STUDENT LOANS

If you have decided you will need a Guaranteed Student Loan you may want to apply before October 1, 1981. After this date a student whose family makes over \$30,000 will have to undergo a "needs test" to prove a financial need and be eligible for the Federal interest subsidy. Any family earning less than \$30,000 will be considered in the same manner as in the past.

If you have a group which would like to entertain the pastors, music ministers, and adult sponsors during the Talent Review on Choir Day, Oct. 3, contact Dr. Tom Bolton at ext. 144 or Box 721. The deadline for notification of your participation will be noon on Friday, Sept. 25.
