

Big Guys and Blondes
Kyle Parris

Big Guys and Blondes
Dancing in a frenzy
of time slots
and
hours
and
teachers
and
classrooms
and
Tuesdays
and
Thursdays
and
What's it all for
and
When's it all end
and
Why's it all necessary
and
Who...

Well who the heck cares
(Pause)

Big Guys should catch waves
on slick new surfboards.
Not diagramming sentences
on dusty old chalkboards.

Blondes would look great
stuffed in bikinis
Not stuffing their faces
with cold tetrazinni.

Big Guys and Blondes
Who says they're dumber?
Big Guys and Blondes
Marking time 'til summer.
