, renovation and addition to the First Aid Station, new volleyball and basketball courts, and enlargement of one of the snack shacks. Future plans call for the building of a prayer garden, renovation of family units and additions to the recreation facilities including a putt putt golf course.

Another major improvement this summer was in compliance to the new dress code which states that "no attire that reaches more than six inches above the middle of the knee cap" can be worn at the Assembly. The campers cooperated (after a few reminders) with the dress code and the atmosphere at camp reflected this modest approach to dress. We feel this is in keeping with our purpose and objectives of the camp and the same dress code will be in effect next year.

Counting all users of the Assembly facilities we ministered to nearly 10,000 campers during the past twelve months. We continue to be grateful to the churches of the Arkansas Baptist State Convention for providing a facility where such meaningful ministry can take place.

BAPTIST STUDENT UNION

Tom J. Logue, Director

Missions & Evangelism

1. Over 300 college students made professions of faith and were baptized in our Southern Baptist churches in Arkansas last year.
2. Over 200 college students went on Spring Break Mission Projects last spring to Mexico, Indiana, Louisiana, Texas, etc.

3. This past summer 42 summer missionaries were appointed and sent out by their own fellow students. Another large group of Arkansas college students was employed for the summer by our Home Mission Board. Each year these students report several hundred professions of faith.

International Students

Baptist Student Unions in Arkansas had the opportunity to minister to over 1500 international students from more than fifty countries who are attending colleges and universities in our state. Over 125 persons attended the International Student Conference, sponsored by our BSU and WMU Departments, in addition to events sponsored by local BSUs on their campuses.

Personnel

James Smalley, BSU Director for the University of Arkansas Medical Sciences campus in Little Rock since 1970, began this fall as Community College Coordinator. He will also assist in the maintenance of all BSU Centers and adjacent houses owned by the convention.

Cathy Whitaker is our Baptist Student Director at North Arkansas Community College in Harrison.

Brenda Cunningham is our new Director for the BSU at Arkansas State University, Beebe Branch.

Denise Moore is serving as BSU Director at Arkansas Baptist College in Little Rock.

Because of the III Century Campaign, we have appointed a record number of workers for 1985-86. New Student-to-Student Workers will be Betsy Adkins, ASU; Sandy Blakely, OBU; Susie Beasley, UAM; Carol Lemon, UALR; Nancy Patterson, UCA; Penny Powell, SAU; Ann Cross, U of A; and Gary Demmitt, SAU-Tech.

Contract Workers will be Donna Eden at Arkansas Tech and Patti Adams at Henderson State University.

BSU Center Construction, etc.

Our beautiful new Baptist Student Center at Southern Arkansas University was completed this summer. This \$150,000 structure has been built by the convention and the churches of Southwest, Liberty, Carey, and Little River Associations.

Thanks

To Arkansas Baptists for their continuing support of Baptist Student work on 27 Arkansas campuses. On half of these, Baptists are the only Christian group at work.

BROTHERHOOD

Neal Guthrie, Director

The Brotherhood Department seeks to instill mission awareness in men and boys through the local church, association and state. Our central task is to teach what Southern Baptists are doing in the way of missions here at home and around the world, and then to get involved in mission support and service.

This year we have seen more units for Baptist men organize and an increase in R.A. Chapters in the churches. This increase is due largely to tireless efforts of pastors, interested laymen, directors and counselors, making sure that a mission organization for men and boys is available.

The organizing of Baptist Men Fellowship has done as much as anything in recent years to excite and mobilize men to use their gifts, skills and talents. Arkansas Baptist men sponsored a world missions rally that drew a packed house for inspiration, information and challenge to the task of AMAR. Three new fellowship groups were organized which now include: Agri-Missions, Aviators, Amateur Radio, Attorneys, Lay Renewal, Pastors, Builders/Construction, Dental/Medical, Disaster Relief, Baptist Men Plus - (handicapped), Educators and Law Enforcement.

Ouachita Baptist University hosted for the second year the Royal Ambassadors' 32nd Annual Congress and Track Meet. R.A.'s came from every part of the state to hear mission speakers, athletes' testimonies, great music and enjoy the OBU pool and gym. Hundreds of awards and trophies were given in track and field events.

Due to later school closings this year R.A. Camps had changes in dates and sites. First, a two day Man and Boy Minicamp, June 14-15, was held at beautiful Camp Paron. June 17-21, Petit Jean Mountain was the site for two tent camps for Older Crusaders, and June 24-28 camp was held at Mills Valley, the new facilities of North Pulaski Baptist Association. On July 14-26 R.A.'s and sponsors traveled to Grayling, Michigan for a second R.A. encampment. Last year's camp saw 12 Michigan boys make professions of faith. Carol Fowler, Director of Missions of the area, has indicated that this year's camp was better and asked that Arkansas continue to sponsor the camp in years to come.

Lay Renewal continues to be a positive movement among the laity. Numbers of lay people are finding God's will for them through experiences in Lay Renewal. One pastor says, "It is possibly the most important and life-changing experience our church has had." This highly motivating event is available through the Brotherhood office and involves the total church in the experience.

Royal Ambassadors will close out the year with their annual Fellowship Luncheon. Coming from all over Arkansas boys will gather for a Saturday filled with fun things to do while learning about missions. The day will include a lunch and a special guest speaker. The date is November 9, which concludes National R.A. Week.

In June two OBU athletes and Neal Guthrie were in Para, Brazil as guests of the state R.A. Mini-Olympics. Thousands of Brazilian boys were there and heard testimonies and enjoyed basketball and swimming demonstrations from the athletes. It was an experience long to be remembered by all involved. AMAR continues to be an important part of Brotherhood work in Arkansas.

It has been a great year for Brotherhood work. Baptist Men, Royal Ambassadors, Renewal, World Mission Conferences, Disaster Relief, Camps, Mission Projects, Conferences, and the list goes on, have helped accomplish the tasks of Mission Education and Mission Action. It is a learn and do organization. The only organization in the church that is specifically designed to do this for men and boys. Sound interesting? Let us help you begin a total Brotherhood ministry in your church.

BUSINESS SERVICES

L. L. Collins, Jr., Director

The function of the Division of Business Services for the Arkansas Baptist State Convention is twofold. The first is to provide support for the Executive Board departments of the Arkansas Baptist State Convention. The second is to be supportive in the total work of Arkansas Baptists. The nature of that support is to be an enabler helping the above to function more efficiently in ministry and to realize the maximum use of the financial resources provided by Southern Baptists of Arkansas.

The main addition to Business Services support last year was the addition of an IBM Systems 36 mainframe computer. We are currently in the process of making it available to every department and training their personnel to operate it. It will provide word processing capabilities and will also enable us to utilize information from the church letters for planning and targeting special groups.

We had two significant retirements. Erlene Bauer, who was with the Convention for 22 years and at the time of her retirement was serving as administrative assistant, was replaced by Darriel Scott, who had been secretary to the Associate Executive Director. Betty Tyler, who had been working part time since last year, retired officially on August 31. She served Arkansas Baptists for 40 years. No one has served the denomination longer. Jan Kelley moved from the Communications Department to secretary to the Associate Executive Director. Cheryl Warren moved from the position of secretary in the Brotherhood Department to Computer Services Coordinator.

Beginning January 1 we began to use an outside cleaning service. Because of this, we did not have to replace Alma Johnson, who retired January 1. We were also able to assign Roger Patrick the additional responsibility of servicing the fleet of automobiles.

Two part-time people have been added to assist in our Communications Department. They work on alternate days and provide switchboard relief. This provides our switchboard operator, Edie Mills, the ability to assist with the responsibility for keeping our mailing lists up-to-date.

It is the continuing commitment of the Division of Business Services to continue to supply the necessary support for the operation of Executive Board programs of Arkansas Baptists while at the same time emphasizing the greater stewardship of the total mission task of the Arkansas Baptist State Convention.

COOPERATIVE PROGRAM

L. L. Collins, Jr., Director

1984 was a good year in spite of the fact that we did not meet the budget. Gifts through the Cooperative Program totaled \$10,374,630. This was a 8.99 percent of the total receipts received by our churches. With a total membership of 466,467, this meant that Arkansas Baptists gave \$22.24 per person through the Cooperative Program.

By way of comparative analysis, according to the 1964 annual members of Arkansas, churches gave \$16,917,823, of which \$1,956,311 was designated for the Cooperative Program. In 1974, receipts totaled \$40,884,034 with \$3,852,118 going to the Cooperative Program. In 1979, receipts totaled \$72,498,482 with Cooperative Program gifts being \$6,515,609. In 1984, receipts totaled \$115,384,710 with \$10,374,630 being designated for the Cooperative Program. This indicates a slight decrease in the percentage of total receipts going to the Cooperative Program over a period of 20 years.

We are entering our fourth budget year in moving toward a 50/50 division of Cooperative Program receipts between Arkansas Baptists and southwide causes. In order for our state causes to have adequate funding, churches must reevaluate their gifts to world missions through the Cooperative Program, with a view to providing some percentage increase.

CAMP PARON

Robert Ferguson, Business Manager

Camp Paron, located 45 miles west of Little Rock, on State Highway 9, consists of 263 acres of beautiful, rolling, forested hills and open grassy area with dormitory type facilities for 210 persons. Situated adjacent to Ouachita National Forest, the setting is ideal for church and convention groups to "come aside from their busy schedules to enjoy the beauty and serenity it affords."

From July 1, 1984 to June 30, 1985, 43 groups have used the facilities with total attendance of 3,746.

Summer youth camp schedules include three weeks of National Baptists, two weeks for Royal Ambassadors, four weeks for Girls in Action, three for local church and associational camps, and eight overnight groups.

The new chapel has lived up to expectations! We have used it for almost a year. The chapel is refreshingly beautiful with exposed structural wooden beams and brilliant glass windows. Many colors stimulate the worship services, and everyone has had praise for the added dimension the chapel gives our camp programs. We invite you to come bring your weekend retreats to Camp Paron. The food is delicious, the facilities are clean and ready for use any season of the year.

We have renovated the water treatment plant and built a new screened pavilion near the activities building this year.

Mr. Bobby Bean is Resident Camp Manager. Information concerning facilities, rates and dates available can be secured by writing or calling Robert Ferguson, 525 West Capitol, Post Office Box 552, Little Rock, Arkansas 72203, (501) 376-4791 in the Arkansas Baptist Building.

CHRISTIAN LIFE COUNCIL

Robert A. Parker, Director

Now in its seventh year of service, the Christian Life Council continues to encourage Arkansas Baptists to put faith into action. In order to be salt and lights of influence in our world the third part of the great commission must not be neglected. "Teaching them to observe all that I commanded you," Matt 28:20a (NASB).

With life becoming more perplexing and challenging each day the Christian Life Council serves as a resource agency in seeking to assist Arkansas Baptists face and deal with contemporary problems. These resources coupled with regular prayerful study of God's word give helpful insight for proper interpretation and action.

While serving as liaison between the Arkansas Baptist State Convention and the Christian Civic Foundation and the Citizens United Against Gambling, time and considerable effort was put forth in soundly defeating the effort to restore casino gambling to the Hot Springs area. The margin of victory was 70 percent - 30 percent. An effort to keep the state lottery off the November 1984 ballot was also successful. Alcohol and other drugs and pornography were other problems the Christian Life Council confronted again this year as in the past.

There was also close association with the Arkansas Baptist Hunger Committee. Further involvement was with the Interfaith Hunger Task Force and the Arkansas Hunger Study Committee. New gains in giving to alleviate domestic and world hunger were again noted this year.

The Director has held conferences and spoken in many camps and churches throughout the state. Regular articles encouraging application of Christian principles to life are written for the Arkansas Baptist Newsmagazine.

A Separation of Church-State Conference was sponsored jointly in late June by the Cooperative Ministries in Christian Life departments. Both black and white pastors and lay people profited in the new examination of the principles of Religious Liberty which have contributed to making our nation great!

CHURCH MUSIC DEPARTMENT

Ervin Keathley, Director

The purpose of the Church Music Department is to assist churches and associations in reaching their goals and strengthening their own ministry through the music they use. We seek to provide leadership training at all levels of church music. We also provide performance opportunities through festivals, camps and other state-wide events.

Our total music enrollment stands at 50,170. This is a decrease of 1 percent over last year and is the first time we have experienced a drop in enrollment.

Some of the year's highlights are listed below.

I. LEADERSHIP TRAINING

1. Associational Music Directors

Twenty associational and district music directors participated in our Key Leader Workshop this spring. This is nearly half and represents almost all those who are not secularly employed. Workshop information was provided for those who could not attend.

2. Volunteer/Part-time Music Leader Workshop

Two workshops were conducted again this year. A third was scheduled, but had to be cancelled. These workshops provide basic music leadership training for song leaders and accompanists.

3. Children's Choir Leader Workshops

Several church and associational workshops were conducted by our Central Training Team and other state approved workers this year. Next year will be the regular time when we schedule a state-wide event for this training.

4. Glorieta and Ridgecrest

We had approximately 125 attending music weeks at the conference centers this summer. Glen Ennes and Peggy Pearson from our department had leadership roles at Glorieta.

II. MUSIC FESTIVALS

1. Youth Choir Festival	19 churches	22 choirs	466 singers
2. Children's Festivals	42 churches	42 choirs	942 singers
3. Handbell Festivals	21 churches	29 choirs	380 ringers
4. Ensemble Jubilee	17 churches	20 ensembles	271 singers

III. MUSIC TOURNAMENTS

1. Associational Tournaments

Fifteen associational music tournaments were conducted in 1985, with a total of 102 participants in six areas of musical competition. This was a good increase over 1984.

2. State Music Tournament

There were 57 entries in the State Tournament, conducted at Geyer Springs. Winners participated in the worship services at Music Arkansas in July.

3. State Vocal Ensemble Jubilee

This event is designed for ensembles smaller than youth choirs and is very competitive. Twenty ensembles participated this year at Geyer Springs.

IV. MUSIC CAMPS

1. Young Musicians Camp

620 fourth, fifth and sixth graders registered this year and 592 of them made it to camp. It was an outstanding four days, as we studied and played

together. Four different musicals were memorized and performed at the close of camp. Fifteen professions of faith were recorded in the decision service, along with 30 rededications and seven others.

2. Music Arkansas

166 youth and adults attended Music Arkansas this year. This is a full week of intensive study with only 2 hours each day for recreation. Both junior high and senior high/adult groups memorized their musicals for the performance on Friday night. One profession of faith was recorded during the week.

V. INSTRUMENTAL MUSIC

1. Pedalpoint Clinics

Greene Co. and Concord associations conducted Pedalpoint Clinics for their pianists and organists this year. Several approved workers are available to train your keyboard musicians.

2. Trombone Choir

At least 17 of the present Music Men play trombone, so Mr. Ennes has organized a trombone choir to add variety to the program of this group.

3. Handbells

An excellent handbell festival was conducted in March and a handbell workshop is scheduled for September 16 at Baring Cross in North Little Rock. A new curriculum piece entitled, **Handbells**, came out in October 1985 and is an excellent resource for handbell choir methods and materials.

4. All State Band

Mr. Ennes is inaugurating a new program in conjunction with the Youth Evangelism Conferences. Auditions will be conducted through the fall and their first performance will be in December.

VI. SUMMER MUSIC MISSIONARIES

Beth Yates from Osceola and Deborah Lacy from Bauxite served well in their roles as music missionaries this summer. They are both recent graduates from Ouachita and served one week in five different churches. They reported good responses in every assignment.

VII. MUSICIANS ON MISSION . . . THAT ALL MAY HEAR

This is the over-arching theme of the music ministry from now until 1990. A meeting to interpret this theme is scheduled at Baring Cross on September 17. We are praying that from this meeting will come a host of musicians to participate in the Kansas/Nebraska revivals next spring and then spread around our nation in years to come.

VIII. CONCLUSION

This is the 45th annual report of the Church Music Department, serving the Lord and the churches of Arkansas since 1941.

DEPARTMENT OF COOPERATIVE MINISTRIES WITH NATIONAL BAPTISTS

Cooperative Ministries with National Baptists in Arkansas is a joint effort of the Home Mission Board, SBC and the Arkansas Baptist State Convention. We seek to relate to National Baptists as brothers and sisters in Christ, and co-workers in various Christian ministries in order that churches and associations may be strengthened and non-Christians brought to a saving faith in Christ.

Four STUDENT SUMMER MISSIONARIES spent 10 weeks in 14 black churches conducting vacation Bible schools, camps and youth programs, enrolling 1375 youth and resulting in 89 professions of faith. (summer 1984)

Twenty-one college students and nine seminary students were assisted with SCHOLARSHIP program funds totaling \$11,285.00 (1984)

BAPTIST STUDENT UNION activities at the University of Arkansas at Pine Bluff, Reverend Franklin Scott, Director, enrolled over 150 students in Bible classes and various Baptist Student Union sponsored activities. Rev. Solomon resigned effective May 31 to assume the pastorate of Indiana Street Baptist Church in Pine Bluff. Rev. Franklin Scott is the new director.

Harold Thomas MINISTERIAL STUDENT from Ouachita Baptist University serves as assistance of the CHAPLAIN at Tucker Intermediate Reformatory where young black first offenders are housed. Eight professions of faith and numerous rededications are registered.

EVANGELISM DEPARTMENT

Clarence Shell, Director

This past year has been a period of great excitement and deep concern in evangelism. We are thrilled that our churches won and baptized 13,276 in 1984. We have deep concern because this is 715 less than we won and baptized in 1983. Our reports show that 192 churches in our state did not baptize one person during the year of 1984. This was nine less in baptismless churches than the year preceding. As evangelism leaders, we are committed to accept the challenge of leading our churches to reach and baptize more people in 1985. Our major objective is to share Christ with every lost person in our state. Our annual goal is to break the all time record of baptisms set in 1950 with 16,367. We are receiving wonderful reports that the fires of evangelism are burning brightly in churches who have committed themselves to the program of personal evangelism.

We are thrilled that God has blessed our Evangelism Department with a full staff. Dr. Glendon Grober has completed one year of service as an associate. After serving 29 years as a missionary in Brazil, he is making a successful transition to the life in Arkansas. Glendon has the responsibility of planning for and promoting Mass Evangelism, Prayer for Spiritual Awakening, Growing and Evangelistic Church, and Golden Age Evangelism. He is also serving as coordinator for the Amazon-Arkansas Partnership Mission. This requires much of his time.

Reverend James Lagrone, former pastor of the Ironton Baptist Church at Little Rock, came to work with us April 15. We are happy to welcome him with his enthusiasm, commitment and desire to reach Arkansas with the Good News. James' major responsibility will be in youth evangelism. He also will direct Lay Evangelism Schools, TELL and WOW training. He will assist in the CWT National Seminars. James is filling the position that was formerly held by Wes Kent. Wes resigned from our department November 2, 1984 to return to Southwestern Seminary.

A very successful Prayer for Spiritual Awakening Seminar was conducted at Camp Paron. A strong attempt was made to train one consultant from each association in our state. Glenn Sheppard from the Home Mission Board led 38 evangelism leaders in a rich experience of growing in prayer. These leaders will be conducting

Prayer for Spiritual Awakening Seminars in their local churches and be available to work with other churches in seminars.

We have set a goal to train 75 leaders each year in National CWT Seminars. This past church year, we trained 23 at Central Baptist Church, Magnolia; 33 at Elmdale Baptist Church, Springdale; and 32 at West View Baptist Church, Paragould. This means that 88 people were certified as witnesses and will become equippers in their local church. They, in turn, will take two apprentices through a 13 week training cycle. This means that 264 people will be going out each week to share Christ as a result of one year of seminars. CWT is fast becoming the greatest God-given process to train lay people who are committed to serious personal witnessing. Each of these people involved in CWT share in a growing process of discipleship. They not only grow, but they have a desire to go and share the Good News of Jesus.

These coming events are planned and dedicated to help strengthen our churches in fulfilling the Lord's Commission:

1. National CWT Seminar — Life Line Baptist Church, Little Rock, October 28-31, 1985.
2. Evangelism Workshop — Camp Paron, December 9-10, 1985. This year we will invite each Director of Missions, Associational Director of Evangelism, Associational Moderator, and Associational Church Training Director. We will share in a double emphasis during the seminar. The first afternoon will be directed toward helping our leaders to conserve the results of evangelism following the Good News America — God Loves You revivals. This will be a cooperative work between Evangelism and Church Training Departments. We will also have a special emphasis on the Good News America Revivals. Alan Jolly, Louisville, Kentucky, who has prepared the total Good News media publicity program, will be speaking to our leaders. Glenn Sheppard, who is leading in the Spiritual Awakening across America will be with us to speak on prayer in revivals.
3. Witness Commitment Day — January 12, 1986 — Each pastor will be challenged to preach on witnessing and call the members to make a commitment to be life-style witnesses. This day will launch a movement to train 1,000,000 Sunday School workers as personal witnesses. This is a cooperative effort between Sunday School, Church Training and Evangelism. Evangelism will call out and challenge the workers. Sunday School will enlist and encourage the workers. Church Training will train them in a module on witnessing. This is probably the greatest cooperative effort ever experienced across the Southern Baptist Convention.
4. State Evangelism Conference — This will be a joint Evangelism Conference January 27-28, 1986 at Immanuel Baptist Church, Little Rock. The Regular and Consolidated National Baptists and Southern Baptists are cooperating in an effort to reach Arkansas with the Good News of Jesus. The theme of the conference will be "Good News America — God Loves You." The Bible teacher will be Dr. Jack Johnson, executive director of Arizona Baptist Convention. Other featured Southern Baptist speakers will be Dr. Robert Hamblin, vice president of the Home Mission Board directing the Evangelism Sec-

tion; Bailey Smith, pastor of First Southern Baptist Church, Del City, Oklahoma; and Angel Martinez, full-time evangelist from Fort Smith, Arkansas. The National Baptist featured speakers are Reverend E. K. Bailey, Dallas, Texas and Dr. Paul Nichols, Richmond, Virginia.

5. National CWT Seminar — Gosnell Baptist Church, Blytheville — March 3-6, 1986.
6. GOOD NEWS AMERICA — GOD LOVES YOU Revivals — March 16-April 6, 1986. This is a nationwide effort to say to the people of America, "God loves you, Southern Baptists love you." Each of our associations in Arkansas will choose the week best for them. Our goal is that each church in Arkansas will participate in the Good News revivals. Associational steering committees have been set up in each association. Leaders have been trained to train others in the People Search/Scripture Distribution. Each church is challenged to search for the lost during the month of October. Every home visited should be presented with the Good News New Testament. We are expecting more people saved than any effort ever produced.
7. Golden Age Evangelism Conferences — 1986
 - May 5 — Springdale First Baptist Church
 - May 6 — North Little Rock First Baptist Church
 - May 8 — Dumas First Baptist Church
8. National CWT Seminar — West Side Baptist Church, El Dorado — May 19-22, 1986.
9. Bi-vocational and Small Church Evangelism Conferences
 - September 8 — Union Avenue Baptist Church, Wynne
 - September 9 — First Baptist Church, Mt. Ida

We have two very capable and committed secretaries who work with us in our de-

partment. Mrs. Margaret Wright is our full-time secretary. She has worked in our department for eight years and is very much aware of our total program. Leah Vocque has come to work with us this year as a half-time secretary. She works basically with Glendon Grober in the Amazon-Arkansas Partnership Mission. Either of these secretaries will be glad to help you or pass the word on to a staff member who will assist you.

It is the consistent desire of your State Evangelism Department staff to plan and promote the concept of total evangelism. Our evangelism philosophy is based upon our Lord's Commission in Matthew 28:19-20. We are commissioned by Jesus to make, mark and mature disciples. Your evangelism staff is committed to this type of evangelism.

MINISTRY OF CRISIS SUPPORT

Glen D. McGriff, Director

A continual sense of gratification is experienced in recognizing the significance of this ministry. The present turmoil in the Southern Baptist Convention relative to forced termination and other stress related factors brought upon church-staff persons is now generally recognized. This provides objective evidence that God was guiding those who led the Arkansas Baptist State Convention to structure this department.

It is evident to the Director that God has blessed and sanctioned both the concept and developmental course of this ministry. While it is considered improper to focus upon statistical information in this report, you should be aware that an ever growing number of persons are availing themselves of this resource. This indicates that this department has established itself as a valuable and vital part of our State Convention program.

Having now concluded five years of developmental and experiential ministry, we look forward to expanding and further implementing the goals and purpose originally adopted. Much is yet to be accomplished in making help more accessible to those who are hurting. We must continue to overcome reluctance in securing support when difficulty arises. There is also the continuing need for the discovery and implementation of preventive ministries.

Your prayer support is earnestly requested and suggestions always welcomed. The Director would delight to hear from any of our Arkansas Baptist constituents concerning approaches or programs supportive of church-staff persons.

STATE MISSIONS

Conway H. Sawyers, Director

Arkansas continues to be the "Land of Mission Opportunity" with each passing day. The immigration of retiring adults and ethnic groups represents a major challenge for our local churches. The Missions Department staff remains committed to being both "helpers" and "catalysts" in trying to meet the mission challenge across the state.

With encouragement from Dr. Don Moore, our Executive Director, and subse-

quent approval of the Operating Committee and State Executive Board, a new associate was added to the department as of July 1, 1985. On this date Jack Washington came "on board" as director of CSM and PACT work. CSM is an acronym for Christian Social Ministries, and PACT stands for Project: of Assistance for Churches in Transition.

We are very excited about Jack's expertise and tract record in these areas and we thank God for leading him to us.

Simultaneous with the adding of the staff member, another change was made. Pete Petty was elected to be the Associate Director of the Missions Department. He now has administrative responsibilities along with the program assignment of Inter-faith Witness and Special Missions Ministries. His former assignment had included all CSM work. We are grateful for Pete's history of good work and look forward to working closely with him in this new relationship.

DIRECT MISSIONS

The department director continues the responsibility of working with the Associational Administration Division of the Home Mission Board and other Southern Baptist Convention entities in providing continuing theological education opportunities and other conferences for associational Directors of Missions who serve in Arkansas.

In-service Guidance and Student Preaching Aid programs are still being offered by Ouachita and Southern Baptist Colleges.

Many Arkansas churches continue to participate in various mission projects in Indiana, including backyard Bible clubs, area surveys, revivals, leadership training, church construction and renovation.

The department director continues to be the coordinator of Disaster Relief for the State Convention.

CSM AND PACT — *Jack Washington*

CSM (Christian Social Ministries) and PACT (Project: of Assistance for Churches in Transition) are the program assignments of Jack Washington. He began his work with the department July 1, 1985.

The Migrant Mission Center in Hope, directed by Missionary Bob Gross, reported 136 professions of faith for 1984.

Bartholomew Migrant Mission Center in Hermitage, directed by Missionary Ariel Hernandez, has reported 167 professions of faith for 1984. The satellite ministry at Lake Village continues. In addition to the work at the Center, visitation and services are conducted on a number of farms.

Kent Dixon, seminary intern who has been serving at Pine Bluff, will complete two years of work in August. He will resume his study program this fall.

LANGUAGE MISSIONS — *Randy Cash*

Language Missions is growing in Arkansas as more and more churches respond to the call to reach language-culture persons for Christ. Presently there are 16 Hispanic works, one American Indian congregation, 20 Deaf ministries, 10 Indochinese works, one Chinese Bible study group, one Filipino department, one Japanese ministry, four Korean works, and three works with Internationals.

Future plans include the establishment of Spanish and American Indian works. These comprise the two largest language-culture groups in the state. We are learning that there are many smaller groups which need to hear the Good News. These groups include: Asian Indians, Saudi Arabians, Assyrians and Europeans. Arkansas is truly becoming a "cosmopolitan" state with an ever increasing ethnic diversity. Arkansas Baptists are responding to the challenges and opportunities this growth affords.

THEOLOGICAL EDUCATION — *Lehman F. Webb*

In May of 1984 the supervision of the Seminary Studies Program (formerly Seminary Satellite), promotion of Seminary Extension work across the state, and direction of Boyce Bible School were combined into the half-time salaried position of Director of Continuing Theological Education. Lehman Webb fills this position.

Boyce Bible School, an extension of Southern Seminary in Louisville, offers courses designed largely for those who have not had college work and may not have finished high school. Boyce meets on Friday nights and Saturdays at the Arkansas Rehabilitation Institute (old Central Baptist Hospital).

Seminary Extension offers two levels of study: one is called Basic, or pre-college level; and the other is College-level courses. Both of these studies are available through Seminary Extension Centers (established and conducted by the Associations) and Independent Study Institute (home study).

Three courses on master's level are offered each spring and fall semester of the Seminary Studies Program. Each course is for two hours credit. Professors from our Seminaries come to Little Rock to teach these courses. Classes meet on Monday at Immanuel Baptist Church.

CHURCH EXTENSION — *Floyd Tidsworth, Jr.*

Fact one: More than a million people are unchurched in Arkansas. Fact two: New churches reach more people faster. Recommended theme for 1986-1990: "Plant Churches: Reach People."

"Good News America" revival goals:

1. Every existing mission have a revival at the regular time.
2. Eighty cultivative mission revivals be conducted June 22-29.

1986-2000 A.D. Accelerate the rate at which we are starting missions to 30 per year. Realize a net gain of 450 Southern Baptist churches by the end of the century.

In the past year:

Forty-three "Target Fields" have been identified where missions are needed.

Nineteen congregations received \$288,000 from the Revolving Loan Fund.

Twelve congregations received \$23,400 in Building Aid Grants.

Church/Missions Site Fund, \$33,500 expended for five sites.

Missions started: 6

Churches constituted: 11

Reactivated churches: 3

Congregations lost: 8

Roy Nix has come on board to serve as Special Projects Coordinator. He is a Mission Service Corps volunteer.

Twelve mission models are making progress toward becoming healthy growing congregations.

Eight New Work Consultants have been trained and are functioning.

CHAPLAINCY MINISTRIES — *Leroy Sisk*

The five full-time chaplains whose salary Arkansas Baptists pay, continue to perform outstanding ministries in institutions across the state. During the past year Chaplain Williams was selected to be the first Chaplain Administrator in the Arkansas Department of Correction. In his new assignment he coordinates and supervises the work of six other chaplains in the department. Under his guidance two new chapel facilities are being built, one at the Women's Unit and the other at the Diagnostic Unit, both in Pine Bluff.

In addition to these full-time chaplains, we now have five college students serving as student interns under the supervision of our full-time chaplains. There is also a seminary chaplain intern serving in the Department of Correction. These men not only help with the on-going program, but at the same time are getting valuable experience and academic credit. We trust they will be spiritually motivated to consider institutional chaplaincy as a career.

There were 314 professions of faith reported by the Chaplains and Chaplain Interns.

SPECIAL MISSIONS MINISTRIES AND INTERFAITH WITNESS — *Pete Petty*

With the addition of a new full-time associate and the change in program assignments, Pete Petty now has only two major areas instead of three. This will enable him to devote more time and effort to these growing challenges.

Twenty-six Student Summer Missionaries were trained in orientation. Most of their supervisors were also present for this training as well as the special sessions for their own "supervisory" role. These fine college students served in migrant centers, local and associational missions, inner city, special missions projects and resort missions. They average reporting more than 50 professions of faith each year.

Interfaith Witness Conferences were held in Mt. Zion and Little River Associations this past year. Both areas had good attendance and representation of churches. There seems to be a growing awareness of the presence of "other faiths" in Arkansas which is creating an increased need for conferences to understand them. Call or contact Pete Petty if you need to plan a conference.

STEWARDSHIP DEPARTMENT — 1985

James A. Walker, Director

Planned Growth in Giving was adopted as a major stewardship emphasis at the 1984 state convention. Planned Growth in Giving is a call to commitment at all levels of Baptist life. Individuals are challenged to increase their percentage giving through

their churches for the next 15 years. Churches are encouraged to increase mission support through associational missions and the Cooperative Program. The Arkansas Baptist State Convention is moving toward a 50/50 division of Cooperative Program funds. The Southern Baptist Convention has targeted a 75 percent goal for home and foreign missions.

Twelve regional Planned Growth in Giving seminars were conducted in 1985. Approximately 25 percent of our churches have received training in regional and associational seminars.

Planned Growth in Giving encourages continued growth in giving and will undergird the goals of Bold Mission Thrust through A.D. 2000.

In addition to Planned Growth in Giving promotion, the department conducted 73 individual or church conferences on stewardship matters. Nine of these were consultations on building fund campaigns.

An annual tax seminar, led by Manfred Holck, Jr., attracted 76 people from 50 churches.

The Department participated in 22 associational stewardship emphases.

Regular mailings went to all the churches. Church treasurers received the Stewardship Newsletter four times.

Two hundred thirty-five churches requested literature from the Stewardship Department. Forty-seven churches used audio visuals from the Stewardship Department.

Missionary-in-Residence Doyne Robertson completed his year with 108 speaking engagements in Arkansas Baptist churches. Ted Stanton, missionary from Argentina, joined the department as a missionary-in-residence on September 1.

Considered Worthy, a salary/benefits survey covering ministerial and supportive staff members, was mailed in July. The survey represents 1262 church positions.

Major events on the Stewardship Department calendar include:

- Continued promotion of Planned Growth in Giving.
- Two tax seminars: February 10, 1986 at Jonesboro, First.
February 11, 1986 at Pine Bluff, First.
- Two Money Management Seminars set for Fort Smith, July 14,
and Little Rock, July 15.
- Nine regional Stewardship/Annuity Conferences (with Brotherhood
and WMU) in September-October:

 - September 16 Bentonville, First Baptist
 - September 18 Mountain Home, First Baptist
 - September 29 Paragould, East Side Baptist
 - September 30 West Memphis, First Baptist
 - October 2 Little Rock, Calvary Baptist

SUNDAY SCHOOL DEPARTMENT

Freddie Pike, Director

The objective of the Sunday School department is to assist Arkansas Baptist churches in discovering, reaching, teaching, winning and developing persons for Christ and church membership.

A gain of 364 in Sunday School enrollment was reported by Arkansas Baptist churches for the 1983-84 church year. The 1984 annual of the Arkansas Baptist State Convention reports a total Sunday School enrollment of 255,377 in 1,266 churches.

The Sunday School department continues to help churches strengthen their Sunday Schools through the associational Sunday School organization. Department personnel assisted 31 associations in 81 projects. These projects included training schools, Vacation Bible School clinics, 8.5 by '85 enlargement campaigns, age-group clinics, growth workshops and on-the-field consultations with associational Sunday School directors.

Thirty-one state and district projects were planned and led by the department:

(1) The annual Weekday Early Education Workshop was held on August 2-3 in Central Church, North Little Rock, with 194 day care, kindergarten and Mother's Day Out directors in attendance from 38 churches and 3 private schools. This workshop is sponsored jointly with the Missions department.

(2) Two 1984 state Sunday School Conventions were held — on September 20-21 in First, Fayetteville and on September 23-24 in South Side, Pine Bluff.

(3) A Pastor/Director Workshop designed for churches with 150 or less enrolled in Sunday School was held on October 26-27 at the Tri-County Association Camp near Wynne.

(4) Four January Bible Study Clinics prepared teachers to teach **Psalms: Songs for Life**. These were held October 29-November 2 in Fort Smith, Pine Bluff, Hot Springs, and Jonesboro.

(5) Four ASSISTeam-Faculty Training Clinics in January prepared associational Sunday School teams to teach the Basic book series and help strengthen their Sunday School organizations.

(6) Twenty-six associational directors of missions were trained at DeGray Lodge on February 26-27 in the DOM As A Growth Agent Workshop.

(7) The state Vacation Bible School Clinic trained 275 people from 38 associations to lead conferences in associational VBS clinics.

(8) Three Growth Spiral Workshops dealt with the mechanics of the Growth Spiral and the principles of Sunday School growth.

(9) The Effective WORKERshop on April 13 offered training in enlisting workers, training new workers and planning a weekly workers' meeting.

(10) Two Small Church Preschool Conferences were held in April. These conferences made pastors and teachers aware of preschool literature for small Sunday Schools and how to use activities to teach Bible truths to preschoolers.

(11) The Key Leader Meeting in late April introduced the 1985-86 Sunday School program to associational Sunday School directors.

(12) The April 23 Church Building Conference helped pastors and building committees with church building needs.

(13) The Youth Curriculum Workshop on April 15-16 helped teachers know how to use youth literature more effectively.

(14) Eight People Search Workshops were held in preparation for the 1986 simultaneous revivals. The workshops gave training in finding and cultivation prospects and in scripture distribution.

Department personnel participated in 13 additional planning and training projects, including department planning retreats and state and Baptist Sunday School Board planning and training projects.

Department personnel assisted 73 churches in 100 local church projects. These included training schools, age-group clinics, 8.5 by '85 enlargement campaigns, literature interpretation clinics and on-the field consultations.

Seventy-six church building consultations were held with 65 churches.

Freddie Pike and Pat Ratton presented Sunday School work to religious education classes at Ouachita Baptist University.

In all the department sponsored and participated in 303 training and planning projects from July, 1984 through July 30, 1985.

Larry Sherman began work on January 1, 1985 as an associate in the department. He serves as coordinator of associational Sunday School development, consultant for youth leadership training and assistant to the director of the Arkansas Baptist Assembly.

Martin Babb left the staff September 1 to accept a position as minister of youth and activities, Calvary Church, Little Rock. He had served as youth consultant for six years.

This is possible through love offerings taken during WMU Annual Meeting in March, gifts from churches, and a budgeted amount. Through August of 1985, 127 missionaries were receiving magazines.

SCHOLARSHIPS: Nancy Cooper Scholarships for the 1985-86 school year in the amount of \$400 each were granted to Lori Webb, Nancy Smith, Pamela McBryde (chosen later as an exchange student and not eligible for the scholarship; John Threet, first alternate, was granted the scholarship), Malisa Eudy, students at OBU, and to Sherry Barr, Laura Henderson and Mary Ann Nash, students at Southern Baptist College. ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

Johnny G. Biggs, Executive Director

“Jimmy” is eight years old. His sister, “Katie”, is five. Their mother didn’t want them any longer . . . and so they were admitted into emergency care with Arkansas Baptists. Jimmy and Katie feel abandoned, angry and afraid. They cry at night. Their houseparent cries with them. Katie asks, “Are you going to throw me away?”

“Are you going to throw me away?” Those words spoken by a five-year old should shock, disturb and distress us. Listen again. What thoughts, what feelings, does she have as she wonders . . . “Are you going to throw me away?”

ARKANSAS BAPTIST HOME FOR CHILDREN. During this past year we provided care and direction for 100 children at the Children’s Home. These young people come with complex needs and many with extreme anger, which has developed out of parental rejection, abuse and uncaring. In addition to nourishment and nurturing, these young people need consistent, planned guidance in dealing with their problems. Of this number, there were 50 new admissions to the home. Our staff was busy with bringing new children into care, discharge planning resulting in 60 children being released, and the daily work of counseling and direction for all of the children in care.

Our staff is dedicated to helping children come to grips with their personal and family problems; to help them grow and develop to realize their full God-given potential and to strengthen family relationships when possible.

SPONSORSHIP. Family Friends, special friends and 387 sponsors from throughout the state added warm, caring enrichment experiences for our young people at the Children's Home. You have provided clothes, allowances, special needs, education needs, religious education needs, summer camp and love. Thanks to each of you.

RELIGIOUS LIFE — ON AND OFF CAMPUS. The Christian message of God's love continues to make our child care ministry distinctive. Twenty of our young people living at the home last year accepted Christ as their personal Savior and joined one of our local Baptist churches. Professions of faith made by nine other children living in one of our off-campus programs made a total of 29 youth who trusted Christ as their Savior. Thanks to camp sponsors, Siloam Springs was a rich, growing experience for many of our youth during the summer. Seven Baptist Student Union summer missionaries made a positive imprint on the lives of our children living at the Children's Home and our Emergency Receiving Homes, and pointed them to a closer relationship with God. Through giving of themselves, they help our staff to communicate to the children God's love and our desire to minister to their needs.

GRADUATES. Three of our young people graduated from high school this year; one young man from our Group Home for Boys after seven years in care, and two girls from the Children's Home. One young lady will attend Ouachita Baptist University in the fall and join our four other students who are enrolled there. Our other two graduates are employed and will begin life on their own. We are proud of these young people and for their response to the opportunities that Arkansas Baptists have made available to them. Presently we have another young man in college and two of our youth have just entered vocational training.

AREA OFFICES. Through our area offices located in Little Rock, Jonesboro, Fayetteville, Harrison and Hope, many families and children were able to receive help and direction with family, marriage and individual problems. Helping to resolve parent-child conflicts and marital difficulties deserves our best effort. These offices responded to 954 referrals, representing services to 5,171 persons, during this reporting year. A major responsibility of these offices is to conduct intake evaluations on children who need care in one of our residential programs.

FOSTER CARE — GROUP HOME CARE. Baptist families from throughout the state joined hands with our agency in providing foster care for 21 children during the year. Many youth need the experience of living as a part of a caring family. Increased activity in foster home recruitment and placement is planned for the coming year. Seven boys received care by living at our Group Home for Boys in Jonesboro. A group of men from First Baptist Church, Jonesboro, continue to provide for the house, utilities and upkeep and the total work of the home is supported by this church.

EMERGENCY RECEIVING HOMES. This ministry by its nature and purpose serves but a temporary emergency need for those from abandonment, physical and sexual abuse. Yet for children such as these, what is more important than the protection, safety and love we give immediately without regard to merit or favor?

May 21, 1985, marked the opening of the Baptist Children's Shelter located in Judsonia. This shelter was developed in cooperation with Calvary Baptist Association and with the support of Little Red River Association. The associations constructed a beautiful home, furnished it, and have continued to help in many ways. In addition to caring for children, there is one apartment to provide emergency care for a battered mother and her children. In the two weeks of the reporting period, three mothers and seven children were served. In our other Emergency Receiving Homes in Little Rock, Sherwood and Camden, 200 abused, neglected and needy children, ages birth to 12 years of age, received care. We are grateful to be "An Arm of the Church Reaching Out" to receive these children.

FINANCES. "Praise God from whom all blessings flow." Because Arkansas Baptists have a deep love for our Lord and a concern for hurting children and families, financial support from the churches continues to be very strong. Direct gifts from 1,051 of our 1,266 churches reached an all-time high this past year of \$404,671.64, which is a 7.8 percent increase over the previous year. In addition, we are grateful for the Cooperative Program support that we receive each month which provides a firm financial floor on which we can build to meet the total needs of our child care ministry. Gifts from individuals showed a marked increase this year. With careful planning, our agency was able to operate within the black for the 18th consecutive year. We are grateful for the 91-year support of Arkansas Baptists who have undergirded our ministry with prayerful and financial support to write this 91-year history of caring.

As we think about a new year and new challenges, we look to our heritage for an image of our future. Our agency was founded on a strong religious conviction that God is best served as we humbly serve our fellow man. The Master himself, in reaching out to those in need, pointed the way with a message that has endured across the centuries: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Thank you, Arkansas Baptists, for caring. Thank you for provision of needs, for food, shelter, for foster homes, emergency homes, the group home, area offices and our Children's Home.

No, "Katie," we will not throw you away.

ARKANSAS BAPTIST FOUNDATION

Harry D. Trulove, President/Treasurer

ANNUAL REPORT TO ARKANSAS BAPTISTS

TELL THE WORD . . . NOW AND FOREVER was the theme for your Foundation work during 1985.

As a result of the commitment of Arkansas Baptists, more people will hear of God's love for years to come. During 1985, assets managed by your Foundation reached \$11,750,000. The income earned from these investments joined hands with the dollars you gave through the Cooperative Program and other special offerings to strengthen

the ministry of Baptists at home and around the world. Income distribution fell into the following categories:

1. Colleges/Universities	38.30%
2. Family and Child Care	18.9%
3. Baptist Student Union	17.45%
4. Cooperative Program	11.15%
5. *Individuals	6.93%
6. Missions	3.36%
7. Miscellaneous	2.12%
8. Churches/Assoc. Camps	1.79%

*(This represents income from deferred gifts. At the death of the donor, surviving spouse or other designated noncharitable income beneficiary, these assets will generate income for the cause selected by the donor.)

Gifts made through your Foundation ranged in size from a few dollars to several thousand dollars. The causes selected by the donors ranged from scholarships to endowed chairs, from ministries to children from broken homes to mission causes at home and around the world. The purpose and design of the agreements were as flexible as the imagination of the individual donor.

In addition to the management of funds, your Foundation staff . . .

- . . . prepared over 450 legal documents for associations, churches, institutions and church staff families.
- . . . averaged leading a Wills or Estate Planning Conference every five days.
- . . . filled orders for over 24,000 pieces of literature.
- . . . provided legal assistance and professional training to the development office staffs of our various Baptist institutions.

In response to this ministry, one person wrote, "I can't believe the amount of time and work you put into helping me with my little estate. If I didn't know better, I would think it was worth a million dollars."

While it is true the amount of dollars represented was not all that much, as far as your Foundation staff was concerned, the estate did represent what the Lord had given to the person and it was important that it be used in the very best way possible to meet personal needs and bring glory to the Lord.

Another quote, "I am grateful Arkansas Baptists have an agency such as the Foundation that can help the person who wishes to plan for the continued use of material possessions after this temporary home has been vacated."

The two above quotes express well the philosophy of the Foundation Board and staff. It is the approach we would like to take with you. Our services are without cost or obligation and, during 1985, the agency returned through investment income more than \$5 for every \$1 the Convention had allocated for the Foundation's operating budget.

From a human standpoint, we can't help but be pleased with the growth you have helped us enjoy. However, when measured against the needs at home and around the world and the opportunities open to Christian stewards, we can't be comfortable with past accomplishments. We must "press on toward the mark of the prize of the high calling of God. . . ." until the day God calls us home.

ARKANSAS BAPTIST HISTORICAL COMMISSION

1607 Utopia Drive, Benton, Arkansas 72105

Bernes K. Selph, Director

Evidence of interest and expansion in our work, this year, is seen in the fact that our resource materials, housed in Riley Library, OBU, are being used more and more. A larger number of patrons have visited our facilities and spent more hours in research than heretofore.

OBU student workers have assisted archivist Deranda R. Granade in microfilming indexing, inventorying, corresponding, shelving and reshelving materials. The Blackmon collection has received special attention this year. All 33 boxes have been inventoried and all but 10 boxes processed. The computerized indexing of Arkansas Baptist materials has begun with the Arkadelphia First Baptist church records. In addition to these items, records of various churches have been received for preservation and some for microfilming.

One disappointing factor has been the decrease in associations response to sending minutes of their year's work to the commission for preservation. One copy is all we request. But this is so important!

By way of report, we urge continued support and assistance in churches microfilming their early church records, collecting books by Baptist authors and Baptist ministers leaving their correspondence, sermons and books to our Baptist archives.

ARKANSAS BAPTIST NEWSMAGAZINE

J. Everett Sneed, Editor

Arkansans have had a Baptist state paper since 1902. The publication has undergone many changes through the years but its chief function remains the same. That is, to provide all Arkansans with trustworthy information in order that they might be responsive participants in their churches and in the denomination.

The new paper was commended in 1903 by the State Convention Publishing Committee as, "An indispensable factor in our denominational life." They urged its use because it showed, "A loving spirit, loyalty to the truth," and was "wisely aggressive . . . constructive and 'hopeful' and 'because it is loyal to those institutions which have

come in response to the prayers, the tears and the toil of our fathers.''' We believe that these same characteristics are true of the Baptist state paper today and are indispensable.

Religious news of local, state and national interest is featured in the **Arkansas Baptist Newsmagazine**. It is our goal to inform the Baptists of our state so that they will be more responsive to the cause of Christ.

The **Arkansas Baptist Newsmagazine** is responsible to the State Convention through the Board of Directors elected by the State Convention. The board, under the leadership of President Lane Strother, a Mountain Home attorney, provides guidance for the editor and staff of the Newsmagazine. The board consists of ministers, journalists, attorneys, businessmen and women and provides a unique resource for the Newsmagazine staff.

The staff assisting Editor Sneed consists of Betty Kennedy, managing editor; Mary Giberson, secretary to the editor; Ann Taylor, bookkeeper and circulation manager; Millie Gill, staff writer and photo-lab technician; and Mark Kelly, reporter.

The Newsmagazine utilized one-year interns for several years but has discontinued this as an annual program. The ABN will continue to utilize seminary students as summer interns, however, as opportunity permits. The use of seminary students working on a Master's Degree program at one of our seminaries has proven advantageous. Although the program has been somewhat curtailed, it will continue to allow seminary students to evaluate interest in Christian journalism on the first-hand basis.

The greatest problem confronting the Newsmagazine continues to be finances, particularly the cost of second-class mailing. The postage required to mail the ABN has increased steadily since 1972, when the cost was less than \$14,000. The estimated cost for postage for 1985 is \$160,000. We have received assurance that postage will not increase before October of this year. But at the time of the writing of this report, it is impossible for us to know what the Congress will do regarding second-class postage.

It appears that second class postage will not increase more than 35 percent. Thus, making it possible for our subscription rates to remain at the present level. We are committed to do everything possible to hold down the cost of the **Arkansas Baptist Newsmagazine**.

Since every Baptist church is totally autonomous, it is essential that we have proper information in order to make the right decision in serving God together. The best instrument for disseminating news and information to Arkansas Baptists is the **Arkansas Baptist Newsmagazine**.

The **Arkansas Baptist Newsmagazine** is thankful for the reception it receives. We express our sincere appreciation to all who encourage churches to place the Newsmagazine in their budget for all resident families. Let's join hands to inform Baptists so that we can respond as God would have us to do.

BAPTIST BOOK STORE
9101 W. Markham, Little Rock, AR 72205 — 501-225-6009

Robert C. Barnett, Manager

The Baptist Book Store in Little Rock, in its 84th year of service is striving continually to grow with the churches and their members — and has projected the image and theme — PARTNERS IN GROWTH. We are constantly seeking out methods of distribution of materials to assist people and churches in their growth effort in new experiences and in gaining new insights.

The earliest beginning of the Baptist Book Store in Little Rock dates back to 1901 and the most recent significant event is the moving of the store location to 9101 W. Markham in order to provide a convenience of driving and shopping for our customers. The new location has over 8,000 square feet of sales floor space and is conveniently located just off I-630 on the corner of John Barrow Road and West Markham near the Baptist Medical Center.

The purpose of the store is to provide merchandise easily available to all people in our area. In doing so, we believe this enables churches and people to be equipped to witness to a world that does not know a SAVIOR, and to provide adequate help for teaching and training in the church, the home and each individual believer.

Through the distribution of catalogs, we seek to inform our customers of many of the materials we have available for them. The Baptist Book Store Catalog is made available in August of each year and the Christmas Catalog is available each October as well as some special emphasis catalogs. Our purpose is to pinpoint areas of need with precise product and service suggestions. These tools, if kept accessible at all times by our customers, will provide the Baptist Book Store an opportunity to become more effective as PARTNERS IN GROWTH with those we serve.

The budgeted anticipated sales for the year beginning October 1, 1985 through September 30, 1986, is \$1,300,000. All orders received by mail and long distance telephone will be shipped from our Baptist Book Store Mail Order Center, 3359 Winbrook, P.O. Box 161121, Memphis, Tennessee 38116.

It should be noted that a significant percent of the Baptist Sunday School Board's earnings through the Baptist Book Store of Little Rock will be invested back into the Arkansas Baptist State Convention by the Sunday School Board.

Dedication in service is our goal and is expressed in our slogan — PARTNERS IN GROWTH.

BAPTIST MEMORIAL HEALTH CARE SYSTEM, INC.

Memphis, Tennessee

Joseph H. Powell, President

This report covers the period May 1984 through April 1985. The statistical portion of the report is for fiscal year 1984.

Baptist Memorial Health Care System, Inc. is the parent body of Baptist Memorial Hospital, Memphis, and seven other affiliate hospitals in Arkansas, Missis-

issippi and Tennessee. It was established with the approval of the Baptist Conventions of Arkansas, Mississippi and Tennessee to provide flexibility needed to give optimum health care in the 1980's and beyond.

The affiliate hospitals are located in Forrest City and Hardy, Arkansas; Booneville, Mississippi; and Covington, Huntingdon, Ripley and Union City, Tennessee.

The Health Care System also has conditional approval from the Mississippi Health Care Commission to build a 100-bed hospital in DeSoto County, just south of Memphis.

Affiliates in the Health Care System made these improvements:

Baptist Memorial Hospital — Booneville opened a new three-story, 66-bed addition which includes a recovery room, waiting room, chapel and business office.

Baptist Memorial Hospital — Tipton expanded to 100 beds with an addition also containing new emergency, critical care, laboratory, pharmacy, business office, physical therapy and respiratory therapy facilities.

Residents in the Hardy, Arkansas area dedicated the new 40-bed Baptist Memorial Hospital — Eastern Ozarks.

Construction began on the new 118-bed Baptist Memorial Hospital — Forrest City overlooking Interstate 40. Completion of the 132,000 square-foot facility is expected in late 1985.

In Memphis, a second Professional Building opened at Baptist Memorial Hospital — East. In addition to offices for physicians, the 93,000 square-foot, four-story unit contains an outpatient cardiac rehabilitation facility, a prepared childbirth classroom and six hotel rooms. A new cardiac catheterization laboratory and six new operating rooms also were added at Baptist Memorial Hospital — East.

A new laundry capable of processing 50,000 pounds of linen in eight hours and meeting the linen needs of six affiliate hospitals opened near Baptist Memorial Hospital — Medical Center. The capacity of the new laundry exceeds the old unit by 50 percent.

To provide better health care for persons living in rural areas, the Health Care System established outreach medical clinics in the Bruceton and Hollow Rock, Tennessee area and in Horseshoe Bend, Arkansas.

At the same time, the Health Care System responded to other changes in health care in a wide range of ways.

Responses included the inauguration of an outpatient diagnostic testing network at Baptist Memorial Hospital Medical Center designed to reduce the length of stay of patients.

To care for the patients in their homes the Health Care System began Home Plus, a home health care service which coordinates visits of skilled personnel to homes of patients and arranges live-in companions, nutritional service, nurse aide care and child care.

Baptist Memorial Hospital, Memphis, developed a joint venture with a group of Baptist Memorial physicians and Southern Health Plan, a subsidiary of Blue Cross and Blue Shield of Memphis, to form HealthMark, a competitive health plan offering employers health care services for their employees at fixed rates.

American Industrial Development Corporation, a subsidiary of the Health Care System, took over management of four Memphis urgent care centers to serve persons enrolled in HealthMark.

Baptist Memorial Hospital, Memphis, introduced to the Mid-South hyperbaric oxygen therapy for treating decompression sickness, carbon monoxide poisoning, gas gangrene, crushed and broken bones, skin grafts, cyanide poisoning and burns.

An EpiCare Center for long term monitoring of epileptic seizures and treating difficult cases of epilepsy also opened at Baptist Memorial Hospital, Memphis.

In the area of research a lymphoplasma pheresis center, one of three in the United States, was established at Baptist Memorial Hospital, Memphis, to explore chemical applications of pheresis in removing cholesterol from the blood and in combatting Crohn's Disease.

While expanding health care services, Baptist Memorial Hospital, Memphis, also received a three-year accreditation from the Joint Commission on Accreditation of Hospitals.

As a community service, affiliates in the Health Care System helped sponsor a health fair which provided free health care screenings to more than 15,000 persons in almost 50 sites in west Tennessee, north Mississippi and eastern Arkansas.

The free health care screenings proved so popular the Health Care System began arranging health fairs for students attending public schools in the Memphis area.

To make the Mid-South more aware of improvements in health care, Baptist Memorial Hospital, Memphis, continued for a second year a weekly 5-minute medical feature, "You and Your Health," as part of the noon news each Wednesday on WREG-TV, Channel 3, the CBS affiliate. The program features hospital and medical staff specialists who describe the latest developments in their fields.

Baptist Memorial Hospital, Memphis, became the first major hospital in the United States to add Christian programs to the television menu of patients. American Christian Television System (ACTS), a unit of the Southern Baptist Radio and Television Commission, beams the programs by satellite.

In the area of continuing education, Baptist Memorial Hospital, Memphis, offered 33 programs of regional and national interest, attracting 3,275 persons.

The Department of Religion at Baptist Memorial Hospital, Memphis, broadened pastoral care to include spiritual counseling as members of psychiatric and rehabilitation teams. At the same time it's visiting hostess program was making 53,388 visits to patients.

Administrative changes include the promotion of two administrative assistants, M. F. Harris and Delores Moyer, to assistant vice president. Ms. Moyer also assumes new duties as administrator of Baptist Memorial Hospital, Regional Rehabilitation Center.

William Torrence, Jr., was named administrator of Baptist Memorial Hospital — Lauderdale, Ripley, Tennessee.

Dr. W. Fred Kendall, II, of Nashville, Tennessee, was re-elected as chairman of the Board of Trustees of the Health Care System.

At Baptist Memorial Hospital, Memphis, Dr. Morris Ray, neurosurgeon, became president of the 1,090 member Medical Staff with Dr. Myron Lewis as chief of staff and Mr. Rodney Elliott as deputy chief of staff.

Personnel of the Health Care System were recognized in major ways:

Joseph H. Powell, president, was elected for a four-year term to the 21-member board of trustees of the American Hospital Association. As trustee of the 7,000 member trade organization he helps set national health care policy.

Charles R. Baker, senior vice president of Baptist Memorial Hospital, Memphis, served as chairman of the board of the 3,000-member Tennessee Hospital Association.

Stephen C. Reynolds, vice president of Baptist Memorial Hospital, Memphis received fellowship status in the American College of Hospital Administrators.

CHRISTIAN CIVIC FOUNDATION OF ARKANSAS, INC.**410 Medical Arts Building - 1120 Marshall Street****Little Rock, Arkansas 72202***John Finn, Executive Director*

The following is a report of activities of our staff in discharging the responsibilities assigned to the Christian Civic Foundation in the subjects of alcohol, other drugs, gambling and pornography.

Alcohol-Narcotics Education Program. Responses to the Freeway Program during the 1983-84 school year were very encouraging. Our drug educators were enthusiastically received in the schools and churches throughout the state. This is a very effective preventive program.

We regret that lack of funds to continue the program effectively made it necessary for Jeanne Richards, the Freeway Director, to resign effective July 1, 1985. We are not discouraged, however. Jeanne built a sound foundation for the Freeway program, and we cannot let it die simply for lack of funds. We are confident that current fund-raising efforts will enable us to schedule Freeway in the schools for the spring term (after January 1), and to underwrite a strong Freeway Program for the future.

Private Club Suit. We are still awaiting a decision from the judge in the suit filed by a Lawrence County group against Act 132 of 1969. Mr. Frank Lady, their attorney, made an excellent presentation on behalf of the citizens in dry counties. The hearing ended over a year ago, but for some reason the judge has not chosen to render a verdict. In the meantime, these clubs continue to operate in defiance of the wishes of the citizens of 43 dry counties of Arkansas.

The Christian Citizen (newsletter). Our cash flow problem has also prevented us from publishing our newsletter during 1985. We hope to resume publishing the newsletter this fall.

Pornography. We are continuing strong, vigorous fight to stem the flow of pornography in our state. We have received numerous calls from over the state from citizens seeking assistance in fighting this plague in their communities. We have prepared a guidebook for the purpose, entitled "The Smut Busters' Guidebook" and a companion booklet on picketing. These will be distributed to citizens groups fighting this problem in their communities, similar to the way our Local Option Handbook is used.

Gambling. We worked closely with Citizens United Against Gambling in the defeat of this issue on the November General Election. Be assured, the issue is not dead, however. We can expect this issue to emerge at every legislative session, along with lotteries, bingo and other forms of gambling. Gambling proponents never give up, and neither can we.

Finances. The following statement of income and disbursements for the period of January 1, 1985, to September 1, 1985, will indicate the important roll the Arkansas Baptist State Convention, its associations and churches play in the life of the Christian Civic Foundation.

OUACHITA BAPTIST UNIVERSITY**Arkadelphia, Arkansas***Daniel R. Grant, President*

In the fall of 1985 the annual report of Ouachita Baptist University is not "just another report." It takes on special meaning because it is the beginning of Ouachita's 100th year of service to Arkansas Baptists. In recognition of this special time the Arkansas Baptist State Convention voted to hold its annual meeting on the Ouachita campus, November 18-20, 1985. It is a time of celebration, rejoicing and thanksgiving. It should also be a time of reflection, taking inventory, rededication and looking ahead to challenging new goals and plans for Christian higher education.

During this remarkable time in the life of Ouachita and Arkansas Baptists, I hope you will permit me as president to make this a more personal report. I am deeply grateful for the many good things you have helped to make possible at Ouachita since my responsibilities as president began in 1970. It might be well to remember that in 1970 Ouachita was experiencing sharply declining enrollment, had a \$200,000 operating deficit in the preceding year, and a similar deficit projected for the 1970 fiscal year. Still more critical, disharmony and disunity among Arkansas Baptists seemed likely to weaken all Convention ministries, including support of Christian higher education. Ouachita's needs were legion, with campus buildings and grounds in a serious state of inadequacy and disrepair and faculty salaries far below the level of Arkansas' state colleges and universities and well below most of the private colleges in the state. A special visit from the regional accrediting association was scheduled to investigate internal governance and relations with the denomination, and faculty and staff morale has become a serious problem.

It has been my special privilege to watch Ouachita grow stronger in all areas of need — physical plant, financial support, faculty and staff quality, commitment to Christian excellence and relationships with Arkansas Baptist churches and their leadership. It is significant that the slogan for Ouachita's Centennial Celebration (Academic and Christian Excellence: Our Tradition — Our Vision) stresses the dual mission of Ouachita that has grown increasingly strong during its first century, and especially in recent years. Occasionally it is worthwhile to take inventory of the changes, innovations and programs that have contributed to this new strength. Space limitations permit only a listing of some of them.

WATCHING OUACHITA GROW STRONGER IN CHRISTIAN EXCELLENCE

1. The Missionary-in-Residence Program was established, bringing one or two outstanding furloughing missionary families each year to live in the former "Carter Home" on the edge of the Ouachita campus, providing a unique world missions emphasis within the Ouachita faculty and student community. Ouachita now consistently ranks in the top three or four colleges and universities in the nation (public or private) in producing new Southern Baptist missionaries.
2. The Japan Exchange Program with Seinan Gakuin University (founded by Southern Baptist missionaries), in Fukuoka, was established to provide a two-way opportunity for Christian witnessing and education with an interna-

tional dimension. More than 30 Ouachita students have studied in Japan because of this program, with an equal number of Japanese students coming to Ouachita.

3. A second international exchange program was begun more recently, this one between Ouachita and the Nigerian Baptist Convention and its seminary in Ogbomosho. Each year two Ouachita students, considering a career in missions, study at the Nigerian Baptist Seminary and serve as interns in the headquarters of the Nigerian Baptist Convention. Two Nigerian students, pastors committed to returning for Christian service in their country, come to Ouachita to further their study.
4. Under the leadership of Baptist Student Union director Mark Baber, and several strong predecessors, the Student Religious Activities Program at Ouachita has become one of the best in the country. This manifests itself in a variety of opportunities for Christian growth and missions experiences for students and faculty; an increasing number of student groups engaged in Christian witnessing on and off campus through music, drama, preaching and lay witnessing; an outstanding Christian Focus Week with administrative support for reaching the entire campus; and a remarkably comprehensive approach toward "40 ways to be involved in the OBU-BSU" through Christian service and training.
5. An increasing number of faculty members have been employed who have a strong sense of Christian call to find creative ways of relating their academic discipline to unique opportunities for Christian witness and service. Three of the most recent examples of heads of such programs are Dr. Alton Crawley (computer science), Dr. Roy Buckelew (speech and drama), and Dr. Marion G. (Bud) Fray (religion).
6. Ouachita gives unequivocal and unapologetic support for required chapel and required courses in Old Testament and New Testament for all students, at a time when all state colleges and many church-related colleges have abandoned such requirements as either constitutionally not permitted or as "going against the trend of popular opinion."
7. Ouachita has continued to give clear support for the "in loco parentis" (substitute parent) policy concerning student life when most colleges and universities have followed the popular trend to abandon it. Ouachita has held the line against the trend toward coed dorms, inter-visitation rules, and the acceptance of alcoholic beverages and other drugs as inevitable among American young people. Ouachita has worked hard to provide living conditions for young people that are a realistic transition between the standards and protections of the Christian home and the stark secular freedom of the world of work.
8. A stronger program has been developed for educating and training students committed to church-related vocations. Both the substance and the status of this program have improved not only academically but in practical relationship to Arkansas' churches and their leadership. The outstanding traditions of the OBU "Contact!" teams, Christian drama groups and Christian music

groups, are just a part of this program. The establishment of the Center for Christian Ministries under the direction of Dr. Marion G. (Bud) Fray is clearly the beginning of a new era of excellence for Ouachita in training for Christian service.

9. Ouachita has become an even stronger instrument of financial assistance to students with special denominational relationships. During the 1984-85 year this included 115 ministerial students, 108 PKs (“preachers’ kids”), 35 MKs (“missionaries’ kids”), eight international students recommended by Southern Baptist missions, and five from the Arkansas Baptist Children’s Home.
10. One small but significant new tradition illustrates the growth of closer relationships between Ouachita and Baptist leadership at the grass roots: the annual banquet honoring all Arkansas Directors of Association Missions, at which Ouachita recognizes one chosen as the Director of Missions of the Year.
11. Ouachita has become more committed — and more capable — for serving the churches and the denomination as a unique conference/retreat/resource center, in increasingly diversified ways. Just a few examples are: the Baptist Young Musicians Camp; Music Arkansas for Baptist adults and young people; MasterLife and MasterBuilder training; Conference on Senior Adult Ministry; Youth Choir Day (now “VENTURE!”); WMU Executive Board Retreat; Super Summer Arkansas (began in 1985); the Statewide Pastors Bible Conference; Layman’s Retreats; Church Youth “Lock-ins” at the OBU Physical Education Center; and Church Youth Saturdays at Evans Student Center. More than \$30 million worth of facilities are put to use in these and other ways at times consistent with OBU’s institutional requirements.

WATCHING OUACHITA GROW STRONGER IN ACADEMIC EXCELLENCE

1. Ouachita’s faculty has grown stronger in every respect, with the percentage holding doctorates passing the 50 percent mark for the first time in Ouachita’s history.
2. Endowed chairs of instruction have become an increasingly important part of Ouachita’s faculty strength, beginning with the George Young Chair of Business in 1979, and followed by the Betty Burton Peck Chair of English, the Lena Goodwin Trimble Chair of Music, the Clarence and Bennie Sue Anthony Chair of Bible and the Humanities, and the W. O. Vaught Chair of Bible. Seventeen other endowed chairs are known to be pledged in the wills of members of Ouachita’s “Second Century Group,” promising even greater faculty strength in the years ahead.
3. Faculty salaries, fringe benefits, working conditions and other special supports for academic excellence and faculty improvement, have experienced significant progress since 1970. For example, compensation for summer teaching is now provided where this was once required of the faculty without additional pay; two faculty research grants are available on a competitive basis each summer; an increasing number of “Paul and Virginia Henry Academic Enrichment Grants” are now available each year on a competitive basis, to support innovative programs of instruction, field trips, etc., thanks to the generous support of these Ouachita friends in building an endowment for this purpose; financial support for a summer sabbatical program is now bud-

geted each year for four competitively selected faculty members to study, travel and "retool" for better instruction; faculty salaries have increased significantly so that by 1983 they were very close to the comparable colleges and universities in Arkansas, and equal to or better than salaries in Baptist colleges in neighboring states, (although some of these gains have been lost recently with the sharp pay increases at state colleges); and the fringe benefit package has steadily increased from Ouachita's three percent contribution to the faculty member's annuity program to the present level of seven percent, and an increase in Ouachita's share of the health and hospitalization cost from one-half to two-thirds.

4. The Carl Goodson Honors Program for selected students at Ouachita, named in honor of the former vice president for academic affairs, has been steadily strengthened in its role of providing special academic challenges for outstanding students.
5. Ouachita's science program has benefited increasingly from the outstanding work of the water chemistry research program, led by Dr. Joe Nix. The employment of students in this outstanding program of contract research gives invaluable experience to Ouachita young people whose record in graduate and professional schools, the health professions, and in research and teaching, is the envy of other colleges and universities.
6. OBU's Maddox Public Affairs Center, probably best known for its popular "Washington Seminar" Program, is being endowed by Judge and Mrs. Ed Maddox to make possible unusual learning experiences in the field of politics and government. One of the newest additions to Ouachita's quality cluster of special centers is the Institute for Regional Studies, with initial emphasis on "Old Washington" and the history of Arkansas' Red River Region.
7. One of the most remarkable developments to strengthen academic excellence during the past 10 or 15 years has been what some would call the miraculous establishment of the "Joint Education Consortium" to formalize cooperation between Ouachita, neighboring Henderson State University and Arkadelphia's Ross Foundation. Rivalry with the "Reddies" continues just as strong on the athletic fields, but a sensible selection of cooperative projects has sharply increased the library resources available for both institutions, has increased the variety of course offerings to students by making it possible to "crossover" to the other campus when the course is not available on one's own campus, and has increased the number and quality of lectures and concerts by pooling resources in order to bring in outstanding personalities and groups. This effort has brought favorable regional and national recognition to Ouachita. **All of this is done while making certain Ouachita's unique character and purposes are in no way diminished.**
8. Ouachita received in 1980 a full 10-year accreditation of the undergraduate and graduate programs by the North Central Association, with no revisits or special reports required. Continued accreditation was received by the National Council for the Accreditation of Teacher Education and the National Association of Schools of Music.
9. Important new major fields of study have been established, including a

strong multidisciplinary major in communications; family life ministry and church recreation; and computer science.

10. In addition to the JEC—Ross Foundation Lectures, the Birkett Williams Lectures and the J. E. Berry Lectures have been permanently endowed by generous gifts.
11. Ouachita has consistently ranked in the top four or five of all colleges and universities in Arkansas (public and private) in the number of students enrolled who are recipients of the Arkansas Governor's Scholarship. Ouachita regularly ranks even higher in number of students enrolled who are National Merit Scholarship finalists.
12. Ouachita's growing strength in academic excellence has taken place while continuing and improving its tradition of a strong and balanced program of athletics — both intercollegiate and intramural — as shown by winning the Arkansas Intercollegiate Conference "All-Sports Trophy" five times in the last 10 years.

WATCHING OUACHITA GROW STRONGER IN BUILDING AND GROUNDS

1. Dramatic improvements have been made in the Ouachita campus buildings and grounds, following the long-range campus plan approved by the Board of Trustees in 1971: the beautiful and functional four-building megastructure at the heart of the campus (Evans Student Center, 1973; Lile Hall, 1973; Mabee Fine Arts Center, 1975; and McClellan Hall, 1978); a new maintenance building, 1976; the relocation of the campus drive along the riverfront and the ravine, with paved parking lots and a pedestrian bridge across the ravine, 1976; Eddie Blackmon Field House, 1977; acquisition of the Starlight and Lancelot Apartments for married students, 1981; and the new multipurpose gymnasium and physical education center (OPEC), 1983.
2. Equally improvement with new construction have been the additions to, and renovation of, existing buildings and facilities: the air-conditioning and extensive modernization of Moses-Provine Science Center, with the final phase still to be completed; purchase and remodeling of the Hobgood property for the Home Economics Department; the expansion and improvement of the Freeman-Dunklin Tennis Center; air-conditioning and renovation of Terral Moore, Cone-Bottoms, and Mitchell Halls; the gift to Ouachita of a beautiful new president's home by three anonymous donors; construction within Lile Hall of a unique computer center serving both academic and administrative needs; expansion of A. U. Williams Football Stadium with a 1,000-seat addition and press box; acquisition of land for additional parking lots including the Porter property south of Flenniken Hall, several lots south of Mitchell Hall, the Williams property south of the Home Economics House, and the McMillan property west of Blake Hall; and the gift of the T. V. Sharp property near DeSoto Bluff.

WATCHING OUACHITA GROW STRONGER IN FINANCE AND ADMINISTRATION

All of these improvements would have been impossible without dramatic new progress in financial strength for Ouachita:

1. Growth of Ouachita's endowment funds from less than two million dollars to eight million dollars.
2. Growth of annual Cooperative Program support from \$456,420 to \$1,852,102.
3. Special endowment funds for the maintenance of two buildings — O. C. Bailey Dormitory and J. E. Berry Chapel and Bible Building.
4. Several outstanding new endowed scholarships, including four for \$100,000 or more since 1983 (the L. J. "Dutch" Funderburk Scholarship for ministerial students, the Blanche Jones Scholarship in music, the John William Henderson Scholarship for students preparing for the ministry or for a teaching career, and the Frank Hickingbotham Scholarship for students preparing for full-time professional Christian service.
5. Ouachita operated "in the black" every year except one, between 1970 and 1985, a tradition that would be impossible without the strong support of the Arkansas Baptist State Convention and the growing strength of Ouachita's development program. This program was given a strong start by Dr. Ben Elrod from 1970 to 1978, was strengthened with the establishment of a deferred gifts and estate planning program by Lloyd Cloud in 1978, and continues to be strengthened under the able leadership of Roger Harrod. Since 1970 Ouachita has had remarkable support from the Mabee Foundation of Tulsa, Oklahoma (three gifts totaling \$1,300,000), and from the Kresge Foundation of Troy, Michigan (three gifts totaling \$400,000). The Ross Foundation of Arkadelphia, through the generous support of philanthropist Jane Ross, has made individual gifts to Ouachita, and gifts to Ouachita and Henderson through the Joint Educational Consortium totaling well over \$1,000,000 since 1970.

Ouachita's administrative staff, remaining in service often at personal sacrifice as the world views it, has come to be second to none among comparable and much larger colleges and universities. The tradition of Christian excellence is illustrated very well by the members of the Administrative Council: Tom Turner, Vice President for Academic Affairs; Ed Coulter, Vice President for Administration; Roger Harrod, Vice President for Development; Bill Dixon, Dean of Students; Charles Chambliss, Dean of the Graduate School; Charles Wright, Dean of the School of Music; and Joe Franz, Business Manager. Other key administrative staff members join them in establishing an enviable record of commitment and leadership for Ouachita and for the Baptist churches in the Arkadelphia area.

Long-range planning has come to be an important tradition at Ouachita, illustrated by the 1975 adoption of 10 comprehensive "Centennial Decade Goals for Ouachita." Planning is viewed as a continuous process, to be changed as conditions require, and not simply as the adoption of rigid goals and objectives that must be followed blindly. Planning for Ouachita grows out of a strong sense of Christian obligation to be good stewards of the minds that God has given us. Vision, a common sense of purpose, and a strong effort to anticipate obstacles as well as opportunities, have become integral parts of day-to-day administration at Ouachita Baptist University.

ACADEMIC AND CHRISTIAN EXCELLENCE:
OUACHITA'S TRADITION — OUACHITA'S VISION

The pervasive theme selected for Ouachita's Centennial celebration includes a look backward with pardonable pride and, even more important, a strong look into the future at the challenges and opportunities for even greater Christian service. At the risk of falling into the trap of boastfulness, it is still important to take the big-picture view of some of the outstanding achievements of Arkansas Baptists through a century of supporting Christian higher education at Ouachita. There have been more than 11,000 graduates with many more thousands of former students. The average number of persons earning Ouachita degrees each year has increased with each decade in Ouachita's 100-year history:

	Average Per Year
1886-1889	8.0
1890-1899	11.9
1900-1909	23.9
1910-1919	36.9
1920-1929	49.4
1930-1939	58.3
1940-1949	87.5
1950-1959	126.4
1960-1969	228.0
1970-1979	322.1
1980-1985	347.7

Ouachita's alumni include 1,400 in church-related professions with 750 in pastoral ministry, 210 missionaries, and 10 executive directors of various state Baptist conventions. More than 560 Ouachita graduates have been faculty or staff members of American colleges and universities, with at least 15 serving as presidents and many more as deans or vice presidents. Many Ouachita graduates are now serving as professors or deans of our six Southern Baptist seminaries. More than 700 Ouachita graduates and thousands of former students have worked in business and industry, and the professions of law, medicine, dentistry and public school teaching all have strong Ouachita representation. One study of Ouachita graduates revealed that 45 have held elected political office, with three of them serving as governors. All in all, it is an impressive record of contribution to Christian leadership in the region by a relatively small Baptist college — more recently a Baptist university. Arkansas Baptists can be justly proud of the first century of Ouachita Baptist University.

Lest we forget, the future is far more important than the past. Our great tradition must be inspired by bold vision. Second century planning for Ouachita is the watchword for the faculty and administrative staff during the Centennial year. Although Ouachita is stronger today than at any other time in her one hundred years of history, Ouachita needs the help of Arkansas Baptists even more than ever before. The reasons for this are simple — the forces of secularism in our society are greater than ever before, and the obstacles and serious pressures facing the Christian college are more severe and frustrating than ever before in history. The "tuition gap" between the state college and the Christian college poses a difficult temptation for Christian parents and their young people in making the decision on where to pursue a college education. The

end of the “baby boom” has now brought an end to the college enrollment boom, with a corresponding serious decrease in tuition income. Ouachita’s enrollment leveled off in the 1984-85 year with a fall count of 1401, and a non-duplicating enrollment of 1881. Arkansas Baptists need more than ever before to strengthen their commitment to Ouachita in sacrificial support, both through Cooperative Program gifts and “over and above” contributions.

Our state, and our nation and world, need Christian education now more than ever before. As we thank God for the contributions of Ouachita Baptist University for 100 years, we all need to move to a new level of commitment and rededication as we literally become the founding fathers and mothers of an even greater second century for Ouachita.

SOUTHERN BAPTIST COLLEGE

Walnut Ridge, Arkansas

D. Jack Nicholas, President

The 1984-85 academic year was an exciting and eventful one for Southern Baptist College. It was a year of transition from two-year to four-year status, a year when Southern Baptist College began to assume a new dimension of service to Arkansas Baptists. During the year, SBC had her first class of juniors as the initial phase of the new baccalaureate programs was implemented.

Enrollment

The fall enrollment headcount reached 477 — the highest level in 15 years. These 477 students came to Southern Baptist College from 12 states and 2 foreign countries. Accounting for that increase in enrollment was a significantly higher number of returning students and transfer students.

While the headcount enrollment showed a healthy increase, the full-time equivalent enrollment was up even more dramatically — 13 percent over the fall of 1983-84.

The Junior Class

During the fall semester of 1984, there were 38 juniors enrolled. Twenty-seven of these were enrolled in the Christian Ministries degree program. In the spring of 1985, 45 students were classified as juniors, with 33 enrolled in the Christian Ministries degree program.

There has been considerable enthusiasm over the quality of the students enrolled in the bachelor’s degree program. According to the Academic Dean and the professors teaching at that level, student performance by the new class of juniors has been commendable. We are also impressed by the deep Christian commitment and the earnest zeal of these young men and women preparing for Christian ministry.

Academic Developments

The 1984-85 academic year saw the implementation of a part of the planning that has been taking place over the last several years. During that period, ten new courses were added to the curriculum to support the new baccalaureate degree in Christian Ministries and related minor concentrations. Two of the new courses were data proc-

essing courses making possible the offering of an Associate in Science degree in Business and Data Processing.

The quality of the faculty continues to improve each year. In seeking new professors, careful attention is given both to high academic preparation and deep Christian commitment. The college is simultaneously building a faculty both more competent professionally and more deeply dedicated spiritually. During the past academic year, two professors — Dr. Keith Rosenbaum in Psychology and Dr. Steve Lemke in Religion — completed requirements for their doctoral degrees. One faculty member, Mr. Steve Corder, is on leave of absence completing a Ph.D. in Business. Two of the individuals who have been employed for the 1985-86 academic year have completed all residence requirements for Ph.D.'s and expect the degrees to be conferred within six to eighteen months.

The Felix Goodson Library and the Learning Center continue to provide excellent support for the academic programs. Over 3,100 volumes and 4,500 government documents were added to the library holdings this year bringing the grand total of holdings and volumes to 60,625. A significant addition to the Felix Goodson Library during the last academic year was establishment of a Southern Baptist Convention Curriculum Laboratory. The Curriculum Lab, a cooperative project of the college, the Sunday School Board, the Women's Missionary Union and the Brotherhood Commission, is a comprehensive collection of denominational materials and will be extremely beneficial to the new degree in Christian Ministries as well as to leaders in the churches of the area.

Financial Condition

SBC operated in the black again in 1984-85. As of the time of this writing, it appears that the college will operate for that academic year with a surplus of from \$7,000 to \$9,000. This favorable financial situation is due, in large part, to the increase in enrollment which produced more tuition revenue than had been budgeted. Additional indices of the financial health of Southern Baptist College are: (1) effective collections of the accounts receivable producing the lowest accounts receivable figure in 20 years, (2) a remarkably low NDSL default rate of 6.91 as of May 1, 1985, (3) an asset over liabilities in current unrestricted funds ratio of 19 to 1, (4) a healthy current funds cash on hand and investments balance, (5) fixed assets reaching \$8,523,952 and (6) a growing endowment as a result of the New Dimension Campaign.

Student Life

SBC, through its office of Student Development, provides a wide array of services aimed at facilitating student growth outside the classroom. Confronted with the many opportunities for involvement in clubs, organizations and activities, the student finds it necessary to take care that he/she not get so involved and over-extended that his/her academic interests suffer. Year in and year out the most popular clubs and activities are those with religious character and purpose. The students of Southern Baptist College through the local BSU are consistently among the front runners of Arkansas colleges in the number of dollars they raise and the number of volunteers they provide for summer missions. During the 1984-85 academic year, they raised \$5100 for summer missions and World Hunger and furnished 21 students to serve in summer missions. Consider-

ing that Southern is one of the smaller campuses, it is clear that the contributions of SBC students to summer missions are out of proportion to the size of the student body.

Resource Development

The number of individuals who wish to contribute to the support of the ministry of Southern Baptist College continues to grow and SBC has consequently had an outstanding year in gift receipts. Not only has continuing efforts in the New Dimension Campaign brought the total commitments to \$655,824.99, but at the same time unrestricted gifts to the operation of the college reached the highest level in the history of the institution. All of this is possible because 136 individuals give to the college for their first time in 1984-85 yielding a total of 782 different individuals giving to the college during that period.

All of us at Southern Baptist College are humbly grateful that we are able to share with Arkansas Baptists this very positive report of the Lord's gracious blessings upon the institution and its work. We recognize our accountability to Him and to you and are committed to making Southern Baptist College the kind of institution that would exalt the Lord and honor Arkansas Baptists.

We are thrilled that the developments contained in this report provide such a sound foundation upon which to continue building our new baccalaureate degrees. We need and solicit your prayers that we may serve Him faithfully and well.

WORLD HUNGER REPORT

H. E. Williams, Chairman

The year 1985 marks the time that all of the western world became acutely aware of the hunger crisis in the world community. The critical famine which gripped Ethiopia, and other parts of the African continent, caught the attention of the media throughout the world, which resulted in hundreds of millions of dollars being spent to lessen the tragedy of starvation. Both religious and secular communities became involved in the greatest humanitarian effort in history to alleviate suffering.

Despite massive aid programs instituted, more than 15 million people perished during the year, from hunger and related diseases growing out of malnourishment.

Arkansas Baptists greatly increased their participation in ministering to the hungry by increasing their gifts to well over \$200,000 through the Arkansas Baptist State Convention office. The increase was more than 25 percent above the previous year. Likewise our churches increased their assistance to minister to the local poor proportionately.

Arkansas Baptists can take pride in the increased giving to aid the hungry on the part of many of our churches. However, it is a saddening reality to find that only a little over 25 percent of the churches gave anything to world hunger causes. Surely there is at least one person in each church who is aware of the need, and who will lead in getting others to assist in helping with the problem.

Southern Baptists moved ahead impressively to answer the call for hunger-relief funds. Trends established by late summer in gifts over the south, indicates that Southern Baptists will give between \$11,000,000 and \$12,000,000 for this cause in 1985.

One of our smaller churches affiliated with the Arkansas Baptist State Convention, Keo Baptist Church, led the state with gifts of over \$21,000 last year. During recent months, three churches have already contributed well over \$10,000 each.

Churches are urged to design their own response to the hunger problem. A variety of responses are used over the state, and many are proving effective for different situations. Regardless of the methods used, we strongly urge that some church-wide observance of World Hunger Sunday, the second Sunday in October, be held annually.

It should be pointed out again to our people that every penny given to hunger-relief ministries through the Home and Foreign Mission Boards, goes to relieve human suffering in our world. Not even the cost of postage and exchange is taken out. Possibly no other agency ministering to world hunger can boast such a record. Also, it should be made known that Southern Baptists have over 3,500 missionary personnel over the world to dispense the funds efficiently and without waste and political manipulation.

We have examined the accompanying statement of assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1985 and the related statement of revenue collected, expenditures made, capital additions, and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 of the notes to financial statements, the accompanying financial statements are prepared on the cash basis and, accordingly, they are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements mentioned above present fairly the assets, liabilities and fund balances arising from cash transactions of Arkansas Baptist Family and Child Care Services at December 31, 1985 and the revenue collected and expenditures made during the year then ended, on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

ARKANSAS BAPTIST FAMILY AND CHILD CARE SERVICES

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1985 AND 1984

Note 1: Summary of significant accounting policies

The financial statements are presented on a fund accounting basis using the cash transactions method. Revenue and the related assets are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Plant assets

Expenditures by the general fund for plant acquisitions are accounted for as transfers to the plant fund. In accordance with accounting policies of non-profit denominational organizations, no provision is made for depreciation of properties.

Other matters

Income from investments and all gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund owning the assets.

Note 2: Investments

Purchased investments are recorded at cost; donated investments are recorded at market value at the date of gift. At December 31, 1985 and 1984 investments were as follows:

Total pension expenses were \$56,967 and \$47,952 for 1985 and 1984, respectively, which represents 10% of the participating employees' compensation. Generally, under the terms of the plan the contributions from employer and voluntary contributions from employees up to 15% of their compensation, are placed in the employee's account and on retirement, these funds plus investment earnings are used to purchase an annuity for the employee.

Note 4: Reclassifications

Certain reclassifications of 1984 amounts have been made to conform to 1985 presentation.

The Board of Directors
Arkansas Baptist Foundation
Little Rock, Arkansas

We have examined the statements of assets, liabilities, and fund balances of the Arkansas Baptist Foundation as of December 31, 1985 and 1984, and the related statements of revenues, expenses and changes in fund balances for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 to the financial statements, the Arkansas Baptist Foundation's policy is to prepare its financial statements on the basis of cash receipts and disbursements with certain modifications. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the aforementioned financial statements present fairly the assets, liabilities and fund balances of the Arkansas Baptist Foundation at December 31, 1985 and 1984, and the results of its operations for the years then ended, on the basis of accounting described in Note 1, which basis has been applied in a consistent manner.

The examinations referred to above were directed primarily toward formulating an opinion on the financial statements of the Arkansas Baptist Foundation taken as a whole. The information included in Supplementary Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary information has been subjected to the auditing procedures applied in the examinations of the financial statements of the Arkansas Baptist Foundation and, in our opinion, is stated fairly in all material respects in relation to the financial statements taken as a whole.

ARKANSAS BAPTIST FOUNDATION

Notes to Financial Statements
December 31, 1985 and 1984

Note 1: Summary of Significant Accounting Policies

The Arkansas Baptist Foundation was incorporated under the laws of the State of Arkansas in 1949. Its purpose is to encourage Baptists in the proper management and final distribution of accumulated possessions. The Foundation is authorized to receive by will or through trust, gifts for the benefit of any institution or agency supported by the Arkansas Baptist State Convention or the Southern Baptist Convention.

The Board of Directors is composed of fifteen persons. Five are nominated each year by the Convention's nominating committee and elected at the annual session. The by-laws require that at least two-thirds of these be laypersons. Investments are made through a committee after careful evaluation of recommendations from investment counsel.

There are no fees or commissions charged to the beneficiaries by the Foundation. The operational budget is provided by the Arkansas Baptist State Convention. Thus, gross income generated from investments is distributed to the designated beneficiary.

Certain amounts in the 1984 financial statements have been reclassified to conform with the 1985 presentation.

Except for an accrual to record accounts receivable from the Cooperative Program, the financial statements are presented on the basis of cash receipts and disbursements. Certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

Depreciation has been recorded utilizing the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Estimated Useful Life</u>
Automobiles	3 years
Office furniture and equipment	3-5 years

Amounts charged to operating expenses for depreciation aggregated \$13,744 and \$7,039 in 1985 and 1984, respectively.

Note 2: Investments

Investments are carried at cost or the fair market value of the instrument at the date of contribution. The Foundation does not adjust the cost of debt securities for amortization of premium and accretion of discount. Any premium or discount is recognized at the date of maturity or the date of sale, and the related gain or loss is then recognized.

The carrying values for other assets such as mortgage participations, land, annuities, investment in partnerships, and non-negotiable securities were used as the estimated market value as current appraisals were not available.

Note 3: Pension Plan

The Foundation provides a defined contribution, contributory pension plan covering substantially all employees through the Annuity Board of Southern Baptist Convention. The pension expense for the years ended December 31, 1985 and 1984 was \$18,302 and \$17,984, respectively. At December 31, 1985, there were no unfunded liabilities.

Gentlemen:

We have examined the balance sheet of Southern Baptist College as of June 30, 1985 and the related statements of changes in fund balances and current funds revenue, expenditures, and other changes for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of Southern Baptist College at June 30, 1985 and the changes in fund balances and the current funds revenue, expenditures, and other changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,

James H. Ramage, CPA

SOUTHERN BAPTIST COLLEGE
Summary of Significant Accounting Policies
June 30, 1985

The significant accounting policies followed by Southern Baptist College are described below to enhance the usefulness of the financial statements to the reader.

Accrual Basis

The financial statements of Southern Baptist College have been prepared on the accrual basis except for depreciation accounting as explained in notes 1 and 2 to the financial statements. The statement of current funds revenues, expenditures, and other changes is a statement of financial activities of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues or expenses.

To the extent that current funds are used to finance plant assets, the amounts so provided are accounted for as (1) expenditures, in the case of normal replacement of movable equipment and library books; (2) mandatory transfers, in the case of required provisions for debt amortization and interest and equipment renewal and replacement; and (3) transfers to a nonmandatory nature for all other cases where applicable.

Fund Accounting

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Institution, the accounts of the Institution are maintained in accordance with the principles of "fund accounting". This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

Within each group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes by action of the governing board. Externally restricted funds may only be utilized in accordance with the purposes established by the source of such funds and are in contrast with unrestricted funds over which the governing board retains full control to use in achieving any of its institutional purposes.

Page 2 - Summary of Significant Accounting Policies - Continued

Endowment funds are subject to the restrictions of gift instruments requiring in perpetuity that the principal be invested and the income only be utilized. Term endowment funds are similar to endowment funds except that upon the passage of a stated period of time or the occurrence of a particular event, all or part of the principal may be expended. While quasi-endowment funds have been established by the governing board for the same purposes as endowment funds, any portion of quasi-endowment funds may be expended.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Ordinary income derived from investments, receivables, and the like is accounted for in the fund owning such assets, except for income derived from investments of endowment and similar funds, which income is accounted for in the fund to which it is restricted or, if unrestricted, as revenues in unrestricted current funds.

All other unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

Other Significant Accounting Policies

Other significant accounting policies are set forth in the financial statements and the notes thereto.

SOUTHERN BAPTIST COLLEGE
Notes to Financial Statements
June 30, 1985

1. Investments exclusive of physical plant are recorded at cost if purchased. If received by gift it is carried at fair market value at the date of acquisition except certain issues which have declined in value where it was evident such decline was not due to temporary market conditions.

On January 27, 1976 Southern Baptist College and Arkansas Baptist Foundation negotiated a contract whereby the Foundation would administer endowment investments for the college. Initially investments with a book value of \$63,923.79 were transferred to the Foundation. Another \$31,709.19 was transferred to the Foundation on July 27, 1981 which was used to purchase corporate bonds. Since that date various small amounts have been transferred to the Foundation at irregular intervals. Most of these funds except that used for corporate bonds were placed in the Pooled Investment Fund on which the income is distributed on a regular basis. On May 13, 1985, a total of \$79,000 was placed with the Foundation to fund the Southern Baptist College New Dimension Endowment Fund. These funds were placed with the understanding that they could be withdrawn upon written request. Distribution from this account in the amount of \$528.66 was made on June 28, 1985.

In addition to these Southern Baptist College is the ultimate beneficiary of investments with a market value totaling approximately \$212,637.99 also held in trust by the Arkansas Baptist Foundation. The book value of these as of June 30, 1985 was reported as \$153,691.19. The Foundation regularly distributes the income earned on these investments to the college. Total distribution for the current period was \$16,962.19.

2. Physical plant and equipment are stated at cost at date of acquisition or fair market value at date of donation in case of gifts except that an appraisal performed May 31, 1965 by a qualified, independent appraiser resulted in an adjustment being recorded on the books at June 30, 1965. An increase of \$687,865.81 was recorded for fixed assets composed of an increase in land of \$51,840.00; an increase in buildings of \$670,961.49; and an increase in roads and utilities of \$34,935.68. During the current year all the old yellow tile buildings were removed except for two remaining on the south side of the campus. The old buildings were removed from the books resulting in a decrease of assets of \$128,610.51. Assets that remain on the books totaling \$8,414,553.91 consist of land, land improvements, equipment, and library books.

Page 2 - Notes to Financial Statements - Continued

No provision for depreciation has been taken into consideration in the property, plant and equipment as set forth in the Balance Sheet-Exhibit A. The Southerland Mabee Center is pledged to Pocahontas Federal Savings and Loan Association on a mortgage with a balance of \$257,738.34 at June 30, 1985. The apartments for married students are pledged to Pocahontas Federal Savings and Loan to secure a mortgage on which \$93,759.61 was owed at June 30. The President's home is also pledged to Pocahontas Federal Savings and Loan on a mortgage with a balance of \$49,156.97. A mortgage to Independence Savings and Loan with a balance of \$122,109.92 is secured by the Fine Arts Building.

3. A detailed listing of notes and mortgages with a split-out of that portion due within one year is shown as Schedule A-1 at page 4 of this report.
4. Reserve and excess funds are kept invested in certificates of deposit or money market accounts. Checking accounts are also interest bearing accounts where possible. Total interest earned during the fiscal year on such short term investments amounted to \$18,711.76.
5. Accounts receivable at June 30, 1985 were only \$6,923.63 with a reserve of \$3,519.25 representing those believed to be uncollectible. This apparently reflects good collection results as no time since I became involved with your audit have our receivables been so small an amount. No additional amount was provided this year in reserve for uncollectibles. This is the second consecutive year that accounts receivable has been under \$10,000.00.
6. New Dimension Campaign at June 30, 1985 has investments in the Endowment Fund of \$320,753.00. The Restricted funds as of June 30, 1985 has a balance of \$9,431.53. The total amount of funds raised has been \$372,158.56. The balance of the New Dimension Campaign on June 30, 1985 was \$330,185.43. From that amount \$41,974.03 was expended to move into the third and fourth year of the Ministerial Degree Program at Southern.

Southern Baptist College's goal for this campaign is one million dollars (\$1,000,000). As of October 1985 the college has received approximately six hundred sixty thousand dollars (\$660,000) in gifts and pledges.

YEAR ENDED SEPTEMBER 30, 1984

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

The buildings and equipment are depreciated principally under the straight-line method. Certain assets have been depreciated by accelerated methods for Medicare purposes. The additional reimbursement resulting from accelerated depreciation has been deferred.

Revenues received under cost reimbursement agreements are subject to audit and retroactive adjustment by third-party payors. No provisions for retroactive adjustment have been made.

NOTE 2 - HOSPITALS ACQUIRED

A. On July 1, 1981, the System, through Baptist Memorial Hospital - Tipton (BMH-Tipton), purchased the assets and liabilities of Tipton County Memorial Hospital. According to terms of the agreement, Tipton County used the net purchase price to establish an indigent care trust fund totaling approximately \$2,175,000 and a loan escrow fund in the amount of \$880,000. The net book value of assets purchased exceeded the cost by approximately \$110,408. Values assigned to property, plant and equipment have been reduced by that amount to reflect the purchase.

B. On July 1, 1980, Baptist Memorial Hospital - Lauderdale leased the property, plant and equipment and assumed the other operating assets and liabilities of Lauderdale County Hospital from Lauderdale County, Tennessee. With an initial term of two years, the lease is renewable at the option of Lauderdale in increments of two years for the effective useful life of the leased property. Annual rental is \$1.

C. Effective January 1, 1981, Baptist Memorial Hospital-Corning, Inc. leased the property, plant and equipment and assumed the other operating assets and certain liabilities of Corning Community Hospital, of Corning Arkansas from Corning Community Hospital, Inc. Baptist assumed liability for payments on outstanding City of Corning revenue bonds totaling \$3,260,000 maturing at intervals through July 1, 2006. Rent thereafter is \$1 per month. At the termination of the lease, Baptist will return net assets substantially equivalent to those assumed at the commencement.

E. As of May 17, 1982, Baptist Memorial Hospital - Booneville, Inc. leased the property and assumed the other assets and certain liabilities of Northeast Mississippi Hospital from the city of Booneville and the county of Prentiss, Mississippi. The lease extends for 25 years with options for two renewals of 25 years each. Baptist assumed liability for payment of two General Obligation Bonds totaling \$500,000. F. On July 1, 1982, Baptist Memorial Hospital - Union City purchased the assets and assumed certain liabilities of the Obion County General Hospital from Obion County, Tennessee for \$16,000,000. G. Effective January 1, 1983, Baptist Memorial Hospital - Forrest City, Inc. (Baptist) leased from St. Francis County, Arkansas all of the property, plant, and equipment of Forrest Memorial Hospital; purchased its working capital; assumed the outstanding St. Francis County, Arkansas 1981 Hospital Revenue Bonds and other obligations; and agreed to manage and operate a hospital in St. Francis County. Additionally, the agreement calls for Baptist to finance and construct a new hospital facility in the County.

Pursuant to the agreement, at closing Baptist paid the County for its working capital and prepaid the lease amount of \$750,000 (\$25,000 per month for an estimated 30 months); upon opening the new facility, Baptist will return the old facility and its equipment to the County. Baptist has agreed to donate the new facility to the County upon retirement of Baptist's construction debt, in return for a 25-year lease at a nominal amount.

H. Effective July 1, 1983, Carroll County entered into an agreement with Baptist Memorial Hospital - Huntingdon (Baptist) whereby Baptist leased from the County the property, plant and equipment of the Hospital, purchased its undeveloped land for approximately \$105,000, purchased the Hospital's working capital, assumed the County's general obligation bonds related to the Hospital, and agreed to manage and operate a hospital in Carroll County, Tennessee. Additionally, the agreement calls for Baptist to finance and construct a new hospital facility in the County.

The lease arrangements call for annual prepaid installments of \$500,000, \$600,000, and \$700,000 for the three years beginning July 1, 1983. Thereafter, the lease will be on a month-to-month basis at \$58,333 per month, until the new facility is opened.

NOTE 6 - RETIREMENT PLANS

The subsidiaries of Baptist Memorial Health Care System, Inc. have defined contribution retirement plans which cover substantially all full-time employees after one year of employment. Most employees are covered by plans administered by the Annuity Board of the Southern Baptist Convention. Typically, each covered employee contributes 5 percent of his salary and the employer contributes 10 percent.

NOTE 7 - SELF INSURANCE

Baptist Memorial Hospital (Memphis, Tn.) has a self-insurance trust fund for essentially all of its professional and general liability. Contributions and year end liability levels are actuarially computed.

NOTE 8 - PRIOR PERIOD ADJUSTMENTS

It has been Baptist's policy to consider supplies and inventory as expensed when the goods were physically transferred to the user department. Over the years, stockpiles of these supplies have grown, therefore, management has elected to change accounting policies and inventory these items. The net effect of this change is to increase beginning fund balance by \$4,700,000.00 and the reported inventories for the year ended September 30, 1983 by the same amount.

CANNON & COMPANY

BAPTIST MEMORIAL HEALTH CARE SYSTEM, INC. AND RELATED PARTIES
NOTES TO COMBINED FINANCIAL STATEMENTS - CONTINUED
YEAR ENDED SEPTEMBER 30, 1984

NOTE 8 - PRIOR PERIOD ADJUSTMENTS - CONTINUED

Baptist Memorial Hospital - Union City decreased its beginning fund balance by \$400,000 to reflect retroactive charges relating to the settlement in 1984 of the 1983 Medicare Cost Report. This amount has been reflected herein as an increase in contractual adjustments for the year ended June 30, 1983.

Baptist Memorial Hospital-Booneville is required at the end of the lease with the County of Prentiss, Mississippi to return to the County the Hospital's building and equipment which at acquisition had a net book value of \$2,441,128. This was originally recorded as an obligation under capitalized lease. However, since the Hospital's building and equipment will be returned subject to normal wear and tear, it is expected that these assets will have minimal book value at the end of the lease. Therefore, this obligation under capitalized lease has been reclassified to fund balance. The net effect of this is to increase beginning fund balance by \$2,441,128.

Various other accounting changes, retroactively applied, decrease the beginning combined fund balance by \$291,453.

NOTE 8 - SUBSEQUENT EVENTS

On September 18, 1984, Baptist adopted an early retirement plan for all employees 55 years old or older. Electing employees will retire effective January 1, 1985 and receive certain severance and increased retirement benefits. Baptist estimates that approximately 7% of its work force will choose early retirement and approximately \$5,600,000.00 in severance expenses will be incurred during the year ended September 30, 1985.

As of October 31, 1984, Baptist Memorial Hospital-Corning, Inc. and Corning Community Hospital (CCH) of Corning, Arkansas agreed to terminate their lease agreement. Assets held under the lease were returned to the lessor and the hospital's liability for the bonds in the amount of \$2,959,178 underlying the leased assets was terminated.

NOTE 9 - POST RETIREMENT BENEFITS

On September 18, 1984, Baptist Memorial Hospital (Memphis) adopted a voluntary early retirement plan for all employees 55 years old or older, with at least 5 years of continuous full time service with the Hospital. Electing employees retired effective January 1, 1985. In addition to severance pay of \$6,047,094.31, the Hospital will provide certain health care and life insurance benefits. The cost of retiree health care and life insurance benefits is recognized as expense as claims are paid.
