A Word from the President

On the pages of this catalog you will find a description of the educational offerings of Ouachita Baptist University. These programs are based on the dreams of those who established the college in 1886 with a mission of educating men and women for exemplary service in the home, the church, and the world.

Today we continue that mission through a Christ-centered learning community committed to fostering a love of God and a love of learning. We are dreaming a larger dream for Ouachita and I invite you to join us to fulfill your dream.

Ben R. Sells

Vision, Mission, Values

Vision

Ouachita Baptist University seeks to foster a love of God and a love of learning by creating for students and other constituents dynamic growth opportunities both on campus and throughout the world. With foresight and faithfulness, Ouachita makes a difference.

Mission

Ouachita Baptist University is a Christ-centered learning community. Embracing the liberal arts tradition, the university prepares individuals for ongoing intellectual and spiritual growth, lives of meaningful work, and reasoned engagement with the world.

Values

Ouachita strives to be an academic community of vision, integrity, and service grounded in the following values:

Faith. We believe that life is lived most abundantly in response to the love of God through Jesus Christ.

Scholarship. We advance excellence in teaching, learning, research, and creative expression.

Growth. We foster broad-based education, encouraging growth in intellectual, spiritual, physical, and social domains.

Character. We affirm that respect and honesty undergird responsible citizenship and stewardship.

Community. We promote a vibrant community strengthened by diversity, sustained by common aims and supportive relationships, and committed to leadership and service on campus and beyond.

The Liberal Arts Tradition

Since its founding in 1886, Ouachita Baptist University has aimed to unite a broad-based education in the liberal arts with preparation for service in a variety of fields. In the context of an overarching fidelity to Christian faith and practice, Ouachita's educational mission remains rooted in the liberal arts tradition and oriented toward preparing graduates for meaningful work. Our hope is Ouachita graduates not only accomplish their highest vocational aspirations, but also live with a sense of purpose, act with abiding integrity, and joyfully serve their communities. The following statement describes the nature and value of liberal arts education at Ouachita and provides a conceptual basis for the university's educational programs:*

The person educated in the liberal arts tradition possesses not only knowledge and intellectual skills, but also the inclination and ability to apply them to appropriate ends. Ideally, the knowledge is both deep and broad. In practice, depth derives from sustained work in a single discipline or area of study as one would obtain in a major or minor. Breadth results from serious engagement with all the major domains of knowledge and human endeavor and can be addressed through a program of general studies. A liberal arts education encompasses all the scholarly disciplines that inquire into the natural world and the human conditions as well as the fine arts and the practical arts. At a church-related university such as Ouachita, the development of rational inquiry into these disciplines reflects an expression of faith, hope, and love addressed to God and embodied within a community of faith. The interrelationships, multiple perspectives, traditions, and significance for contemporary society of these disciplines are the conceptual links that integrate the educated person's knowledge into a coherent whole.

Many writers have essayed definitions of the intellectual skills that characterize the educated person. Those skills most commonly identified with and most pertinent to this statement are the intellectual skills that make possible self-reflection and articulate communication.

Self-reflection – that is, consciousness of one's opinions, judgments, and the role of humans in the natural world – derives from the ability to analyze one's arguments, determine the factual basis of information, evaluate the quality of evidence, and identify and assess one's premises and values. Self-reflection can free the individual from egocentrism, intellectual provincialism, and an anthropocentric view of the world. Self-reflection may also lead to the assumption of responsibility for the solution of problems, self-expression and artistic endeavors.

Articulate communication – the ability to present ideas in a clear, effective way – derives from skills in information gathering, conceptualization, abstraction, logic, the use of language, the ability to understand the positions of others, and in appropriate instances, to accommodate them.

The person educated in the liberal arts tradition exhibits certain dispositions. The person is inclined to serve the common good, to continue learning after formal education has ended, and to seek meaning in life. At Ouachita this search for meaning extends into all areas of life where one's commitment to God and the Lordship of Jesus Christ becomes an integral part of the search. The lifelong quest for knowledge of self, others, nature and God is the ultimate goal of liberal arts education at this university.

Undergraduate Learning Goals

Through all its undergraduate educational programs—curricular and co-curricular, classroom and experiential—Ouachita promotes the following goals for student learning:

1. Intellectual and applied skills that promote competency and lifelong learning, including articulate communication; critical and creative thinking; analytical and quantitative reasoning; scientific reasoning; and information literacy.
2. Engagement with content and methods of the major domains of knowledge.
3. Heightened awareness of personal and social responsibility, including the ability and inclination to practice civic engagement, ethical reasoning, personal integrity, stewardship, physical well-being, and spiritual growth.
4. Appreciation for cultural diversity and development of intercultural competence for constructive engagement in both local and global contexts.
5. Depth of knowledge and skills in a chosen discipline or combination of disciplines sufficient to provide the foundation for advanced study, professional competence, and meaningful work.
6. Ability to connect learning across disciplines and apply knowledge and skills to solve problems.

Origin

Ouachita Baptist College was authorized by a vote of the Arkansas Baptist State Convention as its higher educational institution in November 1885. In April 1886, the trustees of the University voted to locate the institution in Arkadelphia, Arkansas. Classes began on September 6, 1886, and the institution has operated without interruption in the same location since that date. On January 14, 1965, the Board of Trustees voted to change the name from College to University.

While Ouachita's primary obligation is to her parent body, the Arkansas Baptist State Convention, the University has no restrictions as to belief or geographical location of persons whom it serves. The presence of students from many religions, states, and nations helps instill appreciation for other points of view and enriches the academic community. Ouachita welcomes students of all races.

As a Christian institution, Ouachita is more than a nominally church-related school. She takes seriously the person and teachings of Jesus Christ and seeks to relate these to the many disciplines and activities on the University campus. Nor does this orientation impose restrictions or deny academic freedom in the search for truth, for Jesus himself said, "You shall know the truth, and the truth shall make you free."

Fifteen presidents have guided its development: Dr. J.W. Conger, 1886-1907; Dr. H.S. Hartzog, 1907-11; Dr. R.C. Bowers, 1911-13; Dr. S.Y. Jameson, 1913-16; Dr. C.E. Dicken, 1916-26; Mr. A.B. Hill, 1926-29; Dr. C.D. Johnson, 1929-33; Dr. J.R. Grant, 1933-49; Dr. S.W. Eubanks, 1949-51; Dr. Harold A. Haswell, 1952-53; Dr. Ralph A. Phelps, Jr., 1953-1969; Dr. Daniel R. Grant, 1970-1988; Dr. Ben M. Elrod, 1988-1998; Dr. Andrew Westmoreland, 1998 to 2006; Dr. Rex M. Horne, Jr., 2006 to 2015.

Location

Ouachita Baptist University is located in Arkadelphia, Arkansas, about sixty-five miles southwest of Little Rock on Interstate 30 and thirty miles south of Hot Springs. There is frequent bus and Amtrak service to and from the city. Facilities for air transportation are available both in Hot Springs and Little Rock. Arkadelphia has a population of over 10,000, including the student bodies of Ouachita Baptist University and Henderson State University.

Status of the University

Ouachita Baptist University is accredited by The Higher Learning Commission. (The Higher Learning Commission: A Commission of the North Central Association of Colleges and Schools. 30 North LaSalle Street, Suite 2400, Chicago, Illinois, 60602-2504. Telephone: 312-263-0456)

The University is an Approved Institution of the National Council of State Authorization Reciprocity Agreements (NC-SARA) and is an Institutional Member of the Online Learning Consortium (OLC), both of which support the academic endeavors of [Ouachita Online \(https://obu.edu/online/\)](https://obu.edu/online/).

The University is a member of the Council on Higher Education Accreditation, the National Association of Independent Colleges and Universities, the International Association of Baptist Colleges and Universities, the Consortium for Global Education, the American Association of Colleges for Teacher Education, and the National Collegiate Athletic Association.

Riley-Hickingbotham Library

In keeping with the University's nature as a church-related, liberal arts institution, Riley-Hickingbotham Library's mission is to be an integral part of the academic program by providing excellent service through bibliographical, physical, and intellectual access to recorded knowledge and information and, insofar as possible, sharing resources with individuals and institutions in the larger scholarly community.

Riley-Hickingbotham Library serves Ouachita and the community as a learning center, supporting the educational process with a wide range of resources. It accomplishes that task through the main library – which offers a Technology Enhanced Collaborative (TEC) study room, group study rooms, individual study space, PCs, and Wi-Fi – and through the music library in Mabee Fine Arts Center.

The library's book collection has approximately 170,000 volumes and thousands of ebook titles among its holdings.

As a selective depository of government resources, the library curates a variety of federal publications, most of which are accessible online.

The periodicals collection provides digital and print access to numerous journals, magazines, and newspapers. Many titles are accessible in the EbscoHost, ProQuest, and JSTOR databases. The library also subscribes to general and subject-specific reference databases. Among the microform collections are the complete Educational Resource Information Center (ERIC) File, the American Culture Series (pre-1874 American publications), the Black History Collection, the Literature of Theology and Church History in North America, the University Music Editions reprint series, and the Eastman School of Music's collection of early music writings.

Instructional Media Services, located on the ground floor of the library, supports campus media technology; provides access to portable projection equipment and the library's video collection; and offers media laminating service.

Special Collections include those of the Arkansas Baptist State Convention, Clark County Historical Association, University Archives, and Rare Books section of the main library. A growing collection of political papers – including those of the late Senator John L. McClellan, the District's two most recent Congressmen, and former Arkansas Governor Mike Huckabee – is likewise part of Special Collections.

The library's discovery catalog facilitates searching all of the library's holdings simultaneously and expanding searches to include neighboring libraries and libraries worldwide.

Ouachita's Scholarly Commons is the online repository of the scholarship, creative works, and historical record of Ouachita Baptist University. This service represents the institution's commitment to the preservation, organization, open access, and dissemination of these resources, produced by the faculty, students, staff, and alumni of the university.

Current Ouachita students and employees may access materials beyond the library's holdings via interlibrary loan service with libraries nationwide and reciprocal borrowing agreements with Henderson State University's Huie Library and the ArkLink Library Consortium.

Government and Instructional Programs

University Government

The University is governed by a twenty-four member Board of Trustees elected by the Arkansas Baptist State Convention. The general program is administered by the President of the University.

University Complaint Policy

Ouachita Baptist University takes seriously all questions, concerns and complaints it receives, and responds in a timely fashion. These should be initiated and resolved through regular university processes whenever possible. Some matters may be directed to the University Compliance Officer who will refer them to the appropriate department or official. The University Complaint Policy can be found at www.obu.edu/about/consumerinfo/. For questions, please use the university's toll-free telephone number, 1.800.342.5628, or e-mail consumerinfo@obu.edu.

Online Undergraduate Instructional Programs

The Vice President for Academic Affairs is responsible for the overall supervision of the academic program of the University.

The instructional programs of the University are administered by the deans of the respective schools, with faculties who are highly competent in their teaching fields.

The following schools constitute the academic structure of the University:

- The Frank D. Hickingbotham School of Business
- The Chesley and Elizabeth Pruet School of Christian Studies
- The Michael D. Huckabee School of Education
- The School of Fine Arts
- The School of Humanities
- The School of Interdisciplinary Studies
- The J. D. Patterson School of Natural Sciences
- The W.H. Sutton School of Social Sciences

Ouachita Online degree programs are offered through the Chesley and Elizabeth Pruet School of Christian Studies, the J.D. Patterson School of Natural Sciences, and the School of Interdisciplinary Studies. Core and elective courses are offered by the remaining six academic schools.

The Academic Year. The academic year consists of five terms of eight weeks each, beginning in August, October, January, March and June. Courses may also be offered in three week mini-terms beginning in December and May.

Students may enroll in a maximum of ten hours in a regular term and a maximum of four hours in a mini-term.

A spring commencement held on the Arkadelphia residential campus concludes each academic year in May.

Ouachita Alumni

The Ouachita Alumni is organized under the direction of the Ouachita Alumni Advisory Board and is designed for the purpose of keeping alumni aware of University activities and programs. The group is concerned with the welfare of the University's graduates and alumni and is vitally interested in the development of a greater Ouachita.

Graduates and alumni who have attended Ouachita Baptist University for at least one term shall be considered members of the Ouachita Alumni. The group is supported through the University, which, in turn, receives a considerable portion of its funding through alumni gifts. There are no dues.

Ben M. Elrod Center for Family and Community

- The Ben M. Elrod Center for Family and Community at Ouachita Baptist University is dedicated to serving humankind through the educational experience. Ouachita's faculty, staff, and students are committed to providing leadership that will result in the strengthening of the family and the community. In particular, concepts such as volunteerism, service-learning, applied research, outreach, and instruction are promoted.
- The goals of the Elrod Center for Family and Community are to:
 - support public service initiatives in the public and church arenas
 - equip students, faculty, and staff to become community leaders
 - support and coordinate resources
 - publicize public service efforts
 - promote volunteerism as vital to active citizenship
 - promote interdisciplinary studies that benefit the family and community
 - provide an institutional door for the community to relate to the university

- promote non-credit courses that will benefit the community
- strengthen families through education, instruction, and outreach
- recognize and reward outstanding service efforts

TranServe is a program of the Ben M. Elrod Center for Family and Community noting service to the community on official university transcripts. In general, students work without pay for nonprofit organizations and ministries involved in service to the community. Guidelines for the program may be found on the Elrod Center webpage or in a brochure available at the Elrod Center at 410 Ouachita Street. Students may register for TranServe during the first week of classes and must complete a minimum of 20 hours in one semester to have their hours recorded on their transcript. The director of the Elrod Center will be responsible for oversight of the program.

For further information, contact Judy Duvall, Director of the Ben M. Elrod Center for Family and Community Telephone: 870-245-5320. E-mail: duvallj@obu.edu. Web site: www.obu.edu/elrod.

Financial Support

The expenses of the University are met only in part by student fees. The remainder is derived by income from the endowment fund, an annual Cooperative Program grant from the Arkansas Baptist State Convention, and by current gifts. Substantial support from Arkansas Baptists, alumni, former students, and other friends makes it possible for Ouachita Baptist University to provide the highest quality educational opportunities at a cost that is among the lowest of all accredited private senior colleges and universities in the nation. Every student shares in the benefits generated by gifts and grants.

Over the years, a special group of friends has provided the resources necessary to undertake a successful and ongoing campus development program, resulting in new facilities and equipment, campus beautification projects, and a high quality instructional program. Many of these friends have been recognized for their outstanding commitment to Ouachita's mission, notably in the Hall of Honor in McClellan Hall and by named facilities, projects, and endowments. The support of many other faithful friends has been, and continues to be, an invaluable source of strength that helps to maintain the University's' margin of excellence. Those friends who have made arrangements in their long-range planning to benefit Ouachita are recognized in appropriate ways.

To all of those who share their resources to make Ouachita Baptist University the best it can be, we owe a profound debt of gratitude.

Student Development and Activities

The division of Student Development is under the direction of the Vice President for Student Development. Each year, Student Development publishes the *Tiger Handbook*, the official university guidebook for students.

Medical Requirements

All students must complete health records consistent with state and university requirements. The student must show proof of two measles, mumps, and rubella vaccinations, usually given in the form of an MMR. A tetanus-diphtheria vaccination is recommended within the last ten years. In addition, a tuberculosis screening is required for any student who has lived outside the United States within the past 12 months. All international students must receive a tuberculosis screening at the University Health Services if they were born in a country where TB is endemic.

Arkansas Act 1233 of 1999 requires all universities to notify both students and parent of an increased risk of meningococcal disease among individuals who live in close quarters such as students in college residence halls. A vaccine is available and should be discussed with your local health provider.

University Counseling Services

Counseling services are provided by the University Counselor at no cost to currently enrolled students, faculty, staff, and their families. These services are available to students, faculty, and staff who are experiencing any of a broad range of personal or interpersonal difficulties. The University Counselor also serves as the ADA/504 Coordinator to assist students requesting accommodations. Appointments may be scheduled by contacting the Counseling Office at 870-245-5591, or by email at jarboed@obu.edu. A phone or Skype (video) consultation will then be scheduled with you as soon as possible. When requesting an appointment it is vital that you indicate if your need is urgent or a serious mental health or life threatening emergency. If that is your circumstance, and you do not receive a prompt reply, please call the Student Development secretary, at 870-245-5220, to alert her that you are in an emergency situation. Students who require assistance beyond the scope of the University Counseling Services will be given a referral to a community-based resource.

Standards of Conduct

By accepting admission to Ouachita Baptist University, each student assumes the responsibility to abide by the standards of the University as well as local, state, and national laws. In general, the rules are based on the desire of the faculty and staff that students demonstrate good citizenship, respect the rights of others, and achieve in their studies in a Christian educational environment. Specific regulations are given in the official University handbook, the *Tiger Handbook*.

Student Senate and Campus Activities Board

The Student Senate, composed of selected representatives of the student body, deals with matters concerning the student body as a whole. It is a deliberative and planning group which works in close liaison with administrative officials of the University, interpreting official policies to the students and student concerns to the administration. Guest speakers, concerts, art groups, and other programs are sponsored by the Campus Activities Board (CAB).

Religious Life at Ouachita

In accordance with the university's vision, mission, and values, Ouachita seeks to foster in our students a love of God and a love of learning. Ouachita believes the local church is central to the spiritual life of Christians and does not consider chapel or other university programs to be replacements for church involvement.

As a public expression of Ouachita's identity and purpose as a Christ-centered learning community, the university's chapel program is designed to deepen students' spiritual lives, to broaden their cultural appreciation, and to realize their role as a part of the Ouachita community. While many programs include worship and teaching from scripture, others promote student participation in university programs or allow Christians from diverse walks of life to share about their faith.

The office of Campus Ministries coordinates the university's spiritual life programs, activities, and resources. Its primary goals are to foster meaningful relationships with Christ among students; to guide them in fruitful ministry, discipleship and fellowship; and to train leaders who will continue to engage the world and serve the church. The office coordinates ministry teams, mission trips, discipleship groups, and student-led gatherings, including Refuge and Noonday. Campus Ministries cooperates with Arkansas Baptist Collegiate Ministries and other Southern Baptist entities, such as the International Mission Board. The organization is led by the Director and Assistant Director of Campus Ministries.

Publications

The Signal, a weekly newspaper published by a student staff and sponsored by the Department of Communications, is devoted to news about the University. The Signal online (www.obusignal.com) enhances coverage with audio and video.

The Ouachitonian, the yearbook, contains pictures of students, clubs, and important events of the University year.

Career and Calling

The Career and Calling staff assists students in assessing personal strengths and interests, defining academic goals, and preparing for successful internship or employment searches. For students interested in exploring possible majors or minors, Career and Calling offers FOCUS2, an online assessment resource providing extensive information about occupations, values, interests, skills, education programs, and more. Tiger Career Connection, Ouachita's exclusive online job posting site for students and alumni, offers access to information about internships and employment opportunities. When possible, students are encouraged to attend the annual Career & Networking Expo on Ouachita's campus which connects organizations and employers with students, faculty, and recent graduates. Additional services include assistance with resumes and applications and consultations via email, phone, or Skype with the goal of helping individuals prepare for lives of meaningful work. Career and Calling may be contacted at careerservices@obu.edu or 870.245.5283.

Student Expenses

Ouachita's Student Financial Services Office maintains student financial account information for all applicants, current and former students. This section provides a detail of anticipated charges for students pursuing a declared online degree, an explanation of our payment options, as well as withdrawal and refund policies. The following are typical expenses students enrolled in Ouachita Online academic programs may be charged. Students should allow approximately \$550 per semester for books.

Expense Statement

Undergraduate Online Tuition, per credit hour (Fall 2023, Spring 2024).....	\$350.00
Undergraduate Online Tuition, per credit hour (Summer 2024)	350.00
Tuition, per credit hour (RN-to-BSN program).....	275.00

Other expenses where applicable

Enrollment Deposit	\$200.00
Special examination, residual A.C.T. assessment.....	55.00
Credit by examination fee, per semester hour	50.00
Course change after last day to enroll	15.00
Returned Checks or Stop Payment Fee	35.00
Payment plan handling charge.....	20.00
Paper Statements.....	5.00

The University reserves the right to revise certain costs.

Payment Options

Students may choose one of the following payment options for the fall and spring semesters:

- 1) Pay account balance in full by the close of online check-in each term
- 2) Pay balance due in **two** monthly installments over the course of the term (We offer two terms per semester). A \$20 payment plan fee will be charged each term that a payment plan is utilized. The first payment is due at online check-in each term and the remainder must be paid by the 15th of the next month in the term. Any account not paid in full by the completion of the semester will be charged interest on a monthly basis at a rate equal to 1% above the Bloomberg Financial Services Prime Rate.

Card service fees ranging from 1.8% to 3.3% of the transaction will be assessed for credit/debit card used for payment of student accounts. Late monthly payments will be charged a \$20 late fee for every month that the payment is late.

Any check payment returned to the school for insufficient funds must be repaid through another means. No further checks or e-checks will be accepted from the student.

Additional charges such as books, music fees and tuition overload may be spread over the semester they are incurred and become part of the monthly installment plan.

Fees for May term, summer sessions, and winter mini terms are due upon enrollment.

Settlement of Accounts

Payment in full of all term charges must be made to Student Financial Services before a student may enroll for an ensuing term or obtain an official transcript or diploma.

Tuition Refund Policy

Ceasing enrollment can have a serious effect on a student's financial aid and charges. When a student ceases enrollment, the school must determine if any adjustments will be made to the student's tuition charges, and must also determine what percentage of state, institutional and federal aid the student is no longer eligible to receive.

Refunds of tuition upon withdrawal from the University, and refunds of special class fees when a student drops a class that included an additional special class fee are handled as follows:

Tuition and Special Class Fees: Students withdrawing from the university will be entitled to a refund of tuition at the following rates:
(General Fees are non-refundable)

<u>16-Week Course:</u>	<u>8-Week Course:</u>	<u>3- or 4-Week Course:</u>
Week 1-2: 80% refund of tuition	Week 1: 75% refund of tuition	Day 1-2: 80% refund of tuition
Week 3: 60% refund of tuition	Week 2: 50% refund of tuition	Day 3: 60% refund of tuition
Week 4: 40% refund of tuition	Week 3: 25% refund of tuition	Day 4: 40% refund of tuition
Week 5: 20% refund of tuition	Week 4: No refund of tuition	Day 5: 20% refund of tuition
Week 6: no refund of tuition		Day 6: No refund of tuition

Note that in the above policy, the definition for a “week” is a calendar week (Sunday through Saturday), and the definition of “Day 1” in the 3–4-week mini term is the first day of the term as published in our academic calendar.

Students withdrawing from a class that required any additional special class fee should contact Student Financial Services to determine if any portion of the special class fee will be refunded.

It is the student’s responsibility to officially withdraw from school through the Student Development Office or to withdraw from a class through their INFO portal.

Effect of Withdrawal on Institutional Aid, State Aid and Private Aid

Online students are not eligible to receive most forms of Ouachita aid. But if an online student who did receive Ouachita aid withdraws from school mid-term, they will lose a percentage of their institutional aid for that term. Contact the Office of Student Financial Services for more information regarding refund requirements for specific state and private aid sources.

Students who receive Veterans Benefits and withdraw without completing the term may be required to repay the VA a percentage of the benefit received for the term.

Federal Aid Return Policy

Federal aid is available in the form of Pell grants, student loans, PLUS loans, Federal Supplemental Educational Opportunity Grants, and TEACH Grants and is awarded with the expectation that the student will complete the term in which the aid was received. When a student receiving federal aid withdraws from school without completing their current term, federal regulations require the school to perform a calculation to determine how much federal aid the student earned and how much federal aid must be returned to the Department of Education.

The federal aid return policy applies to students who received federal aid and who withdraw (officially or unofficially) or are dismissed from enrollment at Ouachita Baptist University. It is separate and distinct from the Ouachita Baptist University Tuition Refund Policy.

Students who withdraw and lose federal aid eligibility may end up with an outstanding tuition balance to the school and will not be allowed to return until that balance is paid. They will also not be eligible to receive a transcript until any outstanding balance is paid.

WITHDRAWAL EXCEPTION: Any student taking classes in more than one term in a semester (*for example, Fall Term 1 and Fall Term 2*) who withdraws from all active courses he or she is currently enrolled will be considered as withdrawn *unless* Ouachita Baptist University obtains a written confirmation from the student stating they will be attending a later term in the same semester at the time of the withdrawal request. This will affect all students even if they are already enrolled in a later term. Unless Ouachita obtains written confirmation from the student at the time of withdrawal, all future classes will be dropped for that student.

Types of Withdrawals:

OFFICIAL WITHDRAWAL: *When a student begins the official withdrawal process to officially notify the school of his or her intent to withdraw.* That student’s withdrawal date is determined by using one of the following:

1. The date the student officially withdrew with the Dean of Students Office
2. The date the student notified any office on campus of his or her intent to withdraw.
3. The date the student was expelled/dismissed from the university.

UNOFFICIAL WITHDRAWAL: *When a student ceases attendance without notifying any office on campus.* If a student does not go through the proper withdrawal procedures as defined in the Academic Information section of the University General Catalog, the student’s withdrawal date is determined by using one of the following:

1. The midpoint of the semester
2. The last date of documented academic related activity

Once a school has determined that a student who received federal aid has withdrawn, the school has 30 days to complete the required Return of Title IV Funds calculation to determine the percentage of federal aid the student earned and the percentage of aid that must be returned to the Department of Education. The school has 45 days from the date it determined that the student withdrew to return any required federal aid. If the student will be required to return any federal aid themselves, the school will notify the student within 30 days.

Student Expenses

If the student has earned more aid than has been disbursed and is eligible for a post-withdrawal disbursement of federal aid, the school must advise the student or parent within 30 days.

The federal Return of Title IV Funds calculation is based upon the concept that students earn their federal financial aid in proportion to the amount of time in which they are enrolled. Aid is approved by the semester as a whole, and refund calculations for online students will use the semester as a whole to determine completion. Once 60% of the semester is completed, or once an online student successfully completes at least one course that spans at least 49% of the semester, the student is considered to have earned all federal financial aid and will not be required to return any funds.

Ouachita Baptist University does not allow students to take a Leave of Absence during a semester.

Institutional and Student Responsibility in Regard to the Federal Return of Title IV Funds policy

Student Financial Services' responsibilities in regard to the Return of Title IV Funds policy:

1. Provide each student with the information given in this policy;
2. Identify students affected by this policy and complete the Return of Title IV Funds calculation;
3. Inform the student of the result of the Return of Title IV Funds calculation and any balance owed to the University as a result of a required return of funds;
4. Return any unearned Title IV aid that is due to the Title IV programs and, if applicable, notify the borrower's holder of federal loan funds of the student's withdrawal date;
5. Notify student and /or parent borrower of eligibility for a Post-Withdraw Disbursement, if applicable;

The student's responsibilities in regard to the Return of Title IV Funds policy:

1. Become familiar with the Return of Title IV Funds policy and how withdrawing from all courses will affect eligibility for federal aid;
2. Resolve any outstanding balance owed to Ouachita Baptist University resulting from a required return of unearned federal aid.

The procedures and policies listed above are subject to change without advance notice.

The Office of Student Financial Services provides a comprehensive program to assist students in securing federal, state, and private financial assistance.

Financial Aid Application Process

Students wishing to be considered for financial aid should complete the Free Application for Federal Student Aid. The FAFSA is required to determine eligibility for federal and state aid. The application, available at fafsa.gov, is typically available on October 1 each year for the coming academic year and uses tax information from two years prior.

Information about private scholarship opportunities is available online at www.obu.edu/finaid/private/.

Ouachita does not offer university scholarships to students enrolled in our online programs. Discounts are reflected in the hourly online rate.

State Aid

Arkansas Academic Challenge Scholarship: The Challenge Scholarship is provided by the Arkansas Department of Higher Education to Arkansas residents who earn a 19 on the ACT, maintain a 2.5 GPA, and earn 15 hours of college credit each semester. This scholarship offers \$1000 in the first year, \$4,000 in the second and third year, and \$5,000 in the student's fourth year of school. Students apply at www.sams.adhe.edu.

Arkansas Governor's Distinguished Scholarship: Scholarship awarded to Arkansas residents who earn a 32 superscore on the ACT and who maintain a 3.25 GPA.

Arkansas Military Dependent Scholarship: Provides a scholarship to dependents and spouses of Arkansans who were killed or missing in action or who were prisoners of war or who are totally and permanently disabled. Visit www.sams.adhe.edu/scholarships for more information.

Arkansas Rehabilitation Services: Provides assistance for college and vocational training to students with disabilities. More information can be found at dws.arkansas.gov/ar-rehabilitation-services/field-services.

Veterans Educational Benefits

Veterans, spouses, and dependents must apply for educational benefits through the Department of Veterans Affairs, and once approved, provide a copy of their VA Certificate of Eligibility to the Office of Student Financial Services at Ouachita.

Chapter 33 / Post 911 GI Bill – provides a tuition and fee payment to the school. This amount can only be applied to tuition and fees at the school. It is not cash refundable to the student. Some recipients may also receive a monthly housing allowance paid to the student directly from the VA.

Other benefit programs pay a monthly stipend directly to the student. Visit www.va.gov/education for more information regarding educational benefits for veterans and their dependents.

Grants

Federal Pell Grant: federal grants to students with financial need based on FAFSA information.

Grants-in-Aid: scholarship to selected athletes in keeping with regulations of the NCAA Division II, Great American Conference, and OBU Athletics.

Federal Supplemental Educational Opportunity Grant (FSEOG): Federal grants which are intended to assist students with exceptional financial need based on FAFSA information. Priority is given to Pell Grant recipients, subject to availability of funding.

TEACH Grant: The Teacher Education Assistance for College and Higher Education (TEACH) Grant is a federal grant offered to students completing course work needed to begin a career in teaching and who agree to complete a teaching service obligation. A 3.25 GPA is required for eligibility. (If service obligation not met, grant is turned into an unsubsidized loan).

Loan Programs (Student and Parent)

Federal Direct Loans: low-interest loans made to students attending school on at least a half-time basis. Awards may not exceed the cost of education. The Federal Direct Loan Program offers two types of loans based on FAFSA information: *Subsidized* Federal Direct Loan and *Unsubsidized* Federal Direct Loan. Interest rates are fixed for the life of the loan, and the rate is tied to the date the loan is first disbursed.

Subsidized Federal Direct Loans are awarded to undergraduate students only, based on financial need. Interest is paid by the Federal government during time of enrollment.

Unsubsidized Federal Direct Loans are not awarded based on need. This program enables students, regardless of income, to obtain a low-interest student loan. Interest accrues even during times of enrollment on this type of loan.

First-time borrowers are required to sign a Promissory Note and complete an on-line Student Loan Entrance Counseling session prior to receipt of the first disbursement of loan funds.

Federal Parent PLUS Loan: low interest loans made to parents of dependent undergraduate students attending school on at least a half-time basis. This loan may not exceed the student's cost of attendance minus other financial aid. The interest rate is fixed for the life of the loan.

Federal Graduate PLUS Loan: low interest loan made to graduate level students attending school on at least a half-time basis.

Private Alternative Loans: loans offered to students or parents through private lenders as an alternative or an addition to federal loans. The interest rate on a private loan is determined by the borrower's credit. A list of private lender options can be found at www.obu.edu.

Initial and Continuing Eligibility

To receive financial assistance, a student must be a regularly enrolled undergraduate student who is carrying twelve or more hours per semester and three or more hours if attending a summer term, and who is making satisfactory academic progress (defined later). A student must not owe repayment of a Pell Grant or Supplemental Educational Opportunity Grant, and must not be in default on a federal student loan or parent loan received at Ouachita or any other school. Students attending at least half time can receive a prorated amount of federal aid, but not OBU aid, and typically not state aid.

Combining Scholarships

STATE AID: Arkansas Challenge Scholarships and Governor's Distinguished Scholarships can be applied to outstanding tuition, fees, room and board charges.

VETERANS BENEFITS: Chapter 33 Tuition payments can only be applied to tuition and fee charges.

Note: Ouachita's Student Financial Services Office will follow awarding guidelines for each type of scholarship. Students cannot receive a combination of scholarships intended only for tuition, fees, room and board charges that exceed the total of tuition, fees, room and board.

FEDERAL and PRIVATE AID: Federal and Private aid sources can be combined with scholarships up to the total Cost of Attendance (tuition, fees, room, board, and additional living expenses)

Disbursement Method for Online Programs

Financial aid for the semester will be split between the two online terms per semester as long as the student meets disbursement eligibility criteria in each term. Aid will be applied to tuition at the beginning of each term that the student is enrolled. The maximum financial aid awarded from all sources shall not exceed Cost of Attendance set forth by the University.

Pell Grant disbursement criteria: the student must be enrolled in at least three credit hours. Pell grants are available to undergraduate students only. Students enrolled in less than 12 hours are eligible for pro-rated annual amounts based on semester course load. The student must meet all federal eligibility requirements. Pell grants for our summer term requires 6 hours.

Federal Loan disbursement criteria: the student must be enrolled at least half-time (six hours per semester). Loan amounts will not be disbursed until the student starts 6 hours. For example, if an undergraduate online student enrolls in only 3 hours in Fall Term 1, and 3 hours in Fall Term 2, no amount of loan would be disbursed until Fall Term 2 begins.

Financial aid will be credited to the student's account by Student Financial Services. If the amount of aid disbursed exceeds the total charges, the student will be credited with difference. If total aid is less than charges, the student will be expected to pay the difference. Changes in program funding, additional financial aid, and failure to maintain guidelines or satisfactory progress, may cancel or revise a student's approved financial aid. The University reserves the right to adjust financial aid packages.

Satisfactory Academic Progress

Federal regulations require students who are receiving financial aid to make deliberate and measurable progress toward the completion of their degree in order to continue to receive financial aid. This requirement is referred to as Satisfactory Academic Progress.

Quantitative Progress

Full-time students are expected to complete degree requirements at Ouachita Baptist University within 4 years. Completion of a minimum of 6-9 credit hours each term (or 15 hours per full semester) is necessary to graduate within that time period.

Students will be eligible to receive federal financial aid for up 150% of their degree program's published length. These limits are prorated for longer periods of time for students enrolled less than full-time. Federal student aid recipients are considered to be making satisfactory progress if they meet the following quantitative requirements:

By the end of the:	Credit Hours Completed if full-time	Credit Hours Completed if three quarter-time or less
1 st Academic Year	21	12
2 nd Academic Year	42	24
3 rd Academic Year	63	36
4 th Academic Year	84	48
5 th Academic Year	105	60
6 th Academic Year	120	72

The number of credit hours completed will be reviewed at the end of the spring semester each academic year. Students who fail to meet the minimum standards will be suspended from receiving financial aid until the deficient credit hours are satisfactorily completed. Summer credits may be counted toward meeting requirements for the previous academic year.

A course in which a grade of "incomplete" is assigned will not be used to meet course load requirements. If the incomplete is changed to a passing grade, it will be recorded in the term during which the course was taken and will then apply to the requirements.

Transfer credits will be counted as part of the cumulative GPA and quantitative progress towards a degree. Withdrawals, repetitions, and noncredit remedial courses will not be used to meet course load requirements.

Students receiving financial aid who reduce their course loads after enrollment must contact Student Financial Services.

Qualitative Progress

Student aid recipients must also maintain minimum cumulative grade point averages consistent with requirements for graduation to remain eligible for federal aid. These requirements are based upon an escalating scale of cumulative GPA as follows:

Freshman (0-28) 1.7	Junior (59-88) 1.9
Sophomore (29-58) 1.8	Senior (89-up) 2.0

Students are required to achieve a C average by graduation. C average is defined as a 2.0 on a 4.0 scale. Grade point averages will be reviewed at the end of the spring semester each academic year. Students must have the required grade point at the end of the term or they will be suspended from receiving financial aid until such time as they have achieved the required GPA.

Federal Aid Suspension & Appeal Process

Ouachita will review satisfactory academic progress at the end of the spring semester each academic year. Failure to maintain satisfactory academic progress will result in immediate suspension of federal aid eligibility.

Students who feel that mitigating circumstances (injury, illness, death of relative, special circumstances) prevented them from making satisfactory academic progress may appeal the decision to suspend their financial aid eligibility in writing to the Director of Student Financial Services. Written appeal must explain why the student failed to make satisfactory progress and what has changed in the situation that will allow improvement during the subsequent semester.

A successful appeal will result in student aid eligibility being reinstated and the student being placed on financial aid probation for one payment period. Notification will be provided in writing to the student upon approval or denial of an appeal. An appeal will not be approved beyond one payment period.

University will review student academic progress for those placed on financial aid probation at the end of one payment period and will fully reinstate aid eligibility if satisfactory progress requirements are being met or suspend federal aid if progress has not been reestablished.

If students are denied aid because of lack of satisfactory progress, courses must be taken at student's own expense until minimum number of hours and/or the required GPA has been reached. Once the required number of hours and/or GPA has been attained the student must inform the Director of Student Financial Services in writing for aid to be reinstated.

Admission

Students may apply online at www.obu.edu/apply/. A certified high school transcript must be on file with the University prior to admission. Specific admission requirements are listed below.

Ouachita recommends **but does not require** the following high school course units for success at the college level: four in English; three in social science with American History and World History recommended; two in Natural Science preferably selected from Biology, Chemistry, and/or Physics; two in Mathematics with Algebra I and Geometry recommended; and at least two units in one foreign language.

Requirements for High School and Home School Graduates

The University will consider for regular admission to online degree programs a student who:

1. Submits a completed application for admission,
2. Submits an official transcript from high school, and
3. Satisfies at least one of the following requirements:
 - A minimum high school grade point average (GPA) of 3.2 on a 4.0 scale
 - A minimum ACT composite score of 20 or SAT score of 1030.

Students who have earned fewer than 12 hours of college credit must have a high school grade point average (GPA) of at least 3.2 on a 4.000 scale. Students with at least 12 hours of college credit need a minimum cumulative GPA of 2.000 for all colleges attended.

Requirements for Non-Graduates of High School

The University will consider for regular admission a student who is 17 years or younger who is not a high school graduate who submits:

1. A completed application for admission
2. An official transcript showing at least 16 units in high school work
3. A GPA of 3.200 or higher on a 4.000 scale on high school work
4. A minimum ACT composite score of 20 or SAT score of 1030 or higher
5. A recommendation from one's principal, superintendent or counselor.

The University will consider for regular admission an applicant who is 18 years or older who is not a high school graduate who submits:

1. A completed application for admission
2. Scores of 150 or higher on each of the four subject areas on the General Education Development test (GED)
3. ACT composite score of 20 or higher or SAT score of 940 or higher.

NOTE: Eligibility for federal student aid is only available to students who have a high school diploma or a recognized equivalent such as a *General Education Development* (GED) certificate or students who complete a high school education in a *homeschool* setting approved under state law. Students without a high school diploma may also have limited options for state and private aid awarded to high school graduates. Contact OBU Student Financial Services with any questions related to aid eligibility.

Returning Students

The university will consider re-admission for returning online students who submit:

1. A completed application for admission if the student has been away from OBU 2 or more semesters.
2. An official transcript of all universities attended while away from OBU.
3. Returning students must be cleared with the appropriate Academic Dean and Student Financial Services.

High School Student Program

Subject to availability, high school students are allowed to take Ouachita Online classes for credit as non-degree-seeking students after their 10th grade year. The University will consider for admission a high school student who submits:

1. A completed application for admission
2. An official transcript from high school
3. A minimum ACT composite score of 20 or SAT score of 1030

Upon admission, students within the high school program are allowed to take up to 6 hours of credit at a cost of \$350.00 per hour.

Requirements for Transfer Students

Those who wish to transfer from another institution to Ouachita's online degree programs should apply for admission as transfer students and supply course descriptions for all courses taken. Transfer students may be admitted with at least a 2.000 transfer GPA, if they are eligible to return to the institution from which they came. They must declare all colleges and universities attended in the past and supply official transcripts

from each school attended. A final high school transcript must be submitted in order to receive federal aid. Arkansas transfer students who wish to receive state aid must submit ACT or SAT scores as required by the Department of Higher Education. Transfer students may use any Ouachita catalog which has been in effect since they entered college, as long as the catalog is not more than 3 years old.

Students from accredited junior or senior colleges will receive full credit for courses taken in such institutions, subject to departmental or other limitations. All grades of all college-level courses will be transferred and used in calculating the grade point average except those with D or F grades which cannot be repeated at Ouachita. Courses accepted in transfer must be consistent with the liberal arts character of the Ouachita curriculum. Ouachita will accept academic skills courses from other universities, but the number of hours required for graduation increases by the number of hours of academic skills courses.

Students transferring from educational institutions not accredited by a regional accreditation agency may enroll if they have a 2.000 GPA. Courses taken at such institutions will be evaluated to determine which courses will receive credit, and a maximum of 12 of those hours will apply toward graduation.

Transfer students who have 29 or more hours of credit are required to submit a degree plan during their first semester in residence. To earn a baccalaureate degree, transfer students must meet all requirements outlined in the Academic Information section, as well as those for the degree they seek. Sixty hours through Ouachita are required; 30 of the last 36 hours and at least 12 hours (6 junior-senior) in the major and 9 (3 junior-senior) in the minor must be taken through Ouachita.

International Student Admissions

All transfer credit must be evaluated by International Education Evaluations, Inc., <https://myiee.org/university/ouachita-baptist-university>, the evaluator of choice for our institutional needs. The deadline for submitting an application and all other required admissions documents is July 31 for fall admission, December 20 for spring, and May 1 for summer. Applicants must submit:

1. A completed application for admission.
2. The required enrollment deposit.
3. Official transcripts from all secondary or post-secondary schools attended and certified copies of the results of all standardized examinations.
4. Scores from one of the following tests: TOEFL, IELTS, ACT, or SAT. Applicants whose native language is not English must submit scores earned on the TOEFL or IELTS. Students who score 78-80 or above on the TOEFL internet Based Test (iBT), or 6.5 or above on the IELTS exam will be admitted to a degree program. Applicants whose native language is not English but who have attended secondary or post-secondary institutions with an English curriculum will be considered for exemption from the TOEFL/IELTS requirement on a case-by-case basis. Students interested in taking the TOEFL exam should go to www.ets.org or www.ielts.org for the IELTS exam.
5. Any additional requirements as published by the international programs office.

For more information, contact the Daniel R. and Betty Jo Grant Center for International Education Office, 410 Ouachita Street, Box 3777, Arkadelphia, AR 71998-0001, USA. Office phone: 870.245.5197 or e-mail international@obu.edu.

Department of Veterans Affairs

Ouachita Baptist University is an approved institution for veterans and veterans' beneficiaries training. Veterans of recent military service, widows, or children of military personnel who lost their lives in service or who are totally disabled as a result of service should contact the nearest VA Regional Office as far in advance of enrollment date as is possible for assistance in securing veterans benefits. For more information, contact Student Financial Services by email (obustudentfinancialservices@obu.edu) or telephone: (870) 245-5570.

Academic Information

Academic Honesty

In order to promote scholarly endeavor and growth within a Christian environment, Ouachita expects a high level of academic integrity from all its students. This expectation is stated explicitly in the Covenant on Academic Honor, which includes a pledge that all students are obligated to uphold. Violations of proper academic conduct constitute a severe disciplinary problem, which will result in penalties that may include expulsion from class or suspension from the University. The complete Covenant on Academic Honor, including penalties and procedures for adjudicating violations, is found in the *Tiger Handbook*.

Online Degrees Offered

The University offers the Bachelor of Arts degree online through the Schools of Christian Studies and Interdisciplinary Studies, the Bachelor of Science degree online through the School of Natural Sciences, and the Associate of Arts degree online through the School of Christian Studies. Specific requirements for these degrees appear in each school's section of this catalog.

General Degree Requirements

Evidence of good moral character, fulfillment of all general and specific academic requirements, and formal approval by the faculty are the essential conditions for receiving a degree. A student may not participate in the commencement ceremony unless all conditions have been met.

A student must successfully complete the general requirements for graduation in either the catalog in effect at the time of admission or in a subsequent one. A student out of school more than two years must re-enter under the catalog in force at that time. See requirements for transfer student admission in the Admission section.

A student desiring a second undergraduate degree from Ouachita must be admitted to candidacy by the dean of the appropriate school. At least thirty additional hours beyond those required for the first degree must be completed, and any additional requirements must be met to the dean's satisfaction. The second degree cannot be the same as the first, and a different major must be designated. All hours for the second degree must be taken in residence, but the sixty-hour residence requirement for earning a baccalaureate degree will be waived.

A student is required to be present to receive a diploma at the next commencement after completing all degree requirements. In case of extreme hardship, a person may receive special permission to be graduated in absentia, if application is made to the President before the commencement date. Commencement ceremonies will be held each May. Students who have completed all degree requirements or who are enrolled in their last course requirements are eligible to participate in the ceremony. Appearance of a name in the ceremony program is not official acknowledgement of degree completion.

Requirements for the Bachelor of Arts Degree

- 1. Interdisciplinary Studies:** All students must successfully satisfy the general requirements in the School of Interdisciplinary Studies.
- 2. Majors and Minors:** A major consists of at least 24 hours, with at least 12 on the Junior-Senior level. See residence requirements (number 6 below).
A minor consists of at least eighteen hours, with at least six hours on the Junior-Senior level. The minor requirement may also be met with a second major. The requirement for a minor applies to the B.A. and B.S. degrees, except where otherwise noted.
Specific requirements for majors appear in departmental listings.
- 3. Grade Point Average:** A student must have 24 hours with grades of C or higher in the major and must achieve a GPA of 2.000 overall and in all Ouachita work, as well as in the major.
- 4. Hours Requirement:** A minimum of 120 semester hours is required for graduation.
A maximum of 4 hours of music ensembles and 2 hours of physical education activities courses may count toward the 120-hour requirement.
The number of hours required for graduation is increased by the number of hours taken in Academic Skills (ASKL) courses.
- 5. Junior-Senior Hours:** A student must complete a minimum of 39 hours of courses from the 3000/4000 level. At least 12 must be in the major and, if applicable, 6 in the minor.
- 6. Residence Requirement:** Only courses for which a student is enrolled through Ouachita count toward the residence requirement. A baccalaureate degree requires 60 resident hours, including 30 of the last 36. At least 12 in the major and 9 in the minor must be taken through Ouachita. A minimum of 12 junior-senior hours in the major and minor must be taken through Ouachita. Of those 12, at least 6 must be in the major and at least 3 in the minor. (See page 31 for requirements for the [Interdisciplinary Studies Degree Completion Program](#).)

Requirements for the Associate of Arts Degree

- 1. Hours Requirement:** Students must earn at least 61 credit hours, including 26-28 hours required in the Core Curriculum, 27 hours of required Christian Studies courses, and 6-8 elective hours.
- 2. Grade Point Average:** Students must achieve a minimum 2.000 GPA overall and for all Ouachita courses.

3. Residence Requirement: Only courses for which a student is enrolled through Ouachita count toward the residence requirement. At least 30 hours must be completed through Ouachita.

Academic Advisors

Ouachita provides guidance for one's studies in two ways: (1) by the admission and degree requirements explained in this catalog, and (2) by faculty members or staff who advise individual students toward their educational and vocational objectives. Online students will be advised by staff. Students in the Online RN to BSN program will be advised by Department of Nursing faculty.

Registration

Students who have been officially admitted to the university's online degree programs may enter at the beginning of any regular term. Students should pre-register during the specified registration period, but only a student's official advisor may perform that function. Late registration is discouraged and is normally not allowed after the second day of classes. Students registering after the first day of classes will pay a \$20 fee for each day late, up to a total of \$40. Students must complete initial registration for a regular term by 5:00 PM on the second day of classes and may add a class until 5:00 PM on the fourth day of classes. Registration is not complete until the student has arranged payment of charges with Student Financial Services.

A student must be officially registered for a course in order to earn credit for the course.

Changes in Registration

The last day to drop, add or withdraw from a course appears in the official [Ouachita calendar](#) at the beginning of this catalog and on the University's website.

Students may request to drop, add or withdraw from a course through their INFO portal.

The distinction between dropping and withdrawing is as follows: A course which the student has officially dropped will not appear on the student's record. A course from which the student has officially withdrawn will be assigned a final grade of W.

Failure to participate without officially withdrawing from a course will result in a grade of F.

Definition of the Credit Hour

The credit hour, the basis for accreditation of academic work, typically represents one fifty-minute recitation or its equivalent per week for one semester. One recitation period presumes that the student must spend at least two additional hours in preparation, laboratory work, or both.

Academic Load

The average course load is 6 hours per eight-week term. A student carrying more than 7 hours per term must have permission from the academic dean of the school in which he or she is enrolled. Loads over 10 hours per eight-week term or four hours in a three-week term will not be allowed.

In any term, students may not register for more than 2 courses under the same instructor unless they have the approval of the dean of the school.

Concurrent Enrollment

A student may not simultaneously register in another school without written prior permission of the Vice-President for Academic Affairs. The student's term load will be determined by the total number of hours attempted in all institutions and is subject to the limits explained above. Students must receive written approval prior to enrolling for courses at another college or university in person, online, or by correspondence. The approval form is available online.

Students are expected to take all courses offered by Ouachita through Ouachita unless there is an irreconcilable schedule conflict.

Repeating Courses

A student may repeat a course in which a D or F has been previously recorded. The second and any succeeding grades will be used to calculate the grade point average, though all grades will appear on the transcript. If a student repeats a course in which a C or better has been recorded, both grades will be included in the GPA, though credit hours will be recorded only once. Courses being repeated count toward the semester course load.

Classification of Students

An undergraduate student is not entitled to class privileges until certified by the Registrar as a member of that class. A student becomes a sophomore after earning 29, a junior after earning 59, and a senior after earning 89 semester hours.

Academic Information

Class Standing	Freshman	Sophomore	Junior	Senior
Hours Earned	0 – 28.5	29 – 58.5	59 – 88.5	89 – and above

Degree Plan

A student must submit a degree plan in the appropriate dean's office as soon as the degree objective is decided. A degree plan is the official declaration of a student's major. Students may not participate in registration, including pre-registration, for their first term classified as a junior until a declared degree plan is on file with the school dean.

The student prepares a degree plan stating curriculum objectives—including courses in the Online Core Curriculum, the major, the minor (if applicable), and electives—to meet all degree requirements. The degree plan, developed in consultation with the academic advisor, becomes the program which, if completed successfully, leads to the conferring of the desired degree.

The student is responsible for the content and successful completion of the degree plan. Since the advising program and the degree plan are aids in meeting degree requirements, it is advantageous to submit as early as possible.

Graduation Check

In order to verify that a student has met all requirements for graduation, a Dean's Degree Check and a Graduation Check must be conducted. These checks are to be done in the semester prior to the student's semester of graduation. The following steps must be taken:

1. A Dean's Degree Check must be completed by the dean of the student's major. After it is established that the student meets all graduation requirements, the student makes an appointment with the Registrar's Office for a Graduation Check.
2. A final Graduation Check must be conducted by the Registrar's Office.

It is the student's responsibility to make appointments for the Dean's Degree Check and the Graduation Check. Students will not be considered for graduation until both steps are complete.

Correspondence Courses

A student may take no more than 6 hours by correspondence. The student must obtain prior approval from the chair of the department in which the course is offered and from the dean of the school. The final course grade for a graduating senior must be submitted to the Registrar prior to the beginning of the student's final semester. Correspondence courses are not classified as Ouachita courses for the residence requirement. Permission forms are available online.

Residential Students

Online degree-seeking students are given priority for enrollment in courses offered through Ouachita Online. Residential students are normally allowed to take only one online course each regular semester, subject to availability. In the case of two-part courses taught in sequence during the first and second terms of the same semester (e.g., Elementary Spanish I and II), students may take both courses without seeking special permission. This limitation does not apply to courses taken during online summer terms.

Under exceptional circumstances, a residential student's academic dean may approve more than one online course in a semester when the following conditions are met.

1. The student must be in his or her last semester before graduation and
2. The course must be required for graduation and
3. The student must have a minimum GPA of 2.0

Tuition for these courses will be charged at the current rate for resident students.

Because of the complexity of federal aid compliance, students are allowed one internal transfer during their tenure at Ouachita. Internal transfers are transfers within our two campuses: Residential and Online.

Internal transfers to the online program must pursue one of the degrees offered through Ouachita Online. Students transferring from the residential program who have completed less than 2/3 of the course requirements for their degree are charged at the online rates and are not eligible for Ouachita aid. Students who have completed more than 2/3 of the course requirements for their degree are charged at the residential student rate and retain the aid eligibility status they held at the time of the internal transfer.

Residential students who have been out of school a minimum of 2 semesters and lack 12 hours or less to complete a residential degree may enroll in online courses to complete their degree requirements. These students will be charged online rates but will not be eligible for federal or

institutional financial aid and will not be considered online degree-seekers. Residential students who have been out of school a minimum of 2 semesters and lack 12 hours or less to complete one of the degrees offered through Ouachita Online may transfer to the online program, be charged online rates, and will be eligible for federal aid but not institutional aid.

Residential students with extenuating circumstances may appeal this policy in writing to the Online Exceptions Committee. Appeals should be submitted to the Academic Affairs Office.

Credit by Examination

Ouachita grants degree credit on the basis of a number of advanced-standing examinations. The total credit by examination which may be counted toward a four-year degree may not exceed 30 hours, and not more than 9 of these may be counted in the major, nor 6 in the minor. The total credit by examination which may be counted toward a two-year degree may not exceed 15 hours, and not more than 6 of this may be counted in the concentration. For courses passed by examination, credit but no grade is recorded.

A student may not receive credit by examination in a course if more advanced work has been taken in that subject, or if a grade below C has been recorded in a course which is prerequisite to the course in which credit is sought.

College Level Examination Program: The Subject Tests may yield equivalent credit when evaluated by the appropriate department chair. Credit will be awarded only for CLEP Subject Examinations. Please refer to www.obu.edu/academics/ap-and-clep-credit.php for a list of appropriate Subject Tests and specific score requirements. In order for CLEP credit to be accepted for degree requirements, the student must submit test scores for review prior to achieving senior standing (i.e., earning 89 or more credit hours).

Tests may be scheduled and taken at any CLEP Center. Official score reports should be sent to the Office of Academic Affairs at Ouachita, center number 6549.

International Baccalaureate Program: Credit may be granted for a score of 5 or higher on the higher level examinations. The Department of Math and Computer Science and the Department of Biblical Languages may consider awarding credit for a score of 5 or higher on the standard level examinations. Scores should be reported to the Office of Academic Affairs at Ouachita.

Ouachita Credit Examinations: In subjects in which no CLEP subject test is available, a student may receive credit in a course by passing an examination given by the chair of the department in which the course is offered. Permission must be obtained from the dean of the school in which the student is enrolled, and a non-refundable fee of \$50 per credit hour must be paid to Student Financial Services in advance.

After the examination is completed, the instructor must submit the examination papers, signed application, and fee receipt or fee receipt number to the dean of the school. The dean of the school is responsible for having the credit recorded in the Office of the Registrar. The examination must be completed with a grade of C or above to receive credit. If the examination is successfully completed, credit but no grade will be recorded on the transcript.

Advanced Placement: The University awards credit for successful performance on the Advanced Placement program of Educational Testing Service as determined by the appropriate Ouachita Department faculty. Please refer to the following web page for specific score requirements: <https://www.obu.edu/academics/ap-and-clep-credit.php>. Tests are given by the high schools in May of each year. Inquiry should be made directly to the teacher of the course or the principal of the high school. Scores should be reported to the Office of Academic Affairs at Ouachita.

Course Offerings

All courses are typically open to all students, subject to any prerequisites or restrictions listed in the course description. Every effort is made to offer courses during the semesters specified in the catalog.

The University reserves the right to withdraw, add or change courses.

The schedule of classes is available online at least one week in advance of pre-registration. For specific information about all course offerings, contact the Office of Academic Affairs.

Numbering of Courses of Instruction

A four-digit number is assigned to each course in the university curriculum and is unique within the department or school that lists the course. Half-credit courses are indicated by a 5 following the decimal point.

The first digit of the course number indicates the course's academic level:

- 1__ Primarily for freshmen.
- 2__ Primarily for sophomores.
- 3__ Primarily for juniors.
- 4__ Primarily for seniors.
- 5__ Graduate-level, though approved undergraduate students may enroll (see "Undergraduates Taking Graduate Courses," below).
- 6__ Graduate-level, for graduate students only.

The second and third digits usually designate the order in which the course is to be taken in relation to other courses in the same department. For example, CORE 1113 should be taken before 1123. Special middle digits 70-99 are used to indicate special categories of courses. For example,

Academic Information

70-79 are used for variable topics courses in some departments; 80-96 for special courses, individual studies, and workshops; and 98 for Honors Directed Studies, Seminars and Thesis. For example, HNRS 2981 indicates an Honors Directed Study.

The fourth digit (and fifth, in some instances) indicates the amount of credit assigned to the course. For example, CORE 1023 indicates that three semester hours are attempted and, if successfully completed, earned. MUEN 1000.5, Concert Choir, indicates one-half hour.

Undergraduates Taking Graduate Courses

Subject to availability, undergraduate students may take up to six (6) hours of graduate credit. Such credit may be earned only in 5000-level courses and will be recorded on the graduate transcript. Students must have senior standing, a 3.0 GPA, and must receive permission from the dean and graduate program director.

Prior to enrolling in any graduate course, undergraduate students are encouraged to contact Student Financial Services to determine how doing so will affect their account, including charges for tuition and fees and all forms of financial aid. A graduate course fee may be assessed for undergraduates taking graduate courses.

Special Courses and Individual Studies

Special studies, readings, and research courses are available in many departments. The purposes of these studies are enrichment of the curriculum, involvement in current issues, employment of expertise of resident or visiting scholars, and study of topics not included in standard courses. For special courses, topics may be proposed by an instructor and 3 students by application. For individual studies, topics may be proposed by an instructor and one student by application. Application forms are supplied by the dean of the school and must be completed by mid-semester prior to the projected course offering. Applications should describe succinctly the study's bounds, the research design, or the creative work to be undertaken. If approved by the department chair and the dean of the school, the course will appear in the regular class schedule. The course name should be a brief but accurate description of the study's subject and should not parallel another course in the catalog. A student may take a maximum of 12 hours in such courses but not more than 8 of these in the major.

A special course may be offered on a Satisfactory-Unsatisfactory basis when recommended by the department chair and approved by the dean of the school. Successful completion of a course so offered will not contribute to the required 2.0 GPA in the major or minor.

Courses by Conference

In special cases, seniors who lack required courses which are not currently scheduled and for which no suitable substitution can be found may take catalog courses by conference. They must secure in advance of registration the consent of the instructor, the departmental chair and the dean of the school.

Grades

Scholastic achievement at Ouachita is indicated by these symbols:

- A indicates superior work.
- B indicates good work.
- C indicates average work.
- D indicates the minimum standard for passing.
- F indicates failure to achieve a passing quality of work.
- I indicates that a student's required work is incomplete and is given at the discretion of the instructor for good and sufficient reason.
- W indicates that the student officially withdrew from the course.
- S indicates credit for work done under the Satisfactory-Unsatisfactory policy (below) which will not carry quality credits or affect the GPA.
- U indicates unsatisfactory work in a non-graded course and calculates as an "F" in the GPA.
- CR indicates credit awarded, but not calculated in the GPA.

Satisfactory-Unsatisfactory Policy:

Junior and senior students with a cumulative GPA of 2.000 or higher may take 2 elective courses on a satisfactory-unsatisfactory basis with prior approval of their instructor, advisor, and dean. The student will be assigned the grade of S (credit, satisfactory performance) or U (no credit, unsatisfactory performance), with S assigned for work at the level of C or better except for Honors courses, which require a minimum standard of B. An unsatisfactory grade (U) will be calculated as an "F" in the GPA. Permission to take an elective course on a Satisfactory-Unsatisfactory basis must be obtained during the first 5 days of a regular term, or during the first 2 days of a winter or May term. The enrollment status may not reverse after the sixth day of a regular term, or the first two days of a summer term.

Internships and special courses may be offered on an S-U basis when recommended by the department chair and approved by the dean of the school.

Change of Grade Policy

Instructors may change final grades as soon as they discover an error. A grade that has been allowed to stand unchallenged past Monday of the tenth week of the next semester is considered final.

Quality Credits and Grade Point Average

Quality credits are assigned to the grades on the following formula: the number of semester hours credit times 4 for an A, 3 for a B, 2 for a C, and 1 for a D, and none for an F or U.

The GPA is calculated by dividing the sum of quality credits by the sum of attempted hours for grades A through F and U and carried to 3 decimal places.

GPA requirements for graduation are 2.000 cumulative on all course work, 2.000 on all Ouachita course work, 2.000 in the major, and 2.000 in the minor. Specific departments may have additional GPA or course grade requirements.

Academic Honors Recognition

The honor roll compiled at semester's end lists the names of undergraduates whose grade records are considerably above average. The minimum qualifying quality credit average is 3.500 or above on those courses for which credits are given. Students who have a 4.000 GPA are named to the President's List. Students who have a GPA of 3.500 up to 3.999 will be placed on the Dean's List. To be eligible for the President's or Dean's Lists, a student must not only have the stipulated quality credit average but also must be registered for at least twelve hours of academic courses and have no incomplete or failing grade for the semester.

Graduation with honors is accorded to graduates who achieve at least a 3.500 overall GPA for both their college careers and their work at Ouachita. Graduation with honors is based on the following levels of achievement:

Cum Laude	3.500-3.749 cumulative and OBU GPAs
Magna Cum Laude	3.750-3.949 cumulative and OBU GPAs
Summa Cum Laude	3.950 or higher cumulative and OBU GPAs

May Commencement participants who complete degree requirements the previous August or December are recognized based on their final GPAs. Students who will complete degree requirements at the end of the spring semester are recognized at the May ceremony based on their GPAs at the end of the previous fall term.

Academic Probation

Academic Probation is the status of a student whose academic performance is below minimal standards.

A student will be placed on Probation I when the following requirements are not satisfied:

Minimum standards for students seeking four-year degrees:

Cumulative GPA of 1.700	0 – 28.5 semester hours
Cumulative GPA of 1.800	29 – 58.5 semester hours
Cumulative GPA of 1.900	59 – 88.5 semester hours
Cumulative GPA of 2.000	89 and above semester hours

Minimum standards for students seeking two-year degrees:

Cumulative GPA of 1.700	0 – 15 semester hours
Cumulative GPA of 1.800	16 – 29 semester hours
Cumulative GPA of 1.900	30 – 44 semester hours
Cumulative GPA of 2.000	45 and above semester hours

After grades are posted at the end of the second fall and spring terms, the student, advisor, and Registrar will be notified of the student's placement on Probation I, Probation II, or Academic Suspension.

Probation I

A part-time student who does not meet the above minimum standards will be placed on Probation I when the attempted hours reach the equivalent of a full load (12 hours). Students placed on Probation I must complete a diagnostic reading examination and, if examination results so indicate, enroll in ASKL 1031 Fundamentals of Reading or ASKL 1041 Developmental Reading.

Academic Information

A student on Probation I, as a condition of registration, shall have passed or be enrolled in ASKL 2001 Success Seminar and repeat such courses with D or F grades that will contribute most to the requirements of a degree. A student may repeat a course in which a D or F has been previously recorded. The second and any succeeding grades will be used to calculate the GPA.

The academic load of a student on Probation I must not exceed 15 hours, except by permission of the Director of the Academic Success Center. The student's program of study should help that student attain regular academic status.

Probation II

A student on Probation I status whose semester GPA is less than 2.000 or who does not raise the cumulative GPA to meet the above minimum standards will be placed on Probation II. A part-time student on Probation I status whose semester GPA is less than 2.000 or whose cumulative GPA does not meet the above minimum standards after the next 12 hours will be placed on Probation II.

A student on Probation II, as a condition of registration, shall have passed or be enrolled in ASKL 2001 Success Seminar, repeat such courses with D or F grades that will contribute most to the requirements of a degree, and sign a contract of participation in the Student Retention Program. A student's failure to honor the contract will be grounds for being asked to withdraw from school.

The academic load of a student on Probation II must not exceed 15 hours, except by permission of the Director of the Academic Success Center. The student's program of study should help that student attain regular academic status.

Academic Suspension

A student on Probation II status whose semester GPA is less than 2.000 or who does not raise the cumulative GPA to meet the above minimal standards will be placed on Academic Suspension. A part-time student who is on Probation II status whose semester GPA is less than 2.000 or whose cumulative GPA does not meet the above minimal standards after the next 12 hours will be placed on Academic Suspension.

While on Academic Suspension, a student may not earn credit to be transferred to Ouachita.

After being placed on Academic Suspension status, a student may apply for readmission following a lapse of at least one regular semester. At the Deans' Council's discretion, a student on Probation II whose semester work would result in Academic Suspension may be considered for immediate readmission if the student has attempted 89 or more semester hours and makes a semester GPA of 2.000 or better. In all cases, written application to the Deans' Council for readmission must state reasons for desiring reinstatement and plans for remedying academic deficiencies.

A student who has been suspended for academic reasons and readmitted to the University will be placed on Probation II status.

Regaining Regular Academic Status

A student on Probation I or Probation II may attain regular academic status by meeting the following conditions:

1. Achieve a semester GPA of 2.000 AND raise the cumulative GPA to meet the minimal standard as stated above. For the purpose of attaining regular academic status, the GPA will be calculated at the end of the fall and spring semesters.
2. Maintain a minimum course load of 12 semester hours during the semester or 9 semester hours during the summer terms if a full-time student, or accumulate attempted hours equal to a full-time load (12 hours) if a part-time student.

Academic Appeals

Any student seeking an exception to academic policy may petition the Deans' Council. Forms are online at <https://www.obu.edu/registrar/>. The Deans' Council will notify the student in writing of its decision. Referrals or appeals from the Deans' Council to the President must be made in writing, with all pertinent records and reports included. No appeal will be considered until all materials are furnished. The President's response to the referral/appeal will be made in writing to the student, with copies to members of the Deans' Council, Registrar, and Vice President for Academic Affairs.

Grade Appeals

A final grade assigned in a course may be challenged by the student through Monday of the tenth week of classes of the next full semester. A formal grade appeal will not be considered until the student has first informally communicated with the instructor. If informal communication has not resolved the issue, the student may submit in writing an appeal first to the instructor, then, in sequence, to the department chair, dean, and Vice President for Academic Affairs. If the appeal is denied at each level of review, the student may submit a final written appeal to the University Registrar, who will convene a three-person subcommittee of the Curriculum and Academic Standards Committee to consider the appeal. This subcommittee will not include any member previously involved in the appeal. The results of this subcommittee's decision are final.

Class Attendance

Students are expected to attend all classes in which they are enrolled. Participation policies for particular classes are at the discretion of the individual faculty member.

Withdrawal from the University

A student may withdraw voluntarily or at the request of the University. The student may be asked to withdraw if

1. it is determined that the student's actions or attitudes are unworthy of a good campus citizen;
2. his or her scholastic record falls below normal expectations or for failure to regain regular academic status, as explained the Academic Probation section; or
3. the student's financial record is unsatisfactory to the University.

When a student withdraws from the University for any reason, that student must communicate with the director of the online degree program. From that point, clearance will be obtained from Student Financial Services, Library, and other check points. Any student who withdraws or is suspended will no longer have access to Ouachita Online resources. Instructors will assign letter grades to any student who withdraws from the University after the last day to withdraw from a course designated in the school calendar.

Transcripts

A student requesting an official transcript should make a request at www.obu.edu/registrar. Telephone requests are not accepted. Transcripts are issued only at the student's request. The request must be approved by both the Registrar and the Student Financial Services office. No transcript is issued to or for a student who is in debt to the University until such indebtedness has been paid in full. Release of student academic records is subject to the provisions of the Family Educational Rights and Privacy Act (FERPA).

Academic Success Center

Ouachita provides the Academic Success Center to help students become independent and efficient learners so they are better equipped to meet the University's academic standards and attain their educational goals. This center challenges and encourages all students to become actively involved in their learning.

The purpose of the Academic Success Center is to provide students with the resources to succeed in college by maintaining a program of support services that addresses their educational needs. The Center provides resources for students facing difficulties in the following areas: homework, classroom concepts, study skills, time management, note-taking strategies, or simply assisting in their transition from high school to college. The Center offers a variety of services such as tutoring, success courses teaching study skills, workshops, and one-on-one meetings with the Student Success Coordinator. The Academic Success Center staff is committed to helping underprepared students prepare; prepared students advance; and advanced students excel.

Internships

The University offers credit-bearing internships to foster a learning environment which combines classroom theory with practical experience. The department offering the internship will determine (a) the minimum prerequisites for participation, (b) the number of credit hours assigned for the internship, and (c) the number of hours that may apply toward a major or minor. However, not more than six (6) internship hours will apply toward graduation. All internships are graded on a Satisfactory-Unsatisfactory basis.*

Participation also requires prior approval of individuals in the University and the organization in which the internship will take place. Forms for participating in internships are available from the appropriate academic dean. Once the Academic Vice-President has approved these forms, the student must register prior to beginning the internship.

*This course will be graded on a Satisfactory-Unsatisfactory basis where Satisfactory is defined as a grade of C or higher and Unsatisfactory is equivalent to any grade below C.

School of Interdisciplinary Studies

Justin Hardin, Dean

The School of Interdisciplinary Studies offers the Ouachita Core Curriculum, a group of courses designed to foster intellectual inquiry and breadth of knowledge consistent with Ouachita's identity as a Christian liberal arts university. Furthermore, the school oversees the University Writing and Oral Communication Programs as part of its mission to cultivate knowledge and skills essential for academic success and lifelong learning. In conjunction with the seven discipline-based schools, the School of Interdisciplinary Studies promotes five of the six university-wide student learning goals (see page 6):

- Intellectual and applied skills that promote competency and lifelong learning, including articulate communication; critical and creative thinking; analytical and quantitative reasoning; scientific reasoning; and information literacy.
- Engagement with content and methods of the major domains of knowledge.
- Heightened awareness of personal and social responsibility, including the ability and inclination to practice civic engagement, ethical reasoning, personal integrity, stewardship, physical well-being, and spiritual growth.
- Appreciation for cultural diversity and development of intercultural competence for constructive engagement in both local and global contexts.
- Ability to connect learning across disciplines and apply knowledge and skills to solve problems.

Ouachita Online Core Curriculum

COMMON CORE

Required of all students, the Common Core provides a shared intellectual experience for students, introduces them to Ouachita's distinctive mission, and develops skills and intellectual frameworks necessary for continued study.

Course Descriptions

COMMON CORE

- CORE 1001. Orientation to Online Learning.**
 This course is designed to prepare students for success in the online learning experience. Topics include the Ouachita Online Program, Moodle, Academic Success online, time management, library resources, and academic integrity. Graded on a Satisfactory-Unsatisfactory (S/U) basis.
- CORE 1002. OBU Connections.**
 This course will introduce first-year students to higher education in the context of a liberal arts education. Students will develop skills necessary for academic success, explore Ouachita’s mission as a Christian college in the liberal arts tradition, and work creatively and collaboratively with peers on an intensive and interdisciplinary study of a topic chosen by the instructor.
- CORE 1023. The Contemporary World.**
 Students will examine major issues in the current world, emphasizing the development of understanding to address these issues.
- CORE 1043. Composition I.**
 Students will improve their ability to engage in written academic discourse, appropriating sources with accuracy, elegance, and integrity. Students must pass a competency examination to complete the course.
- CORE 1113. Survey of the Bible.**
 Students will survey the redemptive story of the Bible from Genesis to Revelation, emphasizing how that story shapes the Christian’s worldview and affects life decisions.
- CORE 1123. Interpreting the Bible.**
 Students will learn to recognize and develop valid interpretations and applications of the Bible.
- CORE 2233. World Literature.**
 Students will read and write about diverse texts from multiple literary traditions with particular attention to their genres and historical-cultural contexts.
- CORE 2243. History of World Societies.**
 A thematic survey of the development of and interaction between world societies, covering a broad period from the earliest Neolithic societies through the modern age. Utilizing a global systems approach, students will develop an appreciation and demonstrate understanding of major political, economic, social, cultural and ethical elements in world history, as well as the ability to critically analyze and interpret primary source and secondary material to understand and interpret historical data and relationships.
- CORE 2334. Scientific Inquiry.**
 Students enrolled in this sophomore-level course will be introduced to big ideas in natural science, will learn how scientific information is gathered and analyzed, and will use this knowledge to interact with issues of contemporary scientific importance. This course will meet three hours per week in the classroom and two hours per week in the laboratory. Prerequisite: Completion of the Analytic and Quantitative Reasoning requirement.
- CORE 3023. Scientific Connections.**
 In this course students explore how science informs human experience by applying scientific reasoning and principles to variable, interdisciplinary topics. Prerequisite: CORE 2334.

FLEXIBLE CORE

Analytic and Quantitative Reasoning Menu

- MATH 1003. College Algebra.**
A study of functions and their use in elementary data analysis and mathematical modeling. The course will include a survey of the properties and uses of linear, exponential, logarithmic, quadratic, and polynomial functions, as well as an introduction to absolute value, piecewise, and rational functions. Additional topics will include transformation and composition of functions, as well as matrices and their use in the solution of linear systems.

Applied Skills Menu

- COMM 1003. Fundamentals of Public Speaking.**
An introduction to preparing, organizing, delivering, and evaluating a speech delivered to an audience. Also listed as COMM 1003.
- FINN 2003. Personal Finance.**
Students will survey the management of personal and family finances, including budgeting, consumer buying, personal credit, savings and investment, home ownership, insurance, and retirement.

Artistic Engagement Menu

- FINA 3113. Fine Arts: Art.**
Students will examine visual expression and its cultural context from prehistory to the present. Students also will develop the analytic skills needed to confront art and architecture, fostering the awareness needed to appreciate museums, galleries, and everyday life.
- FINA 3123. Fine Arts: Music.**
Students will examine musical expression and its cultural context from prehistory to the present and enhance listening skills via a survey of the elements of music, world music cultures, the major musical stylistic periods of Western art music, and American musical genres.
- FINA 3133. Fine Arts: Theatre.**
This course explores theatre as a cultural and historic force. Students will develop an understanding of the theatrical experience as a unique art form while exploring its connection to other art forms. Students will also gain literary and critical thinking skills in relation to play scripts and theatrical performances.

Civic Engagement in America

- PSCI 2013. American National Government.**
This course explores the structure and dynamics of American national government, providing a broad-based introduction to the ideas and institutions that shape politics in the contemporary United States: the Constitution, federalism, Congress, the presidency, the judiciary, bureaucracy, political parties, elections, participation, the media, and public opinion. By cultivating a deeper understanding of how government works, the course encourages students to be informed, discerning participants in the system.
- HIST 2013. United States History Since 1877.**
Survey of the interplay of forces that have brought the evolutionary development of American economic, cultural and political institutions from 1877 to the present.

Intercultural Appreciation and Communication

- SPAN 1013, 1023. Elementary Spanish I and II.**
Introduction to the fundamentals of grammar and composition of the Spanish language, using the conversational approach.

Physical Well-being

- KIN 1002. Concepts of Wellness.**
Students will examine their fitness needs, producing an exercise program and lifetime personal fitness goals.

Interdisciplinary Studies Degree Completion Program

In the spirit of the liberal arts tradition, Ouachita offers the B.A. in Interdisciplinary Studies, an online degree completion program that allows students to engage multiple disciplines in creating a unique portfolio of learning experiences. This program offers students the flexibility to design a program of study that best serves their educational goals while utilizing prior credit earned at Ouachita or other accredited institutions. Students entering this program will have their official transcripts evaluated for appropriate application of prior earned credit and will receive guidance in maximizing prior credit to meet the following requirements for the degree.

1. The Ouachita Online Core..... 51 hours
2. Interdisciplinary Studies Major.....36 hours
 - Interdisciplinary Foundations (IDST 3003, IDST 4003).....6 hours
 - At least two areas of emphasis..... 30 hours
 - Each emphasis requires 15 hours, 9 of which must be junior/senior level courses
3. Any combination of general electives, an additional emphasis, or a minor to equal 120 hours..... 33 hours

A minor is not required for this degree.

Residence Requirement: The following policy replaces #6 under "Requirements for the Bachelor of Arts Degree" (p. 18) for this degree program. Only courses for which a student is enrolled through Ouachita count toward the residence requirement. The online B.A. in Interdisciplinary Studies requires 30 credit hours taken through Ouachita, including a minimum of 12 junior/senior hours taken through Ouachita.

Additional graduation requirements: Except for the residence requirement listed above, all other "Requirements for the Bachelor of Arts Degree" listed on page 16 must be met.

Ouachita offers the six areas of emphasis outlined below. Subject to approval, students may propose an area of emphasis not listed, provided that prior credit earned has been reviewed and accepted according to the policy on transfer credit outlined elsewhere in this catalog (p. 15) and that the emphasis meets the minimum requirements stated above. Final decisions on applicability of additional emphases will be made by the Dean of Interdisciplinary Studies in consultation with appropriate deans and departmental faculty.

Course Lists for the Emphases

Choose at least 2 Emphases, 5 courses in each; unless otherwise noted all courses are 3 credit hours:

It is viewed as an “apprenticeship” as students will be placed under a mentor in the field outside the university setting. Field experiences are generally 10 weeks in length. Coursework will be prior to and after the field experience.

Course descriptions for the Christian Studies Emphases can be viewed below in the information for Pruet School of Christian Studies.

Bachelor of Arts in Organizational Leadership

The B.A. in Organizational Leadership is a multi-faceted major designed to address the interests and needs of vocationally minded adults who desire to prepare for new employment opportunities or enhance the possibility for advancement in their current place of employment.

A minor is not required for this degree.

Residence Requirement: The following policy replaces #6 under “Requirements for the Bachelor of Arts Degree” (p. 18) for this degree program. Only courses for which a student is enrolled through Ouachita count toward the residence requirement. The online B.A. in Organizational Leadership requires 30 credit hours taken through Ouachita, including a minimum of 12 junior/senior hours taken through Ouachita.

Additional graduation requirements: Except for the residence requirement listed above, which applies only to this degree program, all other “Requirements for the Bachelor of Arts Degree” listed on page 16 must be met.

This major is built around coursework in three disciplines: Communications, Social Sciences, and Business. Subject to approval, courses in these disciplines may be substituted for courses outlined below, provided that prior credit earned has been reviewed and accepted according to the policy on transfer credit outlined elsewhere in this catalog (p. 15) and that the courses in the discipline meet the minimum requirements stated below (at least 15 credit hours). The substituted courses may represent some specific area of interest for the student. Final decisions on applicability of substitute courses will be made by the Dean of Interdisciplinary Studies in consultation with the Director of Ouachita Online.

Students who successfully complete the B.A. in Organizational Leadership will be able to:

1. Lead individuals and groups of persons to accomplish meaningful and productive goals.
2. Communicate crucial information in ways that involve other persons in thinking creatively and critically and working collaboratively toward well-reasoned solutions to important issues.
3. Employ ethical and legal practices that promote personal and corporate responsibility for the communal well-being of various social and/or commercial entities.
4. Demonstrate intercultural competence in working with diverse persons who represent a wide range of cultural or ethnic heritage, religious commitment, socio-economic status, age, and/or gender.
5. Connect with persons in various settings on an intellectual, emotional, relational, and/or personal level.

The Major in Organizational Leadership (Online) requires the completion of the University Core requirements for online degrees (51 hours), Interdisciplinary Foundations (6 hours), Communications (15 hours), Social Sciences (15 hours), Business (15 hours), Ethics (3 hours), and electives to total 120 hours.

BUAD 4083. Business Ethics.

This course develops an understanding of corporate governing boards, governance, and accountability and ethical approaches to decision making within this corporate context. Applies these ethical models and legal criteria developed from actual court cases to common situations in corporations presenting ethical problems. Prerequisite: Junior standing.

Christian Studies

PHIL4013. Christian Ethics.

A study of ethical analysis and decision-making within the context of a Christian world view.

University Writing and Oral Communication

The university writing and oral communication programs provide a structure for students to acquire and develop college-level communication skills. Articulate communication—along with the habits of thinking it requires—is one of the most important hallmarks of an educated person. The Ouachita graduate will not only be introduced to the basics of written and oral communication, but will practice these important skills in the context of their major field of study. Courses in the major that meet the writing and oral communication requirements are designated by the department and approved by the appropriate coordinator.

Writing Program

Jennifer Pittman, Administrator

Students must complete a series of three College Writing courses. In their first year, students must complete the College Writing 1 requirement by taking CORE 1043: Composition I or its equivalent. Students complete the College Writing 2 requirement by taking an approved writing course in the major, an approved writing course in the English Department, or CORE 2053: Composition II. During the junior or senior year, students will take an approved upper-level course in the major to meet the College Writing 3 requirement.

Oral Communication Program

Rebecca Jones, Administrator

All students must have an oral intensive experience that includes three components – instruction in public speaking, multiple presentations, and feedback. Departmental faculty will design, and the coordinator will approve, the structure of the oral communication experience within each major.

School Mission Statement

Grounding Affirmations:

- We are human beings created in the image of God.
- We are followers of Jesus Christ.
- We are educators who teach and affirm evangelical Christianity within a Southern Baptist context while educating students to think critically about other theological and philosophical positions.
- We advocate a servant-leader model of Christian life and ministry.
- We seek to integrate quality scholarship with a vibrant Christian faith.

In Relation to our Local Community:

- We seek to transform our local community by living as responsible citizens (i.e., loving our neighbors as ourselves), by being servant-leaders in the community, and by offering an authentic Christian witness to the gospel of Jesus Christ in both word and deed.

In Relation to Churches:

- We seek to offer a liberal arts education in the context of a Southern Baptist university under the lordship of Jesus Christ.
- We seek to be involved in Christian ministry.
- We seek to prepare students for effective Christian ministry.
- We seek to offer resources to churches and church leaders.
- We seek to edify and enhance churches.

In Relation to the Broader University Community (including students not majoring in the School of Christian Studies):

- We will serve as faculty for select Interdisciplinary Studies courses (e.g., Survey of the Bible, Interpreting the Bible, Introduction to Liberal Arts).
- We will provide a biblical, theological, and philosophical foundation for all students.
- We will promote the integration of faith and learning along with the development of a Christian worldview among administrators, faculty, staff, and students.

In Relation to the Global Community:

- We seek to increase the university's global awareness by facilitating opportunities for faculty and students to learn from other cultures.
- We seek to enhance the university's involvement in the global Christian movement to transform the world.
- We seek to encourage faculty, staff and students toward individual participation in opportunities for Christian proclamation and service.

In Relation to Christian Studies Students:

BSN Degree: Online RN to BSN Degree Completion Option (BSN-O)

The Department of Nursing at Ouachita Baptist University (Ouachita) is a Bachelor of Science in Nursing (BSN) program with two options: Dual Enrolled Registered Nurse (RN) to BSN Completion option (BSN-DE) and RN to BSN Online Completion option (BSN-O) (described in the University General Catalog). The BSN program is approved by the Higher Learning Commission (HLC).

The nursing program at Ouachita Baptist University at the Ouachita Baptist University campus located in Arkadelphia, Arkansas is accredited by the:

Accreditation Commission for Education in Nursing (ACEN)
3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326
(404) 975-5000

The most recent accreditation decision made by the ACEN Board of Commissioners for the BSN nursing program is Initial Accreditation.

The BSN-O completion program option allows students who have completed a diploma or associate degree in nursing and are licensed Registered Nurses to complete the Bachelor of Science in Nursing (BSN) degree. The BSN-O program option consists of 50-53 credit hours of general education courses from Ouachita and/or other colleges/universities, up to 40 nursing credit hours by the Arkansas Progression Model, and 30 credit hours in BSN nursing courses from the Ouachita Department of Nursing.

Practicum experiences will be conducted in community and hospital settings agreed upon by students and instructors. Ouachita nursing courses with a practicum component include a 1:1 credit hour to contact hour ratio for theory and a 1:3 credit hour to contact hour ratio for practicum. Students will have two courses with 45 practicum hours in each course over an eight (8) week period. Practicum hours in the leadership component are under the supervision of an approved preceptor. In the community practicum, a faculty member, while not on the practicum site, monitors and evaluates the student when the student volunteers in the practicum site.

Ouachita nursing courses in the BSN-O program option will be conducted 100% on-line. Online courses will be offered five (5) times per year (not all at same time). Students must earn a C or higher in all nursing courses.

Residence Requirement: The following policy replaces #6 under "Requirements for the Bachelor of Arts Degree" (p. 18) for this degree program. Only courses for which a student is enrolled through Ouachita count toward the residence requirement. The online RN to BSN Degree Completion Option requires 30 credit hours taken through Ouachita, including a minimum of 12 junior/senior hours taken through Ouachita.

Additional graduation requirements: Except for the residence requirement listed above, all other "Requirements for the Bachelor of Arts Degree" listed on page 18 must be met.

Mission of the BSN-O Completion Program Option

The BSN program at Ouachita prepares the graduate for entry into professional practice as a generalist nurse. The program is built upon the liberal arts, the philosophy of Christian ideals, nursing standards, and nursing ethics. Core values of faith, scholarship, growth, community, service, and character are emphasized. Students are prepared to utilize evidenced-based research findings to provide holistic care to diverse individual clients and communities locally and across the globe throughout the lifespan in structured and unstructured health care settings.

Program Outcomes of the BSN-O Completion Program Option

EPSLO #1 Integrate inter-professional and intra-professional skills to communicate effectively with healthcare professionals, individuals, families/groups to provide cost-effective, quality care.

EPSLO #2 Analyze appropriate concepts synthesized from the humanities, social, physical and behavioral sciences in meeting the physiological, psychological, spiritual, and sociocultural principles to foster self-growth as well as meet the needs of the individual/group or community.

EPSLO #3 Evaluate the effectiveness of competent care to individuals, families/groups, and global areas across the life span in structured and unstructured settings using critical thinking, clinical judgement, and decision making while using the nursing/research process.

EPSLO #4 Manage professional, cultural, spiritual, and ethical competent congruent care that reflects dignity and uniqueness to individuals, families/groups, and communities both locally and globally.

EPSLO #5: Assess leadership and management skills and knowledge of health policy and health services guided by the Christian faith to improve interventions used to promote and maintain healthy lifestyles.

EPSLO#6 Apply the knowledge and skills of information management and patient care technology to deliver nursing care that addresses legal, ethical, and emerging issues.

Admission and Progression Conditions of the Online RN to BSN Completion Program

To be considered for admission to the Online degree program the student must:

1. Apply to Ouachita Online and declare nursing as a major.
2. Submit a completed BSN-O application in the student portal.
3. Hold a diploma or associate degree in nursing from a nationally recognized accrediting organization or Arkansas State Board of Nursing approved nursing program.
4. Hold a current unencumbered Registered Nurse (RN) license.
5. Have a cumulative GPA of 2.5. Students with Ds in science core courses or in nursing courses will not be admitted.
6. Must declare all colleges and universities attended in the past and supply official transcripts from each school attended. All grades of all college level courses will be transferred and used in calculating the grade point average except those with D or F grades which cannot be repeated at Ouachita. Courses accepted in transfer must be consistent with the liberal arts character of the Ouachita curriculum.
7. Must score 78-80 internet Based Test (iBT), or 550 Paper Based Test (PBT) or higher on the Test of English as a Foreign Language (TOEFL) exam. The test must have been taken within the last two (2) calendar years of admission. All transfer credit must be evaluated by (www.foreigntranscripts.com). Students interested in taking the TOEFL should go to www.ets.org. Official TOEFL exam score report reflecting successful completion must be received no later than one (1) month after the application deadline date. Only TOEFL test scores received directly from International Education Evaluations, Inc. will be accepted as valid.

If the applicant's entire educational experience has been in the United States, the applicant does not have to take the TOEFL. To document this, the applicant must provide records/transcripts from the time that the applicant entered school in the seventh grade through high school and college. If the applicant cannot provide this documentation, the applicant may appeal first to the Director of Nursing, then to the Dean of JP Patterson College of Natural Sciences.

8. Have proof of Hepatitis B, TB screening, university required immunizations (if any), and current American Heart Association CPR certification prior to practicum experiences.
9. Obtain health insurance in the event of injury as students are responsible for any injury that may occur in the practicum setting.
10. Prior to practicum experience obtain a background check and drug screen. All screenings are conducted at the expense of the individual student. The screenings listed will be conducted by an outside background check service utilized by the nursing department that allows students to purchase their own background and urine check. Each student will be instructed via the background check service regarding the specific background and urine check process.
11. Have transportation for travel to and from clinical experiences.
12. Students must have access to a computer and the internet in order to complete this program. The hardware and software requirements are outlined at <https://obu.edu/its/students/requirements/>

Progression in the BSN-O Completion Option

Progression throughout the BSN-O program option depends upon:

1. Maintaining a C or better in all nursing courses
2. Success in nursing courses. Lack of success of the same nursing course twice or failure of two nursing courses in one semester will result in students being advised to take an alternate educational pathway other than the Ouachita Baptist BSN-O pathway.
3. Completion of the program within 3 years of being enrolled in the BSN-O program option or at the discretion of the Nursing Department Director or Dean of the School of Natural Sciences.

Requirements for the Online RN to BSN completion program option:

Prior to enrollment in this program, the prerequisite courses BIOL 2014, BIOL 2024, and BIOL 2604 must be completed. BSN course requirements include NURS 3003, 3013, 3023, 3102, 3111, 3203, 4003, 4014, 4023, 4034, 4601, plus up to 40 credit hours from an Accredited Nursing Organization or AR State Board of Arkansas Approved AAS or Diploma School. Additionally, CHEM 1024, CORE 2053 or ENGL 3013 and PSYC 1013 are required. No minor is required. Students in this program must take the following CORE courses—from the Common CORE: CORE 1001, 1043, 1113 and 1123 (BSTH 4403 may substitute for CORE 1123); and from the Flexible CORE: MATH 1003; one from CORE 2233, FINA 3113, 3123, or 3133; two from CORE 1023, CORE 2243, PSCI 2013, or HIST 2013; MSSN 4313 or two semesters of the same foreign language. Students may take electives as needed to obtain the 120-hour degree requirement. Students must have 24 credit hours with a grade of C or higher in the major, must maintain an overall and Ouachita GPA of 2.5 or higher, and must complete this program within three (3) years of matriculating, or at the discretion of the Director of Nursing or Dean of the School of Natural Sciences.

Plans of Study for the BSN-O Completion Program Option:

Each potential student will be individually evaluated with an advisor to determine a plan of study that best fits the student's needs. An example of a full-time and part-time plan of study for a BSN-O student are shown below. These examples are just one way of many different ways that a plan of study could be developed.

Example of Plan of Study for Full-Time BSN-O Student (Full time is 12 hours per semester; students can take up to 10 credit hours per 8-week Term online; up to 20 hours per fall or spring semester)

Nursing Online Courses (NURS)

NOTE: These online courses intended for working nurses have different prerequisites than those appearing in the 2020-2021 residential catalog. All students must hold a valid registered nurse license prior to being admitted into the BSN-O program option.

NURS 3003. Theories in Nursing.

This course introduces the philosophies, theories, and histories of the science of nursing and related fields. Nursing theories, related disciplines theories, and Christian practices are explained for their usefulness and applicability to nursing practice. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2064. Corequisite: CORE 1001 Orientation to Online Learning.

NURS 3013. Informatics in Health Care.

This course presents informatics as it relates to nursing and health care for information management and patient care technology used in the delivery of patient care to capture data to improve patient outcomes. Legal, ethical, and clinical practice guidelines associated with informatics are addressed. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 3023. Issues and Ethics.

A presentation of historical, political, legal, ethical, spiritual, and cultural underpinnings affecting the nursing profession. Nursing standards and rules, Christian principles, and theories of law and ethics are utilized to address professional relationships, technology, patient self-determination, health policy, social, gender, transcultural and spiritual issues. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 3102. Evidence-Based Nursing Research.

This course introduces students to the process of how to conduct nursing literature reviews and how to interpret current nursing literature reviews. Students will then conduct a nursing literature review on a specific topic and analyze the findings. Information in this course will be used with an application and evaluation of learning in the NURS 3111 Seminar: Applying Evidence-Based Nursing Research. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 3111. Seminar: Applying Evidence-Based Nursing Research.

This is a continuation of NURS 3102 Evidence Based Nursing Research. Students will expand knowledge to learn the process of how to professionally present evidence findings and analysis. Students will make application to a regional research conference to present findings and analysis from the literature review conducted on a health care issue in NURS 3102. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 3203. Advanced Health Assessment.

The purpose of this course is to apply previously learned nursing health assessment principles, techniques of the health assessment and review of symptoms interview, and the physical examination for diverse individuals across the lifespan. Students will engage in select body system process discussions, conduct a family genetic health interview, complete a health history, and develop a teaching plan to predict patient's health risks and identify ways to promote healthier lifestyles and habits. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 4003. Health Care Pathophysiology.

This course builds on previous knowledge gained from anatomy, physiology, chemistry, microbiology, and health care concepts. It provides an opportunity to examine health deviations and their impact on human functioning across the lifespan. It is designed to enable the student to manage the health deviations of the individual therapeutically. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 4014. Community Health.

This course focuses on the application of the nursing process to a population or community group. Students gain an understanding of community resources with an emphasis on community-based settings, disease states, community health models, theories, Christian practices, barriers to healthcare services, and the needs of vulnerable populations. The practicum component explores the acquisition of knowledge about communities of interest and its health problems. Students will gain experience in the identification of population characteristics, problem health identification, planning, and interventions to promote a healthier lifestyle. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 4023. Transcultural Nursing.

This course introduces and examines health beliefs, spiritual beliefs, attitudes, values, health norms, and practices of diverse individuals, families, communities, and populations globally. An understanding of different cultures to promote health and prevent disease, understanding of how healthcare providers from different cultures differ in their approach to healthcare related to assessment and intervention techniques, and healthcare cost will be analyzed to plan culturally congruent nursing care. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

NURS 4034. Leadership and Management in Healthcare Practice.

This course is designed for registered nurses and administrative leaders to gain knowledge of leadership and management skills to utilize in the healthcare workplace. Management and leadership theory, evidence-based research, scope and standards of healthcare practice, and national patient safety guidelines will be the basis to acquire knowledge and skills. Students will collaborate and work with the interprofessional healthcare team in a practice care setting to explore legal guidelines, systems quality improvement, patient safety factors, cost of care, and regulatory factors to effectively manage, oversee, and deliver care for individuals, groups, and families in a changing healthcare environment.

NURS 4601. Capstone.

This capstone course provides the student a unique opportunity to integrate theories and knowledge from nursing courses or related disciplines in order to develop an evidenced-based project to engage healthcare professionals. Prerequisites: BIOL 2014, BIOL 2024, BIOL 2604.

Mission

Prepare students for graduate study as well as provide a strong supporting area for those majoring in religion, sociology, teacher education, philosophy, pre-medical studies, and other social service areas.

Goals

General:

1. Develop the knowledge, background, and skills needed to . . .
 - a. Appreciate the diverse theoretical approaches in psychology;
 - b. Understand, compute, and appropriately use basic statistical techniques;
 - c. Understand the strengths and weaknesses of various research designs.
2. Behave as students of the discipline in light of disciplinary ethical guidelines.
3. Learn to communicate professional information in verbal or written form.

Specific: Knowledge of . . .

4. Biological basis of behavior and experience;
5. Cognitive and affective basis of behavior and experience;
6. Developmental and social basis of behavior and experience; and
7. Abnormal processes related to behavior and experience.

A B.A. in Psychology requires a minimum of 36 hours of department-approved (PSYC) courses, including PSYC 1013, 2033, 2054, 2063, 3013, 3053, 3093, 4003, and 4033. In addition to the PSYC courses, ENGL 3013 is required. A 2.000 in these courses is required for graduation.

Residential psychology majors may only take 6 hours of online psychology courses. The following courses must be taken face-to-face: PSYC 2054, PSYC 2063, PSYC 3053, and PSYC 4003.

PSYC 1013. General Psychology.

An introductory course dealing with elementary principles, terminology, and various aspects of different branches of the subject. **Fall Term 1, Spring Term 1, Summer.**

PSYC 2033. Human Development.

A survey of human development from conception to death. Physical, cognitive, and social process and how they affect human development will be emphasized. Prerequisite: PSYC 1013. **Fall Term 2.**

PSYC 2054. Statistics.

A course in descriptive and inferential statistical techniques with emphasis on analysis of experimental data. Both manual and computer procedures will be covered. **Spring Term 1.**

PSYC 2063. Research Methods I.

The basic principles involved, and the techniques used in experimentation and non-experimental research, including hypothesis generation, design, data collection, and scientific writing. Prerequisites: PSYC 3013. Co-requisite: PSYC 2054. **Spring Term 1.**

PSYC 3013. Social Psychology.

A survey of research and theory in social psychology. Topics include the self, person perception, attitudes, culture, conformity, persuasion, group behavior, prejudice, aggression, and close relationships. **Spring Term 2.**

PSYC 3023. Behavior Analysis.

A study of the principles and theories of learning in the field of behavior analysis. This course will cover basic learning principles, common behavioral procedures, and research methods and techniques of behavior analysis, as well as the application of behavior analysis across a wide range of populations, settings, and behaviors. **Fall Term 2.**

PSYC 3053. Research Methods II.

Application of the basic principles of research design, with an emphasis on research ethics and scientific writing. Each student will design and complete a research project. Prerequisite: PSYC 2063. **Spring Term 2.**

PSYC 3093. Abnormal Psychology.

A study of mental and emotional deviations and illnesses. Consideration is given to the incidence, causes, symptoms, dynamics, prognosis, and theories of treatment of various conditions. Prerequisite: PSYC 1013. **Fall Term 2.**

PSYC 3313. Health Psychology.

The scientific study of how the mind, body, and behavior interact to affect physical health and disease. Topics covered include stress, healthy habits, substance abuse and addiction, eating disorders, pain, sleep, health care, risky behaviors, and happiness. **Fall of Odd Numbered Years, Summer of Even Numbered Years.**

PSYC 4003. History of Psychology.

A historical survey of the development of psychology within intellectual and socio-cultural contexts. Prerequisite: Six Junior-Senior hours in Psychology. **Spring Term 2.**

PSYC 4033. Cognition.

A study of the basic mental operations that support our ability to obtain and use information, such as memory, attention, and perception. Prerequisite: PSYC 1013. **Fall Term 1.**

PSYC 4713. Forensic Psychology.

An introduction to the field of forensic psychology, examining psychology as it applies to issues relating to civil and criminal justice systems. Topics covered will include police and investigative psychology, legal psychology, criminal psychology, victimology and victim services, and correctional psychology. **Fall of Even Numbered Years, Summer of Odd Numbered Years.**
